As reported by Duncan Hollums that the railroad has purchased ten acres from his mortgage, that joins the QA&P auto storage area on the side of the unloading railway spur at the edge of Floydada.

The double the size of the present storage and area.

An unofficially reported by a QA&P official that the acres of the recently purchased area will be sold immediately.

It appears now that General Motors will continue to contract United Transport Company to deliver from Floydada and United drivers who are delivering Chryslers out of Amarillo unloading area will continue to live in Floydada.

The Hesperian hopes to have an official statement from QA&P next week regarding expansion plans. QA&P lawyers from Quanah transacted the purchase with Mrs. Hollums, who is in the Caprock Hospital at this time.

## Caprock Chat

By Wendell Tooley

"THE GOOD WORD" this week? Well the good word was "good" words this week. The first good word is beat the second good word is for Lockney to beat Dimmitt. I felt that when I can't be for Floydada, I'm gonna be for Floyd County. If the Whirlwinds were in the spot now, I feel that most of our people would be for the Whirlwinds to continue winning... to represent Floyd County football.

The faith in Lockney football fans that they're cheering for the County brother to continue to win over out-of-town... plus they can really take the pressure off of us game with Dimmitt, if they beat them this Friday

Two very exciting games in Wester field this week. Lockney and Olton contests. Actually the Olton game was wracking, because from the first quarter we didn't come up to winning until the last minute.

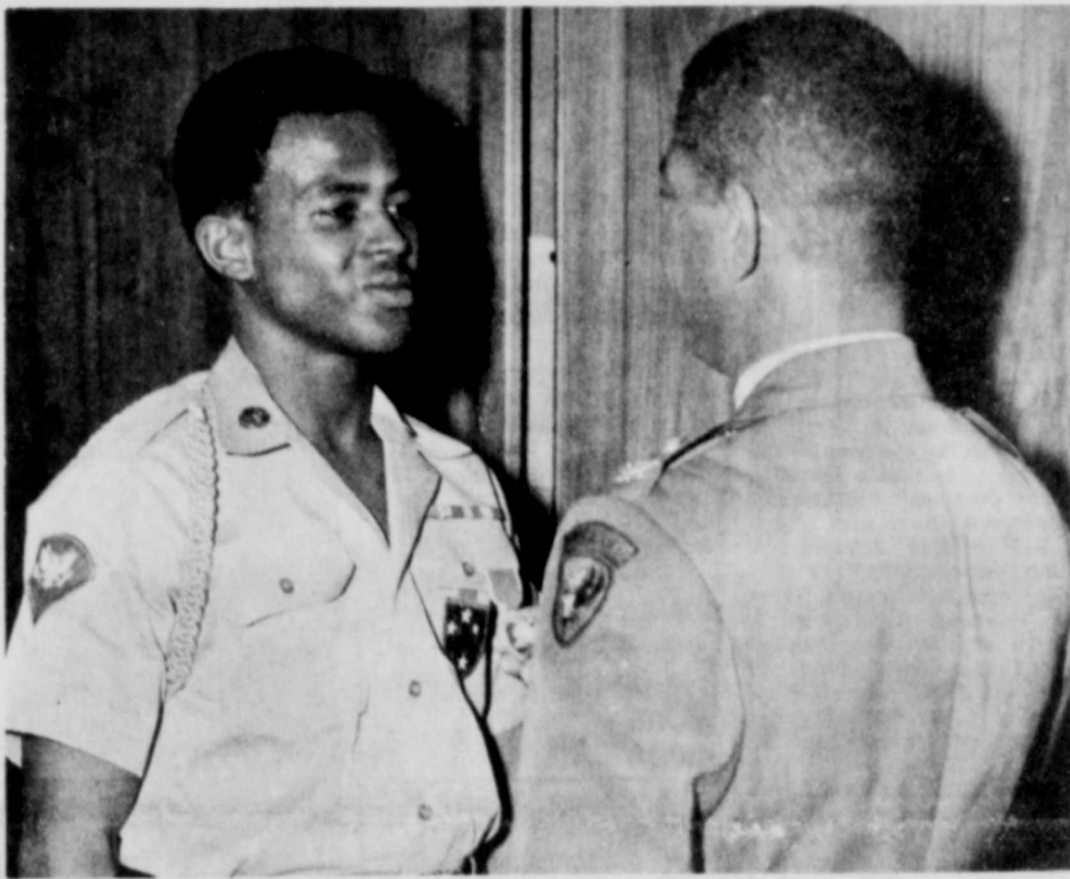

A very good team, it was well coached, they were hard hitting, and they had a very good young

lot of confidence. I was visiting with one of their players the game who had his arm in a cast. He said that he had three or four games, but the doctor said he should play in the bi-district game.

As optimistic, he was thinking positive... there are traits that I admire in everyone. The Whirlwinds generated a charge to the battery of the Whirlwinds via a stomping of the feet and the great cheer heard in the stadium this year.

The team could feel this "generation" and it could be extra power and go to win. (And they said there was a gap). Not so, when it comes to cheering the Whirlwinds.

## Veteran's Day, 1969

This day, Veterans Day, November 11, 1969, was first observed as Armistice Day. Silence had fallen across Europe at 11 a.m. November 11, 1918, ending World War I. This is still a day of hope, fifty-one years having passed since that eventful day.

Over 4 1/2 million men represented the United States during this great conflict, World War I. Over 126,000 men would not be coming home, having paid the supreme sacrifice for their country. They were remembered in services beginning on November 11, 1921. In 1926, Armistice Day was the official name given this day of observation. In 1938 Congress proclaimed the date a legal public holiday.

The hopes and dreams of mankind were shattered just one year later, in 1939, when World War II began. America again responded to the challenge. Over 16 million men were called to forsake peaceful pursuits and bear arms for the protection of our allies.

Twice since that date, Americans have come to the aid of oppressed people, once in Korea, and now in Vietnam. When communist forces invaded Korea and South Vietnam, we came to the aid of those suffering people who had visions of living in a land that was free.

We Americans still maintain hope for peace in the world today, even though battles continue to rage in the jungles of Vietnam. We will not accept a peace of slavery, but a peace of honor and dignity.

As we observe Veterans Day 1969, we pause to remember the Tomb of the Unknown Soldier, a symbol of all American fighting men who paid with their lives, that the living might enjoy enduring freedom. More than one million men have given their lives in this endeavor.

## Jim Jackson Elected Chairman

A Floyd County NFO charter was approved here Tuesday night by Floyd County farmers and Jim Jackson of Floydada was elected chairman.

About 90 farmers were in attendance in the high school to hear Don Kimball, State NFO president from Amarillo explain the aims of the National Farmers Organization, then memberships were signed and officers elected.

Kimball was introduced by Bobby McBeth, chairman of Hale County NFO.

Kimball made these observations about NFO:

Basically, it is a marketing system, whereby farmers may organize and place a price on a farm commodity... and get that price through a holding action. He said farmers in the upper Panhandle were now in a holding action to get \$2.30 per hundred for their grain sorghum.

Now the farmer goes to market with a product and says, "what will you give me?" and takes what is offered. NFO

members would be able to contract a product at a price that will make the farmer a reasonable profit.

Farmers must make more profit. Last year they made 3% on their investment and threw in their labor for free. Legislation won't help the farmer, he is outnumbered 95 to 1 in Washington.

In 1960 there were six million farmers, in 1969 less than three million.

"You can't make a profit without a price."

The Panhandle area of Tex-

as produces one third of the nation's grain sorghum and will hold action can control selling price.

Farming is getting worse; better price is the answer. There were 75 farm sales in one week from Tahoka to Amarillo recently.

Yet, agriculture is still the biggest industry in the USA... every farm product dollar is worth \$3.00 before it leaves town and worth \$7.00 when it hits the national treasury.

NFO has brought the far-

## Young Farmers Meet Tonight

Floydada Young Farmers will meet tonight at 8 o'clock to hear a program on cotton classing and marketing. W. K. Palmer, from the U.S. Agriculture Marketing Service, Cotton Division of Lubbock, will bring his microneaire tester for demonstration.

All members are urged to attend this meeting to be held in

the high school ag room. Presiding will be Teddy Porter, president; Wayne Poteet, vice-president; Steve Ferguson, secretary-treasurer and Randy Bertrand, reporter.

The Young Farmers and their guests held a Halloween party last Thursday night in the high school cafeteria.

## Winds Travel To Abernathy With Perfect 8-0 Record

"Abernathy would like nothing better than to knock us out of the district running... they beat Olton 21-7 and we'll have to play our best to beat them Friday night," was a statement that Whirlwind Coach L. G. Wilson made to a Hesperian reporter Tuesday.

The game will be played in Abernathy, kick-off time is 7:30 and Floydada fans will sit on the west side of the stadium.

Abernathy lost to Lockney 20-7 last week, but statistically beat the Longhorns all over the field. The Antelopes are almost as big as the Post team the Whirlwinds faced in the early part of the season. The Antelope line averages 185.

The Antelopes go into the game with a 5-3 season record

and 2-2 district record. Senior Bobby Klatt, 168 pound quarterback is a good runner and fairly good passer. Larry Pitman, 190 pound senior fullback makes much of the Antelope ground gains. Another fullback Mark Harrison, is a 175 pound Jr. who is ranked ninth in the district in scoring. Klatt ranks tenth.

Halfbacks Gary Sanders, Gilbert Lopez, Charles Johnson, Kirk Lane, and Rodney Huffaker are 140 to 160 pounders and fast runners.

At ends are senior lettermen Don Snodgrass, 165, and 195 pound senior Ronald Harkey.

FLOYDADA

Floydada goes into the game in good physical condition, except for Stan Pierce, who is

still suffering a shoulder separation. It is doubtful that he will play.

Coach Wilson lists the following starting lineups for the Whirlwinds:

OFFENSE  
Split End, Steve Puckett; Tight End, Mike Moore; Left Tackle, Richard Hale; Right Tackle, Louis Cardinal; Left Guard, Tom Wylie; Right Guard, Jody James; Center, Stan Wilson; Quarterback, Jack Gregory; Left Halfback, Andy Hale; Right Halfback, Andy Selman; Fullback, Frank Watson.

DEFENSE  
Ends, Stan Wilson, Kim Rose; Tackles, Sam Green, Frank Watson or Glen Switzer; Inside Linebackers, Mike Burk, Van

made at the NFO meeting about the price of grain makes sense, if the farmer did not have the government layout land payment, he couldn't make grain sorghum at the NFO's goal of \$2.30 per bushel. Farmers had not received some 15 million dollars in payments this year, many would have to go to the bank, and some Floydada and Lockney would go out with them.

of rural life and eventual manipulated increase in cost of food and fiber, we accept in principle the necessity of limitation of farm program payments, and we recommend a sliding scale of limitation commencing with a maximum payment of \$50,000 without deduction; 75% of all payments otherwise accruing in excess of \$50,000 up to \$75,000; and 50% of all payments otherwise accruing above \$75,000.

2. We endorse the Purcell farm program bill as sound in principle and the best available in the prevailing political climate.

3. We oppose any program of massive land retirement as destructive of wholesome farm and rural community life.

4. We endorse the continuation and extension of the food stamp program and the establishment of a clothing stamp program for the relief of want and the absorption of surpluses of food and fiber.

5. By reason of the fact that the borrowing of money to finance farm operations is not elective but an absolute necessity, and by reason of the fact that the farmer, having no control over the sale price of his product, cannot add the cost of borrowing to that price as does the manufacturer or processor of goods or the purveyor of services, we oppose the present program of high interest rates as destructive of the farm economy.

FARMERS UNION WEEK Governor Preston Smith has proclaimed the week of November 10-15 "Farmers Union Membership Week." In announcing the proclamation, the Governor acknowledged a prosperous agriculture is vital to the economic well-being of Texas. He pointed out that Farmers Union is the oldest farm organization in Texas, having been founded in Texas in 1902, and he recognized the growth of the state organization.

Texas Farmers Union is the fastest growing organization among the affiliates in the National Farmers Union and is considered the fastest growing general farm organization in Texas.

During the week of November 10-15, Texas Farmers Union will join the other states in the National Farmers Union in launching a nationwide membership campaign. The objective of the program is to enroll thousands of farmers and ranchers as new members in the Farmers Union.

A planeload of Nebraska and Kansas farmers will arrive in Amarillo on the Farmers Union Convair plane November 10 to participate in an area-wide membership effort. "Flying Organizers" will be hosted in the homes of farm families in Hartley, Oldham, Deaf Smith, Potter, Randall, Carson, Armstrong and Swisher counties. They will be involved in a two-day membership campaign that will be climaxed by a victory barbecue at 7 p.m. on Wednesday, November 13, at the Junior Livestock Barn in Canyon, sponsored by the Randall County Farmers Union.

Similar membership programs have been planned for other areas of the state with the objective of enrolling 1,000 new farm and ranch members in Texas Farmers Union during the week-long membership drive.

National Farmers Union is coordinating the program which will involve most states from the Canadian border to Texas. A contingent of the group arriving in Amarillo will go to New Mexico to do membership work. Membership activities will be in progress in most of the midwestern states and in several states in the northeast.

MRS. EUGENE SWAFFAR (nee Sue Carthel)

## Double Ring Wedding Read Saturday For Miss Sue Carthel, Eugene Swaffar

Miss Sue Carthel, daughter of Mr. and Mrs. W. L. Carthel of Lockney became the bride of Elmer Eugene Swaffar, son of Mr. and Mrs. Elmer Swaffar of the Barwise Community, Saturday evening in vows read in the home of the bride's parents. The double ring ceremony was read by Rev. Frank Duckworth, minister of the Church of Christ in Lockney, before an altar featuring twin seven branched candelabras and greenery tied with gold and white ribbon. Floral arrangements completed the setting. Given in marriage by her father, the bride wore a formal gown of white lace over taffeta. The bodice featured a round neckline and bell three-quarter length bell sleeves of lace. The gown was fashioned with an A-line skirt and a panel of white lace accented with a satin band and bow was attached to the center back of the empire fashion. Her elbow length veil of silk illusion fell from a headpiece of pearl and lace petals with a tiny teardrop accenting the center front. She carried a bouquet of white carnations and baby breath surrounding a white orchid arranged atop a white Bible. For sentiment, the bride carried a white handkerchief belonging to her paternal grandmother and a crocheted book marker belonging to her maternal grandmother. She wore something borrowed and blue from her sister, Mrs. Dickie McCarty of Floydada. She had pennies in her slippers bearing her birthdate and that of the groom and one for the year of their wedding. Mrs. McCarty served as her sister's matron of honor. She wore a gold colored velvet A-line dress designed similar to that of the bride's. Her headpiece was fashioned of gold velvet and she carried a bouquet of bronze carnations with streamers of white bridal satin. Sheila Durham was flower girl and Shawn Durham was ring bearer. Both are of Lubbock and are nieces of the bride. Robert Moody of Lubbock was best man. A reception followed the ceremony with Miss Karen Watson and Miss Margaret Galloway,

the bridegroom's cousin, presiding at the bride's table. A white lace cloth over gold covered the table which was centered with a gold colored floral arrangement. Crystal appointments were used to serve punch and a two-tiered wedding cake. Napkins in gold lettering completed the table setting. For traveling on a wedding trip, the bride changed to a gold colored dress fashioned with long sleeves and A-line skirt. A gold chain belt and brown accessories completed her ensemble. Mrs. Swaffar is a 1969 graduate of Lockney High School and her husband graduated in 1963 from Floydada High School. He attended South Plains Junior College in Levelland and is employed by Southwestern Electric Supply Co., in Lubbock. The bridegroom's parents hosted the rehearsal dinner Thursday night at Lockney Restaurant for members of the wedding party and special guests, Mr. and Mrs. Kenneth Moody and Rev. and Mrs. Frank Duckworth.

sorship of the TB Mobile in Floydada in the spring. This includes making up any deficit financing as well as assisting with the operation. Club members feel this is one of the most important contributions they can make to their community and appreciate the cooperative spirit of those taking advantage of this service. To help finance these projects, the 1966 Study Club is offering the Federated Women's Clubs Cookbook DESERTS for sale. These fine cookbooks contain 2000 favorite recipes from Women's Clubs across the nation, including some from Floydada clubwomen. As a fund raising project, these cookbooks are offered for sale at \$3.50. The books are more expensive when not used as a fund raising project. These would make fine Christmas gifts, and the season of cheer is almost here! The following club members may be contacted about the cookbooks: Mrs. Max Dyess, Mrs. Beal Ferguson, Mrs. Gordon Hambright, Mrs. Bill Hardin, Mrs. Sharon Hutchins, Mrs. Charles McDowell, Mrs. Norman Muncy, Mrs. Leslie Nixon, Mrs. Billy Phillips, Mrs. Billy Phillips, Mrs. A. C. Pratt, Mrs. Jerry Thompson, Mrs. Jake Younger, Mrs. Bob Hambright, and Mrs. Scott Faulkenberry.

## "The Harmony Of Creative Involvement," Club Theme

The Harmony of Creative Involvement is the theme of study for the 1966 Junior Study Club this year and each meeting will feature a different art or craft. Meeting time has been changed to the second Tuesday of each month, rather than the second and fourth Tuesdays. In September Mrs. A. C. Pratt gave instructions for making plastic film flowers, and each club member tried her hand at this craft. Mrs. Billy Phillips and guest Mrs. Everett Miller gave a demonstration on making box purses with the repousse technique for the October program. New members welcomed into the club are Mrs. Sharon Hutchins, Mrs. Billy Phillips, Mrs. Jerry Thompson, Mrs. Bob Hambright and Mrs. Scott Faulkenberry.

Mrs. Max Dyess will be hostess for the next meeting on November 11, with Mrs. Grady Walker as special guest featuring a "Creating for Christmas" program. Projects Are Outlined By 56 Study Club A check for \$25.00 was recently presented to the OEO kindergarten for operational expenses by the 1966 Junior Study Club. The other major project of the club is sponsored by Wayne Russell, and M. J. and Flora McNeill. The session opened October 27 and closed October 30. The meeting will be held next year in Houston. The Deputy Grand Matron for this Grand Chapter year is Bobbie Marshall from Petersburg. Mrs. Marshall will make her official visit to Floydada November 13. Officers are requested to wear their formal chapter dresses and each member is asked to bring a salad for the supper to be served at 6 p.m.

## Planning An Exciting Adventure

We are all adventurous - we might even like to call ourselves adventurous women - we all like something new, something different, something exciting. The 70's have an exciting note. We already feel keyed to a high pitch? New plans! New Ideas! New Names! New Magazines! New Terms New People Exciting - Challenging. Missions - Farflung-on many lands where the gospel is proclaimed. Missions - Right on our own doorstep - where the gospel must be proclaimed by you and I. This Means - More Prayer, More Action, More Concern, More Compassion, More Work. This - all of this is your opportunity. An adventure for women who will lead and guide into the 70's. - So perhaps the challenge could be to you as it was to Esther as she came before the king, "perhaps you were sent to the kingdom for such a time as this." The WMU officers who will lead you this year: Mrs. Gayle Baucum, director; Mrs. Jerry Thompson, Associate director; Mrs. Everett Collier, treasurer; Mrs. R. A. Garrett, secretary; Mrs. Bob Copelin, YWA director; Mrs. C. O. Parsons, G. A. director; Mrs. O. G. Mayfield, Sunbeam director. These women will lead your Women's Missionary Union. They want and expect you to be 100%. They will give encouragement, council, provide opportunity and lead so that you may have a desire to become involved.

ranches in this area of Texas. The program was presented in the home of Mrs. Allen Bingham. The guest speaker was introduced by Mrs. Q. D. Williams, a guest of the club. Mrs. A.L. Wylie brought the Club Collect and members answered roll call with a favorite Texas Educational Institute. Attending the meeting were guests, Mrs. Williams, Mrs. Sharon Hutchins, Jerry Rogers and members, M. nes. Allen Bingham, W.H. Bunch, David Campbell, Aaron Carthel, Dennis Dempsey, R.G. Duniap, Garland Foster, Clyde Hodges, Theima Hoffman, Ralph Johnson, Lonnie Hinsley, Floyd Lawson, M.J. McNeill, J.P. Moss, W.O. Newberry, L.D. Simpson, George Springer, and Mrs. L.B. Stewart Jr. The next meeting November 18, with Mrs. Jake Watson will feature a book review by Mrs. Ralph Johnston.

## Miss Sonja Jeanne Casey, W. Parr Plan December

Mr. and Mrs. Lamar Casey of Rule, Texas, announce the engagement and approaching marriage of Sonja Jeanne Casey, daughter of Mr. and Mrs. Travis Parr, to W. Parr. The wedding will be held on December 13 at the Methodist Church. Miss Casey is a graduate of the elementary school in Rule. Her fiancé is a physical education teacher at McMurtry. Mr. and Mrs. Casey will be the chairman for this new year. They will be aware of the needs of prayer and stewardship in your society. As we get under the load of our work we come to realize that support surely means to hold up - to keep from falling - many prayers, prayer groups, Stewardship is not only gifts but time and ourselves. As your director leads you into the 70's you will remember again and again your watchword found in 1 John 3:18: "Our love should not be just words and talk; it must be true love, which shows itself in action." Part of the meaning of verse 18 is expressed in Shakespeare's line, "They do not love that do not show their love." So this is a year of excitement and adventure. It is a year when once again we as Christians can show our love for in so doing we show ourselves to be children of God.

### Peggy's Meddlin's

BY PEGGY MEDLEY

SAMMY HALE said he saw one real good ballgame over the weekend. The last half of the Floydada-Olton game and the last half of the Tech-Rice game. That's the way ball games are won sometime, in the last half. But the Cowboys failed to do so in their game with Cleveland Sunday. If you happen to be watching the Cowboy-New Orleans game this Sunday afternoon, you might spot the Meddleys, the McDonalds and a few others from here who plan to attend. We will be visiting S. D.'s' sister and husband in Dallas over the weekend and they were nice enough to get us tickets for the game. Sure hope the Cowboys play better Sunday than they did against Cleveland. I think someone surely spiked their water with "slow-poke" pills. \*\*\*\*\* KENNETH Gray of Lorenzo, a Texas Tech ex, is wondering why Ned Bradley wasn't at the homecoming dance at Tech Saturday night. Why weren't you Ned? Kenneth says you must have both legs broken. Hope not. \*\*\*\*\* THE S. D. Roes had a nice Halloween trick or treat Friday night. The doorbell rang and thinking it was more youngsters for treats, Mrs. Roe opened the door and there stood daughter, Linda, with her arms full of mother black cat and her litter. Linda and her husband, Sam of Lufkin had been deer hunting and returned through Floydada for a surprise visit with her parents. Linda didn't leave the cats as a treat, as they were gifts to her from a friend, but she did leave some venison for the Roe's deep freeze. \*\*\*\*\* LAST week Atty. Gen. Crawford Martin announced that after January 1 teen-agers can legally declare themselves informally married without parental consent as long as the boy is at least 16 and the girl 14 years of age. Martin also stated the new family code passed by the legislature this year does not require parental consent for males under 19 and females under 18 years old to wed under new common law marriage regulations. The new law, which takes effect with the new year, allows a couple to become husband and wife

## Floyd County HD Council Has Meeting

Floyd County Home Demonstration Council met October 24, with three officers, seven members and the County Agent present.

All clubs accepted the finance committee's recommendation to donate \$2.50 per member to the Council rather than have a bake sale or bazaar. The finance chairman requested that this money be forwarded or presented at the next Council meeting in November.

Starkey, Homebuilders and Lone Star Clubs are in charge of the Christmas party and should have their plans completed by the next council meeting.

The agent will be presenting programs at all clubs during the month of November. Attend club meetings and learn some new Christmas ideas.

Dougherty Club presented recreation and games were led by Mrs. G. W. Smith and Mrs. Carmel Eastham. The Harmony Club will be in charge of recreation at next council meeting and requests that each council member bring a creative art object as part of the program to be held November 21. All club members are urged to be present and bring a guest.

## Dance Club

The Whirlers Square Dance Club will have Randy Callison of Amarillo as their caller for their gathering November 8 at 8 o'clock in Andrews Elementary School gym. Hosts will be Laron and Joy Fulton and Billy and Doris Hinkle.

The club had a nice turnout for their masquerade and tacky party last Saturday night with some 10 squares made up from persons of the Merry Mixers, Lubbock; Country Cousins, Lubbock; Promenaders, Plain-

## Members Of 56 Study Club Meet

Members of the 1950 Study Club met Tuesday night in the PCA room for their regular monthly session. Mrs. Jake Webb gave prayer followed by the roll call, after which Christmas gifts for patients in Wichita Falls Hospital were collected.

During business Mrs. Cleo Whittle gave a report on the Caprock District Board meeting held Saturday in Muleshoe. Attending other than Mrs. Whittle were Mrs. Lane Decker, Mrs. Dallas Ramsey and Mrs. Samny Hale.

Mrs. Whittle presented the program showing slides of a scenic trip through New Mexico, Arizona and Colorado.

Refreshments were served by the hostess, Mrs. Kenneth Bishop to a special guest, Mrs. John Hoenosh and the following members; Mmes. Charles Anderson, Carl Armstrong, Gene Arwine, W.R. Bradshaw, J.W. Cannon, Bob Copeland, L.W. Crabtree, Sammy Hale, Doyle Moore, Ray Morton, Dallas Ramsey, W.A. Rucker, Jimmy Seay, Jake Webb and Mrs. Whittle.

The next meeting, Nov. 18, will be with Mrs. Webb for a program on Americanism.

**FLOYD DATA**

Mrs. Menard Field is reported to have regained consciousness, is out of intensive care and able to have company, which her attending physician encourages. Mrs. Field has been in a critical condition and unconscious for the past 28 days due to a head injury sustained in a wreck. Her condition is reported to be much improved. Mrs. Field is in room 601, Methodist Hospital.

Kim Campbell visited in the home of D'Ann and Carma Cates Saturday.

Jesse Pernel, Kenneth Robertson, and Ralph Johnston left Monday, October 27, for a fishing trip to Possum Kingdom.

Earl Robertson visited in the home of Kenneth Robertson over the weekend.

Mrs. Jesse Pernel, Mrs. Kenneth Robertson and son, Haney Robertson, went to Lubbock and spent the night, Thursday, with Mr. and Mrs. Johnny Cantrell.

Whenever it is said that a woman is making a fool of some man, we are always reminded of the incident in which a mother told her young son to stop pulling the cat's tail. "I'm not pulling it, Mama," he said. "I'm just holding it—he's pulling it."

## Natural Childbirth Film To Be Shown Here

As a public service, the Lubbock chapter of ASPO (American society for psycho-prolaxis in obstetrics) is presenting the showing of a movie in which the entire pregnancy and delivery of a mother trained in natural childbirth will be shown. The public is invited to the showing in the high school auditorium Thursday, Nov. 13 at 7:30 p.m. Experienced instructors and Dr. Eva Snead will be present to answer questions on the subject.

For many years, now, in Europe and South America, as well as in Russia and Middle East, a technique called natural childbirth, childbirth without pain, or maybe more appropriately, childbirth without fear, has come into use more and more, to the extent that in certain better quality hospitals, training in this technique is mandatory. The United States has not as yet been very active in promoting and desirabilizing this useful and desirable method. Two similar but not identical techniques are the best known: the Reed and the Lamaze method, named after the physicians that developed them. They consist in psychological preparation, teaching of the physiology of pregnancy and mechanics of delivery, and breathing techniques, similar to yoga exercises, to condition the human mind for better tolerance of pain and better performance in the delivery room.

It is directed both to fathers and mothers, and is not only useful for the nine months of the pregnancy or the few hours in the labor and delivery room, but creates a completely different and healthier, and more natural attitude towards the birth of a new life, and the changed family relationships that are a consequence of this episode. Any person, whether in the childbearing age—that means man and woman—or in the age when they can advise others that are in the childbearing age, will find knowledge of this system a beautiful and satisfying endeavor.

**SELECTING POSTMASTERS**  
A recent amendment by the House Post Office Committee would outlaw the present political patronage system of selecting postmasters. The amendment to a broad postal reform package would leave the selection of the postmasters to the postmaster general.

**LEGAL NOTICE**

THE STATE OF TEXAS

TO: JOHNNY HOWARD  
 GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 1st day of December, A. D., 1969, at or before 10 o'clock A.M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 19th day of December, 1968.

The file number of said suit being No. 5547

The names of the parties in said suit are: Diana Howard as Plaintiff, and Johnny Howard as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce, Plaintiff alleging that she has been a bona fide inhabitant of the State of Texas for 12 months, and resident of Floyd County, Texas for 6 months, next prior to filing of Petition; that Plaintiff and Defendant were lawfully married on or about November 21, 1965, but permanently separated about June 1, 1968; that Defendant was guilty of excesses and cruel treatment toward Plaintiff of such nature as to render insupportable the further living together of Plaintiff and Defendant; that two children have been born to the marriage, namely, Terry Howard, a girl, 2 years old and John Howard, a boy, 1 year old; there is no community property of the two children of the marriage, and that the Defendant be required to contribute the sum of \$75.00 per month toward the support of each of said children, to continue until such child or children reaches the age of eighteen years.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 16th day of October A.D., 1969.

Given under my hand and seal of said Court, at office in Floydada, Texas, this 16th day of October, A.D., 1969.

## Sim Reeves

Funeral rites for Sim T. Reeves, 69 year old former South Plains resident and father of Mrs. Ted Bell of Floydada, were held yesterday afternoon in the First Baptist Church in Memphis, Texas. Sims, a longtime rancher, died Monday night in Hall County Memorial Hospital following a lengthy illness. He had been in High Plains Hospital in Amarillo until recently being transferred to Memphis, where he and his wife had resided for the past eight years.

Reeves was a native of Floyd County and attended school in Plainview. His parents were Mr. and Mrs. Oscar Reeves, early day settlers in Floyd and Briscoe Counties. He and Sally Austin were married in December, 1924 and lived in Turkey some two years before moving to Floyd County where he farmed and ranched.

Reeves was a member of the Baptist Church.

## Harvey Pinner

Funeral rites for Harvey Lee Pinner Sr., 66 year old former Lockney resident, were held Friday in Abilene. Pinner died Wednesday afternoon of last week in an Abilene Hospital.

A native of Oklahoma, Pinner moved to Lockney in 1926 and lived there and in the Plainview area until moving to Abilene in 1936.

Survivors include his wife; one son, Harvey Lee Jr., of Houston; four brothers, Jim and Cecil of Lockney, Ray of Grand Prairie, Ark., and Joe of Grand Prairie; three sisters, Mrs. Mae Teaff and Mrs. Jewell Rexrode, both of Lockney, and Mrs. Birdie Ritchey, Eugene, Ore.

Survivors include his wife, three sons, John T. of Denver, Colo., Raymond O. and Robert W. of South Plains; one brother, Garnett of Lubbock; one sister, Mrs. William D. Keeting of Hyattsville, Md., and 12 grandchildren.

Burial was in Fairview Cemetery by Spicer Funeral Home of Memphis.

## J.R. Lucky

Funeral rites for James Richard Lucky, 62 year old contract mail carrier and janitor of the Floydada Post Office, were held Saturday morning in the First Baptist Church in Childress. Lucky, who resided at Childress, died of an apparent heart attack Thursday morning in the Kirkland community post office. Lucky delivered mail to the local post office in the early hours and during the day did janitor work until returning with the afternoon mail to Childress.

He was a native of Coryell County and moved to Childress 15 years ago where he operated the Lucky Grocery until 1965. He and Mattie Lou Barfield were married Dec. 16, 1932 in Bell County.

Survivors include his wife; two daughters, Mrs. Dealia Stephens of Corpus Christi and Mrs. Ruthie Jordan of Irving; three sisters; three brothers and five grandchildren.

Rev. Joe S. Allen, pastor of the church, officiated. Interment was in Childress Cemetery.

## Milford D. Lynn

Mr. and Mrs. Bill Holladay, Burleson Holladay and Esteele Hinkle were in Grants, N. Mex., Oct. 22 for the funeral of their brother-in-law, Milford D. Lynn, who died Oct. 22.

Lynn, who is married to the former Alma Holladay, lived in Floydada from 1943 until 1962. He farmed and was in the well water business while living near Sandhill.

Survivors include his wife; three sons, John of Albuquerque, Bruce K. and Sonny D., both of Grants; one daughter, Mrs. Aaron D. Wilson of Santa Fe., several brothers and sisters and a number of grandchildren.

## W.A. Glenn

Funeral rites for William Albert Glenn, 83 year old father of Mrs. Cager Carmack of Floydada, will be held this morning, Thursday, at 11 o'clock in Schooler-Gordon Colonial Chapel in Amarillo. Glenn died Tuesday morning in Southwest Convalescent Center, Amarillo.

Glenn, a native of Cooke County, moved to Amarillo two years ago from Childress where he had resided some 35 years.

Survivors include his wife, Hallie; four sons, W. A. Jr. and Don of Amarillo, C. N. of Lake Tangiewood and Alton of Denver, Colo.; three daughters, Mrs. Lois Carmack and Mrs. Bonnie Elbert of Amarillo, Mrs. Cager Carmack, Floydada; two sisters, 11 grandchildren and 16 great grandchildren.

In a change of pace role, Don Knotts plays the publisher of a girlie magazine, complete with a set of four "Pussycats" in Universal's laugh comedy in Technicolor, "The Love God?" from left to right, the girls are A'leisha Lee, Terri Harper, Nancy Bonniwell and Shelly Davis. "The Love God" showing Sunday and Monday at the Capada.

## Letters To The Editor

Mr. Wendell Tooley  
Hesperian Office  
Floydada, Texas

Dear Mr. Tooley:

I would like to express my appreciation to all those who helped to make the Halloween Carnival a big success. Many of our parents worked hours in planning and preparation and then came to the carnival and worked all evening in the booths and cafeteria.

Our businessmen were very generous in their donations as they always are. It would surprise us how much is given each year to our schools by our local businessmen. I doubt that a week goes by that they are not called on to buy something or are asked to donate to our pet projects.

Parents and businessmen we say thanks for your local support.

Sincerely,  
/s/ Bob Copeland

### Blood Bank

COMMUNITY! This is an important word in the vocabulary of all Americans. Strictly speaking, community is defined as an interacting population of various kinds of individuals in a common location; a group linked by a common policy. In Floydada, community means our town, with its shops and stores, industry, schools, people, and churches. Community means "our home town." Because we are linked together in a common location, we have established many institutions that we might serve and be served.

One such institution is our Caprock Hospital. In times of need, we expect it to serve and serve well. We are fortunate to have four fine doctors along with the hospital staff. Now, as a community, we have the opportunity to serve our hospital.

A "walking" blood bank is being established in our community. This program has been designed to insure a supply of blood for use at the hospital when needed. Such a program will enable the hospital staff to meet the medical needs of the community with SPEED and ECONOMY.

Citizens of Floydada have been asked to stop by the hospital and register their intent to give blood when needed. Blood type will be determined at that time by hospital technicians. There is no charge or fee for the blood typing. Records will be kept giving the hospital an accurate list of available blood donors. Patients at Caprock Hospital, under this plan, will no longer have to wait for blood to be transported from some distant city and will be charged only for administrative and technical expenses.

For the members of First Christian Church, this is an opportunity to serve and support our community! In a very real sense, this is a time to show our Christian love and concern for one another - by giving of our "life's blood."

You may stop by Caprock Hospital between the hours of 1:30 and 5:00 p.m. weekdays to register for this program. I sincerely hope that you will do so!

## VETERANS, FROM PAGE 1

Veterans of all wars of the United States now number more than 39 million. Of this number, there are some 414,000 women veterans. There are more than 27 million of these veterans alive today. We have a tremendous responsibility and owe a great debt to these veterans who have given us our dearly cherished freedom.

To this very special group of Americans, we owe a pledge of assurance that we are worthy of the many sacrifices they have made and are making at this moment, in order that we may remain a free nation.

We face the future with confidence and hope that world peace will come because of the actions and deeds of our veterans of past wars and our men who fight today on the battlefields of Vietnam.

Today, Veterans Day, 1969, we salute those heroes of past wars and our fighting men of today, who are preserving our democracy. We honor those who died for freedom's sake, and we pledge to those who live that we will remember with reverence their contributions to our freedom.

## FLOYD PHILOSOPHER

Not Interested In Space Station  
Giving 100% Correct Forecast

Editor's note: The Floyd Philosopher on his Johnson grass farm takes a jaundiced view of the latest plans of the space scientists this week.

Dear editor:

I was studying the weather out here on this Johnsongrass farm yesterday trying to decide what my next farming operation would be. I'd already listened to the forecast but you can't go on that - weathermen are like sports writers who predict the outcome of the weekend football games, what they have to say is interesting but don't bet on it - and decided the weather was so unpredictable it'd be foolish to start anything, so I pulled out a newspaper and read a while.

An article that caught my eye said the U.S. is considering building a space station, big enough to hold 15 or 20 men who'd live on it and circle the earth every couple of hours and among other things give an accurate, worldwide weather report every day, one so dependable it'd take most of the guess-work out of forecasting.

Since farmers particularly would benefit by this, it was suggested they'd pay part of the

cost of launching and maintaining the space station.

I don't know about other farmers, but I would like to state that I do not wish to participate in this program.

Oh, I can count backwards all right from 10 to zero and anybody who can start the 23-year-old tractor I use out here shouldn't have any trouble lighting the fuse under a rocket, but it's the information on the weather I don't care for.

I don't believe I'd want to know without fail this morning what the weather is going to be like tomorrow morning, day in and day out. All it does is lead to work. What man, if he knows positively it's going to rain tomorrow, would cut hay today? On the other hand, if he has hay to cut and knows it's going to be clear tomorrow, how could he fish comfortably today?

If those scientists are banking on any financial help from me in launching their space station, they'd better revise their plans.

It's sometimes inconvenient not to know what the weather will be tomorrow, but it can be even more inconvenient to know. How can you be optimistic if you always know what's going to turn up next?

Yours faithfully,  
J. A.

### "Where Is The New Guard?"

It seems to us as we cover many meetings of various organizations each week that there is a change going on in this community. It is a change that may be healthy... or it may be a change that will not be good for our community.

We have noticed for several months a trend by the "old guard" to begin fading out of the picture of community leadership. We refer to the "old guard" as the old faithfuls who year after year take the responsibility of keeping an organization going in this community.

Now it seems that the people of the old guard have reached the point where they are openly seeking less organization, fewer meetings to go to each week, less responsibility.

We saw it in the baseball program last summer. It seemed at some points the program would literally break down for want of coaches, managers, umpires, scorekeepers.

We see it in our schools... there is no more P.T.A.

We see it in our churches... a lack of interest in many areas of church work.

A group of women recently tried to organize a "cotton club" to promote the use of cotton... it couldn't get off the ground, no one wanted to supply the leadership.

We could list many other organizations that are bogging down, simply for lack of leadership.

In a way, we sorta agree with the old guard... many a week there's some organization to go to almost every night. Now and then a person likes to just have a night at home when he can go to sleep on the floor in front of the TV.

It may be that the old guard is due a rest, and the time has come for the folk who have been on the outside looking in saying, "let George do it" to come forward. It may be that some of our community organizations simply do not have enough purpose to make them worth supporting and working for their success.

With the new year approaching this may be a good time for each of us to evaluate our time. We may have to decide what is really important... we may want to resign from some organizations in order to give our best to the really important ones.

It may be that we've been on the outside looking in... sometimes criticizing the folk who try to keep an organization going... and if this is the case, it's time we volunteered TO GO TO WORK.

With this editorial we point up a situation and if there are ideas about how we may make our community a better place in which to live, how we may all better use our time, we welcome any and all letters to the editor.

## Bell Telephone To Present Rotary Program

A program featuring a magical tour through the Bell System's nationwide Long Distance switching network will be presented to the Rotary Club on Wednesday, November 12.

Roy Wickerman, science demonstrator for Southwestern Bell, will give the program, "Better Than Aladdin," at the American Legion Hall, 12 noon.

Wickerman tours his magical show throughout the western half of Texas to tell about developments in the communications business.

His demonstration will show how Long Distance calls are routed across the country. Using magical skills, Wickerman will also show three-dimensional photographs called holograms; Picturephone, the see-while-you-talk telephone service; and data transmission, which enables machines to "talk" over telephones.

His magical "Aladdin" is Mark Wilson, famed professional magician, who appears on film to provide an entertaining by-play with the live demonstration and create a friendly magician's rivalry.

"We want to show that the telephone network is a wonder created by people for people," Wickerman says. "This program enables us to tell our story in an entertaining, yet informative, way."

expenses \$1012.89, caps \$306.94, cost of fence advertising \$118.50, registration \$87.00, miscellaneous \$372.56.

Approximately 250 boys participated in the program this year.

President of the baseball association Carl Armstrong, said the association was pledged to help the Lions Club sponsor the pancake supper November 14 the evening of the Dim mitt game here. He said many merchants and individuals are donating items to be used in the supper and that one more hog was needed for sausage. Proceeds of the pancake supper go to the baseball association.

Armstrong said the baseball association would also be furnishing manpower for the supper from 3 to 5 p.m.

Attending the meeting were: Armstrong, Covington, Jake Webb, Wendell Tooley, Mr. and Mrs. Bill Womack.

Covington presented plaques of appreciation to Mrs. Womack and Armstrong. Mrs. Womack was in charge of the concession stand this year.

## Two Floydada Scouts Receive Highest Rank

Two Floydada young men were among 26 area Boy Scouts who were honored Sunday afternoon when the South Plains Council of the Boy Scouts of America presented the Eagle Scout Court of Honor. The ceremony was held in the Second Baptist Church in Lubbock before an overflow crowd of parents, scout leaders and friends.

Floydada's recipients of Eagle, scouting's highest rank, were Tommy Farris, son of Mr. and Mrs. Kinder Farris and David McCulley, son of Dr. and Mrs. Andrew McCulley. The young men were met at the podium by their scoutmaster, Jim Word and their parents. The Eagle pin was presented to the scoutmaster and handed to each mother who pinned the Eagle medal on her son.

Though it is an honor to receive this rank, it must be earned. Boys enter the scouting program as Cubs or Webelos and work up the ranks from Tenderfoot, Second Class, First Class, Star, and Life Scout. A boy is taught outdoor skills, first aid, safety, conservation, citizenship, and loyalty to God and country throughout his scouting experience. After he reaches Second Class rank, he begins to earn the minimum of 21 merit badges which require more specialized and intensive learning. Each badge is earned under the supervision of a counselor who is a specialist in his field. Service projects play an important part in his advancement. A local and a council board of review must approve each boy's record in scouting before final approval is given by the National Council of Boy Scouts of America.

Tommy is now a student at Texas Christian University and returned Sunday for the ceremony. He is a 1969 graduate of Floydada High School, was a member of the Whirlwind Band for four years and received the Music Award his freshman year. He was selected Most Talented Student his senior year. Tommy began his scouting experience as a Cub Scout and worked up the ranks from Tenderfoot. He attended the Boy Scout National Jamboree at Valley Forge in 1964. He has received the coveted Order of the Arrow, camping award, and the God and Country Award which is the religious award for scouts of the Protestant faith. Tommy is a member of the First Christian Church.

David is a sophomore in Floydada High School. He is a member of the Whirlwind Band and serves as its Treasurer. He received the Music Award his first year in Floydada Junior High School. He is on the staff of the school newspaper, "Whirl", and was co-recipient

### NEWS FOR HOMEMAKERS

by Sherry Mullin  
Floyd County H. D. Agent

What is being done to prevent possible harm by x-ray emissions from color TV sets?

A new federal law, "Radiation Control for Health and Safety Act," indicates national concern and action. The Act, passed by Congress and signed as a law in October 1968, gives the secretary of Health and Educational Welfare authority to establish performance standards (on health and safety) for all radiation-emitting electronic equipment.

Mrs. Doris Myers, Extension home management specialist, says standards are being developed for color TV receivers, laser devices and microwave ovens by HEW radiological health experts.

A technical committee representing government, industry and labor will review the standards before the full impact of the new law is felt. Have a competent TV serviceman check the receiver on older sets for harmful rays. Some sets might not have adequate built-in shielding, or the voltage settings might have been increased above manufacturer's recommendation to improve picture brightness, thus increasing the radiation hazard.

Electric heating pads should be used with caution. Consult your doctor before using a heating pad for any but the most routine aches and pains.

Never sleep on a pad unless your doctor recommends it. Heat should be used with care only on the elderly or those with marked diseases of peripheral blood vessels. It should not be applied to hemorrhaging or bleeding areas.

As with any appliance, never unplug or handle a pad by pulling on the cord.

Never stick pins into a heating pad, or fold it sharply, and do not use the pad without its outer cover. Examine the inner cover for signs of damage or deterioration before each use.

CENTER, November 3, 1969—There was more rain Saturday night. So the roads are really muddy, or rather our streets. We need some kind of topping, please. We had to miss church again Sunday because we could not get to the highway. Cars and pickups either stuck, or had a hard time getting through.

Mrs. O. C. Vinson visited Mrs. Hartsell and Mrs. Frank Dunn one afternoon last week.

Mrs. and Mrs. Jerrold Vinson and Mike of Sandhill dined Tuesday with Mrs. O.C. Vinson.

Mrs. Annie Webb and Mrs. Vinson visited Saturday afternoon with Mrs. R.C. Ross.

Last week Mrs. Ross accompanied her son, Melvin and wife, and their small daughter of Gruver a trip to Denver, Colorado. They enjoyed a visit with the Rob Robinson family (Norma). On their way home Thursday they ran into a snow storm. Grandson Ronnie brought Mrs. Ross home Friday.

Mrs. Frank Dunn and Mrs. Minnie Manning visited while Friday with Mr. and Mrs. Floyd

Montgomery in Plainview. Latter Mrs. Manning, who has been visiting these Texas relatives some two or three weeks, left for her home in Pineville, Missouri.

Jimmy Dunn of Lubbock brought his three daughters over Friday night to spend the weekend with their grand mother, Mrs. Frank Dunn. Sunday Mrs. Dunn took them home, and remained over night with her daughter Mrs. Balias (Margaret) and family, and Mrs. Eddie Parks and children. Mrs. Parks (Mary Grace) is to leave for her home in Houston soon.

Mrs. Ross spent Saturday night with Mr. and Mrs. Homer Gaffee, and all attended Sunday morning services of Calvary Baptist Church.

Mr. and Mrs. Plumlee spent the weekend in Mineral Wells with Mrs. Plumlee's sister, who is ill.

Doyle Sandifur batched over the weekend while his wife Willie was visiting her sister and husband Mr. and Mrs. Loftin of Tulsa.

Mrs. Hartline reports that son Jimmy and wife of Denver City are in Oklahoma City with their son, Blake, for medical treatment. Blake recently had a stubborn case of pneumonia.

Mr. and Mrs. C.W. Denison were hosts last Tuesday at a dinner honoring friends, Mr. and Mrs. D.W. Burke and Mr. and Mrs. Sam Lide.

Mr. and Mrs. Thomas Warren, Mrs. Ola Warren and Mrs. Fred Battey were in Lubbock Thursday. They visited briefly with the son, Edwin, student at Tech.

A birthday dinner was held Sunday at Mrs. Ola Warren's. Guests present were the Thomases Warren family, Mr. and Mrs. Bob Aldridge and children, Burl Hukabee, and Mr. and Mrs. Fred Battey and Thomas Warren.

Mrs. J.D. Welborn's birthday party was held at the home of Mr. and Mrs. Roger Gooch. Present were Mr. and Mrs. Welborn, Bobby Welborn and family, Mrs. Eunice Arney and Steve, and the hosts the Roger Gooch family.

Mrs. Hal Thomas had dinner Sunday celebrating her husband's birthday. Guests were Mr. and Mrs. Olin Miller and Mrs. Francis Carver of Plainview, Sue and Milton Mensch of Lubbock, and Mrs. P.L. Orman, city, Mr. and Mrs. Bill Thomas of Lockney came Saturday evening.

**Employment Commission Aids In Training Applicants**

Texans numbering 33,680 were among the 855,000 persons being trained or assisted by ten major Labor Department Manpower Programs on August 31, according to an announcement by Secretary of Labor George P. Shultz.

These figures include all those in employment, training and work-experience programs, including the Job Corps, which was transferred to Labor from the Office of Economic Opportunity July 1.

Nationwide, more than a million opportunities have been available during the past year for the jobless, the underemployed, the welfare recipient looking for work, the young and the elderly. All these programs are being directed by the Labor Department's Manpower Administration, or jointly with the Department of Health, Education and Welfare. Texas Employment Commission carries out the Manpower Programs in Texas.

## Petersburg Residents Move To 'Stem Pornography Tide'

PETERSBURG — Approximately 50 residents of Petersburg Tuesday night initiated grass roots action "to stem the tide of pornography" as it is included in publications of all kinds, movies and television advertising.

In an open, "town hall" type meeting, various residents expressed opinions and all attendees agreed "something must be done."

A committee was chosen to coordinate public opinion here and to work up a questionnaire to be published asking residents to express their opinions.

Petersburg residents attending the Tuesday night meeting expressed themselves as ready to work with other area towns in opposing "pornography" as it now appears and is presented in various forms of communication.

The committee here includes Mrs. Robert Fullingim, Denzil Mims, Russell Grimes, Mrs. Donald Akin and Mrs. Bill Isbell.

Attendees Tuesday night also indicated a letter writing campaign to both state and national senators and representatives would be started.

"We certainly have nothing against the residents of Lubbock, where by necessity our residents must go for entertainment but we do oppose the increasing incidence of pornography in movies and their televised advertising beamed to the whole Plains area. In fact, we feel that many persons of that city might want to join us

in the effort to clean up such pornography," a Petersburg spokesman said.

Pete Wilson, superintendent of Petersburg schools, appealed to residents here, saying "We citizens must do a better job in setting an example. No more of this 'double standard' stuff that allows the parents to watch or read 'trash' and the youngsters not allowed to do the same."

### OPPOSES GAS RATE HIKE

## Crosbyton Council Rejects Power Plant Purchase Bid

CROSBYTON (Special) — The Crosbyton City Council in a special called session Tuesday night studied an offer made by Southwestern Public Service Co. to purchase the City of Crosbyton power plant, but announced it had determined the offer was not feasible and did not justify further action.

Also, the council voted to join Lubbock and other South Plains towns and cities in opposition to a proposed "gate rate" increase for natural gas as sought by Pioneer Natural Gas Co.

In essence, the SWPSCO offer would have provided for purchase of the Crosbyton utility facility at a price of \$726,995,

leaving the City of Crosbyton a total of \$19,225 after a bonded indebtedness of \$707,770 had been paid.

In addition, Southwestern would have paid a possible \$2,000 in ad valorem taxes and \$3,500 in franchise taxes annually over a 30-year period provided economic factors remained static.

If the council had approved the purchase offer, a vote of the residents of Crosbyton would have been necessary for the transaction to be carried out.

After the Civil War, Col. Montgomery's elder brothers somehow began to recoup their fortunes. Somewhere in Atlanta, no doubt, there lie musty records of their battle for financial survival. But the Alabama mountain boy couldn't make it there. Thomas Montgomery moved west to Fort Worth.

Series of Losing Battles There he engaged in a mercantile venture. In the eighties there was great activity as people learned there was little or further danger of Indian uprisings and that a vast domain out west was ready to be claimed. There were riches to be made outfitting and provisioning the westward traffic which moved out daily on the dusty roads leading from the city where the panther lay down.

But a financial crisis wiped our Mr. Montgomery's enter-

prise. When his creditors were satisfied and he had picked up the pieces there was left "a forty dollar watch and my good name."

It may be seen thus that in the early nineties at about 43 years of age, when Thomas Montgomery came to Floyd County to go into the ranching business, he left behind him a series of losing battles.

Accumulates Wealth This was at a point in time when few ranches were making money. For various reasons some were going broke. Something of a grim prospect, but faced by a determined man for his was far from a broken spirit. A hostage left behind in Fort Worth was a little daughter, orphaned by the untimely death of her mother.

In his new role he lived frugally and accumulated land and cattle, with his headquarters in Blanco Canyon and his pastures in Floyd and Crosby Counties. He acquired and improved business property in Floydada, and was president of the First National Bank here for a generation.

There came the time when there was none left to speak of the things which had filled his busy lifetime — none but himself. And when he discussed things with himself, young people about him thought it was laughable.

Why do you talk to yourself?" they would ask.  
 "I like to talk to a smart man," he would reply, unabashed. "I also like to listen to a smart man talk."

### SCRIPTURE READING

"Adam and Fallen Man" is the title of the Christian Science Lesson - Sermon to be read in the denomination's churches next Sunday.

The following verse is included in the Responsive Reading: "Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall."

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models presented man as fallen, sick, sinning and dying."

# The Mini-Brute is another dealer ahead.

Buick's Opel Kadett, the Mini-Brute, is now being sold and cared for by a brand new dealer.

This is the man,  
 Leroy Burns

We're proud to introduce you to him for a couple of reasons.

First, Leroy is no ordinary dealer. He's as experienced and professional as the best of them. He's been selling and servicing cars for some time now.

Just as important, we think, is the organization Leroy Burns joins. The Mini-Brute has more dealers than any other import car.

Whenever you need the highest quality service, no matter when or where, it's easy to come by. A Buick-Opel dealer will be somewhere nearby.

We think this introduction puts the Mini-Brute ahead two ways.

Quality.  
 As well as quantity.

# Petersburg Residents Move To 'Stem Pornography Tide'

PETERSBURG — Approximately 50 residents of Petersburg Tuesday night initiated grass roots action "to stem the tide of pornography" as it is included in publications of all kinds, movies and television advertising.

In an open, "town hall" type meeting, various residents expressed opinions and all attendants agreed "something must be done."

A committee was chosen to coordinate public opinion here and to work up a questionnaire to be published asking residents to express their opinions.

Petersburg residents attending the Tuesday night meeting expressed themselves as ready to work with other area towns in opposing "pornography" as it now appears and is presented in various forms of communication.

The committee here includes Mrs. Robert Fullingim, Denzil Minyard, Russell Grimes, Mrs. Donald Akin and Mrs. Bill Isbell.

Attendees Tuesday night also indicated a letter writing campaign to both state and national senators and representatives would be started.

"We certainly have nothing against the residents of Lubbock, where by necessity our residents must go for entertainment but we do oppose the increasing incidence of pornography in movies and their televised advertising beamed to the whole Plains area. In fact, we feel that many persons of that city might want to join us

in the effort to clean up such pornography," a Petersburg spokesman said.

Pete Wilson, superintendent of Petersburg schools, appealed to residents here, saying "We citizens must do a better job in setting an example. No more of this 'double standard' stuff that allows the parents to watch or read 'trash' and the youngsters not allowed to do the same."

### Crosbyton Council Rejects Power Plant Purchase Bid

CROSBYTON (Special) — The Crosbyton City Council in a special called session Tuesday night studied an offer made by Southwestern Public Service Co. to purchase the City of Southwestern Public Service Co. to purchase the City of Crosbyton power plant, but announced it had determined the offer was not feasible and did not justify further action.

Also, the council voted to join Lubbock and other South Plains towns and cities in opposition to a proposed "gate rate" increase for natural gas as sought by Pioneer Natural Gas Co.

In essence, the SWPSCO offer would have provided for purchase of the Crosbyton utility facility at a price of \$726,995.

leaving the City of Crosbyton a total of \$19,225 after a bonded indebtedness of \$707,770 had been paid.

In addition, Southwestern would have paid a possible \$2,000 in ad valorem taxes and \$1,600 in franchise taxes annually over a 30-year period provided economic factors remained static.

If the council had approved the purchase offer, a vote of the residents of Crosbyton would have been necessary for the transaction to be carried out.

Montgomery of the more than once.

After the Civil War, Col. Montgomery's elder brothers somehow began to recoup their fortunes. Somewhere in Atlanta, no doubt, there lie musty records of their battle for financial survival. But the Alabama mountain boy couldn't make it there. Thomas Montgomery moved west to Fort Worth.

Series of Losing Battles

There he engaged in a mercantile venture. In the eighties there was great activity as people learned there was little or further danger of Indian uprisings and that a vast domain out west was ready to be claimed. There were riches to be made outfitting and provisioning the westward traffic which moved out daily on the dusty roads leading from the city where the panther lay down.

But a financial crisis wiped our Mr. Montgomery's enter-

prise. When his creditors were satisfied and he had picked up the pieces there was left "a forty dollar watch and my good name."

It may be seen thus that in the early nineties at about 43 years of age, when Thomas Montgomery came to Floyd County to go into the ranching business, he left behind him a series of losing battles.

Accumulates Wealth

This was at a point in time when few ranches were making money. For various reasons some were going broke. Something of a grim prospect, but faced by a determined man for his was far from a broken spirit. A hostage left behind in Fort Worth was a little daughter, orphaned by the untimely death of her mother.

In his new role he lived frugally and accumulated land and cattle, with his headquarters in Blanco Canyon and his pastures in Floyd and Crosby Counties. He acquired and improved business property in Floydada, and was president of the First National Bank here for a generation.

There came the time when there was none left to speak of the things which had filled his busy lifetime — none but himself. And when he discussed things with himself, young people about him thought it was laughable.

Why do you talk to yourself?" they would ask.

"I like to talk to a smart man," he would reply, unabashed. "I also like to listen to a smart man talk."

# The Mini-Brute is another dealer ahead.

Buick's Opel Kadett, the Mini-Brute, is now being sold and cared for by a brand new dealer.

This is the man,  
Leroy Burns

We're proud to introduce you to him for a couple of reasons.

First, Leroy is no ordinary dealer. He's as experienced and professional as the best of them. He's been selling and servicing cars for some time now.

Just as important, we think, is the organization Leroy Burns joins. The Mini-Brute has more dealers than any other import car.

Whenever you need the highest quality service, no matter when or where, it's easy to come by. A Buick-Opel dealer will be somewhere nearby.

We think this introduction puts the Mini-Brute ahead two ways.

Quality.  
As well as quantity.

**Giving, Forgiving,  
 And Thanksgiving**

"Be thankful in all circumstances. This is what God wants for you, in your life in Christ Jesus." I Thes- =  
 salonians 5:18 (Good News Translation)

Three great words of the Christian vocabulary are giving, forgiving and thanksgiving. The greatest of these is thanksgiving. This is so because thanksgiving expresses the very heart of the Christian message and life. Dr. C.E.B. Cranfield says, "Thankfulness, that is, the glad and free recognition of our infinite indebtedness to God, is the one true motive of Christian living." The Christian, then, does not observe simply one day each year as a day of thanksgiving. Every day, every act, is an expression of his gratitude. The Christian learns with Paul to "be thankful in all circumstances."

The Christian is thankful for his many blessings. As I write this devotion, I am thankful for what ability God has given me, for the physical ability to write, for materials with which to write, all of which I gladly use in His service, as a small token of all that He has done for me. I am grateful for a newspaper that devotes space for a community devotion. I am grateful for the many fine Christians of this wonderful community who are "thankful in all circumstances." As I travel down the highway, I'm grateful for His care over me. As I eat my meal, I am grateful for the food He has given me. I could go on and on, for my life - like yours - is filled with His blessings for which I am profoundly grateful. But let's move on.

The Christian is thankful for the blessings of others. Paul said, "I thank God always on your behalf for the grace of God which is given you by Jesus Christ, that in everything you are enriched by Him, in all utterance and in all knowledge - so that you come behind in no gift." (I Cor. 1:4-7) In giving thanks to God, our eyes usually turn to our own particular blessings. Paul had learned to give thanks for the blessings of others. Today's sociologists would disagree with Paul's advice to the hungry man to give thanks for his own lack while others had plenty. I do not, of course, mean to imply that the hungry and the poor should sit fatalistically with no attempt to better themselves. Neither would I infer that the "haves" do not have an obligation to the "have nots." For most of us, however, Paul wrote words that may have significance: "I have learned, in whatever state I am, therewith to be content." Maybe we should be less concerned with our own lack and more concerned with the blessings - and lack - of others.

The Christian gives thanks to God for the victory. Most of us have experienced defeat, betrayal, sorrow, grief, and pain to some degree or other at some time or other. These experiences cause us to try countless ways to find peace, but inevitably discover many of these ways only make us prisoners of despair. We work, we eat, we sleep, we play, only to cry, "Peace, peace - there is no peace."

Paul says there is victory, offered freely, and within the reach of every heart that will but take the necessary steps to achieve it. "Thanks be to God, who giveth us the victory," he says. The victory is His gift to us through His Son, whereby we can live victorious lives! And so:

"Thank God for life!  
 E'en though it bring much bitterness and strife,  
 And all our fairest hopes be wrecked and lost,  
 E'en though there be more ill than good in life,  
 We cling to life, and reckon not the cost.  
 Thank God for life!  
 Thank God for love!  
 For though sometimes grief follows in its wake,  
 Still we forget love's sorrow in love's joy,  
 And cherish tears and smiles for love's dear sake,  
 Only in heaven is bliss without alloy.  
 Thank God for love!  
 Thank God for pain!  
 No tear has ever yet been shed in vain.  
 And in the end each sorrowing heart shall find  
 No curse, but blessings in the hand of pain;  
 E'en when He smiteth, then is God most kind.  
 Thank God for pain."

(Author Unknown.)

"Be thankful in all circumstances. This is what God wants for you, in your life in Christ Jesus,

## 1970 Head Count Has Stormy Start

By STUART AWBREY (Congressional Quarterly)

WASHINGTON - The 1970 census, the most ambitious and in some respects the most controversial head-and-housing count in the nation's history, is scheduled to take place next April.

The census will employ 120 million census forms, 185,000 temporary workers and a variety of modern data-processing techniques to collect and tabulate four billion facts about population and housing in the United States. The total cost will be about \$211 million, or about a nickel per fact and about a dollar for every American who will be counted.

Most Americans will never see a census taker. For the first

### "THE LORD LED ME"

## Son Delivers Eulogy At Father's Services

LUBBOCK.....

The son who said his dad had been "father to many" delivered the eulogy at his father's funeral Monday in First United Methodist Church. Royce Newsom, son of the late Garland Newsom, took the words for his tribute from his father's life.

The younger Newsom's remarks not only were an expression of gratitude for his father's life, but they also reflected a philosophy based on notes, scriptures, and quotes which he had heard his father share with others, along with those which were found among his personal effects at the time of his death.

Newsom made the decision to speak at his father's funeral in the early hours of Monday, upon learning that the Rev. Jack Gray, Methodist evangelist from Lubbock, was unable to make the necessary plane connections to officiate at the service.

Newsom told The Avalanche-Journal Monday night that even as the hour drew near, he still had no idea what his words would be. "It just seemed that I let go, and the Lord led me," he said. "The words were my father's testimony."

**God Was His Partner**

"You can't worry about yesterday, it's gone. You have no stake in tomorrow, it's unborn. All you have is just one day - today. Any man can fight the battle of one day. Only when we add the burdens of yesterday and today, do we break down. Let us therefore live but one day at a time." These words, reproduced on cards, were consistently given to everyone who came in his father's business, Newsom said in his sermon. He also added:

"One significant thing about his life was that he had declared to his close friends that he had taken God as a partner, and in one of his writings about this he'd put down the words, 'I desperately need a partner who has a lot on the ball.'"

**He "Walked To Live"**

Newsom explained his father's business philosophy, also. "He left there were four people involved in his business. The first - the customer. Without the customer, there would be no business. Second - the supplier. He supplied them with goods - good times and bad times. Third - the employee. So that the employee could take care of the customer - because no business could grow without good employees. Fourth - himself. If he took care of the first three he did not have time to worry about himself. He would be taken care of if he took care of the first three."

"My father walked to live," Newsom continued. "With his heart condition, the doctor advised him to walk a mile a day. While he walked, he memorized the Sermon on the Mount and the 13th Chapter of 1st Corinthians on love. And he shared with those he met along the way."

"My father was different from many men, because he not only believed these things, he practiced them," the son concluded, because he "had to witness in my own way."

### FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Nov. 3 - Our community had more rain Saturday night. An inch and one half fell at the Ray Cook farm and around one inch at most other places over the community again Sunday night a shower fell and by Monday morning there was frost and ice on everything. Farmers are not making any predictions on what the crops will do after all of this wet and cold weather we have had. Some that were out Saturday night report it snowed a little here in Floydada, along with the rain.

Mr. and Mrs. Walton Wilson spent Friday in Lubbock visiting her brother and sister-in-law, Mr. and Mrs. Truett Austin.

Mr. and Mrs. Lee Burton went to Abilene Saturday to visit their daughter, Carolyn, who is a student at Hardin Simmons University. They attended parents day at the college and spent the night in Abilene, returning home Sunday evening.

Mr. and Mrs. E.W. Walls spent Friday in Lubbock.

Mr. and Mrs. W.O. Whitehead visited Saturday night with Mr. and Mrs. A.S. Mize.

Mrs. Ruey Irwin and her daughter, Mrs. Carl Nelson went to Shallowater this morning (Monday) to go with Bill Burgett to Clovis, New Max. to attend funeral services at 2 o'clock for J.A. (Addie) Burgett, who died Saturday. J.A. Burgett was a brother of the late Lee Burgett, long time resident of Fairview.

Mrs. Edell DuBois visited Wednesday afternoon with Mrs. Clyde Bagwell.

Friday night visitors in the home of Mr. and Mrs. T.L. Perry were Mr. and Mrs. Leslie Fawver, Mr. and Mrs. Charlie Perry and T.W. Maxwell, a cousin of T.L. and Charlie Perry. Maxwell is from Houston.

Thursday night Mr. and Mrs. Kay Crabtree, Becky and Sammy and J.C. Bullard were supper guests of Mrs. Kate Crabtree. Later in the evening Becky and Sammy went trick or treating.

Let H-O-N Plan Your Desks To Fit Your Office Needs

Keynoted to the trend for efficient L-work arrangements in the office is H-O-N's new desk line. Completely flexible, H-O-N desks offer literally hundreds of optional groupings. Artful use of vinyl-clad steel on drawer fronts and back panels adds distinctive tones and textures. Desk above with roomy 60 x 30 top and 38 x 19 typing return, includes two pedestals and center drawer.

H-O-N 4220 Executive Swivel Chair with Arms. Has 2" foam rubber on saddle shaped seat. Padded arm rests. Welded and seams. Plated scuff plates and other quality features.

## AND QUARTERBACK FORECAST

DEADLINE FOR ENTRIES - 5 P.M. FRIDAY IN HESPERIAN OFFICE OR POST MARKED

### CONTEST RULES

Anyone can enter except the employees of the Hesperian. Three cash prizes are given each week - ties will split prize money. Members of the sports department are sole judges of the contest and their decision is final.

It is not necessary to indicate scores on all the games... But score must be indicated on the tie breaker game at right.

Simply circle the team you choose to win in each of the footballs. Deadline for submitting entries is 5 p.m. Friday - winners will be announced the following week. Enter as many times as you wish, print name and address plainly at top of the page you turn in and mail this newspaper.
