## Doc White

A Floyd County pioneer druggist, loved and respected by all who knew him, was buried Saturday in Floydada Cemetery following funeral rites in the First Baptist Church. Winfred Ulmer White, 79, better known as "Doc" White, died Thursday morning in Northwest Texas Hospital where he had been a patient since early January.

Doc White was born in December of 1891 to Mr. and Mrs. A. D. White at Della Plains, where his father was a druggist. In 1897 the drug store was moved into Floydada and young "Doc" White worked for his father. In 1929 he established White's Drug, located east of the Palace Theatre. He sold the drug firm in 1952 to Dola O'Neal and the late Hayes O'Neal, and later became pharmacist for Goen Drug. He retired in July of 1970.

Doc White married Monte Rey Reagan December 25, 1912, niece of an early day Floyd County pioneer physician. She died April 6, 1957.

The druggist received his 50 year pharmaceutical certificate two years ago and was recently awarded his 50 year Masonic pin from the Floydada Masonic Lodge No. 712 AF & AM. He was also a member of the First Baptist Church in Floydada and the Khiva Temple of the Shrine at Amarillo. White was also a former mayor of Floydada.

Survivors include a son, Bob, a pharmacist in Amarillo; five sisters, Mrs. M. P. Goen, Mrs. Bob Rosson and Miss Ruby White, all of Floydada; Mrs. Pearl Fagan of Omaha, Neb., and Mrs. Hamer Ormon of Borger, and one grandson.

Dr. Floyd C. Bradley officiated for the rites. Burial was under the direction of Moore Rose Funeral Home.

## Lt. Kincer

Services for 1st Lt. Alfred L. Kincer III, son of Lt. Col. (retired) and Mrs. A. L. Kincer II of San Antonio, will be held in that city this morning (Thursday) at 10 o'clock. Word was received Friday by the parents that Lt. Kincer had been wounded March 1, and died the same day in a medical hospital in South Vietnam. The soldier was critically wounded by hostile forces while on night patrol, according to a government telegram.

Lt. Kincer was a cousin of Dale Kincer of Floydada and had visited here numerous times. He graduated from Texas Tech in 1969 and was commissioned at that time. He received training at Ft. Hood and left for Vietnam in April of 1970 and was due to return to the states next month.

Survivors in addition to the parents include one brother and two sisters, all of San Antonio and his grandparents, Mr. and Mrs. A. L. Kincer of Bowie. The local couple will be accompanied to the services by Dale's mother, Mrs. L. T. Kincer of Slaton.

Crosbyton Hospital after a two weeks stay. The Babe Jones family and the local Polvadores have been going to and from Crosbyton to visit the ill man.

## R.D. Bryant

Services for Robert D. Bryant, 80, brother-in-law of A.E. and Leo Frizzell of Floydada, were conducted Tuesday in the First Baptist Church in Olton. Bryant, a former commissioner of Lamb County, died Sunday morning in a Littlefield Hospital where he had been a patient for the past two weeks.

Born April 18, 1890 in Bosque County, Bryant had resided in the Olton area since 1924. He and the former Muezia Frizzell were married April 20, 1912 in the Muncy Community. He had been a member of the Baptist Church since 1913.

Survivors in addition to his wife are two sons, Elmo and Leo Ross Bryant, both of Olton; three daughters, Mrs. Jolene Chitwood and Mrs. Juanita McGill, both of Olton and Mrs. Ouida Eichhorn of Amarillo; one brother; five sisters; 14 grandchildren and 16 great grandchildren.

## Heck Boling

Rites for E. H. (Heck) Boling, 68 year old Lubbock man and former Floydada resident, were conducted in Peaceful Gardens Mausoleum Chapel Saturday morning. Burial followed in Peaceful Gardens Cemetery.

## Mrs. Fowler

Services for Mrs. Nida Cates Fowler, 80 year old resident of Happy, and sister of Mrs. A.G. Eubanks, Buren Cates and W.C. Cates of Floydada, were conducted yesterday in the First United Methodist Church in Happy. Mrs. Fowler died Tuesday morning in Northwest Texas Hospital in Amarillo following a lengthy illness.

Survivors include two sons; one daughter; two brothers; one sister; three grandchildren and five great grandchildren. Burial was in Floydada Cemetery.

## H.A. Copeland

Funeral services for H.A. Copeland, 71 year old longtime Floydada resident, were held Saturday afternoon in the First Baptist Church with the pastor, Dr. Floyd C. Bradley, officiating. Copeland died about 2 p.m. Thursday in a Wichita Falls Hospital. He had been in failing health several months after suffering a heart attack.

A native of Smith County, Texas, Copeland was born August 19, 1899 and moved to Floydada in 1919. He and the former Lois Ewing were married in Plainview August 13, 1921. Copeland was a veteran of World War I, serving in the Navy. He was a member of the First Baptist Church, member of the VFW and a longtime member of the Floydada Chamber of Commerce.

One son preceded him in death, H. A. Copeland, Jr., in 1948.

Survivors include his wife; seven children, Bob Copeland, Floydada; Leslie Copeland of Lubbock, Sammie Tracy of Albuquerque, N.M.; Tommie Gillespie and Francis Applegate, Lubbock, and Tiny Lowrance of Floydada;

Eighteen grandchildren and eight great grandchildren survive, as do two brothers, R. R. Copeland, Danville, Va., and N. J. Copeland, Albuquerque; two sisters, Mrs. G. L. Gibson, Bell, Calif., and Mrs. C. L. Daniel of Seattle, Wash.

Interment was in Floydada Cemetery under the direction of Moore Rose Funeral Home.

Pallbearers were Lloyd Allen, Cotton Wilson, Tommy Assiter, Ed Wester, J. S. Hale, Jr., and J. C. Odum. Honorary pallbearers were Fess Whitfill, Charlie Berry, Will C. Mooney, Paul Looney and F. F. Stephens.

## Mrs. Buckner

Funeral services for Mrs. Lura Etta Buckner, 74, longtime Lockney resident, and mother of Mrs. Gene Lawson of Floydada, will be conducted this afternoon (Thursday) at 3 o'clock in the West Side Church of Christ in Lockney. Officiating for the rites will be Earl Cantwell of Rock Creek and Steve Bracken of City Park Church of Christ, Floydada.

Mrs. Buckner died in Lockney General Hospital at 11:45 Tuesday night. She had been in failing health for some time, and was a resident patient of the Lockney Rest Home before being admitted to the hospital.

She was born in Parker County, Texas, December 21, 1897 and had lived in Lockney for the past 40 years. She was formerly employed by the Lockney Hospital and Lockney Public Schools.

Survivors include one daughter, Mrs. Lawson; one brother, Bill Billington and one sister, Mrs. Ella Lane, both of Memphis, Tex.; and two grandchildren.

Burial will be in Lockney Cemetery under the direction of Carter Funeral Home.

**FEW GREEN BUGS FOUND IN WHEAT**

Greenbug populations are remaining at generally low levels in wheat fields in the Panhandle, according to a recent survey by Norris Daniels of Bushland, research entomologist with the Texas Agricultural Experiment Station.

Although the present populations are not damaging, Daniels urges producers to keep a close watch on their fields. Extended periods of warm weather could provide favorable conditions for greenbugs to increase. Cold weather has hindered greenbug development in wheat up to now, he points out.

Daniels surveyed 28 counties between January 26 and February 5 and found greenbugs generally numbering less than 1 to 10 per foot of planted row of wheat. However, the tiny green pests numbered between 20 to 40 per foot of row in Hall, Briscoe, Floyd and Motley Counties.

H. Crawford, who gave the program on "Best Clothing Buys." She stressed points such as "is the garment really a bargain you are buying; do you really need it; is your closet full of clothing put back thinking you will eventually wear them?"

Mrs. Crawford said never buy a cheap article and expect it to be good; know what you are buying, the price is a good sign; check all seam allowance; do plaids and stripes match at the side and back; are the seams puckered? And make sure zippers and buttons are working properly.

She also gave interesting facts on wash and wear, and other materials.

Hot cakes right from the oven were served by Mrs. Hines to Mmes. J.D. Cates, Ray Carthel, Carmel Eastham, Johnnie Cates, G.W. Smith, Earl Edwards, R. H. Crawford, Claude Ring, G.W. Smith and a guest, Reagan Everett.

Game prizes went to Mrs. R. H. Crawford, Mrs. Johnnie Cates and Mrs. Smith.

Mrs. Ray Carthel will be hostess for the next meeting March 17.

Persons who received tickets to the Art For Heart Show through contributions to the Heart Fund, should see that their names are written on the back of the tickets and placed in the drawing box at the show. They will then be eligible to win a painting at the drawing. You do not have to be present to win.

The Art Show will be held at the Rebekah Lodge Hall in Lockney March 12, 13 and 14.

**DON'T** despair housewives, there is a way you can use those Girl Scout cookies, if you just possibly can't hold another one right now. Other than freezing them they are good in Apricot Whip, using the butter flavored ones; use the mint flavored in Mint Ice Cream; the butter flavored again in the Date and Nut Roll and the butter or peanut sandwich cookies in Heavenly Cookie Cream. If you are out of Girl Scout cookies, I'll bet there are still a few boxes around. Buy some more and try these following recipes:

**APRICOT WHIP** - Using stewed dried fruit sweetened to taste, 1/2 tablespoon plain gelatin, 3 tablespoons cold water, 1 cup hot apricot syrup, 3/4 cup crumbled butter flavored shorties, 1 cup whipping cream, 12 stewed apricot halves. Soften gelatin in cold water; Add to hot syrup and stir until dissolved. Cool and chill when slightly jelled and beginning to set, whip until light and fluffy. Fold in crumbled cookies and whipped cream. Place the apricot halves in bottom of mold and stand butter flavored shorties around the edge. Chill.

**MINT ICE CREAM** - 1 can condensed milk (sweet), 1 pint cream, 12 - 20 chocolate mint cookies - thoroughly chilled to make brittle. Whip cream and add condensed milk slowly mixing well. Put mints in a paper bag or between two sheets of heavy oil paper and roll to crumbs. Stir these into the cream and pour into the tray of electric refrigerator. When practically frozen, remove from refrigerator and stir once more.

**DATE AND NUT ROLL** - Using butter flavored cookies, 1 Dozen Girl Scout cookies - broken, but not too fine, 3/4 cup chopped dates, 14 marshmallows - cut up, 1 cup chopped nuts, 1/2 cup whipped cream. Combine the above - saving 1/2 cup crumbs, mix well and roll up with 1/2 cup crumbs on the outside. Wrap in waxed paper and put in refrigerator at least 5 hours. Cut in slices and top with whipped cream.

**HEAVENLY COOKIE CREAM** - 11 girl scout butter sandwich cookies, plus 1 cup well drained crushed pineapple, 1/2 cup chopped dates or drained maraschino cherries, 1/2 cup chopped nut meats, 1 cup heavy cream or 1 pkg. dessert topping mix, 1 tsp. vanilla, 1/2 tsp. lemon flavoring. Roll the 10 cookies between a fold of waxed paper or even crumbs (cream filling mixes with crumbs). Combine with fruits and nuts. Whip cream or pre-

## Bealls To Observe Anniversary

Beall's Department Stores this year observe the 48th Anniversary of its founding, according to Louis Anderson, vice president and manager of the local Beall store.

The local store here in Floydada is one of 58 operated in Texas and Oklahoma. Fifty-seven stores are in Texas, one is in Oklahoma.

Anderson pointed out that the three original co-founders, Archie, Robbie, and Willie Beall, started the business in Henderson, Texas in 1923. They believed that selling the finest first quality merchandise for the lowest possible price would be appreciated by the buying public and their good reasoning fell on fertile ground.

That policy has been followed by every Beall store since that time and on that foundation Beall's history has been an amazing saga of vision and progress.

Beall's 48th Anniversary Sale will be the biggest ever staged by the company, Anderson stated. Beall's staff of buyers, plus Beall's New York representatives have searched the nation's best markets for the entire year to secure anniversary offerings which are better than ever before.

Over the past several years, Beall's have been constantly expanding its lines of merchandise to include more famous brands, better quality goods, and a greater selection of lines. Also, fashion lines are being up-graded in style and quality with famous Dallas, New York, and California fashions prominent in their offerings.

During its 48 year history, Beall's has been known for its friendliness and neighborly spirit. All Beall managers and employees are prominent in all community projects and are recognized for their activity in religious and cultural affairs. Many are also identified with service clubs and leading fraternal organizations.

Beall's presently operates stores in Henderson, Nacogdoches, Mt. Pleasant, Longview, San Augustine, Gilmer, Jacksonville, Paris, Center, Kilgore, Lufkin, Greenville, Sulphur Springs, Marshall, Palestine, Vidor, Carthage, Conroe, Baytown, Stephenville, Weatherford, Sherman, Rusk, Bryan (two stores), Mercedes, Floydada, Eagle Pass, Bay City, League City, Killen, McKinney, Laredo, Victoria, Corpus Christi (4 stores), Beaumont (3 stores), Orange, Austin (4 stores), Athens, Silsbee, Denton, Del Rio, Brownwood, Denison, Temple, Harlingen, Corsicana, Alice, Waxahachie, and Ardmore, Oklahoma.

**AWHILE BACK**, the Santa Fe New Mexican carried an item from the dear, dead past. It has to do with etiquette and conduct as interpreted for stagecoach passengers in frontier times as they traveled between Santa Fe and El Paso.

" - Spit with the wind, not against it." "This was one of the rules of the road laid down by Wells-Fargo for riders of its cross-country stages 100 years ago. "There were other rules - several as applicable today for auto and bus passengers as for those stage riders of another generation. Here, courtesy of the New Mexico Parks Department, is how Wells-Fargo in posted notices, asked its stage passengers to comport themselves:

"Adherence to the Following Rules Will Insure a Pleasant Trip for All.

"1 - ABSTINENCE from liquor is requested, but if you must drink, share the bottle. To do otherwise makes you appear selfish and unneighborly.

"2 - If ladies are present, gentlemen are urged to forego smoking cigars and pipes as the odor of same is repugnant to the gentle sex. Chewing tobacco is permitted, but spit with the wind, not against it.

"3 - Gentlemen must refrain from the use of rough language in the presence of ladies and children.

"4 - Buffalo robes are provided for your comfort during cold weather. Hogging robes will not be tolerated and the offender will be made to ride with the driver.

"5 - Don't snore loudly while sleeping or use your fellow passenger's shoulder for a pillow; he (or she) may not understand and friction may result.

"6 - Firearms may be kept on your person for use in emergencies. Do not fire them for pleasure or shoot at wild animals as the sound riles the horses.

"7 - In the event of runaway horses, remain calm. Leaping from the coach in panic will leave you injured, at the mercy of the elements, hostile Indians and hungry coyotes.

"9 - Gents guilty of unchivalrous behavior toward lady passengers will be put off the stage. It's a long walk back. A word to the wise is sufficient."

Those were good rules of conduct in their time. A lot of them are still good.

Only difference is, in those days they made rules stick; in these, everybody's got "rights," except the victims.

**FOR SOME TIME** there has been talk that Floydada should have a museum, and this week I heard another suggestion about a museum here. Someone suggested that the QA&P depot was a good location for the museum.

Looks like the Chamber of Commerce should put a committee to work on this project. There seems to be some interest at this time.

## New Arrivals

Mr. and Mrs. Aubrey Smith of Odessa are parents of a new daughter born February 10. The baby is the granddaughter of Mr. and Mrs. L.H. Smith of Odessa and the great grandparents are Mr. and Mrs. Leonard Smith and Mrs. Mary Stanley of Floydada. Amy Janel weighed six pounds and 14 ounces at birth.

Honesty is the best policy because, in the end, it pays the biggest dividends.

Your opinions aren't as interesting to other people as they are to you.

## Letter To The Editor

5930 Oram Street Dallas, Texas 75206 March 8, 1971

Mr. Wendell Tooley Floyd County Hesperian Floydada, Texas 79235

Dear Mr. Tooley, I have just learned of the death of my dearly beloved cousin, Ulmer White, and would like to make a small contribution in his memory to the American Cancer Society although I am not sure that was the cause of his death. I am sending this to you as I feel you will know how to handle it. If Floydada does not have a chapter, and I prefer to send it there instead of our chapter here in Dallas. If you are in touch with Mrs. Bob Rossen or Mrs. Garnet Goen, you might tell them I have done this. However, I am sending a card of sympathy to each.

May I take this opportunity to tell you that I enjoy your Caprock Chat and Peggy's Meddlin's and for your work and interest in boosting Floydada and Floyd County where I was born, you are to be commended. I appreciated the many articles you printed sent in by my brother, J. T. McLain, during his lifetime. Sincerely /s/ Winnie McLain Winnie McLain

# Three In Hospital, Seven In School Board Election

City, school, and hospital board elections are set for Saturday, April 3 in Floydada and at two county school-houses.

The city election, to be held at City Hall, is uncontested,

present councilmen Boone Adams and Ed Hammond and mayor Jimmy Seay being the only candidates.

There are seven candidates for three trustee posts on the Floydada Independent School

District board. They are: Harvey Allen, O.N. Bertrand, Joe Hesson, Mrs. Chuck (Betty) Holmes, Arlis Powell, Jerrold Vinson and incumbent Thomas Warren. Warren's, Bill Hale's, and Newell Burk's

terms expire in April.

Jay S. Hale Jr. is a candidate for re-election to the Caprock Hospital District board of directors. Other candidates are Sam Baker and W. F. Daniel Jr. Hale's term, along with Walton Hale's expires in April.

re-election, and Bob Koss has also filed for a trustee position. South Plains trustees Kendis Julian and Eugene Beedy have expiring terms on the board, and both have filed for re-election.

The Floydada school and hospital board elections will be held in the court house, and the Dougherty and South Plains vote will be at the respective school-houses. The county election will be held in conjunction with the individual school board elections.

## FHS Tennis Beats New Deal, Splits With Plainview

The Floydada High School tennis team beat New Deal's team 8-0 there on Monday, then traveled to Plainview Tuesday where they won four matches and lost five.

The team will play in the Lubbock Tennis Tournament March 19-20.

**NEW DEAL**

At New Deal Karla Tooley and Denise Chadwick won their match 6-2, 6-1. Joe Kimble and Kirk McIntosh won 6-4, 3-6, 7-5. Ricky McDowell and Larry Jones won 6-1, 6-0. Then McDowell won a singles match 6-1, 6-1. Miles Davis also won two

matches 6-0, 6-0, 6-4, 6-0.

Karla also played a singles pro set which she won 8-1. Larry Jones won a singles pro set 8-1.

**PLAINVIEW**

At Plainview Kimble and McIntosh lost their first match 0-6, 0-6 then won the next match 6-2, 4-6, 10-8.

Karla and Denise won their first match 7-5, 6-2, then on the next match split 7-9, 6-4 and match called on account of darkness.

Ricky won his first match 6-4, 6-4, then lost a pro set 6-8.

Patrick Ricker and Larry Jones lost their match 1-6, 0-6. Miles lost his first match 1-6, 0-6, and his second match 1-6, 2-6 against Plainview's top two players.

Tennis coach Don Ford hopes to schedule some more pre-district competition for the team.

The team will play Petersburg here Monday afternoon at 4 o'clock.

**BRITAIN'S MONEY**

London-- Britain has yielded one of its most treasured traditions by abandoning part of its 1,200-year-old money system for a streamlined decimal coinage. The new currency is part of plans to put British weights, measures and amounts by 1975 on the decimal or metric systems used by the rest of Europe.

**HELPING DRINKERS**

New York-- Over 300 corporations have started active programs whose aim is helping problem drinkers to recover is to save the skills and experience of valuable employees. Dr. Luther Cloud, president of the National Council on Alco-

holism, points out that every 13th employe is an alcoholic and these people are estimated to cost American business over \$6 billion yearly.

**NUTRITION SURVEY**

Washington-- The government begins a dress rehearsal this month of a national nutrition survey designed to travel to 64 cities during the next two years. The try-out of the \$5 billion survey will contact a cross section of citizens selected by the Census Bureau to examine them for eating too little, eating too much, cholesterol levels and other data.

## 37.2 PERCENT URBAN, 62.8 PERCENT RURAL

# Census Reveals More Female Than Male Living In Floyd

Census Bureau reports official 1970 population of Floyd County.....

Floyd County's official population in the 1970 census was 11,044, down 10.7 percent from the 1960 figure of 12,369. The Bureau of the Census, U.S. Department of Commerce reports.

The official population of the state was 11,196,730, up 16.9 percent from the 1960 population count, which was 9,579,677.

The 1970 census counted 10,299 white persons in Floyd County, 93.2 percent of the total, 731 Negroes, and 24 persons of other races. In 1960, 92.8 percent of the population was White. Latins are included in the white total.

The census showed 1,046 children under 5 years; 3,263 in ages 5 through 18; 5,480 people 18 through 64; and 1,255 who were 65 and older. The population 14 years and over included 5,358 married people, 643 who were widowed, 152 divorced, and 1,592 never married.

Floyd County's 1970 population was classified as 37.2 percent urban, and 62.8 percent rural.

There were 3,333 households, with 10,905 persons, including 537 one-person house-

holds. In addition 139 persons were living in group quarters.

The 1970 census counted 4,069 housing units in Floyd County, 2,116 of them occupied by owners, 1,217 occupied by tenants, and 736 vacant. These included vacant units for seasonal use. The proportion occupied by owners in 1970 was 52.0 percent, compared with 40.3 percent in 1960.

Among year-round dwelling units there were 3,705 single family houses, 165 housing units in multi-unit buildings, and 37 mobile homes or trailers. The percentage of occupied units with more than one person per room was 15.4, compared with 19.0 in 1960. Of all the occupied housing units, 3,176 had piped water, toilet, and bath, while 157 lacked some or all plumbing.

The median value of owner-

### BASEBALL

BY PETE FRITCHIE

Lakeland, Fla.-- The Detroit Tigers training camp is more exciting this year than at any time since 1968--the year the Bengals won the flag and the World Series. Mayo Smith, the manager that year and in 1969 and 1970, was the quiet, unexciting type.

The suspicion around the

occupied houses in Floyd County was \$8,200, compared with \$7,000 in 1960. The median rent paid by tenants in 1970 was \$50 per month, compared with \$56 in 1960. Half were over and half below the median figures.

American League in 1967 was that Mayo should have won the pennant handily, but he lost out on the last day to Boston. In 1968 the players--charged with blowing it in 1967--took things in their own hands and won the flag by ten games. Then they pulled out the World Series after being down 1-3 to the St. Louis Cardinals.

Since then they haven't generated much steam, and the team has been racked with disension--though Mayo continued to use a very light hand. Denny McLain is perhaps partly a result of his light touch. One can't imagine such behavior under a manager like Billy Martin.

And that's one reason Billy Martin is holding court at Lakeland today. He thinks the Tigers have a good chance at the flag. The trade which brought the left half of the infield from Washington, plus two pitchers, one very good and the other possibly so, for Denny, might have put Detroit in the pennant

# Champions Bring Mucho Dinero!

At press time yesterday, the Hesperian learned that the champions at the livestock auction sold for big money. A complete listing of all sales will be published next week.

Winning exhibitors, their sponsors, placing, weight of animal, price per pound, total price, and buyer are as follows:

Brenda Willis, 4-H, Grand Champion Steer, 1082 pounds, \$1.00 per pound, \$1082.00. Purchased by the members of Floyd County NFO Jay Jones, FFA, Reserve Champion Steer, 1030 pounds, 80¢ per pound, \$824.00, Lighthouse Electric.

Mike Simpson, FFA, Grand Champion Swine, 193 pounds, \$1.05 per pound, \$202.65, Jimmy Dean, Plainview.

Ricky Gross, FFA, Reserve Champion Swine, 220 pounds, 75¢ per pound, \$165.00, First National Bank Lockney.

Craig DuBois, 4-H, Champion Finewool, 103 pounds, \$1.50 per pound, \$154.50, Green Machinery.

Leslie Sinor, 4-H, Champion Finewool Cross, 102 pounds, \$1.50 per pound, \$153.00, Farmers Co-Op Gin Floydada.

Will Sinor, FFA, Champion Mediumwool, 114 pounds, \$1.50 per pound, \$171.00, Consumers Fuel, Floydada.

Will Sinor, FFA, Champion Shropshire, 88 pounds, \$1.50 per pound, \$132.00, Producers Co-op Elevator.

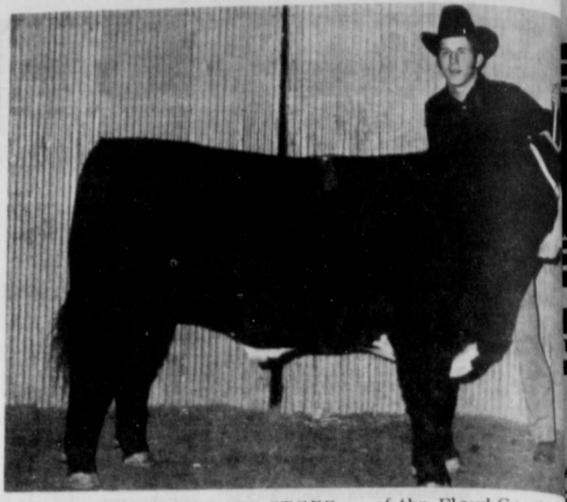

Ross Hamilton, FFA, Champion Southdown, 81 pounds, \$1.55 per pound, \$125.55, Muncy Elevator

scrap.

If Detroit also comes up with Bill Zepp, a promising Minnesota pitcher who wants to be traded to Detroit, Tiger pitching would be even better. Baltimore has strengthened its hurling, New York already has good pitching, and Boston might have a fine staff also. Thus the race in the eastern division might hinge on these four staffs.

**CUBA GETS FLOUR**

Ottawa-- The Soviet Union is buying \$25 million worth of Canadian flour for delivery to Cuba. The government said the purchase is equivalent to 12.3 million bushels of wheat and will be shipped from eastern ports during 1971.

**ALL HIS FAULT**

Memphis, Tenn.-- Thomas Turner, 47, in explaining why he was washing a lawyer and posting bond for a woman who is charged with shooting him said, "I just got in the way of the bullet." After two weeks in the hospital, Turner told Criminal Court Judge W. Otis Higgs at

a preliminary hearing that he would not press charges.

**SMOKING & SEX**

London-- Health warnings didn't work in Britain so doctors are launching a \$1.6 million advertising campaign keyed to the theme that smoking reduces sex appeal. The Royal College of Physicians, which

is sponsor believes that statistics will show that sexual intercourse is more enjoyable when the man is healthy. The campaign is urged.

## Drivers Cautioned As Paving Begins

Floydada, Texas, March 3, 1971, the Texas Highway Department has announced that five bids were received on February 17, 1971, for the proposed construction of five projects combined into one contract. The proposed work is to be completed in 160 working days beginning March 8. Stafford Construction, Inc. was low bidder at \$398,143.83 which is \$41,504.38 below the next bidder.

The projects include (1) Price Street (FM 784) beginning at the intersection just south of the State Highway Department office building, then east across the lake to State Hwy. 207 at the intersection just north of Della Plains School. Length of this project is 0.833 miles. (2 & 3) State Hwy 207, beginning at the north curve at northeast corner of

Floydada in front of the Livestock Sales Barn, south to Missouri Street then west along Missouri Street to the railroad track. Length = 0.753 + 0.287 = 1.04 miles. (4) FM 3111, beginning at the intersection of a county road and FM 37 approximately 4 miles west of the intersection of US 62 and FM 37, then south to FM 54 at the first county road intersection east of McCoy on FM 54. Length = 4.504 miles. (5) FM 37 in Hale County at road intersection with FM 789 approximately five miles north of Petersburg, then west 6 miles to FM 400 at a road intersection with FM 400 at a point 5 miles south of Happy Union. Length = 6.027 miles.

Sam Fowler, Senior Resident Engineer of the Texas Highway Department in Floydada, explained that traffic will be routed through the construction. Fowler pointed out that adequate barricades and warning signs and signals will be prominently displayed, but motorists should be extremely cautious while in the construction area as it will be heavily traveled by large highway construction equipment. The construction area will be zoned for a maximum speed of 45 miles per hour for the protection of motorists and workmen alike. The entire length will be patrolled to minimize inconvenience to motorists. Cooperation of the public is requested in obeying all traffic signals, warning signs and speed zones. The first work shall be on the heavy fills on Price Street and FM 3111. Neither of these areas are open to traffic nor do we intend to open the sections until the flexible base has been placed. Stafford expects to

finish these two lake fills in about 45 days. He proposes to finish the dirt work on the remainder of Price Street and FM 3111 and FM 37 while crushing caliche. No work is proposed for 12th Street and Missouri until sufficient flexible base material has been crushed.

On Wednesday, March 3, at the Resident Engineer's conference room, a Pre-Construction meeting was held for the purpose of formulating plans and establishing lines of communication between the contractor, Texas Highway Patrol, local Police, News Media and the Texas Highway Department with emphasis directed toward promoting greater safety to the traveling public. The meeting was well attended. Representing the Texas Highway Department were O. L. Crain, District Engineer, C. W. Nail, Jr., District Construction Engineer; Sam Fowler, Martin Burkhardt, Louis Newell and J. W. Gooch of Floydada and Maurice Coburn, Merlin Bennett and Elwin B. Gooch of Plainview; Judge J. K. Holmes, John Fowler, Carl Plumlee and Foster Amburn represented Floyd County and Lloyd Goldston represented Hale County; Stafford Construction, Inc., the contractor, was represented by Bob Brown, Lee Stafford, Tom Taylor and Marvin Love; Sgt. Thurman Keffer and Bud Rainey represented the Highway Patrol. SEE DRIVERS. PAGE 8

### Eugene Edwards Fireman Of The Week

Eugene Edwards and his wife, Barbara, are both active in the Floydada Fire Department.

Eugene has been employed at Lighthouse Electric for the past nine years and has been in the local fire department for seven of those years.

Eugene has attended the fire school at A&M and several local schools, and has lived in Floydada all his life.

### I REMEMBER, I REMEMBER.....

## Judge Stalbird Was A War Horse

There is some reference no doubt somewhere, in somebody's "papers", to the Democratic party chairman in Floyd County prior to 1904. But I have found none in the various places I have looked. I could have asked the right man at the right time but I did not.

I was rummaging through some of Judge Duncan's papers one day and ran across a 1904 news story which spoke of Democratic Chairman W. T. Montgomery. For political recognition in state affairs it was more important in those days than it is now to have an active county political organization, with delegates named to the respective district and state conventions.

One reason we can know now there was a county organization of Democrats here from the beginning is the fact that there was much activity in the Hogg-Clark campaigns for governor in the early nineties and the emergence of the Populist party which continued to have strong partisans here as late as 1898 and even 1900.

After the passage in 1905 of the Terrell Election Law, requiring party primaries, there have been only four Democratic chairmen - Judge J. N. Stalbird, R. C. Scott, myself and Ben P. Ayres, the present chairman.

In the last quarter of a century I had been telling myself that Judge Stalbird checked the office to me in the early twenties - 1922 to be exact, but I

have no record that bears me out in making this claim. I have a bit of a memorandum book that records the money I took in and the money I paid out from 1928 to 1950, only 22 years. Surely I must have served longer than that but I guess I did not.

Hot About Socialists Judge Stalbird became increasingly unhappy about Socialistic tendencies of the people as the years passed. He was a Democrat reared in an upstate New York Republican stronghold. He would laughingly wonder what became of the other two Democrats when he left for Texas. Being a Democrat was not a convenient way of conforming. He asked no quarter and offered none.

He also was unwilling to cede any right of a person to vote in one party primary in the summer and then vote another ticket in the fall. He would have made it "agin the law." I heard him on more than one occasion warn some presiding election judge that so-and-so, who publicly espoused Socialism, was not entitled to vote in the Democratic primary.

Finally, as the work of chairman became somewhat more burdensome to him and his disgust with the permissiveness of the state party leaders more pointed he decided to "take out." My attitude on this point was that it was a matter of honesty with me as to my own actions at the ballot box but I could

not set myself up as an official of the party to pass on another man's conscience.

I think it was about this time a high court of the state held in substance that a man could not take a pledge one day that would bind his conscience 60 days later.

-Homer Steen

HEAVY ROAD EQUIPMENT goes to work on Price Street in north Floydada.

It's Not Only The Farmer Who Suffers From

# HAILED DAMAGE

It's Each And Everyone Of Us

We hope to include the west 1/4 of Floyd County with Hale County in the Hail Suppression Program for the 1971 season. This area will be West of a north-south line from Lone Star Highway South to Lockney and East of McCoy.

Two items will be of extreme importance in 1971.

**FIRST:** If you are hailed out on cotton and replant soybeans, your price support payments will be reduced by one-third.

**SECOND:** Your future payments will be determined by your actual farm yields.

The above facts make it imperative that we make every effort to eliminate the effects of hail. We hope you will support us in this program.

If you desire further information on any aspects of the program, please contact any of the following people:

Satellite Board Hires Therapist

The Satellite School Board at Lockney recently hired Mrs. Tom Taylor of that city as speech therapist to work regularly with the students. The school exists to provide and ob- tain all necessary services and facilities for those mentally de- ficient children from this area, who would not be suited for the public school system at school age. Harley McCasland, chairman of the board, announced Mrs. Taylor's appointment at the board meeting held last Thurs- day evening at the First Nation- al Bank in Lockney. Satellite teacher, Mrs. Kar- en Evans, stated that the school's program has also been responsible for a young fam- ily's recent move to Lockney, so that they may use the school more conveniently. A point of real interest was the description of a machine recently acquired by the Mental Health Services of Plainview by McCasland who also serves on the Hi- Plains Council of Plainview. The machine is designed to test muscle deter- ioration and should prove ex- tremely helpful in testing Sat- ellite students as soon as it is ready to be used for diagnostic purposes. Anyone interested in further information concerning the program benefiting mentally deficient children should phone 652-2193 during morning hours, or write Lockney Sat- ellite School, Box 514, Lockney, Texas, 79241. Members present were: Har- ley McCasland, Jesse Garza, Donnie Meriwether, Geneva Stansell, Mrs. Bailey Hender-

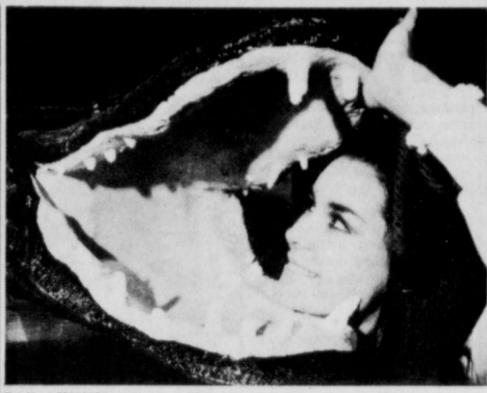

son, Edna Workman, Valmeta Wisdom, Jan Mize, and teacher, Karen Evans.

Tenth Anniversary SIX FLAGS ANNOUNCES DATE FOR OPENING

SIX FLAGS Over Texas will begin its tenth anniversary season with a special week-long celebration starting April 3. The popular theme park at Arlington, midway between Dallas and Fort Worth, will be open on a daily basis during the week before Easter. After Easter Sunday, SIX FLAGS will be open on weekends only until daily, summer operation begins June 1. Officials of the Park also revealed that a major, new ride is under construction at plants in Switzerland and West Ger- many. To be known as the Jet Racer, the new ride travels on tubular rails at a speed about ten miles per hour faster than SIX FLAGS' well-known Run- away Mine Train.

SAY-AHHHHH - Pretty SIX FLAGS Over Texas hostess Jeannie Huffine checks the freshly-painted molars of an "alligator" from the theme park's river ride. All of the animated figures used on SIX FLAGS' many rides are getting a special renovation in preparation for the park's tenth anniversary season which begins April 3.

In addition, the Park will in- augurate a new type of show in its Texas section pavilion. The production will feature Country and Western music per- formed by talented collegians. A new show is also slated for Sid and Marty Krofft's Puppet Theater. Called "Pufnstuf" it will feature the star of the Kroffts' popular television series H. R. Pufnstuf. Scheduled for the Southern Palace Music Hall is a show which Producer-Director David Blackburn calls, "The most am- bitious production we have at- tempted, particularly from a technical standpoint." It will make use of motion pictures and

color slides which form a con- stantly changing backdrop for vacationers from outside Texas than ever before in our history." He noted that the new Seven Seas oceanarium will be opening this summer on a site just west of SIX FLAGS and predicted that the dual attractions will lead to at least a two day stay in the area for many out-of-state visitors. The musical performance. SIX FLAGS Over Texas Vice President and General Manager, Charles E. Pafford, said, "We are expecting close to two mil- lion people during the 1971 sea- son. All indications are that we will be playing host to more

Wheat Referendum and Producer Board Election

Being certified by the Com- missioner of Agriculture of the State of Texas for this purpose, the Texas Wheat Producers Assn, Suite 600, Bank of the Southwest Bldg., Ama- rillo, Texas 79109, proposes a referendum election on May 11, 1971 under provision of Article 55c, Vernon's Civil Statutes, on the proposition of whether or not wheat producers in a 34- county area of the State of Texas shall assess themselves a maximum amount of five mills per bushel to be col- lected at the point of first processing, handling or sale and to elect members for a 9- man Wheat Producers Board to administer proceeds of such assessment to be used for re- search, disease and insect control, education and promo- tion designed to encourage the production, marketing, and use of wheat. Counties to be in- cluded in the referendum area are: Roberts, Dallam, Gray, Hansford, Hartley, Hutchin- son, Lipscomb, Moore, Ochil- tree, Sherman, Briscoe, Arm- strong, Carson, Castro, Deaf Smith, Floyd, Hale, Oldham, Parmer, Potter, Randall, Swisher, Archer, Baylor, Chil- dress, Clay, Foard, Hardeman, Haskell, Knox, Throckmorton, Wichita, Wilbarger, and Young. The referendum and election will be held in each county by personal balloting. Polls will be open from 8:00 a.m. until 5:00 p.m. on the date of the election. The polling places for all counties will be at the County Courthouse. Voting will be conducted on May 11, 1971. Any person within the area described above engaged in the business of producing, or causing to be produced, wheat for commercial purposes is eligible to vote, including owners of farms and their tenants and sharecroppers, if such person would be required to pay the assessment pro- posed. Any person qualified to vote at the referendum may place his name in nomination for election to the proposed com- modity producers' board by written application to the above organization signed by himself and at least ten other persons eligible to vote in the referendum. Such applications must be filed at least 30 days prior to the election date. Any person who wishes to vote absentee may obtain a ballot at his local County Agent's office on or before April 27, 1971. Such ballots must be completed and re- turned to the Texas Wheat Producers Association at the above listed address prior to midnight on the election date.

Now there's a new, small Pontiac with a small-car price for small-car lovers.

Wouldn't you know it would be fun to drive, stingy on gas, quick to service and built to last. Of course you would. We wouldn't build a small car unless we figured it would give you more of what you want a small car for. Take that low price. Ventura II is a small car, so it has a low, small-car price. But it's what you get for that small price that makes Ventura II worth a close look. **Ventura II is fun to drive.** It should be, it's from the Wide-Track people. Which means you get a smooth, comfortable, Wide-Track ride. The handling's quick. There's a nifty 111-inch wheelbase for easy parking. And both the 250-cu.-in. six and available 307-cu.-in. V-8 respond beautifully in city traffic or on the expressway. **Ventura II is stingy with your gas money.** Both the standard six-cylinder engine and the V-8 you can order run beautifully on regular gas or the new low-lead and no-lead fuels. The carburetor on the six is an economical one-barrel, and the transmission for both six and V-8 is a practical 3-speed manual. **Ventura II is quick to service.** If you're a do-it-yourselfer, you'll like fiddling around with the new Ventura II. New twist-lock lamp sockets let you make changes in seconds. The engine is uncomplicated, and there is plenty of engine-compartment space, especially with the six. If you ever need to have somebody else work on your car—well, you'll like Ventura II, too. Both the standard six and available V-8 are tough, time-tested designs. Same goes for transmissions. The standard 3- speed manual and the available 2-speed automatic, Turbo Hydra-matic or floor-mounted 3-speed are all rugged, dependable units. **Ventura II is built to last.** There's nothing light-weight about this car. It's welded—not bolted—at hundreds of strategic points to help keep it tight and quiet. The body is heavy-gauge steel. And it has double paneling in the deck lid, hood and doors. You could probably sum it up best with three little words. Body by Fisher. So, come on. If you're a small-car lover, stop by your Pontiac dealer's today. Tell him you want to see the new Ventura II. It's the small car that gives you more of what you want a small car for.

# City Auto Shows New Ventura Pontiac Today

Pontiac Motor Division announced today that it was entering the compact car market with a low-priced, stylish model called the Ventura II. The compact-sized Ventura II will be marketed in two and four-door models, each built on a 111-inch wheelbase. The new car is on display today at City Auto Inc.

Overall length of the Ventura II will be slightly over 194 inches making it approximately eight inches shorter than the T-37, Pontiac's lowest-priced intermediate.

The new Pontiac offering will be powered by an economical-to-operate 250 cubic-inch, six-cylinder engine which will develop 145 horsepower. Net horsepower will be 110 at 3800 rpm.

Available as an option will be a 307 cubic-inch V-8 engine. This engine will have a gross horsepower rating of 200 while net horsepower will be 140 at 4400 rpm.

Both engines will operate efficiently on low-lead or unleaded 91-octane regular fuel.

A three-speed manual, column-mounted shift transmission with a 3.08 axle ratio will be standard.

Ventura II gets its name from the city of Ventura, located just north of Los Angeles. The city, in turn, derived its name from an early mission called San Buenaventura, meaning a good venture.

The split grille theme as a great Pontiac identifier will help show off the car's distinctive Pontiac styling. Side marker light bezels will be painted body color for a clean appearance.

At the rear, long horizontal taillamps continue the Pontiac identity. Usable trunk space will be almost as large as in the division's LeMans series.

Other exterior standard features include high intensity headlamps, roof rain gutters, pushbutton outside door handles, front door vent windows and exclusive twist lock lamp sockets.

The Ventura II will have cloth and Morrokide bench seats as standard on both the two and four-door models. The headrests on all seats will be adjustable with a convenient slide latch.

Other standard interior items will include rear seat armrests with ashtrays, vinyl floor covering, foam front seat

padding, black instrument panel trim, a slide-action windshield wiper switch, a tilting-out ashtray, a rotary action glove box latch and a suspended throttle pedal.

Ventura II will have a combination forward frame and integral body construction similar to the Firebird models. The suspension system will consist of coil springs and rear leaf springs.

There will be 15 exterior acrylic lacquer colors available for the Ventura II.

Two-tone color combinations will be available. Cordova top colors will be white, black, sandalwood, dark brown and dark green.

For the buyer who wants a sharp, distinctive, sporty coupe, a Sprint option will be available later in the model year. This option will include a three-speed manual floor-shift transmission, E78 x 14 white sidewall, fiberglass-belted tires mounted on six-inch wide wheels, special Sprint identification, custom sport steering wheel, wheel trim rings, custom carpets, black textured grille, and special side striping.

The Sprint option will be available with either a "Six" or V-8 engine on the two-door model with a choice of vinyl bench or bucket front seats.

STYLISH VENTURA II - The newest addition to Pontiac Motor Division's 1971 lineup, the Ventura II, will be publicly introduced in dealer showrooms across the nation on March 11. Built on a 111-inch wheelbase with an overall length of 194 inches, the new compact will be offered in both two-door and four-door models. Standard equipment will include a three-speed, column shift transmission with a 3.08 axle ratio, self-adjusting brakes and a 250 cubic-inch, six-cylinder engine. A 307 cubic-inch V-8 will be optional. Now on display at City Auto Inc., in Floydada.

## PORTS OF CALL

...FOR TRAVEL AND ADVENTURE

By Edward H. Sims

Once again hundreds of thousands of Americans at this time of year are planning and booking visits to Europe, natural enough in that most Americans derive from one of the European countries.

Inevitable, many plan to include London, Paris and Rome on their tours, and their trips often include eight or ten countries. It would be a better idea, in many cases, to include fewer major capitals and fewer countries, especially if one has only two or three weeks for travel.

Paris is a great disappointment for about fifty percent of the Americans who go there for the first time. While the attitude of the French is less arrogant than it was five years ago, prices are still exorbitant

and courtesy sometimes lacking.

Rome is better, though prices are high there also. Either London and Rome or merely London would be a good big-city itinerary for many. London is the easiest of all because English is spoken, the restaurateurs and storekeepers are more likely to stick to the right price and there is less stealing.

There is so much of interest in Italy today that one can spend a week or two there alone and enjoy beautiful country, good food and friendly people. Rome, of course, has much of historical significance, including the Vatican, but there is greater pleasure and natural beauty in northern Italy dollar for dollar. Italy is far more likely to have tolerable weather in April and May than the northern European countries.

Venice is well known, as is Florence, but there is Milan, Bolzano, Merano and many other places of interest, far from Rome.

London could be the last stop of an ideal tour of Europe, and this writer would consider a week in Italy, a week in Scandinavia and a week in London (where one can drive into the country to get out of the city) ideal. A week in three countries is far better than two or three days in ten and far less wearing. Grand tours of this latter type really are long sight-seeing excursions which test one's stamina primarily and fail to give the traveler the feeling of the country and its people.

#### Proposed CONSTITUTIONAL AMENDMENT

##### NUMBER ONE ON THE BALLOT (SJR 15)

###### Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the other Judges serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

proved before that day by resolution of either House of the Legislature.

(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission, shall not take effect until approved section by section by resolution of both Houses of the Legislature.

"All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

"(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

"(9) Unless otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session or 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

"(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

**Alert Families**

A recent Gallup Poll found Americans turning away from families at a rapid pace. The results indicate only 40 percent of all Americans now favor families with four or more children—compared to 40 percent in 1967. The latest poll produced the greatest percentage favoring small families since polling on the question began in 1936.

Factors cited are the rising cost of living, concern over environmental conditions and overpopulation and uncertainty about the future. Thus, ironically, in the richest nation in the world, at the peak of its power, the average American is worried by both the domestic and international situations—growing population, congestion problems, etc., that he is less enthusiastic about producing a large family than ever before in the country's history. Progress, it's

**Alert System**

A warning system was recently unintentionally performed at the American Air Defense Command headquarters near Fort Worth, Texas, and in various parts of the nation, when a national security alarm was transmitted to much of the broadcast industry. It was a warning of the nation faced with a nuclear attack; all broadcasting was supposed to stop. It didn't—at least in many instances.

The warning went merrily along its way, for the most part. Within minutes the false alarm was corrected on the U.P.I. wires.

The result of this fiasco is official White House concern over such a thing could happen—the warning reported by the President had announced the alert—and doubts the effectiveness of the warning. The FCC and other national organizations are launching investigations.

Obviously, NORAD warning operations are not what they should be. Obviously the American public retains its common sense. And obviously warnings in the future may not be taken seriously as a result of such lapses.

**Bad News**

A recent spot check of the CBS and NBC evening television news programs revealed that practically every news item presented was disturbing. Strikes, graft, scandal, crime, problems, crime and the like consumed almost the entire time on both news shows, on the day monitored.

Television newsmen almost invariably see crime, sensationalism, turmoil scandal, or controversial action—protests, election, dissent, bombing, demonstrations, etc.—as news. It is, but it is only a small part of the news. The news has, generally speaking, in the push of their own for sensationalism, acclaim, recognition, etc., an obligation to show that the United States is a good place in which to live; to do this they must also report the good news. It is seldom stressed, rarely reported. In this country each day there is more good news than bad. Newsmen should be instructed to go out and find it. If it isn't crime, scandal or social protest, it is nonetheless significant news. And the average working man, coming home after his labors, deserves something more than a parade of all the bad news—if he is to digest the news and find any peace and contentment.

**FLOYD PHILOSOPHER**

**Comes Out With A Backward Method Of Improving Nation's Mail Service**

Editor's note: The Floyd Philosopher on his Johnson grass farm studies the post office department this week, with what success we won't say.

Dear editor:

According to some articles I've been reading in the newspapers that turn up out here, the post office department is undergoing a lot of changes in order, Washington says, to help balance the budget.

While I don't understand why Washington should balance its budget, very few people in the country balance theirs, still I've been following the reorganization plans and as I understand them the way to make the post office pay is to increase rates and cut down on service.

For example, first-class stamps are going up to 8 cents, air mail to 11 cents, second-class rates are going up, etc. At the same time, post office hours are being cut back, city deliveries are being limited, and it has even been suggested that rural delivery be made only every other day.

This might do it, just as farmers would

get a lot more for what they raise if they'd farm just every other year, but if you ask me Washington is going about the post office business in the wrong way. It's not getting at the heart of the matter.

The reason the post office is losing money and the service is getting worse is that people are flooding the mails with too many letters and other stuff.

And the reason they're doing that is that there are too many people in this country who can read and write.

The way to solve the mail jam is to stop teaching kids to read and write. They don't need it anyway, with television.

I understand some schools are working on this, some of them rather successfully, but I won't go into that.

Actually of course Washington has the wrong philosophy concerning mail service. The post office is a public service institution, it's not supposed to make a profit. It's like farming.

Yours faithfully,  
J.A.

**Letters To The Editor**

February 26, 1971

Mr. Wendell Tooley  
Floyd County Hesperian  
Floydada, Texas 79235  
Dear Mr. Tooley:

The State of Texas needs your help in dealing with a problem which has been running rampant across our country for many years: the soaring crime rate. A statewide effort presently is being undertaken by the Governor's Office to reduce crime by stimulating public awareness and by participation in law enforcement. This effort, endorsed by the Board of Directors of the Texas Press Association at its January meeting in San Antonio, seeks to enlist the aid of newspapers across the state and to join them with other resources in their home communities in the campaign to involve all citizens in crime prevention and control. It will be known as the Governor's Crime-Stop program.

Basically, Crime-Stop programs are quite simple as far as the involvement of law enforcement agencies is concerned. The role of the police department or sheriff's office consists principally of providing a telephone number for citizens to call around the clock to report an emergency, or suspicious persons or circumstances, and of making the necessary response to such calls. The law enforcement agency, though naturally preferring to know the identity of all callers, provides assurance that those wishing to remain anonymous may do so.

Beyond this, the program is largely promotional. The job is to generate public awareness of the crime problem and of precautions which can be taken to prevent certain crimes; to persuade citizens to observe suspicious persons and circumstances and to report them to police by calling the Crime-Stop number. Because so much of Crime-Stop's success depends on publicity, newspaper publishers across the state are being asked to head up the effort in their respective communities. It is not a matter of usurping the role of the police department or sheriff's office, but of offering the resources of the newspaper to help make the law enforcement agencies' job easier and more effective.

ity should be mustered, including all newspapers, if there is more than one; radio and television stations; civic clubs, chamber of commerce, and schools, as well as law enforcement agencies. Lists provided in a Crime-Stop packet to be mailed to you separately suggest steps for each of these to undertake.

It will be up to you and your co-workers to tailor a program to the needs of your community, which can be determined only at the local level. Programs will vary according to the size of the community, but Crime-Stop has a place in communities of ALL sizes. The criminal justice planning staff of the Governor's Office will provide you with suggestions and aids, such as those contained in the Crime-Stop packet. If you have needs which have not been anticipated, please communicate them to: The Governor's Crime-Stop Program, Criminal Justice Council, 730 Littlefield Building, Austin, Texas, 78701.

If there is any assistance at all which we can give you in mustering your community's resources to this important cause, please let me know.

With greatest appreciation and continued esteem, I remain,  
Sincerely yours,  
/s/ Preston Smith  
Governor of Texas

**FLOYD DATA**

Mr. and Mrs. Bennie Ewing and family of Mesquite spent the weekend in Floydada visiting his father, Leslie Ewing and sister, Mrs. Bill Hood and family. Other guests included Leslie Ewing's brother and wife, Mr. and Mrs. Elber Ewing of Amarillo. The visitors were also here for the funeral of H. A. Copeland.

**CORRECTION**

Last week's Hesperian incorrectly stated that the new housing addition east of the Silverton Highway would afford houses with no down payment and 40 years to pay.

It should have stated that purchase of the houses to be built would require a low down payment and up to 33 years to pay.

**Get your money's worth electric air conditioning**

**OVER 30 YEARS OF PROVEN DEPENDABILITY**

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

**LOW OPERATING COST**

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low—no extra installation costs, either!

**HIGH ALTITUDE — NO PROBLEM**

Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

**CHOICE OF BRANDS**

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

**CHOICE OF SIZES**

Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

**COMPLETE SERVICE**

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

## SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, March 8 - Dr. Strauss Atkinson, of Plainview, preached at the South Plains Baptist Church both morning and night services Sunday. Mrs. Atkinson accompanied him for the morning preaching. Dr. Atkinson will also be with the church Wednesday for prayer services and a business meeting. March 14, Vance Zinn will be with the church for Sunday services.

There will be a church social after prayer services Wednesday night, honoring Mr. and Mrs. Tommy Powell who are leaving our community to make their home in Tulsa. He will be in business with White's Auto Store, and they are buying a new home there. We wish them much happiness in their new home and work, but we will be missing them in South Plains where they now live, and in the Baptist Church, where they are faithful workers.

Mr. and Mrs. E. J. Kinslow left a week ago Sunday for Tucuman, N.M., where they met their son, Mr. and Mrs. Bary Kinslow, Jennifer and Grant, of Santa Fe. They had dinner together and then brought the grandchildren home with them for the week. This weekend the Bary Kinslows came from Santa Fe to visit them, and Sunday they returned home, taking the children with them.

Many from our area are planning to attend the Art Linkletter show which will be shown at the Plainview High School auditorium March 12. The topic of the show will be "Youth and the Drug Problem". This is a really worthwhile show for children or adults, so they can be informed as to what is going on in the drug traffic problem.

Mrs. E.F. Stovall is getting over a case of shingles, and is able to be up and about town again for which we are glad. Mrs. Essley Yeary from South Plains is a companion to Mrs. Stovall in Floydada.

Mr. and Mrs. Kendis Julian, Kristi and Mitzi left after church Sunday noon for Roaring Springs, to have dinner and spend the afternoon with Mrs. Julians aunts, Beuno Wilson and Mrs. Verba Faulkner. Mrs. Julian's mother Mrs. Poyner Roberts of Floydada, accompanied them to Roaring Springs.

The Hobby Club of South Plains which is meeting at the home of Mrs. Horace Marble Wednesday, March 10, has changed the time of gathering to ten o'clock in the morning, so there will be more time for the demonstration of flower making, and the afternoon will be spent in games of forty two.

Mrs. Tommy Powell arrived home Wednesday night at Lubbock and was met by her family, after she had spent the past two weeks at Omaha, Nebraska with her parents, having been called there by the death of her grandmother. She had planned to be home Tuesday, but the snow and bad weather kept the planes grounded.

The March Workers Conference for the Caprock Association will be held Tuesday, March 23, from 7 - 9 o'clock in Floydada at the Calvary Baptist Church. This is a mission and stewardship meeting and it is important that many make plans to attend from the different churches in the association.

Mr. and Mrs. Dean Stewart Ronnie, Teresa and Kyle had relatives visiting with them over the past weekend. Her parents, Mr. and Mrs. Walter Babb from Beaver, Oklahoma, and her brother, Jim Babb, from Hobbs, New Mexico were guests in the Stewart home.

Mr. and Mrs. A.V. Bethel, Royce and Rogene, are in the process of building a big storm cellar near their home in South Plains.

Officials reported good attendance Saturday at the Junior Livestock Show in Lockney, with many from here attending during the day. This Monday, Tuesday and Wednesday the 27th annual Floyd County Junior Fat Stock show will be held at Floydada. Around 371 animals are entered in the show. L.N. Johnson of South Plains is president, and others from here working in the fat stock show are Eugene Beedy, Johnnie West and Royce Bethel. Thursday night there will be a banquet at the Lockney Elementary School Cafeteria for 4-H and FFA exhibitors and their parents.

Two terms expire on the South Plains Elementary School Trustee board this year. They are those of Kendis Julian and Eugene Beedy. The South Plains elections will be held April 3, at the school house.

Mrs. Frank McClure is in the Lockney General Hospital this Monday, having been taken there by her husband Sunday evening. She is undergoing tests to determine the reason for her bad headaches.

South Plains PTA held Friday afternoon at the school house, with Miss Barbara Selman's first and second grades giving the program. In the PTA meeting which followed, word was received that the new blue drapes would be ready in a week, and would be hung in the auditorium. Everyone will be proud of the new addition to the school house.

Mr. and Mrs. Kendis Julian and Mitzi went to Lubbock to the hospital last Wednesday to meet Mr. and Mrs. Terry Julian of Roscoe. Mrs. Julian was there for a doctor appointment, but no new report was given on her back condition.

Mrs. Tim Jeffress of San Angelo arrived by bus Friday night in Lockney and was met

by her parents, Mr. and Mrs. Garvin Beedy and family. She spent the weekend with them, returning home Sunday.

School let out here Tuesday morning before lunch, due to the bad snow storm and high winds which hit early that morning. Snow continued to fall and blow most of the day, but we got very little appreciable moisture. It was very cold Wednesday morning, with some neighbors reporting 6 degrees. The wind blew quite hard Thursday, and this Monday weather is again beautiful, and no rain in sight for a few days.

Mr. and Mrs. Phillip Smitherman and boys, and Mr. and Mrs. Larry Smitherman and Kay from Austin, were Saturday night guests in the home of Mr. and Mrs. Kendis Julian and girls.

Mr. Alvin Nichols was taken to the hospital in Lockney last Monday week ago, and Tuesday underwent major surgery. She was able to come home this Monday noon. Spending the weekend at the Nichols home and at the hospital with Mrs. Nichols was her daughter, Mrs. Glen Whitfill and Miss Melvina Kemp of Sweetwater, and Cindy Whitfill of Canyon. They all returned to their homes Sunday afternoon.

Those who went fishing to Amistad Lake near Del Rio last month with the group from the Sterley Cotton Gin were Garvin Beedy, Sylvan Kinnibrugh, Ed Hartman, Roy Hartman, Ronald Kitchens, Noel Deavenport, Glen Wood, Eugene Beedy, Leighton Teeple, Bill Stanforth and Don Bean, all from the South Plains Community.

Early Pritchett, who underwent ear surgery a week ago, went back to Methodist Hospital Thursday, after suffering a great deal with his ear. His sister, Mr. and Mrs. Melvin Titus of Aiken, took him down for his checkup. We hope he continues to do better.

The sister of Mrs. Johnnie West, Mr. and Mrs. Ralph Clement of Santa Fe, New Mexico has announced the arrival of a daughter by adoption. Crystal Marguerite was born February 16, and weighed nearly seven pounds. The Clements have another child, a son, Bill, ten years old. Congratulations to the parents and the new daughter.

Mr. and Mrs. Nathan Mulder, Cindy, Penny and Jimmy, went to Clovis, New Mexico Wednesday to visit Mrs. Mulders grandparents, Mr. and Mrs. W.B. Blalock, who formerly lived in Vaughn, New Mex. They recently moved to Clovis, and have a new home. The Mulders returned Friday.

Kendis Julian flew to Perryton Saturday morning to have dinner and a visit with his brother, Mr. and Mrs. Bruce Julian.

Mrs. Bryant Higginbotham spent Sunday afternoon at Rock Creek, near Silverton, visiting with friends, Mr. and Mrs. Lenton Lanham.

Mr. and Mrs. Larry Smitherman and Kay Lynn of Austin, flew in Thursday for a short visit with his parents, Mr. and Mrs. Ernest Smitherman at the Fieldan Motel, and then at South Plains with his brother, Mr. and Mrs. Phillip Smitherman, Marc and Monty. They plan to fly home Tuesday afternoon.

Word has been received from Adrian, Missouri where Rev. and Mrs. Charles Conger and boys are situated, that Rev. Conger suffered a recent coronary thrombosis, probably a-chronic Christmas. He did not feel well, then when he went to the hospital for examination, it was found he had suffered the heart attack. He spent a week in the hospital, but is home now, and getting along fine.

Boy Scout Troop #358 will have a Court of Honor Friday night at the South Plains School house, at 7 o'clock. All parents are urged to attend this important meeting.

## LHE Announces Trip Winners

Names of winners of an oratorical contest sponsored by Lighthouse Electric Cooperative were announced this week by Melvin Henry, manager of the cooperative.

Winners whose oratory qualified them for all expense paid trips to Washington, D.C., are Merry Blake and Ken Howell, both of Plainview.

Merry is the daughter of Mr. and Mrs. Floyd Blake of Plainview and is a junior student in Plainview High School.

Ken is the son of Mr. and Mrs. Horton Howell of Sterley Community and is also a junior student in Plainview High School.

The Washington trip winners were among six high school students from the area served by Lighthouse Electric Cooperative who delivered an oratory on the subject "Rural Electric Cooperatives in America's Future."

They will be among 100 young people from all over the state participating in the 7th annual Texas Electric Cooperatives Government - in - Action Youth Tour to the nation's capitol city, June 12-23. Expenses of the Youth Tour are shared by

## ANNUAL WATER STATEMENT 1970-1971

The High Plains Underground Water Conservation District No. 1 has, in cooperation with the Texas Water Development Board, measured the depths to water in the "observation" wells within the District. Personnel of the two agencies made the measurements during January, 1971. Presented on pages 2 to 7 are the recent (1971) measurements along with other statistical data including: observation well number, depth to water in 1970, the decline in the water level from the 1970 measurement to the 1971 measurement, the average decline per year from 1962 to 1971, and the standard deviation. The location of the wells measured is shown by well numbers on the accompanying maps.

Where a 1962 and/or 1971 measurement is not available, the figure listed under the "Average Annual Decline, 1962-1971" was determined by using the earliest (after 1962) and the latest available measurement.

No attempt has been made to disregard apparently erroneous water-level measurements or to screen the data. The figures listed in the tables are from the field measurement records. It is apparent that some of the measurements do not represent the actual static water level. In ultimately accepting or rejecting a water-level record, a judgment decision has to be made. The use of the data determines whether certain data are to be accepted or rejected. The "standard deviation" has been calculated for each annual change in the water level in each well from 1962 through 1971.

A large standard deviation indicates strong evidence of erroneous water-level data since the measurements

**SUMMARY OF RECOGNIZED LEVEL MEASUREMENTS.** This table also lists the average water in each respective county for these two years.

The table, "Average Decline in Water Table," shows the annual decline in the water level wells measured in the respective counties for 1962 through 1971, compared with the average decline from 1970-1971. It should be noted that the 1970-1971 decline is a long term trend.

While last year, six counties rises in their water tables, no county could show a rise in the water table. Potter has the largest average decline in water level in the state, declining an average of 6.66 feet in strong County's water table. It has dropped less than any other county in the state, 0.18 feet.

## TEC Finds Jobs For Veterans

How does America find jobs for a million returning Vietnam veterans in 1971? The Texas Employment Commission is seeking its part of the answer through 115 offices, part of the national "Jobs for Veterans" campaign, recently launched at President Nixon's urging and order.

"The TEC office in Crosbyton is involved in this effort and aims to place all such veterans in jobs or training," says Jim Bridge, manager of the office at Crosbyton, Texas.

"In the Crosbyton office now, several veterans are registered and looking for jobs. Our staff worked with employers to place many veterans in local jobs during the past year or referred them to one of the available training programs," Mr. Bridge says.

In the TEC offices over Texas, more than 44,000 veterans, including more than 18,000 recently separated Vietnam veterans, are currently registered and seeking jobs, 71 per cent more than a year ago, Bridge says. Nationwide, more than a million service men and women will complete their military service this year and return to civilian life, joining almost four million Vietnam era veterans who have already returned.

Says President Nixon: "Jobs for Veterans is a nationwide effort to highlight the quality of the American veteran, whose blend of skills and self discipline make him an ideal candidate for employment."

Employers are being urged to list their job openings with Texas Employment Commission, so that veterans may be referred and considered when an opening occurs. According

to law, veterans are given preference in jobs. Harvey Pittman, TEC regional director, says: "The TEC office in Crosbyton is involved in this effort and aims to place all such veterans in jobs or training," says Jim Bridge, manager of the office at Crosbyton, Texas.

## GIFFORD-HILL'S 360 SPRINKLER SYSTEM

Beautiful days of times come at the wrong time. You might just as soon see a gentle, soaking, half-inch rain. But because Mother Nature isn't always as dependable as she might be, Gifford-Hill has stolen some of her thunder.

The electrically powered 360 sprinkler system lets you schedule your own rain. The exclusive sprinkler spacing concept applies the same amount of water at one end of the system as it does at the other. No puddling. No runoff.

The 360 goes in either direction, uphill or down. It will water a quarter-circle, a half-circle, any portion of your field with the exact amount needed. And the positive gear drive motor lets it move only when you want it to.

You should have a 360. On those beautiful sunny days, you'll have everything going for you, including the rain.

## CENTER NEWS by Mrs. J.E. Green

March 8 - The days are cold and some dust. Not pleasant yet.

Mrs. Hal Thomas Lubbock Friday. He business, she visited her daughter, Sue

Mrs. C. W. Denison Lubbock Sunday. They with Mrs. David Battey Methodist Hospital, and improving from surgery; and visited Mrs. Gear in Hospital; then later visited Gilmer and family. Mrs. Ashton visited the Caprock Hospital

Mr. and Mrs. Henry Willis and Fred Battey visited Mr. and Mrs. David Battey Sr. Sunday afternoon in Methodist Hospital.

Mr. and Mrs. Claude Carpenter were hosts to a surprise breakfast Wednesday morning. Guests were Mrs. Ava Jackson, Mr. and Mrs. A. E. Frizzell and Mr. and Mrs. Leo Frizzell. Mr. and Mrs. Charley Spence visited Mr. and Mrs. Carpenter Saturday p.m.

Leo Frizzell and A. E. Frizzell have received news of the passing of a brother-in-law, Don Bryant at Olton. Funeral services are to be held Tuesday. Our sympathy is with the loved ones.

Mr. and Mrs. Floyd Montgomery of Plainview visited with the Morris Carrolls Saturday morning. Visitors in the Carroll home Sunday evening were the Dale Millers, the Garland Briscoes and Mrs. Shirley Thompson and girls.

Willie B. Eakin of Petersburg visited Charley Spence two evenings last week.

Visitors in the Travis Lightfoot home Sunday afternoon were Mr. and Mrs. T. Hollums and Mr. and Mrs. Woodrow Wilson.

Mrs. A. W. Anderson received a call Sunday from her son, William at Washington State, to say they are all well.

We had the interesting experience this morning of seeing two of our 4 or 5 year old fruit trees transplanted into our garden. A recent survey left the trees in the alley and they had to be removed. It was something to see the powerful machine dig the big holes, then lift the trees, dirt and all, and set them in the places prepared. (We hope they will live. It only takes plenty of water.)

There are so many sad hearts. Many loved ones have passed recently. Among these are Miss Lottie Latta, a long-time friend who for over fifty years lived at Mt. Blanco; Gordon Bullard, a member of a beloved pioneer family, the G. M. Bullards; and a native townsman, Ulmer White. I wonder how many people he has helped cure with the prescriptions he has filled - always quiet, pleasant and efficient; and H. A. Copeland, with that benevolent family. Then the soldier boy, who having paid his service to Uncle Sam, and who no doubt was glad to have that over, looked ahead with hopes for the future. But we never know just what the future may have in store for us. Let us be thankful for days granted and be ready for whatever. . . . Our sympathy to all.

Those attending the tea in Plainview Saturday were Barbara Hawkins, Sylvia Newton and Brenda Bonner.

Mr. and Mrs. L. D. Bunton and family of Tulsa visited in the home of Mr. and Mrs. E. Fuller Saturday.

Mrs. Dorothy Stidom visited in the home of Mr. and Mrs. T. J. Coleman Jr. Sunday.

John Campbell and his family attended the district conference meeting held in Quanah Saturday of the C.M.E. Church. The meeting was the last big meeting of the Wichita-Amarillo District leading up to the spring convocation in April. The churches of the district usually make round reports at the spring convocation.

John attended the meeting to meet with the conference and district lay leaders to work out a report for the General Secretary of Lay Activities, W. E. Solomon. John is secretary of the Laymen's Council of the Northwest Texas Conference and also the secretary of the Joint Board of Finance of the Northwest Texas Conference.

The C.M.E. Church here had a good discussion in their church school Sunday. The subject was "Living by the Law of Love". The congregation would be proud to have you in their services this Sunday.

Don't forget to attend the budgeting class that is held each Tuesday evening at 7 p.m. at the community center.

### Help Is Offered To Handicapped

"Do you know a handicapped person who needs help and isn't getting it?" is the question being asked by Mrs. Neida McKaskle, who is Floyd County's Easter Seal Representative and the person to contact for services from the Easter Seal Society for Crippled Children and Adults of Texas.

The Easter Seal Society offers rehabilitation services to help disabled persons and their families to find and make the most effective use of resources which will be helpful to them in developing their abilities and living more purposeful lives, Mrs. McKaskle added.

This is accomplished through direct treatments, services, education, research, and cooperative efforts with all other health agencies, private, state and federal. The Easter Seal Society does not duplicate services, but strives to fill all unmet needs of the disabled, he added.

The Easter Seal Society is

carrying out its forty-second annual Easter Seal Appeal to finance a program of rehabilitation services for crippled children and adults. The Texas Easter Seal Society helps support 20 treatment facilities where children and adults are treated regardless of ability to pay. Physical therapy and speech and hearing programs are offered to help the disabled make their lives fuller, despite their handicaps.

Mrs. McKaskle urged persons in Floyd County to increase their support of the Texas Easter Seal Society and its programs of services to the crippled children and adults of Texas.

### Grocers Meet

Joe B. King, Super Service Oil Company of Floydada, is attending the 11th annual Mid-Winter Conference of the Texas Retail Grocers Association.

Some 200 food industry leaders are participating in the three-day meeting at the Sheraton-Crest Inn, Austin, and workshops have been designed to acquaint members of the association with legislation which directly affects the food industry.

A reception honoring Speaker of the House Gus F. Mutscher will be held Tuesday evening in the Grand Ballroom of the Sheraton and members of the House and Senate are expected to attend.

Speakers include Bruce Hughes, Comptroller's Department, Attorney General Crawford Martin, Joseph R. Darnall, Jr., Alcoholic Beverage Commission, and Cliff Bowes, C. G. Bowes, Inc., Chicago.

TRGA President Raymond Oldham announced the opening day of the conference, "This is the biggest conference on record for TRGA which shows us that our people are concerned about what's happening in Austin."

John C. White, Commissioner of Agriculture, has certified the Texas Wheat Producers Association to conduct a referendum and producer board election in 34 Texas Counties under provisions of the Agricultural Commodity Act of 1969, according to Bill Nelson, TWPA Executive Vice President of Amarillo.

The certification authorizes

the association to sponsor and conduct a referendum whereby producers of wheat in the designated area vote on a proposition of self assessment not to exceed five mills per bushel for research, market development, disease and insect control and more efficient production and marketing practices for wheat.

Such a referendum has been set by the Association for Saturday, May 8, 1971 according to Leo Witkowski of Hereford, TWPA farmer-elected president.

Witkowski said that at the same time of the assessment referendum, an election will be held to elect a 9-member producer board to administer the program and direct the use of funds generated.

Any producer may have his name placed on the ballot for election to the producer board by having his request signed by

ten other producers and submitting it to the association thirty (30) days prior to the election.

Witkowski said that Texas is now eighth in wheat production, but is one of the only major wheat states that has not had a producer funded promotion and development program. He said that now producers will have an opportunity to initiate such activity in an all-out unified effort to increase individual growers income, by a

yes vote.

Texas Wheat Producers Association was founded in 1950 and has since been funded and directed by producers in the High Plains and Rolling Plains areas that produce over 75% of the State's wheat. First headquarters office and full-time professional staff for the organization was established on January 1, this year, in response to needs and demands by producers to gain more income from domestic and foreign

markets.

In addition to Witkowski and Nelson, other TWPA officers are Dwight Hamilton, Vice President, Olney; Ken Kendrick, Stratford, Vice President; and C. L. Edwards, Panhandle, Secretary-Treasurer. Headquarters offices are located in Suite 600, Bank of the Southwest in Amarillo.

Counties included in the area certified for the referendum and producer board election are: Roberts, Dallam, Gray,

Hansford, Lipscomb, Sherman, Carson, Floyd, Hale, Potter, Baylor, Foard, Hart, Wilbarger and
