Newell Remains In Hospital

Two elderly men missing since 4 p.m. Monday were found about 8 a.m. Tuesday in Tule Canyon, Briscoe County, by a U.S. Air Force rescue helicopter and taken to Plainview Medical Center Hospital.

Floyd County Surveyor Walter Newell, 72, and his assistant, Oliver Denning, 79, both of the canyon, walked from the copter with little assistance and climbed onto Barrett Ambulance stretchers awaiting them at the airport — despite the fact they had spent a night of 30-degree weather in the canyon.

The rugged pair, found about nine miles northwest of Silverton, said they became tired during a surveying trip into Tule Canyon and decided to stop. Newell, in more weakened condition than Denning had "suffered pretty bad from exposure," according to the copter's rescue specialist Sgt. Melvin Stanfield. The craft's pilot, Capt. H. A. Solberg, said Newell had stepped into a water hole "up to his neck" during the ordeal.

Denning, when questioned at the airport, flashed a hearty grin and declared, "It wasn't so bad." He said, "We built a fire and I was fairly comfortable."

A third man in the surveying party, Floyd Fuqua of Floydada who was able to climb out of the canyon, was told by Newell and Denning to go on and they would meet him at a specific place. Fuqua also is associated with the Floyd Coun- SEE SURVEYORS, PAGE 6

Private Club License Turned Down

The following letter was received by the city and county law officials this week from Leon Bowman, district supervisor of the Texas Liquor Control Board in Lubbock which is self explanatory:

"Weldon Williamson was in my office this date (January 26, 1967) stating that his sister, Joyce Juanell Harrison of

Plainview and Ralph Franklin of Pampa, Texas were interested in putting in a private club on the Lockney highway in Floydada.

I told Mr. Williamson that I would not approve a private club in Floydada."

A Hesperian reporter interviewed Parnell Powell, chairman of the Floyd County Civic Betterment organization and he said that around 1700 had signed the petition against liquor. He also urged everyone to call write or telegraph public officials in Austin about the Tuesday hearing on Senate Bill No. 10 as it refers to gambling.

Mothers MOD

A Success

Mrs. Sammy Hale, chairman of the Mothers March of Dimes in Floydada, reported \$685 contribution from their Tuesday night's door to door drive. Mrs. Hale said she felt sure some residents were possibly missed unintentionally and those wishing to contribute, who have not already done so, may send their checks to March of Dimes in care of the post office in Floydada or bring them to her.

Mrs. Hale said the drive was a success and a special thanks is given Lighthouse Electric and to all who assisted with the drive.

The above amount does not include contributions from the schools and business district.

FIRST METHODIST CHURCH

Film Shows New Hope For Individuals With Brain Damage

A movie depicting a revolutionary method for treatment of the brain-injured will be shown Sunday afternoon, February 5, at 3:30 in Fellowship Hall of the First Methodist Church.

The 56 minute film, "Whatever Happened to Eight?" tells the story of the miracle which David Posnett, a young boy in Pennsylvania, has experienced.

Several years ago, David was struck by an automobile near his home and suffered massive brain damage. He was completely paralyzed and doctors thought he would die. His parents were advised to "Put him in an institution. He'll never be anything more than a vegetable." However, David has now regained many of his abilities. His brain and his body are learning to function together again.

A revolutionary method for treatment of brain damage, plus courage and family love, have saved David and started him on the recovery trail. The method underlying David's recovery was developed by a team of doctors, psychologists and there-

pists at the Institutes for the Achievement of Human Potential in Philadelphia under the direction of Glen Doman. It is based on educating the undamaged areas of the brain to take over the work of the damaged area. This is done by endless creeping, crawling and patterning, teamwork of arms, legs and brain.

This form of therapy is already being done in our community and in many towns within our area. There is a therapy center being planned in the Hereford area to aid the approximately seventy persons in the Panhandle who are taking part in this physical therapy. Several hundred people within these communities are involved in the program as volunteer patterners. Articles in Reader's Digest and Look as well as newspapers, are bringing new hope to those who have had no reason to hope.

The movie is open to all those who are interested and volunteer patterners are urged to attend so that they may better understand how vital their work is to the program.

Floydada Cagers Win Over Friona

Girls In Tie For First Place

A big following of Floydada fans traveled to Friona Tuesday night where they saw the local teams win both games. . . the Whirlettes won in two overtimes.

The Whirlwinds won 84-71 and the Whirlettes won 55-54.

This makes the "Winds 2-2 in the second round of district play. Coach Jack Bell said his boys played good teamwork and displayed more desire to win. Steve Marler was hot with 25 points and another local was close behind. . . Jeff Kimble sank 22 points.

GIRLS GAME
The girls game was a thriller all the way. The Whirlettes were behind seven points at halftime and it was the last quarter's play when they came to life and scored 18 points. The girls have defeated Friona three times this year.

Sally McIntosh was high scorer with 30 points and it was her free throws in overtime that counted. It should also be noted that Marilyn Harris made 12 of the 18 points scored in the last quarter for the locals. The girls are now in a tie with Abernathy for first place in the last round. . . each with a 4-0 record in district play. The team that wins the last round will go into playoffs with Friona, winner of the first round. Friona now stands 3-1.

DIMMITT BOYS UNDEFEATED
In the boys division the Dimmitt Bobcats remain undefeated in the first and second round. They are now 11-0 for season district play.

PLAY LOCKNEY THIS FRIDAY

Everyone is urged to see the local cagers play at Lockney Friday night. Girls play first at 8:30. The boys defeated Lockney 16 points the first round. . . and the girls also beat Lockney the first round.

Floyd County Farm Bureau Membership Drive Begins Tuesday

The annual Floyd County Farm Bureau membership drive begins Tuesday with a dinner at the Lockney Restaurant at 12:07 p.m.

Walter Meyer, marketing director of Farm Bureau in Waco will be the speaker for the kick-off dinner. Jerry Bedenbender, area Farm Bureau field man will also be present.

The victory party is scheduled at Lighthouse Electric Cooperative on Friday night, February 10. The membership teams will be present to greet all new members signed up during the drive. A \$50.00 cash prize goes to the winning team.

Neil Bertrand is head of the membership drive. The members of the board of directors and their wives, plus members of the special membership

committee and their wives will conduct the drive. This includes Bertrand, A.C. Pratt, Wayne Bramlett, Don McLaughlin, Bernie Parkey, Bryan Smith, Melvin Lloyd, Kenneth Bean, James Jeffress, Joe Richard Noland, Jim Listch and Leroy Crutchfield.

The goal is 168 more members, making a total of 750 members in the county.

Governor John Connally has proclaimed the week of February 6-10 as official "Farm Bureau Membership Week" in Texas. The statewide drive is to be launched with big area rallies in Lubbock, Dallas and San Antonio.

The committee chairman said every farmer and rancher in the county is needed "as a member and leader" by the Farm Bureau.

"Each of us in agriculture has too great an outlay in our business not to do all that we can to protect our investment in capital, time, and labor," he declared.

Registration For Voters Up

The Floyd County tax collector's office was busier than usual Monday and Tuesday as the deadline neared for voters' registration. C. J. Payne, tax collector, said yesterday, he estimated between 3300 and 3400 persons had registered for their 1966 poll taxes.

This number is a larger count than for 1965 by some 1,000 registers.

Deadline for registering was Jan. 31.

Electric Men Treated To Steak Dinner

The Floydada Chamber of Commerce was host to the men of the three electric companies who put up and take down the Christmas lights each year with a steak dinner at Rogers Restaurant Friday night.

David Kirk, head of the Christmas lighting program expressed the thanks of the chamber to the men for a job well done.

Attending from Southwestern Public Service Company were Fred Thaxton, Clifford Gollightly, and Louis Jackson. Curtis Carlisle was not present.

Attending from Lighthouse Electric were Nolan Arney and Eugene Edwards. Carson McKaskle was not present.

Melvin Terrell, Phillip Owens and Donnie Galloway attended from City Power and Light. Others attending were John Reue and Wendell Tooley.

"YOU CALL THIS STEAK?" — Fred Thaxton takes a long unhappy look at what he thought was going to be a steak at the Floydada Chamber of Commerce appreciation dinner for the electrical company employees last Friday night. After the "fun" enjoyed by the others present, Fred did get that nice juicy steak. Onlookers are Clifford Gollightly and John Reue. (Staff Photo)

Floydada Rodeo Dates Announced

According to a report from the Floydada Roping Club the annual rodeo has been scheduled for June 15-16-17.

The best rodeo ever is promised by the club and Glen Green of Amarillo will furnish the rodeo stock.

The club plans to build some new bleachers and hope to have a barbecue opening night of the rodeo.

This will be the tenth annual rodeo. Members of the club expressed their thanks to the public for supporting the rodeo in the past and also extended their appreciation to Littlefield Seed and Delinting and Farmers Coop Gin for use of their offices for meetings.

FTA Sponsors Sale of 1967 Student Directory

Handbooks, listing important information about all students in Floydada Public schools will soon be offered to residents of this community by the Charles Tyler chapter of Future Teachers of America.

An annual activity of the members of FTA is the compiling, editing and sale of the handbooks, listings, names, telephone numbers, classifications and schools attended by each student in the local school system.

It is hoped by members that this handbook will be of use and interest to the adults as well as students.

FTA members wish to take this means of extending their thanks to all business firms for their contribution of ads.

Mrs. Weathersbee Employed At Local FHA Office

Mrs. Frances T. Weathersbee has recently been employed as County Office Clerk for Emergency Loans of the Farmers Home Administration in Floyd and Motley Counties, with headquarters in Floydada.

Mrs. Weathersbee was formerly employed by Hollis R. Bond Real Estate. As County Office Clerk, Mrs. Weathersbee will serve in the agency's agriculture credit and farm management program.

Three Million Persons Using Farmers Home Administration

A record number of rural people, more than 3 million, benefited from Farmers Home Administration supervised credit services during 1966, Secretary of Agriculture Orville L. Freeman said today.

Funds advanced through the agency totaled an estimated \$1.2 billion or 69 percent more than the average loaned during the previous 5 years, the Secretary reported. Nearly three-fifths of the amount loaned

was provided by private lenders on an insured basis, the remainder came mainly from collections on loans made in previous years.

Principal and interest collections totaled an estimated \$648 million compared to \$572 million in 1965.

During the year the agency was assigned the field responsibility for the "outreach" function of the Department which helps rural people receive full benefits of Federal programs, the rural housing program was expanded in scope, the first grants were made for rural community water systems and the first loans and grants for rural waste disposal systems.

"Rural communities throughout the Nation are being strengthened by the financial support of the Farmers Home Administration," Secretary Freeman said. "This is a key measure in our efforts to give people a chance to obtain modern day conveniences and jobs in the countryside and ease the burden on urban centers brought about by the migration of untrained workers."

Rural people benefited during 1966 included the members of 320,000 farm and other rural families who received loans during the year or used credit advanced in prior years. Also included are the members of 380,000 families who have completed group community development projects with Farmers Home Administration assistance.

Approximately \$27.4 million in economic opportunity loans was advanced to an estimated 15,400 low-income rural families and 330 cooperatives serving low-income people, under authority delegated by the Office of Economic Opportunity.

Rural housing loans totaled \$346 million and included \$17.3 million for housing to meet the special needs of senior citizens. In addition more than \$2 million in grants was advanced for farm labor housing projects. The housing program served about 41,500 families.

Approximately 960 rural communities received an estimated \$149.5 million in loans and \$32 million in grants for the construction or improvement of rural water and waste disposal systems that will serve 165,000 families. Another \$3 million assisted some 300 boards to develop for water and sewerage.

Some 140,000 acres of rural land were developed for outdoor recreation. Also \$16 million was advanced to 75 grazing lands.

Approximately 65,000 families of the amount of them make use in their farm finance annual expenses.

Nearly \$21 million by 12,800 farms large their size, buy and type farms listing debts.

An estimate in emergency 25,500 farm operations to after being hit drought or

Details of the zoning regulations will be presented at the hearing and all interested persons are reminded of the date and place.

Texas License Plates May Now Be Purchased

1967 Texas license plates went on sale to Floyd County motorists yesterday. The new plates feature black letters on white background and may be obtained in the County Tax office.

C. W. Payne, tax collector, reminds those who will be registering vehicles to bring their last year's registration receipt and their certificate title with them.

Deadline for having and displaying the new plates is midnight April 1, Payne said. Personalized license plates may be picked up any time between now and the deadline.

Mr. and Mrs. M. O. Stapleton of Plainview visited Mr. and Mrs. Bill Tye Wednesday afternoon.

Final Rites For Former Resident Hiram Moody

Three Floydada families will be in Bridgeport today for the funeral services of a former resident and relative, Hiram Moody.

Moody died Monday morning and the funeral will be at 2 p.m. today in the Paradise Baptist Church, Paradise, Texas.

He was the brother of Mrs. Clarence Guffee, the uncle of Mrs. Olin Watson Jr. The Corkey Guffees will also attend the funeral.

He is survived by the wife and two sons.

While residing in Floydada Mr. Moody worked for Latta Implement and Mrs. Moody worked for the Floydada post office. They also taught at Center and Mt. Blanco.

Mr. and Mrs. Beck Nance, Cope, Colorado, arrived on Thursday to spend several days with his parents, Mr. and Mrs. H.R. Nance and Rachel and also the Joe Jacksons. Additional weekend guests were Mr. and Mrs. George Pinkard, Wichita Falls.

January was an exciting month of weddings for these lovely brides...the stories of this most important date in the life of each unfold with their pictures on this page and the next...

Shamrock Church Setting
For Newkirk-Rucker Vows

The First Baptist Church in Shamrock was the setting for the wedding ceremony of Miss Cheryl Ann Newkirk and Richard Max Rucker Sunday, January 22. Rev. Jimmy Wilson, pastor of the church, performed the double ring ceremony. The bride is the daughter of Ford Newkirk of Kilton and Mrs. Jim Perkins of Shamrock. Mr. and Mrs. Ralph Rucker of Floydada are parents of the groom. Tall candelabras decorated with jade leaves and baskets of white mums and pon poms formed the wedding scene. Darrell Harrison of Canyon was organist and accompanied Jerry Curry, who sang "More," "Because" and "The Lord's

Prayer." The bride was given in marriage by her father. She wore a floor length gown of white bridal satin complemented by an empire waistline enhanced by a band of embroidered seed pearls. The long sleeves came to petal points at the hands and the chapel length train was attached to the shoulders by tiny self covered buttons. Her tiered fingertip veil of illusion was caught to a tiara of seed pearls. She carried a cascade arrangement of white roses. Mrs. Jim Hensley of Shamrock, sister of the bride, was matron of honor. Bridesmaids were Miss Vickie Newkirk, sis-

Mrs. Decker At WP Luncheon

Mrs. Lane Decker, vice-president of the Caprock District of the Texas Federation Women's Clubs, attended the state kick-off luncheon in San Antonio January 25 for the charter membership drive of the Woman's Pavilion for HemisFair 1968. Mrs. John Connally sponsored the luncheon.

A group of some 37 dedicated women from San Antonio has taken the task of a membership drive to erect a building within HemisFair 1968 for women, about women and completely executed by women.

They are planning to enroll 200,000 women from Texas, the United States, Canada, Mexico and the Central and South American countries in the million dollar project.

Charter membership in the Pavilion is in two categories; \$5 for adults and \$1 for students. The plan used in San Antonio and surrounding area to obtain charter memberships is the use of a Speaker's Bureau which has provided informative programs on the Pavilion to hundreds of "coffee" given by individuals and to all women's organizations meetings.

62 Club Begins Work On Annual Activity Calendar

Members of the 1962 Jr. Study Club have begun work on their annual activity calendar. One significant change has taken place this year. All the money taken in for the calendar, including ads from business firms, and sales of calendars, will stay in Floydada.

Previously the printing work was done out of town, however this year arrangements have been made in Floydada to have it printed here thus retaining the profits within the city. Merchants will be contacted by a member of the club concerning advertising on the calendar. The club feels that the merchants' cooperation will be greater with this new policy of keeping money in Floydada.

All profits from sales of the calendars will be used exclusively on club projects within the community.

Elizabeth Taylor and Richard Burton received the annual Silver Mask Awards from the Italian Government for achievement in various artistic fields as the best foreign film actor and actress of 1966.

The Warrens also have three boys, Robert, nine; Eldon, six and Darrell five. The father is radio technician for Bell Telephone. Grandparents include Mr. and Mrs. Wade Warren of Floydada and Rev. and Mrs. Vernon Cline of Canadian.

Mr. and Mrs. Curtis Sanders announce the arrival of Brian Keith, who was born in Plainview Hospital Thursday, Jan. 26th. The new arrival weighed eight pounds, two and one-fourth ounces at birth. He has a two year old sister, Shawnda. The father is owner and operator of Sanders Pump and Drilling. Grandparents are Mr. and Mrs. Ocho Sanders and Mr. and Mrs. H. C. Boteler of Floyd County; great grandparents, Mrs. C. E. Bartlett of Floydada, Rev. and Mrs. J. T. Billrey of Plainview and Roy Boteler of Lodi, Calif. The baby also has a great great grandmother, 91 year old Mrs. H. C. Boteler Sr., of Lingo, N.M.

Mr. and Mrs. Gerstle Trimble of Floydada are parents of a second daughter, not yet named, who was born Tuesday in Lubbock Methodist Hospital. The baby weighed seven pounds, eight and a half ounces. Her sister is Shonnie Lynn, who is three years old. The father is a ginner. Grandparents are Mr. and Mrs. G. E. Trimble of South Plains and Mr. and Mrs. Billy Kirk of the Lakeview Community.

Miss Appling Named Honoree

Miss Phyllis Appling, bride elect of Bob Irby of Lubbock, will be honored with a miscellaneous shower at 7:30 tonight (Thursday) Feb. 2 in the home of Mrs. Mike Carter, 2212 5th St., Apt. 19 in Lubbock.

Assisting Mrs. Carter with hostess duties will be Misses Beth Calahan, Bobbie Reue, Mary Nixon, Sheila Patterson, Jeanne Chambers, Mrs. Conley Bradford, Mrs. Pete Norwood and Mrs. Johnny R. Martin.

The honoree and her fiance will marry February 10 in the chapel of the First Baptist Church in Floydada.

Darlene Mount On Tour With HSU Choir

Darlene Mount, who is a member of the Hardin-Simmons University Concert Choir is now on tour with the group giving concerts, college and university assembly program and church services throughout East Texas.

The programs will include church music from all eras as well as concert arrangements of folk songs from various countries.

Miss Mount, daughter of Mr. and Mrs. Doyle Mount of Floydada, is a soprano in the choir. The group's first appearance was Sunday in Weatherford and their final performance will be February 3rd in Sherman at the First Baptist Church.

Floydada Rebekahs met on Tuesday night of last week with Pauline Nash, Noble Grand and Valree Turner, Vice-Grand, presiding.

Arnold Bishop of the Plainview Lodge, who is president of the South Plains Association, was a visitor of the local lodge. He discussed the preparation for the association which will be held in Floydada in April. The IOOF lodge and Rebekahs will be hosts for the occasion.

A letter was read during the meeting naming Velma Berry as Good Will Ambassador of this district. Refreshments were served at the close of the meeting.

Home Builders Club Meets

Home Builders Demonstration Club met with Mrs. John Walker Tuesday, January 24th. Roll call was answered with a favorite recipe.

A demonstration on Sunday night cookery was given. Mrs. Raymond Williams and Mrs. Bernice Race prepared 2 casserole dishes which were served with refreshments.

Those attending were Mrs. J. T. Huckabay, Raymond Evans, Ernie Widener, Hallie Bertrand, Dovie Kendrick, Bernice Race, Gordon Mayfield, Harmon Roberts, Mattie Norrell, Raymond Williams, Thomas A. Carty and the hostess, Mrs. Walker.

Morckel Retires Honored With Dinner Party

Harry Morckel, pioneer farm chemical and fertilizer businessman, retired as of January 31, 1967 and was honored with a dinner party observing the oc-

casation Friday night in the Lon Davis home. Attending the event were Mr. and Mrs. Roger Poage, Mr. and Mrs. Louis Bearden, Mr. and Mrs. Lane Decker, Mr. and Mrs. Roger Gooch, the guest of honor and his wife, Mr. and Mrs. Morckel, and Mr. and Mrs. Lon Davis, host and hostess.

Morckel entered the chemical and fertilizer business 17 years ago, the first known in existence in Floydada. May, 1963 he sold his business to Davis Farm Supply and continued working for the firm until his retirement.

Morckel is still called on a number of occasions for his knowledge in chemicals and is also in the candle making business, a hobby started several years ago by him and his wife.

Mrs. Suits Brings Program For Young Republicans

Floydada Young Republicans met in the First National Bank building in Floydada Monday night with Mrs. Tom Suits of the 30th Senatorial District and executive committee woman bringing the program. Mrs. Suits just recently attended the State Executive Committee meeting in Austin.

She shared some of her own ideas and state ideas on a number of accounts. The topic most expressed were the facts that the older generation is now setting up the motion as to how the younger generation will live it. Emphasis was placed on the teen-agers voicing their ideas and learn what they can about American government in order to become well established citizens. The rate of the Republican party's gain was also given and predictions for its future.

The Young Republicans voted to write a letter to Senator John Tower to voice their opinion on keeping private clubs and intoxicants out of Floyd County. Brenda Nelson will be in charge of this particular correspondence. Mrs. Suits and John Farris donated \$20 to the club which will be used to federate the club. An advanced date on dues was set and one plan was put into consideration for a money making project.

James Williams will be in charge of refreshments for the next meeting Feb. 20 and Alice

courtesy of Mr. and Mrs. E. Brewer. Attending were son, James Williams, Emert, Joe Mack, Cheryl Campbell, Elaine Warren, Edwin Warren, Ricky Myrick, Sharon Puryear, Janice Brewer, Alice Farris, Young Republican sponsor.

Some of the prettiest night gowns this season are also designed for comfort. No longer is it necessary to wear ugly flannels in order to keep warm these winter nights. There are lovely, lightweight fabrics in pastel shades made up in attractive designs for the woman who likes to keep warm.

The former Lula Bishop and Riley Teague were married February 5, 1927 in Floydada, Texas and have lived most of their married life in Crosby and Floyd Counties, having lived in the Floydada community for the past twenty years. Teague is a retired farmer.

The couple are parents of Mrs. Bill Tilson, James E. Teague, Lubbock; Roy H. Teague, Hurst; Rodney K. Teague, Canyon; and Keith L. Teague, Amarillo. The couple has thirteen grandchildren.

Open House Will Honor Mr. and Mrs. Riley Teague

Friends and relatives of Mr. and Mrs. Riley Teague are invited to attend an open house in observance of their 40th wedding anniversary. A reception will be held at their home, 820 W. Marivena, Sunday, February 5, from 2-5 p.m.

MEAT TO FIT THE BUDGET
Meat is one of the more expensive foods to produce, so guard against waste at every step from butcher's block to serving platter. And to make your own meat dollars go further, learn to be a thrifty meat shopper.

Learn the cuts of meat so you can name them when you see them. Study charts that show how meat-animal carcasses are divided and what the different cuts look like. Such charts may vary slightly because styles of cutting meat differ from one part of the country to another. In all meat cutting, however, the object is to divide the thickly fleshed portions from the thinly fleshed and to separate the tender from the less tender meat for convenience in cooking.

KNOW YOUR CUTS
Cuts differ in tenderness according to the part of the animal from which they are taken, and to age and fatness of the animal. Cuts differ also in the amount of bone and gristle they contain and in the direction the muscles run. All these points have their effect on price.

The tender cuts of beef as a rule come from the rib and loin and make up about a fourth of the carcass. The other three-fourths are the less tender. Less expensive beef cuts are: Steaks — chuck, shoulder, flank, round, rump. Pot roasts — chuck ribs, cross arm, clod, round, rump. Stews — neck, plate, brisket, flank, shank, heel of round.

In plump young lamb and pork all cuts are tender. With veal, rib and loin are generally more tender than the rest of the carcass. The cheaper cuts of lamb, pork and veal — that is shoulder, breast, and shank meat — make good chios, roasts, pot roasts, and stews.

He is a meat recipe for a thrifty meal.

SAVORY RICE MEAT BALLS
1 cup minute rice
1 pound ground beef
1/8 teaspoon marjoram
2 teaspoons grated onions
1 egg slightly beaten
2 teaspoons salt
Dash of pepper
2 1/2 cups tomato juice
1/2 teaspoon sugar
Mix the rice, egg, beef, seasonings, and 1/2 cup of the tomato juice. Gently shape mixture into small balls. Blend sugar and remaining 2 cups tomato juice. Pour into skillet with meat balls. Bring just to a boil. Cover; simmer 15 minutes, basting occasionally. Makes 6 servings.

families will own electric dishwashers.

Do you need an electric dishwasher? Of course you do! In the course of a year you'll wash some 45,000 items by hand, spending on the average an hour a day or nearly 45 eight-hour days yearly.

If you've said you didn't want a dishwasher because you had heard women say that they had to rinse the dishes or do other such time consuming things, you'll be delighted with today's vastly improved electric dishwasher.

They're big, holding 17 table settings, have adjustable loading racks, more powerful wash action, a soft food waste eliminator and self-cleaning filter and best of all a special pre-rinsing and quieter operation.

The pre-rinse feature eliminates the need for hand rinsing or scraping of dishes prior to washing.

Whether you wash dishes for two or ten, you can end the daily chore of dishwashing with an electric dishwasher. Just think what you can do with 45 extra eight-hour days!

SAFETY HINT: There's a line on the ocean where you lose a day when you cross it. There's a line on most highways where you can do even better!

For the week-end, why not bake a coffee-cake for your family and friends who may be coming in? Here are some recipes that you might enjoy.

COFFEE CAKES

RAISIN ORANGE COFFEE CAKE
2 cups sifted flour
1 tablespoon baking powder
3/4 teaspoon salt
1/3 cup sugar
1/4 cup shortening
1 cup raisins
1 egg
3/4 cup milk
1/3 cup frozen orange juice concentrate
1/2 cup brown sugar
1 teaspoon cinnamon
1 tablespoon butter

Sift together flour, baking powder, salt and sugar. Cut in shortening. Mix in raisins. Beat egg lightly and combine with milk and orange juice. Pour into flour mixture and stir just enough to moisten. Spread in 8-inch square pan. Mix brown sugar, cinnamon and butter and sprinkle over top. Bake at 425 degrees for 25 minutes.

City Resident Warned About Garbage Cans

The City of Floydada sanitation department has issued a warning to the residents of the city in this issue of The Hesperian to purchase the proper size garbage cans.

Marshall Haney, head of the department said that about half of the homes in the city do not have the proper type garbage containers and that on February 13 the city sanitation service men will pick up all the "wrong type" containers.

Haney cited the following ordinance requirements for garbage cans:

SECTION 4. REQUIREMENTS AS TO CONTAINERS USED FOR GARBAGE AND TRASH.

EACH OF such owners, occupants, tenants, or leasees described in the preceding section of this ordinance shall provide an adequate number of suitable metal containers for garbage and with two (2) handles and of a solid and durable grade of metal of not less than twenty (20) nor more than thirty (30) gallons capacity, and the combined weight of the container and the contents shall not exceed one hundred (100) pounds. The container must be fitted with a tight fitting cover and must not have any inside structures such as inside bands or

reinforcing angles or anything within the containers to prevent the free discharge of the contents. Containers that have deteriorated or that have been damaged to the extent of having jagged or sharp edges capable of causing injury to the city collectors, or other persons whose duty it is to handle the containers, or to such an extent that the cover will not fit securely, will be condemned by the City, acting through its Health Officer, or his duly authorized representatives, and if such containers are not replaced after notice to the owner or user of their defective condition, they shall be confiscated.

SECTION 15. BURNING PROHIBITED.

THE BURNING of any garbage, trash or rubbish in any container or on any premises within the City is prohibited.

SECTION 20. PENALTY.

ANY PERSON who shall violate any provision of this ordinance shall be fined not less than One (\$1.00) Dollar nor more than Two Hundred (\$200.00) Dollars and each day any such person shall continue to violate or fail to comply with all the provisions of this ordinance shall be considered a separate offense.

58 Years of Progress Saves Homemaker 45 Days Yearly

The year was 1909. The homemakers were aflutter with excitement. Excitement over a wonderful new machine introduced to the homemaker... a dishwasher.

This early machine, lacking the sleek good looks of today's appliances, was a manually-operated, round-shaped tub mounted on four legs. To wash the dishes the homemaker turned a hand crank and large iron gears moved three plungers up and down inside the tub. The motion of the plungers splashed water against the dishes inside the tub. To the homemakers of that era, it was a dream come true. By our modern day standards, it was a crude device.

Unfortunately, because of its price — it sold for \$50.00, a figure considered high in an era when eggs sold for about eight cents a dozen, and a man's suit of clothes cost \$6.00 — it became a reality for only a few homemakers.

Since 1909 the dishwasher has undergone a series of major changes. It has grown in popularity and today is becoming an accepted household kitchen necessity. It is predicted that by 1970, about 4,000,000

Lengthy Illness Claims Lockney School Teacher

Funeral rites for Mrs. Martha Jane Griffith, longtime area resident and former Lockney school teacher, were held Tuesday in the Trinity Baptist Church of Plainview.

Mrs. Griffith, Plainview resident for 12 years, died early Monday in Plainview Hospital following a lengthy illness. She was 72.

She and her husband W. J. (Jake) Griffith moved to Lockney in 1917 from near Greenville. She taught in Lockney schools from 1918 until 1922 and for another four-year period during World War II.

For the past 17 years, she and her husband, who owns

farm interests in the Lockney area, have spent the winter months in Weslaco.

During these periods, she had been active in the work of the Border Mission at Hidalgo, and enlisted the aid of the Trinity church in support of the mission. She was for many years the teacher for the Trinity Bible Class here.

She was a graduate of Wesley College in Greenville and of Scarrett College, Nashville, Tenn.

Survivors, in addition to her husband, include a daughter, Mrs. Martha M. Davis of Lub-

bock, and a granddaughter, Carol Davis, of the same address.

1968 Auto License To Carry Slogan

AUSTIN — Texas passenger car license plates for 1968 will carry an invitation to visit San Antonio's HemisFair.

The Texas Highway Commission today directed that the slogan, "HEMISFAIR 68," be included on the 1968 license plates, scheduled to go into production soon.

HemisFair will begin a 6-month run on April 6, 1968. Government, industry and business leaders have joined in helping develop and promote the event, planned as a "fair of the Americas."

Recent estimates by independent research agencies indicate that almost 11 million persons will visit the extravaganza.

Only HemisFair and the recent World's Fair at Seattle have been granted official designation as international expositions in this decade. HemisFair was approved by the official international sanctioning body for world fairs.

The Highway Commission in its action today noted that the U. S. Congress has appropriated \$6.75 million for construction of a U. S. pavilion. The Texas Legislature has set aside \$4.5 million for a permanent Institute of Texas Cultures on the HemisFair site.

Foreign-nation exhibits in HemisFair will be official displays of the respective governments.

"The HemisFair will bring national and international recognition to Texas," the Commission order said. "A successful HemisFair will add millions of dollars to the Texas economy from out-of-state and foreign visitors."

The Highway Department already has made plans to devote one side of its 1968 Official State Highway Map to publicizing HemisFair.

Revival Continuing At Nazarene Church

A revival meeting is in progress this week at the local Church of the Nazarene. Special workers for the services are Rev. Maridel Harding, Evangelist, and Rev. and Mrs. Frank Taylor, Song Evangelists.

Mrs. Harding is among the most famous women preachers in America today. She has been active in the evangelistic ministry almost all of her life. Her messages are interesting and forceful, emphasizing the Wesleyan doctrine of entire sanctification.

Rev. Harding is the wife of the Rev. Whitcomb Harding, District Superintendent of the Nebraska District Church of the Nazarene. Before his election to this office several years ago, the Hardings traveled as an evangelistic team.

Her father and mother, Rev. and Mrs. Jarrette Aycock were also well-known in the evangelistic field.

Mrs. Harding weaves into her messages readings that are interesting and forceful. She will be preaching each evening at 7:30 p.m. and Sunday morning at 10:45. The Sunday evening service will be at 7:00 p.m.

Frank and Joyce Taylor are very effective workers in the field of music evangelism. They traveled for some time with their brother the Rev. Bobby Ferguson. They are graduates of Floydada High School and have many friends and relatives in the area.

The Taylors have recently moved to Canadian, Texas, where they are pastoring the Church of the Nazarene.

The public is cordially invited to attend these services. The meeting will close Sunday evening.

CENTER NEWS

CENTER, Jan. 30—We've had such beautiful days and nights the last few days! The full moon and all were so nice for the weekend revival at Calvary Baptist.

How we enjoyed having Bro. Zinn, a former pastor, with his singing and preaching! Also to have his dear family. They reside in Plainview now.

Sunday noon after church a beautiful basket lunch was served in the fellowship hall, or dining room. We had enough left for supper after the evening service. (Reminded me of the dinners we used to have at Center Church, which is just a memory!)

Mr. and Mrs. C. W. Denison and Mr. and Mrs. W. A. Lovell were in Lubbock Thursday visiting Mrs. D. W. Burke, who had surgery in Methodist Hospital last Monday.

The Denisons were in the hospital again Sunday afternoon seeing Mrs. Burke and also Mrs. Alice Tenn. Mrs. Tenn is the mother-in-law of Gilmer Denison.

Mr. and Mrs. Leo Frizzell visited with the J. E. Greens awhile Friday afternoon.

Some of the Welborn clan—Donna and Clarmon Booth, Bobby and James David and families were boat riding on Buffalo Lake Sunday afternoon.

Mr. and Mrs. Roger Gooch and children were in Plainview Sunday visiting Roger's sister and husband, Jan and Billy Murren.

Mr. and Mrs. J. D. Welborn and Mr. and Mrs. Bob Welborn were in a Lubbock hospital Sunday afternoon seeing a brother, Forrest Welborn, who still seems to be improving. Mr. and Mrs. Bob Aldredge and family dined Sunday with the Thomas Warrens.

Mr. and Mrs. Thomas Warren and Mr. and Mrs. W. M. Bertrand made a business trip to Lubbock Tuesday.

The R. C. Rosses, the Travls Lightfoots and the J. E. Greens were among the crowd attending the house warming at the Wiley Roger's beautiful new home in west Floydada Thursday evening. Congratulations upon "the dream come true."

Mrs. Thomas Warren called at the Greens home this Monday afternoon.

Mr. and Mrs. Doyle Sandifur visited in Plainview Sunday afternoon with his sister, Mrs. Gaynell Fuston.

Mrs. Dale Miller visited Mrs. Walter Sims Friday afternoon.

Mrs. Nicholson and Mrs. Johnny Hinds of Plainview visited Sunday afternoon with Mrs. Hinds' parents, Mr. and Mrs. W. C. Plumlee. Mrs. Plumlee is on the sick list.

Mrs. Green visited Mrs. Paul Looney, briefly Sunday afternoon.

Mrs. Frank Dunn visited Mr.

PFC. GEORGE WILLIAM McGHEE
... County's First Vietnam Casualty

Rites Held For Pfc. McGhee

Funeral rites for a 22 year old Lockney war casualty were conducted Saturday morning in the First Methodist Church in Lockney. The soldier, Pfc. George William McGhee, only child of Mr. and Mrs. Ralph McGhee of Lockney, was killed by small arms fire about 3:45 a.m. January 20 in Vietnam.

Rev. W. D. McReynolds, pastor of the church, was assisted with the service by Rev. Gene Hawkins, pastor of the Lockney First Baptist Church. Burial was in Lockney Cemetery.

Survivors other than the parents include George King, a grandfather who resides in Floydada and several aunts, uncles and cousins of this area.

Tom Moore Speaker For Young Farmers

The Floydada Young Farmers will hold a meeting tonight at 7:30 in the high school auditorium.

The topic of the program will be the 1967 Farm Program and will be presented by Tom Moore, manager of the local ASCS office.

Everyone is invited to attend.

Liquor-Gambling Bills Hit Legislature

By Vern Sanford
Texas Press Association

STIN - They're off! And in a hearing Tuesday night bill to legalize horse-racing in counties where approved, the Legislature is to full swing. Committee as soon will lead to final action.

8 - Organization of both houses complete. To date more than 100 bills have been introduced and referred to committees. Hearings will be scheduled during the week and evening sessions will be held to hear sponsors and opponents. . . . to listen to those who think the bills should or should not be passed.

4 - Poor action soon will begin to emerge and the pattern of the session will quickly take form. **LOSS-CURRENTS** - One of the emerging differences between the Senate and House is the date majority seemed determined to pass a \$5,200,000 bill to give 20% overall pay raise to the 40,000 state employees by March 1. Speaker Barnes and the House leadership seem equally determined to prevent it, and likely will succeed.

9 - **OV** - John Connally is ready to announce his tax program. Lt. Gov. Tom Smith, noting that the state's main revenue account can be \$217,000 higher for the coming year from currently expected revenues without new taxes, suggested that the line be moved up. These differences point up conclusions being drawn by Capitol observers that Smith will go for governor in 1968, if Connally tries for that second term.

OV - **7c** - **BILLS, BILLS** - All legislators have been busy producing bills they feel likely to become laws. The range is, as always, wide. Rep. Jake Johnson of San Antonio thinks his bill to legalize the sale of liquor by drink (labeled the LBJ bill) has a good chance. His poll of 100 members shows 67 for, 24 against and 21 undecided.

He's thus only 9 votes shy of the 76 votes needed, with 21 members yet to poll.

Rep. James Slider of Naples has one to make Texas eligible for highway beautification money from the U.S., and to allow the Highway Department to buy scenic easements to move billboards and junkyards off the roadsides.

Rep. Dick Cory of Victoria wants to repeal the new Code of Criminal Procedure lawman are fussing about, and to restore the old law. Others are proposing changes in the new law, and Rep. James E. Nugent of Kerrville, chairman of the House Criminal Jurisprudence Committee, invited everyone with ideas for improvement to let him know.

ELECTION CODE - That exemption from annual voter registration, which citizens over 60 years of age, living in towns of less than 10,000 now enjoy, would be removed from State law, under a bill by Rep. Gene Fondren of Taylor. This to clarify the election law. Fondren's proposal would also mean that if you forgot your registration receipt, you would

have to go back home and get it or get a duplicate, because voting officials would not be able to accept your signature in lieu of that receipt.

MORE SALES TAX - Under a bill by Rep. John Traer of Seguin, any city in the state would be able to collect a one-per-cent sales tax, if a majority of its qualified voters approved this method of financing city services.

The local-option sales tax proposal, which would be levied in addition to the existing two-per-cent state sales tax, was recommended by Governor Connally at the request of the Texas Municipal League.

LILY TRAP REMOVAL BILL - Relief for waterways clogged with prolific water hyacinths, often called water lilies, would be in sight if the Legislature passes a bill by Rep. Leroy J. Wieting of Portland. It would make possible State Parks and Wildlife cooperation in their removal.

P&W would be able to contribute 30 per cent - in money and/or man hours - to match 70 percent in federal funds to remove the lily and other insidious water plants where they fill up lakes and river reaches.

RIGHT - TO - WORK LAW - Rep. Don Gladden has filed a bill to repeal the law.

Floyd County Underground Water Level Lowered 4.40 Feet In 1966

The High Plains Water Conservation District has recently completed measuring the water levels in the observation wells within the district.

The average decline for the wells located within the thirteen counties of the Water District was 2.10 feet. This decline compares with the declines of 1964 of 2.49 feet; 1965, 3.99 feet; 1966, 3.51 feet. Also comparing this year's decline to five year average declines,

1959-1964 of 2.07 feet, 1960-1965 of 2.39 feet. There are many factors which could have caused the 1966 decline to be less than the average decline in the past few years.

In August of 1966, heavy rains were received generally throughout the Water District. These rains virtually cut off all pumping of irrigation wells on grain sorghum, cotton, and soybeans. Some wheat and vegetables were watered in the latter part of November and December in the Northern part of the district.

Government acreage programs allowing farmers to cut their cotton acreage 35% and slight reductions in the grain sorghum acreage probably saved pumping a great amount of water.

There is a possibility that some recharge occurred in the sandy land areas of Lamb, Bailey, Cochran, Hockley, Lubbock and Lynn Counties where the water table is less than 150 feet below the land surface. The declines by Counties are as follows:

Armstrong, 1.90 feet; Bailey, 2.20 feet; Castro, 2.58 feet; Cochran, 1.68 feet; Deaf Smith, 3.38 feet; Floyd, 4.40 feet; Hockley, rise of .22 feet; Lamb, 0.68 feet; Lubbock, 1.89 feet; Lynn, 0.34 feet; Parmer, 3.53 feet; Potter, 4.49 feet; Randall, 3.03 feet.

These declines are not to be used for tax depletion purposes.

They are strictly County averages. Detailed decline maps will be prepared by the District for tax depletion use and will be ready for the public by February 15.

If Takes Money To Go First Class

It has often been said, "it takes money to go first class." This saying is a keynote of what the Floydada city council faces every meeting. City manager Bill Feuerbacher continually shows the council at each monthly meeting items of need for the progress of the city's looks and service to its residents.

On one hand the city council must look at the needs... on the other hand it must look at the costs involved. Their first effort must be to keep the city in business by not overspending. They must always keep in mind... (and in the bank) enough money to cover yearly payments on the city's indebtedness. As the electric and water departments make money, the council of course puts some of the profit back into city improvements. Of course there's never enough to go around... to take care of all the needed projects.

We may not be able financially to go first class... but we all appreciate the council applying all the profit possible back into city improvements.

Most of last year's profits went into the new airport. As the council okays a new budget, doubtless they will have to decide upon what is most important in the 1967 work program... among which are several needs:

- A \$20,000 fire truck.
 - A \$10,000 street sweeper.
 - Expense for more lights within the city limits.
 - Expense for right-of-way and condemnation proceedings to pave Price Street across the north end of the city.
 - Expense to collect all the junk cars on the streets of Floydada.
 - Expense for upgrading the sanitation system.
 - Paving and utilities for new additions expenses.
- These are only a few of the city's needs... now it's up to the city council to determine which is most important... which ones will be included in the budget.

LINDA RUCKER

Fire Damage Heavy To Clothing

Linda Rucker, who enrolled last week as a freshman student at West Texas State University, suffered a heavy loss to her entire winter wardrobe in a fire which occurred Saturday in her room at Cousin's Hall.

Linda, daughter of Mr. and Mrs. Ralph Rucker, and Anna Badgett, another Floydada student there, had just completed hanging Linda's clothing in her closet and putting new linens on her bed when they smelled smoke. By that time a thermo-blanket on her room mate's bed was in flames. The fire quickly spread burning the bed and mattress, a dresser and causing extensive damage to other furnishings in the room.

Linda's room mate was visiting in Midland at the time of the mishap.

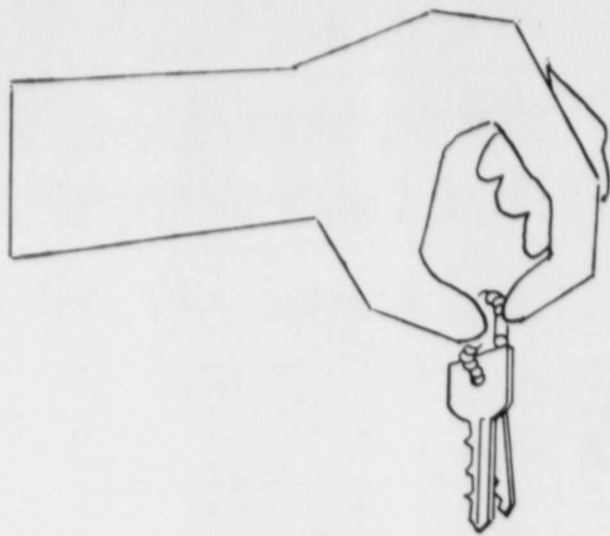

The two girls tried in vain to extinguish the blaze but saw it was too far gone and went for help. The dorm was quickly evacuated, however the fire was kept from spreading to other rooms.

Canyon firemen said the fire started in an electrical outlet and ran along wiring to a stereo and radio.

Linda's parents said damage to her clothing would amount to between \$500 and \$600. Some 25 to 30 other girls reported smoke damage to their clothing.

All were housed in temporary quarters until damages could be repaired and smoke cleared.

GUEST EDITORIAL

By Joyce Smith

Dear Sir,
Today we handed you the keys to a shiny blue car. How proud you were the first time you sat behind the wheel with Dad beside you, your sister and me in the back seat. Suddenly, the world for you had changed, just as surely as you and I had changed places in the car. And we were proud of you.

But now you are a young man, straight and taller than your Dad, ready to accept responsibility, and we have handed you the keys of the shiny blue car—and the trigger of a deadly weapon. Your responsibilities have changed from feeding the dog and burning the papers and bringing home a good report card to guarding your own and thousands of other lives on the highway.

At the risk of sounding selfish (we are not selfish, but we love you selfishly), I must say that you owe it to us, your mother and father, to be careful and cautious in your driving. We could never endure the heartbreak of losing you, and the thought of your causing someone else to suffer or die, is more than we could bear.

We won't always be at your side to tell you that your turn is just over the hill, that you are crowding the road's edge, or that the next curve is sharper than you think. Just remember, the car will go exactly where you steer it. It will go just as fast as you make it. And a car can kill. In a few seconds, you could destroy all the dreams and hopes we have made for you. You are half our lives. Please, dear Son, save that for us.

Grand Mother

And now to you, dear driver, we beg of you, in your rush to get wherever you are going, stay away from our boy. We have trained him as carefully and wisely as we knew how. He understands that the rules of life are the same as the rules for driving—if you get out of line, someone gets hurt. He also knows that you have broken those rules, for he has heard you squall your tires on the curve near our house; he has picked up the beer bottles tossed in our yard from your car; he has watched you cross the double yellow line going up a hill.

The law says that he can drive today for he is 16, and society says we cannot keep him in our close protective care forever. So he will drive. And he will drive carefully, as he has been taught. But the examples you have set for him are stupid and ugly. So please, dear driver, be watchful of our son. He is the only one we have.

FLOYD PHILOSOPHER

Farmers Can Wait

(Editor's note: The Floyd Philosopher on his Johnson grass farm interprets the agricultural situation in his own way in his letter this week.)

Dear editor:

I was sitting at home out here on this Johnson grass farm the other afternoon reading a newspaper which was explaining how China is in turmoil and if one side doesn't win the other one will, unless there's a stalemate, when an energetic friend of mine from town drove up.

"Reading a newspaper in the middle of the afternoon?" he asked. "No wonder you're always behind with your work."

"On the contrary," I said, "I'm just waiting for the rest of the world to catch up with me."

He didn't take time to digest that, said he was in a hurry, only wanted to borrow a grubbing hoe, which I would have lent him if I could have remembered where I put it last summer, or was it the summer before, and he left. Had he stayed I would have explained about farmers waiting for the rest of the world to catch up.

According to an article in the paper I was reading, a hundred years ago it took 4 million farmers to feed the people in the United

States. Today, about 3 million feed the people of the United States. Despite the fact that the population of the United States is now 200 million, it takes only 3 million farmers to feed the people. One time it took 70 per cent of the population to run the farms, now it takes only 1 per cent, despite the fact that a hundred years ago it took 475 million acres were in cultivation.

If every other phase of activity as efficient as farming, I estimate we could now handle 15 or 20 times the population of all nine, there wouldn't be a dozen members of Congress, a man could handle 2 or 3 thousand people, a farm could produce enough food for a whole country, a farmer could land on the moon in 1925 and a whole program in 1930, if men had kept pace with us the country would have been whipped in 1940 and companies would now be sponsored by the government.

You can see farmers have a lot to pull up and wait while the rest of the world catches up. No use embarrassing the people.

FATHER OF LOCAL WOMAN SUCCUMBS

Normal R. Pool, Sr., 63 year old Edmonson resident and father of Mrs. Robert Quisenberry of the Barwise Community near Floydada, died on Wednesday last week in a Plainview Hospital.

Funeral rites were conducted Friday in Lemons Memorial Chapel in Plainview with burial in Plainview Cemetery.

Survivors include his wife; four daughters; five sons; three brothers; two sisters; 20 grandchildren and two great grandchildren.

the Lord.

This community needs you Christian youth; needs you to help steer a steady course for the future; needs you to help rescue those of your peer group who have lost their way and are about to be broken upon the rocky shore; needs you to help keep our churches alive and vigorous for the cause of Christ.

Third and last, I am thankful to be closely associated with many Christian young people. Their happiness and joy is a blessing to me. Last night

at the close of a revival service it was a heart-warming experience to pray with several young people who wanted to find a renewing touch from God upon their lives. Then what a blessing it was later to hear

them talking about how they were going to live the revival.

Again I say thank you, our Christian youth. Rev. Lou

Time Running

Short On GI Home Loans

Time is growing short for veterans of World War II to use their eligibility for guaranteed loans for homes, farms or businesses. A. W. Stratton, Chief Benefits Director of the Veterans Administration warned today. The final deadline for application for a VA guaranteed loan is July 25, 1967.

Stratton said that while over 7 million veterans had used their eligibility to purchase homes, farms or start businesses, there were many still eligible who had not taken advantage of this provision.

The Veterans Administration has guaranteed 6,370,909 home loans to veterans of World War II and the Korean Conflict. There have been a total of 238,752 business loans and 71,654 farm loans guaranteed under the program. Loans insured by the VA total \$62 billion. In addition to the guaranteed loans, the Veterans Administration has made 256,962 direct loans totaling \$2.3-billion. These loans are made in areas where local financing is not available.

Stratton advised veterans of World War II planning on utilizing this privilege guaranteed to them by Public Law not to wait until the last minute before selecting their home, farm or business. Loans are arranged for by the builder in most instances, but the guarantee can be used to purchase existing homes as well as new homes.

With less than eight months remaining for veterans to use their eligibility, Stratton said there has been an upsurge in veteran activity.

The July 25, 1967, deadline does not apply to veterans of the Korean Conflict or veterans who have been included in the new legislation who have served since January 31, 1955. The expiration date for Korean veterans is 1975, and for veterans of the Vietnam, ten years plus an extension for time served, from the date of their discharge.

4-H NEWS

The stock show season is now in full swing. Several county 4-H members have entered livestock in major shows over the state.

Chris Bartram showed his Angus steer in the Amarillo Stock Show this past Monday. The next show will be at Fort Worth. Charles, Randy and Willie Patterson, and Leslie, Lee and Will Sinor have barrows and lambs entered there. These six 4-H members have 12 head of stock to show there.

The El Paso show follows the Fort Worth show and 9 Floyd County 4-H'ers have 32 head of stock entered there. Brenda Willis, Karen Willis, Kay Russell, and Teresa Colston have a total of 6 beef animals entered. Mitch, Mark, and Judy Probasco, Jim Kropp and Ricky Kellison have 14 barrows and 13 lambs entered. Ricky and Jim also have stock entered in the San Antonio and Houston Fat Stock Shows.

Genita and Terry Jones have stock entered in the breeding stock and lambs in the San Angelo stock show. They also plan to enter animals in the range ewe wool contest.

This summarizes all 4-H entries in shows over the state except for Lubbock. The Lubbock show follows the Floyd County show in March and is not known at this time who or what will show there.

All the 4-H members are hoping to place high enough to sell their animals at a premium price. Results of the shows will be made public as soon as they are learned.

LETTERS TO EDITOR

Dear Editor:

This is youth week in our church, a time when we give special emphasis to young people. I would like to share a few thoughts that have been running through my mind about Christian youth.

First of all I would like to say thank God for the Christian young people of America. In a day when some teens have cast aside moral values such

as purity, goodness, and love, it is wonderful to know there are many young people who have given their lives to God and enjoy living a happy Christian life.

Second I want to express my appreciation for the Christian

youth of Floyd County. May God bless them and increase their number. Sometime these boys and girls are pressed with temptations to yield their dedication, and compromise their convictions, but may God give them strength to stand firm in

State Director Of F. H. A. Receives Award

I. J. Cappelman, State Director of the Farmers Home Administration in Texas, received one of the State Association of Young Farmers' highest appreciation awards Friday, January 13 at the 13th Annual Young Farmers Awards Banquet at Corpus Christi, Texas.

The Distinguished Service Award was presented to Cappelman in recognition of the assistance given by the Agency through many years of active support of the Young Farmers Education Program.

Over twenty percent (20%) of the more than 18,000 loans made by the Agency in Texas have been made to young farmers. Cappelman feels very strongly that the 4,247 loans the Agency has made to young farmers under 35 years of age are the mainstay of Texas agriculture.

Wallace Beasley, A&M's police training coordinator, said the course offers basic instruction for rookies and broader concepts for more experienced officers.

COUNTY AGENTS CORNER

by Joe Wilson

Prospects look good for the cattlemen. The total cattle numbers on January 1 were down an estimated two percent from a year earlier.

From a price standpoint, cow numbers are down and the result will be a lessening in the productivity capacity of herds. Cattlemen are optimistic about future prices and are beginning to take steps to expand numbers. This is indicated by reduced cow and calf slaughter in the last half of 1966.

The 1966 calf crop in the nation was down almost 900,000 head in 1965 and a further reduction is expected in 1967.

Air cushion machines, a device which hovers just above the ground on a cushion of air may become important in agricultural aviation. The device has gained national recognition lately in Vietnam by seeking the enemy in places where ground machines and small aircraft can not go.

This type machine was well as latest aircraft and equipment will be discussed at the 16th Annual Texas Agricultural Aviation Conference and Pest Control Short Course February 26-28 at Texas A&M University.

February 11 is the last day to order seedlings from the Texas Forestry Service to be used as windbreaks. The cost of the seedlings are \$1.50 per 100. Many kinds are available including red cedar, sycamore, Austrian pine and ponderosa pine.

Order blanks may be obtained in the County Agent's office.

The Floyd County Stock Show Board will meet Thursday, February 2, at 7:30 p.m. at Lighthouse Electric in Floydada.

Superintendents for the Beef Cattle Sheep and Swine divisions will be selected as well as the General Superintendent of the show.

The show scheduled for March 6-7-8 is expected to involve about 175 Floyd County youngsters. Around 45 steers, 145 lambs and 135 barrows are expected to be exhibited in the show.

FLOYDADA PAIR ATTENDING NAVY AIR SCHOOL

Danny Medley and Clifford Southerland were flown from San Diego to Kingsville, Tex., last Thursday where they are now enrolled in the Naval Auxiliary Air School near Corpus Christi.

The two graduated January 20 from the U. S. Navy Training Center in San Diego, Calif., after completing nine weeks of basic training. They were home on leave during the Christmas holidays.

The Floydada sailors are sons of Mr. and Mrs. S. D. Medley and Mr. and Mrs. Johnny Southerland, respectively.

Notice
how many new cars look like old Pontiacs?

What'll they copy next year?

Other carmakers have already tried to copy our split grille, our stacked headlights, even Wide-Track. Of course, they haven't learned how to put them together right. Which is probably why people are buying 1967 Pontiacs even faster than they bought 1966 Pontiacs. And 1966 was our best year ever.

It seems that a lot of people don't want to wait around for innovations like our disappearing windshield wipers (articulated wipers—the kind you still get only on Pontiacs). And for imaginative options like our exclusive hood-mounted tach.

People like the idea that powerful 400 cu. in. V-8s are standard on all the big Pontiacs this year. And that nobody has even come close to the regular-gas 165-hp Overhead Cam Six that powers our Tempest series.

And people like knowing that all Pontiacs and Tempests come with the complete General Motors safety package.

Of course, somebody else may come up with a pretty good imitation of a 1967 Pontiac. In a year or two. But why wait? Your Pontiac dealer has the real thing right now.

NOTES**

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

A question in many home-maker's minds is "How many sheets can I wash at one time without overloading my machine?" The U.S. Department of Agriculture electrification specialists say it isn't best to make a washer load of big items like sheets, but rather, to mix the load with large and small items.

It is a good practice to wash not more than two double-bed sheets in one washer load. Fill the rest of your load with smaller items which are light in color. By doing this, space is left for all items to move freely through the water and good washing action is maintained, the experts tell us.

If your clothing and bedding do not wash clean, try a smaller load and also check to see if your problem is packing too many large items into one washer load.

Another problem deals with removing stains from our family wash. This has always been a rather complicated procedure. To prepare for the recommended procedure, a laundry room needs to be stocked with around 20 items which are not always "readily available from a drugstore or grocery."

Listed below are 24 common stains which professionals tell us can be satisfactorily removed right in the automatic washer with a relatively simple two-step procedure. These in-

clude: catsup, chocolate, cocoa, coffee, cosmetics, cream, dye, egg, fruit, grass, ice cream, iodine, lipstick, meat juice, milk, mustard, oil, rouge, scotch, soft drinks, crayon, grease, mud, and tea.

The first step is to put the stained garments through a pre-wash cycle, using warm or cold water and plenty of detergent. If the washer has no pre-wash cycle, set the controls for a warm or cold rinse and start it at the point in the cycle where the tub fills for the final deep rinse. The brief agitation in water with detergent, followed by a spin and drain, approximates the prewash cycle.

For step two, allow the washer to fill with hot water. Add a generous amount of detergent and the maximum recommended amount of bleach. (Be sure to dilute the bleach before adding it to the washer if your machine does not have an automatic bleach dispenser.) Allow the clothes to soak for about 5 minutes, or set the automatic soak cycle if available on your washer. Finally, send the wash load through a normal wash cycle with regular agitation, normal spin and a warm rinse.

The third annual Government-in-Action Youth Tour is getting underway here at Lighthouse. Area schools have been contacted this week and entry applications are available at

the school offices or at Lighthouse Electric.

These entries must be filled in and returned to Lighthouse by February 10.

If you know of someone who is between 16 and 18 and would like to see Washington, D. C. this summer on an expense paid trip, please have them contact us at Lighthouse. One boy and one girl will win a trip from this area.

Mr. and Mrs. Grady Freeman spent the week-end in Lubbock visiting their daughter, Mr. and Mrs. Cecil Armstrong.

Mr. and Mrs. A. G. Tyler and Ronnie of Amarillo were week-end guests of the Wiley Rogers.

Mr. and Mrs. Corkey Guffee, Larry and Phyllis visited the Russell Strain family in Olton, Sunday afternoon.

Our deepest sympathy is extended to Mr. and Mrs. J. T. Hodges and girls at the loss of his father, J. T. Hodges, Sr. of Paducah. Funeral services were conducted last Friday in Paducah.

SPICE BARS

1/2 cup butter or margarine
1 1/2 cups brown sugar
1 teaspoon vanilla
1 egg
3 cups sifted all-purpose flour
1 1/2 teaspoons baking powder
1/2 teaspoon baking soda
1 teaspoon salt
1 teaspoon cinnamon
1/2 teaspoon nutmeg
1/2 teaspoon cloves
1/2 teaspoon allspice
1 (8 oz.) can tomato sauce
3/4 cup chopped candied cherries
3/4 cup chopped candied pineapple
1 cup chopped nuts

Cream together butter and brown sugar. Add vanilla and egg and beat until smooth. Sift together flour, baking powder, baking soda, salt, cinnamon, nutmeg, cloves and allspice. Add dry ingredients alternately with tomato sauce to butter-egg mixture; combine well. Fold in candied fruit and nuts. Spread in greased 15"x10"x1" jelly roll pan. Bake at 350 degrees in an electric oven for 30 to 35 minutes. Cool in pan and cut into bars. Decorate with white frosting and candied fruit if desired.

**Jeff Glazner Reports On
Easter Seal Campaign**

A record 16,031 crippled children and adults were helped during 1966 by the Easter Seal Society for Crippled Children and Adults of Texas, according to Jeff Glazner of Floydada, who serves as the Easter Seal Representative for Floyd County.

Of the total, 11,045 children and 4,986 adults received treatment and other rehabilitation services financed mainly by contributions made during the Easter Seal Appeal, he reported.

These contributions made possible medical diagnosis, physical and occupational therapy, speech and hearing programs, special education classes, and other services to

rehabilitate handicapped children and adults. Wheelchairs, walkers, braces and other special equipment were also provided.

The Easter Seal Society in Texas helps support 23 treatment facilities where children and adults are treated without regard for their ability to pay.

Glazner added that the Easter Seal Society is continually seeking children and adults who can benefit from rehabilitation treatment and services offered by the society. As Easter Seal Representative, he is the person to contact for Easter Seal Services. He may be contacted at First National Bank.

The Easter Seal Society has provided treatments for children and adults suffering from Arthritis, Cerebral Palsy, Stroke, Multiple Sclerosis, Muscular Dystrophy, Polio, Speech Disorders, Hearing Conditions, Accidental Injuries and many other conditions.

Glazner also announced that the 1967 Easter Seal Appeal

would open February 20 and run through Easter Sunday, March 26, 1967.

Devotional of the Month

"What Is In YOUR Hands?"

When the great leader Moses, deliberated at the curious call of the burning bush, God spoke to him by the question, "What is that in your hands?" (Ex. 4:1-5). While offering excuses for his own weakness, Moses overlooked the potential power of the sheep herders "rod" in his hand. When he cast it down it became a snake; when he took it by the tail, it became a rod again. Later, it stretched toward the Egyptian Sea and the waters assuaged. When safely across, the rod pointed the drowning of the Pharaoh and his army. This rod struck the rock from which water supplied thirsty Israel. Though eighty years old, Moses undertook the task of leading the Exodus migration to the Land of Promise aided by his "rod" in the service of God.

Young David felled the nine foot giant of Philistia - not with his own twenty pound spear, but a stone and sling shot, normally used to chase away wild animals from his sheep, (1 Sam. 17:21). In Jesus' time a gathering of over 5000 men became interested in the Master's teaching and missed their dinner. A little boy's lunch of five biscuits and two pickled fish was conscripted; thanks was offered and after all had eaten their fill, the scraps were collected into twelve baskets full. Mary, the sister of Lazarus, broke a sealed flask of burial cream, valued at more than \$300.00, no doubt reserved for her own death. This spikenard oil was poured on the feet of Jesus with the critical suggestion that it was a "waste." Our Lord said, "She has done what she could," (Mk. 14:8). Little things are important and become mighty factors for victory when used by God. All these had their hands full of something that was useful to God and he multiplied its use in great blessings. God expects of us the use of "what little we have" to his glory and whoever you are, you have something in YOUR hands that someone else needs, (Matt. 25:14-27). What do you have in YOUR hands?

TIME: 168 hours a week, or 8,736 hours per year, for an average of 70 years. In a recent survey it was learned that the average youth watches television approximately 30 hours per week, even during school days. Each week we sleep about 56 hours; work 44; eat for 11 hours; and spend less than five our of 168 in worship, Bible study, prayer and church attendance. Each of us, like our examples, has been given something - 168 hours every week that passes. As a steward of this gift, we must account for its use or waste. Some unknown scribe has written; "I have only just a minute, Just sixty seconds in it; Forced upon me - can't refuse it, Didn't seek it, didn't choose it, I must suffer if I lose it, Give account if I abuse it; Just a tiny little minute, but Eternity is in it.

MONEY is another talent or ability bestowed upon us by a gracious God. How we spend it, determines if there will be more to spend. God's mercy will not always sustain those who are selfish and ungrateful. Of every \$100.00 income in value received, \$25.00 goes for food, \$20.00 for shelter, \$20.00 for clothing, \$15.00 for entertainment, and an irregular amount, or the customary dollar bill to God. Can we sing in truth, "Oh, how I love Jesus" when the average American spends each week an average of 35 cents for religion and \$1.68 per week for tobacco and alcohol? We spend more money in this country for chewing gum and dog food, than we do for orphan food! President Lincoln spoke of financial success as purely "metallic. The man who gains it has four metallic attributes; gold in his palm, silver on his tongue, brass in his face, and iron in his heart!" (This Day). 10% is not enough for the wealthy, for they waste more on themselves than this. 10% is too much for the poor, for they must "provide for their own" the essentials of living. Jesus taught us that giving to God was a free-will offering, and Paul says we are to "give as we are prospering," (2 Cor. 8, 9). It is better to have your bank in Heaven, than your Heaven in a bank, for where you put your money you put also your heart, (Matt. 6:21).

SOULS, both our own and those of others are tools in our hands. To every physical body God has given the custody of this spark of the immortal we call a soul. What we do now, determines where the soul will live when we die. To gain the whole world and its total wealth, and neglect to make certain the destiny of my soul, is life's most foolish blunder. Our children, gifts from God, entrusted to our feeble guidance, are marching to their graves and eternity beyond, on the roads we make for them. Your child is the soft clay from which you mold a fixed and unyielding adult, be he good or bad.

What do you have in YOUR hands?

RICK RIGGLE

Grandson Of Local People Posts Good Wrestling Record

The grandson of Mr. and Mrs. J. R. Vickers and Mrs. W. U. Riggle, all of Floydada, is posting a good record in the sport of wrestling in South Dakota. He is Rick Riggle, son of Roscoe and Nita Riggle of

Hayes, South Dakota, who won third in the state last year in the 154 pound class and at present is undefeated this year in the 165 pound class. He has 68 points now and has four more matches to go.

bill to repeal Texas' right-to-work law, and Rep. Bill Clayton of Springlake has filed a bill to strengthen the right-to-work law. So the House Labor Committee should be kept pretty busy.

Other labor proposals provide a state version of the Taft-Hartley labor-management relations act, and set uniform determination of prevailing wages for workers on public projects.

CATTLE FEED LOTS - Rept. Tom Holmes of Granbury, Alonzo Jamison of Denton, Delwin Jones of Lubbock and Bill Rapp of Raymondville are authors of a bill to require licensing of cattle feed lots and regulation of their operation. They said, "The Act is designed to protect and promote the public health and welfare by the establishment and enforcement of certain standards in the maintenance and operation of beef cattle feed lots."

It was recommended by the cattle feed lot division of the Southwest Cattle Raisers Association.

APPOINTMENTS - Governor Connally has reappointed John L. Hill of Houston, Secretary of State; Charles H. King Jr., Longview native, Commissioner of the Bureau of Labor Statistics; Maj. Gen. Thomas S. Bishop, Houston, Adjutant General for Army; and Brig. Gen. James M. Rose, Denton, As-

istant Adjutant General for Air.

AG OPINIONS - Atty. Gen. Crawford Martin has ruled that a constable is not barred by state law from becoming a surety on a bail bond, but there are circumstances that would make it official misconduct on his part.

Other rulings: That the Veteran's Land Board does not have authority to permit a veteran purchaser to substitute a different tract of land for one covered in a Board commitment prior to December 1, 1965.

It is not illegal to catch fish by hand... Fraternities at the University of Texas Medical School at Galveston are not exempt from property taxes... When a sheriff arrests a person under a writ of attachment, he may elect to accept the arrested person's personal bond, if the civil court order does not specify sureties or other security.

Big Crowd In Attendance

The gymnasium was almost full of fans as the Floydada boys and girls basketball teams came out victorious here Friday night in defeating the Olton boys and girls.

Jeff Kimble hit for 14 to direct the boys to a 50-41 win over Olton. John Thompson scored an even dozen to lead Olton. This game put Floydada 1-2 in the second round of play.

GIRLS GAME
The Whirlettes ran their district record to 3-0 with the 60-36 defeat of Olton. The Whirlettes were ahead 24-14 at halftime and had no trouble in coasting to the win.

Three Whirlettes were hitting the basket. . . Marilyn Harris scored 21 points, Cindy Ward 20 and Sally McIntosh 19. Coach Kelly Chadwick said "it was the best game we've played this year. . . the forwards all hit 50% or better from the field and free throw line. . . guards once again kept a district team below their total point per game of 37 points. . . we've made the fewest mistakes ever this year!"

The Whirlettes and Whirlwinds play Lockney Friday night.

"B" Girls Win Tulia Tournament

The Floydada "B" girls came out with the championship at the Tulia tournament last Saturday by beating Springlake 47-45 and Tulia 40-20. Linda Rainer scored 22, Trudi Miller scored 15 and Jill Bertrand 10 points to lead the scoring for the locals in the Springlake game.

In the Tulia game it was Linda Rainer with 17, Jill Bertrand with 13 and Trudi Miller with 10 points for the high scoring honors. It was tied up 24-24 at halftime in the Springlake game and 21-11 at halftime in the Tulia

game. Coach Kelly Chadwick had this to say about the championship win: "I was very happy with these girls because this is actually a team composed of freshman girls playing against 'B' teams that are basically sophomores and juniors. . . the forwards did a good job shooting the ball. . . all three were in the double figures for both games."

Guards for the games were Jacque Crawford, Shirley West, Teresa Tye, Brenda Moore, and Linda Williams.

"B" Girls Defeat Hale Center

The Floydada "B" girls basketball team had no trouble beating Hale Center here last Thursday night to the tune of 40-26. The locals were leading 16-9 at halftime.

Freshman Girls Beat Spur

The Floydada Freshman girls were in the driver's seat all the way here Monday night when they defeated Spur girls 38-13.

At halftime it was Floydada 'way ahead 16-1. Ann Hammonds was top scorer with 13 and Jean Campbell made 11 points.

Seventh And Eighth Grade Boys Beat Abernathy

The Floydada eighth grade boys just barely kept their undefeated record clean Monday night when the edged out Abernathy 29-28. This gives them a 15-0 record. Andy Hale made seven, Mike Burk sunk six and Billy Chism scored six. Steve Puckett made six and Mike Simpson made

four points for the winners. And the seventh grade boys didn't have any easy time winning their game 36-34. Walter Harris and Charles Jackson tied with 14 points each for scoring honors. Everyone is invited to the final game with Hale Center Monday night.

Eighth Grade Girls Beat Abernathy

The Floydada eighth grade girls ran their record to 14-2 for the season Monday night defeating Abernathy there 41-30. Their district record is 9-1 and they remain tied with Hale Center. The showdown for the district championship will

come in Graves gymnasium Monday night at 6:30 when the leaders collide. Floydada led Abernathy 21-10 at halftime. Terri Shipman could do no wrong and sunk 23 points for the locals. Betty Allen made 12 points.

Department asks authority to use unappropriated balances from \$7,000,000 Special Game and Fish Fund No. 9. State money would be matched by federal aid which would provide 75 per cent of cash, under proposal advanced.

LBJ PARK SHOWDOWN - Controversy over the value of the last 54 acres of land sought for Lyndon B. Johnson State Park in Gillespie County is roaring toward a showdown. When a legislator entered the case as attorney for owners, Mr. and Mrs. Earl Sweeney of Stonewall, forcing postponement of the condemnation trial, LBJ Park fund administrator John Ben Shepperd tendered into Gillespie County Court \$62,500 in cash, repre-

senting the commissioners' award for the land. Meanwhile, he said Parks and Wildlife Department is entitled to immediate possession of the land and will expect the Sweeneys to "make every reasonable effort to vacate the premises in the near future."

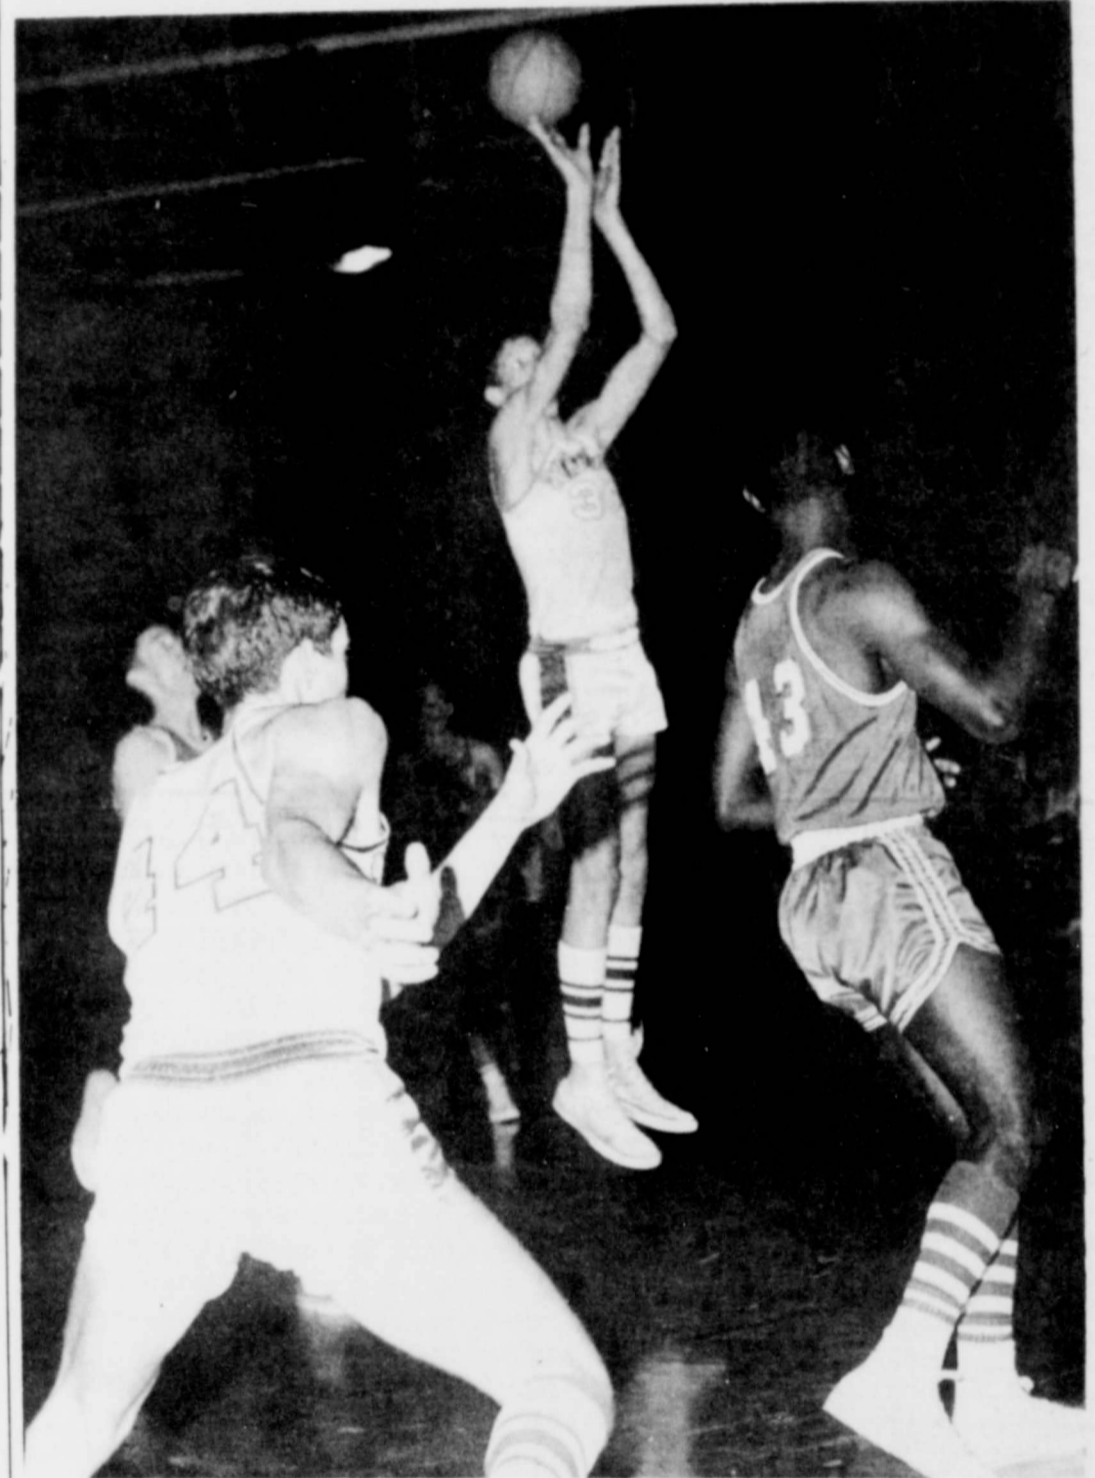

The Sweeney's legislator-lawyer indicated a settlement is near.

SOUTH PLAINS NEWS

SOUTH PLAINS, Jan. 30 - Mr. and Mrs. Bud Higginbotham were honored with another bridal shower last Friday night in the home of Mrs. Ernest Ball in Dimas. Red velvet cake and cranberry punch were served from a beautifully decorated table carrying out the bride's chosen colors of pink, cranberry and white. About 40 guests registered for the occasion. Hostess gift was an electric skillet. Mrs. Ruby Lee Higginbotham attended her son and his bride's shower from here. Friday night she was an overnight guest in the home of her son, Mr. and Mrs. Higginbotham in Amarillo.

MRS. TAYLOR COMPLIMENTED WITH SHOWER
Mrs. J. P. Taylor was honored with a pink and blue shower Saturday, Jan. 28 in the lovely home of Mrs. Raymond Upton. Angel snowballs and red hot apple cider punch was served from a table decorated with a pink and blue motif with tiny babies enhancing the centerpiece. Mrs. Nathan Mulder and Mrs. Philip Smithman served some thirty-seven guests who called for the occasion. Hostesses were Meses. Raymond Upton, Philip Smithman, Grigsby Milton, Sylvan Kinnibrugh, John Kinnibrugh, L. N. Johnson, Nathan Mulder, Shelby Calahan, Murray Julian, L. T. Wood, Sterling Cummings, Ruby Lee Higginbotham, I. H. Parks, Don Marble and Kendis Julian. Mrs. Kendis Julian registered guests. Out of town guests were Mrs. W. W. Woods, Mrs. Joe Edd Smith, Mrs. Truman Merrell, Cheryl and Jayne, Mrs. Jimmy Davidson, Mrs. D. W. Baca, Kim and Kay, Mrs. W. W. Merrell, Miss Gladys Stroup, Mrs. Jim Stroup, all of Quitaque; Misses Sue and Regina Pigg from Kress and Mrs. Joe Taylor and Riese from Lockney. The hostess gift for Mrs. Taylor was a bathinette.

Mrs. Maude Brister is a patient in Lockney General Hospital after becoming ill at her home last Friday a week ago. At first it was believed Mrs. Brister suffered a stroke but she seems to be recuperating rapidly now.

George Weast remains in the Lockney General Hospital this Monday but it is hoped he will be able to return to his home some time this week.

Mrs. L. T. Wood, Mrs. John Kinnibrugh, Mrs. Jewel Fortenberry and Mrs. Frank McClure went to Crosbyton last week following the local WMU program to attend the Workers Conference there. The conference was held at the First Baptist Church with the ladies enjoying their evening meal with the ladies from Crosbyton.

Mr. and Mrs. Frank McClure spent the day Saturday in Plainview with their daughter, Mrs. Jean McClure and children. The occasion marked the fourteenth birthday of their granddaughter, Donna McClure.

South Plains PTA will meet Friday, Feb. 3rd at 2:45. Mrs. Rice's third and fourth grades will present the entertainment portion of the program. Since this is the first meeting this year all are urged to be present.

Migaku Sato, American Field Service Student, from Japan will speak at the South Plains School, Friday, Feb. 17 at 2:30. New shades have been bought and are installed in the auditorium at the school thus making it possible to show movies, slides, etc. This is not a PTA program. Everyone is invited to hear him speak and to see the pictures he will show.

Mr. and Mrs. L. T. Wood left early Saturday morning to attend the Fat Stock Show in Fort Worth.
