

Whirlwinds Open District Play Here Friday

Antelopes Invade Field Tomorrow

The whirlwinds take on another Antelope this Friday night. Last season they defeated the Post Antelopes, and will continue the win trail by taking the first district game for both teams will begin at 7:30 p.m. here.

The team is in good shape with a season. They have defeated the Post Antelopes last year with the Antelopes didn't get a piece of the much less the playoff icing.

Don Williams has this to say about the team: "Our team is small; our season averages about 170 in the backfield."

The club at quarterback is Burl Leach, a senior letterman, and Billy Drake (150) will be at center. He runs the backs in the district. He runs the backs in the district.

With him will be halfbacks Darrell Leach (150) and senior Mark Riley (180). They beat Floydada 14-0 last year.

FLOYDADA Coach Bill Curry reports that the team are ready to go. . . very few in the post game and the boys are disappointed spirit this week. Coach Curry says Dayne Gollightly recovers from an ankle injury.

Bill Curry says Dayne Gollightly recovers from an ankle injury. . . and Sammy DeLeon on defensive end is still out with a shoulder injury. Jackson has a knee injury and an ankle injury.

WENDELL TOOLEY
SCHOOLS lose a lot of students for various reasons; early marriages, moving to other schools, drop-outs who can't or won't graduate.

At our high school today, we see a enrollment of 144 students. We have about 100 graduates. We're losing about half of our freshmen to graduation.

Is the student who drops out better off or won't make his grades in the school of math, English, maybe science. . . many of these students like to do their hands. . . maybe they should study. . . perhaps they are human possibilities in auto repair, plumbing, painting, various other trades that do not require a passing math grade.

Points to the fact that all high school graduates should go to college. . . students need vocational training that does not require a college degree.

Is the answer? How do we train students in a useful vocation where they can live in the future? . . . might be in the expansion of our vocational-agriculture department. A plan that would reward a student with a diploma. . . instead of a high school diploma might be the answer.

My friend of mine over in Plainville that the day will come when the day will need an appointment to get his teeth, similar to the dentist appointments there are not enough young men to get a plan to save those drop-outs.

SEVERAL observations about the football game. First our band looked better the first time in a year or two. . . larger than the opponent's band. . . kicking department we look good. . . and is doing well on the beginning of the season. . . Joe Christian is kicking real well and Ross Miller is making those kicks.

Passing department we still look good. . . game is improving. . . Tom-Steve Craig are improving and remains the old standby. . . the Antelopes on a couple of goal kicks that looked good. Gilliland and are beginning to make their weight gain.

DeLeon is beginning to materialize as a receiver and he's getting in some yardage. . . especially good for 135 yards.

Back Larry Barbee made some good yardage. Barbee can throw the passes and still need pass receivers. . . worried about the many off-sides penalties received at Post. This indicates that the key to "GO". This is sim- good roping horse who occasion-ly the barrier.

DeLeon can be improved upon with our Pierce handing off instead of running to the back. . . made a nice pass interception and a touchdown at Post. . . face Abernathy here Friday night. . . 3-0. . . but I don't believe they have been tested. Believe we can take the district opener.

AT this time. . . we had played games and lost three. We're in a little better shape now with one win and two losses to AAA Tulla and almost to AAA Tulla and almost to AAA Tulla.

Miss Valdonna Bennett Crowned 1967 Fair Queen

Miss Valdonna Bennett, a blue eyed and blond headed beauty of Floydada, was crowned Miss Floyd County Fair Queen Saturday night at the conclusion of the pageant held at the Lockney Fair Grounds. The 17 year old senior student at Floydada High School is the daughter of Mr. and Mrs. Harold W. Bennett.

Miss Bennett is a native of Floydada and has excelled in student and church activities since childhood. She is a member of the First Baptist Church and the choir.

This year she is senior cheerleader, is office assistant as she was her junior year, and student council treasurer. Miss Bennett was also a cheerleader in the 8th grade, FFA Sweetheart in 1966-67, played basketball two years, was second alternate her freshman year and first alternate her sophomore year in the Miss Floydada Pageant; she received departmental recognition her freshman year, is a member of International Club, Annual staff and National Honor Society.

Miss Bennett has two brothers and one sister. Upon high school graduation she plans to enter Texas Tech for a teaching degree. For her talent requirement of the pageant Miss Bennett

spoke on education and her plans for becoming a teacher. She also modeled a suit made by her as one of her talents. She was crowned by last year's winner, Miss Trudy Jarrett, then presented a bouquet of red roses and a \$25 savings bond, the latter a gift from First National Bank in Lockney.

First runner-up from the 29 contestants was another popular and lovely Floydada Miss, Marijon Wylie, daughter of Mr. and Mrs. A. L. Wylie Jr. Second runner-up was Rhonda Rogers, daughter of Mr. and Mrs. T. J. Rogers Jr., of Quitaque.

Other runners-up included Annell Ashton, daughter of Mr. and Mrs. Milton Ashton of Lockney and Pam Mills, daughter of Mr. and Mrs. Mondell Mills also of Lockney. Miss Mills was also named "Miss Congeniality" by contestants. Entries were from Floydada, Lockney, Silverton, Quitaque, Crosbyton and Roaring Springs.

Funeral rites will be held this afternoon at 2:30 for George H. Stephenson, 58, owner of Foote Butane Gas and Oil Company in Floydada. Stephenson died at 5:55 p.m. Tuesday in Lockney General Hospital. He had been in ill health for the past two years and had undergone surgery June 26.

Stephenson had been a resident of Floydada since 1960, moving here from Kingsville, Tex., where he was in the drive-in theatre business. He was born Dec. 30, 1908 in Elk City, Okla. Survivors include his wife, the former Nettie J. Smith; one daughter, Mrs. J. R. (Jodie)

Foster of Floydada; two grandchildren, Steve and Vickie Foster of Floydada; his mother, Mrs. Minnie Stephenson, Arkansas City, Kan.; three brothers, A. F., Ponca City, Okla., T. L. of Odessa and E. F. of Arkansas City, Kan.; six sisters, Mrs. Clyde Williams, Brossley, Mo., Mrs. M. L. Beebe, Rankin; Mrs. Charles Pettit, Odessa; Mrs. Sylvia Merriman, Santa Monica, Calif., and Mrs. Harold Pettit, Mendota, Ill. Rev. Floyd C. Bradley, pastor of the First Baptist Church, will officiate for rites. Interment will be in Floyd County Memorial Park.

Pastor's Association Sponsors Church Attendance Campaign

The Floydada Pastor's Association is sponsoring a community-wide church attendance campaign for the fall months. The emphasis will begin next Sunday, October 1. This is an appropriate time to begin a

community effort as it is World-wide Communion Sunday. On this day Christians all over the world will recognize their essential oneness in Jesus Christ. The churches are one in their

conviction that every single individual needs the church. The gospel of Christ, proclaimed through His Church, is the one essential element for a life lived with meaning and purpose and strength.

The church is the primary institution which offers spiritual nurture and strength to individuals, families, communities and even nations.

We are living in perilous times, times when we need all the moral and spiritual strength we can muster. Yet these are also times in which many are neglecting the values that the church offers. Only 11,000,000 children are enrolled in the Church Schools of America.

Seventy-three percent of our youth (ages 12-23) are not reached by any church. The percentage of attendance on the

Water Election Set For October 14

A \$7,975,000 bond election for construction of a dam on Tule Creek, about 20 miles east of Tulla, has been officially set for Oct. 14.

The date was selected at a Floydada meeting of directors of the Mackenzie Municipal Water Authority only five days after the authority was granted a permit by the Texas Water Commission at Austin.

The 46,450 acre-foot reservoir in Briscoe County would serve the authority member towns of Tulla, Silverton, Floydada and Lockney with water for municipal and industrial use.

The announcement said that \$6,310,000 of the nearly \$8 million to be voted would provide for construction of a Tule Creek Dam and Reservoir, a water treatment plant, water supply lines, pump stations, and terminal storage. The balance would be spent on engineering, foundation study and lab expenses, land for the reservoir and acquisition expenses, general contingency, legal and financing expense and interest during construction.

Each voter must fill out an affidavit. The affidavit, one of ownership of property duly rendered for taxation, was recently passed by the Texas Legislature under Article 5.04 of the Texas Election Code. This new legislation is on page 9.

Federal Land Bank Honors Henry Barber At Annual Meeting

The annual stockholders meeting of the Federal Land Bank Association of Floydada was held September 23, in the Lighthouse Electric building. The meeting this year was a special event to celebrate the 50th anniversary of the Federal Land Bank System. The commemoration is dedicated to America's farmers: Providers of Plenty. Raymond Rucker of Lockney, president of the board, presided at the meeting.

The Association recognized five outstanding men in the field of agriculture with Certificates of Recognition, the five being: Henry Barber of Floydada, Vo-

national Agriculture teacher; Jay L. Eady of Turkey, Vocational Agriculture teacher.

Whirlwind Drive In Opens For Business

Bill and Mary Selman have opened the Whirlwind Drive-In on the Wye in Floydada and invite everyone to come in and visit with them.

The Whirlwind building is all new with modern inside dining area. A handy drive in window is located on the west side of the building.

The drive-in will feature everything in short orders, malts, soft drinks, steaks and fried chicken. "Phone in" orders will be a specialty. The Whirlwind will be open 10 to 10 Monday through Thursday and 10 to 12 on Fridays and Saturdays. It will be closed on Sundays.

Announcement of a grand opening celebration will be made later, according to the Selmans.

Rain Slows Harvest

Showers were covering the Floyd County area yesterday morning but clouds were seemingly scattering by noon; however, the forecast was calling for additional showers, then clearing and colder by morning. Floyd County farmers are wanting warm dry weather for the grain sorghum.

Possibly the largest grain harvest in many years is hanging in the balance. Too, out of town harvest crews here are idle and may be having to move to dryer counties for work, if the weather doesn't break for the good in Floyd County.

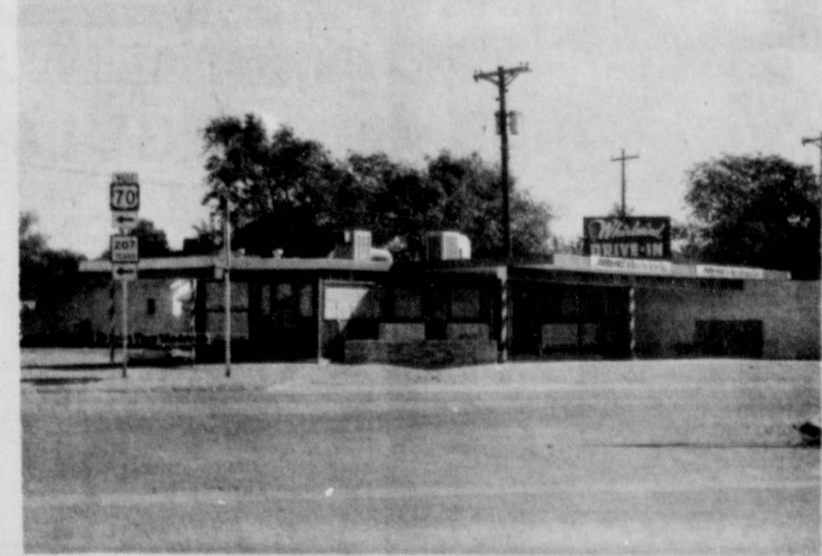

It is estimated that one-third of the crop is in the elevators and elevator men are concerned about the problems of storing damp grain.

Grain sorghum is bringing \$1.65 at the local grain elevators. From a cloud east of Floydada Tuesday afternoon some grain was shattered and cotton leaves knocked off by small hail which fell a short time, but long enough to cover the ground in a small strip. Malvin Jarboe said no damage resulted to an extent and only four tenths of moisture fell at his place.

Yesterday morning Produ-

cers Elevator, official climatic weather observers for Floydada, reported 1.78 of rain for the month of September. This brings the total for the year to 15.03 thus far, compared to 19.95 this time last year.

Cotton farmers of course are hoping for a late, late freeze and plenty of hot dry weather on this year's crop.

FFA News

(By Mike Smith)
The FFA came back from the Floyd County Fair with many prize ribbons from their livestock and crop exhibits. Rex Harrison won a first place ribbon on an art exhibit; Johnny Dunlap had two first place ribbons for his wheat and soy beans; Kelvin Cummings won a first with black-eyed peas and Alan Daniels won second with a cotton exhibit.

In the livestock divisions, Willie Patterson had the Reserve sow and a first place boar in his division. Randy Patterson exhibited a boar and a sow which placed second in their division. Steve and Larry Ferguson had two first places, one sow and one boar.

Coming up in the near future will be the FFA Greenhand initiation. There are 47 freshmen which make up this group. They are learning the FFA creed and as soon as all know it the ceremony will be held.

Ag IV is building the chapter pens at this time and Ag III are studying cow and calf business. Ag II is learning to weld and do other shop activities and Ag I is learning the FFA creed and preparing to become FFA members.

All Ag boys wish to express their appreciation to their Ag teachers, H. G. Barber and Gerald B. Thompson for their assistance in making us Future Farmers.

HOUSE SINKS IN HOLE—Bartow, Fla.—Sightseers have watched in awe as two homes sank in a large sinkhole. The hole is about 250 by 120 feet and is estimated to be more than 60 feet deep. More than twenty families have moved from the area.

BEAT ABERNATHY

The Drum Beat

BY THE BAND BOOSTER REPORTER

SPECIAL! Floydada High School and Junior High School Bands carried the honors of each winning \$25.00 in marching contest in Lockney last Thursday!

Our third marching half-time performance this past Friday night was at Post. The Whirlwind Band entered the field in a staggered position and moved into a complex floating diamond drill. This was followed by diagonal lines as they left the field.

Music played "Independencia", W.M.B." and "Entry of the Gladiators." Silver was proudly wearing the Whirlwind Green as he paraded the sidelines. He has won the hearts of all Floydada spectators.

of beautiful art work in Rome and Venice. The women also spent some time in other countries while on their tour and Mrs. Woodruff showed several interesting pieces of glass and cameos.

Members found the program most interesting.

A lovely refreshment plate was served to guests and the following members: Mmes. J. A. Arwine, Hollis R. Bond, C. W. Denison, Kinder Farris, Clay Henry, Dovie Kendrick, J. D. McBrien, R. W. Overstreet and Mrs. George V. Smith.

The next club meeting is planned for October 5, with Mrs. Clay Henry as hostess.

FRAMING TIPS

Give your favorite photos a new look with decorative matting and elaborate frames. Particularly with black and white portraits, a silver mat and silvertone frame add an interesting new dimension according to the Picture and Frame Institute.

For sepia-toned prints, use warm toned frames, such as deep red or brown with wide matting. Old fashioned miniatures take on depth and new character with this new treatment, too.

The program was experienced of the late Dr. Lon V. Smith and other noted doctors, given by Mrs. Ralph Johnston, Speaker hostess was Mrs. Peggy Dyess.

During business a letter of appreciation was read from Steve Williams, and the resignations of Elaine Reid, Becky Durham and Pat Galloway were accepted. Absences of leave were given Mrs. Beth Pratt and Doris Nixon.

Members were urged to attend the Caprock District Board meeting October 14 in Littlefield at the First Baptist Church.

Refreshments were served to Mmes. Judy Beedy, Peggy Dyess, Pat Galloway, Darlynn Hambricht, Roberta Hardin, Margie McCrory, Doris Nixon, Grace Parkey, Sandra Wiley and the guests by hostesses.

The main look is "in" for fall. Tweedy textures, rich colors, distinctive patterns and classic styling combine for a masculine '67 sportswear look.

DONNA BOOTH LEAVES SATURDAY FOR GERMANY

Mrs. Donna Booth will emplane Saturday by Braniff from Lubbock, to Dallas, to New York and thence to Frankfurt, Germany, where she plans to make her home for the next 18 months. Mrs. Booth is joining her husband, Clarmon Booth, who is with the 36th Infantry division at Munich, Germany.

Girl Scout Piper Project In Floydada

One of the most exciting projects to be launched in connection with Girl Scouting is the current Piper project. Introduced at the National Council Meeting in Detroit by Debbie Reynolds, motion-picture actress and Girl Scout Leader of a San Fernando Valley Troop, the happy project is a nationwide effort to draw more girls into the enthusiastic adventure of Girl Scouting. Based on a three year plan, the Piper Project emphasizes the value of remaining in Scouting long enough to experience the broad expanse

of the program and the far-reaching effects it can have for girls in each community. Debbie Reynolds said "We all know that real values have to grow on us. We have to belong to the happy world of scouting long enough for the exciting values to take hold and endure. The Piper Project aims at holding the girls we have, and leading the way for others to join in."

Floydada's Youth Piper is Miss Stephanie Arwine, Cadette Girl Scout, active in the scouting program since Browniehood. Monday morning, Stephanie, dressed in forest green tights and piper tunic, visited Duncan and Andrews Elementary Schools to impress girls from grades two through six with her enthusiasm for girl scout work. As she played the theme song, "Follow The Piper," on her flute, Stephanie walked through the halls followed by the girls to the cafeteria where she spoke to them

Tuesday afternoon, all the mothers of the Junior Girl Scouts, grades four, five, and six, met in the cafeteria of Andrews Elementary School to plan the years' activities for each troop. Wednesday afternoon, the mothers of eligible Brownies, grades two and three, met for their planning. Wednesday afternoon, in the Junior High School, all eligible Cadettes, grades seven, eight and nine, met for organization under the leadership of Jo Muncy.

Area AA Squads Begin Loop Action

By DON HENRY

Avalanche-Journal Sports Staff

Before the season started, District 3-AA coaches pointed the finger at Olton, with Memphis challenging for the title and Friona labeled the darkhorse.

Now, over a month and three games later, that's the way it still looks. But looks, being deceptive, don't count. What do count are the district games which begin Friday night.

Freshmen Lose;

B Team Wins

At Olton

The previously undefeated Floydada Freshmen lost to Olton there last Thursday evening 12 to 6. Tim Assiter intercepted an Olton pass and went for a touchdown for the lone Floydada TD.

The locals were within the 20 yard line of the opponents four times. One time they were down on the four yard line and received a 15 yard penalty, making the TD impossible. The locals lost the game mostly due to penalties and fumbles.

The Floydada "B" team had no trouble beating Olton 20-6. Under the able leadership of Quarterback Jackie Gregory Tim Rose made one touchdown and Domingo DeLeon made two more. Domingo also made the extra points.

This afternoon the B team will play Hale Center here and the Freshmen take on Plainview's Freshmen at 6 o'clock. Everyone is invited to come out and see these exciting games.

Floydada Breezers

Lose To

Hale Center

The Floydada Breezers hit it rough over at Hale Center Tuesday when both the seventh and eighth graders lost. The seventh grade lost 18-6 and the eighth graders lost 22-14 in a real thriller.

Walter Harris made the scores for the eighth graders. The Breezers have an open date next Tuesday, when it's Olton the next week.

Texas Tech And Arkansas In Shriner Benefit

LUBBOCK — Coach Berl Huffman doesn't expect any trouble in getting his Texas Tech Pledgers ready for their opener against the Arkansas Shoats here on Oct. 12.

All proceeds over expenses from the game, billed as the first annual Khiva Shrine Bowl, will go to the Shrine Cripple Children's Hospital Shrine Fund. Shrine officials are hoping for an attendance of more than 20,000.

Ticket chairman Buddy Forbess of Lubbock said Shriners throughout the Panhandle and West Texas are selling ducats to the game. The tickets are available from any Shriner, at Holt's Sporting Goods in Lubbock, at the Tech Athletic Office and also will be sold at the gate. Price of the tickets are \$2.50 for adults and \$1 for children.

Texas Tech Athletic Director Polk Robinson said, "there couldn't be a finer game to promote than this one."

"I'm sure all the players will give their best for this fine cause," Coach Huffman said.

Huffman's Pledgers, undefeated in four games last fall, were proclaimed unofficial Southwest Conference freshman champions.

The game will be the first of five contracted by Texas Tech and the Khiva Shrine Temple, a 38-county jurisdiction centered in Amarillo. On odd years Arkansas freshmen will play Tech; on even seasons, Texas A&M.

Potentate of Khiva Shrine is Ivan Boxwell of Amarillo. Among his appointments have been Noble Jack Strong of Lubbock, general chairman for the game, and Noble Ralph Krebbs of Lubbock, public relations chairman.

Tickets for the game may be purchased in Floydada at Builders Mart.

By Travis Hart

Floydada's alert defenders scored twice in the first quarter as 185 lb. back Joe Christian plunged over the line and Stan Pierce stole a Post pass to scamper over for a score. The game showed impressive improvement over the performance of Floydada in their first win of the season.

CHRISTIAN OPENS SCORING

Dayne Golightly received the opening kick on the first play of the game. Christian turned the ball to the Floydada 35. On first down, Christian was tackled for 3 yards. Steve Craig rumbled 21 yards to the Post. Then began a plague of red flags that kept off balance the entire game. Clipping set Floydada back 10 yards. Christian tried the left side for no gain. On the 'Winds five, Barbee went for 6. Christian picked up the first and ten.

Craig hit for 4 to the 49. Barbee threw incomplete on the forty of Post. On third down needing 4, Christian's punt went deep. Post quarterback Dayne Golightly bled the ball at the 17. Eloy Martinez recovered the ball, first and ten on the Post 13.

Craig went right side for 2 to the 11. Miller picked up the 9. Barbee threw incomplete to Wester at the 20. Offensive holding sent the 'Winds back to the 23. On twenty-five, Barbee hit Craig with a short pass to the fourth and ten, Miller kicked a field goal from the motion cost Floydada five yards and three points. On second try, the kick went wide to the left. Post took on their own 20.

Altman gave to his brother Dennis Altman for no gain. Then threw incomplete to Jerry Chrenshaw at the 40. On second and five, Altman threw to Chrenshaw at the 40. Then gave to George Torres for no gain. Three incomplete to Chrenshaw, Altman fourth and five. Wester received on the 45, Barbee then tried a pitch-out to Craig for 36 yards and a first down. Christian picked up 4 to the 1. Barbee gave to Chrenshaw for a touchdown. Miller's kick was good. Floydada led 14-0.

Gilliland kicked to Charles Harper on the Post 1. Altman turned 25 yards to the 30. Altman gave to D. Altman for no gain. Altman again tried the brother combination on third and ten, Altman dropped back to pass, intercepted and went the distance to the goal. Miller's good. Floydada 14-0.

Post started again on their own 14. Altman went for no gain. Floydada was charged with a penalty. Post had a first and ten at the 29. Altman threw to Chrenshaw at the 40. Then gave to George Torres for no gain. Altman went right side for 8. Then left side for 2. On a third bid for yardage and went right side for 14. On he threw incomplete to Chrenshaw. Altman went left. Gave to Chrenshaw for no gain. On fourth down Altman gave to Torres for 3. Floydada took over.

SECOND QUARTER

Barbee gave to Christian for 5 to the 28. Miller kicked for no gain. Barbee, back to pass, was thrown for a fourth down, Christian kicked.

First and ten for Post. Altman, back to pass, was intercepted. On second and five, Altman threw incomplete to Denny Post had an illegal receiver down field. Post returned the ball 5 yards to the 35.

Barbee went to Christian who stormed through the defense for 20. Offensive holding brought the ball to the 20. Barbee tried a pitch-out to Chrenshaw. Floydada recovered after a loss of 20. Christian five. Barbee went to Miller for 2 and then to Chrenshaw. Floydada was again called for offensive holding. On forty-three, Barbee hit Sammy DeLeon for 39 yards short of the first down. Christian punted.

Altman gave to D. Altman for 1. Then to Torres for 3. On fourth and 4, Altman threw incomplete. On first down, Barbee back to pass three of four for a defensive end, D'Wayne Gannon intercepted.

Altman lost 8. On second down needing 18, Altman threw to Chrenshaw. The ball squirted out of Altman's hands. Defensive end, Steve Simpson, made a quick pick up the ball and returned 3 yards to the 7. First and ten went to Craig for 4. Then Barbee went right side for a touchdown.

Floydada tried a fake kick. Barbee hit Jackson for two more points. Floydada led 22-0.

Post had first and ten on the 22. Altman gave to Denny Post for 8 to the 30. Altman, needing 2, tried to pass for no gain. Post was off-side. On second and seven, left side for 12 yards and a first down. Altman incomplete to D. Altman at the 40. On the play, the best defensive move of the season. Altman ending the half.

SECOND HALF

Second half action again saw the field painted red by flags. Post's only score came late in the half. Post had the ball first and goal on the Floydada held for four downs, and took over possession at the 40. On first down, Barbee went to Chrenshaw for 25 to the 30. Barbee then gave for 7 to the 37. On second down needing 3, Barbee recovered for Post.

Altman went right side for 10. Then D. Altman 1. Altman went right side for no gain. On Post 1, on a fake punt had Altman hit D. Altman on the 13. Altman went right side for 4. Three complete shaw for six points. Norman Tanners kick was good. Floydada 22-7.

The final play of the game found Miller trying from the 35. D. Altman caught the low kick and gun. An alert Whirlwind, Big Bobby Gilliland saw seven points by slinging Altman out of bounds.

Defensive standouts were Carthel, Gilliland, and Obenstine. Joe Christian, Tomorrow night, Floydada will play Post in the first district clash for both the district and the county. Floydada has a record of 3 wins and no losses in a strong test for Floydada now 1 and 2.

AL BERRY AND WANDO THE SHEEP

Benefit Sheep Brings \$305 At Floydada Livestock Auction

Al Berry, owner of Wando, the sheep that is sold at auction for money for the Gonzales Warm Springs foundation was in Floydada Thursday at the Floydada Livestock Auction.

To date the sheep has made \$15,000 on the project, and \$150,000 is needed to reopen the hospital.

Berry represents the state project which is sponsored by the Texas Jaycees.

Wando is seven years old and enjoys riding in the air conditioned auto with Berry. He weighs 120 pounds and has brought as much as \$1,000 at an auction.

Berry expressed his thanks to the persons who bid on the sheep.

Berry said that the money would be used to open a hospital in Fort Worth for paraplegics. 200 children are waiting for the hospital to open.

FIRST BALE OF COTTON AT LOCKNEY REPORTED LOCKNEY - First bale of cotton reported for Lockney arrived at the Lockney Co-op Gin Saturday about 4 p. m., delivered by L. L. Rhodes a renter on the Judson Miller farm north of Lockney. Rhodes was paid 50 cents per pound, plus free ginning and was given a \$100 cash bonus from the Lockney Chamber of Commerce.

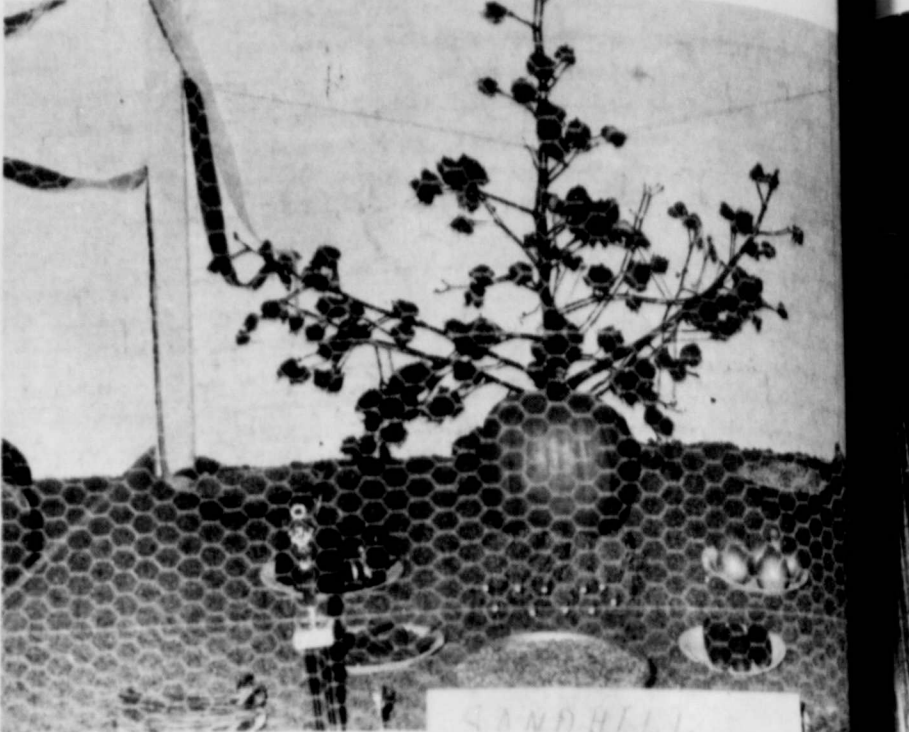

The load yielded 565 pounds of lint and 2900 pounds of seed. The Paymaster 101-A irrigated cotton was planted the first week in May.

The style show featured 35 garments in the two divisions. Mrs. Joe Taylor, president of the club, was narrator.

AAAA Hereford were rough, but we hope we gained some good experience in the games we lost. I believe the Whirlwinds will be able to beat Abernathy here tomorrow night. We have an advantage in playing them at home this year . . . believe we're improving every game.

THE VIEW ON THE WYE is 100% better, since the completion of the all new Whirlwind Drive-In. Our congratulations and best wishes to Bill and Mary Selman on their opening of the new business in Floydada.

NOTE TO THE TEENAGERS. . . an exciting new column begins in this edition of The Hesperian. Suzanne Guthrie begins writing "Making the Drag". Turn now to the second section. . . think you'll enjoy her writing each week.

The election of a supervisor for zone 4 of the Floyd County Soil and Water Conservation District will be held at 8:00 p.m. Tuesday, October 3 at the McCoy Grain and Elevator Company (Boothe Spur). Zone 4 is in the southeast portion of Floyd County. The area is outlined above. The present supervisor is G. L. Fawcett. Eligible voters are men and their wives who own land included in zone 4 and who at present

reside in the Floyd County Soil and Water Conservation District. All eligible voters are urged to attend and cast their ballot. The district supervisors are elected for a 5 year term, with one supervisor election per year. The supervisors coordinate activities of the local, state, and federal agencies which cooperate to provide a complete program of soil and water conservation which is vital to the community.

BONDS

lation on bond elections requires that property owners swear to the ownership of property. It also requires them to give a brief written description of their property. It takes the place of taking the tax rolls to the polls. Before, it was required that the tax rolls be taken to the polls, but nobody did so the legislature came up with this affidavit.

The Hesperian has requested tax and water rate increase facts regarding the cost of the project to Floydada residents from city hall. At press time Wednesday these statistics were still unavailable. To date the city council and the chamber of commerce of Floydada have not indicated an opinion on the project. At press time Wednesday, no absentee ballots had been cast at City Hall.

Freddie Morren Wins Contest

Freddie Morren, Route 2, Floydada, is the winner of \$7.50 cash with only three misses to head the football contest of last week. He missed the Kress-Petersburg, Dawson-Whitarral and Lorenzo-O'Donnell games. There is a tie for second place and each winner will receive \$2.50. David Parr and W. O. Newberry, both of Floydada missed four games and will share the honors for second place. They missed the tie breaker

game by one point each and both picked Floydada to win. Third place honors and \$2.50 cash goes to Terry Jones. He also missed only four games, but missed the tiebreaker game by seven points. Others who missed only four games are: Steven Alldredge, Charles Didwad, Travis Gentry and Mrs. Jerry Finley. Another big contest appears in the second section of this issue of The Hesperian. . . fill it out now. . . you may be one of the lucky winners.

part of church members in most churches falls below 50%. During the months of October, November and December the Pastor's Association will seek to remind the public of the values of church attendance and church membership by various means. KFLD Radio will carry spot announcements and invitations to worship. The Hesperian will carry a series of articles by members of various churches on "Why I Go to Church." The Hesperian

will list Church attendance totals week by week. A large bulletin placed on the courthouse square will post the total church attendance each Sunday. Individual churches will be setting attendance goals for themselves.

A number of posters will be displayed around town with the theme "God's Work Must Truly Be Our Own. . . put your faith to work today." The Churches of Floydada invite and urge every individual and every family to worship the Lord every Lord's day.

Everybody Else Is Striking, Why Not Weekly Editors

Editor's note: The Floyd Philosopher on his Johnson grass farm seems to be overwhelmed by strike news, his letter this week indicates. Dear editor: After the fifth newspaper turned up out here on this Johnson grass farm in five days, each one reporting on a different kind of strike, I started keeping tabs and can report that the following various groups have been striking lately: School teachers, chorus girls, automobile workers, steel workers, television announcers, policemen, firemen, big city printers, construction workers, airplane pilots. There may be more, but this will give you an idea of what it takes to be in on the modern trend, and what I'd like to know is, what's the matter with weekly newspaper editors? How come you're dragging your feet? Don't you know this is 1967? You mean to say you can't find a thing to strike about? How come you don't keep abreast of the times? I'll even

write your own headline for you: EDITOR PICKETS OWN OFFICE IN DEMAND FOR SOMETHING Of course, I recognize you might ask me, How come you don't strike? Well, although I've never attempted to keep up with the times, which consists mostly of going in circles anyway, I've got plenty to strike about, like a leaky roof, a loose board on the back step, a leaning barn, a sagging gate, broken-down fences, the weather 90 per cent of the time, rusty plumbing, the high cost of repairs and the low price on sales, inferior television shows, etc., but I suppose you and me are in the same boat: there's nobody to settle most of our grievances with but ourselves, and there's no fun in that. What sort of strike would it be if the only way to win it is to work harder yourself? I'll strike against that kind of strike any time. Yours faithfully, J. A.

Deacons Lead In Revival Preparation And Promotion

The Deacons of First Baptist Church have assumed the responsibility of the plans and promotion for the church's fall revival, reports Bill Hardin, chairman. The revival will be conducted October 8-15 at 7:30 p.m. Sunday services are 11:00 a.m. and at 7:00 p.m.

James Robison, evangelist, and John McKay, music, have been engaged to lead the week of special evangelism. The revival team comes to First Baptist with an active and fruitful evangelism ministry.

Publicity for the revival is under the direction of Ray Johnson, committee chairman. Serving with him are Bob Copeland and Bob Alldredge, Newspaper, radio, telephone and person to person publicity has been planned and is being carried out.

Ralph Johnston is chairman of the prayer committee. Special prayer meetings the week preceding the revival are planned. The Deacons will lead an around the clock day of prayer on October 7th. Serving on this committee is Al Galloway, Fred Battey, W. B. Cates, W. H. Bunch, and A. S. Mize.

Personal witnessing throughout the area will be the responsibility of a seven man committee whose chairman is E. D. Morgan. These men shall strive to lead the entire membership to share their Christian testimony with neighbors and friends. Serving on the committee is J. W.

Gooch, John Hinsley, Wade Warren, L. C. Pruitt, C. O. Spence, and George Smith. Each service during the week shall have a special feature of emphasis. Glen Black, chairman; Charles Craig, A. W. Coltharp, and Leo Fizzell make up this committee.

Ushers and greeters for each service shall be composed of Deacons and other men of the church. Bill Daniel is chairman of this group. Assisting him is Walton Wilson, Lee Burton, H. F. Pratt, Clarence Guffee, Billie Jo Smith, and H. O. Cline.

Every church in the entire community is cordially invited to participate in the revival. Visiting pastors and their members shall be recognized at all week-night services. To give special invitations to each church is the responsibility of Farnell Powell, chairman. Four Deacons will assist him: Thomas Warren, T. L. Holland, H. G. Barber, and J. M. Williams.

A fifty voice revival choir will be enlisted by Roy Edwards. Travis Hart will give special leadership to youth participation. Mrs. Bob Copeland will be at the organ, and Mrs. Mack Hickerson will play the piano.

Five well-staffed nurseries shall be provided at each service. All children through three years of age shall be cared for. Mrs. Floyd Fuqua is Nursery Co-ordinator.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS Sept. 25 - V. F. (Pete) Forderhase will spend three months in the Caprock Area, and will be, specifically, at the South Plains Baptist Church on Oct. 26 through the morning of Sunday, Oct. 29, working with musical groups in the church. Revival services will be held here Oct. 15 through Oct. 22, with evangelist, John Bobo, from Keyes, Oklahoma, and song leader Leon Meyer, from Memphis. Mrs. Lendell Meyer will also accompany her husband. The home church Sunday morning offering went to the Mary Hill Davis State Mission work, with mission project in South Texas, to help all the people along the Rio Grande River.
Several men from the South Plains Baptist Church are going to First Baptist in Floydada this Monday night to attend an Associational Men's Meeting with Rev. David Ray, from Lubbock as speaker.
L. T. Wood took his mother, Mrs. Walter Wood to Lake Whitney Friday where she will stay for some time with her daughter, Mrs. Jack McCown and husband, L. T. plans to be home the first of the week.
Mrs. L. T. Wood went to Lubbock Sunday evening to spend the night with her daughter, Mrs. James Teague, her husband and three boys. She plans to be home this Monday afternoon.
Mr. and Mrs. Bryan Karr went to San Angelo, Abilene and Ballinger on a business trip last weekend, and spent Saturday night and Sunday with Mr. and Mrs. Roy Burks in Ballinger, and attend Sunday church services with them.
Mrs. Philip Smitherman accompanied by her mother, Mrs.

J. K. Bean of Silverton, will leave Tuesday for Belton, Tex. to visit Mrs. Joe Wayne Brooks, formerly of Silverton, who is critically ill there. Mrs. Joe Brooks will go down with them, and Mrs. Roy Mayfield will come home with them Thursday.
Mrs. Bruce Gibson of Turkey is spending this Monday with her daughter, Mrs. Raymond Reeves and family. They plan to spend some time with the family of Ray Thompson, who passed away at his home in Silverton Sunday. Funeral services were pending at this time in Silverton.
Mr. and Mrs. J. Frank Parks of Abilene spent part of the past weekend here with his parents, Mr. and Mrs. I. H. Parks of the Parks Oil Company.
Mr. and Mrs. W. Fred Cox from Edmonton, Alberta, Canada flew here last week where they are visiting with Mr. and Mrs. Jack Smitherman, her brother and family. Mrs. Smitherman has not been well and Mrs. Cox is staying with her until she gets stronger. Fred flew his plane to Kansas City Thursday on a business trip.
Mrs. Linda Pruitt Minyard will be honored this coming Friday morning, Sept. 29, at 9:30 a.m. in the home of Mrs. L. T. Wood with a kitchen and bath wedding shower.
A group of young people from here went to Amarillo Saturday night to attend the Amarillo Tri-State Fair, and to hear Eddy Arnold and the Kids Next Door. Those going were Mr. and Mrs. Keith Marble, Mr. and Mrs. Glen Wood, and Mr. and Mrs. Ronald Kitchens.
A rain shower fell here Tuesday night making the already wet fields a little wetter, but

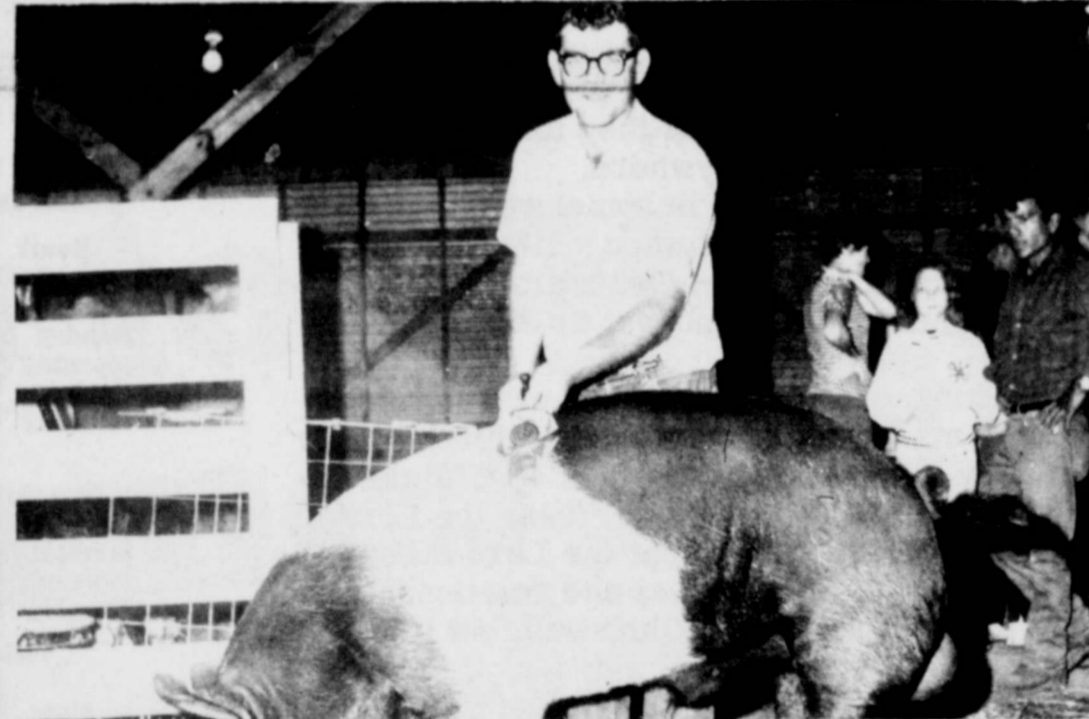

even though the dews have been heavy, most of our community is hoping they can get into the fields to cut maize this Monday afternoon.
Mr. and Mrs. J. C. Scott, who have been working for several years here with the South Plains Co-op Gin and Elevator, moved last week to Petersburg, where he will be connected with Petersburg Gins, Inc. Mr. and Mrs. Melvin Upchurch and their children have moved into the former Scott house. We welcome them to our community, school and church.
Miss Bobbie Reue, fiancée of Dale West, was honored at a bridal shower on Thursday afternoon, Sept. 21, in the home of Mrs. I. H. Parks in South Plains. Hostesses for the bridal courtesy were Meses. Raymond Upton, Bryant Higginbotham, Bryan Karr, Harry Hartman, Frank McClure, Sylvan Kinniburgh, Early Pritchett, Skeet Thornton, Shelby Calahan, Rex Smitherman, E. J. Kinslow, Harold Hamm, Lottie Stewart, and Leighton Teeple. Special guests were the bride-elect's mother, Mrs. John Reue of Floydada, her fiancée's mother, Mrs. John Key West, and her sister, Mrs. Jim Broome of Lubbock. The bride's chosen colors of apricot and white were used throughout the entertaining areas, and the mothers and bride-to-be wore white corages. Apricot colored orange punch was served with coconut balls. The table, covered with white linen, was centered with a bowl of white mums, and milk glass accessories were used. A large apricot colored candle completed the table decor.
The hostess gift was magna-

White House Rite Slated For Dec. 9

WASHINGTON - President Johnson's daughter Lynda Bird will marry Marine Capt. Charles S. Robb on Dec. 9 in "a winter wedding" in the East Room of the White House.
She will be the eighth daughter of a president to be married while her father was in office, and the seventh presidential daughter to be married in the White House.

Please Read This Message Of Importance To You And Your Family

A recently hired worker in the shipping department of a food manufacturer was busy filling boxes for shipment. The foreman noticed that he worked quite rapidly. But when the foreman walked over to where the new employee was working, he noticed that the worker was putting peas which should have been sent to Washington in tomato boxes that had already been labeled to go to Oregon. When he asked the new employee about it the employee replied: "I guess I was so busy filling the boxes I didn't have time to notice where they were supposed to be sent."

Many people become so busy with the busy-ness of living that they forget to notice where they are going. Or they may feel that they are not going anywhere.

The Lord God who created us intended that life should have somewhere to go - a destination, a purpose. He has, like an archer, "aimed" man toward a life of meaning and fulfillment, and, ultimately toward Himself. Man can thwart God's aim by yielding to the winds of self-centeredness, by straining against His purposes, or simply by neglecting to pay any attention to where he is going.

The Floydada Pastor's Association is sponsoring a community-wide church attendance program in the hope that by this means many will be reminded to "look where they are going" and to consider more carefully both the obligations of faithfulness to the Lord and the harvest of rewards that are to be reaped by those who "seek the Lord."

Going to Church by no means satisfies all the requirements that the Lord makes of His people. BEING THE CHURCH through the week, in every aspect and relationship is also required. Going to church is not the place to stop for a Christian, but it is the place to start. The Church is "the filling station" for Christians.

It is the place where Christians come together for mutual nurture and inspiration for their tasks in the world.

The theme on the posters you will see around town, "God's Work Must Truly Be Our Own... Put your faith to work today," emphasizes the witnessing mission of Christians in the every-day world. This is our task. To be prepared for that task we must meet for study of God's Word and receive the inspiration of sharing the "good news of victory through Christ."

To every individual, to every family in Floydada, we join in saying "Look where you are going; also, look where the church is going. Come join us, it is a wonderful journey!"

Making The Drag

BY SUZANNE GUTHRIE

Speech classes this past week, Miss Schneider has had a lot of listening to the Speech I students giving their reports. I think some of the speeches really gave Miss Schneider something to think about. Jill Stansell spoke on "The Drag" and that is something to think about. Thursday, the Future Homemakers of America (F.H.A.) members were introduced. F.H.S. is one of our best organizations, as far as the girls at F.H.S. are concerned, because, as far as the girls at F.H.S. are concerned, because, as far as the girls at F.H.S. are concerned, because...

Problems? I've got a million. Who doesn't? Just what is a problem? According to Webster, a problem is a "question proposed for solution; hence a perplexing question, situation, or person." This definition explains why everybody has problems. All of us are constantly faced with questions that must be answered or solved. One of the main problems during the past three weeks for Coach Chatham, our new head basketball coach, was learning his bus route! The first day of school Coach was about 20 minutes late for school, and of course when he arrived in class everyone had to know why. "Well," he explained, "I got lost on my bus route." So when your problems are getting you down just remember that everybody else has problems too. My conclusion is, "Problems? Sure, we all have them. Some may even be difficult to solve, but they CAN BE solved."

School can be fun as well as profitable, especially if you go to Floydada High School. Where else would one be able to make and retain so many wonderful friendships? Yes, F.H.S. is really great this year. Some of the girls are having a little trouble remembering the rules for skirt length, and some of the boys just can't seem to find time to go to the barber shop. Then there are those natural things like Suzanne Guthrie getting caught talking in class, (it's a habit of hers) and Jim Kimble whistling all the time, but all in all, things are running smooth. Oh yes! One last thing, the "Mighty Whirlwinds" are going to beat Abernathy this week so be sure you are there.

San Diego (FHTNC) Sept. 11 - Seaman Recruit Jimmy N. Parks, USN, son of Mr. and Mrs. Jimmy N. Parks of Petersburg, Tex., has been graduated from nine weeks of Navy basic training at the Naval Training Center here. In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

With Tullia, Friona and Muleshoe voicing approval Tuesday, all 51 towns in Pioneer Natural Gas Company's West Texas distribution division have now completed favorable action on the Company's request for a gas rate increase. Earlier in the week Canyon, Hereford, Dimmitt and Ralls adopted the new rate structure. The new rate will be placed in effect in all 51 towns about the middle of November. Following the June 23-24 filing date, Pioneer officials appeared before the commissioners of the various towns to explain the company's position in detail. These meetings resulted in a better understanding of the necessity for a rate increase. Even with the increase, rates will still be among the lowest in the State. The cities and towns served by Pioneer's West Texas Distributing Division are in the area from Canyon and Hereford on the north to Midland and Odessa on the south.

South Plains (FHTNC) - Marine Private First Class Walter F. Wood, son of L. T. Wood of South Plains, Tex., completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base. This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced officers of the infantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team. While in the field he was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another. From this course, he is scheduled to go on to more advanced training before being assigned to his permanent unit.

South Plains (FHTNC) - The young couple plan their wedding for Oct. 21, and will live in the South Plains area, where Dale will be engaged in farming. Last week was a busy week with the Floyd County Fair going on Thursday, Friday and Saturday. Many of our people brought home prizes from their entries, and many from here took part in the gospel singing Saturday night. Mrs. Bryant Higginbotham and Mrs. Don Probasco won 2nd place in the Adult Talent performance on Friday night at the Fair, and the "Five Little Probascos" won in the talent contest. They are the children of Mr. and Mrs. Don Probasco. The South Plains Gin Restaurant opened for business this past week, and good home-made meals are available at this time. Mr. and Mrs. Ferguson of Plainview are proprietors of the Gin Cafe. Deneen Johnson entered the Junior Horse Showmanship at the Saturday morning showing at the Floyd County Fair, and won 1st in Showmanship. The other twin, Denise Johnson, won 3rd place in the Horse Show-

manSHIP for 8-8 year olds. Not many youngsters of this age can do with horses what the twins are able to do. Mr. and Mrs. Bob Adams, Larry and Glenda from Anna, Tex. came and stayed Saturday through Sunday with her brother, Mr. and Mrs. Tillman Powell and family. This is Tillman's youngest sister and family. Kenneth Bean is flying Mrs. Barney Stephens of Silverton to Houston this Monday afternoon to the M. D. Anderson Hospital, where she will undergo treatment. We hope she gets better soon, and that Mrs. Dorothy Edmonds, who is also a patient there at the hospital in Houston, gets better and is soon able to come home. Mrs. J. E. Woodson of Snyder, returned here with her sister, Mrs. Frank McClure Monday and stayed until Wednesday evening. The McClures had spent most of last week in Snyder with the sister and her mother, Mrs. R. W. Newman and a brother, A. C. Newman and family. Mrs. Jean McClure and children of Plainview had Sunday dinner here with her parents, the Frank McClures. Some names we left off those who were attending colleges of their choice were those of Mrs. Donald Bean, who drives back and forth to Texas Tech to attend classes there, and Irene Bean, who is a freshman at Texas Tech this fall. Mr. and Mrs. Don Probasco and Mr. and Mrs. Donald Bean were among those from our community who went to Lubbock for the Iowa State-Texas Tech football game Saturday night, where Texas Tech was a victor by a score of 52-0. Everyone is welcome to attend the Hobby Shop Demonstration given at the Lighthouse Electric in Floydada Oct. 3, where Mrs. Mary Phillips will demonstrate several hobbies, including papier-mache work. It will be an all-day demonstration, and you are to bring a covered dish to have at lunch, and bring the recipe for the

NEWS FOR HOMEMAKERS

by Sherry Mullin
Floyd County H. D. Agent

Nature offers the best materials for dried arrangements and now's the time to collect them. Dried plant materials are ideal for creating designs for fall and winter with an outdoor or nature theme. She suggests collecting grain, weeds, flowers, tree branches and driftwood and drying roses, marigolds, zinnias, salvia, pansies and carnations now in a box of dry sand. Place an inch layer of sand in the box. Carefully place the flowers on the sandy surface, and slowly pour additional sand over the flowers until covered. Put only one layer of flowers in a box, and allow 2 weeks for them to dry. At the end of this time, pierce holes in the bottom of the box and allow the sand to drain. Hang milkweed, poppy, yucca, celosia, goldenrod, strawflower and baby breath upside down to dry. Preserve branches of magnolias, oaks, maples and some woody type flower in glycerin and water. Stand freshly cut branches in 2 inches of equal parts of glycerin and water for about 2 weeks. Branches will have a glossy, fresh appearance and remain pliable. Place leaves, ferns and grasses between sheets of newspaper and press with flat boards. Spray dried materials with plastic or wax aerosols for prolonged keeping qualities. GIVE YOUR FURNITURE A FACIAL - Does your furniture need a facial? If so, use the following mixture for a like-new look again. Mix 1 quart hot water, 3 tablespoons boiled linseed oil and 1 tablespoon turpentine. Keep the mixture warm to wash away that dull, dirty look. Rinse with clear water and buff with a soft, dry cloth.

It's Autumn On Time

While most of us were going about our business Saturday, the annual autumnal equinox slipped up, and autumn began at precisely 12:38 p.m.

The sun, just like it's supposed to do, crossed the equator at a point which made day and night everywhere on earth of equal length.

The days will begin to get shorter, and the nights longer, until the next equinox on March 21. Autumn will be with us until Dec. 22, when winter begins.

759 Enroll At Wayland

PLAINVIEW - Wayland College enrollment totals 759, said Mrs. Audrey Boles, registrar.

The enrollment figure is substantially above that of the corresponding time in the 1966 fall semester and is second only to the record 780 enrollment in the fall of 1965.

The registrar said her office had not completed a breakdown of registration figures, but she expressed the opinion that retention of upperclassmen in this semester's enrollment accounted for most of the increase.

Upperclassmen retention last year hit a new high and Wayland administrators say they are gratified that the trend continued.

Wayland classes began Sept. 7, earlier than other colleges in the region will start classes.

ARNOLD WESTHERD

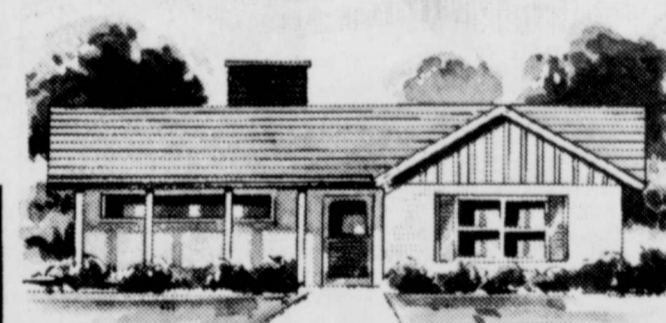

Arnold Westherd Completes Marine Training

SAN DIEGO, (FHTNC) - Marine Private Arnold L. Westherd, son of Mrs. Luvenia Westherd of Silverton, Texas, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects; hygiene; first aid and sanitation; and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join Marine combat forces.

Eddy Arnold Attraction For Fair Show

LUBBOCK - A colorful and memorable exhibit recognizing 43 years of civic service by A. B. Davis will pay tribute to the longtime manager of the Panhandle South Plains Fair when the exposition opens its 50th annual season here Monday.

Davis, head of the fair since 1924, also will be honored for his activities in the chamber of commerce, civic affairs and with Lubbock area military organizations.

A large special display sponsored by the board of directors of the fair will be featured in the merchant's building. It has four sections along with an eight-foot picture of "Mr. Fair" in the center.

R. E. (Bob) Gee, president of the fair association, said the exhibit will contain a bronze plaque, officially dedicating the fair to Davis, along with a scroll for fair patrons to sign during the weeklong golden anniversary run.

It also will feature various other pictures, mementos and newspaper enlargements of Davis headlines through the years.

Jack Davis is chairman of the committee handling arrangements for the fair display. Daily co-chairmen include O. L. (Larry) Byrd, E. K. Hufstetler, Jr., Bill McMillan, Jr., W. C. O'Mara, Jimmy Quicksall, O. J. (Bo) Sexton, former fair and chamber of commerce directors and longtime friends of Davis also will participate.

The 50th fair is shaping up as the largest in history. Headline attraction is the Eddy Arnold all-star show, featuring the television and recording star, the Kids Next Door, who appeared here last year as the Young American Singers, and ventriloquist Jimmy Nelson and his lovable blockheads.

More than \$32,000 in premiums are being offered. Entries in nearly all divisions are expected to top those of last year, considered the record-shattering exposition of all time.

More than 4,000 entries are expected in the women's division, along with hundreds of agricultural displays and about 100 commercial exhibits.

With entry deadlines passed, 369 cattle and 508 swine have been signed to compete. The rabbit show, largest in Texas, will draw about 700 entries and the 14th annual West Texas Twirling Festival is expected to attract about 350 contestants.

About three dozen bands will appear in the Parade of Bands, which officially launches the fair. The parade will move out promptly at 10 a.m. from Broadway and Ave. Q, will move east on Broadway to Ave. A, and then proceed to the fairgrounds. The staging area will be at the Municipal Coliseum parking lot at 9 a.m.

Bands entered so far include Ropesville, Whiteface, Farwell, Seminole, Sudan, Sundown, Borden County, Willson, Nazareth, Petersburg, Jayton, Lorenzo, Plains, Post, Hale Center, Roosevelt, Crosbyton, New Deal, Denver City, Frenship, Kress, Shallowater, Anton, Abernathy, and Idalou. Several others are expected to enter.

The units will be competing for cash prizes of \$100, \$75 and \$50 for the third three places in Classes B, A, AA, AAA, and AAAA. Trophies also will be awarded to all participating bands.

Bands from all five Lubbock high schools will participate, but will not compete for the awards.

Parade judge will be Dr. Milburn E. Cary, Oklahoma A&M University.

Finishing touches were added to a new addition of the women's building Wednesday and officials started accepting some entries there Thursday.

Other features include a massive military display, creative arts, industrial arts, fine arts demonstrations, the popular children's barnyard and junior parachute jump, a fistulated steer, square dancers appearing nightly, a mock Vietnam village and Indian dancers, a mock Vietnam village and crude weapons used by the Viet Cong, and Gene Ledel carnival on the midway.

Arnold's all-star show will be appearing at 3 and 7:30 p.m. daily in Fair Park Coliseum. Tickets for matinees are priced at \$1.50, \$2, \$2.50 and \$3, and children 12 years and under will be admitted for one-half price.

Evening show tickets are priced at \$2, \$2.50, \$3 and \$3.50 and all tickets purchased prior to the fair opening will be accompanied by free gate admission passes.

Tickets may be secured at the coliseum box office from 8 a.m. to 6 p.m. daily, except Sunday, and at all four Dunlap stores. Mail order requests also are being accepted by the fair association, PO Box 208, Lubbock.

Davis came to Lubbock in 1924 to assume the position as executive vice president and general manager of the Lubbock Chamber of Commerce. He retired May 14, 1962, when his post was filled by the present manager, John A. Logan.

The job as fair manager was an inherent one. It was a separate organization, but was closely allied with the chamber and Davis jumped headlong into making it an attractive exposition.

Before Davis took up the reins, the fair was nearly \$7,000 in debt and was staggering after several disastrous seasons. But, as Davis stepped in, the fair made more than \$5,000 in capital improvements to Fair Park, tripled premiums, gave patrons a full program of free attractions, and from operations paid all expenses, the debts of the association and made a profit of \$2,500.

It has continued to grow since that time. The same success, achieved with Davis' leadership, was noted in the Chamber of Commerce and Board of City Development, and in many other civic activities in which he participated.

The Bonham native attended the University of Texas, worked for a large wholesale grocery firm, tried his hand in the insurance and real estate businesses and newspaper work before entering chamber of commerce work in Durant, Okla., where he promoted and helped organize a chamber. He stayed there until he moved to Lubbock.

Since coming here, he has played a major role in many of the Hub City's major accomplishments and his achievements would fill a book.

One associate recently described Davis as being "indefatigable - as energetic as a squirrel in hickory nut season." Last year's fair drew a record attendance of 256,587, including the five millionth visitor. Another record-shattering year is predicted for the 50th annual exposition.

Over 150,000 South Plains students and more than 5,000 teachers have been invited to the fair and have been issued free admission tickets. Several special days also have been proclaimed: Monday is area school day, Tuesday and Wednesday Lubbock school days, Thursday is Reese AFB day, and Friday has been designated as college day.

Public school students will be admitted free on dates indicated upon presentation of special passes, while military and civilian personnel at Reese and area college students will be admitted free on their "days" upon presentation of identification cards.

HARVEST HIGH-YIELD, HIGH-QUALITY COTTON WITH A HESSTON BRUSH COTTON HARVESTER!

"Gross returns per unit of harvested material were substantially and significantly greater (\$11 per bale unit) for the Hesston than for any other." This was the report from Oklahoma State University after comparative tests on the quality of cotton harvested by a Hesston with cotton harvested by strippers. It's a proven fact that Hesston brush-harvested cotton will grade higher than stripped cotton... and the reason is quite simple: The Hesston Cotton Harvester gently "brushes" the cotton from the plant. Its soft nylon and rubber brushes are highly flexible and allow a full 2 1/2 inch clearance for stalks and branches. On the other hand, solid roll strippers have vir-

tually no clearance whatsoever as they tear and shred the stalks and branches that are wider than the narrow fixed opening between the stripping devices. Obviously, this results in more stick, bark, and trash being harvested with a stripper... which means more ginning is required... and in turn, a lower quality grade of cotton. BUT THIS IS THE YEAR FOR QUALITY COTTON... and you'll get it with a Hesston... PLUS the capability of harvesting in a variety of stalk sizes, excellent field efficiency, and superior green boll separation. You know that you want quality cotton... and your Hesston dealer can show you how to get it... with a HESSTON!
