First Load Sorghum Comes To Town

City Of Floydada 70% Leased For Oil And Gas

According to a report from representatives of a large independent oil firm, now in Floydada leasing the city lots for oil and gas, leases have been completed on about 70% of the city.

The independent landmen carrying on this work are Tom Coleman, Wesley Chalfant, Jack Gazzale, Sam Coleman, Bob Ross, Ken Griffin, Sam Gardiner, and Hyle Doss. Assisting them in this work are Duncan Hollums, Sue Carver, Fern Hartsell and Emma Johnston.

Grain Crop Prospects Appear Fair To Good

The first load of 1968 grain sorghum pulled into Floydada Grain Inc. about dark Tuesday. It was produced by Curtis Martin on the E. J. Moorehead farm about 1 1/2 miles north of Floydada.

This first load is later than last year's of August 14. Martin said the grain was weathermaster 45 and was harvested in early April. It was harvested from a 27 acre field. It was considered a very dry first load by elevator manager M. S. (Tubby) Robertson who reported that the moisture content was 13.46.

The first load weighed 15,320 and Martin received \$1.60 per 100 for it. Babe Jones harvested the grain.

Martin said that he had started to irrigate the "first load" crop, but continual rain allowed him to cut off the irrigation well, and he never finished watering it.

Agricultural forecasters predict a relatively early harvest and continued rainfall insures a big dryland yield.

However, the average is lower than last year in the county and green bugs and midge have done their damage.

Development Company To Meet Friday

According to a report from Jimmy Willson, the Floydada Development Company is to have a special called meeting at 5 p.m. tomorrow in the community room of the First National Bank in Floydada.

Several items of business are to be discussed and every member of the board of directors is urged to be present.

Senior portraits are being made by appointment at Parker Studio. Seniors are urged to have their pictures made promptly. Medium to dark clothing is suggested.

Senior rings will be issued in the library bookroom Monday morning. This year schedules are not being mailed previous to registration. Students are to report to the library where they will pick up their class schedules and pay the fees. Fees include a \$2 activity fee and band rental fees for uniforms and instruments. Blanks for the student insurance policies will be available during registration.

Classes will begin on Wednesday, August 28, at 8:30. Textbooks will be issued this year during each class period on Wednesday.

Dougherty Opens Wednesday

Opening exercises for Dougherty School will be Wednesday, August 28 at 9 a.m.

Hesperian editor Wendell Tooley will be guest speaker. All parents are urged to attend and see the new improvements made at the school during the summer.

Registration will also be Wednesday, first day of school. Lunches will be served.

Police, Sheriff's Office Investigate Auto Thefts

The Floyd County Sheriff's Department and Floydada City Police continue to investigate the theft of Tim Ward's red 1968 Torino and recovered the stolen 1963 Chevrolet sedan of Curtis Jester on Monday.

Jester and Ward both received threatening telephone calls last week. Jester's car was stolen Sunday night and discovered behind Dempsey Elevator Monday morning.

The interior had been damaged considerably. The car was discovered by Deputy Sheriff Connie Reed.

More Rain For Floyd County

Many irrigation wells were turned off all over Floyd County last Friday and Saturday as more welcome rain came this way.

Floydada officially received a little over an inch, bringing the year's total to 17.96.

Other rainfall reported over the area included: Lakeview .80, Dougherty 1.2, South Plains 1.3, Cedar Hill 1.5, Barwise 1., McCoy 2., Harmony 1.2, Baptist Encampment 1.5, Campbell 1.3, Baker 1.2, Blanco 2., Fairmont 2., Fairview 2 to 3 inches, Sandhill Elevator .9.

Flashing Lights Going Up At South Plains

The Texas Highway Department has come through with a request that began some three or four years ago by the citizens of the South Plains community that a flashing red light be installed at the railroad crossing in the midst of that community.

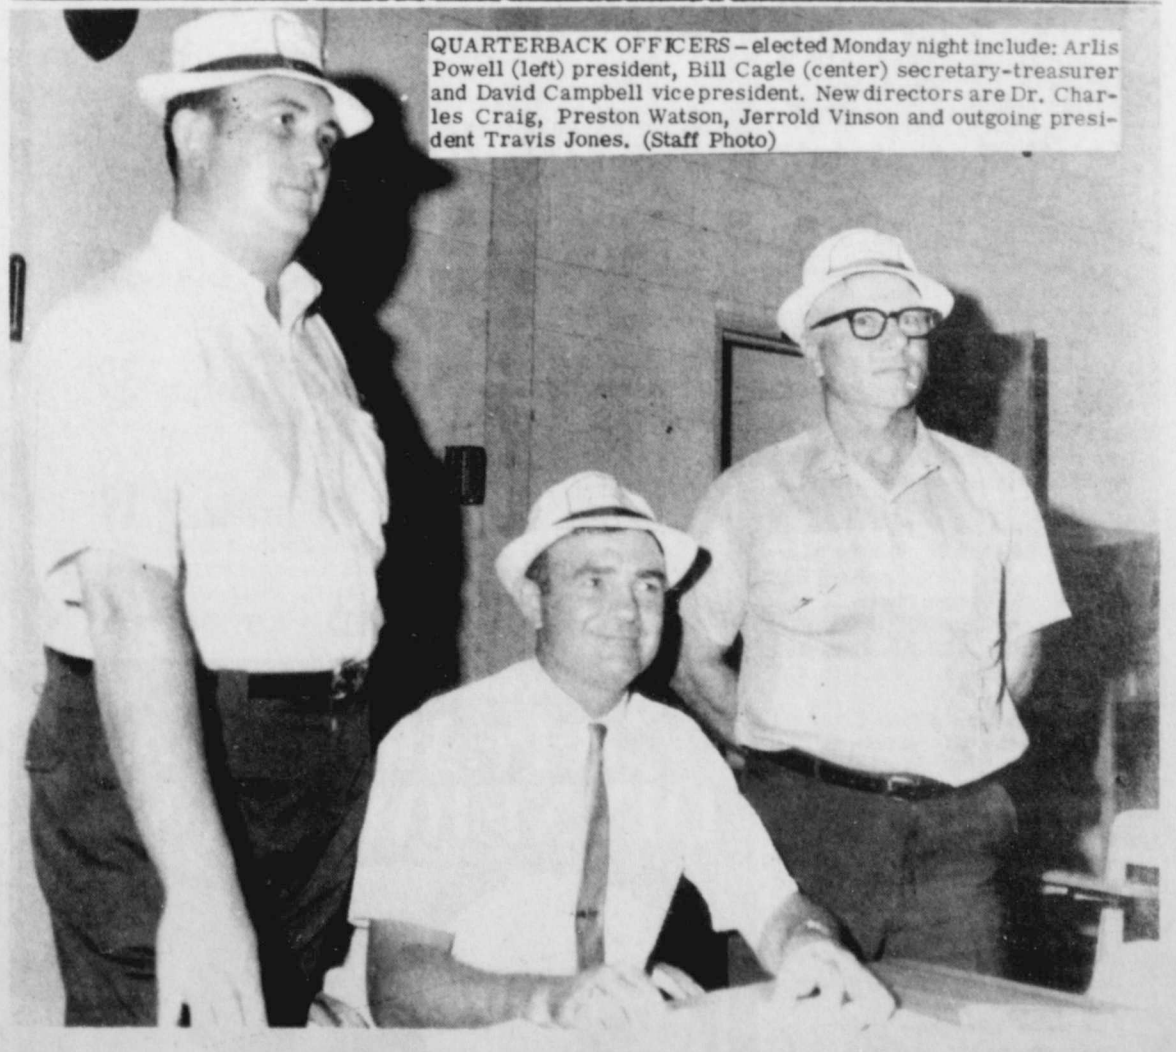

According to a report from Sam Fowler, local THD resident engineer, the lights are being installed this week. About 90% of the cost of the lights and installation will be furnished by

the highway department and around 10% by Fort Worth & Denver Railways.

It is hoped that the flashing red lights will prevent any further accidents at the crossing where several have been injured and a few persons have lost their lives.

In some cases the automobiles have crashed into the train while it was across the highway, other accidents were caused when automobiles were

SPORTS

Coaches And Players

Acquainted

By Wendell Tooley

New head coach and three new assistants, the staff hit the practice field Monday morning. They're nearly morning practice and a late evening work-out, in the afternoon, the Freshman team works out. Coach L. G. Wilson reports that around 70 boys are in this season and appears to be very optimistic about getting acquainted with the boys.

Wilson is invited to a "get acquainted night" in Western at 8 p.m. for a special free program sponsored by the Quarterback Club.

Wilson, 145-pound senior, heads a list of fine receivers who attempt to rebound from a 1-9 season.

Wilson helps from wingbacks Tim Rose (170) and Connie Bearden, both good pass catchers, and junior quarterback Jody James (155), fast developing into a fine passer. Wilson's air attack in Wilson's Slot I offense, there are Craig, a 6-1, 185-pound senior with power and ability to go outside.

Wilson sees room for improvement in block-district center Steve Pierce (205) and potential tackle Baker (220) at tackle and Gale Campbell (160) at guard.

The line-up appears quite solid, but the key, according to Wilson, is held by the numerous sophomores who must be acquainted with the game.

Wilson, 160-pound senior who will be used primarily at tackle, will start at fullback, rounding out the backfield with Craig, and either Rose or Bearden.

Regulars in the line are Wester, Bill Finley (185) and Mike Simpson, Campbell and George Quisenberry (165) or (165) at guard and Pierce at center. The tight end is Steve Pierce.

Wilson, Steve's brother, and Domingo DeLeon will be the specialists, but Wilson will not be able to platoon with the sophomores prove themselves.

The top newcomers are fullback Mike Burk (165), tackle Carver (180), tackle Glen Switzer (185) and end Steve Pierce (155).

Wilson looks strong at this early stage, but Wilson needs speed and quickness defensively.

Wheat Farmers' Pay Has Effect On Bread Cost

WATSON (AP) — The marketing and transportation situation that the average retail price of a one-pound loaf of white bread last year was 22.2 cents.

This average loaf, the department said, contained 2.8 cents worth of wheat, valued at the farm producing it.

In other words, as wheat farmers have pointed out before, if the farmer gave his wheat away free of charge, the consumer still would have to pay 19.4 cents for a loaf of bread at his local supermarket.

The value of all farm products in a loaf, including wheat, is 3.4 cents, the report said.

Transportation of the wheat to market, storage and other handling charges add 1.6 cents. Converting the grain to flour adds six-tenths of one cent.

The largest jump comes when wheat and flour is transformed into bread. Department economists said this accounted for 12.1 cents of the average loaf last year.

Thus, by the time wheat has been harvested, hauled to market, milled into flour, mixed and baked into loaves and then sold to wholesalers, the loaf already costs 17.7 cents, the department said.

GUIDE FOR SCHOOL TV

After a nine-month study, the Office of Education will offer a guide to the use of television in the public schools. In the pilot two-package guide, one will instruct the teachers and the other is a cost-benefit "decision guide" to help the administration.

Mary Durham, Linaweaver Exchange Vows

Mary Durham and Delbert Linaweaver were united in marriage Friday, August 9 at 5:30 p.m. in the First Baptist Church of Plainview. Rev. Tim Trammall officiated at the ceremonies.

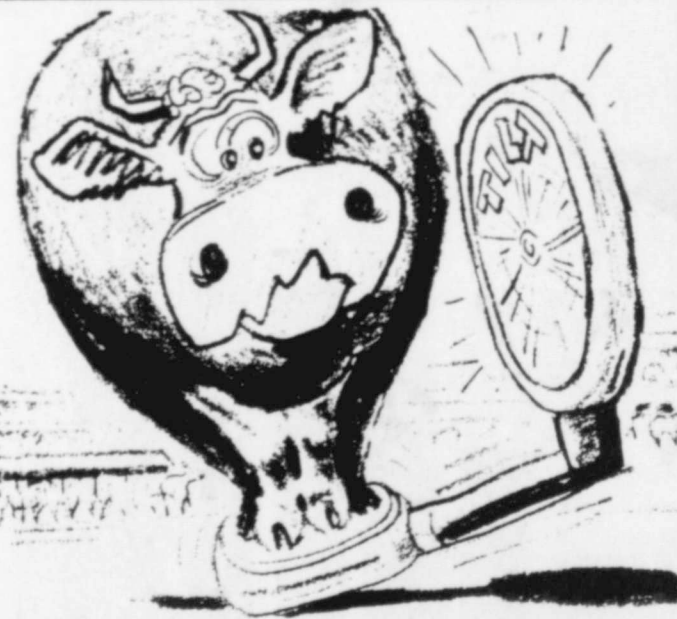

The bride is the daughter of Mr. and Mrs. Joe Giles of Floydada. Linaweaver is the son of Mr. and Mrs. Forrest Linaweaver of Salina, Kansas. Linaweaver farms for Johnney West at South Plains. The couple are making their home in Floydada at 732 W. Lee.

Rebekahs Honor PNG

Floydada Rebekah Lodge met Tuesday last week, at which time District Deputy President, Vera Jo Bybee of Lockney, made her official visit. Several members of the Lockney Lodge also attended.

Past noble grants were honored with small gifts, and refreshments were served afterward.

Those on the sick list were Pauline Fortenberry and Beulah Atkins of Brownfield.

450 POUNDS in 150 days!!

There was a time when Texas, the largest beef producing state in the nation, had to ship cattle elsewhere for finishing. But not any more. Feed lots dot the rural areas of Texas to feed Texas cattle. With scientific blending of feeds, these lots put incredible percentages of weight gain on cattle. Much of the work is done electrically. Some lots are almost completely automatic. Cooperative electricity loads the bins, grinds and mixes the feed and often sends it to the eating troughs with belts, pulleys and screws. The member-owned LIGHTHOUSE ELECTRIC COOPERATIVE by furnishing a low-cost dependable supply of electric power has made such installations commercially feasible. This is just one of many ways the LIGHTHOUSE ELECTRIC COOPERATIVE is Helping Texas Grow.

Miss Thompson At Workshop

Miss Wanda Thompson of 808 W. Marivena, Floydada third grade teacher in R. C. Andrews School, is attending a workshop now underway at the Texas Woman's University.

Dr. Lloyd M. Bennett, associate professor in the College of Education, is the instructor. Part of the laboratory includes study of the programs currently being implemented and evaluated in the TWU Demonstration School.

Miss Thompson is a graduate of TWU with a major in speech and drama. She has a certificate in secondary education and will complete her elementary certificate this summer.

Methodist Kindergarten Open House August 26-30

Parents who have enrolled their children in the Methodist Kindergarten are asked to bring them by the Methodist Church kindergarten room one day during the week of August 26-30, between the hours of 9 and 11 a.m.

This is for the purpose of getting the children acquainted with their room and their teacher, and a time for parents to officially enroll their children in the kindergarten.

Mrs. J. E. Waller is in charge of the kindergarten.

Wimberley-Mock Vows Read

In a double ring wedding ceremony at 7 p.m. Saturday in Ford Memorial Chapel of the First Baptist Church of Lubbock, Miss Dana Mock became the bride of George Ronald Coy Wimberley. The Rev. DeWitt Seago of the Methodist Church in Pampa officiated the wedding.

The bride is the daughter of Mr. and Mrs. A. G. Mock of Lubbock, and the granddaughter of Mrs. J. C. Newsom of Floydada. She attended Floydada High School. Wimberley is the son of Mr. and Mrs. R. E. Wimberley, Lubbock.

Miss Connie Mock, sister of the bride, was maid of honor. Miss Barbara Barnett was bridesmaid. Bridesmatron was Mrs. Sandra Scott of Oklahoma City, Okla. They wore sheath gowns of yellow crepe with jackets of matching lace.

Given in marriage by her father, the bride wore a formal-length gown of candlelight satin peau de soie with appliques of lace crested with pearls on the bodice and A-line skirt.

Best man was R. E. Wimberley Jr. of Houston, brother of the groom. Groomsman were Tom DeLavan and Dr. Jack Baker of Bakersfield, Calif.

After a reception in the church, the couple traveled to Colorado. They will make their home in Fort Worth.

A graduate of Monterey High School and Texas Tech, Mrs. Wimberley will continue to teach in Fort Worth schools. Wimberley is a graduate of Lubbock High School and attended Tech before serving four years in the U.S. Navy. He will work at Texas Testing Laboratory.

NEWS FOR HOMEMAKERS

by Sherry Mullin
Floyd County H.D. Agent

- INGREDIENTS USED IN PICKLING**
- SALT** - Use coarse salt, sometimes called dairy salt. It does not contain a product to prevent lumping as does table salt.
- VINEGAR** - Use a high-grade cider or white distilled vinegar of 4-6 percent acidity. The label should read 40 to 60 grains. Cider vinegar, with its mellow acid taste, gives a nice blending of flavors, but may darken white or light fruits and vegetables. White distilled vinegar has a sharp, pungent, acid taste and is desirable when light color is important, as with pickled fruits, onions and cauliflower. **DO NOT DILUTE VINEGAR UNLESS THE RECIPE SO SPECIFIES.** If you prefer a less sour product, add sugar.
- SUGAR** - Use either white or brown sugar. White sugar gives a lighter product, but brown sugar may be preferred for flavor.
- WATER** - Soft water is recommended. Lime and other minerals may prevent proper acid formation in pickles.
- COLORING AGENTS - CAUTION:** Do not heat cucumbers in a copper kettle for a dark green color. Heating vinegar in copper produces copper acetate, which is POISONOUS. **DO NOT use copper, brass, galvanized, aluminum or iron containers.**
- SPICES** - Use fresh spices for best flavor in pickles. Spices deteriorate quickly and lose pungency. Whole spices are preferred. Tie them loosely in a thin cloth bag.
- Research indicates that processing pickles and relishes in a water bath improves color, texture, and flavor and eliminates spoilage.
- BREAD & BUTTER PICKLES**
- 25 large cucumbers
 - 12 medium white onions
 - 1/2 cup salt
 - 1 quart vinegar
 - 2 cups sugar

Two Rural Accidents In July

The Texas Highway Patrol investigated two accidents on rural highways in Floyd County during the month of July according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

The crashes resulted in no persons killed, two persons injured, and an estimated property damage of \$400.00.

The rural traffic accident summary for this county during the first six months of 1968 show: a total of 34 accidents resulting in no persons killed, 21 persons injured, and an estimated property damage of \$27,384.00.

"School bells" are ringing again. The familiar yellow school buses will soon be back on the highways. The Sergeant reminds all drivers of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

The Sergeant also stated that a training school for 120 new patrolmen with the Texas Department of Public Safety will start August 27 and a later training school during the month of October.

To qualify for employment in the uniformed services of the DPS, a man must be between the ages of 20 and 35, not less than 5 feet 8 inches tall, have a high school education or its equivalent, be in sound physical condition and be a citizen of the United States.

All interested young men who can meet these qualifications are urged to contact the nearest DPS patrolman or DPS office for complete details concerning the position of a patrolman, training and benefits.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Aug. 19 - The rainfall for the weekend beginning Friday night in Fairview Community measured 2-1/4 inches to 3 inches over most farms. Some received a bit less. Here in town we received 1 1/4 inches.

Mr. and Mrs. Louie Caffee, Marc and Nancy, arrived in Floydada Sunday night, moving from Green River, Utah, where they have been living for several months. The government is sending Louie to California for a few months' stay and then on somewhere else.

They thought it best for the children to be located in the same school for the 9 month term since Marc will be in high school this term. Nancy will be enrolled at Duncan Elementary School. Mrs. Caffee will be here most of the time with the children. They will be living on West Ollie St. in the house Denton Wise recently bought and is improving. This place was formerly owned and occupied by Dr. Theford and his family. Mrs. Caffee is the former Mary Lou Wise and was raised in our community.

Mrs. Roy McCarter and children and Brenda Wilson, all of Canyon, came down Tuesday; Brenda remained with her grandparents, Mr. and Mrs. Walton Wilson for several days. Mrs. McCarter and children visited among friends and relatives while here. Besides the Walton Wilson home, they visited in the Shirley Irwin home, the Ruey Irwin home and with Mrs. C. W. Payne.

Mr. and Mrs. Leonard Wilson of Canyon came Friday and remained until late Saturday night in the home of his parents, Mr. and Mrs. Walton Wilson. When they returned home, they took their daughter, Brenda home with them. Other visitors in the Walton Wilson home Saturday were Mr. and Mrs. Truett Austin of Lubbock and Mr. and Mrs. Harvey Allen,

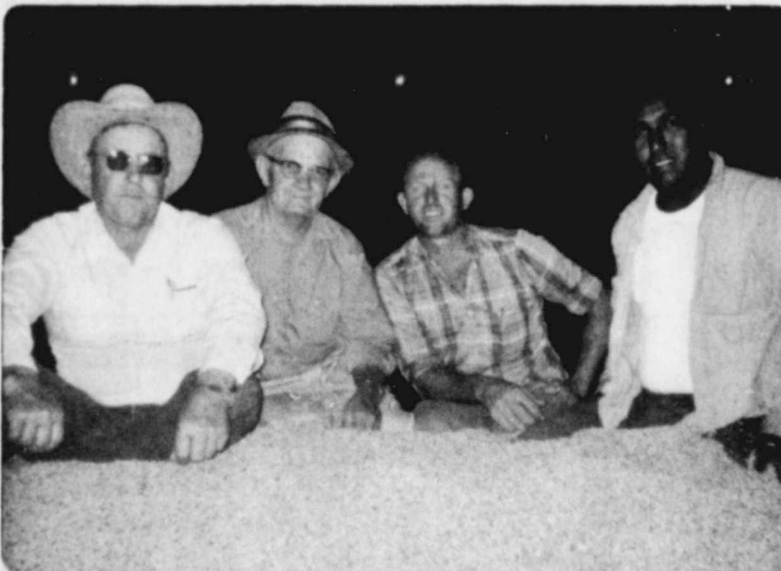

Mike and Norman of Floydada. Mrs. Clyde Bagwell visited Mrs. C. W. Payne Thursday morning.

Mr. and Mrs. Carl Nelson took Mrs. Ruey Irwin home from church Sunday and had dinner with the Irwins, and visited during the afternoon.

Herbert Irwin and sons of Lubbock visited Sunday afternoon in the home of Mr. and Mrs. Ruey Irwin.

Mrs. Ted Bell and Rex of Floydada visited Friday with Mrs. Walton Wilson and Brenda.

Mr. and Mrs. Clyde Bagwell visited Friday afternoon with Mrs. C. H. Wise and Denton. We regret very much losing another fine family from our community. Mr. and Mrs. Shirley Irwin and family, Lajuna, Loreta and Harvey, moved Friday to Amarillo where they have bought a home at 5501 Randolph St. Lajuna will en-

Willie Wiredhand NOTES

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

Because of the abundant crops of cucumbers, onions, and cabbage in our area, we want to share the following ideas with you.

Pickle Tips -
Use large aluminum, unchipped enamelware, glass, or stainless steel kettles and saucepans for cooking pickles.
Do not use iron, copper, zinc, or galvanized utensils.
Use wooden, enamel or aluminum spoons for stirring.
Do not alter the proportions in the recipes. They have been tested to give the correct acidity, an important factor in the keeping quality of pickles.
Bring vinegars to a boil and then simmer. Some acetic acid may be lost if the vinegar solution boils too long.
Sterilize jars by boiling for 15 to 20 minutes. Keep jars in hot water until ready to fill.
Pickles should be kept in a cool, dark dry storage place.
Keep pickles for awhile before using them. They will have a smoother, more blended flavor.
Do not taste any soft or slippery pickles as they may be spoiled and should be thrown away. This warning also applies to any products that are moldy, have a bad odor or a mushy or gassy appearance.

SWEET PICKLE CHIPS
8 medium-sized cucumbers

3 medium-sized onions
1 cup salt
2 quarts water for brine
2 cups vinegar
2 cups water
Syrup:
2 1/2 cups brown sugar, packed
2 cups vinegar
1/2 cup water
2 teaspoons celery seed
1 teaspoon mustard seed
1 teaspoon turmeric
2 teaspoons salt
Wash cucumbers, peel and wash onions. Cut vegetables into thick slices. Soak separately overnight in brine made by combining 1/2 cup salt and 2 quarts water. Drain thoroughly and combine with vinegar and 2 cups water. Cook until tender, about 10 minutes. Drain and discard liquid. Pack into hot sterilized jars. Combine ingredients for syrup and boil 5 minutes. Pour boiling hot over pickles. Seal at once. Makes 3 pints. (Recipe may be satisfactorily doubled.)

PICKLED COCKTAIL ONIONS
4 quarts tiny white onions
1 cup salt
2 quarts white vinegar
2 cups sugar
3 tablespoons mustard seed
3 tablespoons whole black pepper
3 tablespoons grated horseradish
Small red pepper pods

Bay leaves
Cover onions with boiling water; let stand 2 minutes. Drain and cover with cold water. Peel. Sprinkle with salt and cover with water; let stand overnight. Next morning, drain; wash well with cold water and drain again. Combine vinegar, sugar, mustard seed, black pepper and horseradish in large kettle. Boil 2 minutes.

Add onions and bring to boil again. Pack onions into hot sterilized jars. Add a pepper pod and a bay leaf to each jar. Fill to top with boiling syrup and seal at once. Makes 6 pints. (Recipe may be doubled).

DEVILED CABBAGE SALAD
8 hard cooked eggs
1 teaspoon sugar
1/4 teaspoon salt
2 tablespoons prepared mustard
2 tablespoons mayonnaise
2 cups finely shredded cabbage
1/4 cup chopped sweet pickle
1 tablespoon pickle juice
1 tablespoon chopped pimiento
Lettuce

Peel eggs and cut into halves. Remove yolks to bowl, mash fine; add sugar, salt, mustard, and mayonnaise, blend well. Chop egg whites, combine with cabbage and pickles, pickle juice and pimiento. Blend into egg yolk mixture. Refrigerate until chilled. Serve on lettuce. (Makes approximately 4 servings.)

SOCIAL SECURITY NEWS

Most folks believe they're not eligible for Medicare benefits until they're 65. And these folks are right - almost. Actually they're eligible for Medicare beginning with the first day of the month they become 65, according to Mancie King, Social Security Administration officer-in-charge in Plainview.

But those whose birthday falls on the first day of a month can be covered by Medicare for the entire month preceding their birthdays. That's because a person legally reaches a given age on the day before his birthday, King explained.

An application to establish full Medicare coverage must be filed during the three-month period before the month one becomes 65 to assure entitlement for that month.

But anyone who has a birthday on the first of a month cannot wait until the preceding month to file. For example, one who was born October 1, 1903, needs to file an application no later than August, as legally he will be 65 on the last day of September.

King advises anyone who may be affected by this factor and needs help to get in touch with the social security office at 1401-B West 5th Street in Plainview.

Making The Drag

BY SUZANNE GUTHRIE

Well, it is wonderful to be back home again. One realizes how wonderful "home" really is when he or she is gone for awhile. Europe was wonderful, and I had a great time. I do hope that I will get the opportunity to share parts of my trip with each of you. It is an experience of a lifetime, and I wish everyone could be as fortunate as I have been.

You know, a Floydada friend of mine asked me the other day, when she was going to get to hear about my trip. I have already been asked to speak at several clubs and I asked her if she belonged to any of them. She didn't so I suggested that she ask me over for dinner and I would tell her all about it. Seriously, I do want to share every bit of my trip with anyone who is interested, and I was only kidding about dinner.

As you all know, school starts on Wednesday. I personally am really looking forward to it. I think most of my fellow seniors are quite ready, too.

Our "Mighty Green Whirlwinds" started practice Monday. They are working toward a good year, so let's all start building up our spirit, and getting prepared for a great year, THE GREATEST EVER. And let's don't expect the boys to do it all alone, let's do our share as "Whirlwind Fans." O.K.??

I would like to extend a very hearty welcome to each of our new teachers. Since I don't know all of you, I can't name you, but as I get to know you, I'm sure you will all be mentioned in "Making The Drag" from time to time.

Our cheerleaders just returned this past weekend from SMU Cheerleading School. They learned a lot and they represented us extremely well. They won two firsts, a second, and two thirds!

Jim Kimble, Phil Kinslow, Sara Stanforth, and Janie Willson are going to a Leadership Conference that started today. We will be anxious to hear all about what they learned, and experienced.

Freshmen, I welcome you to Floydada High School. It's a great place, and you will get out of it just what you put into it, so give 100% of your time and ability all four years. You'll be glad you did.

Seniors, we finally made it. Here we are starting our last year in F.H.S. Let's make this year the best our school has ever had. We've waited a long time to get to the top, and now that we're here, let's be a class that will be remembered for years to come as one of the Best Classes ever to leave. O.K.??

Have a good week!
I'm sure glad to be back on "The Drag."

FIELD DAY FOR SOUTH PLAINS CENTER SET FOR SEPTEMBER 10.

The 59th Annual field day at the Texas A&M University South Plains Research and Extension Center will be held on Tuesday, September 10, beginning at 1 p.m.

Tours of field plots and an open house will continue throughout the afternoon, announces Dr. Arthur Onken, soil fertility scientist and chairman of this year's field day. The center is located about 7 and 1/2 miles north of Lubbock on U.S. 87.

General theme for the upcoming event is "Service to West Texas Agriculture: Past-Present-Future."

Highlights at the field day will be discussions and tours of field plots on cotton varieties and diseases, weed control, soil fertility, irrigation flexibility and sorghum midge control.

Each year this field day is planned and developed with the intent of providing the South Plains farmer with the latest information on the most important and most current agricultural production problems," says Onken. "Research results will be explained and information will be provided to assist the farmer in making management decisions about crops, water, fertilization, timing operations, agricultural chemicals, mechanization and water."

Other attractions during the field day will be a large machinery exhibit, a newly constructed ginning laboratory, greenhouse and laboratory displays and displays on the home economics and 4-H club programs on the South Plains.

More than 40 Research scientist and Extension specialist offices at the center will be on hand to assist with the field

Pat Boone Tickets Go On Sale

Tickets for the Pat Boone Show went on sale Thursday (Aug. 15) at the box office of Fair Park Coliseum, Lubbock, which has taken on a mod look for the 51st annual edition of the Panhandle South Plains Fair. Local persons may purchase their tickets from any member of the LCC associates in Floydada.

Boone will headline a star-studded stage attraction booked for the weeklong fair run, Sept. 23-28. The box office will be open from 10 a.m. until 6 p.m. Monday through Friday. A ticket booth also will open in Pioneer Hotel about Sept. 1.

Boone will share the spotlight with the popular Baja Marimba Band, which has cracked attendance marks at the HemisFair in San Antonio, humorist Don Rice and former national baton twirling champion Diane Shelton.

Tickets are priced at \$2, \$2.50, \$3 and \$3.50. Children 12 years and under will be admitted to matinees at 3 p.m. on Monday, Friday and Saturday for one-half price. Evening shows are scheduled at 7:30 p.m. daily.

All tickets purchased prior to Sept. 23 will be accompanied by free gate admission passes.

Fair Park has undergone several striking changes during the off-season.

The coliseum front and interior has been painted with broad orange, green, yellow and blue stripes, and concession areas also have been renovated.

Acoustical walls have been added around stairwells inside the coliseum, sealing off outside noises.

Jerry Fletcher, fair general manager, said the complete acoustical seal "will solve a lot of problems and eliminate some complaints of the past regarding outside noises interfering with the coliseum attraction."

In addition, a strip of paving 125 feet by 325 feet has extended the area for the midway, which will feature a number of attractions never before seen in the Lubbock region.

Gaily painted concrete cones will serve as markers for parking rows, which also will be numbered for the convenience of patrons, Fletcher pointed out.

Through arrangements with Edwin E. Merriman and Co., certified public accountants, and Lubbock National Bank, premium checks will be available "quick as a wink" this year. The checks, previously done by hand, will be whipped out by the bank's computer.

WHERE'S TH' FIRE?

By Ken Weaver
Floydada Volunteer Fire Department

During the week of August 12 through August 18, the Floydada Volunteer Fire Department answered one call. On August 16, at 12:40 p.m. there was an auto fire at the West Service Station at 607 East Houston Street. The fire was controlled by the use of fire extinguishers.

The volunteer firemen met Monday night for their weekly meeting. After a brief business discussion, plans were made for the Chevrolet truck to Texas Ave. to number all tires to have an awards dinner to be held later on.

The fire department could use all used oil and grease practice field, if donated by service stations and the fire department will be glad to pick up these items. Persons will notify any volunteer fireman.

Attending the Annual Fire School held at Texas College Station recently were two Floydada firefighters Marshall Bill Baker, Carroll Sims, Fire Chief, and school of Pump Operations. Bud Edwards, Assistant Fire Marshal, attended the school of Fire Fighting Part One. The fire department will be glad to pick up these items and learned many new methods of fire fighting.

SOCIAL SECURITY NEWS

"Thirty-three years ago August 14, 1935, the original Social Security Bill was signed into law by President Franklin D. Roosevelt," Mancie King, social security officer-in-charge at Plainview, said today. "The law has experienced many changes to keep it current with the economy and to keep the benefits full in the financial checks because of disability, or death," King continued.

The basic social security earned have been from \$3,000, the social security credit to 1950, including the wage earner's tax, increased from 1.5 to 4.4% in order to pay the wage earner's tax. The amount has been increased to \$10,000 a month, and our present retirement age is 65. Letter To The Editor

July 16, 1968
Mr. Wendell Tooley
Floyd County Hesperian
Floydada, Texas
Dear Wendell:

As you know the Called Session of the Legislature has now adjourned with these results: (1) passage of the appropriations bill; (2) passage of an increase in the sales tax; and (3) defeat of the liquor by the drink bill. I thought you might be interested in a brief breakdown on the net effect of these changes.

The appropriations bill, providing financing for the State for the next fiscal year, provides additional funds for health, hospitals, special schools, youth institutions, education and state employees. Education alone was increased \$22 million.

The Coordinating Board predicts that enrollment of Texans in colleges will increase from the present figure of 350,000 to 700,000 in 1980. To meet this tidal wave of students, we are told that in the next ten years we shall have to build as many college classrooms and dormitories as were built in the last 200 years.

Financing of the budget will be provided by an increase of 1% in our general sales tax, an increase in the auto sales tax, and an increase in the corporate franchise tax. However, ALL exemptions under our present sales tax remain in effect. No one likes to impose a new tax, but you know as well as I that we must provide the most equitable means of meeting the fiscal responsibility of our rapidly growing state.

The liquor by the drink bill was killed in the Senate. I opposed it in the House; however,

it passed that body by a small margin. Incidentally, we did pass a law prohibiting the taking of firearms or other concealed weapons into places where alcoholic beverages are sold.

Fortunately, we were able to get a grant from the State Health Department to implement the mosquito control program in Plainview and Hale County under the direction of Plainview and Hale County officials. In addition, we were able to secure additional funds for agricultural research in our area. Also, we provided for contract arrangements for a fiber study committee to seek new ways to use and market cotton and other fibers.

Incidentally, I was happy to introduce two resolutions passed by the Texas Legislature praising Sherry Clements of Plainview and Phil Tucker of Tulia. Sherry was named Governor of Bluebonnet Girls State and Phil was named to the Football Writers Association of America All-America team in 1967. They are both certainly a credit to our area.

Sue's condition is somewhat better. She had additional surgery at M. D. Anderson Hospital and Tumor Institute in Houston several days ago, and we are greatly encouraged. We are very grateful for the many friends who have been so thoughtful and kind since her serious illness. As soon as her health permits, and she is not required to be in Houston every few days, we'll be returning home to Plainview. We look forward to seeing you then.

Best personal regards,
Sincerely,
/s/ Ralph

FLOYD PHILOSOPHER

Out Strong For Glass Bottles That

Melt When They're Broken

Note: The Floyd Philosopher on his farm applauds the possibility of television.

When I get my tractor down to the mill every day, some people may think I'm lazy but they don't understand, it's not good for an engine to run long, it ought to be cranked up every once in a while to keep the valves from rusting, and on the way over a glass bottle somebody had thrown at my car and cut a gash in my tire.

Well, but I figured I'd gotten all the tires and parked the tractor on the mill, I keep it in case the battery is dead. The next time I want to start it - some of the weak batteries are so short-sighted they level ground and invariably have a level off - and pulled out a newspaper and by one of those coincidences the first article I read was about television.

The next time I want to start it - some of the weak batteries are so short-sighted they level ground and invariably have a level off - and pulled out a newspaper and by one of those coincidences the first article I read was about television.

hours is gone. Nothing left but a wet puddle. I recommend that he hurry up.

Already, the article pointed out, Americans throw away 26 billion bottles a year. In numbers, if you've got enough zeroes in your shop and you're bound to have if you want to function in a society with a national debt as big as ours, that's 26,000,000,000. In ten years it's 260,000,000,000, in a hundred years 2,600,000,000,000, and in a thousand years 2,600,000,000,000,000, well, that's asking too many zeroes of even the New York Times, not to mention The Hesperian. A newspaper has other things to do besides stockpile zeroes, and besides if there are any spare ones around Washington will snap them up.

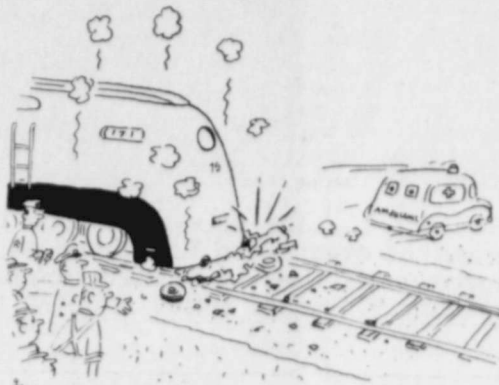

At any rate, I hope that professor succeeds, not only with bottles but with car windshields, plate glass windows, etc. If he does, that \$50,000 will be the best money the government ever invested. Why it costs more than that to clean up the broken glass after one small riot in just a medium-size city not big enough to make television.

It'll be real progress when you can have a riot on Saturday night and by Monday morning all the glass has melted and disappeared into the storm sewers.

Yours faithfully,
J. A.

SOCIAL SECURITY NEWS

People who sign up for social security only to gain Medicare coverage are often amazed to learn that they will also be drawing some checks for the year, according to Manzie King, Plainview social security officer-in-charge.

For instance, a person entitled to a monthly benefit of \$122.90 effective January 1, 1968, who expects to earn \$3000 in 1968 would draw a check of \$17.80 for June 1968 and full checks for the rest of the year.

"This is possible because of the liberalized retirement test under the present social security law," King said.

"A social security beneficiary can earn \$1680 per year and draw his checks every month. If his earnings are \$2880 or less, an amount equal to one-half the earnings between \$1680 and \$2880 is subtracted from total benefits payable for the year. If earnings are over \$2880, an additional one dollar in benefits for every dollar earned over \$2880 is subtracted from benefits payable.

"There has been no change in the provision that a person can draw a check for each month that he is age 72, regardless of his total earnings for the year."

past two years would not have been possible," Ball said, "without the cooperation and hard work of thousands of people, both inside and outside the Federal Government."

Involved with the Government in the operation of the Medicare program, he said, are 123 private insurance organizations - Blue Cross and Blue Shield plans and private insurance companies who receive and pay Medicare bills under contract with the Federal Government; 6,900 participating hospitals; 4,700 participating extended care facilities; 2,100 home health agencies; 2,550 certified independent laboratories; and agencies of 50 different States.

"Medicare enters its third year on a sound administrative basis," Commissioner Ball said. "With experience and the close cooperation of all involved, problems that arose with the launching of the massive program have been eased, and the entire administrative process is under continuous careful study to assure that it operates at maximum efficiency."

"The real measurement of how well the program is operating, he noted, would require a house-to-house canvass of the Nation's 19.7 million elderly people with supplemental visits to their children to whom they looked in the past when the costs of illness outran their resources."

But over the past 2 years, hundreds of those who have benefited from Medicare have themselves told of their experiences so that others would learn of the value of the protection.

Field Day For South Plains Center Set For September 10

LUBBOCK. . . The 59th annual field day at the Texas A&M University South Plains Research and Extension Center will be held on Tuesday, Sept. 10, beginning at 1 p. m.

Tours of field plots and open house will continue throughout the afternoon, announces Dr. Arthur Onken, soil fertility scientist and chairman of this year's field day. The center is located about 7 and 1/2 miles north of Lubbock on U. S. 77.

General theme for the upcoming event is "Service to West Texas Agriculture: Past-Present-Future."

Highlights at the field day will be discussions and tours of field plots on cotton varieties and diseases, weed control, soil fertility, irrigation flexibility and sorghum midge control.

"Each year this field day is planned and developed with the latest information on the most important and most current agricultural production problems," says Onken. "Research

results will be explained and information will be provided to assist the farmer in making management decisions about crops, water, fertilization, timing operations, agricultural chemicals, mechanization and water."

Other attractions during the field day will be a large machinery exhibit, a newly constructed ginning laboratory, greenhouse and laboratory displays and displays on the home economics and 4-H Club programs on the South Plains.

More than 40 Research scientists and Extension specialists officed at the center will be on hand to assist with the field day and to deal with individual problems on virtually all phases of agricultural production, announces Onken.

County agricultural agents from throughout the South Plains will serve as tour guides. They and the Research and Extension staff encourage anyone interested in agriculture to make plans now to attend the field day and open house.

without it we would have lost everything," said Mr. Luther MaHarry of Morrisonville, Illinois. With six major operations, Mr. MaHarry's hospital bills amounted to almost \$5,000, of which Medicare's hospital insurance covered all but \$40. The supplementary medical insurance part of Medicare paid nearly \$3,200 toward his medical expenses, including 80 percent of the cost of an artificial limb and 80 percent of the rental cost of a wheel chair until he is able to get around without it. Payment was also made under Medicare for 18 days of his stay in an extended care facility following his discharge from the hospital.

Later, Mrs. MaHarry had need of her Medicare protection and received payment of \$900 toward her hospital bills and \$300 for physicians' services.

In Huntington Park, California, 92-year old Mrs. Ida Brunner fell on the sidewalk and fractured a hip. After two operations, physical therapy in a convalescent home, Medicare had paid \$4,388.72 or 90 percent of her medical expenses. Her only income is a \$75 a month VA pension on behalf of a son killed in World War I, and a social security special payment of \$40 a month (raised from \$35 in March) payable to persons 72 and over who are not eligible for regular benefits.

Second Anniversary Of Medicare

First 2 years of operation, Medicare has paid \$8.4 billion toward the hospital and doctor bills of the Nation's elderly.

On the anniversary of the comprehensive program of insurance for the aged, which began July 1, 1966, Johnson stated that the program has meant "new renewed health that light up thousands of lives in community in this land."

Medicare has paid the expenses incurred in 10.6 million hospital days and 45 million medical bills," he said, "and 11 million elderly persons have received post-hospital nursing homes and in their own homes."

Under the hospital insurance program totaled \$6.3 billion for the 2 year period and a total of \$2.1 billion was under the supplementary medical insurance program. Under the supplementary medical insurance program, according to Robert M. Ball, Commissioner of Social Security, 10 million elderly people 65 and over, just about everyone in the group is now covered under the basic hospital insurance Medicare, Ball said, and 18.6 million of them, or 95 percent, have enrolled in the voluntary medical insurance program which helps pay doctor bills and a wide variety of other medical services in and out of the hospital.

"The successful operation of the Medicare program over the

past two years would not have been possible," Ball said, "without the cooperation and hard work of thousands of people, both inside and outside the Federal Government."

Involved with the Government in the operation of the Medicare program, he said, are 123 private insurance organizations - Blue Cross and Blue Shield plans and private insurance companies who receive and pay Medicare bills under contract with the Federal Government; 6,900 participating hospitals; 4,700 participating extended care facilities; 2,100 home health agencies; 2,550 certified independent laboratories; and agencies of 50 different States.

 briefest span of life of anything
 the lowest-wrapping for the
 probably the most important item
 in the life of every family in a com-
 munity.
 the world serves such a wide
 range of needs: training puppies, telling
 swatting flies, defending citizen's
 rights, reporting city council
 actions, supporting bond
 packages, criticizing inefficient
 paper for dress patterns; and, if
 the linoleum, may earn a future
 grandchild's heart for "the funny
 grandpa read."

Editors are the soul of any newspaper, giving
 the character and animation to it.
 They come in all sizes and shapes and each
 edition of the newspaper, like a thumb-print,
 bears his image.
 Some editors speak meekly and are mocked;
 some speak strongly and are scorned; they are
 cursed or cheered, depending on that week's
 editorial.
 Editors are threatened physically, finan-
 cially and with hell's fire for every offense
 from misspelling a reader's name, to stepping
 on the toes of a social leader - who just hap-
 pens to have a large circle of relatives on the
 subscription list.
 Editors are expected to fight sin, but heav-
 en help him if a reader is caught thereby -
 he's gone too far!
 The life of an editor is one paradox follow-
 ed by another enigma;
 He must defend democracy, promote good,
 inspire youth, and encourage progress; yet
 he must not, in so doing, offend, irritate,
 embarrass or deflate any individual, group or
 organization.
 That he tries to meet these impossible re-
 quirements is a sign of his dedication to his
 profession, love for the people of his commu-
 nity and devotion to ideals of the highest order.

MY THANKS to local resident engineer Sam
 Fowler and district engineer Oscar Crain at
 Lubbock for the installation of the flashing red
 lights at the South Plains railroad crossing,
 which are going up this week.
 I realize the cost has been considerable in
 making the new installation, yet I know that we
 all agree, if one life has been saved by the new
 warning device, it has certainly been worth the
 cost and effort.
 Thanks again. . . .

IN THE VARIOUS books of speeches and
 quotations we have checked, General Eisen-
 hower is scarcely represented. There is a cer-
 tain irony that his brief telephone address to
 the Miami convention, from a room in a hos-
 pital, contained a quote which promises to
 outlive any delivered during eight years in the
 White House.
 Said the General: "It is one thing to call for
 a peaceful settlement of this (Vietnam struggle).
 It is quite another to call for retreat by
 America. The latter is the best way I know to
 stockpile tragedy for our children."
 That, in our book, is quite a quote. -Wash-
 ington Exclusive.

It is called upon to investigate alleged
 wrong doings in public office, but is chas-
 tened if it is too thorough.
 A newspaper never finds itself on safe
 ground - either side of an issue has friends
 and a middle-of-the-road position is a lonely
 one.

If it fails to fully report on City Hall, it is
 accused of covering up;
 If it is too thorough, it is called a trouble-
 maker;
 Let it criticize the opposite political party
 and it is being partisan;
 Should it criticize its own party, it is turn-
 coat.

Editors are expected to fight sin, but heav-
 en help him if a reader is caught thereby -
 he's gone too far!

FLOYD PHILOSOPHER Delegates Have Advantage Over TV Audience At A Convention

Editor's note: The Floyd Philosopher on his
 Johnson grass farm obviously listened to the
 convention last week, and will listen to the next
 one.
 Dear editor:
 I have noticed in all the newspapers I found
 right after the Republican Convention, just like
 I'll notice in those I find after the Democratic
 Convention, a sort of morning-after report on
 the doings, a summing-up concluding that there
 ought to be some other way to select candi-
 dates.
 "Did you watch it on television?" one writ-
 er asked. "Why, the delegates were stirring
 around so much, walking in the aisles, talking
 with each other, or dozing in their chairs or
 reading newspapers, that nobody in the audi-
 torium could hear the speeches. It must be
 frustrating to make a speech with nobody lis-
 tening."
 The trouble with the commentators is they
 don't understand these things.
 Sure, it's frustrating to make a speech no-
 body is listening to, but it's more frustrating
 to make a speech everybody is listening to and
 nobody enjoying.

It's true you can hear the speeches better on
 television than the delegates can on the floor
 of the convention, but judging by most of the
 speeches I heard on my TV out here, that's
 one of the main advantages of being a dele-
 gate. You can get just as frustrated at a speech
 you can hear as one you can't.
 The way it looks to me, the delegates, after
 years of experience at such things, have per-
 fected a system of making a convention tol-
 erable to themselves, but the television audi-
 ence, it still remains helpless.
 I know that the television people try to re-
 medy this by sending their reporters around
 the hall during dull speeches carrying a small
 television station on their backs with an an-
 tenna sprouting out of the top of their heads to
 interview this or that state leader, each of
 whom seems delighted to be on television, but
 they don't say much.
 This is understandable. Very few people
 have much to say anyway, but this doesn't
 keep them from saying it, on camera or off.
 As I was saying to my wife yesterday, you
 told me that the day before.
 Yours faithfully,
 J.A.

Wayne Announces \$8,100 Grant

AUSTIN - Representative
 Ralph Wayne of Plainview an-
 nounced today that a grant of
 \$8,100.00 to finance program
 development for a Central
 Plains Comprehensive Com-
 munity Center for Mental
 Health and Mental Retardation
 has been approved.
 The grant-in-aid, for the six
 months beginning September 1,
 1968, was approved by the
 Board of the Texas Department
 of Mental Health and Mental
 Retardation.
 Representative Wayne also
 announced that the state board
 had approved an extension of the
 present contract with the High
 Plains Children's Training Center
 and Sheltered Workshop.
 "The \$8,100 grant will allow
 the development of a sound plan
 for community services for the
 mentally handicapped in our
 area of West Texas," Wayne
 said. "Once the plan is devel-
 oped, we will become eligible
 for a much larger grant to es-
 tablish the center. These funds
 should be available in the fis-
 cal year beginning in Septem-
 ber, 1969."
 He said the extension of the
 new contract for the High Plains
 Children's Training Center and
 Sheltered Workshop, "will al-
 low the fine services offered
 there to be continued."
 Wayne also had praise for

the work done by Woody Allen
 of Plainview, Chairman of the
 Board of Trustees of the Cen-
 tral Plains Comprehensive
 Mental Health and Mental Re-
 tardation Center, and other
 trustees for their work in se-
 curing the planning grant.
 "I am most optimistic that
 we are well on the way to
 having one of the state's fine-
 est treatment and care facil-
 ities for the mentally ill and
 the mentally retarded located
 in the Central Plains of West
 Texas," Wayne said.

Keith Norrell At Explorer Conference

Keith Norrell of Floydada is
 among 15 area high school boys
 along with their advisors at-
 tending the 4th National Explor-
 er Delegate Conference in Fort
 Collins, Colo. Exploring is a
 high school program of the Boy
 Scouts of America.
 The group, under the leader-
 ship of Bill Mayer of Ralls,
 embarked Saturday from West
 Texas Air Terminal in Lubbock
 and arrived in Denver that af-
 ternoon, traveling from there
 by special caravan to Fort Col-

 gates will represent Explorers
 from all parts of the nation.
 Theme of the conference is
 "Keys to Tomorrow" and will
 feature speakers, discussions
 and special activities relating
 to individual improvement, de-
 dicated service and trained
 leadership. Delegates will help
 to develop a national program
 which will interpret Exploring
 to others and expand Exploring
 as a dynamic youth movement.

Collective Bargaining Plan for Agriculture
 Hundreds of thousands of farmers have become acquainted with the NFO plan. A large percentage has already joined the NFO, the fastest growing farm organization in the history of agriculture. Through collective bargaining the NFO is giving the family farmers the opportunity to solve their own problems. We invite you to come out to the meeting and hear the NFO plan explained. Farmers are not satisfied with general farm conditions. It is your duty to join with your neighbors and battle for better prices.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, August 19 - Rev. W. L. Trice, his wife, and children, Ronda, John Mark and Ruth arrived at the South Plains parsonage Tuesday evening, and their furniture and belongings came by van Wednesday morning from Darrouzet, where he formerly was pastor. He has been unanimously called to be pastor of the South Plains Baptist Church, and preached his first sermon this Sunday morning, Aug. 18, with several visitors present, including Scoutmaster and Mrs. Jim Word, Mrs. John Smitherman, Mrs. A. C. Jackson, Kelly Smitherman, his parents, Mr. and Mrs. Rex Smitherman and Kelly's sister, Brynn Smitherman, all these from Floydada, and Mr. and Mrs. Kenneth Bean, Carla and Diane.

Kelly was presented the most coveted "God and Country" award by Scoutmaster Word, and his medal was pinned on by his mother. This is the very finest award a young man can achieve, and it takes a year of hard work, with a clean and Christian life. Brent Conger passed this same milestone in his life last June, as he and Kelly took their tests. Other visitors this Sunday morning were Frank Wayne McClure, from Houston, with his grandmother, Mrs. McClure, and Bruce Karr, with his grandfather, Bryan Karr.

Mrs. Bryant Higginbotham, assisted by Mrs. Murray Julian, prepared lunch at noon for Rev. and Mrs. W. L. Trice and children Wednesday noon, and served it at the Baptist Church Fellowship Hall, as the minister and family were busy getting their things unloaded from the moving van. Wednesday noon the pastor and family were initiated into South Plains weather as a heavy deluge of rain, wind and hail struck the community. 2 3/4 inches fell in South Plains but on the Don Probasco farm around 4 inches fell in a short period with much hail. Philip Smitherman, Don Probasco, Herman Thornton, Marble Brothers, Arby Mulder, and possibly others also received hail. Very little rain fell south of South Plains.

Friday night about 3/4 inches more rain fell here in South Plains, but little to the south, and Saturday afternoon again another shower dampened the already wet area. We have had around three inches here in South Plains, more to the north, and less immediately to the south and to western areas. We are happy to announce the birth of a little girl, Cassie Bell, (a family name) to Mr.

and Mrs. Don Probasco on Aug. 5, at the Plainview Hospital. Cassie weighed 7 pounds and 4 ounces, and is 18 inches long. Cassie has three sisters, Cam, Pam and Susie, and two brothers, Matt and Maury. Mother and daughter are home at this time, and Mrs. Probasco has been under the weather the past week with the flu. Grandparents of the new baby are Mr. and Mrs. Joe Rogers of Lockney and Mr. and Mrs. Frank Probasco of Floydada.

Dr. Don Malone was at the South Plains Church Wednesday night for his last meeting with the church as interim pastor, and finished the study of James, at the prayer service time. Mrs. Malone and children, Rebecca, Lisa and Daniel accompanied Dr. Malone here for the study. Frank Taylor led the singing Wednesday night with his beautiful voice, and everyone enjoyed the singing.

Rev. W. L. Trice will be in the Baptist Church study each morning, and asks for anyone to visit him at any time. His visitation schedule is for the afternoons. Everyone is most happy to have a pastor on the field again, after the parsonage had been empty all summer.

Don Probasco went to Waco Friday, returning home Saturday, bringing home his two sons, Maury and Matt, who have been at a two week summer baseball camp there at Baylor Recreation Camp near China Springs. They struck a bad ball storm at Floydada Saturday afternoon as they neared home.

Mr. and Mrs. Frank McClure have had their grandson, Frank Wayne, here with them for a month, from Houston. Last Saturday Frank and Mrs. McClure went to Lubbock to meet her brother, Mr. and Mrs. R. O. Newman, from Paulsbo, Washington, (near Seattle) who flew to Lubbock Saturday. The family then went to Snyder to be with other members of the Newman family, and especially Mrs. R. W. Newman, aged mother of Mrs. McClure and Newman. The McClures returned home Thursday evening after they put the Newmans on the plane for their home in Paulsbo.

Mr. and Mrs. Terry Julian, Dee and Dickie from Roscoe met here last Sunday morning in South Plains with Mr. and Mrs. Kendis Julian, Kristi and Mitzi, and they all left for Beuna Vista, Colo. and a week's vacation in the cool mountains there. They had good luck fishing, having all they could eat, fishing at the small stream near the Cottonwood Creek Camp.

They are to be home this Sunday night, and the Terry Julians will stay with the parents, the Murray Julians, until Monday.

Mrs. Bryant Higginbotham spent Friday night in Floydada at the home of Mrs. Nell McClung, where she attended a housewares party.

Mrs. P. L. Roberts, mother of Mrs. Kendis Julian, is spending the weekend down at Roaring Springs, with her sister, Mrs. Benno Wilson. She underwent surgery on July 24, and is getting along fine. The Ken Roberts went to Albuquerque, N.M. Friday to spend a few days with his brother, Dale Roberts and family. Ken will be here with his family and mother until Aug. 24 when he embarks for Germany. Arlene will follow him there in two or more months, as soon as he gets settled in the Armed Services and finds a place for her.

Our community is buzzing this week with all kinds of vegetables ready for canning, including green beans, black eye peas, cucumbers, okra, squash, and some families are fortunate to have fruit trees of peach and pears, which are now turning ripe. Some corn is ready to be frozen or canned.

The families of Mrs. George Robertson, the Thompsons, enjoyed a family reunion last Sunday, Aug. 11, at the Seventh Street Park in Plainview, as the group carried lunches to have at noon and all spent the day there. Around fifty attended the reunion. A daughter, Mr. and Mrs. Keith Marble, Dwayne and D'Lee attended from South Plains.

Russell Thornton, son of Mr. and Mrs. Herman Thornton, arrived home this Saturday from Athens, Texas, where he had spent all last week at the Texas as Christian Youth Camp. The boys have been spending a week fishing, boating, horseback riding, doing arts and crafts, and taking up archery and marksmanship.

Mrs. J. P. Taylor and Katie Taylor went to Lubbock Wednesday to spend the day where Katie was fitted with contact lenses at the eye specialists.

Mr. and Mrs. F. C. Fortenberry were among those from here who attended the last rites for Mrs. T. F. Love, of Cedar Hill, who died Thursday at 1 a.m. She was 80 years old. Services were held at the First Baptist Church in Lockney with Bro. Robt. Slaton of Amarillo and Bro. Jones of the Assembly of God Church of Cedar Hill holding the services at 2:30 p.m. Friday.

Dwayne Marble, son of Mr. and Mrs. Keith Marble broke both bones in his right arm last Sunday in a fall from a horse at the Glen Wood home. He has his arm in a cast, and will go back on Sept. 3, to see whether he can have it removed. Meanwhile he will have to start to school and write with his left hand. Dwayne has been accident prone this summer, as he recently had a bad cut in his foot while he was wading.

Mrs. E. P. Pritchett has had her grandchildren with her a good deal the past few weeks, as their daughter, Mrs. Robt. O. Turner of Floydada underwent surgery in Lubbock. Mrs. Pritchett was with her at the hospital, then brought the children home with her for a few days. Louise arrived home Tuesday, and is getting along well at this time.

NOTICE TO HOBBY CLUB members! Hostesses Mrs. J. P. Taylor and Mrs. Ruby Higginbotham have announced a family picnic for next Thursday, Aug. 22. Families will meet at South Plains at the home of Mrs. Higginbotham. Bring a picnic supper and all will go together to Roaring Springs, where there will be fun for everyone - swimming for all those who wish, and visiting and a picnic supper and get-together for the grownups. Remember to meet here at 5 p.m.

The Annual Fortenberry Family Reunion was held this year at Hereford Saturday, Aug. 10, with an all day meeting and dinner for everyone. Mr. and Mrs. Fred Fortenberry and grandchildren, Patricia, Elmo Jr. and Rhonda went from here, and a host of Fortenberrys went from the Cedar Hill Community. There were around 70 who attended this year, and due to illness and a death in the family, the gathering was smaller than usual.

Mr. and Mrs. Elmo Fortenberry of Sun Ray brought the children here to his folks Aug. 9 as they came past on the way to see the HemisFair, and were also in Austin where Patsy took the Beauticians Examinations. The Fortenberrys had the grandchildren until Aug. 14, then took them home to Sun Ray, starting home Wednesday evening, and reaching Amarillo in the terrible rain storm which struck there with such force Wednesday, sending water over the curbs everywhere, in the 2-5 inch fall. They spent the night with her brother, the John McCains, and came home Thursday morning. They had carried the mail the past 14 days for Cliff Gilley on Route Q, and also some for Larnce McCain at Lockney.

We are all very glad to see that the light is being installed at the railroad crossing at South Plains. Saturday the men were still working at the installation. The light at the crossing has been so needed for many years, and several have had a hand in getting the railroad company interested. The last bad wreck in which the Reese Hightowers just escaped serious injury, happened several months ago. Mr. and Mrs. Tom Maurer, Bobbie, Sharon and Belinda moved Friday evening to Floydada, where they have bought a lot in the 400 block of Grover Street, and will be getting settled there. The Maurers have lived in South Plains for some time and will be missed very much, especially in the Baptist Church where they were so faithful.

Mr. and Mrs. Philip Smitherman went to Monahans last Thursday for the State Baseball Tournament. While there Marc became ill, and was taken to the hospital at Carlsbad, N.M. They returned home late Sunday night.

Mr. and Mrs. John Key West will be in Abilene this coming Thursday to see their former pastor, Rev. Charles Lutrick receive his degree from McMurry College.

Mrs. W. H. Simmons and Mrs. Spivey of Truscott came Tuesday, and with Mrs. Ray Dillard, went to Odessa to visit Mrs. W. H. Smith. Thursday they came to stay until Sunday with Mrs. Sylvin Kinnibrugh and family. Other Sunday guests with them were Mr. and Mrs. Teddy Horne of Plainview, Ray Dillard of Lockney and Hewitt Simmons of Truscott. Tim Coffman of Canyon has been here all the past week with his uncle and aunt, the Kinnibrughs.

Mr. and Mrs. L. N. Johnson, Shari, Deneen and Denese, and Carlton, were in Fort Worth Aug. 8, where Shari won 2nd in barrel raing in the State 4-H Horse Show. She was first, until the last contestant, of 116 barrel racing entries. Friday night they all went to Hereford

Wallace Campaign Committee Meets Here Tonight

Floyd County Wallace Campaign meeting will be held at 8:30 p.m. Thursday (today) at Rogers Restaurant in Floydada.

Guest speaker will be Mr. Isom, vice-chairman of the state campaign committee, from Lubbock. Bill Strickland is Floyd County campaign chairman and James Nichols is vice-chairman for the county. Following is talk, there will be a question-and-answer discussion period, led by Isom. The public is invited to attend.

for the Junior Rodeo, but they have not received the final judging on those. Saturday night they went to Slaton for the Junior Rodeo, and Shari won 1st in barrel racing there. While they were in Fort Worth the Chester Hidalgo family, formerly from here, attended the 4-H Rodeo and State Meet.

Mrs. Jack Yeary has reported that her father, Orby Beard, is getting along much better at this time, and the family is staying each night until eleven, when he goes to sleep. Last week he was critically ill.

Mr. and Mrs. Grigsby Milton and Darla flew Saturday to Hamilton, Ontario, Canada, where they will be attending this Monday the three day International Flying Farmers Convention. They will be gone most of the week.

Mr. and Mrs. Travis Young and four children leave this Monday for the north, where they will be spending the next four days enjoying a short vacation before school starts. They may go up into Colorado.

Mr. and Mrs. Murray Julian returned home around midnight Monday, and are glad to be home after a six weeks' vacation which took them all over the Northwest, including Alaska and Canada. They went about 13,000 miles, part of it by boat, as they came home from Haines, Alas. and Prince Rupert, B.C. in Canada, and back through Victoria, on Vancouver Island. They came home by Los Angeles, Calif., and enjoyed seeing the fruit and vegetables being gathered there, and oecan-side cities.

Mr. and Mrs. H. L. Marble were hosts at a family reunion Saturday and Sunday at their home south of here, with a daughter, the Marvin Wells and girls, Kim and Marinda of Mineral Wells spending all last week here, and staying for the reunion. Around 42 attended, and still here with them are the Jack Lees and girls from Port Neuces, and Mrs. C. W. Byars of Weatherford. They are going to Canyon this Monday night for a showing of "Texas."

Mrs. Lupe Luna, who resides on the Billy Staniforth place, arrived home Friday night after being gone since Monday attending the funeral of her nephew, Mondo Rodriguez, of Houston. He died Sunday night after a two-year illness, and was buried at Dilley, near San Antonio.

Mrs. L. N. Johnson and girls went to Amarillo Wednesday to take Carlton to be fitted for contact lenses. They arrived home before the big rain hit there.

The Travis Young family is enjoying a new part of their home which they started decorating July 23. They built on a new bathroom, enlarged the kitchen, and extended the utility room.

SCHOOL NEWS: South Plains School will have registration Tuesday, Aug. 27, at 8:30 a.m., and regular school will begin Aug. 28, with the buses making their runs. Mrs. Travis Young, PTA president, has set the first meeting for that body on Sept. 6, at 2:45 p.m. Teachers for the coming year are: Principal, J. M. Williams, 7-8 grades; Claude Jarrett, 5-6 grades; Mrs. Hugh Marble, 2nd grade, and Mrs. Hank Lynn, 1st grade. The Lynns will be driving back and forth from Silverton.

Mr. and Mrs. Degal Young, Rance and Carlen went to Monahans, Thursday, Aug. 8, for the boys to play ball at 6 o'clock that Monday night. They were defeated in their game, so they all went on to Carlsbad, N.M. where they enjoyed the weekend, and returned home Sunday evening.

Mr. and Mrs. Kenneth Bean flew their plane this Monday to Abilene where they took Carla to an allergy clinic.

OBITUARIES

Mrs. T.F. Love

Funeral rites for Mrs. Thomas Freeman Love, 85 year old longtime Floyd County resident, were held Friday in the First Baptist Church in Lockney. Mrs. Love died early Thursday morning in Lockney General Hospital.

She was born in Jack County, Texas, December 26, 1882 and was married to the late Mr. Love Jan. 7, 1906. The family moved to the Cedar Hill Community in Floyd County in 1915. Upon the death of her husband in 1963 Mrs. Love moved to Floydada and resided with a son, Marvin. He died in January of this year and at that time Mrs. Love moved to the home of a daughter at Cedar Hill. She was also preceded in death by another son, Orville W. Love in 1965.

The deceased was a charter member of the Assembly of God Church at Cedar Hill.

Survivors include two sons, Doyle of Bridgeport and Raymond of Cedar Hill; one daughter, Mrs. Cephus Fortenberry of Cedar Hill; one brother, Harvey Thompson of Jacksboro; two sisters, Mrs. Ida Thompson of Throckmorton and Mrs. Froni Theford of Graham; nine grandchildren and three great-grandchildren.

Robert Slaton of Amarillo officiated at the interment. It was in Lockney Cemetery under the direction of Carter Funeral Home.

Pallbearers were five grandsons, Verlon Love, Jerry Love, Eldon Love, Roy Durham, Ricky Hodges and Eddie Joe Fortenberry.

National Farmers Organization Meeting Tuesday

Every farmer and businessman in this area is invited to a meeting of the National Farmers Organization in Lockney at the Lockney Restaurant Tuesday night at 8:30.

Members will be accepted at that time, and there will be a talk by John Oster, national director of the organization from South Dakota. A question and answer period will follow the talk. The main purpose of this organization, according to Oster, is to band together and give farmers bargaining power.

W.T. Hopper

Services for W. T. Hopper, 88, were held Monday in Anton Primitive Baptist Church. Hopper died early Sunday at his home in Lubbock. A former Floydada resident, Hopper had lived in Lubbock since 1948, and was a retired farmer.

Survivors include his wife, a son, William P. of Irving; a stepson, Newton Jones of Fort Worth; a step-daughter, Mrs. Florence Smythe of Arlington; a sister, Mrs. Millie Connelley of Floydada; eight grandchildren and two great-grandchildren. L. V. Handley, Jesse Bass and Jimmy Bass officiated at the interment. It was in Anton Cemetery under direction of Franklin-Bartley Funeral Home. Nephews were pallbearers.

W.H. Fields

Funeral rites were conducted Saturday in Lockney for William Henry Fields, 90 year old retired farmer, who died Thursday morning in Lockney General Hospital. He had been a resident of the Lockney area since 1911 and was born at Lampasas, Tex.

Survivors include his wife, Nola; three sons, Emil of Los Angeles, R. V. of Kress, and Leland of Lockney; three daughters, Mrs. Ba Faye Felty and Evelyn Hollums, both of Lubbock and Dorris Flemmons of Albuquerque; one brother, three sisters, eight grandchildren and six great grandchildren.

Mrs. Ida Dodson

Rites for Mrs. Ida Dodson, 79, were held Wednesday in First Methodist Church in Lockney. Rev. W. D. McReynolds, pastor, officiated. Burial was in Lockney Cemetery under direction of Carter Funeral Home. She died Monday in Lockney General Hospital, where she had been a patient two weeks.

A native of Quannah, Mrs. Dodson had lived in Lockney 77 years. She was a member of the Order of Eastern Star. Survivors include one son, Weldon of Lockney; one daughter, Mrs. James Davenport of Plainview; five brothers, Roy Griffith, J. W. Griffith and Fred Griffith, all of Plainview, Frank Griffith of Dallas and Theo Griffith of Lockney; five grandchildren and two great-grandchildren.

NOTICES

Pursuant to Acts 1937, 45th Leg., p. 568, ch. 279, classified as Article 5421p, Vernon's Annotated Civil Statutes of Texas, notice is hereby given that the Board of Trustees of FLOYDADA INDEPENDENT SCHOOL DISTRICT, of Floyd County, Texas, as now constituted and existing, hereinafter called the District, will, on Friday, August 23, 1968, at 10 o'clock a.m., at the offices of the District at 208 South Main Street in the City of Floydada, in Floyd County, Texas, receive and consider bids for the lease for mineral development purposes of the following described real property, owned by the District, situated in Floyd County, Texas:

DELLA PLAINS SCHOOL: All of Block 11, Original Town of Floydada; according to plat thereof recorded in Volume F 2, Page 294, Deed Records of Floyd County, Texas; and ARTHUR B. DUNCAN ELEMENTARY SCHOOL: A tract of 12.02 acres of land out of the Northeast one-fourth (NE/4) of Survey 92, Block 1, A B & M, B S & F Certificate No. 1500, Abstract No. 1485, more particularly described by metes and bounds in Deed from Maud E. Hollums dated July 22, 1965, recorded in Volume 172, page 632, Deed Records of Floyd County, Texas; and R.C. ANDREWS WARD SCHOOL: A tract of land containing 270050 square feet, being approximately 6 1/5 acres, being a part of 480 acres, known as the South three-fourths (S 3/4) of Section No. 64 Block 1, A B & M, Certificate No. 1230, Abstract No. 1558, being more fully described by metes and bounds in Deed from W.M. Massie Et ux dated March 11, 1926, recorded in Volume 49, page 366, Deed Records of Floyd County, Texas, and all of Block 14, Western Addition Annex to the City of Floydada, according to Plat thereof recorded in Volume 135, page 381, Deed Records of Floyd County, Texas, and all of Block J, Andrews Addition to the City of Floydada, according to Plat thereof recorded in Volume 22, page 350, Deed Records of Floyd County, Texas; and FLOYDADA HIGH SCHOOL: All of Blocks 6 and 7 Western Addition Annex to the City of Floydada, according to Plat thereof recorded in Volume 135, page 381, Deed Records of Floyd County, Texas; and FLOYDADA JUNIOR HIGH SCHOOL: All of Blocks 19, 22, and 23 Bartley Heights Addition to the City of Floydada, according to Plat thereof recorded in Volume 24, page 380, Deed Records of Floydada County, Texas. It being the intention of the lessor that this lease include all land owned by lessor within the City of Floydada. This lease includes adjacent streets and alleys.

Any lease granted will be granted at public auction to the highest and best bidder submitting a bid therefor at the time and place above specified, and shall retain not less than one-eighth (1/8) royalty to the lessor, and in no case shall the primary term of any such lease extend beyond ten (10) years from the date of execution and approval thereof. If, in the judgment of the Board of Trustees of the District, the bids submitted do not represent the fair value of the lease, the Board of Trustees reserves the discretion to reject the same. No lease shall be executed without the consent of, and without approval of the terms thereof by, the State Commissioner of Education of the State of Texas, as required by Acts 1941, 47th Leg., p. 600, ch. 368, classified as Article 2773a, Vernon's Annotated Civil Statutes of Texas. This notice is given and published pursuant to order of the Board of Trustees of the District dated August 5, 1968, /s/ Jack D. Stansell JACK D. STANSELL President, Board of Trustees Floydada Independent School District (8-22-1968)
