The Mackenzie Water Authority board members are inviting the city councils of Tulla, Silverton, Lockney and Floydada to a very important meeting here Friday night.

The meeting, which concerns the engineer's report on the proposed dam near Silverton will be in the Lighthouse Electric Community room at 7:30.

A preliminary meeting with the engineers last Wednesday night at Silverton outlined the physical details, mapping and projection of entire construction program to the Mackenzie board.

Floydada's Lon Davis is president of the authority and when a Hesperian reporter interviewed him this week, Davis said that it looked like the project might cost the four cities slightly under eight million dollars.

Davis said that since the White River dam project had cost a little over four million, the board had anticipated an estimate of five or six million dollars on the Mackenzie project. He said they were all surprised at the higher cost estimate.

Davis said the meeting Friday night would consider a combination of Revenue and property tax bonds to finance the project... and he said that he anticipated the bond vote would come before the residents of the four cities within five or six months.

The Mackenzie Water Authority Board was created over two years ago and the board, engineers, bonding companies as well as the city councils of the four cities have spent countless hours on the project.

The Floydada Baseball Association is encouraging all boys desiring to play baseball this season to register either Tuesday, April 11th or Friday, April 14th. Registration will begin at 6:30 p.m. both nights in the community room of The First National Bank.

Each boy must be accompanied by one of his parents or his guardian so they can sign the registration slip. Registration fee is \$3.00 per boy and MUST be paid when each player signs up. This fee is to help pay for insurance and caps for the players.

A player will be assigned to one of the following leagues according to his age.

T-Shirt, ages 8-9; Freshman, ages 10-12; Junior, ages 13-15; Senior, ages 16-18.

Players age will be set as of July 31, 1967. Example: If a boy is 8 years old before August 1, 1967 he may sign up for the T-Shirt League.

It has been announced that this year TWO (2) Senior League teams will be sponsored. All boys ages 16, 17 & 18 who are interested in playing ball are encouraged to sign up. Player try outs will be announced later.

Lighthouse Annual Meeting Saturday

The 28th Annual Membership Meeting of Lighthouse Electric Cooperative, Inc., will be held Saturday, April 8, in the Floydada High School Auditorium. Registration will begin at 9:30 and the meeting will be called to order at 10:30 a.m.

Local talent enlisted from throughout the Cooperative's seven county service area will perform during the day. Door prizes will be awarded at various intervals throughout the meeting, and a free barbecue lunch will be served at noon by Walter Jetton.

Main speaker for the 1967 Annual Meeting is Johnnie Ammons, Manager of Midwest Electric Cooperative, Roby, Texas. Ammons will speak on his experiences of establishing electric cooperatives in South Vietnam. He spent six months in that country on special assignment with the Agency for International Development, studying feasibility, meeting the people, and estab-

lishing a rural electric cooperative, patterned after the United States rural electrification program.

Other meeting highlights will be the election of 3 directors, and the annual report of operations during the year 1966.

The Annual Meeting of Lighthouse Electric is planned each year by members of the cooperative, who meet regularly to select entertainment, door prizes and the program. This year's committee consists of Mr. and Mrs. Steve Trowbridge, Harmony Community, Floyd County; Mr. and Mrs. Weldon Fletcher of the Wake Community, Crosby County; Mr. and Mrs. Glenn Curtis, Hale County, and Mr. and Mrs. Waldon Hammond, Mr. and Mrs. D. M. Cogdell, Mr. and Mrs. Melvin Lloyd, all of Floyd County. The Committee represents each director's district and is selected by the board of directors.

City Election Vote Light

Floydada's Mayor Leonard Matsler was re-elected without opposition Tuesday in the city election, receiving 134 of the 138 votes cast.

Louis Anderson with 132 votes and J. B. Smitherman with 127 were named to new terms on the City Council. Neither man was opposed. Eldon Howard, manager of Floydada Drug, received nine write-in votes. Former mayor S. W. Ross received one write-in vote.

LOCKNEY
Lockney voters turned out in record number to re-elect Mayor Claude Brown and two city councilmen, Thurman Davis and Lester Carter. Mayor Brown, Lockney merchant, swept to a victory of 468 votes over 194 received by retired former mayor O. C. Bail-

Record Number Voters Elect Gregory Pyle For School Board

Howard Gregory and Louis Pyle were elected to serve three year terms on the Floydada school board Saturday when a record number of 900 voters turned out.

Gregory has served two terms on the board and was seeking re-election. Pyle was the first to file for the office. Both are farmers and neighbors who live on the Ralls highway.

Another neighbor, Jay S. Hale, Jr. was in third place when the vote was counted. The number of votes each of the six contestants received in the election are as follows: Louis Pyle 387; Howard Gregory 289; Jay S. Hale Jr. 277; Ray Gene Ferguson 275;

Claude Weathersbee 268 and Manuel Hernandez 69. Lawrence Davis, who served on the board eight years, did not seek re-election.

LOCKNEY
At Lockney, 378 votes were cast to elect Thomas Marr with 211 ballots and Royce Latimer, 178. Defeated were incumbent

Charlie Boedeker with 156 votes; Joe Cunyus, 161, W. J. Lee, 115, and Bill Wisdom, 36.

COUNTY
In the county and common school district boards all incumbents were re-elected except at South Plains. One new board member was elected there, Harold Hamm.

Floyd County Spelling Bee Monday

The 1967 Floyd County Spelling Bee is next Monday, April 10 at 7:30 p.m. in the District Court room in Floydada. The general public is cordially invited to attend the spell down during which time a winner will be named from the senior division contestants to represent Floyd County in the

district contest in Lubbock April 29.

Miss Edwina Schneider will be word pronouncer and judges will include Mrs. J. W. Reue, Floydada; Mrs. Marvin Gilbert, Lockney; and C. T. Jordan, Lakeview.

Spellers will include two groups, juniors of the 5th and 6th grades and seniors from the 7th and 8th grades.

Hale And Jones Re-Elected To Hospital Board

Walton Hale and Travis Jones were re-elected to serve another two year term each on the Caprock District Hospital board, in the election Saturday. Hale received 381 votes and Jones received 380 votes.

Young Farmers Meet Tonight

Floydada Young Farmers will meet Thursday, April 6, in the high school agriculture room at 7:30 p.m. Jack McIntosh will present the program on the experimental IBM farm records he is keeping for Texas A&M.

It's National Chamber Of Commerce Week

Mayor Leonard Matsler today gave official recognition to the week of April 2-9 when he

proclaimed it "Chamber of Commerce Week" and urged all Floydada residents to accept the responsibility of learning more about their local Cham-

ber of Commerce - its purpose, accomplishments and goals for the future.

Governor John Connally signed a similar proclamation earlier in which he urged residents throughout the state to join in paying public tribute to the organizations that have

made our city, state, and country a better place in which to work and live.

Individual memberships will also be solicited.

Mayor Matsler's proclamation is as follows:

Membership Drive To Follow National Chamber Of Commerce Week

According to a report from John Reue, Floydada chamber of commerce manager, the membership committee of the chamber will open a membership drive next week. This is National Chamber of Commerce week and Bill

Brown, local chamber vice-president will lead the membership drive which seeks to make every business firm in the city of Floydada a member of the local chamber. Individual memberships will also be solicited.

Eighty-one Enter Police Chief's Essay Contest

Eighty-one Floydada grade school children have already turned in lists of "Five Things I Would For Floydada Children If I Were A Policeman." These entries came from the Andrews Ward School and through the mails in the contest being sponsored by the Floydada Police Department. Entries from the Della Plains School are expected this week. The child that turns in the list judged the best will become

Cancer Fund Kickoff Luncheon In Lockney Today

ON ALL-STAR CAST

"Dinny And The Witches" Winner

KEITH NORRELL BEST ACTOR

"Dinny and the Witches," presented by the Floydada High School Friday night at District 3AA Interscholastic League One-Act Play contest at Hale Center, was awarded the trophy for the best presentation among the nine plays presented. The coveted positions of best actor and best actress were both won by members of the cast. Keith Norrell, who plays the role of Ulga, the death witch, was awarded best actor. This is Keith's first year in Interscholastic League competition. He played a part in the musical presentation "Get Up and Go" earlier in the season.

Rande Lu Brown was named best actress for her portrayal of Luella, also one of the witches. This is the fourth time that Rande has been named to an Interscholastic League all star cast and her second time to be selected as best actress.

Brenda Walls, chosen for the all-star cast, is also a newcomer to high school dramatics. She has been active throughout the year in debate. This is the first time the three highest awards of best play, best actor and best actress has been won by Floydada High School, as far as could be determined.

MRS. S.W. ROSS gave a very interesting talk on "Tourism in Texas" yesterday at the Rotary Luncheon. I was impressed by some statistics she gave: Tourism is the third largest

industry in Texas, bringing in \$750 million last year.

The governor's goal for next year is two billion dollars.

An interesting survey of why people tour the USA revealed that 95% look for a relaxing atmosphere.

DOUGHERTY NEWS by Mrs. W. J. Ross

DOUGHERTY, April 3 - The Dougherty Community Club is sponsoring a volleyball tournament at the Dougherty School gymnasium beginning Monday evening, then Tuesday, Thursday, Friday and Saturday evenings. The starting time is 8:30 p.m. all evenings except Saturday which will be 7 p.m. The admission price is 50¢ and 25¢.

The club is sponsoring a concession stand and sandwiches, brownies, candy and bottled drinks will be for sale. The club will use the proceeds on club sponsored school projects.

Eight women's teams have entered, namely McAdoo, Fire Birds, Reed Ford, Lockney, Dougherty, Travel Center, Roaring Springs and Senior girls.

Twelve men's teams have entered, namely McAdoo, South Plains, Roaring Springs, Lockney, Fire Boys No. 2, Crosbyton, Matador, Rejects, Lockney Plumbing, Week Day, Fire Boys No. 1, and Dougherty.

The piano recital presented by the pupils of Mrs. P. L. Hart was enjoyed by an enthusiastic crowd of parents, grandparents and friends.

Pins and trophies for excellent during the year have been awarded. Julie Jones, Vanda Carthel, Holly Robertson and Dean Hinton received first year pins; Brenda Vick-

ers and Jodie Eastham second year pins; and Sara Eastham, Linda Norman, Brian Vickers and Erma Costello third year pins. Ray Hinton received a fifth year trophy.

Out of community visitors attending the recital were Mrs. Fred Jones, Lakeview; Mr. and Mrs. McClure, Mount Blanco; Mr. and Mrs. Bill McNeill, Mrs. Vickers, Mrs. James and Donny, all of Floydada.

Mimes, Ruth Daniel, Harlan Cage and Roy Crawford officiated at the trustee election. There were 31 votes cast. The terms of Carmel Eastham, Henry Hinton and Bob Vickers had expired. All were re-elected.

Henry Bloodworth visited Mr. and Mrs. C. A. Caffee Friday.

Mrs. Howe Hines spent Friday and Saturday with her daughter, Mrs. Dick Carpenter, who had surgery at the Quanah Hospital Friday. Mrs. Carpenter is recovering satisfactorily and is expected to return home this mid-week.

The Wayne Rainwaters and Weims Normans attended the motorcycle races at Lubbock Sunday afternoon.

Mr. and Mrs. G. W. Smith visited in Plainview Sunday. Marty, son of Mr. and Mrs. Kent Covington is convalescing after a tonsillectomy at West Texas Hospital.

The DeWest family were entertained in the R. H. Crawford home Sunday.

Mrs. Kenneth Poole attended a bridal shower honoring her cousin, Mrs. Don Edwards, nee Norman Powell, in the home of Mrs. George Ledbetter, Farmer, Saturday.

Mrs. E. Watson visited in Lubbock last week.

Mrs. Irene Boutwell and Dan were guests of Mrs. Lon Emert over the weekend.

Britt Hunsucker is the house guest of his grandparents, Mr. and Mrs. Noble Hunsucker, while his parents are on a brief vacation in Hawaii. Lt. Bill Hunsucker was assigned a week in Hawaii and his wife left over for a visit.

The play was directed by Miss Edwina Schneider, head of the speech department at high school. Judging the competition was Mrs. Vera Simpson, of the Texas Tech Speech and Drama department.

Miss Schneider will present the play for the Floydada public on April 20 at 7:30 p.m. in the high school auditorium. It is hoped those who were unable to attend the first public performance will be able to see the winning play at this time.

The next performance date is at Regional Meet when the play will be presented on the stage of University Theater and judged with other winners from a large area for participating at the state level.

All drive workers and interested persons should attend this meeting to fully understand the work which is being done in the cancer field.

Those attending the buffet luncheon are to pay for their own meals. Packets for workers will be distributed at this time.

The house-to-house drive in Floydada has been set for Monday night, April 10 and will continue all week if necessary and the one in Lockney is April 7 at 6 p.m.

WHEREAS, the right to a life free from pain, free from fear, has long been recognized as a desirable heritage for each human being; and

WHEREAS, the constant concern of the government and of the leaders of this community has been protection of that right for all our citizens; and

WHEREAS, the great volunteer action of the American Cancer Society is dedicated to bring awareness of the hope about cancer to every home in our community; and

WHEREAS, knowing the hope, knowing the warning signals, and acting on this knowledge, will prevent half the current needless deaths from cancer;

THEREFORE, BE IT RESOLVED THAT I, LEONARD MATSLER, MAYOR OF THE CITY OF FLOYDADA, do hereby salute and commend the Floyd County Unit of the American Cancer Society and urge each citizen of this city to contribute generously to the Crusade Against Cancer. Let us all give... that others may live.

Honorary Police Chief for a day.

He or she will ride in a police squad car with several friends he or she designates as deputy police officers, visiting Floydada friends and relatives.

Police Chief Darrell F. Holmes, Jr. said the lists are both informative, interesting, funny and educational.

Almost without exception the youngsters desire police crossing guards to be employed and a school boy patrol to

be put into effect.

They are much harder on the grownups than local police. The youngsters think grownups should be "placed in jail several weeks", "lose their driving licenses", and be "given traffic tickets with strong lectures" for violating traffic laws near school grounds.

They have suggested everything from police officers seeing what children have no dogs and "making the dog catcher find stray dogs for those children," to establishing a police

zoo for children.

All of the children are for strong law enforcement and letting the chips fall where they may without "favors for anyone."

One little girl wanted a squad of police established to "hunt mad dogs and criminals."

Another girl thought the police should talk to the mothers and fathers of the children about being stricter with them.

An 11-year-old boy thought the police department should

Irrigation Gas Users To Meet Friday

The Floyd County Irrigation Gas Users Association will hold its annual meeting in the district court room in Floydada Friday, April 7, 1967 at 7:30 p.m.

The meeting notice is made by F. G. Jones, Jr., secretary-treasurer of the association of Lockney, Route 1. All members are urged to attend.

Bob Weston Preaching At Presbyterian

Bob Weston, of Odessa, received his license to preach at the March 28 meeting of Western Presbytery. He will be conducting worship services in Floydada at the Cumberland Presbyterian Church every Sunday at 11 a.m. and midweek services at 7 p.m.

Bob preached the consecration message at the meeting in Odessa, Western Presbytery includes all of West Texas and New Mexico.

The local congregation extends a cordial welcome to all Floydada people to come hear this young man preach the word of God.

Sunday school is at 9:45 each Sunday, worship at 11, and Bible study at 6 p.m. Different members of the church teach the Sunday evening sessions from a series of lessons, "Through the Bible Study - Genesis through Revelation," by Harlin J. Roper, Scofield Memorial Church, Dallas. This Bible study is very thorough and will take six years for completion.

MRS. LOURIE JOHNSON
(see Jaxine Hamilton)

Miss Hamilton Bride Of Lourie Johnson

Miss Linda Jaxine Hamilton became the bride of Lourie Warner Johnson in a double-ring ceremony read March 23rd in St. John's Methodist Church in Lubbock.

The Rev. Waid Griffin, minister of Asbury Methodist Church performed the wedding.

Mr. and Mrs. Jack B. Hamilton of Lubbock are parents of the bride and Mr. and Mrs. L. Warner Johnson of Brownwood, formerly of Floydada, are parents of the bridegroom.

The bride was given in marriage by her father. She wore a street length dress of silk face peau de soie, fashioned with an A-line skirt, portrait neckline and long petal point sleeves. The fitted bodice was accented with re-embroidered Alencon lace.

She wore a floral cluster

crown which held a circled veil of illusion and she carried a nosegay of white roses and cymbidium orchid.

LIGHTHOUSE ELECTRIC COOPERATIVE, INC. MARY PHILLIPS, HOME ECONOMIST

Red letter day for this month is Saturday, April 8. This is the Annual Meeting of the Lighthouse Electric Cooperative.

Registration at the Floydada High School will begin at 9:30 a.m. Entertainment will be provided during this period and throughout the day with Ned Bradley as Master of Ceremonies.

A highlight of the program will be Mr. Johnnie Ammons, manager of the Midwest Electric Cooperative, Roby, with a slide presentation of his work in helping establish a rural electric cooperative in Viet Nam.

We are looking forward to seeing each of you Lighthouse members Saturday.

Hearings on rural electric and telephone supplemental financing legislation have been held during the last two weeks before the full House Agriculture Committee. Final action on the bills is scheduled for Thursday, April 6.

Meanwhile, no action has been scheduled in the Senate, although the bill (S. 696) has been introduced and is being co-sponsored by 24 senators.

Borrowed from the Bailey County Cooperative's newsletter - Russian school teacher: "Who were the first human beings?"

Young Ivan: "Adam and Eve."

Teacher: "What was their nationality?"

Ivan: "Russian."

Teacher: "Correct again! How did you know that?"

Ivan: "They had no house to live in, no clothes to wear, and only one apple between them - and they called it Paradise!"

In order that they may function more efficiently in their various phases of work, several cooperative employees have been attending schools during the last two weeks.

K. L. Gregory, Ed Neff, DeWayne Wilson, and James Marricle attended a Meter school in Stillwater, Oklahoma last week. Wanda Hickerson, Wayne

Collins, and Alton Higginbotham were in Austin three days of last week for a Management conference.

Nolan Arney, Carson McKaskle, Bud Edwards, and Edd Pollan are at Bryan this week attending a Bucket school being conducted at Texas A&M.

The time is getting shorter to replace that old worn-out range with a new electric one and receive an Admiral AM-FM Clock radio free of charge from your member owned Lighthouse Cooperative.

This special offer for rural electric members only will only continue through April and May, so now is the time to start shopping and choose the new electric range that fits your needs.

Mr. and Mrs. Wylie Rogers and Mr. and Mrs. Carl Lewis spent the weekend in Amarillo visiting Mr. and Mrs. A. G. Tyler and Ronnie. They returned home Sunday by way of Claude and visited with Wylie's sister, Mrs. Ollie Shipley.

Jerry Bourland came during the weekend to accompany his wife and small son, Pat and Thad, to their home in Waco. Mrs. Bourland had been visiting with her parents, Mr. and Mrs. Pete Hickerson, while Jerry attended an IBM school in Houston.

Visiting Mrs. Bourland last week were friends from Lubbock, Mrs. Bill Houser and Todd, Mrs. Johnny Bush and Brenda, and Mrs. Barbee Word and Christie.

Mr. and Mrs. Ursel Taylor, Reta and Dan of South Plains were dinner guests of their daughter, Mr. and Mrs. Bearl Gilbert on Sunday.

The National Aeronautics and Space Administration announced plans to launch a Mariner spacecraft in June. It will make its closest approach to Venus in October where it will transmit valuable information for future launches.

Southerland Is Commended

(D0801) KINGSVILLE, TEX. (FHTNC) - Airman Apprentice Clifford B. Southerland, USN, son of Mr. and Mrs. Johnny D. Southerland of Vernon, formerly of Floydada, received a letter of commendation, for his part in establishing a new flying record for the Naval Air Advanced Training Command, Kingsville, Texas.

As a member of Training Squadron (VT)-21, he was commended for his outstanding performance in supporting the squadron in its mission of conducting advanced pilot training for future carrier jet aviators.

During the week of February 7th through the 13th, VT-21, flying the Grumman F-9 "Cougar" jet was in the air a total of 805 hours, as compared to a 1966 weekly average of 508 hours. No jet training squadron in the Naval Air Advanced Training Command has ever logged this many consecutive hours in a single week.

The squadron, along with the nine other squadrons in the Naval Air Advanced Training Command, has been flying seven days a week recently in order to cope with the increased need for new aviators.

President Johnson has named California's former Governor Edmund G. Brown to head a 12-member commission to review Federal criminal laws.

Morgan Low Man In Golf Match For Cowboys

The Hardin-Simmons Cowboy golf team handed Tarleton a 5 1/2 - 1/2 thrashing at Maxwell Municipal Course last week boosting their season record to 7-3. Thumper Morgan, son of Mr. and Mrs. E. D. Morgan is a member of the team. Hardin-Simmons' Van Newbury led the way with his 72, clipping Bob Schober of Tarleton 5-4. Schober had a 79. Harold Preston fired a 78 for a 3-1 victory over Tarleton's Neil Ellis, 81 and Newbury and

Preston teamed up to beat Schober and Ellis 2-1. The Cowboys' Thumper Morgan was low man in the second foursome with a 73, good for a 5-4 victory over Tarleton's Clayton Hall, who turned in an 85. Pat McGlothlin toured the links in 78, one stroke better than Tarleton's Dee Hardin, but the two split in match play. McGlothlin and Morgan topped Hardin and Hall in the best ball event, 5-4.

Compete With 27 Teams

The Floydada eighth grade track team came through in their usual winning form last week as they won the first place championship at the Springlake Track Meet. They were in competition with 27 teams. The team took several first places: the 440 relay team of Billy Ray Chism, Steve Hendrix, Larry Toler and Kirby Pierce in 50.8 seconds; Mike Burk set a new meet record for the 660 with a time of 1:34.3; Kirby Pierce's broad jump of 15'7"; high jump with Steve Puckett leaping 5'4"; the 880 relay composed of Hendrix, Chism, Pierce and Puckett set another record of 1:43 flat. Puckett made two more firsts... 10 flat in the high hurdles and 23.6 in the 180 low hurdles. Two second places were made by Toler with a 6.1 time in the 50 yard dash and 8.8 in the 75 yard dash. The boys also brought home some third places: Chism in the broad jump, Puckett in the broad jump, Burk and Chism tied in the shot put, and Burk made another third place in the discus. Others who placed included Moore fifth in the 660; Jody Bachus fifth in the pole vault; Simpson sixth in the 440 and Jim Crawford seventh in the 660.

Youth Attend District NYPS

Youth from the Floydada Church of the Nazarene attended the Abilene District Church of the Nazarene N.Y.P.S. convention which was held in Plainview last Friday and Saturday. Delegates from Floydada who

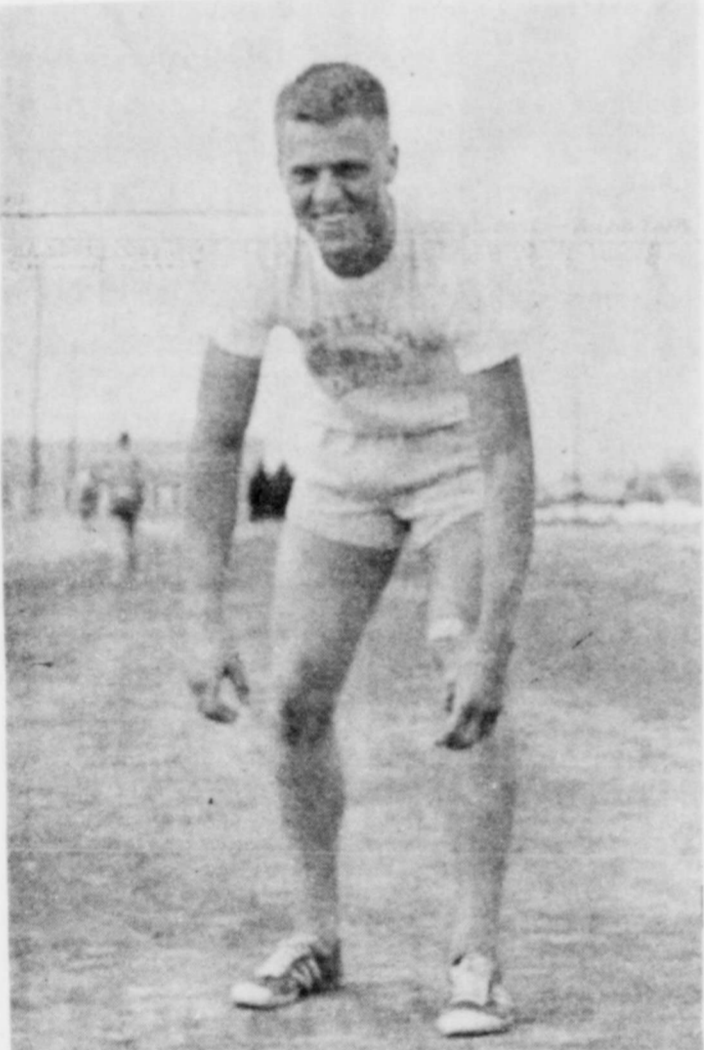

represented the local church in the election of district officers and the transaction of business were Miss Vivian Bunch and Charles Ferguson. Others who attended were Tommy Thomas, Janice Ellis, Deborah Powell, Donnie Edwards, and Amayllis Bell. Mrs. Frances Barnett and Rev. and Mrs. Lowell Bell also attended. There were over five hundred persons present Friday night. Dr. H. T. Reza, who is head of the Spanish Department of the Church of the Nazarene and whose office is in the world headquarters of the denomination located in Kansas City, Missouri, was the special speaker for the convention. The main emphasis for the youth work on the district next year is to be that of witnessing for Christ. Rev. Rhodes, president of the District N.Y.P.S., challenged the youth to witness to at least nine persons during the year and endeavor to win them for Christ. The local program for Nazarene young people will be to accept this challenge. Rev. Rhodes is the pastor of the Fort Worth West Freeway Church of the Nazarene,

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, April 3 - Farmers are irrigating all land preparatory to planting of cotton during April, and although the weather has been cloudy several days, and some light sprinkles have occurred, no moisture has been recorded in our area. With the light showers of several weeks back, the spring wheat had greened, and grown beautifully, however, we do not have many wheat acreages in our area.

Easter has come and gone, and many families who were away for the spring holiday, have returned home, including Mr. and Mrs. Sterling Cummings and children, who spent their holidays in Denver, Colorado, visiting Sterling's sister, Mrs. Robert Rose and family. The Cummings returned home Tuesday.

Mr. and Mrs. Raymond Upton returned Sunday from a week's stay at El Paso, Tex., where they visited their daughter, Mrs. Karl Craig and family.

Mr. and Mrs. Kendis Julian and girls were hosts Friday night, March 31, at a birthday dinner honoring Mrs. Julian's mother, Mrs. Poyner

Roberts of Floydada. Other guests were Poyner Roberts and Mrs. Julian's brother, Ken Roberts.

Rance Young, son of the Derral Youngs, is just getting over a case of mumps last week, and hopes to be able to get in school this week. His sister, Carlen, had them just before Rance.

Members of the South Plains Women's Missionary Union went to Roaring Springs Thursday morning at 8:30 to attend an Associational Prayer Retreat which was heard at the First Baptist Church in Roaring Springs, with Miss Blanche Groves, a retired missionary from China, speaking at the meeting. Those who went were Mmes. Fred Fortenberry, Bryan Karr, Roy Burks, Arby Mulder, Grigsby Milton and L. T. Wood.

Mr. and Mrs. Kenneth Bean flew to Dallas on Sunday where they will attend through Tuesday the Texas Ginners Convention, and they are staying at the Adolphus Hotel. Mr. and Mrs. Johnney West are keeping their girls, Carla and Diane while the Beans are away at the convention.

Mr. and Mrs. G. E. Trimble spent Saturday and Sunday in Amarillo with relatives, and were able to have their son, Joe Trimble, from the Amarillo Air Force Base, with them for most of the two days. Joe was only one out of forty-five boys at Lackland Air Force Base to get to come to Amarillo. Mr. and Mrs. Trimble and other boys spent their Easter weekend down at Fort Worth with other relatives.

Mr. and Mrs. Arby Mulder went to White Flat Sunday to spend the day with old friends, Mr. and Mrs. Tommy Edwards, Mrs. Mulder had spent last Monday in Floydada with Mrs. Ernest Smitherman.

School trustee elections were held over this part of the country last Saturday, and those who were at the polls at the school house for the Saturday election were Mrs. Bryant Higginbotham, Mrs. J. P. Taylor, and Mrs. Fred Fortenberry. Those who were elected as new trustees on the South Plains school board were Philip Smitherman and Harold Hamm.

Mr. and Mrs. James Teague and boys of Lubbock had their Easter dinner and later the egg

hunt here with her folks, Mr. and Mrs. L. T. Wood.

Mother of Mrs. Glen Wood, Mrs. Kelly Bowers, of Plainview, underwent a major operation at the Medical and Surgical Hospital in Plainview last Thursday, and at this date, she is getting along fine, and is at her home.

Others who have been ill and in the hospital is the mother of Mrs. Fred Fortenberry, Mrs. N. C. McCain, who has been in the Lockney Hospital for about two weeks. She underwent tests last week, and this Sunday she is reported to be resting comfortably, but still at the hospital.

Mr. and Mrs. Frank McClure got home Thursday after a three weeks absence at Grand Prairie, and Houston, among other places. Frank's brother, Marvin McClure from Oregon was in this area visiting last week as he and wife were enroute home after a three month stay in Florida. Boyd McClure from Plainview spent the weekend here with his grandparents, and was a church visitor with them Sunday.

Mr. and Mrs. Horace L. Marble hosted the Easter dinner this year at the Marble home with guests their sons, Mr. and Mrs. Don Marble and children and Mr. and Mrs. Keith Marble and children.

Mr. and Mrs. Fred Marble, Cindy, Mike and Kelly went to Dallas over the past weekend where they had the holidays with her sister, Mr. and Mrs. Bill Schenck and family. They also went by Mineral Wells to stay over night with his sister, Mrs. Marvin Wells and family.

Zach Cummings was able to be brought home from the Methodist Hospital in Lubbock on Saturday, and although she is in a cast, she seems to be getting along fine, and is very glad to be home with her family. She was one of the three children who was the worst injured in the car accident a week ago Thursday. Her folks are Mr. and Mrs. Kendall Cummings.

Mrs. Larry Smitherman and Kay Lynn arrived here Tuesday by plane from Austin. They spent the week with the Ernest Smithermans, and with the Philip Smithermans. Larry came from Austin on Friday and that night they had supper and spent the night here with the Philip Smithermans, and boys, Monty and Marc. Mrs. Ernest Smitherman returned with the Larry Smithermans to Austin on Sunday and will spend the week down here. Her husband, Ernest will go down for her this coming weekend, and they will come home by car.

Mr. and Mrs. Kendis Julian and girls went to Floydada Saturday evening to visit with Mr. and Mrs. Larry Smitherman and daughter, who were visiting here from Austin.

Mrs. Bryan Karr led the Missionary Womens Union at the Baptist Church Tuesday afternoon as she led in Bible Study, and spoke on "Missions in the Sermon on the Mount." We commonly call these beautiful studies the Beautitudes. Present for the study were Mmes. Roy Burks, Murray Julian, Charles Conger, Grigsby Milton and Bryan Karr.

Mrs. Johnney West's brother, Billy Jack Darden, arrived in Tan Son Nhut in Vietnam, (near Saigon) this Monday. He left Friday from Oakland, California. Last week he was here with Mrs. West and family visiting Wednesday evening to Tuesday morning, and other guests in the West home were their mother, Mrs. Helen Darden of Albuquerque, N.M., and their sister, Mrs. Ralph Clement, and Bill, of Santa Fe, N.M. They all enjoyed the Easter holidays here together, and left holidays here together, and left Tuesday for their respective homes. We wish all the best for all our boys in the services, and pray for their safety.

Miss Barbara Cashin of Gainesville, Texas, and Walter Franklin Wood, formerly of Lubbock were united in marriage at the Temple Baptist Church in Gainesville, on Friday night, March 24, at 8 o'clock. Her parents are Mr. and Mrs. Bill Cashin of Gainesville, and Walt's father is L. T. Wood from South Plains. Those who attended the wedding from here were Mrs. Walter Wood, grandmother of Walt, L. T. Wood, and Mr. and Mrs. Mike Wood, brother of Walt. Others were Walt's aunt, Mr. and Mrs. Jack McCown of Lake Whitney. The young couple are making their home in Gainesville for the time being, where she attends Junior College, and Walt is employed by an oil company. Walt will leave June 10 for the Marine Air Corps, in San Diego, California, for his stay in the Armed Forces.

Mrs. Walter Wood went home with Mr. and Mrs. Jack McCown and spent last week with them at Lake Whitney, and she came home Saturday with Mr. and Mrs. Walt Wood, as they visited in this community, and spent the night in Lubbock with Walt's mother.

South Plains PTA program with the film, "On The Square" was well attended Friday night at the school house. There were around ninety seven there. The film had been shown that afternoon to all with school children, and around one hundred children got to see it.

Mr. and Mrs. Price Pritchett of Lubbock were here visiting with his parents and Stevie Friday night and Saturday. His parents are Mr. and Mrs. Early Pritchett.

Mrs. E. J. Kinslow and Mrs. Harold Hamm accompanied the 4-H youngsters to Lubbock Saturday at the Tech campus where at 1 p.m. in the Student Union Building, the Favorite Foods Show was held for those who had won in Floyd County competition, and got to go to District. Arlaine Hamm won a red ribbon for her salad entry in the Fruit and Vegetable group, and Zenda and Paula Cummings won white ribbons for their entries. The children were judged fifty percent on the exhibits, and fifty percent on records. We are proud of all the girls and their exhibits.

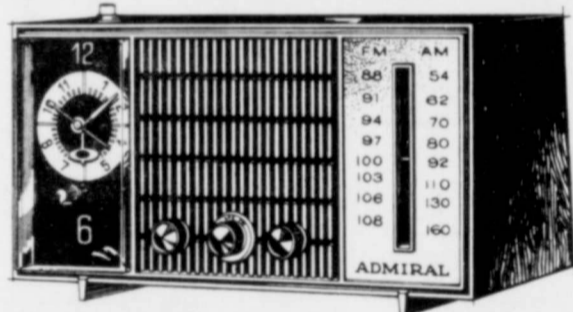

BAPTIST CHURCH NEWS

One hundred were present for a good service Sunday morning with around fifty at night. Activities of the week include the Young Womens Bible study Tuesday morning, and WMU Tuesday afternoon at 3, with Vera Burks, GA, Junior GA's and Sunbeams at 4. Friday night is Latin American Missions, and remember Wednesday night prayer meeting now starts at eight o'clock. Sunday, April 9, at 2:30 p.m. the church will go to the Lockney Convalescent Home for the Sunday afternoon program. Vacation School Workers are urged to attend the Vacation Bible School clinic at Silverton on April 18. Remember choir practice will be after prayer services on Wednesday night, with Don Brashear, Mrs. Bryant Higginbotham was elected president of the choir and Mrs. Bryan Karr was elected secretary of the group.

The Early Hours

It is still true that the early bird gets the worm as far as work and accomplishing it is concerned. For some reason or other—as every business man knows—interruptions can kill much time during the normal working hours.

More than one successful executive knows that in the early morning hours, or even in the evening hours, one can work more or less undisturbed. The morning hours are even better than the evening hours, since the mind is clearer and both the

body and mind fresh.

The farmer who rises at four o'clock in the morning knows that much can be done between then and eight or nine o'clock. Unfortunately, the man or woman who must work steady hours cannot test this theory.

Finally, some of the prettiest sights ever to be seen will be viewed at sunrise—in case you have forgotten. The earth is still and beautiful and it is a wonderful time for spiritual thought and contemplation which few of us have enough time for in our rush for the dollar in this twentieth century.

Nixon Trails

The most serious obstacle faced by Richard Nixon in his bid to become the Republican Presidential nominee in 1968 is his standing with independents and Democrats.

Nixon is the favorite among Republicans. But the latest Gallup Poll, for example, shows him trailing Michigan Governor George Romney as a proposed opponent to President Lyndon Johnson next year among all voters.

Romney, the poll indicates, would defeat President Johnson today by 52 per cent to 43 per cent. Nixon and

the President run about even. The importance of this point is to be seen in a quick review of nominating conventions. For years neither party has nominated anyone other than the contender leading in the public opinion polls.

Nothing excites the average delegate as much as the prospect of winning and a candidate who seems likely to carry the party to victory in the election has an enormous advantage at the convention. That was, in fact, the reason the G.O.P. never nominated the late Senator Robert Taft as its Presidential candidate.

Kite Flying

This is the season of year when youngsters of various ages delight in the flying of kites.

Some of the youngsters with gray hair and many years have to enjoy their kite-flying by proxy, but boys and girls will go them one better putting up their kites in the breezes.

It is well to warn the youngsters to stay away from electric power lines and highways. Don't use wire for a kite-string or a cord with tinsel or

wire in it. Be sure the cord isn't wet. If kites break loose and the cord falls across electric wires, leave it alone.

Of course, we know that very few boys and girls who actually fly kites each spring will read this editorial. However, the retired kite-flyers, remembering the days of their youth, might be reminded to caution their youngsters. A few words of warning, sometimes, might save a young life.

"I want one-third slice of toast, two-thirds of a boiled egg, four ounces of coffee . . ."

FLOYD PHILOSOPHER

Way To Wash His Hands Of Any Blame For The Crime Wave

Editor's note: The Floyd Philosopher on his Johnson grass farm looks at the crime situation this week.

Dear editor: According to a copy of a newspaper I pulled off my front gate yesterday before it broke it down—my gate is sort of like my financial situation, so delicately balanced the slightest additional load could collapse it—53 per cent of the crime in this country is committed by youths 19 years or younger, mostly by 15 and 16-year-olds.

Since the figures came from a national crime study committee I suppose they are accurate, although I know of very few bankers 19 years old or less who have been convicted and you rarely hear of a 17-year-old politician caught misappropriating funds.

At any rate, in the same paper there was an article saying the bulk of the working and spending force in America is now under 30 years of age. There are older people working and spending of course, but the majority is under 30, and any company wanting to sell

big has to reach that group, and wanting to win an election has to vote.

I won't argue with these statistics got to thinking. If a majority of the votes is in the hands of people under 19, what have the politicians to worry about?

If there's a crime wave in this country the youngsters take care of it. The money and the political power, the care of the teenagers, I wash my whole thing. Speaking of crime, some people get to thinking. If a majority of the recent decisions, but I have my own don't know of very many 15 and 16-year-olds who are very well posted on the Supreme Court's rulings. It would be a little connection between a misadventure and a shot-out school window and Court.

Yours faithfully
J. A.

Twenty-Five Years Ago

In Floyd County

April 2, 1942

Today is Army Day and a rally Monday morning will mark appreciation of Floyd County men in the nation's army.

Mr. and Mrs. Greer Christian and little son, Robert, who have been making their home in Santa Monica, Calif., returned to Floydada Tuesday to make their home.

Kinder Farris who recently made application for service in the Royal Air Force, has passed final exams and has been notified to report for duty June 1.

Ralph C. Johnston, flying cadet, has completed his basic training course at Merced, Calif., and is taking up advanced training.

P. A. Oden of Omaha, Neb.,

Jack Allen Completes Cooking Course

FT. HUACHUCA, ARIZ. (AH-TNC) — Army Private Jack W. Allen, 19, son of Mr. and Mrs. Weldon B. Allen, Route 1, Lockney, Tex., completed a cooking course at Ft. Huachuca, Ariz., March 31.

During the eight-week course he was trained in cake and pastry baking, meat cutting, and learned to prepare and serve food in Army mess halls and in the field.

who with his wife and daughter were here Tuesday and yesterday, saw the attack on the Japanese forces on Midway Island, which was successfully defended and held by American forces December 7 and the days following. Oden is the brother of Conner Oden of this city and was among the 1,500 civilian workers at Midway engaged in constructing fortifications.

Mr. and Mrs. Clement McDonald are the proud parents of a seven pound, 13 ounce son born Sunday morning. Mother and son are reported doing nicely.

Joe Trimble At Amarillo AFB, Not Chanute

Joe Trimble, who is serving in the U.S. Air Force, is in technical training as aircraft equipment repairman at Amarillo Air Base, instead of at Chanute AFB as carried in last week's Hesperian. Seems like a computer got its wires crossed or something and the newsletter out of the Air Force Home Town News Center sent to the Hesperian said he was training at Chanute.

His parents, Mr. and Mrs. G. E. Trimble of South Plains, visited their airman the past weekend and said Joe told them he was the only airman out of the 45

in his squad that was sent to Amarillo. The other 44 were sent to Chanute. He also commented he was glad the machine

or whatever made because he was home at Amarillo.

McFarland Tells Of Future Water Plans For This Area

...being divided now, Texas must bargain water," Tom McFarland said. A group of 85 farmmen and women met at a meeting in a school cafeteria to discuss water imports to West Texas.

McFarland said that planners (the state water board) in Austin last summer said there was "no water available for West Texas." In fact, this area had been completely neglected in state-wide water plans.

"A furor from West Texans changed that," the speaker stated. "West Texas now is the critical area."

"Instead of the Texas Water Development Board telling us what can not be done... they now are investigating what can be done."

Four plans have been presented to the state board and are still in the study stage. Three of the plans call for water to be moved to West Texas from other points within the state and another proposes importation from the Arkansas River through Oklahoma. The latter plan could bring 16 million acre feet annually to the 42 county area of the High Plains and eastern New Mexico.

There would be problems! The water would have to be lifted a great distance, but the "elevations would not be greater than some now in use," McFarland related.

Another consideration would be that water would flow down the gigantic canal 12 months of the year, not merely during irrigating season. Bull Lake, six miles west of Littlefield, is the only storage area in the 42 county region, McFarland told the group, and it would hold only one-half million acre feet.

McFarland believes that a venture of this magnitude would necessitate the digging of deep storage canals. He also believes that recharge of the underground water system would be possible. California currently is replacing its underground supply.

CRITICAL PERIOD
"Progress during the next 18 months is now termed a critical period for our state," the water district director believes. "After the fuss we made over water, they (the state water board) now says 'what will you pay for water?'"

The decision on whether to look to the future and import water depends on the people, McFarland believes.

WHAT YOU SHOULD KNOW ABOUT NON-STICK FINISHES
Non-stick finishes for cookware continue to be popular. In 1966 close to 96 million non-stick housewares were sold. What is non-stick finish? It is a material which, applied to a utensil, does not allow food to stick to it.

Some of these materials are liquids that are sprayed or brushed on the utensil by the user. While they have some releasing properties, they are not completely effective and, of course, not permanent because they wash off.

Other materials in the silicone family are applied by the utensil manufacturer. They have non-stick qualities and are more permanent than the liquids.

Teflon is the most popular non-stick finish. It is DuPont's registered trademark for its family of fluorocarbon resins and materials based on these resins. They are white, solid plastics possessing an extraordinary combination of properties. Teflon, discovered in 1938, was first used during World War II for chemical-resistant gaskets in the Manhattan Project. Its uses in space vehicles and defense equipment today are numerous and varied. Nose cones of Teflon serve as heat shields on missiles and spacecraft.

Teflon is inert to practically all chemicals and solvents and does not enter into chemical reactions with food and water. It is tough and flexible and absorbs essentially no moisture. It is safe for food and conventional kitchen use and has the Food and Drug Administration's approval.

Owing to consumers' concern about the durability of non-stick finishes and some dissatisfaction because of scratching, manufacturers have developed methods of application that give surfaces that don't require gentle handling. These surfaces can be recognized by the name Boeclad, Perma-Loc, Farberlon, Descoflan, Colorcast, Durabond, Tuftram. In some of these the material is set into the metal so it becomes a part of the utensil rather than just a surface finish.

Despite consumer concern

to the High Plains. The other plan I get enthused about is the big one... from the Arkansas River."

He added that "if we started tomorrow, it would take 20-25 years" to import a large volume of water.

"We are building an economy at the expense of a resource," McFarland believes, but now is the time to start replenishing the resource.

The public water meeting was sponsored by four local organizations: Chamber of Commerce, Young Farmers, Lions Club and Rotary Club. They served coffee and doughnuts.

Chester W. Mitchell, Lockney farmer who was instrumental in arranging the program, introduced McFarland. Mitchell is secretary of the High Plains Underground Water Conservation District.

Announcing Buick's new GS-340.

(The minipriced GS-400.)

If you read the papers, you know how great our now-famous GS-400 is. (It's the one in the background.) And you also know you don't get a GS-400 for peanuts. It's a great car. But it's just a little rich for some people. So we set to work and designed the GS-340. It has a smaller engine (but the whole machine weighs less). Its interior is clean and simple and tasteful. And it has its own ornamentation, paint job (see the rally stripe and hood scoops?), and, of course, all the GM safety features. So now you have a car that costs less than the GS-400, but one with its own special brand of excitement. How can you beat that kind of a combination?

be able to cling to the sides of the pan during baking. For baking fragile goods or cakes which contain a fruit or a great deal of sugar, greasing is usually necessary to ensure complete release of the baked goods from the surface. Cupcake and buttercake pans should be greased every time they are used.

When purchasing a non-stick finish utensil, examine it for proper gauge or thickness of metal to obtain the best cooking or baking results. Non-stick finish won't make a poor utensil any better. Examine the handles; check for tight-fitting covers and stability of the utensil on flat surfaces.

Many accessories have been introduced with non-stick finishes. They include not only spoons, spatulas and eggbeaters but also tools molded of solid Teflon; they, too are easier to clean.

Historical Survey Being Made In Floyd County

A historical survey is presently underway in Floyd County by the County Historical Committee. Plans for the survey were made recently at a meeting in Floydada.

Jim Word is in charge of a section from Mincy to the south county line and Mrs. Joe Taylor is taking the north part of the county.

Anyone having knowledge of anything of historical interest is asked to call Word or Mrs. Taylor. These items may include the oldest gin, elevator, school house, windmill or other information data. The committee set a tentative date of June 1 to complete the survey.

Devotional of the Month

What Is Man?

The writer of the eighth Psalm asks this question many hundreds of years ago when he wrote, "What is man, that thou art mindful of him? . . ." (Psalms 8:4). He preceded this question with a statement that made man seem very small indeed: "When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; What is man, that thou art mindful of him?"

Even in a day when scientific technology as we know it today concerning the vastness of the universe was unknown, man still seemed small and unimportant up beside the moon and the stars. Yet, the Psalmist realized God had honored man greatly by giving him dominion over all things: "Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet" (Psalms 8:6).

It would be good for us to think about this question seriously in the midst of our twentieth century rocket and space age! What is Man?

Man is the creation of God. The book of Genesis gives us the account of God creating man. "And God said, Let us make man in our image, after our likeness. . . . So God created man in his own image, in the image of God created he him; male and female created he them." (Genesis 1:26-27). "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (Genesis 2:7).

Someone will say, "Haven't you heard about evolution, don't you know man descended from a monkey?" Yes, I have heard about the theory of evolution, and you may think you came from a monkey, but please don't put me in that category. I choose to stand upon the Word of God.

Man is not only the creation of God, but he should be the servant of God. We need to realize that we are here in this world for a purpose, and that purpose is to serve God! It is important to be interested in the civic and social needs of our community, and to participate in the work of making our community a better place in which to live. Our occupation is important, and we ought to do our work well. We should love our families and provide for their needs. All of these and many more things are very important, but the most important thing in our lives is for us to serve God!

When we get our lives in proper relationship with God, we have the added resource of His guidance and strength to help us in all of the work and activities we undertake. We will still be interested in our community and our families; we will want to do our work well; now however, we will have the realization that God is owner and supervisor and we are His stewards and servants.

Many who profess to love God need to learn the real meaning of serving Him. Jesus taught the disciples a great lesson in love and service when he washed their feet. They had been disputing between themselves about who was the greatest among them. Then Jesus took upon Himself the duty of a servant by washing their feet, which caused them to feel ashamed. Let us concern ourselves today with serving, not with being served. True servants of God have their time, talents, possessions, money, families, and themselves committed to God for His use.

In conclusion, let us remember that man will face the judgment of God. Many scriptures in the Bible give evidence of this truth. St. Paul in his letters to the Corinthians and the Romans spoke about the judgment as a time of confessing what has been done and receiving a just reward. "For it is written, as I live saith the Lord, every knee shall bow to me, and every tongue shall confess to God." (Romans 14:1-12). "For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad." (11 Corinthians 5:10).

St. John gives a more vivid description of the judgment in the book of Revelation. "And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead small and great, stand before God; and the books were opened; and another book was opened, which is the book of life; and the dead were judged out of those things which were written in the books, according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire." (Revelation 20:11-15).

Man is the creation of God; Man should be the servant of God; Man will face the judgment of God. These sobering thoughts should help us to live better and do more for the Lord. May God bless you as you work for Him through your church.

If you are not a Christian, repent of your sins and get right with God; select a church in which you can worship and work for the Lord.

If you have dropped out of church, get back in and get busy for God. By serving God faithfully we will have a happier and fuller life, a better community, and at the same time prepare for eternity!

National Library Week Announced

Announcement was made today by Mrs. A. T. Hull, librarian of Floyd County Library, of the dates for National Library Week for 1967. The April 16 to 22 dates will mark the tenth anniversary of the event.

The dual themes of National Library Week will be "Explore Inner Space Read", and "Reading is What's Happening". These are the themes developed by the steering committee for the nationwide reading library development campaign. They reflect the group's conviction that much is happening in libraries, both public

and private, that the general public should be aware of. In addition, the themes are to point out the personal renewal that can be obtained by reading.

National Library Week is sponsored by the National Book Committee, a non-profit, educational society of citizens, in cooperation with the American Library Association. The annual "week", observed in all fifty states, is traditionally held in the spring, culminating a year's activity planned and carried out by local and state leaders drawn from the community and the library profes-

sion. Leo Rosten, educator and special editorial advisor to LOOK magazine, is this year's chairman of the steering committee, which has the major responsibility for planning the national program and enlisting the cooperation of organizations and communications media in support of national, state and local efforts. Serving as vice chairman are Mary V. Gaver, president of the American Library Association and professor of library science at Rutgers University, and William Bernbach, president of the advertising agency, Doyle Dane Bernbach, Inc. Other committee members represent every major segment of Ameri-

can life. Mrs. Hull said no local activities were planned.

Dunlap New President Of Consumers Board

R. G. Dunlap was elected president of the board of Consumers Fuel Association at their annual stockholders meeting recently. Dunlap succeeds Thomas Warren, whose term expired.

William Bertrand was elected vice president of the board

and Bert Mankins re-elected secretary and manager. Those going off the board of directors were John Key West and Warren. Elected were Johnnie Cates and Ray Lloyd, who will serve two year terms with J. T. Huckabay, whose

term will expire during the year. During the election won by Homer L. The audit report by Handloph Swain with Merriman Inc.
