First Baptist Church To Conduct Bilingual Revival Next Week

The spring revival of First Baptist Church will be conducted the week of April 2-9. Floyd C. Bradley, pastor, will do the preaching and Roy Edwards, choir director, will be in charge of the music.

The services are to be preached in English and an interpreter will translate them into Spanish. Special headsets, similar to the translation equipment used in the United Nations, will be in operation.

Any person who does not understand English may hear the service in Spanish. An invitation is also issued to the Negro people to attend.

Fire Boys Invitational Volleyball Tournament Begins Monday

"You come to our volleyball tournament and we'll come to your fire," was a statement from the local Volunteer Fire Department this week as they extend an invitation to everyone to attend the tournament which begins Monday night.

There is a women's and men's division and champions will be announced at the end of play on Saturday night.

This type service has not been conducted previously in First Baptist Church. The membership, however, believes it is an opportunity for the entire community to worship together in a Christian atmosphere.

The following teams are entered in the women's division: Travel Center, Muncy, Providence, Lockney Women, Reed

Ford, Brown Gin, Quarterway, Crosbyton Women, Fire Birds, Lockney Carol Center and Kirk and Sons.

Special features are to be presented each night. Jonie Fitzpatrick, junior high music teacher, will sing two nights. Young people will give testimonies. Mark Davis, layman from Amarillo, will give a thrilling testimony one night. A ladies' sextet from Denver City has been invited to sing. A large revival choir will present special music at each service.

Rubinoff And His Violin Sign For Rotarian Concert Here

Floydada residents were assured today of a musical highlight April 4 when RUBINOFF AND HIS VIOLIN, internationally famed popular concert artist, appears at the Floydada High School auditorium, here under sponsorship of the Rotary Club. It was announced by Dr. Andrew McCulley, president.

program of famous favorites loved by people everywhere, such as Warsaw Concerto, Chopin's Polonaise, Debussy's Clair De Lune. These compositions will have their premier performance as violin solos arranged and played by the maestro.

Tickets are available at The Hesperian Office, the First National Bank, Powell's Super Market, Southwestern Public Service and members of the Floydada Band are also selling tickets.

"We feel indeed fortunate in being able to bring such a great artist to Floydada," Dr. McCulley said today in making the announcement, "and we are all aggressively determined to make this one of the outstanding events of the season."

Cummings Children Injured In Wreck

The Kendall Cummings children of South Plains miraculously escaped death last Thursday morning about 8 o'clock enroute to school in Floydada, when the car, driven by Kelvin, swerved out of control and overturned several times. It is believed that a pick-up pulled onto the Silverton Highway off the Lockney cutoff, in front of the Cummings vehicle, however this had not been verified Tuesday and the investigating officer could not be contacted before press time.

avoid a collision. When the car tires hit the muddy shoulders it went out of control, overturning. All three youngsters had seat belts on and buckled, friends said, possibly saving their lives as all four doors on the car were torn back.

Kelvin and his sister K were dismissed from Lockney Hospital during the weekend where they received treatment for lacerations and bruises. Zacha, the more seriously injured, was transferred from Lockney Hospital to Methodist in Lubbock where she is being treated for a broken leg, cuts and bruises.

Tornado Warning

One long blast lasting 45 seconds, wait one minute and repeat same procedure two more times. Wait five minutes and repeat entire cycle until danger is over.

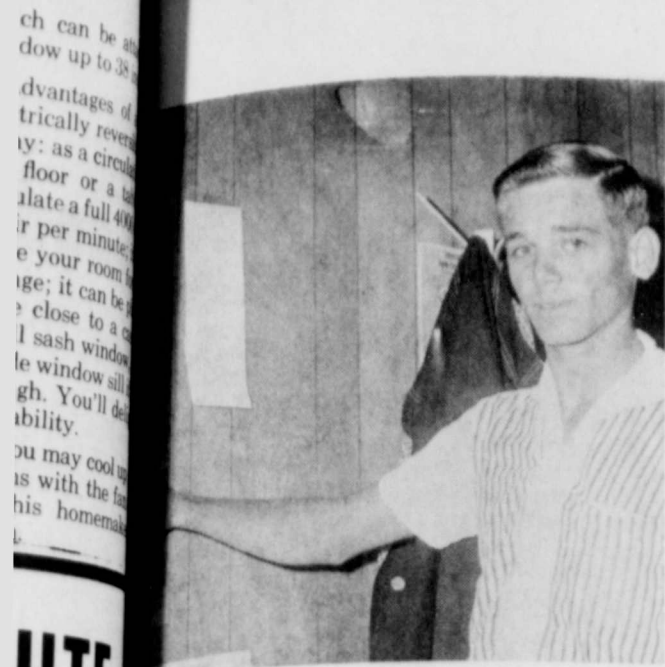

Rainfall .79 For Month

Scattered thunder showers hit the Floydada area last week, and brought the total moisture report for the month to .79 according to the local ASCS office, keeper of the official gauge.

SAFETY BELTS BUCKLED. . . the children of Mr. and Mrs. Kendall Cummings were strapped in with safety belts when this auto rolled. Every door was broken open or torn away in the accident last week at the Lockney cutoff on the Silverton highway. (Staff Photo)

MRS. STANLEY HULLER (nee Kit Zimmerman)

Miss Zimmerman Bride Of Stanley R. Huller

Miss Katherine Zimmerman, daughter of Mr. and Mrs. Fred Zimmerman Jr., of Floydada became the bride of Stanley Robert Huller in vows read at 11:30 Saturday morning, March 25th in the First Methodist Church.

The bride groom is the son of the late Mr. and Mrs. Robert Huller and grandson of Dr. and Mrs. Stanley L. Green, Independence, Mo., and Mrs. Floyd C. Huller and the late Mr. Huller of Fort Worth. Rev. Herschel Thurston, pastor, read the double ring ceremony before an altar backed and flanked on either side by massive candelabras of fresh magnolia boughs and white pillar candles. Each side of the altar was decorated by trailing arrangements of white stock, lilies, carnations and butterfly roses. Laurel roping formed sweeping garlands across the altar nave.

The bride was given in marriage by her father. Her gown of candlelight peau de sole and re-embroidered Alecon lace was fashioned along empire lines. It featured a lace bodice with scalloped portrait neckline and long sleeves which came to points over the hands. A peau de sole sleeveless coat and shoulder bows cascaded to a wide chapel train bordered in Alecon lace.

Her bridal veil of silk illusion was attached to a pill box covered with matching lace and frosted with pearls. The bride carried a cascading bouquet of stephanotis and lily of the valley centered with white cattleya orchids trimmed with white velvet and seed pearls.

Miss Linda Reid of Dallas was maid of honor; Mrs. Ralph C. Clement of Santa Fe, New Mexico, was matron of honor and Miss Kathy Huller of Independence, Mo., sister of the groom, was bridesmaid.

Feminine attendants wore formal length gowns of willow green linen and lace designed with sleeveless lace bodices and slim linen skirts. They wore matching coats and headpieces. The bridesmaid carried bouquets of opened yellow tulips trimmed with vealour leaves in mint green.

Gene Schanz of Independence, Mo., served the groom as best man. Groomsman were Fred Zimmerman III, brother of the bride and George Patrick Baker, Independence, brother-in-law of the groom.

Ushers were George R. Faris, Jim Everline, Ted Esquebel and Jay Brummett, all of Dallas.

Mrs. Lon M. Davis Jr., was organist and accompanied Mrs. David Battey Jr., soloist. A reception followed the wedding in Fellowship Hall of the church. The bride's table was covered with a floor length cloth of white peau de sole with an overskirt of illusion applied with lace. Centering the table was a Sheffield opergme containing white stock, butterfly roses, carnations and candytuft, crowned by six white cathedral height tapers. Spilling over the table's edge were garlands of smilax.

Hopper, Mather Carr, J. R. Turner, Bob Ratjen, Velmer Hamilton, Glenn Curtis, Glenn Pool, Horace Carr, Bruce Davis and Mrs. R. C. Davis, Connie Sue Curtis was a visitor. The next meeting is Friday, April 14, in the Community Center. The program will be on Health and Retirement.

Not That Way An Irish bricklayer was on the top of the party-built house, and shouted to the foreman that he could not find his way down to the ground. "You fool—come down the way you went up," shouted the foreman. "Not on yer life. I came up head first," the Irishman yelled back.

Mr. and Mrs. Bill Smith flew to Rochester, N.Y. to visit Mr. and Mrs. Hansen. They'll also visit Ronnie at Ft. Dix before returning home.

The colonnade bride's cake was decorated with clusters of roses and cherubs with a pyramid of butterfly white roses and lily of the valley. The groom's table was covered with a floor length moss green brocade cloth with swags of moss green velvet bordered by gold cord. Centering the table was a brass candelabrum holding nine yellow tapers entwined with yellow tulips, iris, willow and acacia.

Members of the houseparty were Mrs. Fred Thayer, Mrs. Gary Matsler, Miss Carolyn Moore of Lubbock; Mrs. Charles Christian of Canyon; Miss Margot Sturgeon, Dallas; Mrs. Gene Schang, Independence, Mo.; Misses Rande, Christi and Cary O'Keef Brown, Miss Suzanne Guthrie, Mrs. Emily Potts, Mrs. John Kimble, Mrs. Kinder Farris, Mrs. A. E. Guthrie, Mrs. Billy Brown, Mrs. John Reue and Mrs. Martin.

For a wedding trip to Galveston the bride selected a tattersol silk check coat worn over a drift blue dress. She wore a matching blue hat and sandlewood accessories.

THE RAIN—Bright coral-colored cotton poplin is the cheeriest rainwear is made of. Here it's styled into a wide tent coat with matching helmet. The ensemble is completed with a low-waisted slip skirt and poor boy cotton knit bodice.

Elegant Summary Spring Fashions

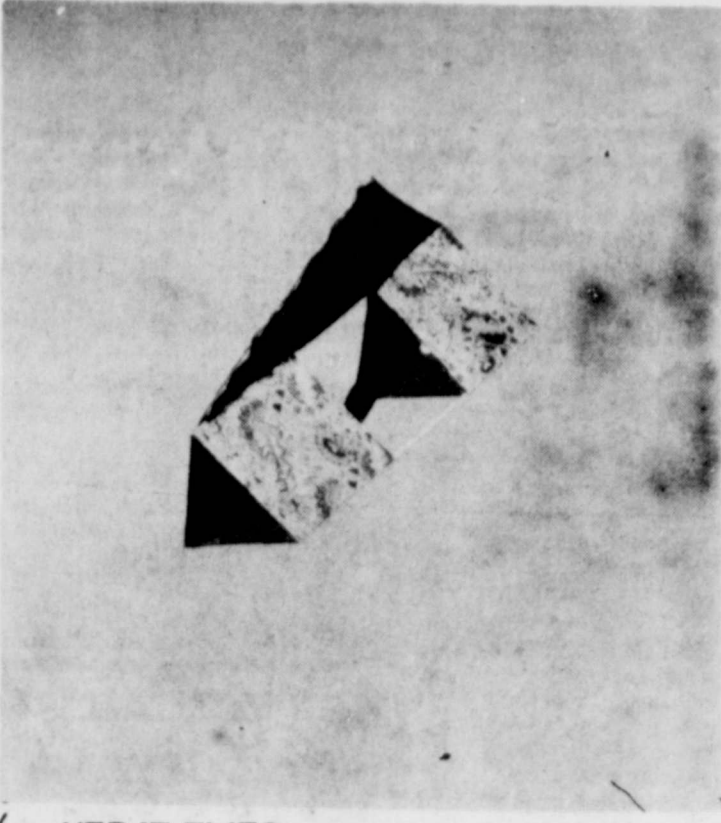

Trends for spring '67 are summed up elegantly in the official wardrobe for Maid of Cotton Pearce. Chosen from topflight American collections, the fashionable cottons range from evening gowns to rugged sportswear. The theme for the season is the ensemble... Dress with its matching jacket or coat is a success for the travel-bound Maid of Cotton. The coats are worn over slim dresses, while hat-and-dress outfits are styled on closer-to-the-body lines. Details include the new high-fitting bodices, inverted pleats, and the superb contrasts of color-coordinated leathers, and glittering broderies. Silhouettes emphasize the body-line, the cage, and the A-line hem. Schemes feature contemporary black and white as pastel pink, blue, beige, and brown. White literally takes the Maid of Cotton through evening. Long a favorite color this year it assumes new importance in woven cottons, in ottomans, and in the new, double-faced cottons.

NEWS REPORT

The German Turn—Discontent in Germany—U.S. Hesitates—De Gaulle Wins

Washington, D.C.—The Johnson Administration and the State Department are not publicly admitting it but the blunder in pulling the rug from under former pro-U.S. German Chancellor Ludwig Erhard is now costing the nation dearly. What cannot be hidden is the recent tough decision of the new pro-French German regime to stop helping the United States and Great Britain pay the cost of maintaining their troops in West Germany. This help had been considerable. The Germans had agreed to buy over a billion dollars worth of arms in the United States, to help us maintain a balance in American international payments. That agreement expires in June and the Germans have told us they will not renew it.

Since the balance of payments deficit is one of the critical economic problems facing the Johnson Administration, this decision is a shattering blow. In addition, the Germans have warned Britain they would not continue to offset the cost of maintaining British troops in West Germany by similar agreements. Hard pressed as the British are financially, at the

YEP IT FLIES.....

moment, this is certain to lead to a major British troop reduction. From Washington come veiled hints that the United States is thinking of withdrawing one division of troops by mid-1968. And this would be disguised as a redeployment. But this apparent unconcern does not constitute a realistic appraisal of the crisis posed by the

decision of the new German Government. Further heavy deficits in the U.S. balance of payments threaten the stability of the U.S. dollar seriously and any sudden change which will throw more than a billion dollars on the deficit side is certain to demand major counter moves and rearrangements on the U.S. side.

Instead of concealing the seriousness of the German move, critics feel Washington should be more frank in facing the crisis. They say the Administration, and especially the State Department, hesitate to admit the gravity of the situation because it is a direct result of the President's tough bargaining position with former German Chancellor Ludwig Erhard in the now famous last visit to Washington of the ex-Chancellor in 1966. Acting on very bad advice, the President refused to grant any relief to Erhard, who came to Washington hard-pressed by pro-French Gaullists (the old Adenauer faction in West Germany). Had the President given an inch, Erhard would not have been turned out of office upon his return, since his pro U.S. policies could not then have been said to count for nothing in Washington.

But he was offered no compromise, no modification, in the offset agreement, and went back to Bonn empty-handed after having long championed a very pro-American German policy. Now pro Gaullists control events in Bonn and the cost of clumsy U.S. diplomacy in 1966 is becoming embarrassingly evident.

READY FOR TAKE-OFF—Georgia Pearce, 1967 Maid of Cotton, chooses an ideal travel ensemble of plaid cotton suiting for her international fashion and good will tour. The Chester Weinberg design includes a figure-free jacket topping a sleeveless dress with inverted, unpressed pleats. The Maid, who travels with 25 pieces of Skyway's cotton-coated luggage, will visit 35 cities in the United States and Canada before boarding a Pan American clipper jet for Ireland late in May.

WAYNE BRAMLETT seeding grass on his place 10 miles north of Floydada.

Time To Plant Dryland Pasture

Now is the time to plant dryland pastures. This can be done in a dead litter cover or irrigated to a stand. Both methods have proved satisfactory. The seed should be placed in the soil one-half to three-quarters of an inch deep in a FIRM seedbed.

The date of planting extends from Dec. 1 to June 1 for grasses to be grown under dryland conditions. The species best adapted to fine textured soil, such as our Pullman soils, are Caucasian Bluestem, Sideoats Grama, and Green Sprangletop, while the Lovegrasses and Switchgrass are better adapted to a coarser type soil. If you have a slope on your farm which shows erosion damage after a rain, the best use for it might be a permanent pasture. The Soil Conservation Service has personnel which are qualified to assist you with recommendations.

Willson Lectures Start At WTSU

CANYON - Dr. M. Norvel Young, president of Pepperdine College, will be speaker for the annual Willson Lecture Series, which opens Tuesday at West Texas State University.

Dr. Young will speak daily, Tuesday through Friday, at 10 a.m. in the Administration Building auditorium. The series this year marks the 20th anniversary on the WTSU campus, and is one of several sponsored on Southwest college campuses by Mr. and Mrs. J. M. Willson, Sr., of Floydada. Directing the daily programs will be members of the campus Inter-Faith Council, whose president is Pauline Batt, senior from Logan, Okla.

Opening the series, Dr. Young will speak on "The College Student Faces a World in Revolution." Other topics through the week are "Good News for Modern Man," "In Search of a Personal Standard," and "Love or Perish." Formerly minister of the

Broadway Church of Christ in Lubbock, Dr. Young has been president of Pepperdine College since 1957. He holds the B.A. degree from Abilene Christian College, the M.A. from Vanderbilt University, and the Ph.D. from George Peabody College.

He is a member of the advisory boards of Abilene Christian College and Lubbock Christian College. Dr. Young is also a member of the Board of Directors of Ibaraki Christian College Foundation in Japan.

Dr. Young is author of three books and is editor of two church publications. He is founder and editor of a devotional guide, "Power of Today." He has lectured in Germany, the Far East and in Iron Curtain countries. In 1966, Dr. Young attended the World Congress on Evangelism in Berlin. He was voted Abilene Christian College Alumnus of the Year in 1958, and in 1961 and 1963, he received the George Washington Medal of Honor from the Freedoms Foundation of Valley Forge.

REACHES Membership - et Record Level

Walter P. Harp, president of the United Grain Sorghum Producers Association, said his record membership would continue to grow as a step toward strengthening sorghum's income in the market. Harp said the Grain Sorghum Producers Association brought about relief in a December Congress bill to whether the operation membership...

son, both of whom has just returned from Washington from conferences with USDA officials. They pointed out that the problem relates to the fact that grain sorghum county price support loan rates are figured from a price at the Gulf port area with rail freight costs backed off toward the individual county production area. Corn loan rates are figured on a normal market price basis and as a result in principal producing areas run about 12 percent higher than grain sorghum.

SAY IT IN DANISH

A must on many travelers' itineraries is Copenhagen. Here are some phrases compiled by Julia Jansen, a hostess for Lufthansa German Airlines, which may help add more fun to your visit to this fun-loving city: *Undskyld* (ohn-skewl), "Excuse me."; *Mange tak* (Mahng-eh tak), "Many thanks."; *God morgen* (go-MORN), "Good morning."; *Hvordan har De det?* (VOR-den hahr dee de?), "How are you?"; *Tak, god, og De?* (tak, got, aw dee?), "Fine, thanks, and you?"; *Mange tak, Julia!*

The U.S. motto, "In God We Trust," was not officially adopted until July 30, 1956.

SOMETHING NEW FOR TRAVELERS: CARTAGENA!

Looking for a unique vacation at bargain prices? You may find it in the city of Cartagena, Colombia! Of special interest to visitors are the walls surrounding Cartagena's "old city." Built in 1533 as a series of fortresses to guard the city from pirates, the walls are so thick that cars drive on top of them.

The warm, crystal-clear Caribbean waters around Cartagena and nearby Rosario Islands offer the very real possibility of discovering buried treasure scrapped by the Spaniards along with their galleons to save them from pirate marauders. For shopping, swimming, sunning or sightseeing, Cartagena is a traveler's ticket to adventure.

The colonial architecture, with its beautiful monasteries and churches, is more Spanish than Spain. Only a short distance from the "old city," beach and sun lovers will find the resort section—a sun-filled world of luxurious hotels, a gambling casino, restaurants and beaches.

IN DEBT

Know THE Weather

By E. H. Sims

How fast do cold fronts move across the country? Why do they "sneak in" on us, on some occasions, almost without warning? Cold fronts move faster than warm fronts. They usually travel about thirty or thirty-five miles an hour, eastward. The reason this comes in with a bang, and unexpectedly, is that they arrive on the surface before they appear in the skies above. The leading edge of a cold front is found on the surface of the earth, and slants backward—in the direction from which it is coming. Therefore, because the cold front moves fast and is windy, we feel and see its effects suddenly—in comparison with the warm front, which arrives overhead first, moves slower and often brings less turbulence.

Has there ever been a child who has not stained his clothes with chocolate or cocoa? The best remedy for this stain is to wash at once in hot suds. The remaining stains can be treated with a weak solution of household bleach or hydrogen peroxide. Re-launder in hot suds.

Comment On Sports

GOLF * * *
BY PETE FRITCHIE

Washington, D.C.—In looking over the all-time records of the Masters, it's clear that Arnold Palmer is the dominant golfer to have competed in the classic, begun in 1934.

Palmer has won the tournament four times, more than anyone else, and has led play after 18, 36 and 54 holes far more than any other competitor. Next behind him in tourney wins is Sam Snead, Jimmy Demaret and Jack Nicklaus, with three, but Snead is second in having led after first, second and third round play.

Palmer has led on three occasions after the opening round (18 holes), has led six times after two days of play, five times after three days (54 holes) and has won four titles. Snead has led twice after 36 holes, four times after 54 holes and has won three titles.

When play begins April 6th, one of the big questions will be whether Palmer will be the first man to win five times. Another is whether Nicklaus can win and match Palmer's four victories. Nicklaus, of course, has been the hottest golfer in recent years.

The lowest record ever shot

in the Masters was shot by Nicklaus in 1965—271. The next lowest, which was the record Big Jack broke, was Ben Hogan's 274 in 1953. Then comes Arnold Palmer's 276 of 1964. The lowest round ever recorded was a 64 by Lloyd Mangrum, a record tied by Nicklaus in 1965.

The man who has done the 72-hole tourney in sub-par totals more than any other (though he has won but twice) is Ben Hogan, with eight to his credit. And for par or better, it is Ben Hogan (nine times) and Sam Snead (eight) who hold the records.

And looking back over the cumulative scores in all tournaments in which they have competed one sees that Jack Nicklaus has the best average for three successive tournaments (1963-5). Palmer has the best total for four successive tournaments and for five, six, seven, eight, nine, ten, eleven and twelve successive tournaments. Then it is Byron Nelson for thirteen and fourteen successive tournaments and Sam Snead from there to twenty-four successive tournaments.

SOCIAL SECURITY NEWS

Recently a man who was earning \$2400 per year reached age 65 and filed a claim with the Social Security Administration so that he could establish his entitlement to medicare.

He had no intention of retiring because he enjoyed his work and felt he had many good years left.

Consequently, he was surprised when he started receiving social security checks about the middle of the year.

What he did not realize was that he did not lose all of his social security checks because his earnings were over \$1500 per year.

The law provides that one dollar for every two dollars earned between \$1500 and \$2700 is deducted from the total social security payable each year. An additional one dollar for every dollar earned is deducted for any earnings over \$2700.

Thus, the man who earned \$2400 would have only \$450 deducted from the total social security benefits payable to him for the year.

VETERAN'S NEWS

Less than five months remain for thousands of veterans of World War II to use their privileges for a GI loan to purchase a home, farm or for business purposes. This warning came from William J. Driver, head of the Veterans Administration.

Present laws provide that the absolute cutoff date for World War II veterans will be on July 25, 1967. This deadline is the result of Congressional action which has delayed the final date of eligibility several times.

The cutoff will not affect veterans of the Korean Conflict or veterans who have served since January 31, 1955. Driver pointed out, as these veterans are covered by different legislation.

Almost seven million loans have been guaranteed by the Veterans Administration to veterans since the beginning of the program following World War II. One out of every five homes constructed in the United States following World War II was with VA guarantee.

Driver urged veterans planning to purchase a home to make their selection as soon as possible, avoiding the last minute rush for certification.

Q — When is increased pension paid for a veteran's wife?

A — Under laws in effect since July 1, 1960, a veteran is entitled to an additional amount of pension for his wife upon proof of relationship. If estranged, he must be contributing to her support. There is no additional payment for veterans receiving pension under the so-called old pension law in effect prior to July 1, 1960.

Q — Are there any income limitations for parents of a man killed in action in World War II?

A — Yes, there is an income limitation in their case.

Q — My niece, daughter of a veteran who is 100 percent disabled, is attending college under the War Orphans Act. My husband is also a 100 percent totally disabled veteran. But the Veterans Administration says he is not eligible for this educational benefit. I want to know why?

A — Only children of veterans whose 100 percent total disability is service-connected and permanent, are eligible.

Floyd County Fair Expands To High Plains

LOCKNEY — Expansion of the annual Floyd County Fair to include Hale, Briscoe, Swisher all adjoining counties has been announced by the Fair Association's Board of Directors.

Last year the Fair received entries from nearby counties of Moxley and Crosby. Directors, at the first meeting of this year, decided to open the Fair to all interested counties in this area.

Exhibits will be accepted from the entire High Plains to compete for prizes and awards.

Date of the Fair has been set Sept. 21-23. Among events scheduled are a parade, talent show, queen contest, midway shows, livestock show, quarter horse show and varied exhibits.

President of the Board is Boyce (Pete) Mosley; vice president, Keith Patton of Matador; secretary, Mrs. John Powell and treasurer, Deanie Henderson.

Directors have been secured from Matador and others are being named from various surrounding counties.

Fair grounds are located in east Lockney.

Wilmer Bonner Graduates From Navy Basic

(DOT30) SAN DIEGO, CALIF. (FHTNC) — Seaman Recruit Wilmer R. Bonner, 19, USN, son of Mr. and Mrs. J. P. Bonner of 411 E. Lee, Floydada, Tex., has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Two Selected To Head Red Cross Chapter Temporarily

Ned Bradley and Mrs. Clay Henry were selected temporarily as chairman and co-chairman respectively of the Floydada Chapter of American Red Cross at a meeting Thursday afternoon in Light-house Electric. Enthusiasm was high among the group and the majority volunteered to assist Bradley and Mrs. Henry in their duties as the chapter progresses in its goal to reorganize. Hope is, by those attending the meeting, that Bradley and Mrs. Henry will accept their position as permanent ones. They are highly regarded as the best to lead the volunteer group to a working organization.

A number of local study clubs were represented at the meeting and indicated they would be willing to assist in a campaign drive in Floydada.

Dick Strayer, National representative of American Red Cross and Eunice Hicks-Beach, National Field Volunteer of Amarillo will be in Floydada the night of April 4 to meet with the group and other interested persons. A film is to be shown the night of the meeting.

Strayer spoke at the Thursday's meeting and pointed out the extreme necessities of reorganizing the local chapter in order to make it a working one, especially in this time of need to service men's families and in case of a disaster in Floyd County. Red Cross may be known throughout the nation, but being known in the local scene is what counts most.

Red Cross youth programs are also needed in Floyd County, Strayer said. Teenagers serve increasingly in Red Cross disaster operations and in other volunteer programs.

At present Floydada has 11 servicemen in Vietnam that we know of, there are possibly more. Your Red Cross is a vital link to them and veterans and their families, Strayer said. To keep it that way, a

working chapter must be continued in Floyd County, Strayer continued. When the life of a little girl depends on 18 units of blood, 17 won't do, again Red Cross will be ready to help. That's why a handful of people in Floydada are trying desperately to build up their local unit, to help those here who need help.

Again they are urging persons to come to the meeting April 4 to volunteer their services. All club members and members of other social groups are especially invited.

VIET-NAM VIGNETTES 1965-1966

19 Red Cross centers and clubmobile units staffed by young women, all college graduates, provided recreational activities to 475 military units each week in isolated Korea and in strife stricken Vietnam.

Emergency messages were transmitted during 1965-66 to and from Vietnam by the American Red Cross at an average of 1 every 5 minutes to relieve the anxieties of servicemen and their families.

Each month during 1965-66, Red Cross workers served over 18,000 servicemen in the Far East, 8,100 of these servicemen were stationed in Vietnam.

In June 1966, at stations and hospitals, a total of 12,000 servicemen were served by Red Cross in Vietnam.

Case services given by Red Cross workers to servicemen in stations and hospitals in Vietnam jumped from 2,100 in June 1965 to more than 11,800 in June 1966.

The amount of financial assistance provided in loans and grants to servicemen in Vietnam during 1965-66 increased 42% over that provided in 1964-65, while the 1965-66 increase worldwide was only 5%.

Red Cross, upon request of the Department of Defense, provided some 177,000 units of blood that were processed into derivatives for treatment of

ill and injured servicemen in the Vietnam conflict.

"Water Can Be Imported To West Texas"

"Water Can Be Imported to West Texas" is the theme of a water conference that will be held in the Lockney Grade School Cafeteria on Thursday, March 30, 1967 at 7:30 p.m.

The conference is being sponsored by the Lockney Chapter of the Young Farmers, Lockney Chamber of Commerce, Lockney Lions Club and the Lockney Rotary Club. Guest speaker will be Tom McFarland, Manager of the

High Plains Underground Water Conservation District No. 1. McFarland will explain the studies, now being conducted by the Texas Water Development Board, to import surface water to the High Plains of Texas.

Chester Mitchell, District Director of the Water District said, "McFarland has been kept abreast by the Water Development Board on the studies and will outline them to the group at this meeting. McFarland has

also been active in encouraging the board to make the studies for our area. Now that the studies are about complete, we need to discuss what actions or decisions will face us in the next few months."

Mitchell further stated that, "this meeting is open to everyone who is interested in the future and our area. This includes farmers, businessmen, housewives and anyone else who plans to live in West Texas and see it grow and continue to prosper."

Garrett Rites Conducted Here

Funeral rites for James Clinton Garrett, 75 year old longtime Floyd County resident, cowboy and windmill mechanic, were conducted Saturday afternoon in the City Park Church of Christ in Floydada.

Garrett died Thursday in West Texas Hospital in Lubbock of heart failure. He had been in failing health for sometime.

Garrett was a native of Dickens County where he grew up as a cowboy. He moved from Spur to Floydada in 1941 and later became a windmill repairman. He was one of the few remaining ones in this area and did work from Dickens County to Amarillo.

He and the former Maggie

Reece Roberts were married in Portales, N. M., July 13, 1927. She is among survivors.

Other survivors include three daughters, Mrs. Dixie Pullen of Midland, Mrs. Lorine Cummings, Odessa and Mrs. Carlee Pierce of Lubbock; one stepson, Wade L. Roberts of Laurel, Miss.; two sisters, Mrs. Jake Murphree of Las Vegas, N. M., and Mrs. Forrest Martin of Spur; 14 grandchildren and 14 great grandchildren.

George Elkins, minister of the church, officiated for the rites. Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Cigarette Smokers Spent \$493,000 in 1966

(The Hesperian)

WORK - What changes in county residents' smoking habits in 1966? Government ordered manufacturers to put labels on each pack-

cially none, according to statistics on cigarette smoking in the area. The report, which reads: "Cigarette smoking is hazardous to your health and has been almost completely ignored. Many people, however, have never noticed that such a statement on cigarette packages. The release by the Fed-

eral Trade Commission, the Tobacco Tax Council and others indicates how ineffective it has been. They show that cigarette sales in the United States rose 2.9 percent in the past year despite all efforts to induce people to stop smoking.

In Floyd County, most people are smoking more than they did five or ten years ago, the reports show. Estimates place the total amount of cigarettes consumed in the local area in 1966 at 1,432,000 packs.

This was at the rate of 170 packs per capita for the local population over age 18.

By way of comparison, smoking was at the rate of 215 packs per person nationally, based on

the over-18 population, and 176 per person in the West South Central States.

And people are going to smoke more and more, despite all the health warnings, until we take a new approach to the problem, says a University of Michigan professor, Ross J. Wilhelm.

"It is time," he declares, "that the government stop wasting our money and personnel on ineffective measures designed to reduce smoking. "It is time that it use some of the huge amounts of money going into research toward finding out what, if any, are the harmful ingredients in cigarettes and how to remove them effectively, while still retaining the flavor of the cigarettes."

How much does the average Floyd County smoker spend for cigarettes? Approximately \$58 per year, it is estimated.

The total bill for the community as a whole, was close to \$493,000 in 1966.

Martin New Football Coach At Lockney

J. L. Martin, 43-year-old veteran coach, signed a contract last week as head coach of the Lockney school system. Martin and his family plan to move to Lockney in late May or early June.

He currently is serving as head coach at Mabel, Okla.

Martin will succeed Weldon B. (Doc) Mize, who recently asked that his contract not be renewed. The new head coach has compiled a strong 70-32-7 record.

He is a native of Norman, Oklahoma.

Mrs. Martin will teach in the elementary school. The couple has four children: Linda Anne, who will graduate this spring from Idabel High School; Jim Bob, a freshman; Joe David, a fifth grader; and Chuck, a second grader.

The Martins are members of the Baptist Church. Both Martin and his wife teach Sunday School and Training Union classes.

As head coach, Martin is to receive a \$2,000 annual bonus, plus the \$200 teacher bonus.

Experts see doubled nurse shortage by 1970.

GIFFORD-HILL-WESTERN

NEWS FOR HOMEMAKERS

by Sherry Mullin
Floyd County H. D. Agent

If you expect your sewing machine to give you the greatest service and satisfaction, you can't neglect proper care. To guarantee perfect operation, home sewers need to clean, oil, and lubricate their machines periodically.

Refer to the instruction book for specific care information and always for motor care instruction.

After you have completed a garment, remove lint and fluff from the take-up lever, thread guides, tension discs, bobbin case and machine surface with a soft, clean cloth. If necessary, dampen the cloth to clean the machine surface, but don't use a detergent.

Then with a lint brush clean the feed dog and hook or thread-handling areas under the throat and slide plates. After each cleaning apply a drop of sewing machine oil to these areas. For specific oiling, al-

ways sew a few lines of stitching on a scrap to remove excess oil. Every few months, clean the area behind the face plate and oil the top and bottom of the machine in the oil holes.

If the machine is to be stored, clean all exposed parts and areas behind the face plate. Swab these parts with a lint brush saturated in sewing machine oil to protect the machine from rust. Rust damage is more likely to occur when the machine is stored in a closed closet than when the machine is kept open to the air. Keep a small piece of fabric under the pressure foot with the needle down through to protect the foot and feed from damage.

When the pressure foot is down, the pressure spring is released and its life prolonged. Also, excess oil will be carried into the fabric by the needle rather than accumulating on the needle.

Hightower's City Tax Bill Approved

AUSTIN - The Senate Wednesday approved Senator Jack Hightower's permissive tax bill for cities and towns and sent the proposal to Governor John Connally.

The bill, designed to ease the growing financial problems of Texas towns and cities, would authorize municipalities - with

approval of its citizens - to impose a one per cent sales tax. Senator Hightower, of Vernon, pointed out that the sales tax could be levied only with approval of the voters.

The proposal drew wide support from city and state government officials from throughout the state.

In a report on the measure, the Texas Municipal League said that this new source of local revenue would also "slow the transfer of local responsibilities for social and other services to the state, and, particularly, to the federal government."

Senator Hightower said that he was "very pleased" that the bill had been approved.

"Recognizing that the ad valorem tax payer must have some relief from the skyrocketing cost of local government and the ever pressing demands for civic improvements, this sales tax is proposed as a method for broadening the base of city tax support with the hope that it may prove beneficial to those cities that choose to take advantage of it," he said.

Co-sponsor of the Senate bill with Senator Hightower was Senator Joe Christie of El Paso.

SOUTH PLAINS NEWS

We are glad to learn that Mrs. Elster McLeod was able to leave the Lockney Hospital on Friday after an illness of several days.

Mr. and Mrs. Raymond Upton left Saturday for El Paso and a week there with their daughter, Mr. and Mrs. Karl Craig and four children. The Uptons had not yet seen their new grandson and while gone Mrs. Harry Hartman and Mrs. Ursel Taylor will be in charge of the Upton Grocery and Post office.

We offer our sympathy to Mrs. Kendis Julian at the passing of her grandmother, Mrs. C. D. (Kate) Wilson of Roaring Springs, who passed away Thursday afternoon at her home in Roaring Springs, after she had been in delicate health for several weeks. She was 89. Services were held at the First Baptist Church in Roaring Springs on Sunday afternoon at 2 p.m. She was the mother of Mrs. Poyner Roberts of Floydada.

We are glad to learn that Mrs. Garvin Beedy was able to come home Tuesday from the Plainview Hospital and Clinic after major surgery last Thursday. She is doing fine, and is able to be up and visit with friends now.

Around thirty five children took part in the "This is Your Life" GA and Sunbeam program which was given at the Baptist Church last Tuesday afternoon, with Nathan Mulder narrating the skit, which honored Mrs. Roy Burks, and the wonderful years of work which she had given to the church in teaching and sponsoring children of all ages. Mrs. Burks came to our area in 1961, and has worked in all phases of the church and in all departments of WMU work, etc. Mrs. Nathan Mulder wrote the life of Mrs. Burks, and the children helped in the program, after which all were served cookies, cake and punch in the Fellowship Hall of the church. Mrs. Nina Sanders with her juniors and Mrs. Nelda Maurer with her Sunbeams helped in the program. Present with Rev. and Mrs. Conger were all the thirty five children and thirteen ladies of the church, and Nathan Mulder.

Mr. and Mrs. Bruce Julian spent the Easter vacation in San Antonio with Mr. and Mrs. Leonard Magruder, and then went on to Austin where they found a house in which to live. They will move there in June, where Bruce will enter Law School. They returned to WT this Monday.

There will be a showing of the film, "On The Square," Friday, Mar. 31, at 7:30 p.m. at the South Plains school house. The show will be sponsored by the South Plains PTA and everyone is invited to attend. Refreshments will be sold and all proceeds will go to the South Plains PTA. This is a film that all Americans should see.

Mrs. Garvin Beedy wishes to take this opportunity to thank all the people here for the wonderful food, visits, flowers, cards, flowers and most of all their prayers, while she was in the Plainview Hospital last week.

NEW LABEL CLEARANCE FOR DISULFOTON
Disulfoton (Di-Syston), a systemic insecticide, has received a new label clearance for cotton seed treatment from the Pesticides Regulation Branch, U.S. Department of Agriculture.

John G. Thomas, Texas A & M University Extension entomologist, said the prior label clearance permitted a maximum rate of 4 ounces per 100 pounds of cotton seed.

Thomas said the new label clearance would provide for cotton seed treatment at the rate of 8 ounces per 100 pounds of delinted cotton seed, an increase of 4 ounces of insecticide. At the old rate, the length of the control period was not satisfactory.

A systemic insecticide is a chemical that is applied to any part of the plant and is translocated throughout the plant in sufficient quantities to result in an insect kill.

The entomologist said pre-treated planting seed can be purchased or the grower can have his own seed custom treated.

Di-syston custom treatment is available at Pecos, Brownsville, Lubbock, Wall, Stamford, Farlie, Hillsboro, Lamesa, Rockwell, Ralls, Morton, Seagraves, Shallowater, Plainview and Tahoka.

Costs of disulfoton at the 8 ounce rate is 3 1/2 cents per pound of planting seed, Thomas said.

Although Di-Syston seed treatment is a new clearance, Phorate may also be used for pre-treating seed, the entomologist added. Di-Syston and Phorate can be applied in gran-

ular form in-furrow at planting time. The application rate should be 5 to 10 pounds per acre of the 10 percent granular form.

Last year Kenneth Willis in the Baker community and Jim Simpson in the McCoy community planted some Di-Syston treated seed as a demonstration. Part of the seed were treated with 4 oz. and part were treated with 8 oz. They were planted next to some untreated seed. Due to lack of insect activity during the early growing season the demonstration could not be evaluated fully.

High quality cotton seed properly treated with a protective fungicide will get the cotton producer off to a head start this year.

In addition, the application of in-furrow soil fungicides at planting time will boost production.

Fungicides which provide adequate seed protection include Ceresan M or L, Panogen 15 and Thiram. Research has found that no significant benefits are merited by overcoating with PCNB or Demosan during times when no severe disease problem exists.

Protective fungicides perform the following functions:

1. Promote better seed germination.
2. Reduce seed decay, which results in better emergence and improved stands.
3. Insure an adequate stand at first planting, thus providing an earlier stand and earlier maturity.
4. Conserve soil moisture by eliminating replanting.
5. Eliminate cost of replanting.

In-furrow soil fungicides applied at planting time protect the seedling from soil-borne organisms which may attack the young plant either before or after it emerges from the soil. Furthermore, these fungicides control pre- and post-emergence damping-off and root rot and help maintain a uniform stand.

Among these soil fungicides providing effective protection are Lanston plus PCNB, Terraclor plus Super X, Demosan and Pantera.

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

Spring is here and it is quite noticeable - the lawns are turning green, fruit trees are blossoming out, and the kites are flying which is as sure a sign of spring as any.

There are hazards involved in as innocent a sport as this and we encourage you to caution the boys and girls to these dangers.

Robert H. Harridge, district superintendent of Commonwealth Edison Company, says youngsters will stay safer with these guidelines:

1. Use only ordinary kite string; never use wire or metallic cord as a substitute.
2. Never attach metal or tinseel to any part of the kite.
3. Fly kites in open areas where traffic is light and trees and utility lines can be avoided.
4. Never fly a kite during a storm or when the string is wet.
5. Abandon your kite rather than risk injury by climbing a pole or entering a hazardous area to retrieve it.

Bill Poole of the Dougherty community has an electronic range in his home, the first to be installed in Lighthouse's service area.

It is amazing to see steak taken from the freezer, placed directly in the oven and ready for the table in 7 minutes; or to pop corn in a paper bag in 2-3 minutes; or bake brownies in a cardboard box in 3 minutes.

Another advantage besides the speed of cooking is the ease in cleaning. Since there is no heat in the oven other than in the food itself, grease does not bake on and the job of cleaning amounts to only a quick wipe of the walls of the oven with a paper towel. The food being cooked, such as bacon, can be covered with a paper towel to almost eliminate splatters.

Microwave cooking is something that we can look forward to as more and more manufacturers are producing the electronic range for home use. These ranges have been used commercially in restaurants, etc. for several years, but only recently have they become feasible for home use.

There are five companies that have these ranges for the home on the market at the present time and two more will have before this year is over. One will be priced at around \$400.00 which is about 1/4 the cost of several years ago when they first came out.

Annual Meeting time is very near - April 8, and we hope that each and every Lighthouse member is making plans to be there. Your planning committee has had several sessions and have prepared a program that should be of interest to each of you. Talent from throughout the area will entertain you throughout the day and Walter Jetton will have another good barbecue lunch for you, so make arrangements that you can be with us on April 8 for your Annual Meeting.

Our range promotion will

continue throughout the next two months, so buy that new range now and receive an Admiral AM-FM Clock radio from your cooperative.

Many of us will be making salads soon with fresh vegetables from our gardens. Following are some dressings that you can whip up in a jiffy in your blender for these salads.

- BLENDER MAYONNAISE**
- 2 eggs
 - 1 1/2 teaspoons salt
 - 1 1/4 teaspoons dry mustard
 - 1/2 teaspoon paprika
 - 2 tablespoons vinegar
 - 2 tablespoons lemon juice
 - 2 cups salad oil

Put the eggs and seasonings into the blender. Turn on and mix thoroughly. Stop and with a rubber spatula, push the ingredients that may be on the sides of the container into the eggs. Add the lemon juice and start processing. Remove cover and very slowly pour in half of the salad oil. Add the vinegar and the rest of the oil gradually. (Makes about 2 1/2 cups)

- THOUSAND ISLAND DRESSING**
- 1 cup mayonnaise
 - 1/4 cup chili sauce
 - 1 teaspoon Worcestershire sauce
 - 1/2 clove garlic
 - 8 stuffed olives
 - 1 3" dill pickle, cut in 1" pieces
 - 1 1" square green pepper
 - 2 teaspoons cut chives
 - 2 hard-cooked eggs, quartered

Put mayonnaise, chili sauce, Worcestershire and garlic in to blender, cover and blend at low speed. Remove inner lid and gradually add remaining ingredients, process only until coarsely chopped.

CENTER NEWS by Mrs. J. E. Green

CENTER, Mar. 27 - Easter Sunday was a beautiful, warm day in spite of being so early this year. Quite a few of our circle were out of town and others had company. A nice long weekend.

This is revival season. A good revival was held at the Methodist Church last week. And preparation is being made for a revival at First Baptist next week.

Mrs. J. D. Welborn and Donna (Mrs. Clarmon Booth) visited Mrs. Leo Frizzell Friday afternoon.

Sunday dinner guests at the Frizzells were their daughter and family, the Garvin Beedys of South Plains. Jane is convalescing nicely after major surgery several days ago in a Plainview hospital.

Victor Green and boys of Plainview, Jimmy and Steve, visited awhile in the Frizzell home Sunday afternoon.

Today, Monday, the Frizzells are in Lubbock visiting Don Bryant of Olton, who is in Methodist Hospital, Bryant, a brother-in-law of Frizzell's, was badly injured in a fall from a tree several days ago.

Mrs. C. W. Denison visited in the D. W. Burke home Tuesday afternoon. Also visiting the Burkes were Mrs. Bernice McCada and her mother, Mrs. H. B. Mankins of Tucumcari, N.M. Mrs. Mankins and Mrs. McCada also visited awhile with the R. C. Rosses Tuesday. Others visiting the Rosses Tuesday were their daughters, Mrs. Maxine Ragsdale of Baileyboro and Mrs. Norma Robinson and family of Denver, Colo., the Rob Robinsons. All these Centerites, present and past, had a good visit together.

The Ernest Huckabees of Stephenville arrived late Friday night at the home of her parents, the O. C. Vinsons, for the Easter weekend. They were accompanied by a girl friend of Judy's, Kathie Boucher. Other Sunday dinner guests were the Jerrold Vinsons of Harmony. Mrs. Vinson visited at the Greens briefly, and at the R. R. Wallers Thursday afternoon.

The Greens visited Mrs. Mankins and Mrs. McCada Wednesday morning in the Burke home where they were house guests of Mrs. Mankins' brother and wife.

Mrs. Alvie Jackson, Mrs. R. H. Ashton, Mrs. Green and Mrs. Cecil Pope attended the bridal shower last Thursday p.m. honoring their new neighbors, Mrs. Brenda Attebury (Brenda and Paul) and their mothers, Mrs. Whitley and Mrs. Dickie Attebury also among the group. The bountiful shower of beautiful gifts was held in the fellowship hall of the First Baptist Church. Congratulations.

Mr. and Mrs. Zolan Melton of Coleman visited awhile Saturday afternoon with the J. E. Greens. They were on their way to Muleshoe to spend Easter with her sister and husband, Mr. and Mrs. Grady Edelman. (More former Centerites - the ladies.)

Sue Thomas of Lubbock spent the weekend in Floydada visiting her parents, Mr. and Mrs. Hal Thomas. Sunday afternoon visitors in

the Thomas home were Mr. and Mrs. Olin Miller of Plainview, Mr. and Mrs. Bill Thomas and Mrs. Maud Brister of Lockney and Albert Thomas of Post.

Mr. and Mrs. Victor Green and boys, Jimmy and Steve, of Plainview visited Sunday afternoon with Vic's parents, the J. E. Greens.

Mrs. Charles Horton of Alvin and son, Bruce of the U.S. Navy, who visited here for a week with her parents, Mr. and Mrs. Walter Sims, left Thursday for home. A phone call from them today states they arrived OK and all are well.

Mr. and Mrs. Dale Miller visited the Walter Sims Sunday afternoon.

Today is the Greens' 46th wedding anniversary.

CALVARY NEWS
Bro. Butler of Roaring Springs filled the Calvary Baptist pulpit both services Sunday. He and his wife were dinner guests of Mr. and Mrs. R. M. Cannon. After church Sunday evening in called conference Bro. Butler was elected pastor. If accepted, details will be worked out later.

Mrs. Ora Clemmons of Lorenzo spent Sunday night and Mr. and Mrs. H. B. Chastain Jr. had supper with Mr. and Mrs. Elbert Parks.

Mrs. Thelma Jones visited Mrs. Parks this Monday morning.

Mr. and Mrs. Stephen Lincoln of Cainsville, Mo. visited Miss Alma Ruth Nelson and other local relatives in this area last Tuesday and Wednesday. The Lincolns and Nelsons are cousins.

Miss Nelson and the Carl Nelsons all attended the piano recital of Mrs. Fay Hart's pupils at Lakeview School House Wednesday evening. It was a beautiful program in which Carla participated.

Mr. and Mrs. P. F. Threadgill and Maurice dined with Miss Nelson Friday.

DOUGHERTY NEWS

DOUGHERTY, Mar. 27-Mrs. P. L. Hart is announcing the presentation of her piano pupils in a recital at the Dougherty School auditorium at 8 p.m. Thursday, Mar. 30. The public is cordially invited to attend.

Pupils to be presented at this recital are Julie Jones, daughter of Mr. and Mrs. Wayland Jones; Vanda Carthel, daughter of Mr. and Mrs. Ray Gene Carthel; Holly Robertson, daughter of Mr. and Mrs. Kenneth Robertson; Dean and Sara Eastham, sons of Mr. and Mrs. Henry Hinton; Jody and Sara Eastham, daughters of Mr. and Mrs. Carmel Eastham; Linda Norman, daughter of Mr. and Mrs. Weims Norman; Brenda and Brian Vickers, children of Mr. and Mrs. Bob Vickers; and Erma Costello, daughter of Mr. and Mrs. Rodriguez Costello.

The room mothers of the local school sponsored an egg hunt for the pupils Thursday afternoon and served refreshments.

Mrs. New was absent from school several days last week because of illness and Mrs. Wayland Jones substituted for her. Mrs. New's daughter of Pampa came and Mrs. New returned home with her.

Many of our citizens took advantage of the Easter holidays to make trips or to entertain relatives.

Mr. and Mrs. Ray Gene Carthel and family and Mr. and Mrs. Rob Hefflin and children visited points of interest at Austin and San Antonio, including a tour of the Wonder Caves, the state capitol, Breckenridge Park and the sunken gardens.

Mr. and Mrs. Wayne Rainwater and sons and Mr. and Mrs. Alfred Rainwater and children of Lorenzo visited the Carlsbad Caverns and returned to Lubbock for the evening performance of the ABC rodeo Saturday.

Mr. and Mrs. Lon Emert, Judy and Weldon visited Ruidoso, Carlsbad and other points of interest in New Mexico.

Mr. and Mrs. Elmer Watson visited relatives at Ft. Worth.

Mr. and Mrs. Carmel Eastham and children visited his parents in Temple.

Mr. and Mrs. Robert Ward, Rhonda and Randy visited relatives in Prague, Okla.

Film Will Be Shown Friday At South Plains

There will be a showing of the film "On The Square" Friday night, March 31, at 7:30 in the South Plains school house. The show will be sponsored by the South Plains PTA and everyone is invited to attend.

Refreshments will be sold and proceeds will go to South Plains PTA.

This is a film that everyone should see.

Mr. and Mrs. Kenneth Robertson, Hope and Holly visited his parents in Pasadena, Tex.

Thirty-five area police officers have been attending the two-week Floydada Police Academy here for the past eight days. Police Chief Darrell F. Holmes, Jr. said men from the local, Lubbock, Slaton, Plainview, Idalou, Lubbock County, Lockney, Texas State Game Department, Texas Department of Public Safety, New Mexico State Police and Amarillo District Attorney's office have participated in the program.

Chief Holmes said the officers have been given accelerated but extensive instruction in judo, arrest techniques, public relations, criminal law, criminal investigation, police intelligence, evidence, courtroom procedure and traffic enforcement. Visiting officers and locals have also been put through the paces in police radio procedure, communication techniques, report writing, driving safety, homicide investigation, narcotics, accident investigation, first aid and elements of police science. Police have two more days of training which will include more judo, more narcotics, review of the new Texas criminal code, police intelligence, riot control, search and seizure law and liquor law violations.

In addition to local instruction by Police Chief Holmes, the officers have had instruction from Amarillo District Attorney Gene Compton, one of his assistants, John William Broadfoot, a law school classmate of Chief Holmes; Officer Frank Keller, chief radio communications technician at the Lubbock Police Department; and Detective Sgt. Jerry Austin, Plainview.

Also Lt. James Mason, Texas Dept. of Public Safety; Agent Kenneth Decker, Texas Narcotic Division; Agent Soto, Sergeant in charge, New Mexico State Police Narcotic Bureau; Agent Dub Cowen, Texas Dept. Public Safety Criminal Intelligence Division Asst. Director; C. F. Barter, International Association of Chiefs of Police; Claude Holmes, Texas Liquor Control Board; Deputy Sheriff Travis Clements of Lubbock, and Chief Wallace Bradley, Idalou.

Floydada's District Attorney John Stapleton will review the new Texas Criminal Code today.

A sham murder case was put on at the academy Monday during the homicide investigation course taught by Chief Holmes. Chief Holmes was a member of the pilot class of homicide investigation at the University of Denver law school, a summer long course in murder investigation taught law students in 1963.

The course was taught four hours a day for three months by pathologists, nationally famous detectives and law professors for three months for law school credit. The chief was a practical police department homicide investigator several years in addition to that and other homicide training.

In the mock situation held at the American Legion Hall here part of the class acted as detectives, part as patrolmen, part as witnesses and persons who wandered on the scene giving police trouble.

Don Empfield and Bud Rainey were murder victims. Class members took actual fingerprints, crime-scene photography, made crime scene sketches and took plaster of paris footcasts to actually solve the mock crime and arrest two guilty parties from seven suspects.

They got the right people.

Certificates of completion will be awarded those completing the course. They already have earned first aid standard certificates during this school. Graduation is Friday night at 10 p.m.

Another mock accident situation was enacted by participants Tuesday.

Wednesday, state police from Santa Fe, New Mexico flew here for the narcotics school.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Mar. 27 - We had a lovely Easter weekend and the rains of the past week were sure nice. Some out Fairview way received more than an inch during the week. Farmers are getting things ready to start to work in the fields preparing their land for spring planting later on.

Easter Sunday dinner guests of Mr. and Mrs. Ruy Irwin were Mr. and Mrs. Carl Nelson and Carla and Mr. and Mrs. Alden Carthel, all of Floydada. Mr. and Mrs. Bill Burgett of Shallowater spent the afternoon with the above group.

Mrs. C. W. Payne left Friday morning early for Austin with 5 other nurses from Lockney General Hospital, where they took the State board examination Saturday. They returned home Sunday.

Mrs. Harvey Nicholas and children Kelli and Lance of Oklahoma, arrived Sunday night to spend a week here with her parents, Mr. and Mrs. C. W. Payne.

Mr. and Mrs. Jim Mallard and children of Lubbock came up Friday to spend the Easter holidays here with her parents, Mr. and Mrs. Walter Wilson. Others there Easter Sunday for the day were Mr. and Mrs. Leonard Wilson and Brenda of Canyon and Mr. and Mrs. Harvey Allen and sons of Floydada.

Mr. and Mrs. Dean Walls and family of Ft. Worth came Thursday night to stay until Saturday here with his parents, Mr. and Mrs. E. W. Walls. Saturday they went to Plainview to stay over Sunday with her parents, Mr. and Mrs. R. C. Mangum.

Mr. and Mrs. Doyle Walls and Brenda also visited in the E. W. Walls home while the Dean Walls were here.

Our hearts were made sad early Friday morning when we received a phone call telling us about the passing of our good friend and former next door neighbor, Jim Garrett, who passed away Thursday night at West Texas Hospital in Lubbock. Our sympathy is with the family in this time of sorrow.

Mrs. Alan Watts visited Sunday morning with Mr. and Mrs. Eugene Watts.

Mr. and Mrs. Cecil Payne visited Mr. and Mrs. C. W. Payne Thursday night.

Brenda Jackson spent Friday afternoon with her aunt, Mrs. Cecil Payne.

Easter Sunday dinner guests in the home of Mr. and Mrs. A. S. Mize were their sons and their families, Mr. and Mrs. Stove Mize and children and Mr. and Mrs. George Mize and children, all of Floydada. In the afternoon Mrs. Vance Gilbreath and Mrs. Henry Ford,

cousins of Mrs. Mize from Matador came for a visit. The children all enjoyed an egg hunt in the afternoon.

Bill Malkey of Paducah, son-in-law of Mrs. Ella Lawhon, came up Tuesday and took her home with him, where she stayed until Sunday when Mrs. C. H. Wise and son Denton, went for her and brought her home. Mrs. Lawhon went to a doctor for treatment while in Paducah.

Mr. and Mrs. Jim Mallard and children of Lubbock visited Monday morning with her grandmother, Mrs. W. B. Wilson.

Sharon Burton arrived home Thursday from Denton to spend the Easter holidays with her parents, Mr. and Mrs. Lee Burton. Sharon will have to be back in college Tuesday so will leave today (Monday) for Denton.

Mrs. Clyde Bagwell and Mrs. C. L. Joiner visited last Monday afternoon with Mrs. C. H. Wise and Mrs. Ella Lawhon.

Tuesday afternoon Mrs. Doyle Sandefur of Center visited Mrs. Wise and Mrs. Lawhon.

Visitors Easter Sunday in the home of Mr. and Mrs. Cecil Payne and C. J. were Mr. and Mrs. Gene Payne and family of Miles and Mr. and Mrs. Winfred Payne and family of Floydada.

Mrs. N. O. Wright visited Mrs. Cecil Payne Wednesday afternoon.

Mrs. A. S. Mize visited Saturday afternoon with Mrs. Esley Yeary.

Mrs. Jewell Teague enjoyed Easter Sunday dinner with her sister and brother-in-law, Mr. and Mrs. Lindsey Graham.

Mr. and Mrs. Bill Tye and Jim went to Plainview Saturday night where they enjoyed supper and a visit with Mr. and Mrs. M. O. Stapleton.

Easter Sunday dinner guests in the home of Mr. and Mrs. Bill Tye and Jim were Mr. and Mrs. Weldon Pruitt and children, Mrs. W. B. Wilson and Mrs. M. O. Stapleton, the latter of Plainview.

Mr. and Mrs. Cecil Queen of Levelland and Mr. and Mrs. Eugene Watts spent Easter Sunday in Lubbock.

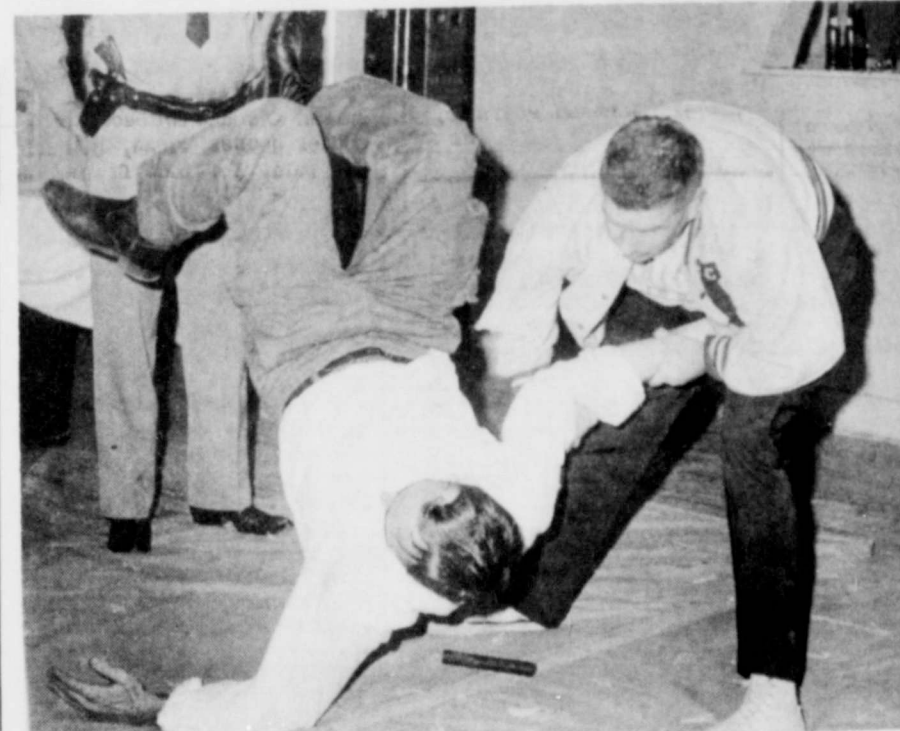

Mr. and Mrs. T. L. Perry and Mr. and Mrs. Eugene Watts were among those at Mrs. J. T. Perry's Sunday where they enjoyed a birthday dinner in honor of Mrs. J. T. Perry.

Mrs. Kate Crabtree spent from Thursday until Saturday in Lubbock with her sister, Mrs. Stella Crabtree.

Easter Sunday dinner guests of Mrs. Kate Crabtree were Mr. and Mrs. Kay Crabtree, Becky and Sammy, and Mrs. Tom Jerigan.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Mar. 27 - Spring came into South Plains Tuesday with beautiful weather, and Easter morning dawned bright and clear. Many have been gone for Easter vacations as school children were out for a long weekend holiday. Several families were visiting in the area, and everybody went somewhere, we hope, for the glorious Easter Services.

Revival services closed at the Baptist Church Sunday night with evangelist, Rev. Charles Conger, and singer Bob Storrs, from Wayland College. Good crowds attended all week, and several decisions were made. Sunday visitors included Mr. and Mrs. Bill Beedy of Claude, Bill Bledsoe from Dallas, Mr. and Mrs. Arlis Powell and children, of Floydada, Mr. and Mrs. Terry Julian and children from Roscoe, Mr. and Mrs. Joe Taylor of Lockney, Mrs. Pearl Davis of Long View, James Norrell of Floydada, and Mr. and Mrs. Bud Edwards of Floydada.

Sunday night at the Baptist Church a surprise Fellowship hour was enjoyed by members of the church body, as they met to honor Mr. and Mrs. Roy Buels, who will soon be leaving to make their home in Dallas. They will be sorely missed in the church and in all the community. Cakes, punch, cookies and coffee was served to everyone, and a gift of "Leaves of Gold" was presented to Mr. and Mrs. Burks.

Rev. and Mrs. Charles Conger and boys, Bentley and Brent are going to Mayfield Community near Halfway this Monday afternoon to share a birthday supper with Mrs. Conger's sister, Mrs. David Cannon and her family.

Among those who served noonday lunches and dinners to the Rev. and Mrs. Charles Conger during the past week of revival services were Messrs. and Mmes. Grigsby Milton, Sterling Cummings, Sylvan Kinnibrugh, Harold Hamm, and Sunday the J. P. Taylors entertained the minister's family, and Mr. and Mrs. Joe Taylor and children from Lockney. The Fred Fortenberrys brought lunch to the parsonage on Friday, and others brought dishes during the week.

Weekend guests with Mr. and Mrs. Murray Julian were Mr. and Mrs. Terry Julian, Dee and Dickie of Roscoe. Then this Monday Mr. and Mrs. Bruce Julian of WT at Canyon spent the day with them and the Kendis Julians. Bill Bledsoe also visited with the Bruce Julians this Monday.

Mr. and Mrs. L. N. Johnson, Denese and Deneen, Shari and Carlton and Mrs. Bryant Higginbotham spent the Easter weekend in Weatherford with Rev. and Mrs. Sealy Smith and children, and enjoyed church at the Oak Ridge Baptist Church on Sunday. They were home this Monday.

Mr. and Mrs. Sylvan Kinnibrugh and Beth spent the Easter Saturday and Sunday in Vera and Turcott with the J. A. Kinnibrughs, and with Mrs. J. R. Spivey. Mr. and Mrs. Teddy Horne of Lubbock also were there, and Mrs. John Kinnibrugh and children from here visited her parents and the J. A. Kinnibrughs.

Children of Mr. and Mrs. Grigsby Milton, Mr. and Mrs. Bud Edwards and Mr. and Mrs. Arlis Powell and children of Floydada were Easter Sunday guests at the Milton home, and attended church with them.

Mr. and Mrs. G. E. Trimble have word from their son, Joe Trimble, who has been at Lackland Air Force Base, now is to be based at the Amarillo Air Force Base, and will be stationed there for the time being. He is to leave Lackland on March 30, having finished basic there. His parents are glad to have him stationed this close to home.

Bill Bledsoe left this Monday noon for Dallas where he attends Baylor College School of Dentistry, after he had spent the Easter holidays here in South Plains with his parents, Mr. and Mrs. Bill Bledsoe. Rev. and Mrs. Junior Calahan and family from Abilene attended Baptist Church services here Friday night, and were supper guests with Mr. and Mrs. Sylvan Kinnibrugh. Beth, their eldest daughter, was an overnight houseguest with Beth Kinnibrugh Thursday night.

Mr. and Mrs. Lee Pearson are at Truth or Consequences, N. M. at their cabin, and are enjoying a vacation of three weeks with friends at the resort.

Mr. and Mrs. Harry Hartman had some of their children home with them for Easter, including Mr. and Mrs. Bob Hartman and children of Lubbock and Mr. and Mrs. Charles Hartman of Amarillo and their three children.

Mrs. Walter Wood and L. T. Wood went to Lovington, N. M. on Monday where they attended the funeral of Mrs. Wood's niece's husband, Hammell Carroll, of Lovington, 50, who had been ill the past several months. The funeral services were held at the First Baptist Church in Lovington.

The Lone Star Home Demon-

stration Club held their regular meeting at the home of Mrs. Harold Hamm in South Plains Tuesday afternoon, Mar. 21, at 2 p.m., with Miss Sherry Mullins, Floyd County Home Demonstration Agent presenting the program on "Psychological and Sociological Importance of Clothing." Sandwich-

es, wafer cake with whipped cream, punch and coffee were served by the hostess. Present were Mmes. Clay Mercer, C. L. King, E. O. Barrett, Bailey Henderson, James Cooper, Bassem Baxter, Raymond Teeple, Weldon Graves, Melvin Brock, Albert King, Reed Lawson, James Cooper, W. A. Stewart,

Jewel Rexrode, all from Lone Star and visitors Mrs. Bryant Higginbotham, and Miss Sherry Mullins.

Mr. and Mrs. Early Pritchett and Stevie left Thursday for the Easter weekend at Dallas where they visited with Early's sister, Mr. and Mrs. L. D. Reid, who have recently purchased a new home. The Pritchetts helped them get settled in the beautiful new place.

Mr. and Mrs. Frank McClure who have been away for two weeks down at Grand Prairie,

were visiting her ill sister at Lake Whitney last week. Mrs. Eddie Branch was very ill in the hospital, but is able to be home now. They went to see Rev. and Mrs. Sealy Smith and family while there, and also visited George Weast who is at Mineral Wells.

Our community was terribly upset last Thursday morning when the three children of Mr. and Mrs. Kendall Cummings were all hurt at the Lockney cut-off in a near collision with another vehicle. They all had

on seat belts, which kept them from being thrown out of the car, as the car veered from the road and overturned several times. K., Kelvin and Zacha were all taken to the Lockney Hospital where K. and Kelvin had lesser degree hurts and lacerations than Zacha, who was later taken to Methodist Hospital in Lubbock where she was found to have a broken leg. We are all so very thankful the children were hurt no worse than they were, and this Monday they are all doing very well,

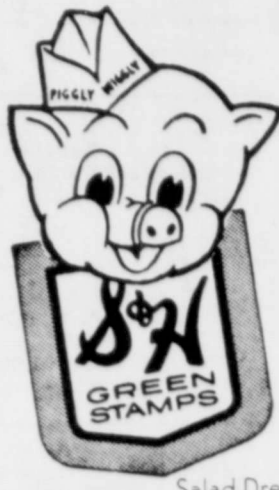

with K. and Kelvin at home, and Zacha still in the hospital, but in good condition.

Katie Taylor went to Graham last Thursday with her aunt, Mrs. Wayne Pigg and family of Lone Star, where they fished until Easter Sunday at Possum Kingdom Dam. Rise Taylor of Lockney is staying this week with her grandparents, Mr. and Mrs. J. P. Taylor.

Mrs. N. C. McCain, mother of Mrs. Fred Fortenberry, was in the Lockney Hospital several days of last week but is getting

along fine at the hospital. We are all sorry the fire which destroyed the Fieldan Motel on Monday morning. The fire destroyed the lighting fixtures, and the electric lights, and the furniture. Mr. and Mrs. Smitherman and family are here. We are glad to hear that they are all well.

Judy Whitfill after spending the Easter here with her Mr. and Mrs.
