Over Half Qualified Voters Didn't Vote

Run-Off In County Judge Election

Floyd County voters joined other Texas Democrats Saturday in giving Lloyd Bentsen the U. S. Senate nomination over Ralph Yarborough. The vote in the county was 1201 to 869 for Bentsen.

In other contested races on the state level, county voters favored Crawford Martin over David Brown for attorney General, Bob Armstrong over Jerry Sadler and Fred Williams for Land Office Commissioner, Ben Ramsey over Connie Law-

son for Railroad Commissioner, James Denton over Hawthorne Phillips and Matt Davis for Supreme Court Justice, and Earl W. Smith over Truman Roberts for Criminal Appeals Court Judge.

In county races, incumbent J. K. Holmes faces a June runoff with Foster Amburn for the County Judge post. Holmes received 1,024 votes to Amburn's 620. Ralph R. Cogdell received 426 votes in the judge's race.

Also in the runoffs will be Earl Cooper and R. H. Ford for Precinct 2 and 3 Justice of the Peace. The vote for Cooper was 294 to Ford's 188. Esker M. Pyle received 187 votes and Florence Hooten Dillahunt 143 in that race.

Voters in Precincts 1 and 4 favored incumbent S. J. Handley over Lee Howard 879 to 255 for Justice of the Peace.

Incumbent Bill McNeill was nominated for Precinct 4 Commissioner with a 303 to 237 margin over Robert E. (Babe) SEE ELECTIONS, PAGE 2

Farm Accident Takes Life Of Juan Ortega

An accident on the Mal Jarboe farm early Tuesday morning took the life of Juan Ortega, Latin American, who had been an employe of Jarboe for the past four weeks. Ortega, who would have been 48 yesterday, was pronounced dead at the scene by a local physician.

Ortega was working on a plow when the mishap occurred. It was surmised that his coat and shirt became entangled in the rod weeder, apparently choking him to death. He was found shortly after the accident by another farm hand. Efforts to revive Ortega were fruitless, witnesses said.

Funeral rites have been set for this morning (Thursday) at 10 o'clock in the St. Mary Magdalen Church in Floydada. Rev. Roland Buskemper will officiate. Interment will follow in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Ortega was born May 6, 1922 in D'Hanis, Texas and was married in Floydada to Natividad Ruiz, April 4, 1963. He was a member of the Catholic Church. Survivors include his wife; two sons, Juan Jr., and Pete; both of the Floydada home; three brothers, Francisco of Floydada, Leondro of Dallas and Alfredo of California; also a half brother, Leondro Garcia of Lubbock.

UNITED STATES ARMY Who distinguished himself by outstanding meritorious service, not involving participation in aerial flight, in connection with military operations against a hostile force in the Republic of Vietnam during the period October 1968 to August 1969, while serving as an ammunition inspector for Long Binh Ammunition Depot.

Through the exercise of his professional competence and devotion to duty, he invariably performed his duties in a resolute and efficient manner. Energetically applying his sound judgement and extensive knowledge, he contributed materially to the successful accomplishment of the United States Mission in the Republic of Vietnam. His initiative, zeal, sound judgement, and devotion to duty have been in the highest traditions of the military service and reflect great credit upon himself, his unit, and the United States Army.

Did Cold Spell Hurt Wheat?

Back in 1967 the temperature got down to 31 degrees on the nights of May 1, 2, and 3, and caused some damage to the wheat crop.

The question now arises, here in 1970, did the cold spell of last week hurt this year's wheat crop.

The official temperature gauge, according to the weather people at Producers Cooperative Elevator here, showed a low of 31 degrees on May 1 and 29 degrees on May 2.

FHS Students To Austin For State Competition

Ten Floydada High School students will compete in University Interscholastic League events in Austin today, tomorrow, and Saturday.

Brenda Mathis, first-place winner in the regional Persuasive Speaking contest, and Rosanne Eis, first-place winner in Informative Speaking, will represent Floydada in those events. Larry Jones was second-place regional winner in typing and will compete for

state honors. Seven Whirlwind track team members will compete in the state meet. They are Stan Pierce (440-yard and mile relays), Steve Puckett (long jump and 440 and mile relays), Kirby Pierce (440 and mile relays), Dirk Campbell (440 relay), Jim Crawford (mile relay alternate), Mike Moore (mile relay), and Van Mitchell (440 relay alternate).

First and second-place regional winners qualify for the state competition.

NEW FHA PROGRAM MAKES HOMES AVAILABLE

A new home building program recently released by the Farmers Home Administration makes it possible for people of low or moderate income to

build new homes in town. The homes can be built for \$200 down and payments of \$60 to \$75 per month in a price range of \$12,000 to \$16,000.

Sammy Hale, local real estate and insurance man, told a Hesperian reporter this week that he will be representing Orville Atkinson, Plainview builder, and that home plans and lots were available to persons in the \$6,000 yearly income range.

Hale said each application would have to be considered. SEE FHA, PAGE 2

living, a white one if deceased.
Don't forget to remember mother Sunday. I'm mighty thankful that my mother is still alive and I look forward to visiting her Sunday.

ONE OF THE candidates for a county office who has been going door to door giving out his card said he thought there were more vacant houses in Floydada than Lockney.

I would imagine these houses will remain vacant until we can get some sort of industry going. Of course it is possible that these homes will fill when our vegetable packing shed gets in operation this summer.

I don't really look for more industry just to turn up in Floydada. In this day and time, you must seek out industry, in some cases almost buy it. Since we do not have anyone seeking out industry for Floydada, I just don't look for any to come our way.

WELL, IT'S NATIONAL HOSPITAL WEEK and I look back to seven years ago when I came to Floydada and see at least 100% gain in hospital facilities and an increase from two to five doctors. Man, that's progress!

DR. HAMLIN WRITES - You will be interested to read some excerpts from a letter from Dr. and Mrs. Howard Hamlin who were on our district several times while on furlough:

"While on furlough we held 15 different college chapel services. I had heard much of the 'generation gap'; I didn't recognize it! Though nearly twice thirty, I did not find chronological age to be a barrier to communication with the students. During the week I spent on one campus, six students were suspended for behavior incompatible with life on a Christian College Campus; but in the last chapel service 600 moved to the front of the Chapel in public commitment to the will of God for their futures. As the college president drove me to the airport, I ventured an observation to him:

SIX WERE SUSPENDED; SIX HUNDRED AFFIRMED THEIR UNQUALIFIED COMMITMENT TO A CHRIST-DIRECTED FUTURE. The happenings on campus this week would seem to be a microcosmic example of that which is happening throughout the world during this period of dissent. . . we allow "the six", the rebels, the undisciplined, the confused, and the lunatic fringe, to grab the spotlight, to dominate the communication media, to flout recognized authority and to frighten us into the belief that the total youth of our nation has suddenly hit the skids. And we have forgotten, or overlooked, the "six hundred" who have never smoked pot

Who have never attended a sleep-in
Who have never been treated in a V.D. clinic.
Who have never destroyed another's property
Or hurled a rock in defiance of established law and order.
These are God-fearing, sham-hating, luxury-ignoring youth of the "now" generation who are dedicated to the task of meeting man on the level of his need; and who, at the same time, recognize the sovereignty of God. God bless them."

P.O. Box 2 Acornhoe,

After reading this part of Dr. Hamlin's letter, let me say that we have a wonderful group of young people on the West Texas District, who we love and appreciate.

Sgt. IC Dixon T. Kinard.
The awards were presented by U. S. Rep. Jim Wright in his Fort Worth offices Thursday week ago.

The young boys' father was 35 when he died August 25 in a plane crash on a military mission in Vietnam. He was on his second tour of duty in Vietnam when the fatal crash occurred, having served 14 years in the Army. He was a graduate of Floydada High School.

Kinard, former Floydada resident and son of Mrs. Lavada Kinard of Ralls, and brother of Roy Kinard of Floydada, treasured a friendship with U. S. Rep. Wright and the soldier's widow recalled the friendship when the presentation of the posthumous Silver Star and Bronze Star was made.

It was at the request of Mrs. Kinard and her three boys that Wright make the awards in his office.

At the ceremony also were personnel from the U. S. Army Recruiting offices in Fort Worth and Dallas; the soldier's mother, his sisters, Mrs. Danee Priddy of Ralls and Miss Marie Kinard of Fort Worth and his father-in-law and sister-in-law, W. O. Achilles and Dana Achilles of Fort Worth.

Troy Kinard, 12, eldest of the three boys, carefully read the Bronze Star citation which noted, in part, "The energetic application of his extensive knowledge has materially contrived to the efforts of the U. S. Mission to the Republic of Vietnam to assist that country in ridding itself of the Communist threat to its freedom."

Tom Farris Award Recipient

Tom Farris, son of Mr. and Mrs. Kinder Farris of Floydada, was named recipient of first, freshman fiction for his "Even the Least" during Texas Christian University's 31st consecutive program in recognition of literary efforts by both students and alumni.

Announcement of the awards was made at a noon luncheon April 30 in the ballroom of Brown-Lupton Student Center. Prize winners, donors and judges were among the guests. "Drama in America Today" was the theme for the 1970

Annual Writing Awards observance, which follows a pattern begun in the late 1930's to encourage aspiring authors. The two-day program was part of the third annual observance of TCU/Fort Worth Week in which a series of outstanding events are held to call attention to the partnership of the University and the city that has been its home since 1911.

Speaker at the luncheon was S. Mark Smith of New York, script executive for the National Broadcasting Company and winner of two Emmy awards in 1969 for "Prudential's on Stage" series of drama specials. Other special lecturers during the April 29-30 events were Harold Clurman of New York, writer-lecturer-producer-drama critic, and Norman Nadel of New York, cultural affairs writer for Scripps-Howard Newspaper Alliance.

Safety Program Today At High School

Floydada School has an opportunity at 9 o'clock today to see for themselves one of the major causes of automobile accidents - the care of a driver to adjust to traffic conditions so that he will be able to stop in the assured clear distance ahead. C. E. Tyer, principal, said today.

Rodeo Saturday

Street, in front of Floydada School, was a busy Saturday morning as youngsters participated in the third annual Bicycle Rodeo. The pre-school, grade school, and junior high children participated in bicycle riding, decorating contests, and taking safety tests.

The bicycle safety contest was conducted by Patrolmen Bud Rainey and Jim Riggs, assisted by Girl and Boy Scout leaders and Floydada Police Department and civic leaders. The contest was divided into three age groups: pre-school, grade school, and junior high. The winners are: Pre-school - Rusty Cagle first, Jerry second, and Joe third; Grade school - John Cagle first, Scott second, and Scott third; Junior high - Rusty Cagle first, Jerry second, and Joe third.

Tests will be limited to 20, 30, and 40 mile per hour speeds because of the danger of making emergency stops at higher speeds. Police officers will be used as drivers in the high speed tests.

As part of a program for this driving demonstration approximately 150 times for an average of 35,000 students each year. Over 1000 programs have been given in 209 counties since 1957.

Although the program is being presented for the young drivers in school, the public is invited to attend.

Mrs. James D. Williams, Lubbock, the former Nancy Watson of Floydada, was recently installed as vice president of the Lubbock Alumnae Chapter of Delta Zeta. Mrs. Williams has served the Lubbock chapter for the past year both as the courtesy chairman and as sorority delegate to the Lubbock City Panhellenic.

Mrs. Bob Everett, Lubbock, the former Freida Smith of Floydada, is also an active member of the Lubbock chapter.

Both Mrs. Williams and Mrs. Everett were initiated into Delta Zeta during their college years through the Zeta Zeta chapter at West Texas State University.

Nancy is the daughter of Mr. and Mrs. Jake Watson and Frieda is the daughter of Mr. and Mrs. G. W. Smith, all of Floydada.

Shower Honors Tomi Dycus

A bridal shower honoring Tomi Beth Dycus, bride-elect of Frank Covington, was held recently in the home of Mrs. Tom Porter.

Mrs. Teddy Porter registered guests and Mrs. Audrey McCormick and Mrs. Eugene Beedy were at the serving table.

Pink and white, the bride-elect's chosen colors, were carried out in table decorations. A lace cloth over pink graced the serving table, which held a centerpiece formed with a bride doll on a pink covered altar. A pink covered isle led to the altar which was flanked by crystal candelabra bearing pink tapers.

Pink punch, cake squares and nuts were served from crystal appointments.

Hostesses were Meses, E. M. Jackson, Turner Hunter, George Smith, Harvey Tardy, Weldon Becker, Leon Ferguson, S. L. Holmes, J. R. Holmes, W. H. McClung, Dennis Dempsey, Mac Baker, Audrey McCormick, John Hotchkiss, Zant Scott, Audrey Sparks and Mrs. Tom Porter.

Their gifts included a bedspread, sheets and pillow cases.

GUESS I'll have to buy the cokes at the office. We all guessed, before the elections, how many votes would be cast in Floyd County and I was real optimistic with a number "way too high. Just thought there would be more to turn out than did. Can't help but rub sand in a sore place by saying I know there is one Dimmitt newspaper columnist unhappy this week because "his man didn't win." I think he was rubbing sand in some of our wounds when he remarked in his column last week for all Democrats to get out and vote either for Senator Yarborough or Mr. Bentzen, and if you are a Republican, you have my sympathy, but go to the polls anyway! It takes all kinds but evidently there wasn't enough of his kind to put Yarborough back in office.

WE girls with wigs have found they are not something you wear around the house regardless how bewitching you wish to look. They are definitely not something you would have on while unclogging the kitchen sink, making a pizza or cleaning out the oven, heaven forbid! A wig is something you wear when sitting on a sofa looking lovely from head to toe as hubby dashes madly from the kitchen with a glass of iced tea for his beautiful creature. What ever you do don't cough or sneeze, that's a "no-no" while wearing a wig. Wigs are a must when descending gracefully down a stairway, wear it while posing for a picture with a smirk on your face as if saying "My husband promised me Arpege but I chose a wig! While wearing same, start your imagination to rolling, such as when you enter a room you make such an impact that all conversations cease, coffee cups are in mid-air as arms become paralyzed as people gasp with admiration at such beauty. There you stand, another Elizabeth Taylor. Course if you don't treat your wig as recommended you can be standing there looking like another Phyllis Diller.

LOOSE dogs remain a menace in Floydada. Ask Lloyd Hamilton, who may have to take rabie shots after being bitten by two such dogs Monday while out walking. His pants along the legs, were ripped to shreds. I saw the results of what one large dog and a small dog can do to a man in a matter of seconds. If it isn't safe for an adult to walk along the streets of Floydada it certainly isn't safe for defenseless children out playing. The City has print-

ed dog ordinances in our paper as well as given it to other news media. Residents know that ordinance reads, "A pet must be either fenced or tied on your own property." Not running loose to harm people and damage property. People have a tendency to ignore this ordinance as some do any law. Surely we do not have to wait until a person is mauled by a dog and a lawsuit follows, before this law is heeded by pet owners.

Rubella (German measles) is a common and relatively unimportant disease of childhood. When adult women get the disease, however, it can become serious. Rubella virus can cause babies to be born with abnormalities or the pregnancy can end in stillbirths or miscarriages. The greatest danger lies in a woman's getting rubella during the first few months of her pregnancy. Rubella is a mild three-day infection which seldom causes complications in children; most cases occur in school-age children; large outbreaks or epidemics come every six to nine years in the US, the last was in 1964, one is expected this year. The Floyd County March of Dimes, very conscious of this disease, is jointly sponsoring a special "Rub Out Rubella" program with Floydada Lions Club and the Pennerosa Study Club of Lockney, for children ages one through 10. The Rubella vaccine will be administered by medical personnel today, May 7th., at Andrews Elementary School in the morning hours and at Duncan Elementary in the afternoon. Pre-schoolers will be given the vaccine at First United Methodist Church in Floydada from 4 until 5 p.m., today.

Lockney will hold its vaccine program Friday, May 8. Children given the rubella vaccine have essentially no complications. It should not be given infants less than one year old. Other details may be learned from their physician.

THE Kent University demonstration which resulted in the death of four college youngsters some innocent-by-standers, was indeed a tragedy. But as the President said, "When dissent turns to violence, it invited tragedy." When will the generation of today realize that demonstrations and riots only lead to bloodshed and seldom anything else. Regardless of how the students felt in the President's order to enter Cambodia, a demonstration was no way to solve the problem. Maybe our boys who are there and in Vietnam, or those who have been there and were lucky enough to return home safe and sound, could explain WHY the United States servicemen are in Vietnam and Cambodia? Better still send the demonstrators over in Uncle Sam's uniforms and let them learn for themselves.

Gift Tea Fetes Brenda Moore

Miss Brenda Moore, bride-elect of Millard Dean Watson, was feted with a gift tea Saturday afternoon in the home of Mrs. Keith Patzer.

Guests were received by Mrs. Patzer and presented to the honoree, her mother, Mrs. Tom Moore and the prospective bridegroom's mother, Mrs. Millard H. Watson all of Floydada.

Cindy Moore, sister of the bride-elect, registered guests. The bride's table was laid with a white linen cloth and centered with an arrangement of yellow and white flowers. Crystal appointments were used in serving by Kathy Patzer and Judy Quisenberry.

Hostesses were Meses, Bill Hendrix, Howard Gene Bishop, Dick Guest, Glen Jarnagin, Tommy Assiter, Travis Jones, Pete Hickerson, Wayne Russell, Billie Douglas, R. G. Dunlap, Keith Patzer, Robert Quisenberry and Meses Kathy Patzer and Judy Quisenberry. Their gift was cookware.

CREATION FROM A 1900 MCCALL PATTERN - Charlotte Decker wears an ensemble made several years ago by Mrs. Foster Amburn from a pattern used in 1905 by Charlotte's great great grandmother, Mrs. T. F. Anderson. The first dress made from the pattern by Mrs. Anderson, was for her daughter, Mrs. Ella Vidler of Cleburne, now deceased, who was the sister of Mrs. Roy Fawver of Floydada. Miss Decker will be wearing the fashion at the Style Show during the Old Settlers Reunion. (Staff Photo)

Elsie Harrison Black Is "Woman Of The Year"

Mrs. Elsie Black, the former Elsie Harrison, daughter of Mr. and Mrs. Alfred Harrison of Floydada, has been named "Outstanding Young Woman of America" for 1970 at Hart, Texas. Mrs. Black was recently nominated by the Beta Sigma Phi chapter through the General Federation of Women's Clubs.

This annual program recognizes young women who unselfishly contribute to the betterment of their communities, professions and country.

Mrs. Black is a member of the Hart First Baptist Church, assistant superintendent of the beginner's department, church secretary, has taught Sunday School classes, works in Vacation Bible School each year, is presently PTA publicity chairman, den mother of Cub Scouts, assistant news correspondent, physical education teacher in elementary grades, and is assistant bookkeeper for Bob's Farm Supply, where her husband is manager. She has served as treasurer of the Chi Psi chapter and has been elected to serve as vice president this coming year.

Mrs. Black and her husband, Jim, were married in 1958 in Seymour and moved to Hart in 1963. They are parents of two children, ten year old Glen and eight year old Janet.

29 Club Meets This Afternoon

Members of the 1929 Study Club are to meet today (Thursday) at 3 o'clock in the home of Mrs. S. W. Ross for the installation of new officers.

Those to be installed include Mrs. Clay Henry, president; Mrs. Vance Campbell, 2nd vice president; Mrs. J. A. Arwine, 3rd vice president; Mrs. S. W. Ross, recording secretary; Mrs. Q. D. Williams, corresponding secretary; Mrs. Clarence Goins, treasurer; Mrs. C. W. Denison, reporter and Mrs. Ernest Kendrick, custodian.

At the past meeting members met in the home of Mrs. Goins for a program presented by Mary Phillips. A film on Texas Beauty Spots were shown by Mrs. Phillips and pictures of various parks were shown by Mrs. Henry.

Attending were Meses, S. W. Ross, Clement McDonald, Clay Henry, Mrs. Goins and three guests, Mrs. Mae Garrett, Mrs. Hollis Bond and Mrs. Phillips.

A prospective employer sees is the job-seeker's handwriting on that application that must inevitably be filled out. Since many people have poor handwriting skills, of feel they do, they often avoid seeking new or better jobs.

So begin today to improve your handwriting. Take every opportunity to practice, from grocery lists to personal letters. Write clearly and precisely, avoiding flourishes and scrolls in favor of the simple and easily legible. A busy employer has no time to decipher your answers.

Practice may not make perfect, but it does make for improvement.

Chappells Hold Family Reunion

The Chappell Family Reunion was held recently at Possum Kingdom Lake.

Attending were Mr. and Mrs. Ozell Chappell, Kathy, Jerry and Judy, accompanied by Alan Thrasher of Floydada; Mr. and Mrs. Hoyt Chappell and Gene, Crosbyton; Mr. and Mrs. Russ Chappell of Arlington; Lenoir Chappell, Carolyn Parsons and Becky Brock of East Texas State;

Butch Miller and Glen Smith of Midland; Doug Sims and Steve Wood of Arlington; Mr. and Mrs. Frank Cox and Jay, Crosbyton; Mr. and Mrs. J. V. Junt and Terry, Mr. and Mrs. D. Chappell and Mr. and Mrs. Paul Chappell, all of Fort Worth and Mr. and Mrs. Clarence Cox of Grapevine.

Announcement Of Miss Flatau, Watts Is Announced

Miss Flatau is a graduate of Emory University, Atlanta, Ga., and is a member of Alpha Delta Pi Sorority of which she was vice president two years. Miss Flatau is a math teacher in the Houston Public School system.

Watts received his Bachelor of Science degree in Chemical Engineering and is currently a sophomore in the Baylor School of Medicine at Houston. While attending the University of Texas he was an active member of the Epsilon Chapter of the Omega Chi Epsilon and was also a member of the Honor Society of Phi Kappa Phi.

The couple plan a June wedding, jewelry, and chunky belts. Now they're being spotlighted in chairs, tables and cabinets you couldn't possibly hide behind. And of course, sculpture, tableware, boxes and bagatelles are appearing in the clear, too.

Then there are planters that show off the roots as well as the leaves of plants, vases, trivets, and a book rack that lets you read right through the flaps that hold the pages.

One chess set in black and clear plastic would make a cool gift for an executive who has everything, according to the designer William McCarty. He also created a square three-tier table with brass corners in the Oriental campaign chest manner. It's a stunner.

Plastics, which can have color and texture, will appear more often in the kitchen in

May Is American Bike Month!

BICYCLE DRIVER SAFETY is the goal of American Bike month this year. With more cars on the road than ever before, and with more than 63 million Americans riding bikes each year, a safe bike and a safe bike driver are more important than ever. Bikes should be inspected by a trained serviceman at least twice a year, and all bike drivers should know and observe the rules of the road. Most bicycle retailers will be offering free bike inspections in May, and will be cooperating with school, PTA, police, civic and service organizations in conducting bike safety programs. In Bike Month or any month, drive your bike and drive it safe.

For the future, too. Thermoplastics that are heat-resistant, unbreakable, and allow freedom of form will grow in popularity as they are used by more designers.

Spanish Olives Garnish Salad Pie

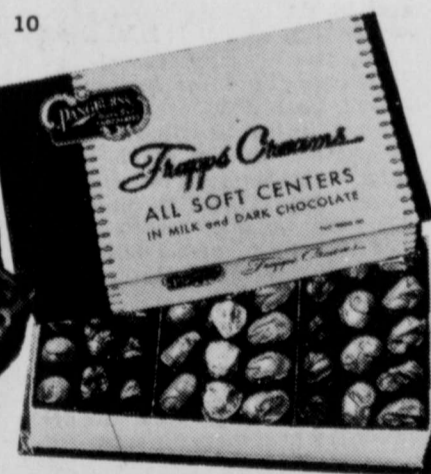

Egg salad is a favorite of all age groups and can be served plain or fancy. On the fancy side, serve it molded in a crisp pastry shell with a wreath of Spanish pimiento-stuffed olives for garnish. Perfect for your next luncheon or Sunday night supper.

OLIVE AND EGG SALAD PIE (Makes 8 to 10 servings)

- | | |
|--|--------------------------------------|
| 1 1/4 cups mayonnaise | 1 chicken bouillon cube |
| 1/4 cups dairy sour cream | 6 hard-cooked eggs, coarsely chopped |
| 1 tablespoon lemon juice | 1 cup chopped celery |
| 1/2 teaspoon salt | 1 cup sliced pimiento-stuffed olives |
| 1/2 teaspoon dill weed | 3 tablespoons finely chopped onion |
| 1/8 teaspoon tabasco | 9-inch baked pastry shell |
| 1 envelope plus 1 1/2 teaspoons unflavored gelatin | |
| 3/4 cup water | |

Combine mayonnaise, sour cream, lemon juice, salt, dill and tabasco in bowl. Soften gelatin in water in a small saucepan, add bouillon cube and stir over low heat until gelatin and cube are dissolved. Stir gelatin mixture slowly into mayonnaise mixture; stir in chopped eggs, celery, 3/4 cup of the sliced olives and the onion. Chill until mixture is thick enough to mound slightly. Spoon into pastry shell. Chill until firm. Garnish edge of pie with remaining olive slices.

Mrs. Barnard Attends NFU

After attending the National Farmers Union at Washington, D. C. from Sunday until last mid-week, Mrs. J. H. Barnard is now visiting in Fairfax, Va., with her daughter and family, Navy Commander and Mrs. Vineyard.

Mrs. Barnard was among an area group of women representing Texas Farmers Union who participated in the National Farmers Union, sponsored by Ladies Legislative Fly-In to Washington.

The national program, which brought several hundred women and rural community leaders to the nation's capital was designed as a grass-root lobbying effort. Key issue confronting Congress at this time — which is of priority importance to farmers — is passage of a farm program at the expiration of present commodity programs this year. Ladies participating in the National Farmers Union Ladies Legislative Fly-In called Congress' attention to the importance of passing a long-range farm program to provide adequate income to the rural area.

The ladies pointed out to members of Congress the fact that farmers are working together in solid agreement in support of the Coalition Farm Bill sponsored by Congressman Graham Purcell of Wichita Falls.

The ladies also discussed importance of the Agricultural Conservation Program, which is needed to fight erosion, sedimentation and pollution. This program was considered the first line of environmental defense.

The bill which now has passed the House, has the Association's support.

Will Cut Welfare Need
"This bill, which seeks fundamental reform of the welfare system, parallels in large measure a policy position adopted by NAM last December stressing cash work incentives, job training, improved day-care centers, and family planning — to reduce welfare dependency," he said.

The NAM president pointed out that the legislation is of particular concern to the business community because of the direct costs involved—billions of dollars—and because of its potential impact on the entire labor market, on work attitudes and national productivity.

Not a Guarantee

The school milk program and high interest rates also came in for considerable attention by the lobbying group.

During the three-day period, teams of Farmers Union ladies contacted all 535 members of Congress and the Senate. They visited the Department of Agriculture and were briefed on current farm legislation and proposals for the future.

Although designed primarily as a business trip, the ladies took time off to do some sight-seeing in the capitol. An excursion carried them to places of historic and cultural interest in Washington. They participated in a special Texas dinner.

Texas Farmers Union president Jay Naman of Waco said that the ladies were in Washington at a most critical time. "Our ladies' presence in Washington comes at a most strategic time. The outcome of the farm program battle could well depend on how effective and persuasive the ladies were with members of Congress."

Mrs. H. E. Frizzell of Lockney and Mrs. Fred Mercer of Silverton were others from this area attending.

Naomi Lyles LHS Head Cheerleader

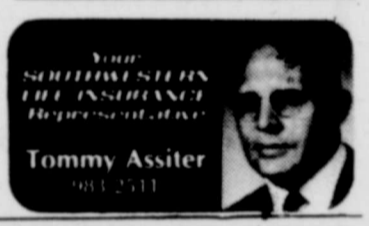

Naomi Lyles has been elected head cheerleader for the Lockney High student body during the 1970-71 school year. Miss Lyles was a cheerleader this year.

She and Kay Johnston will be senior cheerleaders. Other cheerleaders include: Sara Ball and Shari Johnson, juniors; Tony Bybee, sophomore; Cynthia Stoerner, freshman.

SUNDAY IS MOTHERS DAY

The Association disagreed with the contention that the proposed measure would inevitably lead to a guaranteed income. It maintained that the bill would "strengthen rather than weaken the connection between work and income."

Provided that the basic assistance allowance remains a true minimum and if the work requirement is strong enough, the proposed program will direct the nation away from dependency, the NAM said.

 Rev. Dan Gonzalez, Associate Pastor of First Baptist Church, conducts preaching services in the department at the regular time of worship. Latin American families will choose their place of Bible study and worship, depending upon their desire for and ability to be in Spanish or English services.
 The Latin American Mission has been in operation about fifteen years. The property is now being disposed of and the entire program of Spanish work will be conducted at the main facilities of the church.
 Ralph Johnston, Chairman of the Missions Committee, explains that this is a new approach to meeting the needs of Spanish people. The people who attended the Mission first made the decision to move, and then the church acted to care for the remodeling.
 Bro. Gonzalez, who works directly with the Spanish-speaking people, is now serving on the staff of First Baptist Church as Associate of the pastor.
 Possibly twenty-five Baptist churches in Texas have begun Spanish-speaking departments within their regular church facilities. All of these report a successful relationship within the church. Floyd C. Bradley, pastor, voices high praise for the people in both congregations in having faith enough to move into this new program of work.

"Patience is something you admire in the driver behind you but not in the one ahead."

Emory Bellard Featured Speaker

With a big banner above and behind the head table reading, "We're the Champs!" the first Floydada High School all sports banquet in many years was a huge success with almost 300 in attendance.

Emory Bellard, backfield coach at the University of Texas was the featured speaker and in a way down south drawl told the banquet gathering that motivation, self discipline, and a sense of values were important in making championship teams.

"Kids today have a need for a greater self-discipline, than back in my day," Bellard said, "we hadn't even heard of marijuana."

"What is important, isn't necessarily what everyone else is doing, and we must all develop a sense of values, . . . of what is really important in life, honesty, loyalty, responsibility, to name a few," he continued.

"A sincere respect for everybody is also important," he concluded.

He was introduced by Floydada head football coach L. G.

Brenda Willis Head Cheerleader

Brenda Willis has been selected as head cheerleader for the 1970-71 Floydada High School term. Miss Willis was chosen in recent try-outs at the high school.

Other cheerleaders are Reagan Cagle, senior; Sarah Puckett and Denise Chadwick, junior; Lisa Gregory, sophomore; and Carol Cogdell, freshman.

The girls were selected from a field of 28 contestants. Each was given scores on poise, spirit, enthusiasm, voice projection, pep and coordination.

Judges were high school class presidents, Stan Wilson, Andy Selman, Steve DeLeon, and Jay Jones; eighth grade representative, Carmen Muniz; incoming Student Council president, Sam Henry; outgoing Student Council president, Kelly Smitherman and out of town judge, Mrs. Jeannette Perry, Tulia cheerleading sponsor.

The cheerleaders will attend cheerleading school at SMU during August.

Coach Wilson announced the recipient of the "Fighting Whirlwind" award, lineman Sam Green. Girls basketball coach Don Ford then announced Marilyn Harris as recipient of the "Fighting Whirllette" award.

Bob Marler was recognized for the boys' basketball honors by Coach Curtis Chatham.

In track it was Stan Pierce and Joe Thurston, with Coach Bill Grissom making the presentation. Coach Joe Paty recognized the golf team and district medalist Andy Hale. In tennis it was Wendy Tooley, presentation by Coach Ford, and Coach Ford also recognized the district winning volleyball team.

Captains of the football team paid the tribute to coaches with

all coaches, their wives and the athletic director receiving gifts.

Also receiving special recognition were Cagle, Miss Janet Milam, and Polly Cardinal. Watson expressed his thanks to everyone for their cooperation with the athletic program and said next year he was looking for six district championships. He was especially appreciative of the school board and school administrators.

Special guest was Kelly Smitherman, Floydada High School student council president.

The cheerleaders led the crowd in singing the school song as the banquet ended.

Anne Fawver received a gift as football sweetheart from Stan Wilson.

County 4H Teams Qualify For State

Sixteen Floyd County 4-H members participated in the District II 4-H Elimination Contest held on the Texas Tech campus, Saturday, May 2, in Lubbock. These youngsters made up four senior and three junior teams. Three of the senior teams qualified for the state contest to be held in June.

Drew Lloyd and Lindsay Lovell won first place in the senior division with their Vegetable Production and Marketing demonstration. In the senior division of Farm and Ranch Management, Dirk Nelson and Steve

Lloyd won second place which qualified them for the state contest. Danny Colston and Jay Womack won second in the junior division of Farm and Ranch

Management. Lu Ann Lovell and George Finley placed second in the senior Civil Defense Demonstration, also qualifying them for the state contest. In the junior division of the Dairy Demonstration contest, Leslie Sinor and Paul Lloyd placed second. Kevin Nelson and Mark Noland won second in the junior

division of the Natural Resources demonstration. The senior Livestock Judging team placed sixth out of twelve teams. It was composed of Joe Jones, Mitch Probasco, Mike Stimpson and Danny Wheeler.

The next step for the youngsters is the State 4-H Roundup to be held June 3-5, on the campus of Texas A&M University. At this event all first and second place senior teams from throughout the state will gather to compete against one another for top honors.

OBITUARIES

A.T. Swepton

Funeral rites for an oldtime pioneer of Floyd County, A. T. Swepton, were conducted Saturday in the First United Methodist Church in Floydada. Swepton, 82, a retired rancher and stockman, died Friday morning in Caprock Hospital. He had been in failing health the past year.

A native of Rains County, Swepton moved to Floyd County from Motley County where he was a cowboy with the Matador Land and Cattle Co. He

resided in the Hillcrest Community near Floydada.

Swepton was an active worker in the Floyd County Pioneer Association before ill health and has served several offices including that of the president. He was a 32nd Degree Mason and a member of the Floydada Eastern Star. Swepton and the former Beulah Lewis were married in 1910. She died in 1967.

Survivors include four daughters, Miss Ann Swepton, Mrs. Vance Campbell and Mrs. Bill Colston, all of Floydada and Mrs. Bob Burns of Amarillo; one son, Hershel Swepton of Floydada; two sisters, Mrs. Jeff Halloway of Canton and Mrs. Julia B. Payne of Dallas; two brothers, Dr. H. J. Swepton of Temple and Dr. Ottis Swepton of Dallas; seven grandchildren and one great grandchild.

The Rev. D. H. Taylor Jr., of Cleburne, nephew of the deceased, officiated at last rites. He was assisted by Rev. John Fitzgerald of the First United Methodist Church in Matador. Burial was in Floyd County Memorial Park under the direction of Moore-Rose Funeral Home.

Pallbearers included members of the Matador and Floydada Masonic Lodge.

Horace Marble

Services for Horace Lyman Marble, 67 year old longtime Floyd County farmer, were conducted yesterday in the First Baptist Church in Floydada. Marble was pronounced dead on arrival at Caprock Hospital Monday evening about 8 o'clock from an apparent heart attack. He and Mrs. Marble had returned home Sunday night from a visit downstate.

Marble was born January 21, 1903 in Farmersville, Texas and moved to Floyd County in 1920. He was the son of F.L. Marble and Emma Elizabeth Ford. Marble and the former Lillian King were married in Clovis, N.M., January 2, 1932.

The deceased was a member of the First Baptist Church at South Plains and of the Floydada IOOF Lodge.

Survivors include his wife; three sons, Don, Fred and Keith all of the South Plains Community; one daughter, Mrs. Marvin (June) Well of Mineral Wells; 10 grandchildren, two brothers, Leon and Hugh Marble both of Lockney and three sisters, Mrs. Ann McGee of Plainview, Mrs. Freddie Johnson, Amarillo and Mrs. E.M. Jackson of Floydada.

History Course 321 Concluded

History Course No. 231 was concluded this week in Floydada with 22 persons taking the course, taught by Dr. Paul Joseph Woods, history professor at Texas Tech.

The next college extension course will start in September and will be history No. 232, which is history of the US since 1877.

This course will also be taught by Dr. Woods. The exact date will be announced later.

FLOYD DATA

Mr. and Mrs. Carl Benton and children of Dimmitt visited in Floydada with friends Sunday. Benton is former manager of Perry's here and is now manager of the new store in Dimmitt.

John Lloyd underwent surgery one day last week in Lubbock Methodist Hospital. He is reported to be doing nicely.

Young Farmers Meet Tonight

Floydada Young Farmers will hold their monthly meeting tonight (Thursday) at 8:30 p.m. in the high school ag room. Jim Valliant, from the High Plains Experiment Station at Halfway, will speak on irrigation practices.

VANCE TURNER RECEIVES AWARD

Vance Turner, son of Mr. and Mrs. D. D. (Bud) Turner of Norman, Okla., former Floydada resident, received an award last week from the Oklahoma Junior Honor Society for making the highest grades for the school term 1969-70.

The 7th grader averaged a 3.87 average for the school year.

He is the grandson of Mr. and Mrs. V. D. Turner of Floydada.

TEXAS WHEAT FORECAST LOWER

Texas wheat production, based on April 1 estimates, is forecast at 72,086,000 bushels. This is five percent below the December estimate; but if realized, will be five percent above 1969 production.

Both irrigated and dryland wheat is making good growth in most areas. April rains were beneficial to dryland plantings in the northern sections of Texas.

Seeded acreage to wheat and other small grain in Floyd County is placed at 100,917.

Drivers School Well Attended

The Drivers school, sponsored by the Community Action Program, was well attended at each session, according to officials.

The school was instructed by Sgt. Buckner, with assistance from Sgt. Luckie and Kenneth Witt, who works with the drivers license division through the Floydada office.

Average for the three night sessions was 411/3 with most of the attendance being Latin Americans.

The school is hoped to be offered in Spanish at a later date. The Floydada Community Action Center will be holding their first Planned Parenthood Clinic Thursday, May 14. Billy Jordan, RN, will be in charge of the administration to be held in the Community Center building. All are welcome to attend.

REMEMBER MOTHER! MAY 10th

daughter, Mr. and Mrs. Teddy Horne and Melissa of Plainview.

Fifty-five mile per hour winds and dust hit our area Thursday afternoon, with 42 degrees that morning and in the afternoon not much warmer with 48 degrees. The night time temperatures Wednesday, Thursday and Friday nights were in the 30's and farmers trying hard to get their maize and cotton in the ground got rather cold on tractors in the 58 degree weather even as early as Wednesday morning. Sunday it began to warm up and this Monday it looks much more like cotton weather.

Mr. and Mrs. Don Probasco and children, Pam, Cam, Maury, Matt, Susie and Cassie Bell, went to Honer Lake between Flomot and Matador Sunday for a picnic and outing. They spent the day at the Joe Rogers cabin, parents of Mrs. Probasco. They also enjoyed fishing and resting during the day.

Mrs. Gerald Lackey of Cedar Hill, a relative of Mrs. Bryant Higginbotham and Fred Fortenberry of our area, underwent major surgery at Methodist Hospital in Lubbock last Friday. She is reported to be doing fine and hopes to be able to come home this Wednesday.

Price Pritchett, son of Mr. and Mrs. Early Pritchett, left last week for the Armed Forces and is at Fort Knox, Kentucky in training. He called his parents Tuesday night, and reported he was getting settled. His wife, Patty, is still living in Austin, but will join him later. Jimmy Pritchett, another son of the Pritchetts, will leave for Vietnam later this month, from the west coast.

NOTICE: The papers (Amarillo Sunday) in the mail bag at Upton Grocery on Sundays are all spoken and paid for, and there are no extras. If you have not paid for a paper, please do not get one. Some have failed to get their Sunday paper because someone, who does not subscribe, has taken them. Some have names on them, and others do not, but all are paid for. If you want a paper, please contact Mrs. Upton, and she will subscribe for you.

SOUTH PLAINS NEWS by Mrs. Murray Julian

Congratulations to Sealy B. Smith, former pastor of the South Plains Baptist Church, who will receive the Master of Divinity degree at Southwestern Baptist Theological Seminary at 9:30 a.m., May 8, in Fort Worth during commencement exercises. Rev. Smith is now pastor of the Oak Ridge Baptist Church in Weatherford. If possible, several from here plan to attend the ceremony.

80 were present for Sunday morning services at the Baptist Church and visitors at night services included Mr. and Mrs. Ike Harris and Rev. W.L. Trice's uncle, John Leverett all of Lubbock. The Vacation Bible School Clinic will be held Tuesday, May 5 at the First Baptist Church in Crosbyton, and all the VBS workers plan to attend this all day session, even though several did attend the clinic held in Plainview. It was good to see Carlton Johnson back in church after being in the hospital several days. Mr. and Mrs. Tommy Powell are new church members who were added Sunday morning. Around fifteen church mem-

bers and most of the young people of the church left immediately after church to go to Quitaque Baptist Church Sunday night where they attended a music festival, "Tell It Like It Is." Mr. and Mrs. Grigsby Milton and Mrs. Bryant Higginbotham were adults who went with the Young People of the church.

Orben Newman, brother of Mrs. Frank McClure, underwent lung surgery Friday in Bremerton, Washington, and in a telephone call they said he was getting along fine. Mrs. McClure's youngest sister, Mrs. Eddie Branch of Lake Whitney, also underwent more heart surgery a week ago, but she is improving each day.

Mrs. Travis Young entertained the oldest son, Kirk, with a skating party at the rink in Plainview Saturday afternoon on the occasion of his eleventh birthday. Those who helped Kirk enjoy his birthday were Matt Probasco, Monty Smitherman, Ricky Ford, Curtis Bell, Len Wood, and Mike Bean, Lori and Shandra Young and Judi Bean spent the afternoon with Kristi Julian at her home while the boys had their celebration.

Among those who attended the Bible Study of Nehemiah last Thursday at the home of Mrs. Jim Roberts was Mrs. Dean Stewart. Her name was inadvertently left off the attendance list last week.

Mr. and Mrs. Bud Higginbotham of Lubbock were here visiting his mother, Mrs. Ruby Higginbotham, Friday night, as they were on the way to Wellington to spend the weekend. Mrs. Higginbotham went to Floydada later to spend the evening with another son, the Alton Higginbothams.

Rev. and Mrs. W.L. Trice spent Monday in Lubbock and Plainview on a business and pleasure trip. They were celebrating their wedding anniversary which was May 1. Friday night Rev. Trice and his son, John Mark and friend, Mike Reves, went to the Lake near Quitaque, and took their bedrolls, and spent the night. They fished and caught a nice mess of fish, and enjoyed camping and cooking out in the open.

Dencie and Deneen Johnson, twin daughters of Mr. and Mrs. L.N. Johnson celebrated their eleventh birthday Wednesday, April 29. A celebration was held in Plainview, with supper there. Mrs. Ruby Higginbotham shared the twins supper and evening.

Carlton Johnson, who attends WT at Canyon, was in the Lockney Hospital from Monday morning through Friday of last week. L.N. Johnson and Carlton were working in their grainery and breathed in fumes from poisoned grain Saturday. Carlton sustained a lung infection, and fever but he is doing fine

at this time.

South Plains Baptist WMU members met at the church Tuesday afternoon for Royal Service study with Mrs. M. M. Julian presenting the study on India, and each one took part in the program. Mrs. L. T. Wood held a business meeting later and plans for the summer months were discussed. Royal Service will meet on May 12, at 2 p.m. with study of Thailand.

Vacation Bible School will be held at the South Plains Church June 8 through June 12, and WMU Camp will be at the Plains Assembly Grounds. It is hoped that all the WMU women can attend this camp. Mrs. Kendis Julian met with the WMU and gave a resume of work the GA's of the church had done the past year. In studying India we found that 400,000,000 people live in India where the main religion is Hindustani. They have great riches in art and architecture and are in great contrast to the poverty of thousands who have no place to sleep, and spend their lives as scavengers. Present for the study were Mrs. Frank McClure, Mrs. Fred Fortenberry, Mrs. Murray Julian, Mrs. Kendis Julian, Mrs. W. L. Trice, Mrs. L. T. Wood, and Pastor W. L. Trice.

Shots To Be Given Here Today

The vaccine will be given today (Thursday) and tomorrow in the clinic will be at Duncan Elementary School in the afternoon. Doughton will receive their school at 2 p.m. South Plains at 2:30.

Pre-school children will be vaccinated from 4 to 5 p.m. If parents will use the registration blank in the Hesperian, it will save time at the clinic. No child will receive the vaccine without the signature of parent or guardian.

Working mothers of pre-school children who find the time schedule inconvenient can make arrangements for the vaccination by contacting a school nurse or one of the sponsors of the clinic.

Sponsors are the Floyd County March of Dimes, Floydada Lion's Club, and El Penseroso Study Club of Lockney.

ASTON, PROBASCO ELECTED IN WEED CONTROL ELECTION

Final returns from the ballots mailed in the Floyd County Noxious Weed Control District reveal that Ray Aston has been re-elected in Precinct Two, and Don Probasco is the new Precinct Three director, succeeding Herman Thornton.

Holdover directors are William Bertrand, Precinct One; James Lee Nichols, Precinct Four, and Cecil Baxter, district-at-large.

During 1969 the Weed District applied soil sterilants on 291 acres of bindweed on 168 farms, 90 acres of bindweed on county barrow ditches, 100 acres of bindweed on highway right-of-way, 32 acres burrag weed on nine farms, 94.5 acres fence row on 64 farms, 64 acres machinery lots on 56 farms, 151 acres blueweed on 22 farms treated with 2-4D and 32 acres of Johnsongrass treated with DSMA.

This brought the total for the year to 854.5 acres.

The Weed District has again signed a contract with the Texas Highway Department where they furnish the herbicide and the Weed District makes application. These herbicides can only be applied adjacent to farm

land where bindweed control is being carried out or where the adjacent farm is free of bindweed.

Big Cities Losing Appeal

The big city glamour and glitter have become somewhat tarnished with high housing and living costs, and the rising crime rates, according to the National Industrial Conference Board. Some companies are offering relocation incentives to executives who accept transfers to high-cost metropolitan areas.

THE COUNTY TAX PAYERS OF FLOYDADA AND FLOYD COUNTY

Due to the recent inquiries concerning rural fire protection in the surrounding area, we feel that some explanation and clarification should be made public.

Several people have approached the City Council and asked if the County Commissioners had made any offers concerning rural fire protection.

The Council would like to state here in a brief form the history of this issue and what has happened since its beginning. The Council conducted a five year study on our fire department covering the years April 1, 1964 through March 31, 1969. We found that approximately 44% of the total expense should be allocated to rural fires and that 56% of the cost should be borne by the City. This was determined by the number of fire calls made within this five year period of time. The cost was then computed and a meeting was held with the County Commissioners Court to ask that they bear their share of the cost of fire protection. At that time the County was paying \$1,500 per year plus \$140 per year insurance cost on one truck for a total of \$1,640 annually.

The Fire Department was in need of a new truck and equipment. We asked the County to bear their share of the cost of the new truck and equipment according to the study that we had made showing their percentage to be 44% and the City's percentage to be 56%. Actual operating figures taken from audited records show that the County's portion of the operating expense would amount to approximately \$8,000 annually. The County's pro-rata share on a new fire truck (estimated at \$25,000) would be \$11,000.

At our first meeting with County Commissioners Court no offer was made toward defraying any of these expenses over and above what was being paid at that time. The Commissioners did agree to study the survey and be prepared to give an answer at a later meeting. At a meeting on June 9, 1969 the Commissioners offered an increase of \$50.00 per month or an annual remittance of \$2,100. The offer was declined by the City Council.

On June 23, 1969 the Commissioners offered to pay to the City \$3,000 per year plus insurance on one fire truck with nothing being paid toward the purchase of new equipment. Our present equipment was used on both city and rural fires so we felt that it was fairly fair that the County pay their fair share on the purchase of new equipment. Approximately two months later the City contacted the County again in the third effort to settle the issue on rural fire protection. The City Council offered to settle with the County at this third meeting for a considerably less amount of money. The amount being \$5,000 toward the purchase of a new fire truck instead of \$11,000 originally asked and \$6,500 annually for operating expenses rather than the \$8,000 originally requested.

The Council feels that they have made an earnest effort to settle this issue and are still willing to negotiate settlement on a reasonable offer. We feel that the Fire Department should be operated as a joint effort for the citizens of our entire area. Our reason for wanting it operated as a joint effort between City and County is because of the great amount of savings involved by having a joint operated department.

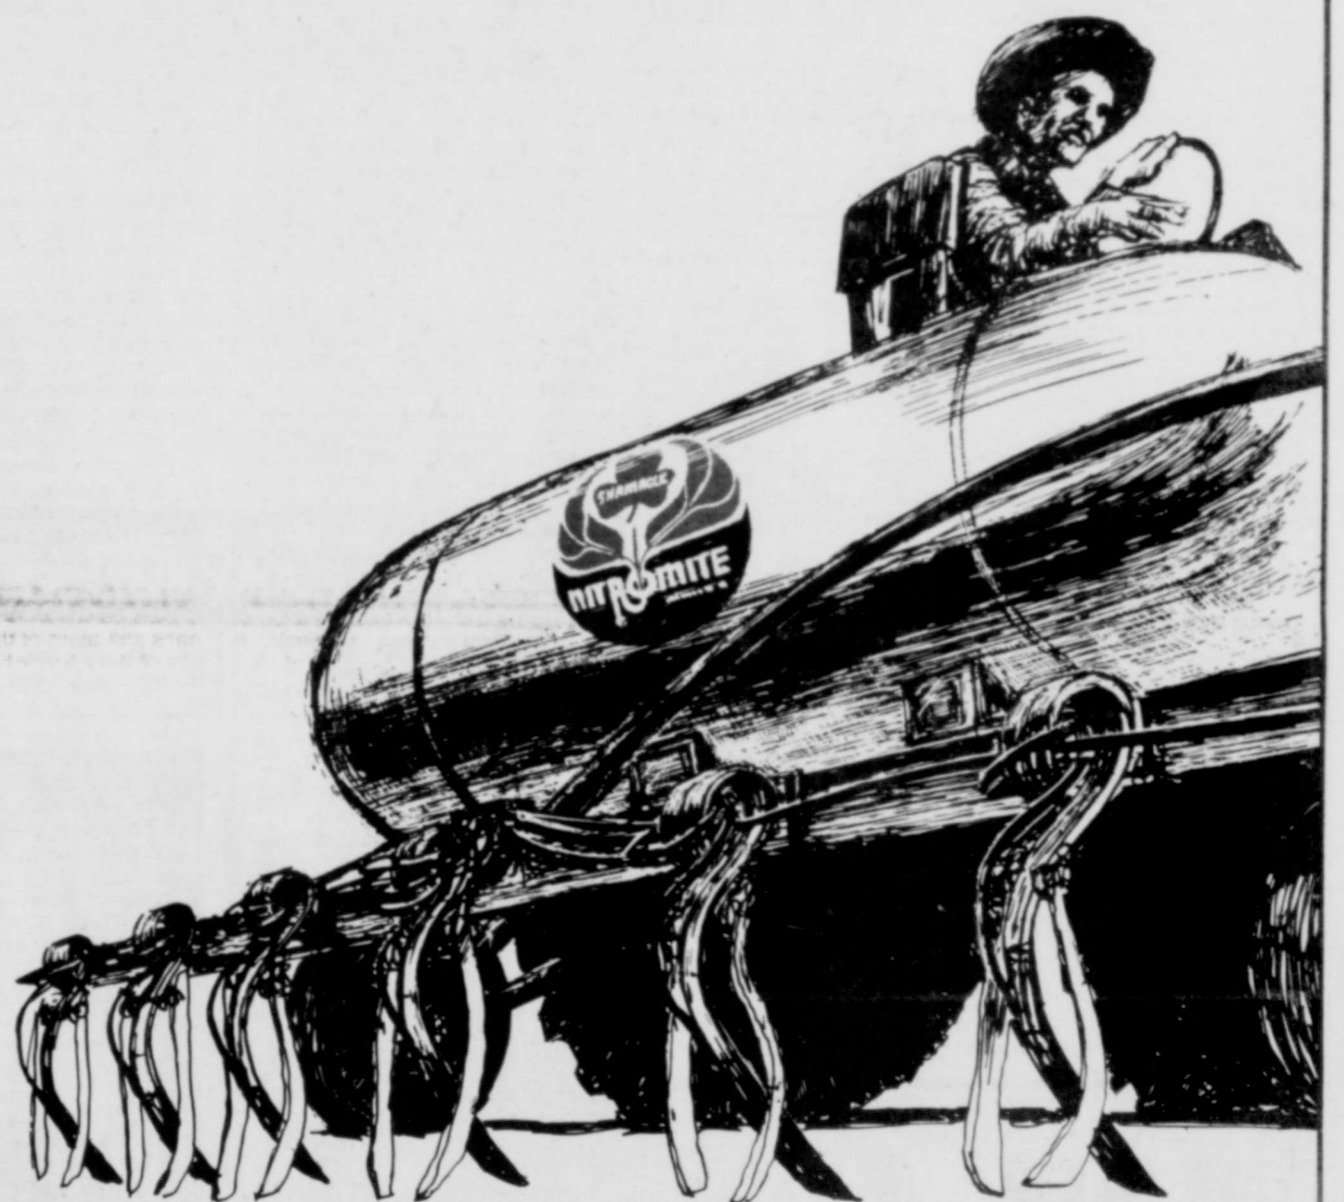

We invite you at any time to examine our records concerning the Fire Department and its costs.

At the present time we have other cooperative efforts with the County on our Police Department, the Department of Public Safety and our dump ground. The City dispatching office takes care of County dispatching work from 5 p.m. until 8 a.m. during the week and twenty four hours on Saturday and Sunday. We also perform this service for the Department of Public Safety. The City receives no compensation for this service but it is done as a cooperative effort between our Police Department, the Sheriff's Office and the Department of Public Safety. The City also furnishes a radio in the local ambulance so that we will have radio contact with the ambulance and in this way can better serve the local community and County. The dump ground is another cooperative effort, the dump ground being operated by the City and the pits being dug by the County.

We, the members of the City Council, would like to work in closer harmony with the County Commissioners in a joint effort to solve all the problems of the community.

NITROMITE IT!

Hungry Young Crops Need Nitrogen Now

As soon as your crop is up and the stand is known, it's time to sidedress with NITROMITE, Shamrock's fine brand of anhydrous ammonia. NITROMITE gives young plants a great big shot in the yield. It's 82% nitrogen in its most usable form. This important spring feeding of nitrogen may make the difference between a high-yield profitable year for you and an ordinary crop with a possible loss. Sidedress

is your last chance to correct a deficiency in your fertility program... your opportunity to protect your investment. It is now or never for this year's crop. Be sure you use enough NITROMITE to do the job... apply the full might of nitrogen. Your dependable SHAMROCK NITROMITE dealer wants to work with you. Stop in soon or call.

WHY NITROMITE FERTILIZER PAYS BIG DIVIDENDS

1. Promotes rapid growth.
2. Increases yield.
3. Improves quality.
4. Increases protein content.
5. It is applied at root zone where it does the most good.
6. Makes a limited supply of water more effective.
7. It is leach-resistant, stays put and does its job.
8. Easy and inexpensive to apply.
9. An adequate sidedress of NITROMITE provides the necessary nitrogen plants need during the critical growth stages.

SPRING FLOWERING SHRUBS NEED PRUNING

The early-flowering shrubs such as spirea, forsythia, weigela, lilac, flowering quince, mock-orange, and deutzia should receive any needed pruning as soon after they finish blooming as possible. These plants form their flower buds during late summer and fall for next season's bloom. Removal of about one third of the oldest canes each year will thin out the growth sufficiently to allow new basal shoots to develop into strong healthy canes. When pruning the early flowering shrubs strive to reduce the size of the plant without sacrificing their form and natural shape.

It is too late to prune those shrubs that bloom on new wood produced this year. Included in this category are crepymrtle, abelia and hybrid tea roses. CARE OF SPRING FLOWERING BULBS

After the brilliance and beauty of spring-flowering bulbs has faded, all to often the flower stalks should be removed to prevent seed formation, but the leaves should be removed to prevent seed formation, but the leaves should be allowed to remain as long as possible to build up the stored food in the bulb for the production of next spring's flowers.

After a few years, bulbs such as daffodils become crowded and the flower quality is greatly reduced. The best flowers are obtained when the bulbs are separated every few years, however, every three to four years is usually often enough. Shortly after the leaves die is a good time to separate the bulbs and transplant them to new locations. The bulbs are dug up and the small bulbs separated from the larger ones. The larger bulbs should then be planted in their new location. The smaller bulbs can be planted in the real of the vegetable garden to grow on for a year or two until large enough to place in the bulb garden. The sooner the transplanting is done after the leaves die, the better quality flowers produced

the following season. An application of complete fertilizer such as 8-8-8 or equivalent at the rate of 2 to 3 lbs. per 100 square feet of bed area applied immediately after the flowers finish blooming will insure strong healthy bulbs the following year.

In most instances tulips should be treated as annuals in the southern half of the state. That is, discard the old bulbs each year and purchase new ones in the fall. There is insufficient cold temperature in most instances to initiate good flower buds the second season.

Georgia Mill Clears Color from Water

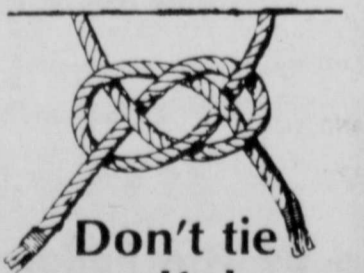

Interstate Paper Corporation's new mill at Riceboro, Ga., has incorporated a \$2.5 million slaked-lime color removal process in its pollution control system.

This first-of-its-kind operation virtually eliminates the color from the water used in the manufacture of kraft linerboard, and according to Charles L. Davis, Jr., "contributes to quicker biological normalization of the mill effluent."

The liquid goes through several steps before the decolorized effluent is piped to a 640-acre stabilization lake.

The stabilization lake is a conventional treatment facility in which biological normalization can take place, aided by an aerator which helps the oxidizing process.

William J. (Bill) Verross, vice president of Interstate, says, "We can get very emotional about cleaning up the water, but people had better keep in mind that they are going to have to pay the bill."

Everybody is looking for a bargain.

Here's one you can believe in.

What makes the Buick LeSabres we sell such bargains?

We're dealing, for one thing, Spring is here and we're making up for lost time during those cold winter months when everybody stayed home by the fire.

We're going to make it real easy for you to get into a Buick and celebrate Spring. But that's only part of what makes a bargain a bargain.

What about the car? Can you believe in it?

Every Buick is built with integrity. You get things like a cooling system that should never overheat, even with air conditioning.

You get Buick's unique suspension system—AccuDrive—that makes this LeSabre one of the best handling Buicks ever.

You can even order a 350 cubic-inch, V8. With four-barrel carburetion. That

delivers 285 horsepower. Yet runs on regular gas.

So, let's put it this way. If you want a bargain, we've got the ingredients. The car. And the deal.

Wouldn't you really rather have a Buick?

In Egypt On The Night Of The Passover

EXODUS 12-29

Come with me, the passover night in Egypt. The death angel is allowing us to go with him on that fateful journey through some of the villages and out in the countryside of Egypt to get first-hand information regarding the reactions to instructions of God through Moses for the Passover.

House #1
 Look, there is a beautiful white ribbon on the door of that home, tied into an attractive bow. **KNOCK, KNOCK.**

The man of the house opens the door. Sir, what is the meaning of the white ribbon on the door? He replies, Well, that man Moses says that the death angel will pass through Egypt tonight and slay the first born in every home where there is no blood upon the door post and lintel.

But I have my OWN IDEAS ABOUT RELIGION. I believe in purity and believe that since I have lived a clean pure life, God will do the right thing by me and spare my son.

YES, GOD DOES BELIEVE IN PURITY. He says in Matt. 5-8 **BLESSED ARE THE PURE IN HEART FOR THEY SHALL SEE GOD.** ALSO Psalms 24-4 **HE THAT HAT CLEAN HANDS AND A PURE HEART.**

House #2
WE PASS ON AND COME TO ANOTHER HOME WHERE WE FIND A PIECE OF POPYRUS ON THE DOOR. We go closer and read, The householder has written down his creed, has enumerated his good deeds and has clearly traced his pedigree.

The angel looks on the door post and lintel, shakes his head and solemnly says, I see no blood; he enters and the first born is slain, Titus 3-5 - Not by works or righteousness which we have done, but according to his mercy he saved us.

House #3
AT A SUBURBAN HOME THE ANGEL PAUSES AND TURNS IN. He searches in vain for blood upon the door, not a drop can be found.

This father is a despiser, he dislikes being saved by the death of another, the end of God's patience has come. "Ye would not come that ye might have life." **HE SAID, I WILL IGNORE THE WARNING, I WILL DO NOTHING ABOUT IT.**

Oh if that father only knew (There is **POWER WONDER WORKING POWER IN THE PRECIOUS BLOOD OF THE LAMB**)

House #4
 The lamb is tied to the door post, only it is not slain. Heb. 9-22 **WITH THE SHEDDING OF BLOOD THERE IS NO REMISSION OF SIN.**

House #5
WHAT IS THIS??? A perfect lamb has been killed, its blood was caught in a basin which stands on the doorsteps, and a bunch of hyssop lies beside it.

The angel sees the basin of blood **BUT IT IS NOT APPLIED.** **ISAIAH 55-8 MY THOUGHTS ARE NOT YOUR THOUGHTS, NEITHER ARE MY WAYS YOUR WAYS.**

DOUGHERTY NEWS

The Sunday services at the Baptist Church were led by young people from Wayland Baptist College. Ricky Sunns gave the sermon. Carol Manning played the piano and Tim Wilson led the singing. These three young people and Rev. and Mrs. Jim DeWese and Jeanne were guests of Mr. and Mrs. R. H. Crawford for Sunday lunch.

Mrs. Violet Jones from Plainview visited in the home of her son and his family, Wayland Jones, Friday.

Mr. and Mrs. W. A. White were overnight visitors Friday with Mr. and Mrs. Russell Crawford, Mrs. White and Mrs. Crawford are sister.

Linda Norman assisted her Cadette Girl Scout Troop 83 in operating the concession stand recently at the annual bicycle rodeo. This event was well attended and helps the youngsters in the area to learn the safety rules of bicycle riding.

An exciting event for the Dougherty School students was held Friday afternoon with a Field and Track Meet. First, second and third place ribbons were awarded for three-legged races, sack races, 50-yard dash, 100-yard dash, and relay races. Mr. and Mrs. Kent Covington, Mrs. Wayne Rainwater, and Ray Gene Carthel assisted school principle, Elmer Watson in holding the events. Many parents of the participants were on hand to watch the fun.

Linda Norman attended a slumber party Friday night given by Johnnie Mae Bichus.

Vanda Carthel and Sara Eastham, along with other members of the Floydada 8th grade girls basketball team served at the All-Sports Banquet held Saturday night at the Duncan School Cafeteria.

Carlos Rainwater, son of Mr. and Mrs. Wayne Rainwater, Tommy Ross, son of Mr. and Mrs. Bob Ross, and Martin Eastham, son of Mr. and Mrs. Carmel Eastham, took part in the closing program of the Methodist Church Public Kindergarten and are ready and eager to begin first grade this fall.

Mr. and Mrs. G. W. Smith visited her father, John Lloyd Sunday. He is a patient in the Methodist Hospital in Lubbock. Tammy Tyer accompanied Jody Eastham home from church Sunday and spent Sunday afternoon with her.

Our love and sympathy go out this week to the family of A. T. Swepston, who passed away early Friday morning. He was laid to rest in the Floydada Cemetery Saturday afternoon. His daughters who live in our community are Mrs. Bill Colston, Mrs. Vance Campbell and Miss Anne Swepston.

Mr. and Mrs. Robert Ward, Randy, and Rhonda and Mr. and Mrs. Ray Tinney and Danny enjoyed a backyard barbecue Saturday afternoon at the Ward home.

The Dougherty Community Club held its final meeting of the school year Monday afternoon. Plans were made for the End of School Picnic. It is scheduled for May 25th at Roaring Springs. Officers for the 1970-1971 school year were elected as follows: Mrs. Robert Ward, president; Mrs. Ray Gene Carthel, vice president; and Mrs. Richard Ward, secretary-treasurer.

Mr. Watson, school principle, had announced the end of school program and graduation exercises for the 6th grade will be held Thursday evening, May 21. The time will be announced later. There are 10 who will graduate. Our congratulations go out to valedictorian Brenda Vickers, daughter of Mr. and Mrs. Carmel Eastham, Runnerup for the honors is Julie Jones, daughter of Mr. and Mrs. Wayland Jones. Less than one percentage point separated these three girls. They started to school together six years ago and it has been a see-saw race, grade-wise, from the very first. Congratulations to all three of these girls.

The home of the Bob Vickers family has been moved to its new location just south of the school. The move was made Monday afternoon. We hope the Vickers will be happy in their new location and that, away from the grain elevator dust, they will have much less trouble with allergies and hay fever.

Mrs. Jay Mack Cates and son, Harold, are staying here in the home of his parents,

CHRISTIAN SCIENCE
Differences between spiritual and material interpretations of creation in the Bible are brought out in the Lesson-Sermon on "Adam and Allen Man" to be read in all Christian Science churches this Sunday.

An explanation of conflicting accounts in the first and second chapters of Genesis will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy. One citation states:
"Spiritually followed, the book of Genesis is the history of the untrue image of God named a sinful mortal. This deflection of being, rightly viewed, serves to suggest the proper reflection of God and the spiritual actuality of man, as given in the first chapter of Genesis."

Mr. and Mrs. J. D. Cates, They arrived by plane from their home in Germany a week ago. Lt. Cates will follow his family home in about a month when he will be discharged from the U.S. Army. Mrs. J. D. Cates has issued an invitation for everyone to come meet their new daughter-in-law and grandson. W. J. Ross has recently been released from Methodist Hospital in Lubbock. Mrs. Ross has been visiting in Lubbock in the home of a niece, The Rosses, now residents of Falls, formerly lived in Dougherty.

UNCLE SAM'S SELECTIVE SERVICE

Editor's Note: Below are questions now being asked at draft boards. The answers are by Colonel Morris S. Schwartz, State Selective Service Director, 209 W. Ninth Street, Austin, Texas 78701. He will welcome your questions.

Q. - I've been out of town for six weeks. When I returned, I found an induction order with a reporting date of last week. My landlady did not forward the notice. What shall I do?

A. - See your local board and explain the circumstances of your failure to respond to the order. It is the duty of a regis-

tered man at all times to keep his board advised of the address where mail will reach him.

Q. - I entered college this spring. Another student told me I would have to carry a minimum number of hours to be deferred as a student in class II-S. What is the minimum number?

A. - You should make normal progress toward your baccalaureate degree. Determine how many semester hours of work it takes to attain your degree. If this degree is normally attained in four years, you should earn one-fourth of the credits the first academic year, which would include the fall and spring semesters and the next summer term. If you
