Floyd Farmers Watch Farm Bill Progress

WORKING CUCUMBERS... Workers sort cucumbers at the Louisiana Strawberry plant here. The shed employs about 70 people during the cucumber harvest and processes an average of 100,000 cucumbers per day at the Floydada plant. Packing continues through October. Battle Over Limitations

Both Floyd County farmers and businessmen are anxiously watching progress of a farm bill in Congress that could mean another three years of good business. . . or, if no bill comes out of the Congress, a downturn in the county's economy, which is so dependent upon the farm income.

There is considerable talk and speculation about a government payment limitation per farm or crop that is also a big topic of conversation up and down the street and on the turn-over.

At press time yesterday the bill was in hot debate in the House and here's the back-

ground on the situation according to a report from Washington early Wednesday morning: WASHINGTON - President Nixon endorsed a \$55,000-per-acre subsidy ceiling Tuesday and pushed a once-shelved farm bill into debate before a divided House.

It was only after Nixon's position was outlined in a letter that House Democratic farm leaders switched signals from the day before and agreed to call up the bill.

But there won't be any voting before today as attempts to reduce the limit to \$20,000 or other amendments because many members were absent due to state primary elections.

Limit Placed

The House Agriculture Committee, in approving the three-year farm bill, placed a \$55,000-per-acre limit on payments to farmers who take part in federal programs to reduce acreages planted in cotton, wheat and feed grains.

At present there is no limit on the amount a farmer can get under the federal program for not planting crops. In 1969 there were five individual payments of more than \$1 million under the cotton, wheat and feed-grains programs.

Nixon, in his letter to Rep. Page Belcher, R-Okla., said setting a ceiling is in the province of Congress and he would abide by its judgment.

Lowest Acceptable

But Nixon said he does subscribe to the analysis by the House committee and Secretary of Agriculture Clifford Hardin holding \$55,000 to be the lowest acceptable ceiling.

Nixon wrote, "It would poorly serve the country to develop a farm program, then impose so severe a limitation as to impair its effectiveness."

Nixon said he is aware of the "widespread desire for a much lower figure, and it is easy to share that desire," but he agrees with Hardin that "this could be harmful to the constructive farm program" pending before the House.

"You may, therefore, inform your colleagues . . . I must prefer the limitation proposed by your committee."

Cotton Estimate Up For County

According to estimated issued by Plains Cotton Growers Inc. and the Lubbock Cotton Exchange, the expected cotton output for the South Plains is 1,840,000 bales. If this estimate holds true, the crop will be the largest in five years, up nearly half a million bales over last year's.

Estimates for Floyd County put the expected 1970 cotton output at 79,000 bales, compared to 62,803 bales last year.

Dryland cotton is reported doing well in the area, but needing a good rain in the next few days if it is to give the yields expected. Whether a good rain falls soon could determine whether the dryland cotton acreage yields over a bale to the acre or falls considerably short of that. The subsoil moisture is being rapidly depleted, and after it is exhausted dryland cotton conditions can change quickly, cotton researchers say.

Crop Estimates

Following are the county-by-county estimates for 1970 on South Plains Cotton acreage planted, acreage now standing, expected production, and bales ginned in 1969:

Bell Wire Chief Assisting In Hurricane Area

Ray Minatrea, Southwestern Bell wire chief in Floydada, is one of about 70 Southwestern Bell employees from West Texas who have gone to the hurricane Celia area to assist in telephone restoration.

Minatrea left early Tuesday in port to the Corpus Christi area.

Several 100 other Southwestern Bell installers, repairmen, linemen and other restoration

workers will go into the hurricane damaged area during the day.

Also a number of additional operators have been dispatched to the Corpus Christi area to help with local and long distance calling.

Early Tuesday morning Southwestern Bell officials had been unable to make accurate surveys of the damage in Corpus Christi and surrounding

towns because of high water and debris. However, initial estimates CELIA, PAGE 9

Students Register August 21

Floydada schools will register students on Friday, August 21. Grades one, two and three

will register at Duncan Elementary from 9 a.m. until noon, while students in grades four, five and six will register at the same time at Andrews School. Junior High registration is set for the same day from 8:45 a.m. until noon. Junior High band students will register at the same time.

High school registration will be on the same day. Seniors register from 8 until 10 a.m.; juniors from 10 a.m. until noon; sophomores from 1 until 3 p.m.; and freshmen from 3 until 5 p.m. Freshmen, sophs, and juniors will have their annual pictures taken when they register. Boys should wear coat and tie, and girls should wear appropriate dress for the pictures.

All schools begin classes on Monday, August 24.

School Budget Hearing Set For Monday

ASC Committee Elections Coming

The ASC Community Committee Elections will be held soon. Ballots will be mailed to eligible voters about September 1, 1970. The voted ballots must be mailed or returned in person by September 11, 1970. The ASC communities in Floyd County are commonly known as A, B, C, D, E, F, G, H, and I.

Present members of each community are listed below in the following order: Chairman, Vice-chairman, Regular Member, First Alternate, and Second Alternate:

- A - Donnie Bybee, Harold Griffith, Boyce Mosley, David Frizzell, Floyd Lyles.
- B - C. L. Gilly, Cecil Purcell, Jack Yeary, Eldon Fortenberry, Frank Brown.
- C - Royce Latimer, J. R. Belt, Oscar Golden, F. L. Montandon, R. C. Kellison.
- D - A. L. Bigham, Ray Aston, Dale Widener, Glen R. Cooper, Easton Blenden.
- E - Roy Baxter, Adrain C. Helms, Lee W. Burton, Kay Crabtree, Vance Campbell.
- F - Bernie Parkey, Edwin Nutt, Jerrold Vinson, T. C. Hollums, Milton C. Evans.
- G - B. A. Robertson, Louis Pyle, William F. Bertrand, Graer Christian, E. A. Williams.
- H - H. L. Porter Jr., J. W. Day Jr., L. L. Ferguson, W. L. Davis, Tom Porter.

I - Ray Lloyd, Henry Hinton, Ralph Johnston, Harold Bertrand, Odell Breed

A slate of at least six nominees will be developed for each community. Each eligible voter has the right and the opportunity to nominate candidates by petition. Such petitions must be:

1. Limited to one nominee each.
2. Signed by at least six eligible voters in the community. (Eligible voters may sign as many petitions as they desire.)
3. Received at the county office by August 17, 1970.

If six or more candidates are nominated by proper petition, and they agree to serve, no further nominations will be made for the community. If less than six are nominated by petition, the present community committee will add the number of nominees needed to complete the slate of six.

Persons nominated should be (1) currently engaged in the operation of a farm or ranch and (2) well qualified for committee work. In general, a person is eligible to be a community committeeman if he lives in the community in which he is eligible to vote. If a person who is nominated by petition is found to be ineligible, he will be notified and given 15 days in which to appeal to the county committee.

Questions And Answers On The Sales Tax

WHAT ITEMS WILL BE TAXED?

Items taxed will be exactly the same as items taxed by the state sales tax, and exemptions will be the same as under the state sales tax.

WHEN WOULD THE TAX GO INTO EFFECT?

The sales tax would go into effect January 1, 1971, if the City of Floydada passes the tax.

WHO CAN VOTE?

Every registered voter in Floydada may vote.

WHERE CAN I VOTE?

At the City Hall in Floydada.

WHEN IS THE ELECTION?

The sales tax election will be held Saturday, August 15, 1970, AS A BUSINESSMAN, WHY FAVOR A SALES TAX?

A run-down city runs down business. Experience in other cities has proved that a sales tax does not hurt retail business. A better, safer, more progressive city will attract industry and people. That means more business, not less. If Floydada has adequate finances, it will continue to grow, if not, it will stagnate. That does mean less business.

AS A HOUSEWIFE, WHY FAVOR A SALES TAX?

No wife or mother wants to live in a town that does not provide police and fire protection, good parks and playgrounds. It is one of the best investments you can make for your family. DO OTHER CITIES HAVE A SALES TAX?

Yes, several hundred cities around the nation were caught in the same financial squeeze we are and turned to the sales tax as the best answer to their money problems.

A few of the surrounding cities having a sales tax are: Abernathy, Brownfield, Childress, Crosbyton, Lockney, Lubbock, Plainview and Hale Center.

Floyd Farm Bureau To Upgrade Program

Floyd County Farm Bureau is currently involved in a state-wide effort to evaluate current organization programs on the state and county level and establish goals and priorities, according to Bill Race of Lockney, president.

In a special board meeting held August 3, 1970 in Floydada, the local Farm Bureau directors adopted a resolution committing themselves to the "leadership of other county Farm Bureaus in a joint effort to up-grade and strengthen the organization's program to better serve the needs of farm and ranch families."

The board also voted to send President Bill Race as a representative to a special statewide meeting of county presidents August 27-28 in Brownwood. The purpose of this conference is to chart a recommended course of action for the Farm Bureau.

All of the 203 organized county Farm Bureaus in Texas are

holding special board meetings this summer to evaluate current programs and set goals, President Bill Race said. A summary report of these meetings will be presented to all of the county presidents at Brownwood. In addition, they will consider a special report that is to be prepared by agricultural specialists in the land grant system on trends in farm production, marketing, etc.

Recommendations on what the Farm Bureau organization should do on both state and

county levels are expected to come from the Brownwood meeting.

According to a procedural plan adopted by the Texas Farm Bureau board of directors in June, a statewide committee will be appointed and charged with the responsibility of implementing the state-level recommendations. County Farm Bureaus will be urged to appoint similar county committees to carry out local programs and activities.

Floydada Youths Robbed In Lubbock

Three men are reportedly jailed in Lubbock following the robbery of two young Floydada men early Saturday morning in that city.

Jim Snead and Chris Hinsley of Floydada were reportedly picked up by the three between Lubbock and the Lubbock air-

port about 2 a.m. Saturday and robbed of \$110. Snead said one of the three broke a glass root beer mug over his head. The two Floydada youths were reportedly threatened with crowbars and later let out of the car, which was headed toward Brownfield.

Summer Rehearsals Set For Band

Summer band rehearsals for the Whirlwind Band will begin Monday August 10 at 6:30 p.m. in the Junior High School band hall, band director Jim Swofford announced today. Members are encouraged to be a little early as equipment and music will be issued before measurements are taken for the new style band jackets. Rehearsals will be held each evening from 6:30 to 9:15 except Wednesdays. Time for the Wednesday rehearsals will be announced later.

Band Registration August 21

A band instrument display and registration will be held in the Junior High School band hall August 21. Students and parents interested in band should drop by for a few minutes any time between 9 a.m. and 2 p.m., according to band director Jim Swofford. It is very important that all beginning band students register and discuss instrument selection with the band director. Students in the seventh and eighth grades are eligible to attend band classes in Floydada Junior High.

Small Town Life The Answer

Six or eight years ago, the experts were popularly saying that by 1980, if the small towns could survive that long, the population trend into the cities would be reversed, with people fleeing congested metropolitan areas to return to the peace, safety and economy of the country. What has happened in the last couple of years should have moved up the timetable five to eight years. The cities, bless their little polluted industrial areas, have "had it." The air is bad, transportation awful, apartments high and hard to find, a good meal scandalously expensive, food prices high, tempers short, power short, too, crime rocketing, jobs scarce, taxes impossible, and lots of people scared and lonesome. Those are just a few of the shortcomings. There are lots more. In talking to our Connecticut daughter the other day, she complained of an ailment, but noted it would be August before she could get an appointment with a good doctor. August, mind you, and the phone conversation occurred in early July. When the reader stops to compare his "life in Post" with that he would have to put up with today in a metropolitan area, the comparison is ridiculous. It's time for the small towns of the nation to start peddling their real "lived in virtues." It's time, too, for the nation's planners to awake to the fact that small town life is the answer to the troubles of the cities - just peddle the over-population back to the smaller towns. That will put economic energy into the smaller communities again and save billions of dollars which otherwise will go down the rat hole trying to rescue cities. --Post Dispatch

Miss Penny Gail McClintock Is Bride Of Dayne Golightly

Miss Penny Gail McClintock became the bride of Dayne M. Golightly in a double ring ceremony read at 5 o'clock p.m. Saturday, August 1, in the First Baptist Church. Dr. Floyd C. Bradley, pastor, performed the wedding before palms of commode foliage in brass urns, and altar arrangements of white majestic daisies and hurricane type candelabra.

The bride is the daughter of Mr. and Mrs. F. D. McClintock, Floydada, and the groom is the son of Mr. and Mrs. Clifford Golightly of Plainview.

Given in marriage by her father, the bride wore an original gown of satin de sole, fashioned with an empire waistline outlined with a narrow band of matching material. The bodice and skirt were trimmed with scallops of Chantilly lace highlighted by designs of seed pearls and sequins, which also complemented the neckline, shoulders and wrists of the long tapered sleeves. Self covered buttons closed the bodice back and sleeves of the gown.

The headpiece was designed and made by the bride. It was of Chantilly lace encrusted with seed pearls and sequins. A long flowing veil of matching lace fell from the crown. She carried a white satin covered Bible which held a cascade arrangement of white butterfly rose buds and stephanotis.

Births

Mr. and Mrs. Kent Hardage of Colorado Springs, Colo., are parents of a son, Philip Kent Hardage Jr., who was born July 20. The baby weighed eight pounds and 14 ounces at birth. He has a sister, Barbara Michelle.

Grandparents are Mr. and Mrs. Bud Goen of Floydada and Mr. and Mrs. Philip Hardage of Maud, Tex.

Mrs. Kenneth Bloys, Floydada, was matron of honor. Mrs. Donny Guess, Junction City, Kansas, sister of the bride, was bridesmatron and Misses Gail Harrison and Kim Harrison, Floydada, were bridesmaids.

They were attired in green dotted swiss gowns styled with empire waists, long full skirts, which fell into a brief train, and long full sleeves gathered at the wrists to form ruffles. They carried bouquets formed in satin covered baskets. The garland arrangements were white and yellow marguerita daisies trimmed in white satin.

Randy Bertrand of Floydada was best man, James Golightly, Plainview, brother of the groom, Sam Green and Rex Harrison, Floydada, were groomsmen.

Ushers included Donny Guess, brother-in-law of the groom, Tommy Wylie, Floydada, and Joe Christian, Canyon.

Mrs. Bill Hardin was organist and Miss Wren Patterson, Plainview, was soloist.

A reception in Fellowship Hall of the church, followed the ceremony. Bouquets of feminine attendants were placed to form the centerpiece on the lace covered table. Crystal appointments completed the setting.

For a wedding trip to Ruidoso the bride changed to a long sleeve dress of beige topped with a sleeveless coat of matching color. She also wore a corsage of white roses, which was detached from her bridal bouquet.

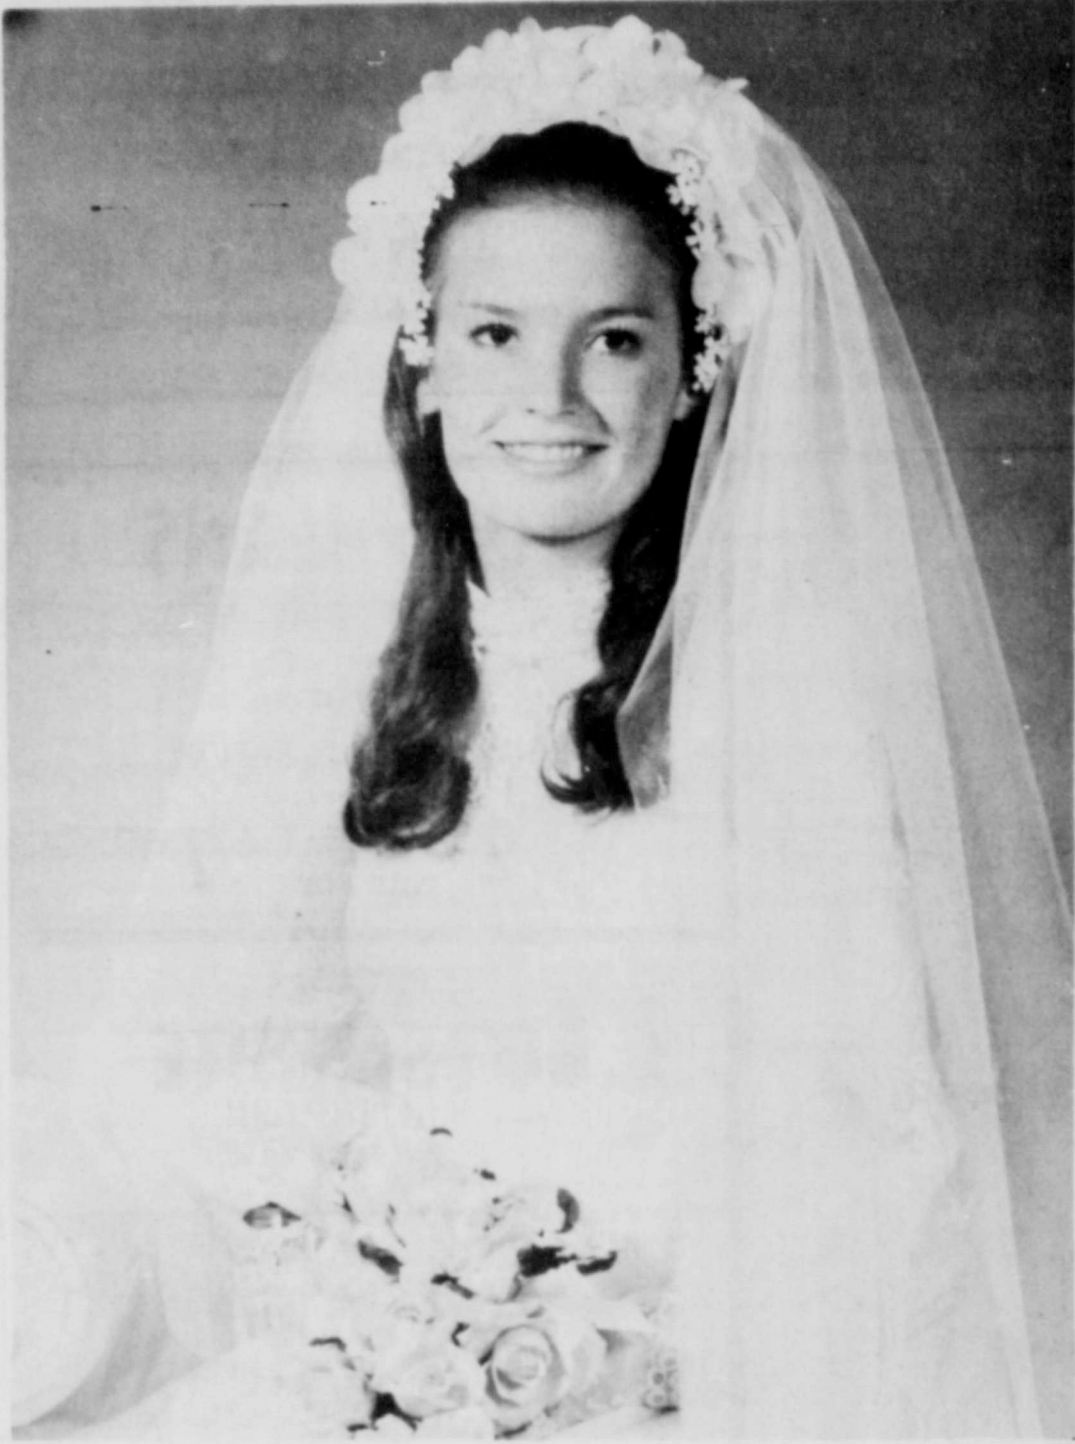

The newlyweds are both graduates of Floydada High School. The groom has been attending South Plains College at Levelland.

His parents were hosts for the rehearsal dinner held Thursday evening in the American Legion Hall in Floydada.

Wedding Vows Read For Miss Marilyn McLain, Travis Weems

Candlelight wedding vows for Miss Marilyn McLain and Travis Joe Weems were read at 7 o'clock p.m. Saturday, August 1 in the First United Methodist Church in Floydada. Rev. C. B. Melton, pastor, officiated for the double ring ceremony.

The bride is the daughter of Mrs. James Hollis McLain and the late Mr. McLain, and the groom is the son of Mr. and Mrs. Milton J. Weems. Both families reside in Floydada.

Presented in marriage by her uncle, Don Cornelius of Bartlesville, Oklahoma, the bride wore a traditional gown of white Schiffril silk organza. The yoked bodice and sleeves featured embroidered organza and cut work. Venise lace accented the high neckline and cuffs and also defined the empire waist and hemline, which swept to a chapel length train.

Her chapel length veil of silk illusion was attached to a band of organza flowers and velvet bows.

The bride carried a white prayer book on which lay two white orchids surrounded by marguerita daisies, stephanotis and baby's breath. For something old she wore a lavender belonging to Mrs. Pierce King; something new was a necklace, a gift from the groom; something borrowed was the prayer book belonging to Mrs. Jakey Younger and something blue was the traditional wedding garter.

Miss Alison McLain, sister of the bride, was maid of honor. Bridesmatrons were Mrs. Jakey Younger, Floydada, and Mrs. Michael Boyett, Lubbock. Both are cousins of the bride. Each wore empire styled formal length gowns of spring

green voile, and wide brimmed hats. They carried garden bouquets of marguerita daisies.

Mark Weems served his brother as best man. Mark Goen and Tommy Weathersbee were groomsmen. Guests were seated by Mac Baker, Garland Martin and Randall Weems.

Mysti Younger was flower girl and Cliff McLain, brother of the bride, was ring bearer.

Organ selections were presented by Mrs. Bob Copeland, who also accompanied soloist, Mrs. D. S. Bettey Jr.

Guests were registered by Miss Kacky Weems, sister of the groom. Music during the reception, held in Fellowship

Hall, was presented at the piano by Miss Sharon Decker.

Assisting with the reception were Mrs. Don Cornelius, Bartlesville, Oklahoma; Mrs. Mac Baker, Lubbock, and Miss Rita Taylor.

After a brief wedding trip the couple will be at home in Lubbock. The bride traveled in a beige suit with brown accessories, completing her ensemble with orchids from her bridal bouquet.

The bride is a graduate of Floydada High School and attended West Texas State University. She is employed by Mrs. Mantooth, Lehman and Lehman. Weems, also a Floydada graduate, is a

engineering major at University.

Out of town guests dining included Mr. and Mrs. Ver Holmes and Mrs. Cindi Conner, Dumas; Kimble, Arlington; Mrs. Mike Boyett, Hans Roth, Germany; Mrs. John E. Brown, Garrett of Dallas; Marilyn Edwards, Farwell; Mary Febock; Mr. and Mrs. Irwin and Harvey, Mabry, Amarillo; Don Cornelius, Custer and Cindy of Bartlesville.

MR. AND MRS. C. P. FULKERSON

Mr. And Mrs. Fulkerson Will Be Honored On 50th. Anniversary

Mr. and Mrs. C. P. Fulkerson will be honored Sunday, August 9, with a reception in observance of their Golden Wedding Anniversary. The event will be held in the First Baptist Church in Floydada from 2:30 p.m. until 5 p.m.

The couple's two daughters and their husbands will host the reception. They are Mr. and Mrs. Don Finkner (Charlene) of Lubbock and Mr. and Mrs. Roland R. Boenig (Erma) of New Braunfels, Texas.

Mr. and Mrs. Fulkerson also have three grandchildren, Ronald David Boenig, who is in the Navy, stationed at Guam and Delores and Carol Boenig of the home in New Braunfels.

Nellie Goins, born in Virginia, and Fulkerson, a native of Erath County, were married August 7, 1920 in Lockney.

Mrs. Fulkerson moved with her parents to Floyd County at the age of six months. Her husband moved here in 1916. Both are members of the First Baptist Church.

Friends and relatives of the family are invited to attend the reception.

"The allied forces attacked 20 miles behind the lines to liberate the inmates of the camp and we knew freedom was near when Philippine guerrillas scaled the camp walls and U.S. paratroopers were dropped from planes." After the war the Hansons lived in Honduras, El Salvador and Nicaragua. When her husband died some two years ago of a sudden heart attack, Mrs. Hanson returned to her native Floydada to be near relatives. I'm sure Mrs. Hanson could relate many incidents which occurred while she and her husband were prisoners, but she is ill with a virus and confined to bed, so my interview with her was brief, with most of the details coming from other sources.

ALL former residents of Harmony community, those who still reside there and all area friends are reminded of their annual Homecoming to be held Sunday, August 16 from 2 until 5:30 p.m. in the Harmony Community Center.

CURTIS Jester got a nice homecoming when he arrived in Floydada Monday from duties in Vietnam. His parents, Mr. and Mrs. A. J. Jester, fixed a big sign across the inside of their Travel Center Restau-

rant, which read "Welcome home Curtis." I understand another Floydada soldier is due home by the weekend. He is Steve Marler, son of Mr. and Mrs. Orville Marler. His mother had surgery Tuesday morning but is doing fine and should be able to greet her son at the airport with open arms when he arrives Saturday.

WHEN a hurricane hits the coast it usually touches the hearts of Floydada persons who have loved ones there. Word has reached Mrs. L. G. Withers that daughter Wanda is safe. She went to the shelter of the W. C. Boren residence in Corpus Christi. Their home received damage but no one was injured. Wanda called her sister in Garland, who in turn called Mrs. Withers. Wanda related that the apartment house where she lived sustained some damage but she didn't know as yet if any of her possessions were damaged. Mrs. W. S. Simmons, whose daughter and family reside in Rockport, has not heard from them as yet. She said the Brannons had rode out numerous hurricanes and that they had no plans to leave their home ahead of Celia. The

JUST barely got back in time from vacation to get back to work. Sure needed some extra days to rest up. We traveled over 4,000 miles in five states and enjoyed every mile. We found that not only is Texas needing rain, but so are parts of New Mexico, Arizona, California, Nevada and Colorado. The temperature would be extreme in some parts of the country and you could drive 20 miles and need a sweater. We took a beautiful drive along the coast from San Diego to San Francisco, and in between stopped at Santa Cruz for an overnight stay with friends. Santa Cruz is a fast growing business and resort town, nice and cool and with beautiful red woods growing some 20 miles away. Saw my first avacado and celery fields. I believe a person could grow nearly anything in that area. San Francisco did not appeal to me in the least. (Sorry if any of my readers are natives of there) We found it cold and blustery and I thought Texas was the only place the wind blew hard. Fisherman's Warf was a must on our list and we even

drove down Lobard Street. That's the street that Bill Cozby (TV Star) says when you are driving down don't put on your brakes or the turtle lid will fly up from your car and hit you in the back of the head. Its a block long and has six turns in it, straight down. It isn't a thrill for one like me. From Frisco we drove to Lake Tahoe, where I would like to spend the summer months just resting. For a resort town, food and lodging is very reasonably priced. We visited briefly in Moab, Utah, but failed to reach Skinny and Lois Winn by phone. It was so hot there I bet they had gone to the mountains. We did visit his Canyonlands, however didn't take the trip up the Colorado River. It was shortly after noon, and the boat goes out at night and we were pressed for time. Friends say it is a spectacular two hour cruise on the Colorado River. Skinny mastered the art of illuminating scenic areas with powerful lights mounted on a special truck which coordinates with the 80 passenger jet boat. Those who have seen the controlled illumination say the canyon walls simply come to life.

A NATIVE of Floydada, who returned here some two years ago to reside, recalled her World War II captivity while attending the American Ex-

Prisoners of War convention held recently in Wichita Falls. She is Mrs. Rolf Hanson, the former Donnie Taylor, daughter of the late Mr. and Mrs. Jim Taylor. Mrs. Hanson is a relative of the Fortenberrys, Browns and Taylors of the area. Living on five tablespoons of rice a day for five months were some of the experiences during captivity recalled by Mrs. Hanson. She and her husband, a mining engineer, were in the Philippines when the Japanese took over in World War II. The couple spent 38 months in captivity, seven months of that time in separate camps. Mrs. Hanson said she recalls vividly the resourcefulness of the American people. The made items out of practically nothing. She recalled that a chemist from a sugar mill made soap, when the Japanese would not provide it for the prisoners. She said there were many children in the camp where she was confined and within ten days the Americans had set up a school. Prisoners were given no clothing during the confinement and Mrs. Hanson said one commandant, who gave prisoners seeds and a place to make a small garden, was relieved of his command. Lacking many necessities during confinement, Mrs. Hanson said her husband lost 100 pounds. The prisoners joy when freedom came is hard to describe. She continued

'60 Class Reunion Set Saturday, Sunday

Saturday, August 8, is the date set for opening functions of the Floydada High School class reunion of 1960. The ten year reunion will be held in the Duncan Elementary School cafeteria on both Saturday and Sunday.

Registration for ex-students will begin at 2 p.m. Saturday and the first assembly will follow at 2:45. Teachers of the class are to be special guests at the Saturday evening meal and assembly. Any teacher who

has ever taught the class is invited to attend. Registration for the teachers will be at 6:30 Saturday evening with the meal planned for 7 p.m.

The Sunday afternoon gathering will begin at 2 o'clock with free time for visiting until adjournment at 4:30.

Each of the free time periods of the reunion will be colored with music of the late 50s and snapshot viewing and reminiscing of school days.

Those interested in addition-

al information or wishing to make reservations may contact either Mrs. Alton Higginbotham or Mrs. Harvey Allen in Floydada.

Gross Children Hold Reunion

Children of Mrs. Eula Gross and the late Fred Gross gathered the past week in Floydada for a family reunion. Thirty-two Gross descendants attended services at the First United Methodist Church Sunday.

Here for the reunion were Mr. and Mrs. Jerry Gross and children, Seattle, Wash.; Mr. and Mrs. Lonnie Gross and Bart of Cleveland, Tenn.; Mr. and Mrs. L. J. Fowler, Nancy and Robert of Bovina; Mr. and Mrs. Henry Hinton and sons, Floydada;

Mr. and Mrs. Dan Gross and children, Hobbs, N.M.; Mr. and Mrs. Allan Gross and children, Petersburg; Mr. and Mrs. Thacker Gross and family, Hereford, and the mother, Eula Gross.

Friends calling at the home during this time included Mr. and Mrs. Everett Miller of Petersburg and Mr. and Mrs. Herman Graham of Lockney.

Candlelight Ceremony Unites Miss Cole And Max Campbell

A candlelight ceremony at the First Christian Church in Levelland at 7:30 Saturday evening, was the setting for the wedding of Miss Nancy Carolyn Cole and Bennie Max Campbell. The bride is the daughter of Mrs. C. H. Cole and the late Mr. Cole of Levelland. The groom is the son of Mr. and Mrs. Maurice Campbell, Floydada.

Rev. Richard Tarr, pastor, officiated at the double ring ceremony.

The bride, given in marriage by her uncle, Harold B. Combs of Levelland, wore a street length dress of candlelight handwoven French ribbon lace, with a scalloped lace hemline and a matching silk peau de soie belt at the waist. She wore her sister's shoulder length veil of peau de soie, crowned with seed pearl clusters. She carried a white Bible, belonging to the groom's mother, which was covered with white stephanotis, centered with a white orchid. For something blue, she wore a blue garter, belonging to the groom's sister, and for good luck she had an Irish penny in her shoe.

The bride was attended by her sister, Mrs. Tom Edwards of Lubbock, who wore a street length dress of cornflower blue chiffon and a headpiece fashioned of matching milleau, accented with a ribbon bow and daisies. Her bouquet was a nosegay of blue daisies and baby's breath. The groom's father attended his son as best man.

Ushers were Charles Christian of Floydada and Ronald Bertrand of Lubbock. Mrs. Paul Macky, organist, provided wedding music and accompanied Mrs. Bill Brown soloist. Guests were registered by Miss Corryne Galloway of Lubbock. A reception followed in Fellowship Hall of the church. The

bride's table was covered with a white cloth accented by a blue and white floral arrangement and a silver branched candelabra. A silver punch service completed the table setting.

The groom's table had a yellow and bronze daisy arrangement on a single brass candlestick, and a silver coffee service. Jean and Kim Campbell, sisters of the groom, served at the bride's table.

The bride is a graduate of Texas Tech and employed by the Lubbock Public School System and is also working toward her masters degree at Tech. The groom is a graduate of Texas Tech and is employed by the Texas Department of Agriculture as an inspector. He is a veteran of Vietnam.

After a Canadian honeymoon, the couple will be at home at 6602 Gary in Lubbock.

A rehearsal dinner was hosted by the groom's parents Friday night at the Carriage House in Lubbock. Out of town guests included the groom's sister, Mrs. George Staples, of Appleton, New York.

Hospital Notes

RECEIVED a note from Mrs. J. A. Noland, former Floyd Countyan, who wrote that she and her husband had finally got moved into their new ranch home near Blue Ridge. Mrs. Noland wrote that everything up their way was also hot and dry and in bad need of moisture.

DID you plant lovers know that The Religious Research Foundation, Inc., is convinced that plants in happy homes within earshot of fun and laughter grow to much healthier specimens. There is a book about it: The Power of Prayer on Plants.

SOMEONE told me the other day that if you find cockroaches in your home don't spray to kill them, catch 'em and sell them as fish bait. There is a couple in Illinois who raise minnows, worms and cockroaches to sell as fish bait. Sixty-five cents per hundred. The man wrote the Department of Agriculture for information on how to raise cockroaches. They wrote back, "All we know is how to kill them." I'm sure this bit of information will make everyone want to get in the cockroach business, or at least save them up for a fishing trip.

Floyd Bradfords To Observe 25th Wedding Anniversary

Mr. and Mrs. Floyd Bradford will observe their 25th Wedding Anniversary Sunday, August 9, with a reception to be held in the family home in the Baker Community. Friends and relatives are invited to attend the open house between the hours of 4 and 6 o'clock p.m.

Hosts for the occasion will be the couple's children, Second Lt. and Mrs. Conley Bradford of Mesa, Ariz., and Danny Bradford of the home. The son in Arizona and his family, however, will be unable to attend the reception.

The Bradfords also have one grandchild, Paige Bradford of Mesa.

Mrs. Bradford is the former Euna Fawver, daughter of Mr. and Mrs. Claude Fawver of Floydada. She and Bradford were married August 10, 1945 and have resided in Floyd County since, with the exception of when he was in service during World War II. Both are members of the First Baptist Church.

Poststate Beat How to Be Happy in Next to Nothing

By Monk Tyson

GRAND JUNCTION, Colo.—A financial position somewhere between that of millionaire H. L. Hunt and my brother, would be desirable when I retire. My income would have to be considerably more than that of Brother Bill, but I'd like something less than the financial empire of Hunt.

He and his wife, Cora (the Bird) retired three or four years ago. The pantry shelves in their little place with fruit jars of vegetables, jam and jelly. At this time of the year their garden is a picture of bounteousness.

They have to make drastic changes at the end of the year to live on an income like that of the Cora. They spend about as much as we spend per day, but their income is as many as ours—and they're more relaxed.

Resisted Formal Education
Bill resisted formal education, but his father, a lumberjack, truck driver and mechanic made him a good provider. Bill and Bird operated a filling station in the Springs, Colo., and saved enough to buy a small motel at Boulder. After their motel Bill went on Social Security. A few dollars per month from income savings accounts, plus Bill's gardening skills and Bird's ability at canning, made the Social Security income a good food and comfortable life.

Bill decided many years ago that the life of Murvall Creek, our home in east Texas, was the best means of expressing himself. He was clinging to the vernacular with tenacity.

"Look at them black-birds! Ain't they perty! See them black-eyed peas? Ain't unusual for Bill to switch to peas subject while admiring his black-peas, turnip greens and okra. Remember what a hard-shell Methodist Uncle Barclay is?" he said in a change of subjects. He was referring to Uncle Barclay Chesnut in Texas. "Lightning struck 'im—next to 'im, that is. Might nigh hit

strikin' a Baptist. Durn stuff only strikes Methodists."

"See them little bitsy stalks of sweet corn on the end of the row. They ain't runts. I planted the daddled stuff a day at a time—few kernels one day, few more the next day. All the ears don't git ripe at the same time. Fresh corn every day for a couple of weeks."

Bill's marksmanship and hunting prowess were legend along Murvall Creek and in Colorado's San Juan Mountains which became home in the late 1920s. He could pick a squirrel out of the air with a shotgun as it jumped from tree to tree. He seldom came home from fishing without a long string of catfish and goggle-eye perch.

Today, he limits his killing to swatting a fly. At his motel on Boulder creek he'd step out among the shadows of tall willows and cottonwood and bellow, "Cere! Git outa them trees, you rascals!"

Whereupon, as many as half a dozen squirrels would scamper down the trunks, sit on limbs within reach and scold for goodies. His favorite squirrel was named John Henry, who would invade the kitchen and scold until he received a handout.

"Fishin'? I ain't been fishin' in nigh onto 20 years." Bill chortled. "I don't wanna hurt them pore little ol' fish."

No Cats, Dogs
He won't allow a cat or dog to take up residence at his home. I suspect it is because of a hostile suspicion that one of those animals killed Homer, his pet bull snake, which was "the best daddled mouse catcher in Colorado."

Since moving to Grand Junction, Bill has been a diligent seasonal picker of peaches, apricots and cherries, an occupation which provided enough cash to take him and Bird on a trip back to Murvall Creek each autumn. Today, an old back injury and other ailments keep him out of harvesting action.

"Sure, we'll go back to Murvall Creek next fall," he said. "Been eatin' too much Gittin' fat. Cut down on my eatin' so much here of late that I'll save enough money to make the trip."

I'm sure they'll manage to scrape up enough money to make the trip—to our mutual benefit. Bill and Bird always return with a sack of hickory nuts and a few stalks of sugar cane, which they deposit on my front porch.

FLOYD PHILOSOPHER Finds A Ready Phrase To Explain All The Country's Financial Bind

Editor's note: The Floyd Philosopher on his Johnson grass farm explains a complicated financial matter this week, approximately.

Dear editor:
To get my mind off some first-of-the-month bills the other day I was resting and reading a newspaper under my favorite shade tree, the one that's lined up with two other trees so that when the sun moves the next tree picks up the shade, then the next, and I can stay in one place all afternoon without shifting positions—I know some people who are so poorly equipped to think ahead and so unaware of the laws of nature they go to sleep in the shade and wake up in the sun—and ran across an article that sort of pepped me up.

According to it, the head of a big financial conglomerate was explaining to his stockholders why the corporation was losing money and getting further and further into debt. "We are experiencing a negative cash flow," he said. What this means, the writer of the article

explained, was that the company was paying out more than it was taking in. In other words, he added, it couldn't make ends meet.

I prefer the company's explanation. The trouble with this Johnson grass farm, for example, sounds a lot better when I say it's experiencing a negative cash flow rather than saying it's losing money.

Washington, for another example, would sound more comforting if it'd report a negative cash flow instead of a 3-million-dollar budget deficit.

The trouble with a lot of people's financial situation these days is not inflation, rising costs of everything, higher taxes or over-spending, it's just that when they get to the end of the month they find their household is experiencing a negative cash flow.

What everybody needs is a positive cash flow. I'm glad to get this cleared up.
Yours faithfully,
J. A.

PRAYER FOR AMERICA
Oh God, before Whom nations rise to either stand or fall! Look down upon America and hear Thy people's call! Our wounds are great — they stretch abroad to other distant parts!
Our sons are dying far from home and heavy are our hearts! Within the borders of our land there stalks a nameless dread! Amid the throng of black and white Thy children's blood runs red!
To Thee, oh God, we lift our eyes! Oh, could our nation be A land of peace and love and yet — America, the free! And whom else shall we go for help? Beside Thee there is none! And yet we dare not ask our will but only Thine is done! If in our sins America must fall before Thy face, Create an humbled, nobler one to rise up in her place! When we are purged of many wrongs, Thy judgment shall surcease!
And only when we turn to Thee shall we abide in peace! American! Great land of liberty — Whose slogan is "In God We Trust" — Have we forgotten Thee? June Hawks Goins

ON FOOD PRICES

Dr. S. Kent Christense, vice president and chief economist for the National Association of Food Chains, said retail food prices this year will be 5.5 per cent to 6 per cent higher than in 1969. He said rising labor costs and higher transportation costs would cause the increase.

LEGAL NOTICES

certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Texas Soybean Association, Plainview, Texas 79072 proposes a referendum election under provisions of Article 55c, Vernon's Statutes, on the proposition of whether or not soybean producers in a 23-county area of the State of Texas shall assess a maximum amount of 1/2 cent per bushel to be levied at the point of first processing or sale and to elect a 9-man commodity producers board to administer such assessment to be used for research, insect control, education, and promotion designed to improve the production, marketing, and use of soybeans. To be included in the referendum area are: Deaf Smith, Castro, Swisher, Briscoe, Bailey, Lamb, Hale, Lubbock, Crosby, Bowie, Red River, Lamar, Delta, Orange, Jefferson, Chambers, Liberty, Hardin, Harris, and Tarrant.

A referendum and election will be held in each county by ballot. Polls will be open from 8:00 a.m. until 5:00 p.m. on the date of the election. The polling place for Floyd County will be at Council Room, Agricultural Building on Main Square, Floydada, Texas. Voting will be conducted on August 26.

Any person within the area described above engaged in the production, or causing to be produced, soybeans for commercial purposes is eligible to vote, including owners and their tenants and sharecroppers, if such person is required to pay the assessment proposed.

Any person qualified to vote at the referendum may place his nomination for election to the proposed commodity producers board by written application to the above organization for himself and at least ten other persons eligible to vote at the referendum. Such applications must be filed at least 30 days prior to the election date.

Any person who wishes to vote absentee may obtain a ballot at the County Agent's office on or after September 12, 1970. Ballots must be completed and returned to the Texas Soybean Association, Drawer Q, Plainview, Texas prior to mid-day of the election date.

RIGHT OR WRONG

RIGHT OR WRONG

"Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding." Proverbs 4:7.

There is no one who is not faced with the problem of what is right and what is wrong. In the complex age in which we live there are many things that face us that we do not have a direct answer in the Bible as to its virtue. There is no question concerning murder, lying, stealing, and etc. We can find a scripture and verse that tells us that it is wrong. But there are many things that we can only apply the principles laid out in God's Word along with some common sense tests. If we will be honest with ourselves usually the conclusions we reach will be the right ones.

May I offer a few simple tests that all of us may apply to a questionable problem that may arise in our daily lives.

First, what does just plan, common horse sense say is the correct answer. Solomon said that a little knowledge was a dangerous thing. That is, knowledge without common sense to apply it to our daily lives. As we look at the results of the problem in the lives of others, what it has done to or for them, then simply apply this knowledge to your own life and problem.

Secondly, apply the test of sportsmanship. There is no one who doesn't admire a good sport. Every loyal sports fan wants to see his team win, but above this, we want to see it done fairly. Then, can I be a good sport in the game of life and do this thing? Will it be fair to my family and my friends? When it is finished what will people think of me?

Third, apply the test of your better self. This could be called conscience or various other things. What does my own heart say to me about it. So many times we want to be one of the gang, while all the while, deep within us we know that we are wrong. How do we feel about the matter within ourselves?

Fourth, how does my most cherished friend or loved one feel about it. Many times when we are involved in a problem it becomes difficult for us to see it objectively, while a close friend or loved one may be able to see it in a completely different light. We all know someone in whom we have confidence. A boy or girl would trust their parents. Another might trust their teacher in school or their Sunday School teacher or their pastor. An adult might look to their companion or a life long friend. Confide in someone - get their viewpoint - weigh their conclusions carefully.

Last, apply the test of time. What will be the lasting results of this thing to me, my family and my friends. God's Word says, "The pleasure of sin is only for a season." When this season is over, what then? How will thing look to me - say, tomorrow, next week, next year, in my later life? Is it something that I would want my children to follow me in? Is it something that will be beneficial or harmful to those that follow after me?

These are simple tests, but they can be applied by all of us to many things that arise in our daily lives. An honest evaluation of many of our problems following these simple tests will alter our action in many areas of life.

AA Coaches Pick Floydada, Slaton

HOUSTON — A couple of battles royal appear on the South Plains Class AA landscape.

The favorites are there — Floydada and Slaton — but the races are expected to be tight this fall, coaches from the leagues emphasized here Tuesday while attending the mammoth Texas High School Coaches Association clinic.

"Floydada was the favorite in our league," said Floydada aide Bill Grissom (who was standing in for head man L. G. Wilson who was attending the New Mexico school). "But there are four teams rated up there."

"The coaches are picking Slaton this time," commented Idalou's head coach Wayne Potter, "but Frenship or Denver City could slip in 4-AA."

The 3-AA battle involves the defending champion Whirlwinds, Olton, Littlefield and Abernathy and the coaches' predictions fell in that order, followed by Morton, Lockney, Dimmitt and Friona.

"We have pretty average size," commented Grissom, and the Whirlwinds, who weren't beaten in 1969 until the regional round return most of that 1969 club. Only three '69 regulars must be replaced and five offensive starters return.

Finding a quarterback will be one of the problems but the Whirlwinds return Andy Seiman, an All-District choice at halfback.

Olton's attack centers around Steve Stockdale, a 6-1, 170-pound quarterback who came to the front middle of last season. Stockdale is noted principally for his throwing, but "he ran for over 200 yards in the first half against us last year," recalled Grissom. Floydada won 21-20.

Littlefield, with five starters among 14 lettermen returning, is dropping from AAA, and that higher category provided valuable experience for Coach Deverette Lewis' forces.

Olton has 13 lettermen including 10 starters, Abernathy 10 lettermen and four offensive and five defensive returnees, Morton 11 (three and six returnees), Lockney, nine and two, Dimmitt 10 lettermen (two

and three), and Friona, 11 and two.

Slaton, like Littlefield, fought AAA battles last year, and with 17 lettermen on hand, the Tigers already have the respect of their 4-AA foes.

Slaton has lots of size—big running backs," said Potter. "And after dropping out of AAA, they have plenty of experience. They show five starters each way, too.

"I don't know a great deal about them, either, since we didn't have to play them last year and Hereford didn't scout them."

But, added Potter, "Frenship (defending champions) has a lot of size, too, and Jack Tayrien (coming over from Lockney) should have a good club again. Slaton, Denver City, Frenship and Post are all large."

The coaches' crystal ball revealed a line of Slaton, Frenship, Denver City, Idalou and Post tied, Roosevelt, Ralls and Tahoka. The district will have a new look, since Slaton is coming down from AAA, Roosevelt and Ralls up from Class A, and Morton shifted from 4-AA to 3-AA.

Ralls shows 11 lettermen (12 starters), Tahoka 20 and eight, Frenship 18 (six and seven on respective offensive and defensive regulars), Idalou 11 and seven, Denver City 12 and five, Post 10 and two, and Roosevelt 14 and five.

Lighthouse Drops 2 In Odessa Tourney

Floydada's Junior League Lighthouse Electric team dropped two games in the Odessa Tournament last week and were eliminated.

San Angelo beat the local Junior Leaguers Thursday night by an 8-2 score. Coach Bill Hale's boys stayed right with the more experienced San Angelo team for three or four in-

nings, actually leading for the first three innings, 1-0. But the San Angelo team exploded in the late innings and came out on top of the 8-2 tally. Mike Muniz was the starting pitcher for the Floydadans, and was relieved by Steve DeLeon and Mike Vinson.

In the second game of the tourney, the local Lighthouse

group trailed Big Spring 1-0 through the fourth inning and again fell behind in the late innings to lose 10-0. Vinson was the starting pitcher.

David Marricle and Muniz were the outstanding hitters in the tournament with two hits each.

Cardinals Win Abernathy Tourney

The Floydada Cardinals, champions of their league, went on to win the district tournament at Abernathy last Friday and Saturday.

Friday night, the Cards beat Matador 9-4. Carlos DeLeon pitched for the locals. Then Saturday, the Cardinals won over Floydada's Dodgers 8-7 to take first place in the tourney, with Donzell Minner doing the pitching.

The Cards advanced to the state playoffs in Brownwood.

Cardinals Beat Brownwood, Lose Two At State

The Cardinals started strong in the state baseball tournament at Brownwood Monday afternoon, by winning over the Brownwood team 10-1. Donzell Minner helped the Cardinals' cause with a grand slam home run in the second inning. Carlos DeLeon was the winning pitcher, going the distance for the Cardinals.

The locals ran into some bad luck in their second game Monday night, losing to a San Angelo team 5-2. Donzell Minner pitched a two-hitter, and the Cardinals gathered a total of six hits, but couldn't string them together. Walks and bad fortune on the part of the Cardinals allowed the San Angelo team to come out on top of the 5-2 tally.

Tuesday morning, the Cards were eliminated from the tourney when they lost to Palestine, 10-4. Greg Bishop started and was relieved by DeLeon and Soto. Bishop connected for a two-run homer in the sixth in the losing effort.

Dodgers Are Runners Up At Abernathy

Floydada's Freshman League Dodgers beat the Abernathy Astros, 1-0, in the Abernathy tournament Friday night before losing Saturday to Floydada's Cardinals 8-7, to come out as runners-up in the tourney.

Friday's game saw the Abernathy team with the bases loaded and one out but unable to score and men on base several other times.

The Dodgers' run came when Jackie Windom tripped and Rick Holmes drove him in. Greg Goen pitched for the Dodgers.

Today's Oldsmobile:
The year-end buy that pays off three ways.

- 1. You save big money when you buy it.** The 4th Annual Year-End Sale is on now at your Oldsmobile dealer's—and the savings are substantial on every new Olds in his stock!
- 2. You save even more money as you drive it.** Olds is famous for features that help keep costs down. Like Positive Valve Rotators in every V-8 for peak performance thousands of miles longer... rustproof inner fenders... aluminized exhaust system... bias-belted tires... many more!
- 3. You get a nice bonus at trade-in time.** An Olds is a good investment—traditionally you get more of your dollars back when you're ready to trade the next time around.

If you think you can't afford an Oldsmobile...it's time to think again.

...we're a **te** family!

We're happy and proud of our Total Electric home. It keeps us truly comfortable in winter and delightfully cool in summer. Our TE home is an all year 'round home and it gives us more comforts than we ever imagined... pure comfort, for sure.

*** TOTAL ELECTRIC**

BOARD OF BANKS

Dr. Gaines Teeple will express our sincere sympathy to all of our women who were soiling their faces and hair during the illness and death of their beloved husbands. Especially do we extend our sympathy to those who are still suffering from the untimely death of their husbands. We hope that the untiring service of Dr. Teeple and his staff at Caprock will bring the lovely luncheon at the Methodist Church and the people who are so kind and thoughtful in their sympathy and kindness will long be remembered by each of us. tfc

CENTER NEWS by Mrs. J. E. Green

CENTER, August 3 - We are still having hot dry weather, but irrigated crops are beautiful.

Women are busy putting up canned goods for winter. The cannery is very busy.

The revival at Calvary Baptist Church closed Sunday night. Brother Wendell Taylor was the evangelist and Brother Hollis Payne led the music. Mrs. Payne was pianist and Mrs. Travis Corley, organist. We had a wonderful week. Sunday dinner was served at the church dining room.

Charley Spence spent a few days in Caprock Hospital last week, but was permitted to come home Saturday.

Mrs. J.A. Kinchloe, one of our good neighbors, is in the Crosbyton Hospital. We trust she'll be able to come home soon.

Mrs. Lee Leatherman of Hereford spent Monday night with Mr. and Mrs. Doyle Sandifur. Mrs. Leatherman is Doyle's sister.

Mrs. Frank Loftin of Tulia is spending a few days with the Sandifurs. They are busy canning this week.

Mrs. Ross was accompanied to church Sunday by her 16 year old grandson, Kenneth Craig, from Georgia, who will visit her for a few days.

Weekend guests of Mrs. Frank Dunn were a sister-in-law, Mrs. Odessa Dunn and her daughter and husband, Mr. and Mrs. Dean Bloom and three sons all of Wichita, Kansas. Others present Sunday were Alma's Lubbock children, Jimmy and Patsy Dunn and girls, and Margaret and Tony Baltos and children.

Mr. and Mrs. Leo Frizzell dined Friday at the home of their daughter, the Garvin Beedy's. The grandson, Larry, who has been home on furlough, was leaving for Ft. Riley, Kansas. On the way he stopped for a visit in Weatherford with a friend.

The Frizzells were in Plainview Sunday at the annual Frizzell Reunion. There were some fifty present including all the brothers and sisters of the Frizzell family and many of the younger generation.

Thursday afternoon Mr. and Mrs. J.D. Welborn and James David and wife and two of their three girls visited with Mr. and Mrs. Leo Frizzell.

One afternoon last week Mrs. O. C. Vinson and Mrs. Luther Holmes visited in the Starkey community, their former neighborhood. They visited the Tom Porters, the Leon Fergusons and the Clinton Dennings.

Mrs. Giles of Lubbock and Mrs. J. A. Hartsell visited Mrs. Vinson Sunday p.m. Later Mrs. Vinson accompanied them to Mrs. Hartsell's after which Mrs. Vinson and Mrs. Giles attended church.

Edwin and Joyce Warren arrived home Wednesday from Gloria where they had gone the week before with the bus load of young people for youth week.

Guests at the Thomas Warrens Friday evening for an outdoor supper - hamburgers and ice cream - were the Bob Alldredge family, Olin Watson and family, and Elaine and Paul Stout.

Saturday evening the Warrens visited in the home of Mrs. Effie Foster where weekend house guests were old friends, the Glen Blacks of Temple, former residents of this area. Several other former neighbors also dropped in.

Sunday Mr. and Mrs. Warren and Don dined with the Leon Fergusons.

Mr. and Mrs. Hal Thomas visited in Plainview in the Olin Miller home - his health is about the same.

Sue and Milton Mensch of Lubbock visited her parents, the Hal Thomas' over the weekend.

Mr. and Mrs. W. L. Hartline entertained over the weekend their grandsons, Blake and Grant, children of their son Jimmy Hartline and wife, of Lubbock.

Second Sunday Singing Set

The regular Second Sunday p.m. Non-Denominational Singing will meet Sunday from 2 to 4 p.m. at the Nazarene Church in Floydada, according to an announcement by C. M. Lyles. All lovers of good gospel singing are invited to attend. It is hoped that the Clifton Family Quartet from Plainview will be present for the singing.

FLOYD DATA
Mrs. Ronnie Tucker flew to Hawaii last week to join her husband who is on R&R leave from Vietnam duty. She returns to Floydada this week.

FLOYD DATA
Jewel Reeves is in Caprock Hospital with an injured back sustained Sunday morning in a fall down the steps as she was leaving church. She is in traction and resting fairly well, according to friends.

We extend our sympathy to the family and other loved ones of Gaines Teeple whose last rites are to be this afternoon at the Methodist Church.

Victor Green of Plainview visited his parents awhile this Monday and lunched with them.

HOW LONG TO STORE FROZEN FOODS
Your food freezer is not a bank, so don't put foods in and expect them to draw interest. Foods get no better with age.

in fact, there is bound to be some loss in quality. But a food freezer is something like a bank in at least one respect. In both cases, you need records. Listing what is in a package, along with the date you placed it in the freezer is fine but that is not enough. You also need a written record that shows your deposits and withdrawals. A written record shows what is in the freezer and how long it has been there. Use the record when making the shopping list.

Use the freezer as often as possible. It is all too easy to "lost" packages of frozen food in the back or bottom of the freezer. Food thrown away because it was stored too long soon makes the food freezer an expensive kitchen item.

STORAGE PERIODS
The recommended storage periods for home-frozen meats and fish held at O F are given below. For best quality, use the shorter storage time.

BEEF:	Ground Meat	2 1/2
