Public Invited To New School Open House Sunday

Floydada Students Win At District Literary Meet

New School Named For Judge Duncan

Open house will be held Sunday, April 23 at the new Duncan Elementary School located in southeast Floydada. The general public is extended a cordial invitation to attend between the hours of 2 and 5 p.m.

School board members, the principal, W. P. Nicholson Jr., and teachers will be on hand to welcome guests. Board members include Jack Stansell, Ralph Johnston, Howard Gregory, Louis Pyle, Dennis Dempsey, Thomas Warren and Newell Burk.

Erection of the school building began in 1966 and was com-

pleted this year with classes starting April 3.

Bob R. Hunter of Lubbock was general contractor.

Architects for the construction of the new school were Stiles, Roberts & Messersmith. NAMED AFTER FIRST JUDGE

The new school is named after Arthur B. Duncan, first judge of Floyd County and father of Maud Hollums.

The site of the school was given by Mrs. Hollums. Mrs. Hollums and other members of the family are expected to attend the open house Sunday of the new school.

MAUD HOLLUMS, daughter of the late Judge Arthur B. Duncan.

Five To Regional; Play To Regional

Six Floydada High School students won first place in various divisions at the District literary meet held at Hale Center Saturday and five were named to compete in the Regional meet.

Brenda Walls and Suzanne Guthrie won first in the debate team; Keith Norrell second in persuasive; Rande Brown, second in prose and Kenneth Coleman third.

Kelly Smittherman and Brenda Mathis won first in oral reading; Nona Pernell first in typing; Patty Dempsey, second in shorthand. Patty and Sally McIntosh won first as a team in shorthand.

Carol Graham, second in number sense; Kreis McIntosh and Becky Hammond, second in number sense team; Barbara Chatman, second in spelling; Barbara and Linda Willson, second in spelling team.

The typing team composed of Marjion Wylie, Nona Pernell, Sara Stanforth and Britt Gregory won third.

Those who will be eligible to attend the regional meet in Lubbock April 22 are Brenda Walls, Suzanne Guthrie, Nona Pernell, Patty Dempsey and Carol Graham.

The one act play cast will also go to Regional.

Fighting Whirlwind Is Wreck Victim

Funeral rites for a former Floydada Fighting Whirlwind, Richard (Jimmy) Barrow, were conducted Saturday afternoon in the First Christian Church in Floydada. The 20 year old youth died Friday morning at 2:40 in Northwest Texas Hospital in Amarillo from injuries suffered in a one car accident at 11:40 p.m. Thursday two miles north of Happy.

Barrow had started to Lubbock, according to his family but had evidently changed his mind at Tulla, turned around and had started back to Canyon when the mishap occurred. He was a sophomore student at WT. Lubbock friends told the parents Barrow had called them, they thought from Tulla, telling them he had decided not to come to Lubbock as he wasn't feeling too well.

The highway patrol reported the 1960 Ford the youth was driving went out of control, veered to the right then back across the road to the left and struck a tree broadside in the middle of the divided highway.

Barrow was born December 1, 1946 in Plainview. He was a graduate of Floydada High School in 1965 and was named Fighting Whirlwind of the football team for the 1964 season. He was a member of the First Christian Church and of the ATO Fraternity at WT.

Survivors include his parents, Mr. and Mrs. Don Barrow; a brother, Frank of Amarillo and a grandmother, Mrs. L. H. Earthman of Plainview.

Eldon Howard New VFW Commander

At a meeting of the local VFW Tuesday night Eldon Howard, local businessman, was elected Commander.

He succeeds Donnie Galloway.

Other officers include David Lewis, quartermaster; John Cockrell, Sr. vice commander; Glenn Jamigan, Jr. vice commander; John Williams, adjutant; Adrian Helms, three year trustee; Dr. Tommy McIntosh, two year trustee; Travis Parr, one year trustee; Russell Reeves, service officer and Galloway surgeon.

Tex Stutts will be at the local cemetery on the days of May 25, 26, 27 to aid relatives in identifying veteran graves and to place American flags on them.

Several are unidentified and the aid of relatives will be appreciated, Stutts said.

American flags will be placed

ELDON HOWARD on all veterans' graves the last Sunday of May. Mayor Leonard Matsler will make proclamation of May 1 as loyalty day in cooperation with the local post.

Winning Play In Regional Contest

The one act play, "Dimny and the Witches" which won District recently, will be in the regional contest in Lubbock Saturday, April 22.

The speech department is again giving the public the opportunity to see the play in Floydada tonight (Thursday) at 7:30 in the high school auditorium.

Children under junior high

age will be admitted free of charge. Junior and senior high student admission is 50 cents and adults, 75 cents.

The public is also invited to attend the support the cast at their performance at the regional contest. The play will be presented in the University Theater at Texas Tech starting at 8:15. There will be no admission charge.

Brenda Mathis Wins School Science Fair

Last week's Science Fair at Floydada High School displayed many scientific wonders and Freshman Brenda Mathis was the first place winner with a project of growing plants under different colors of the light spectrum.

Kit Martin was second place winner with a chart comparison of animal and human blood. Jill Bertrand was third place winner with a project showing

radiation effects on plants.

Fourth and fifth places went to Janet Watts and Judy Jansson for the project of extracting antibiotics from the soil. Judy Probasco ranked sixth with experiments on rats with social drugging.

The Science Fair was under the direction of Jerry Livingston, head of the science department, assisted by Robert Millikin.

Jr. High Wins First

Floydada Junior High School won first in total points at the District Literary events Saturday at Hale Center in their division. Floydada had 52 points; Memphis 34 points and Dimmitt 25 points.

Karen Willis and Linda Moss won first in sixth grade spell-

ing. Delores Reeves won second in ready writing and Mary Bradford won fourth.

In number sense Andy Hale won first and Ricky Watts fourth. In oral reading Retha Jordan won first in girls and WEB Brown won first in boys.

Empfield Resigns Local Police Department

Don Empfield, Floydada police officer, has resigned effectively May 1 to accept a position as chief criminal investigator with the office of the Attorney General of Wyoming.

Police Chief Darrell F. Holmes, Jr. said Empfield, who formerly worked for Chief Holmes as an investigator in his law office before joining the department here in January, had accepted the \$10,000 a year and expenses position.

"I hate to lose Don but we can't compete with salaries like that," Holmes said.

Empfield is an honor graduate of the University of Wyoming liberal arts school and a graduate of the University of Wyoming College of Law. He is a member of the Colorado and Wyoming bars.

He has served as administrative assistant to Chief Holmes here as well as a scout car officer. He is 27 years old and a native of Casper, Wyoming.

The position in the Wyoming Attorney General's Office is a newly created one. Empfield practiced law in Colorado Springs, Colorado, before accepting the investigator's position with Chief Holmes.

When Holmes announced intention to close his law office and accept the Floydada police chief's position, Empfield moved here as a police officer. He came approximately seven weeks before Chief Holmes took over the chief's position.

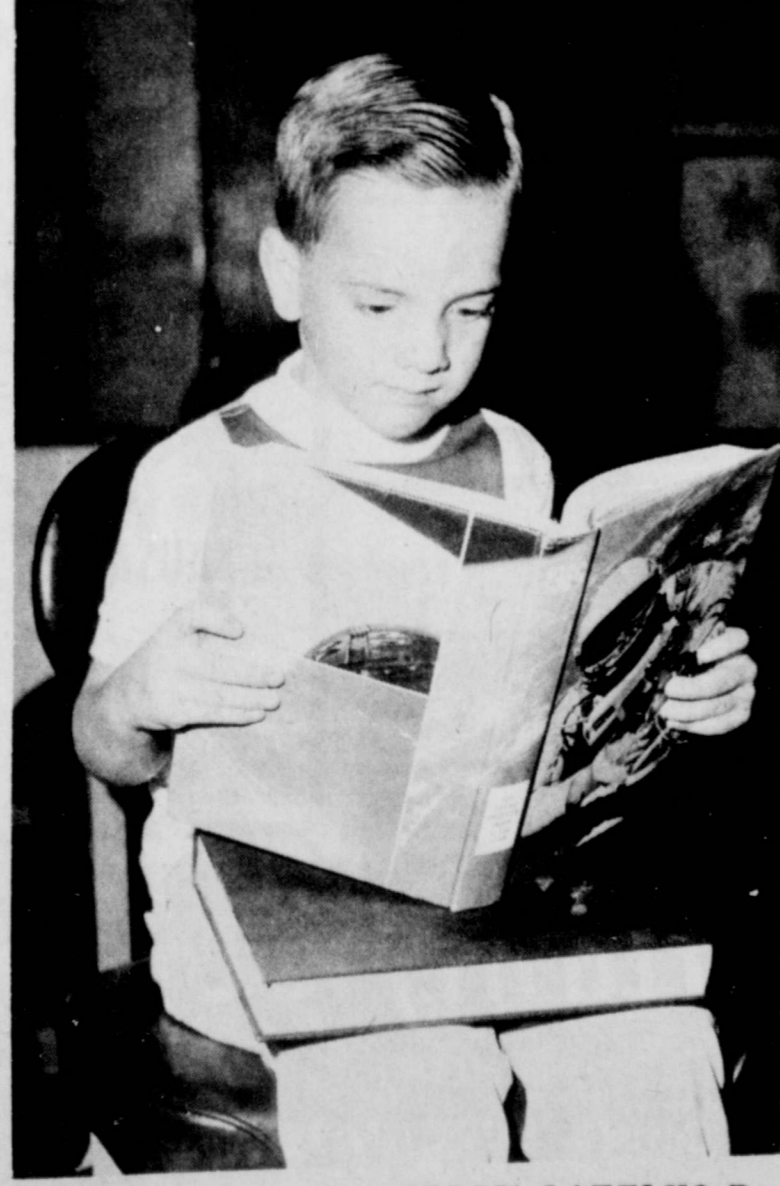

STUDY CLUB VOLLEYBALL TOURNAMENT ON

The 1956 Study Club of Floydada is sponsoring a volleyball tournament in Graves Gym.

Three trophies will be awarded in the men's division and three in the women's division.

DR. BENNETT TELLS LOCAL ROTARIANS

Agriculture Industry Should Be Increased On South Plains

Dr. Wayland Bennett, associate dean of agriculture at Texas Tech told Floydada Rotarians at their luncheon yesterday that producing farm products was just a start at making money. He said that the products should go into manufacture in this area instead of being shipped elsewhere for manufacture.

Dr. Bennett said the businessman has an important link with agriculture in this area.

He outlined farm income in the 25 county area and Floyd County.

He said there are 832 farms in this county with an average of 762 acres per farm. Each farm grossed an average of \$40,000 in 1965 and 93% of the farm income is from crops. The other seven percent from livestock.

Dr. Bennett was introduced by Alton Higginbotham, program chairman for the luncheon.

COUNTY AGENT'S CORNER

by Joe Wilson

A swine and meats short course will be held at Lighthouse Electric, Thursday and Friday, April 20 and 21.

Events scheduled are as follows: Starting Thursday at 9:00 a.m., Don Hudman, Extension Service Swine Specialist, will talk on several phases of Swine Production - material covered will be diseases and parasites of swine, feeding and management, littering, and breeding for swine improvements.

Thursday afternoon will be used to tour swine enterprises of 2 or 3 local producers. The tour is designed to study on the farm practice of the material presented in the morning session.

Starting at 9:00 a.m. Friday, Frank Orts, Extension Service Meat Specialist, will demonstrate carcass cut-up. From 9 to 10 a.m. a lamb carcass will be cut. From 10 to 11 a.m. a barrow carcass will be cut. Sherry Mullin, home demonstration agent, will give a program at 11 a.m. on preparation of meat for freezing. This will include wrapping and packaging.

Thursday afternoon Orts will give a cut-up demonstration on a beef carcass.

The cut-up demonstrations are set up to explain the different cuts of meat and to discuss what a producer should look for in producing a desirable carcass.

The short course should be of interest to the housewife as well as the producer since she can see where the different cuts of meat come from and can get an understanding of why some cuts are higher than others.

This meeting can be very beneficial and everyone is invited. Those that cannot attend the whole meeting are invited to attend any part that they are interested in.

Fire Demonstration At Junior High School Today

Students of Floydada Jr. High School will have an opportunity to see for themselves how fire can be man's best friend or his worst enemy by observing a graphic fire demonstration to be presented at 9:30 a.m. on Thursday, April 20, 1967, A. W. Coltharp, principal, announced today.

The demonstration, in seven parts, will be given under the direction of Joe Smetana, Safety Director of the Texas Farm Bureau.

A variety of demonstration equipment will be placed on tables 16 feet in length to illustrate seven basic points: (1) What fire is; (2) How to control fires; (3) The fact that nothing is fire-proof; (4) Kitchen fires and their control; (5) Fuel vapors; (6) The power of petroleum products; and (7) Household wiring and overloaded electrical circuits.

Smetana will point out that fire is like a three-legged stool - it can't work with one of the legs missing. The "legs" fire depends on are: (1) fuel, (2) heat, and (3) air. Yet, in American homes these three things come together in deadly and destructive combination every 37 seconds - an average of 1,500 home fires every day, according to Smetana.

"That's eight times the number of fires in factories and stores. Worse yet, four out of five of all fire deaths occur in homes, and for every death there are about 100 serious in-

Judy Helms Is Bride Of Douglas Ray Rainbolt

MRS. DOUGLAS R. RAINBOLT
(nee Judy Helms)

Miss Judy Lanelle Helms became the bride of Douglas Ray Rainbolt in a double ring ceremony read at 2 o'clock p.m. Saturday, April 15 in the First Baptist Church, Rev. Floyd C. Bradley read the twin ring vows.

The bride is the daughter of Mr. and Mrs. Clifford Helms of Floydada and parents of the bridegroom are Mr. and Mrs. L. R. Rainbolt of Fort Worth, former residents of Lakeview community near Floydada.

The wedding scene was formed by two baskets of fashion pink gladioli accented by white chrysanthemums and greenery. Candelabra with white tapers, fashion pink bows and greenery were on a platform above the altar. Baskets of greenery completed the setting.

Miss Tomi Dycus was soloist. She was accompanied by Mrs. Bill Hardin at the organ as she sang "More" and the "Twelfth of Never."

Candlelighters were Douglas Chowning and Roy Kendrick, who also served as ushers.

Given in marriage by her father, the bride wore a formal gown of beau de soie fashioned with an empire bodice waistline with long bell shaped sleeves. Bodice and sleeves were trimmed in scalloped chantilly lace with seed pearls accenting each flower. The skirt was complemented by lace motifs which were also accented with pearls. The lace around the bodice joined a detachable beau de soie chapel length train which was highlighted by chantilly lace motifs trimmed with seed pearls. The gown was fashioned by her aunt, Mrs. Bob Dunn of Clovis, N.M.

Each wore floor length dresses of pink satin brocade styled with empire bodices, accented by a soft narrow bow across the front panel. Their headpieces were double satin bows with lace flowers highlighted by seed pearls attached to satin ribbons. Their veils fell shoulder length. They carried bouquets of fashion pink gladioli trimmed with satin streamers.

Rex Harrison of Floydada was best man. Serving as groomsmen was Randy Bertrand of Ft. Hood, Tex., and junior groomsmen was Mark Helms, brother of the bride.

The reception following the wedding was held in the parlor of the church where the couple were assisted in the receiving line by their parents and wedding attendants.

She wore a full length veil of chantilly lace accented with seed pearls and scalloped edges. The veil was attached to a pearl tiara. She carried a white Bible centered with a cascade arrangement of carnations with cymbidium orchids.

For something old the bride carried her grandmother Helms' wedding ring entwined in her bridal bouquet, something borrowed was a pearl necklace belonging to her cousin, Mrs. Bill Henderson of Albuquerque, N. M., something new was her wedding attire and something blue was the traditional wedding garter. She wore a six pence in her slippers. Miss Kitty Lloyd was maid of honor and Miss Jan Rainbolt, Fort Worth, sister of the groom was bridesmaid. Miss Vickie Foster served as junior bridesmaid.

Members from Tulla, Silverton, Plainview, Hale Center, Floydada, and Petersburg attended. Hostesses for the meeting were Misses Elwanda Martin, Petersburg, Gladys Holley, Mmes. Sam Cowan, G. E. Ragle, Plainview, and Clyde Martin, Petersburg.

The bridal table was covered with a white dacron cloth, complemented by milk glass appointments. A threetiered cake was the center attraction, flanked by milk glass candelabra bearing white pillow candles. Bouquets of the bride's attendants completed the table setting.

The couple will reside in Fort Worth following a brief honeymoon trip.

For travel the bride changed to a yellow crepe dress with black and white checked linen coat, black patent slippers and bag, white gloves and the orchid from her bridal bouquet.

A rehearsal dinner was held for the wedding party the evening of April 14 in the home of Mr. and Mrs. P. D. Helms, grandparents of the bride.

Gamma Iota Chapter Meets

"Creativity - Its Implications for Education" was the subject of an address given by Dr. Morris Wallace, Head of the Department of Education, Texas Technological College, Lubbock, Saturday in the Community Center, Petersburg, when he spoke to members of the Gamma Iota Chapter of the Delta Kappa Gamma.

Dr. Wallace reviewed for the group a bit of research that has been made concerning creativity in an individual. Members from Tulla, Silverton, Plainview, Hale Center, Floydada, and Petersburg attended. Hostesses for the meeting were Misses Elwanda Martin, Petersburg, Gladys Holley, Mmes. Sam Cowan, G. E. Ragle, Plainview, and Clyde Martin, Petersburg.

FLOYD DATA

MR. AND MRS. OLIVER ALLEN

A Floydada couple, Mr. and Mrs. Oliver Allen, who have been members of the First Methodist Church here for over 50 years, longer than any other living couple, will observe their Golden Wedding anniversary in the church fellowship hall Sunday afternoon, April 30. Calling hours will be from 2 o'clock until 4 p.m.

Hosts for the event will be the Allen children, Mrs. Layton (Dorothy) Dorrell of Abernathy and W. I. Allen of Monahan and the couple's six grandchildren. They also have two great grandchildren.

The couple have requested no gifts please.

Mrs. Allen is the former Ethel Thagard, daughter of the late Crumby and Addie Thagard. Her father once served as Floyd County treasurer and upon his death in 1913 her mother took over the duties and served in that position for some ten years. Mrs. Thagard died in 1963.

The Thagard family came to Floyd County from Oklahoma in 1905. Mrs. Allen is a graduate

of Floydada High School with the class of 1918. She has three sisters and one brother. They are Mrs. Sabra Harmon, Callmesa, Calif.; Mrs. Lena Hantsinger, Acton, Calif.; Mrs. Annie Belle M. Kenney of Los Angeles, Calif.; and Flynn Thagard of Floydada.

Allen is the son of the late Mr. and Mrs. W. I. Allen of Floyd County. The family came here from near Waco in 1906.

The father of the family farmed until he retired in 1916 then the Allens moved into Floydada. Death came in 1923 to the mother and three years later the father died.

There are five children in the family; Oliver of Floydada, Raymond of Lubbock, Mrs. Mary D. Parker of Dalhart, Mrs. Eula Sparks of Phoenix, Ariz., and Mrs. Willie White, Artesia, N. M.

Allen graduated from Floydada High School in 1912 and from the Presbyterian Junior College in Lockney before it was closed in 1914.

Shortly after the couple's wedding May 2, 1917 in Plainview, Allen became an employe

of the U.S. Post Office in Waco and started as mail carrier for Route 4 when it was established the same year. 44 years of devoted service the same route, he reached August of 1961.

Both Mr. and Mrs. Allen are members of the First Methodist Sunday School class at the Methodist Church.

They are both ardent fishermen and love to fish. They spend a month in Aransas and also make intermittent trips to the coast of New Mexico, in their home.

Mrs. Allen has been a member of the Blue Bonnet Club some 37 years and is a member of an 84 club.

TFWC Convention In Austin

The 70th Annual Convention of the Texas Federation of Women's Clubs, will be held in Dallas at the Baker Hotel, May 1 thru May 3. Mrs. F. B. Seay of Andrews, State president, will be in charge.

A number of Floydada club women are making tentative plans to attend.

Women's Golf News

It is that time of the year again. Members, as well as ex-members, are cordially invited to come out and play golf. The club has already received several out-of-town invitations to tournaments. These are posted in the Pro Shop at the Floydada Country Club. Women players need to play and get an up-to-date handicap established. The club's first meeting is May 1. Be sure and keep close notice in the paper for the exact date.

MRS. JAMES PUFAL
(nee Carolyn Cates)

Miss Carolyn Cates And James Pufal Pledge Vows

Miss Carolyn Ann Cates and James Pufal pledged double ring wedding vows at 4 o'clock p.m. Saturday in Saint Pious Church in El Paso. Father Erzy read the ceremony before an altar of tall baskets of white gladioli. Music was provided by the church organist.

Parents of the bride are Mr. and Mrs. Johnny Cates of Floydada. The groom is the son of Mrs. L. H. Pufal and the late L. H. Pufal of El Paso.

The bride was given in marriage by her father. She wore a street length gown of white silk fashioned with a jeweled neckline and cap sleeves. A self fabric band outlined the empire waist and formed a bow in the back.

She wore short white kid gloves and a headpiece of white silk roses and silk illusion. She carried a colonial bouquet of white carnations circled by white lace with white satin streamers.

Mrs. Robert Jackson was the bride's only attendant. She wore an aqua crepe A-line

skimmer with bracelet length sleeves and a bow at the neck. She wore a headpiece of aqua silk flowers and carried a bouquet fashioned after the bride's, except in an aqua color.

Jack Pufal, twin brother of the groom, served as best man. Ushers were Jim Davenport, Gene Odell and Ronald Forbes.

The couple greeted guests at a reception in the Magnolia Room at the Roadway Inn. Mrs. Bob Everett of Lubbock registered guests. Serving the wedding cake were Miss Earline Alvis and Mrs. Harris Cantrell. Mrs. Gene Odell and Miss Donna Cates sister of the bride, presided at the punch service.

After a brief wedding trip to Mexico the couple will be at home at 9600 Montrose Apts., El Paso.

The bride is a graduate of Floydada High School and McMurry College in Abilene. Her husband is a graduate of Ysleta High School in El Paso and the University of Texas. He served with the Armed Forces in Germany.

LCC Officers Nominated

The Lubbock Christian College Associates met in the home of Mrs. L. D. Smith at 7:30 p.m. April 17, 1967.

New officers were nominated and voted on for the year 1967-1968. They are: Chairman, Mrs. Tom Porter; First Vice-Chairman, Mrs. Roy Hodges; 2nd vice chairman, Mrs. F. L. Orman; 3rd vice chairman, Mrs. Grady Walker; Secretary, Mrs. Gene Reas; Treasurer, Mrs. Troye Stansell; Reporter, Mrs. Lee Mathis; Historian, Mrs. Marshall Haney; Parliamentarian, Mrs. L. D. Smith.

Mrs. Ned Bradley introduced the guest speaker, Mrs. Kinder Farris. Mrs. Farris reviewed 2 books about children, "Angels in Pinafores" and "Heaven in My Hand" by Alice Lee Humphreys. The review was enjoyed by all.

Both Mr. and Mrs. Pufal teach in the El Paso School system. Mrs. Pufal is a second grade teacher in Del Norte Elementary School and her husband is a coach at Belair High School.

Attending the wedding from Floydada other than the parents and sisters, Donna and Denise, were Mrs. Valrie Tye and Mrs. Bob Everett of Lubbock.

JEFF GLAZNER—was recently promoted to vice-president and cashier at the Floydada First National Bank, according to Jimmy Seay, executive vice-president. Glazner was serving as cashier at the time of his promotion. He has been associated with the bank for the past two years, is a member of the First Baptist Church and active with other local civic organizations as well. His wife and three sons reside at 811 West Jackson.

During April members have set out bedding plants in front of the home for their beautification project.

Auxiliary members met in April with Mrs. Sam Fowler as hostess and Mrs. Jimmy Willson, president, presiding. They discussed the progress of the new hospital and the plans of the Auxiliary upon completion of the hospital. They also discussed with much interest the new patterning center at the First Methodist Church in Floydada.

Members who continue their function at West Brynn and who were present for the meeting were Mrs. M. J. McNeill, Sam Fowler, Jimmy Willson, John Smithernan, Roy Bledsoe, A. L. Wylie Jr., Mac Fowler, Kinder Farris, C. B. Carmack, S. D. Hunter, Bert Lee Emert, Emma Lou Whitaker, John Moss, and two new members, Mrs. Doyle Walls, and Mrs. Fred Martin.

Congratulations To

Mr. and Mrs. Chick Owens of Fort Worth are parents of a baby daughter, Tammy Fair, who was born last Thursday night. The baby weighed seven

pounds and 12 oz. at birth. The mother is the former Vickey Fair of Floydada. The father, also formerly of Floydada, is employed by an aircraft company in Fort Worth.

Grandparents are Mrs. Gordon Mummet of Floydada, who is now visiting in Fort Worth, and Mr. and Mrs. Jim Owens of Floydada. Mr. and Mrs. Wylie Rogers of Floydada and Mrs. Mary Mathis of Amarillo are great grandparents.

Burks Move To Ballinger

Roy A. Burks, former manager of the South Plains Co-op Gin in South Plains, and his wife, moved this past Monday to Ballinger where he assumed the position as manager of Ballinger Co-op Gin, Elevator, Farm Supply and Cotton Warehouse.

No replacement for him had been appointed as of Monday.

Medley Receives Commendation

AA Robert D. Medley, US Navy and son of Mr. and Mrs. S. D. Medley of Floydada, recently received a commendation for efficiency, achievement, and outstanding performance in his line of duty with the VT 21 Training Squadron at the Naval Auxiliary Air Station at Kingsville, Tex.

DANNY MEDLEY

The commendation was presented him by his commanding officer and reads as follows:

During the week of 6 through 12 February 1967, this command flew a total of 805 hours, which represented an all-time high for jet squadrons in the NAVAL AIR ADVANCED TRAINING COMMAND. This unique accomplishment fills me with pride; the officers and men of no other squadron have ever been able to reach this flight-time total. Regardless of how many squadrons reach this mark in the future, remember you were first... first in effort; first in efficiency; first in achievement!

It is a pleasure for me to commend you for your outstanding performance of duty during this period. Only through your fullest cooperation could we have produced such an outstanding record. To you, for your part in helping to achieve this goal, I extend a "Well Done."

American History

A famous speaker said recently that the most important subject taught in schools today was not a science, or mathematics, but American history. And we suspect that he was right.

It is doubtful if there were ever a time in the history of the United States, and the western democratic nations, when the teaching of American history to the young people of this country was more important than it is today for several reasons. The first is that our young people must appreciate the heritage of this country, left by those who built it, and who made it a great democratic republic. They must understand what it stands for, how much it has meant to the world and develop a real love and appreciation for their native land.

This is highly important in a time of challenge such as that in which

we find ourselves living today. The Communists thoroughly indoctrinate their young, in state controlled schools, and unpleasant as it may be to American ears most of the young in Russia come out of their schools burning with patriotism and believing in the Communist system.

The teaching and learning of American history is important because our young people and our future citizens must tell the American story to the world. They must love their system enough to be able to continue to see its faults and continue to improve it.

Only if we understand our past, appreciate what our country has meant to the world and what the founders and builders of this country accomplished can we sell this story to the rest of the world. We must do this as well as appreciate it and love it ourselves.

FLOYD PHILOSOPHER

Why Supreme Court Doesn't Act On Unfair Fishing Situation

Editor's note: The Floyd Philosopher on his Johnson grass farm apparently has a fishing problem, his letter this week indicates.

Dear editor:

The other morning I got my fishing gear together, picked up a copy of The Lubbock Avalanche-Journal to sit on in case the bank was wet, and headed for my favorite spot. But when I got there, got the paper spread out, settled down and looked up, I found two other men already fishing ahead of me, so I picked up The Avalanche, after all, everybody knows it can be read as well as sat on, and came on back home.

On an inside page I found an article that got me to thinking. It was telling about the opening of the trout season in some state, Virginia I think it was, and accompanying it was a picture showing hundreds of people lining the banks of a small stream casting away, the odds being I calculated about three fishermen per trout.

What I would like to know is why is the Supreme Court sitting on its hands in this connection?

Why hasn't it come out with a one-man,

one-fishing-spot ruling?

It's one thing to rule that a man in the country is no longer entitled to four votes for a man in the city, although you'll have to admit the nation came a long way under this arrangement, but just as fundamental is the right of every man to his private fishing spot. One man, one pond, that's the way it ought to be.

I don't quarrel with the Court's ruling on the one-man-one-vote proposition, after all, there are some people in state and national government I don't want to take four times the responsibility for, which is why I suppose the Supreme Court made the ruling. It relieves the country voters of a lot of embarrassment, and we appreciate the Court's thoughtfulness.

But back to the subject at hand. If you agree with me on this one-man, one-fishing-spot idea, get hold of our Congressmen and let's get the ball rolling.

It's spring, and there's nothing worse than trying to fish elbow-to-elbow with some city man who thinks that just because his vote is now as good as mine he has a right to my fishing grounds too.

Yours faithfully,
J. A.

LETTERS TO EDITOR

April 12, 1967
Mr. Wendell Tooley, Editor
Floyd County Hesperian
Floydada, Texas

Dear Mr. Tooley,

In the interest of tradition, loyalty, sentimentality and—not the least of these—accuracy, I respectfully submit the following correction.

I refer to the April 6th edition of the Floyd County Hesperian and the page one story "Dinky And The Witches" winner." This story reported the results of the District Interscholastic League One Act Play Competition held in Hale Center in which the Floydada High School students captured the three top awards: Best Play, Best Actor and Best Actress.

The statement in this story which I challenge said, in effect, that this was the first time the three top awards had been won by Floydada students.

This statement is incorrect. I wish I had at my command the names, dates and other details of past District Interscholastic League One Act Play competition when Floydada High School students captured these three top awards. These occasions are numerous as are the past participants who still remember those occasions with fondness and pride.

I do remember the school year of 1955 and '56 when the Floydada High School entry in this competition was Thornton Wilder's "Our Town." That year the Floydada group made a clean sweep of the District awards—Best Play, Best Actor, Best Actress and the entire All Star Cast. This group won their way to the state meet in Austin placing second with three All Star Cast members. I remember that year most vividly because I was a member of the cast of "Our Town."

Please know that my challenge here is not made in pettiness. I do not wish in any way to minimize the achievements of today's Floydada Thespians and their leader. They should be very proud of their triumphs. I wish, rather, to make certain that the brilliant career of a great and talented lady not be overlooked or forgotten.

I speak of Mrs. Frances Graves who directed the "Our Town" winner of 1956. Mrs. Graves is now retired from school teaching but her achievements in that field should never be forgotten and should, in fact, be held in awe as an inspiration and standard for

excellence.

I am not certain how many years Mrs. Graves served in the Floydada School System but I do know that each of those years she directed a winning District Interscholastic League One Act Play entry. Many of those years she carried her play and students all the way to the state meet in Austin capturing impressive awards in every contest. In those days Mrs. Frances Graves and Floydada High School were known state-wide as formidable foes in literary competition.

Respectfully,
H. Joe Smally

P.S.

It would be a personal favor to me and all the other Floydada Actors and Actresses of the past if you would print in your paper a correction of the above mentioned incorrect statement. To verify the facts you need only check past editions of your paper.

To draw more attention to the achievements of the students now participating in Interscholastic League Literary events you might run an article or series of articles documenting the triumphs of past Floydada Thespians. The records are truly impressive and perhaps unbroken.

(Editor's Note) We stand corrected... sorry 'bout that.

The Hesperian of April 6 had printed "as far as could be determined" this was the first time the three highest awards had been achieved by the schools. We are glad to learn otherwise.

In checking back issues we found that in 1956 the school won first place in District 3A one act play contest held in Floydada and also won all six places on the district all-star

cast. The play entitled "Our Town" was directed by Mrs. I. T. Graves. In regional play the best actor and actress named from their cast along with one on the all-star cast. They later won second at the state contest.

"We were just saying we wondered if anybody would be stupid enough to be out in this kind of weather."

Dear Editor,

I would like to express my gratitude for the interest shown and help extended from our community in the art exhibit containing materials from the First Graders through the Sixth Graders of the Amarillo School. Miss Marjorie Gudegus, Director of Art of the Amarillo School System prepared this exhibit for the Andrews Ward P.T.A.

Our advanced and hectic pace of today allows little time for the creative and "fun" periods of art. As Miss Gudegus toured our Junior High School and High School she noted how many rooms were concerned with the sciences and made the comment, "Sputnik started this." How many artists and craftsmen were employed to help plan the actual groundwork of our advanced projects of today? In a way, they are as important as our scientists, mathematicians, and thinkers. If you stop to think about it, actually, in everyday life you touch few things that an artist hasn't already touched.

The creative mind has made America what it is today. Art is one medium that helps stimulate creative thinking and problem solving.

Let's keep up the awareness of the importance of art in our community!

Truly yours,
Mrs. David Kirk

Dear Sir,

After being a resident in Floyd County for 32 years I'm still very much interested in what goes on there, so we always renew the home town paper.

I thought you might be interested in what goes on in the Harris County Dome Stadium with the Astros, so I'm sending you the '67 schedule so you can let all your customers know about it.

As you well know each time one of the Floydada group have been here, I've called and had their name on the large score board.

Thank you,
Mrs. J. R. Robertson,
Pasadena, Texas

(Editor's Note) I'd love to see several games this season!

Dear Mr. Tooley:

I read with much interest your recent communication concerning my proposal for the legalization of the sale of liquor by the drink. In order that you will know and understand what motivated this recommendation on my part, I want to explain in some detail my thoughts.

First of all, I think we must all concede that the issue involved is not whether alcoholic beverages will be sold in this state or not be sold. That issue was resolved by the people of this state many years ago, and honesty requires that we recognize that alcoholic beverages already are sold in many different forms in this state.

I think the actual issue involved is whether we are going to continue the present subterfuge under which so-called private clubs are selling liquor by the drink or whether we will provide that liquor can be sold by the drink, legally and under tight regulation, and, at the same time, bring in substantial revenues to the state.

I have chosen the latter alternative. My recommendations provide that operators of establishments selling liquor by the drink be required to comply with a rigid set of standards or lose their licenses (which, under my proposal, will cost \$2,000). In order to counteract the consumption of alcohol by minors, I propose that the privilege to operate an establishment selling liquor whether by the drink or by the bottle be suspended for a period of six months for serving a minor and be revoked forever for the second such offense. The burden of identifying a minor must necessarily rest with the operator of an establishment; but as part of my traffic safety program, I am recommending the adoption of a tamper-proof driver's license, including a color photograph of the holder, which should alleviate this problem. The driver's license of a minor would be of a different color from the license of citizens over twenty-one in order to further identify minors.

Questions have been raised about the effect of the legalization of liquor by the drink on our traffic fatalities. Our research has uncovered no authoritative figures available on the number of fatal accidents attributable to drinking drivers. However, it is significant to note that National Safety Council statistics show that Texas with no liquor sales by the drink and a motor vehicle fatality rate of 30.6 per one hundred thousand population, has a substantially higher rate than comparable large by-the-drink states like Michigan (26.1), California (25.2), Ohio (24.9), Pennsylvania (17.6), New Jersey (16.3), and New York (15.1).

I know of no realistic way to judge the effect of changing from our present system to the legalization of the sale of liquor by the drink except to consider the experience of other states that have made this same transition. The most recent one is the State of Iowa which legalized sale by the drink in July, 1964. Information from the records of that state reveals that the consumption of alcoholic beverages has remained static and has not increased because of the sale of liquor by the drink. Moreover, law enforcement officials in Iowa have publicly stated that alcoholic beverage consumption is under better control under the new system; there is a greater respect for and adherence to the laws and law enforcement in general has been strengthened. Homer Adcock, Director of the Iowa Liquor Control Commission, stated this position and conclusion just last fall.

In sum, while I do not personally drink alcoholic beverages, I am appalled at the hypocrisy which inspires the publicly condoned subterfuges such as the hundreds of "private clubs" which we have in this state, I honestly and sincerely believe that our law enforcement will be strengthened and that liquor will be sold and consumed under tighter and more strict regulation by the legalization of the sale of liquor by the drink.

Sincerely,
J. John Connally

Government Is Source Of 15.4% Of Local Revenue

(Special to the Hesperian)
 NEW YORK, Apr. 10 - Figures show that Floyd County is beholden to the Federal government, directly or indirectly, for much of the local services that it provides.
 The reason, in part, is that Washington has greater revenue-raising capabilities than the local authorities have.
 Because of the government's "outsider" position, it is able to levy large taxes throughout the country for national, state and local needs without encountering the objections that would be raised in most communities if the fund raising depended upon local referendum.

Much of this Federally-collected money is then returned to the various states and localities to provide them with some of the funds needed for schools, public assistance, highways and other functions.
 The role that Washington plays in the fiscal operations of state and local governments is revealed in studies made by the Tax Foundation, the National Industrial Conference Board and the Commerce Department. In the case of Floyd County, an estimated total of \$675,000 equal to 15.4 percent of every dollar of revenue that is available for local operations, comes from the Federal

government. Elsewhere in the nation, the average is 14.8 percent.
 Assumed is that each locality receives its proportionate share of the funds turned back to the states for such purposes.
 The Commerce Department's figures show, for the State of Texas and its counties, cities and other subdivisions, that total revenue from all sources amounted to \$324 per capita in fiscal 1965.
 Some \$50 of it represented money that came back from Washington in the form of grants. Of the remainder, \$14 was from property taxes, \$93 from other taxes and \$67 from miscellaneous fees, charges and assessments.
 The part that Federal funds play in the overall revenue picture is quite different in some areas than in others.
 On the average throughout the country, state and local revenues amount to \$384 per capita annually, of which \$97 comes from the government, according to the Commerce Department.
 The Tax Foundation notes that the American public fears that the growing acceptance of Federal grants carries with it a threat to the fiscal independence of local governments.

Tuesday Rites Held For Mrs. Claud Patton

Funeral rites for Mrs. Elva Pearl Patton, 80 year old Floydada resident, were held Tuesday in the First Baptist Church. Mrs. Patton died in her home Monday morning after a brief illness. She had become ill and called a neighbor, Mrs. Albert Pricer, who was with her at the time of her demise, having arrived at the home a short time before.
 The deceased was the wife of the late Claud Patton, who died August 17, 1964. She was born in Belle County, Tex., May 8, 1886 and was married April 23, 1905 in Merkel, Tex. The family moved to the Lakeview Com-

munity in Floyd County in 1916 and into Floydada in 1941. She was a member of the Baptist Church.
 Survivors include four daughters, Mrs. Weldon Thornton of Lubbock, Mrs. Lee Harry of Amarillo, Mrs. Lloyd Nelson of Borger and Mrs. Roy Barber of Phillips; two brothers, Hobson and Houston Robertson of Merkel; one sister, Mrs. C. M. Lyles of Floydada; 10 grandchildren and four great grandchildren.
 Interment was in Lakeview Cemetery under the direction of Moore-Rose Funeral Home. Grandsons were pallbearers.

Rites Held For Doc Burleson

J. C. (Doc) Burleson, 73 year old Motley County rancher, and father of W. E. Burleson of Floydada, died Monday in Plainview Hospital, where he had been a patient for several weeks.
 Funeral rites were conducted yesterday afternoon in the First Methodist Church at Matador. Rev. John Fitzgerald officiated, assisted by Earl Cantwell, Rock Creek Church

of Christ minister.
 Burleson had been a resident of Motley County since 1921. He was a native of Briscoe County and a member of the Matador Masonic Lodge.
 Survivors include his wife, Onell; a son, W. E. Burleson of Floydada; two brothers; a foster brother; two sisters; two grandchildren and six great grandchildren.
 Burial was in East Mound Cemetery.

Wife Of Rev. Powell Dies

Mrs. Viola Powell, wife of the Rev. E. A. Powell of San Antonio and former pastor of the Floydada First Christian Church, died Sunday of a heart attack at her home.
 Funeral rites were conducted yesterday afternoon in San Antonio.
 Mrs. Powell is survived by her husband and three children. Those wishing to get in touch with the family, the home address is Beverly Mae Drive, San Antonio, Tex. 78229.

Amarillo Dragway Will Feature "Little Red Wagon"

The big news in drag racing this week was the announcement by Earnest Walker, president of Amarillo Dragway, of the big NHRA Drag Festival and open fuel meet to be held this Sunday, April 23. According to Walker, there has been much planning and effort put into the preparation of this event.

Featured will be the funny car match races. Kelly Chadwick, "The Flying Professor" of Floydada, has challenged "The King of the Hill," Gene Snow from Dallas, to a best two out of three matched race. Chadwick, a Floydada High School teacher-coach, pilots a 1967 Chevy Camaro called "The Wild Thang." Snow's car is a 1966 Dodge Dart named "Rambunctious." It will be

Chevrolet against Dodge for the Amarillo Dragway "King of the Hill" title. Both cars have turned in excess of 160 MPH in the quarter so this should be an interesting and exciting event.

Also featured will be the open fuel meet between the best 16 low E.T. "AA" Fuelers. Competing in this event will be such outstanding drag racing names as "Bearded" Bobby Langley, Vance Hunt, Fred Rowsey, John Wilson, Anderson Bros. and Bailey, Danny Rightsell, Ernie Spow from Dallas, to a best two out of three matched race. Chadwick, a Floydada High School teacher-coach, pilots a 1967 Chevy Camaro called "The Wild Thang." Snow's car is a 1966 Dodge Dart named "Rambunctious." It will be

does the near impossible as it accelerates through the quarter at such tremendous speeds until 15 foot wheel stands are a standard thing. Golden and the "Little Red Wagon" have been real crowd pleasers throughout the entire nation.

The time trials are slated to get underway at 7 a.m. All entries are to be in by 11:30 a.m. and final races will start at 2 p.m. The Amarillo Dragway is located 7 miles south on Washington Street in Amarillo, Texas.

Welling Is Promoted

U.S. ARMY, GERMANY (AHTNC) - Jimmy C. Welling, 23, son of Mr. and Mrs. Freddie H. Welling, Matador, Tex., was promoted to Army private first class in Germany, March 30, where he is serving with Company C, 85th Maintenance Battalion.

Pvt. Welling entered the Army in August 1966 and before arriving overseas in January 1967, was stationed at Ft. Ord, Calif. He is presently a technical supply specialist with his unit.

Welling was graduated from Matador High School in 1961.

Chadwick Seeks Comeback Win Against Snow

A Hesperian reporter interviewed Floydada's Kelly Chadwick this week about his Sunday drag race at Amarillo with Gene Snow of Fort Worth. Snow will be driving a Dodge. . . Chadwick, a Camaro Chevrolet.

Chadwick made the following statement about the race: "This Sunday, April 23, I will be running at Amarillo Dragway in a Best of 3 straight runs against Gene Snow of Fort Worth. Snow is the only person to outrun the new Camaro. I lost to him at Fort Worth on the 1st week out for the car, when we had trouble keeping the front wheels on the ground."

Since this time the car has won its match races in Memphis, Tenn., Chicago, Ill., St. Louis, Mo., Kansas City, Mo., San Antonio, Tex., and Denver, Colo.

The car has gone over 162 miles per hour on all of the strips it has run except Denver, where it ran only 157, which was caused by the high altitude.

The race at Amarillo should be very close and one of the best match races you could possibly see. When Gene and I race any time, we consider it for the State Championship, since we have the two fastest cars in the Southwest.

Don Hardy and I feel the Camaro is the fastest Chevy in the United States. We also feel this will be the year that we go to the No. 1 rating we have been seeking throughout the past five years.

The Chevy II will also be raced throughout the U.S. this season. It was runner-up at the A.H.R.A. Spring Nationals at Odessa this past week. The car was actually running faster than anything in its class, but a transmission failure on the final run caused it to be beaten.

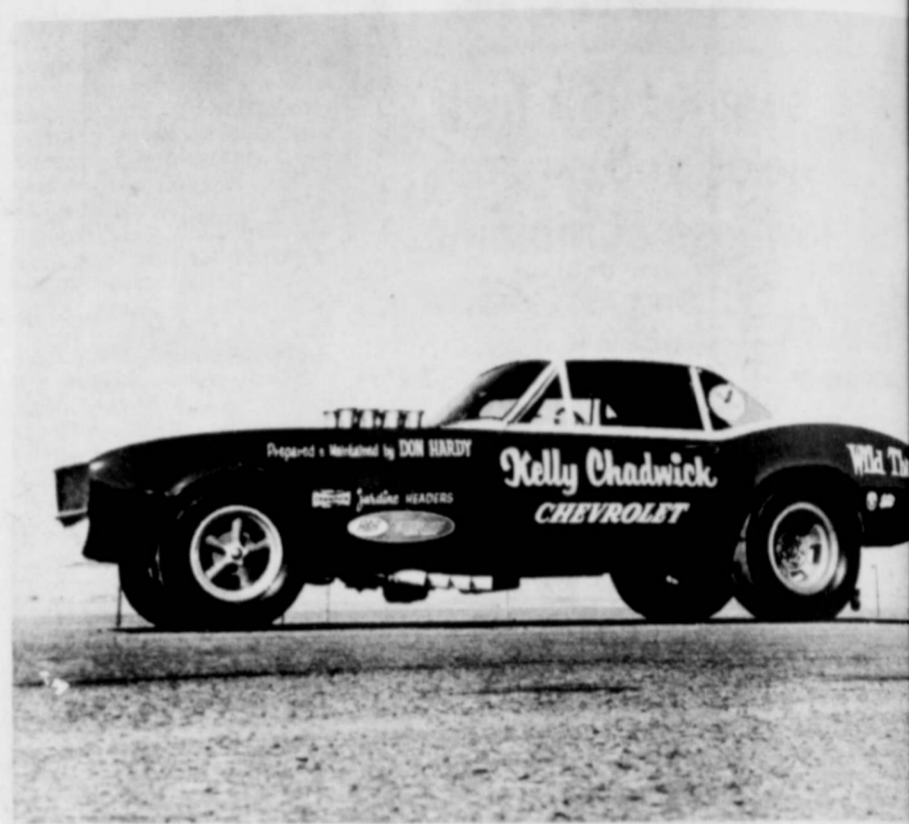

I have extensive tours lined up for this racing season, with races already scheduled in Detroit, Washington, D.C., New York City, Chicago, St. Louis, New Orleans and many various smaller cities.

In the Camaro, Don has produced the finest match race car for me, this side of actual factory production in Detroit. He is building a duplicate for another very good and famous friend of ours, Dick Harrell, who is also a nationally ranked Chevrolet Match Racer.

Once again I would like to thank all of the people of Floydada, who have helped me in any way with the race cars. The race at Amarillo will begin at 2:00 p.m. for anyone interested in going. Drag racing is called the fastest seven seconds in sports; I believe you will agree if you've never witnessed it."

193 Boys Sign Up For Baseball

A total of 193 boys have signed up as members of the Floydada baseball clubs which will form one senior team; three junior teams; seven freshmen teams and four T-short teams.

Sam Baker, president of the local baseball association, said this week they had hopes of signing up some 60 or 70 more boys before the season begins. They need 12 or 14 more boys

for another senior team, at least 20 more juniors; 25 more freshmen and 15 more boys for the T-short league.

Any youngster who was unable to sign up on the two prior designated days, may contact Baker and submit his name and pay his fee.

The association is now in the process of lining up managers for the teams and as soon as each is confirmed, notices will go out for "try-outs" and practice which should be around May 1, Baker said.

Among the visitors at the South Plains Baptist Church Sunday were Mr. and Mrs. Zach Cummings of Lockney and their cousin, Giron Calahan visiting among relatives from Louisiana, Mr. and Mrs. Alton Higginbotham, Kelly and Bryant from Floydada and Sara Bell and Sherry Smith of Lockney were among the visitors for the All-Day Family gathering at the South Plains Baptist Church with 105 here for Sunday School and others coming in for the Challenge of the Cross Drama, and the dinner, at which around 120 people were served.

Mr. and Mrs. Tillman Powell and children spent last Sunday at the home of his brother, Mr. and Mrs. Fletcher Powell and family where they all celebrated the sixteenth birthday of the Fletcher Powell's son, Kenneth, with a birthday cake and dinner for all.

We are most happy to welcome new neighbors in the former P. M. Smitherman home on the Silverton Highway. After several years of no one living

ers who had such a well-planned and delightful dinner. The members of the Wayland Mission Band from Wayland Baptist College held the morning drama, and the candle lighting service, and those who came were Linell Tinsdale, Mike Oden, Eileen Beltz, Wilburn Lackey, Frank Covington, Charlotte Lewis, Gary Little and Patsy Weddington. Each and everyone had a wonderful day at the church.

Our community received one-half inch rainfall last Tuesday night in the rain storms which came through here, with a few places receiving less and others, like Ursel Taylor, who received .70 on his ranch.

Mrs. Sylvin Kinnibrugh and Mrs. John Kinnibrugh entertained a group of youngsters in the Sylvin Kinnibrugh home Saturday morning, April 15, in honor of John Mark Kinnibrugh's fourth birthday. The little guests came at ten o'clock, and enjoyed games and played in the yard before sharing the decorated birthday cake and punch. Guests who shared the birthday fun were John Carlton Cummings, Todd and Mark Beedy, Sharon, Bobbie and Brenda Maurer, Nelda Cummings, Mitzl and Kristi Julian, Truette Stevens, and the honoree John Mark. Mothers of the youngsters, Mrs. Kenneth Julian, Mrs. Nelda Maurer, Mrs. Sterling Cummings, and Mrs. Lorene Stevens were present.

Last week end Mr. and Mrs. Sterling Cummings and their five children went to the home of her sister, Mrs. Elmo Hall, which is near Hereford, where they shared in her birthday celebration. All of them went to Ute Lake, near Logan, and enjoyed a picnic together.

Mr. and Mrs. Fred Fortenberry left last Tuesday morning for Grapevine. They spent most of the week at the hospital there with her uncle, Ed McCain, 81. McCain is very ill, and was in a coma when they had to come home Friday night. They also visited several relatives, among them several cousins who were in the hospital and all of them ill. They are expecting momentarily to be called back there by the death of her uncle.

Mrs. Lottie Stewart of Lockney spent Thursday night here in South Plains with her son, Mr. and Mrs. Dean Stewart and children.

We offer sympathy to Mrs. George Weast whose nephew, L. E. Davis, 52, of Silverton, an irrigation well driller, is in very critical condition in Amarillo with burns received Monday when a ridge pole of a truck struck a highline pole, and pinned him against the vehicle. Davis is at Northwest Texas Hospital, and we understand he has already had amputation of a foot.

The regular meeting of the South Plains 4-H Club will be Monday night at 7:30 at Parker's Studio in Floydada. Parker will endeavor to show the boys and girls the phases of

photography.

Mrs. Sylvin Yearly will hold her spring musical recital at the Cedar Hill Baptist Church on April 23, Sunday afternoon at 3 o'clock. There will be solos, duets and special songs, and among those who will have parts from our area will be Darla Milton, Gary Sanders, Carlen and Rance Young, Jeanette Reeves, Teresa Stewart, Matt and Maury, Pam and Carl Probasco, Carol Ann Reeves, Juanita Reeves, Donnette Marble and Marc Smitherman. Everyone is cordially invited to be present.

Mrs. Keith Marble came home from the Lockney Hospital Thursday after being there with an asthma attack from Sunday through Wednesday. We hope she continues to get better.

Mr. and Mrs. Sylvin Kinnibrugh and Mrs. Kenndis Julian, along with Rev. and Mrs. Charles Conger are sponsoring a group of young folks from the Baptist Church who plan to go Friday night to Lubbock to the Winchester Theatre to see the showing of "The Bible". Around twenty-eight have signed up to go for the outing.

Wednesday night Mrs. George Weast was an overnight guest of Mr. and Mrs. Lee Pearson in their home.

Mrs. Murray Julian taught the fifth and sixth grades Thursday and Friday at the South Plains School, and this Monday Mrs. Charles Purnell will take over the class in the absence of the former teacher Miss Meyers, who is ill.

Mr. and Mrs. Arby Mulder visited in Floydada with Mr. and Mrs. Ernest Smitherman on Sunday afternoon.

C. R. Givens of Lubbock, brother-in-law of Frank McClure was brought home from the Lubbock hospital on Wednesday, and Mr. and Mrs. Frank McClure went down to visit him. He is getting much better at this time.

Mr. and Mrs. Roy Burks, who have been here with the South Plains Cotton Gins the past seven years, have resigned that position and are moving to their new home in Ballinger this Tuesday. Roy will be managing the gins and elevator there. This Monday night they will be guests at supper in the home of Mr. and Mrs. Bryan Karr, and for breakfast Tuesday they will be with Mr. and Mrs. Murray Julian and Mrs. Bryant Higginbotham in the Julian home before they depart. We wish much happiness for them as they

leave the community here.

Jimmy Upton of WT in Canyon spent the weekend here with his parents, and was here for the funeral of his roommate, Jimmy Barrow. Jimmy was a sophomore at WT. He was killed in a car accident Friday morning near Happy. Services were held Saturday afternoon in Floydada with Jimmy Upton as one of the pallbearers.

PRESERVING OUR NATURAL RESOURCES

The natural resources of Texas are the most important possessions that we as Texans use. If a person had a million dollars, would he leave it exposed to wind, rain, and fire? No, he would protect it. Yet, our natural resources are worth much more than a million dollars and we destroy and waste them everyday. Like this million dollars our resources need protected.

Soil and water are the two resources that are most abused. These two are the basic resources, and the most important. Without these two life on this planet would soon disappear.

First we shall take a look at the soil. Our million dollars would soon disappear if we did not invest and replenish it. The same is true with our soil. The farmers of Texas are perhaps the best in the Nation, but many of them just take and do not give. The soil cannot keep on giving and receiving nothing in return. The soil must be fertilized and be used wisely if it is to continue to produce. The soil is also the "storehouse" for millions of dollars worth of natural resources. In the soil lies coal, oil, copper - millions of dollars worth of natural resources.

Water is perhaps the resource that is most criminally used today. Everyday billions of gallons of water is wasted. The people that waste the most are the farmers of Texas. Most farmers do not realize that the great abundance of water here in Texas cannot last forever. The irrigated farm lands produce most of the food for the world today. If this waste does not stop Texas will become dry and barren. The farmers are not the only people that waste water. People in the city are also guilty of this. People leave the faucets on and fill up their tubs and septic tanks and they water their yards when it does

not need to be.

If we destroy our water and soil, we will also be destroying our wildlife. The wildlife of Texas are many and varied but if we destroy our water and soil they will all perish.

Help keep Texas the most beautiful and wealthiest state in the Nation. Treat our resources like a million dollars and LIVE.

PRESERVE OUR NATURAL RESOURCES

Imagine a land where the dust blows every day instead of every other day. Imagine a land of dry rivers and lakes, a land where even the man-made lakes have become dry or so foul that fish cannot live in them, a land where water is more precious than gold, a land where people fight each other to the death for the rights to a well that is nearly dry.

Imagine a land where, in the place of once-mighty pine trees, there is a desert, a land where deer once roamed and birds once sang from the trees, a land that is now a flat desert with no inhabitants except devilish insects that only come out at night to eat each other.

Imagine a land that was once rich with food, where the rows of cotton and fields of wheat stretched farther than the eye could see; imagine this land with only dry, sterile dust in the place of fertile fields, empty houses creaking and groaning in misery and loneliness in the hot wind, desolate cities with only a handful of people managing to eke out a bare existence with what they could grow themselves, and idle manufacturing machinery rusting and falling to pieces from disuse because its human operators neglected to conserve their resources.

This land is Texas, or will be if we, as citizens of this State, don't wake up to our responsibilities. We are not the owners

GEORGE HARRIS WITH SOWS.

George And Franklin Harris Gettin In The Hog Business

When Howard Harris decided that he wanted to go into the Angus cattle business, he sold his herd of spotted Poland China sows to his sons, George and Franklin. They have increased the herd to twenty five brood sows and have a group of feeder pigs coming on all the year round. They also have some top hogs ready for market which they sell.

The sows are fed a balanced ration and allowed to run on the alfalfa pasture pictured above. The picture shows George Harris with a part of the twenty five sow herd grazing on the alfalfa. With the increase from the sows and the marketing of top hogs the boys continue to make a nice profit. Registered boars are used and new blood is brought in to improve the quality of the stock. Through good management and a sound sanitation program the boys expect to continue to make the hogs pay a nice profit.

Gainesville, and Miss Tish Whitney, Lubbock, Wayland students, are co-chairmen of arrangements.

The International Choir, Inspirational Hour Choir, Treble Tones and Handbell Ringers, all Wayland musical groups, will participate.

Programs are scheduled at the Wednesday chapel starting at 10 a.m., at 9:30 p.m. Wednesday in the Home-Life Building where a "singspiration" is slated, a morning watch at 7:15 a.m. Thursday, at 7:30 p.m. Thursday when the International Choir will be featured, at the Friday chapel program and the massed choir presentation Friday night.

of the fertile farms, the rivers and lakes, the underground water, or the mighty trees of East Texas. We are merely allowed to use them for as long as we are on this earth. We must wake up to the fact that these gifts can run out and we must be careful with them and not waste them or contaminate them so that they cannot be used in the future.

Future generations of Texans must be allowed to know what natural resources are by seeing them everyday - not by reading of the criminal waste and des-

truction of resources by their ancestors. If Texas is to remain a great State in the future, her citizens must work together to save her resources.

Santa Fe RR To Comply With Time Change

Santa Fe Railway has announced it will move all clocks forward one hour at 2:00 a.m. Sunday, April 30, in compliance with the Uniform Time Act of 1966.

Since all states served by the railroad are complying with the Act, the change means that printed schedules and operation of all Santa Fe trains will correspond with the official local time in each community.

DOUGHERTY NEWS by Mrs. W. J. Ross

DOUGHERTY, April 17—Mr. and Mrs. Claude Ring have returned from a business trip to Kerrville and Corsicana and a visit with relatives at Denton, and a weekend visit in the home of their daughter, Mrs. J. W. Womack and family in Dallas.

Weekend guests in the home of Mr. and Mrs. H. N. Powell were Mrs. Jimmy Powell and daughters of Plainview and Vicki Johnston of West Texas University, Canyon.

Mr. and Mrs. J. D. Smith of Slaton were Sunday guests in the home of Mr. and Mrs. C. A. Caffee.

Roy Litch and father, I. S. Litch, have returned from Temple, where they had check-ups at the Scott White Hospital. Mrs. I. S. Litch accompanied them to Iredell and visited with relatives.

Mr. Butts of Lubbock was the guest of his daughter, Miss Penny Butts Sunday.

Mrs. Edna New visited relatives at Denver City over the weekend.

Mrs. Elmer Watson is the house guest of her son, Joe Willard and family in Oklahoma City.

Elmer Watson visited in the homes of his brother and daughter in Brownfield during the weekend.

Mrs. W. J. Ross attended the District II Annual THDA Meeting at Snyder Thursday with other club women of Floyd County.

Mrs. Howe Hines is a patient at Lockney Hospital.

Billy Don Colston has completed his basic training and is home. In the particular program in which he is enrolled he will attend monthly training meetings and a two weeks training period in June.

Dale Smith and sons of Plainview were Sunday dinner guests in the home of his parents, Mr. and Mrs. G. W. Smith.

The Bob Everett family of Lubbock were overnight guests in the Smith home Sunday.

Jacque Crawford visited with Judy Quisenberry of Barwise during the weekend.

W. S. Poole spent last week in Lubbock.

Mr. and Mrs. Harlan Cage visited her brother, Billy Morrison and family in Midland over the weekend.

Charles Overstreet of LCC visited his parents, Mr. and Mrs. R. W. Overstreet over the weekend.

Mr. and Mrs. Brooks Bradley of Dallas were recent house guests of Mr. and Mrs. Ned Bradley.

Bill Daniel, a graduate student and assistant professor at Tech visited his mother over the weekend.

Sunday Mr. and Mrs. Jerry Finley and children visited Mrs. Daniel and Bill.

Mrs. A. T. Emert visited her cousin, E. Z. Richardson of Estelline Sunday.

Mr. and Mrs. Johnnie Cates and daughters, Donna and Denise, Mrs. Valerie Tye of Floydada and Mrs. Bob Everett of Lubbock were in El Paso over the weekend and attended the wedding of Carolyn, daughter of Mr. and Mrs. Johnnie Cates, and James Pufal. Carolyn is a teacher in the elementary school and James is a coach in

the El Paso high school system. Watch the society page for an article concerning this event.

Charles Overstreet played violin selections of French classic music at the Gentlemen's Night meeting of the El Progresso Study Club in Matador Friday. Approximately one hundred were present.

Ricky Pernell continues to improve and it is believed he

may be home in the near future.

Mrs. Kenneth Robertson has recovered from her recent illness and expresses appreciation for the many kindnesses to her and the family during her illness.

Mr. and Mrs. R. H. Crawford visited in Plainview Saturday.

The Rev. DeWase and family were guests in the Wayland Jones home Sunday.

Plans Nearly Complete For Old Settlers Fete

Plans are near completion for the 39th annual Old Settlers reunion to be held in Floydada, Saturday, May 27. The event is normally held on the 28th of May, but due to that date falling on Sunday this year festivities have been scheduled for the day before.

At a regular meeting Friday of officers of the association, Hubert Frizzell, treasurer, presided in the absence of the president, Joe Reeves and vice president, George Sherrill. Miss Ann Swepston is secretary and read the minutes of the last meeting.

It was decided by the group that a catering service out of Plainview would prepare and serve the barbeque luncheon. Due to rising costs, lunch tickets will be sold this year at \$1.25 each to anyone wishing to eat. G. L. Fawver will be in charge of the lunch and table setting.

The Floydada Rodeo, usually held in conjunction with the reunion will not be held until June of this year, however

members of the Riding Club, according to Sid Waller, will participate in the downtown parade.

A nominating committee composed of Hubert Frizzell, Buck Sams, A. T. Swepston, Mrs. Jack Henry and Duncan Hollums were named to select candidates for next year's officers.

Events of this year's full day program will be printed at a later date in the Hesperian. Activities are scheduled to get underway with registration at 9

a.m. and will end with the Old Timers dance sometime that night.

Attending the meeting were Sid Waller, A. T. Swepston, Hubert Frizzell, Duncan Hollums, Buck Sams, J. T. McLain, Bert Bobbitt, Ann Swepston, Mrs. Q. D. Williams, Mrs. Maud Hollums, Mrs. Jack Henry, Mrs. Joe Taylor and Peggy Medley.

The next meeting is set for May 12 at 4 p.m. in the county court room in Floydada. All interested persons and all officers are urged to attend.

FLOYD MRS. C. W. turned from a son and family. R. V. Bartlett. She also spent M. and Mrs. nephew.

On Saturday Gainsville with Bloodworth and Bloodworth.

Six Rural Accidents In County In March

The Texas Highway Patrol investigated six accidents on rural highways in Floyd County during the month of March, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, 4 persons injured, and an estimated property damage of \$2,590.00.

The rural accident summary for this county during the first three months of 1967 shows a total of 15 accidents resulting in 3 persons killed, 9 persons injured, and an estimated property damage of \$15,858.00.

The final entry in the 1966 Texas traffic records has been entered and closed. An all-time record high of 3,406 persons killed, 208,310 persons injured, and an estimated property loss of \$557,414,000 was sustained. This compares to the 1965 record of 3,028 persons killed, 188,082 injured, and an estimated property damage of \$498,070,000.

Since the death count of 2,254 in 1960, Texas has gained steadily each year. The Sergeant stated, "If the death rate increases during the last four years of this decade as it has during the first years, the death count will stand at 4,745 in 1970." What is the solution? Only you, Mr. Motorist, hold the answer!
