First Grain Sorghum Arrives In Floydada

The kick-off for the grain sorghum harvest began here Monday morning when the first load of 1967 Floyd County grain came to the Producers Cooperative elevator here.

Producer of the grain is Fred Lloyd, farmer, east of Lakeview. The load weighed 14,300 pounds and the yield was around 2,000 pounds to the acre on dry-land.

The variety is Texas 608 and it was planted about the middle of April.

Lloyd said he had about 50 acres of irrigated grain sorghum and about 90 acres of dry-

land grain. Although not enough grain has been marketed at this time locally to determine price, it is thought that the price will be around \$1.70 by some of the local elevator operators.

Early summer rains across the county have benefited dry-land crops. . . and it appears now that the county will see one of the biggest grain sorghum crops in some years.

Lakeview Transfers To Floydada

According to a report Tuesday from county school superintendent Clarence Guffee there will be no school at Lakeview school this year. The approximately 25 students who have been attending the school will

transfer into the Floydada school system.

This leaves three common schools in the county: South Plains, Dougherty and Providence.

High school and Junior high students have been transferring into Floydada from the Lakeview district for several years.

Junior High Summer Band To Open Monday

New Junior High School band director J. L. Matthews announced today that summer band practice will begin Monday, August 21 at 9 a.m.

The practice sessions will last until 10:30 a.m. Band director Matthews strongly encourages all Junior High band students to attend all the rehearsals to benefit the most from early practice.

KELLY CHADWICK RESIGNS

The board also accepted the resignation of Helen Dunlap, who taught in the system since 1959. She was teaching in the Jr. High school last school term.

Dorothy Wilson also submitted her resignation. She has taught in the grade school for the past two years.

NEW TEACHERS. The board employed Mrs. H. E. Barnett to teach Jr. High English. She comes here from the Friona school system, is the wife of the hospital administrator.

The board employed Mr. and Mrs. Don Ford to teach in Jr. High. . . they are moving here from Springlake. Margie Carlton was employed to teach second grade. She is from Hale Center. Mrs. James Pope, wife of one of the new football coaches was employed to teach fourth grade. The Papes have moved here from Carlisbad, New Mexico.

Bob Alldredge was transferred to teach high school math. The board opened bids from three local oil companies, Carthel Oil, Consumers Fuel and Wylie Butane for service of the school's buses in the new school term. Carthel Oil Company re-

Engineer Explains Selection Of Land

A Hesperian reporter interviewed city engineer Bill McMorries yesterday morning about the underground water supply of the John Hoffman farm which the citizens of Floydada will decide to purchase or not purchase for future water supply in a \$400,000 bond vote September 8.

McMorries said the 480 farm was selected for two reasons. The history of the underground Ogallala formation of decline of water table is low and the strata of water bearing sand is 250 feet.

McMorries showed water study maps he used in making his decision. He pointed out that the decline ratio was greater and water bearing formations were less in the country club

area, the area near present wells on the Massie land, and other areas near Floydada.

"In fact, if you go northwest of the Hoffman farm, toward Barwise," you'll find strata of underground water up to 350 feet," McMorries said.

"On the basis of these underground studies, and considering past history very strongly, we feel that this farm could furnish an adequate water supply for Floydada for the next 25 years," he continued.

McMorries said that Floydada should reach a population of 5400 by 1980, and \$200 by 1990. He said its present water requirements are 660,000, 000 gallons per day with a peak need of 1,988,000 gallons per day. He estimates that by 1990, the peak need will be 3,200,000 gallons per day.

At present the city has seven wells pumping into the water system. . . and uses three more older wells for emergency times.

REVENUE BONDS

The \$400,000 in revenue bonds means that there will be no tax increase and no water rate increase. Only enough money to purchase this land, \$195,000 will be issued on the bond sale at this time. The rest would be used later when development of the land became necessary for water supply.

City manager Bill Feuerbacher said that the land should yield an income of around \$10,000 a year for the next 20 years from government payments and grazing rent, and that water profits will be used to pay the interest on the bonds.

Water depletion maps and a complete engineer study of the project are available at the city hall for anyone who desires to study them.

ASTRODOME TRIP

Set Aug. 24-26

Floydadans are being given an opportunity once again to go to the Astrodome in Houston for two major league baseball games, without the bother of fighting highway traffic in their own cars. Ray Gene Ferguson, who can be contacted at either 983-2564 or 983-3157, is in charge of making reservations.

ATLANTA, CINCINNATI. Atlanta and Cincinnati are furnishing the opposition to the Houston Astros this year. Round trip bus tickets, and tickets to the ball games are \$25 per person. Reservations at the Ramada Inn are also accepted, at an additional cost of \$11.50 per couple per night. Some going on the trip will make other arrangements for lodging.

Group Study An Interest Of New American Field Service Student

Suerker (Svalle) Emmanuelson, new American Field Service student residing with the family of Dr. and Mrs. Charles C. Craig at 901 W. Mississippi, has an interest in the study of groups that should stand him in good stead in his varied activities of this school year.

Having had a year in the high school in his home town of Halsinborg, upon his return he plans to switch his line of schooling from that stressing nature and science to a line emphasizing sociology, the study of groups. Although the latter emphasizes languages more than the former, in his particular case he is to again study three languages. In the nature-scientific setup he took math, English, German, Russian, physics, and chemistry. Had he remained in the same type of schooling in Norway for this year he would be taking biology.

The other lines he describes as "economical," technical, and classical, the latter stressing.

School Registration Week Of Aug. 28-Sept. 1

With band and football students in high school already underway, Floydada has a back-to-school-soon air these days. In just 11 days from now registration will have begun, according to present plans. Schools will hold forth on four campuses: senior high, junior high, and Andrews and Duncan Elementary.

HIGH SCHOOL

Registration for seniors is to take place on Tuesday, August 29, from 8-12 and 1:30-4:00, according to information from the office of Charles Tyler, principal.

On Tuesday, August 30, juniors requirements are 660,000, 000 gallons per day with a peak need of 1,988,000 gallons per day. He estimates that by 1990, the peak need will be 3,200,000 gallons per day.

At present the city has seven wells pumping into the water system. . . and uses three more older wells for emergency times.

FEES

All high school students are to pay a fee of \$2.00, of which 50¢ is for the library manual, and 75¢ each go for student council operation and Southern Assembly programs.

In addition, seniors are to pay for their rings when they pick them up. Boys pay \$17.95 and girls \$15.91.

Band students pay \$6 rental annually on their uniforms, while those using school horns pay an additional \$9.

In the vocational agriculture program a fee of \$3.50 is to be paid by all beginning students, while others pay \$1.90. A letter to all students was sent last week.

Lion's Club Picnic Tonight

The annual Lion's Club picnic is tonight. Claude Estes is in charge of arrangements. The event is to be held at the Country Club. Swimming is scheduled 5:30 - 8:00, with the picnic to begin at 8. Since this is a family affair, each family is to bring a picnic lunch, which is to be shared.

Glen Black is Lion's Club president.

CRAIG

FROM PAGE 1
 In the Swedish setup, which was drastically overhauled only a year ago, he will have two more years of secondary schooling when he returns to southern Sweden.

Svalle (he likes to stress having a nickname) left Sweden at 7 a.m. on August 4 and arrived in Lubbock, via New York and Dallas, at 3 a.m. last Saturday. (That makes him quite an early bird!) Mrs. Craig explains that the American Field Service likes to match the students with families of similar size. The Craigs have two sons, Steve 16, and Mark 10, and there are two boys in the Emmanuelson family. Svalle's older brother is 20 years of age, and works in a big factory producing shoes, including sports shoes, rubber products, and tennis balls, among many products. His father is foreman in a big chemical factory that specializes in acids. His mother is clerk in a department store that is part of a 160-store chain.

PREFERS

AMERICAN ENGLISH
 Language study seems to begin early, and even before reaching the high school he had taken English. He says that Swedes are taught the "British English," which is more formal than the American variety and harder to pronounce. He appears to enjoy the informality of the plains area. He said that the Swedish students "don't like British English," as it is too hard to pronounce. It is interesting to note that in the new curriculum the only choice elementary (he speaks of it as lower, which would include our junior high) students have in subject matter is in the matter of the language to be taken.

HIGH SCHOOL

IN EVERY COMMUNITY
 Every community has its own school, and the Swedish are highly literate. He would not want to say that the Swedish as a nation are either more or less religious than the Americans, but they definitely do not attend church as often as is the case here. Although there are other churches, the vast majority of the people have at least a formal membership in the Lutheran state church, which he is very emphatic in stating is not so strict as are the American Lutheran bodies. His own case would appear to be typical, in that he has been to church only four or five times within the past year. Many of the appearances at church in Sweden are for baptisms, marriages, and funerals. Confirmation, which is recognition into church membership, is almost automatic for a large part of the population at the age of fourteen. There is no equivalent of the American Sunday School.

BOYS...AND GIRLS

GO FOR CO-ED SCHOOLS
 Coeducational schools, with boys and girls attending high school together, are quite new, and they all seem to like it very much. The gulf between Swedish and American boys pretty well melted away when he asserted that there was one thing he didn't like about it:

BUDGET

FROM PAGE 1
 ceived the contract. Consumers Fuel serviced the buses last year.

OTHER BUSINESS

In other business the board approved the purchase of a portable automatic maintenance machine which is supposed to cut down labor and time on keeping the school floors clean and waxed.

All board members were present; president Jack Stansell presided at the meeting.

SCHOOL

 going out on Tuesday of this week.

CULTY 1:30, AUG. 31

Principal Tyer is to lead a faculty meeting of all high school teachers on Thursday, August 31, at 1:30 p.m.

JUNIOR HIGH

Principal A. W. Coltharpan announces a faculty meeting for all new junior high teachers on Monday, August 28, at 10. The following day all teachers meet a half hour earlier, at 9:30. Enrollment of students takes place at 8:45-12:00 on Wednesday, August 30, at which time an explanation of fees is to be made.

ELEMENTARY

Duncan and Andrews Elementary schools, with Principals W. P. Nicholson and Bob Copeland, follow identical schedules. The faculty meets at 9:00 on Thursday, and registration takes place the following day, from 8-12. Late registrants will be taken care of through the office of the respective schools on Friday afternoon.

The first full day of school is Tuesday, September 5.

GRADES 1-2

First grade students are expected to have birth certificates to present for registration. They are to be dismissed at 12 noon the first week only, after which they, along with the second graders, will be dismissed at 3:15, unless they ride the bus. All other students stay in school until 3:45.

The male teachers favored the girls. Of course! Another thing that seems much stranger to Americans is that on dates the couple "goes Dutch." The girls say that since the feminine sex is striving for equality with men, it simply cannot afford to let them pay for both on dates. Since dates are mostly on Saturday nights, anyway, the total outlay, of course, would not be so great as in the United States.

VERY POP!

This reporter was using a Dennis the Menace comic book as a backer while taking notes, so when asked about comics, Svalle was quick to point out that the little fellow was a favorite in Sweden as are Superman and Batman. Ingermar Johansen sparked an interest in professional boxing when he took the heavy crown away from Floyd Patterson in 1959, but prizefighting provokes little response now.

SCHOOL MEANS STUDY

As is typical of the European continent as a whole, school is very serious business, with few distractions. There are sports connected with the schools, to be sure. The boys play soccer football, basketball, tennis, and a kind of handball that is much rougher than the American variety, being more like football. There are three hours of physical education weekly in the schools.

LAPPS IDEALIZED

The Lapps, who live in nor-

thern Norway, Sweden and Finland, are of the same nationality as the vast majority of their countrymen, but since they herd reindeer in the cold north, they are idealized in quite the same fashion as our American Indians have been.

Music liked by the "kids" (a term he smilingly acknowledges as quite familiar) is the "pop" variety, one more reason he should feel at home quickly with Floydada teens. His age group is accustomed to teen magazines, which, unlike the American monthly variety, are issued weekly. Hesperian readers will be interested to know that Swedes are not accustomed to weekly papers for the family as a whole.

Boys in Sweden are accustomed to riding bikes until they are fifteen. One of the big hopes of boys is that at that age they will be allowed to start riding a "moped," which is the same thing as our motorbike.

There are some motorcycles in Sweden, but not a large number. Driving a car does not come until 18, if one can pass a test "and can afford it."

LIKE DENMARK

There is a growing highway system, particularly in the south, which bears great resemblance to Denmark. Dairying is the main industry of the south, and they also raise wheat, pigs, and sugar beets. His province is named Skane, which is spelled with a circle

over the a. His city, Halsinborg, has two marks over the a, and his postoffice address, Raa, has circles over the a's.

STRESS ON

MEDICINE, EDUCATION
 Asked about the so-called "socialization," or welfare state, in Sweden, Svalle's answer is that this emphasis is primarily on medical and dental care. When queried about the possibility of a bright but poor boy or girl getting schooling on a college level, he replied that daddy's pocketbook didn't mean nearly so much as the student's intelligence (a word on which he bore down hard), and willingness to work. But this is not an outright gift of the government, but rather in the form of a loan at a

low rate of interest. HUMOR, INTELLIGENCE SOCIABILITY

On first meeting Svalle seems to have in abundance the humor, sociability, and intelligence that should make his stay in Floydada, his relationships with groups and individuals,

and his experience delight both those who are fortunate to come in contact with him. Welcome, perhaps. Right wing, in Guatemala.

...VISITING WITH city engineer ... yesterday. He explained how

the city could know about deep well water with the test that begins today just north of the city hall. A 4-1/2" hole is drilled and with the correlation of an electric logger, strata and amount of water can be determined and some information about the purity of the water will also be known.

Think the test will cost about \$1,000.... and you farmers may want to watch the results of the test!

I'VE WATCHED the football boys working out this week....and they look mighty good. Of course their tremendous size is impressive. If we're going to win district, and I believe we will....we need the support and backing of every person in this community for this team.

If you want to cheer them on to victory, I suggest a good starting place is for you to attend the first quarterback club meeting which is set for Monday night at Wester Field. . . it's a watermelon feast....and there should be no less than 100 people there.

AS I WAS studying the school's new budget, I began to add up the school's payroll. It exceeds \$700,000. This is the largest payroll in the county. Our merchants would do well to cater to the school teacher and school employee.

I'M FINISHING THIS column at press time on Wednesday, just after hearing "Mac, young at heart McAllister" of radio station KSEL in Lubbock speak to our Rotary luncheon.

Mac gave a wonderful talk....he explained that every city needs a plan, purpose, and good attitude if it is going to grow. Mac went a little farther and personalized his message as he expounded on "Service Above Self."

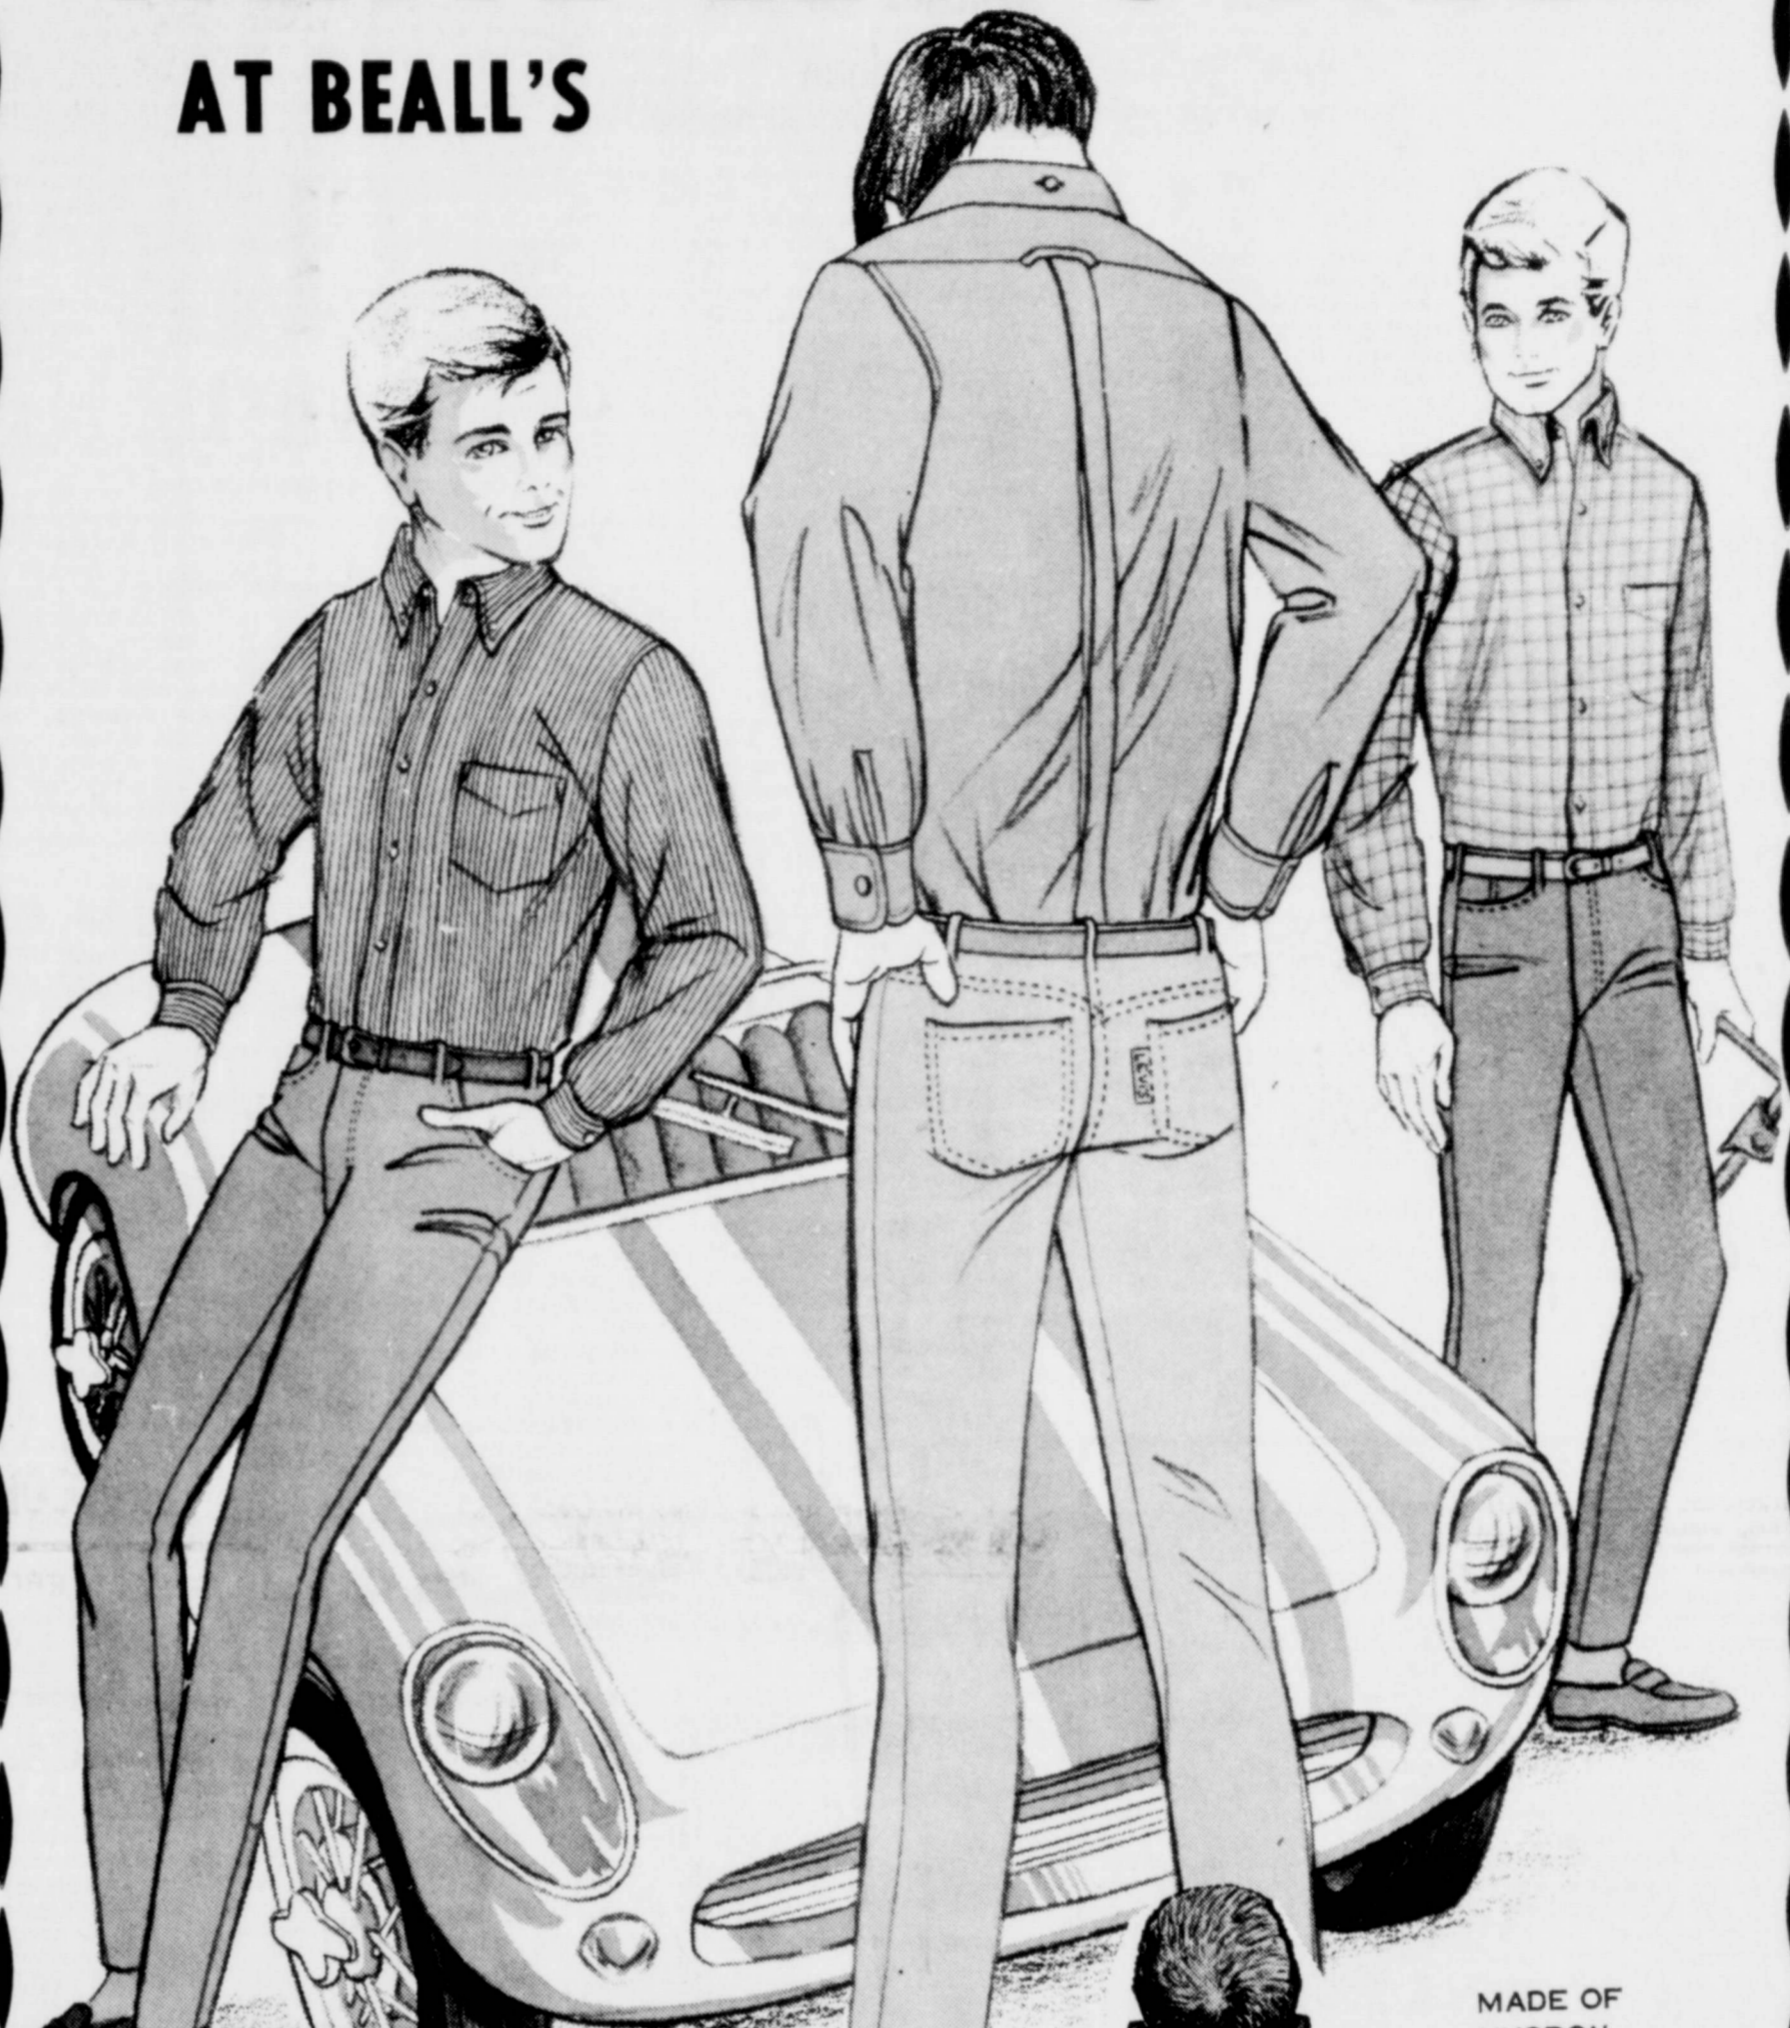

Thanks to Mac for coming our way.

Mr. Wendell Tooley
Floyd County Hesperian
Floydada, Texas

Dear Mr. Tooley:
I am sending you copy from a book, "Anybody's Gold," by Joseph Henry Jackson, that tells of another publication called THE HESPERIAN. This magazine was published in San Francisco about 10 years after the initial gold rush, when the population had started to settle down and turn to other business. Perhaps Mr. Claud V. Hall had been to California and heard of this earlier venture. Thought you might be interested in hearing about it, as I was.

The book, "Anybody's Gold", is one of the best I have read about the Gold Rush and early days in California. I started on this reading program when our son, David, started studying California history. I knew about Texas, but decided it was time to find out about our adopted state as well. It has been very rewarding, especially when I find stories that were first told in our family by my great grandparents, Julia Stong Newell and Louis H. Newell, who were married in California and lived there for many years before returning to Texas.

We enjoy The Hesperian and its news of friends in Floyd County.

Very truly yours,
Betty Newell Shirey

EDITOR'S NOTE: THE FOLLOWING ARE EXCERPTS FROM THE BOOK.

THE MINES COME OF AGE

The miner has been California's heart. Indefatigable in everything he has undertaken appertaining to his vocation, with money or without, he has turned the river from its ancient bed and hung it for miles together in wooden boxes upon the mountainside, or thrown it from hill to hill in aqueducts that tremble at their own airy height; or he has pumped a river dry and taken its golden bottom out. . . . (from the Hesperian).

ANYBODY'S GOLD

Parables for children tailored to fit Mrs. Day's romantically named juvenile department, "Youth's Casket". It was Mr. Sproat who contributed to this young people's section the poem entitled "Little Margaret, the Lost Child," which began -

The sun was set, the sky was dark;
Dark were the woods below
As little Margaret wandered on,
Not knowing where to go.

Fortunately for the peace of mind of Edith Day's child readers, Little Margaret was found. . . .

THE MINES COME OF AGE

(when). . . Clemens was still soaking up atmosphere along the Mississippi. . . .

ANOTHER EDITOR'S NOTE: The book is fascinating, particularly to those who are fond of western Americana.

FOR THOSE WHO WONDER WHY

I am an American - defender of freedom and guardian of the nation.

The service I render to my country is not only duty, but an honor and a privilege. Duty, as a citizen whose life holds responsibility for country in high regard. Honor, as an individual before God with respect for the ideals that make these United States a democracy. Privilege, for the ability to give, and fortunate enough to have been born in a land where my life, mind and ideals are my own.

To serve our country as a fighting man is a trust bestowed on me by the people. It is my hope for millions outside our borders who suffer under the rampage of tyranny, the absence of justice and freedom.

As an American fighting man, I find faith in my God and courage for those who have gone before me. My reason for service is a symbol for all men to see that the sacrifice of my fellow Americans was not in vain.

I make no claim to another's land or government but stand ready at the borders of freedom, not as an aggressor, but as a defender; and the nations of the world will know that "the pursuit of happiness" is more than spoken words, but a way of life.

The orders I receive are derived from the people and I am responsible to them.

LT. JOHN L. BANKS, III, USAF

The words above are an epitaph for their author.

John Banks III was 24 years old when the four-engine transport plane he was copiloting in South Vietnam crashed, taking his life.

The short essay entitled "I Am An American" was written by young Banks for an essay contest and was between pages of a scrapbook that he had entrusted to his best friend the day before he was killed. The friend returned the scrapbook to Banks' father, a resident of Superior, Wisc.

FLOYD PHILOSOPHER Looks Into Some Living Expenses On The Moon And Stays Satisfied

Editor's note: The Floyd Philosopher on his Johnson grass farm gets into some high finance, his letter this week reveals.

Dear editor:
According to a copy of a newspaper I found in the same ditch alongside the road out here near this Johnson grass farm yesterday with a note on it saying "I'm temporarily out of tin cans and bottles but will try to bring you some more next week," the cost of living index has gone up a few more points.

Talking about this, a neighbor of mine said he just didn't see how he was going to make it, every time he turns around things have gone up. I agreed with him, and with an argument, but didn't tell him his trouble is he doesn't read the newspapers thoroughly enough.

For example, in the same issue was an article reporting that space suits astronauts will wear when they land on the moon will cost \$60,000 apiece.

I got to thinking about this and decided my neighbor doesn't know how well off he is. What if he was living on the moon with a wife and two kids? Did you know it would cost him \$240,000 just outfit his family in one

suit apiece? And that just covers standard suits. Women's moon suits naturally will cost more, when you figure in the sequins and the lace. And think what it would cost Bobby Kennedy.

When you get down to figuring the other costs, say imported oxygen for the average family at \$15,000 a month, rocket-delivered water at \$500 a gallon, a 200-pound kitchen stove delivered from earth at a cost of \$30,000, plus installation and possible moon sales tax, not to mention the weekly grocery bill which, considering how many food-laden rockets from earth will mis-fire and splatter on Venus or sail off into space indefinitely, will run 'd store around \$20,000 for each trip to the store, provided you use lots of meat substitutes or buy the cheaper cuts, you can begin to see what the high cost of living really means.

All in all, I figure anybody making less than 5 million dollars a year can't afford to live on the moon, and that doesn't include deductions for Social Security and Withholding.

Me and my neighbor may be a lot better off down here on earth than we figured. Yours faithfully,
J. A.

Rites Held For Mrs. Thomas

Funeral rites for Mrs. Lucy Ann Thomas, 79 year old long-time resident of Floyd County, were conducted last Thursday in the First Methodist Church in Lockney. Mrs. Thomas was fatally stricken with a heart attack at the farm home of her daughter, Mrs. Red Watts, near Floydada on Tuesday evening of last week.

Survivors include two sons, three daughters; two brothers; a sister; 18 grandchildren and 13 great grandchildren. Mrs. Watts and a son of the deceased, Ernest Lee Thomas, are among Floydada survivors.

FLOYD DATA

Visitors of Rev. and Mrs. H. L. Thurston Saturday to Monday were Mr. and Mrs. J. B. Braley, Marcia, Keith, and Sharon of El Paso. Mrs. Braley is Rev. Thurston's sister. Marcia has just graduated as a R.N. at the Methodist Hospital School of Nursing in Dallas and will be employed in an Albuquerque hospital. Keith has been accepted as a pre-enrollee in the new law school at Texas Tech for the fall of 1968.

Monday through Thursday of this week the Thurstons had as their guests their daughters, Mrs. R. P. Williams, with Steve and Lucinda, of Plano; and Mrs. Dan Ellis, Patti and Ginger, of Ft. Worth.

Patterning Program Needs Just Ahead

The patterning program that has been underway for about a year now in Floydada is in fine shape at present, according to word received from Mrs. Tommy Assiter, who is in charge of the program. But, with so many students, teachers, and others helping out who are involved in the school program, it is anticipated that there will be a shortage of help available in only a few weeks. There must be a minimum of five persons to do the patterning. Mrs. Assiter stresses that though the patterning takes place at the First Methodist Church, this is not a church activity as such, only that the congregation there offers its building as a convenient location. It is a community activity. She also emphasizes that those persons wishing to know more about the program are welcome to come by the church and observe a patterning session.

Showers Honor Jan Stansell

Jan Stansell, bride-elect of Joe Hennig, was feted with a gift coffee, Saturday morning, July 29 in the home of Mrs. Doyle Moore. In the receiving line with Mrs. Moore and the honoree were Mrs. Jack Stansell, mother of the bride-elect, and Mrs. Clint Hennig of White-wright, mother of the prospective bridegroom.

Guests were registered by Miss Jill Stansell, sister of the bride-elect.

Miss Dee Wilson and Miss Lucy Cogdell served from silver appointments. The table was decorated in turquoise and white, the bride-elect's chosen colors, complemented by a center arrangement of turquoise daisies and white tapers.

Hostesses for the tea were Mrs. Mmes. Doyle Walls, Elmer Biggs, Carl Jarrett, Kearney Edmond, Louis Pyle, Woodrow Wilson, J. K. West, Bill Cagle, John Reue, L. D. Simpson, John Hotchkiss, Dorris Jones, Jim Word and Mrs. Moore.

Their gift was Teflon cookware and a portable mixer.

Miss Stansell and Hennig plan a September 2 wedding in the First Baptist Church in Floydada at 6 p.m. Rev. Floyd C. Bradley will officiate.

JAN STANSELL GIVEN RECIPE SHOWER

WHITEWRIGHT, TEXAS - A recipe shower honoring Miss Jan Stansell of Floydada, bride-elect of Joe Hennig, was given last Thursday at 4:00 p.m. in the home of Mrs. A. M. Bryant.

Mrs. Bryant and Mrs. James Bryant were co-hostesses. Miss Jill Stansell, Miss Becky Blanton and Miss Janis Hennig served refreshments. Varied flowers decorated the table.

Each guest brought a recipe and aids in making it. Twenty guests attended.

A recipe file was presented as a hostess gift.

SHOWER HONORS JAN STANSELL

WHITEWRIGHT - Miss Jan Stansell was honored with a shower Friday morning from 9:30 to 11:00 in the home of Mrs. Jack Meador.

Co-hostesses were Mrs. Meador and Mrs. Herman Philley. Others in the house party were Mrs. Earl Blanton, Mrs. Marshall Hasty, Jill Meador, and Janis Hennig.

Chosen colors of turquoise and white were featured in decorations.

Special guests included Mrs. Jack Stansell, mother of the honoree; Jill Stansell, her sister; Mrs. Clint Hennig, mother of the prospective bridegroom; his sister, Janis Hennig, and his grandmother, Mrs. Lillie Perkins of Olney.

Fortenberry Reunion Held In Lockney

The sixteenth annual Fortenberry reunion met at the American Legion Hall in Lockney, Texas, Saturday, August 12. Children of the late "Uncle Ceph and Aunt Ann" Fortenberry who were present this year were Jack and Hugh of Adrian, Tom of Lockney, Mrs. Mae Taylor, Mrs. Nancy Lemons and Mrs. Nancy Kelley of Lockney; also Mrs. John Fortenberry of Lockney and Mrs. Joe Fortenberry of Floydada. Mrs. John (Lizzie) Seay of New Mexico was unable to attend due to ill health in the family.

There was an enjoyable time of visiting and fellowship until 11 a.m. At this time the group was called to order by Eddie Joe Fortenberry, president, for presentation of a brief program. Mrs. Robin Fortenberry led the group in singing accompanied on the accordion by Mrs. Patsy Boone of Childress, Sheila Taylor at the piano and Ricky Taylor of Hollis, Oklahoma on the guitar. Welcome was then made by Eddie Joe, who then turned the program over to Charles Higgins of Adrian, the vice president. Paula and Pamela Boone, talented young daughters of Mr. and Mrs. Lafayette Boone rendered a beautiful vocal number "Jesus is the Reason." Mrs. Alta Mae Higgins of Adrian presented some inspirational readings, followed by a special selection "There's a Rainbow" by Miss Sheila Taylor. Mrs. Robin Fortenberry then led the group in another song, which normally would have been introductory to the memorial services for deaths within the group for the past year; however, even in such a large group, not one death was experienced since the last meeting date of August 13, 1966.

Cecil W. VanHoose of Floydada delivered the devotional service for the occasion. Minutes of the 1966 meeting were read and approved. There was a short business session, at which time the present officers were returned to their respective offices as follows: Eddie Joe Fortenberry, Lockney, President; Charles Higgins, Hereford, Vice President; and Mrs. Mary Doris, Gamarco, New Mexico, Secretary-Treasurer.

It was also voted that new Family History Record books would be compiled during the forthcoming year, to be available at the 1968 reunion.

Rev. Horace Reeves of Plainview led the group in prayer, dismissing them to a lovely covered dish lunch. Ladies of the Women's Missionary Council of the Floydada Assembly of God Church assisted in serving the bountiful meal.

The afternoon was spent visiting, singing and taking pictures. Some 150 registered during the day. Numerous locations in Texas were listed in the registration book, as well as Hamilton, Ohio, Yuma, Arizona, Hollis, Oklahoma, Gamarco, Raton, Clovis, Gallup and Carlsbad, New Mexico.

The 1968 reunion will be held the second Sunday in August in Hereford, Texas.

Hodge Reunion In Lubbock

The Fourth Annual Reunion of the descendants of the late G. T. and Lula Hodge was held Sunday, August 13 at McKenzie Fair Park Party House in Lubbock.

A bountiful basket lunch was served at the noon hour and the afternoon was spent in visiting. Seventy-five attended.

Those attending were: Mr. and Mrs. Elvin Hodge and Mr. and Mrs. R. V. Bartlett of Fort Worth; Mr. and Mrs. Mark V. Hodge of Hobbs, N.M.; Willis Frohock and Terry Dean of Houston; Mrs. Stanley Waits, Debra, Elaine, John, Karen and Mark Jeff of Abernathy;

Mrs. Martha Main, Deborah and David of Palestine; Pam and Brad Thornhill of Austin; Mrs. Bulah Reeves, and Mr. and Mrs. Jack Barnett of Plainview;

Mrs. Kenneth Sellers and children, Mr. and Mrs. Forest Dendy, all of Ralls; Mrs. Ann Hays and daughter Heidi of Idalou; Mr. and Mrs. Jack Pierce and children of Calgary; Mr. and Mrs. W. T. Barnett and Mr. and Mrs. C. B. Leatherwood of Crosbyton;

Mr. and Mrs. H. B. Barnett, Mrs. Odessa Cage and Clay, and Mr. and Mrs. Kyle Holloman, Mr. and Mrs. Curtis Leatherwood and son Charles, Mr. Jimmy Barnett and Jimmy Jr., Jay and Judy, all of Lubbock;

Mrs. C. E. Bartlett, Mr. and Mrs. J. C. Odam and Gary, Mr. and Mrs. Rodger Sanders and children; Mr. and Mrs. Richard Sanders and children, Mr. and Mrs. Curtis Sanders and children, and Mr. and Mrs. Otho Sanders, all of Floydada.

Mrs. C. E. Bartlett is the only surviving child of the late G. T. and Lula Hodge and the oldest person in attendance. Willis Frohock and son Terry Dean traveled the farthest distance to attend.

The total of 75 was the largest number in attendance since the first reunion, which was held in observance of the 80th birthday of the late Mrs. J.H. Poore, sister of Mrs. C. E. Bartlett.

Mrs. W.C. Sims Given Tribute

Mrs. W. C. Sims was paid tribute last week during Sunbeam Focus week at the First Baptist Church when mothers and visitors of Sunbeam members were honored. This portion of the program was in form of a "This is Your Life" theme.

Mrs. Sims, a former Sunbeam worker, was described as kind, patient, faithful and loyal and was extended a deep appreciation for her work and love of the church and Sunbeams.

Mrs. R. A. Garrett, a former neighbor of Mrs. Sims, was introduced. She told of the earlier life of Mrs. Sims and her husband, of their spacious farm home, of the huge water tank where many were baptized, of Mrs. Sims' love for children and God and how faithful through the years she had been to her church; how she helped children develop Christian relationships with others, guiding them to think of ways they might help others love Jesus.

Letters were read from Mrs. C. C. Huckabee and Mrs. Myron Kattner in tribute to Mrs. Sims. Both worked as leaders with Mrs. Sims a number of years ago.

Mrs. O. G. Mayfield, director of World Friends and working with Mrs. Sims and of her untiring efforts, always prepared and hands never empty. Mrs. Mayfield then presented Mrs. Sims with a gift from all leaders and children of World Friends and Sunbeams.

Other Sunbeam leaders are Mrs. Crabtree, Mrs. Floyd Fiquia, Mrs. Bud Rainey, Mrs. Bob Irwin, Mrs. Jimmie Seay and Mrs. Mayfield.

Visitors present were Mrs. K. E. Mayfield, Bill, Kenny and Paulette of North Little Rock, Ark.

Mrs. Ted Bell was narrator for the program and Mrs. Everett Collier, W.M.U. president, gave closing prayer.

Congratulations To

Mr. and Mrs. Leslie Bunton of Floydada on the arrival of a daughter born August 4th in Lockney General Hospital. The baby, named Sonya, weighed six pounds, 13 and one half ounces.

Mr. and Mrs. Dickie Self of Floydada on the birth of a daughter, Connie Lynn, born August 3 in Lockney General Hospital. The baby weighed seven pounds, and nine ounces at birth.

Ten Rural Highway Accidents in Floyd County in July

The Texas Highway Patrol investigated 10 accidents on rural highways in Floyd County during the month of July, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area. These crashes resulted in seven persons killed, fifteen persons injured and estimated property damage of \$6,185.00. The rural accident summary for this county during the first seven months of 1967 shows a total of 43 accidents resulting in ten persons killed, 32 per-

sons injured, and an estimated property damage of \$32,273.00. "School days" are almost here again. Many of the schools in this area will be starting classes before Labor Day. Many drivers have become accustomed to ignoring school zones and signs during the summer months with the thought, "why bother, school's out anyway." But now the time is rapidly approaching to start paying close attention to signs warning of school zones and buses. Many parents will attempt to

make the forthcoming Labor Day their final vacation outing. "Don't let this outing be fatal," the sergeant stated. Thirty-two lives were lost in traffic over the Labor Day weekend in 1966.

Johnson Says Cotton Picture Looks Better

Quiet optimism concerning the future of cotton was voiced by Donald Johnson, executive vice president of Plains Cotton Growers' during the annual Floyd County PCG meeting last Tuesday night in Lockney.

He expressed a belief that with reasonably good quality, much of the Plains cotton crop could sell on the market this year and bring 200 points over

the loan," especially cotton which is one inch or longer staple.

"The picture does look better than it has in some time," Johnson added.

However, he warned that continuing efforts must be made to find stronger markets for short staple cotton. Of the surplus, almost one-half is 1 1/16 inch. Johnson expressed concern over future cotton programs.

"When the present program runs out in '69, we must have another program or we must revert back to the '58 act. We expect a new bill to be written." "It is hard to keep urban congressmen sold on farming. We must have our own house in order when the time comes to write a new bill," the PCG executive stated.

\$10,000 LIMITATION
One threat mentioned was the \$10,000 limitation per farmer, a move which comes up in virtually every session of Congress. "This is a serious threat we must guard against," Johnson believes.

"It is hard for some urban congressmen who do not know a cotton stalk from a Volkswagen to understand a cotton program. It's sometimes hard for us in the business to understand some programs."

One of the 35 men attending the session asked Johnson if "We can grow longer staple cotton on the Plains."

Johnson answered: "Yes, better quality seed is becoming available. I believe we will see more one inch or longer cotton. I believe we can stay in the business and improve our quality."

Representative Here To Explain Wheat Program

Floyd County wheat farmers can help eliminate the uncertainty for their 1968 crop that plagued them this year by participating in the low-cost government program of All-Risk insurance administered by the Federal Crop Insurance Corporation, (FCIC)

FCIC Field Representative Mike Custer from the district office at 1611 Avenue M, Room 105, Lubbock, Texas 79401, is now in the county for a limited time explaining how the program operates. He says that insured farmers in the state shared in an estimated \$310,000 in loss payments for the 1967 crop when drought, freeze and wind plus other natural causes damaged the wheat.

Federal Crop Insurance helps eliminate the uncertainties of weather or other natural hazards to the crop by providing cash payments to farmers when yields fall below policy guarantees.

"This helps stabilize individual farming operations, provides for the return of dollars invested in the crop when failure occurs, enhances credit ratings and allows secured borrowing when needed," Custer says.

Wheat producers may contact Custer through his district office for full details on how the program can protect them.

LARGER STAPLE SEEN
The speaker expects that 25 percent of the '67 Plains crop will be one inch or longer. He added that one reason for lower short staple price is a move by government to induce producers to grow a better quality product which will sell.

Johnson cited a move by other areas - primarily in Arizona and California - to gain added acreage. They present a strong argument because cotton in these areas is longer staple, for which there is a strong market.

Delbert Bullard has worked with Southwestern Bell for 39 years

He's seen a lot of changes in telephone service

"They've definitely been for the better," says Mr. Bullard, chief deskman at Longview, Texas. "It hasn't been too many years ago that we were out setting poles with ropes and mules. Then we'd get one of those wet, heavy snows and we'd have to set them all over again. Now our equipment is as good as you'll find anywhere. And snowstorms don't bother buried cable and microwave towers."

"Customers get better service now—it's more reliable and costs less, too. When I started work, it was difficult to even recognize a voice on a Long Distance call. Now it's like talking across the room."

What about the changes coming in the next 39 years? "I'm not sure," Mr. Bullard says. "We've got Picturephone and the laser coming in a few years. Where do you go from there? I guess the sky's the limit."

Whatever comes along will come because of people like Mr. Bullard. He and 26,000 other Southwestern Bell people in Texas have one thing in common. They're working to make your telephone service better than ever.

CORRECTION

A check with the county sheriff's department shows that some corrections should be made in last week's story, mostly relating to first names. In a knife fight at the Murry Jones cafe in the flats on Friday evening, Aug. 4, Leon Collins injured John Willis (Tip) Williams severely enough for the latter to be placed under a doctor's care, but not critically. The fight was investigated by city police, but since aggravated assault charges must be filed in county court, they were turned over to the sheriff's department and charges made in county court. Collins was fined \$50 and court costs, which ran the total up to \$81.95, which was paid. Williams was released on bond of \$750 and returned to Lockney Hospital for further medical care. No one named Tommie Collins or Leon Williams was involved in any way.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Aug. 14 - Cool weather spread through our area last week, and many air conditioners were turned off, but Sunday's warm temperatures made us aware that summer is still with us. Farmers are running their irrigation wells, and cotton is loading up with blossoms.

South Plains Baptist Church members held a farewell party for song leader, Mr. and Mrs. Don Brashear and son Sunday night after evening services, as they are leaving soon for their new home in Lovington, N.M. Carol will leave this week with the first load of furniture, and Don will follow next week. The church fellowship enjoyed homemade cakes and freezers of ice cream, and the Brashears were presented a gift, "Prayers of Gold". Don will be here to lead the singing next Sunday.

Mr. and Mrs. Alton Higginbotham, Kelly and Bryant left Friday for Tres Ritos, N.M., to stay until Thursday of next week. They are staying in a cabin and plan to rest and fish.

Mr. and Mrs. Fred Fortenberry went to Lockney Saturday

where they attended the Annual Fortenberry Reunion of families and near relatives. Around one hundred attended. Barbecue, tea and breads were served at the noon hour, with all the families bringing salads, vegetables, cakes and pies for the noon-day meal. Every four years the reunion is held at Hereford, but this year it was held at the American Legion Hall.

Mr. and Mrs. David Cannon of Halfway and their children were Saturday afternoon guests and supper guests as they came to visit her sister, Rev. and Mrs. Charles Conger and Bentley. They took Gary home with them, after he had spent part of the week here with his cousin, Bentley.

Sunday visitors at the South Plains Baptist Church included Mr. and Mrs. Hubert Holcomb of Crosbyton, Mr. and Mrs. Robt. McCrory, Patricia, Rhonda and Junior Fortenberry of Lone Star, and Dickie Julian of Roscoe. Tuesday afternoon, Aug. 15, at the church there will be a Christmas in August program at the Fellowship Hall for mothers of the GAs and

RAs of the church. The children and mothers have been especially invited to attend the party and bring toys, and other gifts for the Indian children of Oklahoma. The Missions project list items for the Indian children such as toys, socks, toothbrushes, tooth paste, scarves, crayons, construction paper, towels, wash cloths, etc. Be sure and be there by 3:30 Tuesday afternoon. The church has selected the following to serve as the nominating committee to get new teachers for the new year beginning in October, Philip Smitherman (chairman) Shelby Calahan and Janis Julian will be on this committee.

Mr. and Mrs. Thomas Maurer arrived home August 5, after enjoying a ten day vacation over near Santa Fe, at Tres Ritos, N.M. where they camped out in the mountains, fished and hiked among the valleys. Mrs. W. B. Cates, mother of Mrs. Maurer, went with the Maurers for the vacation.

Mr. and Mrs. Frank McClure spent last week in Grand Prairie, and will be there during this coming week with their grandson from Houston. The McClures visited last weekend in Houston with their son, Mr. and Mrs. Donald McClure and children, and also spent one night in Snyder on the way to Houston.

Mr. and Mrs. Fred Fortenberry finished carrying mail for Cliff Gilley on the Quikway Route this past Saturday, after he and his family had enjoyed a real two weeks vacation up at Pagosa Springs, Colo. The Fortenberrys also helped their son, the Elmo Fortenberry move to Lockney on Wednesday of last week.

Mr. and Mrs. Terry Julian and Dee from Roscoe will spend this Monday night here with his folks, the Murray Julians, and Tuesday morning the Julians with Dickie, who spent most of last week here with his grandparents, will leave for Vallecito, Colo. for a weeks vacation. Mr. and Mrs. Kendis Julian, Mitzi and Kristi will accompany the Terry Julians on

Irrigation Firm Is Purchased By Two Lubbock Men

The purchase of Southwest Irrigation Company by Bob Gressett and Bill Gamblin, was announced this week during a Stockholders' meeting held at the main offices in Lubbock. Effective July 31, Southwest Irrigation Co., with its manufacturing plants, shop and repair facilities, warehouses and seven sales offices in Lubbock, Muleshoe, Plainview, Dimmitt, Crosbyton, Denver City, and Gruver, Texas, will be locally owned and locally operated.

The officers of the company will be: Gressett, president; Gamblin, secretary-treasurer; Hulen E. Clifton, Jr. of Crosbyton, vice president and Gil Webster of Plainview, vice-president. Headquarters of the company will remain at 1201 E. 34th Street in Lubbock.

Gressett, who has been in the irrigation business over 16 years, is a native of Stamford, and a graduate of Texas Tech. He resides with his wife and four children at 4304 49th St., Lubbock.

Southwest Irrigation serves the tri-state area of Texas, New Mexico and Oklahoma.

the vacation here they plan to fish and rest. Vallecito is near Durango, in the lake area.

Mr. and Mrs. Otto Sanders, Mr. and Mrs. Curtis Sanders, Shanda and Bryan, Mr. and Mrs. Richard Sanders, Regina, Rene and Stanley, Mrs. Martha Main, Debra and David of Palestine, and Mr. and Mrs. Roger Sanders, Sherry and Gary of Floydada, all went to Lubbock Sunday where they attended the Family Reunion of the Hedge Families, the family of Mrs. C. E. Bartlett, mother of Mrs. Otto Sanders. Each family took a basket dinner to have at noon, and spent the day in Mackenzie Park at one of the Park houses.

Mrs. Poyner Roberts and Ken Roberts of Floydada were Sunday afternoon visitors and had dinner here with her daughter, Mr. and Mrs. Kendis Julian and girls.

We are sorry to hear that Mrs. Jack Smitherman is in the hospital at Dimmitt and was taken there Saturday night. So far her illness has not been diagnosed, and we hope that she comes home soon.

Sunday dinner guests with Mr. and Mrs. Sylvie Kinnibrugh and Beth Sunday were Beth's sister, Mr. and Mrs. Teddy Home of Lubbock, and Teddy's parents, Mr. and Mrs. Paul Home of Truscott, Miss Paula Home of Lubbock, and Mr. and Mrs. Ray Dillard of Lockney. Visiting with them Sunday afternoon were Mr. and Mrs. J. A. Kinnibrugh of Vera, and Mr. and Mrs. John Kinnibrugh, Beverly and John Mark, who had dinner with the Kevil Coffmans in Aiken, and other guests there were the J. A. Kinnibrughs, Mrs. Teddy Home will spend this coming week here with her parents and Beth.

SOUTH PLAINS SCHOOL NEWS School children will register at 8:30 September 1, at the school house, and there will be a PTA business meeting for all parents at that time, according to Mrs. Glen Wood, president of that organization. All the first graders need their smallpox vaccinations and parents should send their cards. School will begin at the regular session September 5, and lunches will be served in the lunchroom that day, according to Mrs. Stewart, school dietitian, G. C. Applewhite will be the new 5-6th grade teacher, added to the staff this year to replace Mrs. Myers.

L. N. Johnson went to Pampa Sunday after lunch to visit with his parents, Mr. and Mrs. O. A. Johnson, and returned late Sunday evening.

Pension Checks Floyd Resident

(Special to the Hesperian) NEW YORK, Aug. 12 - Payroll taxes, taken from the weekly earnings of Floyd County workers over the past 30 years are now paying off in good measure in the local area. The taxes, which went into the trust funds of the social security system, are now coming back in the form of monthly pension checks for elderly or injured workers and their families.

As of the latest count, some 1,411 men, women and children in the local population are benefiting, as a result. The majority of the recipients are retired workers or their survivors. The remainder are disabled people and widows, children and other dependents. The extent to which the pension system has been expanding

MEMBERSHIPS He was a conferee of the Committee on Accounts, National Association of Railroad and Utilities Commissioners, 1964; member Interregulatory Agencies Accountants Committee, 1965. He is a Certified Public Accountant, and a Texas Member of the American Institute of CPA's. He is a member of the Federal Government Accountants Association, Acacia. He is a Democrat, Baptist, and a Mason. His home address is 3800 Oakland St., Arlington, Va., 22207.

Pension Checks Floyd Resident

In the last few years, the degree to which the pension system has been expanded has been a source of interest to many Floyd County residents. The growth has been the most part, in the social security system. Along with the number of beneficiaries there has been a increase in the state pension in the local area.

The total amount of the first of this year's annual rate of various changes in taxes, the payment of \$725,000. Nationally, such has mushroomed, except 30 years ago system under which persons are now receiving benefits. They are being over \$20 billion.

Present plans to expand it still further. Administration has a program Congress a proposed increase benefits by of 20 percent. Payroll would go up accordingly.

Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III to be known as Section 52e, reading as follows:

"Section 52e. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

"AGAINST the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

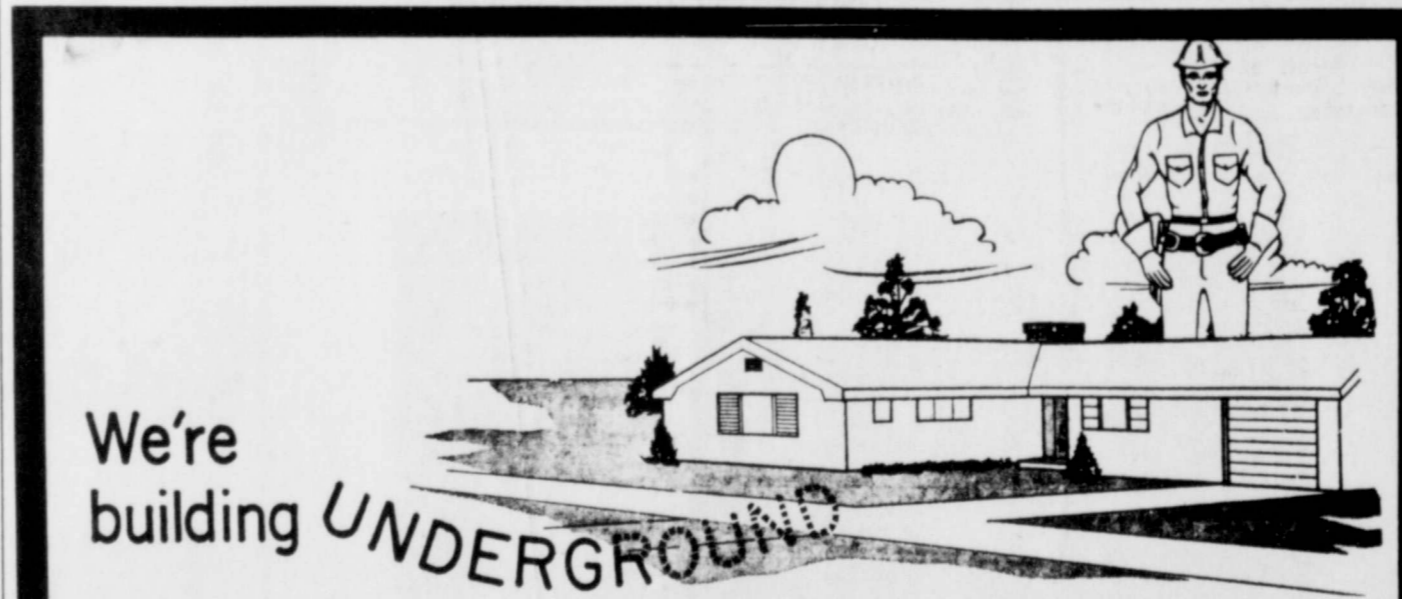

Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars (\$100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars (\$100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars (\$100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also author-

ize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxing voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars (\$100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."

"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

Whirlwinds Begin Training

42 Boys Report

By Wendell Tooley
Shoulder pads are popping, there's plenty of moaning and groaning... and the Floydada Whirlwinds of 1967-68 hit the practice field south of the high school, with a lot of enthusiasm and get-up-and-go this week. Forty-two boys are trying out for positions... this compares with 35 the beginning week last year.

Head coach Bill Curry and Teddy Allen are working with the backfield, new coach James Pope and Delbert Wiley are training the linemen. Coach Robert Millikin and new coach Curtis Chatam are working on the end prospects.

The Whirlwinds will practice two or three hours a day from now until school starts. A scrimmage game has been scheduled with Brownfield there, a week from tomorrow night.

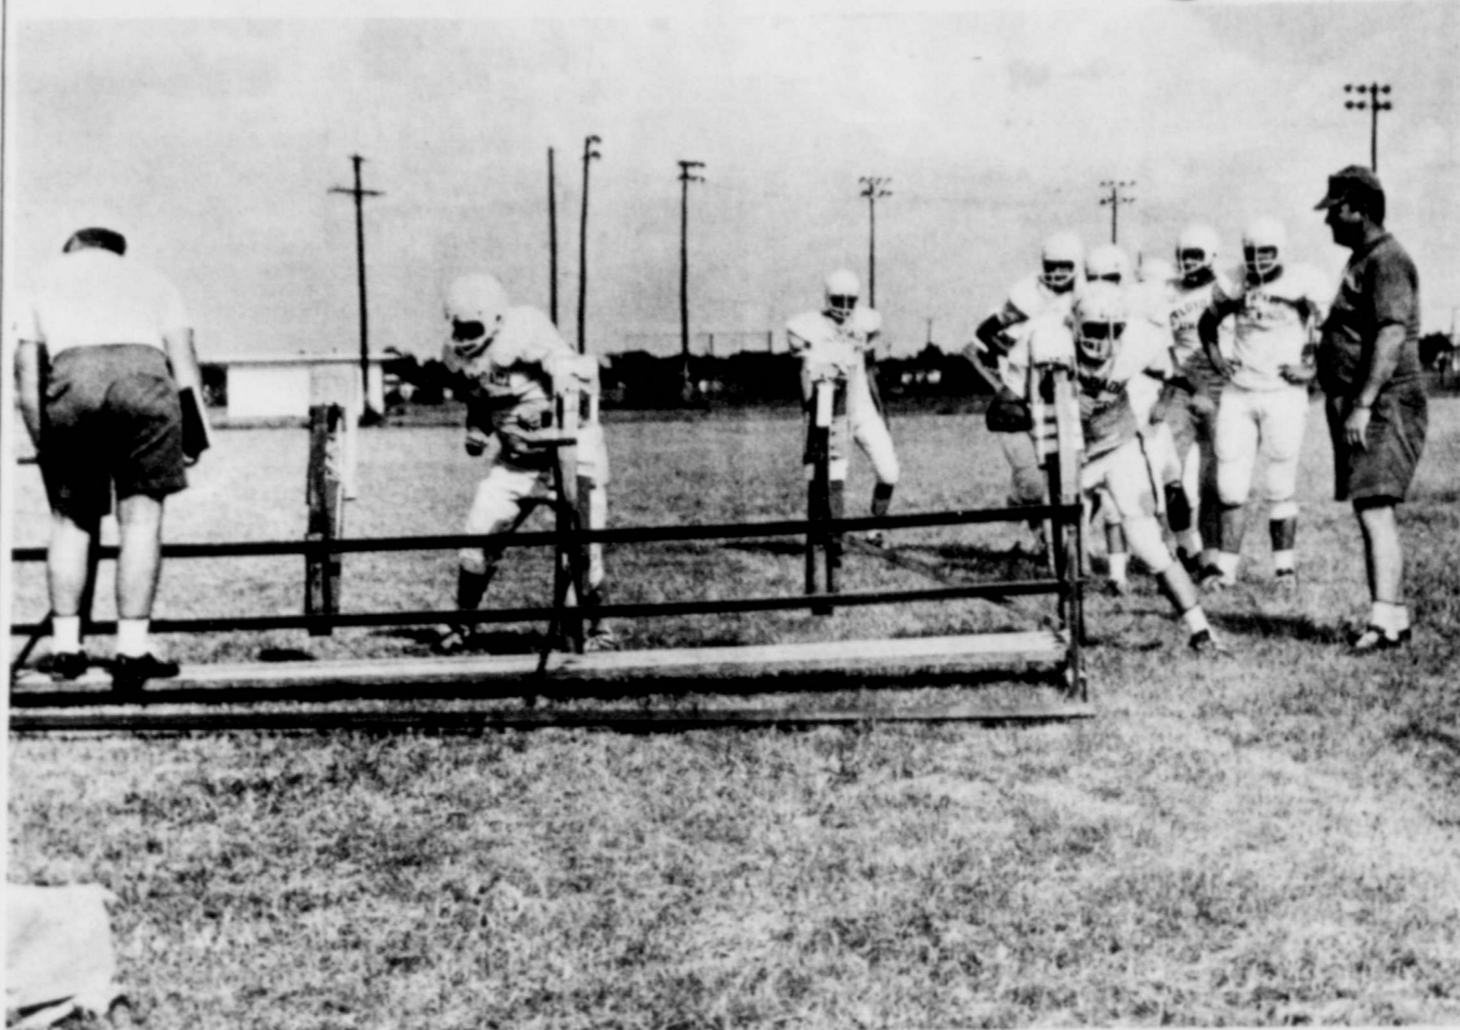

The Whirlwinds are big, several are experienced, and it looks like there is plenty of material from which to develop a district winning team.

Of course there are several problems... new ends must be developed... the back field and line are experienced, overall coordination and team effort must be complete where the team faces hereford there for the first game of the season. Twelve players graduated last year.

The Hesperian will follow the team closely with both pictures and play by play of each game and we'll have more information on the various players next week.

Prospects who have been practicing and their prospective positions are:

Bob Murry Plays On East Team At Childress

Bob Murry, 1967 graduate of Floydada High School, played end on the East team in the 18th annual Greenbelt football classic for high school players who have completed their eligibility. It was reeled off at Childress on August 12, with the West coming out on top 13-12. He has moved with his parents to Orange, California, where he has enrolled in Santa Anna Junior College.

He and his mother came back to Floydada July 31 for a visit with her parents, Mr. and Mrs. W. H. Smith, and with his grandmother, Mrs. O. E. Murry. For the Greenbelt game each player nominated a girl for queen. Bob chose Janis Murry, daughter of Floyd Murry, Plainview football coach. The elder Murry, with his twin brother, Lloyd, was once a football star at Floydada High School. Mr. and Mrs. W. H. Smith, Sr., Kay Murry, and Mr. and Mrs. Floyd Murry traveled to Childress for the game and festivities associated with it. While there they attended the Hospitality Picnic in the Fair Park on August 11.

Quarterback Club Kickoff Monday Night

The Floydada Quarterback Club will have their first meeting to kickoff the 1967 football season, Monday evening, August 21, at 8:00 at Wester Field.

The annual watermelon feast will be held prior to the regular business meeting at which time officers will be elected for the coming year.

We will have an opportunity to visit with members of the Whirlwind team and coaching staff of Floydada.

All residents of the area are cordially invited to be there to show support and boost the Whirlwinds off to what we think will be a terrific season.

Lets back our kids all the way!

WHEREAS, the City Council

of the City of Floydada, Texas,
deems it advisable to issue the
bonds of said City for the pur-
pose hereinafter mentioned;
therefore,
BE IT RESOLVED AND OR-
DERED BY THE CITY COUN-
CIL OF THE CITY OF FLOY-
DADA, TEXAS:
SECTION 1: That an election
be held on the 8th day of Sep-
tember, 1967, which date is not
less than fifteen (15) nor more
than thirty (30) days from the
date of the adoption of this res-
olution and order, at which elec-
tion the following proposition
shall be submitted to the resi-
dent qualified electors of said
City, who own taxable property
therein, and who have duly ren-
dered the same for taxation:
"SHALL THE CITY COUNCIL of
the City of Floydada, Texas, be
authorized to issue the bonds of
said City in the amount of FOUR
HUNDRED THOUSAND DOL-
LARS (\$400,000), maturing
serially in such installments as
may be fixed by the City Coun-
cil, the maximum maturity be-
ing not more than THIRTY (30)
years from their date, bearing
interest at a rate not to exceed
SIX PER CENTUM (6%) per an-
num, for the purpose of improv-
ing and extending the City's Wa-
terworks System, to be issued
in accordance with and secured
in the manner provided in Ar-
ticles 1111-1118, both inclu-
sive, of the Revised Civil Sta-
tutes of Texas, 1925, as amend-
ed, each bond to be conditioned
that the holder thereof shall
never have the right to demand
payment of said obligation out of
funds raised or to be raised by
taxation, and secured by a
pledge of the net revenues from
