

Crusade For Christ Begins Sunday Night

Wards Expected Wester Field

are complete for the first Crusade For to be held in the Floydada community by most of the community's churches. The Crusade will be held in Wester Field stadium, using the seating on the Services begin at 8 p. m. each day. Evangelist Ed Robb will be the featured each evening and singers Bobbie and also from the Ed Robb Evangelistic will be in charge of the music. Robb will speak in the Floydada First church at the morning services July 5, first United Methodist Church morning on July 12. The Moores will sing in the morning services July 5 and the Bap- tist services July 12. Robert Thomson, an outstanding evangel- ists from the Association will speak in the services at the First Christian Church

GREETING MEETING
Sunday afternoon a 5 o'clock the executive committee, coun- selors and other workers in the Crusade will greet Mr. Robb and the Moores at the First Christian Church for prayer and a last look at the Crusade arrangements before it begins that night.

BUS SERVICE TO CRUSADE
Church buses will be running to the Community Center in the Della Plains area each evening affording rides for everyone who wants to attend. Anyone who needs a ride should call one of the churches.
ROBB HERE IN 1968
Mr. Robb and the Moores are

well known in this area as they conducted a revival meet- ing here in 1968. . . also in the area communities of Crosby- ton, Lorenzo, Slaton, Lubbock and Plainview.
INFORMAL ATTIRE
It is suggested by the exe- cutive committee of the Cru- sade that everyone "come as

you are". . . dress in cool comfortable clothing.
It is also suggested that choir members wear light colored clothing. . . the men in white shirts with dark color ties, the women in light colored dresses.
Should there be rain, the Crusade will move from the football stadium to The First Baptist Church.

It was reported at press time that Mr. Moore will be preach- ing as well as singing at the Methodist Church this Sunday.
The Ed Robb story is one of faith, hard work, and driving, relentless commitment to the church; and the dynamic evan- gelist from Abilene, Texas, has

geared his evangelistic efforts to reach an estranged world in the space age.
To help reach more people the Reverend Edmund W. Robb has organized the Ed Robb Evangelistic Association, headquartered in Abilene, and now has five more evangelists

Floyd Farmers Receive Early Payment

Over \$13 Million

Farmers who have contrib- uted to stabilizing markets for food and fiber and to the con- servation of soil and water re- sources by taking part in the 1970 wheat, feed grain, and cotton programs are receiving their program payments ear- lier this year than ever before, according to Ned Bradley,

Chairman of the County Agri- cultural Stabilization and Con- servation (ASC) Committee.
The first batch of payments were made beginning yester- day. Additional payments will continue to be made as rapid- ly as farmers certify compli- ance with program require- ments and as fast as individual farm records can be processed and checks returned to ASCS county offices for distribution to farmers.

Most payments should be completed by mid-August, if farmers who signed up will complete the necessary cer- tification indicating that they have complied with all of the program provisions.
Farm program payments help maintain a balance be- tween supply and demand, the Chairman explained. He point- ed out that both farmers and consumers benefit from this balance.

"Agricultural productivity almost doubled in the past 20 years, but farmers' markets take only about a third of this

Most Floydada Firms To Close Fourth of July

At press time yesterday in- dications were that most Floyd- ada business firms would be closed on Saturday, the Fourth of July.

Announcing that they will be open Saturday in advertise- ments appearing in this issue of the Hesperian are Perry's and most of the grocery stores.

PVT. INSIDRO SANCHEZ

Bronze Star For Heroism Awarded Floydada Soldier

A Bronze Star Medal for heroism has been awarded Private Insidro Sanchez of the U. S. Army. The Floydada soldier is serving with Co. B, 2nd Bn., 14th Inf., 25th Infantry Division in Vietnam.

Pvt. Sanchez was cited for heroism in ground action March 17 of this year, against hostile force, while established in night defense position.

The citation read in parts "With complete disregard for his own safety, Pvt. Sanchez exposed himself to a hail of enemy fire as he kept the machine gun supplied with ammunition. His valorous actions contrib- uted immeasurably to the suc- cess of the mission. Pvt. Sanchez' bravery and devotion to duty are in keeping with the highest traditions of the mili- tary service and reflect great credit upon himself, his unit, the 25th Infantry Division, and the United States Army."

The citation was by direction of the President and signed by Colonel T. J. Hanifen, Chief of Staff, Edward Bautz Jr., Major General of USA and Stanley R. Reson, Secretary of the Army.

Pvt. Sanchez is the son of Marie Sanchez and the late Lupe Sanchez of Floydada. His wife, the former Susie Zava- la and nine month old son, Isidro Jr., reside in Floydada. The soldier is due home in December.

Woman Fined In Homicide Charge

A Floydada woman, Mrs. Trine Rodriguez, has been fined \$100 and costs and had her drivers license suspended for twelve months following her plea of guilty to charges of negligent homicide brought following a fatal accident March 25, involving an automobile which she was driving.

Killed in the accident was Jana Jill Shurbet, daughter of Mr. and Mrs. Don Shurbet. The accident occurred as the child was crossing the Silvertown highway in front of her home to board a school bus.

The case did not come before a jury. Richard Stovall was the attorney representing Mrs. Rodriguez at the hearing. Kenneth Bain was the prosecuting attorney in Judge J. K. Holmes' County Court.

Rites Today For W. Earl Foster

Funeral rites for William Earl Foster, 59 year old Dougherty resident, will be conducted this afternoon (Thurs- day) at 3 o'clock in the First United Methodist Church, Rev. C. B. Melton, pastor, will officiate. Interment will follow in Floydada.

Foster, born December 12, 1910 in Archer City, died in Lubbock Methodist Hospital at 2 o'clock Tuesday. He had been ill with a liver ailment and was hospitalized three weeks ago. He had been disabled since a previous illness in 1964. Prior to that he was manager of the Henry Edwards Elevator in Dougherty.

The deceased moved to Floyd County with his parents in 1927. He and the former Mable Bradford were married Decem- ber 19, 1931.

Survivors include his wife; three daughters, Mrs. Jim Wil- son of Plainview, Mrs. L. L. Patterson of Paw Paw, Michi- gan, and Mrs. Lawrence Burke of El Springs, South Dakota; his mother, Mrs. E. S. Fos- ter of Dougherty; one brother, E. S. Foster Jr., of Albuquer- que, N.M.; and six grandchild- ren.

Moore-Rose Funeral Home will be in charge of arrange- ments.

Goodbye From Peter

When you read this, I'll already be touring the United States by bus. But still I would like to talk a little bit about the great experience I had in your community this past ten months.

Many factors have worked together to make this year the great success that it was for me. But as the biggest factor I count you, the people of Floydada, both its youth and its grown-ups.

For me as a newcomer it was great to see how the whole community really wants you to share with them. Three of them are the greatest for me: Mr. and Mrs. Clay Henry and Sam. They have provided me with the most essential part of this stay, a home and a family. My deepest gratitude will always be with them.

Then there was the AFS Chapter, which includes Mrs. Helen Patterson as President and Miss Anne Swepston as my school advisor, also Mrs. Emily Potts, Mrs. Leonard Matsler, D. A. Mr. George Miller, Dr. and Mrs. Charles Craig, Mr. and Mrs. Fred Martin, and my host parents. They have done a great job in handling financial matters, helping me with adjustments and just looking after my general happiness, and I thank them sincerely for all the work they have done.

Also the school administration with Mr. Baker, Mr. Tyer, and Mr. Watson and all my teachers and coaches were of great help to me in all school matters.

Really, just about every person I met around here was as friendly and helpful as it can be!

Of course I spent a great deal of time with other young people, and they really made me feel welcome and "one of the gang." I certainly have enjoyed all the youth activities with school groups, church groups and Explorers, that I was able to partici- pate in. And last but not least, it was the high school students and their student council who raised the large amount of money necessary to make my stay here possible.

This has really been one of the best years of my life and, as a whole, the greatest single experience I have ever had. And I'll never forget that it was you all who made it that way for me.

If you ever get a chance to come to Austria, notify me, so that I can welcome you in my home country. I also hope that I will have correspondence with as many of you as possible. I am quite sure that I'll be back here some day, and till then, God bless you for everything you did for me, and goodbye.

Cotton Showers Welcomed In Area

The showers which dotted the Floydada area early in the week left about a half-inch of mois- ture in the city and up to an inch and a half in some areas to the west. The official re- cording station at Producers Cooperative Elevator in Floyd- ada reported .49 inch Mon- day night and .05 last Thurs- day.

The inch-and-a-half rain- fall was recorded in the Bar- wise community, and at the Sandhill Elevator, a .9-inch rain was recorded.

Other rainfall reports in- clude: one inch at the J. E. Waller residence in the Star- key Community; a trace at Dougherty; .3" five miles south of Dougherty; an inch and a quarter at the Lakeview Store;

Floydada Up, Lockney Down A Little In Unofficial Population Count

The 1970 census count has been a big surprise to most area cities as the unofficial report comes in from Dallas lower than anticipated.

The unofficial count for Floydada is 3,875... up 79 per- sons from the 1960 census count. Although the count is not as large as earlier estimated, at least Floydada has not lost population as many other area cities have discovered.

The census bureau said that when the official report comes

in this September, it is possible that there will be a 5% increase as college and service men and women are added to the count.

The unofficial count for Lockney was 2,040. This com- pares with the 1960 count of 2147.

It is interesting to note that there are 293 more students enrolled in Floydada schools than in 1960; 230 more gas met- ers, 250 more telephones and 200 more dwellings added in the ten year period.

Onion Harvest To Begin Today

Floydada area vegetable growers will begin harvest of their crops with the start of the onion harvest today. The Lou- isiana Strawberry Co. is pro- cessing onions at the onion and mixed vegetable shed on the Matador Highway.

Louisiana Strawberry is pay- ing about 200 field hands from the Rio Grande valley, along with some local employees, to work in the onion harvest. A smaller number, both from the valley and locals, will be em- ployed in the vegetable sheds.

The onion harvest was origi- nally scheduled to start on Tuesday, but rains in the area delayed the start of the harvest until today. At least three local growers will have workers in the fields today when the har- vest begins. They are Junior Simpson, David Campbell, and Lon Davis.

Onion harvest will continue for about five weeks, or into August, when the pepper and cu- cumber harvest will begin and continue through October, a Louisiana Strawberry foreman said.

FIRST MAIL DELIVERY . . . in the Della Plains area was made Saturday morning by rural carrier Orville Newberry. Community Action Center president Prince Sidom (center) and aide John Campbell (left) led efforts to secure the extended mail service. (Staff Photo)

"Triticale" Harvested miracle grain?

TRITICALE (pronounced trit-i-kay-lee), the first man-made grain, made by crossing wheat and rye, has been harvested and put to a practical test by several Floydada farmers.

Triticale is the culmination of careful crossing of the two plants of wheat and rye. It had its beginning in the late 1800's in Germany. Triticales were produced in the early 1950's in Spain, United States, Japan and Hungary. The first commercial steps were taken in early 1950's by Dr. B. C. Jenkins in Saskatchewan, Canada. The plant is very similar to wheat in appearance and is offering higher grain production than ever expected in some areas of the country.

Farmers in the Floydada area were anxious to experiment with the new crop and all were pleased with the results. The present production will probably all be sold for seed and probably production for a few years ahead will go into seed channels until production is significant for feed. Triticale is not a hybrid and the seed may be replanted.

Triticale will be a feed grain and as of now no great possibilities are ahead for the milling qualities. Triticale has excellent qualities for livestock, hog feeding and especially grazing. The sowing rate will be about the same as wheat, about 60 pounds per acre on irrigated and 30 pounds dryland. Triticale weighs about 50 pounds per bushel.

Testimonies throughout the Plains, Oklahoma, Kansas and New Mexico declare cattle will walk across to graze Triticale. This new crop could certainly become a crop to graze. If markets are established for a demand for feeding, then Triticale could become a major crop. The A.S.C.S. does not have any particular classification for Triticale in our present farm program.

The Triticale 208 Variety was planted by our Floydada farmers and a few testimonies follow:

R. G. Dunlap, west of town, dryland planted in October, grazed in November and December and harvested June 17. Dunlap's production was 33,720 pounds on 30 acres, yield 22 1/2 bushels per acre. R. G. said some heads blasted, some fell down, and 20-25% froze out last winter. No fertilizer was applied nor water except the usual rainfall. R. G. intends to plant the crop again in furrow to better protect from cold weather. He likes the grazing aspects very well and thinks the crop has possibilities for our area.

John Moss, south of town, irrigated, planted in October, did not graze his crop. Moss watered his crop twice and

MRS. CHARLES WOMACK (nee Carmel Pearson)

MRS. JAMES A. REALE, JR. (nee Deona Womack)

Two Weddings In One Month In The Jay Womack Family

Two weddings within a one-month period involved the Jay Womack family of Dallas. Grandparents of Miss Deona Womack, a May bride, and Charles Womack, a mid-June groom are Mr. and Mrs. A. V. Womack of Sand Hill and Mr. and Mrs. Claude Ring of Dougherty.

Miss Deona Womack was married to James A. Reale, Jr., of Somerville, Massachusetts, May 16, in a garden wedding at the home of the groom's parents, Mr. and Mrs. James A. Reale, Sr., of South Hadley Falls, Massachusetts.

The bride, given in marriage by her father, wore an Empire gown of white fluted nylon with lace bodice, and with lavender ribbons. The bride's bouquet was of violets and both bride and groom wore head wreaths of violets.

Miss Judy Parker of Cambridge, Massachusetts, was maid of honor, and Miss Sally Goodale, of Amherst, Massachusetts, also attended the bride. Both were dressed in

shades of lavender and carried bouquets of daisies and lavender stephanotis. The best man was the groom's cousin, Dr. Michael Pugliese, of Buffalo, New York.

Mrs. Reale graduated cum laude from Sophie Newcomb College and Tulane University of New Orleans. She was elected to Phi Beta Kappa and also participated in Tulane's Junior Year Abroad program, attending the University of Birmingham, England, for one year.

Reale attended Holyoke Community College, Boston University and Harvard University. After a short wedding trip to the mountains of Vermont the Reales are at home in Cambridge, Massachusetts, where the groom will enroll in Suffolk University Law School in the fall. Mrs. Reale is with the Peabody Museum of Harvard University.

Wedding guests were registered from South Hadley Falls, Holyoke, Amherst, Fairview and Cambridge, Massachusetts, New York City and Buffalo, New York, Hartford, Connecticut and Dallas, Texas.

Miss Carmel Pearson became the bride of Charles Wo-

mack at four o'clock, Saturday afternoon, June 13, in a ceremony at John Calvin Presbyterian Church in Dallas. Dr. William A. Baine officiated. Mr. and Mrs. Le Roy Pearson of Dallas are parents of the bride.

The bride was given in marriage by her father. She wore a Victorian gown of white lace and nylon. A double row of Venice lace gave a redingote effect to the A-line skirt and extended around the hemline and the chapel train. A band of lace formed the high neck. Her wedding bouquet was of daisies and miniature carnations.

Honor attendants for the bride included Miss Paula Schmidt of Dallas, maid of honor, and Miss Kimberly Pearson the bride's sister, as well as Miss Marion Stecker of Bloomfield Hills, Michigan and Virginia Boyer of Dallas. The flower girl, Beth Kretschmar, is the four-year-old cousin of the bride. All bridal attendants wore floor-length gowns and picture hats of yellow organza, trimmed in white daisies with green accents. Each carried cascade bouquets of daisies and green maline.

Wedding guests were registered from Dallas, Hurst, Euless, Irving, Lubbock, Dougherty and Floydada, Texas, Chicago, Illinois, Bloomfield Hills, Michigan, and Cambridge, Massachusetts.

Mr. and Mrs. Claude Ring and Kenneth Ring of Dougherty and Mrs. Bill Womack of Floydada attended the wedding in Dallas.

The best man was James Clark of Dallas, a Texas Tech classmate of the groom. Ushers were Stephen Womack, brother of the groom, and Eugene Pearson, brother of the bride, and Messrs. Greg Harber and Charles Tiner II of Dallas.

The reception immediately following the wedding was held in the King Arthur Room of the Royal Coach Inn.

The bride is a graduate of Bloomfield Hills Andover School in Michigan and the groom has attended Texas Tech University for two years.

Following a wedding trip to New Orleans the young couple are at home in Dallas where they are both employed. Womack will attend the University of Texas in Arlington in the fall semester.

Wedding guests were registered from Dallas, Hurst, Euless, Irving, Lubbock, Dougherty and Floydada, Texas, Chicago, Illinois, Bloomfield Hills, Michigan, and Cambridge, Massachusetts.

MRS. STEPHEN WAYNE ADEE

Powell, Stephen Wayne Repeat Wedding Vows

Weddings were repeated June 13 by Miss Powell and Stephen Wayne Adee. The bride is the daughter of Mr. and Mrs. Nara Visa, the groom is the son of Mr. and Mrs. Sylvius Adee, both of Oklahoma City, Okla. The bride is the former daughter of Floydada. The groom is the son of Mr. and Mrs. Calvin Adee, and Mr. and Mrs. Powell of Anna,

and Rozanne Powell, of Anna, served as flower girl. Candlelighters were Greg Wages of Liberal and Leslie Adee of Boise City.

George Wiley of Clayton, N. M., served as best man. Groomsmen were Ray Stafford of Dalhart and Kenneth Earl Powell, Nara Visa, Ushers included Larry Wise and Beaver Bell, Jack Swimburne of Boise City was ring bearer.

The couple are making their home in Boise City, Okla., where both will complete school next year.

Peggy's Meddlin's

RECEIVED a nice letter from Jeffie Smith this week, who is visiting with her granddaughters and family in Pocatello, Idaho, but really there to spoil a new great grandson. Jeffie said a glance out the windows revealed snow-capped mountains in the distance and the weather very pleasant. She sends her hellos to all concerned.

DANNY ANDREWS, who is now sports editor of the Plainview Tribune, said former TCUSD, Jim Brock, who was on the Pressbox PA system at the East-West game Saturday night, sounded just like Alan Fowler at KFLD in Floydada, with his slow, exaggerated Texas drawl. I thought Alan spelled his name, Allen. Probably wrong tho.

THE 4th of July falls on Saturday this year for the first time since 1964. While thinking July 4th, a word of caution to fire cracker poppers. City ordinance No. 256 reads that it is unlawful for persons to shoot fireworks on the sidewalks or streets inside the city limits. Now, another warning. You may pop them all you want to inside your own property line, all night long if you want. Which after Monday night I think some neighbor kids did, but if parents have any consideration for their working neighbors, who retire each night at 10, then they will have their youngsters put away the fireworks until the following day. There isn't any law stating what hour fireworks are to stop popping, but by jiminy there is a law for disturbing the peace. Understand there have been numerous complaints the past week from citizens with the same problem.

NOTICED in this month's issue of Readers Digest where a card of thanks in a newspaper up state misspelled a word and it came out in the paper printed "I know there are more angels on earth than in heaven". Which of course should have been angels. We nearly had one that had one time in an obituary but luckily the proof reader caught it. Instead of the story having "the woman is survived by one son", it read "the woman is survived by one son." That would have been a lulu!

WHILE going through some old keepsakes of mine recently I ran across a check, good for 50 cents toward any article at the E. L. Rice & Company Wholesale Jewelry in Floydada issued in 1929 and signed by a Mrs. W. L. Nelson. Another item is my \$100 dollar Confederate dollar passed down by grandparents. Its over a 100 years old and I would love to find out its true value, if any. Call me if you know.

STARTING piano lessons at the age of six under the direction of Mrs. Faye Hart and later Mrs. Omer Kirk, has now turned out to be quite an asset for Wandell Russell Booth of Las Cruces, N.M. Wandell, who is the daughter of Wayne and Roberta Russell of Floydada, wrote the music and words of a song entitled "Yes, He's The One". She gave a copy to her parents with the statement it was her testimony as a Christian. Unknowing to Wandell, the parents had the song published and on Father's Day the choir of the First Baptist Church filled the hearts of those in the auditorium with the beauty of its music and words. Wandell has now completed another song for publication, "Power of Prayer". Copies of "Yes, He's The One" are available from the Russells. Wandell is a piano and organ teacher in Las Cruces. We wish her much success in her new venture.

FLOYD DATA Mrs. Gilbert H. Shirey and son, David, of Ventura, Calif. are guests of her parents, Mr. and Mrs. W. D. Newell. They came Wednesday of last week. Shirey and daughter plan to arrive here today.

Other guests in the Newell home last weekend were Mrs. Barbara Mitchell, niece of Mrs. Newell, Mrs. R. L. Mitchell and Mrs. R. E. Vernon, all of Rockwall, Texas and Miss Faye Newell of Plainview.

ROSANNE ELS

Local Teenager Selected For Teen Institute

Floydada Church of the Nazarene has announced that Rosanne Els, daughter of Rev. and Mrs. Herbert Els is one of more than 1,600 Nazarene teenagers from the United States, Canada, and abroad to be chosen to attend International Institute at Estes Park, Colorado, July 14-20.

This Christian, teen-centered convalescence is a quadrennial event sponsored by the Nazarene Young People's Society, an auxiliary of the Church of the Nazarene with headquarters in Kansas City, Mo.

Paul Skiles, head of the Nazarene Department of Youth, says the Institute will "provide opportunity for personal spiritual decisions and growth, foster closer fellowship among Nazarene youth and enlarge vision and improve understanding of the mission and work of the church."

Major speakers will be Dr. Eugene Stowe, General Superintendent; Rev. Paul Martin, author and evangelist; and Rev. Jim Bond, former all-American basketball player. The Rev. Bond, current General President of the Nazarene Young People's Society, is leaving the U.S. in August for a missionary assignment in Brazil. Providing music at the camp will be Gene Cotton, folk singer, and a group of college students called "The Lost and Found."

Featured on the program will be the national Bible quiz playoffs and a performance by a 1,000 teen choir of "LIFE," a new Nazarene youth musical plus a premiere performance of music from a new musical by Paul Mickelson about the Second Coming of Jesus Christ.

Womack Unites Miss Kathie Pearson And Kreis McIntosh

Miss Kathie Pearson and Kreis McIntosh were united in matrimony Wednesday afternoon, at 3 o'clock in an outdoor ceremony at the home of the groom's parents, Mr. and Mrs. A. W. Womack, West Georgia. The couple are Mr. and Mrs. Clarence Anderson of Floydada.

Miss Pearson, a summer youth leader at the First United Methodist Church, officiated at the ceremony in the presence of the families and friends of the couple. The bride wore a white street-style gown with a corsage of orchids. The couple

walked along an aisle formed by white ribbon to a kneeling bench flanked by arrangements of white chrysanthemums. In addition to the vows, Rev. Ruth read a portion of Kahlil Gibran's writing on marriage from "The Prophet."

A reception in the Kreis home followed the wedding with Mrs. Kenneth Anderson and Miss Shawn Shurbet serving punch and wedding cake from a lace-covered table centered by an arrangement of spring flowers.

Following a wedding trip to California, the couple will make their home in Dougherty until January when they plan to enroll at the University of Texas in Austin.

Swimming Party Honors Cubs

Members of the Cubs baseball team, their families and sponsors were treated with a swimming party Friday night at the Floydada Swimming Pool. Fifty-six were present for the occasion, which was given by managers of the team, Bobby Welborn and Albert Jones.

The team, sponsored by Consumer's Fuel of Floydada, came in second place in the Floydada League.

Chester Carthel is suffering from bruises and lacerations and his brother is in intensive care with broken bones, lung and head injuries, according to relatives.

It has also been reported that a Floyd County child was bitten by a rat which was suspected of having rabies. Reports from Austin indicate that a rat which was sent for testing did not have the disease, but it is not certain that the rat was the same one which bit the child; therefore the youngster will have to take the rabies shots.

Health officers remind the public that rabies is 100 percent fatal. The rabies shots can be given to prevent the disease even after a person has been bitten by a rabid animal, if they are started in time, usually within a two-week period.

Health officers have these suggestions dealing with rabies:

Watch for attacks on dogs by skunks, and if possible kill the skunk without damaging the brain so that tests may be made to determine if the animal has rabies.

If the skunk is proven to be rabid, then a dog bitten by the skunk will have to be killed.

If anyone is bitten by any animal, he should notify a doctor at once, and if possible have the animal penned up for observation so that the doctor can determine whether the rabies shots will have to be given.

And of course everyone is again reminded to have their pets vaccinated against rabies.

Officials Warn Against Rabies

Confirmation has been received of a second rabid skunk killed in the Floydada area. The first was killed about three weeks ago in the eastern part of the county on the Ned Bradley property.

It has also been reported that a Floyd County child was bitten by a rat which was suspected of having rabies. Reports from Austin indicate that a rat which was sent for testing did not have the disease, but it is not certain that the rat was the same one which bit the child; therefore the youngster will have to take the rabies shots.

Lockney Man In Intensive Care After Wreck

Hershel Carthel, 59, remained in critical condition yesterday and his brother, Chester Carthel, in satisfactory condition, in Lubbock Methodist Hospital where both are receiving treatment for injuries sustained in a car accident Monday noon. Both men reside in Lockney and are cousins of A. C. and Aaron Carthel of Floydada, and Ray Gene Carthel of Dougherty.

The two men had been to Methodist Hospital in Lubbock to visit their father, Francis Carthel, who is in intensive care unit under treatment for a heart attack. They were returning to Lockney when the mishap occurred at the entrance of Lubbock Country Club on the Amarillo Highway.

Relatives said the highway

was rain slick at the time of the accident and they surmised the car went out of control and skidded off the highway, overturning at least six times. The vehicle came to rest in a field some 70 feet from the highway.

Mrs. Hershel Carthel, who accompanied the pair to Lubbock, had remained at the hospital with her husband's father, who is said to be improving.

Chester Carthel is suffering from bruises and lacerations and his brother is in intensive care with broken bones, lung and head injuries, according to relatives.

Pony Express Girls Win First

Three pony express teams from Floydada placed in the Tullia Pony Express Tournament last weekend. The girls' teams placed first and third and the men's team recorded a second-place finish in their division.

Riders for the first-place-winning girls' team were: Cynthia Patterson, Karen West, Dianne Harris, Pam Breed, Cheryl Parson, Kay Williamson, Jean Harris, and Peggy West.

The members of the other girls' team are: Pam Patterson, Joan Cavaness, Rene Daniels, Judy Daniel, Joan Blair, Pam Lewis, Gayla Lee, Rhonda Kay Bennett, Carolyn Shugart and Lucille Carrol.

Riding for the men's team were: Willie Patterson, Randy Patterson, Charlie Patterson, C. W. Patterson, Joe Breed, Larry Ferguson, Gary Bennett, and Gaythel Lee.

Five teams entered the girls' division at Tullia - Rolling Hills of Amarillo, Lubbock Yellowjackets, Tullia, and the two Floydada teams.

The teams plan to enter the Rolling Hills Tournament at Amarillo in August.

Letter To The Editor

June 3, 1970

Dear Wendell,

We have the opportunity to take all of the boys in our cottage on a weeks trip this summer. We would like very much to take these boys to the mountains outside of Taos, New Mexico and camp out for a week. In order to do this we have to raise enough money for food, gas, and expenses. We are very proud of all of our boys and want a chance to be out with all of our boys.

We wanted our friends to have a chance to help us help these once neglected children. This trip is something these boys have never had a chance to do. Some of the cottages took trips last year and it was a wonderful experience for everyone. Can you imagine the reaction of people when they see you with at least 15 kids?

If you would like to help us take these boys on a trip would you please send us a check made out to Acie for the BIG TOP vacation fund. Thank you.

Sincerely,
Acie and Kay Johnson

Mr. Wendell Tooley, Editor
FLOYD COUNTY HESPERIAN
Floydada, Texas 79235

Dear Wendell:

On May 5th, 1970 the City of Austin encountered violent war protesters for the first time. More than 200 obscenity-shouting anti-war demonstrators roared through the capitol building causing some minor damage. Authorities dispersed the crowd with tear gas. Four people, including only two students, were arrested.

Two days later, about 10,000 persons marched in Austin in a peaceful and orderly protest against the war. There were no incidents and everything has apparently "cooled down" in Austin, at least for the time being.

"Out-of-towners" bent on fomenting violence were apparent as law enforcement officers checked highways leading into Austin. Several arrests were made of persons with weapons. The majority of students, however, continued attending classes and working on their education which, of course, is the reason students attend any university. Fortunately, the rock-throwing, window smashing militants were in the minority!

Meanwhile, the next session of the Texas Legislature, convening in January, also promises to be one of the most exciting and controversial sessions yet. We'll be faced with legislative and congressional redistricting, proposed school consolidation, changes in the welfare program, new drug abuse laws, increased educational costs, crack-downs on pollution and crime, a new tax bill, possible changes in our liquor and abortion statutes, and many others.

Needless to say, one of the most complicated tasks we all face is to find some workable solution to the drug problem. It now appears that about 20-22% of the teenagers in the nation are developing the "marijuana" habit. As you and I know, this is not just in the "big cities" either.

Our area continues to be fortunate in having men appointed to state boards which can be of benefit to us. These include Barrie Rushing, Jr. of Lubbock (formerly of Plainview) recently appointed to the Mental Health and Mental Retardation Board; Marvin Shurbet, Petersburg, Chairman of the Water Development Board; Marshall Formby, Plainview, Texas Technological University Regent; Jess Wayne West, Plainview, State Board of Health; Wales Madden, Amarillo, Coordinating Board; H. S. Hilburn, Plainview, Brazos River Authority, and several others. They have all been most helpful to our area and the state in their official capacities.

Our experts (however that is) now tell us that Texas' population will reach 14 million during the 'Seventies.' The per capita income, which has been below the national average for several years, is expected to catch up by 1980 - at about \$4,300. During the 1960's, we gained 250,000 new manufacturing jobs in Texas and we are now number one in the nation in attracting new industry! Hopefully, this will relieve the tax burden somewhat.

I hope you will share your advice and counsel with me on these subjects and any others you feel inclined to do so. Incidentally, my office will be closed from June 8th through June 21st for staff vacations.

Warmest personal regards.

Sincerely,
/s/ Ralph

no pre-water and applied 150 pounds of anhydrous ammonia and 100 pounds of 0-46-0. A few acres of Triticale was lost because water stood on part of the seed area for a long time. Moss said he thinks the crop has a future for us. John's principle interest now will be grazing with high hopes that markets can be established for the grain.

Bill Hinkle, northeast of town, irrigated, planted in October, grazed until December 15. The crop was planted on summer fallowed ground and watered twice. Bill's seeding rate was 30 pounds per acre and he said this was certainly not enough seed to give a heavy plant population. The 9 1/2 acres produced 17,320 pounds of 36 1/2 bushels per acre. Hinkle said his cattle certainly preferred Triticale over wheat for grazing. Bill intends to feed part of his production to hogs as an experiment of the feeding qualities.

Homer Farmer, southeast of town, irrigated, planted in October, produced 48,580 pounds on 14 acres, yield 70 bushels per acre. Farmer said his seeding rate was not heavy enough since he only planted 30 pounds per acre. He grazed his Triticale until February 1st and fertilized with 100 pounds anhydrous ammonia and watered four times. Homer intends to leave his volunteer and see what grazing he may have for late summer. He plans to plant more and because of a cheaper seed price he will seed much heavier, but at the same time he will be influenced by the markets available for the product. Farmer says his cattle will walk across wheat to graze Triticale.

Harold Bertrand, southeast of town, planted in October, and did not graze. Harold planted the Triticale on summer killed ground and fertilized with

180 pounds of anhydrous ammonia. The yield in six acres was 21,300 pounds or 71 bushels per acre. Harold estimated his loss of 33% because of winter kill. He planted 30 pounds of seed per acre and intends to plant heavier next season. Harold is anxious to see what the plant may do if planted in early spring. He also contributes a sizeable loss to the high winds he had on May 31. J. R. Turner, Barwise Community, planted in September, grazed into the ground until 1st of February. Turner said his cattle had grazed the crop into the ground before he realized it. He planted two varieties, 204 and 208. The 204 was contracted for seed and the 208 was planted to experiment. He prefers the 208 variety although he thought he may have had more winter kill. The 204 yield was 75 bushels per acre and the 208 was 80 bushels per acre. J. R. fertilized with 125 pounds of anhydrous ammonia on summer fallowed ground and watered up. Turner said he had a hard rain that packed the ground and he had a total watering of 5 times. He contributed overgrazing, and the hard rain to a decrease in his otherwise higher yield. J. R. said he did not think this is a miracle crop but certainly it will find its place with farmers as better varieties are developed. He believes a higher seeding rate and slight difference in management from growing wheat will produce outstanding yields.

The preceding article was written by Bill Cagle, manager, Producers Cooperative Elevators.

White Sox Win T-Shirt Pennant; Cubs In Second

The T-Shirt League White Sox closed out their regular season Thursday night with a 13-10 victory over the Yankees, giving them an unofficial 7-1 season mark, two games in front of the Cubs, who had an unofficial 5-3 won-lost record. Also unofficially, the Pirates and the Yankees tied for third place in the T-Shirt League with 3-5 records, and the Orioles had a 2-6 season mark.

The White Sox will play a group of all-star teams selected from other teams in the league sometime after the Fourth of July holidays. Exact time of the All-Star game had not been set by the League vice-president Wednesday.

Pictures of the White Sox and the All-Stars will be run in the Hesperian in the issue after the game.

Ray Reed Named TADA Director

Ray Reed, owner of Reed Ford Sales in Floydada, has been appointed to the key post of Area Director of the 1600 member Texas Automobile Dealers Association.

He will serve with the TADA Board of Directors in studying all phases of activity relating to the motor vehicle buying public in the Floydada area.

"The position of Area Director is one of the most important in our giant statewide association," said TADA President Jack McKenzie of Corpus Christi. "Mr. Reed will work closely with the TADA Board and with state and local officials toward the betterment of the automobile industry in Texas."

TADA represents the franchised new car and truck dealers in Texas.

MORE RUBELLA VACCINE

Two manufacturers have been awarded contracts totaling about \$5-million for 6,850,000 doses of rubella vaccine to be delivered between May and September this year, according to Robert H. Finch, Secretary of Health, Education and Welfare. The goal is to vaccinate about half the 40 million children by fall.

JUNE FIGURES BARED

Drop Reported In Price Paid For Farm Products

WASHINGTON - Prices paid farmers for their products declined one-third of one per cent in June, the Agriculture Department said Tuesday.

The Crop Reporting Board attributed most of the decline to lower prices for commercial vegetables, milk and wheat. Higher prices for fruit were partially offsetting.

Beef cattle averaged \$28.00 a hundredweight during the month ended June 15, compared with \$27.90 in May and \$29.40 in June 1969.

Hogs averaged \$23.20 a hundredweight compared with \$22.90 in May and \$24.00 a year earlier.

In a separate report, the department said red meat production last month was one per cent larger than in May 1969. Com-

Jim Crawford Reports On Trip To Boy's State

Mr. D. G. Ayeres
Veterans Service Officer
Floyd County
Floydada, Texas 79235

Dear Sir:
On the last of Boys State 1970, we were asked to think about what the program had meant to us before we reported to our sponsoring post. I have given much thought to it the last week, and here is my report.

Boys State to me was truly a great event in my life, but must take a back seat to my Christianity. Although it is second it strengthened my faith, through association with other Christian men. I learned more in a short time than ever before in my life, and will retain and use it more than any.

Lastly I would like to express my gratitude to the post for bestowing on me the great honor of being a Boys State citizen of Texas.

Sincerely yours,
/s/ Jim Crawford

James McNeill Will Manage New Way Pork

James McNeill, son of Bill McNeill and the late Lela McNeill, has accepted the position of manager of New-Way Pork Co. The ultra-modern, totally confined facility, located southwest of Dumas, Texas, will complete a farrow-to-finish cycle on 500 sows, with plans drawn to expand to 100 sows.

McNeill, a graduate of West Texas State University, is married and has two children. He assumed the duties of the position on July 1.

Auto Insurance Rates Studied

Lieutenant Governor Ben Barnes today appointed five senators to the Senate Interim Committee on Automobile Insurance Rates.

Barnes appointed Senators Ronald Bridges of Corpus Christi; Tom Creighton of Mineral Wells; Jack Hightower of Vernon; Oscar Mauzy of Dallas; and David Ratliff of Stamford to the study group.

Senator Mauzy was appointed chairman of the Committee. Authorized by S.R. 1047, the members will study and investigate all matters relating to the rates of automobile insurance and report their findings with the feasibility of insurance companies taking into account their investment income when determining insurance rates for automobiles.

The Committee's findings

will be presented to the 62nd Legislature, meeting in January, 1971.

DPS Predicts 46 Holiday Deaths

Experience and the predicted traffic deaths in the next 46 days will lose lives in traffic accidents during the 46-hour period of the holiday, announced Major Bell of the Texas Department of Public Safety for the period.

"It is a known fact that July 4 traffic is more hazardous due to crowded conditions of the highways. Add driver misbehavior, misjudgment, negligence, and the drinking of intoxicating beverages while driving is like a giant exploding firecracker," Bell said.

"In an all out effort to keep this estimated toll down, the Texas Department of Public Safety will utilize additional personnel from its other services to augment the Highway Patrol force during the holiday period," Bell added.

"However, the most important effort in reducing traffic accidents must come from the individual drivers," concluded Major Bell.

Sam Mills' Flying Jenny

I do not know that I ever placed so that a kid could hang a finger into a ring as he whirled by. Every tenth ring was "brass". A "brass" ring got a free ride.

One grandma I know, once a girl, was a good enough school friend of one of the Mills girls that she was given as a special token of friendship, a brass ring that she carried for a whole season and rode the flying Jenny when she liked.

As the years went by the Flying Jenny kept making the picnics in the area. It was a sure cash producer and helped the Mills family as a cash crop always does. Groceries and taxes were the two big items in those days.

Oh, yes. The power plant? Mule power.

Mr. Mills would bring a couple

ple of mules to the picnic "grounds" and when one got tired of pulling the whirling gadget he would replace him with a fresh animal, every two or three hours, I am told. The mule was harnessed and hooked by a single tree to the pole and traveled in a circle inside of the circle made by his flying passengers.

Occasionally Mr. Mills would have to stop the flying Jenny and make a mean kid or two get off. He didn't call the sheriff or the police, or get hostile, he just put them off. They thought it was fun to chunk the mule with little missiles of one kind or another to make the animal go faster. It wasn't funny to Mr. Mills.

PLAINS NEWS by Mrs. Murray Julian

PLAINS NEWS, June 29 - Meetings are being held in homes in preparation for the week which will be held during the 10-12 hour vicin- ing places for the in the home of A. E. J. Kinslow at Monday morn- ing. The meeting place was at the South Church due to the on vacations. Fred Mike and Bruce and Mrs. Bruce Teen Time and during the intermediates of the Baptist through Monday with leaders and Mrs. Beedy and Mrs. Debbie Scott, Don- Daria Milton, Ter- and Sandy Powell. Mrs. Jim Roberts, and Mrs. Young and Mrs. well.

day. We understand she is doing as well as possible. Mrs. Ruby Higginbotham visited her at the hospital Sunday afternoon.

Miss Shirley Powell spent the last two weeks in Lubbock staying at the home of her brother, Mr. and Mrs. Johnny Powell and family.

We are sorry to hear of the illness of the father of Mrs. Richard Sanders of our community. Her father, Pete Gresham, of Plainview has been in the Plainview Hospital for the past two weeks, suffering with emphysema and complications. Mrs. Sanders has been staying part of each week with her father, and this week Mrs. Curtis Sanders is keeping her children while she is at her father's bedside.

Congratulations to Miss Cathy Calahan of Burleson, who grew up in South Plains, on her being crowned Miss Tarrant County Junior College District. Cathy was named Miss TCJC-D and also won the talent and bathing suit competition. She will compete in the Miss Texas Pagenet in July. Cathy is the daughter of Rev. and Mrs. H.S. Calahan Jr. of Burleson, and has many relatives in our area.

Mr. and Mrs. Sylvan Kinnibrough had house guests over the weekend. Friday night Mr. and Mrs. J. A. Kinnibrough of Vera spent the night with them, and Saturday and Sunday guests were Mr. and Mrs. W. H. Smith and two grandchildren of Odessa, Mr. and Mrs. Hewitt Simons of Truscott, Mrs. J. R. Spivey of Truscott, Mr. and Mrs. Ray Dillard of Lockney, Mr. and Mrs. Teddy Horne and Melissa of Plainview and Mr. and Mrs. Britt Gregory of Lubbock. Sunday the group celebrated the 85th birthday of Mrs. Kinnibrough's mother, Mrs. Spivey. We add our congratulations of Mrs. Spivey.

Mr. and Mrs. Walter Babb of Beaver, Oklahoma spent the past weekend here with their daughter, Mrs. Dean Stewart and family.

Mr. and Mrs. Don Staggs of South Plains returned Sunday night from a weeks vacation spent with relatives in Arkansas. They reported it was cooler down that way than our Texas weather.

Mr. and Mrs. Herman Thornton and children, Kay and Russell, are leaving in their trailer house this week for a vacation which will take them through the Southland. They plan to be gone for some time, enjoying many cities and sights while gone.

Mr. and Mrs. Frank McClure have had their grandchildren, Donnie 9 and Wade 11, children of the Donald McClures of Houston, with them here for the past two weeks. Sunday, friends on their way back to Houston, took the children home to the parents.

Mrs. L. T. Wood will be host for a breakfast in her garden July 8, at 8 o'clock for members of the Hobby Club. Co-hostesses are Mrs. Shelby Calahan, Mrs. Sylvan Kinnibrough, and Mrs. Arby Mulder. Mrs. M. M. Julian will bring "Thoughts For the Day." Mrs. Fred Fortenberry was

in the Lockney Hospital for minor foot surgery Monday. She is now doing fine.

Mr. and Mrs. Murray Julian arrived home Monday night from a camper vacation which took them to Murphy Lake, Taos, Shiprock, Farmington and other interesting places in New Mexico. Also to 4 corners of the USA, and to Cortez, Durango, and Vallecito Lake where they spent two days in Colorado. They spent one day at Mesa Verde National Park, and were over Wolf Creek Pass where the snow was deep on both sides of the road. It was 38 degrees there nearly every day, and this week Mrs. Curtis Sanders is keeping her children while she is at her father's bedside.

Services for J. B. Bishop were held Friday morning in the First Methodist Church in Floydada. Among those who attended from our area were Mr. and Mrs. Kendis Julian, Bishop died in Rome, Italy where he was on a three-week tour with his wife and friends. We also extend our sympathy to Mrs. Lyndell Roberts and family of Floydada, daughter of the Bishops. She is the sister-in-law of Mrs. Julian of our vicinity.

Mr. and Mrs. Travis Young and children went to Floydada after church services Sunday evening to visit with Travis' cousins, Mr. and Mrs. J. P. Whitaker and daughter, Pamela of Minneapolis, Minn., who were staying the night at the home of Travis' parents, Mr. and Mrs. R. E. Young. The Whitakers moved five years ago back to Minneapolis from Amarillo, and have been in that vicinity for two weeks attending to some property. Others visiting in the Young home with the out of town guests were Mr. and Mrs. Grigsby Milton, from South Plains, Mr. and Mrs. Don Shurbet and family, and Mr. and Mrs. Doug Meriwether. Mrs. Young served two freezers of home made ice cream to the guests. The Whitakers spent the night with them, and Pamela went home with Daria Milton to spend Sunday night with her.

Mr. and Mrs. R. L. Andrews Accepts Pastorship At Great Bend

Delmer Andrews, who has been minister of the City Park Church of Christ in Floydada for the past two years, has accepted pastorship at the church in Great Bend, Kan.

The family moved Monday. No replacement for the local church has been secured, according to the church committee this week.

In leaving, Andrews commented that the church in Great Bend, he felt, would be more of a challenge.

English Classes Being Taught At Community Center

The Community Center started an English class for Spanish-speaking people Wednesday night July 1. The class will continue each Wednesday night through the summer from 8 to 9 p.m. or as long as there is a need. The class is being taught by Dr. Eva Snead.

The instruction is on conversational type English. Dr. Snead will be teaching such things as: how to ask for certain items when shopping for groceries, clothing, medicine, hardware, etc., and how to buy certain items.

INDEPENDENCE DAY

THE SPIRIT OF FREEDOM...

It is a spirit that has marched in many lands, under many flags... wherever men have dreamed of a better life. It marched with the American colonists in 1776.

It is a spirit as indomitable as man himself for it is one of the "inalienable rights" endowed by the Creator on all men. Today the spirit of freedom is still on the march - let us rededicate ourselves to its cause.
