Bowling Alley Building

According to a report from Jimmy Willson, president of the Floydada Development Company, a new vegetable packing industry has been secured for Floydada.

At press time these details about the new indistry were available: contract has been signed for purchase of the old powling alley on the Lockney Highway. It will be remodeled with four offices, truck unloading dock and additional space built on for vegetable washing machines.

Main vegetables to be processed in the packing business will be peppers and cucumbers. Truckers will not only bring in vegetables from the immediate area, but from all over the irrigated Plains.

Willson said, "We have been working with this company for over two years, and we are happy that they have decided to locate here." Willson said the company will

employ approximately 500 workers in the packing and field work of the business for four or five months of each year. One of the key men in the neg-

otiations flew to Littlefield yesterday afternoon to sign contract for purchase of the bow!ing alley building.

The Hesperian will print more about the new industry next week.

Absentee Voting Going Slow

The deadline for absentee balloting in the city, school and hospital elections is set April 1 with the regularly scheduled

election to be held April 5. City Secretary Jimmie Lou Stewart, reported four absentee votes cast in the city election. while County Clerk Margaret Collier reported eight votes cast in the county election.

Absentee ballots for the city election are available at City Hall and ballots for the hospital and school board elections are available in the County Clerk's office.

In the mayor's race, Floydada voters will choose between the incumbent Floydada mayor Leonard Matsler and Jimmy

Two vacancies exist for the Floydada council and four men have filed for this election: Allen Rendon, Ed Hammonds, Boone Adams and Mario Martinez.

In the Floydada school board election two vacancies exist and four persons have filed in this election: Alex Wall, Mrs. Lon Davis Jr., Elmer Biggs and James Lee Nichols.

Two persons have filed for the election to the county school board: Cleo Whittle in precinct 1 and Hubert Frizzell in precinct 2.

In the Caprock Hospital Board election, Walton Hale and S. Hale Jr. will be seeking election to the board.

Pictures and resume of each of the candidates will be pub lished in the next edition of the Hesperian.

Reward

The Floyd County Hesperian is offering a reward of 35¢ per copy for four issues of the April 11, 1968 edition. Files have been depleted of this particular issue.

Latest Fashions Shown In Style Show

Tiny tots to matrons modeled new spring fashions Monday night in the 19th Annual Spring Style Show presented by the 1950 Study Club of Floydada. Background decorations of outer space highlighted the stage in keeping with the theme of "First to the Moon, First in Fashion", and the varied colors accented the scene for the lovely array of fashions shown by some 55 models including the latest in hair styles.

Miss Floydada for 1969, Kit Martin, made a surprise appearance and captivated the audience with her poise and gracious manner. Miss Martin modeled street apparel and formal wear, choosing for the latter a floor length off white gown accented by gold moon beams, long gloves and her official Miss Floydada crown.

Members of the club said they were well pleased with the attendance. Nearly \$200, before expenses, were realized from the show. Proceeds will be used for the presentation of a scholarship to the most deserving senior high school girl and medals to deserving boys and girls from the freshman. sophomore and junior classes,

UNDERSTAND the Junior Class of Floydada High School is hard at work preparing for a program to be presented tonight. There will be skits and a style show and participants will be coaches and the football boys! That should be good, Proceeds will go toward the Junior-Senior banquet, so make every effort to attend.

SOME 30,000 hand-clapping people, some waving signs say-ing "Down with Obscenity" rallied in the Orange Bowl at Miami, Fla., Sunday to support a teenagers' crusade for decency in entertainment. These kind of rallies I think we all could join in.

THE youngsters as usual stole the show Monday night at the annual Spring Style Show. If you're in doubt as to what color to wear for the sum ner months ahead, choose navy, red or white or a combination of all three.

MOISTURE prospects for the starting of the new crop year looks favorable. The dark and threatening clouds seem to be arriving a little early this year so we may be in store for some damaging storms this spring and summer. Storm cellar weather is fast approaching and there go my nerves again.

ONE of my favorite people is critically ill and at this writing Ike is steadily losing ground. The 78 year old five star general is requiring continuous oxygen. However his physicians say 'his stamina is a stounding and so is his will to live." To my estimation Gen. Ike will fight to the finish for he is that type of man.

THE Columbus Dispatch re-Attending Tuesday night's ceived from a schoolteacher the closing lines of a little boy's essay version of Cinderella: "They all grunted and tugged trying to get the glass slipper on their big old feet, but all they got was athlete's foot while Cinderella got the Prince. She lived happily for-

ever after because she could see when her toenails needed trimming without taking her shoes off."

* * * * * THE Doctor came out of the room and told the anxious wife "Frankly, I don't like the way your husband looks at all." "I don't either Doc," the wife replied, "but he is nice to the There will always be jokes I guess, like the little comic I read recently. The husband and wife were having lunch at home and he remarked to her, "You know I believe this is the best meal you have ever opened." It's nearly that way at our house, the trash can is full of cans and boxes after each meal I slave over for at least 15 minutes.

DON'T be surprised if your son, brother, or husband gets an extension of service duty, especially if he is doing vital work, David Hull, son of the A. T. Hulls, was due for his Navy discharge in May, but no such luck. He was sent to Okinawa, then was told that he and five other medics were being given extensions and were being sent to Da Nang. In this crucial time it can happen to any of us and right now things are not looking favorable in Vietnam for our boys.

JUST gotta brag some more. Bet you'll wish you had a column in the paper so you could talk about your kids. Anyway, we received a certificate yesterday from Danny showing he had successfully completed a course of instruction in crew chief school in the familiarization of the F4B/J systems and was fourth highest scorer in his class. Found out too that Miramar, permanent home of the Pacific Fleet's Fighter Squadrons, use to be an Army Training Camp back in World War I, it was known as Camp Kearny then.

THE seven-year-old had gone fishing with her father and after an hour or so, her dad asked, "Are you having any luck?" She replied indignantly, "No, I don't think my worm is really trying." And thats meddlins for this week.

A Friend to Metal Buildings ... Industrial Contractor Gilstrap

A metal building can be a thing of joy - until it begins to corrode, leak and look shabby. Or until you wish it were upgraded to something more easily heated or cooled and don't quite know what to do about it.

These woes are common to operators of industrial plants, operators of grain storage facilities and to farmers and ranchers. And many of them have discovered what to do about it. They call in Gilstrap Vinyl Roofing & Paint Co., industrial contractors serving a good portion of Texas from headquarters in Hutchins, just south of Dallas.

GILSTRAP does work on masonry buildings, but it is the metal ones whose owners are in the biggest hurry. And, it is the metal ones which require the most skill.

J. T. "Pete" Gilstrap, head of the firm, has been developing that skill since 1946. Nearly every year has seen new products to be tested and, if approved, put to work.

Gilstrap makes use of several different protective waterproofing and beautifying coatings for roofs and sidewalls of metal buildings. He is also owner of Aluminum Coating Co., distributor of Fortress Fibred aluminum roof coating, a remarkable product which penetrates to seal small holes or not-so-small homes and cracks when used over a membrane.

There are also special coat ings used on interior walls, machinery and even in storage tanks. Some are acid-resistant. There are other formulas used to waterproof concrete floors. Sandblasting is available when

GILSTRAP also applies polyurathane spray foam insulation. His customers include some of the largest industrial and manufacturing plants in this part of the country, but he has also found time to do quite proud by his own business needs. The attractive metal building at his headquarters at 300 E. Dallas St. in Hutchins proves just how useful a metal building can be.

Y les estaremos dando mas informacion de este gran evento. Todos los que nos ha visitado se ha ido contentos porque ven el fuego que tienen nuestros oficiales en la tarea que estan haciendo. Felicito de una manera distinguida a los oficiales del GI Forum por el entusiasmo y el deseo de encaminar a nuestra raza por el buen camino. Ojala que todos nuestros suenos se

La organizacion de los "Better Builders" tambien esta tomando una forma mas concreta. Ellos estan haciendo toda clase de proyectos y actividades para recaudar fondos para asi ellos mismos hacer varias mejoras en el barrio. Ellos van a tener un espectaculo publico de varios estilos de ropa. Habra Ninos, Ninas, Jovenes, Jovencitas, y Mujeres que estaran exhibiendo varios estilos de vestidos. No deje de venir a ver este acontecimiento que sera el sabado a los ocho de la noche en el gymnasio de la escuela Della Plains.

El grupo de senoras que se reunen en los miercoles por las mananas se esta interesando mucho en hacer muchas cosas con sus propias manos. Nos da gusto cuando toman este interes en hacer algo constructivo. Cuando se gusta hacer cosas buenas hay despertamiento de muchas ideas que tal vez estaban olvidadas en nuestros pensamientos. Pero cuando se pone la mente a trabajar salen estas ideas v se logran alcanzar suenos. Ahora sabemos que muchas de las senoras que vienen saben bastante de costura y que estan dispuestas a ayudar a las muchachas mas jovenes para que ellas tambien aprendan. No dejen de asistir a la siguiente reunion de estas senoras y que estaran adornando una cafetera vieja. Venga el miercoles y diviertase y olvidese de sus problemas y sus necesidades.

Me gustaria que Ud. me escribiera una carta y me dijera si le gusta los articulos que semana a semana escribimos. Si no le gusta pues digalo y haremos los posible por escribir algo que a Ud. le cuadre. Fijense, porfalta de interes del pueblo latino-americano y de los demas se dio por terminado el programa de espanol que había por la radio. Ya que nada mas tres cartas fueron las que recibio el profesor Mendiola. Nosotros ya tenemos como cuatro o cinco semanas que estamos haciendo esto y no ha habido nadie que se interesca por escribir una carta o tarjeta al periodico dando las gracis al Senor Wendell Tooley por su amabilidad de permitir que se haga esto para que Uds. y toda persona esten al tanto de lo que pasa por aqui. Escriban una tarjeta postal y agradezcale su buena voluntad. Sino escriben muy pronto se vera por terminado este articulo. No sean regimontanos y escriban una postal.

Aqui presentamos al Senor Allen Rendon:

El senor Allen Rendon nacio el 16 de diciembre de 1900 en Austin, Texas. Vino a esta poblacion de Floydada el ano 1945. Sus padres finados fueron Ramon y Margarita Rendon. El hermano Rendon tiene dos hermanas y tres hermanos. En el ano del 1933 contrajo matrimonio con la Senorita Josefina Segura en la capital de Texas. Del Matrimonio florecio una hija y tres hijos y dos hijos de crianza. El hermano Adelaido Rendon busca el binestar de la comunidad y el mejoramiento del pueblo hispano-americano. Siempre el hermano ha sido un hombre de palabra y muy trabajador. El trabajo como ingeniero de la Primera Iglesia Bautista de esta ciudad. Ha trabajado como gendarme, y tambien como labrador de la tierra. No dejemos de respaldar a nuestro hermano Allen Rendon para quenos represente en el concilio de la ciudad.

No olviden que el cinco de abril de este ano seran las eleciones y queremos ayudar a estos candidatos para que ellos no ayuden

a majorar la situación de esto pueblo.

REFRAN DEL DIA: Si quieres ser sano acuestate y levantate Temprano.

Tenia un hombre un caballo y un asno. Un dia que ambos iban de camino, el asno le dijo al caballo durante el trayecto: Toma una parte de mi carga si te interesa mi Vida. El caballo se hizo el sordo y el asno cayo, agotado de fatiga, y murio alli mismo. Entonces el dueno echo toda la carga encima del caballo, incluso la piel del asno, Y el caballo dijo suspirando: Que mala fortuna tengo! Por no haber querido cargar con un ligero fardo, ahora tengo que cargar con todo, y la piel encima.

Ensena esta fabula que si los grandes hacen causa comun con los pequenos, los dos aseguran de este modo su vida.

METHODIST FROM 1

Sunday School was organized at Della Plain in 1889. The church was organized in Floydada in 1892. The first church building, erected by all groups, was completed in 1902. It was later owned by the Methodists. This wooden structure was located on North Main and was moved later to Fifth and Kentucky and served as the house of worship for Methodists until it was removed in 1917. A brick structure was completed in 1918 and served First Methodist Church for forty

In 1951 plans were begun to develop a long-range building program to house tional and worship program of the congregation. In 1954 the important step was made to move forward with the plans. The contract for the first of a two-step program, the educational portion of the building, was awarded in January. The building was completed and occupied in May 1955.

The second step in the building program, the sanctuary, was begun in March 1957. The building was completed and the first service held in it in September 21, 1958. The formal Funeral rites for Mrs. J. W. opening and the Service of Con-Jackson, 86 year old mother of secration for Worship was held

The plane had quit Doctors Craig and Jack Jordan when they were recently down there administering to some natives. It took Thomas about four hours to repair the Bellanca Rainfall Provides

The men left Floydada on a Brownsville, then left there for Honduras on Friday morning. They made a fuel stop at Vera Cruz, arrived at San Pedro Sula airport about 5 p.m.

While there they enjoyed viewing banana plantations from a helicopter, and made several pictures on sight seeing San Pedro is known as the in-

dustrial capital of Honduras. McIntosh said the people of Honduras are very poor, but there are some automobiles. Most of the transportation is by Japanese buses.

On Sunday, they tested the Bellanca and at noon took off for home.

Many people have concealed this selfishness by playing the

role of the "unselfish" person, a role that is often associated

with other neurotic symptoms such as eczema, ulcers, tired-

ple even use this so called "unselfishness" as an excuse or a

form of "redeeming character trait" of which they pride them-

Their usual claims are those of "not wanting anything for

4-Hers Exhibit Livestock At South Plains Show

Ten 4-H youngsters from Floyd County exhibited livestock at the South Plains Junior Livestock show in Lubbock last week. Most of the youngsters exhibited barrows and lambs, with Becky Scheele and Karen Latimer showing steers. Becky, daughter of Mr. and Mrs. Albert Scheele, Lockney, started Thursday morning off right exhibiting the first place light weight Angus steer. This entitled her to show for champion Angus steer of the show. Karen Latimer showed her heavyweight Hereford steer to the eighth place position out of about 35 head. Karen is the daughter of Mr. and Mrs. Royace

In the swine show Mitch Probasco showed the third place lightweight Chester White barrow. Mitch is the son of Mr. and Mrs. K. E. Probasco, Lee Sinor, son of Mr. and Mrs. Curtis Sinor, showed the third place medium weight Duroc, and Charlie Patterson showed the eighth lightweight Poland China barrow. Other swine exhibitors were Joe Womack, Gregg Bishop, Will and Leslie Sinor and Judy Probasco.

Judy and Mitch Probasco showed the seventh heavyweight Hampshire lamb and the seventh light Southdown lamb respectively, while Will Sinor showed the ninth heavyweight Southdown lamb,

NEWS FOR HOMEMAKERS

by Sherry Mullin Floyd County H. D. Agent

BUYING ACCESSORIES

Accessories, including hats, shoes, handbags, gloves, and even your glasses, are icing on the cake; but the cake can have too much icing. They are important to even the most tailored of outfits, but you can have too much of a good thing.

Usually when adding accessories, be willing to subtract also. Always subtract when in doubt. Too many can ruin your appearance by making you look fussy and overdone, Remember - simplicity is beauty and beauty is simplicity.

Here are some good basic rules that you should always apply when choosing accesso-

1. Accessories should blend with each other. It is economical to choose accessories food and nutrition, the food that will go with more than one outfit.

2. Accessories should be neutral for bright outfits.

3. Accessories chosen for dark colors (navy, black, gray, brown) should be colorful, but not too bright. A bright color can be used for two accessories but never for more than two. Red shoes and bag with a navy suit are enough. Then add white gloves and hat. Three or more accessories of a bright color will look like so many splotches of color.

4. Choose separate accessories for the following occasions: street or business wear, casual wear, dressy daytime wear, informal evening wear, and formal evening wear.

Most of us think immediately of jewelry when accessories are mentioned. One of the biggest mistakes we make is wearing jewelry that is not appropriate. Sparkling stones should shine and glitter only after dark. Rhinestones are out of place at the supermarket. The most basic and best

piece of all round jewelry is a string of pearls. Pearls are so versatile that they can be worn year round, and with everything from a sweater to an evening dress. Pearls are an investment for a lifetime. Wear jewelry with flair.

Payne reported 4,005 sets of license plates sold with the quota for the county set at 6,000. The license registration re-

eipt and car title are necessary to purchase the tags. The deadline for the vehicle

inspection is April 15.

Don't just pin on a pin - place it. Wear it to accent somethinga pin at the waist will show off a small waistline.

Gloves are a necessity in winter and a fashion note during other seasons. Short white gloves are crisp and neat with spring and summer clothes. White kid gloves are perfect at night. Leather or fabric gloves in the basic dark colors are for autumn and winter. Bright-colored gloves are seldom smart looking, as they put too much emphasis on the

It is wise to buy good handbags since they take so much abuse. Even the best ones will sag and lose their shape if stuffed full. A handbag is an investment, so purchase one that is large enough to hold all your belongings comfortably. Look at the handles to see that they are securely fastened.

As a general rule, handbags match shoes, except of course for casual wear. Choose the size and shape best suited to your needs. A small person doesn't want a large handbag. It will look out of place and overpowering - like a little girl playing dressup.

By adding personal touchesaccessories - to an outfit, you make it yours. Accessories should accent, not overpower.

CITY OF FLOYDADA, TEXAS By: Leonard Matsler, Mayor (3-27-1969)

NOTICE

Notice is hereby given to the real and true owners whether herinafter named or correctly named or not of property abutting upon the 300 Block of Crockett Street within the limits herein defined in the City of Floydada, Texas, and all persons owning or claiming any such abutting property or any interest therein and to all others claiming or interested in any of said property or in any of the proceedings, contracts and matters herein mentioned,

The City Council of the City of Floydada, Texas, by duly enacted ordinances has determined the necessity for and ordered the permanent improvement of the 300 Block of Crockett Street from East Property Line of 4th Street to West Property Line of 3rd Street in the City of Floydada, Texas. The width of the paving is 41 feet.

By said ordinance the City Council of the City of Floydada, Texas, has ordered said street to be improved by excavating, grading and paving the same by the installation of drainage facilities and by constructing curbs and gutters where adequate curbs and gutters are not now in place together with other drains, incidentals and appurtenances thereto; said paving to consist of 1-1/2 inches of asphalt pavement on a 6-inch subbase of the materials, type and width as provided for in the plans and specifications and the contracts covering the construction of said improvements which said plans and specifications and contracts are hereby expressly referred to for a more detailed description of said improvements and are on file at City Hall in the City of Floydada, Floyd County, Texas.

That said City Council has caused the City Engineer to prepare and file the hereinafter set out estimates of the costs of such improvements and has heretofore by duly enacted ordinances determined the necessity of levying assessments for a portion of the costs of the construction of said improvements against the property abutting upon said street within the limits above defined, and the real and true owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said City and the said abutting property, and the real and true owners thereof. and that the portion of said costs proposed to be assessed against the said abutting property, and the real and true owners thereof, will be in accordance with the FRONT-FOOT RULE or PLAN and did adopt the proposed rates and estimates of said costs in reference to and for said street within the limits above

A hearing will be given and held by and before the City Council of the Cty of Floydada, Texas, on the 8th day of April, 1969, at 8:00 o'clock P.M. in the City Council Chamber of the City Hall of the City of Floydada, Texas, to the real and true owners whether named or correctly named herein or not of all property abutting upon said street within the limits above defined and to all persons owning or claiming any such abutting property, or interest therein, and to all others owning, claiming or interested in said abutting property or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or contract herein described.

At said time and place, all such persons, firms, corporations and estates and their agents and attorneys shall have the right to appear and beheard and offer testimony as to the said assessments and to the amount thereof proposed to be assessed against said abutting property and the real and true owners thereof, and the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency, in any proceeding or contract in reference to said improvements and said proposed assessments, and concerning any other matter or thing as to which hearing is a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to a hearing under the Constitution and laws of the State of Texas and the proceedings of said City Council of the City of Floydada,

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said street, within the limits above defined, and the real and true owners thereof, for that portion of the costs of said improvements determined by said City Council to be payable by such abutting properties, and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property, from the date the said improvements were ordered by said City Council and shall be a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and trueowners be named or correctly named, in such proceedings or not, and no error or mistake or discrepancy in the names of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless, each parcel or property abutting upon said streets, and the real and true owner or owners thereof, shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under the Acts of the 40th Legislature of the State of Texas, First Called Session, Chapter 106, known and shown as Article 1105-b, Vernon's Annotated Civil Statues of Texas, as a mended and as adopted by Ordinance No. 478 heretofore passed by the City Council of the City of Floydada, Texas, on February 11, 1969, recorded in Book 8, page 3.

Of all said matters and things, all persons owning or claiming any such abutting property or any interest therein, as well as all others in anywise interested or affected by the things and matters herein mentioned, will take notice.

In addition to being published, the notice shall also be mailed to the respective property owners in the manner provided by Texas law at least 14 days prior to the date of hearing thereon. Done by order of the City Council of the City of Floydada, Texas, this 11th day of March, 1969.

OMMITTEE CHANGES NAME By a vote of 305 to 79, the House has changed the name of the House Committee on Un-American Activities to the Committee on Internal Security. The committee will work in the fields affecting the internal security of the U.S.

AUSTIN, (Special) - State Senator Jack Hightower of Vernon, right, chaired the Texas Senate Water and Conservation Committee as it approved the bulk of a \$9 billion Texas Water

The \$9 billion total for this plan is the largest in the history of the world for such a project. All of this total, except for \$3.5 billion, will be federal money. The plan calls for redistribution of surplus East Texas water and Mississippi River

water to arid parts of West and South Texas. It took the committee thirty minutes to vote out six of these bills. When the committee got to the bill that would authorize issuance of \$3.5 billion in state bonds, Senator Hightower paused to comment on the importance of the moment. "It isn't every day that you approve a bill with \$4.5 billion in it," Hightower

Easter Seal Appeal Going Well

Floyd County's Easter Seal Seal Society's rehabilitation Representative reported today that the 1969 Easter Seal Appeal for the Easter Seal Society for Crippled Children and Adults of Texas is going well. Mrs. Neida Thayer serves as Easter Seal Appeal treasurer

for Floyd County. The 1969 Easter Seal Appeal will help finance the Easter

program for children and adults in Texas. Last year the Society helped 17,622 disabled persons

through its program of assistance in finding and making effective use of services for the disabled and their families. The Easter Seal Society helps support 21 treatment facilities in Texas where children and

adults are treated regardless of ability to pay. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal Representative, Mrs. Thayer is the person to contact for services from the Easter Seal Society. She can be contacted at the First National Bank, Box 550, Floydada, Texas 79235.

When contacted for services, Mrs. Thayer will request the Easter Seal Society to investigate the needs of the disabled person and will ask that the Society advise the handicapped person of the best resources

available to help him. Mrs. Thayer added that additional contributions to the Easter Seal Appeal should be sent to her as soon as possible, as the 1969 Appeal ends Easter Sunday, April 6, 1969.

The Book Nook

The books reviewed in Book Nook are available in the Floyd County Library.

"To Moscow And Beyond," by Harrison E. Salisbury...This book reveals Russia and the Russians of today. It also deals with many riddles of the future, including Russia's relationship with China and provides a close-up view of Khrushchev.

Salisbury presents first hand information on the police state in Russia and the problems confronting the people of the nation. The Pulitzer Prize winning reporter for the New York Times has traveled extensively during his years as a Moscow correspondent and provides an interesting in-depth report of the conflicts behind the scenes in Russia.

"Wild Cow Tales," by Ben K. Green ... In thirteen stories full of rope burns and brush scratches the author tells of the days when he made a specialty of catching wild cows that roundups couldn't corral.

Benn Green calls himself a "stove up old cowboy" and relays to the reader some of his experiences of the old west,

"The Three Worlds of Albert Schweitzer," by Robert Payne .. There are few people in our time whose life and works have so captured the imagination of all the world that they become during their lifetime.
Such a man is Dr. Albert Schweitzer-musician, theologian,

and doctor.

Robert Payne presents an inspiring portrait of this remarkable man and his contributions to the world of today.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Mar. 24 -Hard winds, sharp lightning and about half an inch rain fell in our community Saturday night. The J. P. Taylors, Eugene Beedys and others that direction reported around three fourths inch rain fall. Graded roads were muddy and many were not able to get out to their respective places of worship Sunday.

The South Plains Baptist Church started their week of revival Sunday morning with Alvin Petty, from Wayland Baptist College as evangelist for both Sunday services. Youth of the church led in church offices during Sunday's services, with Marc Smitherman leading the singing, and bringing a musical special. Youth taught Sunday School classes, led in prayers and also filled the Choir loft. Even though the congregation was small in number, everyone enjoyed Youth Day. The youth group had visitation at 3 p.m. and were back at the church later for a youth supper served to all those who attended. Mrs. J. K. Bean of Silverton was a visitor at morning services.

Mrs. Frank McClure is still in the Lockney Hospital following the car wreck on March 12. She is some better, but had to have minor surgery on her face three times. She is now able to enjoy visitors.

Mrs. Joe L. Dunn and son, Lane, from Houston, flew here for a week's visit with relatives and will be in our community visiting her sister, Mrs. Eugene Beedy and family during the coming week.

We are sorry to hear about the death of Mrs. Eugene Beedy's grandmother, Mrs. J. W. Jackson, Mrs. Jackson has been ill for some time. Funeral services are to be held this Monday afternoon in the First Baptist Church in Lockney. There are many from our community who plan to attend the services, including the Marble families.

Hobby Club members met at the home of Mrs. H. L. Marble Wednesday afternoon March 19, with Mrs. Mildred Hamm and Mrs. Mamie Lou Hartman as co-hostesses, Punch, cookies, nuts and mints were served guests from a table decorated in St. Patricks Day motif. Green napkins and green colored punch carried out the theme. Mrs. Emma Lou Whitaker was a guest of the club and showed her slides on the Holy Land, which everyone enjoyed. Several guests were present, including M mes. Doris Huckabee, Juanita Chappell, Ann Ford, Marie Warren, Sandra Noland, Ora King, Emma Lou Whitaker, Ernestine Noland, Nancy Marble, Carolyn Marble and Sybil Teeple. Members from South Plains were Mmes. E. E. Wells, Fred Fortenberry, Bryan Karr, Melvin Myers, L. T. Wood, Harold Hamm, John Key West, J. P. Taylor, and hostess Mrs. H. L. Marble. The next meeting is scheduled for April 16. During the business meeting club books for the coming year were

distributed Mr. and Mrs. Jim Roberts, Cari and Terry, and Douglas and Larry Bradford went to Lubbock Friday night to enjoy dinner at the Zuider Zee, and then attended the ABC Rodeo at the

Coliseum Mr. and Mrs. Sylvin Kinnibrugh had as weekend house guests her mother, Mrs. J. R. Spivey, and her sister and husband, Mr. and Mrs. W. H. Simmons from Truscott, another sister, Mrs. W. H. Smith from Odessa, the Kinnibrugh's children, Mr. and Mrs. Britt Gregory of Lubbock, and Mr. and Mrs. Teddy Horne of Plainview. We are glad to find that Mrs. Kinnibrugh's sister's husband, Ray Dillard, is getting along fine since his severe illness two

weeks ago. Boy Scout Troop #358 of South Plains with leaders Glen Wood and Mike Wood, took the boys on a hike Saturday afternoon. Larry Trimble and Len Wood also went with the group. The boys made a six mile hike. Those on the trip were Marc Smitherman, Steve Pritchett, Mike Reves, Gary Sanders, Mike Marble, Randy Calahan, and Larry Bradford. Mrs. Eugene Beedy received

news Saturday of the death of her uncle, Clifton Rhodes of Albuquerque, N.M., who died Saturday while Mrs. Rhodes was at work. He had been in extremely bad health for a number of months. The funeral will be held in Albuquerque Tuesday.

Among those from here who attended services for Wayne Wright, 86, of Floydada, were Mrs. Kendis Julian. He was her uncle. Wright died Thursday in the Lockney Hospital. He had been ill for some lime. Services were held Friday afternoon at the Primitive Baptist Church in Floydada with interment at the Lakeview Cemetery. Others who attended from here were Mr. and Mrs. E. J. Kinslow, Mr. and Mrs. Bary Kinslow from Amarillo also attended. Mrs. Bary Kinslow is a granddaughter of the deeased

Mr. and Mrs. L. N. Johnson spent most of last week in Amarillo where Carlene's father, Carl Daniels, lies critically ill with emphysema and pneumonia at St. Anthony's Hospital, Rev. and Mrs. W. L. Trice spent Wednesday in Amarillo with the Johnsons, Mrs. Bryant Higginbotham has been staying here at night with the Johnson children.

Mr. and Mrs. John Kinnibrugh, Beverly and John Mark had as house guests her sister, Mr. and Mrs. Arnold Reeves of Gilliland over Saturday and Sunday. They all went to Brice Sunday afternoon, where Mrs. Kinnibrugh and Mrs. Reeves uncle, Mr. and Mrs. Loyde Burgess were being honored with a celebration on their Golden Wedding anniversary at the home of their son, Mr. and Mrs. Douglas Burgress of Brice.

Schools will be dismissed here Friday, April 4, for the Easter Holidays. This is one day less than formerly given for the spring vacation. Schools were closed one day due to the snow storm, so a day was eliminated from the vacation time.

Joe O. Rogers, father of Mrs. Don Probasco, has been very ill, and was taken to the Methodist Hospital in Lubbock last Thursday. Matt Probasco was confined to home with flu over the weekend. We hope that all the Probasco family can be well soon.

Mrs. G. E. Trimble was able to be brought home from the Lockney Hospital Thursday. She had been there since the 8th of March, suffering with flu and complications.

Mrs. J. E. Woodson of Snyder arrived here Tuesday to stay until Thursday with her sister, Mrs. Frank McClure, who has been confined to the Lockney Hospital since a car wreck.

Mr. and Mrs. Kendis Julian, Kristi and Mitzi went to Lubbock Thursday afternoon where they attended the ABC Rodeo. Lori, Kenneth and their father, Travis Young, have been

confined to their home the past week with flu. The children are back in school at this time. Mr. and Mrs. Sylvin Kinnibrugh went to Truscott Monday and Tuesday of last week. Sylvin is confined to his uomethis

Monday with influenza. Mrs. John Kinnibrugh has finished her classes at WT College in Canyon, and took her finals last week. She is observing this week at Tulia schools where she will later be doing her student teaching from March 30 on. John Mark attends kindergarten at Tulia so the two will commute each day

Among those in Floydada High School who were recently named to "Who's Who" in American Colleges were several from South Plains including Zacha Cummings, Sara Staniforth and Phil Kinslow. We are indeed proud of all our students, and especially these, who we know are so deserving. Another great honor came to Zacha Cummings, daughter of Mr. and Mrs. Kendall Cummings, who was named Miss FHS in last week's election. Sara Staniforth was runnerup, and Phil Kinslow was elected as "Most Likely to Succeed." Congratulations to all of the young folks.

LETTERS to EDITOR

Mr. Wendell Tooley, Editor Floyd County Hesperian

The 1950 Study Club would like to use this means to thank everyone who aided in the preparation and presentation of our 1969 Style Show. To Bealls, Hagoods, Hales, and Montgomery Wards goes our special thanks, for without their cooperation we could not have had a show. To the personnel of the Hesperian and KFLD for the fine publicity we were given. To the models who graciously modeled the ensembles and hairstyles. To the beauty operators of Birdies, Delmas, Fredas, Girlies, Helms, and Peggys, who submitted hairstyle models and fixed the coiffures of many of the other models. To Southwestern Public Service, Hammond Sheet and Metal, Piggly Wiggly, McDonald Implements, and Jo's Specialty Shop, who aided us in securing props. To Mr. Charles Tyer for his cooperation in the use of the school. To Mrs. Joe V. Taylor, who did and excellent job in narrating the show. To Sharron Huggins, pianist and those who entertained, Tommy Farris, Jimmy Snead and the Melody Misses from Crosbyton. To Jackie Hill, our little "spaceman". To Keith Norrell, Doug Cannon and the husbands of members who gave us behind the scenes assistance and to the citizens of the Floydada area who came to view our show - All have our heartfelt gratitude in making this another successful year.

Sincerely Yours, Mrs. Lawrence Wedel 1969 Style Show, Gen. Chairman 1950 Study Club

Just a note to let you know how we enjoy the paper. You have been so kind to go ahead and send our paper for weeks after our subscription had run out. We just kept forgetting to send our payment in and last week, when we failed to get it, it reminded us again. So enclosed you will find our check for our renewal as we don't want to miss a single issue. We enjoy it even more since moving and we read almost every line.

Our stay in Floydada was really an enjoyable five years. and one we can't easy forget. We met such friendly people there and were proud to say that the Lord allowed us to pastor the Assembly of God Church there in Floydada.

The town as a whole is "tops" in our books and we visit every time we have a chance, Thanks again - for everything.

Floyd County **Cancer Drive** Starts In April

Mrs. Woodrow Wilson, Floydada chairman for the American Cancer Crusade announces that April is Cancer Control Month, and it is the time of year when the Floyd County unit of American cancer society again asks for your financial support of its programs for research, educational and service to cancer patients, Statistics show that there will be 615.000 new cancer cases, diagnosed for the first time in 1969. Cancer will strike 2 out of 3 families. One out of four Americans this year. More children under 18 die from cancer than any other disease, mostly leukemia, and it is growing among the adult male. But today more than 1,500,000 are walking around as proof that some types of cancer can be beaten. They fought and won because they were treated early. But there is no known preventative or cure for other types of cancer, but progress is being made. Cancer starts small, without pain and grows silently. Scientists believe that leukemia, now incurable, will be one of the first forms of the disease to be controlled. It could be tomorrow.

Everything your doctor uses today in treating cancer comes out of research and education. Without money there would be no research or education, without research and education there would be no treatment. Scientists are seeking new ways to give medicines the weapon it needs to go beyond the present cure rates.

Somewhere there is a cure to this mysterious illness, cancer, which knows no difference a mong people. It attacks whites, yellows, and the blacks, no matter what God they love, or what language they speak.

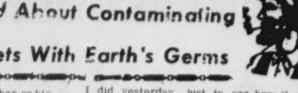

Let's help find the cause and the cure before it strikes our loved ones

Editor's note: The Floyd Philosopher on his Johnsongrass farm reports on a strange item he discovered out of Washington.

People are always talking about all the rules and regulations Washington is always thinking up for the people, so it was with considerable amazement I read in a newspaper last night that Washington has thought up some for itself.

The Attorney General's Department, out of force of habit I guess, has come up with a set of rules for the 1,200 lawyers it has in the Justice Department. Every lawyer must keep a log every fifteen minutes of every day of how he spent his time. What he did from 9 a,m. to 9:15 has to be entered, from 9:15 to 9:30, etc., right on through the entire day, five days

What I want to know is, do you reckon there's any danger of this spreading? Are we getting close to the time when

Washington will require me for example to give a daily account of how I spent my time from sun-up to sun-down?

Since you never can tell and I like to be ahead of the hounds, so to speak, so long as the hounds are asleep, I decided to jot down what

'The Texas High Plains has made tremendous progress in upgrading the quality of cotton fiber. This was accomplished by planting better varieties, using better quality seed and marketing through lint blocks or similar programs. The image of this area is greatly improved and it has meant millions of dollars to growers. I am concerned that we do not lose ground: We must (1) plant varieties that will produce fiber the mills want and can use; (2) plant the best quality seed; (3) do a good marketing job."

"We've been in the Paymaster Certified Lint Block Program since the start," says Orville

Bailey. "I recommend Paymaster Certified III to growers . . . particularly this year. In my opinion, it's the leading cotton in this country makes more per acre, semi-stormproof, stays in better, has good spinning qualities. Mills like it, so Paymaster Certified lint beats the market and brings a premium price. Believe me, Paymaster's Certified Lint Block Program is a good 'calling card' for a ginner.

Harry E. Arthur Assistant Director, Textile Research Center Texas Technological College, Lubbock

"A planting program wherein Certified seed is used is certainly a great step toward production of a more uniform fiber. A Certified lint program would help to assure the mills of a reliable supply of quality cotton from which they could choose to produce a given

C. R. Hedges plans to plant practically all Paymaster Certified 111 this year. "We had bad weather last year," he says, "but even at that I got enough premium for my cotton to make it worth while to be in the Paymaster Certified Lint Block Program. The mills like Paymaster 111 because of its good spinning qualities. But even if there wasn't a premium price for Paymaster 111, I'd still plant it because of its dependable performance."
