

County Football Championship At Stake

Lockney Stadium

Lockney re-opens rivalry Friday as whirlwinds travel to Lockney to try to extend their season record and to the district mark. The Longhorns stand 1-1 and 1-3-1 on the season. They were beaten by Littlefield at Abernathy in 3-AA last season.

Game

On Sale

admission tickets for the Floydada-Lockney football game are now on sale at the High School Athletic Director's office, according to Athletic Director Preston. Reserved-seat tickets are \$1.50, but buying advance tickets save having to stand at the gate. Tickets are on sale until 4 p.m. Adult tickets are \$1.50; child tickets are 90¢.

UNDERSTAND via my Lockney correspondent that if Floydada Lockney over 50 points Friday night, they may burn the stadium.

THE school board evidently has a lot of faith in the Whirlwinds since they insured the stadium for fire. . . first time it has been insured.

WE HAVE quite a corral of animals and other characters at the Floydada High School in front of the trophy case. A score at the bottom of each mascot of football games has been played this year and it is a pretty impressive display.

WE UNsuccessfully to get a polaroid picture yesterday of the corral, perhaps we can take the big camera to get a good shot so our readers can see it.

WE ARE complimentary copy of Dr. E. C. Nichols' new book, "The And Cowboys Sixty Years Ago And Today's Politics." The author is well known in Floyd County and if you desire a copy of the book, we have them here at the newspaper.

ALTHOUGH THE YEARS I have devoted considerable editorial time to the benefit of vocational training programs, I have concluded that everyone shouldn't go to college. . . some students do things with their hands, they must be craftsmen. . . some of our drop-outs from high school are finding success in life by learning a vocation.

REPRESENTATIVES from Oklahoma State Tech at Okmulgee and State Technical Institute in Amarillo will be at the Floydada school Monday morning at 9:25 for an assembly program.

IF you are interested in vocational training, I suggest you attend this assembly for complete details about each school's program and technical training.

LET'S NOW LET'S see, according to my crystal ball, we will be able to beat Lockney by a larger margin than did last week, so I'll forecast the score at 48-6.

Cunyus, Eddie Sterling and Morris Riddley will back them up. The Whirlwinds are in good physical condition for the contest except for a few colds and flu symptoms. Every body is expected to be ready to go against the Longhorns, according to head Coach L. G. Wilson, No

injuries were experienced in the Morton game Friday. Wilson on the Morton game—"Our boys came out ready to play. They took advantage of some early Morton mistakes and that was the ball game. We're real proud of some phases of our game; we need more aggressiveness. Doing an out-

standing job Friday were Glenn Switzer and Mike Moore on defense; and Van Lee Mitchell, Andy Hale and Steve Puckett on offense." These were Coach Wilson's comments on Lockney: "Lockney will be the best team we have faced so far this year. They have an outstanding group

of backs in Charles Mathis, Pat Bennett and Bill Hill, plus quarterback Tony Ford's throwing to good ends Randy Duckworth and Cleo McGee. They are all capable of going all the way every time they touch the ball. We must be ready and on our toes all the time to win this game."

NO. 1 MEAN GREEN FANS...Mr. and Mrs. Roy Fawver are pictured receiving a trophy from athletic director Preston Watson, during halftime last Friday night in the football game between Morton and the 'Winds. The Fawvers were named No. 1 fans for having attended 31 years of Floydada football. Mrs. Fawver has missed only six games during that time and Mr. Fawver only four. (Staff Photo)

Roy Fawvers Honored As "No. 1 Whirlwind Fans"

(By Peggy Medley) Over the past 31 years many football games have been won and many games have been won

by the Floydada Whirlwinds. They have advanced and won District a number of times and they have been beat a number of times. They have won District and advanced to Regional playoffs. Through it all during this period of years their number one fans have been Mr. and Mrs. Roy Fawver of Floydada. Mrs. Fawver missed only six of the Whirlwind games in the 31 years, this due to being in a Temple hospital several years ago. Mr. Fawver has missed only four.

Football fever really got the Fawvers, when their son, Carlton, started playing guard for the Whirlwinds in 1939, under Coach Odell Winter, then Coach Floyd Murry. Their interest in the Whirlwinds didn't cease when Carlton graduated. They continued seeing the Friday night games, then would attend the games at Texas Tech on Saturdays and if they were playing out of town, then they would journey to Canyon to see WTS play, or to Fort Worth, Dallas or Waco. Somewhere they watched a football game

Twenty Two Are Indicted

Twenty-two indictments were handed down by Floyd County Grand Jury Monday, seven of which offenders have not been apprehended. All seven are for theft over \$50. Others indicted were Robert Charles Luhman, three charges of theft over \$50; John C. Kiniburgh, driving while intoxicated, second offense; Guadalupe C. Zuniga, two charges of burglary; Marcello C. Zuniga, two charges of burglary; Valentin Basaldua, charge with possession of marijuana; Kenneth Bloys, indecent exposure; Tas Kirk Richardson, driving while intoxicated, second offense; Antonio Felan, statutory rape; Benjamin Lopez Hernandez, theft over \$50; Ramiro Granados, two charges of burglary.

on Saturday. The last few years attending college games has slackened but certainly not for the Whirlwind games. They are there early enough for pre-game festivities and remain until the game ends, win or lose.

In 1963 a grandson, Clinton Fawver became a member of the Whirlwind team. While he played on the Floydada Junior High team, the grandparents were averaging seeing three football games per week, junior high Tuesday nights, Whirlwinds Friday night and a college game on Saturdays.

Not many towns can boast of such loyal fans as Mr. and Mrs. Fawver, who by the way, observed their 54th wedding anniversary last Thursday. They are also parents of Leslie Fawver of Floydada and Evelyn Go-lightly of Irving. They have seven grandchildren and one great grandchild.

Mr. and Mrs. Fawver related they are greatly appreciative of the honor bestowed them Friday night by the Athletic department, the football team, band, faculty and surrounding community of fans, which came as a complete surprise to the couple.

They said they have enjoyed every Whirlwind game, win or lose. SEE FAWVERS, PAGE 3

Cox Injured

Johns Cox, 63 year old Lockney farmer and father of Marjorie Martin of KFLD, Floydada, sustained a severe cut to the right hand when his arm was caught in a combine auger last Thursday morning. Cox was rushed to Lockney Hospital suffering from loss of blood. His hand was cut from his little finger down to the wrist, cutting two arteries inside the palm. The mishap occurred when Cox lost his balance while leaning over to see if castor beans were harvesting properly. Cox was dismissed from the hospital Saturday and is said to be resting fairly comfortably at the family home.

New Housing Addition For Northeast Floydada

The Floydada city council heard a report from a Plainview building contractor at its regular monthly meeting Monday night and agreed to study paving and utility needs for a new housing addition in northeast Floydada. Herman Temple, Jr. is the contractor who proposes to build 20 homes just across east of the Silverton highway about a block south and a block east of the Della Plains school. The homes will be built and offered for sale on the government's new low income housing plan. Payments will be from \$30 to \$45 per month on 33 year payout and interest will range from one percent to 7 1/2 percent according to the buyer's income and number of children in the family.

After Temple has made his presentation, the council next heard a local farmer, Tom Snead, outline his request for \$3569.50 from the city for "money due him on the farm he has been farming for the city." Snead had cash leased the farm in the past, but recently the city had leased the 320 acre farm to Keith Reeves beginning in 1971. Snead said he was due \$525 on 35 acres of wheat that is growing, \$270 for fertilizer on onion land, \$2550 for grazing anticipated on grain sorghum stalks, wheat and cantaloupe land, and 10% for trouble, time and lawyer fees. However, Snead said he would settle for \$1500. The council declined to pay the \$1500.

Reeves contract to farm the city farm calls for \$9,000. Next visitor before the council was Wayland Richardson, who wanted a license for a recreation center in the former location of Montgomery Ward. Richardson said he planned to put in pool, ping pong tables, juke boxes, pin ball machines and other recreational equipment. The council voted not to grant his request. OTHER BUSINESS In other business the council: Agreed to petitioning the Mackenzie Municipal Water Authority Directors to annex the areas which are not now included in the Mackenzie Municipal Water Authority taxing district as of 1967. Agreed to \$375 worth of repairs on the electric plant building to take out louvers and install a permanent wall. Agreed to take bids on painting the 250,000 gallon elevated water tank an aluminum color. Tabled Dr. Tommy McIntosh and Mike Emert's request to resign from the Board of Adjustments. Appointed Sid Waller as City Fire Marshall. Agreed to sell the 19 acre plot of land in southwest Floydada formerly used for garbage dump ground. Legal notice appears in this issue of The Hesperian about bids for purchase. Agreed to a penalty clause in next year's mosquito spraying contract. . . this year pilot would not spray when city requested spray job. Approved CAP as part of the City of Floydada Civil Defense in order they might get an exempt license tag from C. J. Payne. The council approved request SEE COUNCIL, PAGE 3

FIRST FREEZE OCT. 8

Cotton Freeze Damage Light

The first freeze of the season for Floyd County arrived last Thursday morning between 4 and 5 o'clock, four days earlier than the freeze in 1969. Producers Elevator, official weather station, reported a temperature of 31 degrees Thursday morning and a high of only 43 degrees. High winds coming in with the cold front snapped tree limbs over the city and also downed a number of television antennas. Most farmers; however, say little damage resulted to the cotton. Damage to cotton from last week's freeze was believed by the County Agent's office to be less than 10 per cent over the county. Heaviest damage apparently was in the north part of the county. Late cotton around the Lone Star community was reported to be among the most heavily damaged. Further south, where the cotton is more mature, light freeze damage was reported, mostly to top bolls; effect on crops there may be slight, if warm weather continues. The early freeze may lower grades generally over the county, and reduce yields on late cotton. Most area cotton is more mature than usual for this time of year, which should reduce freeze losses.

School Board Insures Stadium

The Floydada school board voted to insure the football stadium for fire at its regular monthly meeting Tuesday night at a cost of approximately \$200. The stadium had never been insured. In other business the board approved a May 6-8 trip for the Whirlwind band to a Six Flags band concert, at no cost to the school system. Johnny Collins and Ricky Burns made the presentation to the board for trip approval. Employment of four teachers was confirmed: Sylvia Ferguson first grade; Don Rainer sixth grade; Winona Thompson aide and Imelda Ramsey aide. All board members were present except Howard Gregory, Elmer Biggs, and Thomas Warren.

CENTER NEWS

CENTER, Oct. 12 - The cold snap we had last week is receding. Today is clear and beautiful.

The Greens spent last week in Plainview where Mr. Green had surgery Tuesday. Sue brought us home Saturday morning. We were thankful to have all our children except Clyde with us during the ordeal. Clyde called from Hoonah, Alaska Tuesday night. Present were Don Clark and Betty Lou Green of Big Spring, Margaret Ryman of Hubbard, and the Victor Greens of Plainview.

We were grateful for the visits, flowers, prayers, etc. while J. E. was in the hospital. We are glad to be home again. Mrs. Ruby Stone and Mrs. Russell of Borger were among the visitors.

Mr. and Mrs. C. W. Denison were in Bovina Saturday to attend last rites for a cousin of Mrs. Denison's, J. D. Stevens.

Sunday the Denisons were in Lubbock at the home of their son, Gilmer and family. They also saw at this home a grand daughter and family, Mr. and Mrs. Dorance Ritchie and two babies of Grand Prairie, who had spent over the weekend with her parents, the Gilmer Denisons.

Visitors in the Green home Saturday afternoon were Mr. and Mrs. Jimmy Hartline of Levelland, and Mrs. W. L. Hartline, city.

Sunday afternoon visitors were Mr. and Mrs. Troy Leonard.

W. D. Miller and family of Lubbock visited Mr. and Mrs. Doyle Sandifur Sunday evening week.

Mr. and Mrs. Hal Thomas spent Tuesday and again Thursday in Lubbock in Methodist Hospital mostly at the bedside of Mrs. Truitt Smith, who is a niece of Hal Thomas. Thursday they helped their daughter and husband, Sue and Milton Mensch enjoy Sue's birthday dinner.

Mrs. Vinson and Mrs. Bishop visited Thursday p. m. with

TRUCE - Donald Sutherland as "Oddball", Clint Eastwood as Kelly, and Telly Savalas as "Big Joe" smilingly wheel and deal with a German tank commander (Karl Otto Alberty) in MGM's adventure comedy, "Kelly's Heroes." Showing Sunday and Monday at the Palace Theatre.

Mrs. J. A. Hartsell.

Mrs. Vinson is visiting Mrs. Luther Holmes today.

Sunday week Mr. and Mrs. Thomas Warren, Mrs. Ola Warren and Mrs. Fred Battey were in Rochester for the funeral of a cousin's husband.

Mr. and Mrs. A. J. Huckabee of Stephenville visited relatives in our city recently. They were accompanied by Mrs. Wanda Jones Huckabee, who visited her parents, Mr. and Mrs. Roe Jones, city; then went to Plainview to see her sister, Mrs. Christine Jones Perry, who has been quite ill in a Plainview hospital. Mrs. Green visited with Wanda and Christine Friday evening and we were glad to find Christine much better (former Centerites).

Mr. and Mrs. Fred Battey and Mrs. Ola Warren visited Mrs. Gertrude Brand one afternoon last week.

Mr. and Mrs. Morris Carroll visited the Doyle Sandifurs Saturday evening.

We sympathize with the family and other loved ones in the untimely passing of Robert Weiborn. The J. D. Weiborn children all came - from Ft. Worth James David and family, Donna and Clarmon Booth, Eunice Lewis and son Steve, and those who live here - Bob and family and Jo Anne and Roger Gooch. (All former Centerites).

4-H Banquet Set Saturday Night

The Floyd County 4-H Achievement Banquet will be held Saturday at 7 p.m. in the Duncan Elementary School Cafeteria. George Finley will be the master of ceremonies for the event.

Members of the planning and decorating committee for the banquet are Lyle Miller, Sam Fortenberry, Teena Jones, Terry Jones, Craig Dubois, Ginger Henderson and Kay Russell.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat - you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

GOT nearly as big of a thrill Monday seeing Vice - President Agnew as I do when I see little Whirlwind Walter Harris run with that pigskin. It was indeed a great opportunity to see and hear Mr. Agnew, one that I wish all could have taken, regardless of political feelings. All are great men, these political figures. Of course Mr. Agnew didn't have Dale Robertson along, like Richard Nixon did, but George Bush was there and that was just as great. I had the pleasure of shaking his hands and not too many 'ole hillbillies 'suck as I can boast shaking hands with both the President and Vice - President of the United States. I noticed Mrs. Agnew has lost weight and looked very chic in a navy blue suit. Mrs. Bush was dressed in white knit and surprisingly they looked enough alike to be sisters. Another thing which caught my eye was there were as many young people there as older groups, and seemingly they didn't come to heckle, as Mr. Agnew and Mr. Bush were both very well received.

THE little stewardess for the Agnews on the Eastern jet will be with the Vice - Presidential party for the next two months. She was selected for the Agnew tour on the basis of her experience and by stewardess supervisors. She always remains on the plane on short stops but did come to the door after the plane landed in Lubbock. She was beautiful, dressed in a bright orange pants - dress.

BET if Floydada folk knew it in time they would have been watching Mayberry RFD television program Monday night. Little Millie Dema Bunnell, daughter of Mr. and Mrs. Dick Bunnell of Ingewood, California, granddaughter of Mrs. Donna Myrick and niece of Mrs. Joyce Lipham of Floydada, played the part of a daisy on

Troop 250 Sees Spiro Agnew

Floydada Girl Scout Troop 250 and three leaders spent the day Monday in Lubbock on an outing which included a trip to the airport to see and hear Vice President Spiro Agnew.

The group, in full uniform, left Floydada in three cars and first visited KLBK Radio and Television Station. They toured West Texas Air Terminal which included a trip to the tower, the radar units and a tour of a Continental jet.

Afterwards the group re-assembled to attend the noon day rally of Spiro Agnew. Following his departure from Lubbock the troop and their leaders enjoyed an afternoon hike before returning to Floydada.

Salad Supper, Federation Day Program Held

Floydada Federated Study Clubs held a salad supper and Federation Day program Tuesday night in the parlor of the First Baptist Church at which time, Mrs. LeRoy Johnson, Caprock District president, made her official visit to Floydada.

Study Club hostesses for the Federation Day event included Mrs. Doris McLain, Mrs. Carl Armstrong, Mrs. Beal Ferguson, Mrs. Scott Faulkenberry, Mrs. M. J. McNeill, Mrs. Kyle Glover, Mrs. Vance Campbell, Mrs. D. W. Kirby, Mrs. C. W. Denison, Mrs. J. M. Willson, Mrs. Wilson Kimble and Mrs. E. L. Angus.

Following the supper a program was presented on "Take Time for Americanism."

Mrs. A. C. Pratt was mistress of ceremonies and the invocation was brought by Mrs. C. B. Melton.

A skit, pertaining to the program, was given by Mrs. Allen Bingham, Sharon Hutchins and Mrs. L. D. Simpson. Mrs. Hutchins also sang two solos, accompanied by Mrs. Simpson. The speaker, Mrs. LeRoy Johnson of Morton, was introduced by last year's District president, Mrs. Lane Decker. She presented an inspiring talk on Americanism.

WHEN Kenneth Lightfoot of Amarillo goes professional, Floydada friends can say they "knew him when." Kenneth, who took up golfing some five years ago, won the annual one day Bell Helicopter Employees Handicap tournament at Amarillo recently with a low net of 33. He is the son of Mr. and Mrs. Travis Lightfoot of Floydada, and married to the former Gail Hendricks of Lockney.

BE patient, dear readers. In a little over two weeks the clocks will be set back and you will have a chance to regain your hour of lost sleep and get to work maybe after the sun comes up. Daylight savings makes some sense from June 1 to Labor Day; but there is little that can be said in its favor in April and October.

We received a letter this week from a person who was complaining that "no poor people" news was ever in the Hesperian. Always a big business family, those who live in brick homes or such, were entertaining so and so. We like to carry all the local news possible of the rich and poor, black, brown or white. We have no roving reporter, therefore most of our local news is called in to us. If you have no phone then bring the news item in. We will be more than happy to publish it.

FANS follow the Whirlwinds, Flora McNeill said yesterday that thus far, two buses had been chartered for the Floydada - Frona football game. In prior years one was seldom full but she has only four tickets left for the second bus for this year's game. Who knows by next week there may be enough people for a third bus. I think it really boosts the players moral to see bus loads of fans follow them to the games.

WHAT a horrible thought, if a shortage develops in cosmetics the face of many a woman will turn pale.

Mrs. Thornton Delegate To Convention

Mrs. Ronnie Thornton of Lockney, president of the Floyd County Chapter, American Cancer Society, will be official delegate to the state cancer convention to be held in Fort Worth October 21-22.

Mrs. Thornton was elected official delegate at a recent meeting of the local chapter held in Production Credit office in Floydada. Mrs. Kenneth Holt, who was selected to serve a second term as crusade chairman of Lockney, was named alternate delegate to the convention. She, as well as Mrs. Beth Kropp plan to attend the state session.

No Floydada crusade chairman has been named.

Other business during the local meeting included the group voting to accept a certification of authorization.

Present for the meeting were Dan Harris, Lubbock; Mrs. Thornton, Mrs. Ewald Quebe, Mrs. Holt and Mrs. Jim Reynolds of Lockney, and Mrs. Woodrow Wilson and Mrs. Joe Max Harrison, Floydada.

The next meeting has been set for November 9 in the bank building at Lockney.

Happiness is.....many things....to many people

There are as many definitions of what happiness is as there are people and the Hesperian had a difficult time choosing who entered the contest in its "Happiness" contest last week. The winner is Mrs. Betty Allen, 415 W. Mississippi, Floydada. Her definition of happiness is: "Happiness is the feeling of being loved by a neighbor and being loved by me." She will receive a year's free subscription to the Hesperian.

Other honorable mentions go to: Mrs. Jodie Eastham, who said, "happiness is when you realize that you have experienced love and caring, and loving." Mrs. Eastham also goes to Mrs. Jodie Eastham, "happiness is seeing the crystal blue sky or an animal scamper across the way or just knowing that it is created because He loves you."

Other honorable mentions go to Mrs. Joe Davis who said, "happiness is receiving a gift in return for what you have done. Happiness is when you barely have time to breathe."

Other honorable mentions go to Mrs. King who said, "happiness is seeing a student take notes without being told to."

MEDICARE "NON-COMPLIANCE" Matador Facing Shutdown Of Town's Only Hospital

MATADOR - Motley General Hospital here was notified by letter Tuesday the facility does not meet requirements for participation in the health insurance for the aged program (Medicare) of the Social Security Act and residents expressed fear this will mean closing of the 13-bed hospital.

In fact, Matador newsman Doug Meador said he was informed by the hospital's board of directors the hospital probably would be closed by Saturday.

The letter to the hospital board, chairman Johnny Stevens related, was from the regional office of Health, Education and Welfare Department in Dallas.

The HEW communication did not specify a closing

date but rather it underlined its denial of the hospital's request to participate in the Medicare program.

Hospital administrator Haynes Stephens, who has been here since July 15 and has held the designated position of administrator since Sept. 1, said "we have no choice but to close if we are denied participation in the Medicare program."

Whirlwinds Blast Indians, 54-0

Mitchell On Three TD Runs

ALMOST ... Steve Puckett stretches for an Andy Hale pass near the goal line. The Whirlwind end couldn't make the grab on a play which came in the first quarter of action against Morton. (Staff Photo)

The Whirlwinds had little trouble here Friday trouncing the Morton Indians 54-0. Fullback Van Mitchell scored on TD runs of 1, 36, and 78 yards and quarterback Andy Hale hit Dirk Campbell and Walter Harris with scoring passes and ran for another. Andy Selman scored on a 12-yard run, and Kirby Pierce went five for another six-pointer, Greg Campbell converted on six of seven point-after-kicking attempts to bring the Floydada point out over the fifty mark for the second time this season.

FIRST HALF

The Whirlwinds struck quickly - Walter Harris returned the opening kickoff to the "Wind 36, and on the first play from scrimmage, QB Hale ripped off 62 yards to the Indian 10-yard-line. Selman got a yard, then Mitchell took it in, and with less than a minute of the first quarter gone, the "Winds had a 6-0 lead. PAT kick failed.

The "Winds scored on their next possession after Morton was unable to move following the kickoff. Mitchell went for two in a row when he sped 36 yards and made it 12-0. The two-point conversion attempt was fumbled.

Mike Moore recovered a fumble at the Morton 30 on the first play following the KO return. Five plays later, Selman got his eighth TD of the year when he crossed the goal line from twelve yards out. Campbell kicked the first of six straight PATs and it was 19-0 "Winds with 7:23 left in the first quarter.

The next Floydada score came on a drive that covered 72 yards in 16 plays, with Hale going the final 14 just before the first quarter ended. The number one offense left the game for a rest after piling up four TDs and over 200 yards total offense in one period.

In the second quarter, Langston Williams recovered a Morton fumble at the five and Kirby Pierce went over on the first "Wind try. Campbell's kick counted after two offside penalties moved the PAT line of scrimmage back to the thirteen, and the Whirlwinds led 33-0. Halftime stats looked like this: Whirlwinds - 33 points, 10 first downs, 221 yards rushing, 32 yards passing; Indians - 2 first downs, 24 yards rushing and 23 yards passing.

SECOND HALF

Morton received the second-half kickoff and made a first down before they had to kick. Then Hale went to work on the passing game, hitting Dirk Campbell on a beautiful scoring bomb of 62 yards. Five plays later, Van Mitchell went 78 yards for his final TD of the night.

The teams exchanged punts between midfield and the Morton 25 on the next four series of downs, then safety Steve Puckett recovered a fumble after a Morton pass gained 27 yards. The Whirlwinds moved from their 38 to the Morton 36 on the running of Steve Hendrix and Terry Jester and QB Ricky Watts' scrambling and passing before losing the ball on downs. After another punt exchange, Mike Burk recovered a blocked Morton punt on the 24, and the starting backfield got one more shot at the Indians. Mitchell, Selman, Harris and Hale carried the ball 18 yards in seven tries before Hale hit Harris from six yards out to put the final Floydada score on the board with 1:57 left in the game.

The victory gave the Whirlwinds a 5-0 season record and

a 2-0 district ledger. Morton is 0-2 district and 2-3 on the season.

Freshmen Card First Loss, 12-0

Coach Curt Chatham's Freshman Whirlwinds played a hard-fought game against a Hereford team Saturday morning and lost to the Hereford Irons, 12-0.

Hereford opened the scoring in the second quarter with a 10 yard TD pass. Point-after-try was no good. The Whirlwinds came back in the same period to go ahead on a scoring run of 11 yards by Marc

Smitherman and a conversion run by Danny Ford. The "Winds held the ball until Hereford scored a 65-yard screen pass with minutes to play in the Conversion attempt again. It was the first loss in a year for the Floydada Freshmen. They play at Tulia this afternoon.

Breezers

The 7th grade Breezers lost 20-14 in their football game with Olton Tuesday night and the 8th grade pulled off a slim win of 6-0. The two teams played in Olton.

For the 7th graders Leon Barnes scored on a pass play and Kelvin Ratliff scored the second point on an end run for some 60 yards. This gives the team one win and three losses in the season. In the 8th grade win Pat

Rendon was scorer. The team has a good standing of wins and a tie for the week. Next week the team will play at Tulia at 5:30 and the 8th grade at 7 p.m. Everyone is extended an invitation to come out to the field and see the team's play.

Guffee Wins Grid Contest

Corky Guffee is the winner of last week's football contest. Guffee had six misses and guessed total points in the Floydada-Morton tie-breaker would be 56. Floydada of course shut out Frenship 54-0.

Second-place winner Danny Bradford also missed six but was farther off on the tie-breaker guess with 47. S. D. Medley went third with six misses and a 41 guess on the tie-breaker.

Nine entrants missed seven games: Terry Jester, Mark Vinson, Mark Estes, Craig Wilcox, Junior Martinez, Frank Morales Jr., Greg Pruitt, Rex Yearly, and Bobby Tilley.

Tech Schools Set Program At FHS

Representatives from Oklahoma State Technological Institute in Amarillo will be at Floydada High School Monday at 9:25 a.m. for an assembly program. Vick Infant

Graveside rites were held Tuesday, September 29 in Ba- byland of Floydada Cemetery for Christi Vick, stillborn infant of Mr. and Mrs. Lloyd Vick of the Barwise Commu- nity. The baby was born the previous day in Caprock Hos- pital.

Craig Wilcox, pastor of the Sandhill Baptist Church, con- ducted rites, Moore-Rose Fun- eral Home was in charge of arrangements.

The infant is survived by her parents; two sisters; and grandparents, Mr. and Mrs. W. J. Vick and Mr. and Mrs. Gene Payne.

Harvey Marler

Funeral rites for Harvey B. Marler, 72 year old Floyd County retired farmer, were conducted Saturday morning in the Nazarene Church in Floy- dada. Herbert Els officiated. Interment was in Flomot Cem- etery under the direction of Moore-Rose Funeral Home.

Marler died Thursday night in Caprock Hospital where he had been a patient since the previous Monday. He had been ill since suffering a stroke some five months ago.

The deceased was born July 21, 1898 in Marietta, Georgia. He moved to Floydada in 1953. He and Lois Baker were married in Clovis March 7, 1942. Mar- ler was a veteran of World War II and a member of the American Legion.

Survivors include his wife, three daughters, Mrs. Troy (Laura) Neff, Bethany, Okla., Mrs. Gary (Emma) Pate of Floydada and Miss Mary Sue Marler of the home; one brother, Herman Marler of Lov- ington, N.M., and four grand- children.

Nephews were pallbearers.

H.B. Handley

Service for Harvey B. Hand- ley, 81 year old retired Cros- byton man and brother of S.J. Handley of Floydada, were con- ducted Friday afternoon in the First Baptist Church in Cros- byton. Handley died early Wed- nesday morning of last week in Crosbyton Hospital.

Survivors include his wife; one son, L. M. Handley, Cros- byton; two brothers, S. J. of Floydada and J. O. of Carmel, Calif.; four sisters, Mrs. An- nie Mitchell, Crosbyton, Mrs. Ruth Heath, Lubbock, Mrs. Verbie Crawford, Hollis, Ok- la., and Mrs. L. A. Smith of Hart Camp; five grandchildren and great grandchildren.

P. J. Wilkes

Services for Phillip J. Wilkes, 86 year old Lakeview community farmer, retired, were held Tuesday morning in the City Park Church of Christ in Floydada. Wilkes was pronounced dead on arrival at Cap- rock Hospital Sunday noon after suffering an apparent heart attack at the family home. His wife, who has been ill the past year, is presently hospitalized.

Wilkes was born in Florence, Alabama May 23, 1884 and was married to Susan Sullivan in Oklahoma September 8, 1905. The couple moved to Floyd County from Greenville.

Wilkes was a member of the Church of Christ.

Survivors include his wife, four sons, B. B. of Lockney, O. A. of Farmington, New Mex- ico, F. M. of Vero Beach, Flor- ida, and Roy T. of Medford, Or- egon; one brother, Lewis of Graham; three sisters, Mrs. Jim Reed of San Antonio, Mrs. L. L. Stewart of Big Spring and Mrs. Esther Bouble of Laredo; nine grandchildren and six great grandchildren.

George Elkins, former min- ister of the City Park Church of Christ, officiated for the rites, assisted by the pastor, Steve Bracken.

Interment was in Floyd Coun- ty Memorial Park under the direction of Moore-Rose Fun- eral Home.

Pallbearers were Earl Ed- wards Sr., Weldon Hammonds, Fred Battey, Joe Thurston, Dink Bishop, Bill Hambricht, Ned Bradley and C. B. Hartsell.

Mrs. Greer

Services for Mrs. Ioma Pat- terson Greer, 84, widow of a pioneer Lockney doctor, Neil E. Greer, were conducted Tuesday morning in the First United Methodist Church in

Lockney. Mrs. Greer died Sun- day in Lockney Nursing Home. Survivors include one son, Doyle Gorman; one brother, one sister and four grandchild- ren.

Purcell Dinner Tickets Available

Honorable Graham Purcell, Congressman from the 13th Congressional District of Tex- as, and champion of the nation's farmers will be honored at an Appreciation Dinner, Tuesday night, October 27, by the Dick- ens and Kent County Farmers Unions. Jay Naman of Waco, President of Texas Farmers Union, will be present to in- troduce Congressman Purcell. The dinner will begin at 7:30 p.m. in the East Ward School cafeteria in Spur and tickets may be secured through Octo- ber 21 by writing Mrs. Harley Ragland, Rt. 1, Afton or locally from W. L. Davis, President of Floyd County Farmers Union.

Congressman Purcell intro- duced farm legislation in Con- gress which would have extend- ed the 1965 Farm Bill, with im- provements in income to farm- ers all over the nation. This bill later became known as The Coalition Farm Bill and was eventually endorsed jointly by National Farmers Union and some thirty other farm organi- zations, which included every major farm organization with the exception of the Farm Bur- eau.

In appreciation of the leader- ship which Congressman Purcell offered farmers in this fight, Dickens and Kent Coun- ty Farmers Union Organiza- tions invite all residents of the surrounding counties to join them in expressing their appre- ciation to Congressman Purcell in his fight for the prosperity of this and other rural areas of the nation.

Beulah Olive

Funeral rites for Mrs. Beu- lah Sparks Olive, 76 year old former Floydada resident, have been set for 2 p.m. in the Chapel of the First Baptist Church Friday in Floydada. The body is to arrive in Lubbock this after- noon (Thursday) and transport- ed to Moore-Rose Funeral Home, who will be in charge of arrangements.

Mrs. Olive, aunt of Mrs. Clinton Fyffe of Floydada, died suddenly Monday at the home of her son in Sacramento, Calif- ornia. She had been there visit- ing from her home in Crystal City, Texas.

Mrs. Olive was born May 4, 1894 in Floyd County. Her par- ents were early day Floyd County pioneers, W. T. and Georgia Sparks. She attended schools here and was married later to Harry McRae. He died in Florida and in later years she married Percy Olive. He died while the couple were liv- ing in Slaton.

Mrs. Olive worked several years at Solomon's Jewelry be- fore moving to Crystal City. Survivors include one son, W. T. McRae of Sacramento, California; two grandchildren, one sister, Mrs. Sid Parkinson of Crystal City and a number of nieces and nephews.

WALTER MATTHAU and Goldie Hawn, television comedienne making her debut in "Cactus Flower", decide to wed as soon as Matthau divorces his unfaithful wife. He's a bachelor in the Frank- ovich production for Columbia Pictures release in Technicolor, but he does manage to produce a wife - co-star Ingrid Bergman - his "wife's lov- er" and an explosively comic assortment of rom- antic complications. Showing Friday and Saturday at the Capada Drive In.

Directors Attend State Meeting

Several Floyd County Soil and Water Conservation Dis- trict Directors attended the 30th annual state meeting of Districts in Houston on Octo- ber 6, 7 and 8. This year's theme was "The Modern Dis- trict". The meeting was held in the Astroworld Hotel with the principle speaker being John Wilder, president, Nation- al Association of Conserva-

tion Districts, Somerville, Tennessee.

The Honorable Tom Creigh- ton, State Senator, Mineral Wells, Texas was the banquet speaker.

Those in attendance from Floyd County were G. L. Faw- ver, Cecil Purcell, Mr. and Mrs. Gerald Lackey, Mr. and Mrs. Herman R. King and Jon J. LaBaume.

WT Homecoming Saturday Night

CANYON - West Texas State University's Buffalo football team renews a rivalry dating to 1923 Saturday night in Buf- falo Bowl when it meets the North Texas State University Eagles.

North Texas State captured that first game, 14-6, and holds an 8-3 edge in the overall series. West Texas won the last game played between the two schools, 21-13, in 1964.

The series will bloom in the future as both teams are now members of the Missouri Val- ley Conference. West Texas was voted into conference membership this past summer. A contract was signed several years ago for this game. No game between the schools is scheduled to date for next year,

but the contract calls for a meeting in 1972 at North Tex- as. An additional contract ag- reement, calling for a long- term series, is expected soon.

The 8 p.m. contest will be the homecoming game for the Buffaloes of coach Joe Kerbel.

Since homecoming games started at West Texas in 1931, the Buffaloes hold a winning 15-12-1 edge. New Mexico State handed the Buffaloes their last homecoming loss, a 10-2 deci- sion in 1965. This is the first time the Buffs have hosted North Texas for a homecoming battle.

GUEST EDITORIAL

Radio vs. Television Dramas

Radio people like to make the point that radio is a better medium of entertainment than television since the element of imagination plays a greater role in radio.

For example, if a "beautiful girl" is portrayed in a radio drama, the listener pictures in his mind what he considers a beautiful girl. But if he sees the character, the girl pictured on television may not be his idea of a beautiful girl at all!

Motion pictures based on novels are often disappointing to the one who read the book first because seeing the action is less vivid and satisfying than the mental pictures conjured up by the reader.

The same principle can be applied to the woman and her dress.

The more she leaves to the imagination, the better off she is! A girl attired in a full, floor-length evening gown may be bow-legged, have knees that look like cauliflowers, and ankles like porch columns... yet hidden behind the gown, they do not detract. She may create the illusion of a dream girl. For the same reason, some women are much more attractive behind a veil.

We saw Sally Rand do her fan dance at the Chicago World's Fair back in 1933. Contrary to the billing, she never once exposed herself from behind her two huge feather fans. Oh, she continually threatened to do so. But just as she would step from behind one, the other fan suddenly provided cover.

Smart girl!

Traditionally, women have been slaves to style. It mattered not how unbecoming the hat, the hair, the shoes or the hemline. If it was "in," it was for the women!

Dress lengths in particular from season to season went up and down like a window shade... but never a marmur from the women. It was at least a good excuse to buy a new wardrobe.

Not until this year has there been even a suggestion of revolt against the fashion designers. This year, women charge that regardless of style, they will NOT abandon their mini-skirts! Why this phenomenon?

Why have women suddenly thrown fashion to the wind? Perhaps it's a problem of priorities.

Is it possible that in the minds of the girls and women, fashion is important... yet, not so important as sex?

Is it significant that the one cause for which a woman will fight, defying even fashion designers, is the right to expose herself?

Why didn't she fight when the hemline was raised from just above the knee to just below... her appendix? That was far more revolutionary than bringing the hemline back down to familiar territory.

Perhaps it is for the same reason that she will don her short, short pants in 20 degree temperature, yet explain to inquirers that she's only trying to "beat the heat."

Modern fashions for women have gone just about as far as they can go without revealing all their accessories. They have topless gowns, transparent dresses, and some predict that it won't be long until the only place to find a bra will be in a museum. Yet, we've heard no complaint from the women!

We suggest that the women have a somewhat distorted idea as to what man like to look at. We suggest that most women would score higher with most men if they left more to the imagination, that a drama is more enjoyable on radio than on television. -TULIA HERALD

Letter To The Editor

 Commerce, Texas 75428

Oct. 12, 1970

Dear Mr. Tooley, Editor:

I have missed receiving the Hesperian the past few weeks. I am enclosing check for my subscription, and am glad to do so. The Hesperian will always rank high in my interests, not only for sentimental reasons but because it is a good newspaper. Many names contained therein are no longer familiar to me, yet I find many items of interest to read - especially the "Caprock Chat."

Many thanks for past favors.

Sincerely,

Milo Futures Contract Seen For Plainview

The Chicago Mercantile Exchange Board of Governors has voted in principle to list a grain sorghum (milo) futures contract with Amarillo and Plainview and possibly Lubbock and Hereford to be designated as delivery points.

Everett B. Harris, CME president, said Wednesday final details of the contract had not been voted on by the Board but that the Exchange is expected to list milo futures within a few months.

Final official disposition is expected to be announced by the CME Oct. 14.

Harris said the Board had studied the potential for such a contract for over a year and that a feasibility study had been completed. Approval of the con-

tract would be the Exchange's "first step into such a storable commodity," Harris said.

Past Action

He noted, however, that milo contracts had been listed in the past on other exchanges which have not continued active. One such milo contract has been listed through the Kansas City Board of Trade.

Neal B. Scott, head of Neal B. Scott and Associates of Amarillo and Plainview, said the contract would "be a tremendous boon for the cattle feeders, elevator operators, farmers and feedlot operators in this area because it will give them some protection against price fluctuations."

Dr. Willard Williams, a Texas Tech University agricultural economist who completed the feasibility study for the CME, suggested provisions for the contract to include contracts for delivery on a flat basis by truck or rail into storage, no fixed differential on delivery points, delivery months of January, March, May, November and possibly in September.

FLOYD PHILOSOPHER

A Solution To Problem Of All

This Hijacking Of Airplanes

Editor's note: The Floyd Philosopher on his Johnson grass farm has been giving some thought you might say to the problem of airplane hijacking, his letter this week reveals.

Dear editor:

As everybody knows, the hijacking of airplanes has become a serious problem, especially following the hijacking and blowing up of those three big planes by the Mid-Eastern guerrillas and the holding of 400 hostages for two or three weeks out there in the burning desert, and as a result a lot of hard thinking has been going on trying to figure out a solution. But not enough.

For example, the latest plan is to put armed guards on planes, at a cost of millions of dollars a year. They'd function like the armed guard on a stage coach, the one who rides beside the driver gun in hand and is said to be "riding shotgun."

This won't work. Anybody who has ever seen a Western knows it won't work.

Invariably the outlaws pick off the guard first, I never have seen one successfully fight them off, he slumps over, and the driver reins in the horses with his hands up. Later, if the outlaws figure he has recognized them, they shoot him too, and generally he does recognize them, if he's been watching Westerns himself. They use the same outlaws over and over.

Another method being half-used is to make sure no passenger boards a plane with a gun, hand-grenade, dynamite, or other weapon, but it's not very successful. In the first place, to really eliminate all weapons you'd have to

search every passenger from head to toe and then go through every piece of his luggage, including women's purses, something that would take so long air travel would be slower than train travel, there aren't many trains left, and as a result everybody would have to stay at home and you know how some people would go out of their minds doing that.

But there is a solution. Everybody seems to be overlooking the obvious, the simplest, the most effective, and the cheapest way to stop hijackings, which I now offer free of charge.

The thing to do is handcuff every passenger to the arm-rests on his seat. Everybody. Except maybe kids under 6, and you'd better keep your eye on some of them.

The cuffs would be electronically controlled from the pilot's compartment. At a signal, while the plane is still on the ground, everybody places his arms in position, the cuffs close, and stay that way till the plane lands. It would even eliminate smoking. In case of an emergency landing, all cuffs could be released simultaneously by the flick of a switch.

It might be a slight nuisance but you can now get from one end of the country to the other in just a short time, 3 or 4 hours at the most and sooner than that when they get those bigger planes going, and it looks like nearly anybody would rather be handcuffed for a short time than kidnapped to Cuba or some lonely desert in the Mid-East for two or three weeks. I guarantee this would stop all this hijacking. It might even bring passenger trains back.

Yours faithfully,
 J. A.

UNICEF's Trick Or Treat Makes Everyone Smile

It's easy to make a child smile. A good meal, the relief of pain, the joy of learning, the knowledge that people care - any one of these is enough to produce that spontaneous burst of human sunshine which augurs a happier future.

Each day, more of the undernourished, disease-wracked children of the world's developing countries are finding something to smile about as the United Nations Children's Fund expands its nutrition, health and education programs into the far corners of the Third World, working in cooperation with the governments of the recipient countries.

At home, an ever-increasing number of our own more fortunate young radiate that very special smile that comes from their delight in helping others as they enjoy the fun of Trick or Treating for UNICEF on Halloween. As well they may; each coin they collect can be translated into another smile in a far-away land.

A smile can bloom even in earthquake-torn Peru as a child helps carry emergency relief supplies, paid for by UNICEF contributions, from a helicopter.

A UNICEF penny brings a smile to a face of a Trinidadian youngster who boasts that the inoculation with anti-tuberculosis vaccine "really didn't hurt." The eyes of a little girl in India sparkle with the joy of learning as she explores her

new basic education kit brought with a Trick or Treat quarter. Guatemalan youngsters grin with delight as the green shoots begin to show in their school garden where one nickel provides enough seed for 500 feet of vitamin-rich carrot rows. In Iran, preschool children laugh companionably as they play in the day nursery equipped by UNICEF for a few dollars.

For in addition to its emergency aid provided during such crises as the Nigerian civil war and the Peru earthquake,

UNICEF is engaged in long-range programs for better food, medical care and schooling in 112 developing nations in Africa, Asia, Latin America and the Middle East.

Since 1950, when a small group of Philadelphia children began it all with a \$17 collection, UNICEF's Trick or Treat campaigns have expanded into rural villages, towns and metropolitan areas in all of the 50 states as well as on military bases both here and in Europe and Asia.

THE COLLECTION ... Tom and Vera Ivey look over part of their bottle collection. (Staff Photo)

Couple Enjoys Bottle Collecting

JAMES HUGGINS
Tom and Vera Ivey are remodeling their home at 220 West Virginia, one of the first in the agenda was a place for the Iveys' bottle collection. The remodeling is nearly completed in the room. The Iveys' boasts everything from baby bottles to the Beam bottles, including the way snuff cans, medicine boxes, jars, old fruit cans as the collection of from 10¢ to \$15, and, and they come from countries as Libya, Canada and Italy. In many other collectors in saving bottles, the kind and after shave included in the Iveys' Avon collection are bottles in the shape of a Dusenburg automobile, a dune buggy, anglers' reel, stagecoach, golf bag, horse's head, clock, water pump, state capitol building, and Indian-head penny. Some of the Avon bottles are valued at \$14.
Ivey started his collection in 1938 with a pocket flask bearing this inscription:
"When your heels hit hard
And you head feels queer,
And your thoughts foam up
Like the froth on beer--
When your legs are weak
And your voice is strong,
And you laugh like hell
At some damn fool song--
You're drunk, by gosh!
You're drunk!"
Since the Iveys moved to Floydada early this year, the bottle collection has really grown, with additions to the collection being found by the Iveys, given to them by friends, and a few having been bought. Buying bottles, especially the antiques, can get expensive; Ivey priced one tonic bottle recently that sold for \$100; the commemorative Beam bottles and several others go much higher.
The Iveys will buy interesting or unusual bottles - if you have some to sell, contact Tom at home or at the Palace Barber Shop.

In recent years, auto theft has risen faster than any other crime category in the United States. The National Automobile Theft Bureau (NATB), the investigating arm of 400 insurance companies, estimates that \$900 million worth of cars were stolen in this country last year, 25 percent more than in 1968 and double the number of just five years earlier.

Quisenberry Awarded Bronze Star

U.S. ARMY VIETNAM (AH-TNC) Sept. 22 - Army Specialist Four Ricky J. Quisenberry, son of Mrs. Betty Quisenberry, Plainview, received on August 27 the bronze star medal in Vietnam.

He was presented the bronze star medal for distinguishing himself through meritorious service in connection with military operations against hostile forces in Vietnam. The medal, adopted in 1944, recognizes outstanding achievement.

Spec. Quisenberry received the award while assigned as a rifleman in company B, 3rd Battalion, 187th Infantry, 101st Airborne Division (Airmobile) in Vietnam.

He entered the army in May 1969 and was last stationed at Fort Ord, Calif. He holds the Air Medal, the Army Commendation Medal and the Combat Infantryman Badge.

The 21-year-old soldier is a 1966 graduate of Kress High School. His father, Bill Quisenberry, lives on Route 3, Floydada.

LOCAL CAP URGES CITIZEN AWARENESS

The members of the Floydada Civil Air Patrol are joining the CAP nationally in urging citizens' awareness of Vietnam prisoners of war and

personnel missing in action. The CAP is distributing bumper stickers reading: Civil Air Patrol urges you - Don't let them be forgotten. POWs, prisoners of war - MIAs, missing in action.

The CAP advocates writing to congressmen and any other means of letting the public sentiment on release of Vietnam POWs known.

I REMEMBER, I REMEMBER...

Held Two Offices

Since one cannot hold two offices at one and the same time, it seems remarkable that J. D. Starks, who may be remembered as postmaster off and on for half a century, could have also been county commissioner for eight years.

The answer is in the fact that while Mr. Starks was Commissioner and also postmaster, he held the government job without actually being on the payroll of the government. Thousands of such post offices existed in those days where the postmaster was under bond to the government but not on salary.

He got his pay from the sale of stamps (and possibly some other things, I was not familiar with the details). Fact is the postmaster did not have enough business to make a living and he had to do something else. Generally the post office was a side line.

Mr. Starks (Mister to buttons like me, Dug to the grown-ups) was a Republican. When a Republican administration came along while he was active he got the call for the postmastership.

I have one of the ballots used in 1898 when he was elected commissioner. This was a "Populist" ballot. There also was a Democratic ballot and likely a Republican, Mr. Starks' name probably was on all three.

Explaining it away The explanation of how I came to have one of the Populist ballots and how Mr. Starks' name came to be on it is somewhat along this line: The ballot was there when I came along and I just picked it up. Everything a person did in those days was not against the law. If one stole a horse, robbed a bank, got obstreperously drunk or something, he was up and tried and sent to jail, over the road, or acquitted and that was that.

As for Mr. Starks, a Republican, having his name on the Populist ballot, this party was pretty strong in Texas in the late nineties. They were trying to elect a man named Nugent as governor. They picked up Republican J. D. Starks and Democratic Arthur B. Duncan, and others, and put them on the ticket in this particular county. Nugent almost won the governor's chair.

In those days each party printed its own ticket. The state did not furnish them. The ballot could be the size and color the party wanted it printed. If one

had a colored ballot it made it easier for those who could not read and write to vote without having to ask somebody. Each ticket had only one set of candidates printed on it.

It was not against the law then to put a man's name on a ticket without asking him. I guess there were some fights, at least some animosities over such matters.

Things were not the same as now in those days. Like, for instance, a country fellow then never saw or heard of a federal judge. But now the government is much closer to us. Federal district judges, drawing princely salaries, now spend part of their time telling parents which school to send their children to and whether to make them walk or ride a bus. I guess we must be "wound up" a bit tighter than we used to be.

Purcell Re-Elected SCS Director

Cecil Purcell, who has served as District Two director for the Floyd County Soil and Water Conservation District since it was formed, was re-elected to that position in recent election conducted at the Lockney Cooperatives' South Plains branch office. Purcell is to serve a five-year term.

Purcell and other members of the county board carry out local soil and water conserva-

tion programs. Other directors include: G. L. Fawver, chairman; Gerald Lackey, vice chairman; Herman R. King, secretary-treasurer, and K. E. (Gene) Probasco.

and Gregg came into the South Plains Baptist Church Sunday. He will be the new music director, and choir leader for the church. Sunday night he held his first choir meeting. Anyone interested in singing is cordially invited to be a member. The Langleys live at Plainview, and he is music director in one of the Junior High Schools there. Mr. and Mrs. Bud Higginbotham of Canyon spent the weekend here with his mother, Mrs. Bryant Higginbotham, and Sunday the Alton Higginbothams of Floydada were here with them for Sunday dinner. Rev. and Mrs. W.L. Trice, Ruth and John Mark left Thursday and returned Saturday for Dublin where they visited with his mother, Mrs. Mae Trice, and then went to Albany where they spent some time with her mother, Mrs. Childers. We are happy to announce the son of Mrs. Bryant Higginbotham, Alton Higginbotham of Floydada, was named one of three Outstanding Young Men of America, of Floydada, in 1970. This is an annual awards volume sponsored by leading men's civic and service organizations. We congratulate Alton on this honor. Mrs. J.B. Lott, older sister of Frank McClure, who lives in Fort Worth is critically ill in a Fort Worth Hospital. She has been in the hospital about a week, but has been ill during the past year. Mrs. Early Pritchett attended the supper in Plainview for Republican George Bush at a Republican Rally last Saturday night. A "Come as You Are" surprise Coffee was held in the home of Mrs. Lillian Marble last Thursday morning, with assistant hostess Mrs. J. P. Taylor. Mrs. Glen Wood, Mrs. Don Marble, Mrs. Fred Marble, Mrs. J.P. Taylor and Mrs. Keith Marble were drivers of cars who went to homes in the neighborhood to pick up all the members of the Hobby Club, La Than Club and others, and brought them to the home of Mrs. Marble where they were served apricot twists, doughnuts, cinnamon rolls, hot chocolate, Russian tea and coffee, and enjoyed an hour of visiting. In the hour of fun, each one agreed that almost everyone did not look their best at that hour of the morning. Around thirty were in attendance. Mr. and Mrs. Fred Fortenberry had Sunday dinner after

church with his brother Mr. and Mrs. Robin Fortenberry of Cedar Hill. Joe Trimble, stationed at the Elmendorf Air Field near Anchorage in Alaska, left last week, going through New Jersey, where he called his parents, Mr. and Mrs. G.E. Trimble here, that he was on his way to Germany. He will be stationed for a month on maneuvers in Germany. Patricia Mulder, niece of Mr. and Mrs. Arby Mulder, is a freshman at the Womans College at Las Cruces, N.M. having entered there this fall. Her parents, the O'Dell Mulders live in Albuquerque, N.M. Mr. and Mrs. Murray Julian and Mr. and Mrs. Kendis Julian went to Lubbock Sunday noon to meet Mr. and Mrs. Terry Julian of Roscoe. They spent the afternoon in Lubbock with them as Mrs. Terry Julian entered the University Hospital to spend this week there, taking tests and therapy. Mr. and Mrs. Grisy Milton, accompanied by Johnny Gant of Plainview, flew to Alexander, Minnesota last Sunday morning and arrived home Tuesday. They were on a business trip, and while there a Ballanca Society was formed. Darla stayed in Floydada with her sisters, Mrs. Arlis Powell and Mrs. Bud Edwards. We are sorry to hear of the death of Mrs. Neil Greer, 84, of Lockney. She died Sunday morning 4 a.m., in the Lockney Nursing Home. She was the widow of Dr. Neil Greer, and is well known to everyone in our vicinity. She was the grandmother of Mrs. Lottie Stewart's grandchildren in Lockney. (children of Dr. Wayne Greer). We are also sorry to report the death of Joe Phillips, well-known Lockney resident here, who died Friday in the Lockney Hospital. Rites were held Saturday in Lockney. Phillips had been in the hospital about five weeks when his death occurred. We congratulate Mrs. Jean McClure, daughter of Mr. and Mrs. Frank McClure here, in being one of the top five winners in a short story contest sponsored by the Wayland College last spring, and recently announced. Mrs. McClure graduated from Wayland in May, and is now a teacher in the third grade at Hillcrest Elementary School. She was a second place winner in the contest. Mrs. McClure's oldest daughter, Donna is now a freshman at

Wayland. Mr. and Mrs. Fred Fortenberry were hosts at a dinner in their home last Tuesday with guests her mother, Mrs. N.C. McCain of Lockney; her sister, Mr. and Mrs. Elvin Hutson of Bridgeport, Texas; Mrs. Kenneth Woodruff and five weeks old son, Timmy Lynn of Amarillo; Mrs. Delvin Bybee, Stephanie and Shranda of phanie and Shranda and Mr. and Mrs. Larnce McCain of Lockney. Mrs. Hutson took her mother, Mrs. McCain back home with her to Bridgeport to stay for the coming month. Mrs. Gilbert Bean of Lockney left last Wednesday by car for an eleven day visit in Albuquerque, N.M., with her sister, Mrs. Marjorie Bowman, and other relatives. Seven inches of snow fell last Wednesday and Thursday in Perryton, according to reports from the Bruce Julians there. Mr. and Mrs. Ernest Wells had as a house guest last week, his sister, Myrtle Wells of Dallas. She came by car with Mrs. John Brown and Winnie McLain also of Dallas. Those in the group were all dinner guests in the Wells home here for a celebration of the Wells wedding anniversary Wednesday at noon. They enjoyed a showing of Alaskan slides that afternoon by Winnie McLain. Mrs. Brown and Winnie McLain visited during the week in Floydada with Mrs. Tom McLain. Mr. and Mrs. L.H. Parks went to Lubbock Friday to attend funeral services for Albert Clubb, 68, of Lubbock, who was owner of the Clubb Elevator here in South Plains. Thursday afternoon several from here went to Lubbock to attend the Genealogical Work Shop which was held at the Garden & Art Center. They are Mrs. Don Marble, Mrs. Glen Wood, Mrs. Keith Marble, Mrs. Ronald Dale Kitchens, and Mrs. Fred Marble. "Redeeming the Time" was the theme for the Annual Associational WMU meeting held last Monday night at the Baptist Church in South Plains. Sandwiches, spiced tea, coffee and sand tarts were served. The message, "Walk in Wisdom Toward them that are Without" was given by Mrs. Ralph Johnston of Floydada. The budget was adopted, and the reading of the by-laws was heard during the meeting. Around fifty attended. Travis Young was able to come home from the Floydada hospital this Monday morning. He had been there since last Wednesday taking therapy for his back, and has been in traction. We hope he continues to improve.

Lt. Jimmy Pritchett, stationed with the Armed services in Vietnam, spent this past week in Bangkok, capitol of Thailand, and enjoyed that beautiful city with all its temples and Buddhas. Frank McClure caught an opossum in his yard this past week, found by his dogs. He was curled up in a ball, so McClure was able to put him in a cage. Several odd animals have shown up in our area lately. A quick fox was seen over near the canyon area, and Murray Julian saw a coyote three different times the past week near the farm. An Around the World progressive dinner was given for the Acteens of the Baptist Church Saturday night, with hostess Mrs. Eugene Beedy. A dinner started at Mrs. Tommy Powell's home with a Hawaiian theme and where punch was served; a Japanese theme was used at Mrs. Kendis Julian's, where the girls had salad, and sat at low tables and used chopsticks. At Mrs. L. T. Woods they had Italian food and were served spaghetti and meat balls; and then to Mrs. Beedy's where they had apple pie. The Hobby Club met at Mrs. E. J. Kinslow's Wednesday with Letha Mulder bringing the thought for the day, and Mildred Hamm giving "What Words Mean Today." Such as "Bread". It used to be the staff of life, now in Hippie language it means money. Mrs. Kinslow served prune cake, coffee and punch then all the group went to the home of Mrs. Oleta Wilson where they toured their rock shop. They saw the rocks as they were in the rough, and then the different processes they go through to make the finished product. The Wilsons have beautiful tables, lamps, rings, key chains, tie racks, ash trays, wall plaques and waste paper baskets all made from lovely rocks. Those present for the meeting were Mmes. Fred Fortenberry, Harold Hamm, Lillian Marble, Grigsby Milton, Arby Mulder, M. M. Myers, Alvin Nichols, John Key West, Tom Cherry and hostess Mrs. Kinslow. The next meeting will be on Nov. 11, at the home of Mrs. J. K. West. Several from here have been going to the Floydada High School each Monday night to take the History course, taught by Dr. Wood from Texas Tech. The course began in September, and will finish sometime in December. Those from here who are taking the class are Mrs. Eugene Beedy, Mrs. Billy Stanforth Jr., Mrs. Claude Jarrett and Mrs. Kenneth Bean.

Ayres Attends Conference

D. G. Ayres, Veterans County Service Office for Floyd County, attended the 23rd Annual Statewide Rehabilitation Conference for Veterans Service Officers, which was held at the Austin Hotel in Austin, Texas, October 5-8. The Conference was conducted by the Veterans Affairs Commission of Texas, in co-

operation with the American Legion Disabled American Veterans, AMVETS, Jewish War Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas. The purpose of the included disability compensation and pension, Government insurance, GI loans, education and training for veterans and children, hospitalization and medical treatment, and veterans employment and reemployment rights. Conducted annually, this Conference serves as an in-

service course of training for all National, State, County, Post and Chapter Veterans Service Officers. FLOYD DATA Kent Matthews, son of Mr. and Mrs. E. H. Matthews of Corpus Christi, was here last week visiting with his grandparents, Mr. and Mrs. Walter Collins. Matthews received his discharge from service some two weeks ago and visited in Floydada enroute home. BEAT LOCKNEY

Save \$3 on a complete CFS soil test!

Does a bargain interest you? Then clip the certificate below. It's worth a \$3 discount on a complete CFS soil test at your CFS Crop Advisory Center.

All you do to cash in is give us a call. A CFS Crop Advisor comes out, takes samples from each field. We send the samples to the CFS laboratories for a complete analysis—soil pH, availability of nitrogen, phosphate and potash, deficiencies of all the critical micro-nutrients . . . also test for organic matter and soil texture.

CFS Crop Advisors then outline a fertilizer and herbicide program for the crops you intend to grow — show you what fertilizer and herbicide to apply and when to apply it for best results. The plan also shows how to

adjust soil pH to make nutrients more readily available to growing plants.

Sound like a good bargain? It is — particularly when you see the results you get! Call us today. Offer ends January 1, 1971.

THIS ATOMIC WORLD

ENERGY PACKAGE - Uses of the vast energy locked in the nucleus of the uranium atom will be described by Harold L. Watson in a "This Atomic World" program to appear Oct. 16 at Floydada High School. A one inch cube of uranium - 235 weighing one pound produces the same quantity of electrical power as 1,350 tons of coal.

Texas Is Running Out Of Water

Texas is running out of water, and it's up to Texans to fully investigate facts concerning the Texas Water Plan. That's the conclusion reached by a group of East Texas youth after an intensive six-month investigation of the state's water plight and the water plan.

The findings of the Smith County youth are covered in "A 2020 Vision," a detailed report just released. The study was financed by "Readers' Digest," the D. K. Caldwell Foundation and the Texas Power and Light Company.

Starting as a committee of the Smith County 4-H Club, the 12-member committee was later designated "The Govern-

nor's Youth Committee on the Texas Water Plan." It's investigations carried the youth throughout the state for first-hand inspections and for consultations with leading officials and authorities.

Setting the stage for the report, the introduction quotes a "Life" magazine article that pointed out that "Texas simply does not have enough water in the right places to support its fast growing population, industry and agriculture." "Life" published the statement 17 years ago.

"Throughout our studies of Texas and the current Water Plan, it was emphasized that in order to meet these water de-

170 Highest Reached To Date

Local Draft Board No. 45, Executive Secretary Bertha M. Clapp wish to advise that random selection number 170 is the highest lottery selection number reached to date in 1970. However, it may be necessary to go to a higher random selection number than the previous high number in order to satisfy the remaining 1970 draft calls.

In compliance with the White House Executive Order announced recently, all registrants of Local Board No. 45 who hold the highest reached number or numbers below the highest reached number and who have not been issued orders for induction due to any circumstance, will be considered for carryover into the extended priority selection group if they are classified 1-A as of December 31, 1970. Such young men will have their liability for induction extended for the first three months of 1971.

Registrants who hold numbers above the highest reached number of Board No. 45 and are classified 1-A on December 31, will be placed in a lower draft priority group on January 1.

The Old Timer

"It takes a smart woman to decide if a man is too old to be considered eligible, or too eligible to be considered old."

mands, full development and conservation of all Texas water reservoirs is essential," the report said.

During the study, members of the youth committee spent two days touring the High Plains as guests of Water, Inc., an educational organization dedicated to finding solutions to state water problems. The report cites the High Plains as one of the most productive sections of the state, but notes that West Texas is facing a future water shortage which could be averted with implementation of the water plan calling for importation of water from the east.

Among benefits to East Texas from the plan, the report lists the building of reservoirs to store water which otherwise would be lost, maintaining control over East Texas floods and the creation of new and more inviting recreation spots to attract tourists.

The report predicts that surplus water will be available from the Mississippi River and that Texas voters will have an opportunity to vote again in 1973 on a plan for financing the state's cost-share of the project. A similar proposal for financing implementation of the plan was defeated by a narrow margin at the polls last year.

WINTER CARE OF ROSES

Getting roses ready for winter is a several-step project. The first is fall sanitation. As the leaves fall, collect and burn them. Cut out and burn the canes infested with borers or cankers.

Control weeds, especially chickweed. It grows during winter weather and hides mites which will return in the spring. If blackspot has been severe, discard the old mulch after the leaves have fallen and replace it with clean mulch, such as sphagnum peat moss, bark, pine straw, cotton burrs, or other clean organic mulch.

Protection usually isn't needed where temperatures seldom get down to zero. At temperatures minus 10 degrees or lower, it is needed. A soil mound piled 10 inches high in the center of each rose is recommended where temperature is below zero more than 24 hours.

Material to protect the roses should be put on as soon as the first killing frost has removed all the foliage. A light, loamy soil has been found to be best for winter protection. Peat

DRIPPING NEEDLES IS NATURAL FOR CONIFERS

If evergreens have dropped or are still dropping needles, don't worry. This is nature at work. The needles which are lost are the older ones nearest the center of the tree. The younger green needles are at the ends of the branches.

While the shedding of the older needles is taking place, pine trees appear to be dead or dying. This condition usually takes care of itself when a hard wind or heavy rain knocks the old needles to the ground. The trees will appear normal again.

Unusual summer seasons of heavy rain or drought may upset this natural process and cause more than the normal number of needles to drop. In such cases, if the tree keeps the current year's needles in a green healthy condition, it will continue to grow next year.

PREPARE NOW FOR CHRISTMAS PLANTS

It's time for home gardeners and housewives to begin preparing Christmas cactus and poinsettia plants for holiday blooming. A little extra care each day is required to provide beautiful flowers for Christmas; otherwise, the poinsettias and Christmas cactus may fail to bloom for the holiday season.

Give both plants as much sunlight as possible during the day and make sure they have long, cool nights. Don't expose them to any artificial lighting at night; this would only upset their delicate flowering - control mechanisms, which require at least 12 hours of continuous darkness.

Night temperatures of about 60 degrees are ideal for both plants, but the Christmas cactus can grow at a temperature as low as 55 degrees. During the day, ordinary household temperatures are satisfactory.

FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Oct. 12 - A freeze that killed most vegetation hit here early Thursday morning. This was the earliest freeze for this part of the country in a number of years.

Mr. and Mrs. Bill Tye and Mrs. W. B. Wilson spent Wednesday and Thursday at Claude with Mr. and Mrs. Bill Beedy.

Mrs. E. W. Walls went to Plainview Monday afternoon and spent the night and most of Tuesday with her sister-in-law, Mrs. E. R. Walls. Mrs. Walls returned home by Lockney Tuesday afternoon and visited her sister, Mrs. D. D. Tate.

Mr. and Mrs. Kay Crabtree, Becky and Sammy and J. C. Bullard were guests in the home of Mrs. Kate Crabtree, and her houseguests, Mr. and Mrs. Lige Moore and Robbie, Saturday night for supper and a delayed birthday party for Sammy Crabtree who was five years old Sept. 12. He had a party then given by his mother, but his Aunt Jo always gives him another party when she comes for a visit in the fall.

Benton Ritchey of Lubbock visited Thursday in the home of Mr. and Mrs. C. H. Wise and had lunch with them.

Mrs. Beulah Jernigan was pleased to have a letter from her grandson, Milton Finley, who is now sergeant, and stationed at Fort Leonard Wood, Mo.

Jack Jernigan of Lubbock visited Sunday afternoon with his mother, Mrs. Beulah Jernigan.

Friday night Mr. and Mrs. Kay Crabtree, Becky and Sammy were supper guests of Mrs. Kate Crabtree, and the Lige Moores, and later Mr. and Mrs. Lige Moore and Robbie, and Mr. and Mrs. Kay Crabtree and Sammy attended the football game. After the game Sammy spent the night with his cousin, Robbie Moore, at the home of their grandmother, Mrs. Kate Crabtree. Becky Crabtree spent Friday night with Renee Sanders.

Mr. and Mrs. T. L. Perry went to Lubbock Sunday and spent the day with Mr. and Mrs. Eugene Watts, Scotty and Kim.

Mrs. Lavina Blair and daughters, Sharon and Brenda, and Mona del Wise of Amarillo came Sunday to the home of Mr. and Mrs. C. H. Wise. Sunday was Mrs. Wise' 62nd birthday and they came to help her celebrate.

Mrs. Roy Meek spent from Wednesday until Friday at Silvertown in the home of her daughter and family, Mr. and Mrs. Lyndal Carey, Carolyn, Mike and Sonya Lea. Mrs. John Carey spent several days last week in the home of her son, Lyndal and family.

Thursday night Mr. and Mrs. Leslie Fawver visited Mr. and Mrs. T. L. Perry.

Mrs. Stella Crabtree, Mrs. Jean Lenti and Gordon Bullard, all of Lubbock visited Wednesday with Mrs. Kate Crabtree and Mr. and Mrs. Lige Moore and Robbie.

Mr. and Mrs. Leslie Fawver and Mr. and Mrs. T. L. Perry visited Monday night in Plainview at the home of Mr. and Mrs. Grady Reeves.

Mrs. Ruey Irwin accompanied by Mr. and Mrs. Bill Burgett of Shallowater, spent Saturday and Sunday in Amarillo with Mr. and Mrs. George Burgett and family.

Frances Mitchell visited Tuesday evening with Mrs. C. H. Wise.

Mr. and Mrs. Lige Moore and Robbie and Mrs. Kate Crab-

tree and J. C. Bullard Sunday with Mr. and Mrs. Crabtree, Becky and Sammy and had dinner with them.

Bicycle Group Sets Standards

American bicycle manufacturers have adopted an industry-wide safety and performance standards for consumers of a bicycle signed to meet today's transportation and recreation needs.

Members of the Bicycle Manufacturers Association have pledged to manufacture every model of their line of regular bikes to the new standards as a sign of continued membership in the association.

The U. S. Testing Company will certify that each tested meets or exceeds standards, no later than 1, 1971.

SAME SERVICE

Vote for the man who will work for Texas.

Lloyd Bentsen will work for a higher standard of living and better health care for our senior citizens, the disabled and the needy. They need help and protection. But loading down the public assistance program with people who should be working is depriving those who deserve more help.

The Welfare Reform Bill of 1970, which Lloyd Bentsen's Republican opponent co-sponsored, would double the cost of welfare in the first year and increase those eligible for welfare from 10 million to 24 million. This doesn't protect those who really need it. It provides a guaranteed annual income without the proper work incentives and job training to get these additional millions of people off the welfare rolls.

Lloyd Bentsen believes the welfare program should be reformed. But he opposes a guaranteed annual income and he wants real work opportunities instead of a costly new program that solves few problems. Lloyd Bentsen believes in guaranteed opportunity, not guaranteed income. President Nixon's welfare plan, backed by George Bush, is not the answer.

Texas needs a Democratic Senator who will support the President when he thinks he's right but can oppose him when he thinks he's wrong.

Texas needs Democrat Lloyd Bentsen

A courageous Texan with fresh ideas.

MR. WHEAT FARMER!

DEKALB SEED WHEAT MEANS

20% Increase In Grain
30% Increase In Grazing

CHARACTERISTICS
YIELD—High Yield Potential. DeKalb tested Palo Duro
with other popular wheat varieties grown in the area.

Variety	Dumas Texas	Vernon Texas
DeKalb Palo Duro	45.5 Bu./A	38.4 Bu./A
Average of four Local Varieties (Tascosa, Bison, Triumph, Sturdy)	40.9 Bu./A	30.3 Bu./A

ADAPTABILITY — Palo Duro is a medium early Hard Red Winter wheat variety for the Texas Panhandle, eastern New Mexico, and the Oklahoma Panhandle.

PLANT CHARACTERISTICS — SHORT, stiff-strawed with erect leaf type and excellent tillering ability. Palo Duro has a red glume and is resistant to Soil-Borne Mosaic.

QUALITY — Palo Duro has a heavy test weight and excellent milling and baking quality. It was tested by the Hard Red Winter Wheat Advisory Committee.

SAVE YOUR SEED
DeKalb Palo Duro is a Hard Red Winter Wheat variety. Plant enough in 1970 to seed your entire acreage in 1971. This is breeder seed. At one bushel seeding rate, if your yields are at the 30 bushel level, the cost to seed your entire acreage to Palo Duro in 1970 will be only \$32 per bushel. If you grow 40 bushels of Palo Duro per acre your cost is only 37 1/2¢ per bushel and at 20 bushel yield levels your seed cost for planting the 1970 crop is only 75¢ per bushel.
