THAT the opportunity of a life-time to Mary Tom and me. Last night we invited to accompany the Ed Robb team on a trip around the world to make the decision overnight, we have both had butterflies in our stomachs ever since we agreed to go. The Evangelical team is composed of Mrs. Ed Robb, conference evangelist, Methodist Church and Rev. and Mrs. Moore, singers for the team. This was a revival meeting in Floydada of this year and many of our friends were privileged to hear them.

While flying to San Francisco today we are flying to Hawaii, Tokyo, Thailand, India, The Holy Land, Greece, Ireland, London, New York. Looks like we are out for 33 days.

It is a person is never just quite ready for business, his home and community life, but this opportunity seems to be pulling me down. I am fortunate in having a very good staff at the Hesperian, and I know they'll take care of what we're away. I will report back occasionally on where we're doing.

RECEIVED a lot of interesting mail here recently. One letter this week tells me that the organization "Catfish Farmers of America" is planning to build a processing plant in the area.

The purposes of the organization are to aid in the profitable production and marketing of catfish and to insure high quality and control of the product.

It is good to know that the total number of catfish under cultivation in the area in 1963 was less than 1,000, but there are some 18,000 known acres in production.

Now know what kind of standards this will require on catfish, but I know the pollywogs my boys have in the pond will pass.

With your arms, Junior." Mother said, "I'm going or short sleeves?" he asked.

MARSHALL Haney family will soon be in Richardson. Richardson's gain is Marshall's loss. Marshall has been a great asset to the city in many ways that have exceeded requirements of his position with the city.

Marshall having known him while coaching basketball program and for the many years we have discussed the future water supply of this city.

Marshall has continually said that Floydada is the Mackenzie Dam and I think his explanation of Floydada informed on water supply is appreciated.

Marshall wishes go with the Marshall Haney family to their new home.

WE'RE talking about water, think the people of Floydada and Lockney are interested in working out their pipeline problem in order that a vote can be brought to the people of Floydada, Lockney, Tullia and Silvertown for building of the Mackenzie Dam.

This rainy weather makes us think we'll have any "dam water". . . but we all know it is a lot more hot dry weather in the future than the rainy weather we've experienced so far this year.

SEVERE WHEAT DAMAGE IN PLACES

Heavy Rains, Some Hail Recorded Over County

BY BILL SALTER

A rain which reached gigantic proportions over much of Floyd County began falling in the late afternoon Wednesday, continuing through Sunday and bringing hail with disastrous results to wheat crops in some areas.

While hardly any area of the county recorded less than two inches of moisture from the five-day wet spell, the most moisture and heaviest hail damage could be described as falling in an "L" shaped area beginning at the extreme northwest corner of the county, working south down the Hale County line, then turning east at the extreme southwest tip of the county and continuing down the Crosby County line to the extreme southeast corner of the county.

Rain totals of six inches or more were reported west of Aiken, at Providence, and at Antelope.

Moving northeast, the rain amounts were lesser with Floydada reporting 2.31, Muncy 1.90, Liberty 1.75, Fairview 2.00, Cedar Hill 2.25, and Fairmont 2.90.

At Lockney, 3.20 was recorded with 1.5 to 3.50 inches reported in the South Plains area.

In the southern areas of the county, starting in the west and moving east, Harmony reported 2.50, McCoy 5.00, Blanco 3.00, Sandhill 4.00, Baptist Encampment, 3.00, Baker 3.00, Lakeview 3.62, Pleasant Hill 4.00, and Dougherty 3.10.

As a general rule, the heaviest concentration of hail was in the Baker, Sandhill and Providence areas, although some hail was reported nearly everywhere in the county.

No estimate as to amount of acreage in the county with wheat damaged 50% or more could be secured, but reports conservatively point towards at least 3% of the county's 125,000 plus acres.

Regarding other crops, most were not up enough to be damaged by the hail, but the excessive washing caused by the heavy rains will mean that almost every farmer in the county will be replanting cotton or grain sorghum.

Still, despite the damage caused by the rain and hail, the added moisture will mean much towards the success of dryland crops in the county, prospects remaining bright for a bumper yield this season. And, with much surface water, the prospects are bright.

FLATTENED WHEAT - Claude Fawver (left) and Marion Bradford are pictured above examining the remains of 171 acres of wheat destroyed last Wednesday night by a savage hailstorm. The acreage is located 10 miles southeast of Floydada in the Baker community. Fawver said the dryland wheat was some of the "best he had ever seen" and would have made about 35 bushels per acre.

City Approves Paving Contract

The Floydada City Council, in its regular monthly meeting Tuesday night, approved a bid of \$8,259.12 from High Plains Paving Company to resurface 33 blocks of the city's streets this summer.

The council approved the purchase of a 1968 Chevrolet, low bid by Oden Chevrolet Company, for city manager Bill Feuerbacher. The bid was \$2,738.48. Feuerbacher's old car will be transferred to the chief of police Tom Hopper.

In other business the council: * Viewed a demonstration of a Heil garbage truck container system.

Ballpark Cleanup Tryouts, Draft Set For Saturday

Bill Hale, president of the Floydada Baseball Association, has designated Saturday (May 18) as "Baseball Day" with cleanup day at the park, player tryouts and player draft by the managers all slated that day.

The cleanup of the park will be under the direction of Travis Jones, vice-president in charge of grounds, beginning at 9 a.m. Everyone is asked to donate a few hours time in order that the parks may be ready for the season opens June 3.

For the cleanup day Saturday, those who can help are asked to bring pickups, hoes, rakes, shovels, pliers, hammers, nails, etc., if possible, according to Jones.

Player tryouts, for all boys who are participating for the first time in the summer program and those who will not be playing on the same team as last year, will be held at 3 p.m.

Immediately following the tryouts, managers of the leagues will conduct their player draft.

The player draft and tryouts were originally scheduled last Saturday, but were canceled due to the rainy weather.

Curfew Now Set At 1 A.M.

At least during Daylight Saving Time, Floydada youth will get somewhat of a reprieve from the curfew recently imposed by the City Council.

In action Tuesday night, the Council extended the maximum time for the curfew to 1 p.m., everyone under 18 required to be off the streets by that hour.

The change applies only during DST, the curfew reverting to 12 midnight on Friday and Saturday and 11 a.m. on all other days when Texas returns to Central Standard Time in October.

Rucker Funeral Pending Here

Funeral rites were pending last night in Floydada for Thomas Rucker, 37 year old Floydada resident who died about 2:30 yesterday morning in M.D. Anderson Hospital in Houston. Rucker had been ill the past several months with a malignancy and critically ill some five weeks.

His body was returned to Floydada this morning by Moore-Rose Funeral Home, who will be in charge of arrangements.

Rucker was a long time resident of Floydada. He and his family resided at Carlsbad, N.M., for several years before moving back to Floydada. He was a City of Floydada employee.

Survivors include his wife, the former Doris Dyer; three children, Mrs. Vickie Covington of Floydada; Jackie and Tony of the home; one grandchild; his mother, Mrs. E. L. Boys of Fort Worth; his father, Bill Rucker of Amarillo; two brothers, Marvin of Nevada and

By Lockney-Floydada Councils, Officials

January 1, 1977, is the magic date for selling revenue bonds and beginning construction of the pipeline system which would transport water from the Mackenzie Municipal Water Authority reservoir to Lockney and Floydada. This arrangement was reached in a Thursday night session in City Hall at Lockney.

However, many "ifs" must be hurdled before the matter is finalized.

Elbert Marr, a Lubbock attorney, presented a rough draft of a contract. Details were completed at the meeting, and Marr is to forward in approximately two weeks copies of the final draft to Lockney and Floydada City Councils and the Mackenzie board of directors, all of whom must approve it.

Youth Center Work Underway

Funds are still being accepted into a special account at the First National Bank for a North Ward School Youth Center project now underway.

The project is to convert a portion of the old school into a youth center with labor for the work supplied by residents of that area of the city and materials purchased through donations.

Officials of the bank report that donations for the drive are lagging. Everyone interested in helping with the project should make their donation at the bank or contact Faris Wilson.

Old Settlers Drawing Near

Only about 10 days remain before the 40th Annual Old Settlers Reunion May 28 and officials of the event are busy putting the finishing touches on plans for the occasion.

Scheduled are varied activities including barbecue, parade, square dance, memorial service, speakers, singing, old fiddlers contest, etc.

Councils of the two towns after formally endorsing the proposal would call elections. The two Floyd County towns would share proportionately in the \$2 million project.

If details are worked out, eligible voters in Lockney, Floydada, Silvertown and Tullia are expected to cast ballots late this summer or early fall on construction of the Mackenzie Water Authority reservoir, raw water line and partial filtration system.

Actually, Lockney and Floydada citizens would be voting on two propositions: for or against construction of the dam, and for or against the proposed plan to sell revenue bonds in 1977 for the aqueduct system to transport water. They would cast separate ballots on the two proposals, but elections would be held on the same date and at the same site.

Officials of Tullia and Floydada where an earlier election to construct the entire Mackenzie project was defeated have vowed to work for passage of the current plan. Under this proposal, the four towns would cooperatively construct the reservoir, raw water line and partial filtration system.

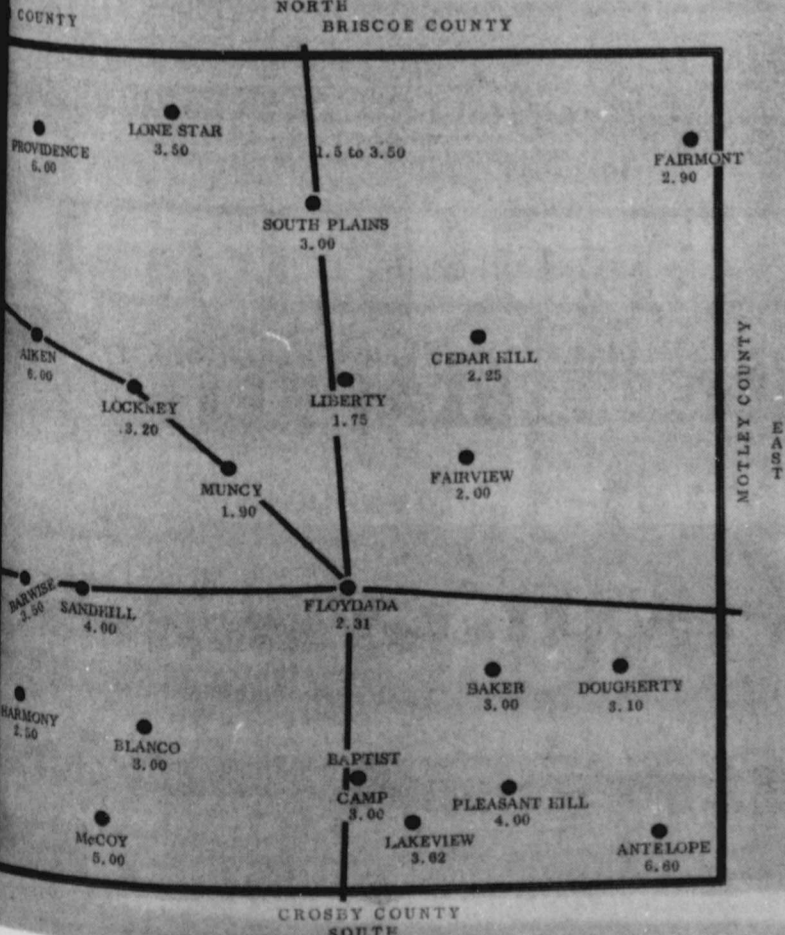

Lockney-Floydada, Silvertown and Tullia would then be responsible for their individual transportation system from the filtration plant to point of delivery. Silvertown needs water now and is expected to progress with its line when water is available.

Each city would make contract with the Authority for a designated amount of water each year after it ties onto line. Funds for sale of this water by the city to its patrons would finance the aqueduct system. No taxes would be used to lay the water lines.

A tax district would be established to pay for the dam, filtration system, etc. Directors plan to install the same

LETTERS FROM CRASH - According to Postmaster Ed Wester, 15 to 20 letters recovered from the Braniff International flight which crashed May 3 near Dawson, Tex., were delivered to Floydada area residents during the first of the week. Above, Conner Oden is shown holding three of the letters which were delivered to him. They are postmarked May 1 from St. Louis and are marked "Damaged in Handling In The Postal Service, Braniff Plane Crash." They are charred around the edges and are water spotted, but otherwise intact. According to Wester, they probably were in stout canvas pouches at the time of the crash and were bundled so tightly that the intense flames only seared the outside edges.

William Tells

BY BILL SALTER

THE INTELLIGENCE of some of the things that the U.S. Government and their agencies do is seriously in question, at least, in my mind that's the case!

Recently, we received a long distance call asking us to fix up a subscription to the Hesperian for the U.S. Army Recruiting Station in Plainview, with detailed instructions as to how the billing was to be done, etc.

Well, the girls in the office expended much time and energy in preparing an invoice and copies of the bill with five carbon (a total of six bills plus one invoice in triplicate) to send as per instructions to Amarillo, from whence the funds for the subscription were to come.

All this transpired in April, the subscription was to start on June 1, and on Saturday morning we received a missive from Amarillo with the following message:

"Dear Sir: Due to lack of funds, the United States Army will be unable to subscribe to your paper in the coming year."

All this, after instructing us to go through all the government red tape to send the paper... why didn't they check their funds before putting us through the wringer, I'll never know. I wonder how many other newspapers got the same treatment? Pretty irritating, at the least! Come to think of it, though, the Vietnam war is getting awfully expensive... perhaps that could be part of the reason for lack of funds.

WE REGULARLY receive newsletters from Senator John Tower concerning situations in Washington, his comments last week pretty well summing up my feelings on the riots which are taking portions of our country by storm.

His comments are reprinted below:

An Illness Of Lawlessness
By John Tower

I have difficulty describing the feeling. It was a sort of dismay I've never felt before, and it came from seeing armed paratroopers at every door of the Senate Office Building, a machine gun on the Capitol steps, police reduced to directing traffic for looters, and arsonists burning at will within blocks of the White House. I suspect you felt pretty much the same way as you watched it on television.

It happened here in the days after Dr. King's death, but militants and lawless elements rapidly made a mockery of that death and the nonviolent philosophy Dr. King preached. (Senseless rioting is the same sort of lawlessness as senseless assassination.) Rioters and hoodlums roamed wild-gated by such as Stokely Carmichael - lately returned from Havana and Hanoi.

It all had little to do with "Civil rights." Those involved were vandals, criminals and revolutionaries. They outraged civilized society, bred chaos, and directly assaulted American concepts of law and order. Unfortunately, for too long such criminals have been coddled with the restraint we traditionally apply to peaceful demonstrators. And we see what has happened. Such criminal disruption must stop in America. And the best medicine to cure the illness of lawlessness is a good, stiff dose of law and order.

It's time government remembered the law-abiding citizens - Latin, Negro and white - and protected them against terrorism and plunder. It's time the Attorney General stood up for the law instead of apologizing for it. It's time those people who want to do the right thing got some support from their leadership. The Senate has passed both a Civil Rights Bill and a Law Enforcement Bill this spring. Neither was perfect, but in conjunction they reveal, I believe, the determination of citizens of good will that our nation shall have both social progress and certain order. That's what I seek as your United States senator.

SPEAKING OF Tower, he also had some comments on the seizing of the U.S.S. Pueblo.

According to the Senator, "The most hopeful thing I can report is that we probably will be able to negotiate release of the crew sometime in 1969. Meantime, we can all also hope our nation has learned its lesson and will never again allow a U.S. ship to be seized on the high seas with the captor nation going free of meaningful punishment."

Personally, I think we ought to have given the Koreans 24-hours to return the ship and crew unharmed at the time of the seizure. . . failure to meet that ultimatum resulting in the maximum penalty. And, I'm not sure that we shouldn't go ahead and do the same now!

Just like I saw somewhere

recently, "You're an old-timer if you can remember when the U.S. was stronger than countries like North Vietnam and North Korea."

- WT -
IF YOU like shows which are thrillers. . . and are planning to see "Berserk," the new Joan Crawford thriller which is being billed as something on the order of "Psycho," "The Birds," "Whatever Happened to Baby Jane," etc., take my advice and DON'T!

In my opinion, the most thrilling aspect of the show was a poodle dog act which was quite entertaining.

While there were several scenes (such as a man getting a spike driven through his head and a woman saved in half by a power saw), the thing was so

entirely without plot, motivation, or suspense that the climaxing end of the show just left you flat.

You know, kinda like someone telling you a joke and after it's over, you keep waiting for a punch line!

Five Candidates For Degrees

CANYON - Five persons from Floydada are among the 680 candidates for degrees at spring convocation May 19 at West Texas State University.

Speaker for the program at 4:30 p.m. in the Fieldhouse will be Emil Rassman of Midland, president of the Board of Regents, Texas State Senior

Sister Of Local Man Assigned To Vietnam As Evangelism Assistant

Cecelia Morris of Chillocothe, who has been employed for work as evangelism assistant at West Texas State University.

Candidates for Bachelor of Business Administration degrees are James D. Elza, business administration major, son of Mr. and Mrs. J. E. Elza; Joe C. Rainer, marketing major, son of Mr. and Mrs. A.C. Rainer.

Three persons are candidates for Bachelor of Science degrees: Bud W. Higginbotham, agriculture major; Mina F. McClendon, journalism major, daughter of Mr. and Mrs. Joe F. McClendon; and J. L. Race, agriculture major, son of Mrs. Bernice Race.

The 22 year old West Texas State student is awaiting commencement exercises May 19. "Amid the confusion and complexity of life today, God has a place for me", stated Miss Morris after being selected one of 73 young men and women employed by the Foreign Mission Board for two years service abroad. Miss Morris continued "I must do what God has for me to do. The thought of Vietnam is frightening, but Christ gave his life for me, why can't

I offer the same." She is the daughter of Mr. and Mrs. Harple Morris of Chillocothe, and served as a missionary in Austin, Minn., last summer.

The Missionary journeymen will work along side career missionaries, searching, learning and contributing. They will complete eight weeks of training this summer before their overseas assignment. Nearly half of the 73 will teach school, seven will be nurses on the mission and others will do office work, operate centers for university students, assist with general evangelism, direct music or youth work in churches, inject some Christian compas-

sion into the slums of great cities through social service in Baptist community centers and help in Baptist book stores.

Optimists To Meet Tonight

The new Optimist Club of Floydada will hold their second meeting today (Thursday) at Rogers Restaurant at 7:30 p.m. (Dutch treat meal).

Cager Carmack has been appointed temporary chairman to assist in the organization of the club.

Everyone interested in the work of the Optimist Club is invited to attend.

Logical!
The little old lady pulled the string on the right leg and the parrot said, "Happy birthday." Then she pulled the string on the left leg and the parrot said "Pleased to meet you."
"I wonder what would happen if I pulled both strings at once," she thought. "I'd fall off my perch, you stupid idiot," said the parrot.

Gamma Iota Chapter Observes Day With Dinner Installation

Founder's Day was observed Saturday evening, May 4, by members of Gamma Iota Chapter of Delta Kappa Gamma with a formal dinner and installation of officers. Alcove Restaurant in Plainview was scene of the meeting with members of Epsilon Delta and Delta Xi as guests. Mrs. Sam Cowan was installed president for the next biennium.
Other officers of Gamma Iota to who were installed were Miss Mattie Sue Howell, first vice president; Mrs. Marlin McCaghen of Petersburg, second vice president; Mrs. Prentice Mann of Hale Center, recording secretary; Mrs. Ernest Ragle, corresponding secretary; Miss Mary Pearl Coward of Floydada, parliamentarian and Mrs. Cecil Whitaker, treasurer.

Guests were welcomed by Mrs. Faye Rampley of Silverton, president. Responses were given by Mrs. Blanche Johnson of Littlefield, president of Epsilon Delta, and Mrs. Leta Kaul of Dimmitt, president of Delta Xi.
Charter members recognized were Mrs. Mattie Ruth Nowlin and Miss Howell, Plainview, and Miss Anna Lee Anderson of Silverton.
Theme of the address presented by Mrs. Lunelle Anderson was "What Is Past Is Prologue." Mrs. Anderson is parliamentarian of Alpha State and Dean of Women at Southwest Texas State College in San Marcos. Special music was presented by the Gamma Iota Chorus, directed by Mrs. Jackie Mercer of Silverton. Mrs. Zula Atwood of Tulsa accompanied them.
Hostesses for the dinner were Miss Lucille Flowers, chairman and Mmes. Roy Carnes, Laverel Porter, Leola Lander, Fred Joachim, Nowlin, Willia Merle Hathcock, and Misses Mayme Lou Rayburn and Howell, all of Plainview.
Seventy members and guests from Hale and adjoining counties were present.

Dorcus Class Meets With Mrs. Garrett

The Dorcus Sunday School class of the First Baptist Church met Tuesday in the home of Mrs. Robert Garrett for a business and social meeting.
Mrs. J. D. McBrien, teacher of the class, and Mrs. Roy Fawver, conducted the Bible program.
Refreshments were served to Mmes. Cleo Goins, Hollis R. Bond, Roy Fawver, Alfred Harrison, Ethel Warren, Myrtice Rainer, J. D. McBrien, V. D. Turner, Lois Durham, Ola Warren, Leonard Matsler, C. M. Meredith, C. W. Denison, Miss Vera Meredith and hostess, Mrs. Garrett.

In Fashion
Play suits with skirts are back in the news. A very convenient style, too, as with the skirt they make wear on trains or on the street respectable and when the skirt is removed the wearer is appropriately dressed for the beach.

Former Lockney Residents To Celebrate Anniversary

Mr. and Mrs. William J. Wood, longtime residents of the Lockney and Plainview area, will celebrate their Golden Wedding Anniversary May 19. The occasion will be marked with open house from 3 until 5 p.m. in their home located at 704 N. W. 7th Street in Bentonville, Ark.
Wood and the former Miss Mary Edna Huffman exchanged wedding vows Sunday, May 19 1918 in the home of Rev. and Mrs. S.J. Upton near the old Seth Ward College campus. The couple's courtship began while she was attending the college.
The day after their wedding, the couple moved to a farm in the Prairie Chapel community where they resided for 31 years. Valleyview Community was their home for the next five years where they farmed and for the past 14 years the couple has resided in Arkansas. Eleven of those years were spent on a dairy farm.

place in the Prairie Chapel community, north of Lockney, where her brother, Herman Huffman still resides.
Wood, also a native of the Lockney area, is the son of the late Mr. and Mrs. W.C. Wood, and was reared in the Pleasant Valley community, just south of Lockney. His family moved to Texas from Granite, Okla., when he was a small boy and most of his days were spent on the family farm.

SGT. Billy Jack Darden, who recently returned home from a tour of duty in Vietnam, is now stationed at Ft. Hood, Tex. The Floydada High School graduate, returned to the U.S. April 1 and has been in Albuquerque visiting his mother, Helen Darden, his father, Bill Darden, his sister, Mrs. Johnny West and grandparents, Mr. and Mrs. S. Mrs. Decker Is Named Floydada "Woman Of The Year"

MRS. LANE DECKER - Woman of the Year for 1968-69. Mrs. Decker, right, is seen receiving her silver inscribed plate from last year's award winner, Mrs. Travis Jones. (Staff Photo)

Mrs. Lane Decker, a native of Floydada, active church, civic and club worker, was named Floydada's "Woman of the Year" Monday night at the annual presentation sponsored by the 1950 Study Club.

The honoree was born south of Floydada June 16, 1929, to Lovell and Alice Jones. They named her Wanda Lavene, but being red headed she was nicknamed "Shug of Carrot Top."

She started grade school in Floydada and was graduated from high school here in May of 1946. She attended Baylor University two years and married Lane Decker in Floydada June 2, 1949. The couple are parents of two active daughters, Charlotte Ann and Sharon Elaine.

Mrs. Decker was instrumental in the organization of the 1950 Study Club in Floydada. She is a charter member and was the first president in 1950-51, and served as president again in 1964-66. She has served the club through the years in numerous ways. Mrs. Decker was Caprock District Co-Director of Junior Clubs in 1960-62; second vice-president 1964-66 and first vice-president 1966-68. Mrs. Decker was elected president of the Caprock District and was installed in Austin at the State Convention last month.

The honoree is a member of the First Baptist Church where she has taught Senior girls in Sunday School. This year she is serving as superintendent of the Senior High Two Department of Sunday School. Mrs. Decker enjoys working with youth of the church, is a choir member and was superintendent of a Bible School Department last year.

She has also served as County Chairman for the Floyd County Cancer Unit, assists with the Heart Fund, March of Dimes and Salvation Army Drives and is a worker in the schools her daughters attend.

Mrs. Decker was presented her award by last year's winner, Mrs. Travis Jones, who was introduced by Mrs. Cleo Whittle.

Members gave roll call by introducing their guests. Special guests for the evening were Lovell Jones of Canyon, father of Mrs. Decker, her husband and the two daughters, and past Women of the Year.

For the program Mrs. Frances Puckett gave a book review on "Pebbles in the Pool" by Dorothy Canfield Fisher.

Hostesses for the event were Miss Jo Muncy, Mrs. Bob Copeland and Mrs. Doyle Moore.

MR. AND MRS. MENARD FIELD

Reception To Honor Local Couple On 50th Anniversary

Mr. and Mrs. Menard Field are to be honored with a reception in observance of their Golden Wedding Anniversary Saturday, May 18th., at their home, 901 West Virginia Street. Calling hours are from 4 p.m. until 8 o'clock p.m.

The couple will be assisted in receiving guests by their three daughters and husbands and a son and his wife. They are Mr. and Mrs. John Wilson, and Mr. and Mrs. W.M. Stanforth Jr., of the South Plains Community, Mr. and Mrs. Charley McDonald of Colorado Springs Colo., and Mr. and Mrs. Adron Field of Dallas.

Mr. and Mrs. Field came to Floyd County in 1929 settling in the South Plains Community where he was in the gas and oil business a number of years. After moving into Floydada Field became a motel operator and builder of motels and other commercial buildings along with several homes in the west part of Floydada.

Both Mr. and Mrs. Field are members of the City Park Church of Christ.

MISS NATHLYE E. CHASTIAN

Miss Chastian And Walter Nicholson III Plan Vows

Mrs. Nathlye H. Chastian of Denton and George Lytleon Chastian of Dallas announce the engagement and approaching marriage of their daughter, Nathlye Elizabeth, to Walter Peter Nicholson III, of Denton, son of Mr. and Mrs. Walter Peter Nicholson of 1121 South Wall, Floydada.

The couple plan a 2 o'clock p.m. wedding June 22 in St. David's Episcopal Church in Denton.

Miss Chastian attended Denton Public Schools and is presently by Titche Goettinger in the accounts payable office in Dallas. Her fiancé attended Floydada High School, North Texas State University and is employed as sales coordinator for the 3M Company of Dallas.

Minister-Don't you ever attend a place of worship? Youth-Yes, sir, and I'm on my way to her house now.

Girl Scout Troop 181 Visits Camp Rio Blanco

Troop 181 of Girl Scouts invited four Boy Scouts from

Troop 357 to help prepare them in the arts of fire building in anticipation of their visit to Camp Rio Blanco May 4. Tuesday, April 30, Johnny and Tommy Farris, David McCulley and Kerry Kirk opened the girls' eyes with the apparently simple method of starting a fire without a match at all (using flint and tinder) and using the one match method. The girls and leaders certainly appreciated this first hand knowledge, but so far have not been able to duplicate it. The merrily dancing flames in the bar-b-que pits in the park west of the Church of Christ

sixteen girls gathered at 9:00 a.m. to leave in private cars for Rio Blanco east of Crosbyton. Visions of nature hikes, noon cookouts, singing and fun danced in their heads. Mrs. Welton B. Winn, Mrs. J. A. Welch and Assistant Leader and Leader, Mrs. Charles Tyer and Mrs. David Kirk were the adult members of the party, who had visions of nightmarish sprained ankles, rattlesnake bites and burned fingers in their heads. Girls attending were La'Trece Winn, Debby Green, Connie Welch, Revis Chandler, Karen Looney, Sharon Williams, Judy Young, Billie Sue Christian, Jimmie Kay Sales, Fleata King, Terri Smith, Kristi Kirk, Julie Poage, Shawn Higgins, Carolyn McCain, Tammy Tyer and two younger sisters, Tracy and Tana Tyer.

Under an enormous tree by the caretaker's house in Camp Rio Blanco, the Troop paired off into the Buddy system and made plans from a roughly drawn map to proceed to the Covered Wagon Unit across the creek. The delightful Tree House was next on the exploration list, and precautions were reviewed on behavior if confronted by a rattlesnake. With the First-aid Kit assembled, labeled, and packed, lunch divided and tied on "hobo sticks",

the safari began the trek toward destination "Fire Circle in Unit II". As side trips the group visited the swimming pool, the imposing Bridwell Lodge used for Troop camping during this time of the year and viewed the "Old Lodge" and then made their way across the swinging bridge to the fire circle.

The Breezer Patrol checked the site to see if everything was fire safe, found firewood, readied a bucket of water for wandering sparks and also to be used later to douse the fire, built the fire and kept guard. The Whirlwind Patrol duties involved making toasters and cooking the wieners over the fire. A kitchen was set up by the Sunrise Patrol and these girls fixed the buns with mustard and pickles and helped

Miss McCleskey And Wylie Plan August Wedding

Mr. and Mrs. Robert W. McCleskey of Fort Worth announce the engagement of their daughter, Sharon Virginia, to Phillip Arthur Wylie, son of Mr. and Mrs. Arthur L. Wylie Jr., of Floydada.

The bride elect is a candidate for graduation from Texas Christian University in June, 1969. She is a member of Alpha Delta Pi Sorority, Kappa Delta Pi, honorary society in education and Alpha Lambda Delta, honorary freshman women's society.

Her fiancé also attends Texas Christian University and will graduate in June, 1969. He is a member of Delta Tau Delta Fraternity.

Wedding vows will be repeated August 31, at 8 p.m. in Arlington Heights Methodist Church in Fort Worth.

Andrews Ward Program Tonight

"A Patriotic Salute" will be the theme of this year's final Andrews Ward PTA program tonight at 7:30 in the High School Auditorium.

Songs and march routines will be featured as about 60 pupils from the fourth, fifth, and sixth grades come on stage. First, there will be a poem, "Song of Peace," then the musical salute begins with "Reveille" followed by these rousing tunes:

"Marines' Hymn, Battle Hymn of the Republic, Anchors Aweigh, America the Beautiful, Air Force Song, The Green Beret, America, The Army Goes Rolling Along, and The Star Spangled Banner."

The vocal salute, under the direction of Miss Sue Burris, ends with "Taps." The chorus will be dressed in red, white and blue. Two of their numbers will feature a drummer.

The 6th grade band will make its second appearance this year and, under the direction of Mr. Larry Matthews, will play "Duncan Ward March," written by High School Band Director Jim Boyd, as well as "Aura Lee" and "Castles in Spain."

Father-And there, son, you have the story of the Great War. Son-Yes, Dad, but why did they need all the other soldiers?

We had a great assembly Tuesday. It was a safety assembly, and the students were all very impressed. We saw a film entitled "Signal 30." It showed the results of many wrecks, and we are all ready to be safer in our driving.

The results of running just one stop sign can be fatal, so it's a great challenge to all of us, including YOU, to be better and safer drivers. Congratulations to Wendy Bertrand, Sara Stanforth, Phil Kinslow, and Gale Campbell on being selected citizens for the months of February and March. They were awarded certificates during assembly Tuesday. Also, Judy Probasco was the most valuable annual staff member for the month of April and Gayle Fawver, the most valuable member for this semester.

Zacha Cummings, editor of the Junior Edition of the "Whirl" is hard at work this week because the Junior Whirl will be on sale tomorrow.

There is a car wash Saturday at the Gulf Station, and at Consumer's. This is Student Council sponsored and the money will go in the fund for a Foreign Exchange student for next year. Please support this car wash because we really need the money in order to have an exchange student next year.

May 17, there will be an assembly for Student Council installation.

The final assembly of the year is the Awards Assembly May 21. This is the nicest assembly of all, and I urge you all to attend. It will be in the auditorium at 9:30 on May 21.

Everyone is so busy. The end of school is always such a busy time of year. Next week we'll all be really studying hard for finals, since they are coming up so soon.

Well, from the talk I've been hearing, Long Hair is going OUT!!!...for boys! Lots of the guys already have shorter hair and those who don't are talking about it - Sounds like we'll be seeing flat tops real soon.

Our last Twirp Week was a success and we made nearly \$500.00. Thank you for your support. Have a good week.

Mrs. Garland Foster was hostess for the regular meeting of the 1934 Study Club when they met Tuesday night. Mrs. A. L. Wylie Jr., gave the invocation followed with roll call, "One of Our Freedoms."
 Mrs. M. J. McNeill introduced Carole Burrow of high school and Laura Campbell of Junior High. Each was presented a check from the club for their winning pictures in the club's recent art contest. Mrs. Ben Spencer was also introduced. Mrs. McNeill expressed the members' appreciation for the young people's interest in the contests.

During business the resignation of Mrs. Helen Patterson was accepted with regret. Club voted to have the art and essay contests as well as the community improvement program as standing club projects.
 Mrs. R. G. Dunlap, incoming president, announced the standing committees for the 1968-69 club year. They are:
 Finance and Home Tour: Mmes. John Stapleton, J. S. Hale Jr., Floyd Lawson, Tom Burrow, Vernon Parker and Aaron Carthel;
 Notification: Mmes. W. O. Newberry, Jake Watson and G. W. Switzer;
 Federation Hostesses: Mmes. Ralph Johnston and Doyle Mount.
 Sunshine: Mmes. Wilson Bond, A. L. Wylie Jr., J. P. Moss;
 Art and Essay Contest: Mmes. M. J. McNeill, Tom Burrow, J. S. Hale Jr., George Springer and John Hoffman.
 Community Improvement Program: Mrs. David Campbell.

TFWC Charity Educational Fund: Mrs. A. L. Wylie Jr. Federation Council will be Mrs. W. O. Newberry. Mrs. Allen Bingham will serve as president of the Inter-Club Council.

Mrs. Wilson Bond introduced the program on "Our Heritage - Our Country's Freedom". Mrs. Ralph Johnston voiced a prayer "America on Its Knees"; Mrs. George Springer spoke on Arlington National Cemetery, and Mrs. Floyd Lawson spoke on "The Challenges Go On." Mrs. Ralph Cogdell closed the meeting with an inspirational thought.

Members present included Mmes. H. G. Barber, Allen Bingham, Wilson Bond, Thomas Burrow, Ralph Cogdell, A. W. Coltharp, Dennis Dempsey, R. G. Dunlap, Garland Foster, J. S.

water and her whole catch of fish, which she had lost earlier, was on the tiny hook. Nearby fishermen, knowing of her earlier plight, came to the rescue and assisted her in hauling in the fish. All were still on the line, with the exception of the last one she caught. In the meantime the man who had made the remark when she lost the fish, returned and she promptly told him she had recaptured her fish. With a stunned look he said, "Lady, you must live right." Mrs. Denison became engaged in a conversation with a nearby woman, who witnessed the whole procedure, and who said she would vouch for her in repeating the story to Mrs. Denison's husband and mother. The woman turned out to be a friend of Mrs. Denison's mother and is employed by Mrs. Eave's doctor. Mrs. Denison said without her she knew her story would never be believed, because her husband and mother had said earlier, "You probably won't catch any fish." She knew they wouldn't believe her when she told them she had a bunch, they got away, but she caught them again, this time all at once.

Council members show appreciation to all armed forces personnel, past, present and future, who have and are dedicating their lives in the preservation of world peace. It would be nice to honor our Floyd County boys with a dinner and such when they all return home. This could be sponsored by both Lockney and Floydada citizens.

Two retired gentlemen were discussing their ailments. "I have a nagging pain in one leg," said one. "Must be old age," replied the other. "I don't think so," the first one said. "My other leg is just as old and it doesn't hurt a bit."

MACKENZIE,

ler filtration system when the dam is built to meet Silverton's needs-if the bond election carries in participating towns-and would add to it as other towns connect.

Joe Smith of Lubbock, representative of First Southwest Co., a bonding firm, stated at the Thursday meeting that "I do not feel that this tax rate would be out of line (for the dam, etc.)... probably costing about \$30 annually on a \$10,000 home." Tom Moore, a Lockney Mackenzie director, replied that maintenance on a

windmill costs approximately this much.

Lee Freese of Freese, Nichols and Endress, consulting engineers, believes the pipeline could be completed to the two Floyd County towns within a year after the "go" signal is given. Thus, under the present timetable, water could be expected here for municipal use from the aboveground supply early in 1978.

Under the tentative agreement, Lockney and Floydada could lay the pipeline before 1977 if both towns need water earlier, or they could postpone

the project by mutual consent if neither needs water at the designated time.

Figures revealed by the engineers reveal that Floydada would need approximately 273 million gallons annually, and Lockney would require 150 million gallons. If a town uses less water than it has agreed to purchase from the Authority, the water may be sold or otherwise disposed of by that City Council with no restrictions by the Authority's board of directors.

Present at the Thursday session were: Joe Smith and Elbert Marr, Lubbock; Lee Freese, Fort Worth; Paul Lyle, Lockney city attorney from Plainview; Mayor Claude Brown, Councilmen Lester Carter, Thurman Davis, Dub Dipprey and Pat Frizzell, Mackenzie Directors Tom Moore and O.C. Bailey, and Jim Reynolds, Lockney; Mayor Leonard Matsler, Councilman Ray Gene Ferguson, City Manager Bill Feuerbacher, Director of Public Works Marshall Haney, Mackenzie Directors Lon Davis Jr. and W.J. Ross, Floydada.

Additional Information Given On Bicycle Rodeo

A meeting held Thursday morning at the Lighthouse Electric assured General Chairman, Gerald Howard, and Coordinators, Bud Rainey and Mrs. Andrew McCulley, that committees appointed for the Annual Bicycle Rodeo are in full swing.

May 25th, from 10 a.m. until noon is the time set for the event scheduled on Tree Street between the High School and the Baseball Park.

Co-chairmen for the Bicycle Decoration Contest, Mrs. Eddie Childs and Mrs. Lewis Bearden, will select judges and see that awards are placed in the division.

The Safety Inspection will be conducted by R.L. Giesecke and Tom Hopper, with Marshall Haney in charge of closing and blocking streets to insure safety for the contestants.

The Skills and Obstacle Course will be set up and judged by Gerald Howard and Bud Rainey, Highway Department Patrolmen.

Jim Word will supervise the Bicycle Safety Knowledge Test. Assisting Mrs. David Kirk, Publicity Chairman, is Mrs. Mary Phillips of Lighthouse Electric.

Members of the Boy Scouts and Girl Scouts of Floydada will also help with publicity and various jobs during the Rodeo. Troop 357 of Boy Scouts will set up the First Aid Station to administer aid to any skinned knees, if such should happen.

The Girl Scout Cadette Troop, with Jo Muncy as leader, has been assured that the concession stand at the ball park may be used to sell snow cones and other treats. Proceeds from the concession stand will help send the Cadettes to the HemisFair in San Antonio.

Any boy or girl, from preschool age through the eighth grade may enter any or all of the four divisions without charge. Notices will be given to each person at school with consent blanks to be filled in by the parents. These may be presented as the contestant enters the Rodeo May 25th. Additional consent forms will be available at City Hall, First National Bank, K.F.L.D., Hesperian, White's Auto, Montgomery Ward Catalog Store, Spears, Western Auto, Caprock Hardware and Eddie Child's Service Station. Parent's signed consent is required for each person that participates.

Awards will be given to boys in four age groups and to girls in four age groups. Preschoolers, Primary (boys and girls from the first grade

through the third grade), intermediate (boys and girls from the fourth grade through the sixth grade), and Junior High (boys and girls from the seventh through the eighth grade) will make up the groups.

Contestants may enter decorated bicycles in the Prettiest Division, the Most Comical Division, and the Most Original Division. Awards will be placed in each age group within the division. The Skills and Obstacle Course will have award winners in each age group for two simple obstacle courses. Correct hand signals must be given.

Bicycles which pass the Safety Inspection will be considered safe and legal to ride in Floydada. The riders should be able to pass the Safety Knowledge Test. This is not required for a person to be able to ride a bicycle in Floydada, but will help riders prevent accidents.

If involved in an accident, the rider will know that he is not responsible if all safety precautions have been observed. A film will be shown in the High School that will help familiarize participants of the safety checks and rules that apply to bicycle riding.

City Manager Will Speak At VFW Meet

Bill Feuerbacher, Floydada City Manager, will be guest speaker at a meeting of the V.F.W. on Tuesday, May 21, at 8 p.m.

Feuerbacher will discuss the financial condition of the city and further discuss projects the city has underway and projects in the planning stage.

V.F.W. members are invited to hear Feuerbacher so that they may know more of the operation of the city and city government.

Armed Forces Day is Saturday, May 18, and everyone is urged to fly their flags.

Dougherty Man Ends Training

FT. POLK, LA. (AHTNC) - Army Private Franklin D. Cuthbertson, 18, son of Mr. and Mrs. W. P. Cuthbertson Sr., Dougherty, Tex., completed nine weeks of advanced infantry training May 3 at Ft. Polk, La. His last week of training was spent in guerrilla warfare exercises.

During his guerrilla training, he lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on "enemy" villages. He was taught methods of removing booby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-14 rifle, M-60 machinegun and the 3.5-inch rocket launcher.

Rev. and Mrs. Thurston Honored

The Rev. and Mrs. Herschel Thurston were honored by the members of the Floydada First Methodist Church in Fellowship hall of the church last Wednesday night with a family night banquet.

Highlight of the occasion was the presentation of a "love money tree" for the Thurstons and church lay leader Claude Estes expressed the church's appreciation to the Thurstons for their years of service to this church and other churches.

The Thurstons will retire to their mountain home in New Mexico after annual conference May 20 in Amarillo.

The Rev. Darrell Faires and Wendell Tooley sang some folk songs and led the banquet crowd in singing songs, preceding the presentation of the gift to the Thurstons.

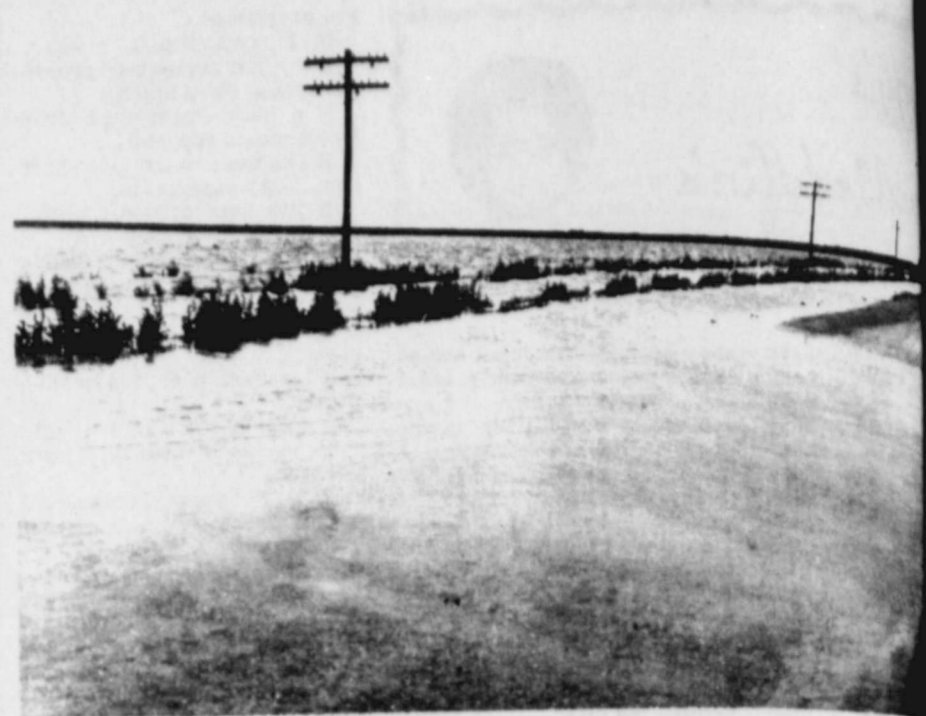

Senior Team Working Out

Junior Bearden, manager of the Floydada Senior League baseball team which will be competing in the Mackenzie League this summer reports that his team is now working out and "ready to go."

The team will compete against teams from Lockney, Abernathy and Hale Center with the first game here on June 3 with Abernathy. A complete schedule will be published as soon as available.

Serving as coach of the local team is C.C. Whittle and 14 boys have been signed as players, including:

Bobby Gilliland, Larry Emert, Dennis Whittle, Todd Wester, Connie Bearden, Bob Marler, Domingo DeLeon, Steve Craig, Reginald Bonner, Larry Bevers, Jerry Towler, Pete Billegas, Ben Miller and Tim Rose.

4 H Winners Give Program

Billy Finley, Lindsay Lovell, Teresa Colston and Brenda Willis, all Floydada 4-H demonstration project winners, brought the program Thursday at the regular meeting of the Lions Club.

Finley and Lovell gave their presentation on Civil Defense while the two girls gave a demonstration on steer judging. Both teams won first at the district level and will compete in contests later this year.

Thirty-one persons were present for the meeting, presided over by Don Cheek, vice-president.

Cheek announced that a film on the Lions Club Crippled Childrens Camp would be shown at the next meeting (today) and that initiation of new members would be May 23, the date of officer installations for the coming club year.

June 13 was announced as the date for the next directors meeting, slated for 6:30 a.m. at Rogers Restaurant. A meeting of the directors was held last Thursday.

The annual Lions Club Carnival, slated for late May, was discussed.

BITUARIES

Williams
Friday.
Williams had suffered from heart trouble for sometime. He was found slumped against the tractor he had been driving on the Snodgrass farm.
His body was transferred to Bryan, Texas Saturday where the funeral and burial arrangements there were under the direction of Moore-Rose Funeral Home.
Williams was born April 12, 1903. He came to Floyd County some 20 years ago.
Survivors include his wife,

three sons, Henry Williams Jr., and Johnny Curry, both of Floydada, and James Williams of Huntsville; four daughters, Ruth Polk of Oakland, Calif., Claire Hardin of Fort Worth, Oveda Campbell and Fannie Marie Samuels, both of Petersburg; his parents, Mr. and Mrs. Jim Williams of Bryan, and a host of grandchildren.

D. B. Thomas

Funeral rites for D.B. Thomas, 50 year old former Floydada resident, were held Saturday in the First Baptist Church in Tulla. Thomas died Thursday in Northwest Texas Hospital in Amarillo, following brain tumor surgery that morning.
He operated Thomas Hardware in Floydada a number of years before selling to Caprock Hardware in November, 1962. The family then moved to Lovington, N. Mex., and to Tulla in 1964 where he operated Thomas Hardware there.
He was a member of the First Baptist Church, a veteran of World War II, and a member of Masonic Lodge of Floydada.
Thomas and Miss Marie Stanford were married at Memphis Aug. 5, 1939.

Survivors include his wife; a daughter, Mrs. Jerry Bullock of Tulla; three brothers, Joe of Amarillo, Clyde of Plainview and Willie of Clayton, N. Mex.; two sisters, Mrs. Earl Elznic of Dayton, Ohio and Mrs. Truman Stringer of Tulla and his father, John Thomas.

Lupe Mendoza

Services and burial rites were held in Ballinger Monday for Mrs. Lupe L. Mendoza, 26 year old Floydada resident who died Friday due to complications arising from pregnancy. Mrs. Mendoza died about 5 o'clock p.m. in a Moore-Rose ambulance while enroute to Lubbock.

Mrs. Mendoza, the former Lupe Valdez, was born November 26, 1942 and was married to Marcelino Mendoza October 2, 1959. She came to Floydada in 1954 and worked at Peoples Hospital several years and later at the local convalescent home. She was a member of the Catholic Church.
Survivors include her husband, her father, Angel Valdes of Ballinger; four sisters, Manuilla Marquecho, Louise Escobar, Janie Valdez and Mary Valdez, all of Ballinger, and four brothers, Junior, Raymond, Pete and Paul Valdez, all of Ballinger.

Roxanne Thornton

Funeral rites for Roxanne Thornton, four year old daughter of Mr. and Mrs. Ronnie Thornton of Lockney, were conducted yesterday afternoon in the First Methodist Church in Lockney. The child died Monday night in Lockney General Hospital after a lengthy illness.
She was born in Lockney April 2, 1964.

Survivors include her parents; a sister, Renee; a brother, Ritchie, both of the home; the grandparents, Mr. and Mrs. Owen Thornton, Lockney, and Mr. and Mrs. Harold McLaughlin of Providence, Tex.; and great grandparents, Mr. and Mrs. Burton Thornton of Sterling, Colo.

Letter To The Editor

Dear Mr. Tooley,
I read with interest your editorial suggestion of a new industry for Floydada - a junior college.

As an adult who has returned to college, I can wholeheartedly recommend this addition to our community. While a part-time student at both Lubbock Christian College and Texas Tech, I met many other adults who were part-time or full-time students. Many were people who were taking advantage of the G.I. Bill, or were studying for career advancement, or general culture. Adults who have not graduated from high school are accepted on the basis of their mature years and very simple entrance tests. No wide knowledge of science, math or grammar are required for these adult students, as many people think. Wayland and South Plains College attract many of this age group.

Also, there is the attraction of a local college would have for many of our recent high school graduates who could better afford college if a year or two of free room and board could be saved by living at home.

There are two vacant buildings in Floydada of suitable size to house a beginning junior college. I refer to the old People's Hospital building, and the recently constructed and abandoned Della Plains School.

Lubbock Christian College started with a two-story wooden residence for an administration building with barracks for dorms. Many junior colleges over the state do not offer dorm facilities, but give local people approval to "take students in," offering additional income to individual families. The money not spent on dormitory buildings can then be spent developing the college.

I believe Floydada offers as much for a college as any other junior college town - parks, large churches, theatres, sport facilities, several restaurants and drive-ins, good department stores, and a good county library to supplement the college's library.

Truly, the industry of education would be one worth investing in for our town.

Sincerely,
Mrs. Q. D. Williams

Mr. Tooley,
Congratulations on all of your awards.
We have moved again and we do enjoy the Hesperian so would you please send the paper to:
Phil Steen, 8364 W. 71st St. Ave., Arvada, Colo. 80002.

Thank you,

Dear Wendell:
Wendell, I will go over this week and get the information you need concerning the junior college. As soon as I acquire what you need, I will let you know immediately. In addition, I will send you the information concerning the constitutional amendment relating to a city voting bond for a new industrial development.

Again, thank you for everything you have done for me. It was very thoughtful of you to run the newsletter in your paper. If I may ever be of service to you, I trust you will call on me. Warmest personal regards.

Sincerely,

FLOYD PHILOSOPHER Thinks He Knows Why Farmers Are Being Ignored In The Presidential Race

Editor's note: The Floyd Philosopher on his Johnson grass farm speaks up, more or less, for farmers this week.

Dear editor:
I have been following the presidential nomination races in every newspaper that turns up out here and have failed to find a single candidate who's making any special play for the farm vote, and I think I've figured out why.

The trouble with us farmers is there aren't enough of us to be counted a major voting bloc anymore, but there're still too many of us to be called a disadvantaged minority group. So, nobody pays any attention to us. The steps to my back porch can collapse and you won't hear a voice raised in protest.

Obviously, there's too much city-ism and not enough farm-ism in this guilt-ridden country. On top of that, there are people who're trying to make it even harder on the farmer.

Only last night I read an article agitating for more laws making it illegal for anybody to

sell anything below his cost. It's unfair competition, the argument goes, for a big outfit to sell a few items below cost to lure customers away from small outfits that can't afford the practice.

Maybe so, I don't know about that, that's out of my field, but have you ever stopped to think what this would do to farmers and ranchers?

You pass a bill saying it's against the law for me to sell a crop for less than it cost me to produce and it'll put me out of business.

Farmers have got to fight this movement with all they've got. It'd wreck American agriculture. It's bad enough to work all year on a crop and sell it for less than it cost, but not to be able to sell it at all would be disastrous.

I sometimes think what this country needs is a law limiting the number of laws that can be passed.

Yours faithfully,
J. A.

Dear Mr. Tooley,
It grieves me deeply as I look around and find how uninformed and unconcerned the majority of the American people are concerning Communism. I have selected several commentaries and articles here that I am sending you for printing to further educate the readers of the Floyd County Hesperian concerning Communism, and Socialism.

(Note: Due to the excessive length of the articles Mr. Looney would like published, we are only running his letter this week and will run the articles in installments in the coming weeks.)
As I sit here and ponder the words of these men, it gives me the uneasy feeling that the wool is being pulled over the eyes of the American public by a liberal controlled press and liberal radio and television commentators.

A few weeks ago we saw on C.B.S. Television a group of police throwing teargas into a young mob, trying to dispel it. The C.B.S. news commentator was crying police brutality, but I have not yet to this day heard one mention on the C.B.S. Television News of the 84-year-old woman that this mob had just beaten unconscious. The last account I had, she had still not regained consciousness. This is also another one of the communists ways to brain wash people. They try to tear down authority, create disrespect for Law and Order.

We also see the propaganda that the Reds have spread consistently concerning the bombing of innocent people in Viet Nam. I would like to take for a moment to show you some of the statistics that have been compiled in Viet Nam concerning Red atrocities, these are some of the things the controlled press never mention.

Here are a few statistics based upon information furnished senators by David E. Bell, administrator of the Agency for International Development: 54,000 civilians were the victims of Viet Cong Atrocities between 1962 and June 30, 1965.

During that period of three and one-half years, 28,356 Vietnamese were kidnapped, 18,624 wounded, and 7,492 were assassinated. The Viet Cong deliberately directed their atrocities against those in authority and those possessing leadership qualities.

Looking back to 1962, a total of 80,000 Vietnamese children were deprived of schools that year because of terrorist action. There were 636 schools destroyed, 250 teachers kidnapped and 30 teachers killed.

We see by this report that the efforts of the Reds was to take action, eliminating the leaders, the village rulers, and the teachers, the Viet Cong have effectively maintained control of the activities of much of the civilian population.

These atrocities, as cruel and inhuman as any ever dreamed up by Hitler and his cohorts in Nazi Germany, have not been revealed to the world as they should. They have not been impressed upon the newspaper readers and the television viewers. I appreciate this opportunity to share with you some of the

reasons we should continue to fight communism, both at home and abroad. Some of the reasons that we need to secure a complete victory in Viet Nam, and not coexistence with the Viet Cong. The communists have vowed to destroy us, and they will use any means to do this. If they cannot do this in Viet Nam then they will do it some where else.

As Chaplain of Veterans of Foreign Wars Post #5616, I feel that it is my solemn duty to try to inform the citizens of our area of the dangers of communism and socialism. They are both unworkable, as you have seen from the testimonies and editorials given here. Neither are according to the plan that God has given for man to go by.

We would like to say at this point all Governments, rulers, magistrates, as ours here in the United States, God has ordained. He has set forth that we should obey the Laws and if possible to live peaceably with all men. Sometimes it gets to the point that it is not possible to get along with all men, but then he does not tell us to take the law into our own hands.

Yours,
Pete Looney
Chaplain
Veterans of Foreign Wars of the U.S.

Jimmy Willson WTCC Director

J. M. Willson, Jr., Floydada, has been elected a director of the West Texas Chamber of Commerce. He was named at the 50th Anniversary Convention in Odessa last week and will serve for a term of three years.

What makes a Pontiac a Pontiac

(And what makes ordinary cars ordinary?)

Only Pontiacs have Wide-Track. Drive a Pontiac and you'll wonder who took all the bumps and curves out of the road.

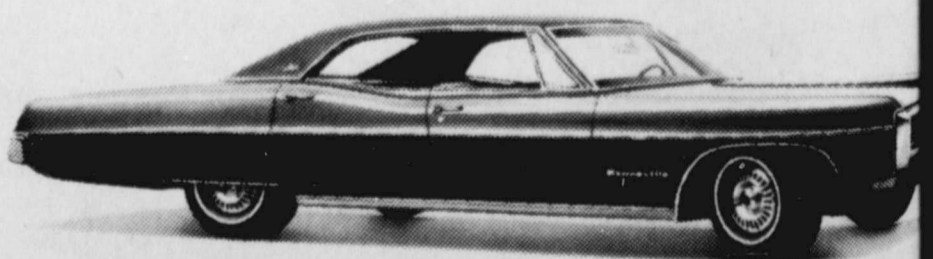

Even our lowest priced Pontiac has a unique 175-hp Overhead Cam Six. Like count cylinders, you'll swear it's a V-8.

Pontiac interiors make you glad you left home - soft Morrokide and simulated wood trim so real only a termite can tell it isn't.

Innovations like GTO's Bumper-of-the-Year make Pontiacs look expensive. But records prove we know how to price them, too.

12 Resolutions Set At Republican Convention

The Republican County Convention was held Saturday night in the Community Room of the First National Bank during which time 12 resolutions were set by the chairman, John Farris, and respectively submitted for consideration, among them being the naming of John Tower as a Favorite Son of Texas. The resolutions are as follows:

I. Installment credit should be clarified to the public, by law, showing plainly the types of interest used, as separate from insurance, and/or carrying charges.

II. Recommend rewriting of all local, state, and federal welfare programs so that these laws will create an incentive to the people to better their station in life themselves. And we are against a guaranteed minimum wage.

III. A program designed to encourage an increase in the useful productivity of the American Indian, who is now a ward of our government. To declare their full rights as citizens, to reappraise and better their situation as a minority group and to fully appreciate their heritage they gave to this country.

IV. A resolution against putting farm labor under the jurisdiction of the National Labor Relations Board.

VI. A resolution to balance Federal budget within the next four years.

VII. In event of failure of present peace talks we want the U. S. and Allies to pursue complete victory for our side.

VIII. We resolve that the Republican Executive Committee and County organization encourage and support Republican candidates for county offices.

IX. That Republican Party work diligently for revision of electoral college so that the voting of the electoral college more closely reflects the will of the voters in each election.

X. A resolution pertaining to agriculture that the Department of Agriculture function as an agency representing agriculture and farmers.

XI. Resolve that any future farm program attempt to solve rather than prolong agriculture problems by regulating production only by providing a system of orderly marketing and that production regulations be applied proportionally to every farm of every size in every area of the United States.

XII. A program of laws to be passed to insure real truth having pastored churches in Shamrock and Pampa.

The Tuesday afternoon meeting will see the election of Conference boards and commissions for the quadrennium and following the elections they will meet in original session. The delegates will convene in the evening for a worship service when Bishop Webb will deliver the second in his series of sermons.

The Wednesday sessions will consist mainly of reports of the boards and commissions and other business matters with a worship service scheduled at 11:30 a.m. conducted by Bishop Webb.

The delegates will return in the evening for service of ordination of deacons and elders. Thursday morning, May 23 will see the concluding business session and the Conference will adjourn with the reading of appointments for the ministers of the NWT Conference.

At the conclusion of the session Illinois Bishop Lance Webb will deliver the first of a series of sermons on the theme "New Life Through a New Church in a New World." Bishop Webb is a graduate of McMurry College in Abilene and a former member of the NWT Conference.

Several hundred ministerial and lay delegates from the Northwest Texas Annual Conference of the Methodist Church will gather at the Polk Street Methodist Church in Amarillo May 20-23 in annual Conference with Bishop O. E. Slater, San Antonio, presiding.

Highlights of the meeting will be the reading of appointments for the ministers of the Conference in the final session Thursday, May 23 and the presentation of "Echoes from the General Conference" by delegates to the meeting held in Dallas in April.

First session of the annual meeting will begin at 3:30 p.m. Monday, May 20 with a Communion and Memorial Service

You say you'd like a few suggestions on how to get more out of your telephone service?

Here are five tips to help make your every "hello" a real good buy:

Whenever you're moving to another town within Bell System, let us arrange for your phone service to move. If you know the address of your new home, we can make arrangements in advance so you'll get the exact service you want in your new home. We'll refer calls from your old phone to your new number just like. Just call the business office and ask about Easy Move Plan. There's no extra charge.

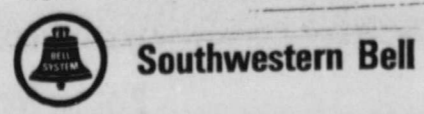

Speaking of moving, we hope you realize that whenever you move in the Bell System, there is no color charge for the phones at your new address if you had your phones at your old address.

Ever wonder what to do when you get a wrong number on a Long Distance call? Just hang up, dial "0" for "Operator," and tell her what happened. She'll see you're not charged for the call.

4. And if you ever lose your dime in an out-of-order pay telephone, just go to a working phone and report it to the Operator. She'll arrange to have your dime mailed to you. Also, if you give her the number of the out-of-order phone, we'll get it fixed right away.

5. Long Distance interstate rates are lower all day Saturday and Sunday, and after 7 p.m. each weekday. You can also save money if you call by number. A station-to-station Long Distance call costs about one-third less than a person-to-person call.

At Southwestern Bell, our goal is to help you get the very best telephone service. We want your every "hello" to be a real good buy.

Swine Industry Group Meets

Thirty local businessmen and farmers heard Southwestern Public Service's agriculture man Sam Thomas tell about raising pigs and feeding out hogs last week in Lighthouse Electric's Community room.

Thomas told about the costs of building farrowing barns, nursery and feeder barns. He outlined overall costs of the operation from beginning with gilt breeders to marketing the finished product.

"We need a half million more hogs per year in the Panhandle area to supply packing houses," Thomas said, "and Floyd County certainly has a huge
