## Floydada Water Bond Election Tomorrow

### \$400,000.00 Bond To Purchase Land; Equip For Water Production

EDITORIAL  
Hesperian

#### "Water

Every future of this community depends on water. The Hesperian is 100% for the securing of water for our future. We believe that the water will pay the interest on the bonds. The bonds are the revenue source there'll be no city tax increases now if the bonds are voted.

CROSSING GUARD... Mrs. Fred Lipham, one of the three crossing guards employed by the City of Floydada is pictured directing school children across the street on the first day of school. (Staff Photo)

## Floydada Whirlwinds Open Grid Season At Hereford Friday

By Wendell Tooley  
The Floydada Whirlwinds open the grid season in Hereford tomorrow night and the kick-off is scheduled for 8:30. The 'Winds will be trying to balance out last year's defeat of 14-7 handed them by Hereford on the home field. The school office reports that plenty of tickets are still available to the game and the Whirlwind fans are to sit on the east side of the stadium.

This will be the first time Floydada has played football at Hereford since 1952. The new Hereford stadium is located in the northwest area of Hereford. Floydada fans should come in from Dimmitt, continue on highway 385 across the Clovis

to Amarillo highway, continue north on 381 until they see the stadium lights about three miles. SEE FOOTBALL PAGE 2

## 1967 Cotton Estimate 65,000 Floyd Bales

According to an estimate made by the Plains Cotton Growers of Lubbock, Floyd County's estimate for the 1967 cotton crop is now 65,000 bales. This compares with an estimate of 64,000 bales the first of August.

According to ASCS head Tom Moore around 50,000 acres of cotton will be harvested. The estimate would give the county about a bale and a quarter per acre average.

Last year's cotton crop got too wet and cold in August and September and only 57,000 bales were harvested. Although this year's rainfall to date is less than last year, most of the rain has come in the growing season and the cotton crop looks good. Of course there is a lot of late cotton that

Residents of Floydada will vote at the city hall tomorrow on a \$400,000.00 revenue bond that if approved will purchase 480 acres of land five miles west of town for future water needs and equipment for water production.

The city hall is the only voting place and the balloting will be open from 8 a.m. to 7 p.m. Election judge is Fred Battey.

All regularly qualified voters who have lived in the state of Texas one year, in Floyd County six months and are residents of Floydada on the date of the election, and have rendered property of any kind

for taxation by the city are eligible to vote.

The bonds are of the revenue type, which means there will be no tax increase and no increase in water rates, according to

city manager Bill Feuerbacher.

The land to be bought belongs to Mr. and Mrs. John Hoffman, five miles west of Floydada.

SEE BONDS PAGE 2

## Engineer Explains Selection Of Land

A Hesperian reporter interviewed city engineer Bill McMorries yesterday morning about the underground water supply of the John Hoffman farm which the citizens of Floydada will decide to purchase or not purchase for future water supply in a \$400,000 bond vote September 8.

McMorries said the 480 farm was selected for two reasons. The history of the underground Ogallala formation of decline of water table is low and the strata of water bearing sand is 250 feet.

McMorries showed water study maps he used in making his decision. He pointed out that the decline ratio was greater and water bearing formations were less in the country club

area, the area near present wells on the Massie land, and other areas near Floydada.

"In fact, if you go northwest of the Hoffman farm, toward Barwise," you'll find strata of underground water up to 350 feet," McMorries said.

"On the basis of these underground studies, and considering past history very strongly... we feel that this farm could furnish an adequate water supply for Floydada for the next 25 years," he continued.

McMorries said that Floydada should reach a population of 5400 by 1980, and 8200 by 1990. He said its present water requirements are 660,000,000 gallons per day with a peak need of 1,988,000 gallons per day. SEE ENGINEER PAGE 2

## Deep Well Might Produce 200 GPM

According to a report from the Hi Plains Drilling And Supply Company of Abilene, the 1,000 feet well they dug near the city hall might yield 200 gallons per minute.

The well was dug about two weeks ago and the following report from the drilling company was submitted to city manager Bill Feuerbacher this week:

"The results of the electric log on this test hole are not all that we had hoped for. After completion of the drilling, the first log was run with disappointing results, several more attempts were made at this time to improve the quality of the log, with no success.

The indication was a strong external source of A-C power competing with the logging voltage.

The logger was then taken to the electronics technicians to check the calibration and over all operation of the equipment. The test hole was cleaned out and two more logs were run, with the same results as the first.

We feel that due to the location of the test hole in relation to the City power plant, the competition from the A-C current will prevent the taking of a good quality log.

Based on the drilling and electric log our conclusion is a well at this location would make approximately 200 GPM."

## City Council Expresses Concern For Water Bond Election

The Floydada City Council voted 100% to submit the \$400,000.00 bond election to the people for their approval and individually when interviewed by a Hesperian reporter, they expressed the following statements for the bond election:

MAYOR LEONARD MATSLER: "I don't believe we can afford not to vote for this water bond."

SEE COUNCIL PAGE 2

#### ABOUT DAM WATER?

The Mackenzie Water Authority will possibly come up in October, 1967, with a \$1,000,000 bond vote coming up. People Friday will pay for itself, there should be no confusion as to whether to buy this or wait for the water. Let's buy the Hoffman water in October, let's consider a bond vote that will carry our needs on for

to have an editorial opinion on a bond election that is almost \$1,000,000 and will call for a 40 cent increase, such as the Mackenzie project.

The right to express an editorial opinion on when the Mackenzie bond election is detailed for better study.

Vote Friday, FOR the bond vote that will assure water for the immediate years.

#### Prock Chat

WENDELL TOOLEY  
HER wasn't exactly as we ordered airport opening Monday, but it was clear away about 3 p.m. time for the sky divers to per-

form one skydiver just after he landed. I asked him several questions and he thoroughly enjoyed it.

How many times he could use the chute. He replied, "counting this jump this chute has been used 141 times."

Out of the plane at 10,000 feet, he fell to 2200 where he opened his chute. He said he has never had to use the chute.

With Maurice Steen, son of Mr. Homer Steen, who flew in a two engine plane which was used for the ribbon cutting. Maurice has logged over 10,000 hours in the air... the most experienced present at the dedication.

With some folks who flew a couple from Silverton. One had a new plane with only 27 hours on it.

Below a column written by Dal-... the Sudan News last week. There are comments that I could add to it, some very interesting comments:

Associated Press columnist, writing up with a bunch of comments marks Husbands Get Tired Of, or To Lead To Trouble" or some-... So I've stolen his format with some Remarks Which Weekly Publishers Get Tired Of:

"I'm a picture here of my little daughter, and I want you to run it. It's no special occasion or anything so cute..."  
The print in the paper that old Joe Jerry crook. He is, you know... you just publish a paper once a week. CAPROCK PAGE 3

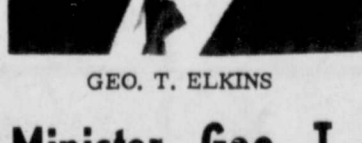

## Football Contest Begins Today

The annual Hesperian Football contest begins with this issue. \$15.00 in cash money is given each week for the first three winners of the contest. The contest appears in the second section on page five.

Deadline for entries is 5 p.m. Friday and a tie breaker game (Hereford-Floydada) game appears in the upper right hand corner. All contestants are reminded to indicate both a winner and total score on the tie breaker game.

Contestants should circle the team they expect to win. There are 22 area games listed in the sponsor's advertisements on the page. All games will be played Friday night. Announcement of winners will be made next week in the Hesperian.

All contestants are reminded to print name and address. SEE CONTEST PAGE 2

## Minister, Geo. T. Elkins Accepts Denison Church

Geo. T. Elkins, minister in Floydada for the past three years resigned recently to accept new work with the Church of Christ in Denison, Texas.

Due to the opening of school, the family has already left although their first Sunday will be Sept. 10.

The family stated that "we regret having to leave so many dear friends and a fine community, but we are looking forward to this new challenge."

The Elkins' will be living at 1306 Lafayette Dr., where Bro. Elkins will preach for the Armstrong Ave. Church of Christ.

appears in the upper right hand corner. All contestants are reminded to indicate both a winner and total score on the tie breaker game.

Contestants should circle the team they expect to win. There are 22 area games listed in the sponsor's advertisements on the page. All games will be played Friday night. Announcement of winners will be made next week in the Hesperian.

All contestants are reminded to print name and address. SEE CONTEST PAGE 2

## Airport Opening Huge Success

By Wendell Tooley  
Approximately 1,000 people attended the grand opening of the Floydada Municipal Airport here Monday. For most it was a holiday and although the weather was cloudy most of the day the ceremonies were a huge success.

According to the report from the "control tower" of Mr. and Mrs. Gayland Fleming 27 different airplanes landed at the airport Monday and over 125 landings were made as several planes were used in taking the visitors to the airport for an airplane ride.

The day began with a fly-in breakfast between 7 and 9 a.m. Miller Aircraft of Plainview and Cessna of Lubbock were on hand to display some new planes. At 2:30 the ribbon cutting ceremony was unique, as Mayor Leonard Matsler, councilmen Junior Simpson and Roe Jones were taken aloft by Maurice Steen in a Cessna "Sky Knight". When the plane landed it cut a ribbon that was held across the landing strip by Bill Brown and Wayne Collins.

Steen is a Floydada hometown pilot, now of Oklahoma City, and son of Mr. and Mrs. Homer Steen.

Following the ribbon cutting the crowd entered the big airport hangar where Jack McIntosh, a member of the airport commission was master of ceremonies.

McIntosh introduced airport manager Doodle Milton, president of the airport commission Aaron Carthel and Steen. Mayor Matsler made a short talk commending the people who helped make the airport possible. The Rev. Floyd Bradley gave the invocation.

There were possibly more customers than planes in the airplane ride part of the big day. Six or seven local pilots took passengers over the city.

The Lubbock Sky Divers were the big attraction. The six divers tried to pinpoint their landing just south of the airport, but most of them fell to the north and northwest of the airport. They jumped from 10,000 feet and a strong north wind gave them some trouble in hitting the proposed landing site.

## Lee Roy Terrell Opens Barber Shop

Lee Roy Terrell this week announced the opening of the Terrell Barber Shop at 317 East Houston (across the street from Rogers Restaurant).

Lee Roy has several years experience in barbering, owned his own barber shop for a period of time in Lubbock.

He will be open late hours for the customer's convenience and he invites everyone to come by and visit him in his new business.

TOBACCO ANYONE? ... P. O. Orman, 509 West Jackson is pictured with his tobacco crop that seems to be thriving in this climate. (Staff Photo)

**ENGINEER**  
FROM PAGE 1

day. He estimates that by 1990, the peak need will be 3,200,000 gallons per day.  
At present the city has seven wells pumping into the water system...and uses three more older wells for emergency times.

**REVENUE BONDS**

The \$400,000 in revenue bonds means that there will be no tax increase and no water rate increase. Only enough money to purchase this land, \$195,000 will be issued on the bond sale at this time. The rest would be used later when development of the land became necessary for water supply. City manager Bill Feuerbacher said that the land should yield an income of around \$10,000 a year for the next 20 years from government payments and grazing rent, and that water profits will be used to pay the interest on the bonds.

Water depletion maps and a complete engineer study of the project are available at the city hall for anyone who desires to study them.

**FOOTBALL**

blocks west of the highway. Coach Bill Curry's "Winds" have come through two scrimmages loser. They lost 4-0 at Brownfield in touchdowns and last Friday night lost 3-1 with Crosbyton here. The team is big, but slow in executing plays. However the improvement after the Brownfield scrimmage has been good.

I learned this from Whiteface Larry Wartes. His line will average 170, his quarterback, Jim Childers is a tall 6'3" boy who weighs 160 pounds. He has a speed merchant in 130 pound tall back Jerry Goodin. He has a young team with seven returning lettermen. The Whitefaces operate from the wing T formation.

This is the first year for Wartes to coach at Hereford. Hereford of course is a AAA team and Floydada will look mighty good if they can take them in this season's opener.

It seems that both teams will be without their first string kick-off men. Hereford's has just been found to be ineligible and Floydada's David Miller has received an injury that will keep him from playing.

Tim Rose is also injured and is not expected to see action for the "Winds".

There are 35 men on the local team now...eight weigh over 178 pounds. The line averages 192 pounds. Coach Curry said the team will operate off of the "I" formation, similar to last year.

Coach Curry has given the nod to the following Whirlwinds as offensive starters in the contest:

- Larry Barbee, 145 lbs., Sr., Back, Capt.
- Connie Bearden, 140 lbs., Jr., Back.
- Joe Christian, 185 lbs., Sr., Back, Capt.
- Dayne Golithly, 150 lbs., Sr., End.
- Tommy Jackson, 190 lbs., Sr., Back.
- Todd Wester, 140 lbs., Jr., End.
- Steve Pierce, 195 lbs., Jr., Center.
- Bobby Gilliland, 198 lbs., Sr., Guard.
- Dale Baker, 219 lbs., Jr., Tackle.
- Hulon Carhel, 190 lbs., Sr., Tackle, Capt.
- Brynn Walding, 199 lbs., Sr., Guard.

**COUNCIL**  
FROM PAGE 1

plan. This is the future for Floydada, and I hope our people will support the city council in approving the work that has gone into its presentation. We need this water with, or without the Mackenzie Dam."

**COUNCILMAN LOUIS ANDERSON:** "I would like to see our people vote for this water bond election. I feel this is a good investment for a progressive community. This will give us extra water if and when we need it later on, without a tax increase."

**COUNCILMAN JUNIOR SIMPSON:** "I don't foresee needing to pump any water from the Hoffman property for a few years, yet I believe it wise at this time to go ahead and have the security of having this available water when our city needs it."

**COUNCILMAN JOHN SMITHERMAN:** "I hope the people will turn out and vote, express their opinion on this bond election, and I think it is very important that we have this water."

**COUNCILMAN CLEM McDONALD:** "The very future of Floydada is at stake on this water bond vote. This is cheap water, and I hope our people will vote for the bond."

**COUNCILMAN ROE JONES:** Our city council is for the bond issue 100% and I personally feel that if Floydada is to progress and grow we must have an adequate water supply for years to come. I hope all of our qualified voters will express their opinion on this very important issue tomorrow."

**BONDS**  
FROM PAGE 1

Only \$195,000 of the \$400,000 worth of bonds would be issued at this time. . . .to pay for the land. The rest would be sold only when development of the land for water use becomes necessary. The \$400,000 need is computed on the basis of the cost of land, plus \$36,000 for three wells, plus \$134,400 for 24,000 feet of 16" line.

**CONTEST**

plainly on each entry. The contest is sponsored by several Floydada merchants each year.

Sponsors of the football contest are: Carmack Feed & Seed, Production Credit Assn., Moore Funeral Home, Floydada Implement Co., Muncy Ele-

vator, Higginbotham Bartlett Lumber, Dairy Mart, Travel Center Restaurant, Farmers Co-op Gin, Collins Implement Co., McDonald Implements, Allen Chrysler-Plymouth, Sanders Pump & Drilling, City Auto Inc., Oden Chevrolet, Hammond Sheet Metal, Producers Cooperative Elevator, Baker Insurance, Daniel Automotive,

Builders Mart, Martin and Co., Piggly Wiggly, Wylie Petroleum, Kirk and Sons, Eddie's Fina, Panhandle Compress & Warehouse.

plus cost of fittings, valves, automatic water controls and right-of-way.

According to the city manager, the land should pay back to the city about \$10,000 per year for government conservation payments and grass lease. Profit from the water would be used for payment of interest on the bonds.

The city will also possess all mineral rights on the property when the land is paid off in full.

**TODY CARDINAL SERIOUSLY ILL**

Tody Cardinal, 76 year old Lockney resident, who works in Floydada for Wyl's Butane, is said to be seriously ill in University Hospital in Lubbock. Cardinal became ill last week while working and was then taken Thursday evening to the hospital where his physician said he had suffered a stroke. He is said to have suffered a number of slight strokes since then and his condition is not encouraging.

His children, Johnny Cardinal of Amarillo, Shorty of Holbrook, Arizona, Fred of Floydada, Mrs. Adrian Field of Dallas, Mrs. S. L. West of Eureka, Kansas, are with him, as well as other relatives.

THE LOCAL POST OFFICE has been doing a land office business on the occasion of the opening of the new airport. . . stamp collectors wanting air mail letters from Floydada, dated September 4, 1967. The air mail stamp is the Alamo stamp.

Thanks to postmaster Ed Wester for an air mail letter to the Hesperian and his note, "just something different. We are a growing community, who knows, we may be dispatching those Hesperians by air mail one of these days."

Well, Ed, that's what I like. . . positive thinking. Quilen Sabe?

CARMEL EASTHAM is getting into the hog business fast. He reports that one of his sows farrowed seven pigs and all seven were gilts. How's that for 100% odds?

THE HESPERIAN football contest begins in this issue. Here's a good opportunity for all you "armchair quarterbacks" to turn all that pigskin knowledge into cash. We'll give away \$15.00 each week. Turn now to the contest page and check the winners.

WE HAD AN ENJOYABLE program at the Rotary luncheon last week. Robert Reynolds told us about his hopes to "unlock the gates to all the beauty of the Croton Breaks near Dickens. We join with Robert in his effort to make this area a state park.

I was up through Claude last week and they're widening what is now state highway 207 which comes from Borger through Floydada to Post. Should we build the Mackenzie Dam, the tourist, I think, would prefer to take 207 through the beautiful Palo Duro Canyon and by beautiful Lake Mackenzie instead of travelling the crowded and unscenic highway 87 through Amarillo and Lubbock.

I'm for anything that will create more tourists to this area of West Texas.

### Funeral Held For Ennis Cummings

Funeral rites were held last Friday in Friona for Ennis Cummings, 67, who died the previous Wednesday in the Friona Hospital. He had been ill the past year. Services were conducted in the Sixth Street Church of Christ in Friona with burial in the Friona Cemetery.

Cummings was a former resident of Floyd County, having lived at South Plains until his marriage to the former Jewell Tatum. His parents, the late Mr. and Mrs. A. S. Cummings, were residents of Floydada.

Survivors include his wife; one son, Doyle of Friona; one daughter, Mrs. Wayne B. Stark Jr., of Hereford; three brothers, Clyde of Lubbock, A. D. of Taft, Calif., and Elma of Canyon; three sisters, Mrs. Jack Smitherman of South Plains, Mrs. J. D. Cates of Dougherty and Mrs. Willie Mae Hale of Portersville, Calif., and seven grandchildren.

### Rites Conducted For Father Of Vernon Parker

Funeral rites for M. M. Parker, 87 year old retired hardware and implement dealer and father of Vernon A. Parker of Floydada, were conducted yesterday afternoon in the First Methodist Church in Paducah. Parker died about 2:30 a.m. Tuesday morning after being ill some two years with a heart condition. He succumbed in Richards Memorial Hospital in Paducah.

Survivors include the wife; two sons, C. N. Parker, Amarillo and Vernon A. of Floydada; one daughter, Mrs. W. D. Smith of Banders; two brothers; three sisters and a number of grandchildren.

### Rotary Teacher Banquet Monday

The annual Rotary-Teacher banquet is scheduled for Monday night at 7:30 in Duncan Elementary Cafeterium.

The Rotarians and their Rotary Anns will be hosts to the teachers and school board of the Floydada school system.

An entertaining program has been planned.

### Young Farmers To Elect Officers

Floydada Young Farmers will hold a regular meeting tonight, Sept. 7 in the Agricultural Building at High School for the purpose of electing new officers, according to Vaughn Ginn, present president. The meeting is slated for 8 p.m.

All members are urged to attend.

DON'T FORGET TO VOTE FRIDAY

### Linda Sue Montgomery Is Bride Of Gregory Williams

Miss Linda Sue Montgomery became the bride of Gregory Edward Williams in a double ring ceremony read in St. Luke's Methodist Church in Lubbock September 2. The 8 o'clock p.m. wedding was performed by Rev. Lloyd Hamilton, minister.

Parents of the bride are Mr. and Mrs. Troy Montgomery of Lubbock, and Mr. and Mrs. Fred Lloyd of Floydada are parents of the bridegroom.

Willie Tatum, organist, accompanied Mrs. Dannie Edwards of Lubbock, who was soloist.

The bride, given in marriage by her father, wore a formal length gown of imported Chantilly lace, fashioned with a molded bodice, scalloped neckline, petal point sleeves, and a bouffant silhouette skirt with a natural waistline. The removable Cathedral Chantilly lace tiered train was adorned with iridescent sequins and mock pearls. Her silk illusion veil was attached to a dome pillbox of matching lace delicately trimmed with pearls and highlighted with crystals. She carried a bouquet of white orchids with sweetheart roses.

Miss Linda McKinzie of Lubbock was maid of honor and Misses Cynthia Williams, the groom's sister of Floydada and Judy Wojtek of Lubbock were bridesmaids.

Feminine attendants wore floor length aqua gowns styled with empire waistlines, A-line skirts and elbow length sleeves. Their headpieces were simulated pillboxes holding circular maline veils and they carried nosegays of feathered bronze mums.

Jana Norwood of Pampa was flower girl and Michael Wojtek of Oklahoma City was ring bearer.

and more in places; Dougherty, one inch; Antelope, half inch; Muncy, four tenths; Harmony, light mist, no measurable moisture; Barwise, light shower and mist, and Sandhill, two tenths.

Jerry Kulm of Shallowater was best man and groomsmen were Troy Eugene Montgomery, brother of the bride, and David Burk, both of Lubbock. Ushers were Dannie Edwards of Lubbock and David Wojtek of Oklahoma City. Candlelighters were Dana Dye, Lubbock and Rex Wojtek of Oklahoma City.

Following the wedding a reception was held in Fellowship Hall of the church.

After a wedding trip to New Mexico and Colorado the couple plan to reside at Route 2, Floydada.

The bride is a 1966 graduate of Monterey High School in Lubbock and is a sophomore elementary education major at Texas Tech. She is also co-owner of Surplus Center Store in Lubbock. Her husband, a 1963 graduate of Floydada High School, will be a 1968 graduate of Texas Tech where he will receive his BS degree in January in mechanized agriculture. He is on the Dean's Honor List.

MRS. GREGORY WILLIAMS (nee Linda Montgomery)

### Janice Cockrell Honored With Bridal Shower

Janice Cockrell, bride-elect of Doyle Payne, was honored with a shower, Saturday night, September 2 in the P.C.A. Community Room. In the receiving line with the honoree were Mrs. John H. Cockrell, mother of the bride-elect, and Mrs. J.L. Connelley, grandmother of the bride-elect.

Guests were registered by Miss Anne Fawver.

The table was decorated in gold and white, complemented by a center arrangement of bronze autumn flowers.

Hostesses were Meses. Carlton Fawver, Joe Jackson, Lesol Parker, Harmon Roberts, R. D. Hicks, S. J. Handley, Annie Turner, Albert Jones, Alfred Clark, C. W. Ginn, Ralph Rucker, Harold Bertrand, Calvin Poteet, N. O. Wright, Charlie Wright, David Stewart, L. L. Nixon, R. C. Rainer, Duncan Hollums, and Miss Rachel Nance.

Their gift was a set of stainless flatware, a silverware tray, and a set of towels.

Miss Cockrell and Payne plan a September 30 wedding in the New Salem Primitive Baptist Church in Floydada at 7 p.m. Elder Joe Jackson will officiate.

MR. AND MRS. GENE MARTZ

### Leadell Luckett And Gene Martin Exchange Vows

Miss Leadell Luckett and Ewell Gene Martin exchanged marriage vows in a double ring ceremony August 19 in the home of the bride's parents, Mr. and Mrs. Hugh Luckett. The bridegroom's parents are Mr. and Mrs. Curtis Ewell Martin of Floydada.

The Rev. Larry Heard, pastor of the First Baptist Church in Matador officiated for the 4 p.m. ceremony in the presence of family members and friends.

The bride wore a street length ensemble of white Alencon lace over white brocade. The dress featured ruffled collar and long sleeves. Her shoulder length veil was attached to a single rose of white brocade and she carried a bouquet of white and pink carnations atop a white Bible.

Miss Patsy Green was maid of honor. She wore a pink A-line dress and her headpiece was a pink velvet bow. The

honor attendant wore a corsage of white carnations. Joe Mike Scott of Fort Worth, formerly of Afton, served as best man.

Following the ceremony a reception was held in the home. The bride's table was covered with a white cloth and crystal appointments were used. The three tiered wedding cake was topped with a bridal couple. Mrs. Carter Luckett, sister-in-law of the bride, presided at the punch service, and Mrs. John Stotts, aunt of the bride, served the cake.

Following a wedding trip to points in New Mexico the couple are making their home in Matador. Mrs. Martin is a 1967 graduate of Matador High School, where she was an active member in Pep Club, Future Homemakers of America, and on the yearbook staff.

The couple's marriage joins several pioneer families in the county. The bride is the grand-

### Hospital Auxiliary Will Have Called Meeting Monday

The Floydada Hospital Auxiliary is having a called meeting slated for Monday morning, September 11, at 10 o'clock in the new hospital southwest of the city. Purpose of the session is to become acquainted with the administrator, H. E. (Barney) Barnett, and to look over the new hospital.

All members are urged to attend and others interested persons will be welcomed.

Two Air Force copters fly nonstop to Paris.

Theologian predicts one church for United States.

### Granddaughter Of Burgetts To Wed In Amarillo Sept. 8

DIANA BURGETT

Mr. and Mrs. A. N. Burgett of New York City announce the engagement and approaching wedding of their daughter, Diana, to Jimmy Martindale of Amarillo. The bride elect is the granddaughter of Mr. and Mrs. Zollie Burgett of Floydada.

The wedding has been set for 8 p.m. Friday, September 8th in the Second Baptist Church in Amarillo.

Friends and relatives are invited to attend.

watering on cotton and soybeans. Just to be safe, some didn't irrigate, others irrigated every other row.

Possibly the biggest grain sorghum crop in many years is ready for harvest and the wet weather of course will delay its harvest.

Rainfall over the area is reported as follows:

Pleasant Hill, two tenths; McCoy Grain, inch and two tenths; Lakeview Store, quarter of an inch; Parks Oil at South Plains, five tenths; Billy Stanforth, half an inch; mile east, six tenths; Cedar Hill, one inch

### Mrs. Swebston, Native Of Floyd County Succumbs

Mrs. A. T. (Mary) Swebston, 76 year old native of Floyd County, was interred in Floyd County Memorial Park Friday following funeral rites held in the First Methodist Church in Floydada. Mrs. Swebston died early Thursday morning in University Hospital in Lubbock where she had been a patient for five days after suffering a heart attack at the family farm home. She was the wife of a widely known Floyd County rancher.

Mrs. Swebston was born in Floyd County Dec. 18, 1890 and attended school here and at Matador. She and A. T. Swebston were married Sept. 24, 1910. She was a member of the Order of the Eastern Star and a member of the First Methodist Church in Matador.

Survivors include her husband, one son, Hershel of Floydada; four daughters, Anne Swebston of Floydada, Mrs. Vance Campbell and Mrs. Bill Colston of Floydada and Mrs. Bob Burns of Amarillo; one brother, Charlie Lewis of Floydada; four sisters, Mrs. Virginia Conner and Mrs. Minnie Smart, both of Floydada, Mrs. Henry Sayles of Abilene and Mrs. Greene Bostic of Matador and seven grandchildren. Officiating was the deceased's nephew, Rev. H. D. Taylor Jr., of Corsicana, assisted by Rev. Floyd C. Bradley, pastor of the First Baptist Church in Floydada.

### Evangelist To Speak Sept. 11-17 At City Park

John Cannon of Prescott, Arkansas returns to Floydada for his second preaching campaign scheduled to begin Monday night, Sept. 11 at 7:30.

This special series of revival meetings has been arranged by the City Park Church of Christ and will continue through Sunday, Sept. 17.

Mr. Cannon is a popular Evangelist and minister of Churches of Christ and often is asked to revisit places where he has preached in Gospel Meetings.

Moore-Rose Funeral Home was in charge of arrangements. Pallbearers were nephews, Lewis Bostic, Billy Wasson, Bill Smallwood all of Matador; Fred Martin, Floydada, Douglas Vincent, Houston and Lawrence Lewis of Canyon.

### Rebekah Assembly President Makes Official Visit Here

Mrs. Nettie Morris of Waco, president of the Rebekah Assembly of Texas, made her official visit to Lodges of District 9, Tuesday night of last week at the host lodge at Floydada. Mrs. Morris was accompanied by her husband, Clyde, who is Grand Deputy Warden of IOOF Lodge of Texas. Other special guests included Mrs. Lillie Benson, past president of the Rebekah Assembly of Texas and Mrs. Grace Grundy, District Deputy president of District 9.

Some 90 guests registered from Waco, Lubbock, Abilene, Lockney and Tahoka.

The president's theme was carried out in the table setting with an evergreen tree, symbol of life, and arrangements of her favorite flowers. Seated at the head table were Mrs. Morris, her husband, Foy Gooch, Noble Grand of the local lodge; Eunice Jones, Vice Grand, Grace Grundy and Lodge Deputy Leona Oden.

### Father Of Mrs. Ferguson Dies

Clarence C. Luttrell of Claude, 73, and father of Mrs. Leon Ferguson of Floydada, died Tuesday in Northwest Texas Hospital in Amarillo. Funeral rites were conducted yesterday afternoon in the First Baptist Church in Claude.

Luttrell was a farmer and rancher and a native of Armstrong County. He was a member of the Claude Baptist Church.

Survivors include his wife, Gertrude; two sons, Sherwood and Travis, both of Claude; six daughters, Mrs. Ferguson of Floydada, Mrs. Novella Cagle of Claude, Mrs. Frank Weck of Burkburnett, Mrs. Elwood Stinson of Memphis, Mrs. James Ray of Pampa and Mrs. Verlin Beck of Spearman.

ON FUTURE SALARY Detroit - Walter P. Reuther, United Auto Worker president, predicts union members will be paid \$35,000 to \$40,000 a year in approximately 20 years. The UAW president said technology and greater productivity will bring this about.

daughter of Mrs. Harry Carter and Mrs. Leonora Luckett, and her husband is the grandson of Mr. and Mrs. Curtis Martin and Mr. and Mrs. Preston Spray. Attending the wedding from out of town were Mr. and Mrs. Howard Harris, Franklin, Jean and Diane of Floydada, and Kenney and Virgil Martin, brothers of the bridegroom.

## Mrs. Martin To Head Drive

Mrs. Donald Tankersley, Mrs. W. J. Kilpatrick and Dr. Donald Andress, co-chairmen for the 1967-68 Lubbock Theater Center membership drive, this week announced that Mrs. Fred Martin will be working for the organization in Floydada. The drive, which will run from Thursday, August 31 through September 12, is being conducted to acquaint the Lubbock community and area with the theater arts, in order to promote expansion and growth.

Again this year women from the surrounding area are joining the Lubbock group to further the thought that Lubbock Theater Center is truly an area community theater. Those who have volunteered their services include: Mrs. Mark Leithen, Farwell, Texas; Mrs. Owen Benn, Abernathy, Texas; Mrs. Kenneth Bass, Seminole, Texas; Mrs. W. O. Liston, Lorenzo, Texas; Mrs. Douglas Neugebauer, Slaton; Mrs. Mary Rungo, Tahoka; Mrs. Jack Rennels, Muleshoe; Mrs. J. W. Solls, Petersburg; Mrs. E. E. Medlock, Crosbyton; Mrs. Fred Martin, Floydada; and Mrs. Charles Womble, Plainview.

MRS. JOE CLINT HENNING

## Wedding Vows Exchanged By Jan Stansell, Joe Hennig

Jan Stansell and Joe Hennig exchanged wedding vows Saturday evening in the First Church, Rev. Floyd C. ...

MR. AND MRS. R. R. WALLER

## Congratulations To

Mr. and Mrs. James D. Williams of Lubbock on the birth of a baby son born August 8th, weighing seven pounds and 15 ounces and arriving in their home at the age of 20 days. The mother is the former Nancy Sue Watson of Floydada. Williams is insurance adjuster for Trinity Universal Insurance Co.

Grandparents are Mr. and Mrs. Jake Watson of Floydada and Mr. and Mrs. O. D. Elliott of Seagraves. Great-grandparents include Mrs. J. T. Martin Sr., of Crosbyton, and Mrs. J. E. Watson of Canyon.

Mr. and Mrs. A. C. Pratt on the arrival of a new son, Robert Wayne, who was born in University Hospital, Lubbock, on Monday, August 28. The baby weighed six pounds and three ounces at birth. The Pratts have two other sons,

residing at Varsity Village, 3002 4th St., Apt. 135 in Lubbock. The bride attended Texas Tech as a home economics education major and was a member of Gamma Phi Beta social sorority. She received her wings from Braniff International Airlines school and has been employed as a stewardess based in Dallas.

Her husband is a graduate of Whitewright High School and is a junior student at Texas Tech where he is a member of Delta Tau Delta social fraternity. He is personnel management major and is supervisor of Guadalupe Teenage Recreation Center.

**REHEARSAL DINNER**  
A rehearsal dinner at 7 o'clock at the Colonial House Friday evening was given in honor of the bridal pair and wedding attendants. Mr. and Mrs. Clint Hennig of Whitewright were hosts for the occasion. Colors of turquoise and white were featured in decorations. Thirty guests were invited.

gowns of turquoise silk taffeta, fashioned with scoopnecklines, empire waists and a gathered fullness which fell from an oval back yoke. Their headpieces were matching cabbage roses and leaves with short veils of tulle. Each carried old fashioned colonial bouquets of white marguerite daisies, white spider pom pom mums, accented in turquoise.

Candlelighters were Jerry and Jay Lackey, cousins of the bride. Dan Hennig of Texas City was his brother's best man. Groomsmen were David Dismukes of Dallas, Sam Montgomery and Del Sears of Whitewright and Paul Barker of Lockney. Dismukes, Sears, and Barker also assisted Hank McCright ushering.

A reception in the Fellowship Hall immediately followed the ceremony. Guests were greeted by the newlywed couple, their parents and bridal attendants. Miss Dee Wilson secured names for bride's book.

The bride's table was laid with a white appliqued organza cloth and was centered with a silver candelabra with white tapers. Bridesmaids bouquets accented the arrangement. A four tiered wedding cake on a revolving lace trimmed mirror was served by Mrs. Dan Hennig and Miss Carol Calhoun. Miss Lucy Cogdell and Miss Dee Wilson alternated at the punch bowl.

Others assisting with the reception were Miss Ann McIntosh, Mrs. Bob Irby, Mrs. Doyle Moore, Mrs. Woodrow Wilson, Mrs. J. K. West, Mrs. Doyle Walls, Mrs. F. F. Calhoun of Plainview, and Mrs. Mike Carter of Lubbock.

For traveling, the bride chose a cranberry red three piece suit trimmed in suede and complemented with cranberry accessories, white gloves and the white orchid from her bridal bouquet.

Following their wedding trip to Colorado the couple will be

## Miss Judy Carol Smith And W. R. Daniel Jr. Are Wed

Before an altar featuring white wedding tapers in candelabra covered with greenery Miss Judy Carol Smith became the bride of W. R. Daniel Jr., Saturday, September 2nd, in the First Methodist Church in Petersburg.

Mr. and Mrs. J. M. Smith and Mr. and Mrs. W. R. Daniel Sr., are parents of the newly weds.

The double ring ceremony was read at 7 o'clock p.m. by Rev. Doyn Merriman, minister of Carr's Chapel in Harmony Community, before an arch flanked by bouquets of white gladiolus. Bridal aisle featured white satin bows.

The bride, given in marriage by her father, wore a formal length gown of white satin, covered by a full length lace cape. The bodice was accented by a scalloped sabrina neckline and fitted full length sleeves coming to petal points. The neckline was complimented by seed pearls in the front and satin under lace bow at center back flowing into a chapel train with double tiered lace scallops finishing the hemline.

Her headpiece was a tiny pill box of lace over satin fashioned with seed pearls and holding a shoulder length blush veil of silk illusion. She carried a cascade Bible bouquet of Symbidium orchids surrounded by fringed carnations.

Mrs. Ronnie Riley of Lubbock was matron of honor and bridesmaid was Miss Arlene Taylor of Petersburg. Junior bridesmaid was Irene Daniel, sister of the groom. Cheryl Denise Smith of Amarillo, niece of the bride, was flower girl.

Bridal attendants wore street length dresses of shocking pink silk chiffon over taffeta. Bodices featured empire waistlines, bell sleeves and scooped necklines. Their veils of shocking pink illusion were held by a wedding ring headpiece and a small bow accented the back of each headpiece. Each carried a long stemmed pink rose with the exception of the flower girl, who carried a white basket filled with pink flowers.

Mike Hollums of Floydada was best man. Ushers were Jimmy Snead and Rex Lawson and groomsmen were Bryn-

Walding and Tommy Weathersbee, Robert Wayne Smith, the bride's nephew of Petersburg, was ring bearer.

Miss Tomi Dycus, soloist, was accompanied by organist, Miss Susan Hotchkiss as she sang "Twelfth of Never" and "The Wedding Prayer."

A reception for the wedding party was held in Fellowship Hall following the wedding. The table was covered with a white lace cloth over shocking pink satin and held a centerpiece of pale pink dahlia and hot pink asters in a stemmed crystal bowl.

For traveling the bride changed to a street length dress of navy blue velveteen A line and with long sleeves. She wore black accessories and the orchid from her bridal bouquet.

The couple are residing at 3110 A West 11th in Amarillo where the groom will attend Amarillo College. The bride is a graduate of Petersburg High School with the class of 1966 and the groom, the 1967 class of Floydada.

## Mrs. Lindsey Gets Degree

Mrs. Darryl Lindsey, the former LaJuana Rimmer, was among those completing college work at the University of Texas this summer. Mrs. Lindsey received her Bachelor of Science in Education at the close of the second summer session August 26th.

Mrs. Lindsey plans to teach but will be employed for a time with Texas Education Agency in Austin. Her husband will receive his degree in engineering in January, 1968.

Member of the Turner children and their families and a few friends for a family get-together.

**FLOYD DATA**  
Clintone and Doyle Walls attended the new Chevrolet showing in Oklahoma City last week. The new Chevrolets will show here at Oden Chevrolet September 21.

Milton Flying Service flew the men to Oklahoma City.

## Mrs. Morris Gives Breakfast For Study Club Members

Mrs. Dean Morris, president of the 1962 Jr. Study Club in Floydada, was hostess for a come-as-you-are breakfast meeting Monday morning. Mrs. Morris was assisted by Mrs. Mike Carver and Mrs. Jackie Myrick, who brought members to the Morris home.

Mrs. Harvey Allen gave the devotional and following the breakfast the meeting was called to order. Mrs. Jimmie Sales read the quote and members answered roll call with "Since We Last Met."

Mrs. Carver, yearbook chairman, presented members with a yearbook and gave a preview of coming programs. She noted that this year the club has been organized for five years. Using this as a guide, the course of study this year is "Pentad of Progress 1962-1967-Anticipating a Progressive Future."

The fifth anniversary of the club is further symbolized by the yearbook's cover, which is done in woodgrain paper.

Mrs. Carver's committee consists of Mrs. Jackie Myrick, Mrs. Alton Higginbotham and Mrs. Bill Henderson.

Members present for the breakfast meeting were Mmes.

**CONE NEWS by Melba Wideman**

CONE, Sept. 4—Mr. and Mrs. Carl Jackson, Lubbock, visited Friday afternoon with his parents, Elder and Mrs. Joe Jackson and with the R. Nances. Later they joined her parents, Mr. and Mrs. R. L. Neil, Floydada, for a Labor Day weekend at Bentonville, Ark., where they visited with Mr. and Mrs. Emmett Johnson.

Mr. and Mrs. Nelson Hilliard and George Freudiger, Vernon, spent the weekend with her parents, Mr. and Mrs. D. A. Barnhart. Others present Sunday included Mr. and Mrs. Haney Wideman, Spike, Mark and Mel; Gene Ann and Charles Hilliard, and Dr. and Mrs. Harold Reese, Sheryl and Hal, Plainview. The Hilliard children, who had spent the week here, returned home with their parents. Visitors at the Baptist Church on Sunday morning were Mrs. Delman Hilton, Kristie and Kevin, Mr. and Mrs. Hershel McMillan and children, Mr. and Mrs. Danny Martin, all of Lubbock, and Mrs. Nelson Hilliard, Gene Ann and Charles, Vernon.

Miss Donna Newkirk is employed at the Ralls Elementary school until she and her sister, Diane, return to college in Canada.

Miss Jennie Richards spent from Wednesday till Friday visiting with Miss Sheila Taylor at Cedar Hill. Belinda Nef, Floydada, also spent two days at the Taylor home.

Mr. and Mrs. U. L. Ely, Say-

re, Okla., visited last weekend with his brother and sister-in-law, Mr. and Mrs. Paul Ely and they also attended sessions of the Primitive Baptist meeting which was going on at that time.

Sunday afternoon visitors in the home of Mr. and Mrs. Morris Wideman were Mrs. Emma Ware and Melba.

Mr. and Mrs. Eugene Carr and family, Coynosa, and Mr. and Mrs. Jerry Vaughan, Lubbock, spent the day Sunday visiting with Mr. and Mrs. Ed Martin.

Mrs. J. P. Goins left Thursday for Lovington, N. M., where she is visiting her daughter and family, Dr. and Mrs. W. L. Minton and children. She plans to return home later this week.

Last weekend, Mr. and Mrs. Clinton Denning went to Oklahoma City, where he had his check-up at the allergy clinic there.

Visitors in the home of Mr. and Mrs. Paul Wheeler and Bill Saturday morning were Mr. and Mrs. Carl Stem, Washington, D. C., and Mr. and Mrs. David Wheeler, Houston.

Jean Harris was an overnight guest of Twila Fred in the Troy Fred home in Ralls Friday.

Mrs. Clay Kimbrough spent from Monday till Friday visiting her daughter and family, Mr. and Mrs. James Williams, Mark and Rene in San Angelo while Kimbrough and D. K. Stevens did some fishing at Port

**FREAK BIRD** — or is it? The bird held by C. O. Spence, came from the lake across his house last week and since then he has been wondering just what kind of bird it is. It's grey in color, has a bill like a chicken, the legs are not long enough for it to be a young crane and its feet are not webbed like a duck. If anyone knows its identity, call Charlie and tell him so he will stop wondering, then he can tell us so we can stop wondering. (Staff Photo)

Isabel.

Russell and George Noble visited Monday morning with their mother, Mrs. Emma Noble and with Mrs. Geneva Green.

Mr. and Mrs. Delman Hilton and children, Lubbock, spent the Labor Day weekend visiting her parents, Mr. and Mrs. Bud Cox, Dorothy, Kenny, and Roy. Additional guests for lunch Sunday were Miss Linda Cox, Ralls, and Maridith Wideman.

Rev. and Mrs. Rex Newkirk visited Tuesday evening with Mr. and Mrs. Gene Landsdown in Ralls.

Friday afternoon Mrs. C. O. Littlefield visited with her granddaughter, Mrs. David Boren in Floydada.

Mr. and Mrs. Danny Martin, Lubbock, spent the weekend with his parents, Mr. and Mrs. Earl Martin, Monday Mr. and Mrs. Max Dyess, Suzanne and Tim, Floydada, joined them for lunch at the Martin home.

Keim Kimbrough, Ralls, had lunch with Diane Harris in the Howard Harris home Sunday and Diane spent Sunday night with Keim in Ralls.

Mr. and Mrs. Rush Davis and Todd, Deming, N. M., spent Thursday night with Mrs. Roxie Travis. They were enroute to Spur to attend the National Polo Tournament held there during the Labor Day weekend. They came back by Monday and spent another night with Mrs. Travis before returning home. Rush was a participant in the tourney.

Recent visitors in the home of Mr. and Mrs. W. O. Wheeler were her niece and family, Mr. and Mrs. Curtis Bell, Chrystal and Nancy, of San Pedro, Calif. The guests also visited with Mr. and Mrs. Paul Wheeler, Mr. and Mrs. Dan James and with Mr. and Mrs. Silas Wheeler. All were supper guests in the Paul Wheeler home Thursday evening.

Among those from the community attending the Farmer Reunion Sunday were Mrs. Emma Ware and Melba, Mr. and Mrs. Clinton Denning and Mrs. Peachie Parrish.

Howard Harris and Earnest Harris of Ralls spent the day Sunday in St. Joe attending the Harris Family reunion.

Mrs. Clay Kimbrough visited in the D. A. Barnhart and C. O. Glibreath homes Saturday afternoon.

Weekend guests of Mr. and Mrs. Paul Wheeler and Bill were Mr. and Mrs. Gerron

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.  
MARY PHILLIPS, HOME ECONOMIST

School has started and each of us as adults should be a little bit more safety minded. Perhaps the following letter written by a father to his son is worth reading for our benefit and perhaps to our children for theirs.

"Billy —

You've waited a long time for your bicycle. I want you to enjoy it — as I'm sure you will. But remember, son, when you accepted this bicycle you accepted responsibilities.

You'll be sharing the streets and roads with many other vehicles. If you learn and obey the rules of the road, you can become a safe rider. If you ignore the rules, you could become one of the thousands of bicyclists who are injured or killed each year.

What you learn now on your bike will help you later learn to be a safe automobile driver.

The streets are crowded, and you'll have to be careful all the time. Here are some things to remember.

Wheeler and Mary, and Mr. and Mrs. Stan Sigman, all of Hereford. Others present for dinner Sunday were Mr. and Mrs. Dan James and Mrs. J. J. Spikes.

On Saturday afternoon, Mrs. Peachie Parrish and Mr. and Mrs. Clinton Denning went to Plainview where they visited with Mr. and Mrs. Lonnie King.

Mr. and Mrs. Floyd Leverett and Mike, Ft. Worth, visited with Mr. and Mrs. H. R. Nance and Joe Jackson Saturday evening. The Leveretts were here to attend the Farmer reunion.

Twila and Randy Fred, Ralls, visited Sunday afternoon in the home of Mr. and Mrs. Howard Harris and family.

Mrs. Eddie Verett, Christie and Don Ed, spent Sunday afternoon visiting with Mr. and Mrs. H. R. Nance and Rachel.

**Production Credit Conference At Del Rio**

Directors and Managers of several Production Credit Associations in Texas will attend a Group Directors' and Managers' Conference September 6th and 7th, at the Holiday Inn in Del Rio.

Noel Woodley, Manager of the Plainview Production Credit Association, along with Directors Grady Shepard, Henry Hayes, Don Garrison, Billy W. Carthel, Loyd Widener, and Ass't. Manager, James Rogers, will attend the conference.

According to Woodley the conference will permit association directors and managers to develop ways and means of improving credit service to farmers and ranchers of Texas.

Electronic Data Processing will be included on the program. Woodley has done extensive research on this subject and will present his findings to the group.

FLOYD DATA

Mr. and Mrs. Jerry Bourland and son, Thad of Waco, spent the weekend here visiting Mrs. Bourland's parents, Mr. and Mrs. Pete Hickerson, Mrs. E. C. Cope of Sobol, Okla., sister of Mrs. Hickerson, returned home last Friday after visiting here and recuperating from surgery in the Hickerson home.

Inflation in Vietnam exceeds expectations.

**FAIRVIEW NEWS by Mrs. Clyde Bagwell**

FAIRVIEW, Sept. 4 — Fall is really in the air and even though we have had cloudy weather for several days, no moisture of measurable amounts has fallen in our area. But we are thankful to have escaped what Amarillo had.

School starts Tuesday and the teachers and pupils will be back in the class rooms for another nine months.

Mrs. R. T. Foster and daughter, Valerie of Oklahoma City, who had been here as house-guests of Mrs. W. B. Wilson, left Wednesday afternoon for home. Others enjoying dinner in Mrs. Wilson's home on Wednesday to be with Mrs. Foster and Valerie before they left for home were Mr. and Mrs. A. S. Mize, Mr. and Mrs. Bill Tye, Mrs. Walton Wilson and Mike Allen.

Mrs. Edna Phillips visited Friday with Mrs. Kate Crabtree.

Eline Warren was a dinner guest Thursday of Mr. and Mrs. Eugene Watts.

Mr. and Mrs. Carl Nelson and Mrs. Iva Twin spent Sunday at

Shallowater with Mr. and Mrs. Bill Burgett.

Mrs. Jewell Teague spent Monday (Labor Day) with Mr. and Mrs. Lindsey Graham.

Saturday callers in the home of Mr. and Mrs. Galen Holland were Mr. and Mrs. D. M. Moore, Mr. and Mrs. W. M. Spears and Mrs. Bob Thompson and daughters, Linda and Leann.

Those visiting Galen and Mable Sunday were Mr. and Mrs. R. C. Clem and Cathy of Roaring Springs, and Jess Ballard of Lubbock.

Mr. and Mrs. Lee Burton and family spent Saturday and Sunday at Damas with Mr. and Mrs. Earl Huckabee.

Mrs. C. H. Wise enjoyed a phone visit with her daughter, Mrs. Louie Caffee and her grandchildren, Marc and Nancy on Wednesday morning. They called from their home in Green River, Utah. The children there had already been in school for several days.

Mona Dell Wise is now making her home in Little Rock,

Ark. where she is employed at the Timex factory there. Mona Dell went to Little Rock to spend her vacation with friends and secured this job. She called her folks by phone and told them she had a real good job and enjoyed her work.

Those visiting in the home of Mr. and Mrs. Lee Burton recently were Mr. and Mrs. D. D. Myrick of Clovis, Mr. and Mrs. J. D. Myrick of Hart, Mrs. F. T. Smith of Yeokum and Mrs. A. T. Walling of Burkburnett.

Jim Tye of Lubbock spent the Labor Day weekend with his parents, Mr. and Mrs. Bill Tye. David Lutrick of Amarillo spent Sunday night in the Tye home, a guest of Jim.

Mr. and Mrs. A. S. Mize, Mr. and Mrs. Elvie Henderson and Dennis and Mr. and Mrs. Bob Durham spent Labor Day at Hawkins Lake near Quitaque on an outing.

Mr. and Mrs. T. L. Perry and Mrs. Kate Crabtree went to Plainview Sunday to the home of Mr. and Mrs. Grady Reeves where they met other members of the Bullard family for a reunion. Around 30 were in attendance.

Mr. and Mrs. Bill Tye and Jim were Sunday dinner guests of Mr. and Mrs. A. S. Mize.

**On Savings Bond Sales**

Savings Bond sales through July 1967 in Floyd County totaled \$93,197, according to a report received today from Don Pemberton, Chairman of the Floyd County Savings Bonds Committee. This is 42 percent of the county's 1967 goal of \$220,000.

During the first seven months of 1967, Texans purchased \$98,079,008 in Series E and H Savings Bonds. Included in this state total was \$225,409 for the new "Freedom Shares" which were offered for the first time on May 1. Freedom Shares can be purchased only in combination with Series E Savings Bonds on a regular purchase plan through banks or payroll savings.

Nationally, during the first seven months of 1967, cash sales of Series E and H Savings Bonds totaled \$3,927 million, which is an increase of 4 per cent over sales a year ago and an 11-year peak for seven months.

**Spraying For Weevils Set To Begin Tuesday**

Ten spray planes are scheduled to take the air Tuesday for the first application of insecticides in the fourth year of the High Plains Diapause Boll Weevil Control program being coordinated by the Plains Cotton Growers, Inc.

Ed Dean, Lubbock, PCG director of field service, said the first application will cover about 75,000 weevil-infested acres in eight counties.

This is less than half the acreage that had to be sprayed at the beginning of the 1966 diapause program, Dean said, and is down from almost 300,000 acres infested at the start of the 1964 treatments.

"We are greatly encouraged by the fact that weevils have been found in only 75,000 acres," Dean said, "but we have to keep in mind that in-season migration could increase this acreage at a later date."

Counties in the weevil control zone are Briscoe, Crosby, Dickens, Floyd, Garza, Kent and Motley. The program is designed to keep weevil from becoming permanently established above the Caprock and migrating westward.

In addition to the reduced acreage, Dean said weevil infestations this year are much lighter than in 1966. Few fields exceed 15 per cent infestations, he said, compared with 90 to 95 per cent in the Aspermont area outside the control zone.

The first three spray applications are scheduled at three to five-day intervals and are designed to break the reproductive cycle of the weevils. These will be followed by applications 10 to 14 days apart to prevent weevils that may not be killed earlier from entering the diapause stage and going into hibernation.

On all except a small acreage, ultra-low-volume malathion is the chemical to be used again this year. It will be applied at the rate of 12 ounces per acre in the first three applications and 15 ounces an acre thereafter.

For the first time, a small area of about 4,500 acres will be sprayed this year at the same rate and on the same schedule with guthion to test the effectiveness of this chemical, Dean said.

The PCG official pointed out that guthion only recently received federal approval for use in low-volume form. He said small-scale tests have indicated it may be even more effective than malathion as a weevil control agent.

A disguised Jerry Lewis (center) tries to find out what is going on around him, in this comedy scene from "The Big Mouth," in which he stars in Eastman color. The goings-on involve blonde Jeannine Riley, as the sexy member of a mob looking for smuggled diamonds - and for Jerry! - and Leonard Stone as "Fong," a merchant who also wants to get his hands on the gems - and on Jerry! Showing Sunday and Monday at the CAPADA.

**It Won't Work**

The doctor went over his new patient thoroughly, found nothing organically wrong with the man, just a bad case of chronic nervousness. "Well, sir, I'm going to advise just one thing," he said, "get busy and bury yourself in your work!" "I can't," sadly answered the man. "At least, I don't want to." "Why not?" snapped the doctor. "I'm a gravedigger."

Tuesday to see a physician there, and they came home the same night. Sunday evening they went to Plainview for the baptismal services of their grandson, Boyd McClure. This Monday night they all plan to go to the Palo Duro Canyon Theatre for the last showing this year of the show, "Texas."

Mrs. Sylvia Kinnibrugh underwent major surgery at the Lockney Hospital Wednesday morning, and was there until Friday when she was allowed to come home, and is convalescing there now. Visitors at the Kinnibrugh home over the weekend and Labor Day were Mr. and Mrs. Teddy Home and Melissa of Lubbock. Saturday and Sunday visitors also were her mother, Mrs. J. R. Spivey and her sister, Mrs. W. S. Simmons and husband of Truscott. Sunday afternoon visitors included Mr. and Mrs. Shelby Calahan, Mrs. M. M. Julian and Mrs. Kendis Julian, and Mrs. Ray Dillard of Lockney.

Mr. and Mrs. George Beedy of Plainview and Mr. and Mrs. George West went up to the Palo Duro Canyon Sunday evening to attend the performance of "Texas". The occasion was in honor of the birthdays of Mr. and Mrs. Beedy, and George West.

We are sorry to hear of the illness of Mrs. Dorothy Edmonds, who is a nurse at the Lockney Hospital. She formerly lived in our area. We understand she is in Houston at this time for treatment of her illness.

All the farmers are hoping for warmer, drier weather, as the cloudy dark days and cold mornings of the past week have not been good for the cotton and other crops. Rain is needed, but everyone dreads hail at this crucial time of the year. 57 was the known morning low here last week.

Mr. and Mrs. Don Marble, Brett and Donette spent last weekend in Lubbock where they enjoyed a holiday at a motel and Saturday night they attended graduating exercises at Texas Tech College, where Mrs. Marble's brother, Robert Holland, received his BBA degree, and on Sunday he and wife and son, Lee left for Dallas where Robert is employed at the Mobil Oil Corporation-Dallas Accounting and Computer Center. He is from Lockney. The Don Marbles came home Tuesday morning.

This Sunday Mr. and Mrs. R. L. Holland of Lockney, Mr. and Mrs. H. L. Marble, and Mr. and Mrs. Don Marble and children went to Burson Lake near Silverton where they took their lunch and spent the day while the children fished.

Bus drivers at the South Plains School are Mrs. Bryant Higginbotham, Mrs. Pruitt, and Mr. Richardson.

Mrs. Raymond Reeves was hostess at her home Wednesday between the hours of 9:30-5:00 o'clock for a foundation garment demonstration by Mrs. Clydene Harner of Clarendon. Women of the area called during the day to look at garments and cosmetics and were served refreshments.

Mr. and Mrs. Don Marble, Brett and Donette will go this Monday night to Palo Duro Canyon to the theatre to see the final showing of the play, "Texas."

**Public School Enrollment ZOOMS**

Public school enrollment will be well above last year's 2.5 million mark as Texas schools sound the bell to begin the 1967-1968 school year, the Texas Education Agency reported today.

This year's expected enrollment of 2,598,000 students is up 42,000 - about two percent - over last year's enrollment of 2,556,073 students. The new enrollment will include approximately 1,418,000 elementary students (Grades 1-6) and approximately 1,179,000 secondary students (Grades 7-12).

An estimated 122,000 professional people - including teachers, principals, and superintendents - will be needed this year to look after the educational welfare of the pupil enrollment in an estimated 1,275 Texas school districts. There were about 119,000 professional people working in Texas schools last year.

Agency statisticians also look for an increase in the number of teaching aides to do clerical and other non-teaching tasks. These aides free the teachers for more instructional time with the children.

An estimated 5,000 teaching aides will be on duty in Texas schools this year. Last year there were 4,317.

"This increase in the number of teaching aides indicates that the school districts have been pleased with their performance," says Jerry T. Barton, Director of the Division of Research at the Education Agency.

With more pupils and more teachers this school year, it will take more money to meet the State's obligation to provide a public school education for its young people.

The rising cost of education is reflected in the Agency's estimation that \$1,350,300,000 will be spent on public school education in 1967-1968. This is an increase of \$55,700,000 - or about four percent - over last year's expenditure of \$1,294,600,000.

Based on the expected enrollment and the total cost of public school education, Texas citizens will be spending an estimated \$505 to educate each school pupil in the coming year. Last year, the average cost per child was approximately \$479.

Although September 1 is considered the official beginning of the school year, the opening day may vary from school district to school district. For instance, many schools in Texas will register students this

week. "Generally, most schools will be opened by the middle of September," says Barton. "This enables the school districts to provide the required minimum of 175 teaching days specified by Texas law."

**Plains Finance Announces Expansion Plans**

Plains Finance Corporation of Plainview announced today the Company will offer for sale to the public a \$250,000 - 6-7/8% Convertible Subordinated Debenture issue.

The announcement was made by John W. Warrick, President and Chairman of the Board, who said the debenture issue represents the first phase in the Company's multimillion dollar expansion program.

To support the Company's rapid expansion, the stockholders recently authorized 200,000 shares of Common Stock and \$500,000 in Debentures.

Plains Finance Corporation plans major expansion in its Consumer Loans Division. This division represents about 40% of the Company's total assets and makes loans on all types of consumer goods - automobiles, furniture-appliances, boats and mobile homes, and reduces the customer's monthly obligations through debt consolidation. According to Warrick, new branch loan offices will be established over the state, but the major part of the Company's expansion is expected to come through mergers and acquisitions.

Each office, Warrick said,

**SOUTH PLAINS NEWS by Mrs. Murray Julian**

SOUTH PLAINS, Sept. 4 - Mr. and Mrs. Bryan Karr arrived home Thursday after spending most of last week in Fort Worth where they visited his mother, Mrs. J. H. Karr, and his brother, Archie Karr, and then went to Burleson where they spent the night with her brother, Rev. and Mrs. H. S. Calahan Jr. and children. Wednesday night they were in Balinger where they visited Mr. and Mrs. Roy Burks overnight. They left here Monday afternoon for their short trip.

92 were registered in Sunday School with others coming in for church services Sunday morn-

ing at the Baptist Church. Bill Bledsoe was with his parents, Mr. and Mrs. Roy Bledsoe, and he is to leave Wednesday to resume his studies at Baylor Dental School in Dallas. Miss Karen Haynes, from Lubbock was a guest with the Bledsoes. It was good to see Mr. and Mrs. Mike Wood, Dannielle and the new baby son, with his first visit to church.

Mrs. Bruce Julian will return to Austin this Monday with Mr. and Mrs. Darryl Lindsay, also of Austin, after she spent the past week visiting relatives here and in Floydada. Bruce will remain for another week, as his classes at the Law School at the University of Texas do not begin until September 25.

Mrs. L. T. Wood and Mrs. Charles Conger returned from Waco Friday night after attending the WMU House Party during the last week, where around 2,482 women were in attendance.

Mr. and Mrs. Don Probasco and their five children went up to the Palo Duro Canyon Wednesday night where they attended the performance of the stage show, "Texas" at the theatre in the canyon. Others from here who went that same night were Mr. and Mrs. Fred Marble and their three children.

Mr. and Mrs. Eugene Beedy and Mr. and Mrs. Donald Bean went to Lubbock Saturday night where they had supper and attended the lovely show, "Hawaii."

School will begin this Tuesday here with principal J. M. Williams teaching 7-8 grades, G. C. Applewhite will have the 5th-6th grades, Miss Tommy Laney will teach 3rd-4th grades, Mrs. John Kinnibrugh

has the 2nd grade, and Mrs. Ada Landrum will have the first grades. 25 were registered Friday in the first grade, and more are expected. Mrs. Lottie Stewart will be in the lunch room and lunches will be served as school starts in earnest. Mrs. Murray Julian will serve in G. C. Applewhite's room Tuesday as he was unable to be here for the starting day.

House guests at the home of Mr. and Mrs. Philip Smitherman were Mr. and Mrs. Ennis Bishop, Shannon and Mitzl, on Sunday night. They were all Sunday noon dinner guests at the home of Mr. and Mrs. Ernest Smitherman and the Bishops had spent Saturday with the Ernest Smithermans.

Several from our community, including Mrs. Bryant Higginbotham and Mr. and Mrs. Bruce Julian attended the lovely wedding Saturday night, at six o'clock at the First Baptist Church in Floydada where Miss Jan Stansell and Joe Hennig repeated their wedding vows.

Mr. and Mrs. Eugene Beedy spent last week on a vacation up at Lake City, Colo. and Eugene got his quota of fish. The weather was beautiful and they spent the whole week there. Mark and Todd stayed with their grandparents, the Bill Beedys of Claude.

We are so glad to know that Mrs. Elmo Reeves is home from the hospital and learning to walk again after her accident. She stayed the first week she was home with her daughter, Mr. and Mrs. Hansel Sanders here in South Plains.

Miss Judy Whitfill of Sweetwater plans to spend the coming week here with her grandparents, the Alvin Nichols family. Judy will begin her sophomore year at Cisco Junior College at Cisco next Monday, Sept. 11.

Mr. and Mrs. Don Probasco spent an enjoyable time in Houston last week, as they left by chartered bus Thursday and returned Saturday. They attended the ball game at the Astrodome while in Houston.

Ennis Cummings, 67, brother of Mrs. Jack Smitherman of our area, passed away last week at his home in Friona. Services were held on Friday at the 8th Street Church of Christ with C. J. Horton officiating. Burial was in Friona under auspices of the Claborn Funeral Home. The Cummings were residents of this community at one time.

Mr. and Mrs. Fred Fortenberry were hosts Thursday night for sixteen guests. Her cousins, Mr. and Mrs. Edward Langley of Grapevine, came Wednesday to spend a few days, and the supper Thursday night was given in their honor. Mr. and Mrs. John McCain and Gary of Amarillo, Mr. and Mrs. Larnce McCain and Timmy of Lockney, Mr. and Mrs. Elmo Fortenberry and children and Mrs. N. C. McCain, all of Lockney, attended the supper.

Mr. and Mrs. Murray Julian hosted an anniversary supper Sunday evening with a barbecue meal and homemade ice cream and cake in honor of Mr. and Mrs. Kendis Julian whose wedding anniversary is Sept. 4, and Mr. and Mrs. Bruce Julian whose date is Sept. 5. Guests with them were the honorees, and Kristi and Mitzl Julian, Mrs. Poyner Roberts, Ken Roberts of Floydada, Miss Arlene Taylor of Petersburg, and Mrs. Jerry Moore of Oklahoma City, Okla.

Mr. and Mrs. Frank McClure took their granddaughter, Donna McClure to Artesia, N. M.

### Immunization Clinics, In Progress

Every Tuesday except Oct. 31 from now until Christmas a free immunization clinic is being offered in Floyd County by the Migrant Health office. These clinics, offering shots protecting against diphtheria, polio, whooping cough, tuberculosis, and smallpox, will operate in Floydada on first and third Tuesdays, and in Lockney the second and fourth Tuesdays of the month.

This free service is to be offered in Room 206 in the Floyd County courthouse in Floydada, and in the old bank building in Lockney.

The immunization program is scheduled for 1:30 - 4:00.

### Lions Hear Football Prospects

The Lions got a thorough run-down on football prospects in their meeting last Thursday at the Colonial House. With Lion Boss Glen Black riding herd over a bunch of enthusiastic men, Sammy Hale introduced head coach Bill Curry and three of his assistants, and each of the 30 boys present gave his classification and position.

There were 42 boys trying out at first, eight having dropped to date. Four were unable to be present at the meeting. There is a separate ninth grade program this year, with 40 candidates, and only five sophs are out. With 11 seniors on the squad, this makes the majority a junior team. The picture given by Coach Curry is one of inexperience in the majority of both offensive and defensive units, of good weight, and a need to concentrate on agility.

Oilton is the favorite in district. The Whirlwinds are to use the 1 formation on offense and a 5 defense. Much emphasis is placed on conditioning. The "3 yards and a cloud of dust" offense if favored, as this leads to many first downs.

This year's captains are Larry Barbee, Joe Christian, and Hulon Carthel. All are seniors.

Background music was played by Lion's Sweetheart Brenda Walls. The pledge to the flag was given after singing of songs, and Rev. Darrell Fairless gave invocation.

1/2 pint milk  
**WEDNESDAY:**  
 Roast beef with brown gravy  
 Buttered peas and carrots  
 Tossed salad with french dressing  
 Hot rolls with butter  
 Oatmeal date cookies  
 1/2 pint milk  
**THURSDAY:**  
 Hamburgers  
 Lettuce, tomatoes, pickles  
 French fries  
 Banana pudding  
 1/2 pint milk  
**FRIDAY:**  
 Fried steak and cream gravy  
 Green beans  
 Creamed potatoes  
 Hot rolls with butter  
 Strawberry jello cake  
 1/2 pint milk

### REGINALD SELF TO BEGIN TECHNICAL TRAINING SOON

**SAN ANTONIO -** Airman Reginald B. Self, son of Mr. and Mrs. Ira W. Self of Lockney, Tex., has been selected for technical training at Sheppard AFB, Tex., as a U.S. Air Force aircraft maintenance specialist.

The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Self, a 1966 graduate of Morton, Tex. High School, attended South Plains Junior College, Levelland, Tex.

**FLOYD DATA**  
 Mr. and Mrs. Gene M. Collins of this city and Mr. and Mrs. Gene Collins Jr., and family recently vacationed a few days at Lake Texhoma.

**FLOYD DATA**  
 Mr. and Mrs. Dorris Jones and Mr. and Mrs. Rob Hefflin and family recently visited Six Flags Over Texas.

**PARALLEL TERRACES**, like the ones pictured above, are one of the best improvements that can be made on dry land or weak water farms. These terraces are primarily constructed to hold more rainfall on the land and to distribute water more evenly between terrace intervals. Several other advantages are that the problem of point rows has been eliminated. Also, no terrace channels are left to pond water since the intervals are almost entirely leveled. This reduces "drowning out" of crops caused by the concentration of runoff rainfall just above each terrace interval. Because parallel terraces are on the level and farmed on the contour fashion and because side fall is reduced in building the terraces, each row acts as its own reservoir, keeping most of the rainfall within a few inches of where it falls.

Additional information on construction and cost share assistance available can be obtained by contacting the Soil Conservation office.

levelled. This reduces "drowning out" of crops caused by the concentration of runoff rainfall just above each terrace interval. Because parallel terraces are on the level and farmed on the contour fashion and because side fall is reduced in building the terraces, each row acts as its own reservoir, keeping most of the rainfall within a few inches of where it falls.

Additional information on construction and cost share assistance available can be obtained by contacting the Soil Conservation office.

### SOIL AND WATER CONSERVATION NEWS

**SOIL AND WATER CONSERVATION DISTRICT NEWS -** Irrigation water management is simply getting the best possible use of our dwindling underground water. This is controlled by three factors: how to apply it, when to apply it and how much to apply. All three of these factors can be controlled by YOU. By the correct use of these factors your crop can use about 80% of the water pumped instead of the much lower figure most farmers are satisfied with. Some hints in the use of these factors are:

**HOW TO APPLY IT -** There are several methods - sprinkler, level or graded borders, and level or graded furrows. Our Pullman soils lend themselves to all but the

sprinkler. But the flatter the land the more efficiency you can expect.

**WHEN TO APPLY IT -** A regular irrigating cycle, at the proper interval, will prevent your crop from suffering from either too much or the lack of water.

**HOW MUCH TO APPLY -** Never apply more than your crop needs. Shorten the length of run and the time of set and you might realize a large savings of irrigation water and reduce or eliminate tailwater.

The factors above are simple to use, yet much irrigation water is lost by not using them. For further information or assistance contact the Soil Conservation Service personnel.

### Senator Hightower Returns From Conference

**AUSTIN -** Senator Jack Hightower from Vernon just returned from White Sulphur Springs, West Virginia where he represented the State of Texas at the 18th annual Legislative work conference of the Southern Regional Educational Board.

The program included a look at the function of two-year colleges, the relationship between private and state institutions and the impact of federal activity on the structure of state higher education programs.

Senator Hightower pointed out that even though Texas has pushed ahead with its development of higher education facilities in Texas, much more needs to be accomplished to place a college degree in reach

of more high school graduates. The 60th Legislature enacted laws exempting cold war veterans from paying tuition and fees to state colleges and universities and also exempted Texans under 25 from low income families making \$4,800 a year or less.

**FLOYD DATA**  
 G. E. Fuller returned to the home of his daughter, Mrs. Gene M. Collins last Thursday after visiting in Lubbock several weeks with another daughter, Mrs. Walter Smith.

**FLOYD DATA**  
 Mrs. P. Q. Haney is now home after a stay in Methodist Hospital in Lubbock. She is reported resting comfortably.

### SOIL AND WATER CONSERVATION NEWS

Further plans for dedicating the Plant Materials Center on September 7, 1967, were announced today by H.N. Smith, State Conservationist, Soil Conservation Service, Temple.

Donald A. Williams, SCS Administrator, Washington, D.C., will be the key speaker and Smith will be the master of ceremonies. The dedication program will start at 11:00 a.m. A catered lunch will be served after the dedication. Smith said tours of the center will be conducted from 8:30 to 10:30 a.m. and from 1:00 to 3:00 p.m.

The job of the plant materials centers is to find, evaluate, and put into use better plants to solve varied soil and water conservation problems. Planting materials being used include seed, sprigs, and rootstock.

Some 850 varieties of plants are being evaluated, including grasses, legumes, forbs and woody plants. For example, about 13 selections of alkali sacaton are being watched to try to find the best grasses to plant on certain alkali soils or on land damaged by salt. Five mesia droopseeds are being studied for use on drouthy clay and gravelly Trans-Pecos soils.

Some 95 other grasses are also being evaluated, including Kleingrass, Old World bluestem composite, buffalograss (W-2 hybrid), Arizona cotton-top, Lehmann lovegrass and whiplash papargrass.

Native selections of forbs, shrubs and legumes are being tested for conservation value for deer, quail and other wildlife. Grass resistant to climatic adaptation, important in lawns, other recreational areas.

After final tests conducted on these plants, superior varieties are and released to seed growers who will be for public sale. These produced about 100 pounds of grass seed last year, mostly from released by SCS plant centers.

Groups cooperating in evaluating plants are Texas A & M University, Technological College, Oklahoma University, Texas A & M College, and water conservation centers in Texas and Oklahoma.

The regular singing at the center will be held September 7 at 2 p.m. The group is a large crowd and will be available. The general public is invited to attend.

Expelled during war in South Africa.

**SECOND SUNDAY SINGING SEPTEMBER 7**

The regular singing at the center will be held September 7 at 2 p.m. The group is a large crowd and will be available. The general public is invited to attend.

### Old Paper Found At 312 South Main

A copy of the Floyd County Hesperian for August 19, 1920, together with a valentine and a blank check on the old Floyd County National Bank, dated for the 1920's, has been recently found in Floydada. The cache was unearthed at 312 South Main by Joe Guerra, who lives there, and Johnny Gonzales. It was intact until Guerra folded it and put it in his pocket. This bent it up a bit, but it is still in fine shape.

**VALENTINE**  
 On the back of the small four page valentine are the words, "To Ruby, From Vira." There is no printing on either pages two or four. The front page is profusely illustrated, with a lace pattern surrounding the picture of a little girl making a curtsy in a full-skirted dress. Hearts are "all over the place," one in particular showing up well, in the upper right hand corner. It displays a red heart, pierced by an arrow. The third page shows a valentine background, with two small valentines up in the air. A little girl with period clothes is walking, and with two more valentines interspersed with the sentimental verse. Here are the words:

"The rose is sweet, it's true,  
 it's true.  
 But not one-half as sweet  
 as you."

**BANK CHECK**  
 Plain lettering is a feature of the check issued by Floyd County National Bank. There is a yellow background, with horizontal lines.

**PRESBYTERIANS BUILDING**  
 Among the many front page items are the plans being made for the new Cumberland Presbyterian Church at Petersburg, Rev. O. A. Mealer, pastor. The structure was to be erected that fall; and the Floydada Cumberland Presbyterian Church (the present sanctuary), with Rev. Mealer, who also served as pastor here. He, with members of his congregation, was elated over prospects of soon using the new building for worship. It is quite ironical that there were two ads on the front page: for First State Bank and First National Bank! The First Annual Swine Show was set for Sept. 23-25, with the rules for it given by the Floyd County Pure Bred Hog Association.

**231 PARKED CARS**  
 O. P. Rutledge and W. P. Gound counted the cars parked on and within a half block of the square the previous Saturday afternoon, and found that there were 231. How about that, folks? A report from Washington, D.C., told of 173,911 "slackers" recorded by the War Department. Attorney G. E. Hamilton, of Matador, had made a speech favoring the candidacy of Pat Neff in the run-off Democratic primary for Governor. Joe Bailey was his opponent. Neff went on to win, and became one of the most popular and colorful governors in the history of Texas, later serving as President of Baylor University. Judge Hamilton was heard by a large crowd. An item that would normally be carried now on a special society page was given on page one, the wedding of E. L. Norman and Miss Gladys Archer.

**AMERICAN GLASS CASSET COMPANY**  
 An unusual feature is a full half-page ad on page five taken by the American Glass Casket Company of Ada, Okla. Ads asking for votes in the run-off primary, ads for clothes and many other products are interspersed with news. All in all, these are fascinating vignettes of a by-gone era.

## Devotional of the Month

### "That They May All Be One..." (John 17, 21)

Ask an Arab for his opinion of an Israeli. Ask an Irishman to evaluate the average Englishman. Ask a Filipino what he thinks of the Japanese, or a Frenchman, of the Germans. When delegates from countries around the world gather at the United Nations, is it even one of their far-off hopes "THAT ALL MAY BE ONE"?

Discuss with a Chinese merchant in Hong Kong the universal human value of Western culture, and he might remind you about the Opium Wars, about the Boxer Rebellion and the partition of China, and about British, Russian, French, American, Dutch, German commercial exploitation of the Chinese people. Speak with a Panamanian about the benevolence of the Americans in their foreign policy with regard to Panama, and he might say: "Yes, my father has told me of your Theodore Roosevelt and his kindly 'Big Stick'." Or let us talk of the great esteem and Christian love that has always existed between the two brother nations of the Russian people and the German people.

Do the peoples of the world go to bed at night praying: "FATHER OF US ALL, FORGIVE US. . . AS WE FORGIVE. . . SO THAT WE MAY ALL BE ONE. . . SO THAT WE MAY BECOME PERFECTLY ONE"?

In Western Russia one peasant snarls at another: "Would you want your daughter to marry a Mongolian?" In Lima, Peru a high government official speaks with a university professor: "Yes, the Indian may be within the human race, but that is about all he has in common with a Spaniard." Meanwhile in Barcelona a Basque tells his children: "Spaniards. . . uncultured, filthy scum!" In South Africa a white teacher instructs her class: "The Blacks belong in the jungle, with the other monkeys and apes."

Does anyone ever pray: "THAT WE MAY ALL BE ONE. . . THAT WE MAY BECOME PERFECTLY ONE"?

Even today the descendants of the Five Civilized Tribes still remember the "trail of tears." It has been hard for an Indian in Oklahoma to cast aside suspicion of the race that forced his grandfather to walk from Florida to Indian Territory in the middle of winter. Out of the Negro ghetto, better known to the whites as "nigger town," come the screams of hate-filled mobs: "Kill Whitey! Black Power! Burn, Baby, burn!" In the lower Rio Grande River valley one could hardly say of the Mexican-American farm laborers and the "Anglo" produce farmers: "See, how they love one another!"

Do the different groups and races in the United States ever pray: "FORGIVE US. . . AS WE FORGIVE. . . SO THAT WE MAY ALL BE ONE, EVEN AS YOU, GOD, ARE ONE"?

Throughout our world, throughout our country, and within our local communities, there are innumerable divisions, dissensions, separations. We form into bitterly opposed camps from all sorts of reasons: racial and color prejudices, variance in religious beliefs, different opinions in ideologies and political ideals, differences in language and culture, caste systems and false social stratification on the basis of money. The people with a university education tend to look with disdain upon illiterates and upon people with only grammar or high school to their credit. There is oftentimes a basic distrust between businessmen or men in the professions, and salesmen, truck drivers, men who work with their hands. The poorer man looks at the richer man's house and his affluence and he comments with bitterness and envy: "They had the right idea there in Detroit; burn it all up."

In our disunity, do we ever listen to St. Paul's warning: "NOW THE WORKS OF THE FLESH ARE PLAIN. . . ENMITY, STRIFE, JEALOUSY, ANGER, SELFISHNESS, DISSENSION, PARTY SPIRIT, ENVY. . . AND THE LIKE. . ." (Gal. 5, 19-21)? In our distinctions do we Christians still read the words of St. James: "MY BRETHREN, YOU OUGHT TO SHOW NO PARTIALITY AS YOU HOLD THE FAITH OF OUR LORD JESUS CHRIST. . . BUT YOU PAY ATTENTION TO THE ONE WHO WEARS FINE CLOTHING. . . AND YOU HAVE DISHONORED THE POOR MAN" (James 2, 1-6)? As we human beings fight and kill each other throughout the world, do we listen to Christ's prayer to his Father at the Last Supper: "THAT THEY MAY ALL BE ONE. . . THAT THEY MAY BE ONE EVEN AS WE ARE ONE. . . THAT THEY MAY BECOME PERFECTLY ONE. . ." (John 17, 21-23)?

Do we believe that all men are created equal? . . . that there is only one race, the human race? . . . that we are all children of the same God? Do we believe that it is not necessary, not possible for us to give - i.e., bestow as a gift - dignity and worthiness to anyone? God has already done that: God has already given to everyone, to each human being, a value and an honor that no government, no false social classification, no "Apartheid" can take away.

There is a problem. But we let ourselves become blind, deaf and without feeling. We get so involved in our own little corner of the world, in our own little part of town, in our own social set, our own religious or economic group, our own racial group, that we tune out the sufferings and needs of the rest of mankind. Riots, protest marches, strikes, rebellions, dissensions, hatreds, wars. . . these should make us aware that there is a problem.

We are failing - we, the human race throughout the world - we are failing to show honor, love and respect for each other. We are failing to forgive each other. We are failing to recognize the God-bestowed dignity of each human being, whether white or black, whether rich or poor, whether educated or illiterate, whether Hindu or Christian, whether "Anglo" or Mexican-American, whether business owner or sanitation engineer.

Therefore, let us pray with Christ: "THAT WE MAY ALL BE ONE. . . THAT WE MAY BE ONE, EVEN AS CHRIST AND THE FATHER ARE ONE. . . THAT WE MAY BECOME PERFECTLY ONE."
