

# Floyd Banks Show Healthy Deposit Gains

## Caprock Chat

AMERICAN FLAGS flying in Floydada were good to see on Veteran's Day. We have a good start, now let's have flags flying each holiday from now on.

Seen every home football game of the Tech Red Raiders year and although they haven't won every game I've seen, always enjoyed attending the game. I especially enjoy half-time the "Going Band From Raider Land."

past Saturday afternoon at halftime, the band was playing "America The Beautiful" and about 25 American flags were flying. Man, what a thrill to see all those flags waving, the playing a great patriotic song... mighty proud to be an American.

"The American Way" in politics is getting to be ridiculously naive. When you consider the 17 million dollars the Republicans spent on the presidential campaign, the 12 million spent by Democrats, and the millions spent on the conventions, it appears that we could find a better use for this money.

There must be a less expensive way to select a president. I think the party with the most money makes the winner. We also saw this back in 1960 when the Kennedys put money into a winning campaign.

Actually, it's sorta rough on the "party people" to year after year put up the money to get a candidate before the people. Meantime, the "independent voter" sits back and says, "I'll vote for the man I like, and if we like one of them, we'll vote for him." This seems to be a bit unfair. The party man has the bill of selecting the candidate, then the independent voter has to ride. Like I said in the paragraph above, there must be a better way to select a president.

NOT TO assassinate president-elect Richard Nixon was the best wish of last week. It has well been said that in this day and age we should congratulate the loser in the presidential campaign.

Parade Magazine that President Nixon receives an average of 7,000 threats either directly or indirectly on his life EACH MONTH.

BEST WISHES to the 11 Whirlwinds who are seniors and playing their last game for Floydada tomorrow night. We hope they leave Floydada football with a winning game, and if they do, they'll be in the second place in the district by defeating Dimmitt.

I was guessing on the outcome of this last game, I would have bet in favor of "The Mean Green."

THE privilege of visiting with Congressman Bob Poage a week or two ago. He said that the future of cotton is in the world market. If it moves on world market, prices must get down to around 16 to 17 cents. "Cotton must be produced cheaper" ... said Congressman Poage.

The Floyd county farmer knows this is virtually impossible to continue to pay high machinery, fertilizer, water, and operating costs.

may be that the Floyd county farmer must go to other crops, and what other crops are available? There are plenty of other crops that our farmers can raise, but unless market prices are formed, you just can't get them sold and on the market.

brings to mind our main stock in trade. Very simply water. The Floyd county farmer is selling water. So, he has to produce and sell a crop that will pay him the most per acre for amount of water used. Irrigation water for cotton, sorghum, and possibly grain sorghum may not be feasible at the price of these farm products.

I've done a good job of looking at the problems... surely I had the solution. Anyone know the solution?

FARMER has a sorta far-out answer to the farm problem... grow up the cotton and plant marijuana. Then if they sell it, they can smoke it themselves and won't care if the money they lost!

GREAT BIG THANKS to the Floyd county commissioners for repaving the streets in northeast and east Floydada. That we received last week of appreciation for the better streets, by, I suppose, one of the residents in that area, points out another need. This letter suggested that the mayor burn down or tear down a lot of the old unoccupied houses and out-buildings in that area.

agree with this suggestion 100%.

TWO ITEMS OF PROGRESS in Floydada include the new 1000-watt sign and remodeling of the front of the Bishop building.

RIGHTLY THANKFUL for a good hospital and a doctor available Friday night when Abernathy's football player was injured during the first play of the game. X-rays showed no broken bones, some pulled ligaments.

GOOD to see Doris Drysdale up and at 'em again! You don't know how calm and uninteresting choir practice can be when Doris isn't there. And, when both Doris and Ned Bradball show up at choir practice, it is just so calm, it's boring.

director Olin Watson may have a different opinion on the above remarks... but deep down, I suspicion he likes the added excitement of two humor-filled singers.

NOT THIS phone call up in the press box Friday night, going to the fourth quarter of the Abernathy-Floydada game. It was Mrs. Ralph Johnston... she said although Ralph was down with the flu, he was resting "mighty uncomfortable" because he couldn't hear much cheering from the football stadium and wondered about the score. I told her to assure Ralph that Floydada was in the driver's seat, leading 7-0.

CONGRATULATIONS TO the cities who own the White River project. I notice that last week they completed contract negotiations with a petroleum company at Post to sell them up to 10,000 barrels of water daily for the waterflooding of the big well San Andres pool of the Garza Field.

the maximum amount of water is taken over the 20 year term of the contract, the two oil interests would pay the water district an estimated \$4,000,000.00.

well, the dam cost a little over \$4,000,000.00... so that should save a lot of citizens on water taxes in Ralls, Crosbyton, and Spur.

that's really all right.

FIVE GIRL SCOUTS... pictured above (left to right) are from the Dougherty School who are participating fully in all troop activities. One of the most recent efforts is the Poppy Day activity which they undertook for the VFW in Dougherty. ## Girl Scout Fund Raising Effort Begins Friday

One of the outstanding organizations for girls of our area is the Girl Scout organization serving locally all girls in the Floydada and Dougherty schools from the second through 12th grades. Once a year, an all-out effort is made to give citizens of the community an opportunity to give monetary support to this organization, which is offering our girls activities of interest in many areas.

This year in eight organized troops, there are registered over 150 girls from Floydada, Dougherty and the surrounding area. Thirty-three adults have registered with the troops as leaders and aids for the various programs offered on each age level. Girl Scout contributions are needed for the formation of these troops, for recruitment and training of new leaders, for the services of a district adviser who comes to Floydada

## Floydada Honored

Floydada, along with Muleshoe and Nocona was recognized as Blue Ribbon City award winners last week by the West Texas Chamber of Commerce in a special meet in Lubbock.

On hand to receive the honor for Floydada were Chamber of Commerce President Bill Brown, Chamber Manager John Reue, Jake Webb and J. M. Willson Sr.

The award is in recognition of the city's efforts to get ready for industry and overall advancements in several areas of community progress.

The Hesperian will publish a picture next week of the big Floydada sign prepared by the WTCC at the meet with the committee that worked for the honor received by the city.

## Bonfire To "Beat Dimmitt"

Dear Parents and Friends,

We've grown accustomed to your loyalty and support! As we near the end of this football season, we know we can count on you to continue your fine spirit and attendance record.

This last game is especially important, because a victory would insure a second place. What an impressive record for our new coach and our Fighting Whirlwinds!

Gee, how we need you - this one more time? Pep Rally is at 3:30 in the High School gym. The game is in Dimmitt on Friday night.

Let's end this season on a high note!

We want to also remind you that there will be a bonfire at 7:00 across from the Fire Station Thursday night. We will meet at Lighthouse Electric to have a snake dance. Please come if you can.

We hope you will attend the Jr. Varsity game after our bonfire at 7:30.

Thank you for all of your support.

BEAT DIMMITT!!!

Sara Staniforth, Jill Stansell, Judy Probasco, Jill Bertrand, Reagan Cagle, Alison McLain, Polly Cardinal

## Up Million Dollars

A healthy gain in deposits in Floyd County's two First National Banks was reflected in the October 30 state bank call, compared to the October 4 call last year.

Floyd bankers credited the gain to the almost month's difference in the call date, reflecting more crop harvested, plus the government checks.

The two banks were up slightly over a million dollars from last year's call report. The First National Bank in Floydada was up from last year's \$10,820,565.40 to this year's \$11,130,294.68. Lockney's bank was up from \$6,867,994.69 to \$7,569,176.59.

At Floydada the banking loans were up and at Lockney they were down. Floydada banker Clay Henry reported that the local bank had been making more loans on automobiles, farming equipment, consumer purchases, and livestock investments.

Floydada bank loans were up from last year's \$3,184,377.89 to this year's \$4,830,303.21. Lockney's were down from \$3,104,055.81 to \$2,902,822.79.

Most all other area county banks showed a substantial increase in deposits.

## Dimmitt Next!

The Floydada Whirlwinds take on the Dimmitt Bobcats tomorrow night for the season's finale... and winner takes second place in the district standings. Olton will represent the district again this year against Denver City at Olton. Kickoff time in the Bobcat stadium is 7:30.

Farwell and Olton are the only two clubs to put the skids to Dimmitt in nine games. The Bobcats stand 4-1 in 3-AA warfare. Farwell upset them in the season's second game, and Olton took out the Castro County crew by 34-12. That score is deceiving, since Dimmitt trailed the powerful Mustangs only 12-19 entering the final quarter and were forced to gamble, allowing two "cheap" touchdowns. The Bobcats have erased Abernathy 33-6, Friona 47-7, Hale Center 28-27 and last week, Lockney 33-22.

In their den, the "Cats" have probably the district's hardest runner in 200 pound fullback David Land, all district for the past two campaigns. Their attack is built primarily on the inside-outside running of Land and 9.8 speedster Roy Thomas. Starting quarterback Mark Cleavinger is a 144 pound junior. Although not as large in the trenches as some squads the "Mean Green" has faced, the Bobcats may be the toughest. Durward Strickland is one of the top hands at 184 pounds. The team averages a solid 173 pounds overall.

FLOYDADA

Floydada goes into the game in good physical condition and hoping to round out an 8-2 record and cop the second place district spot. They hardly got by the Abernathy Antelopes last week 7-0. This will be the last game for 11 fighting Whirlwind seniors.

Abernathy loses 19 seniors, Olton 20, and Dimmitt nine. Whirlwind coach L. G. Wilson reports no changes in the lineup for the Dimmitt game and the team is in good physical condition.

## 4-H Achievement Banquet Nov. 16

Grand Jury met yesterday to investigate a number of cases. Those serving on the jury are Robert Lee Smith, V. H. Kellison, Tom Duvall, L. B. Brandes, Kenneth Broese, J. T. Huckabay, Frank Brown, Mrs. Vance Campbell, Mrs. Glenn Jarnagin, Jack Frizzell, R. D. Baccus and Barry Barker.

The annual Floyd County 4-H Achievement Banquet has been staged for Saturday night, November 16, at 7 o'clock in Dun-corn Elementary School Cafeteria in Floydada.

The affair is the highlight of all 4-H activities where awards are presented to outstanding youngsters and adult leaders.

Making presentations this year will be the Honorable Jack Hightower, State Senator from District 30.

## Oil Well Bit Lost

The Soderstrum No. 1 oil well on the Fred Batten farm southeast of Floydada has been stymied for almost a week as a drilling bit was lost and has not been recovered. The well was about a mile deep at the time the trouble developed.

## Mrs. Pratt Is Winner Of FB State Contest

Mrs. A. C. (Beth) Pratt of Floydada was named winner of the Discussion Meet contest at the 35th annual Texas Farm Bureau Convention in Dallas this week. The Poor Boys, a country and western singing group from Hall County, won the Talent Find event. Members of the singing group are Eddie Gable, Roger Hargrove, Dennis Hamilton and Joe McWhorter of Memphis.

Winners of both contests will represent the Texas Farm Bureau at the American Farm Bureau Federation convention next month in Kansas City.

The Discussion Meet is a panel-type discussion or debate. Topic for this year's contest was "What Can My Farm Organization and I Do To Improve Our Marketing and Bargaining Position?"

Mrs. Pratt is the housewife of a Floyd County cotton and grain farmer. They are the parents of three sons - Russ, Kerry and Rob, and reside east of Floydada.

## Mrs. Whitaker Tells Of Holy Land Tour

By Frank O'Hagan, Jr.

Emma Lou Whitaker, former teacher in Floydada, recently returned from a tour of the "Holy Land." During the tour, Mrs. Whitaker traveled through Cairo, Jerusalem, Rome, Athens; just to name a few of the cities seen on the twenty-two day tour.

Mrs. Whitaker left the United States October 10 with twenty-five other Americans in an effort to see how people in other parts of the world live and work.

"The basic problem that confronted the people on the tour was the language barrier. It was difficult to really learn about the people and their customs when you couldn't speak their language," Mrs. Whitaker commented.

"It always seemed as if we were in such a hurry, too. We spent just one day in each of the cities, so the tour was on a pretty tight schedule."

"There were so many times that I wanted to stay longer but just couldn't. We always had to be at a certain place at a certain time but the parts of the countries and cities that I did see were very interesting."

"One of the highlights of the trip was our ride on the Sea of Galilee. We saw the fishermen changing their nets and going through their daily routine. This was especially interesting to me... just to know that I was on the sea where Christ spent so much of his time," she continued.

The tour also included the Mount of Olives during the harvesting season. During the "season" the people were picking figs, olives and grapes that just covered the vines. The weight of the fruit made the vines droop, and it looked delicious. Americans on the tour were not allowed to eat the fruit unless it had been peeled; for sanitary reasons. It surely was tempting though.

"As a matter of fact, in restaurants where we ate, fruit such as apples and grapes were served with a knife and fork so that we could easily peel the fruit," she added.

"Many of the customs were strange but most of the people treated us very nicely," Mrs. Whitaker said.

"Most of the people that we saw daily used American tours as the largest part of their income."

"One thing that frightened me was that while we were in Jerusalem fighting and shooting could break out any minute. The Israeli-Arab conflict made all of us nervous, though, because of the constant mounting of hatred displayed daily, between the people at war."

"All in all, I really enjoyed the trip and it's good to be back

## COUNTY AGENT'S CORNER

### GREENBUGS NOW IN WHEAT

Early fall surveys show only light to moderate infestations of greenbugs in wheat on the High Plains.

This report comes from Norris Daniels, entomologist at the USDA Southwestern Great Plains Research Center, Bushland, and Lyndon Almand, Extension area entomologist at the Texas A&M University Agricultural Center, Lubbock.

Present greenbug populations are light and most are in older wheat, says the entomologist. However, some small wheat is also infested.

Populations are generally one per linear foot of planted row or square foot of volunteer wheat or less. However, in Deaf Smith, Castro, Brisco and Donley Counties, populations ranged from one to five greenbugs per foot. In Swisher, Floyd and Randall Counties, come counts ran as high as 10 per foot.

The entomologists urge farmers to check their fields periodically, about once a week, as long as weather conditions are optimum for greenbug reproduction. Greenbugs can reproduce readily at temperatures down to 55 degrees. However, below 65 degrees the natural enemies of greenbugs, such as lady beetles, reproduce slowly and this can result in greenbug buildup. Once the temperature dips below the 50-degree mark, greenbug reproduction and activity will almost reach a standstill.

Populations of 25 to 50 greenbugs per linear foot or row on young plants may warrant treatment point out the en-

tomologists. As the plant increases in size, it can withstand heavier populations. A guide to follow in determining the need for treatment is based on plant height (in inches) and the number of greenbugs per linear foot: 3-6 inches, 200-400 greenbugs; 4-8 inches, 300-800 greenbugs. Insecticides recommended for controlling greenbugs are malathion, methyl parathion, parathion and phosphamidon, according to the entomologist. More effective control of greenbugs is obtained when the temperature is above 50 degrees.

As harvesting and ginning gains momentum in Floyd County, farmers should be on the lookout for green bolls mixed with high quality cotton because lower returns are almost always the result.

Green bolls add nothing to cotton quality and very little to total weight. They distribute green fibers among mature fibers in the bale and cause a reduction in uniformity of the product which is so important to spinners.

The immature bolls that are not removed, are often chopped apart and the wet fibers are mixed with the mature fibers. Some of these "green" fibers are later thrown out by the extracting saws in a lint cleaner, but not before they have done their damage to the high quality lint.

Producers should be sure that the condition of the crops at its peak at harvesting time. Overall maturity and humidity conditions in the field should be closely checked.

## FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Nov. 11 - Weekend visitors in the home of Mr. and Mrs. C. H. Wise and Charles Denton were Mr. and Mrs. George Field and children, Annette, David and Sheryl of Ft. Worth, Mona Dell Wise ofampa and Mrs. Mary Caffee, Marc and Nancy. Mrs. Wise reports all of their family were here except Louie Caffee.

Mr. and Mrs. Kay Crabtree and children visited in Idalou Saturday afternoon with her parents, Mr. and Mrs. Elmer Griffith.

Mrs. Jewell Teague, who recently sustained a broken arm, came home Tuesday from Lockney Gen. Hospital where she had been a patient for five days. She is doing fine now and went back to work Friday night to her duties as a nurse. She still has her left arm in a cast, however.

Mr. and Mrs. Bill Beedy of Claude visited Thursday with Mrs. W. B. Wilson and Mrs. Bill Tye. Mr. and Mrs. A. S. Mize were also there to be with the group.

Floyd Montgomery of Plainview visited Saturday morning with Mr. and Mrs. Clyde Bagwell.

Mr. and Mrs. T. L. Perry spent the weekend in Lubbock with their daughter and family.

The green boll separators on the stripper should be adjusted to remove as many rejects as possible. The modern, high efficiency vertical type boll units will do the job nearly 100 percent if properly adjusted.

If, under conditions which can't be avoided, green bolls are included in the stripping operation, the ginners should be notified at the time the cotton arrives at the gin. The modern gin is equipped with machines to remove greenleaves, green bolls, sticks, stems, dust and trash, but it can do the job better if the ginners adjust for the extra load.

Mr. and Mrs. Eugene Watts and Scotty.

Mrs. Mary Stanley and Mrs. Ella Cummings visited Saturday afternoon with Mrs. Kate Crabtree.

Ray Cook is home and doing better, but the doctor told him to take it easy for a while.

Mr. and Mrs. Clyde Bagwell visited in the home of Mrs. Alma Dunn Saturday night. Others there were Mr. and Mrs. Floyd Montgomery of Plainview and Mrs. Minnie Manning of Pineville, Mo. The group enjoyed games of 84.

Mrs. Walton Wilson and Mrs. Dot Hammonds went to Plainview Wednesday and while there they visited Mrs. M. O. Stapleton.

Mrs. Walton Wilson visited Friday with Mrs. Dot Hammonds.

Tuesday Mrs. Ruy Irwin and Mrs. Carl Nelson went to Lockney Hospital to visit Cecil Carthel, who was a patient there.

Mrs. Irwin and Mrs. Nelson visited at Caprock Hospital Thursday with Mrs. Claude Payne and also with Zollie Baurget who is a patient there at this time.

Mrs. Edell DuBois visited Mrs. Mollie Kanard Monday afternoon and Mrs. A. C. Collins Wednesday.

Mrs. W. B. Wilson and Mrs. Bill Tye were Sunday dinner guests of Mr. and Mrs. A. S. Mize. In the afternoon they all visited Mr. and Mrs. Walton Wilson.

Mrs. D. D. Tate of Lockney visited her sister, Mrs. E. W. Walls Thursday.

Mr. and Mrs. Lyndal Carey, Carolyn and Mike of Claude spent the weekend here with her mother, Mrs. Roy Meek and his mother, Mrs. John Carey.

WHERE'S TH' FIRE?

Ken Weaver  
Floydada Volunteer Fire Department

During the month of October 1 to November 1, the Floydada Volunteer Fire Department answered two (2) calls. On October 5 at 7:45 p.m., a car fire on the "Y" was reported by tourists traveling through Floydada. Wiring was the cause with only smoke damage reported. On October 16, at 5:10 p.m. an oven fire was reported at the residence of Carl Wilkins, 305 W. Tennessee. The Fire Department would like to commend Mrs. Wilkins on her actions when she discovered that she had accidentally left a "Tupperware" bowl in the oven of her electric range. After discovering the blaze, she immediately used BAKING SODA to extinguish the flames. Seeing that she did not have enough soda she closed the oven door to keep the flames from spreading the fire. While calling the Fire Department, she used a damp cloth over her mouth and nose to keep from inhaling the smoke. When asked how she knew to use these measures, Mrs. Wilkins reported that she really didn't remember exactly how she knew, that it was just something that came natural. Mrs. Wilkins' fast thinking and acting in helping to extinguish a fire that could have completely destroyed her home, is to be congratulated. We are happy to report there was only a little damage done to the Wilkins home.

For the past two (2) weeks the Floydada Volunteer Fire Department has been working on the tile building, donated by J. B. Bishop, located north of Cope's Trailer Park. The tile that can be saved after tearing the building down will be used

to re-build a house at the practice field. The house will be used to practice the extinguishing of fires in a smoke filled room with the use of breathing apparatus.

The Floydada Volunteer Fire Department has four new members as of the past month. They are Sonny Tilley, H. H. Tommy Ogden and Hack Redd. The Department is very happy to have these new members. Anyone wishing to join the Volunteer Fire Department should contact any Volunteer Fireman, Chief, Carroll Sims.

### Bealls Opens Three New Stores This Fall

The Beall Department Store chain, with general offices in Jacksonville, Texas, announced today the opening of three new department stores this fall. The announcement was made by R. G. Beall, company president.

Stores in Corsicana and Temple, have recently held Grand Openings. The third opening is to be in Harlingen, on November 20. All three stores are located in air-conditioned mall-type shopping centers. Sizes of the stores run from 15,700 to 17,500 square feet. Each store features the very newest in fixturing and decor and carries a complete

line of name brand merchandise for family and home.

With the opening of these new units, Beall's now operates 54 stores in Texas, and one store in Ardmore, Oklahoma.

1969 will be another busy expansion year for the Beall Company. The fourth Beall's will be opened in Corpus Christi, and will be approximately 30,000 square feet in size which will make it the largest store in the chain. Also, a 15,000 square foot unit is planned for Waxahachie, in the new Northgate Shopping Center.

Two present stores are to be re-located in early 1969. Beall's Victoria store will

move to a new shopping center and will contain 19,500 square feet of space. Also, Beall's will move from its downtown location in Lufkin, to a shopping center location and will more than double its present size. Several other new stores for 1969 are in the negotiating stages and will be announced as soon as leases are finalized.

FLOYD DATA  
Mr. and Mrs. Dick Nichols have been able to return to their home in Waldron, Ark., after a stay in Plainview Hospital. Nichols underwent surgery and while he was recuperating Mrs.

### School Board Approves Audit

The Floydada school board approved the 1967-68 audit of the school's business at its regular monthly meeting Monday night. The audit was prepared by Niemeir & Pierce Public Accountants.

In other business the board approved a trip for the Whirlwind Band to Brady in March, and approved payment of the bills and reading of the minutes of last month's meeting.

All board members were present except Louis Pyle.

### Basketball Tournament

The Floydada Rotary Club will again sponsor the Jr. High basketball tournament this year, and it has been scheduled for December 12, 13, 14.

Trophies will be given on the final night of play. Rotarian Jimmy Seay is in charge of the tournament.

DIRECTOR ELECTED... Members of the Producers Cooperative had their annual meeting Monday night and elected Louis Lloyd member of the board. The "co-op board" is (left to right) Wood-Wilson, Bill Cagle, R. G. Dunlap, Louis Lloyd, C. L. Gilly, Louis and Otis Anderson.

### Producer's Co-op Members Elect Louis Lloyd Director

Members of the Producers Cooperative Elevator elected Louis Lloyd to the position of director at their twenty-fourth meeting Monday night at the Elementary Cafeteria.

Lloyd succeeds C. L. Gilly as the second director of the Producers Cooperative Elevator.

He will serve a three year term.

Bill Cagle, general manager of the grain elevator, said the capacity of the "elevator has not reached its peak and could handle twice the grain volume. "The co-op is the best example of a free enterprise because it belongs to the members with

one common goal of helping each other produce better products at a lower cost," he said.

"Twenty years ago the members of the cooperative invested \$1.00 each and today the returns for their investment are over \$145,000.00," he added.

In other business at the meeting, R. G. Dunlap called the meeting to order, Marion Bradford gave the invocation, Louis Pyle read the minutes and C. L. Gilly introduced the guests.

Next Bill Cagle issued the "manager's report," Wm. Bertrand, Johnnie Cates and Jack Yeary reported from the nominating committee.

After the election of a director, door prizes were given - supervised by Otis Anderson, Woodrow Wilson and the "prize tickets" were drawn by Miss Lori Lyles.

Mr. and Mrs. Jerry Watson completed the agenda with a stage production of "The Diary of Adam and Eve," written by Mark Twain.

## Darlene Laminack, Robert Stovall Repeat Twin Vows

A simple but impressive double ring ceremony was performed in the chapel of the First United Methodist Church Saturday morning for Darlene Laminack and Robert T. Stovall.

The father of the groom served as best man. Following a small reception the couple left Lubbock by plane for Dallas and flew from there Monday to Las Vegas, Nevada. Upon their return they will make their home in Floydada. Mrs. Stovall is secretary for Production Credit Association in Floydada and her husband is engaged in farming and ranching.

The wedding vows were read at 10:30 by the pastor, Rev. C. B. Melton before the immediate families of the couple.

Parents of the newlyweds are Mrs. Mable Laminack of Floydada and Mr. and Mrs. Richard Stovall of Floydada.

The marriage was performed before a kneeling bench of white satin, flanked by lighted tapers and an arrangement of fall cut flowers.

For her wedding the bride wore a street length fitted shift dress of beige with matching coat trimmed in fur of darker hue. She wore slippers and a pillbox hat in the same color. Her cascade bouquet was arranged with green and brown orchids intertwined with pearls and satin ribbon.

Mrs. Tom Bob Jarboe of Friona was her sister's attendant. She wore a gold cape dress with brown accessories and carried a cascade bouquet of similar flowers to that of the bride.

## HD Council To Hold Bazaar

As the final fund raising event of the year, the Floyd County Home Demonstration Council will sponsor a Christmas Bazaar of handmade items for gifts November 20.

The Bazaar will be held in the council room of the agricultural building, southeast corner of the square, beginning at 9:30 a.m.

The public is cordially invited to attend according to Mrs. Raymond Williams, finance chairman.

## Miss Roberts, Whitfill Vows To Be Read November 30

Mr. and Mrs. Don A. Roberts of Waterflow, N.M., announce the engagement and approaching marriage of their daughter, Anita Louise, to Anthony Whitfill, son of Mr. and Mrs. D. V. (Jack) Whitfill of Floydada. The couple will exchange vows November 30 at 2 p.m. in the Sacred Hearts Catholic

Church in Waterflow. Miss Roberts is a 1967 graduate of Kirtland High School and attended San Juan Branch College her freshman year.

Her fiancé, a graduate of Floydada High School, served in the Army and is presently employed by Lighthouse Electric in Floydada.

## Miss Lloyd, Jerry Dillard Wed In Saturday Ceremony

Mr. and Mrs. Jerry Tillman Dillard II are making their home in Dallas following their marriage Saturday in Richardson Heights Baptist Church in Richardson.

The bride is the former Kitty Frances Lloyd, daughter of Fred Lloyd of Floydada. Prior to the wedding, she made her home with her grandmother, Mrs. R. A. Garrett. Parents of the bridegroom are Mr. and Mrs. Wren Dillard of Plainview.

Rev. Charles D. Vanderslice performed the ceremony. The couple's attendants were Mr. and Mrs. Ben White of Dallas.

## Mrs. Wedel Is Club Hostess

Mrs. Laurence Wedel was hostess for the Hook and Needle Hobby Club when members met Tuesday of last week.

The regular business session was conducted and members worked on their projects. Refreshments were served by Mrs. Wedel to Mes. Glen White, Sam Baker, D. W. Wiles, Gus Hammonds, Maurice Nohlin, David Lewis, Norman Niederbrach, Vernon Cummings. Members meet again Nov. 19 with Mrs. Wiles.

## Stan Pierce Is FHA Beau

Stan Pierce was chosen, by money votes, as Beau of Future Homemakers of America, Floydada chapter. Other nominees were Mark Weems, senior; Andy Hale, sophomore and Brad Hagood, freshman. Stan is a junior in Floydada High School.

When all money was turned in voters had contributed \$16.24 to Stan. Brad Hagood had \$10.14 worth of votes and was named runner-up.

The local chapter of Homemakers will meet November 21 in the high school auditorium for Daddy's Date Night. Each girl is to bring her father.

## Mrs. Martin Has 86th. Birthday

Mrs. Pearl Martin observed her 86th birthday Sunday and enjoyed the presence of her only surviving sister, Mrs. Lizzie Eddleman of Estelline, who is 94. Two brothers of the honor-

MRS. LARRY D. FRYSSINGER

## Sandra Marler Is Bride Of Larry D. Frysinger

The First United Methodist Church in Floydada was the setting for the wedding of Miss Sandra Lynn Marler and Larry Dennis Frysinger Saturday evening, November 9th. The double-ring ceremony was read by Rev. C. B. Melton at 7 o'clock.

Parents of the couple are Mr. and Mrs. Orville Marler of Floydada and Mr. and Mrs. Ace Frysinger of Tipton, Okla. Mrs. Vernie Moore was organist.

Palms and brass candelabra holding white tapers were centered back of the Communion table and brass urn arrangements of pink mums and poinsettias were the altar scene. Topiary trees on each side were decorated with votive candles and pink mums.

The bride, given in marriage by her father, wore a formal length gown fashioned of pure silk peau de soie in deamond white and accented with imported French Chantilly lace. It was designed with an empire bodice featuring a decolette neckline and long fitted sleeves. An over-layer of the lace also

complimented the bodice, defining the empire line and extended down each side front of the skirt which was A-line. The detachable train fell in a fan shape and was held in place by a large bow. Lace appliques of chantilly lace were scattered over the chapel train.

Her veil of illusion fell floor length from a crown of seed pearls.

She carried a white Bible topped with a Cattleya orchid showered with stephanotis and white satin streamers tied in love knots.

Mrs. Richard Marler, Vernon, sister-in-law of the bride, was matron of honor. Bridesmaids were Mrs. J. M. Willson III of Canyon and Mrs. Larry Golden of Stillwater, Okla.

Each was attired in cranberry colored velvet floor length dresses fashioned with high necks and brief sleeves and a skirt panel in the back that fell into a short train. They wore matching colored pill boxes and brief net veils. Each carried cascade bouquets of soft pink carnations accented with cranberry colored velvet trim.

Lee Campsey of Gruver, brother-in-law of the groom, was best man. Groomsmen were J. M. Willson III of Canyon and Steve Marler, brother of the bride. Ushers were Bob Marler, Ushers, Vernon, brothers of the bride, and Jimmy Burson, Silvertown.

Following the wedding a reception was held in Fellowship Hall of the church. The table was covered with a hand drawn cloth and held the wedding cake and flowers of the bride attendants. Mrs. Frank Goen, Floydada, Mrs. Carroll Welch of Tulsa, and Miss Nancy Marler, Dallas, served. Mrs. Jack Casey, Plainview, was at the guest register.

For traveling the bride changed to a cranberry coat dress with black accessories. Following their honeymoon trip the couple will make their home in Dallas, where the bridegroom is employed by General Dynamics.

The groom's parents were hosts for the rehearsal breakfast held Saturday morning at Rogers Restaurant.

Mrs. Marler, a graduate of Floydada High School, was employed by Continental Oil Co. in Dallas prior to her marriage. Her husband is employed by General Dynamics.

## Federation Tea Held Here By Five City Clubs

The Federation Day Tea by federated study clubs of Floydada was held Tuesday evening of last week in the chapel of the First Baptist Church. Mrs. Henry Shaper, Texas Federation president, was unable to be here due to illness and Mrs. Lane Decker, Caprock District president, was guest speaker in her absence. Mrs. Decker was also making her official visit to all five city federated clubs.

Mrs. Lon V. Smith, one of Caprock District life members, brought the invocation. Following the welcome, presidents of the five clubs were introduced. They are Mrs. P. D. Helms, 1922 Club; Mrs. S. W. Ross, 1929 Club; Mrs. R. G. Dunlap, 1934 Club; Mrs. C. C. Whittle, 1950 Club and Mrs. A. C. Pratt, 1956 Club.

A skit "Take Time To Vote" was presented by Mes. Claude Weathersbee, Bob Copeland, C. C. Whittle, Doris McLain and Miss Nell Swinson.

The song, "The House I Live In" was sung by Mes. Charles Anderson, Gene Arwine, J. W. Cannon, Don Cheek, Claude Weathersbee, Laurence Wedel, Ed Wester, C. C. Whittle accompanied by Mrs. Bob Copeland. The group was joined by guests in singing "God Bless America."

The introduction of Mrs. Decker was given in song, "Beautiful Lady." Her topic was "Getting Women Involved."

Following the program club members were served refreshments from crystal appointments. The serving table was laid with a lace cloth centered by a fall arrangement.

Hostesses were Mrs. Noel Troutman, Mrs. R. L. Nichols and Mrs. Bessie Henry, 1922 Club; Mrs. C. W. Denison, Mrs. Ernest Kendrick and Mrs. Clem McDonald, 1929 Club; Mrs. Ralph Johnston and Mrs. Doyle Mount, 1934 Club; Mrs. Tom Moore, Mrs. L. G. Willson and Mrs. J. W. Cannon, 1950

## Thanksgiving Luncheon Held

A Thanksgiving luncheon was held last Thursday at Lighthouse Electric by members of the 1922 Study Club. Mrs. Noel Troutman was program leader and had the devotional. Members answered roll call with time savers.

For the luncheon each member brought a salad and contributed to the purchase of a turkey which was prepared by Mrs. Mary Phillips, home economist at Lighthouse. Mrs. Phillips demonstrated the Versutronic range and also the blender.

Hostesses for the luncheon were members of the program and social committees.

Attending the meeting were Mes. E. L. Angus, Kenneth Bain, J. H. Barnard, D. S. Battey, D. W. Burke, Pearl Fagan, P. D. Helms, W. H. Henderson, Bessie Henry, Wilson Kimble, R. L. Nichols, Lon V. Smith, E. F. Stovall, Noel Troutman, W. O. Tye, Ben Whitaker, J. M. Willson, Mrs. Joe Wilson, associate member and Mrs. Phillips.

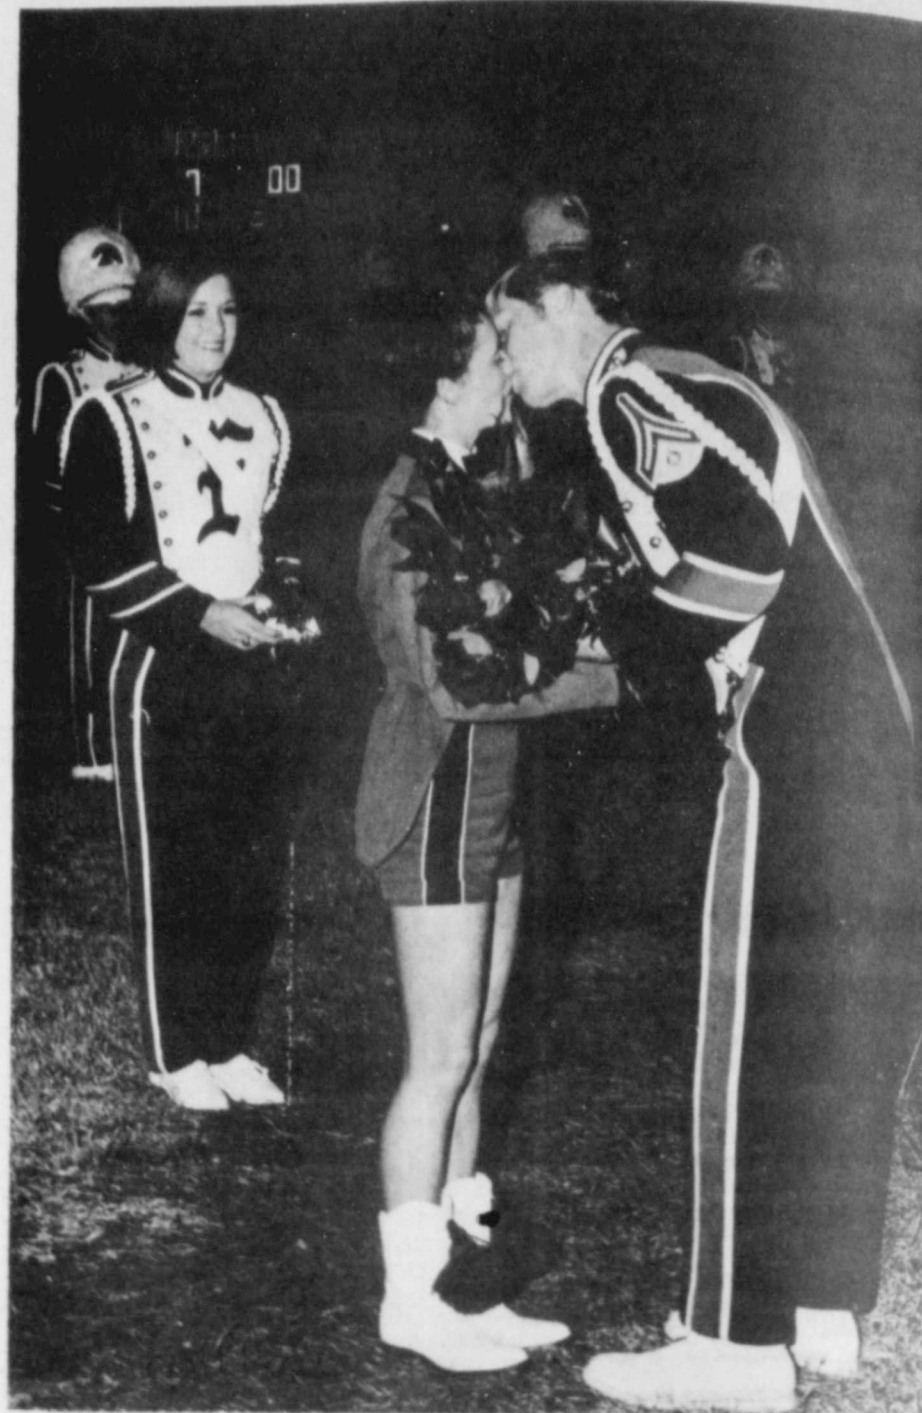

The next meeting, Nov. 21 will be Americanism Day with Mrs. R. L. Nichols as hostess. C. B. Melton, pastor of the First United Methodist Church, will be guest speaker. Mrs. Jack McIntosh will also speak briefly on the local Neighborhood Community Center. Members are to bring gifts for the Wichita Falls State Hospital.

Club; Mrs. Craig Gallimore and Mrs. Jackie Younger, 1956 Club.

## Candlelight Ceremony By Cadette Troop

Girl Scout Troop 83 week. Mrs. Le Roy Burns, Cadette leader, welcomed guests and introduced her assistants, Mrs. ...

Herman Graham and Mrs. Ed Neff.

Margyne Giles, Sherrie Collins, Nancy Hicks and Karla Suggs presented the flag in ceremony. Everyone present repeated the Pledge of Allegiance and then sang "America."

Seventh grade patrol leader Karla Suggs introduced her assistant Kathy Graham and other officers. This patrol has chosen the Tarantulas for their name.

Eighth grade patrol leader Zahn Daniel introduced her assistant Reita Fitzgerald and other officers. The name of this patrol is the Goatheads.

Mrs. Burns presented membership stars to Cadettes Zahn Daniel, Reita Fitzgerald, Janie Asebedo, La Donna Neff, Kathy Lake and Clara Porter. These girls have been cadettes one year.

To close the ceremony the Cadettes repeated by candlelight, the Girl Scout Promise.

Mothers present were Mmes. Don Daniel, Wayne Collins, Gene Arwine, Andrew McCulley, Elver Lake, Herman Graham, Ed Neff, Le Roy Burns, Troy Brooks and a visitor, Mrs. L. V. Jones.

Troop members are Margyne Giles, Nancy Hicks, Sherrie Collins, Clara Porter, Carla Suggs, Sheryl Burns, Kathy Lake, Reita Fitzgerald, Nan McCulley, Zahn Daniel; La Donna Neff, Nancy Puckett, Kathy Graham, Janie Asebedo, Janie Hagood, and Sally Mize.

On November 1 Cadette Girl Scout Troop 83 was surprised with an overnight camp-out in the back yard of Mrs. Leroy Burns. Girls were picked up at their homes by Mrs. Burns, Mrs. Herman Graham, Mrs. Ed Neff and Mrs. Andrew McCulley, then taken to the Burns home.

Wilson Bond met with the troop and instructed them on the procedure of setting up a tent. Cadettes were divided into groups of three and each group set up a tent.

The evening meal was prepared in the yard by the troop on a charcoal grill. Songs were enjoyed by all the girls and games were played. They then retired to the tents for the night.

After a breakfast of orange juice, hot chocolate and doughnuts the girls were returned to their homes.

Cadettes present were Clara Porter, Margyne Giles, Sherrie Collins, Nan McCulley, Sherrie Burns, Karla Suggs, Nancy Hicks, Kathy Graham, Janie Hagood, Sally Mize, La Donna Neff, Reita Fitzgerald, Kathy Lake, Janie Asebedo, and leaders Mrs. Burns, Mrs. Graham and Mrs. Neff.

## Gamma Iotas Hold Formal Birthday Banquet Nov. 9

Mrs. Robert Laney, first vice president, Alpha State, and a teacher in Amarillo schools, spoke at Gamma Iota's formal birthday banquet Saturday night, November 9 in Alcove Restaurant's Fireplace Room in Plainview.

Mrs. Laney's talk, entitled "To Thine Own Self Be True," concerned total commitment, dedication, individualism and responsibility of educators, emphasizing that one never knows how far reaching his influence might be. She believes kindness, compassion, and tolerance are qualities the teacher must demonstrate continually so children will have a pattern to follow - "To light one taper is to kindle many lights."

Gamma Iota's chapter theme is "The Woman Educator's Responsibility in Shaping Values". The society's international theme from 1967 - 1971 is "The Critical Analysis of Values - A Basis for Action" focuses for 1968-69 on "Improving the Quality of Daily Living."

Mrs. Sam S. Cowan, chapter president, welcomed members and guests to the thirtieth anniversary celebration of the organization (November, 1938, Plainview, Texas by Miss Eula Lee Carter) of Gamma Iota Chapter of Delta Kappa Gamma

Society, international honorary society for women educators. Members, in turn, introduced guests including husbands, friends, administrators and their wives.

Mrs. Cowan recognized and presented gifts to three charter members: Miss Anna Lee Anderson, Silverton, Texas; Miss Mattie Sue Howell, Plainview, Texas, who gave the invocation; and Mrs. Lee Nowlin, Plainview, state area five director, who introduced the speaker and oed group singing accompanied by Mrs. Malcolm Atwood at the piano.

Room and table decorations included individual birthday cakes with candle and appropriate song selections were sung emphasizing the purpose of the occasion.

Members and guests from Floydada included Mrs. Ruth Baker, Mrs. Edna Phillips, Mrs. G. C. Springer, Mr. and Mrs. Fred Stewart, and Mrs. D. W. Kirby.

## Homebuilders Club Meets In Walker Home

Homebuilders Home Demonstration Club met Tuesday in the home of Mrs. John Walker. The president, Mrs. Raymond Williams conducted the business meeting, during which time plans were made for a family Thanksgiving dinner the night of November 26 in the council room. Various committees were appointed to serve at this time.

Plans were also completed for the annual Christmas party to be held December 10 in the home of Mrs. J. T. Huckabay. Mrs. Robert Copelin, president-elect for '69, read the standing committees for next

year. Annual reports of officers and committee chairmen were given.

A demonstration on fish cookery was given by the HD agent, Miss Sherry Mullin. She gave the history of fish and told different ways fish could be stored and cooked. Fish should be cooked slowly but not for too long a time. The recipes she used were very tasty and good.

District Agent Mrs. Aubrey Russell of Lubbock was a guest of the club.

Roll call was answered with "How I Have Used This Year" by the following: Mmes. Williams, Copelin, Huckabay, Ernie Widener, Raymond Evans, Floyd Fuqua, Gordon Mayfield, Elmer Norrell, Harmon Roberts, and a new member, Mrs. Curtis Martin, and the hostess.

FLOYD DATA Wheeler Turner, former Floydada resident and brother of V. D. Turner, suffered another heart flare-up and was placed in intensive care of West Texas Hospital in Lubbock Saturday morning. Since then he has been moved to a private room where his condition remains serious, according to the family.

A sister, Mrs. Lillie Poff of Arcada, Calif., is in Lubbock with her ill brother, as have been other members of the family.

"The most-talked about subjects at the average reunion are those who didn't come."

FLOYD DATA Lester Britton was taken by Moore-Rose ambulance to the Crosbyton Hospital last week where he is under treatment for a bleeding ulcer. The Britton's son, Bobby and family of Monday were her over the weekend to be with his ill father and his mother. They also visited with Mrs. Bobby Britton's parents, Mr. and Mrs. B. L. Breed.

BILLY Graham's movie, "For Pete Sakes" is opening today at the Granada Theatre in Plainview. I'm not giving the theatre free publicity, just the movie. It's a must on anyone's movie list. It's a family film and I understand a number of youth organizations in the area plan to attend. The movie with a "meat and potatoes" guy who has dared to take on big questions about Christianity today" is slated to be shown through Nov. 19 each night at 6:15 and 8:30, Saturday and Sunday matinees at 2:30 p.m.

BY A 79-11 percent margin, the American people favor abolishing the electoral college vote system and favor the direct popular vote for the president. I, too, am in favor of the popular vote. By a 6- to 24 percent margin the public opposes the present constitutional provision of having the House of Representatives name a president if the electoral college cannot elect him. By a 5-1 margin the American people went along with a suggestion made by Mr. Nixon, but rejected by Mr. Humphrey, that in case of an electoral deadlock, the candidate who received the most popular votes be named president. Undeniably, the American people want to change the voting system before another presidential election, particularly after the tense wait-out of last week.

A RECORD 60 million people of all ages are now pedaling bikes down the path to better health, or they were during the summer months. Women intent on controlling weight and keeping a trim figure outnumber men on bikes. Many doctors are recommending cycling to their patients. Pedaling a bike exercises virtually every muscle in the body, yet is not exhausting, says noted heart specialist Dr. Paul Dudley White, who is also a bicycle enthusiast.

The Medleys were watching the game between the Cowboys and Giants closely Sunday, hoping the TV camera would go up into the stands and by chance picture our son and two of his buddies among the fans attending the game. I think this is the first televised game I ever watched in which the camera stayed on the ground during the entire four quarters. I understand a number of Floydada fans were there also, among them newlyweds Mr. and Mrs. Robert Stovall.

PAT Nixon was given a guided tour of the White House Monday by current first lady, Lady Bird Johnson. Mrs. Nixon said, "It's a house that shows that someone cares." Mrs. Johnson turned over to Mrs. Nixon the blueprints of the second floor with its 14 rooms and six baths, and the third floor with nine guest rooms and seven baths. This was Mrs. Nixon's first visit to the White House since the Kennedy inaugural 1961 when the Eisenhower administration and Vice-president Nixon left office. The Nixon family will take up residence in the White House January 20.

THE only object in the White House that has been there since its first occupant, John Adams, who moved there in 1800, is the portrait of George Washington, which hangs with one of Martha in the East Room. The only time it has been moved from the White House was when Dolly Madison removed it in 1814 when the British set fire to the Executive Mansion.

THE little four year old was proud of himself when one morning he achieved the chore of putting on his shoes. His father patted him on the head and said "but son you have them on the wrong feet." The youngster looked horrified at his father and stated "but daddy, these are the only feet I have."

### SEWING ON LEATHER-LIKE FABRICS

What is the newest, most fashionable in fabric for fall? Leather-like materials. It is showing up in skirts, vests, jackets and jumpers as well as rainwear and accessory items such as tote bags, hats and belts.

Sewing techniques used on leather-like fabrics are similar to those for vinyl and real leather.

Select a pattern with simple design lines. Raglan and kimono sleeves are easier than set in sleeves.

In cutting the fabric pin pattern in seam allowances only. Use sharp shears and cut accurately. To mark the pattern, use dressmakers' carbon and a smooth edge tracing wheel to mark from the wrong side. Stitch a test seam on the sewing machine before beginning. From this determine correct pressure and tension. It

should be medium tension and light pressure. 8 to 12 stitches per inch for stitch length; a 14 size needle for medium weight fabrics and 16 for heavy weights; and heavy duty mercerized cotton thread for construction is recommended.

Plain seams will roll and they cannot be ironed flat. Flatten seams with rubber cement or adhesive.

Taper darts to a very fine point. The last three to four stitches should be on the fold. Don't backstitch.

It is recommended to use a tailor's hem, picking up one or two threads in backing. Don't pull the stitches tight or the garment will pucker on the right side.

Another tip; do not baste seams but pin them in the seam allowance. If the leather sticks to the machine's metal surface when sewing, use a strip of tissue paper between them.

Use reinforcement in buttons and neckline areas to prevent stretching.

## Helms Named As District Committeeman

J. D. Helms, son of Mr. and Mrs. P. D. Helms, an attorney with the firm of Lynn, Helms and Countiss at Spearman, has been named by delegates from the 31 Senatorial District (Panhandle area) as District Committeeman.

The action taken by Delegates to the Democratic State Convention recently saw Helms emerge from a field of four candidates as a successor to Dick Brown.

After Brown had made it known prior to the convention that he did not plan to seek another term as committeeman, Helms' name, along with three others, was submitted. Helms is Hansford County Democratic Chairman.

Two men withdrew from the race leaving Helms and Fritz Thompson of Borger, former member of the Texas House of Representatives. Randall

County in a caucus preceding the district caucus voted to support Thompson on the first ballot.

Both Helms and Thompson were nominated at the district caucus, and when 15 counties of the 28 had voted, it was apparent that Helms had a clear majority. At that point the balloting stood at 71 for Helms to 29 for Thompson. Moore County, which had earlier cast four

votes for Thompson and three for Helms, then asked that it be allowed to change its vote to seven votes for Helms and that he be elected by acclamation. The caucus made it unanimous.

Helms attended the National Democratic Convention in Chicago as an honored guest of the Texas delegation and also attended the Democratic State Convention in Austin last week.

## Menard Field Appointed To LCC Drive

Menard Field of Floydada, Texas has been appointed by the Trustees and Administration of Lubbock Christian College to serve as Project IV Advancement Representative for LCC in the Floyd County area.

Project IV Advancement is LCC's drive to raise \$3,192,000 in three years to advance from a junior college to a four-year senior college serving twelve hundred students.

Menard Field will lead in contacting all alumni, parents of ex-students and prospective

friends of Lubbock Christian College. Field has been a loyal booster of LCC and he has helped the college grow to its present size with 10 permanent buildings and assets of over \$6 1/2 million. Seven hundred and thirty-five students are presently attending the private junior college.

The funds will be used to increase the number and salaries of faculty members, double the library facilities, add a science building and laboratories, and arts and crafts building and to

sustain the financial obligations of the college. Aid to worthy students through scholarships, loans and grants is also included in the fund-drive.

Lubbock Christian College expects to graduate its first four-year class in May, 1972.

## Roy Childress

Funeral rites for Roy Childress, 73 year old former area resident, and brother of Mrs. Ernest Smitherman of Floydada, were held in the South Side Baptist Church in Granbury Saturday, November 9. Childress died Thursday, Nov. 7 at 7:40 p.m. in the family home at Granbury. He has been ill several years with a heart condition and complications.

Rev. H. S. Calahan Jr., former resident of Floyd County, conducted rites. Interment was in Granbury Cemetery. Nephews of the deceased were pallbearers; they are Philip Smitherman, South Plains; Larry Smitherman, Austin; Wayne Childress, Tow, Tex.; J. T. Banks, Fort Worth; W. L. Orman, Floydada and Enis Bishop, Stamford.

Childress was born May 16, 1895 in Stephens County, Tex., and at the age of two, moved to Floyd County with his parents, the late Mr. and Mrs. J. D. Childress. He and the former Pearl Casey were married in Brownfield in 1923.

The deceased had farmed in Floyd County at South Plains until moving to Granbury in 1962 after ill health forced his retirement. He still held farming interests here. During his life span in Floyd County he became well-known and was loved by many friends in this area, and on his return visits made it a point to renew all those friendships.

Childress was a member of the Baptist Church.

He was preceded in death by his parents, one brother Ralph, and three sisters, Maggie Hunt, Minnie Orman and Stella Campbell.

Survivors include his wife; one daughter, Mrs. Louise Hidalgo; six grandchildren and one sister, Mrs. Smitherman.

Attending last rites from this area were Mr. and Mrs. Ernest Smitherman, Mr. and Mrs. Philip Smitherman, Mr. and Mrs. W. L. Orman and P. L. Orman.

FLOYD PHILOSOPHER
Takes A New Slant On The High Cost
Of Running For Public Office

Editor's note: The Floyd Philosopher on his Johnson grass farm adds a final note to the recent campaigns.

Dear editor:
Sifting through a stack of newspapers printed before the election and dumped in a ditch near my house I was looking for something to read besides out-dated campaign oratory and yesterday's claims of victory that didn't pan out when I ran across an article on the cost of running for office.

According to it, the politicians, from the local level to the White House, spend around \$300,000,000 running for office this year.

Now a lot of people say that's too much, that it doesn't make sense to spend a million dollars seeking a job that pays \$25,000 a year, or 20 million for a job that pays \$100,000.

But take that \$300,000,000. It sounds like a lot of money, but did you know that if the 200 million people in this country all went out to dinner tonight and ate \$1.50 worth apiece, not including the tip, it'd amount to \$300,000,000?

Show me the candidate that's not worth at least \$1.50.

Running for office is sort of like raising children. It used to be that there was a profit in a kid, he made a good farm hand free of charge from sunup to sundown from the time he was 6 till he got big enough to catch on and pick up and move to the city.

Nowadays, though, there's very little profit in raising kids, yet people keep on doing it. Nowadays, there's very little profit in saying a Congressman's or a Senator's or a Governor's salary, yet people believe that there are other returns from the office than the salary, although maybe not altogether in the same category as the returns from raising kids.

On the whole though I'd say the level of the current crop of politicians is about the same as the current crop of kids, or their parents or their grandparents.

Let's face it, it's all we've got to work with. Yours faithfully, J. A.

Letter To The Editor

Dear Editor,
I join with Jack McIntosh in his pledge to the president, and also renew my pledge of allegiance to the United States of America, and pledge more faithful worship of the Supreme Lawgiver. This was suggested in his letter to the Editor published in last week's paper.

An overwhelming majority of Floydada's citizens probably have done likewise. What can we do about the minority? What about the fellow who does not want law and order as every presidential candidate asked for? What can we do about the fellow who continues to break laws, commits murder and kindred acts?

Behind every worthwhile movement there is an idea, a dream, a decision, a resolution, or a pledge.

The tax rate would be prohibitive if we hired policemen to stand on every street corner and lonely country road twenty-four hours per day. But we are there. Why can we not be the eyes and ears for the policemen?

We have a fire chief in every town with many volunteer firemen. Why can we not have volunteer eyes and ears for the chief of police and/or sheriff in this county? We would need training as the firemen do.

Would Mr. McIntosh, the Editor of the Hesperian, the Mayor, the American Legion Commander, the Sheriff, Chief of Police, President of High School Student Council, President of Rotary, Lions, or some other service club, the County or City Attorney, or some other important person call a meeting for a discussion of what the majority can do while we are still the majority?

Mr. Editor, perhaps you can think of a better suggestion. It is not necessary to publish this letter just because I wrote it.

Sincerely, Irene Kirby

(Editor's Note) Thanks to Irene and Jack for some very good suggestions, and we would be most happy to join the city council in constructive organization of better law enforcement. I once served with a group of Plainview citizens in an organization such as you suggest, and it was very effective.

Water, Inc. Newsletter

A tour of the South Plains by air, a drive from Hereford to Lubbock and the testimony of many witnesses has impressed on the members of the Legislative Interim Water Study Committee that West Texas needs water and is willing and able to pay for that water when it is available.

The Committee, composed of Billy Clayton, Springlake, Chairman, Menton Murry, Harlingen, Neal Solomon, Mt. Vernon, Bill Swanson, Houston and Bill Finck of San Antonio, took the tour prior to the public Committee Hearing in Hereford on October 5th.

The air tour was conducted in an aircraft furnished by Pioneer Natural Gas and another furnished by the Beechcraft Company of Amarillo. After take-off from Lubbock the flight was over Brownfield, West to Plains, North to Muleshoe, Morton, then east to Plainview for lunch. A visit was made after lunch to observe recharge wells on the farm of Billy Clayton, near Springlake, Chairman of the Committee.

A tour of the Missouri Beef Packers Plant at Friona and feed lots near Friona and Hereford completed the tour.

Witnesses before the Committee testified that as far as West Texas is concerned, all want to continue private ownership of ground water in West Texas. There also seemed to be a consensus that at a price of \$20.00 per acre-foot the farmers could buy the water and still carry on a profitable farming operation. They seemed certain that the increased level of economic activity resulting from a reliable imported water program would justify increasing taxes by 1/10

to help pay for this water. Testimony presented makes it seem essential that an import agency be created with power to contract with the State for purchase of the water and to contract with the users to sell them water. This agency would be the taxing authority to help defray operational costs. It would also need power to issue bonds, incur debt and to hire sufficient staff to carry out the needs of the agency.

Most witnesses wanted to be included in the area. As Bill Cleavinger of Widorado testified, "We want to be included in the earliest possible phase at the earliest possible time for water deliveries and we want to be included in and be a part of any master import agency which would be organized to deal with imported water." Cleavinger was testifying as Vice-President of the Oldham County Water Association.

About 500 people from over the State were present at the Hereford Bull Barn to hear the testimony. This was the fourth hearing and the Chairman announced that a fifth and final hearing would be held in Austin probably in November.

# The Drum Beat

BY THE  
BAND BOOSTER REPORTER

THE BAND, matured by 9 field marching accomplishments, and LOTS of extra rehearsals, headed to contest at Levelland Tuesday, November 12. There's plenty reason to believe that they will come home with a first!

Our 1968 Band Sweetheart is Penny McClintock. We are very proud of you, Penny and congratulations! First runner-up was Carrie Thayer and second runner-up was Donna Schulz. Despite the intense cold, our band performed with amazing precision, their 1968 UIL contest show. They have been perfecting this performance for several weeks and with contest close at hand, they seem confident and full of spirit. We wish you the best of luck, band!

Silver made his last appearance of the football season, led by Jackie Covington and Tom Assiter. Look forward to seeing you next year, Silver. . . Thanks a lot, boys for taking care of Silver and running him with the band and on the sidelines.

OUR HATS ARE OFF to Helen and Neil Bertrand, who have done a tremendous job this year with the concession stand. Thanks a lot! Also, a big thanks to Betty Ann and George Mize, who have worked along with Helen and Neil. The Mizes will have charge of the concession stand next year. Again in behalf of the Band Boosters, a BIG THANK YOU!

Under the field direction of Doug Cannon, our drum major, and twirlers, Penny McClintock and Kacky Weems, our Whirlwind Band entered the field in three ranks from the north and played a fanfare. A Block formation was formed on the 50 yard line playing "Golden Gate March." Then every other file separated from the main body of the band and a march back to the 50 yard line and forming a block formation faced the Floydada stand. A staggered file drill was formed while playing the music "Swagger Step", then a march back to the 30 yard line playing "Colonial March." "Burst of Trumpets" was played while doing a counter-march and then a march back and a column left maneuver was executed. "Green and White" was played as the band made an exit front and center to the sidelines, facing the Floydada stands, with the presentation of the 1968 Band Sweetheart.

HONOR ROLL of the Whirlwind Band Boosters for the Abernathy game: Mrs. Don Daniel, Mrs. Dan Hagood, Mrs. Robert Fitzgerald, Mrs. James Marric, Mrs. Thomas Moore, David Kirk, Mr. and Mrs. Winfred Payne, Mr. and Mrs. W. A. Newkirk, Mr. and Mrs. Bob Thompson, Mr. and Mrs. Thomas Warren, Mr. and Mrs. John Cockrell and candy concession stand run by Mr. and Mrs. Dick Guest.

Cokes were furnished by the Band Boosters and served to the Abernathy and Floydada Band by Bill Feuerbacher, Bob Copeland and Mr. and Mrs. Fred Martin. Looking forward to the Dimmitt game! GO! GO! GO!

FLUTES OF THE WHIRLWIND BAND. . . (left to right) front row, (left to right) Donna Schulz, Nancy Davis, Kacky Weems, Josephine DeLeon, back Colston.

LIGHTHOUSE ELECTRIC COOPERATIVE, INC.  
MARY PHILLIPS, HOME ECONOMIST

Mary Phillips Home Service Advisor. The flameless electric self-cleaning range in common use in today's modern house-holds has freed Mrs. Homemaker from one of her most dreaded tasks; tackling a messy, grease-coated oven. Here are answers to some frequently asked question about self-cleaning ranges from the Live Better Electrically Program.

Q. Why a self-cleaning oven?  
A. Every woman knows why!

Cleaning the oven is probably the most messy, most time-consuming job you do. With a flameless electric self-cleaning oven, the range does the dirty work for you - and does it automatically.

Q. Does it really work?  
A. You bet it does! All the grease and drippings in the oven are cleaned off and the only trace that remains is a slight amount of ash, similar to cigarette ashes. It's easy to wipe this ash out of the oven bottom with just a damp cloth.

Q. How does it work?  
A. The soil in the oven is decomposed by a process called Pyrolysis or the application of very high degrees of heat. Electric self-cleaning ovens are insulated so well that though the temperature inside the oven may be around 900 degrees while it's cleaning, the exterior surfaces of the range feel not hotter than when you're baking.

Q. What's the procedure for cleaning the oven?  
A. It's simply a matter of setting controls. It may differ from brand to brand, but essentially it's the same. Set a control to "clean," set the length of time you want your oven to clean, or select the proper "regular" or "heavy" cleaning cycle, and the range takes over from there.

Q. How long does it take?  
A. Cleaning usually takes from two to four hours, depending on how soiled your oven is. Some other advantages of self-cleaning ovens are:

In many ranges, you can clean your burner drip bowls and broiler pan as well as the oven racks by placing them in the oven while you're cleaning it. Electric ranges are 100% efficient. Heat for cooking goes directly into the food, not into the room.

Just a reminder - your electric utility company will wire your home free of charge until November 30 when you purchase a new electric range.

### Seven Rural Accidents in October

The Texas Highway Patrol investigated seven accidents on rural highways in Floyd County during the month of October, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property damage of \$2,580.00.

The rural traffic accident summary for this county during the first ten months of 1968 shows a total of 56 accidents resulting in no persons killed, 30 persons injured, and an estimated property damage of \$48,734.00.

November and December are noted to be dangerous months in traffic and especially for pedestrians. Much is heard about the drinking driver and his responsibility for many serious accidents. Seldom is it known that many pedestrians have met their death on the streets and highways because they had been drinking to the extent that they were unaware of the danger they faced as they staggered along the road.

The sergeant stated the familiar saying, "If you drink, don't drive," might be changed to apply to the drinking pedestrian, "If you drink, don't walk in traffic!"

#### SOCIAL SECURITY NEWS

By Ray Purcell

Social Security Representative Q. I understand the retirement age for women is 60. Can my wife apply for benefits on my account when she becomes 60 next month?

A. No. A widow is eligible for widow's benefits at age 60, but the retirement age for a woman worker or the wife of a beneficiary is still 62.

For more information contact your social security office at 1401-B West 5th Street, Plainview. If more convenient, meet with your social security representative. He is in Floydada at the courthouse on Wednesday morning, in Matador in the lobby of the First State Bank on the first Tuesday morning of each month and in Abernathy in the City Hall on the third Tuesday of each month.

# Floydada Man Awarded Bronze Star In Vietnam

John McCormick, sergeant Rannie Vickers, serving with the 11th Cavalry Regiment in Vietnam, was recently awarded the Bronze Star for Valor by Colonel Briggs H. Jones, commanding officer of the Regiment's First Squadron.

Vickers received the award for heroism against the enemy while serving as acting platoon leader during a reconnaissance-in-force operation.

His troop was conducting a sweep through a dense rubber plantation when they suddenly came under fire. A well-entrenched North Vietnamese Army company opened up on them with small arms, automatic weapons and anti-tank rockets.

Sergeant Vickers reacted immediately. He grabbed his .50 caliber machine gun and started spraying the enemy positions with

bursts of deadly fire. Glancing to his right he noticed that medical aidmen were unable to reach the wounded, due to the intensity of the fire-fight. Slapping a fresh belt of ammunition into the gun he swung it to the right and laid down a stream of covering fire - enabling the aidmen to extract the wounded.

The enemy, realizing that the bite of the armor was more fearsome than they thought, began to retreat.

Once again Vickers reacted immediately. He quickly organized a patrol and gave chase to the retreating enemy, over-running their base camp and completely destroying it.

Lieutenant Colonel Jones, after pinning the medal on the trooper said, "men like Sergeant Vickers make me proud to be part of the United States Army."

Vickers' wife, Mrs. Rannie Vickers, resides at 112 Mae Avenue.

Prosecuting Attorney is John B. Stapleton and the defendant's attorney is Joe L. Cox of Plainview.

# Airman Reed Aboard Kennedy

XO610 USS JOHN F. KENNEDY (CVA-67) at sea (FHTNC) Oct. 31 - Airman Kendall E. Reed, USN, 22, son of Mr. and Mrs. Gene E. Reed of Route 1, Floydada, Tex., and husband of the former Miss Sheryle A. Eagan of 22108 Mile Road, Detroit, was one of 2,400 crewmen aboard USS John F. Kennedy when the Navy's newest attack aircraft carrier put to sea for the first time with all-Navy crew.

Kennedy, commissioned at Newport News, Va., September 7, is engaged in independent exercises off the Virginia Capes. The ship will depart soon for formal training at the Fleet Training Center, Guantanamo Bay, Cuba.

While at sea aboard the Kennedy, he will take part in many phases of his ship's final trials. The cruise is designed to check out new equipment, train the flight deck crew and familiarize crewmen with the ship's characteristics. The first Navy jet take-offs and landings on Kennedy's 4.5-acre flight deck will be included in the tests.

## SOUTH PLAINS NEWS by Mrs. Murray Julian

South Plains, Nov. 11 - The day is shining brilliantly after a hard freeze last night, and thermometer showed 22 degrees above zero. The wind blew in the wind blew hard, and many farmers got into their fields to keep them from blowing away. Clouds of dust of feet high showed over the plains.

The Women's Fellowship Meeting will be held Tuesday night at the Baptist Church building. The meeting will be served to all the attendees. Don Probasco, speaking to the group, said that the Plains Baptist Church was low in attendance due to a number of reasons. Mrs. L. T. Wood, Intermediate GAs met at church to have Bible study and the group enjoyed with supper before the meeting begins at seven o'clock.

Johnston was able to attend school and church. He is getting along with his knee operation. He has been attending high classes in Lockney in his school.

With their grandparents, Mr. and Mrs. Early, at Baptist services Sunday morning here, were the children of Mr. and Mrs. Turner of Floydada. The group went to Dallas over the weekend to see the Dallas Cowboys and the children here with the Pritchard family. The Travis Youngs, and Mrs. Joe Taylor of Dallas this week at the State Fair Bureau through Wednesday. The group, Gregg and Rise, here with grandparents, and Mrs. J. P. Taylor, Baptist Church visit with the Taylors Sunday night. The Joe Taylor also planned to see the Cowboys play football Sunday afternoon.

The polls were open here by Bryan Karr, Probasco, and Don Probasco, Associate Judge. Others here were Mrs. Bryant, and Mrs. Fred Fortney, and Mrs. Pritchett, and Mrs. W. L. Trice, and Mrs. Renda and Ruth, and Mrs. Cummings, Sterling Cummings,

Kim, Dee, Earle, Paula, Zach and John Sunday.

Mr. and Mrs. Bryan Karr arrived home Sunday night after spending the weekend with Mr. and Mrs. Roy A. Burks in Ballinger.

Members of the La Than Club met at the Lighthouse Electric in Floydada Friday for a special meeting with Mrs. Mary Phillips. She gave demonstrations on holiday ideas to the group, and she also showed a movie film giving hints and decorating ideas for Christmas. Hostesses for the meeting were Mrs. Don Marble and Mrs. Johnny West. Refreshments of punch, coffee and chocolate brownies were served. Members who attended were Mrs. Mmes. Travis Young, Glen Wood, Dean Stewart, Jim Roberts (new member of the club) Nathan Mulder, Buck Ford, Keith Marble, Ronald Kitchens and Fred Marble, with the hostesses.

Jerry Taylor, son of Mr. and Mrs. George Taylor, died at the Lockney Hospital Sunday afternoon around 4:30. He is a relative of Fred Fortenberry in our vicinity, and funeral services are pending at this time. We offer our sympathy to the family in their sorrow.

After X-rays this Monday, the Murray Julians are hoping they can bring Mrs. Clista Hulick home from the Caprock Hospital Tuesday. She is convalescing nicely from a broken hip sustained from a fall Oct. 13.

The Floydada Student Council attended the District Convention at Brownfield Saturday. The council officers consisting of Phil Kinslow, president, Kelly Smitherman, vice president, Sara Stanforth, secretary, and Zacha Cummings, treasurer, are all children from the South Plains area. The Floydada council ran for office of president in the District Convention, and won presidency there. We are very proud of all the boys and girls, and glad to know they won.

Mr. and Mrs. Alvin Nichols went to Plainview Friday to attend the funeral of Ard Sweat, 62, with the services being held at the Woods-Dunning Chapel.

Mrs. P. K. McKenzie of Portland, Texas, arrived this Sunday morning to spend the coming few weeks here with her daughter, Mrs. John Smitherman and family. She is doing just fine.

Ellen McReynolds, daughter of the minister of the First Methodist Church in Lockney, is the roommate of Beth Kinniburgh, at McMurry College in Abilene, where both girls are freshmen at the college.

Hobby Club members remember the meeting of the Hobby Club at the home of Mrs. Harold Hamm Nov. 20 at 2 p.m. The group will have a demonstration given by Mrs. Mary Phillips, of the Lighthouse Electric on "Getting Ready For Christmas." Mrs. Tillman Powell will be assistant hostess.

Cub Scouts met Monday in the home of Mrs. Keith Marble, and Nov. 25, the group will meet at the school house for a Pack Meeting with a program for parents. Many will receive recognition pins.

The home of the Don Marbles has most of the outside work finished, and is ready for the stucco work. Much of the inside work is yet to be done. There fireplace is finished, and they hope to be through with all the house in about two or three more weeks.

L. H. Parks is having the foundation laid for a new house which he purchased in Lubbock, and is having moved here for Mr. and Mrs. Don Staggs and children. The home will be situated right across from the

Parks Oil Station.

Mrs. Nathan Mulder was hostess at a Stanley party Thursday afternoon. Mrs. Mulder served cookies, cokes and coffee to Mmes. Travis Young, Keith Marble, Carl Huckaby, Arby Mulder, and from Lockney Mrs. Kenneth Moody and Mrs. Billy Moody.

Mrs. Tillman Powell has been confined to her home the past ten days with the flu and other complications.

Mr. and Mrs. Frank McClure left Friday afternoon for Snyder where they were to visit her mother, Mrs. R. W. Newman, then they went on to Lake Whitney where they visited her sister, Mrs. Eddie Branch and family. They plan to be home Tuesday night.

Mr. and Mrs. Jack McCown of Lake Whitney brought Mrs. Walter Wood back to her home Friday and spent the weekend here before returning to their home. Mrs. Wood had spent the past two weeks there with her daughter and husband.

Two horses were killed at the corner where Jack Smitherman lives on the Silverton Highway. The accident occurred Sunday night after church services, but the occupants of the car that struck the horses were not hurt. At that same corner Tuesday morning, Mrs. Hugh Marble was in a wreck with a pickup, and although no one was hurt, both cars were damaged to great extent.

Mr. and Mrs. Pete Land of Clarendon arrived Sunday noon to have dinner and the afternoon here with her sister, Mrs. Arby Mulder and family.

Much of our community had not received a killing frost until Saturday morning, Nov. 2. The ground was white with frost that morning, and it was around 24 degrees.

Deral Young and Raymond Reeves with his father-in-law, Bruce Gibson of Turkey left the past weekend for Ozona, where they plan to spend several days hunting for deer.

We were sorry to hear about the passing of one of South Plains former residents, Roy Childress, of Granbury, Thursday night around 8 o'clock at the Childress home. He had lived there the past several years, moving there when his daughter and husband, the Chester Hidalgo moved to a farm in the Granbury vicinity.

Friday, Nov. 11 - Mrs. C. O. Gilbreath received word of the death of her uncle, Henry Alexander at Tucson, Ariz. Thursday. Funeral services were held Monday in Tucson. Alexander was also an uncle of Mrs. Ralph Martin Sr. Neither of the ladies were able to attend the services.

An Associational youth rally was held at the Bethel Baptist Church in Spur on Monday evening of last week. Those going from the local church included Rev. and Mrs. John Tubbs, Kenney Wideman, Scott Brown, Jennie, Ann, Iwanda, and Tony Richards, Mel and Mardi Wideman.

Ross Spradling, Lubbock, visited his mother, Mrs. Herbert Spradling in the D. A. Barnhart home Friday evening.

Mrs. Morris Wideman visited Wednesday morning with Mrs. H. J. Hillyard and Mrs.

## 50 Cattle Die Cause Unknown

Cause of the death of 50 head of cattle owned by Raymond Eldredge of McAdoo has not yet been conclusively determined. Eldredge estimated his loss at \$10,000.

Eldredge found his cattle, which had been grazing on feed, in various stages of dying Friday, Oct. 26. A veterinarian from Spur, Dr. Murray, was called that day, but couldn't return Saturday. A Lubbock veterinarian came Saturday and diagnosed the herd's illness as due to acid in the feed from the light frost. A sample, however, was sent to the laboratory in Lubbock and the report showed arsenic in the feed, plus a tremendous amount of cyanide developed from the prussic acid, Eldredge reported.

Eldredge said other tests have been made with results yet to come in, since it is not known why arsenic would show up in the feed or why there was such a large amount of prussic acid in the stomachs of the dead animals.

Eldredge reported that he had some more cattle grazing on the same kind of feed at a different location and has had no trouble and that his neighbors had cattle grazing with no cattle deaths near the patch where his cattle died.

Included in the dead livestock were two registered bulls and several registered cows.

## REV. SMITHEE CONDUCTING REVIVAL

Rev. and Mrs. H. E. Smithee of Dallas, who formerly pastored the Assembly of God Church in Floydada are conducting a revival at Glad Tidings Assembly of God Church in Plainview. The revival continues through November 17.

Week day services Monday through Friday, begin at 7:30 p.m. and Sunday services at 6 p.m.

## Recreational Appraisal Published For County

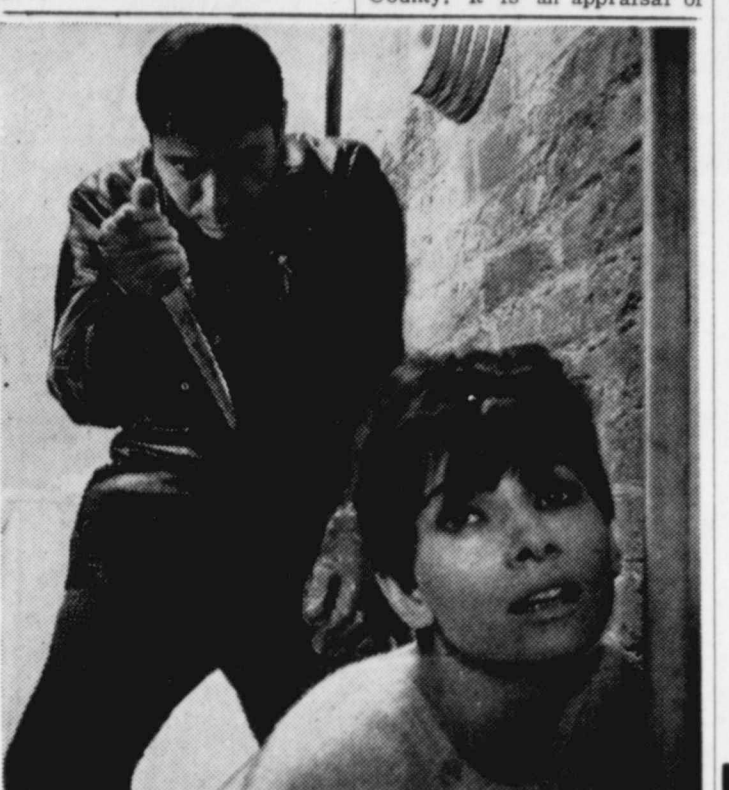

G. L. Fawver and Melvin Henry received the first copies of the Floyd County Recreational Appraisal last week. Fawver represented the Floyd County Soil and Water Conservation District and Henry represented Lighthouse Electric. The SWCD and Lighthouse Electric made it possible for the books to be published for the benefit of the people of Floyd County. It is an appraisal of

potentials for outdoor recreational development in Floyd County. The report was compiled as a result of appraising the potential for twelve distinct outdoor recreational developments. The report considers Floyd County in general and not individual site appraisal. The twelve distinct outdoor recreational developments are: vacation cabins, cottages and homesites, camping grounds, picnic and field sports areas, fishing waters, golf courses, hunting areas, riding stables, natural, scenic and historic areas, shooting preserves, vacation farms and ranches, water sports and winter sports.

The report reveals that there are many opportunities for recreational development and further expansion of existing enterprises in Floyd County. It should be remembered that no consideration was given to the economics involved in developing such areas nor in their financial returns. These and other considerations need to be studied. Again the report only considered the potential and the possibility of development. The Soil Conservation Service had the responsibility in cooperation with the Floyd County Soil and Water Conservation District for the development of the published book. Special recognition is given to the Extension Service, Agricultural Stabilization and Conservation Service, Farmers Home Ad-

ministration, Texas Parks and Wildlife Service, Floyd County Historical Society, and the Floyd County Technical Action Panel for assistance in preparation of material for the report.

Interested parties may obtain these books at all federal agencies and at the Chambers of Commerce of both Lockney and Floydada.

"If I have questions about bills, payment arrangements, or some other telephone matter, whom do I call?"

Here's the expert.

She's your telephone service representative. To many telephone users, she is the phone company. She answers questions, provides personal number booklets, directories and duplicate bills. She helps you get new phones installed. As a service representative, she has to be something of a lady executive, a bit of a diplomat and an expert in phone service. And she is. She was hired from a select group of applicants and put through an extensive training program. And she attends regular meetings to discuss customer service. Next time you need help on a telephone problem, just call the telephone business office. Your service representative will take it from there.

## God's Cure For Man's Illness

We live in a world of diseases and illnesses and millions of dollars are spent annually on doctor bills and medicine. In many cases, there is a remedy for the illness, once the illness is diagnosed. Men spend years in study and preparation in order to be able to prescribe the proper treatment for man's illnesses. The problems of health vary so much that the one ailing must have a proper diagnosis for his illness before proper treatment can be administered.

Mankind has an illness far exceeding the physical body and this illness is as old as the transgression of man in the Garden of Eden. I refer to the spiritual need of men, women, boys and girls. This is a disease that is universal. The Word of God tells us that through the disobedience of one, many were made sinners. This terrible disease entered through Adam and was passed upon us all, to the extent that God says: "All have sinned and come short of the glory of God." God does not paint a bright picture of the condition of unregenerate man.

As we look through the scriptures we can see the failure of man to do the bidding of God. As we look at the nation of Israel during their wilderness wanderings, we remember their sin against God and God's judgment upon them. He sent fiery serpents into their midst. There was sin and also death, but God provided a remedy. This remedy or cure, although it had never been used before, was a sure cure for those who believed. God told Moses to build a brazen serpent and lift it up and those who looked to it would be healed. The only requirement was to look. This gave God all the glory and showed man that he was insufficient.

We are told in the New Testament that as Moses lifted up the brazen serpent for Israel, even so must Jesus Christ be lifted up that whosoever believeth in Him shall never perish but have eternal life. This is God's remedy for man's spiritual disease.

We read in the Old Testament of Naaman the leper. The scriptures tell us he was an honorable man and mighty in valor, but a leper. Through the testimony of a little captive maid who served in Naaman's house, he learned of a cure for his leprosy. As he went to the prophet of God and heard the message, Naaman was not receptive at first. He went away in a rage because he did not like the message nor the way it was delivered to him. When Naaman believed the prophet's message and did the thing commanded, he was made physically whole. The disease of leprosy separated men from humanity and the only real cure was the power of God.

Man's illness is like that of leprosy, in that it separates, and the only cure is the Lord. The Bible is clear that there is no remedy for sin outside a personal faith in Jesus Christ. The scriptures tell us: "Without the shedding of Blood there is no remission of sin."

Man's righteousness is as filthy rags before God. Isaiah said: "He was wounded for our transgression, He was bruised for our iniquities, and the chastisement of our peace was upon Him; and with His stripes we are healed." This is God's cure for man's illness.

## SPORTING EVENTS

### Jack Fuqua Wins Football Contest

Jack Fuqua turned in an almost perfect football contest paper last week when he missed only the Tahoka-Morton tie. He will receive the \$7.50 first place award.

Second place award of \$5.00 goes to Julie Finley, who missed two contests. She missed the tie game and Plains-O'Donnell.

Another contestant who missed only two games will receive the \$2.50 third place award. Joy Allen missed the tie game and the Vega-Earth game. She guessed the tie breaker Floydada-Abernathy game at 29 total points. Julie

guessed the game to be 28 points. The total points in the game were seven.

Others who deserve honorable mention because they missed only three contests are Elaine Wilson, Charles Didway, Steve Aldredge, W. O. Newberry, Claude Weathersbee, Mrs. Freddie Morren, Gail Hickerson, Junior Martinez, Zane Jones, Doyle Moore and Jim Newhouse.

The last big contest appears in this issue of the Hesperian. Turn now to the second section... this is your last chance this year to turn all that "armchair football knowledge" into cash.

### Jr. Varsity Slashed Idalou 27 0

Floydada's Jr. Varsity upped their win-loss record last Thursday, beating Idalou's Jr. Varsity 27-0.

Their record now stands at seven wins and 1 loss.

Ricky Biggs led the team in scoring with two touchdowns while Frank Watson and Kent Hale each had one touchdown to show for the full team effort.

Greg Campbell kicked three extra points in four to add to the final score.

Next Thursday the Jr. Varsity will meet Dimmitt here for their last game of the season.

### FRESHMEN LOSE TO PETERSBURG

Petersburg defeated Floydada freshmen 22-0 in Petersburg Thursday.

The freshman team is credited with one victory and six losses. They will try to improve this record Thursday at 5:30 p.m. meeting Dimmitt here in Floydada.

### CAPT. DEMPSEY AND FAMILY TO ARRIVE SATURDAY

Capt. and Mrs. Bob Ed Dempsey and children will arrive in Floydada Saturday for a visit with his parents, Mr. and Mrs. Dennis Dempsey and family. Capt. Dempsey returned to the States October 28 from Vietnam where he flew 201 missions in a year's tour of duty. Capt. Dempsey pilots the RF4 Phantom Jet.

The Dempseys will leave McGuire Air Force Base in New

### Bowls Hopes At Tech And WTSU

Prospects have never looked brighter, collectively, for the area's two college football forces. Both Texas Tech and West Texas State appear on the threshold for lucrative post-season bowls.

The Red Raiders and the Buffaloes lived dangerously in Saturday afternoon games, but came out "smelling like a rose." Spotting TCU a first quarter 14-0 edge, the Raiders smashed the Frogs, 31-14, as they roll toward what they hope will be their first hot spot in the Cotton Bowl. Triumphs over Baylor and Arkansas likely would leave Tech in that position.

WT also started on shaky footing, but thrilled a homecoming crowd as they roared back for a convincing 53-36 triumph over Western Michigan. Mercury Morris enhanced his national rushing lead, gaining 260 steps.

The Buffaloes close out their regular season this Saturday with an engagement at Colorado State. A win would leave them 8-2.

Tech travels to Waco for an afternoon tilt against Baylor.

Jersey December 10 for Ramstein AF Base in Frankfurt, Germany where Capt. Dempsey will serve three years.

Joining the family over the weekend will be Mr. and Mrs. Fred Thayer and son of Ft. Worth. Mrs. Thayer is the former Jan Dempsey.

## Blocked Punt Sets Up TD Pass

By Wendell Toolev....

The Whirlwind's big Dale Baker blocked an Abernathy Antelope punt that put the 'Winds in shape for a touchdown play for the only score of the night here last Friday night to defeat the Abernathy Antelopes, 7-0.

In the first quarter, both teams showed little life, the Antelopes received the kick-off but had to punt when they couldn't make 10 after making one first down. The Whirlwinds then took the ball, but had to punt. Steve Craig's punt put the ball back on the eight yard line. Then the Antelopes fumbled and Whirlwind Mark Weems recovered, and it looked like the 'Winds were set for a fast TD. However, the 'Winds fumbled on the next play and Ronnje Hamilton recovered for the Antelopes.

The Antelopes worked the ball out from the 8 to the 16 before kicking. The 'Winds took the ball with Steve Puckett making two and Craig three, Gregory tried a pass that wouldn't connect and Craig punted into the end zone.

Then the Antelopes marched down the field with Jerry Fuller and Gary Martin carrying the ball. They bogged down on the 48 and punted. Again the 'Winds had the ball. Puckett made a beautiful 36 yard run for Floydada's first first and ten.

As the second quarter began, the "Winds couldn't go and Craig punted to the Antelope 4 yard line.

In two plays Fuller had run the ball out to the 26 yard line, but they fumbled on the next play and Puckett recovered for the 'Winds. Puckett then ran for two, Gregory passed to Tim Rose for five, and the ball went over on downs to the Antelopes.

The Antelopes got the ball out to the 23 yard line, had to punt, and that's when Baker plowed through and blocked the punt. It was Floydada's ball on the 20 yard line.

Craig made a first down on two runs, then plowed through center again to bring the ball down to the 10 yard line. Then Gregory threw the TD pass to Connie Bearden making the score 6-0. Todd Wester kicked the extra point, and Floydada led 7-0 with five minutes remaining in the half.

Abernathy moved to the Floydada 14 before halftime but the Whirlwind defense stood.

The third quarter showed a strong Floydada defense that held the Antelopes to only 12 yards of gain on the ground and 75 via the air. In the same period Floydada made five yards by air and 33 on the ground....the rest of the activity was a punting game.

The fourth period was marked by a 12 yard run by Puckett, with most of the effort on defensive action. However, when the game ended it was Floydada still pressing for ground on the 18 yard line of the Antelopes.

Abernathy halfback Mike Rogers missed the game after pulling some shoulder ligaments on the opening kick-off.
