WENDELL TOOLEY

Wendell, this is President Lyndon... and I need you to quit what you are doing and serve as one of the members of the House Staff. You'll make a lot more money than you're making now and you'll have no other boss but me... I received such a call as this last night. I would have first wondered if my smart aleck buddies was pulling the wool over my eyes when I realized that it was really the House Staff that would have probably gone into a... H. M. Baggarly received last... H. M. about this experience, and... I was plenty shook up when I... and of course... after three or four days of... he said his first thought... you just don't say "no" to the president of the United States... already has more excitement than most newspaper editors, but I'm sure he'll... the excitement and extreme... and concern that accompanied making... the biggest decision of his news-... career.

...ILITIES of Mississippi water pouring... dry plains of Texas look better each... if this happens, Floyd County farmers... be the first to receive it, since we're... the east side of the Plains... estimate of cost per acre feet... Dr. Edward Teller in a meeting at... last week really makes water from... Mississippi look more promising. He es-... that cheaper power will make the wa-... able to Plains farmers for \$10 per... acre. Up to now forecasts had been more... an acre foot... acre foot of water is 325,900 gallons... water to cover one acre one foot deep... cost of pumping 325,000 gallons... water? One farmer estimates it... \$7.00. On this basis Mississippi... would be twice the cost we are now... paying.

... seems to be two ideas of what to do... Mississippi water when we get it here... is to store it in several lakes over... (one would run from Crosbyville al-... Baptist encampment)... other idea is to store it in the under-... formation of water from which we are... irrigating. If this happens, we still have... of pumping it to the surface.

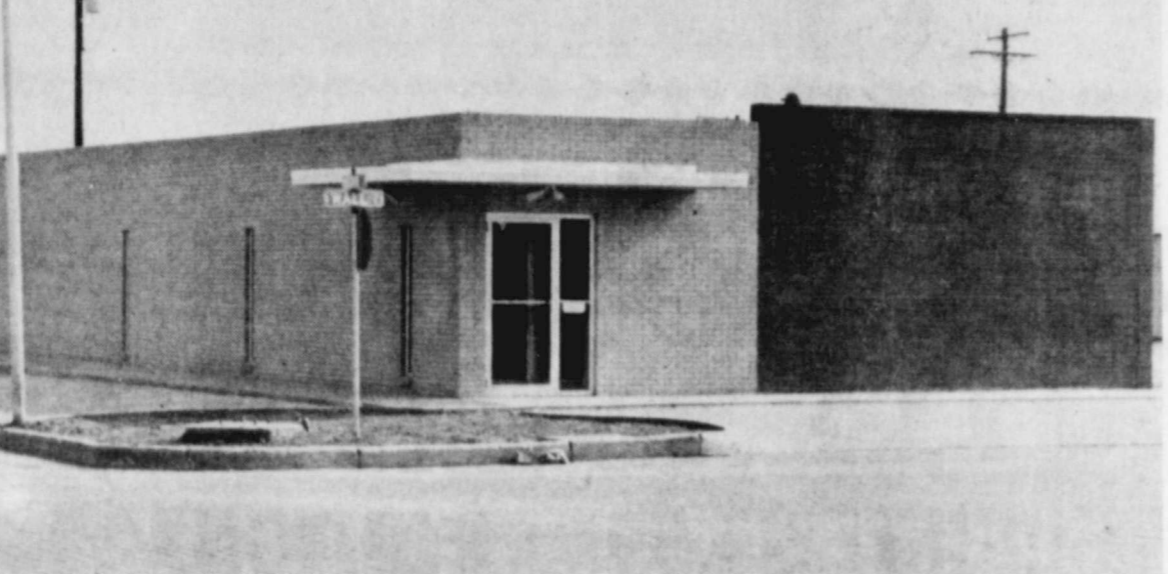

... POINT OF VIEW has a lot to do with... attitudes. All of us form attitudes about... we see in various situations... from our... point of view... I couldn't get overly excited about... and more publicity for boy scouts, 4-H... baseball, PTA, band, piano concerts... several other aspects of community life... is always willing to give a fair share of... publicity of these various interests... community, but never could get as ex-... about them as the person calling, or... into the office seeking more publicity... the last four or five years my view-... has changed and my interests have in-... in several directions...

... I've had a boy in cub scouts I'm more... interested in scouts, I have a boy in little league... and a coach in the league, so I can... see parents get so excited over baseball... in the past two years I've had a girl on the... ball team, a girl taking piano lessons, a... 4-H... and of course become more in-... and interested in these things... had enough money and time, I'd probably... an old horse (real basis) and get in... Floydada Riding Club...

... we here at the newspaper must take... small look at our community and try... what's going on in all organizations... and, we of course appreciate you, our... suggestions, when we miss pub-... on a part of community life that we... do cover.

... SUPPOSE WE could classify this edition... of Hesperian as the Valentine issue... If you're wondering what to give your... Valentine, Floydada merchants offer many... flowers, candy, clothing, and many... items...

They... the country competing with men... teams... and they won most of... games.

FORMAL OPENING SLATED - The Floyd County Farm Bureau recently moved into a new \$20,000 facility located at 101 South Wall and have slated a formal opening from 10 a.m. until 5 p.m. Wednesday, February 14. Refreshments will be served during the hours of the open house and a luncheon is slated. (Staff Photo)

Floyd Farm Bureau Slates Open House

Hundreds of Floyd County Farm Bureau members, their families and guests will view the beautiful new FB home, 101 South Wall in Floydada, during open house scheduled from 10 a.m. until 5 p.m. next Wednesday (February 14). Estimated cost of the 60 x 32 foot brick structure and its contents, including furniture, is \$20,000. Paneling and blue-green carpeting grace the reception area, lounge and four office rooms. Pictures of present and former county presidents and queens hang at vantage points in the lounge.

Craig Thomas of Waco, executive assistant to Texas Farm Bureau president, is to speak briefly at the luncheon. Hub King of Brownfield, District II director, and Tommy Klemcke, state field representative (serving 22 counties) from Floydada, are expected to be present for the event. Bill Hoover, state FB publicity director, the state president and other state directors also have been invited.

W. R. Puckett was named the original agency (insurance) manager and established an office in the Federal Land Bank building. In 1962, the Farm Bureau purchased a building on the Matador Highway (325 E. Houston) in south Floydada, which was occupied until two weeks ago.

Directors voted last fall to sell building bonds to finance construction of the new facilities. The bonds were purchased primarily by county Farm Bureau members. Officials then advertised for bids on the structure. Smead-Coke Construction Co. of Lubbock was awarded the contract and started actual construction in early December.

FATHER OF COUNTY FB The late Ben Quebe of Providence community - affectionately regarded as the "father of Floyd County Farm Bureau" - originated the county organization many years ago.

After being released in 1955 from Navy duty, Sam Puckett joined his father in the office as a special agent. W. R. Puckett resigned in 1959, and Sam was elevated to the position of agency manager.

LUNCHEON SLATED Highlight of the day Wednesday will be a noon luncheon at Rogers Restaurant, Floydada, for officers, directors, office personnel, past presidents, state Farm Bureau officials, local and area news media, and spouses of the aforementioned.

In 1951 it was "officially" organized, with Quebe elected as the first county president. Directors were selected and a charter drawn up at that time.

Assisting Puckett in the county organization are the following personnel: Sue McCord, secretary; George Mize, special agent; and Glad Norman, adjutant.

When it was formed in 1951, Floyd County Farm Bureau had a membership of "75 to 80", Puckett says. A gigantic membership drive launched the following year ended with the rolls showing approximately 200 members.

Miss McCord says that records reveal the county organization had 705 members at the start of this fiscal year, November 1, 1967.

Elected to serve with President Bertrand were Bryan Smith, vice president, and Melvin Lloyd, secretary of the board.

Other directors are Jeff Terrell, James Jeffers, Bernie Parkey, Kenneth Bean, Joe Richard Noland and Malvin Jarboe.

Final Voter Signup Tally Is At 4,898

Final voter registration tally for Floyd County stands at 4,898 although the figure may still fluctuate due to a few duplicates or voided registration slips, according to C. J. Payne, county tax assessor-collector. A last-minute rush for the voters to require additional registration forms. In 1967, 3,370 voters registered, but persons over 60 were not required to pre-register.

The 4,898 tally, nevertheless, is a new county record for voter registration and perhaps illustrates the effectiveness of the entirely free vote, compared to the old poll tax system.

No Last Minute Surprises In County Races

No last minute "surprises" entered the political race on the county level in Floyd County which will have only one contested office in the 1968 election.

Both parties will hold their County Executive Committee meetings on February 12, with the Democrats meeting at 2 p.m. in the District Court Jury Room and Republicans meeting that night at the home of John Farris.

Fair Board To Meet Tuesday

A meeting of the Floyd County Fair board will be held at 7 p.m. Tuesday, February 13, in the Producers Co-op Elevator office at Floydada.

Conference Planned

LUBBOCK - South Plains cotton producers and agribusinessmen will get first hand information on the production of quality cotton at a conference to be held at the KoKo Palace on Feb. 15.

The program is slated to kick off at 9:30 a.m., according to Billy C. Gunter, Extension District 2 agricultural agent, Lubbock.

Leadoff speaker at the session will be one of the foremost cotton economists in the nation, Dr. M. K. Horne, Jr.

Patriotic Meet Is February 12

A non-partisan meeting with a patriotic theme has been slated for Monday, February 12 at 7 p.m. in the Fellowship Hall of the First Christian Church, Floydada.

At the meeting, which is being held on Abraham Lincoln's birthday, a number of students will recite his famous Gettysburg Address in competition for a \$10 gift certificate as first prize.

All students in the area are invited to enter the contest. A covered dish luncheon will also be held at the meeting, and everyone attending may bring a dish for the meal. Everyone is invited and urged to attend the meeting.

Pemberton Will Accept Plainview Post In March

Don Pemberton, district manager for Southwestern Public Service Company, Floydada, has accepted a position with the firm's Plainview office and will be moving in the near future.

Pemberton, who has been the manager here for almost nine years, will assume his duties in the division office at Plainview in March.

As district manager, Pemberton is in charge of SWPS operations covering Floydada, Lockney and Silverton. His successor here has not been announced as yet by SWPS.

Pemberton, his wife, Layne, and son, Gale, will be moving to Plainview in early March. Another son, Jerome, is in the U. S. Navy, presently stationed in San Diego, Calif.

Boy Scout Week Set For February 7-13

Boy Scouts all over the world will observe the 58th Anniversary of Scouting from February 7 through 13.

In Floydada, Cubs, Boy Scouts and Explorers will observe February 11 as "Scout Sunday," wearing their uniforms to church that day.

The Boy Scouts of America were incorporated in 1910 and chartered by Congress in 1916 to "promote the ability of boys to do things for themselves and others, to train them in Scout craft, and to teach them patriotism, courage, self-reliance, and kindred virtues," quoting their national Constitution.

Upon joining the Scouts, each boy takes the Scout Oath, pledging himself to keep "physically strong, mentally awake and morally straight."

Three other Floydada men have received the high award including J. M. Willson in 1939, Jimmy Willson Jr. in 1955 and Jim Word in 1959.

Troop 357 presently has 32 members and meets each Monday night at the Scout Hall from 7 p.m. until 8:30 p.m.

Another local Scout Troop, No. 326, was organized about seven years ago and Frank Wilson is in his second year as scoutmaster.

Troop 326, which numbers 17 boys, meets one Monday night per month at 6 p.m. in the Della Plains School. Their sponsor is the Floydada Rotary Club.

Another troop, No. 355, is in the reorganization stage with St. Mary Magdalen Catholic Church as sponsor. The troop should become active by the end of the month.

When completely re-organized, the church plans to sponsor a Scout Troop, Cub Pack and Explorer Post.

Back to the color of the plates, the first year's were black and white like the regular plates.

Then, in 1966 the plates were green and white, followed by red and white, then back to the green. Speculation as to whether the state will continue the red-green alternation is a good question... one for which no answer is readily available.

The personalized plates are coated with paint which makes the tag serve as a safety reflector, something all Texas tags will feature in the near future, according to the tax office.

This also brings to mind another question... What color registration fee.

will the standard plates be when they are reauthorized? Supposedly, black or white paint used on the tags cannot be made to serve as a reflector, causing the speculation about the proposed color when the changeover occurs.

Cost for the regular tags (made with prison labor at Huntsville) is about 30¢ per set while the reauthorized plates cost is 60¢. Changeover to the new plates is one reason for the change in license fees this year.

But, despite the slight drop-off in lack of popularity in Floyd County, the personalized plates still add something of a fresh touch to the old game of "License plates" played by children when taking an auto trip. Imagine the delight of an out-of-state youngster upon spying a green and white Texas plate with something like "LOOK-IN", "HOOKUM" or "GROUCH!"

Yes, You Do Need Your Auto Title!

"Yes, you really DO need your title," is becoming somewhat like a broken record playing over and over at the Floyd County Tax Office.

With 1968 auto registration now underway, tax office personnel estimate that at least one person out of ten still shows up to register his vehicle without the ownership title... a slip of paper that is definitely required in order to secure 1968 license tags.

And, many others stop by to ask, "I don't really need my title, do I?"

Persons who cannot locate their title should apply now at the tax office for a certified duplicate, rather than waiting until the last minute.

The duplicate titles must come from Austin and sometimes require three to four weeks in arriving, making it a good idea to apply now before the last-minute rush begins in late March.

27 SETS IN '68, 33 LAST YEAR

Popularity Of Special Tags Shows Slight Decline Here

BY BILL SALTER Personalized license plates are not quite as popular in Floyd County this year... only 27 registered at the county tax office, compared to 33 in 1967.

The "vanity tags" or "prestige plates" as they are sometimes called, have been available for four years and cost an additional \$10 above the normal registration fee.

This year's tags return to "Floydada colors," green on a white background, while last year's plates were "Lockney colors," red on a white background. Most people in the county think it's quite nice of the state to design the plates with Floyd County High Schools especially in mind!

Of the 27 sets in the county, 13 are listed with Floydada addresses, nine Lockney, three at Aiken and two at South Plains.

And the tags in the county represent almost all types of combinations prescribed as suitable by the state which allows six letters, numerals or a combination of both.

Among letter combination examples include KFLD, BRYNN, THUMP and TWEETY, while combinations include UT 24, 6NS 1, and PRESS 1.

Back to the color of the plates, the first year's were black and white like the regular plates.

Judy Turner Is Shower Honoree

Miss Judy Turner, bride-elect of Wayne Martin, was feted with a bridal shower Tuesday evening in the home of Mrs. Haney Wideman at Cone. In the receiving line with the honoree were mothers of the betrothed pair, Mrs. Carl Turner and Mrs. E.M.

Martin. Mrs. Wayne Nixon and Mrs. Howard Harris presided at the serving table and Mrs. Bob Wideman registered guests. Punch, cookies and nuts were served from a table laid with a white lace cloth. A centerpiece of orchid and lavender flamingo feathers in a gold vase accented the table setting, completed with silver appointments. Hostesses for the occasion were Mrs. D. A. Barnhart, Joe Jackson, Haney Wideman, C. O. Gilbreath, Dan James, Roy Mara, Paul Wheeler, Clay Kimbrough, Bud Cox, Wayne Nixon, Bob Wideman and Mrs. Howard Harris all of Cone. Their gift to the bride elect was a portable mixer and a coffee pot.

Demonstration Given 56 Club

Members of the 1956 Study Club met Tuesday night in Lighthouse Electric with Mrs. Bernie Parkey as hostess. Mrs. Mary Phillips, home economist, was special guest and gave a demonstration on Mexican cookery.

The invocation was brought by Mrs. Gordon Hambricht and roll call answered by naming a foreign dish.

Following the meal business was conducted by Mrs. Parkey during which time members were urged to attend the Federation Tea in Floydada at the Baptist Church, Feb. 20 at 7:30 p.m.

Those present at the meeting were Mrs. Gary Carthel, Pete Charlton, Max Dyess, Ronald Evans, Gordon Hambricht, Bill Hardin, Norman Muncy, Leslie Nixon, Bernie Parkey, A. C. Pratt, Delbert Wiley, Jake Younger, Richard Hale and guests, Mrs. Clara Burns, Mrs. Mrs. Joy Lawson, Mrs. Barbara Jackson and Mrs. Genelle Watson.

Pleasant Hill Community near Floydada, were conducted Monday in the First Baptist Church in Slaton. The deceased, a victim of cancer, was the great nephew of Mrs. C. M. Leatherman and the nephew of the late Orville Custer of Floydada.

Rev. John Carthel, pastor, and C. L. Newcomb, Church of Christ minister officiated. Graveside rites were in Englewood Cemetery under the direction of Englund Funeral Home.

Custer was a Slaton High School graduate and a former student at South Plains Junior College in Levelland. He was employed by Slaton Motors Inc. Survivors include his wife; his parents, Mr. and Mrs. Boone Custer, a sister, Mrs. Rose Eakin and grandmothers, Mrs. J. C. Custer and Mrs. Rosa Camden all of Slaton.

Children's Dental Health Week To Be Observed February 4-10

The week of February 4-10 will be observed in Floydada and throughout the nation as "National Children's Dental Health Week."

In observing the 20th annual Dental Health Week, local dentists, in cooperation with their dental association, have provided the local schools with a variety of items to promote awareness of dental hygiene for children.

First and second graders received toothbrushes recently and their schools received a book on dental health for their library, pictures for the cafeteria and a chart on dental diseases for the school nurses, along with charts and pamphlets.

Later, many of the children will receive dental packets including toothbrush, toothpaste and other items.

By stressing dental health for children, the following article released by the American Dental Association:

the mouth, they are exposed to decay-causing attacks by acids in the mouth, so even very young children can have decayed teeth. It is at this time that the teeth are most susceptible to decay. The important thing to remember is to protect your child by keeping his sweet intake down, because sweets are the leading cause of decay—in any age group.

Two recent studies found that very young children often have badly decayed teeth because they were fed sweetened milk or other sweet substances for prolonged periods of time. One of the studies, conducted in England, showed that children who were given a bottle containing a sweet substance at bedtime averaged 11 decayed teeth. These children ranged in age from 1 to 5 years.

In 1967, an American Dental Association editorial pointed out that "there is indeed a causal relationship between sugar and dental decay." The

editorial also emphasized that "candy, especially sticky types such as caramel, is harmful to the teeth."

Care of your child's teeth, then, should begin early in his life. Train him early to limit sweets. Often, wise parents establish a once-a-week candy treat routine for their children, giving them sweets—in small amounts—on Sunday perhaps. I would add, too, that these parents teach their children to brush their teeth right after eating meals, even snacks. And, these parents also prepare their children for professional care at about age 2 1/2 of 3, when all the primary teeth have erupted.

All of these factors—limiting sweets, brushing regularly after eating and routine professional care—play an important part in preventing dental decay and other dental diseases. If you follow these practices, your children will be assured good dental health all of their lives.

Miss Doris Fawver, Bride Of Edwin W. Wilcox Jr.

Miss Doris Marie Fawver, daughter of Mr. and Mrs. Gilbert L. Fawver of Floydada, became the bride of Edwin W. Wilcox Jr., son of Mrs. Ed Wilcox of Levelland, in a ceremony read January 23rd.

Rev. Floyd C. Bradley performed the double ring ceremony before brass urns holding white mums and white pom-poms, flanked by spiral candelabra covered in garlands of white spirea blooms. Palms at each side of the altar completed the wedding arrangement. Gold bridal ropes marked the alter entrance.

Mrs. Bob Copeland, accompanied her husband at the organ as he sang "I Love You Truly" and "The Lord's Prayer".

The bride, given in marriage by her father, wore a formal gown of white crepe highlighted by medallions of Benise lace which accented the waistline. The chapel train fell from the shoulders in folds of crepe and the long tapered sleeves came to points at the wrists. Her fingertip veil held a tiara of lace, iridescent sequins and pearls.

She carried a cascade bouquet of white feathered carnations tinted in blue and centered with a corsage of white carnations trimmed in silver. The corsage was later removed to wear on her going away ensemble.

For something old the bride's blue garter was trimmed in blue lace hand crocheted by the bride's great grandmother Colston. Also on the garter was a good luck piece, a buckeye, which the bride's grandfather Fawver carried on his person. Something new was the bridal attire and something borrowed was her veil belonging to the matron of honor.

Mrs. Bill Schultz of Levelland was matron of honor; Miss Nicki Evans of Muleshoe, bridesmaid and Mrs. Carolyn Jackson, Lubbock, bridesmaid. Each was gowned in white nylon over blue goorgette, fashioned with street length skirts. The bodice was accented by rounded neckline and

short sleeves. They carried long stem white carnations.

Charlie Mock of Fort Worth, brother-in-law of the groom, was best man. Ushers were Curtis Snor and Will Snor, nephews of the bride and Carl Jackson of Lubbock. Candle lighters were Lee and Leslie Snor, also nephews of the bride.

Gifts from the newlyweds to their attendants were tie tacks for male attendants, pearl earrings for feminine attendants and oval shaped pearl pin for the organist.

A reception in the church parlor followed the wedding. Mrs. Charlie Mock, sister of the groom and Mrs. Curtis Snor, sister of the bride, presided at the serving table. White milk glass appointments were used in serving a three tiered wedding cake topped with a miniature bride and groom.

For traveling the bride changed to a blue street length dress with matching coat. The couple is making their home in Levelland where the groom is employed by Pan American Oil Co.

The bride is a graduate of Floydada High School and attended South Plains Junior College at Levelland.

THE Ham Smiths along with Jeffie Smith attended their cousin's 65 wedding anniversary last week in Plainview.

I KNOW of a youngster in town, about ten years old I think, who paid her mother quite an honor one evening last week. Her mother was out of town for the day, so the youngster called all the friends informing them it was her mother's birthday and she was planning a party for that evening. She prepared the refreshments with the help of grandmother, and quite a surprise was in store for the honoree when she arrived home.

THE HIPPIE language is something I've never caught up with, but I don't think I'm losing much by being behind in it. However it might be looked upon by some as an improvement over the language a dashing young country swain once used in writing to his bunch of sweetness. The letter is as follows:

"Dearest: My love for you is stronger than coffee or the kick of a cow. When I think of you my heart flops up and down like my mother's churn dasher and visions of doubt creep over my soul until I feel like an old cheese board made full of holes by skippers. Sensations of exquisite joy go through me like young goats over a stable roof. I feel as though I could lift myself with my bootstraps to the height of a church steeple. As a gosh-in swimmer in a mud puddle, so do I swim in a sea of delightfulness when you are near me. My heart oscillates like a shaker in a fanning mill and my eyes stand open like cellar doors in a country town. If my love is not reciprocated, I will pine away like a poisoned potato bug, and you will catch cold over my grave."

Some of the words in the letter may not be recognized by today's youngsters, but in "love" they mean the same thing, so if you want to copy it down on your Valentine card to send to your sweetheart, I'm sure she will know what you mean.

FEBRUARY is a month of many celebrations. There is Ground Hog Day, the birthdays of Tom Edison, Abe Lincoln and George Washington. The last two men, former presidents of the USA, are also known quite well for bills. Abe is on the \$5 and George is on the \$1. To properly celebrate their birthdays we should circulate only these currency denominations during February. Speaking of bills, most of us observe the fruits of Edison's inventiveness monthly by paying our electric bill.

IN CASE you don't know February flower is the violet, the stone is amethyst, the gift is Valentine. Originally Saint Valentine was a martyr, but his death is now saccharinly observed with a box of candy to a sweetheart or one's wife. So men... and boys too... don't forget the 14th.

FLOYD DATA Mrs. Mary Whiteside of Elmo, Tex., has been in Floydada visiting her brother, W.H. Hilton and family. Also visiting here recently was Hilton's daughter and her husband, Mr. and Mrs. J. O. Johnson became seriously ill while here and was hospitalized in Lubbock until last Saturday when he was able to return home with his wife. He is reported to be doing nicely at this time.

EVER wonder what happens to paper clips? Lloyd's Bank of England surveyed the fate of 100,000 paper clips and found that 14,163 were twisted or broken during phone calls; 17,200 were used as makeshift bra and suspender hooks; 5,434 became toothpicks; 5,308 were used as nail cleaners; 3,196 became pipe cleaners; 19,143 wound up as clips in card games and thousands were dropped on the floor to be swept away. Oh yes, 20,000 were used to clip papers together.

HAD several comments from women on my poem last week of ugly knees. Most agreed with me and a few tried to show me how perfectly formed their knees are, but I still disagree, knees are plain ugly. Bent in a sitting position, they don't look too bad. Socially yours until next week.

VICTOR GREEN from Plainview is always nice enough to come by the Hesperian and give us a report on his father, hospitalized at Kerrville and his mother, who is staying at a nearby motel to be with Mr. Green. Vic and his wife were at Kerrville over the weekend, driving down Saturday and back Sunday. He said his father showed a very slight improvement, however he was in good spirits. Saturday was a good day for the ill man, he was able to sit up and eat a good lunch, but then Sunday he was in bed all day. Our prayers are with these good people as the father battles a lung disease.

ships to be used at the University of Texas and eight floating scholarships of \$1000 each, and a number of smaller scholarships to be used in summer schools. Most of these are granted to members who are pursuing graduate study.

Mrs. Fred Stewart, Floydada, gave the luncheon invocation, and a group sing-song was directed by Mrs. Fred Mercer, Silvertown.

In the business meeting which preceded the program, Mrs. Sam Cowan, Plainview, was elected president of the chapter for the next biennium which begins July 1. Other officers elected to serve with her are Miss Mattie Sue Howell, Plainview, first vice president; Miss Elwanda Martin, Petersburg, second vice president; Mrs. Ernest Ragle, Plainview, corresponding secretary and Mrs. Prentice Mann, Hale Center, recording secretary.

Hostesses for the luncheon were Meses. Edna Phillips, G. C. Springer, Fred Stewart, D. W. Kirby, and Misses Mary Pearl Coward and Vera Meredith, all from Floydada.

Thirty-eight members from Silvertown, Tulia, Hale Center, Plainview and Floydada, attended.

Club Meets In Farris Home

Members of the 1929 Study Club met in the home of Mrs. Kinder Farris Feb. 1st, for a program on International Affairs. Members answered roll call with a Country Pd like to visit. Mrs. Clarence Goins was leader.

Sverker Emanuelsson of Sweden, Floydada's exchange student, was guest speaker. He showed slides and spoke on his country.

Those attending were Meses. Hollis R. Bond, J.A. Colston, C.W. Denison, Kinder Farris, Clarence Goins, Ernest Kendrick, J.D. McBrien, Clement McDonald, R. W. Overstreet and Mrs. S.W. Ross.

The next meeting is a combined meeting of other local clubs at the Federation Day tea at the First Baptist Church.

MRS. SAMUEL M. WATTS

Miss Irwin, Samuel Watts United In Marriage Feb. 3

A single ring ceremony read in the Means Memorial Methodist Church in Andrews February 3 united in marriage Miss Susan Gail Irwin and Samuel Mason Watts. The bride is the daughter of Mr. and Mrs. Gene Irwin and the bridegroom is the son of Mr. and Mrs. H. G. Watts of Floydada.

Rev. Norman Grigsby of Andrews performed the 7 p.m. wedding before a background of branched candelabra holding cathedral tapers entwined with emerald foliage. Traditional wedding selections were played on the organ by Mrs. Curtis Nix.

The bride, given in marriage by her father, wore a semi-formal dress of white lace over satin, fashioned with long sleeves and round neckline. Her shoulder length tiered veil of tulle was caught to the back of a caplet formed in tulle leaves. She carried a cascade arrangement of stephanotis and white phaeonopsis orchids.

Miss Linda Sue Jones, Andrews, was maid of honor. She wore a yellow lace dress ensemble with a matching headpiece and carried a colonial bouquet of daisies.

Bill Potts of Floydada served as best man.

Following the wedding a reception was held in the bride's parents' ranchhome northwest of Andrews. White daisies and mums with votive candles

formed the centerpiece for the reception table.

Out of town guests attending the wedding included the groom's parents; brothers, Ricky, Floydada, Tommy and Danny, students at the University of Texas; sister, Janet Watts of Floydada; aunts and uncles, Mr. and Mrs. A. S. Grubbs, Friona; Mr. and Mrs. Ernest Lee Thomas, Floydada and Mrs. and Mrs. W. L. Thomas, Lockney; aunts and uncles of the bride, Mr. and Mrs. Knox Irwin, Odessa and great aunt, Mrs. Ben Dintelman, Wichita Falls.

Other out of town guests included Joe Batson, David Lutrick and Bob Maxwell, all of Austin; Jim Tye and Rita James, Lubbock; Judy Howard and Tom Davis, Mertzon; Mac Willson, Canyon and Ann McIntosh, Austin.

The newlyweds are making their home at 613 West 24 1/2 St. Apt. C in Austin where they are attending the University of Texas.

The bride is a graduate of Andrews High School and attended Texas Tech. Her husband is a Floydada graduate and is a member of Lambda Chi Fraternity at the University where he is an engineering student.

Annual Observance Of Beauty Feb. 11-17

THE BEAUTY OF WOMEN in the United States will be given a special salute by the 70,000 members of the National Hairdressers and Cosmetologists Association during the 18th annual observance of National Beauty Salon Week, February 11-17, according to Gaines Pressley of Marietta, Ga., president of the professional organization.

"We have been dedicating National Beauty Salon Week to more beautiful women for the past 18 years," noted Mr. Pressley. "for we believe that the beauty of American women is one of the most precious and inspirational assets of our country."

"Certainly, this is a dedication which everyone can appreciate, not only the beauty experts," added Alfred Berger of Fair Lawn, New Jersey, vice president of the national professional association and chairman for the National Beauty Salon Week program.

Mr. Berger further pointed out that National Beauty Salon Week is also a good time for all of us to appreciate the wonderful progress that has been made by the beauty profession to bring the finest beauty care to whom visiting the beauty salons of our country.

This progress is a result of both great advances in scientific preparations and extensive and continuous study and education on the part of cosmetologists. Last year, advanced cosmetology courses were conducted at universities in twenty different states.

The slogan for this year's observance of National Beauty Salon Week is "Get a lift this Spring

WHY SHOULD TEETH BE BRUSHED? WHAT TYPE OF TOOTHBRUSH SHOULD BE USED?

The purpose of toothbrushing is to help clean the teeth and to aid in keeping the gums healthy. Keeping the teeth and mouth clean helps prevent diseases of the teeth and gums. A clean mouth also makes one feel and look better.

It is important that the head of the brush be small enough so it can reach the surfaces of all the teeth and can be handled easily. Young children need smaller brushes than adults. A good toothbrush should have:

- a flat brushing surface,
 - firm, resilient bristles (the dentist can advise on stiffness) and
 - a head small enough to permit access to the surfaces of all the teeth.
- Have at least two brushes and use them alternately. Replace them when the bristles become frayed, soft or loose.
- Keep the brushes clean. Place them where they will dry quickly and not come in contact with other brushes.

WHEN SHOULD TEETH BE BRUSHED?

The teeth should be brushed immediately after eating, if the brushing is to be of any value in preventing tooth decay. Quick, careless brushing will not clean the teeth and gums. If it is impossible to brush the teeth after eating, rinse the mouth vigorously with water.

HOW SHOULD THE TEETH BE BRUSHED?

The same method of brushing may not be best for everyone. Your dentist can determine the best method for you. The following method is frequently recommended:

1. Brush immediately after eating.
2. Brush each area at least ten times—the surfaces next to the cheeks and next to the tongue, the upper and lower chewing surfaces.
3. Brush the upper teeth down toward the biting edge, the lower teeth up toward the biting edge.

WHAT DENTIFRICE SHOULD BE USED?

A dentifrice (tooth paste or powder) aids the brush in cleaning the teeth. A dentifrice usually makes toothbrushing more pleasant. It should be used for mouth hygiene purposes and for such special purposes as the dentist may prescribe.

Remember, it is the brushing, when and how you do it, that is most important. Your dentist can give you information regarding the value of any dentifrice as an aid in preventing tooth decay. An inexpensive dentifrice can be made by mixing powdered table salt (1/3) and baking soda (2/3). Baking soda or powdered table salt may be used alone, if preferred.

Study Club Has Valentine Fete

Members of the 1950 Study Club held their Valentine dinner party Tuesday night, which was also husbands' night. The group was entertained with a meal at Roger's Restaurant, then met later at the bank building for table games.

Bob Copeland brought the invocation.

Attending were Mr. and Mrs. W. R. Bradshaw, Mr. and Mrs. Don Cheek, Mr. and Mrs. Bob Copeland, Mrs. L. W. Crabtree, Mrs. Charles Craig, Mr. and Mrs. Herman Graham, Mr. and Mrs. Sammy Hale, Mr. and Mrs. Tom Moore, Miss Jo Muncy, Mr. and Mrs. Jimmy Seay, Miss Nell Swinson, Mr. and Mrs. Claude Weathersbee, Mr. and Mrs. Lawrence Wedel and Mr. and Mrs. C. C. Whittle.

The next meeting is the Federation Tea, at First Baptist Church Chapel, Feb. 20, 7:30 p.m. All members are urged to attend.

Candy Strippers Practice Care Of Patients

Using Jody Jameson as a volunteer patient, Candy Strippers students practiced giving hospital back rubs at their recent class meeting held at Caprock Hospital. Mrs. Jaek Jordan, registered nurse, who instructs the course, stressed the importance of patient's comfort and exercise, especially, during a long illness and convalescing.

Also studied by the group was how to change hospital bed linens with the patient in bed, how to give a bed bath, and how to help a patient from bed to chair, which is often needed for a weak or elderly patient.

The Candy Strippers then had a written test on emergency medical help. They have one more class in hospital procedures before completing their course. Those who pass will be given a Candy Stripper pink and white penafore, which is to be worn in volunteer service. The girls, who are all Senior Scouts, will buy the uniform from the money paid in as dues this year.

Troop president is Ann Fawceter.

YOU KNOW, it would be more than logical if the month of February was declared "National Week Month."

This may sound silly to you, but when you take a glance at all the National Something-Or-Other Weeks, Months and Days that are crammed into the shortest month of the year... February, you may see what I mean.

According to my calculations, February should be 120 or more days long instead of 28 or 29 (which this year will have) to take care of the various national weeks or months that are now scheduled.

And, my total doesn't include Washington's Birthday, Lincoln's Birthday, Groundhog Day, Edison's Birthday and Valentine Day.

February is both American Heart Month, American Music Month, and National Cherry

Abernathy Games Close Out Year

Only varsity games Friday night and a B-Team Boys tilt Thursday night remain on the 1967-68 Floydada School basketball slate.

The Whirlwinds and Whirlettes close out their season at Abernathy, the girls game beginning at 6:30 p.m. and the boys immediately following.

Tonight (Thursday) the B-Team Whirlwinds end their season here against Plainview's junior varsity.

Aldersgate Team Downs Dimmitt, 102-37 Friday

Floydada's Aldersgate Spanish Methodist Church basketball team downed Dimmitt here Thursday night by a 102-37 count, preserving their perfect 5-0 record.

Leading the scoring for the local team was Tommie Collins with 30 points, followed by Robert Conte with 26.

An out-of-town game for the team will be scheduled Friday night

WHIRLETTES WIN, 65-47

Floydada HS Teams Split Games At Memphis Tuesday

Floydada High School basketball teams hopefully made their last road trip for quite some time to Memphis on Tuesday night, the Whirlettes taking an easy 65-47 victory while the Whirlwinds were edged out, 69-63.

Memphis, about a 200 mile round trip from Floydada, moves from 3-AA into another district next year, a move that local fans, due to the distances involved, are more than happy about.

In the Whirllette game, Floy-

dada held a 21-18 first quarter advantage, advancing that to 37-31 at halftime and 49-35 at the end of the third quarter.

Leading the Whirlettes in scoring were Marilyn Harris with 29 points and Cindy Ward with 15.

In the Whirlwind game, Floydada trailed by only one point, 14-13, but were down 34-28 at halftime. At the end of the third quarter, the tally stood 58-42.

Leading the local team in scoring were Britt Gregory with 25 points and Donald Campbell with 10.

to enter Graves Gymnasium this year.

In the split, the Whirlettes took an easy 54-34 victory while the Whirlwinds lost their tilt, 65-45.

After a few cold moments in the first quarter when Lockney led, the Whirlettes came to life, advancing to a 43-26 lead with only about a minute gone in the final quarter, then turning the game over to the sec-

ond string. Score at the end of the first quarter was 14-11 with a 28-22 tally at halftime. Floydada led 41-26 at the final quarter break.

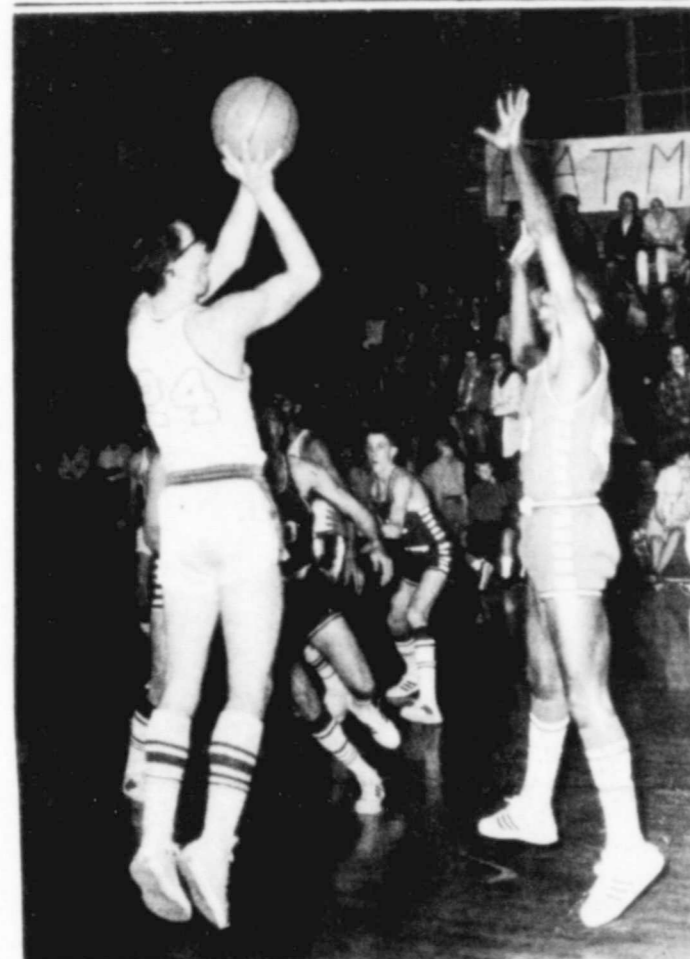

With two minutes left to play, Coach Teddy Allen inserted his two star forwards, Marilyn Harris and Cindy Ward back into the lineup along with a player who is normally a guard, the "Dynamic Duo" notching nine points in less than a minute and a half.

All Whirllette players participated in the tilt, with the starting guards seeing only limited action, giving other team members a chance to play.

Scoring leaders were Miss Harris with 24 points and Miss Ward with 15. Leading Lockney were Janice Smith with 15 and Debbly Brotherton with 12.

In the boys tilt, Lockney took a commanding lead, 16-2, through the first quarter of

play, never relinquishing hold on the game. Halftime advantage Longhorns was 20-10. Lockney crew advanced to 50-25 by the third quarter, as lineup sprinkled during most of the game. Leading Whirlwinds was Britt Gregory with 25 points. Longhorns Tracy Dickson and Bick Bickley with 21

Making this catch were Floydada anglers Lane Decker (left) and Tom Snead (right) and Falcon guide James Lovvorn. Decker and Snead tied for top-honor catches with 6 pounders, taken on black jigs and eels. (Private Photo)

Breezers Finish Season With 44-7 Overall Mark, 7th Girls Unbeaten

Floydada's Breezers closed out their season Monday night on a winning trend, taking all three games from Abernathy teams in games played at Graves Gym.

In the opening game, the 7th Grade Boys whipped Abernathy, 27-20 with Jerry Hearon leading the scoring with 12 points.

In the next game, the 8th Grade Girls took a 37-18 decision, paced by Debra Baird with 11 points.

In the 8th Grade Boys game, Floydada won 35-23, led by Langston Williams with 12 points and Charles Jackson with 11.

For the season, the Breezers posted a 44-7 overall re-

cord against their opponents, Don Ford's 7th Grade Girls going undefeated with a 9-0 record.

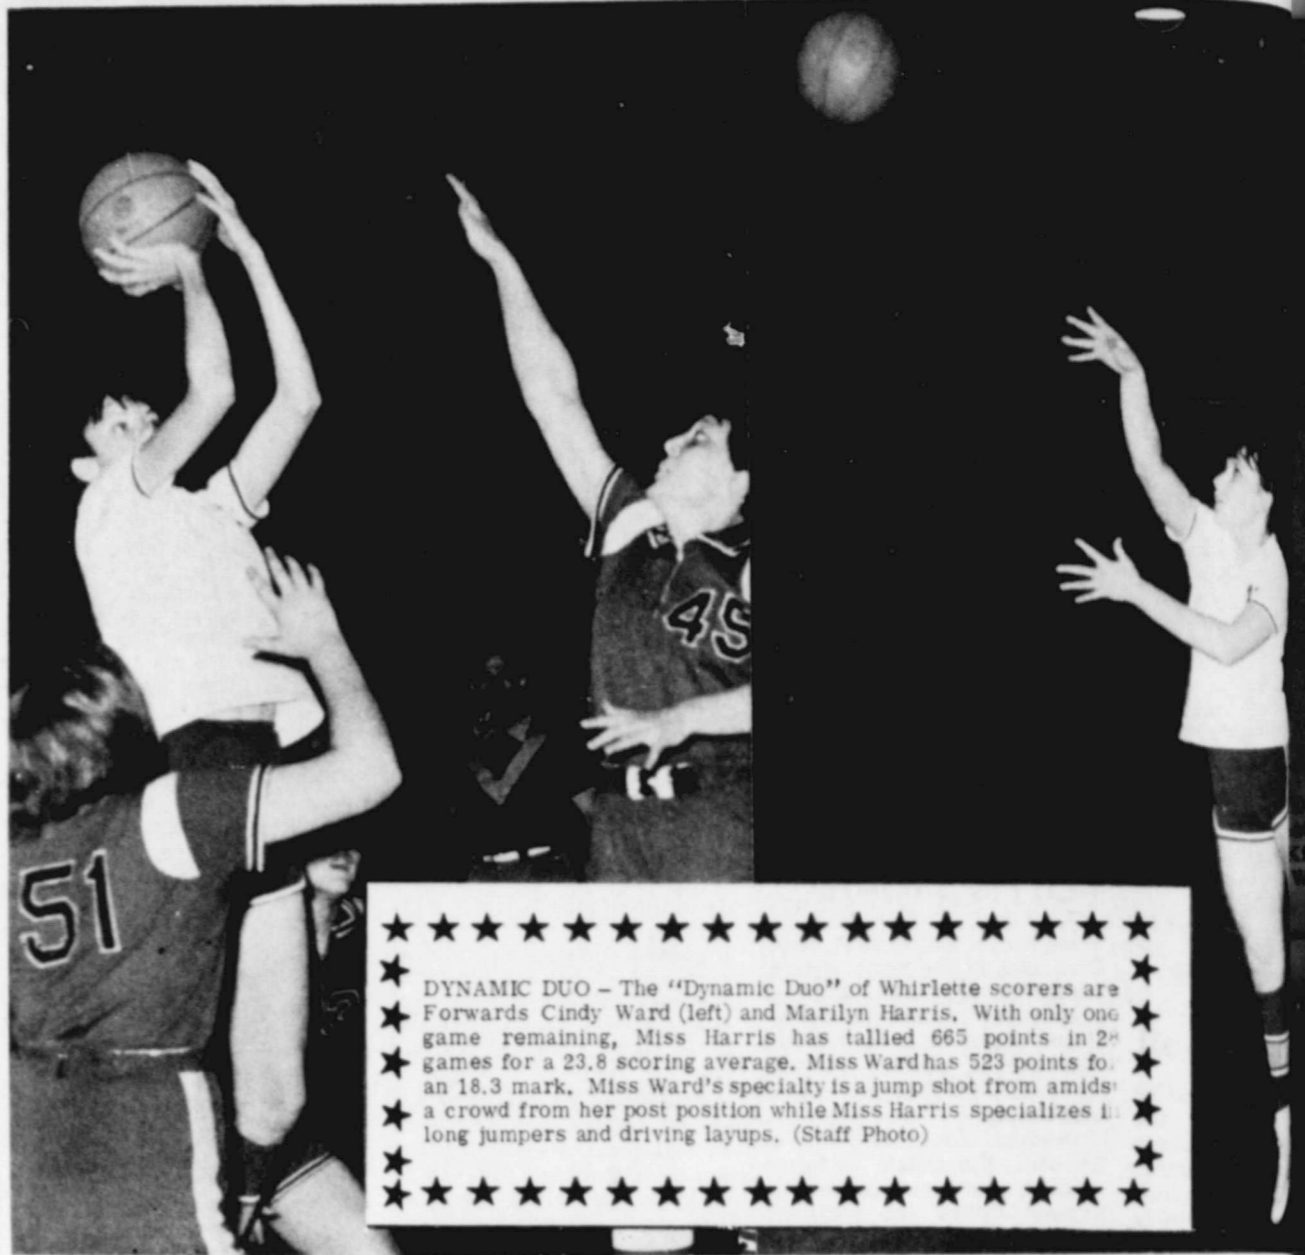

Losing only one game were Teddy Allen's 8th Grade Boys (15-1) and James Pope's 7th Grade Boys (10-1).

The 8th Grade Girls, coached by Ford, posted a 10-5 season tally.

B Teams Split Games At Ralls

Floydada High School B-Teams played at Ralls last Thursday night, the B-Whirlwinds taking a 71-67 decision

SEE B TEAM PAGE 7

 * DYNAMIC DUO - The "Dynamic Duo" of Whirllette scorers are Forwards Cindy Ward (left) and Marilyn Harris. With only one game remaining, Miss Harris has tallied 665 points in 27 games for a 23.8 scoring average. Miss Ward has 523 points for an 18.3 mark. Miss Ward's specialty is a jump shot from amidst a crowd from her post position while Miss Harris specializes in long jumpers and driving layups. (Staff Photo)

me out of my one and only life...perhaps as a way to get even for my comments. Thursday night, I had parked my station wagon out in front of a house and upon returning later, just climbed in, started the motor and proceeded down the street. Upon reaching the corner, I came to my normal screeching halt, whereupon the most terrifying racket started in the back and a huge Siamese cat came tearing from the back to the front of the wagon, scratching, hollering and spitting, jumped on the back of the front seat and made it quite plain that he (or she) wanted out! Needless to say, I opened the door and was quite glad for the beast to depart...in fact, the next time he wants to take a "joy ride", I'd just as soon he'd pick another car. After all, I don't have nine lives...and, I scare quite easily!

all the way, most of the time by large margins, with four players hitting in double figures. Leading the offensive charge was Andy Hale with 19, followed by Mike Burk with 16, Bob Marler with 14 and Andy Selman with 12. Three of the four top scorers are Freshmen. In the girls game, Floydada held leads, but lost the one-point decision in the closing moments. Leading the girls in scoring was Ann Hammonds with 16.

Making The Drag

BY SUZANNE GUTHRIE

Well, it's nearly over for this year's basketball teams. Tomorrow night is our last game. Neither of our teams came out on top but they both have done a fine job.

Boy, the juniors are really working hard toward the Junior-Senior Banquet. The plans are really coming along and the results should really be great!

Everyone has been doing really well in the Spirit Contest. They're all working, making signs and everything and it has really helped the spirit at F.H.S.

The seniors are all beginning to look forward to Graduation day, they have counted it to the very day. Any time anyone wants to know, just ask Susan Reed, believe me, she knows. They've ordered their invitations, and that increased excitement.

The Chili Supper last Friday night was great. In case any of you who attended don't know, that goes into the fund for our American Field Service, or our exchange student.

We're a little behind this year in raising money for an exchange student, so when we have car washes, etc. help us out, won't you?

Boy, have things really picked up about girls finding boyfriends. Naturally they would, it's nearly Valentines!

Well track is going to start soon. So let's all be ready to support these boys in every way. O.K.?

We have had One Act Play Tryouts. The play is "Alice in Wonderland," and we had our first play practice last Tuesday night. I'm sure you'll all be looking forward to seeing that

soon. Also the literary events will begin soon, such as debate. Last year, Brenda Walls and I won District in debate. Nona Pernell won in typing, Patty Dempsey in short-hand, and Carol Graham was also a District winner. We're hoping to do that well again this year.

Last week, I was privileged enough to hear a debate between Ronnie Hill and Diane Phillips. It was really a good debate on "Going Steady." I commend you both on a job well done.

Last week was Mr. Jones' Birthday. Happy birthday to you Mr. Jones from all of us here in high school.

The project of selling parking places is coming along real well. The money for this will also go into the fund for the A.F.S. Student.

The thought for the week last week was "Tomorrow Waits For No One."

As I was thinking about it and discussing it with one of my friends, I discovered that it does no good to dread what tomorrow has in store for us. No matter how much we dread it, tomorrow will come. So let's just prepare for it and be ready for it to come, and there will be no problems.

Good Luck to all those who entered the "Soil Conservation Contest". And also Good Luck to those who are planning to enter the Lighthouse Electric Contest.

Have a good week and smile every day, all day. O.K.?

Teddy Porter Promoted
Teddy Porter, son of Mr. and Mrs. Tom Porter of Starkey Community, has been promoted to the rank of Sergeant according to other news sources. Porter is stationed at Butzbach, West Germany, where he and his wife, the former Mary Jane Burns reside at Butzbach.

Newtons Attend Brothers Rites

Mr. and Mrs. E.W. Newton, accompanied by a sister-in-law, Mrs. Dora Newton of Locknew, attended funeral rites yesterday afternoon in Bridgeport for Newton's brother, W. A. Newton, who died in Chico Monday morning. Death was attributed to pneumonia and complications.

Rites were conducted in the Bible Baptist Church. Newton was an employee of a meat company at Chico. Survivors include his wife; several children; four brothers and four sisters.

Letter To The Editor

Dear Editor,
Just another letter of "Thanks" to the people of the community. For the co-operation of the women from churches, clubs and other organizations who work faithfully every week at the Community Clothing Center.

To the people who share so generously of their clothing with people less fortunate, to ladies who use their sewing machines to make school dresses.

One lady alone has made some thirty or more dresses this year, using materials from adult dresses at the Center. To an anonymous donor of cash placed as a Christmas gift for school shoes, in the name of the Clothing Center at a local store.

Seven pairs of shoes were bought at the January Shoe sales with it. Along with a pair of socks for each child fitted. For the co-operation of school officials in reporting children in need of shoes.

To the school nurses who brought the children to the stores. To the local radio station for the publicity when clothing is needed.

To the Editor for printing my letters. And if anyone has been overlooked, Thanks anyway.

At this time we are extra low on children's clothes. From infants wear to teenagers.

We are asking that a special drive be made by all the churches. And any Scout group or other group who would like to help collect clothing.

Only eternity shall reveal what a blessing you may receive, or what a blessing you may be, to someone. As you share what God has blest you with.

Thanks again
Mrs. W.S. Simmons
Administrator

Dear Mr. Tooley,
As Floyd County Christmas Seal Chairman, may I take this means of saying "THANK YOU" to the wonderful people of Floyd County for the response they gave to our Christmas Seal Drive.

County wise we are still a bit short on money to carry our fair share of the load to stamp out Tuberculosis and other Respiratory ailments. If you have not yet made your contribution please don't wait, lest you forget.

Perhaps you are unaware that in 1967, as in years past, there were active cases of Tuberculosis found in Floyd County and sent to hospitals for treatment. Goodness only knows how many enlarged or misplaced hearts and growths were found thru chest x-ray by West Texas Tuberculosis Association.

Plans are now under way to bring the Mobile X-ray Unit to Floydada in early spring. With YOUR response we hope to check every one, and at a very nominal fee, as you know from the past. EVERYONE - PAY FOR YOURS AND ONE MORE!

Thank you sincerely,
Mrs. Bill Norris

The problem begins, not with the wedding but with the wedding night, in Warner Bro. Seven Arts' "The Family Way." Hywel Bennett is the groom and Hayley Mills is the bride in the Boulting Brothers' Technicolor production. The bitter-sweet comedy opens on Sunday and Monday at the Palace Theater. Bill Naughton wrote the screenplay and Paul McCartney, of The Beatles, composed the musical accompaniment.

VALENTINE'S
DAY
Feb. 14

Floydada folk of all ages enjoy Valentine's Day...

BE MY VALENTINE - but don't eat too much candy, save some for me. Bryant Higginbotham, son of Mr. and Mrs. Alton Higginbotham, keeps a watchful eye cast on the Valentine box of candy, as Shanna Carver daughter of Mr. and Mrs. Mike Carver, daintily accepts the chocolate. (Staff photo)

OUR SWEETHEART ALL YEAR - and just to prove it the Probasco children present Mom with a box of Valentine candy in observance of the occasion, Feb. 14. They are, left to right, Matt 7; Cam and Pam, ten year old twins; Maury 9 and Susie 5. Husband and father, Don Probasco, smiles his approval. (Staff Photo)

SWEETHEARTS SHARE - box of Valentine candy. David Barker receives a bite of chocolates from sweetheart Gayle Fawver. Don't forget your sweetheart Feb. 14. (Staff Photo)

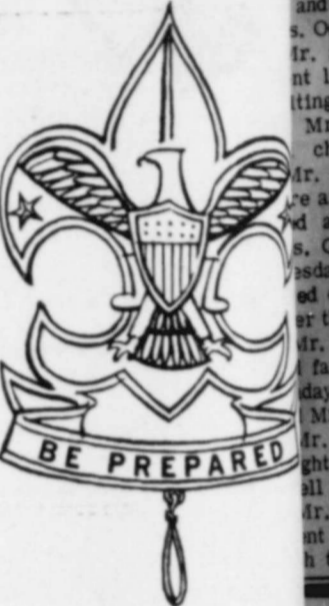

STILL SWEETHEARTS AFTER 57 years of marriage - are Mr. and Mrs. Charlie Spence. "Never forget, your wife is always your sweetheart!" is the remedy for this long and happy marriage. (Staff Photo)

SALUTING THE BOY SCOUTS of AMERICA ON THEIR 58th ANNIVERSARY

"I suppose every boy wants to help his country in some way or other. There is a way by which he can do so easily, and that is by becoming a Boy Scout."

Scouting has become increasingly more important to the future of our country. This is one reason why the Scout movement aims for a high standard of citizenship, character and physical fitness. In the program there is a strong emphasis on training for citizenship. Every boy must learn respect for the flag, loyalty to country, and an appreciation of our American heritage. We salute the Scouts on the great work they are doing in making better citizens.

THIS MESSAGE IS BROUGHT TO YOU BY THESE CIVIC-MINDED FIRMS AND ORGANIZATIONS:

<p>A SCOUT IS TRUSTWORTHY</p> <p>He is loyal to all to whom loyalty is due, his Scout leader, his home and parents, his country. He shows respect to grown-ups, to the flag and helps in community projects.</p> <p>HIGGINBOTHAM BARTLETT</p>	<p>A SCOUT IS CHEERFUL</p> <p>He is a friend to all and a brother to every other Scout. He meets people with a sincere smile on his face and an outstretched hand. His friendliness is contagious.</p> <p>BUILDERS MART</p>	<p>A SCOUT IS FRIENDLY</p> <p>He smiles whenever he can. His obedience to orders is prompt and cheery. He never shirks nor grumbles at hardships. His cheerful outlook helps those around him.</p> <p>BENNETT BUILDING MATERIAL</p>	<p>A SCOUT IS HELPFUL</p> <p>He must be prepared at any time to save a life, help injured persons, and share in his home duties. He must do at least one Good Turn for somebody every day.</p> <p>SUPERIOR CLEANERS & STORAGE</p>
<p>A SCOUT IS LOYAL</p> <p>He is a friend to all animals. He will not kill nor hurt any living creature needlessly, but will strive to save and protect all harmless life. He seeks to know wildlife.</p> <p>ODEN CHEVROLET CO.</p>	<p>A SCOUT IS KIND</p> <p>A Scout's honor is to be trusted. If he were to violate his honor by telling a lie, cheating, or not doing a given task entrusted to his honor, he is not being a true Scout!</p> <p>FLOYDADA REAL ESTATE & INSURANCE</p>	<p>A SCOUT IS OBEDIENT</p> <p>He obeys his parents, Scoutmaster, patrol leader, policemen, and all other duly constituted authorities. A Scout must learn to obey before he can learn to lead.</p> <p>DANIEL AUTOMOTIVE</p>	<p>A SCOUT IS REVERENT</p> <p>He is reverent toward God, faithful in his religious duties, respects the convictions of others in matters of custom and religion. He serves God in his everyday actions.</p> <p>COLLINS IMPLEMENT</p>
<p>A SCOUT IS THRIFTY</p> <p>He keeps clean in body and thought; stands for clean speech, clean habits; and travels with a clean crowd. He practices clean sportsmanship and a clean outlook.</p> <p>CAPROCK HARDWARE</p>	<p>A SCOUT IS BRAVE</p> <p>He has the courage to face danger in spite of fear. He will stand up for right against the coaxing of friends or the jeers and threats of his enemies. He scorns defeat.</p> <p>PRODUCTION CREDIT ASSN.</p>	<p>A SCOUT IS CLEAN</p> <p>He works faithfully, wastes nothing, and makes the best use of his opportunities. He saves his money so that he can pay his way. He is generous to those in need.</p> <p>GOEN & GOEN</p>	<p>A SCOUT IS COURTEOUS</p> <p>He is polite to all, especially to women, children, old people, and the weak and helpless. Grain Sorghum Hybrids Tested

Fifty-one grain sorghum hybrids were included in a performance test conducted under irrigation at the High Plains Research Foundation in 1967. Yields ranged from 7,027 to 9,082 pounds per acre and were higher than normal because of more timely rainfall in June and July.

The test was planted on May 16 and harvested October 23 and 24. Fertilizer was applied at the rate of 120-60-0 from ammonium phosphate and anhydrous ammonia. The crop received a preplant irrigation and 13.9 inches during the summer from three irrigations. Rainfall during the growing season amounted to 17.34 inches. The test area had been planted to cotton in 1966.

The 1967 research report will include the following information on each hybrid: yield, percent moisture at harvest, bloom date, plant height, exsertion, head compactness, head length, and protein percentage. Also included in the report is a table listing the average yields for all hybrids tested during the previous five, four, three and two years. This report will be printed and issued to members of the Foundation in the near future.

Lloyd Langford, Associate Agronomist on the Foundation staff conducted the grain sorghum variety test.

Man Arrested In Plainview To Face Floyd County Charge

John Michael Saens, 28, Floydada, was arrested last week in Plainview by Hale County deputies and charged with carrying a prohibited weapon.

The weapon, a .22 rifle sawed off to make a pistol, was tied to a theft on January 23 at the Herschel D. Hammonds homestead of Floydada.

According to Floyd County Sheriff Walter Hollums, the pistol, a shotgun, some jewelry and hunting knives were taken in the burglary, most of which has been recovered.

Statements taken from Saens linked him to the Floyd County theft and he will be turned over to county officers on a felony charge of burglary after he serves 30 days in the Hale County jail on the charge there.

Chief Hale County deputy Charles Tue said Saens also faces charges at Lovington, Hobbs, Carlsbad and Roswell, N.M., Monahans, armed robbery charges at Los Angeles, San Bernardino and San Francisco, Calif., Tucson and Gila Bend, Ariz., charges for theft of more than \$800 in copper wire at Midland, Odessa and Andrews.

VFD Answers Minor Calls

The Floydada Volunteer Fire Department answered two calls over the weekend, both of a minor nature.

Saturday evening, the VFD extinguished a grass fire between 11th and 12th streets, then answered a call on West Tennessee Sunday afternoon.

The Sunday call was somewhat a false alarm, phonograph records placed in an oven causing a great deal of smoke, but no actual blaze for the firemen to extinguish.

ONE OF THE GREATEST of all virtues is neighborliness. Neighborliness is akin to the divine law of "love," something that has nothing to do with personal attachment or affection, rather an attitude of goodwill towards those around us.

Neighborliness flourishes best in small towns and rural communities, just as roses grow better in rich, cultivated soil than in sod.

—THOUGHTS FOR THURSDAY—

NEIGHBORLINESS NOT ONLY causes people to perform kind acts for each other, such as sharing a cake one has baked, but it causes people to ease the burdens of another. A woman in the midst of baking a cake discovers she is out of shortening . . . and a cup is provided by the housewife next door. Death strikes a family, and neighbors send in food, they baby sit, they clean up the house, they do everything they can to make the burden a little lighter. And the burdened one is comforted not only by the act but the thought that someone cares.

—THOUGHTS FOR THURSDAY—

HUMANS ARE AT THEIR BEST when a neighbor's home burns, and the community stops what it is doing and helps the family rebuild; when a farmer is stricken ill on the eve of wheat harvest, and neighbors step in and harvest the wheat as a gesture of goodwill; when groceries are provided for a hungry family; when the poor are remembered at Christmas; when people donate blood for a transfusion instead of selling it; when neighbors volunteer to sit up with the desperately ill.

In short, neighborliness means that the haves share what they have with the have nots . . . out of thankfulness, out of human compassion.

ANY COMMUNITY is a happy community when people are neighborly. They are even happy in the midst of tragedy, such as depression, earthquake, tornado, or war. One of the few bright spots during the depression of the 1930 was the neighborliness of kind people, their willingness to share what they had with those less fortunate.

—THOUGHTS FOR THURSDAY—

SELDOM HAVE WE SEEN greater world problems than today. Both enemy and ally are at the throat of one another. Hate is king. The United States hates the Communist world. The Communist world hates America. In many instances white hates black, black hates white.

Yet, we have no problem today that couldn't be solved if people of the world were only neighborly. This world could be turned into utopia through neighborliness. America could and would share her resources with the needy of the world. She would gladly repair the damage of war in Vietnam just as she did in Germany and Japan following World War II.

—THOUGHTS FOR THURSDAY—

HOW DIFFERENT this world would be if everybody was willing not only to live and let live but to share with those less fortunate.

There need be no hunger in the world . . . there is plenty of food to fill every empty stomach. There need be no quest for land . . . there is plenty for all to live and to make a living. The cost of war could provide all the hospitals, educational institutions, churches, this world needs . . . and in addition, provide a home and job for all.

Yet we have not because we choose not to be neighbors.

Fire Department Presented Check By Bureau

The Floydada Volunteer Fire Department received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of J. L. Dalton, former Floydada resident, now residing in Lubbock.

The money will be used for purchase of equipment. The Texas Farm Bureau Insurance Companies pay volun-

teer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

The Insurance Company believes volunteer fire departments

Parenthood Group Meets

The executive board of the Responsible Parenthood Association met recently at the Floyd County Migrant Health Office, Floydada, with Juan Salinas, president, in charge.

Two board members, Mrs. Billie Jordan and Mrs. Emily Potts were appointed to meet and serve with the executive board every month.

Mrs. Jordan explained the use of the sample forms for clinics, received from Planned Parenthood Association. Discussion followed.

It was suggested that the total membership meet following the executive meeting in March.

It was decided by the board to accept anyone in the clinics regardless of marital status, but to be referred for counseling.

Kenneth Bain, Legal Advisor, discussed the constitution and by-laws. He suggested the Association completely rewrite the constitution and by-laws to suit their own use.

FLOYD PHILOSOPHER Finds An Odd News Item To Get His Mind Off Of International News

Editor's note: The Floyd Philosopher on his Johnson grass farm apparently is trying to get his mind off the international situation, his letter this week indicates.

Dear editor:

The world is so crammed full of news lately nobody is able to keep up with a tenth of it, and two-thirds of the part he can keep up with is so unreliable a man with a good television set and plenty of time to watch it is likely to come out of his house every morning more mis-informed than a man with a busted picture tube.

Consequently I decided to get my mind off the current trials and tribulations for a few hours and think about an odd news item I read in a newspaper a couple of weeks ago and which I have been toying with in the back of my head ever since.

According to it, a food processor has come up with an artificial turkey. He mixes a lot

of proteins and such stuff, blends it and shapes it up, and according to people who tested it you can't tell it from real meat.

However, and this is the point I'm thinking about, to help sell it, the manufacturer includes a plastic wish-bone in each package.

Outside of maybe hide-away beauty on my tractor, I can't think of anything more than coming up on a plastic wish-bone munching on a piece of artificial turkey watching a taped soap opera on television.

This is a strange world we're living in. Last night I heard a politician on television giving a speech he wrote himself. He got through making it and I just sat through listening to it.

There may be something to say about synthetic turkey, plastic wish bones and written speeches.

Yours faithfully,
J. A.

Devotional of the Month

Book Of Books

In the year of 1522, an explorer circled the globe during a three year period of time. On his return, he declared, "The world is one unit." At the close of World War II Wendell Wilkie circled the world in a flying time of 160 hours. Today, airplanes are capable of going around the world in twelve hours flying time while missiles complete the orbit in ninety minutes.

All this, and men still fight like animals. Science has largely conquered disease. Sociology has improved living conditions. Why the vile attitude of man? How do we find answers for this dilemma?

If we would find the answer, we must look from manmade organizations, and human reasoning. The answer is in the Bible, the greatest of all books.

May I suggest three reasons why it is the greatest of all books, containing information too wonderful for man to assemble. First, because of its author. True, it was written by over fifty individuals, but it was authored by one Author. A careful examination will reveal a continuity of message from Genesis to Revelation with one central theme, Jesus. The Bible claims for itself, "For the prophecy came not in old time by the will of man; but holy men of God spoke as they were moved by the Holy Ghost." (II Pet. 1:21)

Second, because of its content. Only in the Bible do we find a true description of the condition of mankind, his sinful nature, the need for a Saviour and God's provision for this necessity. It further contains a true guide for every walk of life, declaring, "Thy word is a lamp unto my feet and a light unto my path."

Third, because of its proven ability. Whenever men have read and believed the Bible, individual lives and communities have been changed. Whenever men have heeded its words, right human relationships have been found. If the world is ever to find peace, it will be found as men find the Prince of Peace for their own life, and follow His teachings as revealed in this blessed Book.

South Plains News
BY MRS. MURRAY JULIAN

SOUTH PLAINS, Feb. 5 - This first Sunday in February a very good crowd of 95 gathered for morning Baptist Services, and we saw many who had previously been away with illness or for other reasons, including Mr. and Mrs. Bobby Britton and boys, Mr. and Mrs. Roy Bledsoe, Bobby Ramsey, Mrs. Jewel Bean, Dinah and Irene. Visitors noted were Mrs. Nathan Mulder and Cindy. Monday night, Juniors of the church met with their sponsors to go to Plainview to the skating rink for an evening of pleasure, later coming back to the church for refreshments. Leaders were Rev. and Mrs. Charles Conger, Mrs. Grigsby Milton, Mrs. Don Probasco, Mr. and Mrs. Philip Smitherman, Mrs. Don Marble, and Mr. and Mrs. Kendis Julian. Thirty three attended the party, including every Junior but one.

Irene Bean, who attends Texas Tech in Lubbock spent the weekend here with her mother, Mrs. Jewel Bean, and her sister, Dinah.

Bobby Moore of Lockney, who is song leader at the Baptist Church, will spend the coming weekend in Austin for a music meeting. Mark Langley of Lockney will be here to lead the music in his place.

Mr. and Mrs. Gilbert Bean were back in Sunday School after an absence of a few weeks. Saturday a week ago Gilbert and grandson, Jerry, took Mrs. Bean to Winters for a visit with their son, the Billy Bean family. She then went home with a granddaughter, Mr. and Mrs. Ronald Kratz to Austin where she visited them and two sisters, Mrs. Marjorie Bowman and Mrs. George Templin. Thursday the Ronald Kratz family took Mrs. Bean to Lake Buchanan to meet Billy Bean, and he brought her home to Winters, where Gilbert went for her Friday.

Congratulations to Miss Zacha Cummings, daughter of Mr. and Mrs. Kendall Cummings on being named Sophomore Class Favorite at the Floydada High School last week.

Shelby Calahan and boys,

Randy and Jerry went to Canyon Sunday afternoon to visit with Mr. and Mrs. James Norrell. Mrs. Norrell is the daughter of the Shelby Calahans, and attends college at WT in Canyon.

Mrs. Ruby Higginbotham had her son and wife, Mr. and Mrs. Bud Higginbotham of Canyon home with her over Saturday and Sunday. Others with her for Sunday dinner were another son, his family, Mr. and Mrs. Alton Higginbotham, Kelly and Bryant from Floydada.

Mr. and Mrs. E. J. Kinslow had their granddaughter, Jennifer Kinslow here with them from Thursday through Sunday as Jennifer's parents, Mr. and Mrs. Bary Kinslow visited in Lubbock.

Hobby Club will meet at the home of Mrs. Grigsby Milton Wednesday, Feb. 14, with Mrs. M. M. Julian as co-hostess. The Exchange Student from Lockney is planning to be with the club at this date.

Mr. and Mrs. Alvin Nichols were hosts in their home over the weekend to a group of girls including their granddaughter, Cindy Whitfill of Sweetwater. Those who came with Cindy were teenagers, Debbie Doolley, Carolyn Hass, Ann Webb, Pat Smith and Becky Webb, all of Sweetwater.

La Than Club members met at the home of Mrs. Johnney West Wednesday for a "Tasting Party" luncheon. Each member brought a casserole which was served, and the recipe for the dish given. Assistant hostesses were Mrs. Rex Smitherman, Mrs. Kenneth Bean and Mrs. Stanley Burleson. Members who enjoyed the party were Mmes. Travis Young, Fred Marble, L. N. Johnson, Don Probasco, Sterling Cummings, Keith Marble, Kendis Julian, Tom Maurer, Darol Young, Phillip Smitherman, Donald Bean and the hostesses.

Mr. and Mrs. L. T. Wood plan to leave the first of the week for a vacation at El Paso, where they will spend several days sightseeing, and attending the rodeo. They plan to be home the end of the week.

Mr. and Mrs. Paul Horne of Gilliland, and Mr. and Mrs. Kenneth Smith of Lubbock were dinner guests Sunday with Mr. and Mrs. Sylvain Kinnibrugh, and Beth, and Mr. and Mrs. Teddy Horne and Melissa of Plainview.

Mrs. Harold Hamm accompanied her sister-in-law, Mrs. Wanda Teeple of Floydada to Amarillo Monday on business. Mr. and Mrs. G. H. Robertson of Plainview were Sunday dinner guests here last Sunday with their daughter, Mrs. Keith Marble and family, Dwayne and D'Lee.

Mrs. Marvin Wells and Marilinda of Mineral Wells came Wednesday to be here for the funeral of her aunt, Mrs. Velma Cox, on Thursday. They have been staying with Mrs. Wells' parents, Mr. and Mrs. H. L. Marble.

Mrs. Harold Hamm held the second lesson cooking class Saturday morning in her home for members of the 4-H Club. The group plans to meet every week for 6 weeks. The menu for the day was barbecued chicken, English peas, spinach casserole, tossed salad and biscuits. Girls doing the cooking were Sheryl Pruitt, Wanda, Donna and Shirley Powell, Darla Milton, Donette Marble, Beverly Kinnibrugh, and Arlene Hamm.

Mr. and Mrs. Raymond Reeves and children went to Turkey Sunday to have dinner in the home of her parents, Mr. and Mrs. Bruce Gibson. Other guests with them were Mrs. Reeves' brother, Mr. and Mrs. Ted Bingham of Big Springs, and her aunt, Mrs. Bernice Welch of Wellington.

We offer sympathy to the family of Mrs. Velma Cox, who passed away at her home in Lockney Tuesday afternoon. Services were Thursday in Lockney. She had been ill at her home for the past three years. She has several relatives in the South Plains area.

Mr. and Mrs. Fred Fortenberry were called to Fort Worth Tuesday by the death of Mrs. Fortenberry's aunt, Mrs. Charlie McCain, 85, of Grapevine. She passed away suddenly on Monday from a heart attack. Services were held Wednesday in Grapevine. The Fortenberrys returned home the next day.

Mrs. Bryan Karr led WMS members in Bible Study at the Baptist Church Tuesday afternoon. Acts 13 and 14 were studied and Mrs. Charles Conger led the Calendar of Prayer. Mrs. L. T. Wood presided over the business meeting. There

Christian Science Dominion Over The Atom

"Dominion over the atom is fully achieved through the spiritual understanding of what God really is," said a Christian Science lecturer in Lubbock Sunday, Feb. 4, 1968.

Jules Cern, C.S., was the speaker, under the sponsorship of First Church of Christ, Scientist, Lubbock.

He told an audience in Municipal Auditorium that "the threat of atomic annihilation" can only be dispelled by the understanding of "divine reality."

"Even though we seem to be confronted with a new model of destruction, it is still the same old belief that there is a power apart from God," he said.

He declared that "God is infinite Spirit, the only Mind, ever-present Love" - and "the more we understand the allness of Spirit, the more we understand the nothingness of matter."

He noted that even natural scientists are finding matter to be in many ways an illusion of the senses. He quoted one physicist's explanation that all material objects are "shadowy, swirling sets of electric charges, these electrical charges themselves being vague and elusive."

Materiality is "A false state of thought, not a true state of man," said Mr. Cern.

"God is the only Life," and man is God's "inseparable, spiritual likeness."

The need, he said, is for a "clearer concept of God, and of man as God's perfect, non-physical, wholly spiritual idea."

"Christ Jesus stated it concisely in these words: 'Whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it' (Matt. 16:25). That is, whosoever believes that there is mortal life to save, will believe that there is mortal life to lose. But whosoever relinquishes his false, mortal sense of life for the Christ, the perfect, spiritual idea of Life, shall have it."

He related the case of a man who was healed of a serious organic ailment when "he realized that there are no exceptions to man's being wholly spiritual," and "saw that he must mentally let go of physicality, good or bad, as a concept of his identity."

The lecturer described the healing in these terms: "He had left no place for an unlikeliness of God in his thought. So there could be no place for an unlikeliness of God in his experience. He had wholeheartedly accepted his true identity as a perfect spiritual idea of divine Mind, instead of clinging to an imperfect, physical concept of mortal mind."

There will be no WMS meeting the week of Feb. 5th, but the auxiliaries will meet Tuesday afternoon.

Congratulations to Mr. and Mrs. Richard Sanders and children as they have moved into their new home on the Silverton Highway.

Mr. and Mrs. Raymond Reeves attended a supper bridge party in Silverton last Friday night, held at the home of Mrs. Tom Bomer. Five tables of bridge were played, and supper served.

Mr. and Mrs. Frank McClure returned home from Snyder Friday night after having spent Wednesday to Friday there with her mother, Mrs. R. W. Newman, and brother, A. C. Newman and family.

The Ground Hog definitely saw his shadow here Feb. 2. But we have truly had beautiful weather the past week, with sunny, clear days and cold nights.

Mrs. Raymond Reeves went to Amarillo Saturday, accompanying Mrs. Don Cornette and

Mrs. Jerry Patton, both of Silverton.

Mr. and Mrs. Kenneth Bean went to Houston Sunday where they will attend a meeting of the cooperatives. Mr. and Mrs. J. A. Welch are also attending the meeting which goes on through Wednesday of this week. Mr. and Mrs. Dale West are keeping Carla and Diane Bean while the parents are away.

Mr. and Mrs. Eugene Beedy went to Floydada Friday night where they visited in the home of Mr. and Mrs. Harvey Allen. Other guests were the Alton Higginbothams and the Weldon Pruitts.

Mrs. Don Marble and Mrs. Eugene Beedy will go to Lubbock this Tuesday where they plan to attend an art gathering at Newsoms. They will take several lessons on Folk Art.

Relatives here have been at the bedside of Mrs. Bruce Whitlock who has been in the Lockney Hospital several days. She is reported much improved this Monday.

Mr. Cern then compared all evil and discord with errors in mathematics.

"Just because there seem to be so many mathematical errors in the world, would you suggest that there is a mathematical devil operating against the law of mathematics? Of course not! Mathematical errors are the result of ignorance of, or deviation from, mathematical principle."

"Similarly," he said, "human discords are the result of ignorance of, or deviation from, divine Principle. They are not the result of another power operating against God. Nor are they the will of God. God only blesses. He never punishes man, nor does he forsake him, even though our false sense of man may seem to be engulfed with discord."

Emphasizing that evil has no basic reality, he quoted a passage from the Bible: "Know therefore this day, and consider it in thine heart, that the Lord He is God in heaven above, and upon the earth beneath: There is none else" (Deut. 4:39).

He also quoted the Discoverer and Founder of Christian Science, Mary Baker Eddy: "The subjective states of evil, called mortal mind or matter, are negatives destitute of time and space; for there is none beside God or Spirit and the idea of Spirit" (No and Yes, p. 16).

"We must no approach each problem as if it were some part of God's creation gone wrong," the lecturer commented. "What we are contending with, he said, is 'a false thought that there is something besides God, a false thought that there is another power."

"Our entire mortal concept of the universe must be blanketed with the omnipresence of infinite Spirit. The suggestion that there is any hatred or suffering must be blanketed with the all-pervading ever-presence of divine Love."

This "law of God's allness" exists and prevails today, he said.
