

Optimistic About Crop Outlook

Doyle Warren, reporter Monday, said that 30,000 of the county received some hail damage but had no acreage information early this week. Reports from near the McCoy community indicate onions there were hailed out, along with the cotton, wheat and maize.

HAIL LIGHTER IN CENTRAL FLOYD

The hardest hit areas appeared to be an east-west strip in the northern portion of the county through Lockney and South Plains, which got hailed out Tuesday night, June 8, and another strip about three to five miles south of Floydada which caught hail and high winds last Thursday evening.

Crop damage in those areas appears to be near 100%. An earlier hail cut a swath through the southern part of the county, going through the McCoy and Lakeview communities and

Christian Athletes Program Sunday

The Fellowship of Christian Athletes program at the First Baptist Church here at 7 p.m. Sunday will feature a Texas Tech coach and singer, Richard Campbell, former Red Raider All-Southwest Conference end. The program producer, Eddy Nicholson, will lead congregational singing and join Campbell in several duets, in addition to serving as master of ceremonies. Mrs. Gene Lanham is the pianist for the Lubbock singers.

are scheduled to join the Baptists for the special program. After the Christian Athletes program, there will be a community-wide ice cream supper on the church parking lot. Everyone is invited, First Baptist pastor Floyd Bradley said, and those who will be asked to bring a cake, cookies, or a freezer of home-made ice cream.

The FCA program coordinator is Pete West, a Lubbock businessman and official in the adult chapter of the Lubbock Fellowship of Christian Athletes.

The service is based on the idea that people love to sing and will sing if given the chance, and most of the program is given over to audience participation. Producer Nicholson said, "The reason for such large audiences recently is people are hungry for the old gospel songs and hymns." The Fellowship's fund-raising endeavor has been successful. BISHOP ALSIE CARLETON CHAMBER BANQUET SPEAKER

Chamber To Erect New "Welcome to Floydada" Signs

In a breakfast meeting of the Floydada Chamber of Commerce board Tuesday morning the board agreed to complete a project started some two years ago . . . that of erecting three "Welcome to Floydada" signs.

Alton Higginbotham was named by chamber president Jake Webb to complete the project. A small amount of money will be needed to repaint the signs and erect them on the three major highways leading into Floydada.

The board set Thursday night, February 10, 1972 for the annual chamber banquet and chamber manager John Reue announced that Methodist Bishop and Floydada High School graduate Alsie Carleton would be the banquet speaker.

OTHER BUSINESS Ray Reed reported on a trip he and Webb made to Dallas seeking an apparel industry at the American Apparel Trade Show. Reed said 11 contacts were made and said West Texas towns had a big problem in "breaking into the apparel industry" because they preferred the water and trees of East Texas.

Webb reported that progress for a Floyd County museum here is advancing with working committees appointed.

URING over southern Floyd County Saturday morning it seemed to me that possibly 1/4 of the land area. We are certainly the "land of lakes" now. Some lake irrigation going on later.

RECORD, I suppose we have received some inches of rain in the last month down on the Tooley. This is probably more rainfall than we have received in 12 months. All sizes of hail, and Thursday night I would have gone to the cellar if I had one. The north part of the county got hailed out Tuesday and the south part got it again Thursday night. A lot of replanting going on.

RD WAY. . . they do everything big. I notice they did a four night "Crusade for Christ" in the stadium night. They are flying in famous people like Dale Kaye Van Dyke, Terry Bradshaw, Debbie Patton, and Tom Lester to witness during the Crusade. Crusade is going to cost \$10,000. How did they raise it? Just found 100 people with \$100 each.

ERE THERE are a few areas of Floyd County that are hailed out and row crops are growing off nicely. My neighbors haven't fared so well. . . Raymond combines in his wheat field when he was hailed out. Gene Smith has some shredded grain sorghum to recover. So does John Moss, Al Galloway, Cleo down toward the canyon, my neighbor, Jay S. Hale, replant everything. Accident Takes Youth's Life

Monte Stair, 13 year old son of Mr. and Mrs. James D. Stair, who reside near Plainview, was pronounced dead on arrival at Lockney General Hospital about 12:45 p.m. yesterday. The youth was killed in a tractor-rod weeder accident about noon some three miles south and one and a half miles east of South Plains. He was the grandson of Mr. and Mrs. Hugh Marble of Lockney. His mother is the former Mary Ann Marble. SEE ACCIDENT, PAGE 5

Paul Bates To Conduct Meeting

Paul Bates will conduct a series of gospel meetings at the West Side Church of Christ in Floydada from June 20 to June 27. Sunday services are scheduled at 10:30 a.m. and 6 p.m. and evening services at 8 p.m. The public is invited to attend the meetings.

Wendell Tooley reported that work is progressing on the announcement of a new civic center for Floydada. Webb said with the change in state and national representatives, the Chamber's government affairs committee should go to work on contacting the new officials. . . Bill Heatley of Paducah and Congressman Omar Burlison of Abilene. Head of the committee is Jimmy Willson. DWI Charges Filed After Head-On Wreck

Three Lockney men, Rodolfo Mora, Lupe Salazar and Ezequiel Mora, were hospitalized after a head-on car-pickup crash on FM 97 west of Lockney Saturday.

Highway Patrolman Bud Rainey said the automobile, driven by Rodolfo Mora, 44, was traveling east in the west-bound lane of the farm-to-market road when it struck a pickup driven by James Hill of Lockney. Hill was not injured. Front-end damage to both vehicles was extensive, Rainey said. The driver sustained face cuts from the windshield; the other men were held for observation and all three were released from the hospital Sunday.

DWI charges were filed against Rodolfo Mora; he was fined \$75 plus court costs here Monday. The other two occupants of the automobile were arrested on drunk charges and were still in custody Monday morning.

OH HAPPY DAY.... NO TAX INCREASE!

School Board Studies New Operating Budget

Most of Monday night's school board meeting here was devoted to study of an operating budget for the Floydada school system another year. When the board members wearily closed the last page of budget, it was evident that although the budget would be up some \$70,000, a tax increase would not be necessary.

This is the second straight year the school has operated with no tax increase! Although the budget cannot be approved until after the tax equalization board meets, the members of the board were in agreement with the new budget submitted by school business manager Claude Estes.

Most of the increase from last year's \$1,083,987 to this year's \$1,150,015 budget was due to the state's mandatory increase in teachers' salaries. The Hesperian will publish more details about the new budget when it has been formally approved.

NEW SCHOOL CALENDAR The board approved a new school calendar that limits the Easter holidays next year to four days. Holidays will begin on Wednesday, March 29 at 2:30 p.m. and school begins again on Monday, April 3. This means that school will terminate earlier, on May 19.

School study plan is organized for four nine week periods. August 20 marks registration and opening day of school. A September 6, Labor Day holiday, November 25-26 Thanksgiving holidays, December 23-January 4 Christmas holidays and Easter make up the holiday schedule.

MRS. BIGGS RECEIVES PLAQUE Preceding the board meeting a plaque of appreciation was presented to Mrs. Elmer Biggs. Engraved on the plaque was the wording "Elmer Biggs, for dedicated service, trustee Floydada Independent School District, 1969-1971." Following the presentation Mrs. Lon Davis led the group in prayer.

OTHER BUSINESS In other business the board approved the painting of the stadium bleachers by the Green Thumbers. The school will buy the replacement lumber and paint. SEE SCHOOL BOARD, P. 11

"MR. MERCHANT.... TODAY IS THE DAY" Floydada merchants are reminded of a retail trades committee meeting this morning at 9:30 in the bank community room. Several items of interest will be discussed including townwide promotions for the rest of the year. Chairman of the committee Bill Hale urges all retail merchants to attend the meeting which will not require over an hour's time.

I REMEMBER, I REMEMBER.....

More About Collinson

The letter below, addressed to me from a Clarendon man who signs himself Lige Crow, tells more about Frank Collinson and the meteor. Says Mr. Crow:

I was with Frank Collinson when he drove the Jingle Bob cattle from Pecos river to Tongue river. Was 12 years old and they needed more hands help on the drive and took me on, and I stayed with Frank and knew both Wiley and Coggin for years.

I was along when that sound came over us, and in 1910 was found about 500 lb. hard ball of kind of stone and iron etc., and it was some 12 miles north-northwest of Petersburg, almost totally buried but some cowboys dug it out and wrote to Washington about it and they sent \$500 draft to have it shipped there, and as far as I know is still there.

This rock may have been loosened up from that whatever it was we heard that you write about in that newspaper. I always thought that it hit ground some miles south of Clarendon and I looked many times 40 years ago, but never heard anything about it.

Attended Frank's Funeral

I was at Frank Collinson's funeral in Clarendon. He was one of the very greatest of men of the west, a great cow man and great rider of bad horses. When Coggin & Wiley delivered the range and cattle they sold to the Matador outfit, there was a great shortage of cattle contracted to be sold, Charlie Goodnight managed the business for the Englishmen.

No better country for cattle on earth that under the cap beginning on duck and cottonwood creeks, on to Tongue river and Roaring Springs. It's been a quarter century since I have been there but there are no more good cattlemen like Frank and Charlie Goodnight.

I was with Paint Campbell when he bought the Ballard Springs half section for ranch headquarters. These durned Englishmen sure mistreated Paint Campbell, who was the best manager they ever had. Still Rides Horses

Charlie Bird, A. B. Echols and Dug Starks were cowboys for the Matadors. All were fine honorable men.

I still ride horses sometimes and have 6 old ranch saddles I got from the cowboys 60 to 75 years ago.

I made several drives to Montana and this living outside for almost 100 years is the reason that I have lived a good long time. They say I am 110 years old and have been in the west every day of my life and am looking for 25 years more living.

Of course I am not writing this letter as I never went to school any and just telling this young lady what I am telling you because there are some things about Frank Collinson I don't think you know about.

They are residing at 509 East Park in Weatherford.

Barnes Announces Governor Candidacy

Lieutenant Governor Ben Barnes Monday announced that he will be a candidate for Governor of Texas in next year's elections.

Cotton Co-Ops Merge

Four large regional cotton cooperatives marketing 25 percent of U.S. cotton production from the Carolinas to California have agreed to merge their world-wide sales forces into one organization effective July 1, according to an announcement by Plains Cotton Cooperative Association in Lubbock.

The new organization will be known as Amcot and will operate through offices in Charlotte, North Carolina; Greenville, South Carolina; Atlanta, Georgia; Brussels, Belgium; Osaka, Japan; Seoul, Korea and Hong Kong.

Russell Kennedy, Chairman of the Board of the new sales organization and President of Calcot, stated at a press conference that, "Opportunities for improved grower returns through broader market coverage, better market coordina-

Barnes announced his decision at a news conference at the State Capitol. The announcement ended speculation whether Barnes would seek the Governorship or run for the United States Senate.

Barnes, at 33, has more than ten years of experience in public office in Texas. He first won election to the Texas House from De Leon in 1960. He was elected Speaker of the House in January, 1965, and was re-elected to that post in 1967, thus becoming the youngest Speaker in Texas history to serve two consecutive terms.

In his first bid for statewide office, Barnes was elected Lieutenant Governor in November of 1968, and became the first candidate in the history of Texas to poll more than two million votes. He was re-elected to a second term in November of 1970.

DELLA PLAINS NEWS

DELLA PLAINS - Preston Samuels of Petersburg, Chester Mosley, Martha Pittman, Alberta Sillemson all of Floydada were on their way to El Paso to see about Mrs. Pittman's daughter, Thursday, when Samuels lost control of his vehicle five miles west of Seagraves. Mrs. Pittman said the car flipped three times with them, and then skidded. Mosley was the only one badly injured. He was brought back to Methodist Hospital in Lubbock where he underwent surgery. His condition is fair.

Mrs. Pittman said her head hurt some, but the others, Minnie, Alberta Sillemson and Samuels were not hurt. The car was a total loss.

Mr. and Mrs. F.L. Williams, and family, Shirley, Verna, and Myrtle Newton, and Rosemary Barnes, spent last Friday in Lubbock with Bro. and Sis. Jackson.

O.B. Smith is in Central Plains Hospital where his condition is fair.

Thelma Bouston spent two days last week in Lockney Hospital.

Miss Janice Hayes of Ft. Worth was guest in the home of Mr. and Mrs. Alex Wall over the weekend. She returned home Sunday.

Visiting with Mr. and Mrs. Willie Hearon Saturday was her new daughter-in-law, Mrs. John Hearon of Plainview. Mrs. Hearon also has a new granddaughter-in-law, Mrs. Robert Taylor of Plainview. Mr. and Mrs. Hearon's son married last Sunday the former Miss Jeannie Walls, daughter of Mr. and Mrs. Alex Walls. Her grandson married Carolyn Thomas Tuesday, daughter of Mr. and Mrs. D. L. Thomas of Plainview.

Myrtle Newton spent two days in Plainview with Mr. and Mrs. Henry White.

Vickie, Valorie and Theophilus Smith returned home from San Angelo Sunday, where they had been visiting their aunt and uncle.

Church of Christ Sunday School started with Bro. Smith in charge. The subject of the lesson was "Reward of Faithfulness", Luke 19:11-26. Class #1 was taught by Bro. Smith, Class #2 and #3 combined, and was taught by Sis. Dora Davis. Bro. Freeman's sermon was "Unpopular". There is a Bible drill every Sunday evening at 3 o'clock. All boys and girls are welcome.

Mr. and Mrs. Jeff Samuels were blessed to have some of their children and grandchildren visit them Sunday. In the group were Mr. and Mrs. John D. Samuels and family of Denver, Colo.; Mr. and Mrs. Preston and family of Petersburg; Mr. and Mrs. Tommie and family of Floydada. Mrs. Samuel is

a friend to all. Everyone loves her. She also had visiting her 27 of her grandchildren, and two great grandchildren, two sisters, Mrs. D. Hearon and Mrs. Leon Barnes, and some friends, Mrs. Henry Wright, Mr. and Mrs. Jessie Bouston and Mrs. Dora Davis.

Are you tired of the life you are living? Dedicate your soul to the Lord. Get you a job and stop criticizing. Our thought for the week.

FLOYD PHILOSOPHER

comes Up With A Brand New
Source Of Tax Revenue

The Floyd Philosopher on his farm reports he has been doing about taxes this week. Some agree.

make any difference what news-put out here, every one of them article or two about the dire need of a new source of tax revenue. The governments are desperate for cities, towns, counties, states, State governments alone right now ways to raise over six billion new revenue. That's 15 percent of the 43 billion they raised last year. The story is even worse. Wracking my brain to find a new source of tax revenue, knowing that if most office-holders they'll up with an increase in the old tax. I'm believing that for example sales tax a penny or so constitutes in individual and responsible customers. A 2 percent and raising property tax is a new source of revenue that won't cost the tax payer. It's simpler: charge all office-holders.

You take a Congressman. He's now making \$42,000 a year, plus free postage and free stationery, plus an allowance for travel and telephones, and pays nothing to heat or cool his office or to even have it cleaned up. Surely he could pay a little office rent. You take say a lawyer and guarantee him \$42,000 a year and he'd be delighted to pay his own office rent. He's doing it now, frequently on less. The same goes for most professions and businesses. I know there are some millionaires in Congress, but I know also there are a lot of Congressmen who're making more in Congress than they could out. Why couldn't they all pay some office rent?

Now I don't know how many office-holders there are throughout this country but it's a pretty good sized figure, and if they all paid office rent you can see the revenue would mount up.

Furthermore, since the people after all are the landlords, whenever office-holders raised their salaries, all we'd have to do to hold our own is raise their rent.

If you think this idea is sound, you promote it. I'm afraid to. I don't want Judge Holmes and President Nixon both mad at me.

Yours faithfully,
J.A.

CENTER NEWS by Mrs. J.E. Green

CENTER, June 14 - Sunday was a beautiful day. Everything is green and flourishing after recent rains. Thursday evening we got about two inches of rain, Friday evening 1 3/4 and cellars began to drip, and we wished for a better cover, rainwise. The lakes look good and maybe will help keep down temperatures when weather gets hot. We hope we may be spared the hail and hard wind which sometimes accompanies rains.

Mrs. Butcher of Lubbock, who had been visiting the W.L. Hartlines, left for home Monday afternoon.

Mrs. Green and Mrs. Plumlee visited Mr. and Mrs. R. M. Cannon last Monday p.m. Tuesday Mrs. Cannon, who has been ill for some time, was taken to Lubbock to a specialist. She got a pretty fair report and returned home, so we hope she is on the road to recovery.

Mrs. Clarence Ashton visited Mrs. Stiles Thursday afternoon, and also dropped by to see Father Ashton, who now lives in the west part of town.

Sunday dinner guests at the Leo Frizzells were Mrs. Ava Jackson and Mr. and Mrs. A. E. Frizzell. Mrs. Jackson visited Mr. and Mrs. Claude Carpenter Sunday afternoon.

Mr. and Mrs. Jack Jernigan and daughter and baby, all of Lubbock visited awhile one day last week with his mother, Mrs. Beulah Jernigan.

Mrs. Jernigan, who like the rest of us is thankful for the rains, vows that due to her arthritis, she could hardly have made it to the storm cellar and back but for help of her thoughtful neighbors.

The Dale Millers reached home Tuesday from a 10 day trip to Fowler, Calif. to visit his parents. Thursday, son, Jay, became ill with mumps.

Sue and Milton Mensch of Lubbock visited over the weekend with her parents, Mr. and Mrs. Hal Thomas, Sunday p.m. all drove down to view White River Lake.

Mr. and Mrs. Thomas were in Lubbock Thursday for check-ups and ate lunch with their children, Mr. and Mrs. Milton Mensch.

Mr. and Mrs. J. D. Welborn visited Mr. and Mrs. Leo FRIZ-

zell Sunday p.m.

The Carrolls, on the Dunn-Montgomery farm, are still doing some interior decorating. They report plenty of rain.

A letter recently from Mrs. Walter Sims states she and the Hortons (Betty Jo and family) are all o.k. in the Alvin, Houston area.

Mrs. A. T. Pratt of Ralls Rest Home, a former Floyd County resident and sister of Fred and Dave Battey, fell early Friday and fractured a hip. She was taken to St. Mary's Hospital, Lubbock, where she was resting Sunday after surgery. We hope she will soon be healing satisfactorily. Mr. and Mrs. Frank Pratt, her son and wife, visited Mrs. Pratt Sunday at the hospital.

Mr. and Mrs. Paul Stout and baby of Frederick, Okla., were in this area over the weekend. They visited Paul's mother Friday night, Elaine's grandmother, Mrs. Ola Warren Saturday, Elaine's parents, the Thomas Warrens Saturday night, then all attended the Huckabee Reunion Sunday.

THE REUNION

Sunday, June 13, the sons and daughters and families of the late Mr. and Mrs. W. A. Huckabee, early settlers of Center community, met in reunion at the Legion building in Lockney. All surviving children were present. Those from this area were Mr. and Mrs. Burt Huckabee, Mr. and Mrs. Fred Battey, Mrs. Ola Warren; Mr. and Mrs. Earl Huckabee of Dumas; Mr. and Mrs. Charley Huckabee of Lubbock; Mr. and Mrs. A. J. Huckabee of Stephenville, and Mr. and Mrs. Otis Huckabee of Weatherford. These and descendants present numbered 81. The day was beautiful, there was a big basket dinner, and all had a wonderful time. Family reunions are so great to keep in touch with loved ones.

FLOYD DATA
Guy Ginn underwent eye surgery in Hi-Plains Baptist Hospital in Amarillo Monday for the removal of a cataract. He is reported to be doing nicely with hopes of returning home by the weekend.

He is the son of Mr. and Mrs. Ralph Cogdell of Floydada.

Miss Blankenship And Duane Alan Reeves Wed In Plainview

Miss Virginia Lynn Blankenship became the bride of Duane Alan Reeves in a Friday evening ceremony read in the chapel of the First Baptist Church in Plainview.

The bride is the daughter of Mr. and Mrs. Alvin Grady Blankenship of Lubbock and the groom is the son of Mr. and Mrs. Grady Reeves of Plainview, former Floydada residents. He is the nephew of Harry, Bob and Lawrence Reeves and L. B. Cozy and Mrs. Thurman Perry, all of Floydada. Mrs. Kate Crabtree of Floydada is a great aunt, and J. C. Bullard, Floydada, is a great uncle.

Dr. Roy McClung, president of Wayland College, performed the wedding. Mrs. Michael Field of Lubbock was organist and Miss Wren Patterson of Plainview, formerly of Floydada, was soloist.

The bride, given in marriage by her father, wore a formal length gown of white organza, styled with a high neckline outlined in Chantilly lace. Bands of the lace also accented the Empire bodice and long sheer Bishop sleeves, which featured deep petal point cuffs. Scallop lace extended to the hemline of the A-line skirt and edged the detachable chapel train. A cluster of lace and organza pearls held her veil of silk illusion. She carried a bouquet of carnations surrounding a white cymbidium orchid.

The bride's sister, Mrs. Tom Allbee of Colorado Springs, Colo., was matron of honor. Her bridesmaids were Miss Cecile Cox, Amarillo, and Miss Barbara Hudgins of Colorado Springs.

The honor attendant wore a formal length gown of turquoise peau de soie. The high neckline was outlined in peau de soie as was the Empire bodice and elbow length sleeves. The A-line skirt held a detachable bow and train, that terminated at the hemline. She wore a cluster of turquoise and aqua petals that held a short veil, and carried a small turquoise colored basket filled with white carnations and greenery.

Bridesmaids were gowned identically only in aqua peau de soie.

Randell Reeves served his brother as best man. Groomsman and ushers were John Blankenship, Lubbock, brother of the bride, and Donnie George.

The bride is a graduate of Wayland Baptist College where she received her BA degree in education, and of Texas Tech University where she received the ME degree. She is a fifth grade teacher at Highland Elementary School in Plainview.

Reeves received the BS degree in education from West Texas State University, and is employed at Central Plains Hospital in Plainview.

THIS is a heck of a way for a child to begin school, but it must be done mothers, six immunizations are now a must and now is the time to start them in order to have your beginner "ready and fit" for school August 20. Migrant Health in Floydada has set up a clinic for the first week in July so that would be a good time to start the immunizations. Senate Bill 27, signed into law by Gov. Smith April 26, requires that all children entering Texas elementary and secondary schools or institutions of higher education must be immunized against six diseases: diphtheria, tetanus, polio, measles, rubella and smallpox. The immunization requirements apply to all students attending public, private, or parochial schools such as kindergartens associated with elementary schools, elementary or secondary schools, academies, colleges, universities, and schools for the blind, deaf,

mentally ill and mentally retarded.

For complete immunizations a child from the age of five through 11 must have at least three doses of oral vaccine against polio, provided one or more doses have been received since the fourth birthday; minimum of three doses for diphtheria and tetanus, with at least one dose having been received since the fourth birthday; measles, one dose of vaccine or history of measles illness; rubella, one dose of vaccine, not required past the age of 12; smallpox, one vaccination within the past ten years;

Children in grades six through 12, or children 12 or older, three doses of oral vaccine for polio; minimum of three doses for diphtheria and tetanus, with the last dose within the past ten years; booster dose only after initial series; rubella not required past the age of 12 and one vaccination for smallpox within the past ten years.

Students in institutions of higher education are required to have at least three doses of vaccine for polio, provided one or more doses have been received since the fourth birthday. Polio vaccine is not required for persons 19 years of age or older. Minimum of three doses with the last dose within 10 years for diphtheria and tetanus, and smallpox, one vaccination within the past ten years.

At the present time, booster doses of diphtheria, tetanus and smallpox vaccine are required every ten years after the last dose completing the series.

ACCIDENT, FROM PAGE 1

Relatives said Monte and his father had been working on land leased from Hugh Marble and were transferring farm equipment to another field at the time of the mishap. The father had gone to the other plot of land and the youngster was traveling behind on a tractor, which was pulling a mounted six-row rod-weeder.

It was surmised the tractor veered into a ditch and the outside shank of the rod-weeder also went into the ditch, causing it to break loose. It apparently got into the tractor wheel and the wheel pulled the rod weeder over the top of the tractor.

Moore-Rose made the emergency call, then transferred the boy from Lockney Hospital to Lemon's Funeral Home in Plainview where rites were pending at press time.

Survivors other than the parents and maternal grandparents, include parental grandparents, Mr. and Mrs. J. E. Stair of Plainview; three brothers and one sister of the family home.

ies; however boosters are not required for polio, measles and rubella.

Remember mothers, preventive medicine is dirt cheap but the cure is very expensive.

Mrs. Bob Kirk had the nervous chore of driving Mrs. Jerry Neeley to the hospital at Hale Center late Tuesday for the birth of her baby, as the father-to-be was at a meeting in Plainview. Mrs. Kirk remarked "I've been a mother four times but this is the first time I've ever tried being a father and I wouldn't trade places for anything." The Neeleys now have their little daughter they were wanting so badly to go with their two fine boys, who are bursting with pride over the new sister.

HIGH PLAINS UNDERGROUND WATER NEWS

Two Public Hearings were called on May 19, 1971, by the Board of Directors of the High Plains Underground Water Conservation District No. 1. The Hearings were called as a means of administratively enforcing the District's Rules and Regulations. One situation, in which the District has alleged a violation of its rules, resulted in the Hearing being held in the Al Allison Court Room of the new Law School at Texas Tech University. The second Hearing, which had been scheduled for that day, was not held since an arrangement was reached between the party, whom the District had alleged had caused a violation, and the District just prior to the Hearing.

In the case in which the Hearing was actually held the District had alleged that Mr. J. E. Franklin of Lubbock County, was operating two wells on a farm he owns and operates, the two wells being allegedly drilled and operated in violation of the District's Rules and Regulations. In that case the Board of Directors ordered Mr. Franklin to either close or re-equip the two wells.

After listening to the evidence and testimony presented at the Hearing and listening to Mr. Franklin's statement that he did drill the two wells in question on the land he is farming, without obtaining permits as is required by the District's Rules, the Board issued a finding of their Hearing and then issued an ORDER upon that finding.

The finding stated that the two wells were drilled after the date the District began to require a permit to drill a well, one capable of producing in excess of 100,000 gallons per day (69.4 gpm), and that the two wells are presently equipped in such a manner that they are capable of producing in excess of 100,000 gallons per day. The finding also stated that the wells were drilled without benefit of a permit from the District.

The Board in its ORDER to Mr. Franklin, requires him to cease operating the two existing wells in violation of the District's Rules, and that the two wells must either be closed or reequipped by July 3, 1971. If they are reequipped, they must be reequipped in such a manner that they would not be capable of producing in excess of 100,000 gallons per day (69.4 gpm).

Mr. Franklin has fifteen days from the date of the Hearing in which to request a rehearing on this matter by the Board of Directors.

On the same property, but not in connection with the illegally drilled wells, the Board also directed Mr. J. E. Franklin to close or cap two large open holes which are apparently abandoned irrigation wells. They are to be closed or capped in accordance with the District's Rule concerning capping of open wells. They also directed Mr. Franklin to re-complete or plug two additional wells on the north west part of the same farm, in such a manner that pollution or contamination of the underground water reservoir in the Ogallala Formation will not be permitted.

In other administrative action the same day, the Board of Directors unanimously accepted an agreement signed by Mr. Joe Greenlee of Lubbock, Texas. Mr. Greenlee is the Trustee of a farm in Lubbock County where the District had alleged that waste of groundwater was being committed.

In lieu of the Hearing which had been scheduled on a tail-water waste complaint, the Board of Directors accepted a consent agreement which had been worked out between Mr. Greenlee and employees of the District prior to the Hearing. Mr. Greenlee agreed to require his lessees to abide by all rules and regulations of the District. In the agreement was an acknowledgement of the District's jurisdiction with regard to tail-water waste as it is outlined in both the District's Rules and the Statutes of Texas.

After accepting the agreement, the Board instructed the District's Manager to take the appropriate steps to abate waste in accordance with the District's Rules and Regulations and the Statutes of Texas in the event tailwater is permitted to escape from that particular land in the future.

Lockney Men Going To Russia

Lockney Mayor Claude Brown and another Lockney resident, H. E. Frizzell, have been invited to join a blue ribbon delegation of Texans on the Texas Flight for Understanding which departs August 1 for Paris, Stockholm and Moscow in behalf of those Americans who are being held as prisoners of war and listed as Missing-in-action in Southeast Asia.

Shirley Powell Now Home

Shirley Powell, daughter of Mr. and Mrs. Fletcher Powell of South Plains, was brought to the home of her parents Saturday from Lubbock Methodist Hospital. She is reported to be convalescing remarkably well from severe injuries sustained from an accidental gunshot wound May 28.

Miss Powell will later undergo plastic surgery for repair of the left chest, and will have a medical check-up tomorrow. She had emergency surgery shortly after the accident, at which time the chest wall was repaired, the spleen removed, as was a small lower portion of the lung and a portion of the colon. She was in intensive care for several days.

Mrs. Powell said her daughter had been in excellent spirits since the mishap and was able to have visitors, however no one with a contagious illness, such as a cold, is allowed. Strict confinement is required if the girl is to fully recover, doctors told the family.

requests for meeting with the entire delegation. Another meeting is scheduled for later Monday, and at 6:30 p.m., the Texans will attend a dinner and reception hosted by the French government.

On Tuesday, they will call on the NLF residence and foreign media in Paris, asking support for their cause.

Wednesday the group is to depart for Stockholm, where they will make the same pleas to the North Vietnamese Embassy in Sweden and attend a luncheon hosted by the Swedish government.

Departure for Moscow is scheduled for Thursday morning. The Texas delegates will call, in groups, on Communist embassies and attend a dinner hosted by the Russian government.

They are to return Friday, arriving in New York City for a 2:10 p.m. press conference.

Take A Walk!

The best advice a doctor can give many Americans is to take a walk—regularly. A recent study of Americans and their exercise showed we are literally riding ourselves to the hospital and to poor physical condition.

One reason, according to the experts, is that Americans ride everywhere and get very little exercise, regularly. The European often walks to work or uses a bicycle. Children walk or ride bikes to school in a much sterner climate than most of us experience.

Walk regularly and let your children walk some every day—regardless of what other children do. Your reward will be inevitable, in the form of better health and a better looking and functioning body.

Today For the NEW AGE

JUST FOR TODAY... I will think positively. Even when I seem to lose, I will keep foremost in mind that no one cares for a poor loser - I will make a valiant effort to act and be positive in all life situations today.

Rain Shortens Ball Schedule

Floydada youth baseballers played an abbreviated schedule last week as rains Thursday and Friday washed out all games. The teams returned to action Monday and makeup games have been scheduled.

T-Shirt Results

YANKEES ENDSOXSTREAK
The T-Shirt League Yankees handed the White Sox their first regular-season loss in two years Monday night, keeping their perfect record clean with a 7-1 victory over the 1970 champs. Brad Feuerbacher pitched the Yanks to the win; Pete Castillo was the White Sox' hurler.
CUBS DOWN ORIOLES
David Welborn carded the pitching win for the T-Shirt Cubs as they stung the Orioles, 8-3 Tuesday. Tracy Womack was the pitcher for the Orioles.

the Blue Bells, 11-9, in an extra-inning thriller Monday night in girls' softball action. The score was tied 4-4 after three innings, 7-7 after five, and 8-8 at the end of the regulation six innings. Carlen Young pitched for the Grass Skirts and Sandra Roberson was the Blue Bells hurler.
DUSTERS 17, RED SLIPPERS 8
Patsy Samuels pitched for the Dusters Tuesday night as they defeated the Red Slippers 17-8 in girls' softball league play. Brenda Fulton was the Red Slippers' pitcher.

Freshman League

DODGERS 9, CARDINALS 2
In the 6:30 game Monday, the Dodgers defeated the Cardinals, 9-2. Jackie Windom started for the winning Dodgers and was relieved by Quinn Coleman and Rusty Cagle.

GIANTS 16, REDSOX 5
The Freshman League Giants kept their win streak alive with a 16-5 thrashing of the Red Sox in the late game Monday. Jay Womack was the winning pitcher, and Ernest Johnson was credited with the save for the Dodgers. Randy Fry was the losing pitcher and Monty Smith-erman also pitched for the Sox. Womack and Todd Vickers racked up triples for the winners, and four Dodgers—Danny Fleming, Matt Probasco, Monty Daniels and Kerry Hale had doubles. It was a good defensive effort for the Dodgers as they committed only one error.

TIGERS 17, INDIANS 7
Ricky Carthel pitched the Tigers to a 17-7 Freshman League victory over the Indians in the early game Tuesday. Kenneth Walton was the Indian's pitcher.

BRAVES 8, METS 3
Later Tuesday, the Braves carded a 8-3 win over the Mets, Steve Westbrook getting the pitching win for the Braves and Lynn Woods taking the Mets' loss.

The former Whirlwind golfer star won the state AA medalist title this spring in U.L. competition, in addition to the district and regional medalist honors.
Hale quarterbacked the football Whirlwinds to a district championship his senior year, served as a senior captain on the FHS basketball team, and was salutatorian of his class.
Hale turned down several scholarship offers, including one from the University of Houston, to accept the Hobbs JC offer. He joins another former Whirlwind golfer, Kent Hale, his cousin, at the New Mexico school.

Drunk Driver Control Bill Could Save \$340 Million

"Texans may save \$340 million in the next two years because of one new law passed by the legislature and signed by the Governor," according to the president of the Texas Safety Association.
J. U. Parker, a Houston safety consultant, who heads the statewide safety group, made the comment today in a release from TSA's Austin office.

He explained that Governor Preston Smith had signed into a law a measure aimed at controlling the problem of the drunken drinker-driver. Recommended as a part of the Governor's traffic safety program, the bill establishes the presence of 0.10 percent blood-alcohol concentration in a driver as a presumption of driving while intoxicated.
"Last year in Texas, abusive drinker-drivers contributed to the deaths of some 1,700 Texans on our highways. The cost to all Texans was an estimated \$348.5 million," Parker said. "If this new law is uniformly, fairly, and firmly enforced throughout Texas it could bring into control our number one

team won by a score of 8-2. In makeup game played Saturday, Lockney One cased by Floydada Three by a 9-5 score, and Lockney Three downed Lockney Two, 9-4.

TIGERS, NOT RED SOX, WIN JUNE 4 GAME

A mixup in the Freshman League baseball scores last week had the Hesperian reporting the Red Sox beating the Tigers 7-6 in a Friday-night game, June 4. Actually, it was the Tigers over the Red Sox by that score. Ricky Carthel was the winning pitcher for the Tigers; Steve Jones also pitched.

FLOYD COUNTY 4-H'ERS ATTEND 4-H ROUNDUP

Six 4-h boys represented Floyd County at the Texas A&M Round-up, held at Texas A&M University, June 3, 1971. The vegetable marketing and preparation demonstration composed of Drew Lloyd and Tom Lovell placed 8th in very rough competition. The Dairy Cattle Judging Team, made up of Donnie Fortenberry, Max Yearly, Lyle Miller and Mitch Probasco was 3rd. High Team individual out of 19 teams in the contest, Donnie Fortenberry was 7th high individual. The 4-H'ers had a good time and made many friends while at Round-up.

Now is the time to start preparing to attend next year.

Farmers Union Protests Postal Increase On Weekly Newspapers

The Farmers Union has urged the Postal Rate Commission to turn down a proposed increase in second class postal rates.

Dr. Weldon V. Barton, assistant national legislative director of the Farmers Union, said in testimony before the Commission that increasing second class postal rates would threaten the existence of small town newspapers. But in addition, he said, it would also "combine with other forces working to stagnate rural America."

Loss of weekly newspapers and other printed information sources that move through the mails "would serve to drag down and frustrate efforts to upgrade health, transportation, employment, education, and other activities essential for rural revitalization," Barton said.

Furthermore, he urged that rates on other classes of mail not be increased in order to absorb the deficit that will result

from maintenance of current second class rates. "Instead," he said, "Farmers Union urges that - after the Postal Service makes every effort to secure financial savings by squeezing out operating inefficiencies - the deficits be allowed to accumulate so as to encourage remedial amendment of the 1970 Postal Reorganization Act."

"Over the long run - as deficits accumulate - Farmers Union recommends amendment of the 1970 Act to authorize continued subsidization out of general revenues of the federal government for essential mail and other information-communication services. We are convinced that efficient and inexpensive mail service to all areas of the nation is related to the public interest in a way that fully justifies the subsidization out of general tax revenue that is required to secure this objective."

Jay Naman, president of the Texas Farmers Union, said in

Waco that the rural people of Texas have an important stake in maintaining a strong rural press. He said, "We see blocking this effort to increase second class postal rates as an essential aspect of our effort in behalf of rural development. There is a growing commitment of the nation that we must stop the senseless migration out of our small communities and rural areas, and into the nation's overcrowded and congested cities. The loss of smalltown newspapers would be only one more factor that would hinder efforts in this direction."

Council OK's Paving In Light Agenda Monday

The Floydada City Council tackled a very light agenda Monday night in the regular monthly meeting and adjourned after shortly more than two

hours. The main decision reached was that of accepting bids and starting paving on East Lee and Thornton Streets in East Floy-

dada. Bids from Jake Diel and High Plains Pavers were opened and read. High Plains submitted the low bid of \$15,994.60, which was accepted. Diel's bid was \$18,576.45. Paving is to start in about two weeks.

The Council voted to assess property owners for their portion of the paving costs; owners' costs may be paid in five equal annual payments, the first due 10 days after completion of the paving.

In other business, the Council voted to pay the Board of Equalization the regular fee, they are investigating a request by Euliquio Ochoa for billiard parlor zoning on East Missouri Street.

and they okayed a request by Public Service gin electric rates; a request by SWPS to allow them to arrange a 12-month contract with high electric users to pay an equal amount every month and adjust them at the end of the year; the City Manager to study and submit his findings on minimum rates on small-usage electric meters.

A vacation for the City Manager June 19-26 was approved. The report of the recent audit was submitted, and the Council is looking it over.

Also discussed was the city mosquito spraying program. The city was sprayed Sunday morning, and the Council requested another aerial spraying for early Tuesday morning. That spraying took place about 7 a.m. Tuesday. The City Manager reports good coverage and says he hopes spraying will not be needed before two weeks from then.

Mayor Jimmy Seay presided over the meeting. All councilmen were present.

3 Panhandle Towns Eye School Merger

Voters in three school districts in four Texas Panhandle counties may decide July 10 whether to consolidate those districts into one large district.

School districts affected are Quitaque in Briscoe and Floyd counties, Turkey in Hall County, and Flomot in Motley County.

hope to provide a better education for the 500 or so children there, he said. The distance that would be involved in daily travel to other schools in the counties the school districts are located in would make unions with them prohibitive, Denton said. For example, the distance from Turkey to the county seat of Hall County at Memphis is 35 miles, he said.

Loran Denton, superintendent of Turkey Independent School District, said Monday the consolidation was sought because declining enrollments in the three districts over the past several years has made it more difficult to finance educational programs. By combining the resources of the districts, area residents

could provide a better education for the 500 or so children there, he said. The distance that would be involved in daily travel to other schools in the counties the school districts are located in would make unions with them prohibitive, Denton said. For example, the distance from Turkey to the county seat of Hall County at Memphis is 35 miles, he said.

Consolidation supporters submitted petitions to the four county judges Monday asking the July 10 elections be held simultaneously. Hall County Judge Egilp McMurry, Briscoe County Judge M. G. Moreland, Floyd County Judge J. Holmes and Motley County Judge Forrest Campbell said elections had been set.

Jose Alaniz
Services for Jose Solo Alaniz, 49, who was killed Sunday morning after apparently being struck by a hit and run driver, were conducted Tuesday morning in the St. Mary Magdalen Catholic Church in Floydada.

Andersons
Double funeral rites for Henry Wilburn Anderson, 47, and his wife, Opal Eunice Anderson, 44, of Crosbyton were held Saturday afternoon in the Crosbyton Church of Christ. The couple were found dead in their home in Crosbyton Thursday morning from gunshot wounds.

Mrs. Fox
Services for Mrs. Fannie E. Fox, 90 year old Lockney resident, were conducted Monday afternoon in the First Baptist Church in Lockney. Mrs. Fox, a resident of that city since 1944, died Saturday in Lockney General Hospital.

Alaniz and his family had been in Floydada to attend a wedding and were returning to their home in Plainview when he was killed. The family car had become mired in mud on a farm road and Alaniz was going for assistance, according to the family. His body was found about 4:15 a.m. by Johnny Pena of Plainview, on FM 788, six miles north of Plainview and two miles from where the car was stuck. Officers are still investigating the mishap.

A native of Slate Springs, Miss., the deceased married Thomas Sidney Fox April 14, 1901. He preceded her in death in 1969.

Survivors include three daughters, Mrs. Sid Thomas and Mrs. William Payne, both of Lockney and Mrs. Joe Page of Hurst; six grandchildren and 12 great grandchildren.

Survivors include his wife, four sons, Jose Jr., Luis, Julian and George, and four daughters, Guadalupe, Berta, Rosina and Dora, all of the home; two brothers, and three sisters, all of Mexico.

Survivors include their four daughters, Mrs. Janette Brewer, Mrs. LaQueeta Hobbs and Mrs. Connie Hackley, all of Lubbock, and Mrs. Delinda Hancock of Crosbyton; one son, Earl Anderson of Lubbock; and six grandchildren.

Graveside rites for the infant daughters of Mr. and Mrs. Phil Green of Brownfield, were conducted at Lockney Cemetery Tuesday afternoon. The babies, named Varonica and Valerie, were born prematurely Tuesday morning, June 15, at 3 a.m.

YOUTH PLAINS NEWS by Mrs. Murray Julian

PLAINS, June 14 - The Baptist Church in the Plains area celebrated the Baptists for both morning and evening services Sunday.

His wife Janis, Dana and Diane, and Dickie of Curmen Powell of Plains Baptist Church in charge of the Lockney Nursing Home.

Dr. Fred Taylor, pastor of the church, presided at the church with several prayer services.

Wood was among those who went to the Baptist Encampment to attend the annual meeting.

McClure and his wife, J. E. Woodson of the Lockney Nursing Home, will meet them in Los Angeles.

They will meet them in Los Angeles, where they have spent the summer.

Griffin at Corona, Texas, will be getting home this week.

Shirley Powell and her family have returned from their vacation in Florida.

has to be refilled by a 3-1 ration, more blood is needed. Many here spent Tuesday night in their cellars as the angry clouds boiled around the area.

In the first cloud that passed, most of us just had a nice rain, but with the second storm that came, the hail, winds and rain were tremendous.

There was hardly a home in our area who was not hurt in some way, with young cotton, maize, gardens, flowers, and fruit destroyed or set back.

We are glad that our homes were not blown away, and perhaps the storm period will pass on out of our part of the country.

Every night but Sunday night of this past week we have had tornado warnings, or storm clouds of some sort, with some rain falling every night but Sunday.

Mrs. L. N. Johnson and Denise spent Tuesday in Amarillo and got home a little before the second storm hit Tuesday night.

The Johnsons, with twins Denise and Denee, Shari and Carlton of Lockney, have moved back to the ranch for the summer, and are enjoying the free and easy farm life!

Mr. and Mrs. J. P. Taylor and Mrs. Ruby Higginbotham hosted dinner and supper in the Higginbotham home Sunday after church with guests, Dr. Fred Howard, interim pastor of the Baptist Church; Rev. and Mrs. Troy Cartmill, Diane and Dane, and singer for the church, Wylie Zimm.

Most of them went to Lockney to the Convalescent Home for services during the afternoon. Sunday night after church services hospitality leaders, Mrs. J. P. Taylor, Mrs. Don Marble and Mrs. Curtis San-

ders were hostesses for a get-together honoring the visiting minister, Rev. Troy Cartmill and family. Coffee, fruit punch, cookies and cake were served everyone who stayed for the fellowship meeting.

Mrs. Leighton Teeple was one of the hostesses for the wedding shower of Miss Sheila Taylor, bride-elect of Charles Joiner, with the gift shower being held in the Eugene Gilly home in Cedar Hill, Tuesday afternoon from 3-5 p.m.

The couple plans a July 17 wedding. Many from our community attended.

Mrs. Fred Howard is at home in Plainview following surgery a few weeks back, but she is not able to be out and around yet. We hope she soon recovers her strength.

Mrs. Terry Julian of Roscoe entered University Hospital in Lubbock Sunday and is to undergo back surgery this Monday afternoon.

Her children, Dee and Dickie, are at the home of their grandparents, the Murray Julians, and will stay with them during her stay in the hospital.

Murray and Terry are at the hospital this Monday afternoon, as are her parents, Mr. and Mrs. R. E. Althof of Roscoe.

The Associational Workers' Conference will be held at the Northfield Baptist Church this Tuesday night, June 15, where Rev. Nathan Mulder is pastor. Planning to go from here are Mr. and Mrs. Fred Fortenberry and Mrs. L. T. Wood.

Rev. and Mrs. Charles Conger, along with several other adult sponsors from Adrian, Mo., will accompany their 33 member church youth choir in concert here at the Wednesday evening service.

Darla Milton left Thursday for Austin, where she accompanied Donnie Fortenberry and Stephanie Arwine of the Whirlwind Band as piano accompanist. The band members competed in UIL State Contest Friday and Saturday in the Texas State Solo and Ensemble Contest, and arrived home Sunday.

Mr. and Mrs. Elmo Fortenberry of Sunray came Saturday to get their children who had spent the past week here with their grandparents, the Lewis Harstons of Lockney and the Fred Fortenberrys here.

Warren Powell plans to leave this week for the northern states of Wyoming, Montana, etc., working with John Reed, custom cutter, of Tulla. He does not expect to be back in the community until wheat harvest is over.

Wednesday night guests for a buffet supper with the Fred and Keith Marble families at the Fred Marble home were Mr. and Mrs. Vern Meyers, from Des Moines, Iowa, with their nine children in a big camper. They are representing the John Deere Company.

Mr. and Mrs. Arby Mulder, Mrs. Kathy Mulder and Candy and Jerry Taylor of Lockney attended the Holland Family Reunion in Amarillo at the Thompson Park Sunday. Seventy-five members of the Holland descendants were present for the annual affair the second Sunday in June. The Hollands were Mrs. Arby Mulder's mother's people.

Douglas Bradford has been re-classified in the army, and will not be having to go into the Armed Forces for the time being.

Possible Hit And Run Kills Lockney Man

A Lockney man was apparently struck by a car and killed early Sunday morning on Farm Road 788, in Hale County. Jose Soto Alaniz, 44, had attended a wedding in Floydada Saturday. He was walking for help after his car became stuck as he and his family were returning home.

Floyd County sheriff's deputy Cap Carthel received the initial call about 4 a.m. Sunday and notified Hale County officers after finding the possible hit-and-run incident had occurred there.

Alaniz' body was reportedly discovered by Johnny Pina, 20, Plainview, who told officers he saw what he thought was an animal in the road, attempted to stop, but was not able to avoid running over the body.

Investigators were searching early in the week for a car and driver that possibly struck Alaniz.

FLOYD DATA

Richard Fitch, 38, son-in-law of Mr. and Mrs. W.A. Lovell, was able to be brought home Monday after receiving treatment in Lockney General Hospital for a coronary condition. Fitch was taken to the hospital Sunday by Moore-Rose ambulance.

The Fitch family moved here about a month ago from San Diego, Calif., and are residing in a trailer home near the Lovell residence. He plans to have a plumbing business in this area as soon as his health returns.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

PIONEER NATURAL GAS COMPANY

keeping the covenant

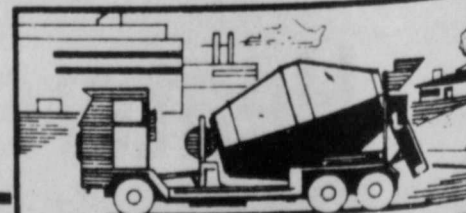

When it was first organized, the LIGHTHOUSE ELECTRIC COOPERATIVE made a covenant to provide area coverage and to furnish electric service to all the people in their service area with electricity who desired it.

Such an agreement was not easy to keep because cooperative members were widely dispersed, often miles apart and located, for the most part in sparsely settled rural areas.

But with an honesty and integrity which are a part of their heritage, they have kept the covenant, furnishing a low-cost dependable supply of electric power which is warming the hearts and homes of thousands of member-owners while Helping Texas Grow.

dada, is a student at Floydada High School and was chosen by The Floydada Odd Fellow Lodge #34.

She will travel by Educational Bus tour leaving Irving, Texas this Monday, together with other students and two adult counselors from Texas.

Rankin Bickley of Dallas is in charge of the trip which will visit Salem, Va.; Washington D.C., Gettysburg, Philadelphia and Valley Forge on its way to New York City; they will visit Niagara Falls, Ontario, Canada, Michigan, Ohio, Indiana, Illinois, Missouri and Oklahoma on the return.

While at U.N. Headquarters, the student delegates will be briefed on the many serious problems existing between member nations, of progress in disarmament and the peaceful use of atomic energy, and of the ways in which problems of health, education, employment and industry in underdeveloped countries are being helped.

In addition, representatives of member nations will be interviewed, some with the aid of interpreters, and Commissions and Committees will be seen in action. International House, where graduate students from over 80 countries live under one roof, will be visited, plus an evening at Radio City Music Hall, a boat trip around Manhattan Island as guests of New York Odd Fellows and Rebekahs.

A valuable by-product of the Pilgrimage is the fellowship which grows up among the 1,000 or more young delegates from all sections of the United States

WIND DAMAGE
High winds Thursday morning lifted the roof of a barracks building at Brown Gin, south of Floydada, and scattered the wreckage over a field north of the buildings. No one was injured, but two Spanish-American youths were in the barracks when the roof came off the building. "Like a convertible car top," one of them said. The same freak wind downed some utility lines in Floydada.

Three tornadoes were spotted Thursday night near Dougherty, in southeast Floyd County. Three barns were unroofed by the wind at the Kenneth Poole place, and several trees, utility lines and TV antennas were downed.

causing lighter hail damage. The middle third of the county between the two hailed out strips seems generally to have considerably lighter crop damage, the county agent said, although there are spots in that area that got more damage.

RAIN TOTALS OVER THREE INCHES
Some of the Thursday night reports from the area: Floydada - 1.49" rain and light hail; Lakeview - 1.50" rain and hail up to baseball size; Dougherty - up to 3" rains and hail pea-size and larger; McCoy - .7" rain, hail and high winds; five miles south of Floydada - 1.2" rain and damaging hail; two miles north on the Silverton highway - 2.02" rain; Baker community - 2.2" rain and lots of damaging hail.

Rain Friday night averaged about an inch and a half in southern parts of the county; scattered reports: Floydada - 1.62"; Lakeview - 1.22"; McCoy - 1.6" and small hail; Dougherty - light snows in the area, no rain in town.

The Thursday and Friday night rainfall amounts were less in the northern part of the county. South Plains reported a quarter inch Thursday and another half inch Friday night.
