NURSE excited over snow at Floydada. (left to right) Ann, David II, Lee, David Jr.

## A Nurse Visits In Battey Home

From this week in the home of Mrs. David Battey, a nurse is visiting. The nurse is Miss Rachel Cheria, a 25 year old nurse now employed at Methodist Hospital in New Delhi, India. She has been in the United States for about five weeks. She is from Quilon, Kerala, southernmost part of India. She finished her nursing at age 16 then worked in Madras State, where she studied nursing for one year and did one year of internship at that same time.

From there Miss Cheria traveled four days by train to New Delhi where she obtained employment at Safdarjung Hospital for over one year. While there she nursed the son of Prime Minister Indira Gandhi after his surgery.

On recommendation of a friend, Miss Mary Abraham, an Indian nurse also employed at Methodist Hospital, Rachel and two of her friends became interested in coming to the United States to live and work. It required one year to save funds and acquire visas to come to the United States. Rachel relates it is very difficult for the more educated people of India to obtain visas to leave permanently due to the fact that India wants to keep and control such resources.

Miss Cheria relates that although there is some unrest in India, most of the strife and riots are between Muslims, Hindus and the Christians. The Muslims and Hindus hold much animosity toward Christians. The greatest fear of Indians is the threat Red China holds for them. Communism, according to Miss Cheria, is gradually growing.

For those who met Dr. E. Stanley when he was in Floydada a few years ago, Miss Cheria met and heard him speak at Quilon when she was a teenager. Methodists are surpassed in India only by the Catholics.

WET SNOW makes an inch of moisture?.....is an old question these days. On the average, it seems that 10" of snow to make an inch of moisture. Of course snows blow, some snows are wetter than others, and it is hard to determine. Last week's snow was certainly a little over a half of an inch of moisture. Eight inches of snow, here in Floydada. Now I report of 10 to 11 inches in the Dougherty and Harrold communities.

We reported an inch and half of moisture from 15" of snow. Lubbock received an inch and a quarter of moisture from 11".

If you look at it, it was a million dollar snow...there's nitrogen in it, it makes the irrigation water run faster for pre-planting row crop.

WE A YOUNG fellow out selling subscriptions to the Hesperian. Mrs. Lorin Leibfried reports that he came to her home and said, "Would you be interested in scrubbing to get a newspaper each week in the mail?"

There are three in his sales pitch our young salesman and "subscription."

We often have people come into our office and say, "I need my prescription renewed." So, occasionally, we get into the drug business...as well as the business!

WHEN I lived on the farm we raised a lot of Martin turkeys. There were no hybrids, Martin was the best producer. Sometimes it made as much as 4,000 pounds per year.

My nephew has a nephew who works for the U.S. agricultural department in Turkey. He also worked for several years in Turkey.

# Snow Melts, Spring Has Sprung

## 1969 Wheat Crop Prospects Brighten

A warm, wet snow poured into the Panhandle of Texas last Friday and Saturday, and as it gradually melted, left from a half inch to an inch of moisture in Floyd County.

Although only .55 was registered at the official Floydada weather station, areas of Lockney and Dougherty reported receiving more snowfall and moisture.

It was a long weekend, as Floyd County families enjoyed just staying at home and enjoying the beauty of the snow. Business was almost nil in downtown Floydada Saturday and there was no school on Monday.

This means that the Easter holiday has been cut one day for Floydada school children with school turning out at 2:30 p.m. on Friday before Easter.

Floyd farmers turned off irrigation wells that were irrigating wheat and beds for planting. It was a million dollar snow in many ways, especially brightening the future of the county's wheat crop.

Farmers are ready to get back in the field, preparing for planting grain sorghum and cotton next month. Some will begin setting out onions immediately.

...and to cap it all off, today is the first day of spring. It will be more moisture, more cold weather, a typical windy March day?

As this is written on Wednesday afternoon, the weather forecast for the first day of spring is another day like Wednesday, mild, perhaps a little colder.

## Caprock Hardware Moving To New Location

According to an announcement made by W. R. Bradshaw and Aldine Williams the Caprock Hardware business will be moving to a new location, from the west side of the square to the Bishop building, in the Hagood's and Palace Theatre block.

Bradshaw said that the Bishop building is being remodeled and he hopes that they can move by April 1. He said the new location was a good "traffic location" and about fifty feet longer than the present business location.

## Mr. And Mrs. H.G. Barber Plan To Retire In May

By Frank O'Hagan Jr.

Mr. and Mrs. H. G. Barber will retire at the end of this semester after teaching two generations of Floydada students.

The couple has a total of 81 years in teaching. Corine Barber has taught 39 years and Henry Barber has taught 42 years.

Henry Barber has spent thirty years as the vocational agriculture instructor at Floydada High School and his wife Corine taught American History at the Junior High 22 years before becoming the librarian there four years ago.

He began his teaching career in 1925 as a rural school principal in Parker and Fisher Counties near his home of Weatherford, and after eight years as a rural teacher moved to Harrold, Texas to teach agriculture.

In 1939, the couple moved to Floydada to make their home.

"When we first moved to Floydada, the agriculture interests were focused on dairy and poultry products and farmers were using steel wheel tractors," he commented.

"At that time there were only about 500 irrigation wells in the entire county and the boys in my classes were cutting gooseneck maize with a maize knife," he said.

Things have changed quite a bit since then but many of the students that I taught then are farming in Floydada now, he added.

"Jim Simpson, Neal Bertrand, Thomas Warren and Doyle Wall are just a few of the students that I had in Vocational Agriculture that are farming here," he added.

## Simpson President Stock Show

Jim Simpson

show could show five animals and were allowed to sell three. Next year, contestants will be allowed to show four animals and sell two.

Jim Simpson, president of the livestock show said this move would be made to increase the quality of the entries.

Also, in next year's stock show there will be a breed champion in the steer division. Another change made is the steers will be classified according to the average weight of the steers entered and not by the number of steers.

The annual event will be held May 28.

Members of the Floyd County Junior Fat Livestock Show re-elected Jim Simpson, L. N. Bertrand and Alton Higginbotham to serve as officers for next year's stock show, Tuesday night. Simpson will serve as president, Bertrand, vice-president and Higginbotham, secretary-treasurer.

In discussing rule changes, the board decided to change the number of animals that can be shown and the number of animals that can be sold.

Contestants in the 1969 stock show:

## Old Settlers Meet Today

Ham Smith, president of the Old Settlers Association of Floyd County, has announced a called meeting for 4 o'clock this afternoon, Thursday, March 20 in the County Court Room in Floydada.

Smith said a number of cards had been mailed out to persons reminding them of the meeting, but that some could have been overlooked. Also an invitation is extended to anyone to attend the meeting who may be interested in assisting the organization. The help of everyone is needed in order to make the reunion a success, Smith said.

## Consumers Fuel Assn. To Hold Board Meeting

Consumers Fuel Association will hold their annual stockholders meeting Monday at 2:30 p.m. in the district courtroom.

At the meeting, a new director will be elected to the board. Present members of the board of directors are W. F. Bertrand, Johnny Cates, J. T. Huckabay, Ray Lloyd and Jack Stansell.

Retiring director of the association is W. F. Bertrand. Door prizes will be given at the meeting.

## Tennis Teams Play In Lubbock Tournament Friday And Saturday

Tennis coach Don Ford will be taking his high school tennis team of ten players to the Lubbock tournament tomorrow and Saturday.

The team must be in Lubbock at 8:30 a.m. tomorrow to receive tournament play scheduling.

This will possibly be the roughest competition that the Floydada team has encountered, but coach Ford feels that it will be good experience for the team.

PRE-DETRECT

Floydada High School and Jr. high teams will enter pre-district play at Lockney next Tuesday morning at 10:30.

Winners of these matches will advance to district play in Friona on April 1.

District winners will then go to Lubbock for regional play.

Coach Ford has about thirty players from which to choose this year. This is the second year he has coached the tennis teams.

One Floydada player placed last year...Wendelyn Tooley placed second in district girls' senior singles play. She lost to Lockney's Cheryl Mason.

Wendelyn will again represent Floydada in this division. Jill Bertrand and Marilyn Harris will play girls' senior division doubles. Robert Covington will play boys' senior singles, Connie Bearden and Mark Weems will play boys' senior doubles.

In the Freshman division Karla Tooley will play girls' singles, Gaye Hammonds and Denise Chadwick doubles; David Robertson boys' singles.

## Floydada Men Work On Industry

Three Floydada men recently flew to McAllen, Texas, working on moving a valley vegetable company to Floydada. Since then, more negotiations have been made and it is hoped that an announcement of the company moving here can be made next week.

Flying to McAllen were Bill Brown, Jr. Simpson and Ray Reed.

INDUSTRIAL MEET

Another member of the Floydada Development Company, Jake Webb was at Texas A&M last week attending "A Course of Instruction in Basic Industrial Development." He was one of three Southwestern Public Service managers in this area selected to attend the course.

## YES, I WANT TO PREVENT WEEDS IN MY ALLEY

Please schedule my property for weed sterilization in the alley area. I enclose \$3.00 for each 50 x 10 foot strip. I understand that Simazine & Atrazine chemicals will be used, and for best results ground should be cleared for best application of chemicals. I understand that unless there is an unusual amount of rainfall, this should sterilize the ground for about three years. Also, I am aware that I assume any possible liability or damage to any trees, shrubs, etc.

## Junior Colleges Cost!

Three Floydada men were in Idalou last week to hear Dr. Bob Clinton, associate commissioner of Junior Colleges in Texas, explain the needs and costs of Junior colleges in the state. Floydada is in district nine which includes Floyd, Swisher, Hale, Briscoe and Motley counties. If district nine is to have a Junior college, the people of these five counties would have to pay a district tax to build the college, which is estimated to cost over five million dollars. Committees selected at large would determine the location of the college in the district. Dr. Collins said that the Junior college in Beeville cost 5 1/2 million dollars and now has an enrollment of 2500 students. He said that a beginning college should have 1,000 students. The smallest Junior college in Texas is at Clarendon with an enrollment of around 200 students. Dr. Collins said the Junior colleges were more successful in thickly populated areas. If a Junior college is to be located in Floyd County, it would require the majority vote of the people of all five counties in district nine. Attending the meeting were school superintendent A. E. Baker, Chamber of Commerce manager John Reus and county auditor Olin Watson Jr.

The problem with Turkey is that no hybrid seed is available. The only seed we have now is Martin from last year. Uncle, I'm enclosing a check for \$25.00 and am also sending shipping and customs tags. Put a custom tag on each bag. Would you please get me 100 pounds of certified Martin milo and 100 pounds of Plainsman, Caprock, or some other non-hybrid variety?"

THE YOUNG NURSE from India who visited in the David Battey Jr. home, enjoyed two firsts while in our community. She saw her first snow and ate her first snow ice cream at the Batteys...and when they visited in our home Sunday, she got her first taste of popcorn.

This is one of the things I like to see that is growing in our community...more and more "foreigners" are visiting in homes here...we have the opportunity to learn the way of life from other lands, first hand.

Our AFS student from Australia Carole Kneale, probably got a thrill in seeing the big snow.

THERE'S JUST NOTHING like a good two or three day snow. It gives the entire family a chance to fellowship...there's just no place like home during a snow storm. There's popcorn, snow ice crea, 42, reading, snowball fights, and if you watched channel 28 much, an old movie every two hours.

Linda Gayle Waller had said for the past two months, "it just can't snow until we get moved into our new home!" Well, I believe they got into the new home about a day before the snow. Bet they enjoyed that new fireplace.

And the snow came on a weekend with only one day to be taken away from the long Easter holidays.

WE ALWAYS HAD some greyhounds when I was growing up on the farm, and when a big snow would come, we had a lot of fun rabbit hunting with the hounds. The rabbits just couldn't outrun the dogs in the snow...and we would catch as many as 20 in one day.

HERE'S A NOTE about chamber of commerce dues. Are they deductible? The following information comes from the U.S. Chamber office in Washington D.C.

Quote from a letter signed by H.T. Swartz, U.S. Treasury Department "Membership fees or dues paid by individuals and corporations to a chamber of commerce are deductible from gross income as a business expense provided the membership is employed as a means of advancing the business interests of the individual or corporation." This is known as office decision No. 421 IRS.

Reading between the lines, this means a donation or contribution is not deductible but an investment is, when you report your chamber dues. Mark your dues as Chamber Investment when paying by check.

POSSIBLY, THERE has been some confusion about prize money at the Jr. Livestock show, and I'll try to straighten out the facts after talking to chamber manager John Reus. The Chamber of commerce pays cash prize money for the first five places. This money was given to the showmen as they showed by chamber treasurer Gerald Hall.

This money comes from Floydada firms and individuals through the Floydada Chamber of Commerce. First prize is \$5, second is \$3, third is \$3, fourth and fifth each receives \$2.

In addition to this prize money, I believe the First National Bank gives each showman \$8 for steers, \$3.00 for swine and \$2.00 for sheep.

Arthur Wylie and Jimmie Wilson gives each steer showman \$2 and each swine and sheep showman \$1.

OUR BOOKKEEPER Flois Reed really had her curiosity aroused the other night when husband deputy Connie came home and reported that he had been out collecting women's wigs! It seems that a Floydada man had stolen over \$5,000 worth of wigs in Abilene and had been selling them to women in Floydada for \$5 and \$10. After he was arrested, Connie was helping collect the evidence.

the green. Tooley is just a pretty important Irish name, but we have one better in Frank O'Hagan Jr. Fact is, Frank's folks called from Dallas before the day was over to wish him a happy St. Patrick's Day.

HOPE YOU ARE enjoying a new column in the Hesperian each week, written by Dr. Eva de Hemi, "You And Your Health."

This week she talks about maturity...think you'll enjoy reading it. About a year ago I busted my ankle while playing tennis, and it was mighty nice to have Dr. de Hemi at the hospital when I arrived, my ankle was quickly x-rayed, I received a shot for the pain, the Dr. quickly molded my ankle into a cast, got me on crutches and I was back at the tennis court watching the Floydada - Hale Center matches within an hour's time.

So, it's mighty nice to have a doctor at the hospital, ready for emergencies. I for one, think this community is mighty fortunate to have Dr. de Hemi, and I hope that she will continue to like Floydada.

FOR THE PAST ten years I have heard talks, read articles that we could feed out hogs and cattle here on the Plains of West Texas where grain sorghum is raised at better profit than out-of-state-feedlots.

Speakers would quote costs of shipping grain sorghum to feedlots in Ar'na and California and they would conclude, "if these out-of-state feedlots can make money or freight the feed, why can't more money be made here where the feed is raised?"

At last, feedlots are coming to the Plains of West Texas...many are now in operation...many more to come.

Next week I hope to release publicity on more hog feedlots for this part of Floyd County.

COACH JAMES POPE brought an interesting program to Rotary yesterday - slides he made while in Vietnam. I was particularly impressed by one picture he made while in Bankok, Thailand...a big temple...a picture that I also made when I was over there. I'm sorta glad I don't have any Vietnam pictures to compare with James.

## Annual Easter Egg Hunt Set

Producers Coop Elevator will sponsor their fifth annual Easter Egg Hunt Saturday, March 29 in the vacant lot across the street west of high school. Bill Cagle, coop manager, said in case of adverse weather the event will be postponed until April 5, the same hours.

Toddlers to five year olds will hunt eggs from 10 a.m. until 11 a.m.; five to ten year olds from 11 a.m. until 12 noon and grandmas and grandpas 10 a.m. until 12 noon. Bring all the younguns. Gifts will be presented to those finding the prize eggs.

## Fire Department Donations Hit \$340

Fire Chief, Carroll Sims, reported Wednesday that 23 percent of the cards requesting donations for new equipment for the volunteer fire department have been returned.

The applications for associate membership were sent to Floydada businesses last week and 42 of the firms re-

quested membership with contributions amounting to \$340, Sims said.

This week the membership applications were sent to Floyd County residents. "I'm very pleased with the response and hope we will have continued support of the department," he said.

## You And Your

ACQUISITION OF UNDERSTANDING Are boys more mature than girls? Are girls more mature than boys, at the age of fifteen? I've heard this question asked over again, and, I believe, many people are asking the important question: What is maturity? It is not a matter of existence, and not only from the time we are born, but because it is as important for a three year old to share his toys with a new neighbor, as it is for a man to declare a war.

Yet, since what we are mostly confronted with is the role of people in the "so called" adult age, let's look at maturity as being mature.

Most people believe that maturity is related to certain traditional duties, for instance, for a man to care for a home, or for a man to be a reliable provider. Maturity becomes no more than another term for "conditions for a junior executive. At this point, we deprive ourselves and their fellow human beings of the value of self, considering them only mature if they are a useful element in society.

A woman who goes through live playing the role, letting others do everything for her, is not a mature person at 80; a man who forces himself on others, bullying behavior, does not act as an adult either, and interests us from the point of view of health, these people are unhappy and, therefore, uninteresting. By the way, did you look up that word...maturity. The SIGNS OF MATURITY, as seen in the book, want to know - and any immature person at an age, wanting to unfold - This book is from the Texas association for mental health.

A mature person usually: Knows his strengths and tries to make the most of them. Knows his limitations and tries to accept them. Comes to terms, without harming himself (and, without harming others...)

Thinks before he acts. Knows how to face and make his own decisions. Knows how to recognize and assume responsibility. Knows how to face his problems and try to solve them.

Knows how to ask for, and accept help when needed. Sees the real big issues in the midst of the important ones.

Has strong feelings of love toward a few people. Can be kind and generous, sympathetic, understanding - can feel that undefinable feeling called love for one of the other sex.

Knows how to criticize or disregard those who he doesn't like, without harming them.

Can make realistic plans for the future, the present, a job, marriage, a family.

MOST IMPORTANT - He or she has a STRONG SENSE OF SATISFACTION about himself, with a feeling of CONTINUE TO GROW AND MATURE THROUGHOUT LIFE.

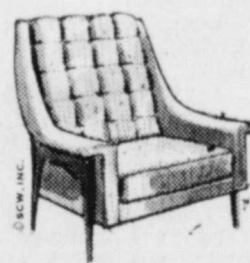

There is much more to add, but this is enough to hope to hear from you. I'll be willing to answer your questions.

## Floydada First United Methodist To Dedicate Church March 30

Members of the Floydada First United Methodist Church are fast completing plans for Dedication Services for the church on Sunday, March 30. Bishop Alsie Carleton will conduct the dedication services which will begin at 10:30 a.m. Former pastor Dr. Tilden Armstrong of Abilene will speak at the evening services. The congregation of First United Methodist recently completed paying off the church's indebtedness and this is possibly the first time a Methodist

Bishop has returned to his home church to conduct Dedication services.

Many former members and four former pastors are expected to return for the day. There will be a reception for Bishop and Mrs. Carleton on Saturday night, March 29 from 7 to 9 in Fellowship Hall of the church. The general public is invited to attend. . . especially the people in this community who knew Bishop Carleton. Reception committee includes Mr. and Mrs. Fred Car-

dinal, Dale West, Mack Fowler, John Key West, Greer Christian, M. J. McNeill, Billy Stanforth, James Word, and Jewel Norman.

## Demonstration Clubs Hold County-Wide Luncheon Meet

Members and guests of Floyd County Home Demonstration Clubs met at Lighthouse Electric Wednesday of last week for a county-wide luncheon and informative program. Dougherty Club was hostess for the day with Mrs. Carmel Eastham presiding.

The morning program was presented by Bill Hamman of the Yardstick in Plainview. Fabrics and styles for the spring and summer were shown. Fabric selections included 100 percent cottons, linens, dacron, polyester knits, ketticloth, sheer voiles and dotted swiss. Outstanding colors were red, white and blue, black and white, browns, lavender and pink. Trims are being used for pant suits as well as formal wear, Hamman said.

The afternoon session was conducted by Miss Dorothy Jones of Southwestern Public Service, who gave an informative

demonstration of small appliances for the kitchen and for beauty care. She suggested when buying to buy from a reliable dealer; send warranty as soon as possible; look for the letter U on the appliance which indicates it has been tested; cool before washing; have beaters and blades in appliance before plugging into outlet.

Attending the meeting were Mmes. Claude Ring, Elmer Watson, A.D. Johnson, Earl Edwards, Johnny Cates, R.H. Crawford, G.W. Smith, Ray Carthel, Carmel Eastham, Clinton Denning, George Smith, Leon Ferguson, Glenn Curtis, Bob Ratjen, J.R. Turner, Zant Norrell, J.T. Huckabay, Elmer Norrell, E.L. Widener, O.G. Tommy Assiter, Max Dyess, Alton Higginbotham, Peachie Parrish, Lawrence Stovall, Jim Morrison, Harold Norrell, Weldon Becker, E.E. Wells, Bill Hamman, Leighton Teeple, Mary Phillips, Lighthouse Electric consultant and Miss Sherry Mullin, home demonstration agent.

## Social Club Meets With Mrs. Meredith

The 1960 Social Club met Thursday, March 13 in the home of Mrs. C. M. Meredith. Members brought a covered dish for the luncheon and handwork was done in the afternoon.

Those attending were Josie Toss, Beulah Burton, Alma Dunn, Ola Warren, Ruby Williams, Ethel Frizzell, Flora Warren, Kate Crabtree, Maudie Muncy, Maggie Vinson, Eula Battey, Vera Meredith and hostess, Vada Meredith. Also two guests, Jessie McBrian and Cleo Goens.

The next meeting will be with Mrs. Eula Battey April 10.

## Mrs. Dyess Reviews Book At Club Meet

Members of the 1956 Study Club met Tuesday night of last week in the Farm Bureau community room. Mrs. Max Dyess gave a book review, "One Corner of Heaven" written by Blanche Scott Ruthertford, area historian of Plainview, formerly of Floydada.

The program was on Texas Day and members answered roll call by giving a portion of their personal Texas history.

Mrs. A. C. Pratt, club president, presided over the business meeting during which time a new member, Mrs. Johnny Fred Brown, was voted in and a leave of absence given Mrs. Bill Hardin.

## Shower Honors Teresa Hinsley

The Jimmy Seay home Saturday was the setting for a bridal shower honoring Miss Teresa Hinsley, bride-elect of Rex Battey. The couple are to be married March 29.

Mrs. Seay received guests and presented them to the honoree, her mother, Mrs. Lonnie Hinsley and the prospective bridegroom's mother, Mrs. Thurman Battey of Ruidoso, New Mexico, formerly of Floydada.

Guests were registered by Mrs. Doyle Moore.

Mrs. Mike Hinsley served punch and cake squares from the milk glass appointments. The serving table was laid with a beige linen cloth and held a centerpiece of hot pink artificial flowers. The arrangement, along with a set of cookware, was later presented the honoree by hostesses.

Assisting with the shower were Mmes. C. T. Hammonds, Doyle Moore, Maurice Noblin, Claude Fawver, Cleo Whittle, W. B. Winn, Aldine Williams, L. D. Smith Jr., R. L. Bullock, L. B. Stewart Jr., W. H. Bunch, Q. D. Williams, Irene Boutwell, Lila Kendrick, Jimmy Seay and Mrs. David Campbell.

## 34 Study Club Program On Modern Youth

The sun came out Monday morning after a beautiful weekend of snow. Everyone seems to be elated over the moisture content, which amounted to some .55 from a six to seven inch snow in the city. According to Producers Elevator personnel it's nearly impossible to get a correct measurement of the moisture because of the blowing snow. In one spot you might have two inches of moisture while a foot away there may be only a half an inch of moisture. Sunday was fun day in some communities around the area. Tractors and such gathered to pull sleds and you could see motorcycles being put to the tests as well.

THE government says now about it takes an average of \$9,570 a year for a city family of four to keep up a moderate standard of living. Say a 38 year old husband, an unemployed wife, 13 year old boy and eight year old daughter. They figured it this way: food \$2,240; housing \$2,320; transportation \$910; clothing \$830; personal care \$220; medical care \$550; other consumer spending \$635; gifts and contribution \$487.60; life insurance \$160; job related expenses \$80; Social Security payments \$303 and personal taxes \$1,062. They left out a lot of other expenses but maybe that comes under consumer spending. You'll notice that food purchases are nearly as high as housing.

AREA banks will follow the lead of major banks in increasing prime interest rates. This long has been a fact of life in the profession. Clay Henry at First National in Floydada says the rate hike from 7 percent on prime loans to 7 1/2 percent in time will affect everyone. ## Caprock District Spring Meet Scheduled In Plainview Soon

A planning meeting was held in Plainview Tuesday of last week at Holiday Inn for the annual spring convention of Caprock District Texas Federation of Women's Clubs slated in Plainview March 31 and April 1. Attending the meeting were the District President, Mrs. Lane Decker of Floydada, presidents of the hostess clubs from over the district and Plainview clubwomen who will be helping with the convention.

Convention theme is "Portrait of a Woman Involved." Mrs. Louis Cummings, a past district president, will serve as convention chairman and Mrs. Gordon Gibson is to serve as convention treasurer. Mrs. Bill W. Davis of O'Donnell is district program chairman. Mrs. Decker will be presiding throughout the convention.

HEADQUARTERS

The convention will open March 31 with an executive committee meeting followed by a banquet for board members at Holiday Inn. Registration will begin at 4:30 p.m. at Holiday Inn which will serve as convention headquarters. All general sessions April 1 will be held in First Christian Church.

A breakfast April 1 will be hosted by Mmes. J. W. Walker, A. E. Boyd and Cummings for members of the executive committee, past presidents of the district and district life members.

The convention officially will open April 1 at 9:30 a.m. in the sanctuary of First Christian Church. Registration and a coffee will be at 9 a.m. with Plainview hostess clubs in charge and Mrs. Merle Mills as chairman.

A luncheon will be served at 12:15 p.m. April 1 in Holiday Inn for all senior club members. Junior Study Club members will go to the Woman's Club of Plainview building for luncheon.

The meeting will reconvene that afternoon for the state president's message. Mrs. Henry F. Shaper of San Antonio plans to attend the convention. After her speech, the Fashions for Fun Style Show, a District project, will be held. Models will be in competition under supervision of Mrs. Keller Greenfield, Denver City, chairman.

## Miladies Club Has Meeting

Miladies Club met March 6 with Hettie Bennett. Members answered roll call by showing a snapshot of themselves in younger life.

Attending the meeting were Audrey Nelson, Maggie Lovell, Bonnie Birchfield, Charlene Woody, Vida Womack, Gladys Cross, Agatha Pratt, Beedy Owens and Jennie Irwin.

The next meeting, April 6, will be with Mrs. Birchfield. Members are to bring a gift for an auction sale. Roll call will be answered by exchanging flower bulbs.

## Mrs. Decker Speaks At Girlstown Tree Dedication

An "Avenue of Opportunity" for young girls was dedicated at Girlstown, U.S.A., by the Caprock District of the Texas Federation of Women's Clubs, March 8.

In her dedication address, Mrs. Lane Decker, District President, told the two hundred present, "We the members of Caprock District and Texas Federation of Women's Clubs are very proud to be here today. We have much pride in our mission. We are here to dedicate our District project to Girlstown, U.S.A."

Clubs from 19 counties and approximately 33 towns are represented in this gift we give to Girlstown. Federated Clubwomen are interested in their communities and state work, but along with this we have chosen Girlstown, U.S.A. as our District Project for this administration.

After much careful thought on your District President's part and much consultation with Mr. Cooper, it was decided to present to the District Board the idea of planting trees along the lane leading to Girlstown. The plan was well received by our clubwomen and each club became a volunteer helper. I have never seen so much enthusiasm. Today we plant 80 trees in fulfillment of that dream.

We hope this lane will be called "An Avenue of Opportunity." We know it has been proved that it is an avenue of opportunity for clubwomen. They have shown their interest in these young ladies and their well being. Also, it is an opportunity for each one of us to be individually involved as is our GFWC President's theme.

As the girls arrive at Girlstown for the first time, we hope that the trees that they will see first will be a sight of beauty. Through this beauty we hope that they will see their avenue of opportunity opening up for them. We shall also wish it to be an avenue of love and understanding. We know that miracles do not happen overnight, but we want them to know immediately that someone cares for them as individuals. As they travel this lane for the first time, may they look at the tree and know that the tree grows strong and that after every storm she too must straighten her trunk and take all the bend out of her so that she may grow and grow. As the young lady travels on down our lane, may she realize that the tree points to God, and he showers his love on all.

It is with a thrill in my heart that I as Caprock District President representing the women of this wonderful district

do dedicate these trees to each young lady that now lives at Girlstown and all of those that are to follow her. . . may this lane be your Avenue of Opportunity."

Girlstown, U.S.A. is a home for deserving girls from throughout the United States. The Avenue of Opportunity is a lane leading off the highway up to the campus, a quarter of a mile away. The opportunity offered the residents of Girlstown is a family-like atmosphere where youngsters from age two years to nineteen find love, understanding and a chance to become productive citizens of tomorrow.

Marshall W. Cooper, Executive Director, welcomed the members of the Caprock District and encouraged their continued support of the home. A tour of the facilities was given and lunch was shared with the girls.

## Three Members Receive Twenty-Five Year Pins

The regular meeting of the Order of the Eastern Star was held Thursday night, March 13, with Belva Henderson and Helen Solomon serving refreshments to the group following the business session.

Twenty-five year pins were presented to three members whose membership is much nearer to the 50 year mark. Worthy Patron, Wayne Russell presented pins to Belva Henderson and Leona Bell, and Sam Green made the pin presentation to Alta Probasco, who is a former Sunday School teacher in earlier days in Floyd County.

A group from this chapter plans to attend the Friendship meeting at Silverton Tuesday night, March 25.

Floydada Chapter will have Homecoming, Friendship meeting and salad supper April 10 at 6:30 p.m.

Death touching Eastern Star members last week was the father of J.W. Day Jr., the husband of Ruth Duncan, and Roe McCleskey, brother of Betty Tye.

Lela McNeil is reported doing fine in Methodist Hospital, Lubbock, and Winnie Dyson, doing fine after a short stay in Caprock Hospital.

Officers are requested to wear their formal next meeting March 27th for initiatory purposes. Charley Berry was recently initiated into the chapter. Gladys Peck came in by transfer of membership from Roaring Springs last Thursday night. Two more petitions for membership were read.

## Student Council Sponsors Career Day Friday

The Floydada High School Student Council will sponsor "Career Day" Friday afternoon at the high school, featuring 25 speakers on various occupations and professions. The purpose of "Career Day" is to familiarize the students with the opportunities of various professions.

Students selected the career topics from 51 different occupations that they would like to know more about and ranked six of the occupations in the order of importance to the individual.

Each student is scheduled to hear four speakers in the afternoon's activities.

Members of the student council committee making the arrangements for the day are: Sharon Fuller, chairman; Larry Beaver, Jacque Crawford, Cindy Day, Judy Jameson, Joe Kimble, Alice Myrick and Kelly Smitherman.

Representatives from the various professions will be coming from Lubbock, Levelland, Plainview, Lockney, Amarillo and Floydada.

Sgt. Bill Whit, Air Force Recruiter and representative from other branches of the

Armed Forces will be speaking to the students. Also from Lubbock are Dr. Richard Hinton, from the Texas Tech Art Department, Dr. Walker, Professor in the Clothing Department, Mrs. Doris Nobb from Jessie Lee's Hair Institute.

Mrs. James A. McDonough, from the Robert Spence School and Richard L. Weaver will speak on the FBI.

From Levelland, Mrs. Paula Bell will speak on being a secretary and Bill Richards will speak on drafting. Both speakers are from South Plains Jr. College.

Mrs. Boswell from the Plainview Child Welfare Department and Howard Gambol, game warden in Plainview, will lecture the students on their professions.

Harvey McCasland, counselor at Lockney High School, will speak on psychology.

Amarillo representative T. J. Clay with United Electronics Institute will speak on the field of electronics.

Floydada speakers during "Career Day" include Mrs. Connie Bertrand, former airline stewardess, Mrs. Mary Phillips, Home Economist, Dr. Sonja Lee, Veterinarian, Mrs. Joe Paty, teacher, Alton Higginbotham, agricultural engineer, Jim Word, archeologist, Sam Fowler, civil engineer, Bud Rainey, highway patrolman, George Miller, Lawyer, Edell Moore, mortician, Bill Brown, pilot and L. G. Wilson, coach.

CLUB WOMEN. . . in tree planting ceremony at Girlstown U.S.A. Clubs in the Caprock District chose the tree planting as a project. Some 80 trees were set out lining a driveway to Girlstown. Participating in the tree dedication were Mrs. Lane Decker, left, president of the District, and members of the 1934 Study Club, left to right, B. Stewart Jr., Mrs. George Springer, Mrs. Wilson Bond, Mrs.ingham and Mrs. R. G. Dunlap, president of the Club.

## Mr. and Mrs. L. B. Fawver Jr. To Observe 40th Anniversary

## Lockney PM Meriwether Nominated For Award

DOUG MERIWETHER

Postmaster Doug Meriwether has been advised in a letter citation from the regional director of the Post Office Department, B. M. Myers Jr., that the Department in Washington has selected him to receive a High Attainment and Superior Accomplishment Award.

The letter citation reads in part: "I wish to congratulate you for your high attainment and superior accomplishment in the efficient operation of the Lockney Post Office. This award is not a gift as you have earned it and deserve the recognition which has been brought about by your dedicated and unselfish service to your employees and postal customers."

"A committee comprised of Regional Officials and your Postal Service Officer has reviewed your office operations and found that your accomplishments on performance, achievement, and special acts of service were over and above normal work requirements and job expectancy of your position."

"Your Superior Accomplishment Award was judged on having accomplished the following:

1. Divided new and improved work methods, schedules, and procedures that produced previously unattained records of productivity.
2. Made contributions that resulted in outstanding economy, efficiency, and improved service to the public.
3. Exemplary performance of assigned tasks that should inspire others to improve the quality and quantity of their performance.
4. Exemplified performance that involves overcoming unusual difficulties.
5. Established good public relations by participating in local civic organization activities and work projects outside your employment area.

Following my review we forwarded our recommendation to the Department in Washington that you be so recognized for these accomplishments.

It is now my pleasure to advise you that the Bureau of Operations concurred in our recommendation for a Superior Accomplishment Award and was effective January 25, 1969.

The example you have set is a definite challenge to each of us, regardless of our positions in the Postal Service.

Signed: B. M. Myers Jr.  
Regional Director  
Post Office Department."

Dear Mr. Tooley

Today we received information on a new type of Ambulance legislation which has been introduced in the State Legislature. This bill is entitled the "Texas Ambulance Licensing Law" or is No. H.B. 697.

For some years we have had some type of restriction on the type of cars and equipment used. We have always adhered to these rules as set up by the State Board of Health.

H.B. 697 if passed and enacted into law would force us to stop our ambulance service as of the date it was passed. We have known for a long time that the ambulance business as such is not a profitable business but have always felt that our people are to be considered. We have never planned to stop ambulance service at any time but this would force us by the restrictions placed on us and by the amount of the fine if we continue.

As all of you people know we are called on to move patients to and from Lubbock and other out of town hospitals many times in a year. As of this date neither of us are qualified to move a patient and must have test before we would be licensed. Two men must be with the ambulance at all times and these must have passed the test. Many times we are held at the hospitals in Lubbock for some time so therefore during those periods there would be no one to answer a call should an emergency develop.

We feel that you people are entitled to know of this legislation and the possibility it holds for all of us should it become law. There is no way the City could carry on a program such as the bill would require and neither can we. If you feel that this bill is unfair especially to a small city we would appreciate your letting the men in Austin know. We feel that this would cause undue hardship on our people.

Dear Mr. Editor:

My name is Allen A. Rendon. I have enjoyed living in Floydada for quite a number of years. I want to take this opportunity to express my sincere gratitude for what you have done for this community but more especially for those of Spanish descent. Your Christian love has been manifested so many times that it is impossible to write a letter every time.

Mr. Tooley, the anglo people have a remarkable attitude towards those who want to help themselves, and this is the reason for my writing this letter. I honestly believe that the Spanish Americans are ready to accept the responsibility of good citizens. We need your help and your support since we want to have representatives in our City Council. We know you cannot vote but we know that your word is very valuable among all people and we need your help and all the help you can get for us. As you know, Mr. Tooley, the Spanish Language is the most beautiful of all Languages. Well, I want to be one of the ones to help

all people not only understand the language but to understand the great minds, ideas, ideals, dreams, and certainly the love our people have for the good of all mankind.

There are many needs in Floydada and you, of all persons know of them. We have a desperate need to have representations in the City Council, and all our other city, and county organizations. We know that we do not have it because our people have not been active. Now we are ready to come up and give our hand to help support our society and our City. You know the story of the Prodigal Son. He recognized he was wrong. He went to his father and asked forgiveness. The father accepted him without a question. We know we have done wrong by not doing our part but now we recognize our mistake and we want a second chance. Help us to help ourselves.

Thank you very much for your time and for the opportunity of expressing myself to you and to the community.  
Very sincerely yours,  
Allen A. Rendon

Dear Editor:

We're hearing lots of news about water meetings these days, and it is wonderful to know that our people are planning for future generations through the Texas Water Plan. However, while we are talking about insuring the future of our area by planning for the importation of Mississippi River water for agricultural purposes, should we not keep in mind that we are on the brink of disaster, so to speak, when it comes home to our proposed Mackenzie Municipal Water Authority reservoir?

This water, which can be ours if we take action before September, leaves our area via the streams and rivers which lead to the Gulf of Mexico the same as does the Mississippi River floodwater. We are willing to make plans to import the Mississippi River water in twenty years. Should we not be just as willing to preserve this natural resource while it is still in our area as we are to import water from afar?

Time is growing short now; the Mackenzie Authority has the water rights, but construction must begin before the first of September THIS YEAR if we keep the water rights. It is time for action - this is something that can't be postponed much longer unless we are planning to abandon the project completely. Let's get down to serious thinking and planning for the Mackenzie Municipal Water Authority now. We just can't afford to give up these water rights!

Sincerely,  
Mary Ann Sarchet  
Editor, Briscoe County News

Dear Editor:

We, the members of the Better Builders Organization, were greatly disappointed Wednesday, Mar. 12, as we viewed East Jackson Street. At this time trashy dirt containing cans, rocks, and paper were being dumped on the street. To the party responsible we ask this question. Aren't the streets in this part of the community already terrible enough? Drive down them and find out for yourself. If you decide to, do be careful when approaching an intersection for there are no stop signs and due to this no signs condition, there have been a number of smash-ups.

As members of the Better Builders Organization, we accept your help, but we consider dumping trash on any street a hindrance.

## Gene Linn Featured Speaker At Farmers Coop Stockholders Meet

The old truism "you can get the boy out of the country, but you can't get the country out of the boy" certainly holds true in the case of Gene Linn of Rogers, Texas, who will be the speaker for the 32nd annual stockholders meeting of Farmers Cooperative Gins in Floydada.

The meeting will be held March 28 at 7:30 p.m. in Duncan Elementary Cafeterium. The election of one director will be in the order of business. Door prizes will be awarded and dividend checks will be passed out.

All common stockholders are urged to attend.

Linn is a native of Rosebud, Texas where he developed a "love for the land" that was strong enough to draw him back to Central Texas after a successful 10 year stint in the business world.

While in Rosebud High School, our speaker was active in Future Farmer activities with projects in beef, dairying, and poultry. His college days at Abilene Christian College were interrupted by a four year hitch in the Air Force, but in 1958 Linn received a degree in General Agriculture from ACC. At ACC Linn was a member of both the livestock and dairy judging teams and was selected by the student body as a cheerleader in 1951.

He is no stranger to Texas farmers as he spent 8 years in Lubbock working with farm and ranch people. Three and a half years of which he aired "Linn's Farm Report" each morning on both radio and television for station KCDB. Other positions held in Lubbock include Manager, Agriculture Department, Lubbock Chamber of Commerce and Director of Information for the Lindsey Seed Co. While with the Lubbock Chamber, Linn served as president

of the National Association of Chamber of Commerce Agricultural Executives and as president of the Lubbock Agricultural Club.

Gene is now back where he wants to be, however, on his 150 acre river bottom farm near Rogers, Texas. (Rogers is about halfway between Temple and Cameron.) The farm is diversified with cotton, grain sorghum, pecans, and cattle. In addition to his farming activities, Linn fills speaking engagements for business and agriculture groups in the South-

## Alley Weed Killing Deadline April 1

To date only 60 lots have been committed for spraying to kill the weeds in the alleys.

A minimum of 100 lots is needed to start the weed killing program.

The Floydada Chamber of Commerce reports that unless 100 lots are committed by April 1, there will be no alley weed killing program.

The cost is \$3.00 for a strip sprayed 10' x 50'. It is thought the "kill" will be effective for three years.

Another coupon appears in this issue of the Hesperian for persons who desire to take advantage of this weed killing program.

## Cancer Drive Starts April 15

A covered dish "kick-off" supper for the American Cancer Drive in Floyd County has been set for the night of April 14 at 6 o'clock in the Fellowship Hall of the First Methodist Church in Lockney. All drive workers are urged to attend and asked to bring a covered dish. The drive starts April 15.

Ed Low, district executive director from Lubbock, will present a short film and also distribute material for the drive following the meal.

Heading the drive this year are Mrs. Woodrow Wilson, Floydada chairman, and Mrs. Barry Barker, Lockney chairman. Bill Baker is chairman of the Floydada business area and Mrs. Dale Kincer is chairman of the door to door canvassing.

The Floyd County executive board of ACS met recently with Mrs. Wilson, president, presiding. During the session it was reported to date that \$183,10 in memorials had been transferred to the state ACS.

Mrs. J. H. Barnard, education chairman, reported showing films in the Floydada High School and to the Family Planning group. Following the meeting Crusade packets were filled.

The next regular board meeting is scheduled for May 12 in the bank building in Floydada.

He and his wife Ann are members of the First Methodist Church and are the parents of five children. Mack is a junior at WTSU, Linda is a sophomore at SMU and Jodie, John and Terry are students here in Floydada.

## "What America Means To Me"

By Gordon Bond  
What America means to me is freedom, forest, work and factories.

To me, freedom means you have freedom of religion and speech and of things that we do.

Forests to me mean beauty and life to different kinds of animals.

Work means to me that we can make our own kind of living. Sometimes I think about factories and what they have done for our country. The things they make made our nation strong.

So this is what America means to me. So would you try to make America stronger?

### WHAT AMERICA MEANS TO ME

By Julie Poage

America means fairness, freedom, and loveliness to me.

We do not think much about fairness. Think about in Russia where the teacher tells the student what to wear. They may even have special times you get to read, but here in America we get to read any time we have spare time. We can speak any time or place, just so we don't hurt anyone's feelings.

We have freedom also. We may go to any church we please or worship any God. We may speak any place. Perhaps you were going to New York. Here in America nobody would stop you and ask, "Where's your license?"

The best thing in America is its loveliness. Think how pretty the large oceans are, the green grass, the sky filled with birds, and the beautiful little flowers!

All of this is what "America Means to me." Think about it.

### WHAT AMERICA MEANS TO ME

By Jimmie Kay Sales

America means several things to me. It probably means several things to you too. America to me is freedom, law, and government. I'll tell you

about them.

America, to me, is freedom. Part of this freedom is elections. We, in America, vote for whomever we want. We won't get shot if we don't vote for a certain, certain person. Another part of this freedom is speech. What would we do if we couldn't say anything we wanted? We'd go crazy. We'd be grouchy and sour all year round.

Still, another part of this freedom is travel. Travel, to me, is a great freedom. We can go anywhere in America at all and not have to ask anyone if we can. We can come in anywhere in anywhere and not be turned away, unless we're wanted, or we tear up the place.

Laws! They're a big problem these days. People like laws and hate 'em. I, for one, think laws make a country great. If a country's laws are not fair, the country is weak. Its people are sad and weak. The people of a country whose laws aren't fair and just, may get angry. They may revolt. And when and if they do, the government will be sorry. America is great only because her laws are fair. To me, if a country's laws are fair, the people are happy, and the country is great. And in America, anyone, anyone at all, has the right to laws. That, too, helps make America great.

In America, we, the people run the government. Nobody, but the people. We pay taxes and supply the government's money. We make our Armed Forces. We make everything the government has been, or is now.

And so, my friends, that is what America means to me. I have more, but for the moment, I think those may be the most important. Does America mean the same thing to you? Think about it.

Freedom is choice of government and choice of school. But best of all it is love, love for one another.

Now as we go along we come to work. Work is the opportunity of working for a goal. It is education, family and opportunity. All this is work.

Last but not least comes laws. There is freedom in America, but there is also laws to keep this freedom.

Now as we come to an end, we ask ourselves, what is America. It is a hope, a hope you can only find in America.

have freedom of religion, we can go to the church of our choice. We have freedom of government, we can vote for the man of our choice to lead our country. We have freedom of assembly, to join any group we choose, and many other freedoms.

Also America to me is natural resources. I love nature. I like the plants and the trees, and the animals. I love to go to the mountains for a summer vacation.

But, most of all America would not be itself without people. People are what make America. America is a place where all people can come, not just a place for one race. We have many races in America, Negroes, Anglos, Latin Americans, and many others.

## SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Mar. 17 - A brilliant sun is shining this St. Patrick's Day, but all activity in our area was at a standstill over the weekend. Friday the storm surged around us with rain, sleet and wind all day, then at nightfall the snow began in earnest. Blustery winds whipped the snow into blizzard proportions all day Saturday, with around 8 inches reported here. Melting began Sunday afternoon, and snow plows and tractors opened up roads.

A few brave ones ventured out Sunday morning to come to the Baptist morning services, but most could not even get out of their own doorways, and drive-ways, because of huge drifts. The Associational Workers Conference which was scheduled for the Baptist Church here Tuesday night will be held and supper served.

South Plains School is closed this Monday. Many children live on unpaved roads and until roads are cleared, it is almost impossible to transport the children.

Among the six contestants listed Thursday as seeking one of the two princess designations at the South Plains Junior Livestock Show in Lubbock is Miss Patricia Jarrett, daughter of Mr. and Mrs. Claude E. Jarrett of Silverton. She is the entry of the county-wide 4-H Club of Briscoe County, and is a 17 year old junior at Silverton High School. Jarrett teaches 3-8th grades here at South Plains School.

Mrs. N. C. McCain of Lockney was brought out to the home of her daughter, Mrs. Fred

Fortenberry and stayed until Wednesday evening with them. Mr. and Mrs. Frank McClure were involved in a bad wreck Wednesday morning. They had started on a trip to Ardmore, Okla. to the Clinic where Mrs. McClure was to have a checkup Thursday. They were nearing Flomot when the wreck occurred. Their station wagon and a pickup from Oregon were badly smashed, as they hit at the Quitaque crossing. Mrs. McClure sustained head injuries, no broken bones, but severe bruises. She is in Lockney Hospital. Frank was not injured nor was the occupant of the pickup.

Sherry Roberts, daughter of the Lyndel Roberts, and niece of Mrs. Kendis Julian is in the University Hospital at Lubbock. She will be there a week then be confined to bed rest for a month when she reaches home. Mrs. G. E. Trimble was taken to the Lockney Hospital Saturday suffering with a severe case of influenza. The family reports it will be a few more days before she can come home.

Others who have had the influenza the past week are Mr. and Mrs. Don Probasco and they had just gotten home from the University Hospital of Lubbock with their baby, Cassie on Tuesday. They are all feeling fairly well this Monday, we are glad to report.

Visiting in the Don Probasco home Sunday night were Mr. and Mrs. Phillip Smitherman and boys, and Mr. and Mrs. Derald Young and children.

Mrs. Don Probasco's father, Joe Rogers of Lockney, has been in the Lockney Hospital for two weeks, and is not progressing from his illness.

Mr. and Mrs. Roy Burks of Ballinger arrived Friday night to be the houseguests of Mr. and Mrs. Bryan Karr, and got snowbound over Saturday, Friday night Mr. and Mrs. John Key West and Mr. and Mrs. Early Pritchett joined the Burks at the Karr home for games of forty two. Others they got to visit with were Mr. and Mrs. L. N. Johnson and Mr. and Mrs. M. M. Julian. They went home Monday morning by way of Lubbock.

Mrs. Arby Mulder has been confined to her bed since last Wednesday with a severe case of influenza. This Sunday was the first day she was able to be up.

Mr. and Mrs. Sylvan Kinnibrugh and baby Melissa went to Truscott Friday afternoon to visit her mother, Mrs. J. R. Spivey and other relatives. Saturday they followed the snow plow and were able to get home.

They reported the snow deeper down that way than in this vicinity.

WMU members met at the Baptist Church Tuesday afternoon where Rev. W. L. Trice led the group in the Bible study of Philipians with its theme of joy. Members present were Mmes. Bryan Karr, L. T. Wood, M. M. Julian, Frank McClure, C. F. Fortenberry, and W. L. Trice. At 4 p.m. GA leaders met with their boys and girls, and Mrs. Peggy Roberts served delicious refreshments of iced cake and fruit punch to WMJ members and all the GA's and their leaders.

There is a need for helpers at the First Methodist Church in Lockney where the Therapy group meets each day from 9-12:30. Mrs. Wayne Bramlet would be very happy if there is someone who would volunteer and could come any day and help during this time. Please call her, if you can offer help at this school.

The South Plains PTA met Friday afternoon, March 14, at the school house with Mrs. Hugh Marble's 2nd grade room giving the program, a play, "Voices of the Forest," in which all the children took part. PTA members also met for a business meeting with Mrs. Travis Young presiding.

Several from this community spent last week fishing at Falcon Lake down in south Texas. Those who went were Ronald Kitchens, Mike Wood, Edward Hartman, Glen Wood, Eugene Beedy and Billy Stanforth. They arrived home just before the storm, getting in late Friday night. They hit the storm around Post and were a long time getting through the fog and sleet.

The South Plains Baptist Church will be in a revival from March 23 through 30th, with evangelist A. L. Swagerty of Fletcher, Okla., and singer will be Mark Langley. Time set is 7:30 each night for prayer and choir meeting, and services are set for 10 a.m. Everyone is looking forward to a fine week of services.

Vacation Bible School for the Baptist Church is set for June 2, and the Associational Clinic for the school will be held April 15, in Matador. South Plains School is scheduled to be out on Mary 23.

Mrs. Fletcher Powell left for Anna, Texas last Tuesday where she will be staying with her son and family, the Johnny Powells and new baby. The children are staying in Floydada with the George Ray Powells while she is away. Mrs. Johnny Powell is not doing well and will have to be confined to her home for three weeks.

Mrs. Floyd Linch and baby son were honored at a morning coffee in the home of Mrs. L. T. Wood Wednesday morning, March 12. Mrs. Karr presided at the refreshment table where spiced tea, coffee and doughnuts were served from a linen covered table centered with a baby tree, and blue and white decor. Mrs. Marble won the prize in a game led by Mrs. Kendis Julian. Hostesses for the coffee were Mmes. Bryan Karr, Murray Julian, Kendis Julian, Ursel Taylor, Sylvan Kinnibrugh, Early Pritchett, E. J. Kinslow and Shelby Calahan. Baby Linch was born on Mrs. Woods birthday, Feb. 13. Besides the hostesses present were Mmes. Mike Wood, J. P. Taylor, Grigsby Milton, H. L. Marble, and gifts were sent, including those from Mmes. Frank McClure, T. S. Powell, Roy Bledsoe, Fred Fortenberry, Walter Wood and Rev. and Mrs. W. L. Trice.

Warren Powell, son of Mr. and Mrs. Tillman Powell, went to Plainview Tuesday to take his physical for the Armed Forces. He was found to have a severe cataract on one eye, and will not have to do active duty for the army.

Kay Cummings, who attends Rice University in Houston, is home at this time for spring vacation, visiting with her folks, Mr. and Mrs. Kendall Cummings, who now reside in Floydada.

In South Plains this week

there will be the Workers Conference and supper at the Baptist Church Tuesday night. Wednesday there will be a meeting of the Hobby Club at the home of Mrs. H. L. Marble and Thursday morning there will be a baby shower honoring Mrs. Billy Moody and baby at the home of Mrs. Murray Julian.

## 4-H Club DOINGS

The Floydada 4-H Club met February 13, and March 13, with Becky Copeland conducting both meetings, in the absence of Billy Finley, president, and Teresa Colston, vicepresident. Marketa Sissom led the Motto and Pledge and a Safety program was given by Southwestern Bell Telephone Company. The Motto and Pledge was led by Dirk Nelson at the March meeting, and the club voted to sell light bulbs for fund raising program. Regina, Vickie, Rickey Dudley and Rickey Summers are our new club members. The program was given by Kally Kneale on her native land of Australia. Kally is our American Field student this year.

## Woman Charged In Motor Death

A Lockney woman was charged in Floydada last Thursday in connection with the death of a Plainview woman following a two-car collision recently, 6 miles east of Plainview on U.S. 70.

The charge against Mrs. Inez Newman Rhodes of 502 NE 6th in Lockney is "murder with a motor vehicle by accident and mistake when driving while intoxicated," Dist. Atty. John Stapleton said.

The charge, a felony, carries upon conviction, a maximum five-year prison sentence, he said.

Mrs. Rhodes is accused of causing the death of Mrs. Lazzelle Jones of Plainview who died Saturday morning in a Lubbock hospital.

Mrs. Jones suffered a broken neck when the car in which she was riding was struck from behind by another vehicle.

Mrs. Rhodes was treated at Lockney Hospital for broken ribs and later transferred to Swisher Memorial Hospital in Tulsa.

## Watson Attends Stockholders Meet In Houston

Jake Watson has just returned from Houston where he attended the annual stockholders' meeting of the Federal Land Bank. The meeting was attended by representatives from 73 Federal Land Bank Associations located throughout Texas. Some 450 persons attended.

Delegates, alternates, and guests heard President Herbert H. Decker give the annual report and addresses by W. R. Poage, Representative from the 11th Congressional District of Texas and Arthur A. Smith, Senior Vice President and Economist with the First National Bank in Dallas.

Members of the Board of Directors of the Federal Land Bank Association in Floydada are Raymond Rucker, Lockney; Menard Field and Tate Jones, Floydada; John Irwin and Edgar Lee of Matador; and Carroll Carrison and Leon Lane of Silverton and Turkey. Edgar Lee attended the meeting as the bank delegate.

### Conservationist Dies Of Heart Attack

H. N. Smith of Temple, 66, widely known State Conservationist for the Soil Conservation Service, died late Thursday afternoon, March 13, of a heart attack. He was stricken at his home about 10:00 p.m. on March 12.

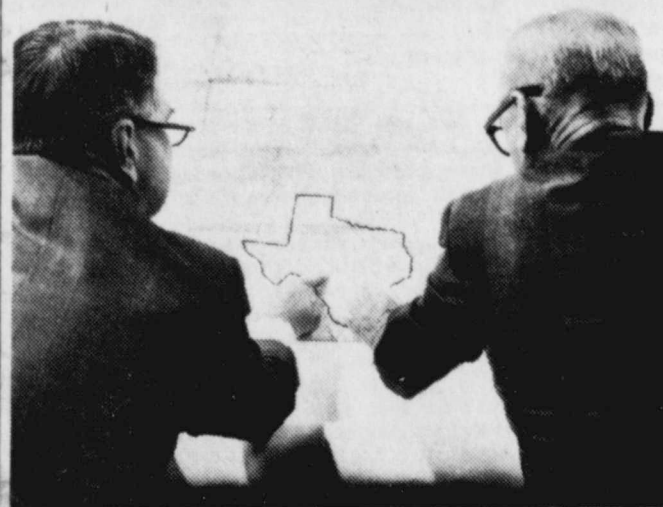

A native of Clarksville, Smith had been State Conservationist for Texas since 1954. His SCS career began in June, 1935 at Lindale. In August of 1935, he became project manager of a demonstration project at Dublin. From 1937 to 1939, he was Assistant State Coordinator at College Station, then was made Chief of Operations at the SCS Regional Office in Fort Worth, directing conservation work in Texas, Oklahoma, Arkansas, and Louisiana. He was named Acting Regional Director in 1953, then became State Conservationist for SCS in Texas in January, 1954. He also taught Animal Husbandry at Tarleton State College from 1925 to 1935.

In 1960, Smith received the coveted USDA Superior Service Award. He also received awards for outstanding work in 1951, 1956, 1966, and 1968. He was a charter member of the Soil Conservation Society of America and the American Society of Range Management.

He was one of eight employees outside Washington, D.C. in line to succeed the Secretary of Agriculture in case of a national emergency. He also served as USDA regional liaison representative for defense mobilization and civil defense and was the SCS member of the USDA State Defense Board. On December 17, 1958, he was appointed by President Dwight D. Eisenhower to represent USDA as a Commissioner on the U.S. Study Commission - Texas which made a detailed study of natural resources in the state.

Highly respected by conservation leaders in Texas, Smith believed that the soil and water conservation job, if done, would be done by private users.

The eyes of America are upon TEXAS.

And they see a productive labor force, a generally fine climate and an abundant supply of low cost electricity provided by LIGHTHOUSE ELECTRIC COOPERATIVE and 77 other member-owned electric utilities in the State.

Texas is one of the three fastest growing states in the U. S. and LIGHTHOUSE ELECTRIC COOPERATIVE with its dependable supply of power must be counted as a prime factor in that growth.

We have all the electricity you need with first rate service as well. So settle here Mr. Businessman. Together we are Helping Texas Grow.

## NOTICE

Notice is hereby given to the real and true owners whether hereinafter named or correctly named or not of property abutting upon the 300 Block of Crockett Street within the limits herein defined in the City of Floydada, Texas, and all persons owning or claiming any such abutting property or any interest therein and to all others claiming or interested in any of said property or in any of the proceedings, contracts and matters herein mentioned, that:

The City Council of the City of Floydada, Texas, by duly enacted ordinances has determined the necessity for and ordered the permanent improvement of the 300 Block of Crockett Street from East Property Line of 4th Street to West Property Line of 3rd Street in the City of Floydada, Texas. The width of the paving is 41 feet.

By said ordinance the City Council of the City of Floydada, Texas, has ordered said street to be improved by excavating, grading and paving the same by the installation of drainage facilities and by constructing curbs and gutters where adequate curbs and gutters are not now in place together with other drains, incidentals and appurtenances thereto; said paving to consist of 1-1/2 inches of asphalt pavement on a 6-inch sub-base of the materials, type and width as provided for in the plans and specifications and the contracts covering the construction of said improvements which said plans and specifications and contracts are hereby expressly referred to for a more detailed description of said improvements and are on file at City Hall in the City of Floydada, Floyd County, Texas.

That said City Council has caused the City Engineer to prepare and file the hereinafter set out estimates of the costs of such improvements and has heretofore by duly enacted ordinances determined the necessity of levying assessments for a portion of the costs of the construction of said improvements against the property abutting upon said street within the limits above defined, and the real and true owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said City and the said abutting property, and the real and true owners thereof, and that the portion of said costs proposed to be assessed against the said abutting property, and the real and true owners thereof, will be in accordance with the FRONT-FOOT RULE or FLAN and did adopt the proposed rates and estimates of said costs in reference to and for said street within the limits above defined.

A hearing will be given and held by and before the City Council of the City of Floydada, Texas, on the 8th day of April, 1969, at 8:00 o'clock P.M. in the City Council Chamber of the City Hall of the City of Floydada, Texas, to the real and true owners whether named or correctly named herein or not of all property abutting upon said street within the limits above defined and to all persons owning or claiming any such abutting property, or interest therein, and to all others owning, claiming or interested in said abutting property or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or contract herein described.

At said time and place, all such persons, firms, corporations and estates and their agents and attorneys shall have the right to appear and be heard and offer testimony as to the said assessments and to the amount thereof proposed to be assessed against said abutting property and the real and true owners thereof, and the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency, in any proceeding or contract in reference to said improvements and said proposed assessments, and concerning any other matter or thing as to which hearing is a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to a hearing under the Constitution and laws of the State of Texas and the proceedings of said City Council of the City of Floydada, Texas.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said street, within the limits above defined, and the real and true owners thereof, for that portion of the costs of said improvements determined by said City Council to be payable by such abutting properties, and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property, from the date the said improvements were ordered by said City Council and shall be a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and true owners be named or correctly named, in such proceedings or not, and no error or mistake or discrepancy in the names of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence upon said streets, and the real and true owner or owners thereof, shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under the Acts of the 40th Legislature of the State of Texas, First Called Session, Chapter 106, known and shown as Article 1105-b, Vernon's Annotated Civil Statutes of Texas, as amended and as adopted by Ordinance No. 478 heretofore passed by the City Council of the City of Floydada, Texas, on February 11, 1969, recorded in Book 8, page 3.

Of all said matters and things, all persons owning or claiming any such abutting property or any interest therein, as well as all others in anywise interested or affected by the things and matters herein mentioned, will take notice.

In addition to being published, the notice shall also be mailed to the respective property owners in the manner provided by Texas law at least 14 days prior to the date of hearing thereon. Done by order of the City Council of the City of Floydada, Texas, this 11th day of March, 1969.

### LOW COST DISHES

What could make a delicious meal taste even better? Maybe the fact that the tasty meal has been prepared at most economical cost. As you've probably discovered, cost doesn't always determine how good something looks or tastes.

You may want to add some of the following dishes to your menu plans. They are simple to prepare, low in cost and nutritious.

Meat and Scalloped Potatoes is an excellent choice for March menus. Potatoes are reported plentiful now by USDA's Consumer and Marketing Service.

2 tablespoons fat  
2 tablespoons flour  
1 cup milk  
3/4 cup cheese

1 onion, thinly sliced  
4 potatoes, thinly sliced  
2-1/2 cups luncheon meat  
1/4 teaspoon salt

Melt fat in a saucepan. Add flour and salt and stir. Add milk slowly, stirring constantly until sauce begins to bubble. Lower heat, cook until mixture thickens - about 3 minutes. Add cheese to pan and stir over low heat until cheese melts.

Combine onion, potatoes and luncheon meat in a greased baking dish. Pour sauce into dish, cover and bake one hour in a 350 degree oven. Remove cover and bake 15 minutes more. Makes six servings of about 1 cup each.

HOT BEAN SALAD - is a tasty accompaniment for baked ham.

1/4 cup salt pork or 2 bacon strips, cut up  
1/2 onion  
1/2 green pepper  
1 stalk celery  
1/4 cup vinegar  
3 cups cooked dry beans  
1/2 teaspoon mustard  
1/2 teaspoon salt

Brown bacon or salt pork in a large fry pan. Add chopped onion, chopped green pepper and chopped celery. Add remaining ingredients. Cook very slowly until mixture is hot. Stir to keep from sticking. Six servings.

BAKED CHICKEN AND GRAVY  
1 frying chicken, about 3 pounds  
Fat  
1/4 cup flour  
2 cups milk  
Salt  
Pepper

Put chicken in baking pan, breast side up, and rub skin with fat. Roast in 325 degree oven for 1 to 1 1/2 hours until tender. Remove chicken from pan. Put pan over low heat, add flour, cook and stir until brown. Slowly add milk to pan and cook until thick. Add salt and pepper to taste. Carve chicken, and put a little gravy over each serving of chicken. Makes six servings.

Mashed potatoes go well with baked chicken and gravy. Serve buttered greens and hot biscuits topped off with a fresh tangerine and milk.

SALMON BURGERS  
1 pound can salmon  
1/3 cup salmon liquid  
2 eggs, beaten  
1/3 cup dry bread crumbs  
1 teaspoon mustard  
1/2 teaspoon salt  
1/4 cup melted fat or oil  
1/2 cup chopped onion  
1/2 cup dry bread crumbs

Drain salmon liquid into measuring cup, and put 1/3 cup liquid into large bowl. Add salmon and break into pieces. Add eggs, bread crumbs, mustard and salt. Combine melted fat and onion in pan and cook until onion is tender. Add to bowl and mix well. Shape into six patties. Roll patties in 1/2 cup dry bread crumbs. Fry in hot fat over medium heat for 3 to 4 minutes, until brown on bottom. Turn and brown on other

side. Makes six salmonburgers.

Serve the salmonburgers with buttered broccoli, grapefruit and lettuce salad, rolls, butter or margarine, rice pudding and milk.

### KNITS ARE NEW

Knits have become a very important part of every girl's wardrobe! And no wonder, they're both smart and comfortable. A single knit (such as jersey) has just one set of warp yarns and one set of filling yarns, so it is lighter in weight than a double knit.

A double knit is knitted with double stitch, giving a double thickness to the fabric. Many new knits are prelined.

CHOOSING YOUR PATTERN  
Select a simple pattern with as few seams as possible. Do not choose patterns requiring cutting on the bias, such as circular skirts for single knits.

PREPARATION FOR SEWING  
First establish your guideline (or grain line) by hand basting along one straight lengthwise rib. Fold double knits parallel with the basted rib and then lay out your pattern, using pins placed closely together.

SEWING KNITS  
On all knit fabrics, stay-stitch the edges you do not want to become distorted (i.e., necklines, shoulder seams, etc.). Use a fine sewing machine needle, synthetic or cotton thread and sew 12-16 stitches per inch. Single knits require a medium tension. For double knits, use a looser tension, a size 11 or 14 needle and a straight or small zig-zag stitch.

When sewing Acrilan acrylic jersey, stitch slowly and evenly; first experimenting on a double thickness of fabric to insure correct tension.

Sew seam tape or ribbon into the shoulder seams and waistline of all single knits. When hemming it is best to use bias seam binding on single knits. Stitch double knits around the bottom and then catch-stitch the raw edge invisibly to the garment.

LININGS  
Linings are not required in double knits. Single knits (unless pre-lined) should be lined with lightweight fabric in a matching color. Some of the lacy double knits may require a lining.

PRESSING  
When pressing knits, press lightly along the grain so as not to stretch the fabric, using a medium hot iron and a damp cloth - or a steam iron and a dry press cloth. Also take precaution not to shine the fabric.

Wright and Boham and Leonard with relatives.

They went to the church at Grove Hill and also the school where Mrs. R.L. Nichols and her brothers and sisters attended when they were growing up. Monday night a number of relatives met at Rasena for supper and a family get-together.

The folks from here returned home Tuesday. Mrs. Nichols reports the weather was beautiful in that part of the country for their entire visit.

Mrs. B. P. Neff has been staying most of the time since last Monday at Lockney General Hospital with her father, W. C. Wright, who is a patient at the hospital.

## Teacher Panel Highlights FTA Meeting

(By Kelly Smitherman)  
F.T.A. held its monthly meeting recently in the high school auditorium.

Highlight of the evening was a panel discussion by Mrs. Ann Carr, Mrs. Bill Cagle, Bob Aldredge, and J. W. Sollis. These teachers answered questions about their profession.

The club elected to seek Easter seal donations on March 29 in the downtown area. Also, it was decided to have teacher appreciation projects during the coming Teacher Career Month.

In a recent election by F.T.A. members, Mrs. Ann Carr, English teacher, was selected teacher of the year and Sheila Taylor was selected outstanding member. Mrs. John Kimble was first runner-up as outstanding teacher and Kelly Smitherman was first runner-up as student.

Keith Norrell presided, and Dale Baker led in the Pledge of Allegiance. Brenda Mathis, secretary, read the minutes.

The next meeting will be scheduled for some time next month.

## DOUGHERTY NEWS

DOUGHERTY, March 17 - There were reports of up to 8 inches of snow in our area over the weekend.

This Thursday, Mar. 20 at 7 p.m. is the time for the pie supper at the Dougherty School cafeteria. Carolyn Kneale, American Field Service Student from Brisbane, Australia will show and narrate slides of her native country. Pie and coffee or cocoa will be 25¢.

Mrs. Richard Ward, Mrs. Ray Tinney and Mrs. Robert Ward were visitors in Lubbock Tuesday.

We are happy to welcome Weldon Emert back home. He has received his discharge from the Navy and will be working for the Lighthouse Electric.

Glen Switzer was a Saturday night guest of Weldon and his parents, Mr. and Mrs. Lon Emert.

Mrs. Laura Graham is visiting her daughter and other relatives in Mississippi and Louisiana.

First Lt. and Mrs. Jerry Crawford and Becky from Offutt Air Base, Omaha, Neb. are expected home to visit his parents.

## CENTER NEWS

CENTER, March 17 - News is very scarce this week as almost everyone was snowbound over the weekend.

Visitors in the home of Mr. and Mrs. C. W. Denison during the past week were W. A. Lovell and Mrs. E. W. Walls.

Mr. and Mrs. R. C. Ross visited Mr. and Mrs. Elbert Parks recently. She is doing better now, and we wish her a speedy recovery.

Mrs. Ernest Lee Thomas and Mrs. Frank Dunn are in Houston visiting their children this week. Mrs. Thomas is visiting her son and family, and Mrs. Frank Dunn is visiting Mr. and Mrs. Joe Lee Dunn and baby son and Mr. and Mrs. Eddie Parks and daughter.

C. W. Denison was able to be in Floydada Thursday and attend to business.

Mr. and Mrs. Bobby Welborn and family visited with his parents, Mr. and Mrs. J. D. Welborn Sunday.

Mrs. Frank Dunn visited Mrs. O. C. Vinson Wednesday of last week.

Mr. and Mrs. Jerrold Vinson came by to see his mother, Mrs. O. C. Vinson Thursday.

**FLOYD PHILOSOPHER Looks With Considerable Concern At New Crop-Photographing Camera**

Editor's note: The Floyd Philosopher on his Johnson grass farm takes what must be a backward look at a new invention.

Dear editor:  
I was out here walking over this Johnson grass farm inspecting things and planning my work for the months ahead, well I wasn't actually doing much planning, what I was doing was getting away from the noise of my house, noise like "other homes around here have washing machines, why can't this one?" or "this land is about as good as that across the fence, how come it doesn't make as much?" or "when are you going to fix that loose board in the back steps?" and so when I stumbled on a newspaper it was especially welcome. Since most problems can't be solved anyway, a smart man will worry about those furtherest away from home.

According to an article in this paper, the latest thing in space work is a camera that takes four pictures at the same time from a satellite circling the earth, and it's so accurate it can actually detect the condition of crops, can tell what insects are bothering them, can reveal the moisture content of the soil, can even spot fish in lakes and oceans.

Some people call this progress but I call it scientific snooping. It's bad enough to have to explain the condition of my crops right around the house, without having to defend what's over the next rise.

While I guess I should be grateful for the scientists' sending up a 10-million-dollar satellite to tell me whether or not I need a rain, up to now I've always managed to find out on my own.

And as for locating fish, maybe in the middle of the Atlantic would be all right, but let some high-powered camera send back a message from space that fish are biting in a place I'd figured out for myself and was keeping quiet about, and I'd have more company than a new Governor with 1500 jobs to fill.

However, I don't suppose there's any way to stop progress, outside of Congress, and I was just wondering, if this camera can tell me what insects are bothering my crops, why don't the scientists train it on South Viet Nam and find out where those Viet Cong are shelling Saigon from?

Yours faithfully,  
J. A.

AMERICA  
That's "What America Means to Me."

WHAT AMERICA MEANS TO ME  
By Van Miller

When I hear a church bell ring down the street it doesn't just make me think of people gathering in the church building. What does it make me think? Freedom, it makes me think of freedom. It makes me think of other continents which have only one religious church where you may go to only one church. That is freedom. When I see little dogs, big dogs, skinny dogs, and fat dogs it makes me think of freedom. It makes me think of other places in the world which will not allow pets of any kind of pets of just one kind. When I see plaid shirts, mod pants, and many other kinds of clothing, it makes me think of freedom also; freedom to wear any kind of clothing anywhere.

When I see buses loaded with people, what does it make me think of? It makes me think of other countries. People going to a governor, or high person, asking them if they might be able to go on a trip. When I see many kinds of transportation it makes me think of people in other continents also. People with little or no transportation.

When I hear American's speaking many languages it makes me think of freedom of speech. In some countries people cannot talk in front of some people, and cannot speak some languages.

All of this is America to me. Freedom is America.

By Juan Salinas

El día de ayer llegó feliz y contento a esta ciudad, como todo un veterano de guerra al Especialista Cinco Jose Vasquez. El joven Vasquez estuvo en la guerra en Viet-nam por un periodo de un año. El estuvo estacionado con una division de infanteria de cerca de Saigon. Al Especialista Cinco le falta un año mas de servicio militar. Pero este año lo servira en el Norte de Carolina. Damos gracias a Dios que nos trajo a otro joven de la guerra sano y salvo. Felicidades a todos sus familiares y nos alegramos mucho juntamente con ellos. Muchos padres, hermanos, hijos, y esposas no tienen esta dicha de recibir a un ser querido, Joe, como lo tienen los tuyos. Muchos tienen que conformarse con una medalla en cambio de un hijo, hermano o Esposo. Dios te ayude y te deseamos todo genero de felicidad.

El miercoles pasado un grupo de diez mujeres del pueblo se dieron gusto haciendo unas flores de tela. La Senora Irene (Nena) Garza de Lockney vino y trajo muy buenas ideas para que las Senoras de esta localidad puedan pasar un buen tiempo. Ella, La Senora Garza, les enseno, en un abrir y cerrar de ojos, como hacer estas flores de tela tan bonitas. Las señoras pagaron diez centavos por cada flor que hicieron. Es decir, pagaron por el material. Este miercoles van a cubrir un zapato de mujer con macaron - Yo nunca he comido esta clase de comida pero si se prepara y tengo hambre, a buen hambre no hay pan duro. No, creo que se va a usar para decorarlo y ponerlo encima de la television. A la Senora Garza le damos nuestras mas sinceras gracias por su amabilidad y deseo de ayudarnos.

REFRAN DEL DIA: No es rico quien tiene mucho dinero; sino quien vive contento.

Esta semana le vamos a presentar a Ud. al joven ilustre Mario Martinez. Mario nació el 17 de noviembre de 1944, en la ciudad metropolitana de Brownsville, Texas. Sus padres son el señor Amadeo Martinez y la senora Virginia Martinez. Mario tiene tres hermanos y dos hermanas. Mario estudio Ingenieria y Electronica en Radio y Television en el Eklins Radio Institute en la hermosa ciudad de Dallas, Texas. Trabajo como locutor en la Estacion de Radio KEVT en Tucson, Arizona por un periodo de nueve meses. De allí trabajo en la estacion de radio KDHN en Dimmitt, Texas. Despues de un año de trabajo vino a KFLD aqui en nuestra ciudad. Mario contrajo matrimonio

con la Senorita Marta Olhmer Leon el 18 de junio de 1967. Les ha nacido un bebe y llevaba por nombre Marion Luis Martinez, que naciera el 14 de abril de 1968. Los sueños de Mario son el bienestar de la comunidad y un día llegar a ser un gran abogado.

Allí tienen Ud. parte de la vida del joven locutor que desea ayudar con todo lo que el pueda. Mario busca la silla en el concilio de la ciudad y desea con todo su corazón llegar a tomar parte en las decisiones que se vayan a hacer por medio del concilio de la ciudad. Respaldele.

Noticias del Centro Social Della Plains: Estamos teniendo toda clase de actividades. Tenemos varias organizaciones para hombres y mujeres. Queremos que si Ud. no ha tomado parte lo haga durante este mes. En los lunes por la noche tenemos las clases de ingles. En los martes en la noche tenemos recreacion para los jovenes. El miercoles por la noche tenemos cerrado por la ya que en casi todas las iglesias hay servicios. El jueves por la noche tenemos diferentes de juntas. El GI Forum, las clinicas, recreacion para la juventud. Una vez al en los miercoles tenemos una junta de los jovenes adultos. Ellos se juntan cuando ya salieron de los servicios de las Iglesias. Tenemos pensado comprar maquinas para trabajar y hacer toda clase de curiosidades con madera. Si se nos hace vamos a comprar estas maquinas y con ellas tanto los jovenes, y los hombres podran inventar sus propios ideas. Pidale a Dios que nos conseda esta otorgacion de dinero para poder hacernos de esta maquinas. Esperamos tener varios juegos y muchas actividades. El centro social esta abierto todos los dias desde las nueve de la mañana hasta las once y en las tardes desde la una y media hasta las cuatro. Venga y visitenos.

### EL CAMINANTE Y LA VERDAD

Un caminante que atraviesa un desierto encontro a una mujer solitaria, con la mirada clavada en el suelo

Quien eres? le pregunto.

La verdad - Contesto aquella.

Y por que has abandonado la ciudad y vives en el desierto? Porque antiguamente la mentira solo se encontraba en un pequeño numero de hombres, y ahora se encuentra en todos, digase lo que se quiera.

Cuando la mentira prevalece sobre la verdad, la vida es mala y penosa para los hombres.

Hasta la otra - su amigo Juan Salinas

### FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, March 17 - The snow over the weekend was fine moisture wise, but hard on folks and livestock that had to be out.

Gene Payne of Muleshoe is in Lockney General Hospital where he underwent surgery Tuesday morning of last week. His mother, Mrs. Cecil Payne has been going to the Hospital most everyday to be with him.

Mr. and Mrs. Cecil Payne both went to the hospital Sunday afternoon to see Gene.

Dick Burton son of Mr. and Mrs. Lee Burton left Tuesday from Amarillo for San Diego, Calif. where he will be for his basic training in the Marines.

Mr. and Mrs. Doyle Walls of Floydada and Walton Wilson visited in the E.W. Walls home Sunday and had dinner

with them.

Mrs. Ray Cook and Mrs. Barker Chunn and baby went to Plainview Friday morning to take the baby to the doctor.

Charles Beedy and son, Randy of Stinnett had Sunday dinner with Mrs. W.B. Wilson and Mrs. Bill Tye.

Friday afternoon visitors in the home of Mr. and Mrs. Ruey Irwin were Mr. and Mrs. Elton Burgett of San Francisco Calif. Elton is a grandson of Mrs. Irwin.

Mrs. Clyde Bagwell had a phone call Sunday afternoon from her cousin, Mrs. Ira Bobo at Seminole. She reported Seminole covered in snow.

Mrs. Gracie Riggles stayed from Tuesday until Thursday with Mrs. Winnie Angus, who has been ill for several days.

dents.

"These proposals are designed to help preserve the dual system of higher education - public and private - and to enable more Texans to attend independent colleges and universities," Sen Hightower explained. The proposed scholarship would pay only a portion of the tuition at a private institution.

"This will help preserve the freedom of choice, which is being restricted sharply by the widening gap between public and private tuition fees," Hightower said. "A student who prefers to attend an independent college pays an average of nine times the tuition paid by a student at a public senior college."

"Such a discrepancy prevents many students of moderate means from attending the college of their choice. And it results in more and more students flooding the public senior and junior colleges, at rapidly-increasing cost to the taxpayers."

"It costs between \$1,200 and \$1,300 a year in appropriated funds to educate a student at a state-supported college or university. So, a state tuition scholarship of \$600 per year would cost the taxpayers less than half of the amount needed to educate him if this made it possible for him to attend an independent institution."

Hightower pointed out that the proportion of students attending private institutions has fallen from 32% to 20% just since 1960. While private enrollments have increase in actual number, he added, they are being far outstripped by the huge increase in public enrollments.

"Independent colleges and universities are simply caught in a perilous squeeze," he said. "They must constantly increase tuition because of mounting costs, but every time they do, it makes it more difficult for students to enroll. The state, meanwhile, maintains a low \$100 per year tuition and the taxpayers absorb most of the added costs of growing enrollments."

"Texas undoubtedly needs more public colleges and universities, but these bills don't speak to that time. Their purpose is the common sense approach of utilizing the established assets of independent young Texans."

"We are facing a critical decision on the future of the dual system of education which has served us so well for a hundred years. If we turn our backs on the problem, we ignore the Constitutional obligation to make all provision reasonably possible for the education of our people."

A tuition scholarship bill in different form has been introduced in the House by Representatives Lynn Nabers of Brownwood and Grant Jones of Abilene.

## Sgt. Burgett In AF Unit Earning Award

CAMP SPRINGS, Md. - Technical Sergeant George M. Burgett, son of Mrs. Ruey Irwin, Rt. 3, Floydada, Tex., is a member of a unit that has earned the U.S. Air Force Outstanding Unit Award.

Sergeant Burgett, a radio maintenance technician in the 89th Military Airlift Wing at Andrews AFB, Md., will wear the distinctive service ribbon to mark his affiliation with the unit.

The unit, which provides air transportation for top U.S. and foreign government officials, was cited for its safety awareness and professional ability in achieving an accident-free record of more than 43,569 flying hours for the period from July, 1966 through June 1968.

This is the second time the unit has received the award. Sergeant Burgett is a graduate of Floydada High School. His wife, Millie, is the daughter of Mr. and Mrs. A. M. Carmack of Hereford, Tex.

## FIGHT BACK!

Fight the farm price-cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you - if they're good, you'll be the big winner.

Put down some NITROMITE before you plant to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace.
