

Growing Bank Deposits Reflect Good Floyd County Economy

An increase in deposits in both the Lockney and Floydada First National Banks reflects a good economy for the county according to the October 4, 1967 bank call.

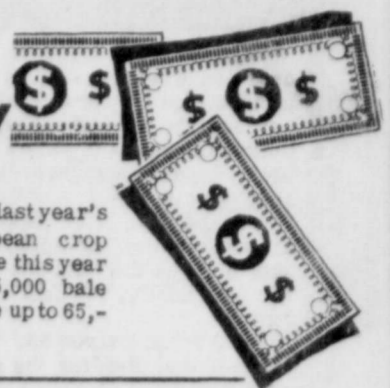

two million dollars over the September 20, 1966 bank call and the Lockney bank is up over \$800,000.

last year's report of \$6,689,540.98. Lockney's First National bank is up from last year's \$6,016,911.65 to \$6,868,094.69.

are up from last year's \$2,741,756.15 to \$3,340,401.05. Loans are down at the Floydada bank from last year's \$4,256,178.78 to \$3,184,377.89.

a bumper grain sorghum crop is almost harvested and according to ASCS head Tom Moore most of the government payments have been made to the farmer... about twelve million dollars in 1967.

It is expected that last year's million dollar soybean crop will more than double this year and last year's 55,000 bale cotton crop should be up to 65,000 this year.

Whitley Shoots A Hole In One

The grand event for any golfer . . . the long sought after "hole in one" happened for T. M. Whitley at the Floydada Country Club this week.

Whitley was using a No. four iron on the 174 yard number eight hole and put the ball in the hole with one stroke.

Annual Farm Bureau Convention In Lockney, Saturday Night

The annual Floyd County Farm Bureau Convention is set for Saturday evening at 7:30 in the Lockney Elementary School cafeteria.

Special guests will be the American Field Service students from Floydada and Lockney high schools and news media from Lockney, Floydada and Lubbock.

Board Considering New Vote On Dam

Mackenzie Municipal Water Authority, a plan to provide water for Floydada and three area cities, suffered a setback at the voting polls Saturday as two major cities in the Authority turned "thumbs down" on a \$7.9 million bond issue which would have established a complete municipal water supply from Tule Creek for the four cities of Floydada, Tulla, Silverton and Lockney.

building of the dam only, a cost of two and a half million dollars for insurance of future water supply.

The issue was defeated in Floydada by a vote of 57 for and 88 against and in Tulla with 39 votes for and 456 against.

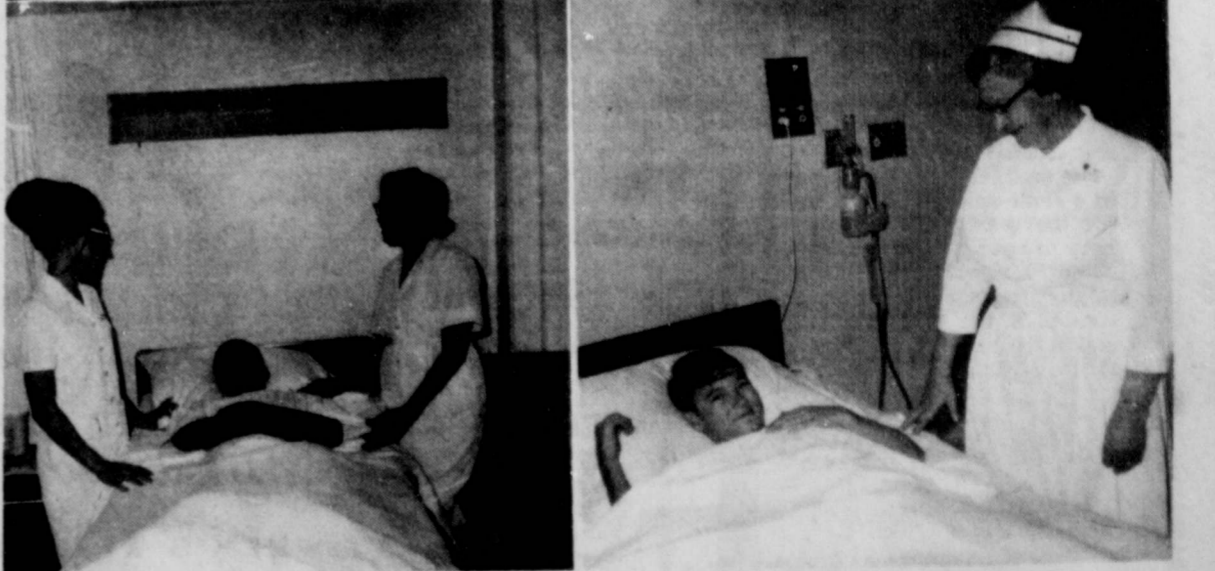

Spokesman for Floydada said that he felt that Floydada would vote for the dam and possibly enough of the filtering plant to allow Silverton immediate use of the dam water.

According to Lon Davis of Floydada, president of Mackenzie Water Authority, defeat of the issue was not unexpected. Especially in Floydada which recently had voted a bond issue to purchase more land for underground water, and at Tulla where new supply of water reportedly was assured from the Santa Rosa water formation.

The meeting ended on the note of "Floydada and Lockney will have to get together on an agreement about building the pipeline at the time one of the cities needs dam water" . . . before we can bring a vote back to the people on building of the dam and filtering plant."

TO THE PEOPLE IN MACKENZIE AUTHORITY

Have you ever once thought about just how lucky we are that the Mackenzie Municipal Water Authority got the water rights on Tule Creek? The rights were released by the Red River Authority as requested without delay, paving the way for the creation by law of the Mackenzie Authority and allowing the Authority to take the necessary steps to lay a legal claim to the water rights. If this had not been done, there was a real and serious danger that other towns along the Red River would claim the rights to "all the headwaters" of the Tule Creek, and a natural resource which rightfully should benefit this area would have been lost to our people forever.

Doyle Vick Injured In Wreck

Holland were Mrs. S. H. Tackett and Mrs. Zela Johnson, who were there on Tuesday, Mr. and Mrs. Clifford Willis and D. M. Moore came on Wednesday and Wednesday night and Mrs. W. C. Sims, who called Friday.

Mr. and Mrs. Eugene Watts of Lubbock spent Saturday night and Sunday here with her parents, Mr. and Mrs. T. L. Perry, Eugene and Jan returned home Sunday afternoon, accompanied by Mr. and Mrs. Perry and all visited Mr. and Mrs. T. C. Goodman in Lubbock.

Doyle Vick, 17 year old Floydada High School senior, and son of Mr. and Mrs. Harley Vick, is said to be resting fairly well in Methodist Hospital in Lubbock, room 208, where he is under treatment for injuries sustained in a one car accident Friday evening.

The youth suffered a broken pelvis and a clipped tube leading to the bladder, a lacerated arm and a number of bruises. He is expected to be in the hospital some two weeks.

Doyle was enroute to a friend's house at Cedar Hill when the mishap occurred on the FM road one mile west of

Cedar Hill. He apparently lost control of the car when a tire went flat. The car overturned one time, according to eye witnesses.

A pick-up had just met the car and the passengers said they noticed the car suddenly weaving before it overturned.

FLOYD DATA

Among those attending the three football games in Dallas over the weekend were Jack Stansell, R. G. Dunlap, Woodrow Wilson, Slim Robertson, Doyle Walls and J. T. Huckabee.

Vehicle Heavily Damaged In Rear End Collision

The 1947 Chevrolet belonging to Stephen Fyffe sustained approximately \$1,250 damages Friday night when it was hit from the rear by a Buick Special being driven by Mrs. Wayland Richardson of Floydada.

Investigating officers said Fyffe's car was parked next to the curb on Texas Avenue when it was struck. They said Mrs. Richardson related she had reached over to re-dial her car radio just as the right front tire apparently blew out causing the car to swerve.

She apparently sustained no injuries. Her car received approximately \$400 to \$500 damages.

The Agony And The Ecstasy At Capada

"The Agony and The Ecstasy", a Carol Reed pro-

duction of Irving Stone, is coming to the Capada Drive-In Theater Sunday and Monday, October 22 and 23, in cinema-scope.

The cast of 11 will be headed by Charlton Heston who plays Michelangelo. The picture was filmed in authentic settings in Italy with every effort being made to reproduce accurately every historic detail of fact, settings and materials.

The story takes one dramatic episode from the long life of Michelangelo, the four year span that it took him to paint the famous ceiling of the Sistine Chapel. It was a period marked by the artist's conflicts with Pope Julius who literally forced him to paint the ceiling against his will.

FLOYD DATA Mrs. S. D. Hunter, Methodist Hospital, underwent surgery here for a recent broken hip. Her knee has been removed and the removal of the hip is expected to be in some ten days and stay at home will be two weeks of the patient.

FLOYD DATA Bob Dyson is scheduled to undergo surgery this Plainview Hospital.

Uncle Of Clem McDonald Dies

Funeral rites for H. M. McDonald, uncle of Clem McDonald, were conducted this week at Winchester, Virginia. McDonald was 79 years of age and is survived by his wife, who is presently in the Winchester Hospital.

Two Busy Week ends In A Row For Officials

This past weekend was two in a row for Floyd County officials, who were kept busy checking out liquor violations, shooting and cutting scrapes, drunks and even trying to solve family squabbles.

Saturday night highway patrolmen assisted by the sheriff's department, checked on a car, empty on gas, parked four miles south of Floydada, and no driver around. The patrol confiscated from the vehicle nine cases of beer in quarts, one-six pack of beer and three pints of whiskey.

Atomic Energy Demonstration Coming To High School

COLLEGE STATION—Atomic energy and its uses will be demonstrated at Floydada High School Oct. 23.

"This Atomic World," a demonstration lecture designed by the Atomic Energy Commission, will acquaint Floydada students with basic principles of nuclear energy, its sources and role in industry, agriculture and medicine.

In a blackboard talk to Floydada High science classes after the assembly, he will discuss in more detail atomic structure, radioactivity, radiation biology and nuclear science careers.

Jensen is a Youngstown University graduate, holds a masters degree from A&M and trained in the Oak Ridge, Tenn., Institute of Nuclear Studies.

WATER, FROM PAGE 1

water within 20 years then "a half billion dollar High Plains irrigated farm economy will walk off and leave you."

This stresses the urgency of all water projects. Twenty years isn't very long, and if that is the length of time agricultural producers are being given to prepare for the continuation of their irrigated operations, then certainly all cities should be making firm commitments in planning for sources of water from other than underground formations.

One day all the cities in this area will be using water from surface sources, and most of them are taking steps in that direction today.

The wise ones (like the ant) plan for tomorrow, and the foolish ones (like the grasshopper) think only of today. One day, I think the "ants" will have the legal rights to the floodwaters in all the tributaries and rivers, and when the underground supply is exhausted, the "grasshoppers" will have to leave their homes.

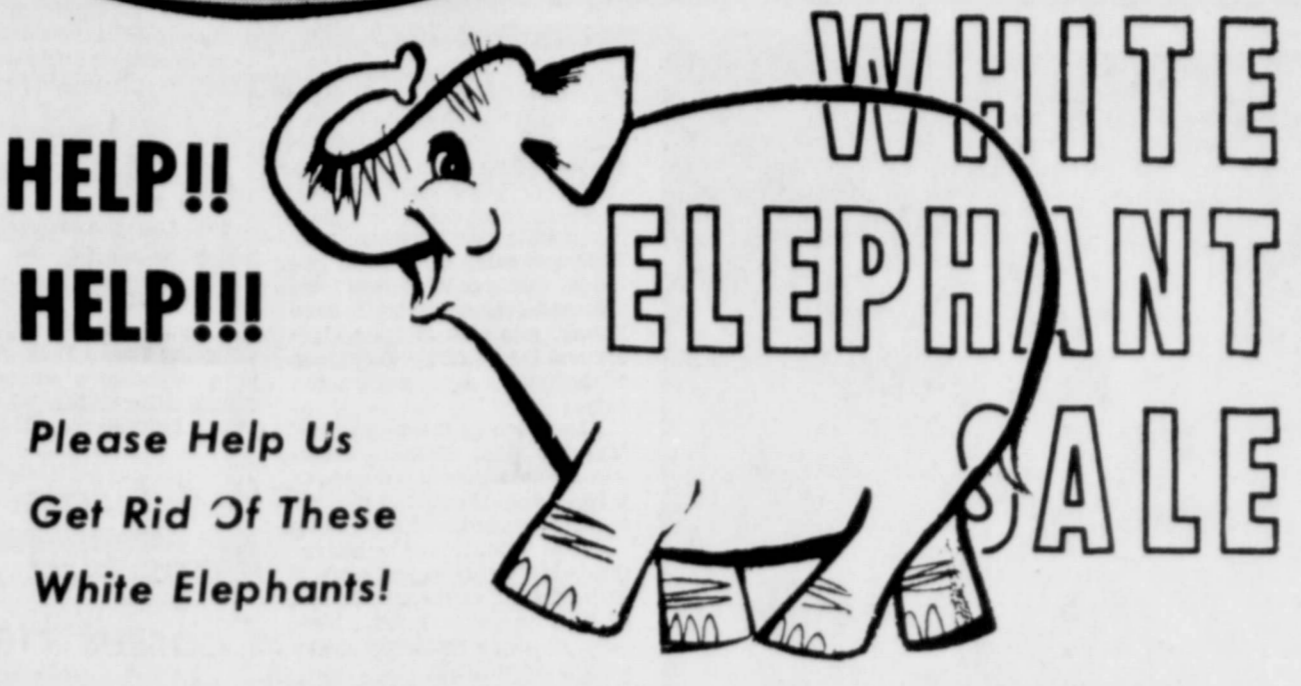

Increased taxes cost me just as much as anyone who owns about the same amount of property as I, and they are just as hard for me to pay as they are for anyone in a similar income bracket, but I think we should be glad to pay taxes to support local projects.

After all, local taxes are deductible from federal taxes, and we get to see our local tax money at work, being administered by local people. We rarely have questions about the good we receive from the local taxes we pay. I think we should be proud to live in a nation where so many opportunities are ours if we have the initiative to take advantage of them. And what could be a better incentive to spur action than to plan for the future by having faith in ourselves and our towns today? Can you think of any really worthwhile project that was ever accomplished without a sacrifice on the part of those to be benefited?

Let's give our towns a chance to grow and prosper by making provisions for an adequate water supply. Let's create an atmosphere that will make people want to move to our towns to stay. Let us do everything we can to push this water project forward to keep our water rights, rather than indicating that maybe we do want our state and federal governments to "take care of us from the cradle to the grave." Urge your city council, chamber of commerce and Mackenzie directors to work together to formulate a plan that will be acceptable by all our cities and through which all of us can continue to "take our water for granted."

Sincerely,
Mary Ann Sarchet

PHILOSOPHER

Child Psychologist's System

Has Been Going On For Some Time

The Floyd Philosopher on his farm may be way out of his way, but then we're not sure what way.

In between a bunch of articles about Viet Nam by people who gather and how Congressmen can raise taxes without losing a newspaper I found hanging on a Johnson grass farm yesterday, was an article on a new teaching by some child psychologists that smart but indifferent children to school.

Psychologists said there are lots of kids in school who simply won't do all the motivational devices they employ. But on what they call a brand new about them. What he has just read on a page says "I don't know," shout at him, tell him to read it again and until he does and gives a satisfaction.

The teachers, who probably had been wanting to scream for some time anyway, reported the kids at first burst into tears but then, to get rid of the shouting, buckled down, and the psychologists announced they were pleased to have discovered a new technique. I don't know anything about psychology, except that most child psychologists don't seem to have much better luck raising their kids than other parents, but I don't believe that screaming at kids is a very new idea. I don't mean to say you can't over-do it, but I doubt if there are very many successful grownups who weren't shouted at from time to time when they were children. It's my guess that there are times when reasoning is the proper course in handling a child, but there are other times when nothing else is quite so apt and demanded than an unpremeditated top-of-the-lungs shout. I know a few teenagers right now who'd be in better shape if somebody had blasted them into line with a few screams when they were five or six. Of course when you run into a kid who screams back, you've got a different situation. There are some problems with no answers, as me and Congress very well know.
Yours faithfully,
J. A.

PRESSURE SAUCEPAN MEALS

Foods prepared in a pressure saucepan can be cooked in as much as one-third the time required by usual methods. Pressure saucepans also save fuel, food value, flavor and freshness and make "quick" meals possible. Entire meals, except for a crisp salad, bread and beverage can be prepared in a pressure saucepan. They also are used to advantage for cooking period while other foods cook by usual methods. For example, a roast can be prepared quickly in a pressure saucepan while the vegetables and desserts are cooked under pressure while cornbread bakes in the oven and a salad is tossed. When cooking a combination of foods in a pressure saucepan, only enough food for one meal should be cooked because flavors tend to mingle after the foods cool. Directions for preparing the main part of the meal in a pressure saucepan with suggestions for simple salads, desserts and bread to

complete the meal follow:

- MEATLOAF DINNER
- 1 pound ground beef
- 1 t. salt
- 1/8 t. pepper
- 1 egg beaten
- 1 cup bread crumbs
- 1 small onion, chopped fine
- 1/2 cup tomatoes, drained
- 2 tablespoons fat
- 5 medium potatoes, pared and cut crosswise
- 4 medium carrots, pared and chopped
- 4 medium sized onions, chopped
- 1 cup water
- Combine beef, salt, pepper, egg, bread crumbs, onion, tomatoes. Mix well. Shape into 2 small loaves and wrap in waxed paper and store in refrigerator or freezer until firm. Remove and brown loaves in pressure saucepan in fat. When browned, add potatoes, carrots, medium onions and water. Cook at 15 pounds pressure 15 minutes. Reduce pressure immediately. Serves 4.
- Serve with dill pickles and celery sticks, fried corn hole cakes, fruited gelatin and milk

Six Injured In County Accidents

The Texas Highway Patrol investigated five accidents on rural highways in Floyd County during the month of September, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area. These crashes resulted in six persons injured and an estimated property damage of \$3,575.00. The rural accident summary for this county during the first nine months of 1967 shows a total of 57 accidents resulting in 10 persons killed, 46 persons injured, and an estimated property damage of \$48,268.00.

symbol of general indifference to highway laws. Drivers who consistently ignore official limits can acquire an attitude of indifference to traffic requirements generally. And in their minds, as well as in their driving habits, an accident proneness is being created.

It's wrong to regard an occasional infringement of speed limits as unimportant from the view point of law breaking. To dismiss this kind of traffic violation with a shrug is like saying a robber is not guilty because he only found two dollars in the till.

Yet, of the many careless driving habits which lead to the terrific price paid annually in death, injury and property damage for the use of the motor vehicle, speeding over the limits and too fast for existing conditions continues to rank as the most devastating. The fact is, that in spite of repeated warnings and in face of the great number of speeding accidents, drivers still believe they can get away with this practice. They feel "it can't happen to me." It can! The habitual speeder is traveling on very thin ice.

Rites Held Here For O. C. Vinson

Funeral rites were held Saturday afternoon in the First Baptist Church in Floydada for Oliver C. Vinson, 82 year old longtime Floyd County resident who was dead on arrival at Lockney Hospital Thursday morning of an apparent heart attack. Vinson had been in failing health with heart trouble for sometime.

He was born March 15, 1885 in Arkansas and married the former Maggie Lou Williams December 3, 1911 in Comanche County. The family moved to Floyd County in 1934. Vinson was a member of the First Baptist Church and was a retired farmer.

Survivors include his wife; one son, Jerrold Vinson of the Harmony Community; four daughters, Mrs. Leo McLeod, Mrs. Howard Anderson, and Mrs. Evelyn Edmondson all of Harlingen, and Mrs. Ernest J. Huckabee of Stephensonville; one brother, J. A. Vinson of DeLeon; one sister, Mrs. H. R. Pittman of DeLeon; 12 grandchildren and five great grandchildren.

CENTER NEWS by Mrs. J. E. Green

CENTER, Oct. 16 - I guess we had our lowest temperature this season last night when the mercury went down to 37. Also we braved a real norther dust storm Sunday. But this afternoon is clear and pleasant. The revival at First Baptist Church closed last night with record crowds and wonderful services each night. Combines go on space - they are getting the grain crop in, in a hurry. Fat cattle can now take over the stalk field. Soon cotton will be coming in "in quantity." What a great farming country this is! Then there are the abundance of food on the truck farms. It is inspiring to drive about the countryside this time of year. Russ Pratt spent Thursday night with Edwin Warren. Dinner guests in the Thomas

Warren home Friday were Bro. and Mrs. Bradley, Roy Edwards, James Robison and John McKay. Elaine Warren of Hardin-Simmons University spent the weekend at home. Sunday dinner guests of Mrs. Ola Warren were the Thomas Warren family, Mr. and Mrs. Fred Batten, Mr. and Mrs. Burl Huckabee, also Mr. and Mrs. Earl Huckabee of Dummas. In the afternoon Sunday the Thomas Warrens took their daughter Elaine and some other local girls back to school. The J. E. Greens visited at the Thomas Warren home Tuesday afternoon. Walter Sims called at the Green home this Monday morning. Mrs. Frank Dunn visited Sun-

Rites Conducted For Sister Of Local Residents

Funeral rites for Mrs. Raleigh Luker, 46 year old resident of the Union Community near Brownfield, were conducted Monday in the First Methodist Church in Brownfield. Mrs. Luker was the sister of Milton and Earl Evans, Mrs. E. L. Thomas and Mrs. W. R. Daniel of Floydada.

She died Friday in a Houston hospital following an extended illness. Mrs. Luker is a native of Crowell and attended West Texas State University in Canyon. She was a former Lubbock resident and had lived in Brownfield since 1946.

Survivors include her husband; one son, Ronald of the home; two daughters, Mary Alice and Laura Leigh of the home; three brothers, E. T. Evans of Amarillo, Milton and Earl of Floydada and the two Floydada sisters.

Church Dedication Announced

The Catholic Church of Floydada will celebrate the Blessing and Dedication of their new Church building and Educational Center at 7:30 p.m., Reformation Sunday, October 29, 1967.

At the same time the annual celebration in honor of the Universal Kingship of Christ will take place.

Chevrolet eliminates most compact models.

The Blessing and Dedication will be followed by Holy Mass and Communion. After the entire service is completed, a dinner will be served gratis for all those in attendance in the fellowship hall of the new Educational Center.

The presiding minister will be the Bishop of Amarillo, the Most Rev. Lawrence M. DeFalco, D.D. He will be assisted by other visiting ministers of the Catholic Church, along with the pastor, Paul A. Link.

Among the visiting clergy will be the Rt. Rev. Kenneth G. Stack, Acting President of the Catholic Church Extension Society, and the Rev. Joseph A. Cusack, Vice President and General Secretary of the same organization. Both will make the journey to Floydada from Chicago to represent the above named mission society. This society was organized over 60 years ago to support the Home Missions of the church in the United States and its possessions. Recently, the Catholic Church Extension made a financial donation in the amount of \$10,000.00.

Smaller payments are provided for additional six months periods.

Under the farm cooperative program, a veteran must attend an approved school for at least 12 clock hours a week taking courses that relate to agricultural work in which he is now engaged. Payments range from \$105 a month for veterans without dependents to \$145 with two dependents plus \$7 for each additional dependent.

Officials Working With VA To Establish G. I. Bill Standards

Texas officials are now working with the Veterans Administration to establish standards for G. I. Bill on-the-job, apprenticeship and farm cooperative training under the new law that became effective October 1, according to Jack Coker, Manager of the Veterans Administration Regional Office in Waco.

Monthly payments for this type of training were provided by Public Law 90-77, recently signed by the President, for veterans who had military service since February 1, 1955. Interested veterans should contact the VA Regional Office at 1400 North Valley Mills

Drive, Waco, Texas 76710, to see what institutional training has been approved for them, and to learn how they can participate in on-the-job and apprenticeship training.

The new law requires the approval of the states involved and VA officials have been meeting with Texas officials so programs can get started as rapidly as possible, Jack Coker said.

Veterans with no dependents who enroll in full-time apprentice or on-the-job training will receive \$80 a month for the first six months. Veterans with one dependent will receive \$90; two or more dependents \$100.

was by my office yesterday and I learned that there are 1411 persons receiving social security benefits in Floyd County and receiving \$87,754.00 monthly. I have agreed to publish a regular social security column in the Hesperian each week. So, you folks who are interested in social security watch for the column beginning next week.

AN ELDERLY lady was stopped by a police officer who asked her why she was driving 66 miles per hour in a 35-mile speed zone. The lady replied, "But I saw a sign that said 66."

The officer patiently explained. "Madam, that is the route number."
"Oh, goodness, officer! Then you should have seen me on route 322!"

BEAT HALE CENT

Hale Center Owls Flying Into Wester Field Friday

The Hale Center Owls will float into Wester Field here Friday evening to try to get their first district win. They are 2-4 for the season and 0-3 in district play.

The contest begins at 7:30 p.m. Floydada will also be out to win its first district contest. Floydada's season record is 1-5.

The Owls have a medium sized team and junior quarterback Burt Ferguson weighs around 150. Biggest man in the backfield is fullback Marvin Wilson, who weighs 189.

Hale Center has a mystery player by the name of Mosley. He's a back and he weighs around 170. He isn't listed on the starting lineup, but it is known that this is the boy who outran Lockney's Melvin Sissney last year at the district track meet.

Hale Center had a 5-5 record last year and with eight returning lettermen, have played fairly good ball this season.

Owl Coach C. H. Keeton lost 16 lettermen to graduation, so he's rebuilding to a big extent. However, three honorable mention all district players are in the fold again. They are Tommy McKay, 158 pound senior end, Harold Bufe, 192 pound senior guard, and Wilson, the big fullback.

Two halfbacks, Larry Hammit and Keith Jones, both weighing around 140 pounds round out the backfield. Ferguson guides the team from a T-formation with emphasis on passing. Coach Keeton depends upon speed and passing for the TD's his team has registered this year.

FLOYDADA
Floydada beat Hale Center last year and they'll be out to stay winner. The Whirlwinds are in good physical shape and still reorganizing after losing

12 players last week. Sophomore Jackie Gregory will spearhead the Whirlwind offense, Ross Miller at wingback, Joe Christian at fullback and Steve Craig at tailback. Dayne Goughly will possibly not see action, due to an injury

ARMY

FROM PAGE 1

The Floydada Committee has given assistance to 828 men, women and children with food, clothing, shoes, medicines, transportation, lodging, etc.

The Floydada members are Jeff Glazner, Chairman; Tommy Assiter, Vice chairman; Don Pemberton, Treasurer; James H. Word, C. H. Bedford, Lorin Leibfried, J. C. Wester, Walter G. Collins, Homer Steen, J. M. Willson Sr., J. M. Willson Jr., Harry Morckel, John Reue and Mrs. Wesley Carr.

The Committee's sole function is to be of assistance to people in time of need.

In addition to the local welfare program all of the State Services of the Salvation Army are available to the citizens of this area through this committee. Some of these services are home and hospital for unwed mothers, missing person bureau, summer camp for boys, (Floydada Committee sends 4 boys each June) emergency disaster relief, etc.

The Salvation Army's disaster relief service has all equipment and manpower in the Beulah Hurricane area, feeding, clothing and sheltering thousands of homeless victims of the worst disaster in the history of Texas. The Salvation Army and all its workers will stay in the area until they are no longer needed.

It was pointed out by Jeff Glazner that 90¢ of each dollar contributed to The Salvation Army stays in the State to support some welfare program to HELP PEOPLE HELP THEMSELVES. Anyone not contacted by a volunteer worker and wishes to support this worthy cause may mail a check to Don Pemberton, Treasurer, Floydada Service Unit Committee, Box 787, Floydada, Texas.

Rexall Sale On

Thursday, Friday and Saturday will be big days for bargain hunters. It marks the end of the traditional Rexall Original One Cent Sale at Johnson's Rexall Drug Store. Considered one of the most exciting merchandising events of the year, this giant sale will feature hundreds of famous Rexall guaranteed-quality products on sale at two for the regular price of one, plus a penny.

Ray Johnson, of Johnson's Rexall Drug Store, explained, "Our big Rexall 1¢ Sale is the event which our customers look forward to as much as we do. This is one way we can express our appreciation to our regular customers. Each Rexall 1¢ Sale offers almost fifty percent savings on cosmetics, household products, medicines, personal needs, . . . hundreds of items, for every member of the family. Our customers appreciate the fact that they can save money on our regular fine quality merchandise that they know is guaranteed by Rexall."

Initiated 'way back in 1913, the famous Rexall 1¢ Sale is still considered to be America's greatest drug store event. In addition to regular 1¢ Sale items, Rexall offers many Super Specials which are not on the 1¢ Sale Plan, but represent budget-stretching savings. Mr. Johnson says to hurry while there is still a selection of great buys.

in last week's game when he twisted a knee. Whirlwind coach Bill Curry told a Hesperian reporter Tuesday that he is still working on changes in the defense lineup.

PICK-UP AND TRAIN COLLIDE - Harold Whitaker, driver of the above pick-up was treated at Caprock Hospital and released early Sunday morning after his vehicle slammed into a four-car Santa Fe unit south of U.S. 70 about 1:30. Whitaker, who is employed by C. C. Whittle of Floydada, told investigating officers he was enroute to check irrigation wells on the farm when the mishap occurred. The train was headed east and Whitaker south on FM 1958. (Staff Photo)

**5TH DAY — NABLUS/SEBASTIA/JERICHO
JORDAN RIVER/DEAD SEA**

In the morning we will drive north from Jerusalem to view Bethel and Shiloh. Stop at Jacob's Well, where Jesus talked to the woman of Samaria, at the foot of Mt. Garizim and Mt. Ebal. In the valley between the two mountains visit the spot where Abraham pitched his tent and the Lord spoke to him. See the ruins of Herod's and Ahab's palaces on the hill Samaria. On to Sebastia, where Philip the Deacon, Peter and John achieved great success in converting the inhabitants of this important place. Return to Jerusalem for lunch. After lunch we drive to the Dead Sea, the lowest point on earth, and to the traditional spot at the River Jordan where Jesus is said to have been baptized. Then to Jericho, to see the ruins of the old Canaanite city brought down by Joshua, Elisha's Fountain and the Mount of Temptation. Time permitting, we may visit the caves of Khirbet Qumran.

6TH DAY — JERUSALEM/BEERSHEBA/ASHKELON

Depart Jerusalem in the morning and proceed via the Valley of Elah, site of the battle between David and Goliath, and through the Lachish Development Area and the Tel of Gat, the ancient Philistine city, to Beersheba, the capital of the Negev. After lunch visit the excavations of the Calcolitic underground cities from about 4000 B.C. Continue to Ashkelon, one of the five capitals of the Philistines, visit the excavations of the Roman, Byzantine and Crusader periods, including the famous Roman Family Tomb with the colorful and well-preserved paintings and murals on walls and ceiling. Visit the ruins of the Crusader Port.

**7TH DAY — JERUSALEM/CAESAREA/MEGIDDO/
NAZARETH/TIBERIAS/SEA OF GALILEE**

Early morning depart from Jerusalem and continue northward along the coastal plains road to Caesarea, the capital of the Roman Procurators and the main Roman port, view the Roman Theatre and Aqueduct. Here too are the ruins of the best preserved of the Crusader fortified towns, see the ramparts and walk through the moat, visit the Crusader Cathedral. Drive to Megiddo (Armageddon); continue to Nazareth, the site of the Annunciation, Joseph's carpenter shop and Mary's well. Depending on the size of our party, we either spend the night in or near Tel Aviv or proceed to Lod Airport where we take a night flight to Athens.

8TH DAY — ATHENS

City sightseeing after lunch will include the Acropolis with the most renowned monuments, House of Parliament, Tomb of the Unknown Soldier and Mars' Hill.

9TH DAY — CORINTH

The city where Paul spoke so brilliantly and upheld the teachings of the Master, is on your agenda this morning. Here you visit the Temple of Apollo and the Roman Ruins containing the platform from which Paul preached. Visit Daphni and Eleusis. Return to Athens in the early afternoon.

10TH DAY — NEW YORK

Proceed to the airport for our flight back home where we arrive in the afternoon of the same day. End of tour.

YOUR SUMMARY OF DAILY ACTIVITIES
IT-HL-10

1ST DAY — NEW YORK
Evening departure jet from JFK International Airport in New York to Tel Aviv with a brief stopover abroad to change planes. A hearty dinner and breakfast are served aloft. (Its not a charter plane but a regularly scheduled I.A.T.A. airline jet.)

2ND DAY — TEL AVIV/JERUSALEM
Arrive in the evening. Met, assisted and transferred to our Hotel in Jerusalem where we spend the night.

3RD DAY — JERUSALEM
Sleep late this morning so that you can start your tour well rested and relaxed. We want you to see in these ten days all the sites of Christian importance. Afternoon sightseeing will include a visit of the new Hebrew University, the Dead Sea Scrolls, Mount Zion, the Tomb of King David and the Room of the Last Supper and the Church of Dormition, Dome of the Rock, which is on the site of Solomon's Temple, El Aksa Mosque, the Rock of the Sacrifice where, tradition says, Abraham offered Isaac, the Wailing Wall, Pool of Bethesda, Damascus Gate, the Tomb of the Kings.

4TH DAY — JERUSALEM/BETHLEHEM/MT. OF OLIVES/GETHSEMANE
Walk from St. Stephen's Gate to Pilate's Judgment Hall, see the Gabatha of the Fortress of Antonio where Jesus was tried before Pilate, the Chapel of the Flagellation and the Condemnation, the Ecce Homo Arch, follow the Via Dolorosa up to the traditional Calvary and the Chapel of the Crucifixion and the Chapel of the Finding of the Cross. Stop at the Garden Tomb before returning to our Hotel. Afternoon drive to Bethlehem where we visit the Church of the Nativity and the Grotto of the Manger, the Garden of Gethsemane, the traditional Tomb of Mary, the Basilica of the Agony and the Shrine of the Ascension built on the spot from which it is said Jesus ascended into Heaven.

"What Job Corps Means To Me"

Editor's Note: This article expressing her impressions of life in the Job Corps was written by La Nora Vasquez, 21, of Floydada, who has been enrolled at Tongue Point Job Corps Center for Women in Astoria, Oregon, since April. "What Job Corps Means To Me"

Job Corps, to me, is education. But more than that it means friends; not the kind of friends you can forget easily, but the kind that you will always remember because you learn from them. You learn to love people who are good and bad, black or white; you learn to accept and to understand. You learn how to win friend-

ships, but most of all you learn how to be a friend. You hear their problems and their complaints and feel glad you were put on this earth to help others who need it.

Society says, is this all Job Corps is, education and friends? The answer is no! There are so many things to do in Job Corps that are fun. For example, seeing other states, and going to places that you couldn't go to unless you were in Job Corps. As you see, we also have opportunity.

You are proud to wear the Job Corps uniform that represents all of these things. In a way Job Corps makes you feel special because you are treat-

ed as an adult and you start thinking and acting as one. You begin to grow up in so many ways. One of these ways is to face the problems that once you would have run away from. You try to think things out and if you can't there is always someone to talk to. I do not feel alone; there is always someone willing to help you if you only give them a chance.

In conclusion this is how I feel about the Job Corps. I guess you might say it means a lot to me.

The Drum Beat

BY THE BAND BOOSTER REPORTER

WRAPPING UP ANOTHER WEEK, our eager and snappy band marched on Wester Field Friday night and gave their sixth show. When I say "snappy" I mean just that! Something has been happening to our band... a new spark has started—and is growing. WHAT ENTHUSIASM!

The half time performance was the first time the band had done their contest routine for the public. This was six minutes of continuous music and step routine without stopping.

The band marched on field, then did a countermarch, moved to two company fronts and moving diamond drill. A moving X-drill from each end of the field was followed by diminishing box-drill. Four company fronts were formed and pinwheels then a countermarch, back again to four company fronts and left the field to the goal line where they stopped and bowed, then moved to the sidelines.

Music played was "Entry of the Gladiators," "W.M.B.," "Americans We" and "Green and White."

More than 16 hours of work had gone into this performance before fans saw it. This doesn't count the time spent in learning the music. Boy, it sure looked good! The contest will be in Plainview Nov. 7th.

All were glad to see the Band Boosters mascot, Silver, who was led on the sidelines by two of our junior high members, Webb Brown and David McCulley.

It is with enthusiasm that the High School band is looking forward to 40 of the Junior High band students coming into the Whirlwind Band. Next year we should have over a 100-piece high school band.

Friday night was the first time in years that the Whirlwind Band stood on the sidelines and welcomed the football team back on the field after half-time playing the music "Green and White." Also a few minutes prior to the game being over they assembled at the goal posts and played to our team as they left the field. This shows tremendous support for our boys. Let's keep this up!

The High School Whirlwind Band is having their annual Halloween candy sale. Assortment sells for \$1 per bag.

HONOR ROLL OF BAND BOOSTERS FOR FRIONA GAME

Each woman who works in our concession stands receives a "Band" pin from the Boosters. Wear these pins with pride and show the people that you are behind the band.

High School Students May Enter Legion Oratorical Contests

High school students may enter the American Legion Oratorical Contests.

The winner of the Legion's 19th District (South Plains area) will receive a scholarship in the amount contributed by the Post of this District. Those placing in the State Contest will receive scholarships which were just recently increased to a total of \$1,000.00 for the top four places. There will be \$8,000.00 in scholarships at the national level.

The orations are on the Constitution of the United States and Amendments. Each contestant gives his prepared oration of 8 to 10 minutes followed by a 3-5 minutes on a Constitutional Article or Amendment drawn from a known category of six just before speaking.

The high schools participating should select their school

winner by November 15. Winners names must be sent immediately to the 19th Dist. Oratorical Chairman (Bill R. Neel, 2107 Ave. Q, Lubbock, Tex.).

Cities having more than one high school must have their local American Legion Post to arrange a local city contest prior to November 23 and immediately certify the city winner to the 19th District. Oratorical Chairman. The City of Lubbock Contest will be November 22 at 2:00 p.m. at the Lubbock High School auditorium.

The winner of the various cities and communities will compete in the District 19 Contest on Dec. 1 at 1:00 p.m. in the Lubbock High School auditorium. The Legion's District 19 western boundary includes the counties of Bailey, Cochran, Yoakum, Gaines, and An-

Brother Of Mrs. Myrick Beaten

Mrs. Dena Myrick and Mr. and Mrs. Jackie Myrick, Lori and Roy, spent the weekend in Sherman to visit Mrs. Dena Myrick's brother, Ted Nevil, who was hospitalized in Durant, Okla., before being transferred, after being beaten about the head and face, then knifed and robbed by two men Thursday night.

Nevil, 56, a contractor, received a six inch cut across his throat, a six inch gash above a kidney and numerous smaller cuts across his back, a broken left jaw bone, and a laceration from the nose to the hair line.

Relatives said Nevil was attacked by two young men he had given a ride to in Denison. He was robbed of \$24 in cash, a \$500 diamond ring and his car, a 1965 white Chevrolet.

Nevil was taken to the north shore of Lake Texoma and thrown into a ditch by the men. After regaining consciousness some five hours later he managed to walk about a mile to a service station where he was taken to a hospital. Later he was transferred to the Sherman Community Hospital.

Before the Myricks returned home they also visited at Blue Ridge to visit Mrs. Dena Myrick's son, Gloy and family.

Arnold Weatherd Completes Combat Training

(N0842) CAMP PENDLETON, CALIF. (FHTNC) - Marine Private First Class Arnold L. Weatherd, son of Mrs. Luvenia Weatherd of Silverton, completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base.

This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the infantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field he was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

More TV Sets Than Washing Machines In Floyd Homes

(Special to the Hesperian)

NEW YORK - There is more good living today in Floyd County than there was in 1960.

It shows up in the array of household furnishings, electrical appliances and equipment that is to be found in the average local home.

Nearly every family now has a refrigerator and a TV set. The great majority have washing machines and cars. Air conditioners, clothes dryers, dishwashers and hi-fi sets are to be found in many homes.

With respect to most of these items, the proportion of families so-equipped has increased during the 1960-1967 period.

The findings are based upon a special report on ownership of household durables, released by the Department of Commerce. It follows a sample survey that covered all sections of the country.

The figures indicate that approximately 94.4 percent of the households in Floyd County now own one or more automobiles,

as against 92.3 percent in 1960.

Elsewhere in the United States, by comparison, 78.4 percent are car owners and, in the West South Central States, 78.8 percent.

The proportion of homes in the regional area equipped with clothes dryers has also gone up. Ownership has increased by about 74 percent since 1960, it is estimated.

Similarly, television sets in Floyd County are more numerous, according to the figures. Some 92.2 percent of the households in the area have one or more sets at the present time. In 1960 it was 89.0 percent.

As to washing machines, despite the fact that there are more in use than ever before, there has been little change in the proportion of families reporting ownership since 1960.

The Commerce Department explains that this is due to an increase in the number of families living in rented dwelling units. Washing machines are frequently provided in rental

housing.

Currently, an estimated 66.9 percent of local households are listed as owners of washing machines.

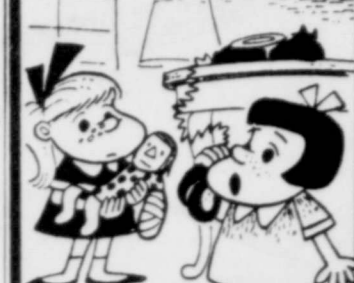

The report also relates own-

ership of household appliances to income and shows that as income per family rises, as has been the case in the local area during the seven-year period, ownership also rises.

FLOYD DATA
S/Sgt. and Mrs. Floyd K. Linch are here visiting their parents, Mr. and Mrs. T. U. Linch and Mr. and Mrs. E. W. Newton at South Plains. Sgt. Linch is on leave after a three year tour of duty in Heidelberg, Germany.

I Attend Church

Church because: I experienced that God is real. I know that Jesus loves me. I have given his all for me and the church (Col. 1:24) what the church has to offer.

business is the greatest business in the world. I love to go to church because I love the lives of other people. He has said that "where we are gathered together in my name, there am I present."

attendance is not the only way to express my love for God. The church is a great outlet to serve and work for the

and works. He teaches that these things are added to the Christian who is Diligent. Diligence is a major underlying factor. My Diligence should be in full force because He loved me, He wooed me, and He won me.

"Christ loved the church and gave himself for it" (Col. 1:24) Would it be right for me to refuse the church if Christ loved it? If I did refuse the church, FOR ANY REASON, I would be acting against the wishes of Almighty God.

"I have grown to love the church and to understand more why Christ loved it enough to give his all for it. By attending Church, I have grown to accept Christ as the Head of the church (Col. 1:18). To cut the church out of my life would be like cutting my head off because I would be cutting out Christ (the Head of the church). The word of God teaches that I am a part of the Body of Christ. Thus to alienate myself from this body is to abuse my own life and the God who has given his all for me.

I need what the church has to offer. It is so easy for me to "mess up" the life God is entrusting to me. I make mistakes with my fellowman. I can go to church in a miserable, tired, weary state after a long, hard week. I can leave the church with the joy of my salvation restored and a renewed dedication to God and my fellowman.

My family needs the church. Sure the home should be one of the utmost institutions on earth, but it is not. And the reason it is not is because we run it instead of letting God be the head of it. Church attendance helps me put Christ in the center of my home. This is because I can experience and know it is the exact desire of God.

Learning about Jesus is a thrilling, never-ending experience. I can continuously do this at church. There are many good people and many excellent helps to contribute to this spiritual growth for my entire family.

I have tried the "wayward, self-centered way" by not being faithful to the Church and to God. I too have said that "there are too many hypocrites in the church and I am just as good as they are." However, God revealed to me that since I will be tempted in many ways as a Christian that perhaps the Devil has someone in the church or some "little reason" in the church that the Devil would use to keep me from having fellowship with God. So this is not something for me to forsake as the manner of some is.

I sincerely believe that God's business is the biggest business in the world. I want to be a vital part of this great business with Jesus on the throne and myself in subjection to his rulership. King Jesus Christ and a host of servants is an unbeatable combination.

Everyday, I deal with people who have problems of physical health. I can dispense medication for this kind of illness, but God's medication does not come in the form of a pill that can be swallowed. A motto of mine is: "For Spiritual Health, Attend Church Regularly." After a long week of my place in the secular world, I feel that I must find my place each Sunday in the Spiritual church of God.

God instituted the church. He loved it. He still works through it, therefore I accept it, and seek to be a part of it.

SOUTH PLAINS NEWS by Mrs. Murray Julian

It's revival time again at the South Plains Baptist Church. Evangelist John Bobo and music director Bobby Strait will open the services beginning Monday night and continuing through Sunday night Oct. 22. There will be no morning services on Tuesday but services will be held each morning thereafter at 10:00. Evening services begin at 7:00 each evening for the Junior and Primary departments. These departments will meet for fellowship, singing and refreshments. Prayer services will be held nightly at 7:30 with regular worship services beginning at 8:00. Everyone is cordially invited to attend any or all of these meetings.

Selected messengers for the Associational meeting Tuesday Oct. 17 in Silverton are Mrs. J. P. Taylor, Mrs. Fred Fortenberry, Mrs. Ruby Lee Higginbotham, Mrs. Charles Conger, with alternates, Mrs. Murray Julian, Mrs. Doodle Milton, Mrs. Bryan Karr and Mrs. Arby Mulder.

Mr. and Mrs. C. L. Julian arrived via plane from Hallendale, Fla. last week for an extended visit with his brother, Mr. and Mrs. Murray Julian. They were all guests of Mr. and Mrs. Kendis Julian and girls Thursday night for supper. The group left early Friday morning for Red River, N.M., Trinidad, Colo. and other points of interest.

Weekend guests in the home of Mr. and Mrs. Raymond Reeves and family were Mrs. Reeves' brother, Mr. and Mrs. Johnny Ted Bingham and family of Big Springs. Sunday they were all dinner guests of Mr. and Mrs. Bruce Gibson of Turkey.

Little David Reeves went home with his grandfather Sim Reeves of Memphis on Friday and will visit with his grandparents until Monday when they will return him home.

Herb Alpert and the Tijuana Brass was the big attraction last Thursday night in Lubbock for many area residents. Among those going from here were Mr. and Mrs. Sylvain Kinnibrugh and Beth, Britt and Lisa Gregory of Floydada accompanied the Kinnibrughs.

Mrs. Teddy Horne and baby daughter Melissa were guests last week from Tuesday to Thursday in the home of her parents, Mr. and Mrs. Sylvain Kinnibrugh.

Recent visitors in the home of Mr. and Mrs. Arby Mulder were Mr. and Mrs. Tommy Edwards of Whiteflat. They all visited later with Mr. and Mrs. Ernest Sm'therman in Floydada. Mr. and Mrs. Edwards are former residents of the South Plains community.

Sunday guests in the Arby Mulder home were Mrs. Mulder's sister and husband, Mr. and Mrs. Pete Land of Clarendon.

Dee Earle Cummings celebrated her 14th birthday last Friday the 13th in the home of her parents, Mr. and Mrs. Sterling Cummings. Twenty-four boys and girls were brought from school to the party. The theme of Friday the 13th was carried out throughout the party. Refreshments of cake, punch and hot dogs were served the guests and the group was later returned to Lockney to the football game.

Mary Leslie Degge of Lockney was an overnight guest with Dee Earle Cummings Friday night and Ricky Duckworth was an overnight guest of Zach Cummings the same night in the Sterling Cummings home.

Among those attending the Texas Tech, Texas A&M football game in Lubbock Saturday night were Mr. and Mrs. Hansel Sanders, Mark and Gary, Mr. and Mrs. Don Probasco, Mr. and Mrs. Don Bean, Mr. and Mrs. Button Beedy and Mr. and Mrs. Kenneth Bean.

Mrs. Phillip Sm'therman's mother, Mrs. J. K. Bean of Silverton, was a Sunday guest in the Sm'therman home. Mr. and Mrs. Donald Bean, Mike and Judi called later in the afternoon.

Mr. and Mrs. Bob McCrory were privileged to have both their parents with them for dinner and the day Sunday. Present were Bob's parents, Mr. and Mrs. J. W. McCrory of Lovington, N.M., and Margie's parents, Mr. and Mrs. John Houston of Lubbock.

Mr. and Mrs. Frank McClure went to Lake Whitney last week where they visited Mrs. McClure's sister, Mr. and Mrs. Eddie Branch.

Johnny Powell, son of Mr. and Mrs. Fletcher Powell, recently received his discharge from the Armed Services. Mr. and Mrs. Powell went to Lubbock Sunday morning to meet Johnny at the airport and return him here to his home. Having dinner Sunday in the Powell home were Mr. and Mrs. Tillman Powell and family, Mr. and Mrs. George Ray Powell and daughter Vicki of Levelland, Mr. and Mrs. Andy Jeffcoat of Dougherty, and the Wayne Poteet family of Floydada.

Mr. and Mrs. Murray Julian and house guests, Mr. and Mrs. C. L. Julian of Hallendale, Fla., returned Sunday night from a short vacation which took them to Taos, Santa Fe,

Eagle Nest, N.M. and Trinidad, Colo. Friday night the group stayed in Red River, N.M. where the temperature dropped to 23 degrees that night. Saturday night they were guests of friends, Mr. and Mrs. Kermit Worthington in Los Alamos, N.M. The Julians reported that area of the country lovely during the fall colorama.

Hobby Club members remember the next meeting Wednesday, Oct. 25, in the home of Mrs. Doodle Milton. Starting time is set for 9:30 a.m. Mary Phillips will bring a demonstration of papier mache work and other hobbies. A covered dish luncheon will be held for the noon meal so remember to bring your covered dish.

Guests in the Fred Fortenberry home Saturday night was Mrs. Fortenberry's brother, Mr. and Mrs. John McCain and son Gary of Amarillo. Sunday they all enjoyed dinner in Lockney with Mrs. Fortenberry's mother, Mrs. N. C. McCain. Everyone remember the Revival Services at the local church.

Making The Drag

BY SUZANNE GUTHRIE

We had six weeks tests. Whew! - I'm really glad. But now all of the teachers know for sure who we loaded.

I believe that the right attitude toward work multiplies, and yours.

Part of work consists of what you think about your work, and what you do about your work.

Work well so that it will open doors to new opportunities done at a high standard pave the way to bigger things.

Elliot said all of what I am trying to convey to you. Work is life and good work is life.

Almost everyone does a lot of work, along with many things. It could consist of simply necessities or obligations. But it also could consist of looking at a flower, to chat with a friend, to pat a dog, and we can't neglect friends and dogs, and we neglect the "Whirlwind", or the "Tastee" just as we can't neglect our studies and other duties.

I see things, one should be allowed some loafing with all the hard work. It was once said that "He who loafs is a wise man."

If you feel that your kids have done too much loafing, remind them that even though it takes a long time to loaf, it takes a wiser man to know how to loaf.

DO YOU TAKE INTO CONSIDERATION OTHERS' FEELINGS??

How do you feel? That is as simple as asking you, "Do you?"

The normal human being, no matter who he is, has feelings in numerous ways, maybe because they are the greatest percentage of a person. People can be hurt. They can become insecure by crude, unthoughtful things. They can become very happy and joyful. They can feel wanted and appreciated.

How do we look around and thought how F.H.S. students and school helpers? We have a small world of hurt others, say crude things and mar or destroy their own. On the other hand, the majority of students, outstanding people.

The people that give F.H.S. the good name and quality. They have characteristics that could never be with a weak backbone. These students are proud, contribute their time, and donate a small allowance so that a patio may soon be added to the school. They take an interest in their school and its appearance. They care how they act toward their teachers, and they care how they act toward their school helpers and they care what people think of their school.

A majority of students like this at F.H.S., we can never have a bad name.

"MIGHTY WHIRLETTES" started working after we were sure that they are going to work their very hard to represent their school and their town this year. They are really giving 100% every day and "WHIRLWINDS", they have a winning spirit, and they have your backing and support when their season begins.

Let's all try to make at least one new friend. And let's be a friend we should go more than halfway with them. We should greet others first and not wait to be greeted. We should radiate a spirit of overflowing good will. Let's all try to make at least one new friend. Let's all try to make at least one new friend. Let's all try to make at least one new friend. Let's all try to make at least one new friend. Let's all try to make at least one new friend.

Friona Chiefs Scalp Whirlwinds

Whirlwinds Improve Second Half

by Travis Hart
A rugged Friona defense made way for an explosive offense as the Chiefs rolled to a 27-6 victory over the Floydada Whirlwinds Friday night at Wester Field.

The Chiefs, paced offensively by Senior halfback Eddie Barker, and Junior halfback Tony Perea displayed control of the game by scoring the first time they had the ball.

Floydada received the opening kick-off. Joe Christian took the pig skin at the 'Winds 3 yard line and returned it to the 14. Quarterback Jack Gregory gave to Christian for 1. Gregory then went to Craig for 4 to the 20. Christian picked up 3. 'Winds kicked on fourth needing 2.

Friona took possession on Floydada's 45. On the first play from scrimmage, J. Barker gave to Eddie Barker who rambled 45 yards for the games' initial score. Sahara Gonzales kicked the point after touchdown. Friona led 7-0.

DEFENSE TOUGH

After their first score, Friona found the going tough. Jarring tackles by Ross Miller, Hulon Carthel made things a bit rough for the remainder of the game.

Craig took the next kick at the 18 and returned to the 34. Gregory gave to Christian for 14 and a first down. Craig hit the middle of the Friona line for 4. Christian went right side for 11. 'Winds were penalized 5 yards for too much time in the huddle. On first down needing 15, Christian carried for 2, and Craig for 3. On third down needing 11, Gregory went back to pass. A strong Friona front wall brought Jackie to the turf for a minus 7. On fourth needing 18, Christian punted.

SECOND QUARTER SCORING

Friona's next tally came late in the second quarter of play. Christian went back to punt for the 'Winds. A high pass from center threw the Chiefs first and ten on the Floydada 44. Barker threw incomplete to Perea at the 25. Then Barker gave to his brother E. Barker for 3. Barker then went to Perea who carried 16 yards to the 26.

Barker again tried the big brother bid. This time E. Barker went 26 yards for the teedee. Gonzales kick was good. Friona led 14-0.

On fourth down needing ten Christian punted. Perea carried for 11. Perea hit the opposite side of the line for 7 more to the Floydada 27. Barker went to Larry Graves and the first down. Barker then went to E. Barker for 18 to the 'Winds 4 yard line. On first and goal, Friona recovered a backfield fumble. Barker gave to E. Barker for no gain. Perea crashed over from the 4 for 6 more Chieftain points. Kick failed. Score 20-0.

SECOND HALF

Friona received the second half kick on the 12. Charles Hamilton returned the ball to the 29. Barker fumbled on the first play from scrimmage. Steve Pierce recovered for Floydada. 'Winds had first and ten at the Friona 25.

On first play from scrimmage, Gregory bobbled the ball. Craig recovered. Floydada charged with a personal foul had first needing 25 at the Chiefs 40. Gregory went right side for 2. Then threw incomplete to Wester at the 26. Gregory then went to Christian who rambled 25 yards to the 15. A hard tackle by Joe Moet jarred the ball loose. Friona recovered. Following plays found Friona moving the ball to the Floydada 19 and a first down.

Barker threw incomplete to Graves in the end zone. Perea then went 17 yards to the 2 yard line. Barker carried right side for 2 yards and the score. Gonzales kick was good. Friona led 27-0.

FLOYDADA DRIVES

Floydada's only score came early in the fourth quarter. Whirlwinds had first and ten at their own 26. Gregory gave to Craig for 1. Craig carried again for 3. Gregory then threw incomplete to Steve Pierce at the 42. Craig carried for 6 and the first down.

Gregory went right side for 4. Gregory then threw incomplete to Wester at the 'Winds 20 yard line. Craig then went 12 yards for the first. Friona was charged with personal foul. Floydada had first and ten at their 20.

Gregory went to Christian for 5. Christian carried again for 5 to the 10 yard line. On first and goal, Floydada was off side. First and goal at the 15.

CRAIG SCORES

Gregory then gave to Craig who went right side and 15 yards for the touchdown. Gregory threw complete to Pierce, but was shy for the goal and two points. Game ended with Friona winning 27-6.

Floydada played a strong game to the finish. Next week the Whirlwinds meet the Hale Center Owls here. Both teams seem to be evenly matched. Kickoff is at 7:30. Let's support the fighting Whirlwinds.

Offensive standouts: Jackie Gregory, Steve Craig, and Joe Christian.

Defensive standouts: Ross Miller, Hulon Carthel, Domingo DeLeon.

Seventh Grade Loses Eighth Grade Wins Over Abernathy

The Floydada Breezers won a game and lost a game here Tuesday night as they battled the Abernathy teams.

The Floydada seventh graders lost 14-8 in a hard fought battle all the way. Mark Vinson scored the lone touchdown for the locals and Mack Warren made the extra points.

Outstanding play by David Marrison, Jay Jones and Roy Newkirk by the coaches.

It was a different story in the eighth grade game with Floydada coming out the victor 22-14.

This was a good defensive effort on the part of Floydada as well as offensive scoring.

Charles Jackson intercepted an Abernathy pass and ran for the first Floydada TD. Van Lee Mitchell made the extra points.

In the second Floydada touchdown Ricky Watts hit Langston Williams with a pass. Walter Harris made the extra points.

Walter Harris made the third touchdown and the extra point failed.

Next week the Breezers play Plainview there.

to take on New Mexico State. The Buffaloes notched a 28-14 victory over winless San Jose State, while Texas A&M upset the Raiders, 28-24, scoring in the final play of the game.

THEN THERE WERE TWO UNDEFEATED....

And then there were two. . . Old Man Upset paid his weekly visit to District 3-AA as Memphis corralled the high flying Abernathy Antelopes to leave only Oilton and Dimmitt undefeated in loopy action. Abernathy, Memphis and Friona, only a notch behind the leaders, still are very much in the race, but Friona has already lost to Oilton.

Both of the leaders face stern challenges this Friday as Oilton hosts Memphis and Dimmitt goes to Friona. Abernathy tries to get back on the winning track against visiting Lockney, while Hale Center is at Floydada.

Aside from the Abernathy upset, things went according to Hoyle last Friday. Oilton had little trouble with Hale Center, winning 30-0; Dimmitt used a strong comeback to tip Lockney, 20-8, and Friona mowed down Floydada, 27-6.

Rev. and Mrs. Darrell Fairres are attending the International Convention of Christian Churches in St. Louis this week and while there will be house guests of his brother and family. Bob Fink, teacher at Duncan Elementary School and a minister, conducted services Sunday at the First Christian Church in absence of Rev. Fairres.

six contests, but he was out of the running on the tie breaker game, picking Floydada to win on a total score of 35.

Only four more big contests. . . turn now to the second section of this issue of The Hesperian. . . and mark the winners.

According to the USDA's Agricultural Research Service, scientists now have the answer to the question, how fast must green beans be frozen to keep them crisp? After extensive research, they have found that if green beans are frozen to the very center within 6 to 10 minutes they will stay crisp when cooked. This can be done with equipment that processors already have and should help get quality beans to consumers without higher costs.

One of the nicest things about holiday eating is the variety of breads and buns that put in an appearance for a short time each year. They start on the breakfast table and turn up again at coffee time, and for a while it seems we just can't get enough of them to last until the next festive occasion. Try this orange bread for late-evening refreshments with fruit punch.

If you're a wise shopper, your basket will be filled with the plentiful during October. The U. S. Department of Agriculture lists rice, potatoes, apples, orange juice, and broiler-fryers in plentiful supply.

USDA scientists are gently shoving cotton fibers together in a process called "compacting." This may result in cotton stretch fabrics that are less expensive and stronger; durable-press garments that wear longer. Compacting involves running wet cotton fabric through a series of rubber-covered rollers which gently push the fabric in on itself from the edge without wrinkling. The rollers decrease the width of the fabric by increasing the height of the crimp. This strengthens the fabric. Compacted yarns are more bulky and move more

Cotton Festival At Plainview

The annual Hi-Plains Cotton Festival will be held in Plainview on October 19, 20 and 21, at the Agriculture Center on South Highway 87. Between 25,000 and 30,000 spectators are expected to view merchant's wares and special events of the three night show.

The highlight of the three day event will be the selection of the 1967 "Miss Cotton" on Thursday night, October 19th. All girls entered in this con-

test must be between the ages of 14 and 17 years, and come from a cotton producing family. Each candidate is sponsored by a Home Demonstration Club, 4-H Club, FFA Chapter, FHA Chapter, Young Farmers or Young Homemakers organization. Twenty-seven girls from this area are now entered, with additional ones expected before the deadline of 12:00 noon, October 12th.

The second night will feature

an all cotton style show, showing the 1967 fall-winter Cavalcade of Cottons presented by the National Cotton Council and McCall's Patterns. The Women's Committee of the Plainview Chamber of Commerce will present models wearing fashions for home wear, casual wear, for town and travel, and for late day and evening.

The final show on Saturday night will be the "Prince Bolls" and "Princess Blossom" contest. Pre-school age children are eligible for this contest and also must be from cotton producing families.

Rites Held For Frizzell Infant

David Cass Frizzell, infant son of Mr. and Mrs. David Frizzell of the Lone Star Community, was interred in Lockney Cemetery Saturday after-

noon following graveside rites. The infant was born Tuesday and died Friday in the Plainview Hospital.

Survivors include the parents; two sisters, Cindy Renee and Julie Denise of the home; grandparents, Mr. and Mrs. Jack Frizzell of Lockney and Mr. and Mrs. Bill Crisp of Lone Star and great grandparents, Mr. and Mrs. J. C. Fletcher of Petersburg, A. E. Frizzell of Floydada and Mr. and Mrs. Enloe Crisp of McLean.

George Johnsons Injured In Wreck

Mr. and Mrs. George Johnson of Muleshoe are now home recuperating from injuries sustained in a two car collision October 4 out of Loving, Tex. Mrs. Johnson is the former Sybil March of Floydada. Occupants of the other vehicle involved were killed in the wreck, a couple by the name of Mr. and Mrs. Lowrance, no relation to the Floydada Lowrance family.

The Johnsons, accompanied

by his sister, were enroute to Athens to take the sister home. Other news sources related the man in the other car, failed to stop at a stop sign.

Mrs. Johnson sustained a broken cartilage in the chest, a badly bruised chest, face and hand and a lacerated arm. Her husband sustained a head laceration and a fractured leg. His sister sustained broken ribs. The Johnsons were in the hospital a week at Graham be-

fore returning to the Muleshoe. Friends said the completely demolished the other vehicle the smash-up.
