Outstanding Team To Lead Revival

James Robison will preach during an eight-day revival meeting at the First Baptist Church October 8-15. Leading the music will be John McKay. Both men make their home in Tarrant County. Robison is one of the most effective evangelists in America. He is twenty-three years old, having been in full time evangelism since he was seventeen. He has given himself almost entirely to city-wide evangelism crusades the past few years. These meetings have been blessed of God in a most unusual manner. Thousands have made professions of faith during these crusades.

John McKay is no stranger to Floydada. He has led music in First Baptist Church during four other revival meetings. His rich baritone voice has blessed multitudes of people over the nation. He now works entirely with James Robison. The services will be conducted each week night at 7:30 p.m., except on Friday. Aneary service at 5:30 will be held that evening. Services on Sunday will be at the regularly scheduled times. The entire community is invited to attend the services. Special invitations have gone out to all the people in the churches through their pastors.

MR. JAMES ROBISON

JOHN MCKAY

Milton Ashton New Gin Manager

MILTON ASHTON

Milton Ashton has assumed the management of the Brown Gin Company here. He succeeds Morgan McReynolds who moved to Dallas yesterday. Ashton is a native of this area of West Texas and has lived at Lockney the past ten years where he was manager of a gin. Ashton said he and his family would continue to live in Lockney until mid-semester, when his daughter Annell will graduate from high school. The Ashtons have two other daughters who are married. The Ashtons are Methodists. McReynolds has lived here since 1959. He said he plans to enter the building contractor business in Dallas.

Love Fund Started For Mrs. Dorothy Edmonds

A love fund for Mrs. Gene (Dorothy) Edmonds, hospitalized at M. D. Anderson Hospital in Houston, has been started in Floydada, according to Mrs. J. H. Barnard. Contributions for the Edmonds family may be turned in at the local Radio Station KFLD and at the First National Bank in Lockney, according to Gene Collins Jr., president, and at South Plains at Upton Grocery.

Mrs. Edmonds related she had received many cards since her illness and appreciates them so much and also the interest of her friends. Those wishing to send cards may address them to room 304.

The Edmonds family has been hard hit with hospital bills mounting and both the husband and wife unable to work. Edmonds suffered a heart attack several months ago, hospitalized several weeks, and has been unable to return to work. His wife, an LVN at Lockney

General Hospital, is now under treatment for leukemia. Mrs. Barnard spoke by phone with Mrs. Edmonds Tuesday and reported she was feeling fairly well and was seemingly responding to treatment. Members of her family have been with her at intermittent times and her husband is staying with relatives in Houston in order to be near his wife. The couple has two married daughters, and a son, Benny, who is attending school in Floydada.

New Hospital To Open In Two Or Three Weeks

According to a report from the Caprock District Hospital administrator the new hospital will likely open for service to this area in two or three more weeks.

Since much of the equipment has been slow in arriving, time of opening is difficult to ascertain.

In the meantime the Floydada Development Company and the Floydada Chamber of Commerce are working night and day trying to find another doctor for Floydada.

Gilbert Fawver Re Elected Supervisor No. 4

Gilbert Fawver, a life long resident of Floyd County, was re-elected supervisor of Zone No. 4 in the Floyd County Soil and Water Conservation District.

The election was held October 3 at the McCoy Elevator (Boothe Spur) with Joe Wilson serving as chairman of the meeting.

Fawver's Zone comprises the area south of the Matador Highway bounded on the west by the Floydada-Ralls Highway, on the east by the Floyd-Motley County lines, and on the south by the Floyd-Crosby County

SEE FAWVER PAGE 2

CITY MANAGER REVEALS FACTS AND FIGURES

What Is The Cost Of Mackenzie Water ?

At the request of The Hesperian, city manager Bill Feuerbacher has compiled a lot of facts and figures in regard to the Mackenzie Water Authority project. Floydada residents will join Lockney, Silverton and Tulla in voting on the bond election for almost eight million dollars October 14.

The project would include a dam on Tule Creek northwest of Silverton which would impound water to be used by the cities of Tulla, Silverton, Lockney and Floydada, filter plant, and pipelines needed to transport the water to the four towns.

This information is limited to the effect the project would have on the City of Floydada's financial status and what it would cost the Floydada taxpayer and water user.

All information has been derived from engineering reports, compiled by Freese, Nichols and Endress of Fort Worth, and city records.

FIRST LET'S LOOK AT CITY TAXES

The City of Floydada has a tax rate of \$1.30 for each \$100 of property valuation, with a revised, assessed evaluation factor of 35%.

Your property is not calculated for tax purposes at 100% of its market value, but at only 35% of that value. Example: If you own a house and lot valued at \$10,000, 35% of that figure is \$3,500.

The tax rate is \$1.30 per hundred dollar valuation, . . . so the taxes on a home of \$10,000 market value are \$45.50.

WE HAVE LOW CITY TAXES

Yes, when you compare our taxes in Floydada with other area cities. . . they are low: for comparison the taxes on a \$10,000 home and lot are as follows in these cities: Canyon \$75.00; Littlefield \$71.90; Amarillo \$71.50; Lubbock \$70.80, Pampa \$68.80, Plainview \$66.50, Hereford \$63.00, Borger \$61.25, Dalhart \$60.00, Dimmitt \$60.00, Levelland \$57.60, Abemathy \$55.00, Floydada \$45.50, Tulla \$45.00, Dumas \$42.75, and Perryton \$41.80.

MACKENZIE TAX LOAD

It should be explained at this point that the Mackenzie Authority will set up its own tax structure and taxes necessary to finance this project will not be an increase in city taxes, but will be a separate taxing authority from the city.

It is thought that the Mackenzie project will sell the cities 1,000 gallons of water for 35¢. This water will be paid for with both revenue and tax money.

On the basis of 35¢ per 1,000 gallons the tax rate would be 55¢ for each \$100 valuation and the percent of the market value would be based on an evaluation factor of 50%.

So, again taking as an example a \$10,000 home and lot, the Mackenzie tax would amount to \$27.50. This would be the new tax load for the Mackenzie project which is set on a payout schedule of 40 years.

HOW MUCH TOTAL TAXES WILL I BE PAYING FOR EVERYTHING?

The person who owns a \$10,000 home and lot in Floydada would then be paying the following taxes: he already pays \$1.00 for water district, \$8.00 for the hospital district, \$36.40 for county and state taxes, \$45.50 for city taxes and \$77.50 school tax. Add the \$27.50 for the Mackenzie water authority tax and the total tax load per year will be \$195.90.

HOW WILL MY WATER BILL BE AFFECTED?

At present Floydada residents use an average of 200 gallons per day per individual and at an average of 3.2 persons per household, the average household uses 640 gallons per day, or 19,200 gallons per month. On this basis the average Floydada householder now spends \$10.68 per month for water.

This compares with the following area towns as follows: Borger \$14.52, Abemathy \$12.40, Levelland \$12.10, Pampa \$11.10, Floydada \$10.68, Littlefield \$10.58, Lubbock \$10.43, Plainview \$9.82, Canyon \$9.50, Dumas, \$8.93, Amarillo \$8.31, Perryton \$7.96, Dalhart \$7.82, Tulla \$7.36, Hereford \$6.80 and Dimmitt \$6.08.

If the Mackenzie Water Authority goes into operation the Floydada and Tulla householder would be leading the area in water cost with \$15.77 per month instead of \$10.68.

SO, WHAT IS THE INCREASE FOR MACKENZIE WATER COST?

Your city taxes would increase from \$45.50 to \$73.00 to take care of the Mackenzie project cost and your water cost would increase from \$10.68 to \$15.77 per month. (Considering average household use of water and \$10,000 home and lot.

This represents a 60% increase in related city taxes and a 47% increase in the water bill per customer.

HOW MUCH MORE BOND DEBT CAN FLOYDADA STAND?

At present the Floydada bond payments amount to \$90,077.50 per year paid out of utility revenues and \$15,272.50 per year paid out of tax revenues. Should the Mackenzie election pass, the yearly bond payment would increase by \$40,278.14, making a total yearly bond payment of \$146,528.14.

In 1979 this bond schedule would hit a peak of \$222,178.98. It would ease down to \$111,444.88 by the year 2007.

According to Joe Smith, bond representative of the First Southwest Company, Floydada could hardly stand any more bond indebtedness if it approves the bond election for the Mackenzie project.

IF THE BOND ELECTION IS TURNED DOWN, COULD WE GO AHEAD AND BUILD THE DAM NOW AND PIPE THE WATER TO EACH CITY LATER ON?

According to Lon Davis, president of the Mackenzie Water Authority the city councils could request such a vote if the Mackenzie Water Authority election for \$7,975,000 fails.

The difference in cost is shown in the following costs of the project:

Tule Creek Dam and Reservoir, \$2,120,000; Water Treatment Plant, \$750,000; Water Supply Lines, \$3,100,000; Pump Stations and Terminal Storage, \$340,000; Engineering, \$410,000; Foundation Study and Testing Laboratory Expense, \$60,000; Land for Reservoir and Acquisition Expense, \$220,000; Pipeline ROW and Filter Plant Site, \$60,000; General Contingency, \$240,000; Legal and Financing Expense, \$100,000; Interest During Construction, \$575,000; TOTAL, \$7,975,000.

WHAT IS OUR PRESENT WATER SUPPLY?

There are presently ten (10) wells that will pump water into the city system. Seven (7) wells are in our well field on the Ralls Highway and three (3) on our old water system, which can be used in an emergency. These ten (10) wells will produce a combined total of 4,785,120 gallons of water per day (24 hrs.).

City Wells (24 hrs.) - 4,785,120 GPD; Less Peak Use (24 hrs.) - 2,900,000 GPD; TOTAL Excess Available - 1,885,120 GPD.

Because of the amount of rainfall this summer the city's production has been low compared to past years production. From June, 1966 through May, 1967, a 12 months period, the city pumped 259,584,400 gallons of water (711,190 gallons per day). The annual water supply estimated by the Mackenzie Municipal Water Authority engineers report is 273,750,000 GPD.

The city council has had a 1,000 foot test well drilled across the street north of the electric plant. The log showed very little water available, approximately 200 GPM was estimated by the drilling firm.

LIGHTHOUSE ELECTRIC PAYS PATRONAGE DIVIDEND... Lighthouse manager Melvin Henry signs the checks for \$166,478.89 patronage dividends for members receiving electric service in 1956. Credit clerk Kay Gilbert (center) and office manager Wanda Hickerson assist Henry.

WATER.....FROM PAGE 1

A \$400,000.00 Bond issue for the purchase of 480 acres of land (Hoffman Farm) West of Floydada and the future installation of pipelines and improvements was passed by the citizens of Floydada. It is estimated by the city engineer that the water available from the above 480 acres will give Floydada adequate water for a period of 25 years.

The Mackenzie Municipal Water Authority engineers report estimates a maximum pumping rate, to the city distribution system, of 3,480,000 gallons of water per day by 1993.

The Hesperian with the help of city manager Bill Feuerbacher and Lon Davis will be happy to try to answer any further questions about the Mackenzie project that the reader may ask in next week's edition.

The Hesperian is not presenting these facts in an effort to oppose the Mackenzie project. It could be that all our underground water might play out within a year, that some other communities might secure the water rights to the Tule Creek watershed, that we would be left stranded here with the Canadian pipeline on the west and the Mackenzie reservoir on the north. . . . but without a drop for Floydada.

No one can be sure where wisdom lies. These facts are presented for the study of every citizen. We have tried to present them in language understandable to a child so that no resident can say, "I didn't know what the issue was about."

The Hesperian welcomes letters from all persons wishing to comment on the dilemma which faces all Floydada people.

Tulia City Council Opposes Mackenzie Water Authority Election

The Tulia city council has voted unanimously to oppose the forthcoming Mackenzie Water Authority election. In voicing its opposition, the council noted the effect of a 61 percent increase in city taxes and a 114 percent increase in water rates. It pointed out that the present bonded indebtedness is \$2.5 million, and that the additional indebtedness would greatly affect future bond programs and the interest rate paid on future bonds.

The city believes the existing water wells are capable of producing adequate water for a projected population of 15,000

and at a price attractive both to consumer and industry.

The council indicated it would reconsider the project if the dam only were built for purposes of securing the water rights of the drainage area.

Passage of the election next month would mean the abandonment of the city's present underground supply in addition to the new deep well.

The council recommends that the voters of Tulia consider the

facts in their election. Previously, the Tulia Chamber of Commerce unanimously opposed the election.

Rites Held For Father Of Mrs. Jimmie Sales

Services for Elmer Conger, 62 year old father of Mrs. Jimmie Sales of Floydada, were held Friday in the South Side Baptist Church in Lubbock with the pastor officiating.

Conger died Wednesday morning of last week in the University Hospital after an extended illness.

He had lived in Lubbock since

1943 and had farmed. Survivors include four sons; two daughters and two half brothers.

GILBERT FAWVER

lines.

Each year, a similar election is held in one of the five zones in the district and is for a five year term.

Fawver has served on the board for 23 years and has been serving as chairman for several years.

County Tax Collector Explains Tax Billing

The 1967 State & County Tax Rolls were approved with an assessed value for State taxes of \$18,813,360.00. The amount of State taxes levied at the rate of 47¢ per one hundred dollars value is \$8,842,548.

The assessed value for the county is \$22,568,190.00. The County tax rate is \$1.35 per one hundred dollar value, giving a total tax levy for County use of \$304,681.34. In comparison with the past five year average (1962-1966) this is an increase of 25.05 per cent in the amount of taxes levied.

The dollars and cents increase in County taxes is \$61,092.49 over the past five year average. The average assessed value of rural land per acre is \$21.43 for the year 1967, compared to \$12.00 in the past.

The County Assessed values are as follows: Resident and Non-Resident property owners (Rural, City, and Personal), \$19,663,770.00; Unrendered, \$1,680.00; Railroads, \$944,200.00; Banks, \$207,460.00; Utilities, \$1,751,080.00.

The amount of Taxes levied for other districts collected by the County office include the following: Water District \$10,-821.74; Weed Control District, \$18,847.10; Hospital District, \$56,854.00; and four Common School Districts, \$111,381.86. This is a total tax levy for State, County, and all Districts of \$591,011.92.

The County assessed value for each school district, which will determine the amount of State Aid money to be issued to each District for the school year 1967 - 1968 is as follows:

South Plains Common School District \$1,517,015.00; Lakeview Common School District \$808,719.00; Dougherty Common School District \$1,339,080.00; Providence Common School District \$790,460.00; Plainview Independent School District \$427,898.00; Petersburg Independent School District \$636,711.00; Quitaque Independent School District \$244,401.00; Flomot Independent School District \$141,360.00; Floydada Independent School District \$9,530,765.00; Lockney Independent School District \$6,607,545.00.

Revival At Aldersgate Methodist

A revival meeting is in progress at Aldersgate Methodist in Floydada with the Rev. Moises Yanez of Sanderson doing the preaching.

Services are at 8 p.m. each evening and pastor of the church The Rev. Juan Salinas invites everyone to attend a sub-district meeting of all area churches at St. John Methodist in Plainview Sunday at 2 p.m. It will be an evangelistic meeting with the Rev. Roberto Pedraza of Lubbock speaking.

An outstanding musical program is also planned for the Sunday meeting.

THE FLOYD PHILOSOPHER
IS THERE MORE PROBLEM TO WORRY
ABOUT - BUSTED SCHOOL WINDOWS

The Floyd Philosopher on the grass farm has discovered a new answer, his letter this week

so many new crises turning up throughout the world, like hurricanes and strikes and car wrecks and squabbles and crime waves and the language like calling that Viet Nam de-militarized when accumulation of firepower in the warfare is concentrated there and 24 hours a day, that there are I'm not sure I want to see a newspaper out here on this Johnson grass whether a fresh north wind blew today and sure enough it was up to

to it, school buildings this past throughout the country were sub-urban-breaking vandalism.

Chicago, 90,645 windows in school buildings, 36,525 were in Washington, 25,400 in Los Angeles, in New York, and untold thousands of smaller schools around the nation, or city escaped, and one estimate total over a million busted win-

dows.

At the same time, this same paper reported that there is a definite shortage of good pitchers in both major league baseball divisions and it makes you wonder where the schools are falling short. Are they putting up buildings so close to the ground and so thick with windows a boy gets no aiming practice at all in throwing a rock through one?

You break out millions of windowpanes and not produce a single good pitcher, and you can see something is seriously wrong with the school system.

We didn't have one-tenth of one per cent as many windows broken out when we had one-teacher schools and we had lots better pitching. A boy had to make his aim count in those days. Nowadays any punk can break one.

I don't know what the answer to this problem is, but that doesn't embarrass me, I don't know what the answer is to any of the other problems. Nonetheless, a million broken windowpanes a year sure seems like a problem we could do without. It looks like one crisis leads to another. With winter coming on, where will we get enough pillows to stuff in that many broken panes?

Yours faithfully,
 J. A.

To Enforce
the Speed Laws

This is the first of three articles on a new emphasis and an all-out drive of the Texas Department of Public Safety to enforce the state speed laws in hopes of reducing carnage.

fact of life on the open road is universally accepted. Drivers who are charged with the duty of making Texas safe, just as it is ignored by many of the drivers using the roads.

speed kills--and because the chances of a driver involved in an accident increase with speed--the Department of Public Safety has started a more intensive campaign to encourage motorists to stay within a legal speed limit on Texas highways.

Statistics prove that drivers are more likely to be involved in an accident at speeds over the legal speed limit. Major Luther C. Moore, Commander of the Department of Public Safety's Region 5, covering thousands of miles in northwest Texas.

average motorist might ask some questions about these statistics and Major Moore can provide some eye-opening answers.

instance, the motorist might ask if a driver is more likely to be involved in a traffic accident at 70 miles per hour than at about 75 or 80 miles an hour? And if the accident rate increases above 65 miles per hour, then just how much does it increase?

history from bloody Texas highways during days shows a 20 per cent increase in accident involvement at 70 miles per hour, compared to the 65 mile per hour rate.

Moore points out that by increasing the speed from 65 miles per hour (just 10 miles per hour) the motorist risks a 20 per cent increase in accident involvement, and at 80 miles the risk jumps to 90 per cent.

driver risks even more at night, the Regional Commander explains. Accident statistics show that a driver is more likely to be involved in an accident at any speed at night, than in the daytime. At 65 miles per hour the accident rate is nearly two and one half times as great as driving at the same speed in the daytime.

drivers are more than three times as likely to be involved in an accident at 64 miles per hour than at 60 miles per hour in the daytime. During night hours 75 miles per hour produces about five and one half times as many accidents at 80 miles per hour the accident frequency is multiplied times!

not all of it. Studies show that injuries sustained in traffic accidents are more severe as speed increases.

Moore explains that researchers at Cornell University found the severity of automobile accident injuries is great at speeds over 50 miles per hour as slower speeds.

also shows that while a driver trying to maintain a steady speed per hour through traffic on typical rural highways is about 30 per cent from the time required for the trip.

speeds, his chances of getting killed in an automobile accident increase by at least 400 per cent.

of encouraging drivers to stay within legal speed limits the DPS is placing more patrolmen on the roads and radar units beside highways to clock the persistent offenders in an effort to control speed.

second article in this series will tell what percentage of drivers are speeding and the type of accidents they have, and the third article will tell more about what the Department of Public Safety plans to do about speeding.

Test Date Set
For NROTC
Examinations

The test date for the 22nd annual national competitive NROTC examination has been set as 9 December 1967. Parents and high school officials should remind eligible high school seniors and graduates to submit their applications before 17 November 1967.

The Regular NROTC Program offers an outstanding opportunity for a young man to gain a regular commission while studying at one of the 52 NROTC colleges and universities. The Navy furnishes tuition, fees, books, and uniforms, plus a subsistence allowance of \$50 per month to NROTC Midshipmen. Each summer NROTC Midshipmen go on interesting and rewarding at-sea training periods. After completing his college course and all military requirements, an NROTC Midshipman is commissioned as a regular officer in the U.S. Navy or Marine Corps and goes on active duty with the operating forces.

The program is available to male high school seniors and graduates who will have reached their 17th but not 21st birthday by 1 July 1968. Those who make a qualifying score on the Navy College Aptitude test will be interviewed and given thorough medical examinations early in 1968. Approximately 1,700 young men from those remaining in competition will thus be selected to attend college next September to prepare for their naval service.

many fine gifts... the choice of the consumer who has purchased an electric range. The gifts include GE clock radio, Kay guitar, Mirro-matic electric fry pan with teflon finish, Snoflake ice crusher, Empire binoculars, portable transistor radio, sleeping bag, Sunbeam shaver, shaver, Sunbeam shaver, hedge trimmer, Step-down Keystone 18-club golf bag by Atlanta and many other fine gifts.

According to spokesmen for both electric firms the only requirement for receiving the gift is that the consumer must be on either the electric line of Southwestern Public Service or Floydada Power and Light.

Electric ranges may be purchased from any one of the following appliance dealers in Floydada: Parker Furniture, Collier's Home Supply, White Auto Store, Boren Furniture & Appliance, Kirk and Sons, Montgomery Ward Catalogue Sales Agency.

Mr. and Mrs. Dwayne Smith are parents of a daughter, born Sept. 29, 1967 at University Hospital in Lubbock. The baby weighed 7 lbs., 6-3/4 oz. and has been named Lori Leigh. Grandparents are Mr. and Mrs. H. E. Porter of Floydada, and Mr. and Mrs. Roy Smith of Quitaque.

Mrs. Smith is staying with her parents while her husband is on duty on the nuclear powered submarine, USS Henry Clay, which is based in Holy Loch, Scotland.

Mr. and Mrs. Phillip Wilson of Floydada are parents of a baby daughter, born at 12:30 October 2 in Plainview Hospital and Clinic. The young lady, named Trenea Machele, weighed five pounds and five and one-half ounces at birth. Mother and daughter are reported doing fine. Trenea has an older brother, Randy Dale, who is three. Grandparents are Mr. and Mrs. Raymond Baker and Mr. and Mrs. R. L. (Cotton) Wilson of Floydada and great grandparents, Mrs. W. U. Riggles, Mrs. John Galloway and Mrs. W. B. Wilson of Floydada and Mrs. H. L. Baker of Lubbock.

Mr. and Mrs. Ronnie Smith, who are making their home in Germany where he is stationed with the army, are parents of a son, their first child. The baby was born Thursday night, Sept. 27, according to a wire to the local grandparents, and mother and son are doing nicely. The baby weighed eight and a half pounds and has been named Stacy Ronald.

Sp.4 Smith is stationed at Dichtelbach Military Missile Base. He and his wife reside at Hackenheim, Germany. Grandparents are Mr. and Mrs. W. H. Smith of Floydada and Mr. and Mrs. Phillip Johnson of San Marcos. Mr. and Mrs. J. A. Kincheloe and Mrs. R. C. Smith of Floydada are great grandparents.

Mr. and Mrs. Donnie Holladay are parents of a new daughter, Ruby Rachelle, born Tuesday afternoon, Oct. 3 in Plainview Medical Center. The baby weighed nine pounds and two ounces at birth. She has two older brothers, Rusty who is 11, Billy age nine and a sister Suzanne, age seven. The father is a contractor in Floydada. Grandparents are Mr. and Mrs. Hubert Davis and Mr. and Mrs. Bill Holladay of Floydada and Mrs. Effie Smith of this city is a great grandmother.

Mr. and Mrs. Don Wilson of Floydada are parents of a son, born in Lockney General Hospital Saturday morning, Sept. 30 at 8:40. The baby, weighing seven pounds and six ounces at birth, has been named

Gift Tea Given In Honor Of Bobbie Reue

Miss Bobbie Reue, bride-elect of Dale West, was feted with a gift tea Saturday morning in the home of Mrs. Jack Stansell. Guests were greeted by Mrs. Stansell, the honoree, her mother, Mrs. John Reue and the prospective bridegroom's mother, Mrs. John Key West. Misses Carla and Diane Beane, nieces of the future groom, registered guests.

Presiding at the silver service were Mrs. Joe Hennig of Lubbock and Miss Jill Stansell. Spiced tea, coffee and orange decorated rolls were served, along with nuts and melon balls.

The table was laid with a white organdy applied cloth and centered by an arrangement of apricot colored spider mums.

Hostesses were Meses. Jack Stansell, J. B. Bishop, Ralph Cogdell, Earl Crawford, R. G. Dunlap, K. E. Edmiston, Kyle Glover, Guy Ginn, Carl Jarrett, Pete Hickerson, Leonard Matisler, Doyle Moore, M. J. McNeill, Jack McIntosh, Emily Potts, Woodrow Wilson and Mrs. Fred Zimmerman Jr.

Their gifts to the honoree included an electric coffee maker, pole lamp and canister set.

bouquets. Wedding cake and punch was served from a crystal and silver setting. For traveling to New Orleans, the bride changed to a gold, avocado and orange two piece suit and hat with matching accessories. She wore a white butterfly rose corsage taken from the center of her bridal bouquet.

About the middle of October, the groom will return to Itazuke Air Base in Japan and the bride will join him later. The bride is a graduate of Floydada High School and is a 1967 graduate of Automation and Training Inc. in Denver, Colorado. The groom is a graduate of McCallum High School in Austin and attended the University of Texas.

The rehearsal dinner for the wedding party was given by the groom's mother Friday night at Rogers Restaurant.

Miss Janice Ruth Cockrell became the bride of William Doyle Payne in ceremonies read in the New Salem Primitive Baptist Church in Floydada, Saturday, September 30. The Elder Joe Jackson, pastor, read the double ring vows at 7 o'clock p.m.

The bride is the daughter of Mr. and Mrs. John H. Cockrell of Floydada and the groom is the son of Mrs. Nadea Gitzelbach of Austin, Texas.

Miss Janice Cockrell, Bride Of William Doyle Payne

MRS. WILLIAM DOYLE PAYNE

scalloped lace jackets styled with elbow length bell shaped sleeves completed the ensemble. Each attendant carried a crescent bouquet of bronze spider chrysanthemums interspersed with bronze pom chrysanthemums and complemented with avocado green trim. Candelights were wristlets of bronze pom chrysanthemums. Each attendant wore a headpiece of an avocado satin bow with circular maline veils.

Milton Owen of Austin served as best man and groomsmen were Elmo Spielman and Donny Klaus, both of Austin, and Kenneth Cockrell, Floydada, brother of the bride. The groomsmen also served as ushers. A reception followed the wedding, given by the bride's parents. Guests were registered by Linda Woodall and presiding at the serving table were Mrs. S. V. Adams and Mrs. Carlton Fawver. The bride's table was covered with a white linen tablecloth and held a five branch brass and crystal candelabra, surrounded by the attendants

Organ music was furnished by Mrs. Bob Copeland and Miss Karen Hausenfluke of Seminole, sang "One Hand, One Heart" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a formal length gown of white peau de soie and chantilly lace, designed with a bateau neckline and lace petal point sleeves. Lace scallops encircled the bottom of the modified A-line skirt and also the neck. An overskirt of chantilly lace was attached to the high empire waist to form the chapel train. A band of peau de soie held the shoulder length veil of imported English silk illusion. The bride's gown and veil was designed and made by her mother. The bride carried a crescent shaped bouquet of white butterfly roses, showered with white satin and white maline.

Four Floydada Girls Are Members Of Tex-Anns

Four Floydada girls were recently selected as members of the Tex-Anns drill team at South Plains Junior College in Levelland. They are Connie Reed, daughter of Mr. and Mrs. Connie C. Reed; Shirley McClung, daughter of Mr. and Mrs. Bates McClung; Juanita Stewart, daughter of Mr. and Mrs. L. B. Stewart Jr.; and Cheryl McClintock, daughter of Mr. and Mrs. F. D. McClintock. Miss Reed was a member of the drill team the past college year.

Sixteen new Tex-Anns were chosen for the coming year. They are judged on accuracy while performing the routines, their personality, neatness, cooperation and attitude and must maintain academic average.

The Tex-Anns will make their first appearance at Brownfield during the freshman football game between West Texas State University and Abilene Christian College October 12. The next performance will be in a parade at Whiteface on Saturday, October 14.

Definitions

Indigestion: The failure to adjust a square meal to a round stomach.

Domestic harmony: Something a husband can obtain by playing second fiddle.

Nose: An appendage indicating a man's character, particularly if his wife leads him by it.

Mrs. Jack Jordan, R. N. Will Speak At Oct. PTA Meeting

The subject of the October Andrews Ward PTA program is "Developing a Healthy Community". Mrs. Jack Jordan, RN and member of the staff of the Migrant Health Service will speak.

Every citizen wants its town to have certain qualities. It should offer educational opportunities; a cultural environment; a Christian atmosphere; businesses of integrity; clean, well-kept neighborhoods; and it should be a healthy place to live.

A healthy child is of special interest to both the parents who love the child and want it to be healthy and happy and to the teacher who knows that only a healthy child can perform at his best.

MRS. JACK JORDAN

Mrs. Jordan will explain the work of the Migrant Health Service. It is true that most of the children in our schools are residents of our school district and would not be served by the Migrant Health Service, but when a migrant family comes to work in the Floydada area and sends its children to our schools, we want those children to be healthy - for their sakes and for the protection of our own children.

Mrs. Jordan will discuss the most important phase of the Service's work - that of preventive measures in the areas of sanitation, education and immunization. She will tell how the Service helps migrants get medical attention and how it goes into homes to tell them and to show them how to care for their children and how to help when there is illness in the home.

Time will be allowed at the close of the program for a question-answer period. The meeting will be held Wednesday afternoon at 2:30 on October 11 in the Andrews Ward Elementary School Cafeteria. All parents, teachers, and interested members of the community are welcome.

Harmony Club Meets With Mrs. Carr

The Harmony Home Demonstration Club met Thursday, September 28, in the home of Mrs. Mather Carr. Mrs. Sherwood Ramsey, president, presided at the business session.

Announcements of the luncheon at Lighthouse Electric on October 4 at 10:30 and the county wide luncheon on October 24 were made. The club is to tour the Holly Refinery at Hereford in the near future. The program on "Fashion" was given by Mrs. Kenneth Roberson of Petersburg. She showed several garments that were basic to any woman's wardrobe and also told of some of the fads in today's styles.

Roll call was answered by the following members and guests: Mrs. Hanna, Mrs. Walter Hanna, Mrs. Jen, Mrs. Bob Jen, Mrs. Sherwood Ramsey, Mrs. Rick Snodgrass, Mrs. Gary, Mrs. J. R. Mather Carr, Mrs. Mrs. Glen Pool, Mrs. Dunavanti, Mrs. Mrs. Chloma West, Mrs. Kenneth Petersburg.

Capes are small great puffs of wool fabric cape of wool fabric.

CREATIVE DRAMATIC CLASSES ARE OPEN FOR CHILDREN, AGES 5-11. CLASSES ARE SCHEDULED ON WEDNESDAY NIGHT FROM 5:00 - 8:00. MISS EDWINA SCHNEIDER WILL BE INSTRUCTING EXPANSION, ASSISTED BY RANDE BROWN, INSTRUCTING BALLET. IF INTERESTED BY YOUR CHILD, CALL 983-5328 OR 983-2300

HEALTH AND BEAUTY

The neck is one of the very first spots on a human body where the aging process becomes evident. Too much indulgence in fatty foods or in alcohol soon shows its case in the double chin.

When too rapid weight reduction occurs, the neck begins to wrinkle. Healthy skin tone

fade and the dread deterioration process is in high gear. Usually if mildy does any exercises for her neck they are placed at the end of the program so they can be overlooked if she feels the least bit tired.

There are a few simple neck exercises that will do wonders toward keeping the neck young looking.

The Federal Bureau of Investigation reports the number of violent crimes has soared.

Miss Schneider Will Open Children Classes In Dramatics

Miss Edwina Schneider, high school speech teacher, is to open classes for children, ages 5-10, in creative dramatics. The classes will include instruction in expression, song and dance. Rande Brown will assist Miss Schneider with the classes by giving instruction in ballet.

Classes are scheduled on Wednesday at 5:00-6:30 for the age group 5-7 and at 6:30-8:00 for the age group 8-10. Tuition for the class is \$10 a month per student or a special family rate of \$15 for two. Public performances will be given during the period of instruction.

Making The Drag

BY SUZANNE GUTHRIE

The high school kids of F.H.S. have had another busy, but great week.

This past week class elections were held. The officers for the Senior class are: president, Hulon Carthel, vice president, Rex Harrison; secretary, Jan Killian; treasurer, Brynn Walding; and reporter, Sammy DeLeon.

Leading the Junior class is Todd Wester, president. Vice president is Gale Cambell, secretary-treasurer is Phil Kinslow, and reporter is Jacque Crawford.

Sophomores have Kreis McIntosh, president; Rickie Pernel, vice president; Trudi Miller, secretary-treasurer; and Brenda Mathis, reporter.

Freshman leaders are Andy Hale, president; Andy Selman, vice president; Betty Allen, secretary-treasurer; and Reagan Cagle, reporter.

Last Friday we had color day and sign competition. The Whirlwind Spirit was great and there was green on everybody, and signs on every wall.

Of all the many "unsung heroes" there is one who never gets to be in the center of attention. This unsung hero is the football bench-warmer. He never misses a practice; he is always there when the coach wants someone to hold the kicking tee or to get a towel. This hero gets out there with all the stars and knocks his brains out hoping to see some action on the battlefield but all he ever does is stay behind the lines and give all of the moral support he can to the boys who are playing.

He may not get to see much action, but who does the coach turn to when he gives an explanation of why the last play did not work? Our hero is always there eager to learn, and maybe if he learns everything, he might get into the game for a few minutes. Even though he doesn't play very much, he is still part of the team. Whether the team wins or loses, he is still one of the gang. So let's all be sure that we give each and every one of our Mighty Whirlwinds credit, win, lose, or draw.

The Future Teachers of America (F.T.A.) met this past week. All of the members will be selling Student Record Books for about a month. They are making money for their organization so be sure to help them out.

What if... if I could play a joke on some people around here I would...

... tell Coach Chatham that we all love his pop tests!

... call everyone real early in the morning and tell them there will be no school.

... then call Mr. Tyer and tell him there was a flu epidemic and there wouldn't be many at school.

... spread the word around that we were having sirloin steak for lunch with second helpings for everyone.

You know, I don't feel that our Whirlwind band is credited enough for the great job they do every Friday night for our school, and our town. Mr. Boyd and Mr. Matthews, along with all of the band students work hard all week so we will be well represented. Therefore, I think we should all keep this in mind when we see one of those green uniforms at the half, and after the game. I know that I appreciate compliments, and almost everyone else does too, so let's give credit where credit is deserved. O. K.?

Hard work and education are the keys to success. Success is discovering your best talents, skills, and abilities and applying them wherever they will make the most effective contributions to your fellow man. In the words of Longfellow, it is "doing what you do well, and doing well whatever you do."

Success is having the courage to meet failure without being defeated. It is refusing to let present loss interfere with your long-range goal.

I know that our Mighty Green Whirlwinds will be a "SUCCESS" against Olton tomorrow night. So if we are all a success at upholding our spirit and supporting our school, it will be a win no matter what the score may be.

DENISON CHILDREN HOLD REUNION—all are pictured above. Mr. and Mrs. Carl Denison were hosts for the 78 relatives which gathered at their home for the reunion Saturday, Sept. 30. All remaining members of the immediate family who attended were Mr. and Mrs. Sam W. Ford, Houston; Mr. and Mrs. J. Russell Denison, Rosebud, Ark.; Dr. and Mrs. Dallas D. Denison, Midland, Tex.; Mrs. Macie Gear, Pico Rivera, Calif.; Mrs. Dessie Denison, Floydada; Mrs. Docia Denison of Woodland, Tex. and Mr. and Mrs. Carl W. Denison. The remainder attending were nieces, nephews and their families (Staff Photo)

MEMORIAL

In memory of my late husband, The Rev. Chester A. Strickland, who passed away Oct. 2, 1966.

This day recalls sad memories. Seems twice as long to me. Only God knows how much I miss you, for you meant so much to me.

Though your smile has gone forever and your face I cannot touch, I still have sweet memories of you, you who I loved so much.

Wife, Sally Ann

The Meaning Of 4-H

(by Larry Scott)

In observance of National 4-H Week the following item was written by Larry Scott (editor's note)

In support of the 4-H Club motto, "To Make the Best Better"...

FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Oct. 2 - Mr. and Mrs. Thurlan Thacker of Lubbock visited Saturday with his aunt, Mrs. C. L. Joiner and cousins, Mr. and Mrs. Clyde Bagwell and Mr. and Mrs. P. L. Joiner. The F. L. Joiners are house guests here in the home of his mother and sister. They arrived last Thursday from their home in Creswell, Oregon for a week's visit.

and family. Mrs. Bill Mulkey of Paducah came Friday to bring her mother, Mrs. Ella Lawhon, home. Mrs. Lawhon had been in a Paducah hospital for a week. Mrs. Ida Lou Combs visited Saturday afternoon with Mrs. Lawhon.

Other callers during last week in the Bagwell home were Mr. and Mrs. Edell DuBois, Fev. F. C. Bradley and Mrs. Jewell Teague and Mrs. R. F. Hall.

Mrs. Walton Wilson went to Plainview Friday where she visited at the hospital with her sister, Mrs. Sim Reeves, who was a surgical patient there. Mrs. Wilson visited Mrs. M. O. Stapleton while in Plainview and had lunch with her.

Mr. and Mrs. J. P. Denton and son Jerry Don of Littlefield were here Sunday visiting with his mother, Mrs. Ella Lawhon, and sister, Mrs. C. H. Wise and family. In the afternoon the Dentons, Mrs. Lawhon and Mrs. Wise went to Paducah to visit in the home of Mr. and Mrs. Bill Mulkey.

Becky and Sammy Crabtree spent Wednesday night with their grandmother, Mrs. Kate Crabtree.

Mr. and Mrs. W. B. Wilson spent Sunday with her daughter and son-in-law and had lunch with them.

We, as 4-H members, know that today we shall try to do our best. Tomorrow we must try to make what is the best today, better.

Mr. and Mrs. Cecill Payne returned first of last week from Stamford Lake where they spent several days at their trailer house there.

Mr. and Mrs. Lige Moore and son Robbie of Northport, Ala. arrived Sunday afternoon for a two weeks visit here with her mother, Mrs. Kate Crabtree and other relatives. Other Sunday night supper guests in the home of Mrs. Kate Crabtree were her son and family, Mr. and Mrs. Kay Crabtree, Becky and Sammy. J. C. Bullard came later for a visit on his way home from Ralls where he had visited his mother, Mrs. G. M. Bullard.

Mr. and Mrs. R. M. Cannon visited Thursday afternoon with Mrs. Eva Rapp.

Mr. and Mrs. Harvey Allen, Mike and Norman of Floydada spent the day Sunday with her parents, Mr. and Mrs. Walton Wilson.

Elmer Griffith of Idalou visited Wednesday here with his daughter, Mrs. Kay Crabtree

Raiders Preparing Mississippi State

"Game Does Not A Season Make" became the theme of Tech Monday, as the Red Raiders began preparation for Saturday's encounter with Mississippi State. Worked out at 7 p.m., clad in sweatsuits, to begin with the Bulldog offenses and defenses. Quarterback Ed Mooney and safetyman Gary Golden both suffering from knee injuries, and fullback Jackie Stewart an ankle injury. Mooney and Stewart both will be ready for Saturday night game, but Golden's status remains in doubt. "We have got to forget the Texas game," King told the Tech Monday crowd. "It was a sweet victory, but if we continue to look over our shoulders at it, it could be the last one we get." The Raiders play Mississippi State and Texas A&M here on weekends before traveling to Tallahassee, Fla., for the Florida State game.

OFFICERS FOR THE 1967-68 BAND BOOSTERS - left to right Dr. Andrew McCulley, president; Mrs. Corky Guffee, treasurer; Neil Bertrand, vice president; Bill Feuerbacher, vice-president in charge of transportation; seated, Mrs. Cleo Whittle, recording secretary; Mrs. Fred Martin, reporter and Mrs. Neil Bertrand, vice president in charge of concession stands. Not pictured are Mr. and Mrs. Billy Stanforth. (Staff Photo)

The Drum Beat

BY THE BAND BOOSTER REPORTER

THE DAY WILL never come that an organization does not encounter problems - ours at the present time is band bus drivers. The needs and difficulties in finding drivers for the band buses are great. Because of the new restrictions on the restricted licenses, all the volunteer drivers must have a chauffeur's license. Bill Feuerbacher, chairman, said if you have a commercial license all you do is have it changed over to a chauffeur's license and pay an additional charge.

If you are interested in our bands and would like to help the Band Boosters in getting the bands to out of town functions such as games and contests please contact Bill Feuerbacher at his home or at the City Hall. He is in the process of obtaining his chauffeur's license. THIS IS ONE BIG PROBLEM THAT IS SOLELY ON THE BOOSTERS. If drivers are not secured by us, the bands will have to pay each driver out of their band money, this concerns both schools.

We are delighted to announce that the Band Boosters are purchasing 12 or 15 new blazers for the Breezer Band. This great junior high band has grown to the proud number of 86 and is still growing.

Silver and Whirlwind Band marched their fourth half time performance on Wester Field Friday night. The first drill consisted of step-two diamond

drill and moved into four company fronts. X's were formed at each end of the field and moved into a Whirlwind which revealed the letters FHS.

The band performed an excellent half-time performance much to the pleasure of the Band Boosters. Music played included "Entry of the Gladiators," "W.M.B.," "Americans We," "Bye, Bye, Blues," and "Green and White."

Special thanks to Edell Moore for his ability to make the popcorn machine work again and to Gene Arwine for the display case in which the concession stand displays their candies, etc.

HONOR ROLL of the Whirlwind Band Boosters for the Abernathy game:

Omission from last week's honor roll: Mr. and Mrs. R. G. Dunlap - this reporter receives

ten lashes with a wet noodle! Mr. and Mrs. Neil Bertrand in charge, Mrs. C. C. Whittle, Mrs. Arthur Wylie, Mrs. Ralph Thayer, Mr. and Mrs. Milton Weems, Mr. and Mrs. Fred Martin, Mr. and Mrs. J. W. Cannon, Mr. and Mrs. Juan Salinas, Mr. and Mrs. Kinder Farris, Mr. and Mrs. Billy Stanforth, Mrs. Milton Harrison, Mrs. F. D. McClintock and Mr. and Mrs. Bill Feuerbacher.

Cokes were furnished by the Band Boosters and were served to the Floydada and Abernathy bands by Kinder Farris and Billy Stanforth.

Without the loyal people our Band Boosters concession stand would not exist.

Mother Falls From Vehicle

A Latin American mother sustained painful injuries early Sunday morning when she fell from a car being driven by her husband. The woman, who resides with her family in Hereford, was taken by Moore-Rose ambulance to Lockney Hospital for treatment of a head injury and wrist injury, not believed to be serious.

The mishap occurred between the Brown Gin and Capada Theatre about 7 o'clock, according to reports from the woman's husband to highway patrolman Bud Rainey. He said the family had been in Wisconsin the past several months working and were returning to Hereford by way of Crosbyton where they visited relatives.

They had left Crosbyton for Hereford and had reached the outskirts of Floydada when the woman fell from the car.

The husband said his wife stated she was sleepy and had leaned against the door on the passenger's side when it came open. She was thrown clear however, and the car did not strike her. The husband said he put her back in the car to seek aid and finding no hospital in Floydada started toward Lockney.

Near Carthel's station the vehicle ran out of gas and it was later found the oil pan had burst when the car went over a deep dip in the highway. The car being out of commission, the woman was transferred on to the hospital by ambulance.

OBSERVES 100th BIRTHDAY - Mrs. Mary Respondek, mother of Tom Respondek of Floydada, celebrated the century mark Wednesday of last week, October 4 at Edwards Convalescent home in Lubbock where she has been a resident for the past five years. Mrs. Respondek was born in 1867 in Kleice, Poland and came to America at the age of 18. She married John Respondek in Yorktown, Tex., and the family moved to the Slaton-Wilson area in 1921. She has nine children; Mrs. Paul Dworaczyk

and Mrs. Dennis Kolodziejczyk, both of Wilson; Mrs. Tom Dworaczyk of Floresville; Mrs. Eraz Bronder of Falls City; Mrs. Anton Gajek of White Deer; Bill Respondek of Falls City; Tom Respondek of Floydada; Frank Respondek of San Antonio and Pete Respondek of Idalou. She also has 28 grand children; 56 great grandchildren and 28 great great grandchildren. Pictured with the honoree are two sons, Pete and Tom and daughters, Mrs. Kolodziejczyk and Mrs. Dworaczyk.

Jail Breakers Back In Custody

Three Oklahomans escaped from the Motley County Jail in Matador Friday but their freedom was short lived. Sheriff J. D. Spray apprehended the threesome a scant eight miles from the jailhouse in less than 20 minutes.

Spray said the three apparently walked four blocks north from the jailhouse and took a 1960 Rambler, which belonged to W. G. Kimbell.

He said the trio escaped when two youths, being held in the jail overnight for investigation, grabbed the jailer's wife as she was bringing them some books to read.

The youths, both of Lawton, took the keys from Mrs. Ray Webb, and released another prisoner, Fred David Martin, 25, of McAlester, Okla.

Martin was jailed earlier last month in Floydada after being picked up in Littlefield on car theft charges. He had driven a pick-up, also stolen, from Paducah to Floydada, left the pick-up here and stole the Jim Fitzgerald vehicle and drove it to Littlefield.

While in jail in Floydada the man attempted a jail break which failed, then later slashed his wrists with a razor blade. He was transferred to Lubbock and then to Matador this week.

The three left Mrs. Webb bound in a sheet from one of the beds and took their leave.

Spray said the boys were being held for investigation after they wouldn't get out of a car in which they'd been riding.

He said a lady and her son had picked them up at Lawton the previous day and when they stopped in Matador for some gasoline she wrote on the ticket she needed help and sheriff's officers relieved her of the two boys.

Martin was being held after thefts of cars in McAlester and Floydada, and trucks from Matador and Paducah.

Spray said all three would probably be charged with jail-breaking and theft of over \$50-car theft - today. He also said the two youths could have gone free Saturday had they not broken jail.

J. B. ROBERTSON RE-ELECTED TO ASCS COMMITTEE

J. B. Robertson was re-elected for a three-year term on the county ASCS committee during the annual Floyd County convention last Wednesday.

Re-elected county chairman for the ensuing year was Leslie Ferguson of Lockney. Robertson was named to serve another term as vice chairman. Ned Bradley is the third member of the county committee.

An exceptionally strong turnout of community committee was present for the convention. Twenty-five of 27 committees attended.

security appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner. Names and addresses of individuals who are stockholders of a corporation which itself is a stockholder or holder of bonds, mortgages or other securities of the publishing corporation have been included in paragraphs 7 and 8 when the interests of such individuals are equivalent to 1 per cent or more of the total amount of the stock or securities of the publishing corporation.

CHARLIE PRIDE and all the "Country Gentlemen" will be featured in a show coming to Lockney tonight at 8 p.m. in the Elementary School Cafeteria. The show is sponsored by the Lockney Volunteer Firemen.

PVT. DONALD W. HENDERSON

Don Henderson Completes Marine Recruit Training

SAN DIEGO (FHTNC) - Marine Private Donald W. Henderson, son of Mr. and Mrs. Conrad L. Henderson of Rt. F., Lockney was graduated Sept. 20 from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

FFA News

Future Farmers of America nominated candidates for their 1967-68 FFA Sweetheart recently. Selections are Susan Reed, Debbie Holmes, Lana Fair and Jill Stansell.

Ag classes will raise money for these girls and nominees will be elected by penny votes.

Last year's Sweetheart, Valdonna Bennett, won with a little over 100 votes.

The contest will end October 24.

Home Loans For The Veteran

More than 140,000 veterans who have served since the Korean Conflict have obtained VA-guaranteed home loans totalling almost \$2.3 billion under the GI Bill which became effective last year, it was reported by the Veterans Administration.

Veterans eligible for this program include those who served at least 181 continuous days in the Armed Forces, with some part since February 1, 1955. Also eligible are persons still in the Armed Forces, provided they have had at least two years in active duty status.

The 1966 law, PL 89-358, permits the Veterans Administration to guarantee up to \$7,500, or 50 percent of loans which eligible veterans may obtain from private lenders. The guarantee in many cases make it possible for veterans to obtain loans with a low down-payment - or no down-payment at all.

VA also makes direct loans to veterans in certain isolated and rural areas where private lending facilities are not available. Under 1967 legislation, effective October 1, the limit was extended from \$17,500 to \$25,000.

Veterans planning to buy a home may obtain additional information and certificates of eligibility from any Veterans Administration Regional Office or your local Veterans Service Officer.

COUNTY AGEN CORNER

by Joe Wilson

The first Grain Sorghum Variety Demonstration for this season was harvested last week. It was a medium season demonstration conducted on the David Battey Jr. farm in the Harmony community.

The varieties and their yields per acre are as follows: Pioneer 844 - 6,101 lbs; Pioneer 846 - 5,975 lbs; Dekalb E-57 - 5,895 lbs; Paymaster Kiowa - 5,846 lbs; R. C. Mitchell Standmaster - 5,729 lbs; Golden Acres TE 66 - 5,566 lbs; and Weathermaster GS 65 - 5,438 lbs.

All weights are corrected to a 13% moisture. One long season variety, Pioneer 820, was planted along side the test. Its yield was 6,788 lbs.

The tests were planted double row on 40" beds on last year soybean land. They were fertilized with 125 lbs. actual

nitrogen using ammonia. The preplant irrigation summer irrigation. Other demonstrations are being harvested and results will be later.

SEMI-PERMANENT FENCES such as the one shown above, can be used very effectively in a program of rotational grazing. With rotational grazing, each pasture is divided into two or more units. The size and number of units will depend on the size of the original pasture. Four units are the most desirable. Each unit will be grazed a given number of days while the other units are fertilized, wa-

tered and allowed to make regrowth. This method of management has proven to be the most effective way to obtain maximum benefit from grass. There are several methods of rotational grazing. The Soil Conservation Service personnel will be happy to explain them to you and help you work out the one best suited to your situation.

CONE NEWS by Melba Wideman

CONE, Oct. 2 - Mrs. Noel Davis and DeLoyce accompanied her father, H. J. Cornelius and Herman Cornelius of Ralls to Bagwell on Wednesday where they visited with Mr. and Mrs. Bob Cornelius and family. They returned Sunday evening.

Guests in the home of Mr. and Mrs. Earl Martin Tuesday and Wednesday of last week were Mr. and Mrs. Mike Roberts of Chulavista, Calif., and Mrs. Gladys Parker of Whitesboro.

Mr. and Mrs. D. A. Barnhart, Mr. and Mrs. Haney Wideman, Spike, Mark, Meldon and Mar-dith, and Bryan Reed of Ralls, were Sunday dinner guests in the home of Dr. and Mrs. Harold Reese and Sheryl in Plainview.

Mr. and Mrs. Roy Mara visited with their son and family, Mr. and Mrs. Pat Yoakum, Patti and Roger, Lorenzo, Sunday afternoon.

Mrs. C. R. Smith, Lubbock, and Marvin Heinrich, Ralls, were luncheon guests of Mr. and Mrs. Howard Harris Tuesday of the past week.

Vicki Martin accompanied Miss Marianne Munz, student homemaker teacher at Ralls High, to Roswell, N.M. during the weekend where they attended the college rodeo there.

Miss Ruth Bartley spent the day Friday visiting her niece and family, Dr. and Mrs. John D. Cherry, Jr. and children, in Crosbyton.

Mr. and Mrs. Ted Goodson have moved to the community from Spur and have opened the Cone Cafe.

Mrs. Ralph Martin, Sr. spent Sunday night in the home of Mr. and Mrs. C. O. Gilbreath.

James Parker, Floydada, visited Monday afternoon with Elder and Mrs. Joe Jackson.

Mrs. Geneva Green spent from Thursday till Saturday visiting with her daughter and family, Mr. and Mrs. Joel Austin and children. While Mrs. Green was away, Mrs. Emma Noble visited with Mrs. Tom L. Davis in Ralls.

Sunday dinner guests of Mrs. Peachie Parrish were Mrs. Alton Perry, Jack and Kenneth, Lubbock, and Mr. and Mrs. Clinton Denning. Mr. and Mrs. Creed Parrish, Lubbock, called in the afternoon.

Mrs. Emma Ware and Melba visited in Lubbock Monday afternoon with Mrs. Vera Wil-meth and Bonnie.

Morris Wideman returned home Friday morning from St. Mary's Hospital in Lubbock where he had spent several days as a medical patient. Those since his return included Rev. Rex Newkirk, Bud Cox, Mrs. A. H. Pruitt, Lubbock, and Mr. and Mrs. Winston Kilpatrick, Big Spring.

Mr. and Mrs. Earl Simons, Stratford, Okla. spent Monday

night as guests of Mr. and Mrs. Earl Martin.

Mr. and Mrs. Rueben Kemp, Ralls, visited Sunday afternoon with her mother, Mrs. Maggie Goodson.

Visitors in the home of Mr. and Mrs. Paul Ely Saturday morning were Mr. and Mrs. Garnet Jones, Crosbyton, and Mr. and Mrs. Bryan Davis, Crowell.

Jean Harris spent Saturday and Sunday night as a guest of Twila Fred in the Troy Fred home in Ralls. Twila visited Sunday afternoon with Jean.

Mr. and Mrs. Carl Jackson, Lubbock, visited during the weekend with Mr. and Mrs. H. R. Nance and Rachel and with Elder and Mrs. Joe Jackson. The Jacksons and Miss Nance attended the wedding of Miss Janice Cockrell and Doyle Payne in the Primitive Baptist Church in Floydada Friday evening. Elder Jackson officiated at the ceremony.

Mr. and Mrs. Russell Noble and Mrs. Max Noble and children went to Ft. Worth Friday where they met Max Noble at the home of Mr. and Mrs. Everett Harvey. Max is stationed in Florida but will be leaving soon for duty in Vietnam. His wife and children are staying with the Russell Nobles.

Sunday dinner guests in the home of Mr. and Mrs. Marvyn Tidmore were Mr. and Mrs. Randall Tidmore and David, Odessa, Mr. and Mrs. Arthur Evans, Lubbock, Mr. and Mrs. Bill Noble, Brownfield, and Lynn Caddell, a student at Tech.

Keim Kimbrough, Ralls, was a luncheon guest of Diane Harris in the Howard Harris home Sunday.

Mrs. C. W. Edwards visited Monday afternoon with Mrs. Emma Noble and Mrs. Geneva Green.

DAVID HULL DUE

HOME NEXT WEEK

David Hull, Navy son of Mr. and Mrs. A. T. Hull, is due home next Wednesday on two weeks leave before entering a four month schooling as hospital corpsman at Balboa Naval Hospital at San Diego, Calif.

Hull is aboard USS Galveston which docked Sept. 10 after a six months cruise in the Mediterranean.

WALDO WEST DUE

HOME FRIDAY

Waldo West, son of Mr. and Mrs. A. M. West, is due to arrive at Lubbock airport at noon tomorrow (Friday) on furlough from Fort Polk, La.

West, who completed his army basic at El Paso, has been receiving combat training at Fort Polk. Following his furlough he is to report for Vietnam duty.

Soybeans Harvest

by Dr. Douglas Owen, Agronomist
HIGH PLAINS RESEARCH FOUNDATION

You get paid for the crop you deliver to the elevator; not for what you leave in the field. An Ohio survey found that the average harvesting loss on soybeans in that state was 13%. This is almost four bushels per acre on a 30 bushel yield, or about \$10.00 per acre. The study further showed that with proper management this loss could be reduced to less than 3%.

The most important thing is to be ready when the beans are ready. When the moisture gets down to 13% have that machine ready to go. The poor manager will wait until his beans are ready before he gets his machine ready and limp through his harvest without replacing worn parts or making necessary adjustments to do the best combining job. Check your combine thoroughly. Replace worn parts and cracked V-belts. Check slip clutches. Check engine speed, beater speed, and cylinder speed. Make sure that these are set according to manufacturers specifications for soybeans. Locate all adjustments and know how to use them.

The most difficult problem in harvesting soybeans is to get ALL the beans into the machine. About 80% of the total loss is failure to get the beans into the machine. Nearly 5% of this is shatter loss. Excessive reel speed is one cause of shattering. The reel should travel 25% faster than ground speed. If the reel is 12.5 ft. in circumference, it should turn 10 revolutions in 100 feet.

Cut the beans as low as possible. The cutterbar should be operated right on the ground to get all the beans. This usually requires reducing ground speed to around 2-1/2 to 3 miles per hour. Most combines have a fixed knife speed. As ground speed increases beyond 3 mph, the knife begins stripping the beans before the stalk is cut and these beans fall from the cutterbar and are lost. Uneven stubble height is an indication of excessive forward speed. Also, as forward speed increases, height of cut increases resulting in more pods being left on the stalk.

If manufacturer's specifications are not available the following general rules may be helpful: (1) Slowest possible cylinder speed (300-400 rpm), (2) widest possible concave clearance, (3) reel speed 25% faster than ground speed; reel bats high in plant (just low enough for control); center of reel about one foot ahead of cutterbar, (4) cut low and go slow

Why I Attend Church

It was in the church that I met the Master, and came to know his power of forgiveness and cleansing. I have found that meeting to be only the beginning of richer experiences with God. The church has been the outstanding factor through which these experiences have been made possible.

There is found in the church the Spirit of Worship and the communion with God through the singing of hymns, prayers, reading and preaching of the word that brings enlightenment and strength and food to the hungry heart and fortifies the soul for the battles of the coming week. It is so much easier to fight the battles of the week after having made contact with the man of Galilee on the Sabbath. Man's spirit hungers and thirsts as does the body. In the giving out of the word there comes refreshment to soul and body. Jesus said, "It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Longfellow once said, "Sunday is the golden clasp that binds together the volumes of the week."

In Hebrews 10:25 Paul warns, "Not to forsake the assembling of ourselves together," thus a command to come to his sanctuary. How many times have our feet grown weary and strength came in a church service in His sanctuary. In Psalms 73, the Psalmist says, "But as for me, my feet were almost gone; my steps had well nigh slipped. Until I went into the sanctuary of God."

Not only is there found communion with God in the church, but there is fellowship with His people which gives strength and inspiration. The best and cleanest people in the world are the Christians found in the church. There is helpfulness with brotherly watch care and counsel as can be found only in the church. Here real friends, real brothers and sisters are found.

There is co-operation in service, accomplishing that which cannot otherwise be done. The church is also an avenue by which one can reach out to all peoples of the world helping those of other lands to hear the message of salvation. What a privilege to have a part in going into all nations.

By being a faithful attendant in the house of God, the devil and people know that I regard my spiritual welfare and that of my family and others as a matter of great importance. It encourages faithful church members and helps the pastor in his work. It will make my friends feel more welcome should they visit a service, and hopefully cause others to come to the house of God, and remove stumbling blocks from the sinner's path.

Thank God for the visible church of Jesus Christ through which membership may be had in the Church Triumphant.

Mrs. O. W. Lewis
Nazarene Church

Amendment No. 3 Would Extend Veteran Land Program

Extending the Veterans Land Program by authorizing the sale of \$200 million of State Bonds to purchase lands to be sold to Veterans, and expanding the Program to include also Veterans of the Viet Nam Campaign.

HISTORY OF THE VETERANS LAND PROGRAM

The present Veterans Land Program was a further expression of gratitude by the State of Texas and her citizens to Veterans of World War II, but since the public domain was exhausted, provision was made for the purchase of lands by the State of Texas for resale to Veterans under a liberal credit program.

The first Constitutional Amendment, making the program possible, was adopted in 1946, when a fund of \$25 million in bonds was authorized. Funds were to be used by the Veterans Land Board (also created by the Amendment) to purchase lands for resale to Veterans Land Program to include Texas Veterans of the Korean Campaign, and Veterans of Texas with service in the Armed Forces after 1945. Another \$100 million increase was authorized by Amendment adopted in 1956.

In 1963 and 1965, the Legislature proposed Amendments to continue the Program and add \$150 million in the first instance, and \$200 million in the second instance, but these two Amendments were defeated by the electorate.

An estimated one million Texas Veterans had not participated in the Veterans Land

Program at the time of these two elections, - and since the cutoff date for the Program, established by the Constitution, was December 1, 1965, the Veterans Land Program officially terminated on that date.

The proposed Amendment No. 3 would reactivate the Program, and enable Veterans of Peace-time Service (since the Korean Campaign) and Veterans of the Vietnam Campaign to participate in the Program.

ARGUMENTS FOR CONSTITUTIONAL AMENDMENT NO. 3 - H.J.R. NO. 17
1. It is only fair that the men and women of Texas who have served their country during the present hostilities in Viet Nam and East Asia receive the same benefits which have been made available to Veterans of World War II and the Korean Campaign. It is one of the most effective and least costly means by which Texas citizens can express their gratitude to Veterans for their wartime service.

2. The Veterans Land Program has boosted the State's economy, and will produce an eventual profit on the \$400 million from the sale of bonds used to finance the Veterans land purchases.

3. The Veterans Land Program is without cost to the taxpayer. In fact, the difference between the interest paid on the Bonds by the State and the interest paid to the State by the Veteran puts the Veterans Land Program on the credit side of the State's profit and loss ledger.

(3 mph or less). Remember, a loss of 4 beans per square foot is equal to 1 bushel per acre. An additional 3 to 6 bushels per acre will double the average soybean grower's net profit. One place to get those additional bushels is by reducing harvest loss. Every bushel saved at harvest is clear profit.

FLOYD DATA
Brother-in-law of Mr. and Mrs. Ray Smith, Jim Mangum, is in serious condition at Methodist Hospital in Lubbock. Mangum is judge of Lamb County and lives at Littlefield, Mrs. Mangum is the former Edna Mae Smith.

Amendment Preview

Texans will decide the fact of six proposed amendments to the State Constitution in a special election to be held Saturday, Nov. 11.

The proposals are part of 20 proposed changes submitted by the 60th Legislature. The remaining 14 will be put before voters in the general election of 1968.

Although the November election is still some time away it is not too early for voters to familiarize themselves with the issues involved. The following is a brief capsule of each of the six proposals. Additional information on the amendments will be presented in The Herald at a later date.

Amendment No. 1 on the ballot proposes to authorize county commissioners to put all money in a single general fund, doing away with the present practice of keeping separate funds corresponding to tax levies for each of four constitutional purposes.

Amendment No. 2 would permit municipalities and other political subdivisions within a hospital district to participate in the establishment and operation of mental health, mental retardation and public health services. This responsibility is now exclusively within the jurisdiction of hospital districts.

Amendment No. 3 proposes a revival of the veterans' land program and authorizes issuance of \$200 million in state bonds for loans to veterans. This is a self-liquidating program and would not involve revenue raised by taxation.

Amendment No. 4 authorizes counties to pay medical, doctor and hospital bills of law enforcement officers for injuries suffered in line of duty and to continue salaries of injured officers during incapacitation.

Amendment No. 5 authorizes the Parks and Wildlife Department to issue and sell general obligation bonds in the amount of \$75 million to finance acquisition and development of land for parks and recreational areas. The plan is to use receipts from admission fees to state recreational facilities to service the bonds.

Amendment No. 6 permits non-elective state officers and employees to serve in other non-elective positions under state and Federal governments where no conflict of interest exists and where such service would prove beneficial to the State of Texas.

NATIONAL NEWSPAPER WEEK

National Newspaper Week reminds us all of the historic value and vitality of our cherished freedom of the press. And more than that, it focuses on the irreplaceable role which our newspapers have played, for two and a half centuries, in serving and safeguarding that freedom.

For our papers are more than just an expression of an unfettered press: they are the unsleeping sentinels of ALL freedoms. They are ready, simultaneous interpreters between the government and the people. Their freedom to publish is our freedom to interpret - and both incur the responsibility and honor vital to the success of the democratic society that is our way of life.

In our nation, which spreads so far and wide across both continent and sea, newspapers have unparalleled power and significance. They are nerve centers of information and of action. They are educators, counselors, entertainers and community servants. They carry forward the principles that gave our nation life - and they enrich that life by provoking and marshalling the thoughts, talents, and energies of Americans everywhere toward the promise of growing fulfillment. I know that all my fellow citizens join with me in traditional salute to their indispensable service.

Lyndon B. Johnson

49 Seniors Of 1966-67 Class Are Attending Colleges

Forty-nine of the 90 students who graduated from Floydada High School last May are enrolled in colleges this term.

Those at Texas Tech are Mac Baker, Patty Dempsey, Sue Foster, Mark Goen, Michael Hinsley, Larry Hunter, Nathan Johnson, Steve Marler, Derrell Monday, Randall Moore, Beverly Pierce, Sherri Simpson, Peggy Switzer, Veda Thayer, Rita Taylor, Linda Williams, John DeLeon, Rodney Bunch and Tommy Weathersbee.

At West Texas State are Sarah Hollums, Marilyn McLain, Becky Miller, Roland Adams, Leland Couch, Frank Covington, Susan Hotchkiss, Janice McNeill, and Rex Lawson.

At the University of Texas are Becky Hammond, Sally McIntosh, Nona Pernell, Loyd Vick, and Danny Watts.

Cheryl Campbell and Mike Breed are at Tarleton State; Jeff Kimble, John Myrick and Tynette Smith are at Abilene Christian College; K. Cummings at Rice University; Tommy Dycus, Lubbock Christian College; Kitty Lloyd at Wayland;

Shirlene Race at Southwestern State in Oklahoma; Cheryl McClintock, Garland Martin Shirley McClung and Elaine Warren, Hardin-Simmons; Linda Willson, Southern Methodist; Bob Murry at Santa Anna Junior College in California and June Miller, Draugh-

Registration For Floyd County Voters Begins

Registration for voters for Floyd County began Monday, October 2nd and will continue through January 31, 1968 at the County Tax Assessor and Collector's office at the court house. This is for voting in 1968 elections.

The period to register for voting in 1968 elections will be October 1, 1967 through January 31, 1968. Registration will be through the County Tax Assessor & Collector's office of the persons residence.

The new voter registration laws require all persons to register regardless of their age. Before those persons becoming 60 years of age were not required to register in cities of 10,000 or less. Any person 60 years old or over MUST register to qualify to vote in any election held after February 1, 1968.

Any person becoming 21 years of age anytime during

the voting year, may register during the regular period of registration, or may register anytime during the year; but must do so at least 30 days prior to any election at which they wish to vote. (Under the 1966 law, the regular registration period was the only time available to them for registration.)

Persons in Military Service and Related Services who are serving outside Texas may vote without having registered through the regular registration procedures administered by the tax assessor-collector. The official Federal Post Card Application for absentee ballot for each election is treated as an application for registration for that election, and the County Clerk attends to the details of the registration which is effective for that election only. The tax assessor & collectors do

not have any responsibility in connection with this type of registration by military personnel. However persons within this category may still register by ordinary procedures through the assessor and collector if they wish to do so.

Registration may be made in person or by mail to the County tax assessor and collector. If application is by mail, the prescribed form for registration must be used and filled out in its entirety.

The only person qualified to act as agent for another is the husband - wife - father - mother - son - or daughter and must be a qualified elector of the County of the applicant. /s/ C. J. Payne Assessor and Collector Floyd County Floydada, Texas

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Oct. 2 - Mrs. Lottie Stewart, who is a dietitian for the South Plains School, fell Monday evening at the school house, and cracked a bone in her knee. She is now in a cast from her knee to her foot, and will have to be off her feet for from 4-6 weeks, according to her doctor. We hope she continues to mend. Mrs. Bryant Higginbotham, with Mrs. Harold Hamm, assisting her, is cooking lunches for the school children the past week and this week. Mrs. Stewart is staying here in South Plains with her son, Mr. and Mrs. Dean Stewart.

Mrs. Alvin Nichols, who fell at the Methodist Church last Sunday, was in the Lockney Hospital all last week, and was able to be brought home Saturday. She suffered muscle spasms, and has been in great pain with her back. Her daughter, Mrs. Glen Whitfill and Cindy from Sweetwater came Saturday to spend the weekend here with the Alvin Nichols. Mrs. Nichols is much better, but will be confined to her home for some time.

Mr. and Mrs. L. N. Johnson and family went to Memphis on the chartered bus Friday night to attend the Memphis-Lockney football game. L. N. is the Booster Club president.

Mrs. J. P. Taylor received the greatest number of points for agriculture exhibits and other exhibits at the Floyd County Fair, and was named Sweepstakes and agriculture winner at the fair while Katie Taylor won Youth Sweepstakes for her entries at the Floyd County Fair.

Mrs. Don Marble also won first place at the Floyd County Fair as she modeled a suit which was made by her mother, Mrs. R. L. Holland of Lockney.

Mr. and Mrs. E. J. Kinslow went to Lubbock Wednesday to see his mother, Mrs. D. E. Kinslow, who was just home after spending ten days in the Highland Hospital in Lubbock.

South Plains P.T.A. will have its October meeting next Friday afternoon, October 6, at 1:30 p.m. with Alton Higginbotham from the Lighthouse Electric Inc. showing a film on artificial respiration.

We add our congratulations to the many others to Mrs. Mary Respondek, mother of Tom Respondek of our community, as she observed her 100th birthday on Saturday in Lubbock at the Edwards Rest Home, 1801 Vanda Avenue. Four of her nine children were with her for the occasion, and Mr. and Mrs. Tom Respondek and children from here were present as were Mr. and Mrs. Jimmy Respondek and daughter from Corpus

Christi, and Mr. and Mrs. Tommy Respondek and family from Petersburg.

Word has been received from Mr. and Mrs. Bill Harper of McAllen, that they suffered a great deal of damage in the recent terrible hurricane Beulah. They had three inches of water in their house, and they have had to take up all their rugs, and send them off for cleaning, and put new floors in their home. They knew in advance that the flood was coming, and were able to save most of the furniture.

Boyd McClure of Plainview spent the past weekend here with his grandparents, Mr. and Mrs. Frank McClure.

Mrs. Raymond Upton spent last week at the Crosbyton Hospital having a physical checkup and rest.

Mr. and Mrs. C. R. Givens of Lubbock had Sunday evening supper here with her brother, Mr. and Mrs. Frank McClure, enjoying ice cream and cake at the McClure home.

Mrs. Walter Wood is expected home this weekend after visiting the past two weeks at Lake Whitney with her daughter, Mrs. Jack McCown and family.

Willard Pearson, 68, brother of Lee Pearson here, passed away suddenly Sunday morning at his home in Amarillo. He had been in ill health for some time. He had eaten breakfast when suddenly he became ill Sunday morning. Services will be held at Blackburn Shaw Funeral Home in Amarillo this Monday afternoon at 2 p.m. Those from here who plan to attend the services are Mr. and Mrs. George Weast, Mr. and Mrs. Early Pritchett, Mr. and Mrs. Esley Yearly, Mrs. Bryant Higginbotham and Mrs. J. P. Taylor. Willard lived in South Plains in former years.

WMU members met for Royal Service at the Baptist Church Tuesday afternoon at 3 p.m. The program, led by Mrs. Julian, featured a study of "isms" as communism, racism, chauvinism, jingoism and emphasis was on "An accelerated Witness to an Exploding Population in the United States." The Baptist Church people are preparing boxes of food, clothing and household goods which will be sent to South Texas to help the homeless and others who lost much of what they had in the recent hurricane Beulah.

Present for WMU were Mrs. Bryan Karr, M. M. Julian, Tillman Powell, Fred Fortenberry, Shelby Calahan, Arby Mulder, J. P. Taylor and Tom Maurer.

4-H Club members met Thursday night at 7:30 in the home of Mrs. J. P. Taylor and Katie. Mrs. Taylor showed and explained arts and crafts she had made, such as decoupage on coffee cans which she had made into canister sets. Present were Mrs. Don Probasco, Pam, Cam, and Maury, Mrs. Ham, Arlaine and Jeaneva, Darla Milton, Donette Marble, Mrs. E. J. Kinslow and Steve. Mrs. Taylor and Katie served cake, cookies and punch after the meeting.

Mother of Mrs. Frank McClure, Mrs. R. W. Newman of Snyder is to undergo an appendectomy at the Cogdill Memorial Hospital in Snyder this Monday morning, and as

she will be 87 in April, we are all hoping she will be coming through the operation in fine condition.

Mr. and Mrs. Sylvain Kinnibrugh went to Lubbock Sunday to take their granddaughter Melissa home to her parents, the Teddy Hornes, after they had her the weekend. She had spent several days of last week here with the Kinnibrughs.

Among those from the South Plains area who spent Friday night in Lubbock at the Panhandle South Plains Fair were Mr. and Mrs. Raymond Reeves and children, Mr. and Mrs. Early Pritchett and Stevie, Mr. and Mrs. Don Marble and children and Mr. and Mrs. Murray Julian. They were among the 41,580 persons who attended Friday nights performance of the Eddy Arnold Show, with the Kids Next Door, and Jimmy Nelson. Eddy Arnold sang his heart out to the thousands who listened to him for over an hour, and you could hear a pin drop during some of his wonderful songs.

Mrs. Sim Reeves of Memphis underwent major surgery at the Plainview Medical and Surgical Hospital Wednesday morning at 8 o'clock, and is getting along wonderfully at this time. Mrs. Reeves formerly lived here, and her children, the Raymond and Bob Reeves, still live here.

Mr. and Mrs. Frank McClure took their daughter, Mrs. Jean McClure to Artesia, N.M., on Tuesday for medical checkups.

Mr. and Mrs. Johnny West and Mr. and Mrs. Bob McCrory will go to Texas Tech Saturday night for the football game.

BAPTIST CHURCH NEWS
Tuesday morning at 9:30 Mrs. Sterling Cummings' home will be the setting for Bible Study under Mrs. E. P. Pritchett.

The WMU Associational Meeting will be held at the First Baptist Church in Quitaque on Oct. 5. All members are urged to attend.

Considerable changes in the faculty and staff have been made in Sunday School and Training Union, and the new officers and teachers took their places Sunday morning, Oct. 1, while pupils were promoted into new classes.

Mrs. Linda (Fred) Minyard, recent bride, was honored with a kitchen and bath shower in the home of Mrs. L. T. Wood, east of South Plains, on Friday, Sept. 29, at 9:30 a.m. Co-hostesses were Mmes. H. L. Marble, Ronald Kitchens, Keith Marble, Dean Stewart, Glen Wood, Don Marble and Travis Young. Special guests were Mrs. Earl Minyard of Silverton, mother of the groom, and Mrs. Edwin Pruitt, mother of the honoree.

The hostess gifts were a canister set, bread box, cake covers, etc. The young couple were married Sept. 13, in the South Plains Baptist Church. Spiced tea, coffee and coconut angel food balls were served guests from ironstone china, and the serving table was centered with a fall bouquet of white mums. Several gifts were sent. Those present with the hostesses were Mmes. Chas. Conger, Arby Mulder, Kendall Cummings, Murray Julian, Shelby Calahan, Sterling Cummings, Fred For-

Twenty-Five Years Ago

(Oct. 1, 1942)

Ginners in Floyd County are ready for the cotton season as the crops rapidly mature under a benign fall sun.

The Floydada Whirlwinds take on Levelland there tomorrow afternoon. The squad beat Matador last week 20-0.

The Tucker Tutschs are parents of a son born Sunday morning.

Trainees home this week on a 14 day furlough after being

tenberry, Tom Maurer, Frank McClure, Early Pritchett, Sylvain Kinnibrugh, Bob McCrory and J. P. Taylor.

Mrs. Philip Smitherman will entertain a group of boys this Monday afternoon, Oct. 1, with a birthday celebration honoring their oldest son, Marc, on the occasion of his twelfth birthday. Games will be played, and a decorated birthday cake with drinks will be served. Honored guests will be Marc's grandmothers, Mrs. Ernest Smitherman of Floydada, and Mrs. J. K. Bean of Silverton. Boys present for the birthday party will be Rance Young, Gary Sanders, Stevie Pritchett, Steve Kinslow, Ricky Stevens, Ronnie Stewart, Randy Calahan, Brent Conger and the honored boy, Marc, and his brother Monty.

Hulon Carthel President Of Senior Class

Hulon Carthel has been named as president of the 1967-68 senior class at Floydada High School. Serving with him are Rex Harrison, vice-president; Jan Killian, secretary; Brynn Walding, treasurer and Sammy DeLeon, reporter.

President of the Junior class is Todd Wester; Gale Campbell, vice president; Phil Kinslow, secretary-treasurer and Jacque Crawford, reporter.

In the sophomore class Kreis McIntosh is president; Ricky Pernell, vice president; Trudi Miller, secretary-treasurer and Brenda Mathis, reporter. Andy Hale is president of the freshman class; Andy Selman, vice president; Betty Allen, secretary-treasurer and Reagan Cagle, reporter.

Inducted into service include Silas Edwin Duncan, Ben Paul Eudy, Henry Tellman Coleman, William Henry Jernigan, James J. Durham, A. C. Galoway, Charles H. Bedford, Alton King, Arville J. E. Reed, Andrew Jackson Reeves, Roy Lee Linch, Ralph Duncan Hammonds, Edgar Louis Willis, Philip Price Jr., Welborn D. Miller, R. C. Patton, Fred

SPECIAL TO HIGH PLAINS COTTON GROWERS

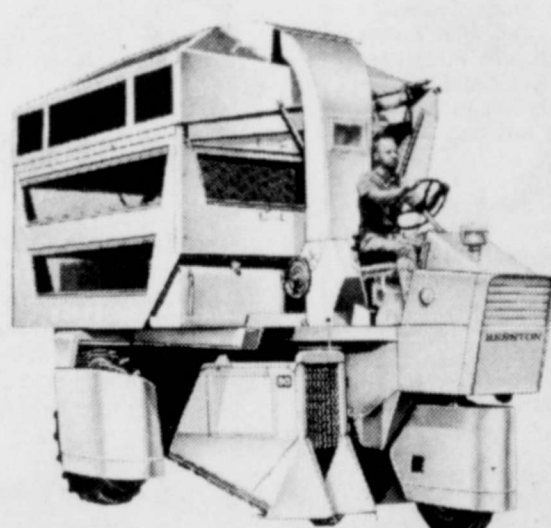

SAVE as much as \$500

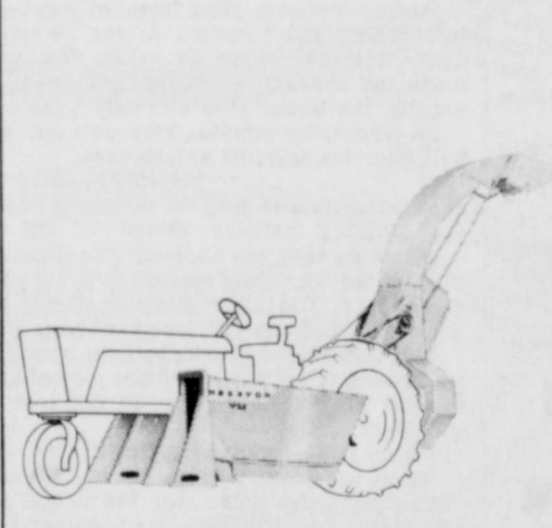

TRAIN LOAD SALE!

HESSTON BRUSH COTTON HARVESTERS

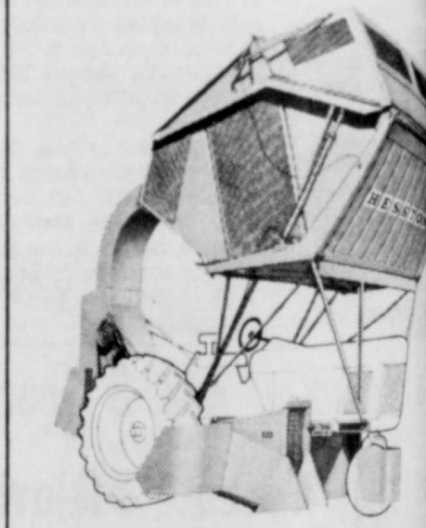

ATTENTION HIGH PLAINS COTTON GROWERS—Hesston dealers have got 'em... and they've got 'em by the TRAIN LOAD! That's right... the Hesston dealers in the High Plains area have purchased "lock-stock-and-barrel" an entire train load of Hesston Cotton Harvesters... at savings in many cases of as much as \$500 a machine which they're ready to pass right on to you! This means that you can save on self-propelled models, tractor-mounted basket models, as well as trailer models. They're all included in this special Train Load Sale. So go by and see your Hesston dealer today. Right now he has the Hesston Cotton Harvester in stock that will fit your exact need. And while you're saving money, you'll be harvesting all the quality you can grow... because QUALITY COTTON is what you get when you harvest with a Hesston!

SELF-PROPELLED SP-50
For the speed, efficiency and profit of once-over brush harvesting with outstanding capacity and ease of operation.

TRAILER MODEL 22-T
The economical way to get maximum yields of quality cotton in one trip over the field... and higher net profit too!

BASKET MODEL 24-B
Your tractor and one man become a complete harvest crew... with the harvesting and cleaning methods of the big Hesston self-propelled models.

HARVEST HIGH-YIELD, HIGH-QUALITY COTTON WITH A HESSTON BRUSH COTTON HARVESTER!

"Gross returns per unit of harvested material were substantially and significantly greater (\$11 per bale unit) for the Hesston than for any other." This was the report from Oklahoma State University after comparative tests on the quality of cotton harvested by a Hesston with cotton harvested by strippers. It's a proven fact that Hesston brush-harvested cotton will grade higher than stripped cotton... and the reason is quite simple: The Hesston Cotton Harvester gently "brushes" the cotton from the plant. Its soft nylon and rubber brushes are highly flexible and allow a full 2 1/2 inch clearance for stalks and branches. On the other hand, solid roll strippers have vir-

tually no clearance whatsoever as they tear and shred the stalks and branches that are wider than the narrow fixed opening between the stripping devices. Obviously, this results in more stick, bark, and trash being harvested with a stripper... which means more ginning is required... and in turn, a lower quality grade of cotton. BUT THIS IS THE YEAR FOR QUALITY COTTON... and you'll get it with a Hesston... PLUS the capability of harvesting in a variety of stalk sizes, excellent field efficiency, and superior green boll separation. You know that you want quality cotton... and your Hesston dealer can show you how to get it... with a HESSTON!

SEE YOUR HESSTON DEALER IN THE HIGH PLAINS

FLOYDADA, TEXAS

'68 Buick Skylark \$2664.* Now we're talking your language.

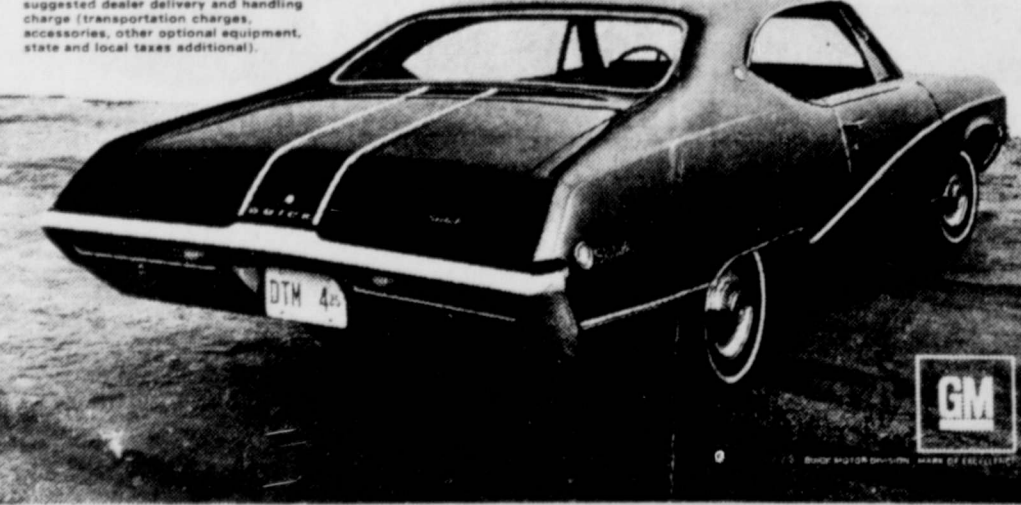

We also gave Skylark a new wheelbase. We shortened it by three inches. It parks easier. And you'll think you're driving a sports car.

We gave Skylark a brand new look. And we gave her a price tag you can afford. \$2664. Is that talking your language?

The engine runs on regular gas. Now you can take it easy on the family budget and travel in style.

Wouldn't you really rather have a Buick?

*Manufacturer's suggested retail price for Skylark Sport Coupe. Model shown below has an extra cost wheel cover, \$21.00, and whitewall tires, \$31.00. All prices include Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.

traditional beef calf, poultry, gardens, foods and clothing to automotive, career exploration, photography and baby sitting. The young scientist may choose a project in entomology, electricity, conservation or others. And there are projects too, for the young owner of dogs and horses. Boys and girls like 4-H for the many activities and projects it offers groups and clubs. Clubs may select such worthwhile activities and projects as community beautification safety, health, recreation, leadership and conservation. Volunteer adult leaders help guide and advise members of community and neighborhood 4-H clubs. Speaking of adult leaders, National 4-H Club Week also provides an opportunity to give the volunteer leaders a well-deserved "pat on the back." More than 25 dedicated citizens of Floyd County give their time and skill in assisting 4-H boys and girls and in promoting 4-H Club work. Not only do they assist at 4-H Club meetings but they also help with project studies, train demonstration teams, manage county fair exhibits and recreational projects and give individual training to 4-H'ers. The junior 4-H leaders in Floyd County should also be commended. They devote their spare time and use their 4-H

experiences to assist the adult volunteers in making 4-H the outstanding youth organization which it is today. 4-H offers many opportunities for the youngster who is interested in preparing for the difficult, challenging tasks which lie ahead. Now is a good time to join 4-H. Clubs throughout the county are reorganizing for the new year and new clubs are just starting. Anyone interested in joining 4-H or in finding out more about the organization should contact the County Extension Office. Remember you do not have to live on a farm and you do not have to have livestock to be a member of 4-H.

Jehovah Circuit Meeting Closes
"Will God Intervene in Men's Affairs?" A. A. Catanzaro, in closing out a circuit meeting of Jehovah's Witnesses Sunday in Altus said, "God's loving interest in men's affairs prompted him to give 'His only begotten Son, in order that everyone exercising faith in him might not be destroyed but have everlasting life.'"
Catanzaro, district supervisor of the 10 circuits in Oklahoma, Texas and New Mexico, said, "To keep our mind in the proper channel, God's Son taught us to pray, 'Let your kingdom come. Let your will take place, as in heaven, also upon earth.'"
Speaking to the 478 in attendance, Catanzaro said, "We should feel honored that the perfect God of the universe gave us a book of instruction, the Bible, to guide men back on the road of life and peace in a paradise earth."
Carl Silva, circuit supervisor of the 15-congregation assembly, in his closing talk, "Showing Kindness to Others," said, "Kindness is a fruitage of the spirit and must be cultivated to oppose the works of the flesh."
Silva has received an assignment for a West Texas - New Mexico circuit from the directive agency, Watchtower Bible and Tract Society, and R. N. White from a circuit in Arkansas is assigned to supervise Texas Circuit 9 and prepare two assemblies yearly.
