FLOYDADA FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 16, 1967

NUMBER FORTY-FIVE

## Caprock Chat

By WENDELL TOOLEY

REAL THRILL to come to work in the morning and hear the hum of the gins in the north part of town. This is the hum of the ginning season and although the ginning season is as long as it was ten years ago, in this phase of our economy we take for granted the ginners would like the opportunity to be ginners twice as much cotton as they were ten years ago when you don't have to look back far into the past to find out that it is probably in fifteen years with the ginners the farmer both unhappy with what he has done and what he is going to do with the crop.

had a good fall for harvesting... the ginners are fortunate. The ginners would like the opportunity to be ginners twice as much cotton as they were ten years ago when you don't have to look back far into the past to find out that it is probably in fifteen years with the ginners the farmer both unhappy with what he has done and what he is going to do with the crop.

SHORTA filed when I read about the making advantage of President Johnson at church. The poor President even go to church for some relaxation... worship of the Lord... the critics blasting him out of his seat.

CONGRATULATIONS and best wishes to those as they defend our district against the Friday night. Denver City is con- sidered when it comes to playing bi-dis- trict, state playoffs... they'll be heard but here's hoping Olton can go all

BROWN brought in an interesting little brochure for the home seeker and investor in the Lockney country in Floyd coun- ty of the plains."

front is a vineyard scene near Lock- ney the brochure was printed by the Be- aching Co. in Lockney in 1909, spon- sored by the Lockney Commercial Club. The brochure which follows is interesting: "The Lockney country in Floyd coun- ty has an instinct and strong desire of its people to have and own homes. In the United States of the United States it is difficult if not impossible for the average person to accumulate sufficient means to purchase a home, and this condition is becoming more pronounced with each passing year. The opportunity for all such today swings toward the great and growing New World."

Another Nature has been most lavish in the gifts of to all her children. The fertile and productive soil for the market gardener, and an abundance of rich, nutritious grasses for the stock raiser.

plement this natural bounty and these gifts available to mankind, ex- tensive systems have been constructed, furnishing ample transpor- tation facilities for every industry."

on the Plains of Texas the man with means but abundant ambition and en- vey to invest his limited assets to his advantage; and here the young man with no capital but the health and strength of early manhood can come up with the country... reaping the benefits which accrue to those who have a new and rapidly developing com- munity. Here is the poor man's choice."

ood doesn't it?) The brochure has a picture of a windmill and tells about the abundance of water supply of this country and seldom equalled in any other being the genuine freestone variety and unlimited quantities at a depth of from 40 to 250 feet (in the Lock- ney it is 50 to 60 feet) and it is as abundant as ever pumped from the earth. The water is underlaid with the sheet water and any number of windmill pumps can be used by side will each throw a large volume of water, unaffected by the close proximity of pumps in action."

AN INTERESTING question that I have for me this week. I'll pass it on to you for consideration. The question is this, "What is the most important?"

ALL BALES picked up a "Mayday" call on his radio the other day. It was a call from Lubbock asking for police help in an accident west of the city. The call was quickly responded to by the call from Lubbock police. How's that for be- lievable neighbor?

IT'S CHEAPER to shop, Floydada. . . we don't have a sales tax like Lubbock. Look for all the breaks we can find!

TIME IT HAPPENED in six years - the city council meeting Tuesday night there wasn't a quorum. . . two members were out of town, one was ill. . . . got out early.

WINTER stood gazing silently and longly at the crib where his first-born lay watching the tender scene for a moment his wife tiptoed over and put her arm around him, "Why are you looking at my baby for your thoughts, dear," she whispered, "I'm just looking at the carpenter." "How the devil can they turn out a baby for only \$29?"

WINTER's wit was already well developed. He was a college graduate and a college teacher during one of his first classes. A teacher asked him, "Where are your parents?" "I don't know," replied Will.

WINTER would you think of a man going to work without any tools?" demanded the teacher. "I don't know," quipped Will.

# Basketball Season Opens Tonight

## Hesperian Out Early Next Week

Next Thursday is Thanksgiving and for the convenience of the subscriber, the Hesperian Thanksgiving edition will be printed Tuesday afternoon. This means that all route subscribers will receive their Hesperian on Wednesday before Thanksgiving.

Deadline for all news and advertising copy will be 5 p.m. Monday. The Hesperian will appreciate your cooperation in meeting the early deadline.

## California Water Tour Scheduled

LUBBOCK - A three-day tour of California's water development projects by Water, Inc. Directors, members and other interested individuals has been confirmed by the water organization President, John J. Kendrick of Brownfield.

Kendrick stated that as of Thursday, November 9, confirmed reservations had climbed to 16, with several others expressing intentions to join the tour and others had their checks in the mail. He said, "A conservative estimate would be approximately 38 making the tour."

The Water, Inc. group will depart for California on Sunday, December 10, and return Wednesday night, December 13. Cost of the tour is \$250.00 for each person, and includes transportation and accommodations. Kendrick also said that reservations must be made by November 17 with the Water, Inc. office in Lubbock. Headed by Kendrick and other interested farmers and businessmen are invited and urged to participate.

JOHN STAPLETON

## John Stapleton Rotary Governor Nominee

District Attorney John B. Stapleton is the District Governor Nominee to serve as Governor 1969-70 of the 573rd district of Rotary International, according to an announcement made this week by present district governor R. G. Mills of Amarillo.

SEE STAPLETON PAGE 2

## Producers Cooperative To Pay \$19,824.33 Dividend

Producers Cooperative Elevators of Floydada and Dougherty will distribute dividend checks for a total of \$19,824.33 at their annual meeting Tuesday.

These checks will be given to stockholders who own the association and have done business in the past year in grain or fertilizer.

## City Employee Injured In Flash Fire

Phillip Owens, City of Floydada electrical employee, is reported by relatives to be resting fairly well in Methodist Hospital in Lubbock where he is receiving treatment for second and third degree burns sustained in an accident last Friday morning back of Lighthouse Electric Co-op building.

According to H. Robert, electrical engineer for the City,

OVER 500 DEAD DUCKS... Lined two lakes about a mile southwest of Muncy Monday when discovered by A. M. Dorsey, owner of the Lakes, Game Warden Ronny Vanderver was assisted by the state game preserve representative in trying to determine what had killed the ducks. It was supposed at press time that they were dying of a spine disease. Hunters are warned about eating diseased duck. (Staff Photo)

## TEXAS VOTERS APPROVE ALL AMENDMENTS

### Floyd Voters Approve Three

Voters across the state of Texas approved the six constitutional amendments and voters in Floyd county approved three of the six at the polls Saturday.

It was a nice warm day and very few Floyd voters turned out to vote... possibly 8 or 9% of the qualified voters went to the polls. Evidently, they preferred to work or play.

Floyd voters approved municipal health service 190-174, approved veteran land fund 232-142, approved county medical aid 185-180. They did not approve consolidating county taxes 131-236, park development fund 118-252 and dual employment state employees 142-219.

There was no particular trend among the boxes in the county. Sandhill, Goodnight, Lakeview and Lone Star boxes voted against everyone of the amendments, Southeast Floydada voted for all of the amendments.

RALPH WAYNE

## Plans Complete For Ralph Wayne Appreciation Day

Preparations are complete for a festive occasion honoring Representative Ralph Wayne on Thursday, November 16 at 7:30 p.m. at the Hale County Agriculture Building in Plainview, Texas. Following a delightful bar-b-que dinner, catered by Smokey's of Plainview, the featured speaker will be the Honorable Ben Barnes, Speaker of the Texas House of Representatives.

Mayor M. B. Hood will welcome hundreds of Ralph Wayne's friends from the three-county Legislative District and over a hundred State Officials that are expected to attend.

Emceeding the program for the evening will be Bob "Pappy" Watson, General Manager of K.G.N.C. Radio and Television. Music will be furnished by the Wayland College Band. Tickets are available at The Hesperian.

## Varsity Boys And Girls Play Spur

By Wendell Tooley

The game of basketball comes to life in Floydada tonight as the Spur boys and girls varsity teams will meet the locals at 7 p.m. in Graves gymnasium.

Tuesday afternoon I visited head basketball coach Curtis Chatham, who has only eight boys for a possible varsity team. Coach Robert Millikin was practicing about 15 boys for the B team in another part of the gymnasium.

Coach Chatham has two returning lettermen, Britt Gregory and Todd Wester. Gregory is over six feet tall and saw plenty of action last year. Wester has plenty of speed and ability.

The other six boys include Connie Bearden, Kelly Becker, Jackie Gregory, Dennis Whittle, Tommy Wylie and Tim Rose.

at the Della Plains gymnasium where the Whirlettes were practicing. There were over 30 girls, and only two juniors and two seniors in the group. This means that coach Teddy Allen not only has prospects for a good team this year, but two or three years to come.

Coach Allen has two returning lettermen both sophomores, Marilyn Harris and Cindy Ward. Although they are sophomores, both are seasoned veterans with experience in regional play last year.

Cindy will jump center and is 5'8" tall. She averaged 14 points per game last year and Marilyn averaged 18 points per game.

Newcomers to the Whirlette varsity team and probable starters with Cindy and Marilyn are Betty Allen, Jan Killian, Jill Bertrand and Linda Rainer.

The Whirlettes will play Petersburg Varsity and B teams here Friday night at 7 o'clock.

GIRLS TEAM It was a different story over

## Nine High School Students Enter Finals Of VFW Oratorical Contest

Nine Floydada high school students will enter the finals in the local VFW Oratorical "Voice of Democracy Contest", it was reported Tuesday by high school speech teacher Miss Edwina Schneider.

The 1967-68 theme is "Freedom's Challenge" and the contestants will make a five minute talk on the subject. Winner will receive a \$25.00 Savings Bond from the local VFW and everyone will receive a pin. Winner of the contest will then be advanced to the Na-

tional competition, where first place is \$5,000; second place \$3500; third place \$2500; fourth place \$1500 and fifth place \$1000. Fifty three all expense paid trips to Washington, D.C. for finals will also be given.

The judges which will be selected from the local newspaper, radio station and school system will hear the nine contestants at 7:30 p.m. November 21.

First place winner will also give speech in assembly for the American Heritage Program. SEE CONTEST PAGE 2

car to Caprock Hospital for emergency treatment, then transferred to Methodist Hospital by Moore-Rose ambulance.

Relatives said yesterday Owens would have to undergo skin grafting on his arm and possibly a portion of his back where third degree burns were sustained. The second degree burns were received on his face and neck. Luckily Owens received no electrical shock.

His parents are Mr. and Mrs. Bob Owens of Hereford, former Floydada residents.

**CONTEST**

FROM PAGE 1

Originally 90 students entered. Seventeen were chosen from the 90 and the nine finalists are: Ronnie Hill, Sverker Emanuelson, Jill Stansell, Brenda Mathis, Wendy Bertrand, Sandra Bonner, Rande Brown, Judy Probasco, and Sara Staniforth.

**DIMES**

FROM PAGE 1

guests will be in attendance.

Barry Barker of Lockney is general chairman and Ed Wester is chairman for the Floydada unit. Mrs. Bernie Parkey will be in charge of the Mothers March in Floydada; Mrs. Harvey Allen is community chairman and Mrs. Dean Morris, chairman of business and schools. The student council members at high school will also assist in the drive this year. In charge of publicity are Betty Holmes, KFLD radio and Peggy Medley, Floyd County Hesperian.

Four community area chairmen have been named and they along with chairmen from other communities will be announced at the dinner. It is hoped that a poster child for Floyd County will also be named at this time.

Following the meal a film "The Only Kid in the Block" will be shown.

The campaign drive for polio and birth defects in Floyd County will be held some time in January.

Lt. Don Johnson, son of Mr. and Mrs. Arthur Johnson, has recently been promoted to the grade of first Lieutenant in the U. S. Army. He graduated from Texas Christian University in the upper fifteen percent of his graduating class with a major in psychology. He received a traineeship from the Department of Health, Education and Welfare plus grants from the Army.

He is currently stationed at the Evacuation Hospital in Korea and is enrolled in the University of Maryland Extension Branch. After his service obligation, he plans to enter the University of Colorado under a grant from the U. S. Public Health Service to work for a doctorate in clinical psychology.

Don is a 1962 Floydada High School graduate.

**STAPLETON FROM PAGE 1**

Rotarian Stapleton was the nominee without opposition.

He has been an active Rotarian for 25 years, was president of the local club in 1949, and has been chairman of numerous committees. At present he is Rotary Information Chairman.

Rotarian Stapleton is a member of many professional societies and has been active in civic affairs and the chamber of commerce in Floydada. He is a member of the Baptist Church, former president district Brotherhood and Panhandle Pastors and Laymens Conference, and former member state Brotherhood executive board, Baptist Convention of Texas.

He is a veteran of World War II, attended West Texas State University, University of Texas School of Law, graduated South Texas School of Law with LL.B degree.

He is a practicing attorney, former county attorney of Floyd County, now district attorney 110th Judicial District of Texas.

The Stapletons have two children; John Jr. with Air Force in Japan and Sandra, a student at Wayland College.

Rotarian Stapleton will be the fourth Governor from Floydada; Jim Willson Sr., Jimmy Willson, Jr., Judge Alton B. Chapman were also Governors.

**Postmaster Issues Gift Mailing Reminder**

Postmaster Ed Wester today issued a reminder list of mailing dates for Christmas gifts and parcels. These are final deadlines suggested by the Post Office Department to make sure that all mail is delivered on time. "If the public mails on or before these suggested deadlines" Wester explained, "there will not be a last minute jam up in the mail stream caused by a massive influx of mail which will be more than the already over-burdened postal system can handle." The postmaster noted that special attention will again be placed on the delivery to servicemen in

Vietnam and the surrounding area. SUGGESTED DEADLINES ARMED FORCES ABROAD Gifts weighing more than 5 pounds Mail now Gifts 5 pounds or less, plus letters and greetings cards sent at surface rates (these go by air on a space available basis, referred to as SAM) December 1 Air Mail gifts and greetings December 11 DOMESTIC SURFACE MAIL (anywhere in the USA) Gifts to distant states (Must be under 25 lbs) December 4 Greeting cards to distant states December 10

Gifts and Greeting Cards to nearby areas and Locally December 13 Wrap your packages neatly and tie with a strong cord. Pad your gifts securely so there is no rattling and there is sufficient support for other packages. The sack carrying your glass cup may also have two or three bowling balls riding on top of it. Write or print addresses carefully, use zip codes. If you have trouble reading the address, the post office will have the same trouble. Place the address and return address on one side of the parcel, not on both. If these suggestions

**A Baylor A Cappella Choir At Baptist Church Nov. 17**

Baylor's A Cappella Choir will be presented Friday evening, November 17, 1967 at 8:00 p.m. in the Sanctuary of First Baptist Church, Floydada. A fellowship with the choir presenting several secular numbers from their repertoire will follow in the church Fellowship Hall. The public is cordially invited to attend. Admission is free. The Baylor University A Cappella Choir was reorganized in 1958 by Dr. Euell Porter

who was made Director of Choral Activities at Baylor that same year. Since that time the choir has toured from coast to coast, made recordings, and has appeared on television. In 1960, Dr. Porter was inducted into the Choral Conductors Guild of America and was duly cited for outstanding work in the field of choral music, and for exceptional contributions to the advancement of choral art. In 1966, Dr. Porter became a charter member of the American Choral Directors Association. He is also affiliated with the Texas Music Educators Clinic-Convention which met in Houston, in February, 1967 and the

National Association of Teachers of Singing. The present A Cappella Choir touring group numbers 56. Membership in the choir is by audition; and most of the members are music students, though it is not limited to music majors. The choir is composed of juniors and seniors. The 1967-68 season continues to be a very busy one for the choir. In addition to the regular campus concert each semester, the choir presents numerous other concerts. Included in past performances are programs at the Texas Music Educators Clinic-Convention which met in Houston, in February, 1967 and the

DR. EUELL PORTER season's climax, 1967 when Dr. Porter led the A Cappella concert at New York Carnegie Hall.

C. O. SPENCE

## Spence Will Speak At Agronomy Meet

In the nation's capital this week, a Texan will tell agronomists from throughout the world the story of how wheat yields have been nearly doubled during the past 10 years on blackland farms of North Central Texas.

The Washington event will be the 59th annual conference of the American Society of Agronomy, Nov. 5-10, theme of which will be "Food for Billions." More than 1,000 scientific papers will be presented to about 12,000 members and other interested persons.

Among the speakers will be C. O. Spence of Sherman, veteran area agronomist for the Agricultural Extension Service and the Agricultural Experiment Station, both of which are units in the Texas A&M University System. He will be accompanied by Mrs. Spence.

In 1949 farmers, businessmen and millers operating in the Texas Blackland Prairies decided to reverse the trend of lower and lower wheat yields.

In the same year and in cooperation with the area leaders, Texas A&M sent Spence to Sherman where he began immediately to provide the leadership and knowledge for a crash testing program which involved the entire world collection of soft red winter wheats.

Spence sought answers to the following questions:

- Which varieties should be planted for meeting the needs of farmers and local millers?
- Which plant foods are needed, and in what amounts, for the greatest net profit?
- When and where should fertilizers be placed for their most efficient usage?

The variety finally pegged was Knox, which had been developed earlier at Purdue University.

After research had revealed the answers, the information was relayed to the farmers by the county program building committees, by means of farm tours and on-the-farm demonstrations, and through radio, television, newspapers and magazines.

Spence will be able to tell his fellow agronomists that in the counties of North Central Texas wheat yields were actually increased 15 bushels per acre during first eight years of the program.

## Sustain War Injury

Floyd County men are under treatment in hospital in Floydada. A new Soviet law...

Floyd County men are under treatment in hospital in Floydada. A new Soviet law...

Among the speakers will be C. O. Spence of Sherman, veteran area agronomist for the Agricultural Extension Service and the Agricultural Experiment Station, both of which are units in the Texas A&M University System. He will be accompanied by Mrs. Spence.

In 1949 farmers, businessmen and millers operating in the Texas Blackland Prairies decided to reverse the trend of lower and lower wheat yields.

In the same year and in cooperation with the area leaders, Texas A&M sent Spence to Sherman where he began immediately to provide the leadership and knowledge for a crash testing program which involved the entire world collection of soft red winter wheats.

Spence sought answers to the following questions:

- Which varieties should be planted for meeting the needs of farmers and local millers?

- When and where should fertilizers be placed for their most efficient usage?

Spence will be able to tell his fellow agronomists that in the counties of North Central Texas wheat yields were actually increased 15 bushels per acre during first eight years of the program.

COTTON FIELDS are very susceptible to wind erosion. Many tons of fertile topsoil can be moved by one sandstorm. This danger can be lessened by applying a mulch of some suitable material, usually cotton burs, to the surface of the soil. The mulch should be left on the surface until seedbed preparation begins about Jan. 1 for irrigated soils and April 1 for dryland soils. Besides helping prevent wind erosion, mulching offers other benefits such as better conservation of moisture, less surface compaction and less water runoff and erosion. When a mulch is fertilized at a rate of 20 pounds of nitrogen per ton of mulch, it has the same effect on the soil as the growing of a soil improving crop such as grain sorghum or small grain. Why not reap some of the side benefits while helping prevent wind erosion during the critical season just around the corner by applying a mulch to your land. The personnel at the Soil Conservation Service will be glad to tell you of all the benefits to be had by mulching.

## MOTEL FOR HORSES

Marshfield, Mo. - With so many tourist taking horses as they travel, Wayne Biggs decided to build a motel for horses. He said he has had as many as 20 horses a night. Biggs charges \$5 a night if owner provides food and care and \$7 if he provides food and care.

## NICKEL FOR DEFENSE

The Commerce Department has required nickel producers to reserve 25 per cent of their average monthly shipments for defense orders during November.

## TO MAP ANTARCTICA

The Interior Department has announced that two teams from the United States Geological Survey are going to Antarctica to continue mapping work and measuring ice strain. The team will remain in Antarctica until about February.

## CENTER NEWS by Mrs. J. E. Green

CENTER, Nov. 13 - Such nice weather for November - regular "cotton pickin'" weather. It was good to be in Calvary Baptist Church again Sunday after attending church elsewhere for the three previous Lord's Days while off visiting. Yes, we reached home late Friday evening - brought home by our daughter and three youngest - the Ryman of Hubbard.

We enjoyed visiting the Clyde Greens also, who met us at the Union Station in Kansas City. The drive home by the winding roads of the picturesque Missouri Ozarks and breakfast in a roadside cafe, the sunrise, all were a pleasant experience, as well as the week spent in the delightful country home near Bolivar and services at the country church. (Reminded us of bygone days at Center Church).

Then we boarded the bus from Springfield for Hillsboro, via Dallas; attended church at First Baptist, Hillsboro. After services all drove to Hubbard for dinner at the Dr. Ryman home. That afternoon and night we enjoyed a 5 inch rain. How green everything was! All would have been perfect, but hubby caught a cold, and is still a bit indisposed. We had a good time everywhere we went.

Vic Green and family of Plainview visited his parents, the J. E. Greens, and sister and children and had supper with them Saturday evening. Margaret and children left for home Sunday morning.

All the J. D. Welborns, except Donna and Clarmon Booth, who are in Germany, met at the home of Mr. and Mrs. Roger Gooch Saturday evening to celebrate the birthday of Mr. James David Welborn of Plainview.

Weekend guests of Mrs. Frank Dunn were Frank's nephew and family, Mr. and Mrs. Elmer Goodman and son Don of Alva, Okla., accompanied by Miss Donna James of Buffalo, Okla. Also all the Dunn children and families were at the parental home for dinner Sunday.

In the afternoon after the children and others left, came Mr. and Mrs. Floyd Montgomery of Plainview.

Mrs. Dunn spent Wednesday and Thursday nights with Mrs. J. A. Hartzell.

Mrs. Ava Jackson is home again after a few days in a Lubbock hospital. The Howard Stringers of Amarillo and Mr. and Mrs. Leo Frizzell visited Mrs. Jackson Sunday.

Sunday dinner guests of Mr. and Mrs. R. C. Ross were Mr. and Mrs. Homer Guffee, city.

Mr. and Mrs. Walter Sims reached home last Monday after a several days' visit in Alvin with their daughter and family, Mr. and Mrs. Charles Horton and Bruce and Mr. and Mrs. Phil Horton.

Mr. and Mrs. Sinclair of Plainview visited Sunday afternoon with Mr. and Mrs. Sims. Mrs. Sinclair is Mrs. Sims' niece.

Mr. and Mrs. C. W. Denison were in Lubbock Wednesday evening of the Baptist General Convention of Texas.

J. A. Kincheloe, who has been in the Crosbyton Hospital some two weeks came home this Monday morning.

Mrs. Green called at Mrs. Alvie Jackson's Saturday, and Monday morning the Greens visited briefly with Mr. and Mrs. R. H. Ashton.

Vic Green, Plainview dined this Monday morning with his parents, the J. E. Greens.

The Hal Thomases are in a Lubbock hospital today where Sue is having a tonsillectomy.

Mr. and Mrs. Burl Huckabee, Mrs. Ola Warren and Mrs. Fred Battey made a trip to Stephenville last week to visit relatives.

The Thomas Warrens were in Abilene a recent weekend attending Parents Day at Hardin Simmons University where Elaine is attending school. They dined Sunday with the Ausie Watsons, formerly of this area. The Warrens attended a Sunday School party Friday night.

Memphis, Tenn. - Jimmy Rye worked out a way to start his car and let it warm up before he leaves his house. Rye, a serviceman for a laundry, hooked photo-electric cells up to the ignition and starter. The engine starts when a beam of light is flashed from the house.

BLACK-EYES & ALLERGY  
Washington - Dr. Meyer B. Marks of Miami Beach, Florida, said chronic, dark circles beneath the eyes of children are prime visual tipoffs that the child may be suffering from some allergy affecting the respiratory tract. The doctor listed other signs in his report to the American Academy of Pediatrics.

AIR AND OCEAN TRAVEL  
London - Unable to compete with faster and cheaper air travel, Cunard Steamship Company has announced it was retiring and selling three more big liners - the Caronia, Carinthia and the Sylvania.

## FLOYD PHILOSOPHER To Start A Public Opinion Poll To Off-Set High Cost Of Living

note: The Floyd Philosopher on his grass farm offers us a business proposal this week which we'll have to decline.

don't you and me go into the public poll business?

this idea last night while I was looking copy of the Lubbock Avalanche-Journal and left there un-torn, didn't like it, I guess, although I don't know ought to see some of the bones he

rate, over on an inside page there was of the latest Gallup Poll. After surprise clear across the nation, the poll showed that the "most urgent problem" average man and his family today is "cost of living overshadows all other of the American people today."

is the reason you and me ought to have our public opinion poll? I would have covered the same results - but in a single person or using even a 5-

LINDA WILLIAMS  
(Bride Elect)

## Engagement Of Miss Williams, Michael Hinsley Announced

Mr. and Mrs. Edmond A. Williams of Floydada announce the engagement of their daughter, Linda Lee, to Michael Hinsley, son of Mr. and Mrs. Lonnie Hinsley also of Floydada.

The couple are planning a June 8th wedding in the First Methodist Church in Floydada.

Both Miss Williams and her fiancé are graduates of Floydada High School and both are freshmen students at Texas Tech.

### NOTICE

The Girl Scout Fund Drive in Floydada is complete with near goal accomplishment. Anyone wishing to assist in making the goal may contact Ray Reed.

## LCC Assoc. Bake Sale

The LCC Association Floydada Chapter is having a bake sale Saturday, November 18 from 9:30 a.m. until 6 p.m. in Thrifty and Piggly Wiggly Grocery Stores.

All items including breads, cakes, pies, cookies, and doughnuts will be homemade. Members of the chapter say, "don't slave for Thanksgiving" buy your desserts at the bake sale.

## 85th Birthday Observed By Mrs. Martin

Mrs. Pearl Martin, mother of Mrs. Raymond Irby of Floydada, was honored in the Irby home Sunday in observance of her 85th birthday. It was also the birthdate of Mrs. Martin's granddaughter and the Irby's daughter, Mrs. Ray Nell Bearden. The celebration is an annual affair.

Mrs. Martin resides at 1312 Xenia St., in Plainview. She is a former long time resident of Flomot and at one time lived in Floydada. She has seven children, four of whom were present for the event. Two living in California called her to wish best greetings and the other resides in Alaska.

The four children present included Mrs. Irby and husband, Floydada; Barney Martin and wife of Plainview; Mrs. B. W. Gunn and husband of Levelland and Bruce Martin and wife of Matador.

Others in attendance were Mr. and Mrs. R. G. Gunn, Judy and Patsy of Levelland; Mr. and Mrs. John Turner of Silverton; Mr. and Mrs. Larry Irby of Dimmitt; Mr. and Mrs. W. A. Merrell of Quitaque; Mr. and Mrs. Donald Martin and family, Matador; Mr. and Mrs. Connie Bearden, Shelley, Stacey and Shane and Mrs. H. B. Johnson of Floydada.

December 9. They are Debbie Ferguson, Jay Womack, Joe Womack, Marketa Sisson and Becky Copeland.

Teresa Colston and Brenda Willis were appointed to buy gifts from the Club. It was voted to have the Christmas party on December 15, 1967 at 7:00 p.m. in the bank community room.

President Billy Finley then turned the meeting over to recreation chairman, George Finley who, assisted by Tom Lovell, directed a program of games. Refreshments were served by Teresa Colston, Billy Finley and Tom Lovell.

## Candy Strippers Will Meet Sat.

Girl Scout Candy Strippers will hold their regular meeting Saturday morning, November 18 at 8:30 in the hospital basement classroom. Each member is reminded to bring a notebook and a chair for seating purposes.

A troop election will be held at the time and Mrs. Jack Jordan will give a written test over the previous lessons. Girls learned the technique of taking temperatures and pulse counts at the past meeting.

Also at this meeting Mrs. Jordan will show an educational film and discuss maternity care, childbirth and care of the infant.

## Lockney Woman Wins State Award In Talent Contest

LOCKNEY — Mrs. C. Joe Taylor, young Lockney homemaker, won the Texas Farm Bureau Talent Find Contest Sunday night at the state convention in Austin and now is eligible to represent Texas in the national contest slated later in Chicago. Mrs. Taylor received top honors for a patriotic reading.

Earlier this year Mrs. Taylor won the Floyd County contest and went on to take honors at the district meet.

The former Virginia Taylor, daughter of Mr. and Mrs. J. P. Taylor of South Plains, is a graduate of Floydada High School. She and her husband have resided in Lockney since their marriage. They have two children, Greg and Rice.

Mrs. Taylor is active in Lockney clubs and now is serving her second term as president of Lockney Young Homemakers, is vice president of Caprock District TFWC, is a member of Athena Junior Study Club and LaVentana Study Club. She serves as second vice president of Lockney PTA and is active in work of the First Methodist Church.

### FLOYDADA 4-H NEWS

## Club Workshop Well Attended

A good representation was had at the Study Club workshop held at Lighthouse Electric last Thursday, which was conducted by officers of the Caprock District.

Mrs. Clem McDonald voiced prayer followed by Mrs. R. L. Nichols, Inter-Club Council president giving the welcome and introducing club presidents.

Mrs. Lane Decker introduced out of town visitors and the program.

The blessing at the noon hour was given by Mrs. Allen Bingham and closing prayer following the afternoon session was by Mrs. Ben Whitaker.

The hospitality committee, headed by Mrs. Ronald Evans, was in charge of refreshments and presided over the luncheon.

Clubs and their members represented included Mmes. R. L. Nichols, W. O. Tye, Wilson Kimble, Bessie Henry, Pearl Fagan and Mrs. Ben Whitaker, 1922 Club;

Mmes. Clement McDonald, C. W. Denison, Cleo Goins, Jessie McBrien, S. W. Ross, and Mrs. Kinder Farris, 1929 Club;

Mmes. J. P. Moss, Allen Bingham, John Stapleton, 1934 Study Club;

Mmes. Tom Moore, Lawrence Wedel, Lane Decker, Jimmy Seay, Jeff Glazner, Bob Copeland, Claude Weathersbee and Mrs. Sammy Hale, 1950 Club;

Mmes. Bernie Parkey, A.C. Pratt and Mrs. Ronald Evans, 1956 Club;

Mmes. Phillip Wilson, Mike Carver, Lee Mathis, Jackie Myrick and Mrs. Dean Morris, 1962 Jr. Study Club.

Officers conducting the workshop were Mrs. Louis Cummings, Plainview, Caprock District president; Mrs. Lane Decker, 1st vice-president; Mrs. LeRoy Johnson, Morton, 2nd vice president; Mrs. Joe Taylor, Lockney, 3rd vice-president; and Mrs. Clyde Brownlow, Amherst, Junior Director.

## Floyd County Cancer Unit Has Meeting

The Floyd County unit of the American Cancer Society board members met Monday in the First National Bank Building in Floydada, for their regular meeting. Dale Byerly, district representative of Lubbock, met with the group and distributed material.

The Floyd County Cancer Society would appreciate any legacies, gifts, or memorials any time of the year. Notify Mrs. Alma Holmes, Floydada, or Mrs. Barry Barker of Lockney. They will receive these gifts for the Society.

The plan for memorial giving is simple and dignified. An engraved memorial card is sent to the family of the deceased, bearing the name of the person honored and the name or names of the donor. The amount of the gift is not indicated. The donor receives an official receipt, deductible for tax purposes, with the amount given.

The board made plans for their annual Cancer Crusade in April, 1968.

## Homebuilders Club Meets

Homebuilders Home Demonstration Club met Tuesday with Mrs. O. G. Mayfield. Members answered roll call with something I have to be thankful for.

During business plans were made for the club's annual Thanksgiving dinner and 42 party to be held Monday, November 20 and the Christmas party planned for the second Tuesday in December.

Refreshments were served to Mmes. Raymond Williams, John Walker, W.H. Roberts, Raymond Evans, Floyd Fuqua, Ernie Widener, Ernest Kendrick, a new member, Mrs. Robert Copelin and the hostess, Mrs. Mayfield.

**FLOYD DATA**  
Doyle Jackson, office manager at Reed Ford Sales, is in Plainview Medical Center, under treatment for reaction to shots. He was admitted to the hospital Monday and is planning on being released today.

NATO occupies new headquarters in Brussels.

DISTRICT OFFICERS AT WORKSHOP — The above officers of Caprock District of Texas Federation of Women's Clubs, presided over the workshop held in Floydada last Thursday. They are left to right, back row, Mrs. A. C. Pratt, Floydada, District Junior Education Dept. chairman; Mrs. Joe Taylor, Lockney, District 3rd vice-president; Mrs. Clyde

FLOYDADA STUDY CLUB PRESIDENTS — at workshop last Thursday included back row, left to right, Mrs. Dean Morris, 1962 Junior Club; Mrs. Bernie Parkey, 1956 Club; Mrs. Jimmy Seay, 1950 Club; Mrs. Allen Bingham, 1934 Club. Front row, left to right, Mrs. R. L. Nichols, 1929 Club; Mrs. Kinder Farris, Inter-Club Council president; and Mrs. W. O. Tye, 1922 Club. (Staff Photo)

## Glow For The Holidays

Ever wanted to glow in the dark? This could be the year you succeed in doing it. Just slip into one of the season's colorful new at-home outfits, sit back, and radiate.

Makes no difference whether you're the dashing hostess type or a little more on the conservative side, the lively prints and vibrant colorings of holiday loungewear banish any thoughts of dull evenings at home.

Typical of the opulent look are hostess pajamas of lustrous cotton satin printed in a jewel-toned mosaic tile pattern. Shimmering shades of orange, blue, magenta, and green throw off enough color to light up the darkest night.

Flowing ankle-length culottes are another favorite look for holidays at home. They're at their elegant best in hand-screened cotton prints as colorful as the Arabian nights.

Even quiet evenings at

# HAVE A COTTON CHRISTMAS

home promise to be more colorful than ever. Quilted cotton lounging robes make for cheerful fireside living in bright, clean, youthful styling.

VERNON PARKER... local photographer, receives president's plaque from D. W. Broder, incoming president of South Plains Professional Photographer's Association, Parker, president the past year, will turn duties over to Brower this month. The presentation was made last Thursday night in Lubbock. With Parker and Brower is Mrs. Parker, who was presented an orchid corsage by the Association.

## Ted Bell Paintings Make Hit At Lubbock

The first day gallery showing of Ted Bell's paintings in the YWCA in Lubbock were well received with 100 visitors and 11 paintings sold.

The paintings may be viewed from 8:30 to 5 p.m. on week days until November 29th.

Avalanche-Journal writer Jack Sheridan had this to say about the Bell display:

"I took time off in the trek this week to take a belated look at the paintings of Ted Bell of Floydada which are on view currently at the YWCA, 1641 Broadway. If you haven't seen these small but very interesting pieces of work, I recommend you do so. Ted specializes in scenes on the Caprock and the country in and around Floydada and he captures a good deal of the flavor of the South Plains world in his simple but few water colors. If you are interested in regional art, you'll find much to enjoy looking over Ted Bell's output."

The artist is a native of Briscoe County and is employed as a star route carrier with the post office in Floydada. He attended the University of New Mexico, Mexico City College, and Texas Tech, graduating from Tech in 1949 with a BA degree in business administration.

Bell began dabbling with watercolors as a hobby quite by accident about 15 years ago. After graduating from Tech, he was working in Lubbock, and his roommate, a Tech student, moved out of the room, leaving all his art supplies behind. Bell became interested in watercoloring, and he bought a book, "Ways with Watercolor" by Ted Kautzky, and studied his style. He had never had any formal art lessons until he studied in a watercolor workshop with Dr. Emil Cabellero in Plainview last winter.

**USE PLAINS AREA SCENES**

Occasionally he sketches scenes on the spot, but most of his painting is done from his collection of hundreds of snapshots that he has taken of scenes all over Texas and New Mexico.

He specializes in scenes of the Plains and Caprock area, but also has a good collection of paintings of South and Central Texas and the New Mexico area around Santa Fe. The exhibit will feature paintings of the railroad depot in Devine, Texas, southwest of San Antonio, and an old hotel in Charlotte, also in the same area. Scenes in New Mexico include an old church in

Glorieta and the railroad depot in Rowe, near Glorieta.

Bell was first place winner in the 30th District Citation Art Exhibition, sponsored by the Democratic Women of Texas, both in 1965 and 1966, winning Second Citation on the state level in 1965 and honorable mention in 1966. His painting, "Ranch on Lingo Canyon," won favorite watercolor in the 15th Annual Membership Show of the Lubbock Art Association in 1966. Three of his paintings have been represented in South Plains Circuit Shows sponsored by the Lubbock Art Association. He won honorable mention in the Llano Estacado Art Exhibition in Hobbs, in 1966. He was winner of a Citation Award and Commendation ribbon in the 1966 Lockney Art for Heart Show.

### FFA NEWS

(By Mike Smith)

The AG IV boys are working on chapter pens. We are putting sheet iron on the barns now and foundations for the pens have been laid. We hope to have the water line installed in the near future. The pens should be completed in time for use this year.

Ag boys, I, II, III and IV are working on the chapter conducting team this week. There will be tryouts for the officer position. Boys who know their parts best will represent Floydada FFA at a contest in Olton November 21. There will also be a radio team going. Those to attend will be known Nov. 15. Many of the Ag boys are now getting their livestock and crop

### LIVELY SLEEPWEAR

Christmas pajamas may be replacing the tie as the favorite gift item for dear old Dad and the bright-eyed young executive.

Major pattern companies report that more home sewing of men's sleepwear is done at Christmas than any other time of the year.

This season proves to be the one that's merriest from the standpoint of men's fashions and sleepwear's no exception. Bold designs and lively colors are replacing the once-typical dull colors and staid prints.

projects in order. All Ag members must have their projects by the end of November.

## Floydada Mayor Proclaims Today Ralph Wayne Day

**RALPH WAYNE DAY PROCLAMATION**  
WHEREAS, RALPH WAYNE is completing his second term as State Representative of the 79th Legislative District of Texas; and during the tenure of his office, RALPH WAYNE has dedicated his time, energy and legislative talents to the needs, conditions, and problems of our area.

WHEREAS, the citizens of the 79th Legislative District, comprising Floyd, Hale and Swisher Counties, will honor RALPH WAYNE and commemorate his service to this area, by holding a RALPH WAYNE APPRECIATION DINNER in Plainview at the Agriculture Center on November 16, 1967, beginning at 7:30 P.M.

WHEREAS, this City, acting by and through its City Council and Mayor, desires to extend its best wishes to RALPH WAYNE and the appreciation dinner honoring him, and as an affirmative endorsement of the same, does hereby declare that in this City on November 16, 1967, such day shall officially be designated and shall henceforth be known as "RALPH WAYNE DAY".

WITNESS MY HAND AND OFFICIAL SEAL OF OFFICE, this 14th day of November, 1967, A.D.

/s/ Leonard Matsler  
MAYOR  
City of Floydada, Texas

**GIRL SCOUTS SELL POPPIES** - The two Girl Scout Troops above, Junior Troop 65 and Cadet Troop 83 sold poppies last Saturday on Veteran's Day as a community service project. As a surprise award from the Floydada VFW, the local Girl Scout organization received a tent, seen in background, and a chuck box filled

with cooking utensils. With the Scouts are Mrs. Andrew McCulley, leader of Troop 65; Miss Jo Muncy, leader of Troop 83; Mrs. Kinder Farris, Neighborhood chairman; Tex Stutts, VFW Poppy Day chairman; Jim Willson, VFW member and Eldon Howard, VFW commander. (Staff Photo)

**AMBITION DRIVEN PRINCE** of Egypt becomes a ruthless Pharaoh, portrayed by Yul Brynner in Cecil B. DeMille's Technicolor production of "The Ten Commandments," a Paramount Picture opening Nov. 19 at the CAPADA Theatre in a "command performance" return engagement. The historic epic is considered the greatest motion picture achievement of our time.

### Dollar Goes Further For Local Workers

(Special to the Hesperian)  
NEW YORK, Oct. 28 - How much better off is the average Floyd County worker today than he was 8 1/2 years ago, when the business boom began. Such stock-taking is appropriate at this time since the boom is still alive, technically. The economy is continuing to expand, although at a much slower pace than before. Next month, according to the economists, it will be 80 months old, equalling in duration the record boom of the early 1940's. The "before and after" pic-

tures of the average wage earner in the local area give an idea of the gains that have been made in the period. They show that his income has increased much faster than his expenses, despite the rapid rise in the cost of living.

The changes that have taken place are noted in studies made by the National Industrial Conference Board, the Department of Labor and others. The figures show that, in Floyd County, per capita income went up no less than 18.1 percent during the 80 months.

Partially offsetting the gain was the rise in the cost of living, which was between 10 and 11 percent.

The net result is that the average local worker is now able to buy more in the way of goods and services, after a day on the job, than he could formerly. With 25 minutes of his time he earns enough, for example, to purchase a pound of American cheddar cheese. With 89 minutes he can buy a double-size percale sheet and, with 114 minutes, a woman's nylon tricot slip.

These items, and most others, would have cost much more, in terms of work time, in 1961.

A special study by the Tax Foundation shows just how much time the average American worker puts in, during an 8-hour day, to cover his various living costs.

To meet his tax bills, he has to work 2 hours and 25 minutes, almost as long as for food and shelter combined. Housing takes 1 hour and 26 minutes, food and tobacco, 1 hour and 14 minutes and transportation, 40 minutes.

The remaining 2 hours and 15 minutes are for clothing, recreation, medical costs and all other items.

### VFW Gives Girl Scouts Camping Equipment

The following message of thanks was directed to Floydada Girl Scouts Saturday on behalf of Poppy Day by Eldon Howard, Commander of the VFW: "Girl Scouts of America, Floydada Troop Floydada, Texas

It is with grateful and warm feeling that J. W. Harrison Post #5616, Floydada, Texas, presents to the Girl Scouts of Floydada, Texas, this camping tent, camp box and accessories, as a small token for the wonderful work you are doing in your organization for the City of Floydada and especially for aiding us in selling the V.F.W. 'Buddy Poppies' on this November 11th.

We hope you enjoy your camping equipment very much and "KEEP UP THE GOOD WORK."

Very truly yours,  
/s/ Eldon B. Howard  
Eldon B. Howard,  
COMMANDER

Birth-control group formed to aid other nations.

### SOCIAL SECURITY NEWS

By Mancel King  
Social Security Representative

Q. I had surgery and have received a doctor bill of over \$300. I can't pay this amount but have full medicare protection. What should I do?

A. Medical insurance benefits may be paid to the doctor if he accepts assignment or to the patient if he has paid the doctor. If you are unable to pay the doctor you should discuss the matter with him. The methods of payments are discussed on pages 16 and 17 of your medicare handbook.

If you cannot resolve the problem our representative will be in the county courtroom of the courthouse in Floydada Wednesday morning and will do anything he can to help.

### URGES HEALTH JOBS

President Johnson has announced a plan called Project Remedy to encourage discharged military medics to remain in the health field in civilian life. Each year about 60,000 men and women trained in the medical field are discharged from military service.

quarter of a million customers will be receiving the forty-eight page book this week. These are being mailed from the home office in Jacksonville, Texas. Additional copies are available free in the local Beall stores.

"Our customers are demanding quality fashions and our merchandising program is planned to emphasize the many fine nationally advertised brands we now carry. The catalog has a diversified display of fashion items with many pages in full color. There are exciting gift ideas for every member of the family, for all ages," concluded Mr. Beall.

### Retiring Principal At Lockney In Who's Who In Texas Today

Lockney High School principal, Forrest M. Smith, who is planning retirement in the near future after 40 years in the teaching profession, has been notified that his biography will be featured along with an estimated 15,000 prominent Texans in the publication Who's Who in Texas Today, which will be released in December.

Smith, who is 63, is unaware who submitted his name for the honor. This summer the principal received a letter stating he had been recommended and asked that he complete an enclosed form.

His definite retirement plans have not been made but he and his wife have plans to spend a great deal of time with their grandchildren.

They have three children, Mrs. Bill Whitlock of Lockney, Don Smith of Plainview, and Buck Smith, a student at Hardin-Simmons University in Abilene.

Smith points with pride to three organizations which have been formed since he came to Lockney. A National Honor Society began in 1949, the Student Council was organized in 1955 followed closely with the Forrest M. Smith Chapter of Future Teachers of America. During Smith's reign as president of Floyd County TSTA, the group began holding regular meetings twice yearly.

Last week the Student Council showed its progress by placing a \$450 activity sign in front of the high school building. "The overall school program is greatly improved by these groups," reports the principal.

### Early Schooling

Public school at Josephine in Collin County have a special spot in the educator's heart. He started his schooling there and his first administrative job was in the same place. For 10 years, Smith was a student at Josephine and then he chose to forget his senior year and attend Draughon's Business College.

Dream of a "real" college came true next and after his first year, he was employed to teach school at Princeton, also in Collin County. Teachers were scarce and at the time a temporary teaching certificate could be earned after only one year of college.

Classroom teaching only lasted one year. Smith was promoted to administrative duties in the rural schools in Collin County. The last four years while he lived there, he was superintendent of schools at Josephine.

Year of 1946 brought the family to West Texas. First it was Crosbyton as principal, followed with one year in the same position in New Deal, Fall of 1948 the family transferred to Lockney and Smith's picture hung in the LHS halls for the first time with the senior class of 1948-49.

Each summer, Smith reverts to classroom teaching for the summer school where his subjects are civics and history.

Smith received his Bachelor degree from NTSU in 1931 and exactly 20 years later, he earned his Masters degree from West Texas State University in Canyon. He is a member of TSTA, National Association of Secondary School Principals, and former member of NEA. He is active in First Baptist Church, member of Masonic Lodge and Past Patron of Eastern Star.

### SOCIAL SECURITY NEWS

By Mencie King  
Social Security Representative

Q. I was hurt a while back in an auto accident. What are the requirements for disability benefits?

A. You must have a physical or mental impairment that is expected to keep you from doing any substantial work for at least a year. Also, you must have worked under social security at least five years of the ten year period before you became disabled. If these requirements are met, your benefit would begin with the seventh month after the beginning of your disability.

You may see your social security representative Wednesday morning in the courtroom of the courthouse in Floydada. He will be glad to help you.

### Water Depletion Tax Claims Approved

Recent information for the Internal Revenue Service, Dallas, Texas revealed they had processed 6,218 amended water depletion tax claims for the years 1962, 1963 and 1964.

A total of \$1,400,000 was refunded from these claims.

The 1965 and 1966 water depletion claims were handled in a routine fashion, similar to the depreciation schedule allowed for tractors and other farm machinery.

Revenue officials estimated that there were between 5,000 and 5,500 individual claims made for the years 1965 and 1966, which resulted in refunds of \$1,000,000 to \$1,200,000 per year to farmers filing these claims.

### Mahon Predicts Six Billion Dollar Fund Cut

Representative George Mahon predicted today that Congress at this session will reduce the President's request for funds in excess of six billion dollars.

Mahon reported that the present Congress has devoted a great majority of its time to the battle of the budget. In his capacity as Chairman of the House Appropriations Committee, Mahon has been in the thick of the spending battle since the President submitted his budget in January.

He pointed out that during the past two years Congress has approved many new and expensive programs - too many according to Mahon. He thinks the present Congress deserves credit rather than criticism for its decision not to embark on extensive additional ventures in government programs. A number of programs have been renewed and some have been expanded, but on the whole Mahon feels this Congress can be characterized as an appropriations Congress.

Appropriations approved by the Congress this fiscal year will be less than were provided last fiscal year. This is good, Mahon indicated, but he cautioned that spending will be higher than last year. This results from the current expenditure of large carryover funds for the war in Vietnam.

In regard to a possible adjournment date, Mahon said that while the end is apparently in sight on money bills, the final adjournment date is still unpredictable.

### Fire Dept. On Alert For Gin Grass Fires

Ginning season is here, along with dry weather, which means the Floydada Fire Department is on "stand-by" alert as always, in case of a cotton or grass fire. However at this writing no gin fires have resulted here. Three runs were made by the department last week for grass fires.

It is understood the Lockney Fire Department had its hands full at Sterley Gin Monday when a bale of cotton caught fire. Before it was under control 18 cotton trailers and 54 bales of cotton were lost in the blaze. Fire officials here said they extinguished two grass fires Friday, one near the Capada

Drive-In Theatre and the other on West Crockett Street. Saturday night they were called to northeast of South Plains to put out a fire in a combine motor.

The fire at the Sterley Gin lot occurred shortly after the noon hour Monday. Kent Watson, manager, said the fire was apparently brought in on one of the cotton trailers and spread while most of the employees were out for lunch. The fire was fought for more than two hours before being brought under control, but cotton was still blazing at near midnight Monday.

Watson estimated that there were 250 bales of cotton on the

lot when the fire started but they were able to remove some of the blazing trailers before they were consumed by the fire.

The bales of cotton were estimated as being worth \$100 each but Watson could not estimate the worth of each trailer.

**SCRIPTURE LESSON**  
"Soul and Body" is the subject of Sunday's Lesson Sermon in all Christian Science churches.

"Incline your ear, and come unto me; hear, and your soul shall live; and I will make an everlasting covenant with you, even the sure mercies of David." This verse from Isaiah is included in the Responsive Reading.

**FLOYD DATA**  
Mrs. Olye Jordan was admitted a week ago Tuesday in Methodist Hospital in Houston for eye treatment. She is reported to be doing nicely and may be able to return home one day this week.

**Twenty-Five Years Ago**  
(Nov. 19, 1942 in Floyd County) Floydada High School football squad, district champions of 1941 and riding anxiously toward a similar title for 1942, has another tough game this week. Their game with the Crosbyton Chiefs will be played here Friday night on Wester Field. The Chiefs are a tough entry in conference.

People here are preparing for rationing of coffee. Retailer sales of coffee will be frozen in all states in the US during the period Nov. 21 to Nov. 29.

Tucker Teutsch connected with the bank in Floydada since April, 1937 as teller and assistant cashier, left Tuesday for Dumas where he will have a similar association with the First State Bank.

Glad Lynn Norman was honored on his sixth birthday with a party Nov. 10th.

## The Drum Beat

BY THE BAND BOOSTER REPORTER

After many successful half-time shows, our Whirlwind Band completed the marching season last Friday evening at Dimmitt. The Band Boosters are proud of you!

At contest in Plainview, our twirlers won a first division and each girl won a medal. You girls have done a very good job this season.

In talking with the band director last week about band officers he remarked that "this is among the better group of officers we've had, they are doing their job without repercussions from their fellow students. The band officers have 'dug-in' and are helping form a functioning band." I'm glad to learn that we have good officers in our Band as it certainly helps in making our band a strong organization.

The Stage Band has started and is a "blowing bunch of kids." There are sixteen players that are having a good time. They are learning better jazz, music and rhythm. A new trapp set has been added and the Stage Band is very excited about this new addition to their instruments.

Before too long I hope there will be a public performance by this fine band.

Congratulations to the band for an excellent marching season and we will look forward to your marching next year.

### M. T. Isom Elected To American Angus Association

M. T. Isom, Aiken, Texas, has been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

There were 451 memberships issued to breeders of registered Aberdeen-Angus in the United States during the past month.

### Cates Funeral Held In Lockney

Funeral rites for William Pittman Cates, 80 year old Lockney resident, were conducted Monday morning in Carter Funeral Home Chapel. Cates died early Saturday morning in Dallas where he had made his home the past several

### DOUGHERTY NEWS by Mrs. Ross

DOUGHERTY, Nov. 13 - The Dougherty School ball teams are scheduled to play their initial games of the current school year tonight when the teams from Patton Springs come to Dougherty.

There were fifteen votes cast in the election Saturday. This is the second smallest count at the Dougherty box in the past twenty years. Once only nine votes were cast.

Mr. and Mrs. G. W. James of Roaring Springs are now residents of Dougherty. Mrs. James is lunchroom supervisor and Mr. James is school custodian.

Saturday Mr. and Mrs. James were business visitors to Lubbock. In the evening they visited in the home of Mr. and Mrs. Bill Phillips in Floydada. Mrs. Phillips is their daughter.

Mr. and Mrs. Brooks Bradley of Dallas were house guests of Mr. and Mrs. Ned Bradley last week. They will visit relatives in Lubbock before returning home.

Robert, son of Mr. and Mrs. Bob Covington, spent the weekend with his brother Frank, at Jarret Hall, West Texas University.

Mrs. W. J. Ross attended a luncheon at the home of her sister, Mrs. Ada Powell, Ralls, Monday, Nov. 13. Several relatives from the vicinity of Ralls were guests, and special guests

months. He had been a resident of Lockney since 1940 prior to his recent move.

Cates was a retired farmer and carpenter and a member of the Odd Fellow Lodge at Lockney.

Survivors include his wife; two daughters; one son; three grandchildren and three great grandchildren.

Galbraith says business can't solve urban crisis.

Junior at Floydada High School, Gale and Darlene Kaufman of San Antonio visited in the home of their aunt, Mrs. Bob Ross, Wednesday night. They were in the vicinity to attend the funeral of their great grandfather, D. O. Blasingame.

Saturday afternoon Ricky, Jimmy and Marty Covington and Hope, Holly and Haney Robertson visited with Tommy and Mitchell Ross. This was in honor of Mitchell's second birthday.

Mr. and Mrs. Jim Morrison visited in the home of their son, Bill and family, at Midland over the weekend.

David and Gregg Ring of Lubbock were weekend guests in the home of their grandparents, Mr. and Mrs. Claude Ring.

# Freshmen Beat Dimmitt 12-0

## City And Olton Play Friday

Mustangs get Friday night in Denver... against the mighty Denver City Mustangs. Game time is 7:30 p.m. Olton is undefeated this season.

## First, Dimmitt And This Tie For Second

which went into Friday game with the District championship safely completed its regular season undefeated. The... second place... on the final night... and Memphis... honor.

### Area Class AA Standings

Team	W	L	T	Pts.	Opp.
Olton	10	0	0	200	0
Dimmitt	9	0	0	177	85
Memphis	8	0	0	167	90
Floydada	7	0	0	167	199
Abernathy	6	0	0	158	166
Hale Center	5	0	0	153	179
Lockney	4	0	0	127	161
Floydada	3	0	0	55	212

Team	W	L	T	Pts.	Opp.
Olton	7	0	0	158	64
Dimmitt	5	0	0	150	75
Memphis	4	0	0	147	85
Floydada	4	0	0	135	159
Abernathy	3	0	0	125	149
Hale Center	2	0	0	63	131
Lockney	2	0	0	85	122
Floydada	0	7	0	28	188

Last week's results -- Olton 56, Abernathy 32, Dimmitt 30, Floydada 7, Memphis 11, Friona 0, Hale Center 3, Lockney 4.

Friday's schedule -- Olton at Denver City in bi-district.

## Dimmitt Previously Undefeated

Coach Robert Millikin's Freshmen took the Dimmitt team from the undefeated ranks Thursday afternoon with a 12-0 win. It was the last game of the season and the locals came out with a 5-2 record.

The first touchdown came in the first quarter with a sustained 95 yard drive. Steve Puckett made the first six points. Try for extra point failed.

The game see-sawed back and forth until only three seconds remained in the game. The final TD came on a quarterback sneak by Andy Hale.

A big following of fans accompanied the team to Dimmitt.

## Dimmitt Bobcats Beat Whirlwinds

The Dimmitt High Bobcats whipped the Floydada Whirlwinds 30-7 in Dimmitt Friday night to wrap up second place in district 3-AA. Dimmitt finished the season behind undefeated Olton with a 6-3-1 record leaving the Whirlwinds with one win against nine losses.

### WESTER SCORES

Floydada drew first action when they scored on a 45 yard pass from Jackie Gregory to end Todd Wester. The series of downs started at the Floydada 35 yard line. Gregory gave to Joe Christian for 1 yard. Jackie went to Christian who punched right side for ten yards to the 46.

With a first and ten at their own 46, Gregory gave the most deceptive fake of the year giving Wester enough time to break through the Dimmitt secondary. Wester took the pass and ramblod untouched into the end-zone. Miller kicked the extra. \*Winds led 7-0.

### LEAD SHORT LIVED

Dimmitt came back with a quick 7 points. Quarterback John Hays moved the Dimmitt club with complete control. Hays gave to junior back Jim Coleman for 2 yards. Hays then called on David Land who gained 3 to the Dimmitt 32. Coleman then carried for 3. Bobcats were forced to punt.

On fourth down needing 7 at their own 49, Floydada was forced to punt after gaining only one first down of the series.

Hays gave to Ronnie Hutton who gained 2 to the 24. Hays gave to back Dan Newton for 6 to the 30. Hutton carried for 18 to the 48. Hays tried Hutton who this time was stopped for no gain. On second down needing ten, Newton romped 28 yards on a sweep to the 'Winds 35. Land carried for 3. Newton again ran the sweep, this time to the opposite side for 30 yards to the 3. Hays carried over from the 3. Land's kick was no good. Floydada led 7-6.

### FIELD GOAL

Dimmitt's next score came on a 26 yard field goal by David Land. Dimmitt led 9-7.

Floydada, again plagued by fumbles and pass interceptions failed to move the ball well until the final quarter. Dimmitt's passing attack proved fatal, but why catch your own when you can catch the other team's? Dimmitt's second teedee came late in the first half. The Bobcats had first and goal at the Winds' 3. Hays tried the keeper again this time to the 1. Land barreled over for the score. Hays threw complete to Newton for the extras. First half of play ended with Dimmitt leading 17-7.

### SECOND HALF

On the first play of the second half, Floydada fumbled at their own 38. Coleman took the ball the distance on the next play for six Dimmitt points. Kick was no good. Dimmitt led 23-7. Two intercepted passes and two lost fumbles killed Floydada's drive three times. Early in the fourth quarter came the play of the game. Dimmitt had a first and ten at their own 3. Hays took the ball and dropped back to pass. Hays saw nothing but daylight and when the dust settled he had 77 yards covered. Five plays later, sophomore halfback Roy Thomas carried over for the score. PAT was good. Dimmitt led 30-7.

The quarter ended with Floydada on the move at the Bobcat 5. Time ran out with the final score 30-7.

It has been a long season for the Whirlwind fans. The football team learned a good lesson about the game of life; that being you can't win them all. Next year should be the best season for quite some time. Gregory and Craig should head an all-district list and the team should have experience and balance. Win or lose the old saying just seems to hold true: "R's not whether you win or lose, but how you play the game that counts."

	FLOYDADA	DIMMITT

## NEWS FOR HOMEMAKERS

by Sherry Mullin  
Floyd County H. D. Agent

Pampering your laundry goes a long way towards saving ironing time.

Following are ways to get good results from easy-care fabrics and prevent laundry wrinkles:

Wash in small loads - big loads can compress garments and wrinkle them.

Wash easy-care fabrics often. Don't wait for heavy soil to build up. Fresh soil and stains are easy to remove. The longer the delay in washing the harder it is to get out stains.

Pre-treat greasy soil with cleaning fluid, full strength liquid detergent or detergent paste. Work detergent into fabric and soak 10 to 15 minutes for color fast fabrics.

Use cool or warm water. If necessary to soil removal, you may use hot water for washing, but do not spin out the wash water until it feels cool to the hands. Adjusting controls by hand if necessary saves ironing.

Wash only long enough to remove soil.

Rinse in water that feels cool or cold to the hands (below 98 degrees F.)

Shorten the water extraction time after wash and rinse cycles, if not automatically done by your machine.

When clothes are nearly dry, tumble 10 minutes without heat.

Remove immediately and hang.

Many new models of washers and dryers have durable press or was and wear settings which automatically regulate or "program" short cycles and desirable temperatures for washing, spinning and drying. This makes hand regulation of controls unnecessary.

The week of November 6-10, 1967 has been designated as National Consumer Education Week. The purpose of this column for the month of November will be to inform all people in the county of the consumer's help available through the county extension office. Every family makes consumer decisions daily and the Extension Service provides scientific information

on buying in order that consumers may make wise decisions. There are many bulletins available, some no cost while some may have a small cost. Please call or come by the office when we may be of service to you.

Complaining about high food costs? Is your food bill too high? Food is not expensive in comparison to other goods and services you buy. Most items in the family living budget are fixed. The grocery bill is flexible. Frequently it goes up, not because of added food costs, but because of the non-food items you included in your market basket.

Some reports list as much as 27 percent of the grocery bill as non-food items. Are you adding the non-food items to your grocery bill?

If your food bill is too high, do something about it! Take a look at the garbage pail. It is first-hand proof of the food your family refuses to eat.

First, look at your planned menus, then, at what you buy. Do you spend enough time at the grocery store to compare values? True, this does take time but it may save you money.

Avoid frequent trips to the grocery store. The more often you shop the more you spend for food. Studies show the average consumer spends \$7.74 each time he shops in the supermarket. Keeping a list of items you need will help avoid frequent trips and can eliminate much impulse buying. Impulse buying can wreck the best planned food budget.

Did you know the average American family throws away 2/3 of a pound of food per person per day! Fresh green beans which were never cooked or a large carton of cottage cheese, only half of it used, is waste. This waste increases the total cost of your food bill.

The size of the grocery bill is flexible. The total of the tape when it is your turn at the checkout counter is definitely related to the values your family places on optional and necessary items at the grocery store and how well you use food buying "Know-How."

## November ASCS Newsletter

**COTTON LOANS:** Producers desiring to place their 1967 cotton under CCC-loan will find an approved loan clerk at most gin offices, lending agencies and cotton offices. Loans will also be prepared at the ASCS office.

**1968 COTTON PROGRAM:** We have not yet received our projected yields, but it appears the county yield will be reduced as the production from the short 1968 crop will be reflected in this yield.

Price Support payments will be 12.24¢ per lb. times projected yield times domestic allotment. (Up from 1967)

Mandatory Diversion is 5% of allotment and payment rate will be 10.76¢ per lb. times projected yield.

Additional Diversion is up to 30% of allotment and payment rate will be 8¢ per lb. times projected yield. (Down from 1967)

Small Farm provisions are basically the same as in 1967 except the additional diversion will be at 6¢ per lb. times yield. **1968 FEED GRAIN PROGRAM:** Required Diversion is 20% of the farms feed grain base-No payment. (Same as 1967)

Additional Diversion is up to 30% of the farms feed grain base-Payment 53¢ per bushel times projected yield.

Price Support is on 50% of the farms' Feed Grain base-Payment 29.68¢ per bushel times projected yield. (Same as 1967)

Small farm provisions are still applicable. Farm with 25.0 acre or less can divert the entire base.

Substitutions between Feed-Grain and Wheat is permissible in 1968. If you underplant your wheat allotment and intend to substitute feed grain for wheat acreage not planted, you could lose some or all your feed-grain diversion payments. Please check with this office if you do not understand the substitution provisions as it applies for 1968.

**COTTON REFERENDUM:** A mail referendum will be held Dec. 4th through the 8th to determine if marketing quotas will be in effect on 1968 cotton.

**CROPLAND ADJUSTMENT PROGRAMS:** No new cropland adjustment agreements will be offered for 1968. This will not effect producers who have entered into a 1966 or 1967 agreement.

**HOLIDAYS:** This office will be closed November 23, 1967 in observance of Thanksgiving.

## Christmas Seal Drive Underway

The Floydada Tuberculosis Association has started its annual Christmas Seal Drive and its executive board consists of Clarence Guffee, executive chairman; Mrs. Jack Jordan, secretary; Mrs. Fred Martin, publicity and education; Mrs. Bill Norris, Christmas Seal chairman and Mrs. Andrew McCulley, financial chairman. Follow-up chairman is Mrs. Sammy Hale.

The West Texas Tuberculosis Assn., has the 61st annual Christmas Seal campaign rolling in this area with the mailing of sheets of Christmas Seals to residents.

Most of the money raised in the annual campaign will remain in Texas for TB work in the local area. Only seven cents of each dollar raised goes to the National Association and then most of it is returned to us in the form of educational materials and research benefits.

The income of the West Texas Tuberculosis Association comes entirely from the sale of Christmas Seals and use of the Mobile X-ray unit.

Money raised will be used to support free tuberculin testing in the area schools, the opera-

tion of the Mobile Unit in making chest x-rays and professional help.

This year's seals picture a 10-car Victorian train, loaded with candy canes, reindeer, flatcars of presents and Santa Claus, which will decorate your Christmas Card envelope, and in donating, your contributions will help the people of the area who may fall victim to the illness.

USE CHRISTMAS SEALS  
Fight TB and other respiratory diseases

FLOYD DATA  
Mr. and Mrs. Charlie Warren and family spent the weekend in Dallas visiting their sons, Donnie and wife and Johnny and wife and other relatives and friends.

FLOYD DATA  
Mrs. J. E. Reed of Lockney is spending the week in Floydada with her son and family, Mr. and Mrs. Connie Reed.

## Plainview Man Pays 'Debt' At Last

After 48 years, a Plainview man, Olin Miller, 79, a brother of Mrs. Sude Thomas of Floydada, paid his debt to the Durham, N.C., County school system. Or rather, his horse's debt.

Miller explained in a letter to the Durham school officials that while he was a vocational agriculture teacher in 1918-19 he fed his horse from feed produced on a school farm.

"Because of the fact that I worked on the farm and helped produce the feed, no amount was paid," he explained. "This time was during World War I, and help was hard to find so in addition to my teaching duties I also ran the school farm," he continued.

Check returned  
"I have never been satisfied so I sent my check for \$60, which I ask to be credited to the proper fund," he explained. The Durham County Board of

CLYDE MORGAN  
TREASURER OF  
HONOR SOCIETY

PLAINVIEW - Clyde Morgan of Floydada, a senior at Wayland College was installed as treasurer of the Wayland College chapter of Alpha Chi, national honor society, recently.

The Alpha Chi is open only to junior and senior students whose grade point average is 3.2 or over.

Sixteen students pledged the society in a candlelight ceremony presided over by Dr. Richard Garner, head sponsor.

Thomas  
Promoted

LONG BINH, VIETNAM (AH-TNC) - Charles T. Thomas,

Education voted Monday to return the check, in absence of a horse feed fund.

Miller explained that he needed the horse, named Dick, while he was teaching so he could make required visits to his students.

## Pvt. Bryant In Vietnam With Ground Crew

(X0778) VIETNAM (FHTNC) Oct 31 - Marine Private First Class Charles E. Bryant, son of Mr. and Mrs. Samuel Bryant of Route One, Floydada, is serving with the First Battalion, Seventh Marine Regiment, First Marine Division in the Republic of Vietnam.

Units of the First Marine Division form the ground element of the Marine Corps air-ground team and conduct large-scale search and destroy operations against the enemy in the Republic of Vietnam.

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

26, son of Mr. and Mrs. Marlon Thomas, Matador, Tex., was promoted Oct. 25 to Army Specialist five in Vietnam, where he is assigned as a grader operator in the 62nd Engineer Battalion's Company C near Long Binh.

He said that during the war the enrollment at the Durham school was about 200. There were two dormitories at the school for students who lived too far to travel to and from school each day.

After the 1919 school year Miller came back to Texas where he lived in Clarendon.

He then went to work for the State Department of Public Welfare and moved to Floyd County and then to Plainview. He worked in this position until his retirement nine years ago.

Miller received his certificate from West Texas (now West Texas University) in Canyon received a Montgomery scholarship for being standing rural teacher State of Texas and

George Peabody Co. Nashville, Tenn.

It was the Peabody that secured his job at ham school.

## FLOYD PHILOSOPHER

### Being President Of The U. S. Not All It's Cracked Up To Be

**Editor's note:** The Floyd Philosopher on his Johnson grass farm takes a look at the national political scene this week. We don't know what he sees.

Dear editor:

Although political writers don't seem to have much better luck predicting elections than sports writers predicting football games, neither group ever gives up and right now, according to all the newspapers I've found out here in the past few weeks, the speculation is centering on who's going to run for President next year.

I won't go into all the names, politicians are like honorees at a wedding, if you leave one out of the paper you're in trouble, but one of the men being speculated on by the writers, Gov. Rockefeller of New York, when asked if he was considering running, said he didn't want to be President.

This seemed to shock the political writers, but not me. I know exactly how he feels.

We might as well face up to it, being President of the United States is not all it's cracked up to be. The salary isn't bad, but that basketball player, Wilt Chamberlain, makes over twice as much and has never been picketed.

Sure, the President gets to fly in an airplane, but millions of Americans fly every week and nobody writes editorials about them.

It's one thing to be able to walk out of your office and go to your ranch when you want to, but you're not getting away from your job because if you're a President it follows you wherever you go.

The average man has enough to do handling his job, his health, his family, his in-laws and his neighbors, but a President has all those plus Congress and 200 squabbling nations on earth, not to mention university professors, the Gallup poll, and 200 million American taxpayers.

In fact, when you stack it all up, you begin to have a strong feeling for the position of the man who doesn't want to be President, but this doesn't seem to make any difference and I doubt if the office will ever go vacant. Right now there are men all over the country clamoring for the job, but not being a political writer I won't predict who's going to get it. I don't even have any idea of who's going to win Friday's game between Floydada and Dimmitt.

Yours faithfully,  
J. A.

## SOUTH PLAINS NEWS by Mrs. Murray Julian

**SOUTH PLAINS, Nov. 13** - The big news out this way is the smoke rolling from the cotton gin here, as South Plains farmers begin getting the cotton harvest underway. 150 bales came in this Monday, with many, many more still to come in by nightfall. The turn out is good, and with beautiful, sunny days, everybody is hoping for the best crop in several years. If the weather cooperates, November will see the gin yards full, and all the farmers busy early and late. There are smiles on all faces these days.

Mrs. Charles Conger, and sons, Brent and Bentley, left immediately after school Friday afternoon for Keyes, Oklahoma, accompanying her sister, Mrs. David Cannon, Brad, Bary and Mark, and Mr. Cannon of Halfway to the parents' home of Mrs. Conger and Mrs. Cannon, Mr. and Mrs. Joe Barrick. They were home Sunday night, after helping Mrs. Barrick celebrate her birthday Sunday.

We congratulate Mrs. Virginia Taylor of Lockney who won the Talent Find at Austin, at the State Farm Bureau Convention on the weekend. She won over eleven other contestants with her patriotic speech, "I am an American!" Virginia is the daughter of Mr. and Mrs. Taylor of South Plains, who kept their grandson, Gregg, while Virginia was in Austin for the convention. She will go to Chicago in December for the National Farm Bureau Convention.

Mr. and Mrs. R. H. Adams and Larry moved from our vicinity last week to their new home near Aiken, and their new address is Route M, Lockney. They have been residing the past few years on the Carl Daniel home place.

There have been many sick children and adults in our community the past week. Karl David Reeves was ill Wednesday and Thursday, and Philip Smitherman suffered with influenza several days last week, but was able to be out on Saturday. The Edwin Pruitt children were sick part of last week, also.

Mr. and Mrs. James Norrell of Amarillo spent Sunday here

Raymond and Bob Reeves and L. T. Wood went to Memphis Thursday to help Sim Reeves in ranching work. They were weaning calves and working cows at this time of year. The Taylor Ranches have also been working cattle all the past week, and Mrs. J. P. Taylor cooked for the men Friday as they worked cattle here.

Mrs. Sylvia Kinnibrough has had her granddaughter Melissa Horne most of last week, as Mrs. Teddy Horne was not well. She is better at this time, and the young folks spent the weekend at Truscott with relatives.

We are sorry to hear of the illness of Mrs. Don Probasco's grandfather, E. J. Thomas of Lockney. He fell and broke his hip last Wednesday night, and is now in the Methodist Hospital at Lubbock. Mr. and Mrs. Don Probasco have been staying a good deal of the time at the hospital with him. Mrs. Probasco's grandmother, Mrs. E. J. Thomas, is also in the Lockney Hospital.

We are so sorry to hear of the death of Mrs. Arby Mulder's nephew, Michael Dale McLaugh, 22, of Littlefield, who was killed instantly about midnight Saturday, when his car struck a trailer which was parked in the 500 block of Sunset Avenue in Lubbock. He was a student at Texas Tech, and his home was in Littlefield. Funeral services were held this Monday in the First Methodist Church at Littlefield for Michael, with burial in the Littlefield Memorial Park. We offer our sympathy to the family.

Mr. and Mrs. Frank McClure were called to Houston Friday by the severe illness of their little grandson, Keith McClure. He was taken suddenly ill with an attack of pneumonia, and passed away Sunday afternoon at 4 p.m. Keith would have been two years old in January. He was the son of Mr. and Mrs. Donald McClure of Houston. He had three brothers and one sister. Funeral services are pending at this time at the Earthman Funeral Home in Houston.

Mr. and Mrs. James Norrell of Amarillo spent Sunday here

with her parents, Mr. and Mrs. Shelby Calahan, Jerry and Randy, and attended church services at the Baptist Church. Sunday afternoon visitors with the Calahans were old friends, Mr. and Mrs. S. C. Richardson and Kathy of Mayfield. They attended evening services at the South Plains Baptist Church with the Calahans.

Mr. and Mrs. Kendis Julian, Mitzi and Kristi were dinner guests and afternoon visitors with Mr. and Mrs. Murray Julian Sunday as they celebrated the birthday of Janis Julian.

Jonna Kay, daughter of Mr. and Mrs. Johnney West has been in the Lockney Hospital since Saturday night suffering with a bronchial infection. Her parents hope to be able to bring her home Tuesday, but she probably will not get back to school for a few more days.

Mr. and Mrs. Ernest Smitherman left for Granbury Thursday to spend the night with her brother, Mr. and Mrs. Roy Childress, and the Chester Hidalgo family. They arrived to spend the weekend in Austin with their son, Mr. and Mrs. Larry Smitherman and Kay. Monday Mrs. Smitherman was to enter the Scott and White Hospital at Temple for a check-up, and will be there for a few days. They expect to go back and visit a few days in Austin before they return home.

S/5 Frank D. Jones and Mrs. Jones visited here Thursday with Mr. and Mrs. J. P. Taylor and family, and Sunday they were visitors in Quitaque with Mr. and Mrs. J. Ronald Taylor and son.

Raymond Upton spent Saturday in Amarillo where he attended a Shriner Ceremonial. Mr. and Mrs. Jimmy Upton spent the weekend here, Jimmy helping his mother in the Upton Grocery, and Mrs. Upton spending Saturday in Floydada with her parents, Mr. and Mrs. Wendell Johnson. Sunday they both visited here, having Sunday dinner with the Uptons before returning to their home in Canyon where Jimmy attends West Texas State University.

Mrs. L. T. Wood went to Floydada Friday morning where she attended a meeting of the Floydada Garden Club at the home of Mrs. W. G. Walker, where they had a demonstration on shrubs.

There was a bad fire at the Sterley Cotton Gin this Monday afternoon, and 15 trailers were burned in the fire, before it was contained.

Bill Beedy of Claude visited here Friday with his son, Mr. and Mrs. Eugene Beedy and sons.

Mrs. Lottie Stewart, who suffered a bad knee injury some weeks ago in a fall at the school house, had her cast taken off the past week, and is getting along fine. PTA members have been helping at the school lunch room while she has been indisposed.

WMU members met at the Baptist Church this Monday afternoon for the November Royal Service study on "Missionaries Among Animists in the Caribbean". Mrs. Taylor gave the Call to Prayer, and Mrs. Julian led in Royal Service with members taking parts on the Animism program. The WMU will meet next Monday, Nov. 20 at 6 p.m. for a Salad Supper and a Mission Study book review. Present this Monday were WMU president, Mrs. L. T. Wood and members, Charles Conger, Shelby Calahan, J. P. Taylor, M. M. Julian, C. F. Fortenberry, Grigsby Milton and Bryan Karr.

Presiding at the voting polls at the South Plains school house Saturday for the Amendment voting was presiding judge, E. J. Kinslow, and clerks, Mrs. C. F. Fortenberry, Mrs. Bryant Higginbotham and Mrs. M. M. Julian. The new South Plains Directory has been printed, and there are fifty copies at the Upton Grocery for sale at this time. Be sure and ask Mr. or Mrs. Raymond Upton for the

directories, with addresses of all the people in the community. It will be very valuable at Christmas time, for the correct addresses of everyone, as there are so many routes and different addresses in this area. The books are 30¢ each.

Mrs. Raymond Upton went to Canyon this Monday afternoon where she will have dental surgery, and will spend several days there with her son, Mr. and Mrs. Jimmy Upton, while she is recuperating. Mrs. Harry Hartman is acting postal clerk while she is away.

Thursday Mrs. Grigsby Milton went to the home of Mrs. B. J. Holland near Kress where she attended an all day meeting of Flying Farmers wives. They were served a covered dish luncheon at the noon hour. The group made plate favors which they will use at the January meeting of the Flying Farmers.

The Floyd County 4-H Achievement Banquet will be held Friday night, Nov. 17, at 7:30 in the Cafeteria in Lockney Grade School.

Mrs. Murray Julian was hostess at a coffee in her home in South Plains Friday morning for a home products party with Mrs. Lucille Duncan of Floydada leading in games and showing the products of her company. Mrs. Julian served cinnamon rolls and coffee. Those who were in attendance were Meses, Kendis Julian, Travis Young, Harold Hamm, E. J. Kinslow, Grigsby Milton, C. F. Fortenberry, Arby Mulder, J. P. Taylor, Frank McClure, Fred Marble, Nathan Mulder, Bryan Karr, Charles Conger and Don Marble.

Mrs. Menard Field, who has been in the Caprock Hospital a week suffering with burstsis,

### COUNTY AGENT'S CORNER

by Joe Wilson

Results are completed from a dryland grain sorghum variety demonstration conducted on the Frank Breed farm at Cedar Hill. There were six varieties in the test. All of the varieties in the test were short to medium short in the length of growing season. The results are given in pounds per acre corrected to - 13% moisture. The yields

for the test are: Excel 505 - 1,782 pounds; Horizon 56 - 1,659 pounds; NK 222 - 1,492 pounds; Weathermaster Gs 45 - 1,454 pounds; yield King 608 - 1,320 pounds; and DeKalb C-42 - 1,112 pounds.

The variety demonstration is one of six conducted in the county this year. They included two medium season, three full season and the one dryland variety test.

Results on all the tests can be obtained from the county agent's office.

NOTICE

whereby given to the real and true owners whether named or correctly named or not of property abutting street within the limits herein defined in the City of Texas and all persons owning or claiming any such property or any interest therein and to all others claiming in any of said property or in any of the proposed contracts and matters herein mentioned, that:

Contract of the City of Floydada, Texas, by duly enacted Ordinance No. 443 heretofore passed and ordered the improvement of the following described streets within the limits in the City of Floydada, Texas, to-wit:

<p>FROM</p> <p>East property line of Texas Avenue</p> <p>East property line of Sunset Avenue</p>	<p>TO</p> <p>East property line of Sunset Avenue</p> <p>Point 303.4 feet West of West property line of Sunset Avenue</p>
--	--

The width of the paving on Unit 1 is 48 feet. The width of the street is 48 feet. That is to say, the entire street to be paved is 48 feet in width.)

Ordinances of the City Council of the City of Floydada, Texas, ordered said streets to be improved by excavating, paving, curbing and gutters where adequate and appurtenances thereto; said paving to consist of a 6-inch sub-base of the material in the plans and specifications covering the construction of said improvements and are on file at City Hall in the City of Floydada, Texas.

City Council has caused the City Engineer to prepare the hereinafter set out estimates of the costs of improvements and has heretofore by duly enacted ordinance determined the necessity of levying assessments for the property abutting upon said street within the limits defined in the hereinafter set out proposed assessments, and the real and true owners thereof, and did determine the hereinafter set out proposed assessments of said improvements between said City and abutting property, and the real and true owners thereof, and did determine that the portion of said costs proposed to be assessed against said abutting property, and the real and true owners thereof, shall be in accordance with the FRONT-FOOT RULE or other rule as herein set out, and estimates of said improvements and for said streets within the limits defined and indicated on the attached Exhibit "A", which is heretofore incorporated into this Notice for all purposes herein.

Notice will be given and held by and before the City Council of the City of Floydada, Texas, on the 27 day of November, 1957, at 9 o'clock p.m. in the City Council Chamber of the City of Floydada, Texas, to the real and true owners named or correctly named herein or not of all property abutting upon said street within the limits above defined and the real and true owners thereof, and to all persons owning or claiming any such abutting property, or herein, and to all others owning, claiming or interested in said property or any of the proceedings, contracts and matters herein mentioned or incident to said improvements or contract herein described.

At the time and place, all such persons, firms, corporations and their agents and attorneys shall have the right to be heard and offer testimony as to the said assessments, to the amount thereof proposed to be assessed against said abutting property and the real and true owners thereof, and to be heard and offer testimony as to the said assessments, the special benefits to accrue to said abutting property and the owner or owners thereof by said improvements, if any, or concerning any error, irregularity or deficiency, in any proceeding or conference to said improvements, and said proposed assessments, and concerning any other matter or things as to which a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to a hearing, under the Constitution and laws of the State and the proceedings of said City Council of the City of Texas.

At the time of such hearing, assessments will be levied against every parcel of property abutting upon said street, within the limits above defined, and the real and true owners thereof, and the real and true owners thereof, and the real and true owners thereof, shall be and constitute a first and prior lien upon said property, from the date the said improvements were made by said City Council and shall be a personal charge against the real and true owners thereof, and the date, whether such property be described or correctly described or not, and no error or mistake or defect in the names of such owner or owners or in said proceedings to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless a parcel of property abutting upon said streets, and the real and true owners thereof, shall be charged with, and the real and true owners thereof, shall be named or correctly named, or described or correctly described, all as provided for in the Acts of the 40th Legislature of the State of Texas, First Session, Chapter 106, known and shown as Article 1105-b, and Annotated Civil Statutes of Texas, as amended and as by Ordinance No. 443 heretofore passed by the City of the City of Floydada, Texas on July 31, 1967, and Ordinance Nos. 448 and 449, which Ordinance is recorded in Book 7, pages 329a - 329b.

Attached hereto and made a part of this Notice for all purposes is Exhibit "B" which is a statement by the City Engineer showing the total cost of the improvements and how much assessed by the City and how much is to be paid by the owner of the property.

At the time of such hearing, all owning or claiming any such property or any interest therein, as well as all others interested or affected by the things and matters herein mentioned, will take notice.

At the order of the City Council of the City of Floydada, Texas, this 31st day of October, 1967.

**FOR SALE - Real nice 2 large bedroom house. Plenty of closet space, large living room, wall to wall carpet. Kitchen and dining room combination. Lots of cabinet space. Bath, utility room, attached garage. Hale and Hale Insurance.** tfc

If I'll ever intercept another one, but it's something I can tell my kids about... I really don't know what that happened. That's the first pass I ever got. We were just in a passing defense... We were just playing it. -I faded back into the hook zone and saw the quarterback going back. It was just natural reflex. I jumped up and hit it. Then I looked up to see where it was going. So I tried for it. I got it."

His teammates, Norwood mentioned, "have kind of kidded me about it all week. They said they wanted to move me to fullback."

Unlike some of his teammates, Norwood won't have to wait to tell his kids about his greatest hour. Kellie Diane, age 3 months, is the star of the Norwood household. Mrs. Norwood is a Texas Tech co-ed from Floydada who, says Norwood, "is my biggest fan. The only game she has missed is the one at Florida State... Whether I play a great game or a lousy game, she tells me I played great." Mrs. Norwood is the former Vickie Jarboe, daughter of Mr. and Mrs. Marvin Jarboe.

Norwood "would like to think I don't ever play lousy but everybody plays bad once in a while." These last three games, though, all the Raiders will endeavor to avoid playing bad. "We talk about it a whole lot," Norwood said of the opportunity to win Tech's first SWC football championship. "We try to realize it's not really for the seniors or anybody. It's just for ourselves and the team. Tech's been in the league, this is the eighth football season. We've finally got a team that's really able to compete in the Southwest Conference and we should go all the way with it. I'm going to try as hard as I can."

### New Long Distance Interstate Rates on Station-to-Station Calls

WEEKDAYS				SATURDAYS & SUNDAYS	
<b>\$1.75*</b> Weekday Rate	7 A.M. to 5 P.M.	<b>\$1.25*</b> After 5 Rate	7 P.M. to 7 A.M.	<b>\$1.00*</b> Weekend Rate	<b>\$.75*</b> Special Dial Rate
	5 P.M. to 7 P.M.		Midnight to 7 A.M.		
	7 P.M. to 7 A.M.	Special Dial Rate	All Hours	Midnight to 7 A.M.	
	Midnight to 7 A.M.	Special Dial Rate			

\*Maximum, First Three Minutes Coast-to-Coast

TEXAS TELEPHONE USERS will share in a nationwide \$100 million interstate long distance rate reduction which went into effect Wednesday (November 1). The new rates were filed with the Federal Communications Commission by the Bell System in September. This chart illustrates the new, lower rates on interstate station-to-station calls. Maximum three minutes charges on the weekday rate and

the after five rate have been lowered 25 cents. The after seven rate has been extended from 8 1/2 hours to twelve hours. A new special dial rate from midnight to 7 A.M. seven days a week has been inaugurated. The after seven-weekend rate will apply all day Saturday and Sunday and also all day on five holidays each year.

### Why I Attend Church

I attend church at the City Park Church of Christ at Fifth and West Tenn. St. in Floydada, Texas.

My church attendance means a lot to me for several different reasons. From early childhood it never entered my mind to do anything on Sunday morning except to get ready to go with my family to the Lord's House to worship. As I grew older and fully accepted Christ as my own personal savior, and was added to His church, I realized a greater responsibility in attending church. First, since I love God with all my heart, I want to obey Him in all things. He has asked me not to neglect assembling with other Christians in Hebrews 10:25. Even if God had not commanded me to assemble with Christians regularly, I still would want to go, to learn more of God's will and to commemorate the death of Christ. When a loved one passes away we have a memorial service for him, and I would feel very disloyal to him if I didn't go to his memorial service. I would feel even worse if I didn't attend the memorial service for Jesus who died in my stead.

Another reason why I attend church is that I get a spiritual uplift by assembling with others who love my savior.

By attending church, I have an opportunity to teach and to encourage others to love and serve Christ. "Man cannot live by bread alone." Just as we need our daily meals in order to keep our physical bodies well and strong, we must have our spiritual food in order to grow and to do well spiritually. By studying God's Holy Word and by studying, praying, and singing together, we receive this spiritual food.

So now, to sum it all up, I guess I would say I attend church because of LOVE. I love my savior so much that I want to worship Him with others in the manner laid down in His word - The Bible. I love my neighbors and I want to do all that I can to lead them to Christ. I love my brothers and sisters in Christ and I want to help and encourage them in every way possible.

Mrs. P. L. Orman

## Guest Editorial What Is Your Attitude

What's your attitude toward your town? We might go on and ask what is your attitude toward your town, your church, your civic organizations, and other organizations that make a town a good place to live, rather than a place just to make a living?

Coaches will tell you that as much as 75 percent of the ability of a player is psychological, and the remainder is physical ability. If a player thinks he can make the team, and if he works at it long enough and hard enough, he will. If a player thinks he can't make the team, he can't.

What about your psychological attitude toward your town?

It can work the same with whether the town grows or not as the psychology works on the football field.

Is your business as good as you think it should be, or has been in the past? If not, what have you done lately to improve it? Added a new section to the retail de-

partment of your store? remodeled the building? added a new line of merchandise? . . . better service?

If you've added a new what have you done about the information you're buying public?

We hear people say, "I know I'm here and I have on stock."

Sure the customer does keep a constant running tally of everything you're in your store.

But, it's not up to the merchant to keep himself in what the merchant sell, it is the other way around. It's the merchant's obligation.

We pose the question . . .

If your business isn't you think it should be, have you done about it? —Crosbyton Review.
