Another Inch Of Rain and Some Hail Fall Here

Wheat Harvest 90% Complete; Soybeans Go To Market

Each inch of rain came to us Saturday evening and all hail fell in and near limits. It rained and snowed over an hour about 11:30 p.m.

This brings the total rainfall for the year up to 21.82, which is of course considerably above the annual average. Reports from local grain elevators indicate that about 90% of the grain sorghum crop has been harvested. The soybean harvest is just beginning.

IT'S A NINETEEN year old Floydada boy who seeks release from the Huntsville penitentiary this month. In order to be released, he must have the assurance of a job waiting for him when he returns to Floydada.

Absentee Vote Begins

The Hesperian reminds all potential voters in the November election that absentee balloting began yesterday. Voters should bring registration certificates with them when they ballot at the county clerk's office in the courthouse.

"A friend in need... is a friend indeed!"

By Wendell Tooley
Harmony community farmer Zant Scott suffered a stroke back in June this year, and since has been unable to take care of his farming. But, this doesn't mean his farm hasn't

been cared for... because Zant has a lot of good neighbors. The Scotts know how true the old adage, "a friend in need is a friend indeed."

LAST Friday, I have a great admiration for the Lockneys... they are a very explosive and competitive team. It is, the first half, I hardly opened my mouth... I was at the Longhorns' speed and their mix-up of plays, and their tackles.

Farm Bureau Votes Against Phasing Out Farm Program

The Floyd County Farm Bureau members voted against a proposed resolution here Saturday night for a gradual phasing out of the current farm program. Considerable discussion was brought by members from the floor and the resolution was vetoed in a close vote.

Monday afternoon four combines rolled into the Scott field and it was the neighbors again, helping the Scotts to save their grain sorghum crop.

Kindergarten Open House Monday

The public is reminded that the Community Center kindergarten begins with an open house for parents and children from 9 to 11 Monday morning. This will also be registration time for kindergarten. The kindergarten is under the direction of Mrs. Joe Navarro and several volunteers from the community will help.

THE LOCKNEY, like Floydada, still must face the big game, Dimmitt and Friona... so good luck to both teams. Congratulations to the great Floydada defensive team, in a similar game with Ralls, pulled us out of the fire and another victory home for the mean green.

Tuberculin Screening Tests Given Students

"In order to find children who need extra protection against tuberculosis" Tuesday of this week the annual tuberculin screening tests for school children were given in the first, third and seventh grades. This is an easy, simple way to find the children that have been infected with the tuberculosis germ.

Producers Cooperative Puts \$86,000.00 In Circulation

The Board of Directors of Producers Cooperative Elevator announced Wednesday the Association's payment of \$86,765.12 cash payment of stock retirement and current patronage.

Rev. Pollard To Speak At Local TSTA Banquet

Rev. Frank Pollard is to be the featured speaker in an education banquet at Duncan Elementary School cafeteria at 7:30 next Monday evening, Oct. 21.

OF OUR FOLK go to New Mexico and Colorado to see the yellow and red leaves in the fall. If you are unable to make a trip, I suggest you take another look at the beautiful fields around this area now... and keep an eye on the weeds on the fence rows... they're beginning to turn color.

In the tuberculin test, a small amount of harmless tuberculin is injected into the skin of the forearm. The area of injection will be examined tomorrow (Friday) to determine the reaction to the tuberculin. If there is little or no reaction, this indicates no previous tuberculosis infection.

First Christian Church Remodels

After several years of wishing, thinking, and planning, more than a year of active fund-raising and working with architects Ensign and Fowler, Amartillo, the members of the First Christian Church of this city see the beginning of a remodeling program. Monday morning found men of the church moving pews and furnishings from the sanctuary in preparation for actual tearing-out and re-building to begin.

The Board stated the dividend amount to approximately 7 1/4% per hundred on all grains received by the Association at Floydada and Dougherty.

Rev. Pollard, well-known as a speaker at banquets, is particularly sought after for teachers' groups. He serves as pastor of Tulla's First Baptist Church, and is known as an entertaining, informative, and challenging.

Homecoming At Assembly Of God Church

The public is cordially invited to a Homecoming and Mortgage Burning Sunday, Oct. 20 at the First Assembly of God Church in Floydada. The all day observance will begin at 10 a.m. with morning services conducted by Rev. Haskell Rogers.

In August of 1966, J.C. Wester was named chairman of a Building Plans Committee. Taking recommendations presented by the first appointed study committee, this new group composed of Chester Allen, Glenn Jarnagin, Jack Johnson, Mrs. Dan Hagood, Mrs. Kinder Farris, Bill Henderson, and Connie Bearden.

The Board of Directors are: R. G. Dunlap, president; C. L. Gilly, vice president; Louis Pyle, secretary-treasurer; Otis Anderson, Director, and Woodrow Wilson, Director. The annual meeting date will be set in November.

Wallace Leads Poll

According to a "voluntary call in" poll taken from 9 a.m. to 12 noon Tuesday morning, George Wallace is favored as president of the USA. A total of 94 calls were received from Floydada, Lockney, Plainview, Quitada and Crosbyton... 54 women and 40 men. The voting showed the following results:

THE PROCEEDS go to the Floydada youth baseball program. Plans now to enjoy good Aunt Jemima pancakes, and all the trimmings... the 25th.

"Good Samaritan" Returns Billfold

Thanks to a "Good Samaritan" Mrs. Lockney, a Floydada housewife has her billfold which was lost last week. Claudio Charles only found the billfold between Floydada and Matador, but Mrs. Newell Burk and Mrs. Lockney until she could drive to the site and retrieve her property. The details as related by Mrs. Lockney in a letter to The Beacon:

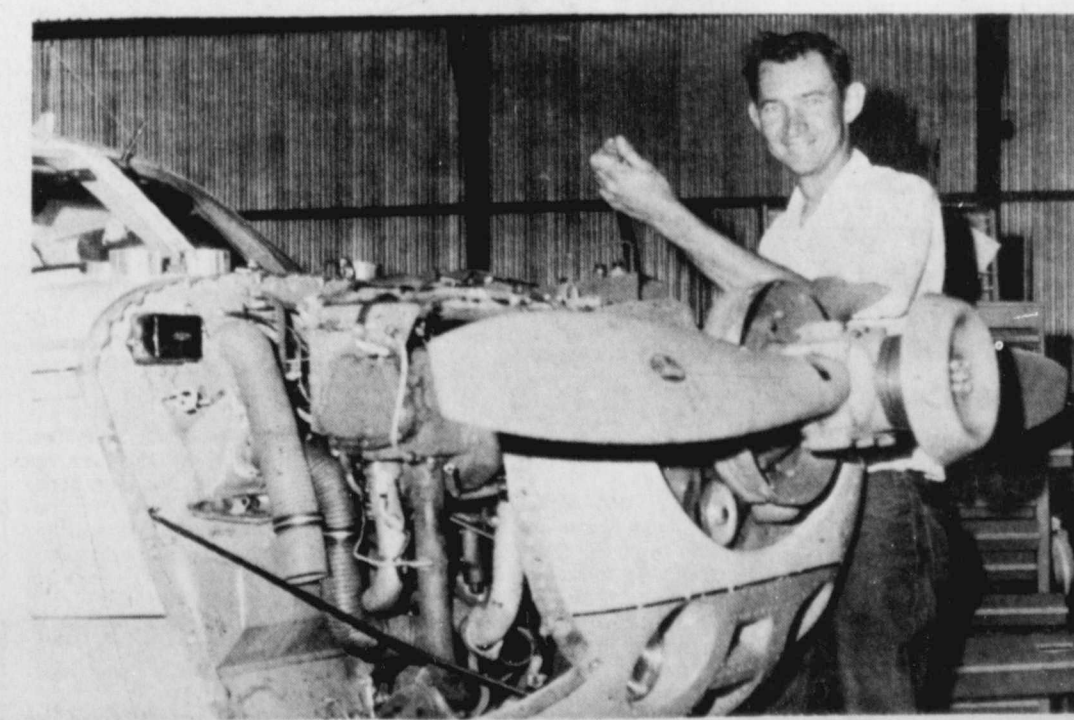

Lorenzo Next!

The Floydada Whirlwinds travel to Lorenzo Friday for a non-conference game. Kick-off time is 7:30 p.m. Lorenzo has not won a game this year and Floydada has a 4-1 record. Lorenzo is A, Floydada A.A.

The Drum Beat

BY THE BAND BOOSTER REPORTER

THAT WAS ONE of the best Whirlwind performances that I have seen in the last several years.

We had a huge attendance and what a wonderful applause was given our band - and being Lockney's Homecoming, it was grand!

Our show on the Lockney field was a 6 minute show and the 54 piece Whirlwind Band marched on the field under the direction of our Drum Major, Doug Cannon, and twirlers Penny McClintock, Kit Martin and Kacky Weems.

The twirlers looked exceptionally attractive in their new uniforms and did a beautiful job. We are proud of you girls.

Entering the field from the south end in a company front and moved into a block band formation, played a fanfare and "Golden Gate." Our twirlers gave a special performance to the Floydada stands while the band played "Military Escort." A block-buster drill was executed and then the band performed 4 of the required maneuvers for the Marching Contest in November; "Colonial March" and "Bells Across the Gridiron" was played. They made an exit front and center to the side lines playing the "Coca Cola" theme fanfare. Facing the Floydada side they left the field in a side-line exit and waited while the Lockney Band performed.

You're looking good. . . real good!

Veteran's Land Program Permitted 36,500 Veterans To Purchase Land

Under the many programs of the General Land Office are a few that stand out as major accomplishments in recent years. The Veterans Land Program has permitted 36,500 Texas veterans to purchase a tract of land in the State of Texas. Interest in the new program is great, and the veterans are filling new contracts daily, thereby taking advantage of the opportunity offered them under the revised Veterans Land Program. Even though this program is a great aid to the economy and a help to Texas veterans, it has also made a yearly profit of \$3,000,000 for the taxpayers and the people of this state.

In the last two years sulphur activities in far West Texas have occupied the limelight. During the past year we have taken in \$2,174,978 from the leasing of sulphur in the state. This money, along with the revenue derived from oil and gas, goes into the Permanent School Fund to make better education a reality for our young people. Today our Permanent School Fund is over the three-quarter billion mark, having an accumulated total of \$775,138,151. Of this amount \$324,457,642 has been placed in the fund since January 1, 1961, the date on which Jerry Sadler became Land Commissioner of the State of Texas. The Permanent University Fund today contains \$514,589,348 and by proper management and foresight \$161,289,388 has been placed in the fund since January 1, 1961. These funds aid in lightening the load of the taxpayers and in making money available for better education in our state, both at the public school level and the college level.

These major programs have been most beneficial to the state and they have been accomplished at a minimum expense. During Sadler's tenure of office he has managed to return to the state an average of \$284,000 of unspent revenue each year authorized by the Legislature in the Appropriation Bill to be spent by the General Land Office. This represents a saving of \$1,280,000 over the past seven years through proper management and economy practices that he has adhered to in supervising the General Land Office of the State of Texas as Land Commissioner.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Oct. 14, 1968—Only small showers of rain fell out Fairview way and no hail Saturday night. Here in town we had both an inch and a fourth of rain and quite a bit of hail. Leaves and small limbs were knocked off the trees and flowers beaten down some.

Mr. and Mrs. Leon Rasco of Lubbock spent Sunday afternoon and remained for supper with Mr. and Mrs. Clyde Bagwell. All of the above attended funeral services at Calvary Baptist Church for Mrs. Lola May Berry and to Cone Cemetery for burial services there. Mrs. Rasco is a cousin of Mrs. Bagwell. All lived at McCoy at one time when Mrs. Berry and her family lived there.

Mr. and Mrs. Cecil DuBois of Buffalo and Mr. and Mrs. L.T. DuBois of Eddy arrived at the home of Mr. and Mrs. Edell DuBois where they remained for several days. Other Sunday visitors were Mr. and Mrs. Bud DuBois and Sandra of Tulla and Mr. and Mrs. Bill DuBois, Craig and Quinn of Cedar Hill.

Mrs. E.W. Walls spent Wednesday in Plainview.

Mrs. Cecil Payne, Mrs. Oran Hatley, and C.J. Payne spent Saturday and Sunday at Mineral Wells, Strawn and Ft. Worth. At Mineral Wells they visited their aunts, Mrs. Mattie Carriker and Mrs. Hattie Bozell and a cousin, Jarril What-

ley and family and another cousin and wife, Mr. and Mrs. George Bendy. In Stawa they visited cousins, Mr. and Mrs. Earl Moon and at Ft. Worth they visited an aunt, Mrs. Lula Peterson. While in the area of Mineral Wells they went to the community where Mrs. Payne and Mrs. Hatley were born and reared.

Sunday dinner guest of Mr. and Mrs. A.S. Mize were Mr. and Mrs. Sid Brown, Mrs. W.B. Wilson and Mrs. Bill Tye all of Floydada.

Mona Dell Wise of Dumas spent the weekend here with her parents and brother, Mr. and Mrs. C.H. Wise and Charles D. Wise and with her sister and family, Mrs. Mary Caffee, Marc and Nancy.

Benton Ritchey of Lubbock visited in the C. H. Wise home Monday.

Mrs. Inez Edmonston of Muleshoe visited Tuesday with Mrs. Beulah Jernigan. Sunday visitors in the home were Mr. and Mrs. Jack Jernigan, Ann and Linda of Lubbock who were here most of the day. Those calling in the afternoon were Mrs. Ella B. Hammock and Eric, Mrs. Bernice Barrett, Mrs. Stella Crabtree and Gordon Bullard, all of Lubbock and Mr. and Mrs. Earl Cooper of Lockney.

Our last report on Mrs. Malcolm Bridges of Houston was that she is home and doing just fine. Juanita is able to be up and out. We are all glad to have this good report on her. Mrs. Bridges is the former Juanita Rushing and was born and grew up in our community.

Sunday dinner guests in the home of Mrs. Kate Crabtree besides her house guests Mr. and Mrs. Lige Moore and son

TOMATO HARVEST on the Junior Simpson farm.

meanwhile, the 1969 crop is up and away. . . farmers have an early start for grazing. The wheat have helped the wheat start a very good start.

COTTON MARKETING QUOTA ANNOUNCED

Upland cotton quota of 15,133,333 and an allotment of 16.2 acres were announced by the U. S. Department of Agriculture.

Members will vote on quotas for next crop in a national election to be conducted by the U. S. Department of Agriculture.

As approved, the U. S. will provide growers with support loans and acreage payments on their 1969 crop.

Quota is about a million more than for this year. The USDA said, reflects a four-year average yield from 483 pounds to compute the 1968 quota to 454 pounds for 1969.

Quota Unchanged

National acreage allotment unchanged from this year includes 200,000 acres of farm allocations.

County acreage probably won't be much from this year. There could be some in projected yields for 1969.

Probably be mid-October — maybe even later county acreage are received by local Stabilization and Service offices.

National allotment acres — not in the reserve — is the allowed under current program.

Details of the 1969 program will be announced to be determined are level of price supports, and acreage features, if any.

Making The Drag

BY SUZANNE GUTHRIE

Congratulations go to the football boys for the GREAT GAME they played Friday night against Lockney. They all did a great job and we're mighty proud to be Floydada Whirlwinds, and county champs.

There is a practice that we have at high school that I don't believe all of you know about. That is electing citizen of the month. The teachers each nominate a boy and a girl and then the Student Council votes to elect the one boy and girl.

Those nominated this month were, BOYS: Gale Campbell, Jack Gregory, Joe Kimble, Phil Kinslow, Kreis McIntosh, Jerry Fowler, Kelly Smitherman, Robert Covington, Mike Thaxton, Andy Hale, Ricky Watts, Douglas Bradford, Todd Wester, Larry Beaver, Dale Baker, and Doug Cannon.

GIRLS: Jill Stansell, Denise Chadwick, Kit Martin, Sara Stanforth, Jody Johnson, Lynn Fowler, Suzanne Guthrie, Christy Brown, Sherry Crutchfield, Brenda Mathis, Judy Probasco, Jill Bertrand, Jana Bertrand, Rosenne Els, Jacque Crawford, and Ivana Smithy.

Those selected this month were Gale Campbell and Sara Stanforth.

We are having a spirit contest here at F.H.S. among the classes. At the Student Council meeting Monday the results were: Sophomores 113 points, Seniors 102 points, Juniors 80 points, and Freshmen 63 points. The score has probably changed by now. This has been a very good idea and it has helped create spirit.

Some of the activities included in the contest are color day, poster contests, poetry contests, find the mascot, crossword puzzle and guess the score.

Play tryouts were held Monday night. The play is "The Diary of Ann Frank." It will be held December 12 and 13. The director is our new speech teacher Carrie Sue Perry.

The actors and actresses are: Christy Brown, Nancy Davis, Janie Willson, Susan Rogers, and Suzanne Guthrie.

Also Doug Cannon, Keith Norrell, Kelly Smitherman, Jim Snead and Tommy Farris. Congratulations to all of these who have been selected.

There was an F.T.A. (Future Teachers of America) meeting Monday night. The speaker for the meeting was Coach Wilson. Also Monday night was a Senior Poetry Party to write poems for the spirit contest.

Great everyone you meet today and tomorrow with "Beat Lorenzo" instead of Hi! - Let's have Whirlwind Spirit.

actor" child be examined for tuberculosis, so as to find the source of the child's infection.

Our health officials emphasize that the examination for tuberculosis is not completed by the tuberculin test alone. Each positive reactor, children and associates, must have a chest x-ray to determine if the germs have caused active tuberculosis.

This x-ray should be taken as soon as possible after the tuberculin test if found to be positive.

THE POSITIVE TUBERCULIN REACTION IS A SIGN NO ONE CAN AFFORD TO IGNORE.

Even if the chest x-ray is negative, it must be remembered that the child or associate has been infected with tuberculosis germs. As a result of this infection, extra precautions must be taken to prevent the development of active tuberculosis at a later age.

Persons who are positive reactors should have periodic examinations as recommended by their physician for the remainder of their lives.

Why is this so important? Three out of four future new cases of tuberculosis will come from the individuals who now have positive tuberculin reactions.

If the warning of the positive reaction is heeded and regular medical examinations obtained, these infected individuals have a better chance of finding the disease in an early stage if it does develop.

The earlier active tuberculosis is found, the easier it is to treat.

Great peace has those who love thy law. — (Psalms 119:165).

tuberculosis infection. If there is a reaction, the child may have been in contact with a tuberculosis infection at some time in his life.

Technically, this child is referred to as a "positive reactor." EVERYONE SHOULD UNDERSTAND THAT A POSITIVE REACTION DOES NOT NECESSARILY MEAN THAT THE CHILD HAS ACTIVE TUBERCULOSIS.

It does mean, however, that the child has been closely associated with someone who does or who has had tuberculosis.

As a result of this close association, tuberculosis germs have entered the child's body. This is the reason it is so important that all close associates of the "positive re-

FORMER President Dwight D. Eisenhower celebrated his 78th birthday Monday and was reported to be in good spirits.

"KATE", on Petticoat Junction, died Sunday of pneumonia. She had been ill several months with lung cancer. I understand she has filmed five television series ahead of time, so we will see her on television in the future.

I NEVER did particularly like movie star Burt Lancaster, and after I heard of his party Sunday to raise money for the defense of more than 400 persons arrested at Chicago in riots during the Democratic National Convention, I like him even less. Other well known movie stars were in on the affair held in Lancaster's Bel-Air, Calif., home. It's the backing of prominent people such as Lancaster that keeps these disorders going. I wonder if they would do so much for a needy soldier returning home from the Vietnam War.

I KNEW when I missed the ballgame Friday night that it would be the best one this season. It seems like nearly everyone lost a homecoming game. I understand the defense won the game and much credit goes to Mike Burk and Ed Warren for getting the safety. Saturday morning Coach Wilson said he told the two boys they got a point each in winning the game.

WELL, according to the blooms on the frost plant of the Don Shurbets it should frost Friday, Saturday or Sunday. With the weather as hot as it was the first part of the week, it's a little doubtful, but one never knows. No one expected the hail storm we got Saturday night either.

WHEN the attendance at an Iowa church's every-Wednesday "games and fun" party turned out to be consistently greater than attendance at Sunday worship, the pastor padlocked the doors to the church's community hall and said "it's time to pray."

NDON's TV speech from Dallas Friday night received one of the warmest receptions since his campaigning began. He called for new policies in foreign affairs and I back him 100 percent on this. That's one of the reasons the USA is in the red; we give money, arms and men to foreign countries instead of letting them bear their fair share. Nixon says that instead of federal housing, we should provide a tax credit incentive so people can buy their own homes. Rather than have more millions on the welfare rolls, let's have more millions on payrolls.

THANKS to Mrs. Curtis Martin for the delicious cantaloupe and pineapple preserves. It's a delicacy out of this world. If you don't have the recipe, I'm sure Mrs. Martin wouldn't mind passing it along.

Mrs. Reva McGuire, President of Eta Phi Chapter presided at the luncheon meeting and Mrs. Frances Lowrance, Alpha State Professional Affairs Committee Chairman and member of Kappa Chapter delivered the address. She gave members a "Look at Education" in cities and the whole country. She mentioned some of the endless duties of teachers as living a positive and constructive life as an example for pupils; showing love, joy, understanding and tolerance; taking a stand for law and order; in politics, and other important matters when in neutral territory such as at clubs and community organizations.

Mrs. Lowrance further stated that young people need models to become good American citizens. "Basically, we as teachers give what we are. Even our presence in church will contain industries in which Indians will have first call on jobs. Actually, this group could get a larger dollar return from their oil and gas-lease money by leaving it in a Government trust, but recognizing the value of pride in accomplishment, they have decided to invest in job-producing projects. Jobs lend visible stature to their young people."

OVER a period of years we have collected here at the office umpteen wedding pictures which were used in the Hesperian. I've forgotten most of the girls' married names but will list them, or their maiden names. If one of them is your daughter's picture, I'm sure you would appreciate having it back. I have pictures of Mrs. Keith Teague, Mrs. Bobby Joe Hall, Lavanda Hubbard, Phyllis Jean Powell, Glenda June Ross, Linda Mertry, Nancy Sue Watson, Mrs. James McNeill, Nancy Holmes Willson, Mrs. Mike Carter, Mrs. Joe Lee Dunn, Patty Moore, Glenda Morgan, Linda Scheele, Beth Scott, Mrs. Phillip Kent Hardage, Mrs. James T. Kirk Jr., Mrs. Janice Smith Hansen, and Mrs. Ralph Thayer Jr., I think. I also have the wedding picture of Mr. and Mrs. Phil Horton which I'm sure the grandparents, Mr. and Mrs. Sims would love to have; and a picture of Mr. and Mrs. G. N. Shirey, now deceased, which should go to some member of the family. If one of these belongs to you, please come by the office and pick it up.

THE Hale County Bank in Plainview is seeking two women in or around Floydada who applied for the job in Plainview, caring for a 93-year-old man. Bank officials there called the Hesperian Monday to ask assistance. The elderly man, in talking with the women, failed to get their names. The bank is in charge of the man's business affairs, and officials would like to talk to the pair concerning the employment. It is believed the women are sisters.

OBITUARIES

Major Golden

Major Elden W. Golden, 40, grandson of W. H. Furrow of Floydada and son of Mr. and Mrs. Newell O. Golden of Amarillo, former Floyd County residents, was one of three members of the U. S. military mission to Iran killed last Saturday in a C-47 plane crash.

The parents learned of the crash Sunday, which occurred 85 miles east of Tehran, where Golden was stationed with the U. S. Air Force. Cause of the crash is still being investigated.

A memorial service for the three victims was held Tuesday in the community church at Tehran. Golden's body will then be shipped to Amarillo.

Major Golden was a native of Amarillo, and a graduate of Amarillo High School and Texas A&M. He was a member of the San Jacinto Nazarene Church in Amarillo and had served as a pilot with the Air Force for the past 16 years.

His wife and two sons, Mark and Dale, reside in Iran. Major Golden's mother, the former Edna Furrow, resided in the McCoy Community with her parents a number of years and the father resided at Sterley before moving to Amarillo.

Higher Parcel Post Rates In Effect Oct. 19

Postmaster E. H. Wester reminded postal customers today that higher parcel post rates will go into effect Saturday, October 19, 1968.

The rate increase will average 10.5 percent and in most cases will mean an additional ten cents postage per parcel. The higher rates were approved by the Interstate Commerce Commission in July.

Under the new rates the minimum charge for local parcel delivery will go from 40 to 50 cents. The minimum charge for parcels destined outside the local delivery area will be raised from 50 cents to 60 cents. Almost all parcels that are charged up to \$1.10 under present rates will go up 10 cents. This accounts for more than 80 percent of all parcel post. Postmaster Wester pointed out.

There will be a 15-cent hike on most parcels now charged between \$1.10 and \$4.00, and a 20-cent increase on parcels now charged over \$4.

Parcel Post rates are based on the weight of the package and the distance it is mailed. Higher rates for the delivery of packages and catalogs are required to bring revenue from this type of mail within four percent of operating cost, as required by law. Postmaster Wester explained. The higher rates are designed to put parcels and catalogs, which are fourth class mail, on a break-even basis.

SCHEDULE FOR CHRISTMAS PARCELS TO SERVICE MEN OVERSEAS

The following periods have been designated for mailing Christmas parcels to members of the Armed Forces overseas: Surface Transportation: Oct. 14 to Nov. 9; SAM: Oct. 21 to Nov. 23; PAL: Oct. 28 to Nov. 30; AIR MAIL: Nov. 30 to Dec. 11. 7th-8th Grade Breezers Win Over Anton

The 7th Grade Breezers, behind the running of some good blocks and even better blocking linemen, moved to a 22-0 victory over the Anton Bullpups at Anton last Thursday.

Early in the game saw Ralph Bennett run the first touchdown for the Breezers from some 30 yards out. Try for extra points was made by Danny Quisenberry, making it 8-0.

The Breezers' defense was in good shape, holding Anton on the 15 yard line. When offense took over, John Cagle pitched out to Rex Rose and down the sideline; 85 yards later the score was 14-0 with the try for extra point falling.

The second offense took over in the last half and Malvin Johnson took the Breezers in for another score. Johnson pitched out to Danny Daniel and he scored. Willis Bunch added the extra point and the final score was 22-0.

Playing a good game for the Breezers were Pete Salazar, Ashley Wester, Ruben DeLeon, Mike Hatley, Randy Hale and Lynn Becker.

The 7th Grade Breezers are now 2-1 and play Abernathy here October 22.

Breezers for the 8th Grade added another game to their record for the season with a win over Anton 30-6. They are now standing 4-0.

Ricky Fuller started the rally by returning the opening kickoff 84 yards for a touchdown and Jay Jones added the extra point. The defense played a fine game by holding Anton to only one touchdown. They were led by Greg Patzer, Randy Quisenberry, Steve Hale, David Mar-ricle and Lee Sinoor.

Next time the Breezers handled the ball they scored again on a sweep by Fuller. Terry Bunch added the extra points. After the half Mark Vinson took the ball in for the Breezers' third touchdown making the score 22-6. Terry Jester took the ball in for extra points, making it 24-6.

Jester scored next on a pass from Mike Hale and the extra point failed bringing the final score to 30-6.

The Breezers play Abernathy here Oct. 22.

Wayne On Farm Wage Committee

Representative Wayne of Plainview today that he has a special legislative study in agriculture and wages in agriculture to hold a hearing in the Plainview area in late October.

Wayne, who is one of five members appointed to a special interim 10-man committee to schedule a hearing in the Plainview area in late October. Wayne further stated that he will continue his efforts to penalize the farmers from being placed under an unrealistic minimum wage they cannot afford, and then destroy the small farmer and the jobs for workers.

South Plains area be given an opportunity to present their views to the committee before it makes its recommendations to the 61st Session of the Legislature which convenes in January, 1969.

"I believe that you cannot penalize our already overburdened farmers to the point that they cannot make a profit. This sort of imbalance and inequity will only eventually do away with the jobs the workers now have," said Wayne.

Wayne further stated that he will continue his efforts to penalize the farmers from being placed under an unrealistic minimum wage they cannot afford, and then destroy the small farmer and the jobs for workers.

Other members include Calvan Graham, executive director of the Texas Catholic Conference, appointed chairman; Gustave Falk, Southwest Regional Director of the American Jewish Committee, Dallas; Harold Kilpatrick, executive secretary of the Texas Council of Churches, Austin; Dean George Kozmetsky, College of Business Administration, University of Texas at Austin; and Dean H.O. Kunkel, College of Agriculture, Texas A&M University.

State Representatives appointed to the committee are Raul Longoria of Edinburg, Honore Ligarde of Laredo, Raul Muniz of El Paso, the Reverend Zan Holmes of Dallas and Ralph Wayne of Plainview.

FLOYD DATA
Mr. and Mrs. M. J. McNeill returned home last Friday from San Antonio where they attended Grand Chapter of the Order of Eastern Star. Mrs. McNeill was chapter representative and McNeill a delegate. They also visited HemisFair and other interesting points while in that area.

FLOYD DATA
Mr. and Mrs. C. L. McMurry of El Paso are here this week visiting her mother, Mrs. Roy Patton and sisters, Mrs. John Stapleton and Mrs. Bates McClung and their families.

Representative Wayne will announce the exact date of the public hearing in early October.

Hambright Named Officer Of TPEA In Hale Floyd

Bob Hambright of Floydada was named secretary-treasurer of the Hale-Floyd Counties Chapter of Texas Public Employees Assn., when they elected new officers recently. Hambright is employed for the Texas Employment Commission with offices in Floydada.

Oct. 13-14 has been proclaimed as Texas Public Employee's Week and Monday and Tuesday the 23rd annual meeting of Texas Public Employee Association was held in Austin.

Delegates attending the TPEA meeting represented 27,000 state employee members. They determined policies for their non-political, non-union organization for the coming year.

Sam Spence, local employee of the State Highway Department, represented Floydada at the meeting.

John Dunn Receives Recognition

U.S. AIR FORCES, Guam-Staff Sergeant John G. Dunn, son of Mr. and Mrs. J.L. Dunn of Rt. 1, Littlefield, Tex., has been recognized for helping the 3rd Air Division earn the U.S. Air Force Outstanding Unit Award.

Sergeant Dunn, a supply specialist assigned at Andersen AFB, Guam, will wear the distinctive service ribbon as a permanent decoration.

The division was cited for exceptionally meritorious service while engaged in military operations against the enemy in Southeast Asia from March 1966 to March 1968.

The sergeant, a graduate of Littlefield High School, attended Mississippi State College and the University of Guam.

His wife, Martha, is the daughter of Mrs. J.H. Thomas of Floydada.

Electric Blanket
Electric blanket has many advantages. First and foremost is its sleep-ability. Because an electric blanket gives warmth to all the spots without the need for coverings or use of bed socks, user into the bliss of night's sleep. And it is able to wash in an automatic washer. In fact, the domestic electric blanket is dry clean - being washed in solvents can insulating material and the wiring.

Directions for some electric blankets permit use of an automatic dryer, others do not. Proceed accordingly. When a dryer is used, remove the blanket while damp to guard against over-drying and excessive tumbling that cause shrinkage. To finish the drying (or to dry it immediately after washing), drape the blanket over parallel lines - preferably outdoors in the shade. Then use both hands to straighten and pull it to shape. When bone-dry, restore the nap by a quick once-over with a soft brush. Do not iron the blanket, but the binding may be pressed with a cool iron.

When it comes time to "shelf" a clean electric blanket, remember that all of them are already permanently moth-proofed, so there is no need to use moth preventatives which may injure the plastic parts. Store the blanket in its original package or in a similar dry object on top of it. Tuck in the instruction book, too, and the guarantee. Store controls separately.

Recent developments include electric blankets of the "thermal-weave" type with waffle like depressions; separate hangers for attaching controls to headboards, and bottom snap fasteners which allow use either flat or fitted like contour sheets. One control even includes an alarm clock that can automatically switch the blanket off and simultaneously wake up the sleeper!

An innovation in heated blankets is a type which warms by water rather than by wires. This kind contains watertight, flexible plastic tubes through which electrically warmed water circulates. It can be slept on or under, can be dialed for the desired degree heat, and is claimed to be so durable that it can be crumpled or folded without damage. This type, also machine-washable, should be line-dried - never cleaned, wrung, or ironed.

When washing by hand, squeeze through plenty of soap or detergent suds in a bathtub or deep washtub, or use a plumber's plunger to "suck through the fabric to loosen and remove soil.

Let the blanket lie in the tub while the suds are drained off. If possible, use the shower spray or a shampoo spray to flush soiled suds from the blanket and tub. Then fill the tub with successive lukewarm rinses, turning the blanket over and over to make sure that the rinsing is thorough. Finally, squeeze out excess water without wringing.

Exhumation Order Gets Set Aside

LUBBOCK, TEXAS
Judge Halbert O. Woodward of U.S. District Court here has set aside an order allowing an insurance company to dig up the body of a Lockney man, records showed Monday.

The latest order came on a joint motion from attorneys representing St. Paul Fire and Marine Insurance Co. and Mrs. Elizabeth Kropp.

St. Paul had sought the exhumation of the body of Paul L. Kropp, 45, in order to try to determine whether his death was accidental. Kropp had a \$100,000 policy covering accidental death. He was found on June 12 in an office next to his house, with a rifle bullet wound in his head.

St. Paul asked on July 9 for permission to exhume the body. Mrs. Kropp filed a cross-complaint on Sept. 12, asking \$49,333 in damages and attorneys' fees along with the \$100,000 in insurance money.

Judge Woodward ordered last Wednesday that the insurance company be allowed to have the body exhumed. His order setting aside that directive came on Friday.

Freeman Will Speak At Tech

Secretary of Agriculture Orville Freeman, making his second appearance on the Plains, will speak at the Lubbock Municipal Auditorium on the Texas Tech campus October 21 at 2:30 p.m.

The address is being billed as "a major farm policy address" and the Secretary's office advised Plains Cotton Growers, Inc. that it would stress "the future of U. S. agriculture."

It is understood this will be the first of five such appearances scheduled by the Secretary across the country between

now and November. As of this writing details on the Secretary's visit are somewhat skimpy, but Donald Johnson, PCG Executive Vice President, said he thought a large number of farmers and agribusiness people on the Plains would want to be on hand for the occasion.

Freeman took over the reins of the U. S. Department of Agriculture in 1961 under the late President John F. Kennedy, and has announced his plans to retire to private business in January, 1969.

Whirlwinds New Floyd Football Champions

SPORTS

Mrs. Finley Wins Football Contest

Mrs. Jerry Finley, 816 West Lee, set a record for the year by missing only one contest in last week's football contest. She receives the first place \$7.50 prize. She missed the Silver-ton-Kress game.

Also missing only one game and recipient of the second place \$5.00 prize is Mark Alldredge. The tie breaker Floydada-Lockney game was used to determine first and second places. The winner was Floydada with a total score of 15. Mrs. Finley guessed 21 and Mark guessed 4.

Mark missed the Texas A&M - Tech game.

Third place and \$2.50 goes to Junior Martinez, who missed only two contests. The tie breaker game was again used

to determine the third place winner as five persons missed only two games.

Junior guessed the tie breaker game total at 20. Others who missed only two contests, but who were farther away on the tie breaker total include Bob Alldredge (son beats father) Travis Gentry, W. O. Newberry, and Dan Fry.

Honorable mention goes to the following contestants who missed only three games: Steve Alldredge, Mrs. Bud Goom, Eddie Childs, Claude Weathersbee, Steve Craig, Doyle Moore, Gail Hickerson, Donna Patton, Willyne Hodges, Elaine Wilson, and Mike Estes.

Another big contest appears in this issue of The Hesperian; turn to it now and turn that football knowledge into cash.

Floydada 8, Lockney 7

By Wendell Tooley

It had been a terrible game for the Floydada fans, it was the last of the fourth quarter and Lockney was ahead 7-6. . . it seemed that all was lost.

Then it happened; two Floydada stalwarts, Mike Burk and Edwin Warren decided they would blitz the Lockney quarterback Tandy Johnston as he took a weak ball from the center, and he went down in the end zone for a two point safety.

Floydada was ahead 8-7, and that was the way the game ended. Lockney's homecoming festivities were ruined and Floydada was county champion after two years of waiting.

Some 3,000 fans watched the game from stands that were literally running over.

The two pointer came with 1:09 remaining after a five yard procedure penalty on a fourth down punt placed the ball at the Lockney 49, but the Whirlwinds elected to take the penalty and force another kick. A ferocious charge by Floydada's defensive unit combined with Johnston's miscue meant the difference in winning and losing for Floydada.

This was the second time that the Whirlwinds had pulled the locals out of the fire. The defensive team won the Ralls game in a very similar safety scoring situation.

Floydada's sophomore quarterback Andy Hale did a marvelous job if directing the team after starting quarterback Jack Gregory left the game early in the second half with a recurrence of the Hale Center game ankle injury.

Lockney drew first blood as senior signal-caller Johnston skirted left end and went in to score from 20 yards out as the buzzer sounded ending the first quarter. His scamper capped a 77 yard drive that took eight plays and gained five first downs in the process. The do-everything Johnston kicked the point after for a 7-0 lead which his Longhorns carried to the dressing room at half-time.

Floydada was hardly in the game the first half as Lockney displayed fast end sweeps and displayed a puzzling mix-up of running plays.

CRAIG SCORES

Floydada's fullback Steve Craig rambled into the end zone from two yards away with 5:53 left in the game to give the Whirlwinds a place on the scoreboard. Hale attempted a pass for the extra two points which failed.

Hale was on target during the preceding drive, however, hitting four out of four attempts for 50 yards.

The Longhorns were unable to gain yardage for a first down on the ensuing kickoff as the Whirlwind's defense began to click and Johnston's punt from the Lockney 26 went to the Whirlwinds' 40. Three downs later Craig sailed his fourth down kick high with the wind and the Longhorns had possession at their own ten with just over two minutes remaining.

Scant seconds later Warren and Burk pulled the winning play out of the bag with this big play, but the excitement was hardly over. Utilizing time outs the Longhorns brought new life to a dejected set of homecoming fans as a recovered fumble gave them the pigskin at their own 30 with 32 seconds remaining.

Their hope was cut short when Robert Duckworth's first down pass was stolen at the Floydada 40 by junior defensive back Stan Pierce.

The Whirlwinds now stand 4-1 in the season, 1-1 in the district. Lockney is 0-1 in the district.

B. Amarillo.

... definite date of death not known: Raymond Thornton, Mrs. Eva Bishop Gamble, Irvin C. Bishop, Arthur Marvin Mooney, John Sullivan, Avanda Brookerson, Robert Palmer, Robert Puryear, Irene Swain, Coy Burkhead.

McNeill concluded the memorial service with this statement: "I'm paying tribute to these 60 names that I have just read, one of the first names in 1964 and almost the last one. They were young men who gave their lives in Vietnam fighting for the principles of freedom that we all believe in. The usage of the white and green are symbolic of the dead who are living, the white is symbolic of purity and innocence; that white in death, while the green in life symbolizes Hope and vitality. Thus, those who have passed away in the last four years, we tribute to, while those living are honored. . . the spirit of High School shall live on with her high principles and in the beginning God said let there be light and there was even though it faded in death; but, while God is in his heaven, there will be sunrise tomorrow."

McNeill will continue to be in charge of the Memorial Service in the next homecoming in 1972.

John Tower Warns About Third Party

Texas voters who may be tempted to mark their ballots for the third party candidate for President were told that such action would put them at the mercy of Washington politicians to determine who is elected.

This warning was voiced jointly by Senator John Tower of Texas, Senator Strom Thurmond of South Carolina and Ben H. Carpenter of Dallas, chairman of the Texans for Nixon Committee. Mr. Carpenter's committee is composed largely of Democrats and Independent voters.

An advertisement signed by these three prominent activists for Nixon appeared in over 500 weekly newspapers across the state.

The advertisement said the "most" that Wallace supporters could hope for would be to throw the election into the "turmoil" of electing a President by vote of the House of Representatives. In that case, the ad stated, every Wallace vote would automatically become a vote for Hubert Humphrey.

Wording in the advertisement advocated Nixon as a better choice, and declared that his election would insure a change and a new direction in national affairs.

Barbara Chatman Completes Basic

Private Barbara J. Chatman, a 1968 graduate of Floydada High School, completed eight weeks of basic training at the Women's Army Corps Center, Ft. McClellan, Ala., Sept. 27. She received instruction in Army history and traditions, administrative procedures, military justice, first aid and field training.

She has been chosen to attend a four-week Leadership Orientation Course here. Instruction will prepare her to assume increased responsibilities in both personnel management and military leadership.

She is the daughter of Mr. and Mrs. Johnny Curry.

FLOYD DATA
Travis Jones was able to be brought home Sunday from Methodist Hospital in Lubbock where he underwent surgery for torn knee ligaments, Monday of last week. Jones sustained the injury while loading cattle near his farm home. He was attempting to run the cattle up the chute and into the truck when several turned, crowding him into the fence. The left knee was twisted in the process. The cast Jones is now wearing will be removed as will the stitches Oct. 23. Another cast will be placed on his leg at that time until the knee heals.

FLOYD DATA
Mrs. Malcolm Bridges is reported to be at her Houston home and doing fine following recent surgery. Her father, Lee Rushing of Floydada, is in Houston visiting his daughter and family.

Floydada Parks And Recreation Commission Meets

The newly organized Floydada Parks and Recreation Commission met for the first time last week with chairman Preston Watson presiding.

Commissioner Charles Tyer read the prepared resolution for the commission which was recently adopted by the Floydada city council.

Much enthusiasm was shown by the commissioners in discussing recreation facility objectives, a summer recreation program, Jr. Olympics, a plan which would enable all ages to participate in golf, a tennis club for summer play and a water ski club.

It was decided that each member of the commission think in terms of long range recreation programs for the community.

The next meeting will be held at Rogers Restaurant, a 6:30 breakfast on October 31. The commission will meet each 5th

Thursday during the year. Special meetings will be called when necessary.

Members of the commission include Tyer, Watson, Jake Webb, John Reue, Travis Jones, and Richard Hale.

FLOYD DATA
Mr. and Mrs. Jimmy Willson attended church in Big Spring Sunday, where Jimmy made the layman's day talk at the First United Methodist Church.

HESPERIAN OFFICE SUPPLY

Guest Editorial

TO THOSE SEEKING CHANGE:

It Is Clear: "Nixon's The One"

THE THREE men seeking the Presidency of the United States have placed their claims, their hopes and their goals before the American people to an extent now sufficient to permit a knowledgeable choice.

There may be an heretofore untouched issue or two which not yet have arisen, but, by and large, the major problems have been fully discussed, argued, and solutions offered by the contestants. Barring some unforeseen emergency of great domestic or world import, every literate adult in the nation by now has sufficient facts at hand on which to make his choice.

We think the choice will be and should be Richard M. Nixon, among the voters of West Texas and Eastern New Mexico and over the nation as a whole. That is because Mr. Nixon is the best and most logical choice, based upon his positions on major issues, his experience and his background in government's application to both domestic and international affairs.

The handwriting has been on the wall for some months now.

In big, flashing letters it reads that a majority of the people want a change in Washington.

This is not an idle statement.

Already it is quite apparent that more Americans by far will vote for a change than for a continuation of the status quo—or, possibly, something even less acceptable. The combined vote next month of Richard M. Nixon and George C. Wallace is certain to be much greater than the total given Hubert H. Humphrey. Of this, every informed citizen is aware, including Mr. Humphrey who, publicly, has said so.

Thus, sober citizens who want a change can be certain of getting it only if they concentrate their votes behind either Richard Nixon or George Wallace. Once this is widely recognized—and, judging from every successive independent poll it is so recognized now—the decision is a simple one. In the minds of most, we think, the decision will be Nixon.

EVERYONE WHO reads knows that Richard Nixon as a member of the House of Representatives, of the U. S. Senate and through eight unusually active and responsible years as Vice President, has a wealth of background from which he can draw as President. In addition, he has spent a decade, adding to his knowledge of domestic and world affairs, to ready himself for the toughest job in all the world if called upon to fill it.

By any comparison, as his campaign slogan puts it, "Nixon's the one."

As all Americans are aware, these are perilous times, both at home and abroad. If there ever was a time to avoid extremism on either right, or left, it is now. Mr. Nixon represents the thinking of the great American "middle" and as such offers more as a Presidential candidate than either of his opponents.

This country doesn't need more tax and tax and tax, spend and spend and spend, philosophies, as espoused by Mr. Humphrey. It doesn't need more strife and dissension, the hallmark of George Wallace's campaign. It needs a strong foreign policy, firm but not aggressive; it needs to bind its wounds at home with, at the same time, firm application of law and justice to all the people. It needs a practical business approach to halting inflation, now nearing a gallon. In short, of the three candidates, it needs Richard M. Nixon.

Permissiveness for political gain has gone too far, and Mr. Humphrey represents permissiveness in all its weakest forms. Iron-fisted approaches to every facet of individual life, as recommended by Mr. Wallace, must not be given free and reckless rein.

Richard Nixon's even-tempered, fair, intelligent and practical approach is, in our view, the only acceptable one.

Yes, "Nixon's the one," and we hope and believe he'll be marked as "the one" on the morning after election day.

LUBBOCK AVALANCHE JOURNAL

Letter To The Editor

Dear Friends,

Wasn't it great the way the Whirlwinds came from behind and defeated the Lockney Longhorns for the Floyd County championship?

We feel that your outstanding support has been a deciding factor in the Whirlwind victory so far this year.

Won't you continue this support, backing, and enthusiasm by attending the pep rally Friday, October 18 at 3:30 in the gym. Even though this is a non-conference game, let's help the Whirlwinds on to victory. Not only do we want to see you at the pep rally, but also at the game at Lorenzo when the 'Winds add another victory to their record book.

Sara Staniforth, Judy Probasco, Jill Stansell, Alison McLain, Jill Bertrand, Reagan Cagle, Polly Cardinal.

Floydada, Texas
October 14, 1968

Dear Sir:

Have known for long time that you thought a hundred times more of the Tullia Editor than I, but never dreamed that you would let him publish all his radical views in your paper at one time.

The way he ran the Canyon party name all together in small print is very childish and unbecoming to any editor. The poorest peasant or any person, no matter what color or creed, should be treated with more respect in print than that. He must be very jealous of the great popularity of Mrs. Haley and MR. TROY MARTIN.

I believe the public has a lot of respect for Mr. Nixon. It can be well remembered that every time you see two people, (one of them voted for Mr. Nixon) Less than 1 vote in each precinct would have defeated Mr. Kennedy. Did he not forget how near the public demanded the count of the states

of TEXAS & ILLINOIS? In my mind there is no doubt but what that should have been audited or counted over.

Why is there WAR in every Democratic Administration?

Neptune Begins Visits To Texas Cities

Republican land commissioner nominee Millard K. Neptune said this week he would leave Friday (October 18) on the "68 Victory Express" — a bus which will visit 68 Texas cities in 17 days.

Neptune said the bus will depart from Lufkin Friday and will circle the state by November 2. He will be joined on the bus, for several days' campaigning at a time, by several other Republican statewide candidates, including Doug DeCuir, lieutenant governor; Sproesser Wynn, attorney general; Manuel Sanchez III, treasurer; John M. Bennett Jr., comptroller; and E. G. Schuhart II, agriculture commissioner.

Neptune, former senior vice president of Texas Eastern Transmission Corporation and presently a rancher and business consultant, said at a news conference in Austin this week he believes the General Land Office "is stagnant."

He said an "aggressive Land Commissioner could generate millions of dollars more revenue for the Permanent School and University Funds."

Tommy Assiter Returns From Insurance Convention

Denver was "convention city" this week for Tommy Assiter, Southwestern Life Insurance Company representative here. He and his wife have returned from three days in the Mile High City as guests

of Southwestern Life for 1968 company convention. Assiter qualified for the trip by his outstanding insurance sales and service in this area during the past 18 months.

JOHN HOLLUMS PROMOTED TO 1ST. LT.

OGDEN, Utah - John R. Hollums, son of Mr. and Mrs. Duncan Hollums of 300 E. Crockett, Floydada, Tex., has been promoted to first lieutenant in the U.S. Air Force.

High School, the lieutenant attended McMurry College, Abilene, Tex., and Wayland Baptist College, Plainview, Tex. He received his B.S. degree in 1966 from West Texas State University.

Lieutenant Hollums is an aircraft maintenance officer at Hill AFB, Utah. He is assigned to a unit of the Air Force Logistics Command.

A 1961 graduate of Floydada High School, the lieutenant attended McMurry College, Abilene, Tex., and Wayland Baptist College, Plainview, Tex. He received his B.S. degree in 1966 from West Texas State University.

Lieutenant Hollums' wife, Teresa, is the daughter of Mr. and Mrs. G.H. Gay of 629 Woodard, Cleburne, Tex.

Wallace, An Answer?

By Rep. Edwin D. Eshleman (R., Pa.)

Here are four questions to ask yourself about George Wallace: Would you really want George Wallace's finger on the "button"?

Who are Wallace's associates who might become Cabinet officers or other government leaders?

Does Wallace have any program for America beyond the two point speech he uses constantly?

Without sufficient Congressmen from his party serving in Washington, how does Wallace plan to bring about the changes he talks about?

Wallace has no party structure behind him. There is no sign of Congressional candidates or even courthouse candidates included in his American Independent Party campaign. The AIP is not a third party — it is a non-party. It is one man running for the Nation's top job with no officials to back him should he be elected. Our system of government was established with checks and balances so that no one man could seize total power. The American people hardly want a change in that philosophy.

The Wallace record does not reflect his promises. His record as Governor shows fiscal irresponsibility, with budgets up 50 percent and bonded State indebtedness at an all-time high.

His record shows that centralized State power at the expense of local governments was preferred in Wallace Administrations.

His record shows that Alabama took two dollars in Federal funds for every dollar it paid into the Federal Government under Wallace rule.

His record shows that while Wallace was Governor the crime

increase in Alabama was consistently greater than the national rate of increase.

Wallace cannot win nationwide. By voting for Wallace, you are really throwing away your one chance of getting something better for your country.

TEN, SHORT, FATEFUL WORDS

Civilization begins in BONDAGE. Bondage is word #1. And out of bondage comes FAITH in God, word # 2. And with faith in God comes COURAGE, and it comes from no other place. Courage is word #3. And with courage, men acquire their LIBERTY, word #4. And after liberty comes ABUNDANCE, word #5. And then, after abundance, SELFISHNESS, word #6. And after selfishness, COMPLACENCY, word #7. And then after complacency, APATHY, word #8. And after apathy, DEPENDENCY, the 'gimme' stage, word #9. And after that, back to BONDAGE again, word #10. Pat Balfour

LEGAL NOTICE

This is public notice to all concerned that the former partnership, heretofore known as "BAKER FARMS COMPANY," formerly doing business in Reeves and Floyd County, Texas, has, as of on or about July 10, 1967, been dissolved, by transfer of all assets therein by Kevin Baker, and Mary Alice Gonzalez, joined proforma by her husband, Frank Gonzalez, to Stella Baker, a feme sole and former partner in said firm, so that said Stella Baker is now sole owner of all assets of said former partnership. Kevin Baker, Lubbock County, Texas; Mary Alice Gonzalez, joined by her husband, Frank Gonzalez, Lubbock County, Texas; Stella Baker, a feme sole, Lubbock County, Texas, (10-17-1968)

WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!
