By WENDELL TOOLEY

BEFORE Christmas a big buck deer, with a nice stack of antlers was seen just out of town near the cemetery by several people. Kept thinking that someone would be killing him, but guess he made it back to the woods okay.

Thanks to Bill Cagle and others who called on me we would have tried to get a picture of the deer. . . couldn't find anyone who would hold him and hold him while we took the picture.

RECEIVED a note from Marisue Potts and Mary from the Detroit Free Press telling me that Michigan service boys sharing their time from home with their buddies in Viet Nam.

It seems that the folks in Michigan have some of the state-wide project of letter writing to boys in Viet Nam. A commendable project.

FLOYDADA STORES have a lot of good merchandise left over from 1966 and they've had prices to clear it out in this issue of Hesperian. Look over each advertisement carefully. . . think you'll find a lot of very valuable items and save a lot of money. Everything from automobiles to fall dresses priced to clear!

CONGRATULATIONS to the Whirlettes on winning another tournament. . . the one at all. . . and another congratulations to Marler for the outstanding 35 points he had in one game at Farwell.

TO HAVE A DAUGHTER associated with the airlines! It looks like Mr. and Mrs. Fred Gregory will be flying to Holland to Marlene this month. . . and there is a possibility that the Leonard Materslers may work to plan to fly to Rome to visit Maria. Charles Lutricks visited their foreign student, Sigurd, in Norway last summer. It helps you to afford to fly when you have a daughter like the Gregorys and hers working for the airlines. Believe me, my and her husband are with Braniff III is with Eastern Airlines.

AFTER receiving another interesting article in the Lawrence Outlook, newspaper in Kansas, about a former Floydada girl, Ruth Ann, who is writing a book a year. She graduated from Floydada High in 1953, and her parents were the Rev. and Mrs. S. L. Ward, pastor of the Nazarene Church here.

The Kansas newspaper reports this interesting information about Ruth: "The whole thing is a discipline process" is the way Ruth Vaughn, 1530 Davis Rd., describes the writing which takes from six to ten days of her day.

Ms. Vaughn, relative newcomer to Lawrence, has been active in the field of religious writing for about the last seven years. "Active" is really an understatement. In short period of the time, the petite, energetic writer has produced: 10 books, over 500 magazine contributions, one play, written material for approximately 12 filmstrips, one and several Bible school texts.

Her latest book, What Will I Tell My Children About God, was named the Church School's Living League's book of the year in 1966. A lengthy play Lions Can't Eat Truth, is scheduled to be released next spring in time for Easter.

WRITING BY ACCIDENT Ms. Vaughn said she started writing quite recently but chose religious writing naturally. "I never knew I could write professionally," she said, "until I found an old essay I written about my father. I sent it to a magazine where it was published and at the end of that year, I had finished my first book."

Ms. Vaughn is a very attractive, auburn-haired woman who sat in her tastefully decorated living room while she reminisced about her career as an author. "Because my father, my brother and my husband are all ministers I quite naturally fell into this field which was so close to me," Mrs. Vaughn has never written for locations outside the religious area and doesn't expect to because, "these are the kinds of things I think and feel. A writer should write about those things that are closest to him and about which he is most interested."

During most of the day and sometimes the night writing isn't always easy, especially when a husband and two young sons. Husband is now a graduate student at KU in speech communications and sons Billy, 11 and nie, 6 are sixth grade and kindergarten students respectively at Kennedy School. Vaughn is "very happy and proud of it (the thing). . . and the boys are wonderful. They have grown up around the typewriter and are very eager to drop anything to listen to a story," Mrs. Vaughn said fondly and added, "they're very flattering to me."

After the Vaughns' marriage, he served in the military in Bridge City and Amarillo, Texas seven years. From Texas they moved to Kansas City where they resided for three years, while Vaughn earned a graduate degree in sociology (the art of preaching) at Nazarene Theological Seminary. After he finishes his doctorate at KU, the Vaughns hope to teach in one of their Nazarene colleges. He will teach rhetoric and Mrs. Vaughn plans to teach creative writing, if she receives a masters degree.

INJURED IN HUNTING ACCIDENT

Ricky Pernell Remains Critical, Unconscious After Shock

Friends and neighbors keep a round the clock vigil with Ricky Pernell in Methodist Hospital where he remains unconscious after receiving an electrical shock from a 7200 volt power line near Dougherty Sunday afternoon.

His condition is described as critical after brain and plastic surgery.

Ricky is a 14 year-old member of the Floydada freshman class.

Most popular this year and one of the outstanding athletes of his class. Ricky, son of Mr. and Mrs. Jessie Pernell of the Dougherty Community and his friend, Louis Reid Cardinal, son of Mr. and Mrs. Fred Cardinal, were hunting Sunday afternoon and as they lifted an aluminum irrigation pipe to loosen a rabbit in it, contact was made with the high voltage wire.

Louis Reid apparently saved Ricky's life as he two or three times tried to release his friend. Twice he was knocked away by the voltage, before finally getting him loose. Insulating gloves and coveralls may have helped to prevent further injury.

Most of the people in Dougherty knew about what time the accident occurred, as the electricity went off around 5 p.m. Following the rescue, Cardinal went for help and an ambulance from Moore-Rose Funeral Home.

Lewd Telephone Caller Nabbed

Patience and endeavor paid off last week for the Floydada police department, the sheriff's office, Southwestern Bell Telephone Company and a housewife who had been receiving lewd telephone calls for the past three weeks. Through the cooperation of these a 20-year-old Floyd County man was apprehended Friday morning as his telephone call went through to the housewife at 8:32 in Floydada. He had been under surveillance for several days, officials said.

The accused was filed on, appeared before the county judge and was given \$150 fine, plus \$31.95 court costs, and 30 days in jail.

Freddie Edwards, acting police chief, said a new phone device was used in catching

the lewd caller in the act. Information has been received by both the county and city officials of some other 15 to 20 calls over the past several weeks to housewives and these, too, are being checked into. With local officials working with the telephone company Edwards said he felt these lewd calls would soon come to a halt.

"The lewd calls usually came a little after 8 o'clock in the morning or after 10 o'clock in the evening as soon as the man of the house leaves for work, Edwards said. The information officials are receiving from the women will eventually pay off and these lewd callers will be apprehended as well," Edwards further stated.

All South Plains Team

Bob Murry and Kerry Bearden were honored last week when they were announced as members of the "All South Plains Team." This is the second outstanding honor they have received as they were earlier selected to the first team of all district. Both are graduating seniors from Floydada High.

YEAR 1965

Floyd Ranks Fourth In Farm Income And Seventh In Sales

A report from the authoritative Standard Rate & Data Service at Dallas shows that Floyd County ranked fourth in the state in 1965 in farm income and seventh in agricultural sales.

During 1965, Texas' agricultural income was \$2,762,808,000. Only two states exceeded Texas. . . California and Iowa.

Leading the state in sales was Hale County with \$61,815,031. Second was Lubbock County, \$56,140,383. The remainder are Lamb, \$47,796,504; Parmer, \$38,482,906; Castro, \$37,014,825; Deaf Smith, \$36,802,280, and Floyd, \$32,607,808.

Others in the top 10 are Hidalgo, El Paso and Wharton Counties.

The total New England states produced \$919,680,000 in agricultural products in 1965, which

is \$57 million less than that produced in the Panhandle.

In the Middle Atlantic states only New York exceeds West Texas in agricultural production, and of the West North-Central states, the Panhandle counties exceeds North Dakota and South Dakota. In the South Atlantic area, Delaware, Maryland, South Carolina, Virginia and West Virginia all produce less than the Panhandle.

The gross farm income of 51 counties follows:

Table with 2 columns: COUNTY and INCOME. Lists counties like Armstrong, Bailey, Borden, Briscoe, Carson, Castro, Childress, Cochran, Collinsworth, Crosby, Dallas, Dawson, Deaf Smith and their respective income values.

Lockney School Files \$265,000 Damage Suit

A suit by the Lockney Independent School District was filed in Floydada last Thursday in 110th District Court, seeking \$265,000 in damages against the architect, contractor and bonding company in connection with the Lockney Elementary School plant completed in the fall of 1964.

The suit is labeled "Lockney Independent School District vs Rittenberry et al." suit for damages. Rittenberry and Rittenberry and Associates of Amarillo was the architect, Tatum Construction Co., of Lubbock, the contractors and American Surety Co., of New York was the contractor's bonding agency. Clyde Tatum Jr., of Tatum Construction, was in Floydada Tuesday checking into the matter.

Lawyers for the school system, Morehead, Boyd, Sharp and Tisdell with offices in Plainview, said the school building had not been done in a good workman-like manner, the architect was negligent in design and the bonding company was also negligent, according to reports from other news sources. The attorney explained that a suit of this nature was very complex, but that he had hopes of its being heard during 1967.

Chamber Banquet At High School

It was announced this week by Parnell Powell, president of the Floydada Chamber of Commerce that the annual banquet January 17 will be at the high school.

It was previously thought that the new Duncan Elementary Cafeteria would be ready in time for the banquet, but a report from school officials says that it will not be ready in time. Tickets are selling very rapidly for the event and the high school gymnasium has a seating capacity of 550. The average attendance at the annual banquet is 450.

SPEAKER The Rev. Herschel Thurston is spearheading the ticket sales for the banquet which features Dr. Charles L. Allen, pastor of the First Methodist Church in Houston.

Dr. Allen is a much sought after speaker and is author of the following books: "God's Psychiatry, When The Heart Is Hungry, The Touch of the Master's Hand, In Quest of God's Power, Roads To Radiant Living, All Things Are Possible Through Prayer, When You Lose A Loved One, Healing Words, 12 Ways to Solve Your Problem, The 23rd Psalm, The Life of Christ, The Lord's Prayer, Prayer Changes Things, The Ten Commandments."

Tickets are \$3.25 each. A complete resume of the program will be printed in next week's Hesperian. Over 200 tickets had been sold Wednesday by the "Super Seven Salesmen."

Post Office Receipts Up

Postal receipts at the Floydada post office are up over last year and may have reached an all time high.

Figures released by postmaster Ed Wester show that receipts went up to \$72,017.00 in 1966. This compares with \$66,832.00 in 1965, \$67,845.00 in 1964 and \$65,683.00 in 1963.

It is interesting to note that the volume of outgoing mail for December was down; 149,946 pieces in comparison with 164,806 pieces in 1965. This is reflected in packages, letters, circular permits, postage meters and second class mail.

Pete Looney To Preach First Sermon

The Rev. Virgle Jones announced this week that Pete Looney will bring his first message at the Bible Baptist Church, 810 South 3rd Street, in Floydada on Sunday evening, January 8th.

Regular services are at 6:30 p.m.; prayer service 6:00 p.m. Looney has lived in Floydada all his life, and is a well known barber in the Floydada area.

He recently surrendered to preach and the Rev. Jones invites all to hear his first message.

RALPH JOHNSTON JR.

Youth Preaches First Sermon At Home Church

Last Sunday youth of the First Baptist Church were in charge of the evening service and Ralph Johnston Jr., who recently surrendered for special service, preached his first sermon in his home church.

Johnston is a sophomore student at Baylor University and is the son of Mr. and Mrs. Ralph Johnston of Floydada.

Thumper Morgan, Hardin-Simmons freshman, gave the welcome and announcements and Baylor students Dana Galloway and Phyllis Bradley gave testimonies.

Travis Hart, church youth director, led the youth choir and congregational singing.

MRS. JAMES McNEILL
(nee Elaine Starkey)

Miss Starkey Bride Of James McNeill

Miss Elaine Starkey became the bride of James McNeill Friday evening, December 23 at 7 o'clock in the First Methodist Church in Floydada. The double ring ceremony was performed by the Rev. J. E. McGuire of Post.

Parents of the newlyweds are Mr. and Mrs. Jesse Starkey of Happy and Mr. and Mrs. Bill McNeill of Floydada.

Seven branch floor candelabra of brass which held white

gown of delustered satin designed with a fitted empire bodice, featuring long tapered sleeves ending in petal points. A floor length train accented with lace fell from her shoulders. Her veil of illusion was edged in lace and fell from a pearl and crystal teardrop tiara designed by the bride and her mother. She carried a white Bible, a gift from her parents, topped by a bouquet of white carnations.

For a sentimental touch the bride wore a piece of jewelry belonging to each of her grandmothers.

Mrs. Norman Ferguson attended her sister as matron of honor and Sherri Starkey, also a sister, was junior bridesmaid. They were attired identically in royal blue velvet street length dresses featuring empire waists, A-line skirts and long tapered sleeves. Their headpieces were blue velvet bows with blue tulle veiling. Each carried nosegays of white carnations showered with white satin streamers.

Troy McNeill of Dumas served his brother as best man. Ushers were Tommy and Gary Lyles.

Miss Carol Hardaway of Happy, registered wedding guests.

A reception, given by the bride's parents, followed in the church parlor. Miss Shirley Rainer and Miss Judy Turner, Floydada and Miss Jo Ann Hampton, Amarillo, cousin of the bride, presided at appointments. The table was laid with a white net cloth and held a three tier wedding cake in white topped with the traditional bride and groom. A candelabra bearing white tapers, flanked by the bouquets of the bride and her attendants completed the arrangement.

Assisting with the houseparty were Mrs. Carl Turner, C. O. Lyles, Ray G. Ferguson, R. R. Ferguson, J. E. Billingsley and Mrs. J. E. Hampton.

For travel the bride chose a melon and yellow color empire dress with matching coat and black accessories and complemented her ensemble by wearing the corsage from her bridal bouquet.

After a brief wedding trip the couple are at home at 2610 5th Ave., Apt. 11 in Canyon.

MISS MYRA MYERS

Miss Myers, Higginbotham To Exchange Vows Jan. 20

The engagement and approaching marriage of Miss Myra Myers to Bud Higginbotham is being announced. The wedding will be performed January 20th in the home of Mr. and Mrs. Wyle Rogers of Floydada, friends of the bride.

Mrs. Brown Is Speaker For Club Members

Mrs. Billy Brown, coordinator of special education classes and speech therapist at Floydada schools, presented the first program of the year to members of the 1962 Jr. Study Club in the home of Mrs. Dean Morris Tuesday night.

Mrs. Brown's program explained methods used in special education classes, as well as her job as coordinator of the classes. She said she was happy to tell the club that for the first time last year the schools had a "home bound unit" for pupils unable to attend school four weeks or more due to illnesses. Eight students

The bride is a senior student at Happy High School and the groom is a sophomore at West Texas State University.

were assisted in keeping their school level because of this unit.

The special education classes are a project of the 62 Club and they are helped through the Christmas Card Fund. Mrs. Harvey Allen expressed her thanks to everyone who helped with the Card Fund.

During the business session, Mrs. Morris, president presided. Roll call was answered with "A School Day Memory."

Mrs. Jackie Myrick assisted Mrs. Morris with hostess duties. They served refreshments to Mrs. Phillip Wilson, Harvey Watson, Bill Henderson, Harvey Allen, Melvin Lloyd and guest, Mrs. Billy Brown.

Lindleys Hold Family Event

Mr. and Mrs. W. B. Lindley were host and hostess for a Christmas tree in their home on Christmas Eve night.

Those present included their children, Mr. and Mrs. J. W.

Club Meets In Newberry Home

Members of the 1934 Study Club met January 3rd in the home of Mrs. W. O. Newberry. Mrs. Allen Bingham, president, was in charge of the meeting, during which time it was voted to change the January 17th meeting to the night of January 16th, to avoid a conflicting date with the Chamber of Commerce banquet. The meeting will be held in the home of Mrs. John Stapleton.

Club Names Year's Project

Members of the 1950 Study Club voted as their community improvement project to assist with the Welfare Community Clothing Center in Floydada at a recent meeting.

They have designated Tuesday morning as "pick-up day" in order to have the items at the center by noon for distribution Tuesday afternoon. Persons having articles they wish to contribute are asked to call Mrs. Don Cheek, YU3-2330.

If Tuesday is not a satisfactory day for some, then you are asked to contact a member at your convenience, and they will be happy to pick the clothing up.

Campbell and Laura, Mr. and Mrs. W. T. Lightfoot and Mike and Mr. and Mrs. John Campbell and David, all of Floydada. Grandchildren attending were Mr. and Mrs. Billy Carmack, Ricky and Brad of Friona and Mr. and Mrs. Kenneth Lightfoot of Pampa.

The above mentioned, with the exception of Mr. and Mrs. Billy Carmack and children had Christmas dinner in the home of Mr. and Mrs. John Campbell. They were joined by Mr. and Mrs. Dwayne Myrick of Floydada and Mr. and Mrs. J. W. Hamilton, Jimmy, Jeffrey, John and Judy of Olton.

Mrs. Womack Entertains 84 Club

Mrs. E. J. Womack, 816 W. Virginia entertained her 84 club of Lockney with a dinner Christmas week.

Attending were Mr. and Mrs.

ER, Jan. 2 - Church at Baptist was so good, special music. There were several visitors, including Dr. Ryman from Hubbert, who were with her parents, Greens over the week.

Frank Dunn went to Friday taking home daughter Debbie Dunn and over the weekend in visiting her children and families who live there. Thomas Warrens had a las Eve dinner with the dredges, and ate Christmas dinner with his mother, la Warren. Other dinner at Mrs. Warren's were if outed Mrs. Fred Battey, day the Warrens made a mer college towns downstate, "meeting" for the high senior in the family, listed in Corpus Christi, ylor in Waco, Howard in Brownwood, and Harmons in Abilene. They ad home Friday.

ts in the Warren home onday morning were Mr. rs. Jim Bradley and boys DATA, moggio, N. M. anker, and Mrs. Warren attending the party at the Wilson Bonds r, Jay night where some ten s saw the New Year come

The J. E. Greens also had a nice New Year weekend. For Saturday supper they had all their children and families except Don Clark and family of Big Spring. Present were the Clyde Greens of Bolivar, Mo., the Victor Greens of Plainview, and the Doc Ryman of Hubbert. Also present were the Anthony Lattas of Mt. Blanco and two co-eds from New Mexico who were returning to Bolivar with the Clyde Greens (who made a flying trip to Albuquerque where they visited the J. B. Jordans, and to their place at Peralta.)

After supper belated Christmas gifts were given out, followed by a joyful season of Christmas carols with Clyde at the piano. Some left for home about 11 p.m. and some stayed up with us to see the old year out, while others slept. All left for home Sunday.

They pass so quickly - the blend of voices, the patter of many feet, the tinkle of the piano, the feasting and dish washing over for now. But what sweet memories! Thank you, children, and all!

Other visitors last week at the Greens were Mrs. Will Latta of Crosbyton and E. J. Green of Plainview here with our first get-together on Monday; and Mrs. Zolan Melton of Coleman, who came Wednesday afternoon.

Mr. and Mrs. A. E. Frizzell and Mrs. W. M. Jackson spent Saturday with Mr. and Mrs. Leo Frizzell. Monday all dined with the A. E. Frizzells.

eral Home here carried the injured youth to Lubbock.

The accident occurred on the Kent Covington farm. The boys had ridden their motorcycles there to hunt. Louis Reid was standing behind Ricky holding onto the pipe. When the shock hit them, Louis Reid was thrown away about three feet and then the pipe that Ricky was holding made contact with some more pipe on the ground.

After Louis Reid got Ricky loose he hurried to the Perrell home.

An interesting sidelight to the accident is the fact that another rabbit that Ricky had in his coveralls was not killed.

Louis Reid received a small burn on his right leg just below the knee cap.

WEDNESDAY NIGHT

At press time Wednesday a late report from Fred Cardinal who had just returned from the hospital indicated that Ricky was improving. The pneumonia was under control and although it seems that Ricky is still unconscious he hears and will squeeze a person's hand when asked to do so.

Cardinal said that it is likely that Ricky will lose his left eye.

Federal Crop Insurance Pays Off

Insured cotton and grain sorghum farmers in 50 Texas counties are receiving nearly \$1.7 million in Federal Crop Insurance payments for 1966 crop losses, says Ben A. Jordan, Jr., State Director for FCIC.

In addition, he says, beginning with the first of the year all-risk Federal Crop Insurance was made available to farmers in eight more Texas counties.

Although preliminary figures only are available, the bulk of the loss payments, about \$1,400,000 will go to cotton farmers in the hardest hit counties of Hudspeth, Hale, Lubbock, Farmer, Swisher, Floyd, Lamb and Hockley and lesser hit counties of Bailey, Briscoe, Calhoun, Castro, Crosby, Fort Bend and Victoria.

Federal Crop Insurance will pay another \$100,000 to grain sorghum producers primarily in Lamb, Hale, Deaf Smith, Castro, Farmer, Randall and Swisher counties.

With the exception of Hudspeth County where flash floods destroyed much of the cotton in a concentrated area around Dall City, most of the insured losses were widely scattered in the 50 counties where payments are being made.

The eight counties opened for Federal Crop Insurance programs for 1967 include Pecos, Reeves and Ward where insurance is available on irrigated cotton and Hansford, Carson, Dallam, Sherman and Moore counties for irrigated grain sorghum. This raises to 64 the total Texas counties where FCIC is serving farmers.

Besides the new counties, production guarantees on irrigated cotton have been raised and premium rates lowered in 17 West Texas counties in an effort to bring the program more nearly in line with normal yield increases during the past 10 years.

"This completes a two-year program of updating the FCIC cotton program. Dryland cotton producing counties in the Blacklands Area were adjusted a year ago," Jordan says.

Still another improvement in the program introduced last year, but going into effect this year, is an adjusted premium discount feature. Jordan says policy-holders who did not have a loss in 1966 will benefit from a five percent discount in premium this year. Previously, it took three years of no losses before discounts were given.

All in all, he adds, 1966 saw nearly 10,000 Texas cotton, grain sorghum and wheat farmers voluntarily insuring

300,000 acres of croplands protecting more than \$17 million in farm investments.

Improvements in the program and expansion into the new counties are anticipated to attract an even greater participation in the FCIC program this year, Jordan concludes.

Farmers in counties where the low-cost insurance is offered may obtain complete details tailored to their individual farm needs by contacting the nearest FCIC office or by writing: Federal Crop Insurance, USDA Building, College Station, Texas 77840.

FALL-FLAVORED—The shift takes on style variations for fall. A stand-up collar, slash pockets, and high back belt are news-worthy fashion details of this wide wale cotton corduroy design by Lobo of California.

ON POVERTY PROGRAM
Sargent Shriver, director of the Office of Economic Opportunity, thinks it would be a good idea for Congress to take a close look at the antipoverty program—an unprejudiced look. The G.O.P. leaders previously indicated they would check the program.

ROOSEVELT RESIGNS
Ambassador James Roosevelt has resigned as U.S. representative to the Economic and Social Council of the United Nations. The former California congressman and oldest son of President F.D. Roosevelt resigned for personal reasons.

**"AMERICAN HERITAGE"
THEME OF YOUNG
HOMEMAKERS MEET**

"American Heritage — Our Concern" will prevail as theme of the 1967 State Convention of Young Homemakers of Texas slated Jan. 12-14 in Corpus Christi. Mrs. Scott Carpenter, wife of the famed astronaut, will speak on the theme at the first general session on Jan. 13, according to Mrs. Eddie Joe Fortenberry, state first vice-president from Lockney YH Chapter. Mrs. Fortenberry will complete her two-year term on Jan. 14 and will be replaced by Mrs. Larry Dobbs of Hereford.

Presentation of the most outstanding YHT chapters in the state will be named at a joint Young Homemaker-Young Farmer Luncheon Thursday. Awards to be made include Outstanding Chapter, Outstanding New Chapter, Publicity (district and local), and State Little Sister. Outstanding Chapter and Outstanding New Chapter honors are bestowed each year to the chapters that have contributed most toward growth of individual members in community endeavor. Publicity is to those who have best interpreted the work of YHT. The Little Sister is a Future Homemaker of America who has accomplished outstanding goals in her family life, school, church, and community. Rural Electrification Cooperatives of Texas is the sponsor each year for the luncheon.

On Jan. 14, a new president will be elected. She will succeed Mrs. J. B. Lester of Gonzales.

A reception for the press is slated on Jan. 12 to honor representatives of the news media who will be in Corpus Christi for the convention.

Young Homemakers of Texas is a state association of young women, out of high school through 35 years of age, who are interested in improving knowledge and skills in homemaking.

The organization was formed exclusively for educational purposes. Division of Homemaking, Texas Education Agency, is the sponsoring agency for the state-wide group. Or-

ganized in 1961 with two chapters, the association now has approximately 175 chapters, 2600 members and about 600 of these young wives and mothers will be attending the meeting.

Mrs. Fortenberry and Mrs. Joe Taylor, president of the local chapter, will represent Lockney Young Homemakers, one of the first two chapters in the state.

**LONG DISTANCE RATES
NOW REDUCED**

on most station-to-station calls within Texas

ON January 1, long distance rates were reduced on most station-to-station Long Distance calls within Texas.

The reductions, which apply on most calls of more than 56 miles, vary from 5 to 15 cents for three minutes, depending on the distance. Reductions are even greater for calls over three minutes.

Users Help Make Cuts Possible

In addition, all station-to-station calls within the State of Texas which are made after 8 p.m. and all day Sunday get the lowest night rate—a maximum charge of 80 cents, plus tax, for three minutes to any point in Texas. In the past, only station-to-station calls which were prepaid (charged to the number placing the call) and credit card calls got this low rate.

Much of the credit for making possible these reductions in Long Distance rates goes to telephone users themselves. The cooperation of customers in placing calls by number, using area codes, and taking advantage of Direct Distance Dialing where it is available has helped to make possible the operating economies that led to the reductions.

Tenth Reduction Since World War II

This is the 10th reduction in Long Distance rates for Texas telephone users since the end of World War II. In this time when almost all prices are going up, we are glad to be able to reduce the cost of telephone service and bring these savings to our Texas customers.

Telephone service in Texas is a bigger bargain than ever before.

Whirlettes Win First In Farwell Tournament

Play Best Team Defense This Year

The Floydada Whirlettes breezed through the Farwell basketball tournament last week and had no trouble taking the first place trophy.

Coach Kelly Chadwick said that the team showed the best defense action he had seen this year. He praised guards Nona Pernell, Becky Miller, Janice McNeill, Peggy Switzer and Linda Williams.

Three Whirlettes were selected "all tournament". . . Linda Williams, Peggy Switzer and Sally McIntosh.

Coach Chadwick said that Linda Williams played one of the finest games Friday night against Friona any guard has ever played since he began coaching here.

Sally McIntosh got her free throw shots going and made 23 out of 29 in the last two games.

Peggy Switzer played some of the best basketball of her career, especially against the big Dimmitt team, outbounding them consistently.

Freshman forward, Cindy Ward, played her basketball during the tourney scoring 15, 15 and 19 in the three games.

The Whirlettes have a 15-4 record now. They have lost to Springlake twice, Quitaque and Dimmitt. They have won the championship trophy at two tournaments and a third place at another.

TUESDAY GAME

The Whirlettes played Bovina the first night of the tournament and won 52-31. Floydada was ahead all the way with Marilyn Harris top scorer, 21 points and Cindy Ward next with 15 scores.

WEDNESDAY GAME

The competition got rougher the second night of the tournament and the Whirlettes nosed out Dimmitt 46-43. Floydada was behind 9-12 at the end of the first quarter. Dimmitt was still ahead 25-24 at halftime. Sally McIntosh was high scorer with 22 points, Cindy Ward was next with 15 points.

FRIDAY GAME

The final game for championship honors was a tough one and the Whirlettes beat Friona 54-52. Floydada was ahead 13-9 at the end of the first quarter, still ahead 26-25 at the end of the half.

Sally McIntosh and Cindy Ward tied with 19 points each.

Floydada Boys Win One, Lose Two In Farwell Tournament

The Floydada boys varsity basketball team started out hot . . . but cooled off in the Farwell tournament last week . . . taking the first game and losing the next two.

The locals clobbered Lazbuddie 78-48 the first night . . . then lost to Farwell 77-67 and Muleshoe 71-51.

Kerry Bearden was top Floydada scorer in the Lazbuddie game with 20 points, Steve Marler was tops in the Farwell game with 35 points and Butch Emert was tops in the Muleshoe game with 20 points. Marler made "all tournament." His 35 points were the highest of any Floydada player this year in any one game.

Floydada Boys Lose, Girls Beat Friona

The Floydada boys got beat 54-49 here Tuesday night, while the girls defeated Friona 51-33.

Memphis evened up its District 3-AA record, tripping Olton, 62-53. Tony Pounds hit 18 points for the winners, but Olton's Ken Johnson was the game's high scorer, getting 19. Olton's loop mark also stands 2-2.

Olton won the girls' game, rallying behind Kay Schultz's 31-point performance to take a 75-41 victory. Janie Watson hit 18 for Memphis.

Tom Hundley hit for 15 points to pace Abernathy to a 46-43 win over Hale Center in a District 3-AA cage affair Tuesday night. Lyndell Dyer managed 16 for the Owls.

Abernathy won the girls game, 41-38. In a boys 'B' game, Hale Center defeated the Plainview sophomores, 49-40.

Dimmitt showed easy mastery over Lockney, whipping the Longhorns, 95-43, in a productive attack paced by Ronnie Kenmore's 33 points. Jim Kropp scored 10 for Lockney.

Dimmitt also won the girls game, 73-45, with Allan Webb scoring 38 points. Debby Brotherton hit 15 for the losers. Lockney's boys B-team prevented a Dimmitt sweep by taking a 54-33 decision.

The Friona Chiefs, led by Ray Murphree's 19 points, nipped Floydada for their fourth loop victory without a loss, 54-49. Floydada, now 0-4, was paced by Terry Bearden and Steve Marler, both with 14.

In girls play, Floydada walloped Friona, 51-33. Both teams are now 3-1 in loop play. Shirley Ingram paced Friona with 16 while Marilyn Harris had 18 for Floydada.

Survivors in addition to his wife include five sons, Harold of Floydada, M. O. of Palm Springs, Calif., Claude of Whittier, Paul of Lubbock and Charles of Eagle Mountain, Calif.; two daughters, Mrs. Robert (Imogene) Duncan of Konoga Park, Calif., and Mrs. Ben E. (Margaret) Blackmon of San Diego, Calif., two sisters, Mrs. Mary Mayfield and Mrs. Maggie Kooce, both of Erick, Okla.; 27 grandchildren and 25 great grandchildren.

County Officials Sworn In

Several Floyd County officials were sworn in for new terms at the courthouse Monday.

Officers sworn in are: Mary McPherson, Margaret Collier, J. K. Holmes, Mrs. Troye Stansell, Walter D. Newell, Bob Jarrett, Bill McNeill, J. S. Handley and W. H. Counts.

Mr. and Mrs. S. G. Appling and Mr. and Mrs. Joe Appling and family spent Christmas Day with the Gene Miller family in Tulla.

Mr. and Mrs. W. B. Allen and daughters spent Christmas with Mrs. Allen of Lockney and other members of the Allen family.

The Kendricks left Monday after Christmas for Nashville, Arkansas to attend the wedding of Bob's niece on Tuesday night. They returned home Wednesday.

Tuesday, Mr. and Mrs. J. W. McClure visited the Wayland Jones' to help Greg celebrate his birthday even though he, Amy and Steve had chicken pox.

Tuesday night, the McClures had as supper guests Tim Griffin, Mrs. C. A. McClure, and Mr. and Mrs. Dennis Taylor, Joe and Tom. Rachel and Dennis were overnight guests.

Visiting in the B. Wheelless home Tuesday night were Mr. and Mrs. Bill Marley of Crosbyton.

Wednesday evening guests of the Frank Moores were Mr. and Mrs. Al Galloway and Dick of Floydada.

On Wednesday, Scott Brown underwent nasal surgery in Lubbock, came home Thursday and we understand now has the chicken pox. Sounds like Halloween, Scott!

Mr. and Mrs. Rudolph McCurdy and Philip were New Year weekend guests of the Watsons in Lubbock.

Last Friday night, six families enjoyed fellowship, refreshments and "42" at the Community House. Present were Mr. and Mrs. B. Wheelless, Mr. and Mrs. S. G. Appling, Mr. and Mrs. C. F. Flemings, Mr. and Mrs. Anthony Latta and Carol, Mr. and Mrs. Bob Kendricks, Kathy, Byron and Becky, and Mr. and Mrs. W. B. Allen and Susan.

Friday, Mr. and Mrs. Millard Watson, Sherry and Dean visited Mr. and Mrs. Harlan Crume of Slaton.

Bro. Clayton Watkins of Plainview visited in the W. B. Allen home Friday evening.

Mr. and Mrs. Anthony Latta and family enjoyed another get-together in the J. E. Green home in Floydada on New Year's Eve when the "last" Green kid finally got home.

Evelyn and Carol Latta visited with Mrs. S. R. Wright in Plainview on Friday.

Mr. and Mrs. Henry Brewer of Lakeview lunched with the Millard Watsons Saturday.

Mrs. C. F. Flemings visited with her mother, Mrs. C. H. Moore in Crosbyton Sunday afternoon.

Sunday night, Mr. and Mrs. Kraig Kendricks and Larry Hartsell were supper guests of the Bob Kendricks.

Mr. and Mrs. Wayne Flemings and children had Sunday dinner with Mr. and Mrs. Leon McPherson of Idalou.

Sunday afternoon, Judy, Nancy and Janie Allen and Ann Fite visited in Plainview in the Clayton Watkins home with Mrs. Richard Thompson.

Enjoying New Years Day dinner with Mrs. S. J. Latta in Lubbock were Mrs. Carrie Latta of Crosbyton and Mr. and Mrs. Anthony Latta, David and Sam. Carol spent the day with Susan Allen.

Richard and Gaylon Wheelless left for Houston Sunday to move the Richard Wheelless' mobile home to our community. We join your family in welcoming you home, Richard, Charleece and Kristi.

Monday, Mr. and Mrs. Wayne Appling and Beverly Ann, and Mr. and Mrs. Joe Appling and children enjoyed a color TV party and lunch with Mr. and Mrs. S. G. Appling.

MT. BLANCO NEWS

MT. BLANCO, Jan. 2 - HAPPY NEW YEAR! But it all depends on you.

Christmas has come and gone, but a brief summary of community activity is given, but without the long lists of names. Hope none is offended.

The C. F. Flemings had the family get-together Christmas Eve with their children and grandchildren present.

The Wayne Flemings spent Christmas day in Idalou with the McPhersons.

Overnight Christmas Eve guests of the J. W. McClures were Robert Mac Moss of Memphis, and Joe Taylor of El Paso.

Mr. and Mrs. Guy Kimbell and Junior of Matorador were Christmas weekend guests of the Harold Veretts.

On Christmas Eve, the McCurdy and Watson families were present for a family gathering in the Watson home in Lubbock, while on Christmas Day, the McCurdys were in Memphis and the Watsons at the Henry Brewer home in Lakeview.

The Anthony Lattas spent some of Christmas day in the Foster James home at Halfway and the following day in the J. E. Green home in Floydada.

All the children of the Bob Kendricks celebrated Christmas Day in the Kendrick home. Mr. and Mrs. Frank Moore had the three sons' families as guests Christmas weekend.

The B. Wheelless' also had all the family in and out for the Christmas weekend; however, all eyes seemed to be on a new granddaughter, Kristi, the daughter of Mr. and Mrs. Richard Wheelless of Houston. Miss Pam Marley visited in the Wheelless home several times over the holidays.

Christmas Night, Mr. and Mrs. Richard Wheelless were supper guests of Mr. and Mrs. Larry McCurdy.

Mr. and Mrs. Joe Appling and children spent a pre-Christmas Holiday with her parents at Crane, Texas.

Mr. and Mrs. J. W. McClure and the Wayland Jones family

McGuire Rites Held In Anton

Final rites for Robert McGuire, 71 year old Anton merchant and former resident of Floydada, were held in Anton Friday with interment there under the arrangement of Moore-Rose Funeral Home.

McGuire died the previous Wednesday morning of injuries sustained in a Nov. 25th accident in Springfield, Mo.

The deceased had owned businesses in Floydada, Plainview, Matador and Anton. He came to the South Plains area in 1910.

McGuire was a member of the Methodist Church, Masonic Lodge and the American Legion in Anton. He was a veteran of World War I serving with the 36th division in France. Survivors include his wife; two sons, Don of Springfield and Bobby of Lubbock. Also four grandchildren, one bro-

ther, Rev. Marshall McGuire of Modesto, Calif., and one sister, Mrs. T. E. Lennon of Dodson.

Green Funeral Conducted Here

Funeral services for Martin S. Green, 82 year old former resident of Floydada, were conducted yesterday afternoon in the First Baptist Church in Floydada. Rev. Herschel Thurston, pastor, officiated.

Green, uncle of Sam Green of Floydada, died Monday in Deaf Smith County Hospital in Hereford.

He was born Dec. 1, 1884 and moved to Floydada in 1898. He moved to Seagraves in 1939

where he operated a machine and welding shop.

Survivors include seven daughters, Frances Carver, Hereford, Verda Lou Dergner of Noble, Okla., Ruth Holland of Bakersfield, Calif., Wilma Danny of Albuquerque, Thelma Darbro of Canton, Okla., Sudie Foye Stambaugh of Cherokee, Okla., and Ione Calkins of Woodward, Okla., and a brother, Wilford Green of Fresno, Calif., and several grandchildren.

Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

FLOYD DATA

Christmas guests of Mr. and Mrs. Albert Pricer were Mr. and Mrs. John Henry Brock and family of Oklahoma City and Mr. and Mrs. E. T. Pricer of Corpus Christi. Mrs. Brock is a daughter of the Pricers and E. T. is a brother of Albert.

Rites Here For Dr. H.W. Guthrie

Funeral rites were held Tuesday in Floydada for Dr. Holly Woodrow Guthrie, 53 year old Houston dentist, who died at Veteran's Hospital in Houston early Sunday morning.

Rites were conducted in the First Methodist Church with Rev. Herschel Thurston, pastor, officiating. Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Guthrie was born Feb. 12, 1913 and was a former South Plains resident. He had been a dentist in Seagraves, Dumas and in Floydada two years prior to practicing in Houston for some eight years. He was a veteran of World War II and a member of the Methodist Church.

Survivors include two sons,

Kent and Lawton Guthrie, both of Spearman; one brother, Dr. A. E. Guthrie of Floydada and one sister, Mrs. Opal Hart of Clayton, N. Mex.

Pallbearers were Cecil Haggood, Bud Goen, Grady Walker, Bob Rosson, Dick Stovall and Carl Minor.

BROTHER OF MRS. BAKER DIES

Services for Egbert Virgil Williams, 74 year old brother of Mrs. Hattie Baker of Floydada, were conducted Friday in the Church of Christ in Saint Jo. Williams had been a resident of the Arnett community near Levelland for the past 22 years. He died Wednesday of last week after a lengthy illness.

Survivors include his wife; four brothers and four sisters.

Americans In Russia

Whether we like to admit it or not, Americans are not the best behaved people in the world abroad. One of our failings, as a people, is the conviction that our way of life is the best in every aspect and that we can do things our way when we travel abroad.

Keeping this in mind we should not become overly aroused when we read about Americans being arrested in Russia or in other countries for black market dealings in foreign currencies. The laws of the nations which Americans visit should be observed and tourists who break the laws are subject to the penalty

Be Active

Another study has just shown that active men are less likely to suffer heart attacks than inactive ones.

Evidence from the study was reported in the Journal of the American Medical Association recently and involved 55,000 men in a health insurance plan in New York State, a study endorsed by the Public Health Service.

In general, the nonsmoker who remains active and gets some exercise regularly, or fairly regularly, was found to have a nine times better chance of survival than the inactive smoker! And exercise was found to be more important than

under the laws.

Of course, the penalty is often stiff by U.S. standards. But this should be taken into consideration by tourists before they enter Communist countries. When one fails to do this, and breaks the law in Communist-ruled countries, he cannot then expect Western justice or trial and punishment by Western standards.

When Americans abroad break currency laws and steal from hotels, and get caught, they are asking for the harsh penalties likely to be received.

smoking in avoiding such devastating odds.

The 55,000 men involved in the study were between 25 and 65, with no heart trouble history. In the first eighteen months, 301 suffered heart attacks, 32 per cent dying from them. Dr. Carl Frank, senior author of the AMA Journal report, says the lesson is this:

"Any kind of activity, walking, lifting or participating in sports... seems to help. We don't have to be physical exercise nuts but it would help us to get off our bottoms once in a while." Good advice—for young and old.

Rural Poverty Meetings Set

The President's National Advisory Commission on Rural Poverty will hold three regional hearings to "hear from the people" about future policy and action on rural life.

Gov. Edward T. Breathitt of Kentucky, Commission Chairman, announced recently that hearings will be held in Tucson, Ariz., Jan. 26-27, 1967, for the Western United States; in Mem-

phis, Tenn., Feb. 2-3, 1967, for the south and mid-west, and in Washington, D. C., Feb. 15-16-17, 1967 for east and northeastern United States.

"We want to hear from the people who feel they have not had adequate opportunities in life," Gov. Breathitt said. "We would like to hear from them about the public programs that have worked and those which

have not.

"We will also try to find out the relationship of rural problems to problems in our cities," the Governor said. "Many city problems stem from the migration of rural people to urban areas.

"We want advice about future policy and action."

Individuals and organizations who would like to be heard must submit requests to the National Advisory Commission on Rural Poverty, 1634 Eye St., N.W., Room 501, Washington, D.C. 20006. The letter should briefly outline points the testimony would cover. Deadline for filing these requests are Jan. 2 for Tucson, Jan. 9 for Memphis and Jan. 12 for Washington.

Gov. Breathitt emphasized that there would be time for only about 30 people to be heard at each of the regional hearings. However, he said, "Those not selected will be asked to file statements which will be considered as carefully as the direct testimony."

Gov. Breathitt said the Commission was directed by Pre-

GUEST EDITORIAL

1967 may well be our turning point

Post and Garza County can look forward to the future — and 1967 in particular — with more confidence than most small towns and rural areas.

The confidence comes from a new unity of purpose which was quite evident here this year with the organization of an \$80,000 industrial foundation for the promotion of new industry, construction of a city-county joint airport, and the start of the Post Public Library, a real "do-it-yourself" effort on the part of our public spirited women.

Each one of these three projects took a vast amount of planning and work in the case of the industrial foundation the extra essential ingredient was backing it up with \$80,000 in cash and pledges.

The three projects are good indicators that this community and area is facing up to its economic challenge "grow or die." This is the challenge faced by all smaller communities as the population trend to the cities continue. The experts tell us it will be another decade or more before the population pendulum will swing the other way—back to the small cities from the too-crowded cities.

In the meantime, the towns which want to survive must find a new unity of purpose among their leaders, a determination to improve living and economic conditions, and a drive and spirit which will carry them forward.

Post, in 1966, found that purpose, the start of that unity, faced up to the challenge of survival, and began to move forward.

This year well may be the turning point for this community.

The merchants, too, in their promotional efforts made new strides in working together with even greater cooperation already foreseen for 1967.

Another example of the new community spirit

was the reorganization of the United Fund organization with "new blood" and "new ideas" taking hold and putting the big fund drive over the top in jig time.

Post got a new surge of oil drilling all over town and around the outskirts which gave our economic picture a slightly brighter hue. The White River dam caught enough August water to take the "if" out of the water supply and provide enough more to enable the district to offer surplus water for sale—which eventually can lead to reduction and finally the ending of the water district taxes as the water project becomes truly self supporting.

It wasn't a good cotton year, but even here there is hope for something better. The new federal cotton program which has three more years to run is aimed at reducing the huge cotton surplus. Garza cotton farmers at year's end were "talking" about giving long staple cotton a try and keeping an eye out for a suitable new cash crop.

In other words, the area's cotton problem is being faced up to. This is the climate for solution-finding. The down-drift of our farm economy should be now in the process of "bottoming out." The future here is at present obscure, but with the determination of farmers to face the problem and find something better lies real hope.

Certainly, 1966 was a good year for the optimist. It was a year which didn't solve anything really. But it was a year in which a firm, determined start for something better has been made here on several fronts.

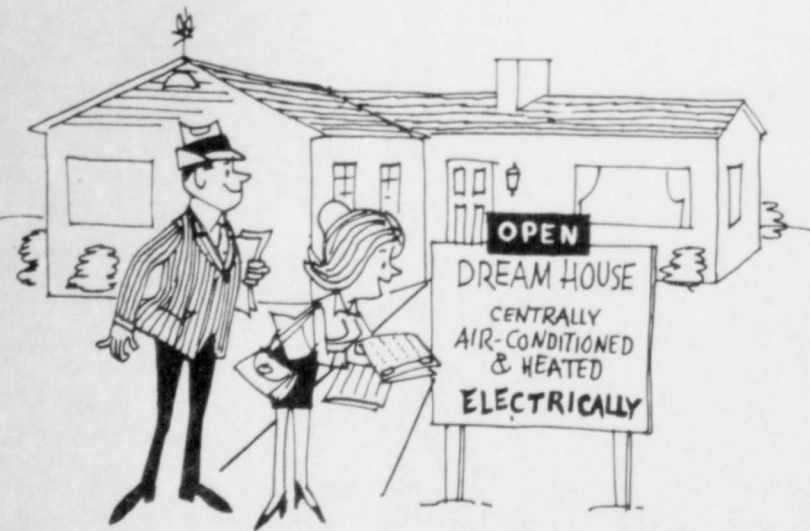

In 1967, renewed cooperation—and even firm ties of working together—are in order along with determination and diligence to keep on the move forward.

If we came to grips with our problems in 1966, we can look forward at least to some partial solutions in brand new 1967 which is coming right up.—JC

Floyd County Over Savings Bond Goal

During the month of November, United States Savings Bonds sales in Floyd County amounted to \$16,983, according to a report received from Don Pemberton, Chairman of the Floyd County Savings Bonds Committee. To date, this county has purchased \$176,497 in Savings Bonds and this is 104 per cent of the 1966 goal of \$170,000.

During the first eleven months of 1966, Savings Bond sales in Texas amounted to \$139,381,146 which is 94 per cent of the state's goal of \$147.5 million. This is an increase of 5.2 per cent over the same period last year.

"Nationally, the sale of Series E and H Savings Bonds during November amounted to \$368 million. These sales were the highest for any November in 11 years; 9 per cent higher than a year ago. The January-November sales were \$4,488 million, 7 per cent over sales for the first 11 months a year ago and a 10-year record for any January-November sales since 1956," Chairman Pemberton stated.

MAYFIELDS HOME, SEE TRAGEDY WHILE AWAY

Mr. and Mrs. O. G. Mayfield returned home last week from a week's visit with their son and family, Mr. and Mrs. Kenneth Eugene Mayfield at North Little Rock, Ark. They were accompanied on the trip by Mrs. Mayfield's mother, Mrs. W. F. Adams and a sister-in-law, Mrs. W. O. Adams and children of Spade. Also joining the group were Mr. and Mrs. C. E. Moreman of Anderson, Mo., father of Mrs. Kenneth E. Mayfield.

Shortly after the holidays the Mayfields experienced sorrow when neighbors of Kenneth and his wife, were killed in a house explosion just a block from the Mayfield's residence. The David Fortenberry family, consisting of husband, wife and two children, was killed along with their grandmother when the house exploded about 8 p.m. a few days after Christmas. An accumulation of gas was believed to have caused the tragedy.

Then when Mr. and Mrs. Moreman were returning to their home they were involved in a wreck, causing not serious but painful injuries to both.

The Floydada visitors said it rained hard some two nights and days while they were visiting in Arkansas, hampering any outside activity. They said they were very glad to return home safe and sound even though both had severe colds.

New Legislation to Help Floyd County Families Obtain Housing

The U. S. Department of Agriculture's Farmers Home Administration is better equipped to handle the housing credit needs of low and moderate income Floyd County families as a result of legislation recently signed into law, according to Alfred A. Harrison, Farmers Home Administration county supervisor.

Harrison said the Demonstration Cities and Metropolitan Development Act, signed last month by President Johnson, makes it possible for a broader range of Floyd County families to qualify for housing credit under expanded housing loan authorities of the Farmers Home Administration.

The new legislation, Harrison continued, makes more mortgage credit available to low and moderate income families in Floyd County by increasing the level of activity of the Agency's rural housing loan program.

Here are some of the other

changes in the rural housing loan program administered by Floyd County Farmers Home Administration:

Many Floyd County families who had to go the long route of planning, contracting and building a house can now buy newly constructed buildings. Before the new legislation, these families could only purchase previously occupied buildings.

Qualified low-income families can now obtain housing credit from Farmers Home Administration on the basis of a cosigner. Previously, only those rural persons 62 years and older qualified for this assistance.

The new legislation increases from \$1,000 to \$1,500 the maximum amount of assistance the agency can make for emergency repairs or improvements to owner-occupied rural housing or farm service buildings. This credit is not designed to upgrade a building but only to

remove hazards to the health and the safety of the family and the community.

Rural families on the verge of losing their homes through foreclosure may save their homes if a sound basis can be developed by the Farmers Home Administration to refinance their debts.

Financial assistance can be given to construct rental housing for low and moderate income rural families of all age groups. Previously, rental housing financed by FHA had to be occupied by rural people 62 years and older.

Loans by the Farmers Home Administration are made to Floyd County applicants who are unable to obtain credit they need from private lenders at reasonable rates and terms.

Applications for Farmers Home Administration rural housing loans may be made at the Floyd County Office, 107 West California Street, in Floydada, Texas.

EO Act Amendment Offers New Resources For Rural Poverty War

Additional and much needed resources for hard-pressed, low-income Texas rural people desiring to improve their farm income or start small businesses will be provided through an amendment to Title III of the Economic Opportunity Act recently signed by President Johnson.

This fact was pointed out this week by Mr. Alfred A. Harrison, Farmers Home Administration county supervisor for Floyd County.

"This important Economic Opportunity Act amendment increases from \$2,500 to \$3,500 the maximum war-on-poverty loans that the USDA Farmers Home Administration can make to individual Texas farmers or other rural residents," Supervisor Harrison said.

This amendment also authorizes additional credit to borrowers as long as their outstanding indebtedness for an economic opportunity loan does not exceed \$3,500.

The new economic opportunity loan provisions will more adequately cover the financing of needed land, working quarters and equipment needed to establish many Texas economic opportunity individual enterprises on a sound basis," Harrison explained. "Another important point is that the program can now supplement original loans with capital for improvements or expansion.

Since this Office of Economic Opportunity loan program started in January 1965, the Farmers Home Administration has extended \$2,851,065 in credit to some 1,075 Texas families and \$52 million in loans to over 30,000 families throughout the United States, Puerto Rico and the Virgin Islands.

Economic Opportunity borrowers throughout the Nation are operating more than 400 different kinds of non-agricultural enterprises - in addition to farming - as a result of credit extended through this program. Texas loans average \$1,672.

HOLIDAY GUESTS AT BURNS HOME

During Christmas and the New Year holidays guests of Mr. and Mrs. LeRoy Burns and family and Mrs. John Burns were Mr. and Mrs. Dick Waldrop and sons of Delanno, Calif., Mrs. Frank Jordan and daughter of Oklahoma City and Mr. and Mrs. Clifford Hacker of Archer City.

The above group, accompanied by Mr. and Mrs. Neil Smith and family of Floydada spent several days over New Years at the Burns cabin in Ruidoso. Mrs. John Burns accompanied the Waldrops back to California for an extended stay. Mrs. Burns is the mother of Mrs. Waldrop, Mrs. Jordan and LeRoy Burns.

since the RAD program began. In addition to stimulating the economy of their areas, the projects help to boost sales and telephone systems to fulfill their service and community responsibilities.

The more than 1,900 rural electric and telephone systems financed by REA serve nearly 7.3 million electric consumers and telephone subscribers in about 2,700 of the Nation's 3,100 counties.

One lady commented that she had eaten so much rich food through the holidays that "good old beans" sounded better than anything else.

Since cornbread is usually associated with beans, we would like to give you recipes for both and hope you will enjoy them as much as we do.

1/2 cup warm water
2 packages dry yeast
2 eggs well beaten
3 1/2 cups unsifted flour
1 3/4 cups yellow cornmeal
Scald milk; stir in sugar, salt and margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast; stir until dissolved. Stir in lukewarm milk mixture, beaten eggs, flour and corn meal. Beat until well blended, about 2 minutes. Batter will be stiff. Turn into two greased 8-inch round cake layer pans or two greased 9x5x3-inch loaf pans. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Bake in moderate oven (375 degrees) 30-35 minutes.

The Roman philosopher and statesman, Cicero, said it 2,000 years ago, and it is still true today. The "six mistakes of man" are:

1. The delusion that individual advancement is made by crushing others.
2. The tendency to worry about things that cannot be changed or corrected.
3. Insisting that a thing is impossible because we cannot accomplish it.
4. Refusing to set aside trivial preferences.
5. Neglecting development and refinement of the mind, and not acquiring the habit of reading and study.
6. Attempting to compel other persons to believe and live as we do.

If we as individuals could correct these mistakes, wouldn't that take care of most of our New Year's resolutions?

Mr. and Mrs. Harold Milow and children of Amarillo, Mr. and Mrs. Al Bryant and children of Clovis, and Mr. and Mrs. C. N. Terrell and children of Amarillo were visitors in the J. B. Terrell home during the holidays. J. B. Terrell died in 1941 and to Lockney in 1960 from the Providence Community.

MARY PHILLIPS, HOME ECONOMIST

As this new year begins, the United States Department of Agriculture sends the following facts to make us proud of the past year and hopeful for the future.

"Electric and telephone systems financed by the Rural Electrification Administration helped create 31,000 new jobs in rural America during fiscal 1966, the U. S. Department of Agriculture has announced.

The figure, released following a survey of REA borrower rural areas development activities, brought to 182,000 the total number of jobs created with the help of REA borrowers since the Department's rural areas development program began in mid-1961. A USDA official said the employment opportunities stem from "commercial, industrial, and community facilities projects undertaken with the assistance of the REA-financed rural electric and rural telephone systems."

REA borrowers since the start of the rural areas development program have worked with other Federal agencies and local organizations in launching new rural businesses and

BRONCO BEANS

2 cups pinto beans
2 teaspoons salt (omit if using ham or salt pork)
1 large onion thick sliced or coarsely chopped
2 fat cloves garlic, thinly sliced
1 small bay leaf
1/2 pound smoked ham, slab bacon, or salt pork

Soak the beans overnight in 6 cups water. Cook in the same water that the beans are soaked in. Bring all ingredients to a boil and simmer 1 1/2 to 2 hours. Then add:

2 cups solid packed tomatoes
1/2 cup chopped green or red peppers
2 teaspoons chili powder
2 tablespoons brown sugar
1/2 teaspoon powdered mustard
1/4 teaspoon oregano

Bring to a boil, then simmer 1 1/2 to 2 hours longer.

This makes quite a lot, so I like to freeze it in meal size portions.

Floyd Philosopher Amazed To Learn That The Russian School System Has Its Share Of Drop-Outs

Editor's note: The Floyd Philosopher on his Johnson grass farm discovers something new about Russia, his letter this week reveals.

Dear editor:
According to a newspaper which a neighbor had gift-wrapped a Christmas present in for me - not too fancy but it work-

ed - the Russians are having a problem I never dreamed they'd have.

They've got drop-outs in their school system. That's right. This article, after I got it smoothed out where I could read it (you ever tried to wrap potatoes in a newspaper without wrinkling it?) said drop-outs are running as high as 25 per cent and the Russian officials are trying to do something about it.

This is amazing news, I had thought that every child in Russia went to a modern school, was never late, that he began studying nuclear science in the second grade and launched a rocket by the time he was 12.

I had thought that when he finished high school at the head of his class - in fact I thought everybody over there finished at the head of his class - he went through college in three

years and then took a job in a scientific factory and complained only when he wasn't allowed to work seven days a week.

Now though that I've found out that there are such things as Russian drop-outs, I don't know what to think. You reckon the school kids over there ever have fist-fights? Don't they know they're all comrades? You reckon one of them ever complained about a school lunch? What does the Russian government do when it finds out some kids don't like Algebra?

The more you think about this the more you begin to wonder about other things.

How many failures have the Russians had with satellite launchings? Do they ever have bad colds? Has the battery in a dictator's car ever failed to start?

Or how many Chinese really prefer a nuclear bomb to a bowl of rice? Or do young Viet Cong soldiers really look forward to a fifty-year war?

You reckon all the world's nations got problems too?
Yours faithfully,
J. A.

Small Business Loans Available

The Small Business Administration's Economic Opportunity Loan program is now available throughout the Lubbock region, it was announced today by Jack Teddlie, SBA Regional Director.

The loans will be made to existing and new businesses by SBA's Regional Office at 204 Federal Office Building, 1616-19th Street, Lubbock, Texas, and by 72 other SBA field offices throughout the nation. Previously the program was available on a limited basis in 44 communities.

To find those low income and other handicapped people with the best potential to successfully operate a business, SBA will work closely with community action agencies, neighborhood centers, regional organi-

zations and other groups throughout the Lubbock area, Teddlie said. These organizations also will be asked to assist in providing volunteers from the business community to work with SBA personnel in providing management assistance to loan recipients.

In announcing the expanded loan program in Washington, SBA Administrator Bernard L. Boutin said:

"We do not intend to make bad loans under this program, but neither do we intend to set up inflexible road-blocks. Our people will go out into the ghetto areas in the cities, to the poor sections on the peripheries of the suburbs and to the rural areas. We will look for the loans which can expand viable businesses, exploit new

Recruits Wanted For Job Corps

"We are actively recruiting enrollees for Job Corps in Floyd County. This vocational-academic training is available without charge to young men, school drop-outs, between the ages of 16 and 21 years," according to William W. King, Plainview manager of the Texas Employment Commission.

Those who may be interested are directed to contact the Plainview TEC office.

ideas, establish small manufacturing plants - the kinds of businesses which can have a healthy effect on the community, which can expand employment opportunities, which can stimulate the economy and be in concert with our national goals.

And, we intend to work closely in the EOL program with local groups, such as community action agencies and neighborhood centers, as well as with areas and regional organizations devoted to stimulating the development of the disadvantaged and lower-income groups. Wherever authorized by the Office of Economic Opportunity, SBA will cooperate with Small Business Development Centers in providing counseling, guidance and management training. SBDCs shall refer applicants for financial assistance, coming to their attention, to SBA.

In addition, SBA will make available to EOL recipients all of our management assistance tools in a combined effort to assure the success of these small businesses."

A key feature of the expanded EOL program is that it will also seek to assist for the first time those who are above the poverty level, and yet cannot qualify for SBA's regular business loan program. For too long, said Boutin, this group of people has been in a sort of financial no-man's land. We intend to help them."

LEARN TO READ APPLIANCE DANGER SIGNALS

Learn the language of your electrical appliances and you may prevent a fire, appliance damage, or personal injury.

W. S. Allen, Extension Agricultural Engineer, Texas A&M University, lists five warning signals, that if unheeded, could cause a lot of trouble.

1. Blinking or "on-off" periods in the operation of an appliance usually means there is a loose connection. Perhaps it is only a loose screw but repair it before a more serious problem occurs.

2. "Tingle" or slight shock when handling an appliance or switch tells you there's trouble brewing. Inspect for loose wires or poor insulation. Or the appliance may need a "ground wire" connected.

3. Crumbling of rubber insulation on lamp or appliance cords can eventually expose electric wires which can short-circuit, or make metal lamp bases a serious shock hazard.

4. Dimming of lights or slowing of heating appliances when motors start indicates that the circuits are overloaded, overloaded circuits means overheated wires - a dangerous fire hazard.

5. Blown fuses or tripped circuit breakers are also signals of overloaded or shorted circuits.

Be sure the fuse is the right one for the size of wiring. If the fuse will let more power through than the wiring can safely carry, it is NOT a safety device.

Overheated wires, damaged motors and fires can be caused by using the wrong fuse or a penny-repaired fuse.

These five warning signals are more than mere annoyances, Allen said. They are real dangers which only the foolish will ignore.

When you get the signal, discard and replace worn

cords, and have outlets, switches, and sockets repaired. If you aren't sure of your own repair techniques, call on your electrical repairman.

If the need for repairs is a constant and continuing problem in your home, the reason may be old and inadequate wiring. The simplest and least expensive answer in the long run may be additional wiring.

Check with your utility residential wiring specialist or a competent electrician. They can give you the pros and cons, explain new developments, and tell you what an adequate wiring system for your home would cost.

Enough
A couple of fourth-graders were discussing an attractive new member of the class.

"I've bought sodas for her twice," said one, "and I've carried her books home three times. Do you think I ought to kiss her?"

"I should say not," replied his companion. "I think you've done enough for that girl already!"

Newspaper Advertising Sets Record

NEW YORK
Newspaper revenues reached an estimated \$7.05 billion - a record - in advertising in 1966, up from \$6.2 billion in 1965.

The overall gain in advertising revenue was about 13 percent over 1965 figures, according to the Bureau of Advertising, which estimated that 1966 advertising revenue was \$1.33 billion more than 1965.

The American Publishers' Association said that 1966 gains continue as steadily growing annual advertising dollars go into print, general and news, particular.

PLAINS NEWS by Mrs. Murray Julian

PLAINS, Jan. 2 — Day was a beautiful day here on the morning Baptist visitors noted were of Amarillo, John of Floydada, Elmo Patricia Fortenberry of Clayton, Okla. Rev. and Mrs. John Gillespie of Seminole arrived following the night services and everyone met at Fellowship Hall, where cakes, coffee and punch were served at a surprise welcoming gesture for Rev. and Mrs. Charles and

boys, Bentley and Brent. They were then laden with gifts in an old-fashioned "pounding" by members of the church.

Looking back over 1966, farmers will long remember the "year of the bad cotton crop." Other things that stand out were the leaving of the Rev. Sealy Smith family for the Seminary at Ft. Worth, and the coming of Rev. Chas. Conger and family, who began moving here Thursday, December 29, and are pretty well settled by now. Among old friends who passed away the past year were Albert Bean and Truman Bradshaw, and our hearts go out to the relatives. There are many wonderful things to remember, such as vacations to Cowles, N. M. for several from here, and a week spent up at Glorieta, N. M. for the Baptist WMU gathering which was attended by several from here.

Wednesday night, Dec. 28, there were many out of town visitors at the weekly Prayer meeting here at the Baptist Church, as the families of Rev. and Mrs. H. S. Calahan Jr. from Abilene, Mr. and Mrs. Elmo Fortenberry and three children of Clayton, Okla., and Rev. and Mrs. Sealy Smith and children from Weatherford met with old friends with Rev. Charles Conger leading in studies from Revelation.

Bud Higginbotham and Miss Myra Myers from WT at Canyon were visitors here with Bud's mother, Mrs. Bryant Higginbotham over the past weekend.

Last Monday Mr. and Mrs. Ernest Smitherman went to Austin to see the Larry Smith-ermans and Kay Lynn, and Mr.

and Mrs. Philip Smitherman and boys kept the Fieldan Motel while they were gone. Little Kay Lynn has been quite ill with the measles, but is recovering now. Mrs. Philip Smitherman is confined to her home this New Years Day with influenza.

Mrs. Bryant Higginbotham had dinner last Tuesday in Plainview with Rev. and Mrs. Sealy Smith and children at the home of Mrs. Smith's parents, Mr. and Mrs. W. L. Hart. The Smiths had come up from Weatherford on Monday and were with his parents, Mr. and Mrs. D. E. Smith in Lubbock Monday.

Dinner and supper guests with Mr. and Mrs. L. N. Johnson and children Wednesday were Rev. and Mrs. Sealy Smith and children and that night Rev. and Mrs. Charles Conger and children and Mrs. Bryant Higginbotham visited in their home, and the Smiths went home with Mrs. Higginbotham to spend the night, then left for their home in Weatherford Thursday morning.

Rev. and Mrs. H. S. Calahan Jr. and four children were visiting here in our midst last week and were in several homes during the time they were here, after they attended the annual Calahan Christmas gathering at the Sterley Community Center on Monday. They were overnight guests in the home of Mr. and Mrs. Sylvain Kinnibrugh and Beth Wednesday night.

Rev. and Mrs. John Gillespie from Seminole spent the Sunday night, New Years Day night here with Mr. and Mrs. Shelby Calahan, and Sunday Christmas Day dinner guests with the Calahans were Mr. and Mrs. Gilbert Bean, Mr. and Mrs. Johnny Calahan of Lubbock, and James Norrell of Amarillo. Beth Calahan goes back to Texas Tech and college studies Tuesday, and weekend guest Miss Donna Minzenmayer of Winters arrived Sunday to stay here with her and go back to college on Tuesday as Beth returns.

The Nathan Mulders and Cindy arrived home Wednesday from Charleston, West Virginia, and they report they were not able to get out while there for the snow fall. Mrs. Arby Mulder and Kathy went up to Amarillo to meet them at the train.

The Bryan Karrs arrived home Thursday from Boulder, Colo., and reported a great deal of snow up around Clayton, N. M., but only cold weather in Colorado. Mr. and Mrs. Roy Burks came home from Dallas on Friday and were saddened by death of a distant relative while in Dallas, and stayed a day longer to attend services.

Miss Linda Harrison of Floydada spent the past New Years weekend here with Kathy Mul-

Mrs. Eddie Joe Fortenberry of Lockney, center, discusses the forthcoming State Young Homemaker Convention with Mrs. J. B. Lester of Gonzales, left, the state president, and Mrs. Delia Canales of Yoakum, right, a state vice-president.

der, and this Monday the Mulders went to Amarillo to take Kathy back to her studies at Amarillo Junior Business College.

Mr. and Mrs. Grigsby Milton and Darla arrived home by plane Wednesday from California, where they had visited in Phoenix, Ariz., enroute with Grigsby's niece, Mrs. Doris Harris of Mesa, and they then flew to Riverside, Calif. to have Christmas with her brother, George Williford and family, her sister, Mr. and Mrs. George Bentley from Tracy, Calif., and Mrs. Milton's mother, Mrs. Williford, also of Tracy, who had spent the past month at the George Willifords. The Miltons were gone about a week on the plane trip.

Bill Blodsoe was home with his parents, Mr. and Mrs. Roy Blodsoe of South Plains, over the Christmas and New Year holidays, and Mrs. Blodsoe's relatives were all here for Christmas with them. Bill attends dental school at Baylor College.

Mr. and Mrs. George Weast spent their Christmas at Sterley with their daughter, Mr. and Mrs. Robt. Lee Smith and children, and Mr. and Mrs. E. T. Evans were also there from Amarillo, and they came home here with the Weasts to spend part of the week, while the Robt. Lee Smiths went on to Ruidoso, to the mountain home of the Weasts to spend part of the holidays with their children in the mountains of New Mexico.

Mr. and Mrs. Alvin Nichols went to Sweetwater for Christmas to be with their daughter, Mrs. Glen Whitfill and family, but she was involved in a wreck, and was confined to her home for several days. Mr. and Mrs. Doyle Cox and family of Amarillo came to spend Friday night here with Doyle's

Leroy Titus from Reece Air Force Base at Lubbock where he is a jet pilot. They all spent the day here with them.

Guests with the Grigsby Miltons Sunday were Mr. and Mrs. Arlis Powell and children and Mr. and Mrs. Bud Edwards, all of Floydada.

Young ladies of the Baptist Church will meet this Tuesday morning at 9:30 at the Church for Bible Study with Mrs. Zach Walton Cummings leading the studies. Remember January 9, through 12th Rev. Charles Conger will lead in a series of Bible studies of Amos, each night beginning at 7 o'clock.

Mr. and Mrs. L. N. Johnson went up to Claude, Sunday afternoon to visit Mrs. Truman Bradshaw in the Claude Convalescent Home, and they took her one of her chairs which she had wanted from the farmhouse here.

Sunday afternoon at 2:30 the Baptist Church here with song leader Nathan Mulder, and choir members, and Rev. Chas. Conger will go to the Lockney Convalescent Home to bring a Bible message and songs for the people who live there.

Mr. and Mrs. Billy Staniforth Jr. were in Dallas over the past weekend where they attended the Cotton Bowl football game, and other activities there. Billy III was home with the Staniforths over the Christmas Holidays from Austin where he attends the University of Texas, and he also went to Dallas for the events.

Congratulations to Miss Myra Myers and Bud Higginbotham who have just announced their betrothal and intention to wed on January 20. Miss Myers is a sophomore from West Texas State University at Canyon and the daughter of Mr. and

Mrs. Henry Myers of Dumas. Bud was born and raised in our community, and is the son of Mrs. Bryant Higginbotham. He attends West Texas University, and the couple plan to go on with their education after marriage. This Tuesday afternoon Mrs. J. P. Taylor will have a hostess meeting to plan the wedding shower for the young couple.

WORLD WAR I DEBT
The Treasury Department has reported the World War I debt owed to the United States by seventeen nations is now \$21,000,000,000. Interest for the last fiscal year was \$337,000,000. The seventeen nations owe the U.S. an additional \$19,000,000,000 on World War I not counting interest.

The BIG Two Inches

THE RULED BOX IS A TWO INCH AD. IT MEASURES ONE COLUMN WIDE BY TWO INCHES DEEP.

IT COSTS ADVERTISERS \$1.70.

IT LOOKS KINDA LONESOME BY ITSELF.

BUT LOOK AT IT THIS WAY.

WHAT YOU GET WHEN YOU BUY A TWO INCH AD IN THE HESPERIAN IS NOT JUST TWO INCHES OF SPACE IN THE PAPER BUT TWO INCHES MULTIPLIED BY 2500 COPIES WEEKLY.

SO YOU'RE REALLY BUYING OVER 5,000 INCHES, WHICH AT 168 INCHES TO THE PAGE WOULD BE NEARLY 30 PAGES OF PRINTED NEWSPRINT.

THAT'S A MIGHTY BIG CHUNK OF SPACE FOR A COST OF ONLY \$1.70. AND THAT PRICE INCLUDES DELIVERY. JUST IMAGINE REACHING ALL THOSE HESPERIAN FAMILIES BY POSTCARD. IT WOULD AMOUNT TO MORE THAN \$100 JUST FOR THE POSTAGE. BUT THE HESPERIAN DOES IT FOR A MERE \$1.70 PER INSERTION.

SO YOU CAN SEE THAT A LITTLE TWO INCH AD IS REALLY A PRETTY BIG TWO INCHES WHEN IT IS ADVERTISING SPACE IN THE HESPERIAN, AND THE FIGURES SHOW THAT IT'S THE MOST EFFECTIVE AND ECONOMICAL WAY POSSIBLE TO LET PEOPLE IN THIS AREA KNOW THAT YOU HAVE WARES AND SERVICES THAT THEY COULD USE.

CALL YU 3-3737 AND LET A HESPERIAN REPRESENTATIVE SHOW YOU HOW A LITTLE BIG TWO INCHES CAN WAKE UP SALES FOR YOU.

Devotional of the Month

War Or Peace?-Division Or Unity?-Hate Or Love?

At the beginning of the New Year many thoughts run through our minds. We think of the Old Year with its successes and failures, with its blessings and misfortunes. We thank Our Heavenly Father for His favors, we beg His pardon for our sins, and we ask for His continued blessings in the year that is beginning. We hope that in some way this year may truly be a NEW one and a HAPPY one. We greet one another with these sentiments, and we feel obliged to do our part to make it both new and happy by our beautiful custom of making New Year's Resolutions.

All this is as it should be, but -- will 1967 truly be new and happy for us? Will mankind continue down the road of war and strife which ultimately will bring us to destruction? Will there be peace? -- in Vietnam? -- in the Middle East? -- in the other many trouble spots both here in our own beloved country and throughout the world?

Almost the entire world follows the practice of numbering the years of our history with relation to "the glorious appearance of our great God and Savior, Christ Jesus." (Titus, 2:13) We speak of 753 B.C. (Before Christ); we speak of 1967 A.D. (Anno Domini -- In the Year of Our Lord). Yes, "God's favor has appeared, bringing Salvation to all men." (Titus, 2:11) Christ Jesus has entered into our history, into our lives, with the promise of "peace on earth." With January 1st we began the New Year of Salvation 1967 A.D.

Nevertheless, not all men have accepted this salvation. Oh, the world knows about the Christ born at Bethlehem, but it does not know the Living Christ. And so it does not know "peace on earth." Like the false prophets of Israel, we can shout "Peace! Peace!" But there can be no peace without knowing Him, the Living Christ, who alone is the source of peace. And no power in this world can bring about "peace on earth" through force of arms, "for all those who take the sword will perish by the sword!" (Matthew, 26:52)

War, -- whether it manifests itself openly as in Vietnam, or whether it shows itself less clearly as in the racial and social conflicts here in our own beloved country, -- it is still the same! War is the consequence of that great sin of the world, the failure to know the Living Christ! -- the failure to know the Christ living in all men, be they black or white, be they Viet Cong or Vietnamese, be they Communists or our Allies -- "for whatsoever you have done to these the least of my brethren, you have done it unto me!" (Matthew, 25:40)

New Life in Christ is the answer! He is our Only Hope! He can bring us true "peace on earth," but -- only if we come to accept Him as Savior and Lord, only if we come to know him in each other and in our fellow man, only if we learn to love not to hate, to "love one another as I have loved you." (John, 15:12) Then, only then, united together in the love of Christ, will we enjoy "peace on earth."

To make this year truly a new one and a happy one, let us rededicate ourselves to live the New Life in Christ! Let us all then together make this New Year's Resolution -- to accept Christ Jesus as our Savior and Lord for 1967 and to come to know, love, and serve Him better in our fellow man!
