"Serving The Floyd County Trade Area Since 1896"

## The Floyd County Hesperian

15 PAGES FLOYDADA, FLOYD COUNTY, TEXAS 79235 THURSDAY, NOVEMBER 13, 1969 10¢ PER COPY NUMBER 45

### Dimmitt Tomorrow, Frenship In Plainview Next Friday

#### Whirlwinds Enter With 9-0 Record

The Floydada Whirlwinds, suddenly 3AA champions after beating Abernathy last week with Lockney eliminating Dimmitt from contention, still must play a game at a time. They meet the Dimmitt Bobcats here tomorrow night, hoping to round out a 10-0 season's record, then will play Frenship in the Plainview Bulldog stadium at 7:30 p. m. November 21.

Frenship and Floydada athletic officials met in New Deal Tuesday night and with a flip of a coin decision was made to play the bi-district game in Plainview. Frenship wanted to play the game in Lowery Field at Lubbock, Floydada desired the Plainview site.

Agreement was made between the two contestants that neither the Frenship nor the Floydada stadium would be adequate for the crowds expected to attend the game. So, agreement was made on flipping a coin for the mutual site.

Floydada will be considered the home team and will sit on the west side of the Plainview stadium. Admission will be \$2.00 for adults and \$1.00 for students.

The Plainview Chamber of Commerce furnishes all requirements to sponsor the game for free.

Although no reserve tickets will be sold to the Frenship-Floydada game, general admission tickets may be purchased at the Floydada High School or the downtown school office next week.

#### City Attorney Seeks New Trial In Brock Suit

City attorney George Miller told a Hesperian reporter Tuesday that he will seek a new trial in the condemnation suit "City of Floydada vs. Emma T. Brock."

Last Thursday, Friday and Saturday the suit was brought before a six man jury and county judge J. K. Holmes. Miller said that he, and his client, The City of Floydada, were not satisfied with disposition of the suit and said that a new trial is sought due to improper argument presented to the jury.

The Hesperian cannot publish amounts of condemnation money offered to Mrs. Brock, first by an appointed special commissioners group of three, or by last week's jury decision, due to the fact it would almost be impossible to select another jury should the county judge grant a new trial.

In last week's suit, Mrs. Brock was seeking \$40,000 damages for the air space (15 to 50 feet above the six acres at the north end of the municipal airport runway) and alleged damages to the remaining 194 acres in the tract.

Mrs. Brock is represented by Lubbock attorney Robert Garner.

#### All The Pancakes And Sausage You Can Eat

Everyone is invited to the Lion and Baseball Assn. pancake supper in Jr. High Cafeteria beginning at 5 p. m. Friday. Pancakes will be served before the Dimmitt game, at half time, and after the game.

Proceeds of the pancake supper go to the summer youth baseball program. All baseball coaches, and officials are asked to work from 3 to 5 p. m. Friday and the Floydada Lions Club will take it from there.

Pancakes, sausage and all the trimmings are priced at \$1.00 per plate.

#### County To Pay Monthly Rate For Rural Ambulance Service

Floyd County Commissioners and County Judge J. K. Holmes voted during commissioners court meeting Monday to pay Moore-Rose Funeral Home in Floydada and Carter Funeral Home in Lockney, a monthly rate for rural ambulance service.

Judge Holmes said \$150 would be paid monthly to each of the businesses for services rendered outside the city limits.

The county commissioners felt the amount paid each business would help offset their high cost operation of ambulance service and would keep them operating the business. In recent months ambulance service has either come to a stand still in towns or the city or county have taken over the operation of emergency vehicle at their own expense, in order to service their people.

#### Harmony Wildcatter Abandoned

The Cockrell Corporation No. 1 Rose Thomas wildcatter in the Harmony community has been reported abandoned at total depth of 9,211 feet.

The drilling rig has been moved to the E. E. Wells location across the road from Doodle Milton's home in the Cedar Hill community.

Other wildcatters now being drilled in the county are reported at the following depths: Cockrell Corp. No. 1 W. E. Karstetter (2,940 feet from north and 710 feet from west lines) Sec. 66, Blk. 1, AB&M Sur., drilling 8,715 feet.

Cockrell Corp. No. 1 D. H. Moss (700 feet from south and east lines) Sec. 48, Blk. D-2, GC&SF Sur., drilling 9,942 feet.

It was reported yesterday morning that the wildcatter near Floydada was being cased in preparation of tests for oil or gas.

#### Wanda Willis And George Gold Star Boy And Girl

Mrs. Glen Pool was honored as best woman adult leader, Glen Pool and F. G. Jones best men adult leaders.

The meritorious service award went to Lon Davis Jr. award received by Mrs. Davis.

Lindsay Lovell was master of ceremonies, invocation was given by Teresa Colston, Larry Scott led the 4-H motto and

pledge. Terry Jones gave the 4-H creed.

Lovell also introduced the guests and installed new officers.

Sherry Mullin and Mack Heald were narrators.

Billy C. Gunter, district II extension agent from Lubbock, made some of the award presentations. Joe Wilson made special awards presentations.

The new 4-H council installed includes George Finley, chairman; Larry Scott and Shari Johnson, vice chairmen; Sam Fortenberry, secretary, and Terry Jones, treasurer.

#### School Gives Lakeview Property

The Floydada school board in its regular monthly meeting here Monday night approved giving 7.1 acres of the Lakeview school area to the Lakeview cemetery association and

2.9 acres to the Adams estate, which had given the land originally to the Lakeview school district.

In other business the board

#### Veterans Day Observed At Junior High School

Veterans Day was observed with a program at Floydada Junior High School Tuesday. Officers of the Student Council presented the program over in-

#### Flag Raising Ceremony At Dougherty School Vets Day

J. C. Wester and Elvis Warren of the American Legion were in charge of a flag raising ceremony Tuesday, Veteran's Day, at the Dougherty school

approved the audit report, discussed wage and hour problems, reviewed the policy handbook and agreed to place \$60,000 of interest and sinking funds on time deposit through the First National Bank.

Mrs. Lorin Leibfried reported that 71% of the current school taxes had been collected.

All board members were present.

tercom with pupils joining in giving the Pledge and song, "America The Beautiful."

A. W. Coltharp gave the induction and the Pledge and

Most business firms flew the flag Tuesday and some offices were closed in observance of Veteran's Day.

#### Water Meeting November 20

According to an announcement made by Gene Collins, president of the Floyd County Water Association a meeting has been called for 8 p. m. on November 20 to affiliate the local organization with Water Inc.

The meeting will be in the district courtroom at Floydada.

"Every person interested in water for the future should be at the meeting," Collins said.

Tom Williams of Water Inc. will be present to speak about the plan to merge with Water Inc.

#### DEFENSE

Tackles, Glen Switzer, Sam Green; Ends, Jim Crawford, Kim Rose; Inside Linebacker, Mike Burk; Van Mitchell; Corner Linebacker, Stan Pierce; Joe Jones; Halfback, Bob Marler; Andy Hale; Safety, Steve Puckett.

#### OFFENSE

Left End, Mike Moore; Left Tackle, Richard Hale; Left Guard, Tommy Wylie; Center, Stan Wilson; Right Guard, Jody James; Right Tackle, Louis Cardinal; Split End, Steve Puckett; Quarterback, Jack Gregory; Right Halfback, Stan Pierce; Left Halfback, Andy Selman; Fullback, Frank Watson; Punter, Steve Puckett; Extra Points, Greg Campbell.

Floydada lost to the Bobcats last year in a hard fought 13 to 6 contest. The game was played in the rain and the temperature was near freezing. The Whirlwinds would like to even up last year's loss and of course wind up the season with a perfect 10-0 record.

COTTON HARVEST is in high gear in the Dougherty community and R. D. Holly (left) ginned the first bale at the Darty Gin Tuesday. Producer of the first bale is Ray Gene Carthel (right). Next to Carthel is cotton harvester machine operator Alfred Martinez. The cotton was Stripper 31 and the bale weighed 536 pounds. Holly will pay 50¢ per pound for the first bale and give Carthel free ginning. (Staff Photo)

#### Caprock Chat

By Wendell Tooley

In this column last week that I had faith in the Lockneys... that they would beat Dimmitt and take the title of their Floyd County brothers - the Whirlwinds.

I'm happy to say that they didn't fail us... we appreciate their part in clinching the 3AA championship for the Whirlwinds.

The pressure off on the Dimmitt game, the Whirlwinds made it 10-0 with a 21-14 victory over Dimmitt.

A FOLLOWING POSTER was distributed by the police department of a small town: "Will the person who took the three-prize cake from the sergeant's office please return it needed as evidence in a food poisoning case."

STAND they found a shorthorn on the Longhorn road at Lockney Monday morning.

IN THE FFA FLOAT? I received a call from a small town last week and he can't find the land leveler that someone has borrowed from the high school and if you know where it is, please call Orville.

STAND my friend Jenks Jenkins out at the Floydada SEE CAPROCK, PAGE 5

# Raymond Asebedo Resigns At Baptist Mission

The Raymond Asebedo family came to Floydada, on September 14, 1952. Their first arrival was in the Lakeview Community. They arrived there at 5:30 p.m. on September 14, 1952, where they worked there for 3 years in agriculture work.

In 1955 on September 21, the Lord Jesus Christ saved Mr. Asebedo. He accepted the Lord as his personal Savior in the Floydada Mexican Baptist Mission.

Six months later after Mr. Asebedo was saved, Mrs. Asebedo was saved, in the month of March 1956. Two weeks after Mrs. Asebedo was saved, the Lord called Mr. Asebedo into the ministry of preaching at Silverton, Texas in the month of April 15, 1957.

He worked there three years then the Lord called him to pastor the Mission here in Floydada on Nov. 1, 1959.

Now he is called to work in the Mission of Seminole, Texas. He will start working there on the 17th of this month.

While in Floydada Mr. Asebedo has driven a school bus, he has served as vice-president of the Della Plains PTA, helped interpret for people in the courthouse, served as vice-president of the Planned Parenthood organization and has held various offices in district work for Baptist Latin American people.

The Asebedo family has witnessed to the benevolent calling of Christianity; sharing of their food, transportation, clothing, home with both local and migrant people.

Mr. Asebedo has held many revivals including the Rescue Mission in San Antonio and work with the Braceros. He has organized layworkers in training directors at South Plains, Petersburg, Roaring Springs, Lockney and Silverton.

Although Mr. Asebedo had

little formal education, he has gained a wealth of knowledge through prayer, personal study and dedication to his calling.

His letter of resignation reads as follows:

"Dear Brethren: After much prayer and consideration, I feel led of the Lord to accept the call to become the pastor of the First Baptist Mission of Seminole, Texas.

Therefore, I offer my resignation as pastor of the First Baptist Mission of Floydada, Texas to be effective on November 15, 1969.

I thank God for giving me the privilege and call to be the pastor of this wonderful congregation. Therefore, I offer my gratitude and thanks to this sponsoring church for giving me the opportunity to work together with them for the Lord among the Latin American people.

I do not have the words to express myself; the joys and the blessings that my family and I have received working together with you and the Mission congregation. My sincere prayers will be that God calls another pastor to work with this wonderful Spanish congregation and with this gracious sponsoring church.

I pray that if in the past ten years of my ministry with you and the Mission, I have made a mistake or an error in my ministry or offended anyone, that you will forgive me. Please pray that God may use my family and me in this responsibility that I have accepted.

May God bless you and the Mission in winning souls for the Kingdom of God.

Sincerely your brother in Christ,  
RAYMOND R. ASEBEDO"

## One Injured In Lockney Mishap

LOCKNEY — Mrs. Josie Taylor is reported to be in good condition in Lockney General Hospital after receiving injuries in a two-car accident here at 4:15 p.m. Monday. She received broken ribs, cuts and bruises.

Mrs. Taylor, alone in her car, was traveling north on Farm-to-Market Road 378. Her car and one driven by Mrs. Corene Gallagher of Arizona, traveling east on US Highway 70, collided at the intersection, according to investigating officer, Abel Anzuldua.

Riding with Mrs. Gallagher were two children, Pennie and Lorrie Gallagher, and Mrs. Wayne Lipham of Rt. 3, Floydada, and her children, Amy and Michael. All were treated for slight injuries at Lockney General Hospital and released.

"DAY OF ANGER" Lee Van Cleef (left) and Genevieveieve are prepared to ward off a gang of killers in "Day of Anger". The General Pictures release is in Techniscope. Showing at the Capada Star Monday.

Thursday, Oct. 30, on a business trip to Kerrville. With their business completed, they went on to San Antonio where they visited Mrs. H. C. Bain. Saturday, Nov. 1, they attended the wedding of Miss Frances Naranjo to Ruben Garcia, at Escobares, Tex. Miss Naranjo's father worked for Claude Ring several years ago. On the way home the Rings visited the McDonald Observatory at Fort Davis and spent Tuesday night in the home of O. F. Jones at Colorado City. Ring and Jones are cousins. The Rings returned home Wednesday afternoon, Nov. 5.

Mr. and Mrs. Don Switzer visited in the home of her parents, Mr. and Mrs. Harlan Cage this week.

Jacque Crawford, a student at West Texas University was home for the weekend.

Mr. and Mrs. Roy Crawford went to Crosbyton Sunday and visited the Brownie Smith family.

Mr. and Mrs. Bruce Johnson of Floydada, enroute home from Dallas, visited Mr. and Mrs. Claude Ring Sunday afternoon. Johnny Cates entered the Methodist Hospital in Lubbock Sunday, November 2, to have surgery. He was able to come home Wednesday.

Carla Baxter from Hereford visited Sunday in the home of Mr. and Mrs. Maurice Campbell.

Carmel Eastham went to Temple Tuesday afternoon, Nov. 4, to be with his father, Carmel Eastham Sr. who underwent major surgery Thursday morning. He is in the Santa Fe Railroad Hospital. Before returning home Saturday, Carmel visited another Dougherty-

## Chamber Director Cards Out

Cards have gone out to the members of the Floydada Chamber of Commerce for their votes on new directors for the Chamberboard.

Votes will be counted on November 20.

Nominees from which six will be elected include H. E. Barnett, Bob Copelin, Tom Daniel, Francis Gunter, Herman Graham, Ed Hammond, Bill Hardin, Carl Jarrett, Bob Kirk.

## Grand Jury Hands Down Indictments

Grand Jury convened Monday and handed down five indictments. Two of those indicted have not been apprehended, one is jailed elsewhere, one is out on bail and the other, Rufus Chatman, is being held in the Floyd County jail charged with forgery and passing.

The others were indicted for burglary, theft of cattle, and forgery.

Serving on Grand Jury were W. H. Bunch, Lavon Johnson, George E. Probasco, Mrs. Roy Bledsoe, Clyde Baxter, G. B. Johnson Jr., H. A. Tardy, Mrs. Ralph Ray, Ursel Taylor, Art Barker, Sammy Hale and Lee Burton.

J. T. Poole, who recently underwent surgery at Scott and White Hospital in Temple.

Many of the wounds inflicted on agriculture by the 100-day December through March Gulf Ports dock strike of 1968-69 are still open and painful. Some will never heal.

Whatever can be done to prevent a recurrence of such extensive damages to innocent parties from similar strikes must be done. And a beginning has been made.

Directors of a new organization — the Gulf Ports Agricultural Exports Association — met November 5 in Houston to set the wheels in motion. A charter and by-laws were adopted, dues were established, objectives were defined and preparations made for going to work.

There has been over the past year or two a great deal of interest in exploring ways to protect the public from the side-effects of strikes in the transportation industry and other industries vitally affecting day-to-day life. Various professors and others in the fields of economics and law have offered proposals designed to mitigate the adverse effects of such strikes.

And the most meaningful action taken by the GPEA in Houston was the naming of four men to study those proposals and come back to the Board with a recommendation as to the direction the organization should take.

GPEA President Truitt Kennedy of Houston, Executive Vice President of Goodpasture, Inc., singled out Ulus Ray, farm cooperative leader of Sinton, Texas, to chair the group. Working with him will be Lubbock's Watson Carlock of Carlock and Mardough Cotton Company, Wayne Slovacek, Plant Manager for Equity Export Corporation of Deer Park, Texas, and George Blair of the American Rice Growers Cooperative, Beaumont, Texas.

Discussed at the Board meeting was the possibility of compulsory arbitration and the need for third party, public-minded representation in negotiations where the public interest is directly at stake. Either approach would require federal legislation.

GPEA hopes to pull active membership from all segments of the economy that have an interest in the export of agricultural commodities and expects to work closely with other established organizations toward common goals.

Annual dues, beginning January 1, 1970, were set at \$100 for organizations, \$50 for larger firms, \$25 for small firms and \$10 for individuals.

Charter memberships were made available from now until the first of the year at \$250 for organizations, \$100 for large firms, \$50 for smaller firms and \$10 for individuals. Charter Membership dues paid now will constitute paid-up membership through December 31, 1970.

Office of the Association for the present is located at 2130 First National Bank Building, Dallas, and dues may be mailed to that address.

GPEA officials emphasized that the Association would be neither anti-labor or anti-management in its efforts to secure fair treatment for members' interests. Kennedy said "It is not our desire to hurt anybody. But the losses to agriculture were so staggering in this most recent strike that we simply must do everything we can to prevent prolonged tie-ups of agricultural commodities in the future."

Carlock reported to the GPEA Board that a survey revealed losses directly attributable to the strike in the cotton industry that came to well over \$8 million. Included in this total was \$3,550,000 lost by shippers in carrying charges and unsold

cotton and \$4,500,000 lost by producers on cotton they were unable to sell because of the strike.

"But even this figure" Carlock said, "is minute compared to the fact that some 503,000 bales of cotton exports were lost in 1968-69, and most of these markets can never be regained."

The total immediate cost of the strike to agriculture has been estimated at over \$100 million in storage fees and delays alone. Even more serious is the damage done to foreign markets for U. S. agricultural commodities, many of which are lost forever because of the inability to deliver.

GPEA directors, in addition to Kennedy, Ray, Carlock, Blair and Slovacek are C. C. Wisler, Jr., Vice President of Toyo Cotton Co., Dallas; G. C. Fowler, Administrator of the Kansas Wheat Commission, Hutchinson, Kansas; Marcus Mauritz of the Rice Council for Market Development, Houston; Charles Rhoades, Executive Director of the Oklahoma Wheat Commission, Oklahoma City; Aaron Hawes, Executive Director of the Great Plains Foreign Market Commission, Larned, Kansas, and Cotton Fanning, Executive Assistant, Plains Cotton Growers, Inc., Lubbock.

## DOUGHERTY NEWS

DOUGHERTY, Nov. 10 — The Dougherty School basketball teams traveled to Roaring Springs Monday night, Nov. 3. The girls lost their game by only one point and the boys won by several points. Both games were very exciting. The next games will be against Flomot Nov. 17.

The Dougherty School faculty and students hosted a lunch for the Board of Trustees and several honored guests, Wednesday. Those attending were Mr. and Mrs. Ray Gene Carthel, Mr. and Mrs. Wayne Rainwater, Mr. and Mrs. Kent Covington, Mr. and Mrs. Bob Vickers, Henry Hinton, and Mrs. Carmel Eastham. Board members unable to attend were B. B. Barton and Carmel Eastham. Special guests were Mr. and Mrs. R. D. Holly and Mr. and Mrs. J. D. Cates of Dougherty, Charles Tyer, Floydada High School

principal, Orville Harris who is the agriculture teacher at Floydada High School, Mrs. James

Lovell, the Remedial Reading teacher at Dougherty and Mr. Ford from the Crosbyton School Remedial Reading program.

Mr. and Mrs. Jess Glover went to Plainview Saturday to visit their son and his family, Mr. and Mrs. Tresmon Glover. While in Plainview the Glovers saw Mr. and Mrs. Wilmeth, former Dougherty school teachers. The Wilmeths sent their hellos and best wishes to all their Dougherty friends. They are making their home now in Silverton.

Mr. and Mrs. Orland Howard spent the day in Tulia Friday, visiting her brother and his wife, Mr. and Mrs. Earl Freeman.

The Dougherty Home Demonstration Club met Wednesday afternoon in the home of Mrs. Earl Edwards. The program was given by the Home Demonstration Agent, Miss Sherry Mullin. The program was on Holiday Buffet Ideas and New Ways to Wear Scarfs.

Mr. and Mrs. Claude Ring left

## Adding To Your Home Heat It Electrically

Baseboard or panel heating is just the thing to heat that extra room on your home. You can control the temperature in that room—exactly—for your greatest comfort.

And you'll find it cuts your remodeling expense. What's more, you'll find it costs less than you think to keep that new room comfortable.

In fact, once you have electric heat in one room—you'll want it all through the house.

Clean, safe, convenient electric heat is the key to smart remodeling!

**CENTER NEWS**

CENTER, Nov. 10 - How we enjoy these beautiful, sunny days after so much rain! The ground is still too soft for machinery in the fields.

It was good to be at church after missing two Sundays because the streets off the pavement were impassable at that time. We hope the city street fixers will put some caliche or gravel on the worst places before another rain!

Mrs. Ava Jackson went to Lubbock Friday for a visit with her son, Verne Jackson and family. They brought her home Sunday.

W. C. Plumlee is ill in Caprock Hospital where he was taken last Wednesday. He seems better at this writing.

Mrs. R. H. Ashton is still in our local hospital. We hope she and all the rest will keep improving.

Mr. and Mrs. Bobby Welborn and family visited his parents, the J. D. Welborns, Sunday evening.

Mr. and Mrs. Floyd Montgomery of Plainview visited Mrs. Dunn and Mrs. Manning awhile Saturday. All played 84 at Mr. and Mrs. Clyde Bagwells Saturday evening.

Sunday morning Mrs. Dunn took Mrs. Manning to Lubbock where she boarded a jet for her home in Pineville, Mo. A phone call to Mrs. Dunn from Mrs. Manning stated she enjoyed the plane ride and arrived home about noon.

Mrs. Eddie Parks and children, who visited relatives in this area for some three weeks, left for home in Houston Saturday.

Mr. and Mrs. Fulkeron visited Mrs. Ross Sunday evening. Mrs. Dunn and Mrs. Manning visited Mrs. Ross last Tuesday afternoon.

Mrs. Dale Miller visited in town with her parents, Mr. and Mrs. Beckworth one day last week.

Mr. and Mrs. Hal Thomas, City, and Albert Thomas, Post, spent last Thursday on a trip to Lake Stamford.

Mr. and Mrs. Leon Ferguson and Robert were Sunday dinner guests of Mr. and Mrs. Thomas Warren and family.

Mr. and Mrs. Leo Frizzell were in Lubbock Saturday.

Mrs. Garvin Beedy and La Tonia visited her parents, Mr. and Mrs. Leo Frizzell Sunday afternoon.

Among callers at the C. W. Denison home in town recently were Mrs. Fulkeron, Mrs. Vinson, Mrs. Durham, the Clyde Bagwells, Mrs. Roy Fawver, Mrs. Elbert Parks, Mrs. Leatherman, Mrs. Mae Garrett, the C. M. Merediths.

Mr. and Mrs. W. B. Parrock of Anson visited Mr. and Mrs. Denison awhile Sunday afternoon. The women are sisters. Mrs. Dunn, Mrs. Manning, Stan Killian, and Mike and Mark Vinson ate lunch with Mrs. Vinson Thursday.

C. O. Spence, another former Centerite, was taken to Lockney hospital Sunday morning. We trust he will make a speedy recovery.

The Long Slim Tunic is what everyone wants now: it's undoubtedly the best pantsmate ever invented. Tunics are feminine—long enough to cover any figure problems—

**ATTENDS RITES FOR BROTHER**

Mrs. J. F. Cantrell accompanied Mr. and Mrs. Elvis Warren and Mrs. Gary Huckabee to Sweetwater Saturday where they attended funeral rites for Mrs. Cantrell's brother, Berry Green.

Mr. and Mrs. Clovis Myrick and Linda of Lubbock also attended the services conducted in the Church of Christ at Sweetwater. Green, 70, died November 6, after a lengthy illness.

**Local Civil Air Patrol Plans Anniversary Fete**

1st Lt. Edwin R. Thomas today named WO James Hale as chairman of the Floydada Composite Squadron Civil Air Patrol's 28th Anniversary Planning Committee.

The Floydada Squadron joins more than 2,300 CAP units throughout the United States in observing the founding of Civil Air Patrol on December 1st.

CAP, an all-volunteer force, flies humanitarian mercy missions, conducts air search and rescue efforts, promotes general aviation and aerospace supremacy, provides aerospace education and experience to selected youth, promotes international goodwill and understanding, establishes and maintains a reliable communications network, and assists in saving lives and property in areas of disaster or crisis. It is the official civilian auxiliary of the United States Air Force with national headquarters located at Maxwell Air Force Base, Montgomery, Alabama.

Civil Air Patrol was founded in 1941 by a band of patriotic, air-minded individuals who volunteered their services and their privately-owned aircraft to patrol America's coastlines and borders. During World War II, CAP pilots flew more than 24 million miles on air-submarine patrol and thousands of additional miles on sensitive courier missions for the Armed Forces.

Today, CAP carries on the work started by those pioneers, flying search and rescue missions throughout the nation, cooperating with Civil Defense agencies at all levels of city, county, state and federal government in national emergency training, and flying mercy missions in relief of people and communities stricken by floods, hurricanes and other natural disasters.

... dresses of all ... really something ... jumpers—received ... down, and notice ... in mad plaids ... wilds ... design that's pure ... shifty little jumper ... V-neck in cap ... far from silent part ... as a trim turtle ... Both are to be ... McCall's Pattern ... misses and juniors.

prayer was by Marc Smitherman. Dirk Nelson gave a Veterans Day reading followed by singing led by DeAun Wilson and Carol Cogdell.

**Industry Aids Education**

Twenty-four independent colleges and universities are the chief beneficiaries of \$686,000 in grants-in-aid-of-education by General Foods Fund, Inc., an independent foundation supported by the corporation.

## 1922 Club Meets With Mrs. Battey

Members of the 1922 Study Club met with Mrs. D. S. Battey Thursday for a program on International Affairs, given by Sam Henry, Lion's International Youth Exchange. The young man visited in Sweden the past summer. He showed pictures and presented an enjoyable program.

Mrs. P. D. Helms, club president, conducted the business session and displayed place mats, project of the club's State Headquarters. Several members ordered place mats. Mrs. Battey served a delicious plate of refreshment from the dining room table which was graced with an exquisite arrangement of bronze chrysanthemums with spikes of dried wheat for accent. The arrangement was sent to Mr. and Mrs. Battey by their daughter and husband, Mr. and Mrs. Jack Gramstorf of Perryton for her parents 49th wedding anniversary. Club members especially enjoyed the occasion with the Mr. and Mrs. Battey.

Those present included the guest speaker, Mr. and Mrs. Battey and Mmes. E. L. Angus, Mmes. E. L. Angus, Kenneth Bain, J.H. Barnard, D. W. Burke, Pearl Fagan, P. D. Helms, W. H. Henderson, Bessie Henry, Wilson Kimble, R. L. Nichols, E. F. Stovall, Noel Troutman, W. O. Tye, Ben Whitaker, and Mrs. J. M. Willson.

Mrs. Angus, who is sunshine chairman, had a get well card for all members to sign. Later it was mailed to Mrs. Olive Jordan, club member, who is in Methodist Hospital in Houston following eye surgery. Club meets again Nov. 20 at 1 p.m. in the home of Mrs. Barnard for their Thanksgiving luncheon.

The Dimmitt Bobcats and the Lockney Longhorns have a lot of respect for one another and probably more so after last Friday night's close game. Bobcat Coach Brown L. Smith said before the game that "when we play Lockney we'll be playing one of the best ball teams we've played all year." We, in Floydada have a lot of respect for the Lockney team and just as much for Dimmitt. The Longhorns, bless them, took a lot of pressure off the Whirlwinds by beating Dimmitt. They were trying hard for themselves but I think even harder for the Whirlwinds. Even the Lockney could not win district, they were putting the team out that could keep Floydada from going district. They were playing for the county.

According to the Bobcat's coach his team has a long-strike, race horse crew instead of ball control. The latter will be the main factor in our game with them Friday night just as it was with Lockney and Dimmitt. The Whirlwinds are wanting to see their record 10-0 and the Bobcats would like nothing better than to put a damper on that record.

FOUND out after seeing the Cowboy-Saints game Sunday afternoon that you can see more watching TV than you can from your stadium seat. We had real good seats, perfect weather for the game, we just missed seeing the TV playbacks. Dallas already has its Christmas decorations up and the town glistened with its beautiful lightings. Can't remember which building it is but one entire side is lighted nightly with the US flag. Hows that for patriotism.

LYNN Marler baked a big anniversary cake for her daughter, Sandra and husband, but at the last minute found out the couple could not make it to Floydada for the occasion. Sandra called her mother and told her she would love to have anyway just a tiny piece of the cake. Lynn obliged. She wrapped a tiny piece in foil, put it in an envelope and sent it on its way.

An AJ capital correspondent says the public let its emotions

## New Arrivals

Mr. and Mrs. Donnie Barbee of Dallas are parents of a daughter, Traci Dawn, who was born in Baylor Hospital at 4:46 p.m. November 4. The young lady weighed seven pounds one and one-half ounces at birth. The mother is the former Barbara Miller.

Grandparents include Mr. and Mrs. Charlie Warren of Mesquite and Mr. and Mrs. C. C. Miller of Dallas. Mr. and Mrs. Horn of Canton, Tex., are great grandparents. The father and paternal grandparents are former Floydada residents.

Mr. and Mrs. Cecil Jackson of Floydada are parents of a daughter, Julie Gayle, who was born Nov. 6 in Lockney General Hospital. The young lady weighed four pounds and six ounces at birth. She has an older sister, Lisa Ann, who is three. The father is a farmer.

Grandparents are Mr. and Mrs. Elmer Sellars and Mr. and Mrs. Fred Jackson of Floydada. Mrs. Mary Cox of New Boston, Mrs. Margaret Goode, and Mrs. R.L. Jackson are great grandparents.

Mr. and Mrs. Stan Huller of Dallas are parents of a son, Stanley Robert Huller Jr., who was born November 3. The baby weighed five pounds, four and one-half ounces at birth. The mother is the former Kit Zimmerman. Huller is an attorney in Dallas.

Grandparents include Mr. and Mrs. Fred Zimmerman Jr., of Floydada.

## Club Members Meet In Home Of Mrs. Dyess

Members of the 1956 Study Club met November 11 in the home of Mrs. Max Dyess. The president called the meeting to order and urged members to support National Unity Week, to sell as many cookbooks as possible and reminded them of the National FWC convention in San Antonio next June.

Also during business the club accepted with regret the resignation of Mrs. Eugene Beedy. The program was brought by Mrs. Grady Walker, who gave an interesting demonstration of Christmas decorations.

Refreshments were served by Mrs. Dyess to guests, Mrs. Walker, Mrs. Bill Orman and Mrs. Charles Reid and to the following members: Mmes. Bearl Ferguson, Gordon Hambricht, Bill Hardin, Sharon Hutchins, Charles McDowell, Norman Muncy, Leslie Nixon, Billy Phillips, A. C. Pratt, Jerry Thompson, Jakey Younger, Scott Faulkenberry and Mrs. Bob Hambricht.

The next meeting is December 9 with Mrs. Muncy.

## BEAT DIMMITT

The concern over long hair for boys has led to the revelation that it can be a major cause of problem skin.

## Past Noble Grands Meet

The Past Noble Grands Club met with Artie Webb Friday night and during business installed Jewel Reeves as secretary and Jean Newton as Lockney reporter.

Those reported ill or in distress included the granddaughter of Ruby Davis and the death of Alva Sparks.

Refreshments were served to Jewel Price, Ora King, Pauline Faulkenberry, Leona Oden, Artie Webb, Dorothy Reeves, Gladys Peck, Jewel Reeves, Foy Gooch, Jane Marquis of Floydada and Lillie Savage, Dimple McGavock and Jean Newton of Lockney.

hit Cannon Base and approximately 10 minutes if it struck as close as 50 miles. These and other questions will be explained pertaining to radiation in a radiological monitoring course being taught in Floydada by a State of Texas official. The next course, which is free to the public is set for next Tuesday and Wednesday evenings at Lighthouse Electric. Attend if possible, 6:30 to 10:30.

In the last two decades the popularity of convenience foods has spread like the morning dew. There's hardly a homemaker left who doesn't use heat-and-eat foods or instant products of some variety. Even the spice industry has done its part in simplifying life for homemakers. Speaking of these spicy things reminds us that the holiday season is a good time for cleaning out that spice shelf. Throw away all the stale dabs left in cans or bottles, and start fresh if you want your holiday cooking to be worth every taste.

ITS been a long time since this area has had a cattle drive, but they had one Monday. Some 300 head of cattle belonging to J. T. Huckabee were driven from the southeast part of the county to the sales barn in Floydada. The cattle had to cross the Matador Highway and the Silverton Highway so county officials were out directing traffic.

A PERSON who appears dignified and serious - may just have a stiff neck. That's meddlins for this week.

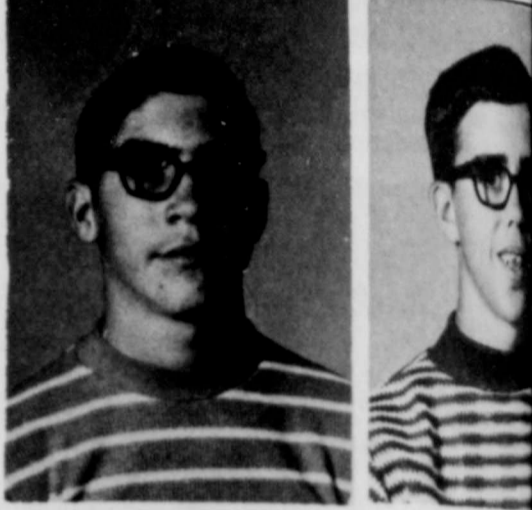

## RECEPTION TO HONOR AUTHORS

A reception honoring authors of the area will be held at the Lubbock Library, 2001 19th Street, November 23 from 2:30 until 4:30 p.m., according to information from the Lubbock authors committee.

## BEAT DIMMITT

ART WORKSHOP - Women from a three county area met in Floydada last Thursday and Friday to attend an art workshop conducted by Connie Martin, center. Also in the picture are Goen, left and Babe Martin, right. The workshop was held in the old Boren Furniture building. (Staff Photo)

MARC SMITHER

DEAUN WILSON

CAROL COGDELL

## Student Council Officers Elected

Floydada Jr. High School Student Council officers were recently elected in "one of the best and closest races we could have hoped for," according to Mrs. Sam Spence, sponsor.

Elected to president was Dirk Nelson, son of Mr. and Mrs. W. H. Nelson, in a run-off with John Cagle.

Vice-president is DeAun Wilson, daughter of Mr. and Mrs. L. G. Wilson, who eked a run-off victory over Sylvia Newton.

In a close run-off campaign with Mitzi Reddy, Carol Cogdell won the position of council secretary. She is the daughter of Mr. and Mrs. D. M. Cogdell of Cedar Hill.

Treasurer will be Marc Smitherman, son of Mr. and Mrs. Phillip Smitherman of South Plains, who raked up a majority vote in the first election.

Also running for student council officer were: John Willson, Mike Hatley, Gayland Fleming, Sheri Collins, Nancy Winter, Darla Milton, Phyllis Guffee and Shirlene Mathis. Each candidate gave a three-minute campaign speech before the student body election.

All candidates' petitions, published statements in a newsletter Bulletin, and through colorful tributes on the walls. All officers must be elected on the 10th of the previous year.

Above named student council officers were elected in the election. Mrs. Spence attended the election. The Student Council held its first meeting in Denver City.

Floydada High School Student Council officers were elected on the 10th of the previous year. Mrs. Spence attended the election. The Student Council held its first meeting in Denver City.

LINDA CAROL GRAHAM

## Linda Carol Graham, Jerry Calahan Plan January Vows

Mr. and Mrs. Herman Graham of Floydada announce the approaching marriage of their daughter Linda Carol to Jerry Glen Calahan, son of Mr. and Mrs. Shelby Calahan of the South Plains community.

A January wedding in the First United Methodist Church in Floydada is planned.

Both are 1968 graduates of Floydada High School. They are sophomore students at West Texas State University.

## Service Guild Continues Study

The Wesleyan Service Guild of the First United Methodist Church met in the home of Mrs. W. O. Baker Monday evening. The Guild continued their study on "Being Christian in A New Day."

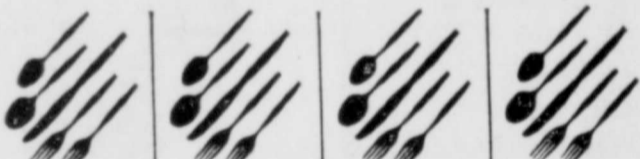

The meeting was called to order by the president, Mrs. Melvin Mathis, who presided during the business session. She turned the meeting over to Mrs. Helen Solomon and she presented a very impressive pledge service.

Mrs. Dessie Denison introduced Melvin Mathis, who is giving the study. Refreshments were served to those previously mentioned and to

CERTIFICATE OF MERIT is being presented to Fay Gooch for outstanding performance, by Jon La Baume, District Conservationist for Floyd County SCS. (Staff Photo)

### Merit Certificate Given Fay Gooch

Fay Gooch, local soil conservation technician with the Floyd County Soil Conservation Service, recently received a certificate of merit and cash award for an outstanding performance rating for his work during the 1969 fiscal year according to Jon J. La Baume, District Conservationist for the Floyd County SCS.

Gooch has been with the Soil Conservation Service 25 years. He formerly was in the Stamford and Rotan work units. He has been with the Floydada work unit 8 1/2 years.

Gooch received this prized award for the superior manner in which he performed his duties in the application and main-

tenance of a high quality conservation program materially contributed to the commendable accomplishments of the work unit.

### LAKEVIEW NEWS by Mrs. Bagwell

LAKEVIEW, Nov. 10 - Some farming activities have resumed at Lakeview the past several days, mostly combining of maize.

Mr. and Mrs. Q. D. Orr and Mr. and Mrs. Mike Orr and son, Scott, all of Tahoka visited here Sunday with W. J. Weak and Mr. and Mrs. F. D. McClintock.

After church Sunday Mr. and Mrs. Henry Price went to Plainview where they visited Harold V. Knupp, a long time friend. Mr. and Mrs. Price also visited her cousin, Mr. and Mrs. Borney DeBusk.

Mr. and Mrs. Rudolph McCurdy spent Monday in Lubbock. While there they visited her mother, Mrs. J. H. Watson.

Sunday Mr. and Mrs. Rudolph McCurdy visited Mr. and Mrs. Richard Wheelers.

Mr. and Mrs. Travis Gentry and children spent the weekend in Lubbock with her parents, Elder and Mrs. S. B. Gowens and other relatives.

Mrs. W. H. Bunch attended the 1934 Study Club Tuesday night at the home of Mrs. Allen Bingham in Floydada.

Joe Clay Smith and Arvin Gowen of Crosbyton spent Saturday night with Phillip McCurdy.

Geneva Hamm of South Plains spent Friday night with Shirley Breed.

Rodney Bunch of Lubbock visited Sunday afternoon with his parents, Mr. and Mrs. W. H. Bunch.

Mr. and Mrs. Howard Bishop took their son, Greg to Lockney Friday night to the 4-H Club achievement banquet held at the Lockney grade school cafeteria.

Odell Williams and son, Mike of Crowell came Sunday and attended church with Mr. and Mrs. Q. D. Williams and family. Odell is a brother of Q. D. Williams.

Sunday afternoon visitors with Mr. and Mrs. A. L. Smith were Mr. and Mrs. W. O. Clark of Lockney.

Mr. and Mrs. B. L. Breed spent Saturday night and Sunday at Smyer with their daughter and family, Mr. and Mrs. Bobby Britton and sons.

Mrs. Larry McCurdy and Rusty had Sunday dinner with her grandmother, Mrs. Ralph Fowler in Crosbyton. Larry McCurdy was in Lubbock attending a reserve meeting.

Mr. and Mrs. Jerry Shutes of Lubbock were Saturday night supper guests of Mr. and Mrs. Joe Thurston.

Johnnie Thurston went with the student council group of Floydada High School to Denver City Saturday.

Sunday afternoon visitors in the home of Mr. and Mrs. Floyd Anderson were her aunt and uncle, Mr. and Mrs. Claude Threadgill of Petersburg and Mr. and Mrs. Leroy Cox of Lockney. Mr. and Mrs. Cox have just recently moved to Lockney where he will be employed at the gin for this season.

Mrs. Floyd Anderson kept her grandson, John Leatherman Thursday.

Mr. and Mrs. Wayne Battey of Paris spent the weekend with their son and family, Mr. and Mrs. Jerry Battey, Jerry Jr., Kathie and Scotty Glen, Mr. and Mrs. W. R. Hodges of Hale Center were here Thursday to visit in the Jerry Battey home. Mr. and Mrs. Hodges are the parents of Mrs. Wayne Battey. This was the first time the grandparents and great grandparents of little Scotty Glen had seen him.

Mr. and Mrs. Sid Brown of Floydada visited their daughter and family, Mr. and Mrs. Howard Bishop and Greg Saturday and had dinner with them.

Mrs. Q. D. Williams was a guest of the 1934 Study Club Tuesday night when they met at the home of Mrs. Allen Bingham.

Thursday afternoon Mrs. Q. D. Williams attended the 1929 Study Club, of which she is a member, at the home of Mrs. Kinder Farris.

Mr. and Mrs. Bob Hambricht and Allissa of Floydada visited in the community Tuesday night with Mr. and Mrs. W. M. Hambricht and Mr. and Mrs. Billy Joe Hambricht and family.

Mrs. A. L. Smith has been going back and forth to Lubbock to see about her mother, Mrs. Bird Oats, who is ill. Mrs. Oats spent two weeks in West Texas Hospital but was able to go home last week.

Mr. and Mrs. Choise Smith, Jody and Tye Hunter visited his parents, Mr. and Mrs. A. L. Smith Sunday afternoon and had supper with them.

Mr. and Mrs. Billy Joe Hambricht, Kathie and Todd attended the ball game at Abernathy Friday night.

Mr. and Mrs. Elmer Baker of Panhandle spent Sunday night with Mr. and Mrs. Earl Edwards.

Mrs. B. L. Breed visited in Floydada Thursday afternoon with her mother, Mrs. D. H. Widener. Another daughter of Mrs. Widener, Mrs. Lela Billington of Amarillo, has been spending several days here with her mother.

Mr. and Mrs. Henry Mitchell spent Thursday in Plainview.

Mr. and Mrs. Earl Edwards visited recently in Crosbyton with Mr. and Mrs. George Sparks and their son, Loye Sparks, who is here visiting from Santa Barbara, Calif.

Mrs. and Mrs. Ray Lloyd visited Sunday night with her parents, Mr. and Mrs. B. L. Breed.

Mrs. Max Harrison visited at Caprock Hospital in Floydada Monday with her mother, Mrs. F. M. Marquis, who was a patient there. Mrs. Marquis had the misfortune Sunday afternoon of falling from a bicycle and breaking her arm.

Mr. and Mrs. Grady Dunavant returned home Saturday from Ft. Worth where they had gone Thursday to visit their son, Mr. and Mrs. Milton Dunavant and family.

Saturday night Mr. and Mrs. Grady Dunavant visited in the home of Mr. and Mrs. Jerry Battey, to see their new baby, Scotty Glen, and to see Mr. and Mrs. Wayne Battey of Paris, who were visiting the Jerry Battey family.

Loye Sparks of Santa Barbara, Calif. visited Friday in the home of Mr. and Mrs. D. C. Harrison. Loye is a former resident of this area.

Saturday night visitors of Mrs. R. C. Smith and Floyd were Mr. and Mrs. G. W. Smith of Dougherty and Mrs. Bobby Everett and sons of Lubbock.

Mr. and Mrs. D. C. Harrison kept their grandchildren, Debbie and Tracy Harrison Friday night and Saturday. Mr. and Mrs. Max Harrison attended the ball game Friday night and Saturday they went for their children, and all had dinner in the D. C. Harrison home.

Sunday afternoon Mr. and Mrs. Grady Dunavant visited in Floydada with her mother, Mrs. E. T. Williamson and also with Miss Myra Dunavant.

Cynthia Mitchell, along with other members of her basketball team and the coach attended the basketball clinic Saturday in Plainview. They saw the Hutcherson Flying Queens of Wayland College play.

Mrs. Nathan Woody, Jeffrey and Nathalie of Floydada spent the weekend with her parents, Mr. and Mrs. Homer Newberry.

### Girl Scouts Active Floydada Citizens

AND WHAT ARE THE BROWNIES DOING ALL THIS TIME?

Three enthusiastic, energetic Brownie Troops hold forth every Tuesday and two at Duncan Elementary School and one

at Andrews Elementary.

The new second grade Brownie troop #317, led by Mrs. Wayne Adams, Mrs. J.E. Elza and Mrs. Ray Morton, are discovering how to be good citizens at home and at school, how to help each other to enjoy nature around them.

"ON MY HONOR I will try to do my duty to God and my country, first portion of the Girl Scout Promise is being demonstrated by Girl Scouts of Troop 181, assisted by representative of Troop 250, raise the American Flag at Andrews Elementary School on an's Day. The three junior troops are also selling Buddy Pop week for the V. F. W.

HOMEMAKERS**  
by Sherry Mullin  
Floyd County H. D. Agent

**TIPS FOR BEAUTIFUL CAKES**  
To avoid greasy fingers when greasing cake pans, set aside a small container of shortening and a clean paint brush especially for that purpose.

Be sure to use the pan size as directed on the cake mix package. If the pans are too small the batter may run over the edge. If the pans are too large, layers will be thin and have poor volume.

Bake an angel food cake on the lowest rack of the oven - it is such a high cake, if placed too high in the oven the top will brown too quickly and the cake will test done before it is baked through.

Allow layer cakes to cool 8 to 10 minutes before removing from pans, otherwise layers are liable to crack because they are too hot and tender, or they will stick to the pans if they cool too long.

After cooling layer cake thoroughly on a rack, brush all the loose crumbs away with your fingers before frosting the cake.

Put bottoms of layers together when frosting and fill with 1/4 of the frosting. If the layers appear uneven, try to even them by placing the thickest part of one layer with the thinnest part of the other layer, so that the top of the cake is level. Be sure the sides are vertical and not sliding at an angle.

Be very careful to follow directions when making frosting. Addition of too much liquid will make frosting thin and unattractive (the frosting may even run off the cake onto plate.) Not enough liquid will make frosting difficult to spread and may even tear the cake and cause crumbs to show in the frosting. Add extra liquid - a few drops at a time - if necessary.

Place a small piece of waxed paper under the cake while frosting and then remove for a cleaner, more attractive plate.

Food coloring, nuts, coconut and imagination can make a plain frosted cake become a glamorous party cake.

Always store cakes with a custard or a cream filling in the refrigerator.

### Film Tonight On Natural Childbirth

As a public service, the Lubbock chapter of ASPO (American society for psycho-physics in obstetrics) is presenting the showing of a movie in which the entire pregnancy and delivery of a mother trained in natural childbirth will be shown. The public is invited to the showing in the Floydada High School auditorium Thursday, Nov. 13 at 7:30 p.m.

Experienced instructors and Dr. Eva Snead will be present to answer questions on the subject.

### Rev. Bradley in Charge Of Program At Wayland

The annual meeting of the Caprock-Plains Baptist Area will be held November 18th at 7:30 p.m. The place will be Herral Memorial Auditorium on Wayland Baptist College campus in Plainview.

Dr. J. D. Grey, pastor of First Baptist Church in New Orleans, will be the speaker. Dr. Grey is past president of the Southern Baptist Convention. He has been pastor of his

present church nearly twenty years. His keen humor and deep dedication makes him one of the most interesting preachers of our day.

A special period on the program has been reserved to pay tribute to Dr. and Mrs. Franklin Swanner. He is retiring December 31st, after having served as Area Missionary the past twenty-two years.

Dr. Swanner was called to

this position while serving as pastor of First Baptist Church in Levelland. The area was then known as District Nine. The geographical boundaries included Spur on the south, Canyon on the north, and the entire area from the Caprock to the New Mexico border. Five years ago, the District was divided into two areas, Lubbock's becoming one of these and most of the remainder becoming Caprock-Plains Area.

A special program will depict the history of these twenty-two years. Appropriate gifts will be presented during the

evening. A committee composed of Rev. R. B. Hall, C. H. Murphy, and Frank Pollard led churches and individuals in the area to participate in these expressions of appreciation.

Floyd C. Bradley, Chairman of the Area Committee, will be in charge of the program. Music will be under the direction of Pete Forderhase, who will be directing a two hundred voice choir.

Visitors from the entire West Texas area and from over the state are expected to fill the 1,800 seat auditorium.

### Myrtle Howard

Myrtle Swartz Howard, 70 year old former resident of the McCoy Community in Floyd County, died Oct. 31 and was buried Nov. 3, in the Canoga Cemetery in Canoga, Calif.

Mrs. Howard lived at McCoy from 1901 until 1925.

Survivors include one daughter; one grandchild and four great grandchildren all of Canoga; her mother, Mrs. Frank McDermitt, one brother, Chester McDermitt and three sisters, Maude Wade, Beulah McNeely and Rilla McSpadden all of Lubbock.

THE HOME FROM VIETNAM - Williams, son of Mr. and Mrs. Williams, is happy to be back in serving 13 months near Cu-Chi served with the 25th Infantry, especially during the Tet when his unit got their 105 Howit-

zers knocked out. He feels that we're too far gone now, to pull out of Vietnam, we must stay and protect the South Vietnamese people. He enjoyed R&R in Bangkok, Thailand. Louis Ray saw another Floydada boy, Tommy Gallagher in front of a PX in Cu-Chi. (Staff Photo)

### YOU DON'T HAVE TO FARM THE SOIL TO DEATH FOR RESULTS

Harvest results from the first grain sorghum minimum tillage study at the High Plains Research Foundation indicates that the High Plains area probably does not need to be "farmed to death" to maintain high yields.

In this study, harvest results showed little difference between sorghum yields in the

#### UNCLE SAM'S SELECTIVE SERVICE

Editor's note: Below are questions now being asked at draft boards. The answers are by Colonel Morris S. Schwartz, State Selective Service Director, 209 W. Ninth Street, Austin, Texas 78701. He will welcome your questions.

Q - Can I get on the list to obtain the monthly newspaper published for Selective Service personnel?

A - Yes. Send your check or money order for \$1 to the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20402, with a letter requesting an annual subscription to "Selective Service News."

Q - I understand there are two classifications given to those not acceptable for service. I know about IV-F, but what is the other one, and what is the difference between the two?

A - The two classifications you refer to are I-Y and IV-F. A man not qualified for service under current standards, but who would be qualified in time of war or national emergency, is classified I-Y. A man not qualified now and who would not be qualified in time of war or national emergency is classified IV-F.

Q - I am being discharged from the armed forces. Is it necessary for me to carry a registration certificate?

A - Yes. Within 10 days of your separation, you must request your draft board for a duplicate registration certificate. You can do this by a letter to your draft board, or by filing a special form (SSS Form 6) with your board, or any other board.

plots where seedbed preparation was done the conventional way and where seedbed preparation consisted only of one chisel down the middle of the old row where cotton was planted the preceding year. This was done to permit water penetration.

Dennis Mooney, Foundation researcher, said the plots in which seedbed preparation included mold board, disking, floating and listing, yields averaged 8,301 pounds per acre. In the plots where seedbed preparation included only the chiseling prior to planting yields was 8,103 pounds per acre. This method of seedbed preparation could save the High Plains farmer approximately \$15.00 per acre.

"In plots where no seedbed preparation was done, the yield averaged 7,298 pounds per acre," Mooney said.

These tests were conducted on cotton stubble crop land.

Mooney said the difference in the chiseled and conventional tilled plots compared to the no tillage method was moisture stress, due to the inability of the water to penetrate in the unchiseled plots. "You could see it while it was growing. The plots that were not chiseled did not take the water and showed moisture stress through the entire growing season," he said.

"The plots had no cultivation after planting," Mooney said. A mixture of Paraquat and Propazine was used for weed control. The Paraquat was used as a contact herbicide for immediate control and the Propazine was used for residual season long control. Mooney said the chemicals offered "good" season long weed control. He pointed out that the plots with minimum tillage did have a few more weeds than the conventional preparation method, "and this could have contributed to yield differences," he said.

The sorghum was planted May 22 on flat land with 150 pounds of nitrogen per acre used in a side-dress application.

## You don't have to be a "super salesman" to be a super seller

All you have to do is to find a fast, low-cost way to tell all your prospective buyers what you have to sell, how much it costs and where they can find you.

"Wait a minute", you say, "Selling something isn't quite that easy!"

You're right. It isn't always that easy unless you use a *Hesperian Want Ad* to find your buyers. Want Ads are a most unusual advertising medium because many people who read them have already made up their minds to buy. When they see an ad offering what they are looking for they respond promptly. This makes your sale easy.

So almost anyone, super salesman or not, can be a "super seller" just by investing in a low-cost Want Ad. It's the easy way to find a ready buyer. Be a super seller. Place your *Hesperian Want Ad* today.

## Floydada Carpenter On 96 Today

A Floydada carpenter will celebrate his 96th birthday today. He is James L. Copprell, who now resides at the Floydada nursing home.

He has lived in Floydada since 1920 and according to a local lumberyard man, "he was a very good carpenter, built a house like it oughta be built."

He was also known as a good cabinet maker. Copprell moved here from Athens, where he was a school teacher for some time. He attended A&M College. He was born in Arkansas.

Mrs. Copprell died in 1955. Copprell is fairly active, walks some around the nursing home, loves to visit, loves to read when able, and loves his church...he attends the Baptist church. He has lived in the nursing home two years.

Copprell has a daughter who lives at Hico, Texas, also has three grandchildren and two great grandchildren.

When a Hesperian reporter asked to what he attributed his long life, he replied, "I just always sorta met things as they came." He said he did not smoke.

JAMES COPPRELL

## Ralph Wayne Appointed To Good Neighbor Commission

Representative Ralph Wayne was appointed by the Texas Good Neighbor Commission to serve on the Senate Interim Agricultural and Industrial Study Committee.

Wayne, a veteran lawmaker from Plainview, will join five

other members on the study group.

Previously appointed by Lt. Governor Ben Barnes were Senators Charles Herring of Austin; Tom Creighton of Mineral Wells; and O. H. "Ke" Harris of Dallas.

Named by the Texas Industrial Commission to serve was Gibbs McDaniel, a Houston banker. The remaining member chosen by the Texas Department of Agriculture is Harold Nelson, a milk producer from San Antonio. Barnes named Herring chairman.

Wayne was chairman of the Federal Relations Committee during the recent 61st Legislative Session and also a member of House Committees on Common Carriers, Labor, Public Health and Urban Affairs.

Authorized by S.R. 621, the Committee will hold hearings, explore and develop plans and methods of further development of the state's trade and commerce and technology in the field of agriculture.

## HOSPITAL NEWS

Mettie Carter admitted 10-24, continues treatment.  
Catherina Canto, admitted 10-27, continues treatment.

## FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Nov. 10 - Fields are still too wet at Fairview for any farm operations. Some have tried to get in their fields but found it still muddy. A few days of sunshine like we have had for the past several days will dry the ground.

We were all saddened last Tuesday to learn of the death of Sim Reeves of Memphis. Sim passed away Monday night at a Memphis hospital. Mr. and Mrs. Reeves made Floyd County their home for many years and have many relatives in and around Fairview. Our heartfelt sympathy goes out to his family at this time of sorrow.

Mr. and Mrs. A. S. Mize and Mr. and Mrs. Walton Wilson, along with a large crowd of other relatives and friends attended funeral services for Sim Reeves at the First Baptist Church in Memphis last Wednesday afternoon.

Mr. and Mrs. Clyde Bagwell visited in the home of Mrs. Alma Dunn Wednesday night. Mrs. Dunn's cousin, Mrs. Minnie Manning of Pineville, Mo., was a house guest of Mrs. Dunn.

Mr. and Mrs. Jim Cogswell of Lubbock were Sunday dinner guests here with Mr. and Mrs. T. L. Perry and Mr. and Mrs. Eugene Watts and Scotty. Mrs. Cogswell is the mother of Eugene Watts.

Mr. and Mrs. N. A. Armes

of Plainview visited Sunday afternoon with Mr. and Mrs. R. M. Cannon.

Mrs. Edell DuBois visited Friday afternoon with Mrs. Clyde Bagwell.

Mr. and Mrs. E. W. Walls spent five days last week at Lake Texhoma fishing.

Benton Ritchey of Lubbock was in this area Tuesday and visited in the C. H. Wise home and had dinner with them.

Mr. and Mrs. D. D. Tate of Lockney visited Monday with Mr. and Mrs. E. W. Walls.

There are some test oil wells going up in and near Fairview community at this time.

Mrs. Ruy Irwin spent the day Sunday with her daughter, Mrs. Carl Nelson.

Mrs. Kate Crabtree and J. C. Bullard visited Sunday afternoon in the home of Mr. and Mrs. Kay Crabtree, Becky and Sammy. The Kay Crabtree family have been on the sick list for several weeks. Becky has had to miss a number of days at school, but Mrs. Crabtree reports they are beginning to improve at this time.

Mr. and Mrs. Lyndal Carey, Carolyn and Mike of Claude were here over the weekend visiting her mother, Mrs. Roy Meek and his mother, Mrs. John Carey.

Mr. and Mrs. Clyde Bagwell visited in the home of Mrs. Alma Dunn Friday night. Oth-

ers there were Mr. and Mrs. Floyd Montgomery of Plainview and Mrs. Minnie Manning of Pineville, Mo. Games of 84 were enjoyed by the group.

Sunday dinner guests of Mr. and Mrs. Walton Wilson were Mr. and Mrs. Harvey Allen, Mike and Norman, and Mrs. W. B. Wilson of Floydada, Mr. and Mrs. Button Beedy and sons of South Plains and Mrs. Bill Beedy of Claude.

Mrs. G. C. Bailey visited Tuesday with Mrs. C. H. Wise. Mrs. Beulah Jernigan has not been feeling well lately so she spent several days last week in Plainview with her daughter, Mrs. Leonard Finley and family Mrs. Jernigan returned home Saturday.

Mrs. Bill Beedy of Claude has been here several days with her mother, Mrs. W. B. Wilson, while Mrs. Wilson's other daughter, Mrs. Bill Tye went with Mr. and Mrs. A. S. Mize to Ruidoso, N.M. for a few days. Bill Tye of El Paso met the group from here and stayed with them for the weekend.

J. P. Denton of Littlefield came by Sunday and took his sister, Mrs. C. H. Wise and Charles Denton Wise, to Paducah where they visited their mother and grandmother, Mrs. Ella Lawhon at the Golden Age Nursing Home. They also visited in the home of Mr. and Mrs. Bill Mulkey. Mrs. Mulkey is a sister of J. P. Denton and Mrs. Wise. Bill Mulkey is at home now convalescing from surgery at a Wichita Falls hospital some two weeks ago.

Mr. and Mrs. Cecil Payne returned home Monday from Stamford Lake where they went Wednesday of last week. Mrs. Payne reports they caught a 23 lb. yellow cat, on this trip.

Monday afternoon visitors in the home of Mrs. Kate Crabtree were Mr. and Mrs. Fred Battey, Mr. and Mrs. James Green, Mrs. Ola Warren and Mrs. O. C. Vinson. Games of 84 were enjoyed by this group.

Mr. and Mrs. Walton Wilson visited Saturday night with Mrs. W. B. Wilson and her house guest, Mrs. Bill Beedy of Claude.

Mr. and Mrs. H. N. Bennett of Littlefield came Sunday night and remained until Tuesday morning with her sister-in-law, Mrs. Gracie Riggles.

Saturday afternoon Mrs. Ida Lou Combs and daughter, Cindy of Abernathy visited Mrs. C. H. Wise and Charles Denton.

### REWARDING HOBBY

Birmingham, Ala. - Mrs. Lillie Walker says making dresses for children in the neighborhood has brought her much pleasure in the past 21 years. She began sewing when her first grandchild was born—then began designing and making dresses for children who seldom had the joy of new clothes.

**BUY NOW**  
earn a cash dividend through

**EARLY BUYER'S DIVIDEND**

This special pre-season program pays you cash for buying early. The amount you get depends on the machine you buy—and when you buy it. The earlier you buy, the bigger your dividend. Program starts November 1, 1969, and goes through February 28, 1970.

Eligible machines include: Automatic Bale Wagons and Stack Retrievers • Balers • Combines • Crop Choppers • Forage Blowers • Forage Boxes and Crop Carriers • Forage Harvesters • Hay Conditioners • Mower-Conditioners • Mowers • Rakes • Self-Propelled Windrowers.

Program applies to new machines only. Stop in soon for complete details.

## Get Acquainted With Baylor Meeting Set

On Monday night, November 17 at 7:30 p.m. at the meeting room, Pioneer Natural Gas Company, 301 Taylor Street, Amarillo, Texas, the Baylor University Development Council is sponsoring an informal "get acquainted with Baylor" meeting. The meeting will give area people opportunity to gain first hand information about the university: its philosophy, its facilities, its educational program, and some results of its endeavors.

The president of Baylor, Judge Abner McCall will be at the meeting along with vice-president of development, Tom Parrish and others. Coffee will be served and the public is invited to attend.

## HIGHWAY PATROL INVESTIGATED NINE RURAL ACCIDENTS

The Texas Highway Patrol investigated nine accidents on rural highways in Floyd County during the month of October according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed, four persons injured and an estimated property damage of \$9,900.00.

The rural accident summary for this county during the first ten months of 1969 shows a total of 62 accidents resulting in one person killed, 26 persons injured, and an estimated property damage of \$62,751.00.

Traffic wise, November and December are noted as dangerous months for pedestrians. During the last two months of 1968 in Texas there were 86 pedestrians killed and 843 injured in collisions with motor vehicles. Some of the attributing factors are: Longer hours of darkness, bad weather, holidays, and lack of drivers' and pedestrians' attention.

The veteran patrol supervisor listed some tips to aid both pedestrians and drivers. Always wear something light colored when walking after dark. If possible carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

## FLOYD DATA

Mrs. Hazel Kimmel and Miss Nancy Cogdell of Wichita, Kan. were overnight guests here Wednesday of last week with Miss Cogdell's brother and wife, Mr. and Mrs. Ralph Cogdell.

# Floydada Racing Car Builder Featured In Drag Racing Magazine

Floydada's Don Hardy received national recognition recently when he was interviewed by a national magazine "Drag Racing". Following is a reprint of the magazine feature.

**PREFACE...** At 29 years old, Don Hardy sits high on top of it all as one of the most respected funny car builders in the country. Don comes from a small town in Texas by the name of Floydada. Its located some 50 miles north of Lubbock on US 70.

His business has grown from a small shop in 1966 to a 3,000 square foot workspace in 1969 that will turn out approximately 15 completed and ready to run funny cars. Hardy maintains a hectic schedule. Not only does he build one of the best chassis in the business, but he also flies around the country and helps out another Floydada native by the name of Kelly Chadwick. Hardy, like many of the men in drag racing today, takes great pride in his work. That's why his shop at 528 E. Mississippi in Floydada is always a beehive. When you've got a ten (10) car backorder, its no wonder.

**DRAG NEWS...** Don in opening this interview we would like to you to take a little bit of your time and tell us how Don Hardy race cars got started.

**HARDY...** Well, from the start Kelly Chadwick and I had a B Gasser that we raced back in 1962. We won the AHRA Nationals with it and from this point Kelly and I went our own ways and I built a fuel dragster. He kind of relaxed for a couple of years. And about the time the fuel dragster got going pretty good well Uncle Sam grabbed me, so from that point in 1965 when I got back from Alaska, at the time I was in the Army, Kelly had got into the Super Stock cars pretty well. So I helped Kelly with his car the rest of that year. In 1966 I built the first Rambunctious car that Gene Snow had. Then I built a Chevy II for Kelly. We ran this car until 1967 when the Camaros came out and in 1967 I did a lot of odd jobs in the shop that I had opened along with racing with Kelly. I built Kelly a new Camaro. It wasn't a flip-top. It had fiberglass doors and front end with a steel back half and ran injectors. The car weighed in about 2100 lbs. which was good at that time. We got the car finished in early January. In Texas at that time there weren't too many races and Dick Harrell sold his car the Chevy II that he had before, he ended up without a car and he had three or four races that he needed to run so he borrowed Kelly's car and ran it for a couple of weekends. Dick liked the car so well that I built him one just like it. We went ahead and ran these cars in '67. Then in '68 I built Dick my first tube chassis car which was a flip-top. And in 1968 we built 10 cars. All the cars were complete cars. We mounted the bodies, put the aluminum in them, did all the plumbing, and finished the cars up in the shop. When the driver or owner came by to pick up one of the cars, we took them out to the airport and made runs on them. So before they left the shop they were happy. I was happy and everyone was satisfied with the car. Then this year to date we finished the tenth car last week and of course during the summer all this time I was racing with Kelly we were back East quite a lot and there were a couple months went by that we didn't build any cars at all. So I feel like this year we will build about fifteen complete cars. And this went the same way. They were complete and they went out the door ready to run. So that gives you a pretty good idea on the cars to this point.

**DRAG NEWS...** Like every chassis builder we imagine you like to brag a little bit about the list of noted drag racers that you have built cars for. Could you go over those and kind of hi-light on what these cars have done so far?

**HARDY...** Yes, actually I take a lot of pride in the car that Kelly runs because I use it as a test car. On every new thing that I use on my cars it is tried on Kelly's car first. Of course there are a lot of things that we scrap and throw away and there are a lot of things that are good. Dick's cars are real good cars back in the Mid-west. His cars really do alot for me. I built a couple of cars for Mike Burkhardt which have run real well. Mike has done real well and is doing well right now. I have a car that I built for Bobby Wood this year, that has held the NHRA national record, and by the way Dick's car hold the AHRA national record. I believe at this time. The car that I built for Candies and Hughes is a real good car and they run real good with it. There are a number of other cars that we have built up to this time, as a matter of fact all the cars have done real good, I'm really proud of how all the cars have run. Of course we have a big list ahead of us now to build cars for like the old Super Cuda of Colgan and Taylor. I'm building a car to replace it which Pat Collins and Bill Taylor will run. We are building a new car for Leonard Hughes and Paul Candies and also a new car for Dick Harrell. So there is quite a few new cars coming up that I feel will run real good this coming year. The owners that have run our cars in the past and that we are building cars for now have run good and I feel that when they get one of these new chassis they will be able to run even better.

**DRAG NEWS...** From a safety standpoint, how safe to you feel funny cars are?

**HARDY...** At the time, the chassis that I use at this time, were designed, the cars were running around 180 mph. It all depends on certain impacts on certain cars I guess this is a factor that a guy tries to break down. There are certain types of impacts that I don't know any type car would survive. There are certain impacts that alot of good cars will survive at the present time I'm working on a new chassis that I feel is much safer than the old cars care. This is something that is still in the process of being built. We are putting quite alot of time in it and the car will be ready to run in about two months. And like I say I feel that this car will be much safer than the present car. I feel that the present car is safe, I feel that the way the present cars are built, they are much improved for the driver. For one thing the car that Leonard Hughes drives has suffered a few blower explosions and Leonard hasn't gotten any heat on him at all. I feel that the cars are very well prepared as far as being fireproof and I feel that the cars are well prepared as far as impacts go. Now there are a few freakish accidents that happen that are one of a kind and I try to weigh every accident in every kind of a way. I then try to make the car a little better from what I learn. I think that the cars are very safe in the way that they are prepared. We put alot of time into the car to make them this way.

**DRAG NEWS...** When Funny Car Drag Racing first started everybody was skeptical as to how long it would last. But everybody knows that funny car racing is here to stay. What future do you feel that funny car drag racing has?

**HARDY...** I feel that the funny car racing is going to get bigger as the years go by. I think that the one thing that it has on its side is first of all the fans have a driver or car that is their favorite and also they have the make of car which is their favorite. Now the funny cars all have, maybe I should say, out of the world paint jobs and this kind of thing on them. But still a person can sit in the stands and he says, "Look this Camaro looks just like the one that I drive down the street." And which as far as he is concerned it is, it's a Camaro and he has something that he can look to as being like he drives himself and I think that this is one thing that makes the funny car real popular with the people in the fact that most of the races are real close.

Of course the burnouts and the preparation of getting ready to make the run is something that is really important that the people really like to see. Also since we came up with the zoomie header thing, well this makes it more popular as far as the noise and this kind of thing goes. So I feel that the funny cars have quite a big future and they are going to be here for quite a few years.

**DRAG NEWS...** Lets say we were to pick up a telephone, living somewhere in the Eastern part of the country, and wanted to order a race car. Explain the step by step procedure you would go through **HARDY...** First of all, I like to, of course, find out what kind of body and engine that the owner wants to use, as far as the funny car goes. Then usually I have a waiting list that runs from three or four cars and at the present time its ten cars. Of course, I like to find out what kind of ideas the owner has and what he wants for a car wheel base wise, engine location, and this kind of thing. Now on all the cars there are certain things that I build into the cars that I know it takes to make a car run fast and stay on the ground. Like the body height and the angle of the body in a downward position in the front and this kind of thing. I use my own design as far as chassis go. I won't make any short cuts or anything as far as weight saving on the chassis. Of course when the owner call me I tell him everything that he gets as far as the spot brakes and this kind of things if he is buying a complete car from me, also the parachutes, the plumbing in the car and this kind of thing and then the only thing from there is that I require a \$2,000 deposit. And then when the car is picked up from me payment is made in full on the balance.

**DRAG NEWS...** What is in the future for Don Hardy?  
**HARDY...** At the present we do alot of Super Stock work, setting up cars, building engines along with our chassis business. I feel that shop wise and this kind of thing, it is going to get better every year. It has in the past and I feel it will in the future, each year we learn new ways of doing things and better way of doing things. We do automatic transmission there as far as valve bodies in the turbos and also the torqueflites about anything for the Super Stock cars or match race cars we do in the shop from blueprinting the motor to setting up rearends. So I think that the shop is going to continue to grow in the future.

**DRAG NEWS...** Any closing comments, Don?  
**HARDY...** Well, all I know that I think that this next season for the funny cars is going to be real good. The cars seem to be going quicker and faster and it seems that whether its a Ford or Chrysler or a Chevrolet. It seems like all the cars are running real close to each other as far as e.t.s go and I feel like there is going to be alot of good racing in the next season.

## INVITED TO PARADE IN FORT WORTH

**FORT WORTH (Sp1) -** The Floydada High School Band and the Floydada Riding Club and Pony Express Riding Club have been extended an invitation to take part in the opening day Western Parade of the 1970 Southwestern Exposition and Fat Stock Show in Fort Worth. The 1970 Stock Show Parade will be held on Friday, Jan. 30, announced Tom B. Saunders, Stock Show vice president and parade chairman. The event, slated to start at 2 p.m., launches the 74th annual exposition's 10-day run, Jan. 30 through Feb. 8.

"Some 150,000 persons crowd Fort Worth's downtown streets annually to watch the parade," Saunders said. It takes about two hours for the entire parade to pass any given point.

## GSPA SEEKS 1970 DIVERSION PROGRAM

The Grain Sorghum Producers Association, this week, asked USDA to continue the voluntary diversion program for 1970. The law allows the secretary of agriculture to decide the level of diversion and payments. There has been some speculation that the secretary might cut back on the amount of diversion, allowed with pay, when he announces the 1970 feed grain program provisions. Under the 1969 program a farmer had to divert 20% of his feed grain and received diversion payments for all over 20% up to 50%.

In a letter to secretary of agriculture Hardin, Eibert Harp, GSPA's executive director, stated, "The decision to cut the voluntary diversion (with pay) out of the 1967 feed grain program was a drastic mistake, which caused an over production of corn and feed grains, from which we are just recovering. We hope that the voluntary diversion provision, allowing up to 50% of base to be diverted, will remain in effect for 1970 with diversion payments at least equal to that of 1969."

Harp pointed out in his letter to Secretary Hardin that with the higher grain prices, there will most likely be some slippage in the grain program anyway and to force all the land back into production, except the minimum 20%, would again create a surplus and again break the market price. "Farmers are enjoying the higher prices this year but they are still not receiving what they really need for their grain," Harp said. GSPA feels that a cut-back in diverted acres would result in a price depression.

A NEW LOAD of Chargers and Barracuda fiber glass bodies that Don Hardy will build into drag racers. (left to right Don Hardy, Mack Fowler Jr., and Gary Quee. (Staff Photo)

## Lions Clubs Pay Tribute To Crippled Children's Camp

Members of Lions Clubs throughout Texas this month are pausing to pay recognition to their camp for crippled children which has given over 11 thousand handicapped youngsters a new dimension of freedom since it was opened in 1953.

The camp, located at Kerrville in the Hill Country of Central Texas, is free to crippled, blind, deaf or mute children of Texas from the ages of seven through sixteen. The 17 permanent buildings and other improvements dotting the 504 hill-side acres represent

## The Potters are expecting a very important phone call.

In the years ahead, you'll be able to preset your telephone to transfer calls to the number where you're visiting. Electronic switching—using a sophisticated computer system—will make this and many other new services possible. For example, your phone will have a memory. By dialing just two digits of a

frequently called number, you'll activate that number when the phone will dial the remaining digits automatically. Electronic switching is fact, not fiction. It's part of our program to plan for tomorrow's communications. We may be the only phone company in the area, but we try not to act like it.

Southwestern Bell

## Stays Fresh Longer

MRS. BAIRD'S

**PLAINS NEWS by Mrs. Murray Julian**

Nov. 10 - Mrs. Shorty Turner and two children of Floydada left last Friday for Austin, where they spent the weekend with their son, Mr. and Mrs. Price Pritchett. The Pritchetts and the Turners came home Sunday, and Jimmy left there for his new army assignment at Fort Polk, La. where he will be stationed three months.

Mr. and Mrs. Reese Hightower and three boys returned home Sunday night from Norman, Ark. They had been called there by the sudden passing of her father, John Bird Hamilton, 73, who died in church services there Sunday night, Nov. 2. Rites were held at the Mount Ida Funeral Home at Sims, Ark. Thursday afternoon.

Friday afternoon the South Plains PTA group met in the school auditorium for a program on "Indians, their customs and ways of living," put on by the 4th and 5th grades, pupils of Mrs. Alice Eddins. After the program, PTA members met for a business meeting with Mrs. Don Marble, president. She reports another ordering of the delicious Del Cerra Pecans from New Mexico. If you wish some, contact any member of the PTA.

Tuesday afternoon, Nov. 11, the WMU of the Baptist Church will have their Foreign Mission Study Book. Those taking part in the study, "Sons of Ishmael, How Shall They Hear?" will be Mmes. L. T. Wood, Jim Roberts, Kendis Julian, W. L. Trice, Travis Young, and M. M. Julian. Refreshments in the Foreign theme of the Middle East will be served during intermission of the study.

J. P. Taylor, rancher, underwent dental surgery last Tuesday in Lockney. Several

teeth were extracted during the surgery.

The 4-H Achievement Award Banquet was held in the Lockney Elementary School Cafeteria Saturday night. County Agents Sherry Millin, Joe Wilson and Mack Heald recognizing youngsters for achievements made during the past year. 4-H members and their parents who attended from South Plains were Mrs. Jim Roberts, Terry and Carl, Ronette Kitchens, Mr. and Mrs. Don Marble and Donette, Mrs. R. L. Holland, Darla Milton and M., and Mrs. Grigsby Milton. Ronette and Carl received one year recognition pins, Donette received a three year pin, and also a clothing award on the pants dress which she made during the summer. Darla received her fourth year pin.

Mr. and Mrs. Don Probasco were hosts for members of their Sunday School Adult 4 class with a party Saturday night before the Halloween week. The men played 84 and 42, and the women played Probe. Couples present were Messrs. and Mmes. Travis Young, Curtis Sanders, Eugene Beedy, Buck Ford, Jim Roberts, Philip Smitherman and the Don Probascos.

There was no news from South Plains last week as Mr. and Mrs. Murray Julian were called to Austin Thursday morning, October 30, by the illness of their son, Bruce Julian, law student at the University of Texas. Bruce was in intensive care at Brackenridge Hospital for two days, and in the hospital nearly a week with an asthma attack. His parents returned home the following Wednesday, coming home by way of Roscoe, where they visited Wednesday night with another son, Mr. and Mrs. Terry Julian, Dee and Dickie. Bruce is taking allergy tests this week, and they hope to find out what is causing his trouble.

Bryan and Helen Karr went to Boulder, Colo., Tuesday, Oct. 28, and spent several days there with their daughter, Mr. and Mrs. Steele Deavenport and Sherre. They came home Saturday night of last week, and reported bad weather up that way, with more snow already than they usually have all year. It rained, snowed and sleeted on them most of the way home. They also had a time getting to their house here, due to the terrible rains which South Plains had been having the past three weeks.

We have had sunshine since last Thursday, after so many days of rain and terrible roads everywhere. The last heavy rain was on Saturday night, and since then the roads have begun to be passable. Mr. and Mrs. Don Bean, Mike and Judi spent several days in Silverton in the home of his mother, Mrs. J. K. Bean, while the roads were so bad, so the family could get out to school. The road past Mrs. Walter Wood, and to the W.M. Staniforths has been impassible until about Saturday. All the families there had to get out either through pastures or the south way by Grigsby Miltons.

Rev. and Mrs. W.L. Trice

went to Albany week before last to visit from first of the week to Thursday with her mother, Mrs. Childers and other relatives. The children stayed here to be in school.

J. Ronald Taylor has been quite ill since last Thursday with an attack of flu. This Monday he is again at the Lockney Hospital for medication. Little Jeffery also is suffering with a bad cold.

Mrs. Frank McClure entered Methodist Hospital in Lubbock Wednesday of last week and had surgery on her cheek, where she had been having trouble since her face was hurt in the car wreck last spring. She came home Saturday, and will again be at the hospital this Monday afternoon for a check-up. Rev. and Mrs. W.L. Trice visited her at the hospital Thursday. Mr. and Mrs. Sylvain Kinnibrugh went with her to the hospital Wednesday.

Mr. and Mrs. Bryan Karr left last Thursday for Fort Worth and Dallas, and are still away this Monday on a business trip.

We wish to add our congratulations to Allan Adams of Ralls, and Miss Gail Ward of Idalou on the announcement of their wedding plans. Miss Ward is the daughter of Mr. and Mrs. Chester Ward of Idalou, and Allan is the son of Mr. and Mrs. R.H. Adams of Lockney. The family formerly lived in South Plains, and Allan attended schools here. The wedding is planned for December 11 in the Idalou United Methodist Church. Allan is employed now at the Carter Funeral Home in Ralls.

Douglas Bradford was home over the weekend with his parents, Mr. and Mrs. M.M. Myers and Larry. He is a freshman at Clarendon Junior College.

Last Monday Mrs. Fred Fortenberry, Mrs. M. M. Myers, Mrs. W.L. Trice and Mrs. L.T. Wood went to Silverton to the First Baptist Church where they attended the World Day of Prayer. Mrs. Jean Law spoke. The Laws are missionaries from Africa home on a furlough from their work in Africa where both teach high school classes. Jean in biology and chemistry and Mrs. Law the Bible. The Laws have served two terms as missionaries. All the group was served a covered dish meal at the noon hour.

Our community was grieved to hear of the death Nov. 3, of Sim Reeves, after an illness of several weeks in the High Plains Hospital in Amarillo and then in Hall County Memorial Hospital in Memphis, where he was at the time of death. Our area was represented at the funeral services held in Memphis at the First Baptist Church on Wednesday afternoon, with interment at the Memphis cemetery. Sons here include Raymond and family, and Robert and family, with a daughter, Mrs. Ted Bell of Floydada, and Jack of Denver, Colo. Our sympathy is offered to the family. Reeves was one of the wonderful old-timers.

Mr. and Mrs. Alvin Nichols accompanied Miss Cindy Whitfill of WT College from Canyon, with girl friends, Miss Molly Seright of Friona, and Miss Patty Short of Tahoka, daughter of State representa-

tive from Tahoka, to Sweetwater Friday where they spent the weekend with Cindy's parents, Mr. and Mrs. Glen Whitfill. They all returned home Sunday afternoon, and the girls to their college studies. While at Sweetwater, Cindy's father got a fine six point buck Saturday in his first deer hunting of the year.

Cockrell Corp. has put up the tower for the oil well on the E.E. Wells farm two miles northwest of Cedar Hill. The tower went up Sunday. The drillsite is south from the Grigsby Milton home place. They have built a road from the county road to the well, and we all hope they work on the county road, which would benefit our whole community, if they would pave it with caliche.

Mrs. Mildred Hamm and Mrs. Bessie Myers went to Lone Star Tuesday where they attended a Home Demonstration meeting held at the home of Mrs. J.L. Lovvern. Sherry Millins brought the program on buffet foods, and then gave a demonstration on scarves, how and when to wear them. Holiday type of food was served at refreshment time with tea and coffee.

Mr. and Mrs. Don Probasco and all their children spent Sunday in Crosbyton with Maury and Matts grandparents, Mr. and Mrs. Hubert Holcomb. Becky Bybee of Lockney accompanied the Probascos to Crosbyton for the day.

Mr. and Mrs. Raymond Upton are spending this Monday in Plainview where both are undergoing complete medical checkups. Mrs. Harry Hartman and Mrs. Melvin Myers are keeping the Upton Grocery and Post Office while they are gone.

Mrs. Travis Young went to Floydada Saturday night where she attended a bridal shower at the PCA Office Building for Miss Sue Shurbet, fiancée of Allan McLain of Lubbock.

Sunday Mr. and Mrs. Wayne Pigg of Lone Star went to Houston to the M.D. Anderson Hospital where Pigg will have medical attention. He is the brother-in-law of Mrs. J.P. Taylor from South Plains.

Mr. and Mrs. Fred Fortenberry went to Sunray over the weekend before this to spend Friday to Saturday night with their children, Mr. and Mrs. Elmo Fortenberry and three children. The maize is just getting ripened up there, and all the farmers are trying hard to get it cut in between the wet spells we have had. They report a bountiful crop of maize.

Hobby Club members will meet Wednesday at 2 p.m., Nov. 19, in the home of Mrs. Murray Julian with Mrs. Mary Phillips giving a demonstration on holiday buffet foods. Everyone please remember the date.

Mrs. Mildred Hamm and Mrs. Bessie Myers went to Sil-

verton Wednesday to the tasting luncheon given at the Silverton First Baptist Church Fellowship Hall. Turkey and dressing and ham with all kinds of desserts were served and recipes given out for the dishes. The luncheon was held under the auspices of the Briscoe Home Demonstration Club.

Mrs. Menard Field, who is still in the Methodist Hospital at Lubbock is reported to be better at this time, and is in a private room. We hope she continues to mend from injuries suffered in a car wreck several weeks ago.

**BELL DEVELOPS AIR FILTRATION**

In two rooms at the University of Texas-M.D. Anderson Hospital and Tumor Institute in Houston, 86 percent of the leukemia patients survive; 62 percent lead relatively normal lives after treatment. Outside the rooms, only half the leukemia victims survive; the "normal life" rate drops to 40 percent.

The difference, doctors believe, is a special air filtration system initially developed for industry by the Bell System.

This system, called "laminar flow," reduces the patient's chances for infection - the killer of more than two-thirds for all victims of leukemia because the disease destroys the white blood cell's ability to combat infection.

Devised by the Sandie Corporation, a subsidiary of Western Electric, the Bell System's manufacturing and supply arm, the filtering systems are mounted at the head of each bed in the cleanrooms.

Air is filtered and distributed in parallel lines across the rooms, up the ceilings and through return ducts in a flow cycle difficult for a visitor to discern.

"I think there is a wide application for this kind of room... for patients undergoing extensive surgery... for heart transplantation - a field where patients are highly susceptible to infections," said Dr. Gerald Bodey of the hospital's department of developmental therapeutics.

"Our biggest problem at the moment is not having enough of these laminar flow cleanrooms to go around."

The cleanrooms, he said, usually are reserved for patients with leukemia in its acute stages. They are placed in the rooms for initial treatment - usually 60 days - until their bone marrow, weakened by disease, returns to normal.

Frequent culture samples are taken to verify the rooms' cleanliness, doctors said, and visitors must be specially clothed in masks, smocks, and

foot coverings or remain in a restricted area at the foot of a room.

Initially developed to keep miniaturized industrial components free of contamination, laminar flow filtration systems have been adapted for use, not only in Houston, but in drug manufacturing plants and in hospitals in New Mexico, Washington, Michigan, Maryland and New York.

Doctors in Houston empha-

size that the filtering system is no guarantee that infection will not be contracted, but they are highly encouraged by the results of 29 trials conducted at the hospital since the cleanrooms were installed in 1967.

OUR LABEL IS YOUR PROTECTION

**Impala's hidden persuaders:**

- 1. **160-cu.-in. engine**  
A new more powerful standard 250-hp engine makes the 1970 Impala move with all the more assurance. The good of regular maintenance.
- 2. **Anti-theft column lock**  
A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.
- 3. **Aluminized exhaust system**  
It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?
- 4. **Side guard beams**  
They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.
- 5. **Full Coil suspension**  
Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.
- 6. **Flush and dry**  
We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.
- 7. **Flush fenders**  
The inside of every fender is another flush and dry area to help keep your Impala looking young.

**NEWS**

10—Miss Camille...  
 spent the weekend in Amarillo with Mr. and Mrs. Don Longhofer, Mark and Mike. Sunday the group attended a sausage festival in Umbarger, Tex. This is an annual affair, attracting several thousand people. This year the crowd was estimated at 4000. The sausage is locally made and the event is sponsored by the Catholic Church.  
 A group of 15 area men spent from Thursday to Sunday hunting in the Sonora, Texas area.  
 Mr. and Mrs. D. A. Barnhart, Mrs. Vada Wideman, Mrs. Haney Wideman, Mardith, Mrs. John Tubbs, Tawny attended a shower honoring Mrs. Mark Wideman, Albuquerque, N.M., Sunday afternoon in the home of Mr. and Mrs. Doyle Redding, Crosbyton. Mark Wideman had flown with his freshman team, University of New Mexico, Albuquerque, to play varsity team at University of Mexico, Mexico City, Mexico.  
 Mr. and Mrs. Clinton Denning visited in Hereford Sunday with Mr. and Mrs. Floyd Dunavant. Sunday dinner guests of Mr.

and Mrs. Haney Wideman and family were Rev. and Mrs. Jno. Tubbs, Troy, Terry and Tawny. Mrs. Emma Ware and Miss Melba Ware were Sunday luncheon guests of Mr. and Mrs. Fred Worsham and Debbie of Shallowater.  
 Mr. and Mrs. David Blanton visited Friday with Mrs. Blanton's mother, Mrs. Maggie Goodson in West Texas Hospital, Lubbock. They report Mrs. Goodson improving.  
 Sunday visitors in the home of Mr. and Mrs. David Blanton were Mr. and Mrs. Reuben Kemp, Mrs. Barbara Summers, Floydada; Mr. and Mrs. Sammy Kemp, Spearman, Mr. and Mrs. Mike Kemp, Lubbock.  
 Mr. and Mrs. Haney Wideman, Mardith and Mel visited Tuesday evening in the James T. Couch home, Ralls, where they met Mrs. Mark Wideman who had just arrived from Albuquerque, N.M.  
 Mr. and Mrs. Joe W. Clements of Crosbyton visited Sunday afternoon with their daughter and family, Mr. and Mrs. Lester Carraway, Wayne and Theron.  
 Chuck and Donnie Beaudoin, Lubbock, are visiting their grandparents, Mr. and Mrs. C. W. Edwards. At Sunday lunch guests were Mr. and Mrs. Leslie Edwards.  
 Miss Ruth Bartley visited Thursday in Plainview with her aunt, Mrs. Georgia Gregory.  
 Saturday supper guests of Mrs. Dan James were Mrs. W. O. Wheeler and Mrs. Edd Martin.  
 Clarence Verett was a luncheon guest Friday of H. R. Nance and Rachel Nance.  
 Mr. and Mrs. Lesol Parker, Floydada visited Friday with H. R. Nance and Rachel, Joe Jackson. Later they all visited Mrs. H. R. Nance in Ralls Convalescent Home, Ralls.  
 Mrs. Marcella Standifer, Lubbock attended Baptist Church services Sunday as guest of Mr. and Mrs. Tom McMillan, Rena and Tommy.  
 Mrs. Mark Wideman, Albuquerque and Rita Prichard of Anton were Saturday supper guests of Mrs. Vada Wideman.  
 Scotty and Jodie Ogle, Canyon, spent from Saturday to Wednesday with their grandparents, Mr. and Mrs. L. E. Littlefield and Peggy.  
 The youth council of the Cone Baptist Church is sponsoring a progressive party Saturday evening. The group will meet at the church at 6 o'clock, proceed to various homes, ending at the Thurmon Richards home at 7 o'clock where all members of the church are invited to enjoy refreshments and fellowship.  
 Mrs. Edd Martin visited W. O. Wheeler and Mrs. H. R. Nance Saturday afternoon in Ralls Convalescent Home.  
 Mrs. Paul Wheeler visited in Ralls Saturday with her father-in-law, W. O. Wheeler of Ralls Convalescent home, and her mother, Mrs. J. J. Spikes.  
 Sunday guests of Rev. and Mrs. Jno. Tubbs and family were Mr. and Mrs. Charles Young, Donna and Sherry of Littlefield.  
 Mr. and Mrs. Howard Harris, George, Franklin, Jean and Diane entertained a group of 56 boys and girls Pony Express Sunday with a barbeque at the Harris Ranch south of Crosbyton. Others present were Mrs. and Mrs. Ernest Harris, Ralls.

**Next Week  
 50th Anniversary  
 Children's  
 Book Week**

JOHN DONOVAN  
 Executive Director  
 Children's Book Council, Inc.  
 "Penny dreadfuls," "nickel libraries," and "dime novels" inspired the organization of National Children's Book Week, which celebrates its fiftieth anniversary this November 16-22!  
 Young readers at the beginning of the century grabbed up these hastily written, action-cramped adventures, devoured them, traded them, and reread them, even after they had hard covers and sold for half a dollar.  
 Teachers, librarians, booksellers, publishers, and others who worked with children and books became alarmed. Many realized that "dime novels" and other "trash" were the most interesting books young people had to read, aside from the old classics, and some books intended for adults. Of the few books written for children, many were too full of "sweetness and light" to hold a child's attention.  
 To guide youngsters to better reading and to make sure that it was available for them, Franklin K. Mathews, chief librarian of Boy Scouts of America, presented the idea for a children's book week to members of the American Booksellers Association in 1915. Booksellers agreed that it was imperative to introduce Americans to the idea of owning and reading books at the earliest age possible. They believed that owning a book can be a special experience, and that a good book will not only interest a child but will introduce him to the beauty of literature and lead him to explore the world and its people.  
 Plans to promote a week-long event which would focus attention on children's books were interrupted by World War I, but in 1919 the first National Children's Book Week took place. Then, as now, it was in November, well after the opening of school and long enough before Christmas so that children might discover in time the books they wanted to find under the family tree. Communities throughout the country organized events around children's books with the encouragement of local teachers, booksellers, and librarians.  
 The first national poster, designed by the noted illustrator, Jessie Willcox Smith, aroused protests from librarians who considered books scattered joyously on the floor "disgraceful." One librarian even cut off the portion of the poster showing books in the disarray! Attitudes toward children and books have relaxed considerably in the half century since then. The conviction that children need good reading has intensified. Vibrant picture books, readable novels, and fact-filled informational books crowd bookstores and school library shelves, and the children's room is often the busiest part of a library.  
 The world has changed a lot in fifty years. Book Week the-

**I REMEMBER, I REMEMBER.....**

*Man Excused From Service*

When the machinery of induction into the armed forces got going in 1917 in Floyd County, physical examinations revealed a good many things about the general health of the community that had not been known before. Among other things the board realized that many men were neglecting physical conditions that should be corrected.  
 Some of these conditions should have early and drastic attention, others attention to avoid trouble later. I think the board found more than one case of incipient tuberculosis. And other things, too.  
 I recall one youngish (probably 30) registrant who had his wife with him when he made his first trip to see the board. She was with him every time he came back. Evidently they had only each other. They were inseparable - and consumed with the fear of war. To them only

the spectre. Never a thought that he might return home from the wars, smiling through the tears to tell her "of the battles he'd been through."

A PHYSICAL DISABILITY  
 The couple were back more than once. I talked to the man and got the impression he was certain he had a physical disability that would keep him from being called up. But he was nervous. He wanted to know for sure and kept nagging the board.  
 Sure enough, when the time came and he went through the usual routine and the doctor (Dr. V. Andrews, physician member of the board) finished the physical, the doctor told me there wasn't any probability the man would ever go to war. In fact, the examination revealed the man was not long for this world. (And the man died of the illness in less than a year.)

When Dr. Varney handed the man his proof of physical disability he and his wife bowed with a fervent "Thank You, doctor." It was a puzzle to the physician. The man did not appear to be interested in what his ailment might be.  
 "The first time in my life," the doctor said, "I ever had a man to thank me for pronouncing a death sentence on him."  
 -Homer Steen

## SPORTS

### Waldo West Wins Football Contest

Waldo West of Floydada won the last week of the Hesperian football contest with only three misses. He missed the Brownfield - Littlefield, A & M - SMU, Pampa - Borger games. He will receive the \$7.50 first place award.

Mrs. Elton Goen of Floydada will receive the second place \$5.00 award. She missed the same three games that West missed. West won over Mrs. Goen on the tie breaker game with Floydada winning a total score of 13. West guessed the total score 35, Mrs. Goen 45.

In third place with four misses is Jimmy Riley of Crosbyton. He missed the same three games plus Lockney - Dimmitt. He will receive the \$2.50 third prize. He guessed the tie break-

er game at 33.

Others who missed only four contests, but were farther out on the tiebreaker game include: Charles Didway, Sharla Hood, Randy Hale, and David Marri-  
 Mrs. C. M. Norris Sr., returned home Friday from a trip to Oklahoma and Arkansas. She visited a daughter and family, Mr. and Mrs. J. W. Seigler at Siloam Springs, Ark., relatives in Greenwood, Mansfield and Ft. Smith, Ark.; a sister-in-law at Spiro, Okla.; a sister, Mrs. H. L. Hartsell and husband at Balliant, Okla. Also, the Claude Hartsells at Sulphur, Okla., the Larry Hartsells at Ardmore and a brother-in-law at Hugo, Okla.

#### FLOYD DATA

Doug Bradford and Gary Nicholson of South Plains are among students attending Clarendon College for the fall semester of 1969-70.

### Defense, Extra Points The Difference

A stubborn Whirlwind defense, an extra point off the toe of Greg Campbell were the difference last week as Floydada eked out a 7-6 win over Abernathy. The win clinched the Whirlwinds' 3AA championship as Lockney was busy eliminating Dimmitt from the race.

The Whirlwind offense made only one sustained drive that resulted in the winning touchdown, another drive in the second half was within three yards of another TD, but a fumble gave the ball away. The rest of the game, the Whirlwind offense just couldn't go.

Statistically speaking, Abernathy had a wide margin.

#### FIRST HALF

The 'Winds took the opening kick-off back to the 42 yard line. On the first play quarterback Jack Gregory hit Mike Moore with a perfect 25 yard pass.

Then the 'Winds running plays bogged down and Puckett punted a 36 yarder. Abernathy promptly made a first and ten on the ground with Charles Johnson and Mark Harrison carrying the ball. Abernathy bogged down and Dave Davenport's punt was good for only 23 yards.

Whirlwind Andy Selman scampered through the middle of the Abernathy line for 16 yards on the first down.

Andy Hale made two on the ground. Then an incomplete pass from Gregory to Puckett put the 'Winds in a punting situation.

Puckett booted a 36 yarder and the ball was down on the Abernathy four yard line.

Klatt and Harrison ran the ball out to the ten yard line then Abernathy punter Davenport booted a 28 yarder.

Gregory then hit Mike Moore with a beautiful 17 yard pass, then Watson ran three yards, Gregory ran for ten. The ball was on the Abernathy five yard line. Andy Selman carried over for the Whirlwind TD.

Greg Campbell kicked the extra point and Floydada led 7-0 with 2:28 left in the first quarter.

In the second quarter Abernathy began to go. Klatt connected with Harkey for a six yard and a 29 yard pass and the ball was on the 'Winds seven yard line.

The Whirlwind defense tightened and Abernathy decided to try for a field goal. Larry Turner booted it wide and the 'Winds took the ball on the 20.

The 'Winds couldn't go and Puckett booted a 30 yarder. Klatt and Harrison alternated for enough yardage to make a first and ten.

Klatt was injured and sophomore Dave Davenport started throwing passes like a professional. He hit Snodgrass for 14 yards, then he ran for ten more.

Then Abernathy had to give up the ball on downs, pressing the 'Winds on their four yard line. Gregory made a yard, then the 'Winds fumbled with Abernathy recovering.

Then Davenport hit Snodgrass for a TD pass with 2:19 left in the first half. Snodgrass barely caught the pass near the grass. A strong Floydada defense batted down Turner's kick for extra point and the 'Winds still led 7-6.

MIKE MOORE takes a Jack Gregory pass and heads out for more yardage against Abernathy. (Wendy Photo)

### Radiological Monitoring Course Being Taught Here

The City of Floydada and the Civil Air Patrol are sponsoring a radiological monitoring course which started last week. Teaching the course is a licensed radiologist of the State of Texas.

It is free to the public and is being held at Lighthouse Elec-

tric. The next classes are Tuesday and Wednesday evening, Nov. 18 and 19 from 6:30 until 10:30.

The course pertains to radiation, what to do in the event of a nuclear attack and other important information. Films will also be shown.

#### FLOYD DATA

Mr. and Mrs. C. L. Berry drove to Houston last Thursday to spend the weekend with their three grandchildren in the home of Gene and Mary Morris. Mike Berry, a captain of the Houston-Austin football team, plays right tackle. The Berrys enjoyed the team winning their ninth game this season. The score, Houston-Austin, 41, Jones 15. Mike is the son of the late C. L. Berry, Jr.

The Berrys reported a most perfect weekend of weather, and the country east of Abilene to Houston still green as

#### FLOYD DATA

a wheat field. The Berrys spent Sunday night with Mrs. Edgar Pharr, widow of the late Edgar Pharr, in Lampasas.

#### FLOYD DATA

Lt. Ronnie Drake visited two days last week with his nephew, LeRoy Burns and family. Lt. Drake was enroute to his home in Esparto, Calif., from Fort Gordon, Ga. He will spend a 30 day furlough there with his parents, Mr. and Mrs. Ivin Drake, before embarking for a tour of duty in Vietnam.

### ANYONE FOR BASKETBALL?

### Whirlettes Defeat Tulia, Lose To Stratford

The Floydada Whirlettes traveled to Tulia and defeated the Hornettes 51 to 44. High scorers for the locals were Cindy Ward with 28 and Marilyn Harris with 19 points.

The Floydada Jr. Varsity girls also won over Tulia 22-20. High scorer for the locals was Michelle Reed with 16 points.

WAYLAND CLINIC  
Last Saturday's Wayland clinic game gave the Whirlettes

their first defeat of the year as they lost to the Stratford girls 63 to 53. Marilyn Harris scored 25 and Cindy Ward 20 for the Whirlettes.

NEW DEAL SATURDAY  
The Whirlettes, Jr. Varsity and Freshman girls will play at New Deal starting at 5 p.m. Saturday. Coach Don Ford invites everyone to follow the girls' teams this year for a lot of exciting contests.

A tightwad went into a gift shop to find an inexpensive present for a friend, but found everything very expensive except for a vase which had been broken. He purchased practically nothing and asked the store to send the friend to think it had been broken in transit.

A week later, he received a thank you note which said: "I was very happy to receive the vase. It was nice of you to wrap separately."

### Seventh Graders Win, Eighth Lose To Lockney

The Floydada Seventh Graders beat Lockney here Tuesday night 6-0 and the Floydada Eighth Graders lost 30-6.

It was MacArthur Mitchell who scored the Floydada Seventh Grade touchdown and Marc Smittherman who made the eighth grade touchdown.

### Will It Happen Again Next Spring? Buy "Wet Field" Insurance . . . PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe - with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia - 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.

## LEGAL NOTICE

THE STATE OF TEXAS  
TO: JOHNNY HOWARD  
GREETING:  
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 1st day of December, A. D., 1969, at or before 10 o'clock A.M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.  
Said plaintiff's petition was filed on the 19th day of December, 1968.  
The file number of said suit being No. 5547  
The names of the parties in said suit are: Diana Howard as Plaintiff, and Johnny Howard as Defendant.  
The nature of said suit being substantially as follows, to wit: Suit for divorce, Plaintiff alleging that she has been a bona fide inhabitant of the State of Texas for 12 months, and resident of Floyd County, Texas for 6 months, next prior to filing of Petition; that Plaintiff and Defendant were lawfully married on or about November 21, 1965, but permanently separated about June 1, 1968; that Defendant was guilty of excesses and cruel treatment toward Plaintiff of such nature as to render insupportable the further living together of Plaintiff and Defendant; that two children have been born to the marriage, namely, Terry Howard, a girl, 2 years old and John Howard, a boy, 1 year old; there is no community property of the marriage; Plaintiff praying for divorce, for custody of the two children of the marriage, and that the Defendant be required to contribute the sum of \$75.00 per month toward the support of each of said children, to continue until such child or children reaches the age of eighteen years. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.  
Issued this 16th day of October A.D., 1969.  
Given under my hand and seal of said Court, at office in Floydada, Texas, this 16th day of October, A.D., 1969.  
/s/ Mary L. McPherson, Clerk  
District Court Floyd County, Texas  
By Deputy  
11-13-69
