Ballot Changes

To Vote In Floyd County

It is estimated that 4,820 persons are qualified to vote in the November 5 election in Floyd county. The official ballot offers the voter the opportunity to vote on three parties in the presidential election, two parties in state elections and one party in county elections... plus "for" or "against" 14 state constitutional amendments.

Clerk Margaret Collier estimated that one half of these were to service men. In the 1964 general election 3,562 Floyd voters went to the polls. A sample ballot appears on page two of this issue of the Hesperian for the convenience of the voter in studying the ballot before going to the polling places. On the ballot appears the presidential candidate of George...

- On this the 8th day of July, A. D. 1968, there came on to be considered the matter of appointment of election judges and clerks to serve for the year 1968, and after due consideration the following were appointed to serve in the various precincts as judges and clerks:
1. SOUTHWEST FLOYDADA, Community Room, First National Bank, R. M. Battey, Presiding Judge; Wilson Mack Fowler, Asso. Judge.
 2. ALLMON, Allmon Gin. Marvin Shurbet, Presiding Judge; Mrs. R. G. Morris, Asso. Judge.
 3. SANDHILL, Sandhill Community Center. Weldon Smith, Presiding Judge; Nelson Wofford, Asso. Judge.
 4. EAST LOCKNEY, City Hall, J. D. Copeland, Presiding Judge; Lloyd Wofford, Asso. Judge.
 5. PROVIDENCE, Providence School, Albert Scheele, Presiding Judge; Mrs. Ewald Quebe, Associate Judge.
 6. LONE STAR, Lone Star Community Center, H. E. Frizzell, Presiding Judge; Mrs. Clyde Farris, Associate Judge.

With the November 5 general election just around the corner and absentee balloting in full swing, it is important for the voter to know everything possible about voting procedures. Certain changes have been made in the ballot to be used in Texas this year that should be carefully noted by all registered Floyd county voters. A clarification of the voting procedures and the newly designed ballot in Texas that should be of interest to all Floyd county voters was received from voting officials in Austin this week.

As possible are familiar with the new ballot prior to entering the voting booth, the explanation and sample form are printed here. The explanation is as follows: Two factors may cause some balloting confusion in the November 5 general election, election officials in Texas forecast this week. The two factors are: 1. An Editorial

For Humphrey And Muskie

The presidential election next Tuesday the voter has choices: Nixon, Humphrey, Wallace, and stay-home. I reject Mr. Wallace because we feel that he would be a King without a kingdom, we feel that he lacks the maturity in many areas of leadership that would be best for our country. However, we do feel that the party that is victorious will realize the impact of some of Mr. Wallace's proposals will apply them to next year's program. When the choice is reduced to Nixon-Agnew or Humphrey-Muskie, a strong case can be made for the Republican ticket on the ground that the Democrats, having promised peace and ended a ghastly war in Vietnam, deserve defeat as a warning against any future issues of such proportions. Neither party, however, is a monolithic entity liable to collective guilt or innocence irrespective of its leadership. Vietnam is a war that Lyndon Johnson inherited, and he has not been eliminated from presidential contention and party leadership. Richard Nixon has been an apostle of military intervention in Vietnam since 1954, when he urged Americanizing the war to save the French. In 1964 he supported the Vietnam policy which Mr. Johnson denounced in order to get elected, and adopted once elected. Four years later, it would be hard to punish Hubert Humphrey for Mr. Johnson's inheritance by electing a man who has always favored the policies which brought about the war. Both candidates now say their first priority would be to end the war. The words of both must be taken with a grain of salt because both are compromised. . . Mr. Humphrey by his

Ward Car Found On Canyon Ledge

Tim Ward's 1968 Ford Torino GT was found balanced on a ledge off a cliff on the Matador Ranch in Motley County Monday, according to local officials. The car, equipped with a two-way police radio, was taken from the drive of the Ward home August 14 between midnight and 4:30 a.m., the time Tim's parents received a threatening telephone call to do bodily harm to him.

Mr. and Mrs. Joy Ward related to officers at that time the person said over the phone "We have taken care of Tim's car, he is next." Sheriff Walter Hollums, one of the investigating officers, said Matador officials called him about noon Monday with reports of the car being found. It was noticed on the ledge by Matador Ranch manager, Jim Cross and ranch hand, Tut Garrett. The car was well hidden, the men said, and they just happened to notice it while riding over a knoll on horseback. Location of the cliff is some six to seven miles southeast of Dougherty. Entrance onto the ranch land with the car would have had to have been through a gate about a mile from the canyon itself.

Hollums said the seat belts in the car had been tied to the steering wheel in order to steer it straight, it was put in gear then evidently driven off the cliff by its own power. It landed on the ledge some 75 to 80 feet below on its top. The upholstery on the car had been ripped to shreds, presumably prior to the plunge. Hollums said the car was a total loss. A wrecker was used to elevate the car from the canyon. It was taken to Matador and placed in storage under lock while the investigation continued.

READY FOR HALLOWEEN! - Karen Turner and Jett Cheek display some of the Halloween decorations in their room at Andrews Ward School, where the Halloween Carnival will be held tonight! (Staff Photo)

Halloween Carnival Tonight At Andrews Ward School

Ghosts and goblins will be everywhere tonight, October 31, to trick and treat but the best place for a treat is at Andrews Ward School where the annual Halloween Carnival will be staged. The affair is for your entertainment and to raise money for projects sponsored by the Andrews Ward Parent-Teachers Association. Committees for the event are urging you and your family, relatives and friends to attend. Come early and eat supper in the cafeteria and stay until activities cease. The school cafeteria opens at 5:30 and will remain open until 8 p.m. Hot dogs, homemade chili, cake and pie, cold drinks and coffee will be served.

Room activities and carnival booths will open at 6:30 and will remain open until 8:30 p.m. The costume contest will be at 7:30 in the music room. Any pre-school or grade school child in costume is eligible to enter. There is no need to register. Prizes will be awarded to the youngster dressed the prettiest, the funniest and the spookiest. Carnival events include the

country store, bingo, cake walk, spook room, wishing well, football, penny toss, wheel of fortune, weight guessing, ring the turkey, fishing and hungry jumbo. All activities will be in the gym with the exception of bingo, which will be played at the south end of the hallway; and the spook room which will be in the teachers lounge. The country store will be located west of the gym. Tickets for various events may be purchased in the hall or in the gym.

Campaign Leaders Plan For Nixon's Arrival

A meeting at the Top of the Plains Restaurant in Lubbock was held Sunday to plan for the arrival this Friday of Mr. Richard Nixon. Campaign leaders from several South Plains counties were present. Attend-

ing from Floyd County were John Farris, Floyd County Republican Party Chairman and Mrs. Louise Turner, Floyd County Nixon Campaign Chairman. Charles Fagan, a member of the National Campaign Staff

presided over the meeting. Nixon will arrive at the Municipal Air Terminal at 2:30 p.m. Friday. Traveling with him will be his wife, Pat, their two daughters, and future son-in-law. SEE NIXON PAGE 2

Local VFW Sponsors "Freedom's Challenge"

Floydada's VFW organization will again sponsor the "Freedom's Challenge" oratorical contest for students in the Floydada High School. The high school speech teacher, Miss Perry, will enroll all contestants and aid in the

contest. Registration for the contest begins November 5 and the deadline is December 9. Eligibility includes grades 9, 11 and 12; judging will be by high school teachers. The best speeches will be re-

corded and forwarded to the national contest. The VFW will give a \$25.00 savings bond to the local winner. Judging will be based as follows: content 45%, originality SEE VFW PAGE 2

Olton Next!

The big one...the football game between league leading Olton and upcoming Floydada is set for Friday night in Olton. Kickoff time is 7:30. Tickets are now on sale at the Floydada high school. Tickets cost \$1.25 for adults and 50¢ for students. They are not for reserved seats, but they mean you won't have to stand in the cotton pickin' line when you get to Olton Friday night. Now, back to the big game... Olton is undefeated with a coveted 7-0 record. Floydada goes into the game with a 6-1 record. Floydada will play the role of the giant killer, if it can sack this one up.

Olton had no trouble in blasting Lockney 35-0 last week, while Floydada surprised the big Friona Chiefs 21-8. The Olton team is not as heavy as Friona on the line, they just average 180, but they're almost all veterans. . . district winners last year. All of the offensive team are seniors and nine of the defensive team. Olton backs Charles McLain, Kenneth Johnson and Benny Akin are in the top seven scorers of the district; McLain 70

points, Johnson 42, and Akin 37. Olton's Johnny Lewis is one of the outstanding quarterbacks of the district and he weighs 160. Akin is a hard running back and weighs 198. McLain weighs 177 and Johnson weighs 183. Both Olton and Floydada have shown good defensive units with 34 points scored against Olton and 50 against Floydada. Whirlwind coach L. G. Wilson reports that Floydada is ready for the game, very few injuries and working hard this week to be at tip top condition. The Whirlwind starting offensive team for the Olton game includes: ends Todd Wester and Andy Hale, tackles Dale Baker, Bill Finley or Ed Warren, guards Jody James and George Quisenberry, center Steve Pierce, quarterback Jack Gregory, tailback Steve Puckett and full back Steve Craig. The defensive team includes ends Gale Campbell and Mark Weems, tackles Steve Pierce and Glen Switzer, corner line backers Connie Bearden and Wester, inside linebackers Stan Pierce and Mike Burk, defensive halfbacks Steve Puckett and Bob Marler, safety Tim Rose.

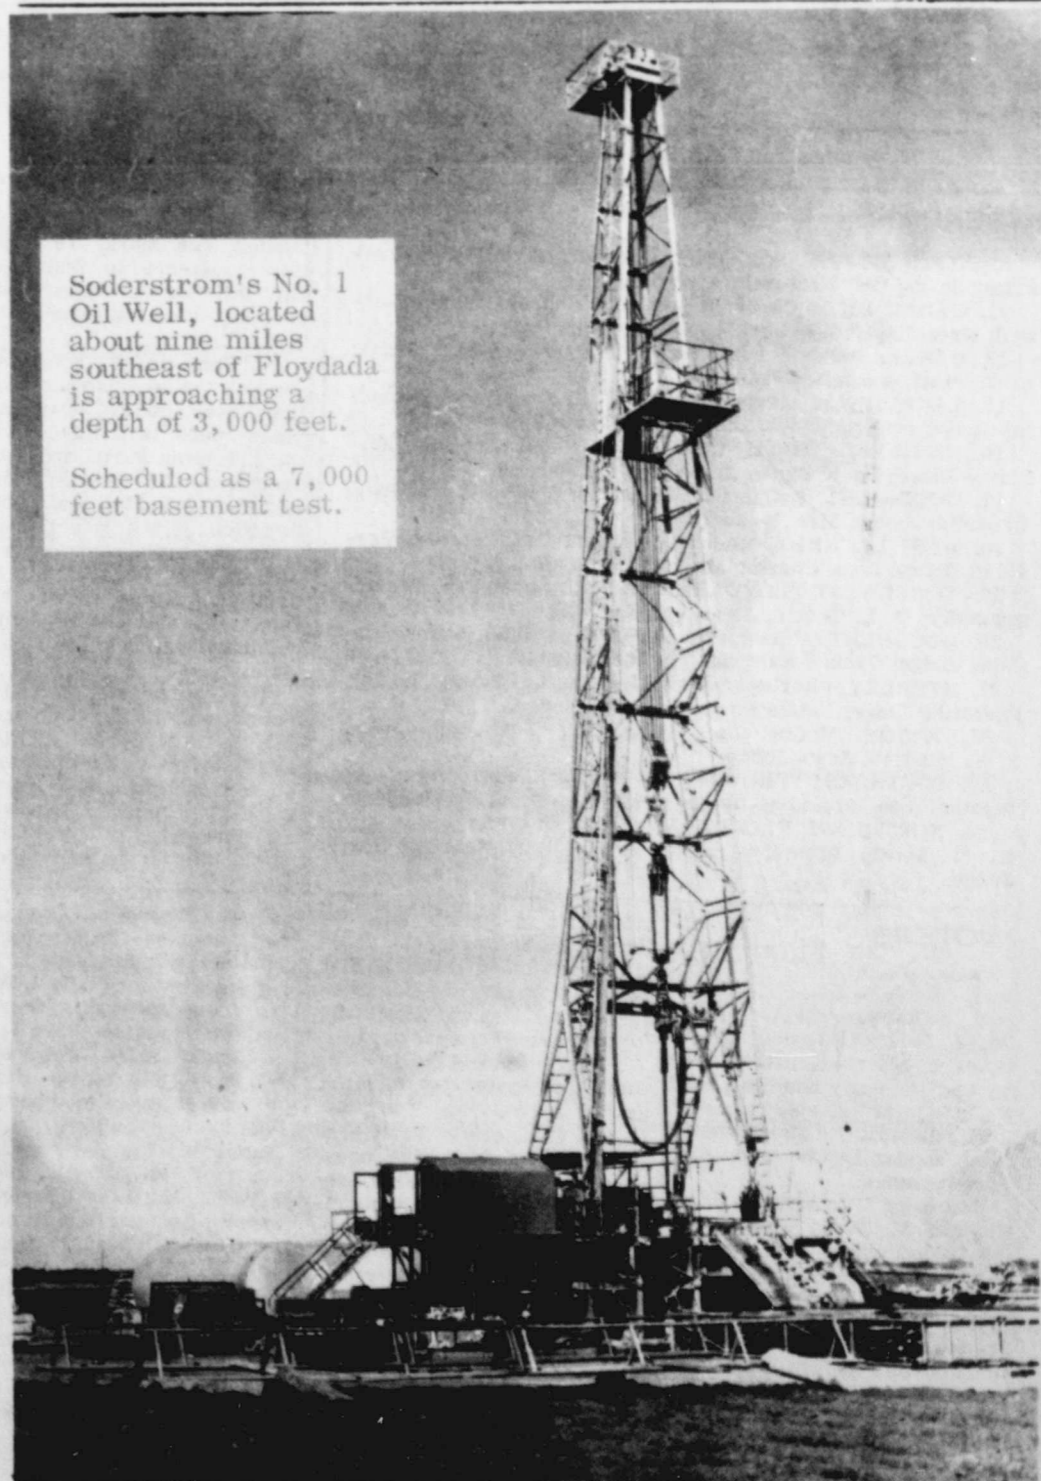

Caprock Chat

THERE'S A LOT OF excitement in store for everyone who likes to see some fast horses and some good riders at the Pony Express contest at our rodeo grounds Sunday. Think the big event starts at 1 p.m. and there is a possibility that as many as eight teams from area towns will compete. This is one of the new sports that has just recently developed in this area of Texas.

RECEIVED an interesting letter from one of our Floyd County boys, who is in college this week. Thought I would share some of it with you. "In the past I have been like a disturbing number of college-aged voters, apathetic to the entire election.

Vice president Humphrey had been my third (before the death of Robert Kennedy) choice for the Democratic nominee. Finally I did realize, as I hope more will before election day, that politics does not always give the voter the alternatives he desires....yet the choice between Mr. Humphrey and Mr.

GENERAL ELECTION
FLOYD COUNTY, TEXAS

November 5, 1968

SAMPLE OFFICIAL BALLOT

INSTRUCTION NOTE:

Vote for the candidate of your choice in each race by placing an X in the square beside the candidate's name. You may vote a straight ticket (that is, vote for all the candidates of a certain party, and for no candidates outside that party's column) by placing an X in the square beside the name of the party of your choice at the head of the party column. (If you use this straight-ticket method of marking, do not mark squares beside the names of individual candidates.)

How To Vote A Straight Ticket or A Split Ticket

To vote a "straight party" ticket, mark an "X" in one, and only one, of the boxes on the ballot's top line:

Form showing boxes for PARTY A, PARTY B, and PARTY C with arrows pointing to them.

To vote a "split ticket" do not mark any box on the top line. Instead, mark "X's" in the boxes at the side of the individual candidates of your choice:

Election Ballot Change May Confuse Some Voters

Two factors may cause some balloting confusion in the November 5 general election, election officials in Texas forecast this week.

The two factors are: 1. A new State law has inserted a new top line on the paper ballots so that persons desiring to vote a "straight party ticket" may do so by making one mark. This new

line is expected to confuse not only the "straight ticket" voters, but also the "split ticket" voters.

2. "Split ticket" voters are expected to be more numerous than ever before, especially since there is a third party, the American Party, and it has candidates for only President and Vice-President and no other offices.

Voters are cautioned to be certain that their ballots are properly marked so that their intentions will not be subject to interpretation by election officials.

The "scratch" method of voting, which some people prefer, is still permitted. However, voters using this method are cautioned to be certain to mark through all names in all three party columns for which they do not wish to vote.

PROPOSED CONSTITUTIONAL AMENDMENTS

Instruction Note: Place an X in the square beside the statement indicating the way you wish to vote.

Table with columns for No., FOR, AGAINST, and the text of 14 proposed constitutional amendments.

Here is a preview of the 1968 General and Presidential Election scheduled Nov. 5. Although the election is still five days away, the Hesperian presents this balloting preview in an attempt to acquaint voters with the "new look" of the official ballot being used for the first time in Texas elections this year.

Voters are requested to study the ballot prior to going to the polls on Nov. 5 in order to prevent confusion at the ballot box on election day. The ballot shown here is reproduced actual size and shows all offices to be decided in the voting. It describes how to use the new ballot.

FOR THE FIRST TIME Floyd County voters have the opportunity to vote for a governor of the state of Texas from our area. Preston Smith is by far the best choice for governor. . . Ben Barnes deserves our vote as Lt. Governor.

Both men have visited the people of our community, both men are interested in better law and order for our state and progress for the small town.

WHERE IS THE best presidential material? I suppose if I could vote for a man of experience and integrity, a man in which I have great faith, it would be for Congressman George Mahon. Here's a man for whom I could vote. . . and feel REAL GOOD.

THERE WERE TWO similarities in the Floydada game Friday night and the Tech game Saturday afternoon. Both SMU and Floydada won their games with passing attacks.

Floydada and SMU didn't put much on the statistic record via rushing, but they chalked it up in the air.

Well, I saw Tech beat Texas, and saw them lose to SMU . . . both times I was part of a record breaking crowd of over 50,000. We can all appreciate Texas Tech for bringing big time football to this area, and the great demand for tickets now at the home games indicates a growing interest.

Grady Walker did his best to get tickets to the SMU-Tech game last week. Even pleaded with coach J. T. King, as a last resort told the Tech athletic officials that he was the brother of Ransom Walker, one of Tech's Hall of Famers. . . still no tickets. Think they did offer to get him tickets to get in for maybe a seat on the grass.

Well, while we're on the subject of football, I want to urge everyone to follow the Whirlwinds to Olton Friday night for the big game. Winning this one would put us mighty close to the conference championship.

I figure our boys are going to play heads up football, as they did against Friona last week, and we'll beat Olton 14-13.

I WROTE A FEATURE last week about the vegetable crops of Mt. Blanco, and now after having tasted some of the vegetables, I suppose I could write a much better story. Thanks to Earl Crawford for the delicious samples of the tomatoes, cabbage, onions, and peppers grown on his land.

JUST ONE VOTE! Important! You bet it is! Thomas Jefferson was elected by one vote. The 1824 election was thrown into the House of Representatives. John Quincy Adams was deadlocked with Andrew Jackson and Virginia's William H. Crawford. Then General Stephen Van Rensselaer of Troy, N.Y., elected John Quincy Adams President of the United States by just ONE VOTE.

California, Idaho, Oregon, Texas and the state of Washington gained statehood by just ONE VOTE.

President John F. Kennedy won the presidency by less than one-tenth of one percent of the voters. He was elected by fewer voters - 136,000 - than the population of Bridgeport, Connecticut. (Submitted by local VFW)

"WHERE DOES FLOYDADA go from here?" was the subject of a very interesting talk by Pioneer Natural Gas' Bob Mills at Rotary yesterday. The future of Floydada depends upon its people, according to Bob. . . there are people who lift, and there are people who lean. Floydada must have more lifters than leaners if we are to grow and progress. Thanks, Bob, for a very good message.

THERE'S ONE TREND in football this year that I think I should mention at this time. Hale Center, Lockney, Floydada, Tech, and Friona lost their homecoming games. Friday night is Olton's homecoming. . . so, man, here's hoping!

Nixon, if failing to present a clear-cut choice of issues and methods. I made my decision to support the continuation of Democratic leadership that has been, and will continue to be, good for my family, my county, my state, and my country."

A LOYALTY that developed back in 1933 compels me to stay with the Democratic party. I can well remember the depression days when there was very little money, the bank went busted with our last \$100 gone. It was the Democratic party that saved our livelihood as farmers.

Through the years we have seen a pattern of a Democratic party that was interested in the farmer. . . the needy. . . and the hungry. The Democratic party has a compassion for people.

Looking at the six candidates for president and vice president, I have an opinion that they are all sorta mediocre, and if I were voting for the man, I believe that Edmund Muskie is possibly the best presidential material. However, when the convention smoke cleared, it wasn't just like I wanted it, so I must rely on the record of the party.

True, the Democratic party has given money to people and countries who didn't deserve it. . . there are weaknesses in all government efforts to help people in need. We all agree that able bodied persons should work for their living, and doubtless many undeserving people have received welfare payments. True, people in the big cities have crime and violence problems and the Democratic party will clamp down on this. True, we haven't found the answer in Vietnam. The fact is, that whoever becomes the new president, he'll also be unpopular within three months if the war isn't settled.

So, it's a known fact that we (both businessmen and farmers) if we are to survive in this little agriculture community, must have a party in control that believes in the farmer and the future of agriculture. . . and very simply it is the Democratic party that has stayed with the farmer.

WE JOIN WITH the local VFW and American Legion in their efforts to have 100 flags flying in Floydada on November 11. If you don't have a flag, they're on sale at Brown Rexall Pharmacy.

I HAVEN'T ATTEMPTED to write an editorial on how to vote on the 14 constitutional amendments, but I do feel very strongly on number 12. If there is a future for Floydada to grow, it must have more than agriculture. . . IT MUST HAVE INDUSTRY. A vote FOR Amendment No. 12, is a vote that will allow the small town an opportunity to entice industry through a bond vote plan.

If you have any belief or hope for our town and community, please vote for this amendment.

AND I WANT to say a word of support for Representative Ralph Wayne, who seeks re-election. He has been Floydada's and Floyd County's friend in so many ways. I believe Ralph to be a very good man, I believe he will continue to devote his best efforts to represent us in the state capitol.

Willie Wirehand NOTES

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

At the Association of Home Appliance Manufacturers national meeting in Denver last week, we were told that there are 900 million appliances in America.

Twenty-four million major appliances and 127 million portable appliances are manufactured each year to keep up with the growing population. Said another way, this means 630 new appliances are produced each minute.

Even at this rate manufacturers have difficulty keeping up the supply to meet the demand.

Our population will reach 235 million in 1980. Using an average of 4 people per family, this means there will be a need for 59 million homes or dwellings with appliances.

Appliance manufacturers must constantly work to meet the appliance demands for new families as well as to have a supply for replacement of old appliances.

Although the cost of everything seems to continually rise, this has not been the case with appliances. A refrigerator, for example, will cost you less than it would have 15 years ago. You probably paid \$40 per cubic foot for the old refrigerator and would pay \$25 per cubic foot now. This is partially due to using lower cost materials and using machinery in construction rather than manpower.

Lower cost materials in most cases have made a better product. Many parts previously made of steel and copper are now made of aluminum and plastic. Consumers buy larger appliances now. Again using a refrigerator as an example, we learn that consumers have steadily bought 1/3 cubic foot more space per year. This would mean that the refrigerator or freezer bought this year as a replacement for the 15 year old appliance will probably be 5 cubic feet larger than the old appliance.

Referring back to the cost, if your 15 year old refrigerator was a 12 cubic foot model, it cost you about \$480. Your replacement will probably be 17 cubic feet and cost about \$425.00 and will probably be frost-free and have an automatic ice maker.

We also learned that daily laundry loads total 50,000 tons. This is a pretty conservative

estimate in the opinion of most homemakers! Perhaps your husband will disagree, but the figures are based on a survey of 678 mothers across the U.S.

Other interesting notes—66% of our homemakers hang their clothes on the line to dry. If you are needing new laundry equipment or a refrigerator or freezer, we hope you can use the above figures effectively in your campaign.

If you haven't tried a fresh coconut cake, you just don't know what you have missed. Using the blender, grate the coconut.

Pierce three holes in the end of coconut and drain out juice. Heat the coconut in 350 degree oven for 30 minutes. Break shell with hammer. The meat loosens easily from hull. Cool and pare off brown skin. Cut coconut into small cubes. Put 1/4 cup coconut juice in blender container. Add about 1/2 cup coconut. Run blender a few seconds, continue adding coconut, running after each addition. Add more juice if consistency is too dry. Stir with a small spatula between runnings if necessary. When container is half full, empty and start over. Water may be substituted for juice.

FRESH COCONUT CAKE
1 cup shortening
2 cups sugar
1/2 cup coconut juice
1/2 cup sweet milk
3 1/2 cups flour
2 1/2 teaspoons baking powder
6 egg whites, beaten

Cream shortening and sugar until well blended and fluffy. Sift flour and baking powder together. Add to sugar shortening mixture, alternately with coconut juice and milk. Fold in stiffly beaten egg whites.

KING
3/4 cup coconut juice
1 rounded tablespoon flour
1 cup cream or evaporated milk
1 egg, beaten
1 cup coconut
1 teaspoon vanilla
1 tablespoon butter
1/4 teaspoon salt
1 cup sugar

Combine juice, cream, flour and egg. Add remaining ingredients except vanilla and bring to a boil. Stir constantly until thickened. Add vanilla and spread when cooled.

****If the coconut is dry, save juice to use in the icing and substitute milk for the 1/2 cup juice in the recipe.

OBITUARIES

Mrs. James

Mrs. Molly C. James, 85 year old mother of Mrs. Eddie King of Floydada, was buried in Quilataque Cemetery Tuesday following funeral rites in the Assembly of God Church in Floydada. Joe Stone officiated.

Mrs. Jones, a resident of the convalescent home in Floydada for the past few months, died in Caprock Hospital Monday morning.

She was born Aug. 28, 1883 in Clay County and was married to Alfred A. James in 1902 in Silvertown, where the family lived a number of years. He died in 1957.

Survivors include two sons, Alfred R. of Amarillo and Bennie T. of Pinon, N. M.; four daughters, Mrs. Frank Reynolds, Alamogordo, N.M., Mrs. Vernon Powell, Barnsdall, Okla., Mrs. Novell Payne of Sulphur, Okla., and Mrs. King of Floydada; two brothers, Amos McCracken, who resides in the convalescent home in Floydada and Elbert McCracken of Arkansas; three sisters, Mrs. W. W. Reid of Silvertown, Mrs. Asenta Treece of Kansas and Mrs. Olivia Britt of California; 29 grandchildren; 48 great grandchildren and three great great grandchildren.

Moore-Rose Funeral Home was in charge of arrangements.

W. B. Lindley

Funeral rites for W. B. Lindley, 80, were held Sunday afternoon in the New Salem Primitive Baptist Church in Floydada. Lindley died in Caprock Hospital at 4:50 a.m. Saturday following a lengthy illness.

He was born Nov. 25, 1887 in Kansas and moved to Colorado, Texas in 1892. He moved to Haskell County in 1913 and married the following year to Addie Leona Burrow. The family moved to Floydada in March of 1953.

Survivors include his wife; daughters, Mrs. J. W. Hamilton, Mrs. J. D. White, Dallas, Mrs. Louis Wichita Falls, Mrs. Jim Well, Mrs. John Campbell, Mrs. Travis Lightfoot, all of Floydada; one son, N. H. Lindley, Wichita Falls; 32 grandchildren and 13 great grandchildren.

Elder Joe Jackson of Cone officiated at rites and was assisted by Elder Charlie Jarrett of Floydada.

Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home. Pallbearers were grandsons; Billy Carmack, Kenneth Lightfoot, Edwin Stewart, Wayne Rick, Horace Lindley and Leon Lindley.

Mrs. J. R. Brown

Mrs. J. R. Brown, 92 year old former Sandhill resident, was buried yesterday in Flomot Cemetery following funeral rites at the First Methodist Church in Lockney. Mrs. Brown died Monday in the Lamesa Convalescent Home. She was the mother of the late Miss Nellie Brown, Lockney school teacher, and Vert Brown.

She was born May 4, 1876 and moved to Floyd County in 1926.

Survivors include two grandsons, Eddie Brown of Lamesa, son-in-law of Mr. and Mrs. Zollie Burgett of Floydada, and Dale Brown of Brownwood.

Col. Golden

Funeral rites were held last Thursday in Amarillo for Col. Elden W. Golden, 40, son of Mr. and Mrs. N. O. Golden, former Floydada residents, and grandson of Mr. and Mrs. W. H. Furrow of Floydada.

Col. Golden was killed Oct. 12 in an airplane crash in Iran where he was stationed in the Air Force as a pilot. He was a native of Amarillo.

Funeral rites were held in the San Jacinto Church of the Nazarene with Rev. Bill Dorough officiating. Burial was in Memorial Park Cemetery in Amarillo.

FORE!

The Romans played a game like golf—with a bent stick. In the early 1800's, wooden clubs were hand-made at select golf courses.

Survivors other than the parents and grandparents are his wife and two children.

Attending the funeral from Floydada other than the grandparents were Mr. and Mrs. Leon Ferguson, Mr. and Mrs. Ferguson and Mr. and Mrs. Mack Hickerson.

Mrs. Hampton

Funeral rites for Mrs. Pearl Morgan Hampton, 77, sister of Mrs. Robert Medien of Floydada, were held last week in the North Funeral Home Chapel in Abilene. Mrs. Hampton died October 22 in Rosewood Nursing Home in Abilene where she had lived the past two years.

Survivors include three daughters; two sons; three grandchildren; two brothers, Roy B. Morgan of Fort Worth and Britt F. Morgan of Ponca City, Okla.; and two sisters, Mrs. Anna Shockley of Glendale, Calif., and Mrs. Medien of Floydada.

E.F. Jarrett

Funeral rites for E. F. Jarrett, 78 year old brother of Chick Jarrett of Floydada, were held yesterday in the First Baptist Church in Clarksville. Jarrett died at 8 a.m. Monday in Clarksville where he was born and reared.

Burial was in Lane Chapel Cemetery at Clarksville.

Local Teachers Urge Approval Of Amendment 9

In order to attract young people to the teaching profession, Texas voters are urged to mark their ballots in favor of Amendment IX.

To help retain those already in it, who wish for a reasonable degree of security, Amendment IX should be voted on affirmatively. Education officials in Texas point out that this amendment would simply enable teachers to invest their savings regularly in the teacher retirement system on the basis of their full salaries.

Teacher groups throughout the state are pointing to the fact that it is easier to attract, and to retain, teachers in the public schools when they are enabled to have a part in making their own future secure.

FLIRTY THIRTIES

The Flirty Thirties are back in fashion, no doubt influenced by the highly publicized movie "Funny Girl." In fact you'll see the return of the Garbo slouch hat, the Clara Bow beret, the Jean Harlow cloche

and the Baby Snooks bonnet, too.

It's all part of getting back to the feminine look, thank goodness. Soft silhouettes with revealing lines are great to see again, particularly in bias-cut dresses of matte jersey and satin-back crepe.

Miss Brooks In Job Training

ASTORIA, OREGON—Irene Brooks, daughter of Catherine Brooks, Floydada, is receiving on-the-job training at Tillamook General Hospital, Tillamook, Oregon, after completing a course in health occupations (nurse aide) at Tongue Point Job Corps center here.

The off-center training provides practice of the skills learned in the Job Corps, for a two-to-four week period under actual employment conditions, prior to graduation from the center.

Corpswomen engaged in extension training program draw no compensation from their "employers" but receive their regular Job Corps pay and allowances, and the center provides housing arrangements. At the conclusion of the training period they return to Tongue Point with an evaluation of their performance and may either be given additional schooling or graduated.

Most of the graduates return to their home areas to seek employment.

Ring Vows Read For Reed, Randy Bertrand

Following the wedding a reception honoring the couple was held in Fellowship Hall. Misses Dwala Boone and Diana Gregory, Lubbock, and Cynthia Parrish of Sudan were at the bride's table. Miss Cynthia Williams registered wedding guests.

The bride's table was laid with a white lace cloth over yellow. The cloth was brought from Germany by the bride's uncle and aunt, Mr. and Mrs. Udell Cunningham of Denver, Colo. The bride's bouquet and those of the attendants, and a three-tiered wedding cake, topped with a miniature bride and groom, graced the serving table.

Other members of the house-party were Mrs. M. A. Barton, Mrs. L. B. Stewart Jr., Mrs. Mike McNeese and Miss Debbie Locke, Floydada; and Mrs. James Morris of Aiken.

For traveling to Ruidoso, New Mexico, the bride changed to a grey wool dress trimmed with a mock fur band around the neck and hem. She wore black accessories and a corsage from her bridal bouquet.

Prior to her marriage the bride was employed by American Airlines in Dallas. Her husband just recently returned from a tour of duty in Vietnam with the Army.

Both are graduates of Floydada High School and she is a graduate of South Plains Junior College.

The couple will make their home southeast of Floydada where the bridegroom is engaged in farming with his father.

Mr. and Mrs. Bertrand were hosts for the rehearsal supper held Friday night at Roger's Restaurant.

Caprock District Women's Clubs Adopt Girlstown U.S.A. Project

Approval of the adoption of Girlstown U.S.A. as a district project was made recently at the ninth annual fall board meeting of Caprock District, Texas Federation of Women's Clubs held in Friona.

Clubwomen were urged to support Girlstown U.S.A. in many ways and to assist the district project by donating money to be used in a landscaping project at the Whiteface location.

Presiding over various portions of the program were Mrs. Lane Decker of Floydada, Caprock District president; Mrs. LeRoy Johnson of Morton, first vice president; Mrs. O. C. Ramey of Silverton, second vice president; and Mrs. Harold Green of Tahoka, third vice president.

Plans for a Clinic to be held beginning at 10 a.m. Nov. 16 in First Methodist Church in Tahoka were announced. Four of the federation departments are to be featured at the Clinic, with the various district department and division chairmen to take part in the program. A fifty-cent registration fee will be charged, and both junior and senior clubwomen are invited to attend. The other four departments in federation will be featured at a Clinic to be held next year.

A reporting workshop will be held for senior clubs about the middle of January, probably in Lubbock. The Caprock District Junior Clubs voted to hold their reporting workshop in Lubbock on Saturday, January 11.

It was announced that Mrs. Henry Shaper of San Antonio, president of the Texas Federation of Women's Club, recently had undergone surgery and would be unable to fulfill her schedule of visits in Caprock District. She was to have been in Floydada November 5.

Appointed to the Caprock District nominating committee were Mrs. C. A. Lacy of O'Donnell, chairman, Mrs. Tillman Jones of Post and Mrs. Eugene Jones, president of the Woman's Club of Plainview.

A change in the rules for the Community Improvement Contest sponsored by the General Federation of Women's Clubs and the Sears-Roebuck Foundation now provides that districts who are 100 per cent in entering the program can earn \$50 awards.

The General Federation of Women's Clubs will hold its annual convention in San Antonio in the summer of 1970, and each district has been notified for part of the expense and decorations for the convention.

Mrs. Sammie Robertson of Seminole, Caprock District Junior Director, presided at the Junior Conference. Eight junior clubs were represented at the meeting, and were reminded that their donations to the Junior Director's expense fund are now past due.

Mrs. A. T. Cocanougher of Lubbock was presented as a new life member of the Texas Federation of Women's Clubs.

Girl Scout Troop 181 Has Candlelight Ceremony

Girl Scout Troop 181 held the traditional Candlelight Ceremony to officially begin the Scout year at the Community Room in the First National Bank Tuesday afternoon, October 22. The ceremony included the investiture of new girls into the Scout program, the re-dedication of girls already familiar with Scouts, the installation of Patrol Leaders and the Court of Awards.

Mrs. John A. Welch, Troop Leader, introduced to the parents and friends attending, her Assistant Leaders, Mrs. Jackie Myrick and Mrs. David Kirk. She also recognized Mrs. Kinder Farris, Neighborhood Chairman, and presented the Committee Chairmen as follows: Refreshment Chairman, Mrs. Lavon Williams; Transportation Chairman, Mrs. James N. Smith; and Telephone Committee, Mrs. Carmel Eastham.

Julie Jones, Anita Smith, Susie Towler, Brenda Vickers, and Jodie Eastham received their Girl Scout and World Association pins after they were initiated into the Scout program. Revis Chandler, Billie Sue Christian, Elizabeth Farris, Shawn Higgins, Kristi Kirk, Julie Poage, Diana Romero, Jimmie Kay Sales, Tammy Tyler, Connie Welch, Sharon Williams, LaTrece Winn and Joy Parvin re-dedicated themselves by repeating the Girl Scout Promise and saying the Laws as candles were lighted.

The Mean Green Patrol Leader, Revis Chandler, was presented with the gold Patrol cord by the Assistant Leader, LaTrece Winn. Kristi Kirk, Patrol Leader of the Whirlwind Patrol, received her cord from the Assistant Leader, Billie Sue Christian. Breezer Patrick Leader, Jodie Eastham, had the cord pinned on her shoulder by Connie Welch, acting as Assistant Leader. Troop Treasurer, Julie Poage, and Troop Scribe, Tammy Tyler, was introduced.

Badges earned during the summer were presented at the Court of Awards, Water Fun was earned by Billie Sue Christian, Julie Poage, Jimmie Kay Sales, Tammy Tyler, Connie Welch, LaTrece Winn, Kristi Kirk, Revis Chandler, Elizabeth Farris and Sharon Williams. The Housekeeper Badge was given to Sharon Williams, LaTrece Winn and Elizabeth Farris; the Sewing Badge to Kristi Kirk and Julie Poage; the Dabbler Badge to Sharon Williams and the Gypsy Badge to Elizabeth Farris.

To end the program, "Girls Scouts Together" was sung and slides that were taken last spring at Camp Rio Blanco were shown. Plans were discussed for Troop 181 to attend the "Junior Happening," Nov. 2, at Camp Rio Blanco.

Sandra Marler Honored With Bridal Shower

Miss Sandra Marler, bride-elect of Larry Frysinger, was feted last Saturday afternoon with a bridal shower in the home of Mrs. Alma Holmes.

In the receiving line with the honoree was her mother, Mrs. Orville Marler of Floydada and mother of the prospective bridegroom, Mrs. Ace Frysinger of Tipton, Okla.

Mrs. J. M. Willson III reg-

Hostesses for the occasion will be Mrs. Tom Moore and Mrs. L. G. Wilson of the 1950 Club; Mrs. Ralph Johnston and Mrs. Doyle Mount of the 1934 Club; and Mrs. Kraig Gallimore and Mrs. Gary Carthel of the 1956 Study Club.

Mrs. Allen Bingham is program leader.

Hostesses for the shower were Mmes. Levis Gilliland, Jimmy Vickers, Duncan Holiums, Leonard Matsler, Keith Buhman, Ronald Evans, Alma Holmes, J. M. Willson III, Charles Holmes, Alva Sparks and Mrs. Buck Marriclie.

Their gift was club aluminum cookware.

BEAT OLTON

BOY, I asked for it and got it. A big load of caliche up and down my road, and is it ever looking nice. I understand the roads in the north section of town are passable now after about a month of work there. The four lane highway out of Floydada east was open for traffic both ways Tuesday.

DON'T forget the Halloween Carnival tonight at Andrews Ward School. It's a wonderful way to spend an evening with your children and at the same time help the PTA.

SEEMS the Dallas Cowboys found out Monday night the Green Bay Packers are not really dead. Guess they had been waiting all season for the Cowboys. I always have to mention football in my column because it is my favorite sport. Regardless if it is yours or not, try and go out on a Tuesday and Thursday evening and see the future Whirlwinds play. These boys, as well as the "big greens" need the support of local fans. The pep rallies are really paying off. Weren't our "Winds fired up Friday night?" Their spirit was sky high as was the fans. I believe the "Winds can take Olton Friday night on their own field, especially if they play headsup football like last Friday night. There wasn't a teammate loafing and that's what it takes to win a game.

GET out and vote next Tuesday. The best protest is the ballot. The worst is the bullet. America was founded on the former, it will not die of the latter. Whatever small blemishes there may be upon its image, the face of this nation is still, now and forever, "America the beautiful." God bless it.

IF your next income tax form is red, white and blue it may be because you are mistake prone. The government will print more than 30 million tri-colored Forms 1040 next year - red-lettering in places on the form where most of the mistakes are made, blue lettering on the rest of the form. And all against a white background. Some taxpayers will get these. While others will get the old style form. I wonder if the white and blue are to make us happier when we sign our forms along with signing our check?

Letter To The Editor

Floydada, Texas
October 25, 1968

Dear Mr. Tooley,
Please allow me to correct a statement made in an article in last week's paper.
Kenneth and I are not presently leaders of the Floydada 4-H Club. We, along with Mr. and Mrs. Robert Copelin, and Mr. and Mrs. James Ed Russell, have been nominated to succeed Mrs. James Lovell, and two of these couples will be leaders for the coming year, beginning January 1.
Mrs. Lovell has resigned after having been leader of the club for several years, in fact, I believe, since its organization. It would certainly be unfair for anyone to take credit for the many, many hours she has spent making the club what it is.
Thank you,
Mrs. Kenneth Willis

Dear Editor:
A TRADE SCHOOL FOR FLOYDADA?
My imagination is very limited and I am in a manner of speaking an outsider, but I can see Della Plains and the surrounding area as a bee hive of educational activity where minimum emphasis is put on formal education and the maximum on basic skills and the ability to read directions.
In this fast changing world where knowledge is doubling every few years, consider the plight of those who cannot compete (in the first place).
What a wonderful start has been made to tone up the community with the improved streets. I can see the old school building converted into a machine and tool shop where men can be taught to repair anything from an alarm clock to a bulldozer, and equipped with adequate tools to perform the task. I can see the grounds well kept with play ground equipment for children of all ages.
As for Della Plains school plant proper, we have a natural for teaching night classes, woodcraft, upholstery and a multitude of other crafts. In the summer time I can see the labor force mobilized in public school buses to farm jobs all over the area and the small children cared for in a nursery.
I can see enough food processed and stored cooperatively to feed an army. I can see yards well kept, free of old car bodies, and homes painted and neat. Where citizens walk with pride. Food, in season needs to flow through the neighborhood center where people can pick up what they want at cost.
How is all this to come about? It is easier than you think. There are people of good will in this community willing to instruct in almost any skilled trade, and there are people who want to learn. It is as simple as that; just get the two together.
There are enough appliances, old furniture needing repair, lawn mowers that won't mow, stuff stored in garages and old buildings that if put in condition would raise the living standards of low income people immensely. You undoubtedly could contribute valuable suggestions for our community action center. If you can, please do.
We are not bashful; we'll tell you what we need as long as Mr. Tooley will print it. Right now we need a refrigerator to keep milk for nursery children.

Sincerely,
Sid Thomas

Dear Mr. Tooley:
Politics is a touchy subject nowadays, as is always the case when Election Day draws near during a Presidential Election year. Combine an already dissatisfied citizen with this year's unusual three-party election, and the tense situation here and throughout the world, and you see the reason we are worried. Worried people are easily irritated. Fortunately, most of us don't feel personally challenged when someone states an opinion different from our own. We are ALL granted the opportunities stated in the Bill of Rights, ALL of us should be protected by the Constitution. Most important, ALL of us, if we wish to keep our rights and our protection under the Constitution, must guard against their mis-use.
It should be clear to everyone, by now, that these freedoms we have fought to preserve are being used against us by several well-organized groups who seek only to destroy those very freedoms by which they have been allowed to operate. They throw bricks at policemen, and eggs at candidates; then cry for "peace." They speak endlessly about "love", and endlessly demonstrate their hate. This must be stopped - Firmly, completely, and NOW.
I believe Richard Nixon will do that, and is, in fact, the only candidate who can. To those who disagree, I say, "PROTECT that RIGHT to disagree on November 5; not by throwing bricks, but by casting votes."

Sincerely,
s/ Louise Turner
Mrs. Louise Turner

Dear Parents and Friends,
There's nothing greater than spirit to boost a football team to the highest. That is exactly what there is at Floydada High. The spirit is great and likewise the pep rally was excellent last week. Our record is 6-1 and this week we play the Olton Mustangs. Olton is top team in our District at present, but we believe Floydada can beat them with the help of each Whirlwind supporter.
Won't YOU come to the pep rally Friday at 3:30? We need your attendance, your applause, and your confidence. This seems to be the year of "Homecoming Spoiler". Let's be one!
See you Friday at pep rally,
Sara Stanforth, Jill Stansell, Judy Probasco, Jill Bertrand, Reagan Cagle, Alison McLain, Polly Cardinal.

FLOYD PHILOSOPHER
Lists Some Of The Drawbacks Looming In Luxury Rocketing In Space

Editor's note: The Floyd Philosopher on his Johnson grass farm has a few reflections on space travel this week.

Dear editor:
I was out here on this Johnson grass farm looking at the moon one night while the three astronauts were flying around up there and wondering what if America had been as barren as the moon, would anybody still celebrate Columbus Day, when I stumbled on a newspaper, caught myself just before I fell, and brought it to the house.
On the inside was a long article on life inside a space capsule. Since there is no gravity out there, the article pointed out, things not tied down just float around in the space ship, consequently the astronauts for example can't shave. If they did, the whiskers would float around, probably I guess getting in the oatmeal.
I got to thinking about this in connection with man's future in space.
Say we get to the point where the moon is conquered, somebody opens up a hotel on it, Onassis buys up the rocket fleet, and the jet set prepares to rocket up for a lavish weekend, both by Congress and the Executive Branch of the Federal Government, to make sure the program is adequately financed. Congress has been scrupulous in providing in advance for full financing of all improvements in social security.
"To further assure that the system remains sound, its financing is reviewed periodically by independent, non-governmental advisory groups representing employers, employees, the self-employed, and the public."
SEE SECURITY, P. 7

SOCIAL SECURITY NEWS

Mancie King, social security officer-in-charge in Plainview, said today that a new booklet, "What's the Status of the Social Security Trust Funds?" is available at the Plainview social security branch office.
"The booklet," he said, "explains how the social security retirement, survivors, disability and Medicare programs are financed, and gives a report on the income and outgo of the four Trust Funds out of which benefits are paid; the amount of cash reserves in each; and the expected operations and status of the Funds in the years ahead."
The 16-page booklet is a summary of more detailed reports on the four funds, submitted to the Congress earlier this year. The reports show that the social security program continues to be both financially and actuarially sound, King said.
In a foreword to the new booklet, Robert M. Ball, Commissioner of Social Security, says, "Since the full reports are lengthy and detailed, we have prepared this summary for the information of those who want the key facts about the financing of social security without taking time to study the complete reports."
Commissioner Ball also notes that no aspect of social security has received more attention than its financing: "Great care has been taken,

James Karr New Community Action Director

James T. (Jimmy) Karr of Crosbyton was chosen as executive director of the Community Action Council of Floyd, Crosby, Dickens and Kent Counties at a meeting of the board of directors Tuesday night, Oct. 22, in the District Courtroom in Crosbyton.
Attending were 20 members of the 24 member board.
There were five applicants from three counties for the position.
Karr is a graduate of Crosbyton High School and was a junior at North Texas State College when he entered the service in World War II.
He served eight years as Crosby County Clerk and was a partner in a seed delinting plant at Ralls. He has been engaged in farming. Karr and his wife, Wanda, have three sons.
The Community Action Council now operates five Neighborhood Centers, located in Lockney, Floydada, Ralls, Crosbyton and Spur, which Karr will supervise.
He succeeds Robert Curry who has resigned as executive director to return to the printing business. Curry has been with the program since its inception.

Took The Lead, Westfall Won

golf pro Richard Westfall took the lead with a hot start in the Hillcrest County-WTPGA tournament and was leading for most of the day. Bobby Westfall was going into the final round, but he did not realize he had been changed for and did not appear in time for the final round. Consequently Westfall won the money and the tournament.

"That change of time cost me around \$700," Hale told a Hesperian reporter.

Hale fired a 7 under par 65 to take a two stroke lead into the second day. The tournament was on 54 holes.

SOCIAL SECURITY FROM PAGE 6

"Each council," Ball points out, "has reported that social security is soundly financed and that each of its programs has, and can be expected to have, income sufficient to meet its obligations."

The law directs the Boards of Trustees of the four social security trust funds to report each year to the Congress on the operations and status of these funds, and on expected operations in the future.

The Trustees responsible for the 1968 Report were: Henry H. Fowler, Secretary of the

Treasury and Managing Trustee; W. Willard Wirtz, Secretary of Labor; and Wilbur J. Cohen, Secretary of Health, Education, and Welfare. Robert M. Ball, Commissioner of Social Security, served as Secretary, Board of Trustees.

Copies of "What's the Status of the Social Security Trust Funds?" may be obtained by calling, writing, or visiting the Plainview social security branch office at 1401-B W. 5th St. The telephone number is 293-4371.

Soap and Washcloth on the Rocks!

When sticky, sweltering summer days are at hand, try a refreshing soap and washcloth on the rocks, morning and afternoon! Start with a two minute facial with dense soapsuds and fingertip massage. Apply lather also to the back of the neck, underarms, and inner elbows and knees. Use of an antibacterial soap such as Dial will inhibit odor-causing bacteria and build up an invisible deodorant shield. Then add the rocks! Wrap some ice cubes in a washcloth and gently rub it over face, neck, elbows, knees and wrists. A cool feeling is the reward.

MAKE A DATE WITH THIS Grilled Cheese Sandwich

Here's a really unusual twist for an old favorite—add Bordo imported dates to your next grilled cheese sandwich, and you'll add a whole new and delicious flavor.

Begin by placing one slice of processed American cheese on a slice of white bread. Then spread 4 teaspoons of Bordo imported diced dates (or whole dates, cut up) evenly over the cheese. Top with a second slice of cheese, and cover with a second slice of bread. Melt three tablespoons of butter in a skillet, and grill the sandwich until golden brown on each side. (Use medium heat on this special treat!)

What Have They Done To Our Country?

"What have they done to our country?" wailed one of the speakers at the GOP convention last week in Miami.

He cited racial turmoil, remembering the day when it didn't exist.

He cited other problems of 1968, as he remembered the "good old days," when they didn't exist.

Every one of us is torn between the old and the new, the past and the present. Of one thing we can be sure, we cannot stop the clock... and the passage of time means at least one thing... change!

The speaker at Miami was "blaming" someone because of change. He might as well have "blamed" the sun for coming up this morning.

We are so built that we tend to remember the good and forget the bad as time passes... and that is a blessing.

In every area of life, we like to turn back the clock in retrospect and remember how much happier we were then than we are now.

The wail of the Miami speaker might well be paraphrased: "What have they done to our church?" "What have they done to our school?" "What have they done to our community?" "What have they done to home life?"

Time was that the church, particularly the rural or small community church, was the social center of the community. People came not only to worship but to visit. Perhaps they had seen few people during the week and looked forward to seeing friends and neighbors at church. So they came early and left late. They lingered outside the church, perhaps under the trees, as they were brought up to date on current happenings.

But those experiences are a part of the past. No longer do they occur. Unlike yesterday, "everybody" doesn't come to church. Gregariousness no longer brings people because it is satisfied in other ways. Today people see so much of each other

almost every day that they almost get in each other's hair! They get the news on radio, via newspaper, via word of mouth.

Those who come to church are so busy and so involved that they seldom arrive at church until the last minute, and they leave immediately following the benediction to go to another meeting or appointment. Church socials are poorly attended. People just "can't make" them. There are too many other things to do.

How easy it is to cry out in a moment of retrospect, "What have they done to our church?"

"They" haven't done anything. It is just that all of us are changed by our environment. We can't stop the clock even though it might be best for us, even though we wanted to.

We can well imagine the fond memories of small school experiences, of the resistance that developed when the schools were closed and the students transported to town.

What is true in these personal experiences is also true on the national level. Racial unrest is a part of the evolution of our society. International tensions, although we have always had them, are understandably greater than ever before, due to our changing world, better communication, population explosion, a shrinking world, easier transportation, technological changes in warfare.

The point is, these new tensions, these changes, these new problems are not the result of "mistakes" and "blunders" of any political administration. They develop just as nature develops, just like a baby starts to crawl, then begins to walk, then runs. There's no one to "blame" except those who refuse to adjust to change, to adapt to the new problems.

The Man of the Hour is not he who promises to "take us back" but he who can find solutions to problems never before faced by mankind.

Going To Sit It Out?

By now most Americans no doubt have realized that this is an unusual presidential election year. It's unusual not because of the issues or the types of campaigns conducted by the candidates but because of the candidates themselves.

In the first place, three men, not two, are campaigning vigorously for this nation's top position. The situations surrounding the candidates also are unusual.

One is a past presidential campaign loser and thus enjoys both the advantages of being well known and the stigma of having sought and lost. Another is strongly attached, by virtue of his present position as well as his avowed policies, to an administration that has grown increasingly unpopular with the people for a number of reasons. The third, lacking as strong a political base as the other two, nevertheless, is, as writer after writer has commented, saying "what the people want to hear."

Although because of these issues each of the three naturally has drawn both strong supporters and equally vocal critics, another possible result looms this year.

It simply is that too many people, perhaps more than ever before, do not plan to vote and are not hesitant to say so.

This is the most disturbing development of the

pre-election period. And, although it remains to be seen just how many Americans actually will stay away from the polls on Nov. 5 because they "like any of the candidates," the indications are a vast number will do just that.

While the editorial theme of "do your duty, cast your ballot" may be tried and worn, it is important this year as ever before, probably more so.

Citizens planning to sit this one out should realize that, even in doing so, they will participate in the choosing of a president whether they vote or not. As it might be interpreted that every vote cast by stay-at-homes for the candidate would come closest to supporting is a vote for one they dislike the most.

At any rate, regardless of the number of votes cast this year, someone will be elected President of the United States. Those who do not vote merely prove to themselves and everyone else that the important decision can be made without them.

Certainly this is no time to be on the sidelines. Disgruntled Americans should give this some thought between now and Nov. 5.

WHY RURAL TEXAS NEEDS HUMPHREY

LOOK AT THE RECORD!

HUBERT HUMPHREY

The Democratic Party pledges

- Raise FARM INCOME to full parity level in order to preserve the efficient, full-time FAMILY FARM
- Find and develop NEW FOREIGN MARKETS
- Continue the expansion of the RURAL ELECTRIFICATION program initiated by Franklin Roosevelt and support the RURAL TELEPHONE program
- See that FARM INCOME grows with productivity
- Provide adequate LOW COST CREDIT
- Legal power to BARGAIN in the market place
- REVITALIZE rural areas

FOR FARM PROSPERITY

Remember Secretary of Agriculture Ezra Taft Benson? The man who refused to see the cattlemen's representatives? The man whose farm policy brought unprecedented disaster? Nixon promised in 1956 that Benson's policy would give the farmer "unparalleled prosperity." Nixon consistently opposed the farmer. He voted to lower price supports, to slash soil conservation funds, to gut the FHA, to restrict rural credit, and to cut back rural electrification. He voted AGAINST REA on 16 of 19 votes including voting against every increase in REA loans.

★BUT LOOK AT HUMPHREY'S RECORD:

As a Senator and Vice-president he always supported

- strengthening the REA
- high price and commodity supports
- improving conservation programs
- expanding the FHA
- increasing exports of farm products
- 100% of parity prices
- rural revitalization

That's why the National Farmers Union gave Humphrey its appreciation award in 1967.

To Texans 8 years of Democratic leadership mean

- 90 months of economic growth without any recession (Remember those 3 recessions during the 8 Republican years?)
- exports of farm products set a new record in 1968, up more than 50% since 1960. Exports earned Texas farmers 25c out of every farm dollar.
- FHA loans aided 440,000 Texans during the last fiscal year (6 times as many as the Republicans helped in 1960)
- 140 Texas communities (127,000 people) benefited from loans and grants for water and sewer development. (In 1960 the Republican administration made only 2 loans, aiding only 475 people.)
- \$100 million in direct cash payments to Texas farmers last year—¼ of all direct cash payments in the nation.

Electing Nixon and the Republican Party would mean turning around and marching backward into rural America's past. Those who recall the past with its back-breaking labor, its inconvenience, and its insecurity do not want this.

★RURAL AMERICA NEEDS HUMPHREY — AND HE NEEDS THE SUPPORT OF RURAL AMERICA! ★

FOR A STRONG SOCIAL SECURITY PROGRAM

On September 24, 1968, Humphrey pledged that he would raise Social Security benefits by 50% over the next four years. He understands the problems of people living on pensions. Hubert Humphrey believes that after a lifetime of hard work, our senior citizens DESERVE good pensions, DESERVE to live in dignity. Humphrey thinks it is their RIGHT.

And so does the Democratic Party.

- Roosevelt passed the Social Security Act in 1935 although 99% of the Republicans voted against it.
- Johnson and Humphrey passed Medicare in 1965 although 93% of the Republicans voted against it.

Just like all the other Republicans Richard Nixon voted AGAINST strengthening Social Security, AGAINST increasing coverage and benefits when he was in Congress.

★NOW LOOK AT HUMPHREY'S RECORD:

- Humphrey has
- Always supported a strong Social Security system
 - Consistently voted to raise benefits
 - Co-sponsored Medicare and was responsible for final passage

FOR RESPECT FOR LAW

Empty campaign promises cannot maintain order. Only experience can. Look at the record.

- While Governor of Alabama, George Wallace could not even make the streets of Birmingham safe. The murder rate there is more than DOUBLE the national average.
- Mr. Nixon has NEVER had any experience in combatting crime. But Humphrey fought it on a day to day level.

★NOW LOOK AT HUMPHREY'S RECORD:

- As Mayor of Minneapolis Humphrey
 - cleaned up vice and corruption and strengthened the police
 - was given the FBI award for EFFECTIVE municipal law enforcement
- As Senator he supported pioneering federal efforts to fight crime, including the first protection against habit forming drugs
- As Vice-President he was instrumental in the passage of the Law Enforcement Assistance Act and the Safe Streets and Crime Act of 1968 which are NOW helping cities and states strengthen their police.

★HERE'S WHAT HUMPHREY SAYS:

"I put it very bluntly—rioting, burning, sniping, mugging, traffic in narcotics, and disregard for law are the advance guard of anarchy, and they must and will be stopped."

- He calls for
- tougher anti-riot laws
 - beefing up police
 - a massive federal-state-local campaign against drugs

"There is no choice today but to be tough-minded about stopping crime and violence."

Debbie Medley Wins Football Contest

By the name of Debbie Medley, "beat the bunch" in the contest with only four points and will receive the first prize, Debbie Medley, Stanton-Crane, Texas A&M, WTSU - Utah and Slaton-Vega contests.

Contestants missed six points and the tie breaker was used in deciding first and third places. Allredge missed six and picked Floydada to win with a total score of 20. The score was 29, Floydada winner.

Allredge missed the Littlefield, Seminole, Amherst, Texas A&M, Borger, and Tech games. Wilson missed the Littlefield, Seminole, Amherst, Springlake, Texas A&M, Borger game.

Honorable mention goes to the following who missed seven contests: Elaine Wilson, Si Medley, Steve Allredge, W. O. Newberry, Travis Gentry and Glenda Wilson.

Only two more big contests for this season, so better turn to this week's contest in the second section... you might be a winner.

'Winds Grab 6th Victory Of Year

By Wendell Tooley

The Friona Chiefs sneaked into Wester Field here last Friday night, got caught in a Floydada Whirlwind, and when the Indian feathers and winds subsided Floydada was on top of a 21-8 score.

It was the 'Winds sixth win against a single loss and left Friona with a 5-2 record. Friona is 2-2 in league play, Floydada 2-1.

The first score of the game came after a Chieftain miscue. The 'Winds kicked to the Big Red and the ball was carried to the 30 yard line. After two plays Chief quarterback Ted Proctor fumbled and 'Wind Todd Wester pounced on the pigskin at the 25.

On first down Steve Puckett carried seven yards for the 18. On the next play Puckett took a handoff and scampered over left tackle for the first Whirlwind touchdown and Floydada led 6-0 with 10:37 left in the first quarter. Todd Wester kicked the extra point, making it 7-0.

Friona took the kickoff and after grinding out two first downs was forced to punt from the 'Wind 45. Wester could not hold onto Lowery Harper's punt and the Chiefs got a break and the ball at the Whirlwind ten.

Now the Whirlwind offense showed its metal. In three plays the Chiefs made five yards to the five. On fourth down QB Johnny Barker was stopped at the two by a perfect goal line stand by the 'Winds.

Floydada had made up its mind to win the game right "then and there."

The first quarter ended and the second stanza almost went scoreless.

Friona controlled the ball most of the quarter, but late in the period mounted a drive from its own 45. But the Chiefs bogged down and the ball went over on downs on the 14 yard line.

Puckett and Connie Bearden made a little on the ground. 'Wind quarterback Jack Gregory hit Wester for eight yards via the air, but it wasn't enough and Steve Craig came in to boot the ball.

It was Friona's ball on the 37 yard line. Chief quarterback Barker fired a long pass and Gregory jumped up for a beautiful interception.

Puckett crashed through for 13, Gregory passed to Bearden for 12, but after making only one first down, Craig came in again to punt the ball.

Friona couldn't go, then punted to Floydada on the 45. Gregory ran for four, Gregory tossed Wester a beautiful 21 yard pass, Puckett plowed through for three, then Gregory threw a long one to Bearden for another TD. Only 46 seconds remained in the half. Wester kicked the extra point and Floydada led 14-0 at halftime.

SECOND HALF

In the third period, the Whirlwinds wanted more points. This time it was a 69 yard drive in 11 plays. The drive was sparked by pass completions of 10, 16 and 12 yards all from Gregory. Then Gregory added the TD with a 16-yard scoring toss to Bearden. Wester again made the point good and the 'Winds held a commanding 21-0 lead.

Friona trying to rally, took the kickoff at its own 49. Harper shot through the 'Winds line like an arrow and raced 41 yards to the ten.

Tony Perea, the Chiefs powerful back drove to the three. He also went the final three for the score.

The Chiefs lined up to kick, but Danny Kendrick pulled the fake and hit Perea for the two point conversion. The score was 21-8 with 11 minutes left to play.

The rest of the quarter was back and forth, with Floydada staying on the ground, running the clock.

In looking at the defensive angle to the game Stan Pierce showed 23 assisted tackles, 1 unassisted, Gale Campbell 18-2, Mike Burk 18-1, Steve Pierce 12-1, Glen Switzer 8-3, Todd Wester 7-4, Jack Gregory 7-2, Bob Marler 10-2, Connie Bearden 5-2, Steve Puckett 5, Gregory and Marler intercepted a pass each, Wester recovered a fumble.

On the offense side of the ledger Steve Puckett carried 16 times for a total of 88 yards.

Think It Over - Vote Democratic

Can you think of ONE national program aimed at the general welfare in the past 40 years that was not originated by the Democrats and opposed and sabotaged by the Republicans? Social Security, Medicare, rural electrification, soil conservation, the G.I. Bill of Rights, and Federal Deposit Insurance—the Republicans fought them all, and as to the last named, they said it would destroy the banking business; 499 banks, deposits 142 million, failed in the year of Republican grace 1928; ONE bank, deposits \$699,000, failed in the normal (i.e., Democratic) year 1966. You need brakes on an automobile, but you sure can't get anywhere without an engine.

"Law and order", whether uttered in unctuous tones by Nixon, blurted out by Blunderbuss Agnew, or screamed by George Wallace, means but one thing, something very old and very ugly, namely, race prejudice, the camouflage used for a hundred years by an unholy alliance of white trash politicians and predatory big business, frequently northern financed and controlled, to delude and distract the common folks of the Deep South while the alliance made off with the swag; and what has the Deep South to show for that 100 years? Generally, the poorest educational system, the highest rate of illiteracy, the lowest personal income, the lowest industrial wages, the poorest health facilities, the most inept state and local governments, and an atmosphere of hate and fear that poisons the lives of everyone. If anyone wants to live in a George Wallace paradise, let him move to Alabama—neither Texas nor the balance of the country needs or wants such dubious blessings.

Law and order is primarily a local and state problem, in which the national administration can intervene only at the request of local and state authorities. States with Republican governors have, on the average, higher crime rates than

states with Democratic governors; Spiro (Who) Agnew's Republican Baltimore has a higher crime rate than Democratic Washington, D.C., and, according to HOLIDAY Magazine, the biggest wide-open vice district in the nation. A state and a community have the kind of law and order they want and are willing to pay for; you have good law and order locally because you want it and select good though very much underpaid officers. Incidentally, law and order begins at home; when little Willie, probably accompanied by little Susie, takes off in his car to chunk pumpkins, pop street lights and turn on fire plugs, whose side are you on, little Willie's or the officers', and who is to tan little Willie's seat of learning, you or the President?

If you are a farmer, think long and hard before you trade off your farm program, your rural electrification, your soil conservation and the Farmers Home Administration for Nixon's pledge to home, love and mother and against sin, or for Wallace's conflicting platform for 100% parity and against support prices. Take a long and loving look at those beautiful homes, those airplanes, those dude pickups complete with Wallace stickers, and those fishing trips to Falcon (we know, we know, but a man can fish at Falcon) - remember where you got all of them.

If you are a business man suffering under the delusion that the farm program is no concern of yours, if you read the WALL STREET JOURNAL and, or U.S. NEWS & WORLD REPORT and are in consequence locoed with the notion that both you and U.S. Steel would do better under a Republican administration, man, you are on a trip that makes LSD look like Castoria; Floyd County is first, last and always a farm county, and if you are going to live off and with us peasants, come down out of orbit and vote Democratic—the hide you save will be your own.

The Drum Beat

BY THE BAND BOOSTER REPORTER

NEVER SAID being in the band was easy, certainly didn't think it was talking about! The kids are just great - it takes co-ordination, patience, to work hard and brains. To be able to play an instrument and march are difficult in themselves; but when they all together and marching in front of a crowd of people and do a good show... that's perseverance! We can't be too often, for there isn't anyone who doesn't see we are doing a wonderful job. We are proud of you... each of you. Thank you for making our band so good. The weather was beautiful Friday night. A touch of frost that was in the air had disappeared and with the spectacular performance of the Whirlwind Band, the usual half-time performance seemed something extra special. Under the direction of Doug Cannon, our drum major, and Penny McClintock, Kit Martin and Kacky Weems, our band entered in three ranks from the north end of the field. "Military Escort" was played while the band formed a block formation on the 50 yard line. Every other member separated from the main body of the band. Then came back

to the 50 yard line and formed a block formation facing our stands. A staggered file drill was formed and played "Burst of Trumpets" while on the north end of the field. A march back to the south 30 yard line and "Colonial March" was played while doing a counter-march. Then a march to the 30 yard line and executed a column left maneuver with music "Green and White." An exit front and center to the sidelines playing the "Coca Cola" fanfare. Facing the Floydada stands they left the field in a side-line exit.

WATER INC.

The Executive Director of the Water Development Board, Howard Boswell, in a statement presented to Texas Legislators on October 1, warned them that there is barely enough time to get water to the water short areas of the state. Failure to move this water in time will spell economic disaster to these water short areas. He stated further, "The State of Texas cannot afford to delay starting now those steps which must be taken now."

Those statements were made during presentation to the legislators of next year's budget for the Water Development Board. The entire water program will not be released until November or December and possibly later, however, from these budget statements the

general scheme is beginning to emerge. This includes gathering the surplus water in Northeast Texas for commitment to the Trans-Texas Canal which will move the water west to supply the Dallas-Ft. Worth area then run westward to the plains. Pipelines will tap this canal to supply the Abilene-San Angelo-Odessa area, the Trans-Pecos area, and will provide municipal and industrial water to El Paso. This canal would also be the source of water to be moved into Eastern New Mexico.

The needs of South Texas would be satisfied by a South Texas Canal to run from the lower Sabine, parallel to the Gulf Coast, all the way to the lower Rio-Grande Valley.

Negotiations are underway with the Mississippi Basin States to tap the flood waters of the Mississippi below New Orleans. This surplus water would be transported to the Sabine River Valley to enter the Trans-Texas Canal system on the South Texas Canal system.

Before this dream can become a reality much remains to be done. We must never miss

an opportunity to let every one know of our determination to succeed. We must become aware of the legislative questions that will face us. We must join forces to insure that we get the most water for the most good of the most people at the least cost. We must get acquainted with water!

We must all become aware of the economic consequences of failing to supplement our present water supplies. We must become familiar with legislative requirements to allow implementing the most efficient management scheme. Costs of the import project, costs to the water users and benefits to be derived are most important subjects on which work is progressing. We are certain water can be delivered to our region at a price which our farmers can afford to pay.

You can do your part by helping Water, Inc. spread the word about our requirements for water. We need you to assist in our efforts to get all the people of the region to join together in a united effort to secure the water we will need so badly within a few years.

Journalism College Majors Up

For the fifth time in seven years American colleges and universities have had gains in journalism enrollment that have surpassed the rate of increase in overall college enrollment. The survey findings were reported in last winter's issue of Journalism Quarterly, and were based on a survey by The Newspaper Fund of Princeton, N. J. It also showed that the enrollment had doubled in seven years. The 118 schools answering the questionnaire from Prof. F. J. Price list a record enrollment of 24,445 for 1967 as compared to the 1961 figure of 12,368.

IMPORTANT!

To Vote For Nixon And The Texas Democratic Candidates

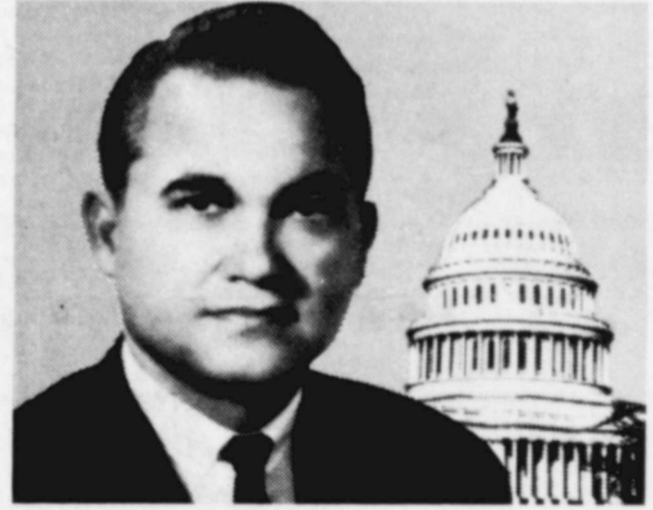

1. SKIP the line of party squares across the top of the ballot.
2. MARK the square by Nixon/Agnew.
3. THEN go to the square by U.S. Representative IN THE DEMOCRATIC COLUMN, mark it AND the squares by Preston Smith, Ben Barnes, Crawford Martin and on down.

Whatever your interest - responsible law enforcement; curbing runaway inflation; tidelands' school fund protection; improved foreign relations; expanded education; social security and medicare, instead of political throwaways...

NIXON is the best for Texas Democrats!

Pd. Pol. Ad. Texas Democrats for Nixon, Otis Lock, Chm'n.

MAKE YOUR VOTE COUNT

ELECTION FACTS, 1968. On November 5, voters of each state will elect their presidential electors. (Since the slate of electors is chosen by plurality, with three major parties, it is possible for 34% to win. A majority of electors is then required for the presidency.) On election night, the number of electors each candidate has won will be known. But the electors do not cast their votes until December 16. UNDOUBTEDLY WALLACE ELECTORS WILL AT LEAST HAVE THE BALANCE OF POWER. Wallace has stated that if he does not win, he believes the selection will be made in the Electoral College and NOT IN THE HOUSE OF REPRESENTATIVES.

If Wallace does not win and if no candidate has a majority. THEN WALLACE ELECTORS WOULD HAVE THE BALANCE OF POWER. Any elector can legally vote for anyone. (Since each party selects its state of electors, they usually vote for their party's nominee.) If Wallace has nearly enough electors, then some of the other electors (if any are conservative) could elect Wallace. If not Wallace, THEN THE ONLY WAY NIXON COULD WIN WOULD BE BY APPEALING TO THE WALLACE ELECTORS. If Nixon would make specific conservative and anti-Communist commitments, then Wallace could urge his electors to vote for Nixon. IN ACTUALITY, THE BEST WAY TO ELECT A CONSERVATIVE AND ANTI-COMMUNIST NIXON IS TO VOTE FOR WALLACE.

ELECTION FACTS, 1968. 1. With the continuing increase in Wallace's popularity, he can win. 2. If Wallace does not win, his electors would have the balance of power. 3. Then Nixon could win by appealing to Wallace electors.

WITH WALLACE YOUR VOTE COUNTS

GEORGE WALLACE knows there are no easy answers to Viet Nam. Most of you are concerned and perplexed about this problem. Too much has been said. Too little has been done.

But these facts are clear. We are in Viet Nam whether we like it or not and everything we do should insure that the 500,000 Americans over there are brought home as soon as possible.

GOVERNOR WALLACE hopes and prays that the peace talks going on in Paris are successful, but if these political and diplomatic negotiations do not succeed, then we must rely on our military leaders to finish the job with conventional weapons if that is possible. In short, one way or the other, we must bring our boys home.

Facts About Hubert Humphrey

HHH is against right to work "Addressing a largely pro-labor audience Humphrey called for repeal of Article 14(b) of the Taft Hartley Act which protects the right to work without joining a union." AP story from Detroit carried in the Washington Evening Star, May 14, 1968.

HHH has a 100% record of voting against the best interest of the oil and gas industry and in most cases was the leader in the fight. He has consistently voted to cut the oil depletion allowance.

HHH and Walter Reuther were the two U. S. representatives attending an INTERNATIONAL SOCIALIST CONFERENCE held in Harpsund, Sweden, on July 13-14, 1963. Humphrey's attendance was not made known to the American public.

Source: Socialist International Information (a weekly newsletter published in London) August 3, 1963.

HHH and ADA (Americans for Democratic Action)

HHH is a founder and onetime National Chairman of Americans for Democratic Action (ADA)

ADA rates the voting records of Congress. A vote which ADA believes to be in harmony with liberal policies is marked plus. HHH served in the Senate from 1948 through 1964. According to ADA he voted LIBERAL 210 times and CONSERVATIVE 3 times, or 99% LIBERAL.

HHH agrees wholeheartedly with ADA "You could write a book about how I agree with the leaders of the ADA and the disagreements wouldn't amount to more than a footnote." New York Times, May 2, 1966.

John Connally said this about the ADA "the left-wing radical ADA and their cohorts stand for everything Texas doesn't." Statewide telecast, May 1962.

HHH AND THE AFL-CIO:

"In 16 years of the U. S. Senate, Hubert Humphrey didn't cast one 'wrong' vote on official AFL-CIO COPE voting records. His over-all mark: 60 'right' votes, no 'wrong' votes. Memo from COPE, May 13, 1968

WHAT OTHERS SAY:

Congressman Otto Passman, Democrat, of Louisiana said, "Hubert Humphrey is a Socialist if I ever saw one." Dallas Morning News September 11, 1964.

Norman Thomas in a farewell speech to the national Committee of the Socialist Party called Senator Hubert Humphrey "the type of Democrat I like and who would be a Socialist if he got to England." New York Times, May 30, 1964.

FROM THE HORSE'S MOUTH

"Insofar as I am sorry for anything, it is not because I am a liberal, but it is because I am not more liberal than I am." HHH Congressional Record, January 9, 1957.

"I think you'd have more trouble than you have had already because I've got enough spark left in me to lead a mighty good revolt under those conditions." New York Times, July 18, 1966.

HHH calls self a lifetime liberal saying, "Liberalism is not a short and frenzied burst of emotion but the steady dedication of a lifetime - that's my kind of liberalism." Washington Evening Star, June 1, 1968.

TSTA Urges Passage Of Amendment No. 9

AUSTIN - Passage of Amendment #9 in the November general election was today urged by Charles H. Tennyson, Executive Secretary for the 123,000 member Texas State Teachers Association.

Tennyson described Amendment #9 as "vital both for attracting new and promising individuals into the profession, and for holding those experienced Texas Teachers who find themselves discouraged by a retirement program which needs updating."

If passed, Amendment #9 would make it possible for each teacher in the state to contribute to the Teacher Retirement System on the basis of his full salary.

At present, and for the 31 years the system has been in existence, there have been constitutional limits on the salary which could be used as the basis for a teacher contributing toward retirement. The retirement system for other State of

Texas employees does not have any such limitation. A constitutional amendment removed limitations for them several years ago.

"It's now been 12 years since a constitutional amendment raised the ceiling in the Teacher Retirement System. We can't keep upgrading Texas ed-

ucation if we have to wait half a generation between adjusting our teacher retirement system to economic changes. Eliminating the ceiling concept entirely will put Texas back in the race for getting and keeping the kind of teachers we want for our children," concluded Tennyson.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT (SJRI4)

SENATE JOINT RESOLUTION No. 14 proposing an amendment to Article III, Constitution of the State of Texas, by adding a new Section 52a to give the Legislature the power to authorize cities and counties to issue revenue bonds for industrial development purposes.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 52a to read as follows:

"Section 52a. The Legislature shall have the power to authorize counties, cities, and towns to issue revenue bonds for industrial development purposes, or in aid thereof; provided, that property acquired from proceeds of the bonds shall be subject to ad valorem taxes. Legislation passed in anticipation of the adoption of this amendment shall not be invalid solely because of its anticipatory nature. The tax revenue, the utility revenue, and the revenue from services of any county, city or town may not be used to pay any

bonds issued pursuant to this authority nor the interest thereon."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment to give the Legislature the power to authorize cities and counties to issue revenue bonds for industrial development purposes."

"AGAINST the constitutional amendment to give the Legislature the power to authorize cities and counties to issue revenue bonds for industrial development purposes."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

- (1) Any industrial bonds issued under this amendment must be serviced by revenue from the property involved and not from any other source.
- (2) The credit rating and resources of the city or county are not behind the issuance of such industrial bonds.
- (3) Manufacturing facilities are the only type of property which can be financed with the industrial revenue bonds.
- (4) Facilities purchased with the bond monies remain on the taxrolls for ad valorem tax purposes for the city, county and State.
- (5) Present limitation on tax free status of such bonds is \$1 million, but the Internal Revenue Service is considering raising this to \$5 million under legislation pending in Congress.
- (6) Strict rules and regulations and careful supervision by the Texas Industrial Commission will protect the bond buyers and the issuing city or county.
- (7) These bonds must be paid off by the revenue from the facility financed and cannot be paid by tax, water, sewer or other revenue sources of the city or county.

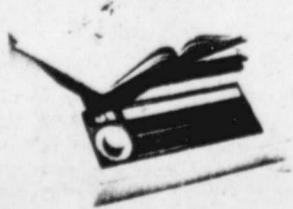

NOTE →

All of the adjacent states and, in fact, forty-four of the fifty U. S. States have some type of industrial development bond program. Texas is far behind in industrial development in this respect and should get ready for expansions by small town industrial growth - making this method of financing available to cities and counties. We heartily recommend Amendment No. 12 as it will assist small towns to reach their potential in industrial growth. Most small towns have unused labor which could very well be utilized in new industry. Vote for No. 12.

YOUTH PLAINS NEWS by Mrs. Murray Julian

PLAINS, Oct. 28 - The sorghum harvest will be to an end in the next few days at South Plains. The grain yield has been an average, and not as high as some years, because of hail which has hit the community at various places, and partly because of other causes, such as the late planting of cotton by Jim Roberts. The cotton was ginned at the Lockney Co-op here, with 2,390 lb of lint cotton, and a 560

Amarillo came Monday to visit her sister, Mrs. Bryant Higginbotham. Mrs. C. W. Hulick of Albuquerque, N.M., sister of Mrs. M. M. Julian, who spent the past two weeks in Lubbock Methodist Hospital, was moved to the Caprock Hospital in Floydada Saturday noon by ambulance. She is getting along well, using a wheel chair and walker. The Julians hope that she can be moved to their home in the coming two weeks. She is in room 126 at the Caprock Hospital.

John Smitherman, who has been in the Methodist Hospital the past six weeks, was brought to his home Saturday. The family and friends are happy to know he is doing so well after his long illness. Mr. and Mrs. H. L. Marble left Saturday for Mineral Wells to spend the weekend with their daughter (June), Mr. and Mrs. Marvin Wells, Marinda and Kim. They are expected home this Monday night.

Mr. and Mrs. Terry Julian, Dee and Dickie from Roscoe, came Friday to spend the week here with his brother, Mr. and Mrs. Kendis Julian and girls. They visited with the boys' aunt, Mrs. C. W. Hulick at Caprock Hospital, and Sunday attended morning church services at the South Plains Baptist Church.

Sunday dinner guests at the home of Mr. and Mrs. C.F. Fortenberry were Mr. and Mrs. Larnce McCain and Timmy and Mrs. N.C. McCain of Lockney, and Mr. and Mrs. Elvin Bybee from Hale Center.

Mr. and Mrs. Murray Julian visited last week in Lubbock with his cousin, Mrs. Virgil Joiner, and had supper Friday night of last week with Mr. and Mrs. Frank Jackson. She is a niece of Murray Julian, formerly from South Plains, as is Mrs. Joiner.

Among those going to Lubbock Saturday afternoon to attend the Texas Tech-SMU football homecoming game were Mr. and Mrs. Kenneth Bean, Mr. and Mrs. Eugene Beedy, and Mr. and Mrs. Donald Bean. Mrs. E.M. Jackson of McCoy spent Sunday here visiting with her daughter, Mr. and Mrs. Eugene Beedy and boys. Rev. and Mrs. Sealy Smith from Weatherford were here Friday where Rev. Sealy preached the funeral of his brother-in-law, Bud Edward Yates, 47, of Plainview, who was killed in a one-car accident Wednesday near Hale Center.

Services were held in the Wood-Dunning Funeral Home in Plainview at 10:30 Friday morning. Mrs. Bryant Higginbotham of here attended rites. Mrs. Dale McGaugh, sister of Mrs. Arby Mulder was able to go to her home in Littlefield, Thursday after undergoing major surgery in Lubbock the week before.

Mr. and Mrs. W. Fred Cox, from Edmonton, Alberta, Canada, arrived in their private plane Thursday, and visited here with her brother, Jack and Aline Smitherman. They had been trying to fly here for three weeks, but have had bad weather and flew into a snow storm to Denver, Colorado as they came down. They are now in Arlington, visiting relatives there, but will spend most of the winter here in the states. With the Jack Smithermans and other relatives.

Mr. and Mrs. Jack Smitherman went to Hart Friday to attend the funeral of Frank Sanders at the First Baptist Church.

Everyone was happy to be on regular time this Sunday, and it was fine to see all on time for church services. The South Plains Baptist Church had a wonderful service both morning and night Sunday, and visitors seen were the Terry Julians, Dee and Dickie from Roscoe. Around 90 were present at morning, and about 55

for preaching services at night. Choir practice was held after church, and choir leader, Mark Langley, has a marvelous voice. Anyone wishing to sing, please come and join the choir.

Mrs. Tillman Powell is teaching the WMS Study Manual, with a session on Tuesday from 1-4 p.m. at the WMS meeting at the Baptist Church. All the GA's with leaders, Mrs. L.T. Wood, Mrs. Kendis Julian, Mrs. Keith Marble and Mrs. Travis Young are having their meetings after school hours.

Last Wednesday Mrs. Leighton Teeple of Plainview, Mrs. Raymond Teeple of Lone Star, and Mrs. Harold Hamm of South Plains went to Amarillo where they had lunch and spent the day with Mrs. Hamm's sisters, Mrs. Verne Nelson and Mrs. Wanda Teeple.

Mrs. Horace Lynn, first grade teacher at the South Plains School, took her baby to Amarillo for a checkup Friday. Mrs. Murray Julian taught her room while she was gone. Providence Schools came to South Plains during the afternoon, and the 5th, 6th, 7th and 8th grade boys and girls played games of baseball during the afternoon.

Mr. and Mrs. Horace Lynn, teachers at the South Plains School, and their 5 1/2 month old baby girl went to Durant, Oklahoma, after school Friday and spent the weekend there, bringing back his mother, Mrs. Lynn, to stay with them for a few weeks.

Fred Fortenberry, who has suffered with bronchitis for several weeks, had his last trip to the doctors last Friday and is getting along fine. After he came out of the hospital he had been going back each day for medication.

Mrs. L.T. Wood, Mrs. Doris Powell and Mrs. W.L. Trice went to the Lone Star Baptist Church on Thursday for an all day meeting of the WMS members there, and enjoyed luncheon with them.

Mrs. Bryant Higginbotham had as dinner guests Sunday after church, Mr. and Mrs. L.N. Johnson, Denise, Deneen, Shari and Carlton. Carlton is getting around on his crutches quite well, after getting home from the Methodist Hospital a week ago Sunday.

Wednesday, Oct. 24, Hobby Club members met at the home of Mrs. E.P. Pritchett and with assistant hostess, Mrs. John K. West, the group went to Lubbock where they all enjoyed lunch together. They then went to the Village Craft Shop where they did some handicraft work, visited the shop and saw the work there. Later they all visited at the Methodist Hospital with Mrs. C.W. Hulick, where Mrs. M.M. Julian had spent the afternoon, and with John Smitherman and Mrs. Dale McGaugh, sister of Mrs. Arby Mulder. Those who had dinner were Mmes. H.L. Marble, Bryant Higginbotham, Arby Mulder, Murray Julian, Fred Fortenberry, Don Marble, Frank McClure, Ernest Wells, and the hostesses Mrs. Pritchett and Mrs. West - all but

Mrs. Julian then went on to enjoy the handicraft shop. The next program will be at the home of Mrs. Harold Hamm, with Mrs. Phillips giving a demonstration on "Getting Ready for Christmas." The time is Nov. 20.

Mr. and Mrs. Raymond Upton went to El Paso last Sunday where they spent the week visiting at the home of their daughter, Bonnie, with her husband, Karl Craig and children. Mrs. M.M. Myers took care of the store while they were gone, and Mrs. Harry Hartman was in charge of the post office.

Little Casse Bell Probasco was taken to the Plainview Hospital last Sunday by her parents, Mr. and Mrs. Don Probasco, and was able to come home Wednesday after taking tests during that time. She is allergic to all kinds of milk they have given the baby, and now the parents are trying goats milk. She is doing much better at this time.

Mr. and Mrs. Don Marble are in the process of renovating their home, making three bedrooms, and turning the garage into a den and living room. They are also building on a new garage, and will put stucco on the outside of the house when the building part is finished.

Monday night, October 21, Kelly Marble celebrated his seventh birthday. A big chocolate cake, was served to him and a group of boys from school. Games were also enjoyed. Those who came to the home of Mr. and Mrs. Fred Marble with Kelly from school were Brett Marble, Dwayne Marble, Stanley Staggs, Mike Ford, Kenneth Young, Russ Wood and David Taylor.

Mr. and Mrs. Grigsby Milton and Darla were among those from here who went to Floydada Sunday afternoon where they went on the Tour of Homes, sponsored by the 1934 Study Club of Floydada. They later visited Mrs. C. W. Hulick at the Caprock Hospital.

Jerry Calahan, son of Mr. and Mrs. Shelby Calahan, who is a freshman at WT College in Canyon, is on the Rifle Team ROTC. He is staying with his sister, Mrs. James Norrell and she is also attending college there.

The "Boots and Slippers" Square Dance Club, will postpone their Nov. 2, meeting until Nov. 16 at 8 p.m. Cliff Smith of Littlefield will be the caller.

South Plains PTA will meet at the school house Friday afternoon at 2:45, with Mr. Jarrett and his 5th and 6th grade children giving the program.

Mr. and Mrs. Frank McClure left Friday for Snyder where they visited her mother, Mrs. R. W. Newman and other relatives. They went on to Whitney where they are visiting her sister, Mrs. Eddie Branch.

The Cub Scouts of South Plains are meeting at the school house this Monday night for their first pack meeting, and the boys will get their Bob Cat pins. Ronald Kitchens and Glen Wood left Tuesday, Oct. 15, for Colorado, on a deer hunt. They had four inches of snow the first night they got there. They brought back two deer, arriving home Sunday morning.

DOUGHERTY NEWS

DOUGHERTY, Oct. 28 - The news on everyone's mind, of course, is the election Tuesday. We have been asked to remind you that the voting will go faster if everyone has his voter registration certificate with him when he comes to vote in the General Election November 5, 1968. Otherwise, he will be required to sign a paper saying the certificate has been lost, misplaced or left at home.

Tonight everyone is reminded to attend the annual Halloween Carnival at Dougherty School. Prizes for the best costumes will be given for pre-schoolers, first and second grades, third and fourth grades, fifth and sixth grades, and older children and adults. Games and fun are planned for everyone. The time is 6:30 - 9:30. Drawings will be held for a turkey, a wall mirror, and a transistor dog radio. Please join us this evening for bingo, the cake walk, games, prizes, and surprises and fun!

Girl Scout Troop 181 is planning an all day trip Saturday, Nov. 2, to the Scout camp at Camp Rio Blanco. Local Girl Scouts attending are Jodie Eastham, Brenda Vickers and Julie Jones.

Troop 65 chose patrol leaders last Tuesday and Linda Norman, daughter of Mr. and Mrs. Weims Norman of Dougherty, was chosen as a patrol leader.

Troop 336 saw a film about food and learned to make pizza sandwiches.

Mr. and Mrs. Kenneth Robertson and family went to San Antonio last Friday afternoon

to visit his parents, Mr. and Mrs. J. R. Robertson. They also visited with Mr. and Mrs. Jerry Mac Robertson. They went fishing Saturday morning. They returned to Dougherty Monday with a new puppy, Heather, a gift from relatives.

Mrs. Lon Emert returned home from the Methodist Hospital Tuesday, Oct. 21. The Dougherty Dragons played a baseball game against the South Plains team last Wednesday, Oct. 23. The boys' game was a clear victory for the Dragons. Due to a mistake in the score sheet we are not sure of the score for the girls' game, but both were exciting games.

Mr. and Mrs. Mike Guzman and his family went to Silverton to visit their relatives over the weekend. Their Aunt Janie began her trip back to California Sunday evening at 10:00. They have been visiting relatives in Silverton.

It is reported that Mr. and Mrs. James DeWese are now grandparents. Mrs. Gene Campbell gave birth to a son Saturday in Colorado.

NEW FLOYDADA INDUSTRY is pictured above. . . . it's Gifford - Terrell of Amarillo at the Maud Hollums caliche pit about five miles north of Floydada. Several men are employed in crushing the caliche, operating the hot mix plant, trucking butane, sand and petroleum into the plant and caliche and hot mix out to the road building job east of Floydada. It is reported to be the best grade of caliche rock in this area. (Staff Photo).

FOR BETTER MAJOR EDUCATION IN TEXAS

Pd. Pol. Adv. by Committee of 300 for Amendment 3
Jack S. Blanton and Jeff Montgomery, Co-chairmen

To the people of the 19th Congressional District

GEORGE MAHON

I have no opponent in the election but I want to thank you for your unwavering goodwill and support and pledge my continued best efforts to be of service.

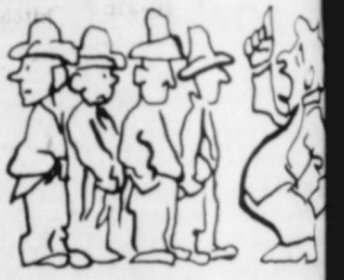

CONGRESSMAN GEORGE MAHON

Paid Political Adv.

IT'S HARD TO SELL FERTILIZER IN AN ELECTION YEAR!

"GENTLEMEN, I STAND HERE BEFORE YOU TODAY TO TELL YOU THAT I'M AGAIN' POVERTY, AND THAT YOU AND I TOGETHER CAN DO SOMETHING ABOUT IT. INSTEAD OF STANDING THERE LISTENING, WHY DON'T YOU GO OUT AND PUT SOME NITROMITE IN YOUR LAND?"

LET IT GO TO WORK AND RELEASE THE PLANT FOOD YOU HAVE TIED UP IN TURNED UNDER STALKS.

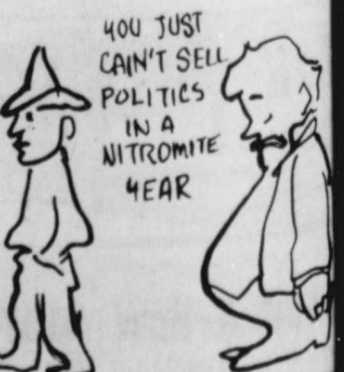

ANY GOOD FARMER (AND SOME POLITICIANS) KNOW THAT YOU CAN APPLY NITROMITE EARLY. IT WON'T LEACH OUT WHEN YOU GET WINTER MOISTURE. EVEN HOT AIR CAN'T TOUCH IT.

ALL THE NITROGEN YOU PLOW DOWN NOW, PLUS ALL THE NUTRIENTS IT HAS RELEASED, WILL BE WAITING TO FEED YOUR CROP AT PLANTING TIME.

AND I PROMISE YOU GENTLEMEN... THAT CAN MEAN MORE MONEY IN YOUR POCKETS NEXT YEAR AT HARVEST TIME.

YOU JUST CAN'T SELL POLITICS IN A NITROMITE YEAR
