350 Expected To Attend

The annual Floydada Chamber of Commerce banquet will be held tomorrow, Friday, at 7 p.m. in the Duncan Elementary school Cafeteria.

Vernon Parker, 1969-70 CC president, will be master of ceremonies, and Kay Crabtree of Floydada will furnish dinner music for the event.

Rev. Floyd C. Bradley of the First Baptist Church in Floydada will give the invocation, after which Jake Webb, 1970-71 president, will introduce banquet guests.

Parker Studio will furnish pictures in the lobby for entertainment before the banquet. The meal will be prepared by the ladies of Floydada schools cafeterias, and Floydada High School Home-Ec girls will serve at the banquet.

Giving the main address will be professional after-dinner speaker Newt Hielscher of

Shreveport, Louisiana. He is a much-sought-after "humorist with a message."

Background information on the speaker includes:

Holds two degrees from Texas A&M University. After 7 years as a public school teacher he returned to A&M where he served 11 years as a Professor and as Assistant to the Dean of Engineering. He jokingly states that after 18 years

as a teacher he though he had paid his debt to society and was entitled to earn a living, so he entered the life insurance profession. He has had 15 years experience with the Great Southern Life Insurance Company as an agent, assistant director of training and agency manager. He is now devoting full time to filling speaking engagements throughout the United States.

Wester Heads Scout Fund Drive

Edward Wester of Floydada has been appointed local chairman for the Boy Scout annual Sustaining Membership Enrollment campaign to be launched on March 13, 1970.

The chairman pointed out that this campaign will represent the second year of a new method of securing funds for the operation of the operation of the Scout Council. Previously

an annual finance campaign was held in the fall of the year. Under the current plan, the financial supporters of the council are enrolled as annual Sustaining Members, and support Scouting in a financial way much the same as others give of their time and effort on behalf of the Scouting program.

Religious Emphasis Week Begins Sunday

Next week is "Religious Emphasis" week in the Floydada and surrounding communities with several churches observing the week with revivals.

"In order to encourage both students and teachers to attend the revivals, I have instructed our teachers to assign no homework next week," was a statement made by Floydada school superintendent A. E. Baker this week.

Many Floydada High School students are meeting for meditation and prayer before classes each morning as the special week approaches.

At press time yesterday the following churches had announced special services for the Plains Baptist, City Park Church of Christ, Church of the Nazarene, Floydada First Baptists, and Floydada First United Methodist.

County ASCS manager Tom Moore will be the speaker.

First Baptist Calls Associate Pastor

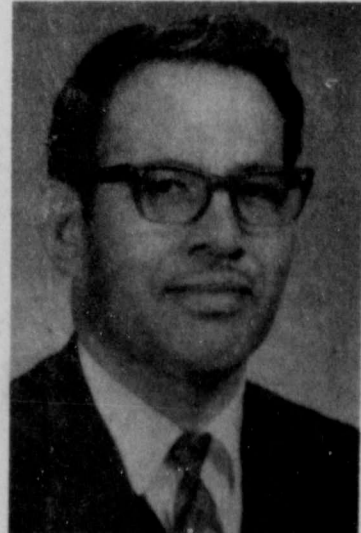

Rev. Arcadio Gonzalez has moved to Floydada and assumed the work of Associate Pastor in the First Baptist Church. He will be in charge of Latin American work. He was formerly pastor of a Latin American church in Odessa, Texas.

Rev. and Mrs. Gonzalez have three children. They are both graduates of the Valley Baptist Academy in Harlingen, Texas.

The most of their preaching ministry has been in the valley area of South Texas.

A remodeling program is now underway at First Baptist Church. When it is completed, the Latin American Mission will be moved to the main facilities and become a department

South Plains Church Begins Revival Sunday

The South Plains Baptist Church will hold Revival Services beginning Sunday and continuing through March 22. Bro. Bynum Akin of Port Lavaca, Texas will be the evangelist. Bro. Akin has spent some twelve years as a foreign missionary in the country of Taiwan. Morning services will be at 10 a.m. and evening services will be at 7:30 p.m.

Ted Lanham, public school teacher and music director in Silverton, will lead the singing. Ted Lanham was raised in the South Plains community and this will be his first time to lead the sing there.

The pastor, Bro. Bill Trice, invites all to attend.

53 YEARS, FROM PAGE 1

She never knew that her father, Jesse Davenport, 215 Highland Avenue, Greenville, Tennessee, was alive until three weeks ago.

OFF TO WAR

Davenport went off to war in 1917. (He and his wife were divorced during that time). He said that when he left, his wife married again and took his 11-month-old daughter and went to places unknown to him at the time. He now knows that the place was Colorado.

There were no communications between Davenport, his estranged wife, or his daughter until Mrs. Johnson learned that her father was still living some three weeks ago.

NOW LIVES IN TEXAS

She now lives in Floydada, Texas, where she and her husband have been associated with Martin & Co. for the past 15 years. She has three children, who are all grown. She also has three grandchildren.

IN TOUCH WITH GREENEVILLE

She says that she has written the relatives here several times over the years but that the fact of her father being alive here was never mentioned. She explained that she took it for granted that her father was dead and she reasoned that the relatives never mentioned the fact that he was alive because they thought that she knew that he was alive.

SITUATION LIGHTED

But the crux began to unravel around three weeks ago.

Mrs. Johnson says that she has lived 53, nearly 54, years and has never had, or applied for, a birth certificate. She said that when she mentioned the fact that she had no birth certificate to her mother, the mother would say, "You don't really need one."

Her mother still lives in Colorado.

However, she thought she might someday need one and around a month ago, wrote her relatives here seeking information on how to go about getting one. The relatives here acquired the needed form for application in acquiring a birth certificate and sent it to her.

CALLS FOR FATHER'S NAME

On the birth certificate, the data calls for both parents' names. She wrote back and told the relatives that she had never learned her father's name and that she understood that he was dead.

Thus the sun burst through after 53 years of cloudiness.

Mrs. Johnson's cousin here called her the day that the letter arrived in Greenville and told her that her father was here and alive and that everyone here thought that she knew that he was still alive.

CRYING TIMES

Later, Mrs. Johnson called her father by phone.

"She was crying so that I couldn't hardly make out what she was saying, and I couldn't hardly talk either, and we both had us another good cry when she got here Thursday," Mr. Davenport says.

"O, but they weren't tears of sorrow."

Mrs. Johnson says, "They were tears of gladness."

Mrs. Johnson says that she will probably have to return to Texas on Sunday because her son is helping out on the farm there while she is away, and he has to return to Fort Worth to work Monday. She said that her husband has a heart condition and also Emphysema and is limited as far as work capabilities.

"CAME WHEN I COULD"

"I was told that my father's health was not good so I came to see him the first opportunity that was afforded me. I probably won't get to stay long but it's wonderful to be here, to see him, and to know that he is alive," Mrs. Johnson says.

She flew to Tri-Cities Airport and she will also fly back. One of her daughters is a stewardess for Eastern Air Lines.

CREATES PROBLEMS

Her new-found father, which also brings to her a new maiden name, creates somewhat of a problem because all her legal papers are drawn up using the name "Price", her stepfather's name, as a maiden name. Her first name is Madge.

"I may have to get married all over again because I married under a false name," she says.

The Prices never legally adopted her, she said.

"So I guess the old person of 'Madge Price Johnson' is no longer and the new person of Madge Davenport Johnson is brought into existence.

The problems that have been brought about are not big things. The important thing is that I know that my father is here and alive, and I hope to be able to return to visit him again real soon," she said.

The Johnsons have three children: Darlene and Mae Belle live in Atlanta, Ga., Darlene is with Eastern Airline and Mae Belle is training at Piedmont Airlines.

A son, Jackie is in Fort Worth with General Motors.

MAYO, FROM PAGE 1

of March 16-22. The Nazarenes are holding simultaneous services in cooperating revival emphasis with a number of other Floydada churches.

Reverend Mayo is a widely known evangelist, having conducted campaigns over most of the United States, in Mexico, Guatemala, Africa, Jordan and Israel. This will be his second revival in the Floydada Church of the Nazarene.

Dr. Mayo was the evangelist for the United Wesleyan Crusade in Dallas, in the summer of 1961, where capacity crowds packed the building night after night. He was the evangelist for this group again in 1963.

Mr. Mayo has been called on to conduct six area-wide youth crusades with numerous denominations participating.

In the summer of 1966 he conducted two United Crusades. Various denominations that have participated in sponsoring him in United Crusades are Methodists, Free Methodists, Baptist, Nazarene, Wesleyan Methodist, Congregational Methodist, Evangelical Methodist, Pilgrim Holiness, Assembly of God, Presbyterian, Salvation Army and Evangelical United Brethren.

At the age of 38, Mr. Mayo has completed one year as a Methodist Home missionary to Latin Americans, six years of pastoring, and nine years in the field of full-time evangelism. He is a graduate of Asbury Theological Seminary, is a good Bible preacher and has good results in his labors.

Herbert Eis, the pastor, and the members of the congregation welcome all interested persons to these services. Services begin at 7:30 each evening except Sunday at 6:30 p.m.

We hope they both soon recover. . .they may want to ride in the May parade.

MAC HEALD brought me this little poem, which surely points up what can happen at springtime when cold weather is still lurking around the corner:

THE OLD MESQUITES AIN'T OUT

We see some signs of returning spring - The redbird's back and the fire larks sing. The ground's plowed up and the creeks run clear. The onions sprout and the rosebud's near: And yet they's a point worth thinkin' about - We note. . . that the old. . . mesquites. . . ain't out! The fancier trees are in full bloom, The grass is green and the willows bloom, The colts kick up and the calves bend down, And spring's a-pear-ently come to town; And yet they's a point worth thin' about - We note. . . that the old. . . mesquites. . . ain't out! Well, it may be spring for all we know - There ain't no ice and there ain't no snow, It looks like spring and it smells so too, The cal-en-dar says it's plenty true - And still they's a point worth thinkin' about - We note. . . that the old. . . mesquites. . . ain't out! Wish the mesquites could have talked to my apricot trees before this cold spell.

I HAVE RECEIVED a letter from Mrs. Harry C. Logan, 312 Beverly Road, Azle, Texas 76020, and she says, "I have heard that some descendants of C. C. Logan, who died in 1928 in Brown County, Texas have settled in or around Floydada, Texas and I am hoping you can help me locate them. C. C. had a brother, James Olen Logan who moved to Oklahoma. He also had a son named Harry C. Logan. It is believed that Harry C. moved to Floydada. If he or some of his descendants still live there, I would very much like to hear from them."

I don't know anyone by this name. . . can some of our readers help this lady?

ACCORDING TO UPI Lloyd Bentsen's backers have threatened economic reprisals against two Rio Grande Valley newspapers that endorsed Senator Ralph Yarborough.

The UPI story said, Dr. James A. Turman, Yarborough's statewide campaign manager, said he is "shocked and amazed" at reports that some financial interests supporting Bentsen have suggested they will cancel ads in papers that endorse Yarborough for re-election.

Turman pointed to a front page editorial in the Edinburg Daily Review Thursday saying officials of a local bank and a hotel had threatened ad cancellations and even banned sale of an associated paper, the Mission Times, because of its pro Yarborough stand.

The editorial called for Bentsen to publicly repudiate the actions of his supporters.

Turman echoed that demand Saturday and said the two papers "are to be admired for their courageous refusal to be intimidated even by the giant Bentsen financial machine."

"This effort by the Bentsen crowd to force suppression of editorial freedom displays a flagrant lack of basic commitment to the fundamental ideals of democracy and to the freedom of the press," Turman said.

WELL, I WAS a gonna give everybody some fresh apricots come this summer. . . but now it looks like the freeze took care of that idea.

Oh well, it would probably have been the hail to harvest my trees instead of the freeze. (let's see now, a psychologist would label this the "sour apricot" attitude).

I WAS IMPRESSED with the talks made by the Huntsville convicts at student assembly in FHS Monday morning.

Three points stand out in the talks made by the convicts explaining to the students why they were in prison: each was from a broken home, each was given about everything he wanted from his parent or parents, each started getting in trouble as teenagers with the parents quickly paying his fines.

The convicts had these suggestions for the students: crime is a pattern of behavior of long standing, it's no accident, right now is the most important time of your life. . . as you set a pattern of behavior, weigh your values carefully, don't despise the simple life. . . it is the most important, real and vital.

One concluded, "the things I miss most are home cooking, family get togethers, an opportunity to enjoy the freedom of nature, and the opportunity to do an honest day's work."

DR. ANDREW McCULLEY showed a very inspiring film at Rotary yesterday, concerning World Service Week.

The film showed how the USA helps other countries to help themselves. One statement I particularly liked at the conclusion of the film, made by the late President John F. Kennedy. . . "we aren't helping the countries in need because of competition from the Communists, or to get their world vote, but, because, it is right."

OBITUARIES

Mrs. Rafferty

Funeral rites for Mrs. Fannie Elizabeth Rafferty, 80 year old long-time Floyd County resident, were conducted Saturday in the First United Methodist Church in Floydada. Mrs. Rafferty died Thursday afternoon about 3 o'clock in the Floydada Nursing Home. She had been in failing health for several years.

She was born in Rusk County, Tex., and was married to Tom Callaway in 1905. He died in 1918 and she married Hilery Lee Rafferty in 1919 in Dallas. Rafferty was a long-time school teacher in Floyd County before retiring. He died in 1968.

Mrs. Rafferty was a member of the Methodist Church.

Survivors include three sons, Lowell Calloway of Silverton, T. L. Calloway of Lubbock and Bob Rafferty of Houston; three daughters, Mrs. Vivian Steele of Abbott, Mrs. Lee Wadding and Mrs. Virginia Carver, both of Floydada; 11 grandchildren and 17 great grandchildren.

The Rev. C. B. Melton was assisted at rites by Rev. Earl Cantwell of Silverton. Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Palbearers were Joe Lee Bomar, Richard Eddieaman, Mike Carver, Robert Ellis, Jimmy Smith and Steve Carver, all grandsons.

Mrs. Payne

Funeral service for Mrs. Nettie Alice Payne, a resident of Floyd County her entire married life, were conducted Monday morning in the Calvary Baptist Church in Floydada. Mrs. Payne died in Hereford last Friday where she was visiting a daughter.

Today's Youth

By VICKI LESTON

What is happening to the youth today? Demonstrations, riots, drugs, narcotics, draft dodgers, and many crimes are directly or indirectly connected with the youth. However, constructive efforts of today's teenagers are often overlooked.

Although it might be considered an outdated courtesy, Boy Scouts still take pride in escorting "little old ladies" across streets. Those being escorted or given assistance have a grateful feeling that is indescribable.

Youth's efforts, such as Boy Scouts, can be found in many places other than the scene of a narcotics raid or a demonstration.

Lynn Turner, of the juvenile department at Lubbock County Court House, has estimated that only four per cent of the juveniles of the Lubbock area actually have been brought before court, each year, during the past ten years. Why then, do people wonder what is happening to the youth of today?

One of the main criticisms of today's youth is linked to their changing styles. Hemlines are going up and barber shops are seeing less of their teenage customers. Teenagers who fit this description are, too often, harshly judged. Of course, there are exceptions. But take a better look at today's young

The deceased was born April 20, 1895 in Hunt County, Texas, and married in Floydada to R. V. Payne June 18, 1916. She was preceded in death by an infant son. Mrs. Payne was a member of the Baptist Church.

Survivors include two sons, H. D. of Lubbock and Wade of Alexandria, La.; one daughter, Mrs. Frances Dalley of Hereford; seven brothers, Elmer, Bud, Fred, Wade and Dorsey Warren, all of Floydada, Carlos and Tom Warren of Fort Worth; two sisters, Mrs. Oma McBee of Floydada and Mrs. Irene Britton of Garland; seven grandchildren and three great grandchildren.

Rev. Tom Warren, a brother and Rev. Lester Britton, a brother-in-law of the deceased, officiated for the rites, interment was in Floydada Cemetery under the arrangement of people.

If some of these rebellious looking teenagers were followed, they might be found spending a Saturday night chaperoning a party for a group of mentally retarded children. Many give of their sparetime so that these children can do things "normal" children do.

Other youth could be observed participating in Lay-Witness Missions, telling their unique stories of how God came into their lives, and at the same time, helping to change lives of many listeners.

A close look at a patriotic assembly could reveal a scene of teenagers who have a tingle of excitement in their spines, a gleam in their eyes as they smile, and a thankful hope in their tears when the AMERICAN FLAG is presented with singing of "This Is My Country" filling the air.

Unfortunately, some teenagers go wrong - but they are in the minority. This group's wrong - doings seem to overshadow the majority's constructive efforts.

As difficult as it may seem - have faith in most teenagers. Pray for the rest.

TOMI BETH DYCUS

Miss Dycus, Frank Covington Plan Wedding In Lubbock

Mr. and Mrs. L. T. Dycus of Floydada announce the engagement of their daughter, Tomi Beth to Frank Covington, son of Mr. and Mrs. Bob Covington of Dougherty.

A May wedding is planned by the couple in the Monterey Church of Christ in Lubbock. Both Miss Dycus and Covington are 1967 Floydada graduates and are presently students at Texas Tech University.

Miladies Club Members Meet

Miladies Club met March 5 with Mrs. Hettie Bennett. Members answered roll call with the exchange of flower bulbs and brought gifts for an auction sale.

Attending were Audrey Nelson, Vida Womack, Ronnie Birchfield, Charlene Woody, Gladys Cross and Jennie Irwin.

The next meeting will be with Mrs. Cross April 2. Members are to bring a gift for a shut-in and answer roll call with a household hint.

New Officers Elected For Study Club

New officers for the 1929 Study Club were elected at the club's meeting held last Thursday in the home of Mrs. Clement McDonald.

Mrs. Clay Henry was elected president; Mrs. J. A. Arwine, first vice-president; Mrs. Vance Campbell, second vice-president; Mrs. S. W. Ross, recording secretary;

Jon Labaume, Club Speaker

Jon La Baume of the Soil and Water Conservation Office, Floydada, was guest speaker for members of the Dougherty Home Demonstration Club Wednesday afternoon of last week at their meeting held in the home of Mrs. Ray Gene Carthel.

Mrs. G.W. Smith, presided, was in charge of the meeting. A scripture was read by the hostess followed by members answering roll call with a favorite pastime.

During business, members discussed changing the club year to July 1 and to pay 50 cents per member to the 4-H scholarship fund. These two items will be voted on at a later date.

LaBaume showed slides of each state in the US and talked on how Soil and Water Conservation has helped each in providing shelter belts, lakes and ponds for fishing, recreations, preserving wild life and fish, campsites and terraces to hold water.

Refreshments were served to Mrs. G.W. Smith, Elmer Watson, D. Johnson, Carmel Eastham, R.H. Crawford, Earl Edwards, Claude Ring and several school children.

Game prizes went to Mrs. Crawford, Mrs. Edwards and Mrs. Smith.

Mrs. Johnnie Cates will have the next meeting, March 18, at which time each member is to bring pastebord for the cheese cloth pictures club members will make.

Mrs. Q. D. Williams, corresponding secretary; Mrs. Clarence Goins, treasurer; Mrs. C. W. Denison, reporter; Mrs. Ernest Kendrick, custodian and Mrs. J. D. McBrien, parliamentarian.

Program for the meeting was on "Texas Our Texas." The quote was "Texans are neither Southerners, nor Westerners - They are Texans, which is God's plenty in itself."

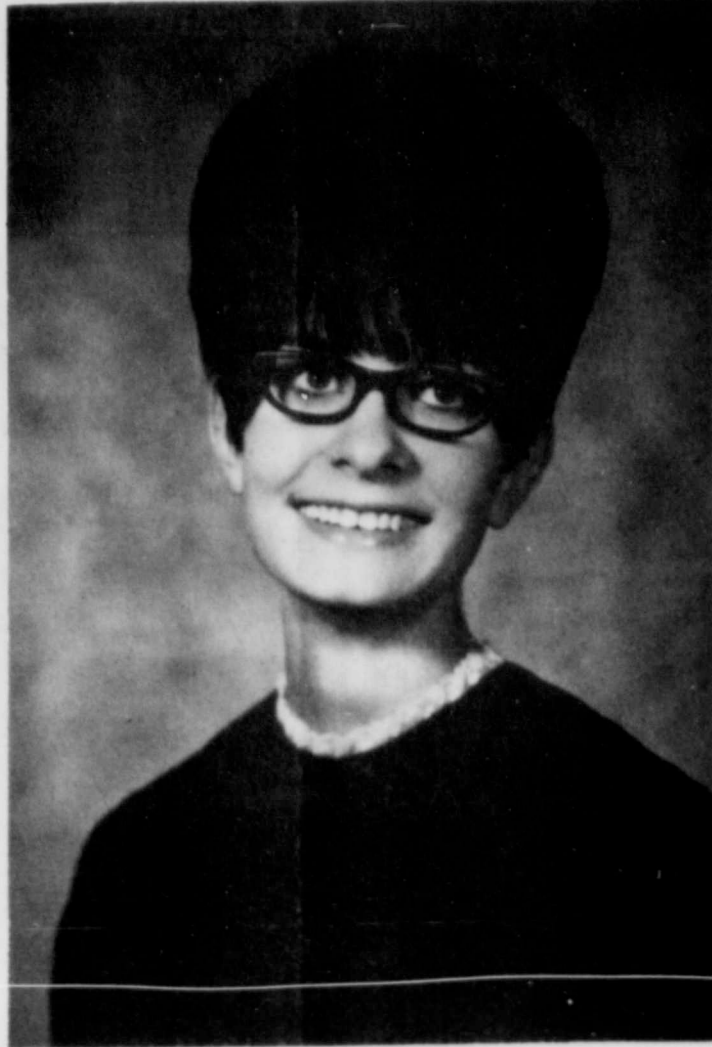

Following the Pledge to the Texas Flag, Mrs. S. W. Ross presented the program, having on displays all the flags that Texas has been under, and giving their history.

Present for the meeting were Mrs. J. A. Arwine, C. W. Denison, Clarence Goins, Clay Henry, Ernest Kendrick, J. D. McBrien, Clement McDonald, S. W. Ross and Mrs. Q. D. Williams.

The next meeting, March 19, will be with Mrs. J. D. McBrien.

MARY BRADFORD

Miss Mary Bradford, Weldon Emert Plan June Wedding

Mr. and Mrs. Robert Bradford of Floydada announce the engagement and approaching marriage of their daughter, Mary, to Weldon Emert, son of Mr. and Mrs. Lon Emert of Dougherty.

The couple plan a June 6, 1970

wedding.

Miss Bradford is a junior in Floydada High School.

The prospective bridegroom attended school in Floydada, served in the Seabees and is presently employed at Lighthouse Electric.

New Officers Of Fire Bells Are Elected

New officers for the Floydada Fire Bells were elected at their March 5 meeting. Elizabeth Sims was named president; Martha Galloway, vice-president; Barbara Edwards, secretary; Sue Weaver, treasurer; and Julie Finley, reporter. Several committee chairmen were also named.

During the meeting plans were made to bake a cake and take it to the Floydada Nursing Home as an Easter celebration for the resident patients. An Easter Egg hunt for the children of the firemen will be given later that afternoon.

BETTY DRAYTON MATHEWS

Engagement Of Miss Mathews, Joe Crawford Is Announced

Mr. and Mrs. Charles Drayton Mathews of Austin announce the engagement of their daughter, Betty, to Joseph Virgil Crawford, son of Mr. and Mrs. H. B. Virgil Crawford of Brownfield.

The bride elect is a graduate of Thomas Jefferson High School in Dallas and will receive a degree in Child Development and Family Relations from Texas Tech University, Lubbock, in May.

Her fiancé, a graduate of Brownfield High School, received a degree in Business Personnel Management from Texas Tech University where he is a member of Sigma Alpha Epsilon Social Fraternity. He will enter Texas Tech Law School in August. Crawford is currently employed at Texas Employment Commission in Lubbock.

The couple are planning a May 30, 1970 wedding in the University United Methodist Church in Austin.

Both the bride elect's father and that of Crawford's, are graduates of Floydada High School, and both are lawyers. Miss Mathews is the grand-

daughter of former Floydada residents, Mr. and Mrs. Luke G. Mathews, who now reside in Coleman. The prospective bridegroom is the grandson of the late Mr. and Mrs. S. M. Crawford of Floydada and a nephew of Russell and Roy Crawford, Mrs. Earl Crawford and Mrs. Audrey Sparks of Floydada.

Violet Jones Gives Praise

Mrs. Violet Jones, who has lived near Floydada for 27 years, recently bought a home in Plainview.

She relates that she had hardly got settled before friends came by to make her acquaintance and offer any assistance needed. Some came just for a visit, others to give her a welcome to the church and Sunday School. A friend invited her to a club meeting, another took her to buy groceries and other errands needed.

Mrs Wilson Is Club Hostess

Members of the 1950 Study Club met Tuesday night in Lighthouse Electric with Mrs. L. G. Wilson as hostess. Following the Pledge to the American Flag members answered roll call with "outer space."

During business Mrs. Charles Anderson reported on the Inter-Club Council meeting held March 6 at which time Mrs. Cleo Whittle was voted as Inter-Club Council Coordinator.

A financial report on the Style Show was given and a report heard from Mrs. Jake Webb, who was general chairman of the show. Doris McLain of the nominating committee gave names of new officers nominated.

The program on "Quest for Unity" was given by Mrs. W.R. Bradshaw.

Those attending were Mmes. Charles Anderson, Carl Armstrong, Gene Arwine, W. R. Bradshaw, Kenneth Bishop, J. W. Cannon, Don Cheek, Bob Copeland, L. W. Crabtree, Sammy Hale, John Haenosh, Billy Hendrix, Doris McLain, Ray Morton, Doyle Moore, John Moss, Jimmy Seay, Jake Webb, Cleo Whittle, L. G. Wilson and Miss Nell Swinson.

The next meeting will be March 24 for a Texas Day program. The Caprock District Convention will be in Lubbock March 20-21.

Epoxy resin is the most powerful adhesive known. After being cooled to -450° C. it can withstand a pull of 8,000 lbs. per square inch.

Mrs. Jordan Is Club Speaker

Mrs. Jack Jordan of the Migrant Health office in Floydada was speaker last Thursday for members of the 1922 Study Club when they met in the home of Mrs. Wilson Kimble.

Mrs. Lon V. Smith was program leader and gave the devotional. Members answered roll call by naming a Spanish American friend.

Mrs. Jordan spoke on the progress of the Migrant Health Service and the help it was giving to the migrant people as well as to others. The service is the first government sponsored health program in Floyd County.

Following Mrs. Jordan's talk, Mrs. Kimble served refreshments to Mmes. Kenneth Bain, J. H. Barnard, D. S. Battey, Pearl Fagan, P. D. Helms, W. H. Henderson, Bessie Henry, R. L. Nichols, Lon V. Smith, E. F. Stovall, Noel Troutman, W. O. Tye, Ben Whitaker, J. M. Willson and the guest, Mrs. Jordan.

The next meeting, March 26, will be in Lighthouse Electric for a program on conservation.

gave her a welcoming party after she had shown interest and attended Sunday School class. Later she became a member of that church. (College Heights Baptist).

Since Mrs. Jones doesn't have a car at present, friends offer her transportation, even out of town trips.

She cherishes the friendship and hospitality of her new-found friends and neighbors who have made her life so pleasant and happy. She wants to say "Thank You very sincerely" to her new Plainview friends.

THE WILLSON twingirls are gaining daily and according to grandparents have definitely been named Mary June and Jane Anna. They will be called June and Jane. The little ladies weighed 3.5 and 3.7 respectively and will join their parents at home as soon as five pounds or more weight is maintained by each. By the way, they are identical twins and neither has a marking to distinguish one from the other.

EVEN though it seems we still have hundreds of loose dogs in Floydada, the City is doing something about it. In fact for the month of February the dog catcher and helpers picked up 60 dogs. Evidently none were pets because no one came to the pens to claim any so after the third day they were destroyed. City manager Bill Feurbacher says they now have a new technique in capturing the loose dogs, a dart gun. The dart deposits a nerve fluid into the animal enabling the person to handle it without fear of being bitten. The fluid loses its potency in about 30 minutes and the dog is none the worse from his ordeal. As in the past if the dog is not claimed by its owner in three days it is destroyed. Let me stress here and now there is still a City Ordinance against dogs running loose. They must either be fenced or tied up, regardless if they wear tags or not. If you are an owner of dogs, be a good citizen and don't let them romp and play and mess up your neighbor's yard. If you do and your neighbor calls the dog pound, don't get your dander up when they pick up your pet. You asked for it!

I MAY be wrong but I think C. Alexander is the oldest living male in Floydada. He will be celebrating his 99th birthday Sunday with a gathering of his children at the Floydada Nursing Home Saturday at 2:30. He has lived there since the home opened. He is spry despite a broken hip suffered last year. Mr. Alexander has lived in the county for 46 years and has six living children. His wife and three children are deceased.

BOB Wright of Amarillo, who grew up down Vernon way, says there is a valid reason for hanging coyote carcasses on the fence. A live coyote, he says, will not hang around a place where there is a dead coyote. Thus a fence row draped with coyote carcasses tends to keep coyote predators away from cattle pastures. I'm sure anyone with common ordinary sense would know that is the reason, but I'm evidently not very ordinary because I always thought it was another way for a farmer to brag he had killed another coyote.

dada, I'm sure you would enjoy viewing some of Ted's work as well as seeing art work by some Plainview Kindergarten students, and art, craft and handiwork items by the Keen-Krafters, a 30 member group, all more than 60 years of age.

DEPENDING on available protection from cold and wind, fruit trees now in bloom can withstand light freeze, it all depends on how low the temperature dips below the freezing mark...and how long it stays there. It was 24 degrees Tuesday morning in Floydada and hovered around the mark practically the entire day so I would say, there goes your fruit again this year. Our snow for March was a little earlier than this time last year, when it fell on March 14 and 15.

NEXT week is Religious Emphasis Week. Regardless of your church denomination, you will find a place to worship each morning and night as various churches over the area will be holding revivals. You are welcome to attend the one of your choice.

HAD a good laugh Tuesday when someone commented to a woman how pretty her vinyl jacket was. The woman stated, "thank you, but it stinks, I keep thinking my 24 hour deodorant lasted only 30 minutes."

VIEWERS Sunday night were afforded a long-play preview of one of ABC's new TV series projects for next fall. "Dial Hot Line" was aired in its two hour pilot version in the network movie slot. I don't think Vince Edwards did any superb acting, anyway not like he did on Dr. Ben Casey. Speaking of TV David Brinkley will get two new associates on his NBC Evening News when Chet Huntley leaves the show at the end of July. I knew it would take two to replace him. Anyway John Chancellor and Frank McGee will share anchorman duties on the show from New York and Brinkley will continue in Washington. In case you haven't already heard Huntley is leaving the show after 14 years to run a recreation resort in his native Montana.

Campbell Awarded Driver's Badge

Army Specialist Five Gary D. Campbell, 22, son of Mr. and Mrs. David L. Campbell, 1022 S. Fourth, Floydada, Tex., was awarded the Driver's Badge Jan. 18 while serving with the 3rd Infantry Division near Schweinfurt, Germany.

He received the award for maintaining a record of accident-free driving with no traffic violations for a period of

at least 12 consecutive months or during 8,000 miles. Spec. 5 Campbell is a fire direction center computer chief in Battery A, 2nd Battalion of the divisions' 39th Artillery.

He entered the Army in January, 1968 and completed basic training at Ft. Polk, La. He was graduated from Floydada High School in 1965.

COUNTY SAVINGS BOND GOAL \$180,000

According to J. C. Webb, III, Chairman of the Floyd County Savings Bonds Committee, the 1970 Savings Bonds goal for Floyd County is \$180,000. January sales totaled \$4,827 for three percent of the sales goal. The Treasury Department announced that sales over the

nation totaled \$407 million - 3.8 percent below January a year ago. Exchanges of Series E. for Series H Savings Bonds during the month amounted to \$17.2 million - 3 percent above the \$16.7 million exchanged in January 1969.

Banquet Honors Stock Showmen

Several special awards were given to several Floyd County Jr. Fat Stock showmen at a banquet in Duncan Elementary Cafeteria last Thursday night.

The grand champion steer trophy was presented to Kay Russell, courtesy of Mr. and Mrs. G.L. Fawver.

Mike Simpson received the grand champion barrow trophy, courtesy of Producers Cooperative Elevator.

Will Sinor received the champion barrow trophy, courtesy of Producers Cooperative Elevator.

Diane Ford, representing Lockney FFA was honored as show sweetheart.

Ribbons for the show were courtesy of Davis Farm Sup-

ply, banners courtesy of Southwestern Public Service in Lockney and Floydada.

Larry Scott gave the invocation, Kay Crabtree the dinner music on the piano, Bill Race, president of the Floyd County Farm Bureau was master of ceremonies and introduced the guests.

Guest speaker R.B. (Mac) McAllister, state representative from Lubbock introduced some musical entertainment by folk singers Pat and Jim from Lubbock, then made some remarks about the future for the young people of today.

He said, "the future is the brightest ever, God knows what you want to do, do what God would have you do." He concluded his talk with a statement heard many times on his radio station KSEL, "Remember, fears, not years, make men old."

Presentation of awards was made by Joe Wilson, Mac Heald, O.L. Harris, Jimmy Woodard, and Elvin Lyon.

School Board In Short Agenda

The Floydada School Board of Trustees held its regular board meeting Monday night and ordered the trustee election to be held April 4. Terms of board members Howard Gregory and Louis Pyle expire.

In other business, the board reviewed new textbook selection for the 1970-71 school year and carried a motion to accept the selections made.

The trustees discussed final application for state foundation funds and changes in the Minimum Foundation School Program for 1970-71.

The board also discussed staff reductions for next year. All board members were present except Thomas Warren.

This year's Jr. Fat Stock auction far exceeded that of last year, with a total of \$32,481.00 paid for the lambs, steers and barrows. Additional funds donated by Floydada merchants and individuals brought the total to around \$33,000.00.

Last year's total was \$22,941.02. Last year's support payments on the auction were \$7,977. This year the support payments were over \$17,000.

This year \$15,973.15 was paid on steers. This compares with last year's \$10,768.22. This year \$9,895.54 was paid for barrows - last year \$7,449.30. Lambs brought \$6,612.35 this year, last year \$4,727.50.

Auctioneers Raymond Akin and Gene Harris again auctioned the animals to highest bidders. "As usual they did a fine job and we appreciate them," Floydada chamber of commerce manager John Reue told a Hesperian reporter.

Although the following prices were paid to each showman, more money was available than first thought and a minimum of \$1.50 per pound was paid for the championship lambs, a minimum of 45¢ for the steers, a minimum of 50¢ for the swine and 80¢ for the lambs.

The Floydada First National Bank paid an \$8.00 bonus to each steer showman, \$3.00 to each barrow showman and \$2.00 to each sheep showman.

Arthur Wylie and Jimmy Willison each paid \$2 per lamb, \$2 per hog, and \$3 per steer bonus.

F.G. Jones gave \$55 in bonus to the champions. County agent Joe Wilson, said when all bonuses were added in, the total might be around \$35,000.00 spent on show livestock.

Crosbyton CC Banquet Tomorrow Night

Don Maynard, tight end for the New York Jets and a native of Crosbyton, will be the speaker for the Chamber of Commerce membership banquet at 7:30 p.m. Friday, March 13, in the Crosbyton gymnasium.

As a bonus, after the banquet he will show films of the Jets in action for everyone who wants to stay and watch. Musical entertainment will be furnished by Bill Powell and the Cowpokes, with Frank Smith, Crosbyton band director, at the saxophone, a la "Boots Randolph."

Crosby County Attorney Bill Marley will serve as emcee and there will be a presentation of special awards. Tickets are \$3.50 per plate and can be purchased at the door or from any Crosbyton C or C director. Mail orders will be filled by the Crosbyton Review, Box 309, Crosbyton, Texas, 79322.

Old Drugs

"Don't just toss away old medicines," says the Texas Safety Association, "make sure they are completely destroyed."

Harmful medicines left in incinerators or waste boxes in the yard may be a temptation for small children. TSA suggests medicines, discarded insecticides or cleaning aids be buried or flushed down the drain if practical.

Conservation Districts Recognized

For the 24th consecutive year, accomplishments of the nation's soil and water conservation districts will be recognized by the Goodyear Tire and Rubber Company through its Soil Conservation Awards Program (SCAP). Since 1947 they have honored conservation district officials and cooperating landowners for their work in community-wide resource development. Grand awards are expense-paid, vacation-study trips to

Goodyear Farms, the company's 12,000-acre ranch at Litchfield Park, Ariz., which has been a proving ground for agriculture progress since standing cooperators and district officials from the 50 states and Puerto Rico have been Goodyear's guests as grand prize winners. According to G. L. Fawver, chairman of the Floyd County Soil and Water Conservation Board, 106 conservationists will be awarded the four-day trips this year.

Whirlwind Band Places First In Concert At Brady

The Whirlwind Band participated in the Heart of Texas Band Festival in Brady on March 6 and 7. The band placed first in concert and second in sight-reading. The parade activities were cancelled due to rainy weather. The students were housed in private homes Friday night. Meals were provided by their hosts. It was a most successful

trip. As a result of their fine performance, several invitations were extended to participate in other festivals and musical activities in the state musical festival circuit. The band is presently preparing for a performance at the University Interscholastic League Regional contest in Dimmitt on March 22 and 23.

DOUGHERTY NEWS

DOUGHERTY, Mar. 9 - The Dougherty School observed Public School Week by presenting a program Wednesday afternoon. The first and second grade students and dramatized the story of "The Little Red Hen." Mrs. Denley's third and fourth grade students also sang several songs and presented a play based on safety rules. The highlight of the program was the guest speaker, Professor Willis Apple of the Mathematics Education Department of Wayland Baptist College, Plainview. He gave an interesting talk and delighted all present with his "Fun With Numbers" games.

The Dougherty Home Demonstration Club met Wednesday afternoon with Mrs. Ray Gene Carthel as hostess. There were eight members attending. The program was given by Jon La Baume. He showed a series of slides entitled "America the Beautiful."

Mr. and Mrs. Don Switzer and Tracy from Amarillo visited her parents, Mr. and Mrs. Har-

lan Cage over the weekend. Mrs. Switzer and Tracy remained to visit a few days longer but Don returned home Sunday.

Mr. and Mrs. Jim Morrison, Mrs. Harlan Cage, and Mrs. Don Switzer were business visitors in Lubbock Monday.

Mr. and Mrs. H. H. Hines returned home March 3 after spending ten days in Hawaii visiting their son, Navy Lt. Hal Hines and family. The Hines flew over February 19 and report they had a wonderful visit with their son and really enjoyed all the sightseeing.

Mr. and Mrs. Mac Ward of Prague, Okla. are visiting in the home of their son, Richard Ward, and family. Richard is now a surgical patient in Lubbock Methodist Hospital. He is reported to be doing satisfactorily.

Mrs. J. S. Shannon from Munday, Texas, visited her sister, Mrs. Mayme Lou Denley. The two ladies went to Olton to visit their brother, Jim Fuller, and his family over the long school weekend.

Mrs. Amy New spent the weekend visiting in Pampa.

Brother and Mrs. Jim DeWese and Gena Romero were Sunday dinner guests in the home of the Wayland Jones family.

Mrs. Bob Everett, Rob and Reagan of Lubbock spent Friday night in the home of her parents, Mr. and Mrs. G. W. Smith.

D'Ann Cates and Jean Campbell were the weekend houseguests of Cathi Tonner in Dumas.

Mr. and Mrs. Ray Gene Carthel, Mr. and Mrs. Wayne Rainwater, and Mr. and Mrs. Carmel Eastman spent an enjoyable weekend in El Paso, and Juarez, Mexico.

Dougherty hosted the basketball teams of Andrews Ward on Thursday afternoon. The score of the girls games was Dougherty 15 - Andrews Ward 17. The score of the boys games was Dougherty 22 - Andrews Ward 17.

Mr. and Mrs. Kenneth Poole and Lance were Sunday dinner guests of Mr. and Mrs. Claude Ring. Also visiting in the Ring home were Mrs. Doris Rucker and Tony, and Dennis Edwards.

Mr. and Mrs. Olan Butler visited Mr. and Mrs. Jesse Pernel and Randy for the weekend.

Overnight guests Friday in the home of Mr. and Mrs. Jesse

Pernel were Mr. and Mrs. Johnny Cantrell and Jay Dee from Lubbock.

Mr. and Mrs. Elmer Watson went to Brownfield Thursday after school where they visited in the home of their daughter, Mr. and Mrs. C. P. Doss. Friday they went to Lubbock where Watson attended the teachers meeting. Saturday, Mr. and Mrs. Watson went to Lamesa to visit two more daughters, Mr. and Mrs. J. L. Baety and family, and Mr. and Mrs. R. B. Bitticky. They returned to Dougherty Sunday afternoon.

Court Appoints New Recorder

Commissioners Court met in regular session Monday and appointed Mrs. Elsie Sherman as recorder of vital statistics for Precincts 2 and 3 in Lockney. Her appointment became effective March 9 and will continue until the election of a Justice of the Peace for the two precincts.

Mrs. W. A. Payne was also appointed by the court as operator of the Lockney Cannery this year.

WITNESSES MEET

"Withstanding the Pressures of Our Day," will be the main subject to be discussed during the forthcoming Circuit Assembly of Jehovah's Witnesses to be held in Memphis, Texas, April 10-12.

More than 500 are expected to attend from 16 neighboring counties in the Plains and Golden Spread according to Mr. Hall, the presiding minister of the Plainview congregation.

Family groups will make up the delegation with expectations for having their faith strengthened in what Mr. Hall described as an assembly to encourage all in attendance to measure up to the fine Christian principles of the Bible. "The Bible was written for every kind of man, in every walk of life, in every generation," Hall said. "It touches on every aspect of man's existence and speaks authoritatively as regards his part, his present and his future. It has survived centuries of violent opposition and misrepresentation and still stands as man's oldest time-tested guide and counselor. The desire of every one in attendance will be to learn more of it's unsurpassed qualities."

A baptism of new ministers and the above mentioned Bible lecture on the subject, "Withstanding the Pressures of Our Day", will be two of the convention highlights.

I REMEMBER.....I REMEMBER

Trouble Strikes Quick..

When Old Man Trouble selects a victim things often happen mighty fast. Like the time that Charlie Jones fell from the roof of the Gus Owens house and hit the ground with such force that his foot was broken up and the weight of his body drove the shin bone into the earth.

This was in the spring of 1908 just after I had gone to Lockney in February to be editor of The Lockney Beacon. I was also to be publisher of the newspaper, to carry in the wood and water and to sweep out as it seemed necessary.

Mr. Jones was a young unmarried man, a tinner. He was putting a ridge roll on the Owens house at the time he had the accident that had considerable to do with his life. He must have stumbled because he was falling head first. It was conjectured he would have hit on his head and broken his neck, but his body struck some person standing there a glancing blow. This turned the course of his fall so that his feet struck first.

(This person Charlie fell against can't be identified at this late date. It was a woman, possibly Mrs. Gus Owens, possibly her sister-in-law Mrs. J. S. W. Owens, who lived at the Owens Hotel about one block distant.)

About that House I will tell the facts of the accident, perhaps, in a moment, but after the fashion of old men I must explain that the house the young tinner fell off of stood on one of the lots facing west in the 300 block of South Wall where the Piggly Wiggly market is now located. The house later became the property of Mrs. J. S. W. Owens, who in turn gave it to her daughter Eula, when she and Sam Thurmon were married.

Later the house was moved to a location in the 300 block of West California Street and - but I guess that is far enough to go with the house, though it did move at least one more time, probably in 1937.

They picked Charlie up and Dr. R. A. Childers was called. The physician cleaned up the damaged foot and leg bones. His judgment told him, so I'm told, that the damaged part should be amputated without delay. But Charles objected strongly. He wanted that leg to get well and be whole again. He couldn't adjust that quickly to being a cripple. He also thought of that lovely girl he wanted to marry. He couldn't offer her a "peg-legged man" for a husband, he thought.

At that time most of the unattached young men in town had their meals at the Owens Hotel, Charles among the others. He had a room, I think, with Rev. and Mrs. G. I. Britain in the Baptist Parsonage about a block from the scene of the accident. The Britains had moved from Matador some months before. Rev. Britain was the first full-time resident pastor of the Baptist congregation here.

I have used up so much space with details that I have written all I ought to already. About all I have not told, it seems, is the direction the wind is blowing. So, instead of telling the rest of the story now I will stop and let this be the background for the yarn which I will spin next week.

Cancer Drive Set For April

Mrs. Joe Max Harrison, Floydada chairman of the Floyd County Unit of American Cancer Society, met with other chairmen in Lockney Tuesday for an executive meeting, and to plan the annual cancer drive for 1970. Mrs. Harrison and Mrs. Beth Kropp were named to the nominating committee.

The board members have set April 13 as their kick-off date for the 1970 Cancer Crusade. A covered dish will be served that evening in the Lockney Baptist Church and a coffee will be held in Lighthouse Electric at 4 o'clock that afternoon in Floydada. Mrs. Kenneth Holt is Lockney Crusade chairman.

Floyd County's goal for 1970 is \$5,500. Every effort will be made to reach this goal, according to Mrs. Harrison. Most important, however, Mrs. Harrison said, is to reach every person in Floyd County in order they be educated to the signs of the dread disease.

Ed Low, district executive director, states that cancer has reached an epidemic stage in Texas with 17,000 cases. An additional 51,000 will be under medical treatment this year. Statistics show that in a business employing 25 people, six will develop cancer, two will be cured, four will die and one of these will needlessly die because they did not seek medical attention in time.

Reunion Of L.E. Williams Kin This Weekend

Friends and relatives are reminded of the L.E. Williams' children family reunion set for Friday, Saturday and Sunday, March 13, 14, and 15, at the Harmony Community Center. Sunday will be a basket lunch event and friends are invited to visit with the family at that time.

The children expecting to attend, whose parents are the late Mr. and Mrs. L.E. Williams, are Roberta Bagwell, Villa Grove, Calif.; Erx Williams, Petersburg; Edith Allmon, Grannis, Ark.; Leo Williams, Durango, Colo.; Thalia Clubb, Lubbock; Buck Williams, Plainview; Paul Williams, Mineral Wells and Woody Williams, Vallecito Lake, Bayfield, Colo. The Williams children hold their reunion every two years.

Conservation Districts To Be Recognized

24th consecutive years of the land and water conservation districts will be recognized through its Conservation Awards Program. They have honored the district officials and landowners for their community-wide conservation efforts.

has been a proving ground for agriculture progress since 1916. According to G. L. Fawver, chairman of the Floyd County Soil and Water Conservation Board, 106 conservationists will be awarded the four-day trips this year. In addition,

plaques will be awarded to the first place and runner-up districts and certificates of merit will be presented to the outstanding cooperators in every participating district. The Floyd County District has entered and will be vying for honor based on the 1969 year.

VEHICLE INSPECTION DEADLINE APRIL 15

"With the April 15 motor vehicle inspection deadline five weeks away, only about 50 percent of the registered vehicles have been inspected," stated Captain Alan Johnson, Motor

Vehicle Inspection Supervisor of the Texas Department of Public Safety.

"Unless there is a rapid increase of inspections, it appears that many vehicles will

not be inspected before the April 15 deadline. Any driver operating a vehicle displaying an inspection sticker on the right-hand side of the windshield after April 15 will be operating in violation of the inspection law," Johnson added.

Johnson noted that this will be the last April 15 inspection deadline, because on September 1, 1969 the Texas Legislature adopted a year-around inspection program. Inspections will come due one year after the current month of inspection. This will establish an anniversary month for each vehicle to be inspected and prevent the log-jam of over six million vehicles to be inspected at one time.

The new inspection sticker will be placed on the left-hand side of the windshield. The number of the current month of inspection will appear on the sticker.

SOUTH PLAINS NEWS

PLAINS, March 9 — The community was hit by heavy precipitation of about eight tenths, with showers Thursday. Saturday rainy, so fields and pastures remained rainy. Farmers are waiting for spring planting ready to water, and are putting down fertilizer.

High Plains School was dismissed on Friday and Saturday to the District #17 Teachers Convention held that day in High Plains.

Mrs. Frank McClure died Friday and Friday in the home of Mrs. McClure. She was 82 years old and eye specialist for a year March 12, 1969.

when she sustained grave injuries in a car wreck. We hope Mrs. McClure continues to improve.

Mr. and Mrs. Sylvan Kinnibrugh, accompanied by their daughter, Mr. and Mrs. Britt Gregory of Lubbock, went to Ruidoso, N.M. recently for a weekend of skiing.

Mr. and Mrs. Jimmy Upton with little daughter, Shanna, moved to Bartlesville, Okla. last week, where Jimmy will begin work this Monday, Mar. 9, as computer programmer for Phillips Petroleum Co. Bartlesville is the home office for Phillips Pet. Co. Jimmy finished his college training at West Texas State University at Canyon in January.

There will be a school board election at the South Plains school house April 4, to elect two new school board members. The names of Johnny West and Philip Smithman have been placed on the ballot. Time for voting is from 8 a.m. to 7 p.m. Remember the date, Apr. 4.

Hobby Club members will meet at the Upton Grocery Wednesday, Mar. 11, for a tour of a chinchilla farm at the home of Mrs. Lulu Nance in Lone Star, and a feed lot tour at Lockney, north of town. Hostesses for the club meeting are Mrs. E. E. Wells, and Mrs. Alvin Nichols. Refreshments will be served at the store upon returning from the tour.

Mrs. Bill Brown and Courtney, age four, of Charleston, Virginia left Wednesday morning for home, after spending all last week here with her sister, Mrs. Nathan Mulder and family. Mrs. Brown brought a girl with her as far as Oklahoma City, but returned home and made the trip fine, by herself. While here the Mulders and house guests visited their grandparents, the W. B. Blaylocks in Vaughn, N.M. over the weekend. They also visited old friends Mr. and Mrs. J. M. Williams in Floydada Tuesday.

Mrs. George Weast was able to come home from the Caprock

A Case Wherein Truth May Be Best Applied

A MILLION more or less well-chosen words have been written and spoken of late on the subject of "How to Bridge the Generation Gap."

Maybe, after all, the best way to do it is by simply stating the truth.

The President of Penn State did just that in a recent speech before a graduating class and what he said is well worth considering.

Dr. Eric A. Walker put it this way:

"If you of the graduating class will look over into the bleachers to your left or right, I would like to introduce you to representatives of some of the most remarkable people ever to walk on earth. These are people you already know — your parents and grandparents. And remarkable people they are indeed.

"Not long ago an educator from Northwestern University by the name of Bergen Evans got together some facts about these two generations — your parents and grandparents. I'd like to share some of these facts with you.

"These are the people who within just five decades have increased life expectancy by approximately 50 per cent — who while cutting the working day by a third, have more than doubled per capita output.

"These are the people who have given you a healthier world than they found. And because of this you no longer have to fear epidemics of flu, typhus, diphtheria, smallpox, scarlet fever, measles or mumps. And the dreaded polio is no longer a medical factor, while TB is almost unheard of.

"LET ME remind you that these remarkable people lived through history's greatest depression. Many of these people know what it is to be poor, what it is to be hungry and cold. And because of this, they determined that it would not happen to you, that you would have food to eat, milk to drink, vitamins to nourish you, a warm home, better schools and greater opportunities to succeed.

"Because they gave you the best, you are the tallest, healthiest, brightest, and probably the best looking generation to inhabit the land.

"Because they were materialistic, you will work fewer hours, learn more, have more leisure time, travel to more distant places, and have more of a chance to follow your life's ambition.

"THESE ARE also the people who fought man's greediest war. They are the people who defeated the tyranny of Hitler, and who when it was all over, had the compassion to spend billions of dollars to help their former enemies rebuild their homelands. And these are the people who had the sense to begin the United Nations.

"It was representatives of these two generations who, through the highest court of the land, fought racial discrimination at every turn to begin

Hospital Feb. 18. She was in High Plains Hospital in Amarillo since before Christmas, to around Jan. 13, when she was transferred to Caprock Hospital in Floydada. She sustained a broken hip, but now is able to get around some, in her home.

Mrs. Menard Field, mother of Mrs. John Wilson and Mrs. Wm. Stanforth of our area, was able to come home Feb. 24 from the Lubbock Methodist Hospital. She is getting along as well as possible. We extend good wishes for our sick folks.

Eugene Beedy went to Ann Arbor, Mich. Monday and returned Friday, from the University of Michigan Hospital, where his brother, Charles, underwent surgery Tuesday morning. Mr. and Mrs. Bill Beedy and Bradford have re-

turned to Claude and Spearman, but Shirley remained at Ann Arbor until Charles will be able to come home, which doctors think will be about a week. We hope he continues to get stronger each day.

The Floyd County Junior Fat Stock Show was held in Floydada Monday through Wednesday. Steer Superintendent was Eugene Beedy from here. We offer our congratulations to Denice Johnson, daughter of the L. N. Johnsons, whose Hereford steer was named Reserve Champion of the show.

We offer our congratulations to Mr. and Mrs. Jerry Kazda of West, Texas who were married Jan. 24, at West, and will live at San Marcos. Jerry will be an economist for the U. S. Soil Conservation there and will also attend college and work toward a Masters degree at Texas A&M. Mrs. Kazda is the former Maxine Vanek, and grew up on the farm where the Grigsby Miltons now live, and attended schools here. With her parents, the Frank Vaneks, she moved several years ago to West to make their home.

Mr. and Mrs. Bruce Julian of Perryton arrived Friday to spend the weekend here with his folks, the Murray Julians, and her folks, the Edell Moores, and Mrs. Ronnie Tucker in Floydada. They brought Miss Janet Parker of Perryton here with them and she spent Friday night with the Julians, and Saturday and Sunday with grandparents, the Lesol Parkers. The Bruce Julians attended funeral services Saturday afternoon for Mrs. Fannie Rafferty, at the First Methodist Church. She was the grandmother of Darryl Lindsay, who with his family were here from Tennessee for the funeral.

Mrs. Roy Bledsoe requests that those who wish to continue to take the Lubbock Avalanche Sunday paper leave their money and names at the Parks Oil Station. Money should be in by Monday, March 30.

Mr. and Mrs. Arthur Eddleman of Estelline were Sunday afternoon visitors in the home

a new era in civil rights.

"They built thousands of high schools, trained and hired tens of thousands of better teachers, and at the same time made higher education a real possibility for millions of youngsters — where once it was only the dream of a wealthy few.

"AND THEY made a start — although a late one — in healing the scars of the earth and in fighting pollution and the destruction of our natural environment. They set into motion new laws giving conservation new meaning, and setting aside land for you and your children to enjoy for generations to come.

"They also hold the dubious record for paying taxes — although you will probably exceed them in this.

"While they have done all these things, they have had some failures. They have not yet found an alternative for war, nor for racial hatred. Perhaps you, the members of this graduating class, will perfect the social mechanisms by which all men may follow their ambitions without the threat of force — so that the earth will no longer need police to enforce the laws, nor armies to prevent some men from trespassing against others.

"They made more progress by the sweat of their brows than in any previous era . . . and don't forget it. And, if your generation can make as much progress in as many areas as these two generations have, you should be able to solve a good many of the earth's remaining ills.

"IT IS my hope and I know the hope of these two generations that you find the answers to many of these problems that plague mankind.

"But it won't be easy. And you won't do it by negative thoughts, nor by tearing down or belittling. You may and can do it by hard work, humility, hope and faith in mankind. Try it.

"Goodbye and good luck to all of you."

CAN ANYBODY think of a better way to say it? It is true, no doubt, that no more than a few loud malcontents among the young indict their elders as "of the generations which have all but wrecked human existence;" as "brutally materialistic, hypocritical, ruthlessly selfish; untrustworthy," etc., etc. But these few are busy, busy, busy sewing the seeds of hate as a part of their weird dedication to tearing down everything in sight.

Continued propaganda blasts, as those who remember Hitler's Germany well know, creep in and, unless refuted, can do untold damage. Ergo, they should be refuted and in a way which produces its proof for all to see.

Dr. Eric A. Walker, of Penn State, has done just this in his address to his graduating seniors. What he said should be made available for reading everywhere — and other perceptive citizens should follow the Pennsylvanian's lead and do likewise, at every opportunity.

Honesty, decency, good will, intelligence — none of them are the exclusive property of any age group. LUBBOCK AVALANCHE JOURNAL

of Mr. and Mrs. J. P. Taylor.

Vance Zinn of Floydada preached both services at the Baptist Church here Sunday with 83 in Sunday School. Visitors included Bruce Julian, Carlton Johnson from WT at Canyon, and friend; Bryant and Kelly Higginbotham, and Diane and Irene Bean, who were home from their respective colleges. The church reached their hoped for point by having over 82 in Sunday School for eight consecutive Sundays, and many of the classes had perfect records for the past two months. Night visitors were Mr. and Mrs. Houston Bradford, with Charles and Connie, and Mrs. Zinn, Cathie and Rhonda of Floydada. Mrs. Bradford joined Vance Zinn in a beautiful song service.

Mrs. Eugene Beedy gave a meaningful skit in connection with the Week of Prayer for Home Missions, as she and GA's told of ways they can communicate God's love in USA. Those who took part in the mission project were Darla Milton, Donna and Katherine Powell, Debbie Scott, Ester Luna and Diane Arrendondo.

Eddie Turner, song leader for the South Plains Baptist Church, who attends Wayland College, went to Fort Worth last Friday to attend the Youth Music Festival held there.

Mr. and Mrs. Sylvan Kinnibrugh spent Sunday in Truscott with her mother, Mrs. J. R. Spivey. Others present for the day were her sister, the W. H. Simmons of Truscott, and the W. H. Smiths from Odessa. Mr. and Mrs. Britt Gregory of Lubbock spent Saturday night with them.

Mr. and Mrs. Kendis Julian were hosts for a family gathering Sunday. His brother, Mr. and Mrs. Terry Julian, Dee and Dickie of Roscoe were present, also her parents, Mr. and Mrs. Dick Althof of Roscoe, and Mr. and Mrs. Bruce Julian of Perryton, and the Murray Julians. The Terry Julians remained to spend Monday and Tuesday with them, but the Althofs and Dee Julian and the Bruce Julians left Sunday night.

FLOYD PHILOSOPHER

Finds New Source Of Tax Revenue

Editor's note: The Floyd Philosopher on his Johnson grass farm disagrees with some experts this week.

Dear editor:

According to an article I read in a newspaper last night which I'd picked up in town earlier in the day while I was trying to find a good used battery for my car which I'm tired of packing on a hill so I can start the motor without much pushing, oh it's all right in dry weather but in wet weather you wind up at the bottom of the hill with the motor running but the wheels spinning, my pasture isn't paved, at any rate, according to this article, some world experts on economics have come up with a proposal to the United Nations on solving the problems of poor countries.

They propose a world - wide sales tax on certain luxury items, with the money then to be distributed to poor nations. They said this tax would apply on those goods "the possession of which is indicative of the attainment

of a relatively high standard of living by the purchaser."

I read the list of things and included are television sets and automobiles.

I'm afraid those world-wide economic experts haven't looked beyond the driveway or the outside antenna if they believe that owning a car or a T.V. set is proof you've reached a relatively high standard of living.

It seems to me they ought to try to figure out some other standard, say like owning a private swimming pool and a personal airplane, although you'd find if you checked closely enough a good many of those are mortgaged.

Cars and television sets aren't luxury items in this country. Bread and meat are.

I'm against the United Nations' taxing my car and television set but I'll meet them half way. They can tax my airplane as soon as I get one.

Yours faithfully,
J.A.

Kristi Julian's condition remains about the same. She is confined to her bed for three more weeks with pneumatic fever.

Mrs. Ruby Higginbotham had as dinner guests Sunday, Mr. and Mrs. Alton Higginbotham and children of Floydada and Mrs. Bud Higginbotham of Wellington. Kelly and Bryant spent Saturday night with their grandmother.

According to Dale West, his brother Johnny, is still confined to the Caprock Hospital in Floydada, having sustained a broken leg February 22. He is not suffering so much pain now, and has hopes of coming home before long.

W.L. Trice, pastor of the South Plains Baptist Church, arrived home Sunday afternoon after spending last week at the Pansy Baptist Church in a revival meeting. Revival will be going here on March 15, and through March 22, with Ted Lanham of Silverton leading the singing, and Byrum Akins Missionary, as evangelist, from Taiwan. Morning services will be at 10 and evening services at 7:30. Cottage prayer meetings will be held Wednesday night at the church, Thursday night at Mrs. Ruby Higginbothams, Friday night at the Travis Youngs, and Saturday night at the Mike Woods.

Garvin Beedy had nose surgery at the Doctors Hospital last Friday, and was an overnight patient in the hospital.

Ken Roberts, brother of Mrs. Kendis Julian, has arrived home from an overseas stay in Germany with the Armed Forces for the past two years. He came home Wednesday by plane, and his wife Ariene, arrived the week before. We are glad to welcome them home again. It is good to see the boys arrive safely back in the US.

Another of our boys, Tommy Powell, who has been in the Air Force for four years, stationed at Offutt Base in Omaha, Nebraska, will receive his discharge March 11, and will be coming home. Warren flew there Sunday night to bring home a load of furniture for Tommy and his wife, Kay.

Rubin Sessums and son of near Wichita Falls, was in our vicinity visiting Saturday, and report all his girls had married and only his boys are still at home. They moved from our area several years ago.

Several from here attended services in Lockney for Clay Mercer, who died Tuesday morning in Lockney. He was the father of Dub Mercer, and the brother of Mrs. Dock Jones of Floydada who formerly lived here. We offer our sympathy to the family.

Many from here attended the annual Spring Style Show sponsored by the 1950 Study Club. Mrs. Eugene Beedy, from here, modeled for Hales.

Kenny Ray Powell had surgery on his face Tuesday a week ago. Last Sunday all the Fletcher Powell family were in Lubbock to celebrate birthdays of little Pam 4, and Tiffany 1, at the home of Mr. and Mrs. Johnny Powell. While there Kenny Ray started hemorrhaging, and had to go to the University Hospital. Monday he went to the Lockney Hospital and doctors again had to operate on his face, but he is doing all right now and is back in school.

Bill Bledsoe flew home Saturday afternoon where at Lubbock he and his parents, Mr. and Mrs. Roy Bledsoe attended memorial services for Lt. (j.g.) Robert P. Whiteside, who was killed Wednesday in an airplane accident near Corpus Christi. Services were held at the First United Methodist Church for the 23 year old flyer, who went to Texas Tech with Bill. Bill flew back to Dallas Sunday evening.

Mr. and Mrs. Lawrence B. Johnson of Irving have announced the engagement and approaching marriage of their daughter Helen, to Dwight Teeple, son of Mr. and Mrs. Leighton Teeple of South Plains, with the couple planning a wedding August 8, 1970, in the Good Shepherd Lutheran Church in Irving.

There will be a PTA meeting at the school Friday at 2:45. American Field Service student, Peter Prischl, will be guest speaker.

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

- Higher resale value.** Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.
- Deep down value.** Excludes like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.
- Smooth, smooth ride.** Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body mounting system.
- Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- Massive interiors.** Result? Room to stretch out or to sit tall. Chevrolet has more front leg room than any other car in its field.
- Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- America's favorite.** Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

FIRST UNITED METHODIST CHURCH

MAN OF THE WEEK... is Bill Brown, Hall Mart Fine Foods in Floydada, Floydada, Brown is a graduate of High School. He attended Texas two years before entering the Air Force. He later attended UCLA for two years, a 20-year member and past president of the Chamber of Commerce, and is of the Rotary Club, past president of the Chamber of Commerce, and is president of the Floyd County Board of Development, a member of the First Christian Church. He is married to Jo-Hal Wofford of Plainview. The Browns have six children, all of whom are in school. Randy Lou, a Tech student and a checker at the store, is a student at Wayland Baptist. WEB, 16, a Floydada High student, is in charge of the produce department. Cary O'Keefe, age 14, is a stocker. The twins, Theiss and Tracy, 11, are

sackers. In addition to the family, Hall Mart has three other employees. Wanda Lewallen is a checker, Shorty Newkirk is in the meat department, and D.E. student David Campbell is in charge of the dairy department. Brown said he feels extremely fortunate to have all three working for him. Since buying the store in January, Brown has doubled the stock in the store. Among the extensive remodeling plans in line for the store are a fresh seafood department and a fresh barbecue-to-go rotisserie, as well as a new remote-controlled self-service gas station. Brown said he was "extremely pleased with the patronage and growth of the business" since he took over the store. "We intend to keep selling the best food that we can buy, and to sell it at the lowest price possible. We want to make our store a place where people can enjoy coming in and visiting," he said. LIGHTHOUSE ELECTRIC COOPERATIVE, INC.
MARY PHILLIPS, HOME ECONOMIST

TYPICALLY TEXAS is the name of a new cookbook to be published by Texas Electric Cooperatives, statewide association of rural electric cooperatives. The first publication will be in the fall of 1970. Your cooperation is a must if this cookbook is to be a success.

The book will be in eleven sections: (1) Beverages, (2) Breads, (3) Salads, (4) Main Dishes (meat, fish, fowl), (5) Game Meats, (6) Vegetables, (7) Relishes, Sauces, Jellies and Preserves, (8) Cakes and Frostings, (9) Pies, Pastry, and Pudding, (10) Cookies, Candies and Confections, and (11) Desserts.

Rules for submitting recipes are: (1) To be eligible to submit a recipe, one must be a member or an employee of a rural electric cooperative of Texas. (All people submitting a recipe for consideration will receive a light bulb.)

(2) All recipes will be submitted for consideration to the cookbook committee which is composed of Miss Diane Millegan, Texas Agricultural Products; Radora Maxie, Dairy Council, Inc.; and Linda Baker, Young Homemakers of Texas. This committee will select the recipes to be published.

(3) In the case of an exact duplication, the earliest received entry will be submitted to the cookbook committee.

(4) All entries should be typed or printed on three by five cards and accompanied by sender's name, address and the name of the cooperative of which they are a member.

(5) Those recipes accepted will be published with the sender's name and the name of their cooperative.

(6) Entries should be mailed to: COOKBOOK, Women's Editor, TEXAS CO-OP POWER P. O. Box 9589, NW Station Austin, Texas 78757.

(7) Texas Electric Cooperatives reserves the right to edit copy if necessary. All entries become the property of Texas Electric Cooperatives, Inc.

A SWEET POTATO CAKE, very similar to Pumpkin Cake, would be top notch in any cookbook. Won't you try it?

- 1 1/2 cups cooking oil
- 2 cups sugar
- 4 eggs, separated
- 4 tablespoons hot water
- 2 1/2 cups sifted cake flour
- 3 teaspoons baking powder
- 1/4 teaspoon salt
- 1 teaspoon cinnamon
- 1 teaspoon nutmeg
- 1 1/2 cups grated raw sweet potato

1 cup chopped nuts
1 teaspoon vanilla flavoring
Combine cooking oil, sugar, beating until smooth. Add egg yolks, beat well. Add hot water, then dry ingredients sifted together. Stir in sweet potatoes, nuts and vanilla flavoring. Beat well. Beat egg whites stiff then fold into mixture. Bake in three greased cake pans at 350 degrees for 25 - 30 minutes.

FROSTING
1 13 oz. can evaporated milk
1 cup sugar
1 stick margarine
3 egg yolks
1 teaspoon vanilla flavoring
1 1/3 cups flaked coconut
1/2 cup chopped nuts, optional

Combine milk, sugar, egg yolks, and vanilla in saucepan. Cook over medium heat about 12 minutes, stirring constantly until thick. Remove from heat. Add coconut and chopped nuts. Beat until cool, then spread. (Ever caught "empty handed" when guests unexpectedly drop in? Keep one of the Potato Cakes in the freezer and it can be served in a very short time.)

Apply Terraclor Super-X

the first time you plant cotton.

Think for a minute what it costs to replant an acre of cotton that doesn't make a stand. There's the cost of seed, fertilizer, herbicides, insecticides, equipment, operators and the precious time. Multiply that by the number of acres you could lose to seed and seedling disease.

Now think about Terraclor Super-X Soil Fungicide. It could very well eliminate replanting. Here's why: Terraclor Super-X is a combination of two Olin discoveries that effectively control the fungi that cause cotton seedling disease.

How important is this to you? The regional Cotton Disease Council reports that losses average \$60,000,000 a year to seedling diseases alone.

Terraclor Super-X is applied while you plant. Your cotton seed is surrounded by protection in the furrow, where it counts. As the seed germinates and the seedling emerges, the fungi that kill un-

protected plants are held off by Terraclor Super-X. You get a healthy, vigorous stand from only one planting.

About seed treatments: They are great... as far as they go. But seed treatment protection lasts only until the seed coat opens and the seedling grows into untreated soil. That's when you need Terraclor Super-X in the furrow.

Terraclor Super-X is available from your Olin dealer in three formulations: granular, liquid and dust. A special formulation is available with a quality soil systemic insecticide impregnated in the granules for combination fungus and insect control.

If you don't know your local Olin dealer, write to Terraclor Super-X, P. O. Box 991, Little Rock, Ark. 72203 for his name.

You ought to get to know him. He can help you get a good stand from only one planting. That's one good reason he is known as **the rare bird in the business.**

Do you need a new cotton herbicide?

Were you disappointed by the way your pre-plant herbicide worked the last couple of seasons? Have new weeds been cropping up in your cotton? Carelessweed, annual morningglory or cottonweed? Would you like to save the cost of spraying solid, and just be able to band a herbicide right behind the planter? And would you like a chemical that did away with the expense of incorporation? And moreover, would you like to rotate to sorghum or follow with cotton.

Any "yes" answer is reason enough to check out Caparol®, the pre-emergence cotton herbicide you can band right behind the planter. The cotton herbicide that controls problem weeds like carelessweed, annual morningglory and cottonweed. Without incorporation.

Check it out for yourself. Try Caparol. This one won't disappoint you. Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Ardsley, New York 10502.

NEWS FOR HOMEMAKERS

by Sherry Mullin
Floyd County H. D. Agent

Where you put your food freezer makes a difference in how well it operates, how convenient it is, and how much it costs to run it.

The most logical place for a freezer is the kitchen, utility room, porch or basement. But are these always the best places?

A freezer should be located in a cool, dry, well ventilated area out of direct sunlight.

It should never be placed where the temperature falls below 40 F. Or, in a room that's especially hot in the summer or heavily heated in winter. Too hot a spot can add 15 percent to the cost of operating the freezer.

Also, don't place a freezer in a niche in the wall or in a place with cabinets on three sides. There must be ample space at the back, top and sides so air can circulate around the cabinet. Circulation is necessary for the escape of heat given off by the condenser.

A dry basement is a good place for a freezer. But in a damp basement - even if there is no flooding - the dampness may harm the motor or cause the cabinet to sweat and the doors or lid to stick.

Cooked meat - arrange in family size quantities, separating slices by double thickness of freezer wrap. Freeze gravy in a separate container for li-

uids. Chicken and Turkey - Slice and package light and dark meat with dressing and gravy in foil pans. Cover with aluminum foil and seal. These pans go right into the oven for heating and serving.

Cookies - Freeze either the dough or freshly cooked cookies.

Yeast Bread - Partially baked, brown and serve type, freezes well and tastes like fresh when baked. Baked rolls, foil wrapped and frozen are convenient to have ready for last minute heating. Freezing unbaked dough is not always dependable.

Pies - Pies are usually best if they are frozen before baking. If baked pies are frozen they should be reheated before serving. Do not freeze custard pies. Pie shells freeze well.

Cakes - Most cakes freeze well. Best results are obtained by freezing baked cakes rather than unbaked batter. Do not freeze seven minute frosting. Butter frostings freeze well.

Quick Breads - Higher quality results when baked first, then frozen.

Butter - Keeps well in regular carton for short time storage. If butter is to be stored for several months, wrap in freezer paper, or place in a polyethylene bag and seal.

ALFRED HARRISON NAMED ON SWINE PROJECT COMMITTEE

The State Director of the Farmers Home Administration recently announced appointment of various county supervisors to serve on a statewide approved Swine Project Committee.

Named to the committee from Floydada was Alfred Harrison. George H. James of Tulla was also appointed.

An organization meeting of the committee was held recently in the state office of the FMA in Temple. An approved operating process and building requirements will be developed by the committee for use throughout the state. The goal is from one to three projects in each county unit. Each member will be expected to keep informed about Approved Swine Projects in his District. Records of cost and money made will be maintained. District tours and meetings will be scheduled.

FLOYD DATA

Mrs. D.W. Burke returned home recently from Lubbock Methodist Hospital where she underwent surgery.

FLOYD DATA

Mr. and Mrs. V.D. Turner returned home Saturday from Oklahoma City, Agra, Okla., and Norman, Okla., where they visited relatives. The prior weekend they visited in Dallas with her sister, Mrs. Virgile Boyd and family before going on to Oklahoma.
