MISSES BURROW, KILLIAN RUNNERSUP

Jeanne Brewer Chosen Miss Floydada Of 1968

Miss Jeanne Brewer, Floydada High School Junior, was selected as Miss Floydada of 1968 from among a field of 22 contestants Saturday night at the annual pageant held in the school auditorium.

First runnerup in the pageant, "A Salute to Southern Belles," was Carole Burrow while Jan Killian was selected second runnerup of the event. Both runnersup are Senior students.

Miss Brewer, daughter of Mr. and Mrs. David E. Brewer, first was selected in the top ten, then chosen to reign as Miss Floydada by Judges Wes Youngblood, A. R. Marcus and Dan Miller.

Miss Burrow is the daughter of Mr. and Mrs. Tom Burrow and Miss Killian's parents are Mr. and Mrs. Stanley Killian.

WINNER'S REWARD - Miss Floydada of 1968, Jeanne Brewer, receives her reward, a dainty kiss on the cheek, from Carol Burrow (left) and Jan Killian, runnersup in the annual pageant. (Staff Photo)

Others in the top ten included Valonna Bennett, Judy Bullock, Ann Fawver, Debby Jones, Iwana Smithey, Kay Snead and Nancy Williams. Each appeared in formal attire for final judging after all 22 contestants had appeared in sportswear, streetwear and formal attire for preliminary judging.

Crowning the new Miss Floydada was Miss Kitty Lloyd, last year's titleholder, now a freshman at Wayland College, Plainview.

MISS FLOYDADA
The new Miss Floydada is active in school activities, serving as president of the Future Teachers Association.

SIGNUP AT 7:30 P. M. FRIDAY

Bill Hale Will Head Floydada Junior Baseball Association

Bill Hale was named as president of the Floydada Baseball Association at an organizational meeting of the group last Thursday night at the First National Bank Community Room.

In accepting the head of the organization, Hale asked that everyone "please cooperate and help with the summer baseball program. Approximately 40 adults are needed to operate the fields during each night's play and I urge everyone to help when they are asked and to volunteer their services umpiring, helping in the concession stand or working on the baseball grounds."

Player signup for the summer program was slated by Hale for Friday night at 7:30 p.m. in the FNB Community Room and boys are urged to be present at that time, bringing a parent or guardian, \$5 registration fee and their birth certificate.

Survivors include his parents, Mr. and Mrs. L.W. Osborn of Plainview; three sisters and two grandmothers.

Rev. Ralph Graham, pastor of the church, officiated for the rites. Lemons Funeral Home was in charge of interment in Parklawn Memorial Gardens in Plainview.

Dog Poisoning Warning Issued

During the past several weeks, there have been some "dog poisonings" in the Floydada area according to authorities who are warning against the practice.

According to Jack Jordan, M.D., County Health Officer, a person who puts poison on meat or other food with intent to kill dogs, and a child accidentally gets poison instead of the dog, could be prosecuted for Negligent Homicide and possibly indicted for murder.

Anyone who is troubled by roaming dogs should not attempt to take the matter into their own hands, but instead should contact officials at the City Hall for proper legal means to be taken in disposing of the animals.

Consolidation Issue Favored By 91-5 Margin

Only five dissenting votes were cast in the election Saturday to determine whether or not the Floydada Independent School District and Lakeview Common School District would be consolidated.

Voting in separate elections at Floydada and at Lakeview, 68 Floydada District residents gave their approval to the consolidation with no dissenting votes while the Lakeview tally stood at 23 for and five against.

Consolidation of the two schools will become effective immediately and property owners of the Lakeview District will be listed on the Floydada Independent School District tax roll retroactive to January 1, 1968 when the 1968-69 school tax year began.

Students in the Lakeview area were already attending Floydada schools and the district will now become dormant.

AT PANHANDLE PRESS CONVENTION

Hesperian Receives Community Service Award

The award was made by three officials of the West Texas Chamber of Commerce, who sponsored the plaque.

OTHER AWARDS
The Hesperian was also honored with three other awards; second in news writing, third in general excellence and third in Woman's Page Features.

Twenty-three member newspapers of the Press Association participated in the contest and 83 entries were judged.

The second place in news writing concerned Tooley's reporting of two local surveyors lost overnight in the Narrows and Floydada alligator stories.

Mrs. Medley's was made for her society page column, "Socially Yours," which has since been changed to "Peggy's Meddlins."

ON BOARD
Tooley was elected to serve on the PPA board of directors during the business session of the convention.

John Stapleton Is Loyalty Day Speaker For VFW

J. W. Harrison Post #5616, Veterans of Foreign Wars, will hold a breakfast at Rogers Restaurant Wednesday, May 1, at 6:30 a.m. John B. Stapleton, District Attorney, will be the featured speaker.

The occasion of this breakfast is to honor the VFW's 50th anniversary.

MORE THAN \$1,500,000 Bank Deposits Up

According to a bank call report of April 18, 1968, Floyd County's two First National Banks at Lockney and Floydada showed an increase in deposits of over one and a half million dollars over an April 25, 1967 bank call.

The Floydada bank was up in deposits from last year's \$9,157,704.74 to \$10,044,016.53.

The Lockney bank was up in deposits from last year's \$6,261,013.16 to \$6,897,869.08.

Bankers Clay Henry of Floydada and Gene Collins of Lockney told a Hesperian reporter that the increase in deposits probably reflected last year's crop, early government payments to the farmers, and less spending earlier in this year due to rainy weather.

LOANS
Floydada's loans were up from last year's \$4,023,657.49 to \$4,500,000.

Blood Donors Are Needed

Type "A-Negative" blood donors are needed for Roxanne Thornton, 4-year-old daughter of Mr. and Mrs. Ronny Thornton, Lockney, it has been announced.

Persons who have the particular type of blood and would become a donor, are asked to contact the Thomtons at 652-3152, Lockney.

HESPERIAN WINS AWARDS - The Floyd County Hesperian came away from the Panhandle Press Association Convention Saturday with a share of the awards given, including the most coveted award given, that for Community Service. Wendell Tooley, Hesperian publisher, and Peggy Medley, society editor, are pictured above with the awards which are, from left to right, third place for best woman's page feature, first place in community service, third place in general excellence, and second place in news writing. Time Did Say It Was?

... set that clock up an hour to sleep Saturday night, or you'll be up Sunday morning.

... at 2 a.m. on April 25, it will become one hour later than you are used to.

... at that instant, in the wee hours of the morning, Floydada and everywhere else in the Star State will be enveloped with the most talked about time scheme in the world - Daylight Saving Time.

... according to the Texas Almanac, DST is more affectionately known as "the hour of pleasure" and follows the hour of 5 p.m. when each of the four categories cease activity in the world.

... the same light... DST also adds an hour to the working day of women (who slave away at the sun, cause their work is never done) and men who remain open as long as the customer stirring and farmers who work from 4 a.m. each day and work until 11 p.m.

... of whether or not DST gives the world that second nine holes at the golf course an hour to the amount of sleep needed... take heed!

... blessing... it will soon be upon us.

FLOYDADA people attended the last of the Osborns in Plainview last Saturday. The Osborns graduated from an Amarillo high school and was buried in Plainview, he was buried by many people in the Floydada area.

... became known to me when he carried the football field in his Sophomore year. He showed a lot of determination and ability on the football field and possibly just as evident on the battlefield.

... to Jack's football coach, his school and others who knew him well, I think he was a carefree, happy sort of person in looking at the problems he found himself confronted with in school.

... claim Jack as a Floydada boy, and we can, he's the first to pay the price in Vietnam from Floydada.

... his life upholding freedom for the world... he fought and died for it. May God bless and comfort those who are missing him.

... 20 YEARS OF newspapering, I have received my share of awards and a lot more than I deserve... but "Community Service Award" that the Hesperian at the Panhandle Press Convention in Amarillo last Saturday is the most prized.

... this new plaque hangs in the Hesperian office, parts of it rightfully belong to the community. The plaque is dedicated to our newspaper for editorial and outstanding news coverage of the hospital, school, airport and water supply.

... means that all of the people who worked on these accomplishments in this community share in receiving this "Community Service Award."

... of the award goes to the very fine staff of The Hesperian... some to me who hears me bring home the problems of our community every night.

... point, it's nice to look at the achievement, but this is no time to sit and rest on laurels. There is much yet to be done. I am alarmed at farm programs that reduce manpower, we're concerned about our businesses closing up, we see a bleak future for Floydada a better place to live in. We can't stop now.

... has our Industrial Foundation faced the challenge. It seems that some sort of program that will bring more residents to the community is one of the big needs to develop establishments open and a growth-oriented community.

... we should all take to heart these words that Southwestern Public Service's slogan gave in his talk Saturday morning at the convention.

COMMUNITY BUILDER'S CREED

Always be a booster of my community.

Learn the basic assets of my community and its economic potential.

Support my Industrial Development program, participating financially, when away from my community, literature promoting its virtues, receiving rumor or word of pending legislation, I shall pass such information on to my neighbors.

When contacting an industry in my community, inquire as to its expansion plans and, if appropriate, will notify my Organization.

Do all in my power to improve the life of my community, area and state.

Strive to make my community a place in which to live, work and raise children.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, April 22-Next Sunday, April 28, the South Plains Baptist Church will have an "old time dinner on the grounds," following the morning worship service, everyone come for the dinner and afternoon of fellowship. Each family is to bring a basket dinner, and Pastor Charles Conger is hoping for all the church family to be present. Bread and drinks will be served by the church.

Congratulations to Mr. and Mrs. Joe Lee Dunn of Lubbock on the birth of their first child, a son, who was born in the Methodist Hospital in Lubbock April 15. The baby has been named James Lane. Mrs. Dunn is the sister of Mrs. Eugene Beedy of our community, and was formerly Lynn Jackson. She and husband Joe both attended Floydada High School.

Mr. and Mrs. C.F. Fortenberry went to Sun Ray Sunday to spend the day with their son, Mr. and Mrs. Elmo Fortenberry and children Rhonda, Patricia and Elmo Jr. Her mother, Mrs. N. C. McCain of Lockney, accompanied them and will spend the coming week there with her daughter, Mrs. Elvin Hutson and family, who also reside at Sun Ray. The Fortenberrys visited in Amarillo with a brother, John McCain and family, on the way home.

Mrs. Philip Smitherman spent Sunday in Silverton with her mother, Mrs. J.K. Bean, who is having to undergo dental surgery.

The Young Ladies Bible Study Group will meet at 9:00 Wednesday morning in the home of Mrs. Kendis Julian with Mrs. Don Probasco teaching the study.

Mr. and Mrs. Frank McClure are expected home this Tuesday from Houston, where they have spent the past ten days visiting with their son, Mr. and Mrs. Donald McClure and children.

Congratulations to Mr. and Mrs. Chester Hidalgo of Granbury, formerly of South Plains, who have a baby son, James Edward, born April 17. James weighed only a little over five pounds. Mother and son are doing fine. The Hideos have a fine family of two girls and three other boys.

Roy Childress, father of Mrs. Chester Hidalgo of Granbury, was able to spend last week at his home in Granbury. He has been in "critical" condition in the hospital for several weeks, but is getting along well at this time.

Word has come here to Mr. and Mrs. Harold Hamm from his older brother, R.J. Hamm of Greenwood, that their brand new brick home was completely demolished in the destructive tornado which swept through Greenwood last week. The R. J. Hamm's lived two blocks from the downtown area of this small town. They were not at home when the storm swept through, so were not able to save anything from their home. The Harold Hamm's have not been able to get in touch directly with the brother since the storm, but a nephew sent word they were all right.

Mrs. Keith Marble is to be the new 4-H Clothing leader for the coming year for the 4-H Girls of the community and this coming week will attend leadership meeting for clothing leaders.

Mr. and Mrs. L. N. Johnson have been confined to their home most of the past week with a virus.

Carla Bean, daughter of Mr. and Mrs. Kenneth Bean, is ill with bronchitis.

Mrs. Harold Hamm, and daughters, Arlaine and Jeaneva, took another daughter, Mrs. John Bentley to Abilene Friday after she had spent the past week here visiting the Hamm's. The group first went to Grand Prairie to visit another daughter, Mrs. Howard Staples and family, and Saturday they all went to Fort Worth where they went through "Six Flags Over Texas". Mrs. Hamm, Arlaine and Jeaneva returned home on Sunday.

Mr. and Mrs. E. J. Kinslow, Phil and Steve went to Amarillo Wednesday evening after school to help celebrate the first birthday of their granddaughter, Jennifer Kinslow, in the home of her parents, Mr. and Mrs. Bary Kinslow and baby son.

Mrs. L. T. Wood and Mrs. Charles Conger went to Floydada Friday afternoon to the Lighthouse Electric kitchen where they enjoyed a program on "Flower Arranging" given by the Floydada Garden Club.

Mrs. Dee Bingham was honored at an introductory coffee, last Thursday morning, in the home of Mrs. Kenneth Bean. Assistant hostesses were Mmes. E. P. Pritchett, E. J. Kinslow, Shelby Calahan, and J. A. Welch. The serving table was laid with a linen cloth and centered with daisies in a green bowl. Coffee, spiced tea and fruit muffins were served from ironstone china by Mrs. Johnny West. Around sixteen guests called.

After the Friday night Latin American Mission meeting at the Mission Baptist Church, Wayland students, who have

been serving in our area the past college term, will be honored with a party.

We were sorry to hear of the death of Guy Albert Jackson, April 17, in Lockney. He was the uncle of Mrs. Eugene Beedy of our community, and had lived in the Sterley Community for the past 25 years. Services were held in Floydada at the First Baptist Church Friday afternoon with Rev. Gene Hawkins of Seminole, officiating.

Many farmers in our community are starting to plant maize and cotton this week.

Some are watering, as parts of our area did not receive any of the rain of last Thursday morning. The L. N. Johnsons, and others in that southeast portion of South Plains received around an inch.

The South Plains Baptist Church will hold its spring revival May 1 - May 5, with Dwight Martin leading the music, and different ministers leading the preaching services each night. The revival will open with the Wayland Inspirational Hour Choir bringing a musical, and Thursday night

Francis Wilson of Lubbock will be preaching; Friday night Wayne Blankenship of Plainview will preach Saturday night Carlos McLeod of Amarillo will be the evangelist, and Sunday for both services Dr. W.H. Clark will bring the messages.

Mr. and Mrs. Raymond Upton are spending this week in El Paso with their daughter, Mrs. Karl Craig and family. Mrs. Ursel Taylor and Mrs. Harry Hartman are caring for Upton Grocery and Post Office while they are away.

Our community is sorry to learn of the death this Monday morning of Mrs. Bruce Whitlock of Lockney. She is the sister of Horace Marble of our community. Time for services have not been set.

82 were present for Sunday morning Baptist Services with Mrs. Steele Deavenport and Sharre, visitors from Boulder, Colorado. They are visiting here with her parents, the Bryan Karrs for the coming two weeks. Mrs. M. M. Myers entered the Baptist Church by letter Sunday morning.

Hobby Club met on Wednesday afternoon, in the home of Mrs. Murray Julian with Mrs. E. J. Kinslow as co-hostess. The program was on Short Vacations near South Plains and Mrs. Mary Phillips of the Lighthouse Electric in Floydada and Miss Sara Stanforth were guests of the club. Mrs. Phillips showed a beautiful sound film of travel on "Texas, Land of Contrasts",

and Sara reported on her recent trip to HemisFair in San Antonio. The group enjoyed all the travel information and pictures which both brought. Thought For the Day was given by Mrs. Nichols, and roll call was, "My Favorite Vacation". Jewel Fortenberry presided over the business meeting and refreshments of cherry dessert, banana pie, spiced tea and coffee, with snacks were served by the hostesses. Present were Mmes. Charles Conger, Fred Fortenberry, Bryant Higginbotham, Carl Huckaby, Arby Mulder, Alvin Nichols, L. T. Wood, M. M. Myers, hostesses M. M. Julian and E. J. Kinslow and guests, Mrs. Mary Phillips and Miss Sara Stanforth. Mrs. H.L. Marble will

NEW TECHNIQUE TO COMBAT BOLL WEEVILS

New techniques to combat boll weevils on the High Plains will be employed this year, and the intensified spraying program again will be utilized. Sex attractants and sterile male boll weevils will be used in isolated tests this year to further develop means of eventually eradicating boll weevil host the May Hobby Club meeting.

Remember to set your clocks ahead one hour when you go to bed Saturday night because Daylight Saving Time arrives at 2 a.m. Sunday morning.

length formal, lime green stretch pants and sleeveless blouse in the sportswear division, and two-piece knit dress in the streetwear competition.

SECOND RUNNER UP
Miss Killian serves as a class favorite and class officer, has been chosen "Citizen of the Semester," and elected to this year's "Who's Who." She is a member of the Whirlwindettes, National Honor Society, twirler in the Whirlwind band and serves as Band Sweetheart. She has also been elected most courteous, most athletic, and most friendly.

Ensembles chosen by Miss Killian in the pageant included a pink peau de soie full-length formal, sleeveless pants dress of petal pink, and black and white polka-dotted street-length dress.

QUESTIONS
After the top ten contestants were selected, each was asked

a candid question to help the judges in their selection of the top three.

Question asked of the new Miss Floyddada was "What would you do if you saw a school leader smoking and drinking?" Her reply in part, indicated that she "would lose faith" in the person.

Miss Burrow's question was "Do you believe TV shows and movies influence the morals of young people?" Her reply indicated that they would not be an influence if the young people were "brought up right" by their parents.

Miss Killian's question was "Do you believe it is an offense to cheat and why or why not?" She replied that cheating "breaks God's laws," but that she would not consider reporting the cheater, because it was between each person and his conscience to make up his mind about such things.

Upon announcement of the selection of the top three, Hulon Carthel, president of the Senior Class, presented Miss Brewer with red roses and the traditional kiss. She received a necklace as a gift and the runners-up received charms.

Serving as narrator for the pageant was Mrs. Keith Buhrman and background music was provided by Marjion Wylie.

Providing entertainment for the event was Tommy Farris who sang and played the guitar, the High School Drama Class which presented a "Mr. Floyddada Pageant" skit, and the Dominettes, a vocal group.

Dale Smith sang the "Sweetheart Tree" as an introductory number to the pageant after Carthel had extended the welcome for the Senior sponsored event.

MACKENZIE, FROM PAGE ONE

Mayor Jimmie House of Silverton responded by saying that in the past month, the City has drilled seven deep water test holes down to 700 feet, and of the seven only two showed any possibility and that the geologist had reported that it is possible the City could get a four-inch well out of the formation which has been located. He said the people of Silverton continue to favor the project to build the dam.

Mayor J. D. Harris, Jr. of Tullia said that he felt the people of his town still want the whole project. Floyddada's mayor stated he felt the people in his city would approve a partial project at this time.

Davis reminded the group that this was the same position the Board was in back in July, when the proposition to build the dam, treatment and transmission plant, pipeline, etc. - the total \$8 million issue - failed to pass in the special election. He reminded the group that a solution was necessary to the problem of disagreement among the member cities if the project is to be continued.

Joe Smith, Lubbock, of the Great Southwest Bonding Company, stated that a solution might be to go ahead and build the dam and 27" raw water line from the dam to the treatment and transmission plant (which would be adequate for serving the City of Silverton and could be enlarged when the other member cities are ready to buy water) at an approximate cost of \$3.2 million.

He added that a bond issue for the \$3.2 million project could be voted by the four cities, and the City of Silverton could have an additional water revenue bond for the purpose of building the pipeline from the treatment plant into Silverton.

Dr. R. F. McCasland, Tullia dentist, received permission to address the board as a private citizen, and his thoughts seemed to be a turning point in the thinking of many of those present. He stated that during the time he was Mayor of Tullia he attempted to meet with the people who were in charge of the Canadian River project to see if it would be possible for Tullia to reconsider and become a member city, and that he discovered that previously the City Council had turned down an opportunity to buy water from that source and the city had no further choice in the matter. That avenue was closed, as would the possibility of getting water from the Mackenzie Reservoir if the cities reject the proposals and lose the water rights. He reminded the people of Tullia that no one knows how long the new deep water well will last, and that they would give careful consideration to progressing with the Mackenzie Municipal Water Authority to insure future water needs.

Dr. McCasland went on to say that people are in error when they make claims that the people of one city will pay more than the people of another city will pay. If a man owns a \$10,000 home in Tullia, he will pay the same water district tax as a man who owns a \$10,000 home in Silverton.

"Dr. McCasland stated that he has a special interest in the

Mackenzie issue, because he has patients from each of the four cities involved and it is his hope that the Mackenzie project will be carried to completion for the benefit of the entire area.

Following this, Davis gave the group this charge: "I want you to decide whether this Board will continue to function." He called a recess, and asked that the delegations from each of the cities meet to discuss the situation among themselves.

When the meeting was called to order again, the Floyddada mayor reported that his city wants the dam and he believes his people will cooperate with the people of Lockney to build the water pipeline when it is needed. Lockney's mayor reported that the people of Lockney would rather undertake the complete project, but since they realize that concessions will have to be made, they will work with the people of Floyddada to reach an agreement on building the pipeline, and if this agreement is satisfactory, it probably will be acceptable to Lockney voters. Tullia's mayor gave the decision that his group will work for passage of the partial project. Mayor House indicated that the people of Silverton will favor the partial project.

Davis asked the mayors of Floyddada and Lockney to meet with the representative of the bonding company to work out an agreement between their cities before the next meeting of the Authority.

Board members present were Davis and S. W. Ross, Floyddada; Ziegler and John Toie, Tullia; Tom Moore and O. C. Bailey, Lockney. Director Charles Whitfill of Silverton was unable to attend due to his absence from the area, and Director Milton Dudley of Silverton was unable to attend due to illness.

Jim Nichols, Fort Worth, of Freese, Nichols & Endress, consulting engineers, was also present.

Councilmen attending from Floyddada were Louis Anderson, Ray Gene Ferguson, Mayor Leonard Matsler, city manager Bill Feuerbacher and Marshall Haney.

JOHN STAPLETON ... Loyalty Speaker

The VFW instigated the observance of Loyalty Day in defiance to the open celebration of May 1 by the Communists in the United States. Later the President of the United States issued a proclamation declaring May 1st as Loyalty Day each year.

John Cockrell, senior vice-commander, urges all patriotic Americans to fly their flags on May 1 every year to show loyalty to the nation for which it stands.

New Residents Must Vote In Clerk's Office

Floyd County Clerk Margaret Collier has reminded new residents of the county that they must vote in the county clerk's office by Tuesday, April 30, if they wish to participate in either the Democratic primary or the Republican primary to be held on May 4.

Any person who has lived in the county less than six months (who became a resident after November 3, 1967) must vote in the clerk's office during the period of April 15 - April 30. He must be a registered voter either in this county or in the county of his former residence and must have lived in the state for a year. He will be required to present his registration certificate or to make an affidavit of its loss when he applies for a ballot.

A voter with less than six months' residence in the county will be able to vote on all statewide offices and on the referendum propositions on the primary ballot, and will also be able to vote on district offices for districts in which he has six month's residence pre-

ceding the election, but he will not be permitted to vote in local races.

WINNERS IN ART CONTEST.....Miss Carole Burrow, left, was first place winner with a water color in the senior division of a recent art contest sponsored by the 1934 Study Club of Floydada. First place winner in the junior division with a pencil sketch was Laura Campbell, pictured right. (Staff Photo)

Miss Burrow, Miss Campbell Winners In Art Contest

Winners in a recent art contest, sponsored by the 1934 Study Club, were named. Carole Burrow was first place winner in the Senior High division and Laura Campbell was first in the Junior High Division.

Miss Burrow's entry was a water color and Miss Campbell's entry a pencil sketch of Rhonda Pierce.

Other Senior division winners in water colors were Jill Stansell, second and Donald Campbell, third. Other Junior division winners were Patsy Shultz, second with a sketch of Cindy Simpson and Luis Costillo, third, sketch of Julie Barra.

The above art creations will be on display in downtown store windows this week for public viewing. The senior display will be at Bealls and the junior display will be at Hales. The two winning works of art will be displayed in Parker Studio window.

34 Study Club Meets With Mrs. Patterson

The 1934 Study Club met April 16 in the home of Mrs. Helen Patterson. The Club Collect was read and roll called answered by naming an educational institution and giving an interesting fact concerning same.

Mrs. H. G. Barber introduced special guests, Ronnie Graham, student at Floydada Junior High, and Judy Jameson, student at high school, who read their winning essays, "Thank God! I Also Am An American". Mrs. Barber expressed appreciation to all students who entered the contest, which was sponsored by the club.

Pictures entered in the contest are displayed in the windows of downtown businesses and the 1st. place winners' pictures are being displayed at Parker Studio. First place winners are Carole Burrow, Senior High Division, and Laura Campbell, Jr. High Division.

During business a thank-you note for financial help given by the club to the Floydada Hospital Auxiliary was read. The hospital fund is the club's community improvement project.

The resignation of Mrs. Ralph Cogdell, effective at the end of the club year, was accepted with regret.

Mrs. Wilson Bond introduced the program "Education In America." Mrs. Tom Burrow spoke on "Horse and Buggy Days of Education" and Mrs. Vernon Parker gave a book review of "Up The Down Staircase."

Meeting was closed with an inspirational thought by Mrs. R. G. Dunlap.

Members present included Mmes. H. G. Barber, Allen Bingham, Wilson Bond, Thomas Burrow, Aaron Carthel, A. W. Coltharp, R. G. Dunlap, Garland Foster, Ralph Johnston, J. P. Moss, W. O. Newberry, Vernon Parker, George Springer, John Stapleton, G. W. Switzer, Jake Watson, A. L. Wylie Jr., David Campbell, Helen Patterson and Ronnie Graham.

The next meeting is May 7 with Mrs. Foster.

FLOYDADA FOLK
SEE GREENWOOD
AFTER TORNADO

Mr. and Mrs. Harvey Tardy and Lanell and Mr. and Mrs. F. F. Stephens returned home Sunday from a vacation trip to Bella Vista, Ark., and other points of interest in that state and in Missouri.

Enroute home Sunday the group passed through Greenwood, Ark., where the devastating tornado struck last Friday. Mrs. Tardy said the town was almost demolished. Two former Floyd County teachers, Mr. and Mrs. Rob Fisher, reside in Greenwood and were teaching in the school there when the storm struck. The school was destroyed but the Fishers were not injured. Their home also escaped damage.

Sunday evening the Floydada families stopped in Valliant, Okla., for a visit with Mr. and Mrs. H. L. Hartsell and Mr. and Mrs. Charles Hartsell and Charla.

After a program on Bicycle Safety at last week's troop meeting, Troop #65 made a long anticipated bicycle trip.

Girls on bicycles met at the home of troop leader, Mrs. Andrew McCulley Saturday morning where Floydada Police Chief, Tom Hopper, made safety inspections of each bicycle. He checked for tire inflation, tight bolts, handlebar grips, brakes, etc. Then the 20 girls and two leaders, Mrs. McCulley and Mrs. LeRoy Burns followed the police escort to the Sam Puckett home on the Sandhill Highway. After their arrival, the girls discussed plans for the noon meal and other activities for the day.

The girls planned an outdoor "good turn" which would help plants or trees to grow. They decided to pull weeds and trim sidewalks at the Puckett home. A prize was given the scout with the largest pile of weeds. It was won by Vicki Smith.

Games were played, then preparations were begun for the noon meal. Each girl made a vagabond stove from a gallon can and used a ruddy burner for fuel to cook hamburgers for herself. Following lunch cleanup, the scouts paired off and practiced making a rain shelter using two bicycles and

AN autograph party for Mrs. W. T. (Dub) Richardson, the former Mozelle Groner of Plainview, was held Tuesday in Plainview. Mrs. Richardson is publisher of the lively and sparkling book, "Dear Daddy, Never Let Mother Travel Alone."

MY reason for being in Amarillo over the weekend was to attend the Panhandle Press Association awards breakfast Saturday morning at the Coronado Inn. I drove down Friday afternoon in the dust storm and Wendell and Bill joined me for the breakfast Saturday morning. The Hesperian came away with four awards, one being the highest award presented and given for the first time this year. It was the Community Service award of which we are most proud. The Hesperian was also given a third in General Excellence, Wendell won second in news writing and I won third for my column writing. I'll probably sound like someone bragging, but I had only six newspapers in 1967 from which to select my column. We had to submit three which we thought were the best. I started my column November 21 and went through December so I didn't have much from which to select. Needless to say I am very proud of my certificate and will be working hard toward a plaque next year.

GRAVEYARDS for pets. . . I saw my first over the weekend in Amarillo. Plots sell for \$50. They have miniature caskets, they curb the gravesite, headstones are available and the little cemetery is well cared for. The woman owner also has a kennel and grooms canines. Mother took her male poodle there to have his monthly grooming, which is all right, I suppose, but I thought it was a little unusual when we picked him up and I noticed he had painted each nail on the four paws a delicate gold. He even had a little blue satin bow fixed on top of his head. He looked like a mixed-up hippie!

I SAY we have a fine Negro leader in the retired light heavy weight boxing champion of the world, Archie Moore. He's a product of a Negro ghetto in St. Louis. Moore is now embarked on a program which he calls ABC - standing for "Any Boy Can" - designed to teach youngsters that there is "greatness in America." Archie said in a recent news interview that great men came out of the Negro ghetto, famous jazz musicians, doctors, lawyers and chiefs. He said "we made it because we had a goal, and we were willing to work for it!" He continued "Don't talk to me of your guaranteed national income, any fool knows this is insanity. Do we bring those who worked to get ahead down to the level of those who never give a d---? The world owes NOBODY - black or white - a living. God helps the man who helps himself." Those are my sentiments exactly.

Floyd County Council Meets

Floyd County Home Demonstration Council met last Friday with Mrs. W. J. Ross presiding. Mrs. Zant Scott called the roll and all clubs were represented. All clubs had also presented the monthly programs as outlined in the yearbook. These were "pattern alteration" and "creative arts."

Mrs. Clay Mercer announced that two volunteers from each club were needed to assist in sponsoring Ladies Day at the County Fair in September.

committee was asked to gather at the close of the program.

Following business Mrs. Doris Snodgrass introduced guests and presented Joni Fitzpatrick, music teacher at Duncan Elementary School in Floydada. She in turn presented some of her music pupils who gave four different types of music accompanied by their teacher at the piano.

The pupils are Mary Soto, Irene Castillejo, Christine Green, Diane Covington, Pauline Cooper, Barbara Hawkins, Lawrence Wisdom, Craig DuBois, Melvin Johnson, Brooks Carroll and Perry Walker. The sixth grade singers presented several numbers consisting of religious, classical, modern and spiritual songs.

Piano numbers were given by Donna Reid, Tolya Hickerson, Sherry Moss and Cary Brown.

Two sets of square dancers presented the final portion of the program. The dancers were Cary Brown, Billy Whitaker, Sherry Moss, Jerry Lackey, Katherine Hinsley, Greg Black, Karen Alldredge, Jimmy Whitely, Jim Harrison, Rex Yeary, Sharon Decker, Mark Helms, Dona Woody, Mike Vickers, Belinda Covington, and Randy Pierce.

Joni Fitzpatrick gave musical selections during the refreshment hour.

Shower Honors Miss Sue Ring

Miss Sue Ring, bride elect of Gene Bain, was feted with a bridal shower Saturday, April 20, in the home of Mrs. A. C. Pratt. In the receiving line with the honoree was her mother, Mrs. Claude Ring and a sister-in-law, Mrs. Hubert Ring of Lubbock.

Guests were registered by Mrs. Ron Davenport of Lubbock.

The serving table was covered with an ecru lace cloth over yellow and was centered with an anniversary candle decorated with yellow and green flowers and personalized with the names "Sue and Gene," and their wedding date. The candle was highlighted by a net base.

Mrs. J. R. Pernel served from crystal appointments.

Hostesses were Mmes. R.H. Crawford, W. J. Ross, F. M. Covington, J. R. Pernel, Kenneth Robertson, Grady Walker, R. W. Overstreet, J. T. Poole, S. M. Crawford, C. A. Caffee, A. L. Chowning, Bruce Johnson, Bill Smith, G. W. Smith, Lon Emert, Floyd Starkey and Mrs. A. C. Pratt.

Their gift to the honoree was a set of avocado green cookware and cookbook.

The Council's spring money making project will be a tasting luncheon at Lighthouse Electric kitchen May 10 at noon. Each member is to bring a dish and its recipe. They are also asked to bring a hobby or an object of creative art for displaying.

Mrs. Raymond Williams gave the financial committee report. Mrs. Glenn Poole gave the 4-H leaders report and Mrs. Mercer gave the reporter's report.

Mrs. Ross asked that program suggestions for the 1969 Yearbook be given to the council's vice-chairman. She also announced the eligibility of the THDA chairman. Mrs. O. G. Mayfield, to serve again. Nominees for THDA chairman should be presented at the May Council meeting at which time the election will be held.

Mrs. Leon Ferguson and Mrs. Harold Hamm, delegates to the recent district meeting, gave their report, followed by THDA news given by Mrs. Mayfield and the summary of the meeting, given by Mrs. Allen Kellum, vice chairman.

Those attending the council meeting were Mrs. W. J. Ross, Dougherty; Mrs. Sherwood Ramsey; Mrs. Glenn Poole and Mrs. Zant Scott of Harmony; Mrs. O. G. Mayfield and Mrs. Raymond Williams of Homebuilders; Mrs. Leon Ferguson and Mrs. Weldon Becker of Starkey; Mrs. Clay Mercer, Mrs. Harold Hamm and Mrs. Allen Kellum of Lone Star and Miss Sherry Mullin, HD agent.

THOMAS RUCKER CRITICALLY ILL

Mrs. Thomas Rucker called friends yesterday to inform them her husband lies critically ill in the M. D. Anderson Tumor and Research Institute at Houston. Relatives and close friends, including Mrs. Austin Holmes, who flew to Houston Tuesday night, are with the family.

Rucker, who is suffering with a malignancy, was flown to the medical center by private plane last Friday and seemingly was responding to treatment up until Monday night when his condition took a turn for the worse.

Plainview District WS Guilds Will Hold Meeting

Wesleyan Service Guilds from Methodist Churches in the Plainview District will have a business and inspirational meeting this Sunday at the Trinity Methodist Church, Plainview. The church is located at 820 Utica Street.

Highlight of the session will be a talk by Rev. Jacinto Alderete, who is having "outstanding success" as director of the Wesleyan Community Center in Amarillo.

Mrs. F. O. Schacht of Lockney is to give the devotional. Miss Evelyn Vineyard, Plainview; Miss Lucille Flowers, Plainview; Mrs. Dora Burnett, Hale Center; and Miss Leila Petty, Tulla, are members of a panel and will discuss changes in structure of the Guilds.

Election of delegates to the South Central Jurisdiction Weekend at Mt. Sequoyah, Fayetteville, Ark., will be held during the business meeting. Rev. Russell McAnally, former

Rebekahs-IOOF Lodge Hold Annual Session

"The nicest and best organized meeting we have ever had," was the way former officers described the South Plains Association, Rebekah and IOOF Lodges, annual session conducted Saturday in Lockney Elementary School cafeteria.

Over 135 Rebekahs and Odd-fellows registered from lodges in Floydada, Lubbock, Muleshoe, Tahoka, Needmore, Earth, Plainview, Levelland, Brownfield, Abernathy, Lamesa and Lockney. Lubbock and Levelland each have two IOOF and Rebekah lodges.

Officials estimate that 150 persons were present, because several failed to register.

SAVAGE NEW PREXY Elmo Savage of Lockney was elevated from vice president to president of the Association for the next 12 months. Mrs. Evelyn Thomas, Earth, was named vice president, and Mrs. Bobby Boren of Lubbock was re-elected secretary. The mascot is Regina Shelby.

The day-long meeting opened at 8:30 a.m., and the program started at 9. Activities continued until shortly after 9 p.m. Aside from business, ceremonies were conducted in the afternoon session. Among the most impressive of the competitive services was the memorial service conducted by Floydada and Lamesa Rebekah lodges. Plainview Rebekahs put on an initiatory degree ceremony.

Dougherty Club Studies Pattern Alterations

Dougherty Home Demonstration Club members were entertained in the home of Mrs. R. H. Crawford Wednesday, April 3. The hostess read the devotional and roll call was answered by Mrs. Earl Edwards, Elmer Watson, Howe Hines, G. W. Smith, Ray Gene Carthel, Carmel Eastman, Claude Ring, W. J. Ross and Mrs. Crawford.

Mrs. Edwards, who had attended the leadership school of instruction, presented the program on pattern alteration. Each member told of her specific fitting problem and charts were shown and explained how to alter this problem.

The new sizing of patterns are also explained and members were cautioned to read measurements on new patterns as designers are using a new standard of body measurements.

Mrs. Ross discussed briefly points to observe when sewing to achieve a handmade look to the finished garment.

For recreation a panel discussion on current events was held.

Refreshments were served following the meeting after which members admired the profusion of violets blooming in the hostess' yard which bloomed under the recent snow.

Mrs. Elmer Watson entertained the club April 17 for a

National Library Week Slated For April 21-27

National Library Week will be observed on April 21-27... time to pause and reflect once again upon the value of books to the individual and to society in general.

Purpose of National Library Week is to encourage the development of lifetime reading habits as the foundation of a better informed people.

Most of the world's knowledge is contained in books and is transmitted to others through the magic of the printed page. It has been estimated that the world's knowledge that was accumulated from the dawn of civilization to about 1300 A.D. doubled by 1900; that it doubled again by 1950; and that it has doubled again by 1960; it is accumulating faster than ever right now.

Much of this knowledge necessary tasks they perform in transportation, serving refreshments each week, assisting with special camping functions, and crafts.

More than 200 dads, daughters, and leaders attended the annual banquet. The Father-Daughter supper is looked forward to each year as the nicest way girl scouts can honor their favorite gentlemen.

Girl Scouts Have Program On Bicycle Safety

Gerald Howard and Bud Rainey, highway patrolmen, came to present a program on bicycle safety to 75 girls in Brownie Troop 250 and Junior Troops 65 and 181 last week in their combined meeting.

Howard told the girls how to check their bicycles to be sure they were safe to ride, mentioning brakes, handlebar grips, chain, screws and bolts, reflector, horn, tires, and seat. A color film was shown to emphasize the following bicycle safety rules:

Obey all stop signs and traffic signals, as if you were driving a car; ride only on the right hand side of the street, as near the curb as possible; ride single file on busy or narrow streets. Never ride more than two abreast; don't carry another person on your bicycle. It obstructs vision, makes steering and balancing difficult; don't "hitch on" to trucks or cars. Never "stunt" or race in traffic. Clowning belongs in the circus, and showoffs are not smart.

Always dismount and walk your bicycle across busy streets; don't "weave" in and out of traffic, avoid sudden turns and stops; be alert for suddenly opened doors when passing parked cars; stop and make sure sidewalks and streets are clear when coming

Girl Scouts "Activities"

Girl Scouts from Troop 181 have enjoyed recent activities including a puppet show "Hansel and Gretel," that was presented to Brownie Troop 250 April 9. Mrs. Tom Vestal, District Advisor, from Plainview was invited to the show, and the Troop was honored to have her visit with them at their regular meeting as they worked on the Hospitality Badge. The puppet show skit was written by Shawn Higgins and Karen Looney. A grand stage production was in process as groups de-

signed the puppet stage, costumes were fashioned, words were put on paper, and puppet heads and hands emerged from paper mache and masking tape. The Troop also presented the puppet show at the Girl Scout Fair in Lubbock, March 23.

April 16, in Andrews Ward Cafeteria, Gerald Howard and Bud Rainey, highway patrolmen, conducted a very informative program on Bicycle Safety for Troops 250, 65, and 181. Work on plans for a community bicycle safety project were discussed and are in the making.

An exciting event has been planned for May 4, the day Troop 181 will go on an all day trip and noon cookout at Camp Rio Blanco. Departure time will be 9:00 a.m. at Mrs. David Kirk's house, 821 W. Mesquite and the girls will return around 4:30 p.m. To prepare for this long awaited "happening" the Troop will meet Tuesday, April 30 during their regular meeting time at the park west of the City Park Church of Christ to practice some camping skills. Patrol Leaders, Connie Welch, Jimmie Kay Sales, Debbie Green, and LaTrece Winn, with their Assistant Leaders, Elaine Giesecke, Revis Chandler, Kristi Kirk and Karen Looney will direct their patrols in procuring all necessary materials and food for the cookout in the park, and articles for the Troop First-Aid kit. The fun of outdoors now beckons the twenty-one, fourth grade members of Girl Scout Troop 181!

Mrs. Baker Dies Sunday in Lubbock

Mrs. Hattie Price Baker, Lubbock author and teacher and a former resident of Floydada, died Sunday morning in University Hospital in Lubbock. She was the aunt of Claud Price of Floydada.

Mrs. Baker was widely known for her work with handicapped children in Lubbock for many years. She operated the Baker Private Home and School for Exceptional Children from 1942 until 1959.

She was 85 at the time of her death and lived at 2202 15th. She had been hospitalized about a week.

Before going to Lubbock Mrs. Baker has taught at Dimmitt, Plainview, Floydada and Amarillo. She had been director of elementary education at Howard Payne College.

Following her retirement, Mrs. Baker served as consultant for the retarded adult division of the Baptist Memorial Geriatric Hospital at San Angelo.

She was the author of "Jesus Is The Key" and "My Journey of Life".

The family requested that memorials be made in the form of donations to the Hattie Price Baker Scholarship Fund at Wayland Baptist College in Plainview.

Services were held Tuesday afternoon in the Ford Memorial Chapel of the First Baptist Church in Lubbock with Dr. J. Ralph Grant, pastor emeritus, officiating.

Powderpuff Game Slated May 2nd At Wester Field

The annual Powderpuff Football game sponsored by the Floydada High School Student Council has been slated for Thursday, May 2, at 8 p.m. on Wester Field.

Admission for the game is 50¢ for adults and 25¢ for students of high school age and younger. Proceeds will be used for the AFS Fund.

Squaring off against each other will be girls teams composed of Seniors and Freshmen vs Juniors and Sophomores. Last year's Junior-Sophomore team won the 1967 powderpuff event. Everyone is urged to attend.

Rites Held For Mrs. Whitlock

Funeral rites were held Tuesday afternoon in the Lockney First Baptist Church for Mrs. Bruce Whitlock, 62, who resided northeast of Lockney. Mrs. Whitlock, a sister of Mrs. E. M. (Son) Jackson of the McCoy Community near Floydada, died about 7:30 Monday morning while being taken by ambulance to the Lockney Hospital. She had only returned home Sunday from the hospital and became critically ill during the night Sunday. Mrs. Whitlock has been in failing health for a number of years with diabetes and complications.

She was born June 21, 1905 at Farmersville and was the former Ruby Marble. She and Whitlock were married in Olton in July of 1926. She had lived near Lockney since that time except for a brief time in Wise County.

Survivors include her husband; one son, W. C. (Bill) Whitlock of Lockney; one daughter,

Mrs. Ted (Betty) Forgy of Austin; three brothers, Leon and Hugh Marble of Lockney and Horace Marble of South Plains; three sisters, Mrs. Jackson of McCoy, Mrs. Freddie Lee Johnson of Amarillo and Mrs. Ann McGhee of Plainview and four grandchildren.

New Girls Coach At Lockney High

Dennis Anderson, now a coach at Menard High School, has been named girls' basketball coach and assistant football coach effective with the opening of the fall term at Lockney High School.

Anderson is the son-in-law of Mr. and Mrs. Henry Ansley, Lockney. Anderson and his wife, Evelyn (a LHS graduate), have no children and plan to move to Lockney early this summer.

At Menard, he is serving as boys' and girls' basketball coach, football line coach and tennis coach where he has been the past two years.

The future mentor is a 1961 graduate of Knox City High School and a 1966 graduate of McMurry College. He was a two-year starter on the McMurry Indian varsity basketball team. Upon college graduation, he coached at Madison Junior High School in Abilene during the Spring term of 1966.

A GLOBAL population which may reach six billion by the end of the century points up "the magnitude of the task involved in feeding the people of the world in the immediate future," the annual Beef Cattle Conference at Texas Tech was told Tuesday.

"The severity of the problem of world food needs is clear," Dr. Dale Zinn, chairman of the Tech Animal Husbandry Department made the above statements.

Zinn said more than half the world population today suffers from serious malnutrition, especially in consumption of high quality protein foods.

Well, if you farmers and ranchers can stay in business until the turn of the century, looks like you'll be in the driver's seat then. More power to you!

A golfing parson, badly beaten by an elderly parishioner, returned to the clubhouse depressed.

"Cheer up," said the opponent. "Remember, you win eventually. You'll be burying me some day."

"Yes," said the parson. "But even then it'll be your hole."

Ballot Marking System Changed

There are three important changes in the Election Code for both primaries and general elections in Texas balloting this year, as compared to the scheme used in 1968.

The changes include:
1. All voters are required to register.

2. The "square and 'X' system" of marking ballots has been reinstated; however, the old system of marking is still lawful.

3. Write-in votes are not permitted in either first or second primaries and will not be counted, except in the case of county and precinct party chairmen.

Election officials are especially emphasizing that all voters must have registered before voting and that the system of marking ballots has been changed to the "square and 'X'" system.

Under the marking system, a voter must put an 'X' in the square opposite the name of each candidate for whom he wishes to vote. He cannot vote for a candidate merely by leaving his name on the ballot, as under the old system where the voter scratched out the names of candidates for which he did not wish to vote.

The old system is still lawful if the voter wishes to use it, but voters should be cautioned against mixing the two systems in marking their ballots.

Mr. Wendell Tooley
 Floyd County Hesperian
 Floydada, Texas

Dear Wendell:

It appears now that Governor Connally will call a special session of the Legislature sometime after the May 4th primary. It will probably be in June. As you know, at that time the Legislature must pass an appropriation bill for the second year of the biennium as well as a necessary tax bill.

The Legislative Budget Board is presently putting together a final total of spending recommendations for the next fiscal year plus a new estimate of revenues. It appears that the tax bill might be a change in our present sales tax whereby it will be broadened to include other items, i.e., beer, liquor, etc. However, I understand the Governor's recommendation will be somewhat different, possibly incorporating "single-shot" measures.

The Executive Committee of the Democratic and Republican parties have agreed to place referendums on the May 4th ballots concerning whether the people of Texas favor liquor by the drink. While the results certainly are not binding on the Legislature, they will probably have some influence especially in the larger metropolitan areas. Many private clubs have gone out of business since the Liquor Control Board clamped down with new interpretations as to the definition of "guests." Since private clubs were authorized by law in 1961, it had become the practice for private clubs to issue "guest" cards to just about anyone who wanted to enter. Under the new ruling the old practice is out. A "guest" card can no longer be issued to just anyone and consequently the clubs are, in many instances, being forced to close.

However, a recent ruling by Attorney General Crawford Martin indicates that in order to have liquor by the drink in Texas it would be necessary for the voters to approve a constitutional amendment. This will probably halt, at least for the time being, liquor by the drink. Incidentally, recently students at The University of Texas demanded that beer be served in the Student Union building on the campus. However, Chairman Frank Erwin and Board members have opposed this measure.

I would like to thank everyone who has been so kind as to inquire about Sue's condition. She has been back to M. D. Anderson Hospital and Tumor Institute in Houston one time since she was released about six weeks ago and she is doing quite well. We are both deeply grateful for all the nice letters, flowers and telegrams.

As soon as the primary election is over, Sue and I will be back home at 1302 Floydada in Plainview and you can reach me there or at my office at 2304 West 5th in Plainview.

In the meantime, if I can be of assistance, please call me in Austin at my office GR5-3212.

Best personal regards,

Sincerely,
 /s/ Ralph
 Ralph Wayne

Dear Editor,

As of April 22, 1968, the farmers of this vicinity began trying to plant their crops for 1968. The first need was extra tractor drivers, due to the weather condition, and lack of dry weather to have crop land ready to plant. It is necessary to plan land just ahead of planters, to prevent the soil from drying out, before seed has time to come up.

In this case everything was done trying to get a tractor driver for a few days or a week. At our employment office, the only listings for work wanted was some of our school boys after school and on Saturdays.

Help of one of our gins in town, phone calls to every person that might be interested in driving a tractor, but no one interested.

I invite the public of our vicinity to drive by our court house, the third Wednesday of each month. Take a look at the number of people getting commodities. Also observe the age of the men folks. True some are not able to work, but some look young and healthy to me. Also observe the cars and pickups, maybe station wagons, the people are driving.

I believe in helping any person that needs help, and do not expect those people to work. But for the ones that are well, I say let them work and live on their earnings.

If people are well and able to work, if they get a little hungry, and could they will look for work to help make themselves more comfortable.

I have lived on a farm over 50 years. Helped work in the crops, and still do. Went thru the "Depression in the 1930's." Some people call it the "Good old Days." To me it wasn't the "Good old Days." It was work as hard as you could, try to get out of debt. Stay at home no going to places of entertainment. Go to church on Sunday, and to the country school house once a month to a school play or a community spelling contest. The way of travel was in a wagon or on horseback.

The wage worker received 35¢ per hundred pulling cotton or 35¢ per hour for heading maize. For those of you that do not understand what heading maize means, you cut each maize head off the stalk with a pocket knife, throw the maize head in the wagon. When the wagon was filled, you unload the maize with a maize fork into the barn.

I hope we never have the worries of another depression, but if our conditions do not change, I fear we may see another time like our 1930's.

There is too wide a margin between farm products such as cotton in 1967 sold as low as 8¢ and 9¢ per lb. Some a new cotton brought more per lb, but a lot sold in the low bracket. It looks like 1968 wheat \$1.10 per bushel. Labor when you are lucky enough to get help is very high per hour compared to what the crops sell for on the market.

I do not know the solution to this problem of farming and labor, just thought some reader might be able to shed some light on the problem. If so, I would appreciate reading it in our local paper.

A Reader of the Hesperian.

(Editor's Note - Perhaps the Texas employment commission could go over to the courthouse on the third Wednesday and get a listing of "prospective labor.")

Dear Mr. Tooley:

I, Pete Looney, Chaplain of the J. W. Harrison Post of the Veterans of Foreign Wars of the United States of America, do hereby set forth to explain the designation of May 1 as Loyalty Day.

A good many years ago the Communist Party U.S.A. had begun to have celebrations of World Communist Day, May 1. They held parades and marches in the United States. They had great celebrations and huge public ceremonies. You know and I know that the Communists have set a goal to dominate the world, and to destroy everything that stands in its way. These things that they seek to destroy are free enterprise, the Constitution of the United States, the right to vote and to elect officers, freedom of speech, freedom of religion, individual rights, and especially they seek to destroy Christianity and anything that pertains to Christ. Communism is anti-Christian, anti-God, and will not tolerate these things. Communism and free enterprise is an avowed enemy. Communism and freedom cannot co-exist; they are direct opposites, and Communism has avowed to destroy us, the United States of America.

The Veterans of Foreign Wars of the United States of America have set forth to stop the growth of Communism in the United States. For one thing they began to have Loyalty Day every year on May 1. The parades of the veterans in the large cities put the Communists in the background, they had to go to the side streets. Then later on the President of the United States made a proclamation that May 1 be designated as Loyalty Day.

Loyalty Day is a day to reaffirm loyalty to the United States, its laws and statutes, the flag of our great and sovereign nation, and to the great God of our nation. We should reaffirm our loyalty

FLOYD PHILOSOPHER
Up In Arms Over A Plan To Photograph
His Farm In Detail By Satellite

Editor's note: The Floyd Philosopher on his Johnson grass farm seems a little riled up this week, but he'll get over it. It takes too much effort to stay riled up.

Dear editor:

I wasn't doing anything but taking a slow Spring walk through my pasture out here and considering how lucky man is that changes in the seasons aren't left up to a government negotiating committee when I stumbled over a copy of the Sunday issue of The Avalanche-Journal and since it was as good a place as any to sit down I sat down and looked it over. I'm not sure I should have.

Over on an inside page I ran across an article that reported that scientists are working on an orbiting satellite that can take such accurate pictures of the earth's surface, so sharp and precise, that you can look at them and examine a man's whole farm in a glance. Even tell what's growing, how well it's doing, and whether insects are bothering it.

This is the type of progress worth leading a march against, although generally speaking the sit-down strike is more to my nature, if you can do it at home in the shade.

The last thing I want is somebody taking photographs of my farm showing in detail the condition of my crops. It'd be like sending a

satellite over a bank photographing the state of everybody's checking account.

The amount of Johnson grass and weeds I have on this farm comes under the head of my business. What you can see from the road looking over into it is all you're entitled to know about it, and if that part doesn't suit you, here's a hoe.

I can see the time come when the bureaucrats would hit on the idea of photographing everybody's farm once a week, say on Friday, and on Monday you'd get an eight-page letter of instructions telling you what you're doing wrong.

"Dear J.A.," it would read, "We have this week's photograph of your farm and we need further clarification of the current status of your farming system. On the north or back side of your place, we can't tell whether you're growing cotton in Johnson grass or Johnson grass in cotton. Please advise on Form 75948."

Since the answer to this letter would not be usable in The Hesperian, please use your influence to discourage any further development of this photographing-by-satellite business. If not stopped, they might get around to photographing your desk.

Yours faithfully,
 J. A.

ality to the Constitution of the United States. We should also take hold of the responsibilities that the Republican form of government affords us, as a democracy we have responsibilities in this great nation; responsibilities to our neighbor, to our officers, to our elected officials, responsibilities to our communities, churches, businesses, schools and to those people around about us.

In the United States an individual has a right to develop to the utmost of his capacity, some do great things, others don't amount to much, but they still have the right to work to attain goals. We do not, however, have the right to take from our neighbor the things that he has worked and strived for. To each, according to his own ability. The Apostle Paul in 2 Thessalonians 3:10 stated that if any would not work, then neither should he eat. Paul did not believe in supporting those able-bodied that would not work; we have these people around us today that will not work, they wait for the welfare check. The Scripture tells us that idleness is the Devil's workshop, and we can plainly see that certainly when we put an able-bodied man on welfare to draw wages for doing nothing, then he has time to set around and dream up these riots, marches, to listen to this Commie line that they ought to riot to get something for nothing. The Communists tell them that they should march for higher hand outs to take from those that have and give to those that have not. This is not the heritage that we received from our forefathers. I feel sorry for those that are gullible enough to fall for this line.

By the way, Mr. Tooley, I read in the Scripture not to judge a man, but I also read where Jesus told his disciples that: Wherefore by their fruit ye shall know them. As I look back at the record of Martin Luther King, I see in his wake civil riots, civil disorders, uprisings, burnings, looting (theft if you please) any time the man, Martin Luther King, was mentioned I could vividly see disaster, storms, distress, and again I say unto you "Wherefore by their fruit ye shall know them." As for Jesus Christ being a lawbreaker, I think that you had better read some more scripture. Jesus was numbered with the transgressors, in that He was crucified between two thieves, but Pilate at the trial washed his hands and said, "I am innocent of the blood of this just person: see ye to it."

Jesus came and fulfilled the law; He did not transgress the law, and as I read your comments in answer to the letter that John Stapleton sent to you, it made my blood boil to see you compare this man, Martin Luther King, a lawbreaker, a hate monger, a riot inciter, to the precious Son of God.

Loyalty Day, a day to remember the men that have paid the supreme sacrifice on the battlefields, that we could enjoy the privileges that we have. Privileges that no other people in the world have, the right to vote, to elect our public officials, the right to disagree, the right to worship God in the way that pleases us, the right to speak, the right to own property, the right to work at the occupation that pleases us, the right to make a living for our families, the right to accept the responsibilities that we are afforded under this system of government.

I am proud to be called an American, I am proud of my heritage as an American, I am proud of my forefathers, and the history of the United States of America, and I thank God for the privilege that I have had in that I was born in the United States of America, and not in Russia or Red China or some other place where they shoot you for such letters as this. In a few more years this may not be true, as the Communists today are infiltrating the schools of higher education, the press, the movie world, and these people that advocate free love and new morality may not realize it, but these are spawning the undermining of authority, and eventually will cause the overthrow of the government of the United States of America.

Loyalty Day, a day to reaffirm our loyalty to the United States of America and to defend it against all its enemies whomsoever.

Yours,
 /s/ Pete Looney
 PETE LOONEY, CHAPLAIN
 VETERANS OF FOREIGN WARS
 OF THE U.S.

(Editor's Note: Thanks for the letter on Loyalty Day, and for the expression of your opinions. This is certainly one of the wonderful things about America. . . the freedom of speech. I take the opinion (unpopular, I suppose) in seeing a lot of good things in Dr. Martin Luther King that others do not see. I formed a lot of this opinion through careful study of the man and his dedication. . . books of his life, the wrap up of his life in last week's "Newsweek" publication. I like you for having opinions, and I don't think any less of anyone who disagrees with me. I believe in Voltaire's statement, "I wholly disapprove of what you say, but will defend to the death your right to say it."

Mr. Tooley,
 To compare Mr. King with Mahatma Gandhi is one thing, but to compare Mr. King with Jesus Christ is something else. I don't believe any God fearing Christian would make such a comparison.

Thank you,
 Mrs. Robert L. Copelin

DOUGHERTY NEWS by Mrs. Ross

DOUGHERTY, April 22 - Farmers in this area have been quite busy preparing the fields for planting. A relative few have started the pre-planting watering, others are hoping for a light rain by time the soil temperature is right for planting.

The current news about our sick people reveals that Jim Morrison, who had eye surgery at Medical Center, Plainview last Tuesday, returned home Sunday. Although his eye is still bandaged the condition is most encouraging. A. T. Swepston is quite improved and is to be moved to Caprock Hospital today. Mr. James had a checkup at the West Texas Hospital Friday and is now permitted to walk a short distance each day.

Mrs. J. G. Cage continues to be patient at Lockney hospital.

Mrs. James DeWese is convalescing nicely after minor surgery and is expected to be back in the classroom the latter part of this week. T. J. Cardinal, father of Fred Cardinal, was admitted to Caprock Hospital this morning (Monday) suffering from what was reported as a light stroke.

Mr. and Mrs. Leroy Chowning have been at the bedside of his mother, Mrs. A. W. Chowning, at Methodist Hospital since Saturday. She is scheduled to have major surgery for a malignancy today.

Sunday dinner guests in the home of Mr. and Mrs. Kenneth Poole and Lance were Mr. and Mrs. Gene Campbell, Mr. and Mrs. James Ray Cage and Miss Bennie DeWese and Roger Edwards.

Sunday guests in the Bob Ross home were Mr. and Mrs. Aubrey Brewster, Adam and Nixie of Harmony.

**AFS Meeting
 Set April 30**

A meeting of the Floydada Chapter of the American Field Service has been scheduled for Tuesday, April 30 at 4 p.m. in the high school library, according to Claude Estes, president of the organization.

Purpose of the meeting is to elect new officers of the group and discuss next year's foreign exchange student plan which is sponsored annually by the AFS organization.

According to Estes, a new student and a new foster home will be selected in the near future for the 1968-69 school term.

The public is urged to attend the meeting on Tuesday.

Mrs. Jesse Pernell and Mrs. Kenneth Robertson were overnight guests Thursday in the home of Mr. and Mrs. Johnny Cantrell in Lubbock.

Mr. and Mrs. A. L. Smith, Irving Bennet of Blanco and his sister, Mrs. Crawford of Dallas, were Sunday guests of Mr. and Mrs. J. T. Poole.

Miss Sue Ring and her fiancée, Gene Bain of Denver, Colorado, were weekend guests in the home of her parents, Mr. and Mrs. Claude Ring.

Mr. and Mrs. Hubert Ring, David and Greg were overnight guests in the Ring home Saturday.

Mr. and Mrs. Bert Lee Emert and son, Roger, of Floydada, were Sunday guests in the Lon Emert home.

Mr. and Mrs. Louie Caffee and children have returned home after visiting their parents and relatives and friends in this area and at Paducah.

Mrs. Howe Hines and daughter, Mrs. Dick Carpenter of Roaring Springs visited their daughter and sister respectively, Alita Hines in Fort Worth over the weekend.

Sunday guests in the G. W. Smith home were Mr. and Mrs. Herbert Young of Plainview and Miss Verl Miller, Floydada.

Mrs. Johnny Cates is scheduled to return home today after visiting her daughter, Jan and family at Carrouthersville, Mo.

The Kent Covington family enjoyed a picnic at White River Sunday afternoon.

Mr. and Mrs. Claude Dobbs of Lubbock and Mrs. B. F. Priddy of Falls were Sunday guests in the W. J. Ross home.

Mrs. Ron Davenport, Wade and Winfield visited her parents over the weekend and attended the bridal shower honoring Miss Sue Ring. Mrs. Davenport also visited friends at McAdoo.

Mr. and Mrs. James Ray and children were weekend guests in the home of her parents, Mr. and Mrs. J. C. Martin.

Funeral services were held at First Methodist Church in Paducah Saturday for Mrs. Bessie Lee Lemons. She was the sister of Miss Lelia Petty, the former extension service agent in Floyd County.

Mr. and Mrs. R. H. Crawford visited briefly in the Morrison and James homes Sunday afternoon.

Patricia Furrow of Lubbock was the houseguest of D'Ann Cates over the weekend.

Mr. and Mrs. Don Switzer and Tracey were weekend guest of her parents, Mr. and Mrs. Harlan Cage.

R. D. Holly, Howard Drysdale and Ralph Johnston enjoyed a fishing trip to Lake Hubbard near Breckenridge last week.

Congratulations to Wendell Tooley on winning the award. We think the Hesperian is an outstanding newspaper.

First, the person making the award mentioned that the town in which the winning paper was located had a new million dollar hospital.

Upon this, Wendell looked at Peggy and Peggy looked at Wendell.

Then, the speaker mentioned a new elementary school and airport.

Whereupon, Wendell poked Peggy with his foot and looked knowingly at her while she muttered under her breath... "It's us, it's us, it's got to be us!"

After all this, it was rather an anti-climax when the fellow finally did get around to mentioning that the award went to the Floyd County Hesperian.

In fact, Jedd Blessing, publisher of the Crosbyton Review, who was sitting next to Wendell, said our boss was halfway out of his chair before they named the town or the paper.

I don't blame him... I'd of grabbed it and headed for the hills, myself, before they decided they'd made a mistake... you can't help but be proud of and pleased to get an award for serving your community.

That, in case you didn't know it, is the prime function (besides making money) of a newspaper... and awards telling you that you've done your job in a manner benefitting praise are hard to come by!

THE DENVER City Press, nearly always a winner in the photo division at press conventions, had one of the cutest feature pictures last week that I've seen in some time.

It showed a mare with two colts of evident rambunctious age and had the following under the photo as a caption:

"Listen, my children, and you shall hear... Of voting issues on racing and beer, And another one which may suit your ilk, For it pertains to the price of milk."

And, if you've an opinion, you'd better vote... Because if you don't, that's all she wrote.

And, you can't fuss and raise a roar, If you don't do your duty on May the Four.

That's pretty good advice for humans... but, I didn't realize that horses could vote!

THOSE OF you who were and still are not convinced of the values of having a new, modern and well-equipped hospital in Floydada, just might be interested in an interesting fact mentioned by H. E. Barnett, administrator of Caprock Hospital.

Since the time that the hospital has been open here (six

Webb Appointed As Floyd County Bond Chairman

J. C. (Jake) Webb, District Manager, Southwestern Public Service, has accepted appointment by the U. S. Treasury Department as volunteer Chairman of the Floyd County Savings Bonds Committee.

Webb succeeds Don Pemberton, who performed outstanding service as County Chairman. Due to Pemberton's moving out of the area, Gossett accepted his resignation regretfully and expressed, "The U.S. Treasury Department is indeed grateful for the support you have given the Savings Bonds Program. It is cooperation from patriotic citizens like yourself which makes this program

a success.

In announcing Webb's appointment, Gossett remarked that "his wide business experience and active participation in community affairs will be most valuable in his volunteer service as Floyd County Chairman, especially in these times when the U. S. Savings Bonds program takes on increasing importance in helping to keep our Nation economically strong and secure."

Webb is active in the Rotary Club and Chamber of Commerce. He and his wife, Patsy Janell, and daughter, Joni Janell, reside at 115 J. B. Avenue.

Mrs. Bill Sherman Named Region Homemaker For '68

A west Texas farm wife and mother of five, Mrs. Bill Sherman, has been named regional Conservation Homemaker of the Year for 1968.

To the Sherman family, who live on a 1560 acre farm north of Lockney, conservation of natural resources is a way of life.

Mrs. Sherman was chosen for the award from top conservation candidates in her region by a panel of conservation and home economics specialists. The award recognizes Texas Homemakers for achievements in the area of conservation in the home and on the farm. The annual event is sponsored by the Fort Worth Press in cooperation with the Texas Agricultural Extension Service, the Soil and Water Conservation Districts and other groups.

The family practices good conservation habits on their diversified farm with cotton, wheat, grain sorghum, soybeans, grasses and livestock. Practices include fertilization, brush and weed control, crop management, stubble mulching and terracing.

Four farm multi-purpose ponds provide for fishing, storage and irrigation. Mrs. Sherman believes people must not abuse natural resources and feels she has an excellent environment in which to raise her children. She hopes to pass on to them high spiritual values

Pension Law Will Protect Veterans

A bill which President Johnson signed into law on March 29 will protect nearly a quarter of a million veterans, widows, and parents against any reduction in VA pension or dependency and indemnity compensation due to the recent Social Security increase.

Also starting next year, income levels, which determine the amount of current law VA pension and DIC pension, will be computed in \$100 increments, with maximum payments going to those with the lowest income. VA benefits will be reduced only a fraction of each \$100 increase in income up to the new ceilings.

Currently, there are only three to five income levels used in determining the amount of benefits a recipient may be paid. There are no graduated benefits for income between the levels.

Any veteran, widow or parent having any question or needing help in connection with the new pension law recently signed by the President are invited to call or come by the Veterans Service Office, located in the Bishop Building in Floydada.

Ashton, Thornton Named Directors Of Weed District

Ray Aston of Lockney and Herman Thornton of South Plains have been elected to serve for the next two years on the Board of Directors of the Floyd County Noxious Weed Control District.

Aston replaces Ike Johnson in Precinct 2 and Thornton replaces Raymond Reeves in Precinct 3.

The District is making progress in treating bindweed on the County barrow ditches, and farm land. Work will continue to progress as rapidly as possible even though the crew is

Mrs. Hugh Counts Named JP Of Precinct 2-3

Mrs. Hugh (Bettie) Counts has been appointed Justice of the Peace for Precincts 2 and 3 of Floyd County by County Judge J. K. Holmes. Mrs. Counts will fill the six-month unexpired term of her late

husband. He had held the office for some five years. Mrs. Counts has resided in the Lockney area for the past 60 years with the exception of three months. She and the late Mr. Counts were married Nov.

11, 1925, in Floydada. Mrs. Counts is the daughter of the late Mrs. Fannie Brown, an early pioneer Lockney resident.

March Hospital Occupancy Report

March occupancy rate for Caprock Hospital, Floydada, as reported by H. E. Barnett, administrator, includes 258 patient days with 72 admissions.

Included in the admissions were six newborns with an average adult stay in the hospital of 3.7 days per person.

Chiropractors Slate Meeting

FORT WORTH, Tex. - The Chiropractic Society of Texas will hold its annual convention here April 18-20 with headquarters at the Worth Hotel. Key speakers include Dr. Woodrow W. McIntyre, associate dean and director of the outpatient clinic of Cleveland Chiropractic College, Kansas City, Mo.; Dr. John Miller, director of education and professor of anatomy and pathology at Palmer Chiropractic College, Davenport, Iowa; and Dr. Earl W. Powell, Atlanta, Ga., president and founder of the National Health Education Society and publisher of "Voice for Health," a monthly magazine with a circulation of 250,000.

Dr. Powell will be the banquet speaker Saturday night at which the L. George Grupe Memorial Award will be presented to the doctor who has contributed most to chiropractic research. Dr. William G. Blair, Lubbock, was the recipient in 1966.

In addition to the seminars, lectures and business and executive meetings, new officers will be elected. Also special entertainment has been provided for the ladies.

Dr. Charles E. Spears, Odessa, is president of the CTS; Dr. Blair is vice president; and Dr. Keith Patzer, Floydada, secretary-treasurer. Attending from Amarillo will be Dr. and Mrs. Alfred Peters and Dr. and Mrs. Carl McDaniel; and from Floydada, Dr. and Mrs. Patzer. Dr. Peters is the immediate past president.

TB Mobile Unit Scheduled Here On May 10

The Christmas Seal Mobile Detection Unit of the West Texas Tuberculosis Association will be in Floydada on Friday, May 10. It will be located on the south side of the square between the hours of 9 a.m. and 1 p.m. and 1:30 p.m. to 6:30 p.m. The X-ray Unit is being sponsored by the 1956 Study Club as a community health project.

Many other abnormalities besides TB are detected by the unit. On the last trip to Floydada, a total of 374 X-rays were taken. Five cardio-vascular abnormalities, 1 TB suspect and 4 other chest problems were pin-pointed. There is a charge of \$1 which pays for the film and the developing. The West Texas Tuberculosis Association bears the cost of having the film read and reported to each one in the survey.

A post card is mailed to those having a normal chest film. The ones who have an abnormal reading are notified by a first-class letter which urges them to contact their private physician or their local health officer for further examination.

Everyone is urged to keep the card with the number of their X-ray film and the date taken. The films are stored at the office of the association and can be made available to physicians on request. An old film can be valuable for comparison purposes if some trouble develops in later years. Children under 12 years of age are too small to be X-rayed on this type unit, but every adult is urged to take advantage of this opportunity.

Major Speer In Pacific

SEOUL, Korea - Vietnam veteran Major Walter L. Speer, son of Mrs. J. L. Speer, Flomot, Tex., is among Pacific Air Forces (PACAF) fighter-interceptor pilots sent to Korea during the U.S. buildup triggered by the North Korean crisis.

The F-102 Delta Dagger pilot is assigned at Kimpo Air Base, a prime air defense installation just west of the capital city of Seoul. As part of increased readiness, operations, PACAF tactical fighters, interceptor and reconnaissance aircraft have been augmented by units of the Tactical Air Command and Aerospace Defense Command.

Major Speer, who has served nine months in Vietnam, is permanently assigned as a member of the combat-seasoned 64th Fighter Interceptor Squadron. Detachments of the unit while on duty in Vietnam have policed the skies and escorted fighter-bomber and rescue aircraft over both North

lie Street or Charlie Bedford c/o First National Bank of Floydada, or to the American Cancer Society, Floydada, Tex.

Mrs. Alma Holmes will accept any memorials, in memory of a friend. Any memorial sent to her will receive prompt attention by sending an acknowledgement card to the bereaved family, with name being honored and the donor. The amount contributed will not be listed to the family, but will be shown on the receipt to the donor for tax exempt contributions. All money goes to support research, to assist our scientists in their effort to conquer cancer of all types.

Mrs. Wilson takes this means to thank all workers and donors for their help in the Cancer crusade, especially Arwine Drug, Rogers Restaurant, and Travel Center Restaurant, for their coffee money donation April 2nd.

Victory Baptist Revival Slated

Revival services will be conducted at Victory Baptist Church from April 29 through May 5, according to Rev. Joe Watson, pastor.

Services will be conducted nightly at 7:30 p.m. with Evangelist Doyle Hawkins leading the meetings.

The church is located at 603 West Lee Street, Floydada, and everyone is invited to attend.

Cancer Crusade Goal Has Not Been Reached

The Floyd County Cancer Crusade is about over. Our goal has not been reached. If a worker missed you, and you would like to donate, please send your contribution to Mrs. Woodrow Wilson, 130 West Ol-

and South Vietnam.

A graduate of Flomot High School, the major attended Texas Technological College before entering the Air Force. His wife, Mary, is the daughter of Mr. and Mrs. H. C. Byrd, Como, Tex.

to the Regional Meet in several events, after their wins at events, after their wins at District. But we haven't had much luck at Regional. But our motto is "If at first you don't succeed, try try again."

This past week I ran across something I had heard a lot that really has impressed me.

Too often people give up after being defeated, fearing that they might fail again in the future.

One good way to cure these fears is to remember the story of a man who failed many, many, times, but never gave up.

Lost job 1832.
Defeated for legislature 1832.
Failed in business 1833.
Elected to legislature 1834.
Sweetheart died 1835.
Had nervous breakdown 1836.
Defeated for speaker 1838.
Defeated for nomination for Congress 1843.
Elected to Congress 1846.
Lost re-nomination 1848.
Rejected for land officer 1849
Defeated for Senate 1854.
Defeated for nomination for Vice-President 1856
Again defeated for Senate 1858
Elected President 1860.

Abraham Lincoln was defeated time after time but he never gave up.

It is all summed up in this statement which Lincoln made right after becoming president of the United States. He said "God selects His own instruments, and sometimes they are queer ones; for instance, He chose me to steer the ship through a great crisis."

If Lincoln had lost at Regional contest, or lost a school campaign or election, he wouldn't have given up.

From this story of a great man, I find a challenge to accept defeat, and to never give up. To me Lincoln was a living example of the successful use of defeat in achieving victory.

I hope you all have a good week.

VA Has Good

Buys For Home Shoppers

Home shoppers might find their best buy on real estate today in sales listing prepared by the Veterans Administration.

Nonveterans as well as veterans can purchase the homes listed. Houses owned by the VA were financed originally with GI loans or direct loans, but the owners have failed to keep up the payments. The houses are in excellent condition and are usually located in convenient communities and desirable neighborhoods. Many are rehabilitated and redecorated before they are offered for sale to the public.

One of the greatest advantages for purchases is built-in government financing, other advantages are low closing cost, no attorney fees, and quick settlements with early possession.

Homes may be bought through any licensed real estate broker. The VA pays the broker's commission. At times only a small down payment is required. The mortgage may run for as much as 30 years with low payments

that are comparable to rental costs.

Full information is available from a VA Regional Office, or by writing Loan Guaranty Service, Veterans Administration, Washington, D.C. 20420.

Local Couple's Son Presented Wayland Honor

PLAINVIEW - The citizenship awards presented annually to a Wayland College man and woman student Wednesday were awarded to Miss Jo Beth Smith and Jimmy Clyde Saul. Both are seniors.

Saul, son of Mr. and Mrs. Clyde Saul, Floydada, is a Wayland Pioneer's cage star and has held numerous offices and received outstanding honors at Wayland.

A graduate of the Quitaque High School, Saul was vice president of his freshman class, was elected to Who's Who in American Colleges and Universities, served as secretary of Student Government Association, student affairs and has received the Wayland academic award as the basketball player with the highest grade point average for two years. He served as vice president of the P. E. Majors and Minors and is a member of Athletes for Christ.

Miss Smith is the daughter of Mr. and Mrs. Excel Smith, Trinchera, Colo. She has received numerous campus honors at Wayland and was the 1967 homecoming queen. She was campus and junior class favorite in her junior year, is president of Delta Chi Delta, and this year was elected to the Wayland Spinning Wheels, a group recognized for student leadership.

Grady Tunnell, Plainview, chairman of the Wayland board of trustees, addressed the chapel audience as the Citizenship Day speaker.

Dr. Roy McClung, Wayland president, presented the awards. Names of the honorees engraved on plaques were set on the citizenship awards panel in Gates Hall lobby.

Emergency Care Film Shown At Lions Club Meet

A film on emergency health care for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Preceding the program, a business session was conducted by Lion President Glen Black who announced several dates including the interclub meeting at Ralls on April 30, and the district Lions convention April 27-28 at Littlefield.

During the meeting, a drawing was held from among club members to choose the delegates for the Lions International Convention at Dallas on June 26-27-28.

As incoming president, Don Cheek will be one of the delegates along with Tom Sneed, Tom Moore and Fred Thaxton, those whose names were drawn. Named as alternates, in order, were Jack Covington, Olin Watson, Claude Weathersbee, E.A. Williams, and Clarence Young.

Following the program, Black told the club that he would be unable to carry out the duties of Lions Club President for the remainder of his term. Black is moving to Temple in the near future and his Lions Club duties will be shared by Cheek and Sneed during the remainder of the club year until July 1.

Proper planning now can assure a strong, sturdy plant to support the flower heads of blooming chrysanthemums this fall.

Large clumps of small green plants will soon appear where plants were carried over from last fall. Dividing these clumps and saving only the best ones to replant is best. The entire clump should be removed from the perennial border with a spading fork or shovel and placed in the shade, out of the wind, while the beds are prepared for the coming season.

Fertilizer should be incorporated into the soil at a rate of two to three pounds per hundred square feet of bed area.

SCRIPTURE LESSON

"Ye are all the children of light, and the children of the day; we are not of the night, nor of darkness."

This verse from First Thessalonians is part of the Responsive Reading from the Lesson-Sermon to be read in all Christian Science churches Sunday. The subject is "Probation after Death."

Among passages included from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is the following: "The divine demand, 'Be ye therefore perfect,' is scientific, and the human footsteps leading to perfection are indispensable. Individuals are consistent who, watching and praying can 'run, and not be weary... walk, and not be faint,' who gain good rapidly and hold their position, or attain slowly and yield not to discouragement. God requires perfection, but not until the battle between Spirit and flesh is fought and the victory won."

BRIDGES TO BE CHECKED

President Johnson's study group on bridge safety will make a bridge survey on 703,000 bridges. Federal Highway Administrator Lowell K. Bridwell said \$11,000 bridges on state highways and 192,000

railroad bridges would be checked.

President Johnson has called the report given by his Commission on Civil Disorders one of the most complete ever made. He said it showed what "frustration and decay in the cities can do."

New Law Allows Offensive Mail To Be Stopped

Mail patrons offended by pandering advertisements can now take steps to curb such mail, Postmaster E. H. Wester said recently in announcing plans for administering a new law which gives each family the right to decide that an ad is "erotically arousing or sexually provocative."

When an advertisement sent through the mails is offensive on these grounds, a postal patron can now ask the post office to direct the mailer to send no more mail to him and to remove immediately the patron's name from all mailing lists, heowns, controls or rents.

To assist patrons, the Post Office Department has published a brief pamphlet - How You Can Curb Pandering Advertisements - which is now available at the Floydada post office. In addition to explaining how the law works, the pocket-size leaflet contains a form letter one can use when sending his complaint to the post office.

The pamphlet explains that when a patron receives an advertisement which is, in his opinion, pandering, he must send the ad, its envelope and the form letter, or one which includes its language, to his post office with the words, "Request for prohibitory order" on the face of the envelope.

Postmaster Wester said,

"This new law should give some protection to American families offended by advertisements they believe to be morally harmful, particularly to their children."

"Last year, the Post Office Department received some 140,000 complaints from those offended by pandering advertisements. While in most cases the ads were not legally obscene and were therefore mailable, they are often offensive and are usually not the type of material one would want his children to read," Wester said.

He added, "because the law gives a mail patron the sole right to decide what is offensive, and does not deny others the right to receive the same mail, the Congress felt it does not violate Constitutional guarantees of freedom of speech."

While the patron's complaint will only be directed to the sender, Postmaster Wester believes that one or two complaints will provide substantial protection because "the great bulk of this advertising comes from fewer than 20 so-called 'smut dealers' who are frequently swapping mailing lists."

If a mailer does not strike a complainant's name from this mailing list, and the patron receives a second mailing 30 days after the firm has received the prohibitory order, he may bring the matter to the attention of the postmaster issuing the initial order by writing him and enclosing the second pandering ad with its envelope. If the mailer still fails to respect the order, the Postmaster General may ask the Attorney General to apply for a Federal Court order directing compliance.

Failure to observe the order may be punishable by a fine or imprisonment.

They used the loans, Harrison said, to develop small businesses and improve their farming operations.

Over 2,700 opportunity loans have been made in Texas since the beginning of the program in January 1965 with more than 430 being made this fiscal year.

The opportunity loans are part of the Federal anti-poverty program, which Congress enacted three years ago. The loan program is administered by the Farmers Home Administration for the Office of Economic Opportunity.

Low-income rural people, through the local Farmers Home Administration office, may receive loans up to \$3,500 to develop income-producing businesses or to enlarge farming operations. Borrowers may take up to 15 years to repay the loan.

For the first time, according to Harrison, people who could never before qualify for loans now can get the money they need to develop or expand a business enterprise or a farming operation.

"But in all cases," Harrison added, "The enterprise - whether it is farming or business - must have a reasonable chance of success."

Through the Floyd County office, loans have been made for such non-farm enterprises as cafes, auto repair shops, custom farm equipment and service stations.

In addition, three farmers received a group loan to buy a feed grinder they couldn't afford individually. They will have up to five years to repay the \$1,840 cooperative loan.

Applications for loans are made through the Farmers Home Administration Office in Floydada.

COUNTY AGENT'S CORNER

by Joe Wilson

Leaf rust is damaging some wheat in Floyd County. At this time the damage is in small areas and it is very light. The right weather could increase the rust rather quickly, as it spreads in damp warm weather.

Rust is known by that name because it produces brown-rust color spores on the leaves and stems. Rust will start out as small round spots and spread to cover large leaf areas. The rust will come off on the hand if it is touched.

There is no known control for rust. Most varieties are resistant to leaf rust when they are first released but after a few years mutations in the rust develop so that it can attack the new varieties.

Cotton Producers advised on proper seeding rates:

With the cotton planting season almost here, Floyd County producers should give careful consideration to proper seeding rates.

Studies at the South Plains Research and Extension Center show that an optimum plant population ranges from 20,000 to 50,000 plants per acre on 40-inch rows.

A planting rate of twenty pounds of good quality acid treated seed per acre will provide a sufficient number of plants. In fact, if every seed produced a plant, there would be more than enough plants required for maximum yields.

With an average of 4,000 seed per pound, a 20 pound per acre planting rate could produce 80,000 plants. However, under actual field conditions about 60

percent emergence may be considered. Therefore, the plant population would number about 48,000 per acre with a spacing of slightly more than three inches between plants. Under skip row conditions the planting rate may be increased by 10 to 20 percent.

Farmers in the county sometimes use excess planting rates to compensate for possible adverse planting conditions or loss due to hail. Actually this practice is rarely justified and would be of benefit only if hail took out 50 to 90 percent of the seedlings.

Why this range of hail damage? With an initial population of 48,000 plants per acre, a hail destroying up to 50 percent of the seedlings would leave 24,000 plants per acre, enough for maximum yields. On the other hand, if hail damage of 90 percent or more occurs, replanting would be necessary even if a planting rate of 40 pounds were used.

Often stands are replanted which should be left, it's always best, if possible, to leave that early first stand. Replanting in June places the boll maturation period in an unfavorable environment for producing high quality fiber. An early crop, even with a reduced stand of a plant every six to eight inches, will usually make the producer more profit in quality lint than thicker stands of replanted, later maturing cotton, as hail damage occurs later in the season, the decision on whether or not to replant becomes more critical.

Excessive planting rates may cause more problems than they solve. Seeding disease is usu-

Church Meeting Set At Bible Baptist May 1

Joe Addington, pastor of the Bible Baptist Church in Floydada, has announced that the church will host the area fellowship meeting Friday night, April 26, at 7:30.

There will be a number of churches represented from over the Panhandle and South Plains area. The youth fellowship was held last month in Amarillo with thirteen churches represented, and attendance was estimated at over three hundred fifty people.

The youth of each church will present a program, followed by an inspiring message from God's word.

A period of fellowship and refreshments will follow the program.

Everyone is invited to attend the youth fellowship meeting.

In all three cases, the patient had ceased respiration, had no pulse, and for all practical purposes, was "dead." And, in all three cases, the machine, which incidentally the old hospital did not have, has saved the person's life and all are now living. In one of the cases, the machine was used on the patient four times in one night. Strangely enough, Barnett adds that while he was in Friona, a period of nine years, he never knew of their defibrillator being used under the same conditions as here (the machine has purposes other than in heart attack cases). But, it is a vital piece of equipment for any modern hospital of today, and Medicare approval hinges on whether or not one is available. And, I'm sure that the three persons here who have had their lives extended due to the marvelous machine and the proper technique of application, will be glad to tell you just how good it is to have a facility such as Caprock Hospital in the Floydada area.

SOME OF the mail that crosses my desk on the way to "file 13" is just unreal! Take this morning (last Thursday) for instance. For the nominal sum of \$1.00 I am informed that I can purchase a volume which will tell me "How to Make Money in Oceanography." Well, I'm interested in mak-

ing money...but, in oceanography? Why, it strains my typewriter keys to the limit just to spell it. Some money sources from oceanography...according to the leaflet are:

1. Pollution control from the sea. (What this is all about, I can't say that I know.)
2. Newly designed tools for sea-bottom exploration. (That's where I'd have to explore...the bottom...cause that's where I'd sink, being that I can't swim!)
3. Anti-submarine devices (You must realize, or course, that out here in West Texas, the threat of submarine is one of our biggest dangers. Surely you knew that?)
4. Aquaculture through artificial underwater reefs. (Reckon cotton would grow down there?)
5. Recovery of treasure in wrecks and buried cities. (Being as I don't have an attic with an old trunk in it which contains a treasure map, this is probably out.)

One thing they did say which interested me was that every cubic mile of seawater contains \$93 million in gold. What with the gold drain and all, I can't understand why we don't just fill Ft. Knox with seawater and let it go at that!

SPEAKING OF some of the mail I get... I once got a letter telling me how I could make my fortune selling tombstones. No worry about running out of

customers there...but collections might prove difficult. As you probably can guess, I didn't carry on with the scheme...otherwise, I'd probably be rich now instead of so good looking! That is, my eyesight's pretty good... -WT-

THE WORLD'S really a pretty small place...isn't it? Thursday, a convoy of soldiers on their way to Ft. Bliss passed through our fair city and I talked briefly with one of the "road guards" which stayed here directing the trucks, jeeps and other vehicles down the right highway and turnoffs. Well, it turned out that he was from Phillips and a first cousin to two of my best friends in Stinnett... David and Larry Kossey. Jerry Kossey, the soldier whom I met while he was here said they were on an assignment which would eventually lead to White Sands, N.M., where they would guard the installations there. -WT-

SAW FLOYDADA from atop Producers Coop Elevator courtesy of Bill Cagle last Thursday. Quite a good sized city... in case you didn't know it! -WT-

I NOTICED with interest the self-styled "Bonnie and Clyde" who were picked up last week after kidnapping and other assorted and sundry crimes. Apparently, we are to believe they got at least a bit of their motivation from the very popular movie by the same name. I saw the show and content that it was one of the very best that I have seen... but, in light of the above and other incidents, deplore the effect it is having in certain criminal circles. If we're to believe that watching a show like "Bonnie and Clyde" will make you into that type of person, why couldn't the same hold true for watching shows such as "The Robe," "The Bible," or "The Ten Commandments"? -WT-

SAID THE Judge: "Now, my boy, do you realize how great is the solemnity of taking an oath?"

Said the Boy: "Why, why, yes sir. I think so, sir. I was your caddy last week."

CONSIDER the turtle... he only makes progress when he sticks his neck out. THAT'S ALL, FOLKS!
