

THE FLORIDA BOYS . . . Floyd County Fair Attractions. Thenationally known gospel singers will be the main entertainment at the annual Floyd County Fair at Lockney. Members of the group are left to right: Derrell Stewart, pianist; Billy Todd, bass singer; Les Beasley, emcee and manager; Glen Allred, baritone singer; and Tommy Atwood, tenor.

Williams On Vietnam Duty

WITH U. S. COMBAT AIR FORCES, Vietnam - U.S. Air Force Technical Sergeant Clifton L. Williams, son of Mr. and Mrs. Dee Williams, Rt. 2, Lockney, Texas, is on duty at Tan Son Nhut AB, Vietnam. Sergeant Williams, an air operations supervisor, is assigned to a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and the Pacific area. He previously served at Holloman AFB, N.M. The sergeant is a 1955 graduate of Lockney High School. His wife is the former Ruth Born from Germany.

ROTARIANS HONOR INTERNATIONAL PRESIDENT TONIGHT

Several Floydada Rotarians and their Rotary Anns will attend a barbecue dinner and banquet tonight in honor of the president of Rotary International from Sweden.

Rotarians from all over this area will attend the dinner in the Lubbock Coliseum beginning at 7:30 p.m.

FLOYD PHILOSOPHER Can't Get His Mind Off One Aspect Of The Recent Voyage To The Moon

Editor's note: The Floyd Philosopher on his Johnson grass farm has some trouble with the high cost of space science this week, his letter indicates.

I've tried everything from reading month-old newspapers to watching re-runs on television to figuring out how we can have two Chinas in the United Nations, which shouldn't be too hard in view of the fact we've got two Dakotas and two Virginias in the United States, not to mention one Texas, but still I can't get my mind off that moon buggy. I mean, its price. Eight million dollars.

As I understand it, the buggy was powered by four quarter-horse electric motors about the size of the one in your washing machine, one on each wheel, had special wire tires, seat belts, a bunch of batteries, no top, and a high-powered television camera. It didn't have a steering wheel, just a stick that controlled the four quarter-horse motors.

While my knowledge of auto manufacturing is about as close to zero as you can get, although I know the companies do have one engineer whose main job is to design a hood release latch so it'll never be in the same place one model to the next, I have decided that

the hardest thing about building a dollar moon car is making it cost dollars.

Fifty thousand dollars. . . Maybe, considering inflation and all, a hundred thousand, but 8 million dollars? For electric motors, wire wheels, no top and vision camera?

How many sleepless nights did the engineers have to spend to spend so much money into one small cart? I'm bound to have had the help of from the National Committees and eighteen states, with possibly a dozen or so mayors thrown in and no doubt a few engineers who design highway cloverleaf changes, working I guess on triple-time, quadruple-time. . . I don't but I don't know what the word multiple is.

Anyway, making the car cost 8 million is nearabout as great a scientific haul to the moon. That price was F.O.B. the launch pad. When in the transportation charges they hold on to your hat and hang on.

Yours

J.A.

OBITUARIES

Ronald C. Harris

Services for Ronald Clark Harris, 30 year old Floyd County native, and a Lockney area farmer, were conducted yesterday afternoon in the First United Methodist Church in Lockney. Burial followed in the Plainview Memorial Gardens.

Harris died in Central Plains Hospital in Plainview Monday evening following a lengthy illness.

The deceased was born in Lockney May 4, 1941 where he graduated from high school in 1959. He was a 1964 graduate of Texas Tech University and was a member of Kappa Sigma fraternity.

Harris was a member and officer of the Lockney Young Farmers, served as secretary of the Plainview Jaycees and had been selected as "Outstanding Member one year. He was also a member of the First United Methodist Church.

Harris and the former Betty Jo Gossett were married Sept. 5, 1964 in Houston. The family moved to Plainview three years ago from Lockney.

Survivors in addition to his wife include two daughters, Bettie Nicola and Rebecca Renee and one son, James Cary Harris, all of the home; his parents, Mr. and Mrs. Clark Harris of Lockney; two sisters, Mrs. Dane Clark of Golden, Colo., and Mrs. Jack Whittington of Houston; his grandparents, Claude F. Harris of Finney, Mrs. Jessie Mae Harris, Plainview and Mrs. Ella Mae Nichols of Amarillo, a great grandmother.

Youth Killed In Vegetable Shed

Funeral rites for a Floydada youngster, Baltazar Ruiz Martinez, 10 year old son of Mr. and Mrs. Felipe Martinez, were conducted Saturday afternoon in the St. Mary Magdalene Church in Floydada.

The boy was pronounced dead on arrival at Caprock Hospital Thursday afternoon where he was rushed by a Moore-Rose ambulance after becoming caught in a conveyor belt at a vegetable shed on E. Tennessee St.

Workers at the processing shed, leased from the Buck Hickerson family by Griffen and Brown, told investigating officers all machinery suddenly stopped and when they investigated they found the youth caught in the belt and machinery.

It was surmised the boy, who attended Duncan Elementary School and was enroute home from school, had stopped at the shed to play when the mishap occurred. No one witnessed the accident, according to officials, but Chief of Police Tom Hopper said the vegetable supervisor had warned the youngster to stay away from the conveyor belt several times.

The youth was born in Floydada January 6, 1961 and lived with his parents at 628 East Virginia. His father is employed by Robert Stovall.

Survivors other than the parents include one brother, Juan, and six sisters, Maria, Marta, Irene, Rosario, Olivia and Ernestina, all of the family home,

with the exception of one who is in the Job Corp.

Rev. Roland Buxkemper officiated at the rites. Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

J.C. Green

Services for J. C. Green Sr., 77 year old Matador man and father of Don Green of Floydada, were conducted Saturday in the First United Methodist Church in Matador. Green, a native of South Carolina and a resident of the Matador area since 1908, died Thursday in his home following a lengthy illness.

Green was a retired carpenter.

Survivors include his wife, eight sons, Jack, Luther, Ted and Pat, all of Matador; Arthur of Flomot, Phil of Borger, Jiggs of Plainview and Don of Floydada; two daughters, Mrs. Pete Williams of Matador and Mrs. Robert Pritchett of Andrews; one sister, 35 grandchildren and 19 great grandchildren.

Mrs. Anderson

Rites for Mrs. Andy (Evelyn Joyce) Anderson, 49, former Floydada resident, were held Tuesday in the Baptist Church in Ralls. Mrs. Anderson died Sunday in West Texas Hospital in Lubbock of a malignancy. Her husband was manager of Simmons Machine Co., while

living in Floydada, manager of the company. The couple had been married some four years.

Mrs. Anderson was born in Ralls in 1922 from a family where she had been a member of the Southwestern Baptist Co.

Survivors include a band, two sons, Steve of Lubbock and Stephen of the home; her mother, Lula Stephens of Ralls; her father, Clifford Stephens of Ralls; two sisters, Mrs. Hinton and Mrs. Clinton, both of Ralls; Mrs. Lowe of White Deer; and Billie Stephens of Ralls, one grandson.

Rites for Pedro Garcia

a resident of Floyd County, were held Friday in the St. Mary Magdalene Church in Floydada.

Garcia was born in 1893 in Karnes County, Texas, and died at 4 a.m. Tuesday of a lengthy illness.

Survivors include Agapita Garcia of Ralls; Jessie and Moses Garcia of Floydada; one daughter, Tomasa Molina of Ralls; a half brother, Manuel of Leesville; 17 grandchildren and eight great grandchildren.

Rev. Howard Burdette, pastor of the church, officiated at the funeral in the Moore-Rose Funeral Home.

Florida Boys To Sing At Annual Fair

Five nationally known gospel singers, who call themselves the Florida Boys, will be the main attraction at the 18th annual Floyd County Fair which opens its gates today.

The curtain will go up for the first performance tonight at 7 p.m. at the fair grounds in southeast Lockney. A second showing will follow at 9 p.m. Admission will be adults, \$2, students, \$1 and pre-schoolers will be admitted free. Tickets will be sold in advance or at the gate. Advance tickets are on sale at Ragland's Western Wear in Plainview.

The Florida Boys were organized in 1947 and have had few changes since their beginning. The group records for the Canaan label, gives concert counts and hosts the widely copied and viewed gospel religious oriented television show, "The Gospel Singing Jubilee", which is produced in Nashville, Tenn. The "Gospel Singing Jubilee"

won the Gospel Music Association's Dove Award for the best television show in 1966 and again in October of 1970. The group has won other numerous awards in the field of gospel music.

Les Beasley, lead singer is emcee for the group. He plays bass guitar, arranges and composes music and is business manager for the group. He currently is serving as president of the Gospel Music Association and has served on the board of the association for the past several years.

Glen Allred joins the group singing baritone, plays lead guitar and has been with the group for 17 years.

Tommy Atwood, tenor for the group, is the newest member. He is a song writer and designs and builds guitars and plays the violin.

Billy Todd, known throughout the gospel field for his award winning low pitch bass singing, plays rhythm guitar and is bass singer for many of their arrangements.

Darrell Stewart, pianist for the group, recently received the Singing News Award for "Musician of the Year" at the International Gospel Song Festival in Nashville. He also doubles on accordion and organ for the group.

Traveling by way of a custom bus, the group has covered the entire United States. Headquarters and home base for the group is Pensacola, Fla.

Five years ago the Florida Boys performed in Carnegie Hall in New York City. A record was made of that performance and will be sold at the Saturday night showing, along with other records.

J. Edward Murray, President-elect, American Society of Newspaper Editors:

"I'm sure, many considerations, including national security, were weighed before a decision to print."

September Vows Repeated By Miss K Cummings, David Pipes

Miss Glenda K Cummings and David Meggs Pipes exchanged wedding vows at 4:30 p.m. September 4 in Bering Drive Church of Christ at Houston. The vows, written by the couple, were repeated before an altar of white gladiolas and greenery. The double ring ceremony was performed by Dr. Terry Koonce of Houston.

The bride is the daughter of Mr. and Mrs. Kendall K. Cummings of South Plains, and the groom is the son of Mr. and Mrs. Charles Pipes of Bedford, Tex.

Preceding the ceremony, piano selections were presented by Steve Bates of Houston. He also played "A Theme from Tchaikovsky's Concerto No. 1" for the Processional, and Beethoven's "Ode to Joy" from Symphony No. 9 for the Recessional.

Presented in marriage by her father, the bride wore a formal wedding gown of candlelight tulle with a row of pink and one of blue embroidery trim, overlaid with tulle. The train also accented the top of the sheer lantern sleeves. A full skirted skirt, edged in matching lace, formed a full chapel train. Her elbow length veil of silk illusion was attached to a crown of petals and pearl hearts. Placed in the center of the petals was an heirloom brooch over a century old.

The bride carried a white Bible belonging to her mother and carried at her wedding, and that of an aunt and a cousin. On the Bible was placed an arrangement of red sweetheart roses and streamers.

For something old was the

heirloom brooch; something borrowed was a necklace belonging to Barbara Furst and something blue was her wedding garter. She also wore a six-pence in her shoe.

Miss Zacha Cummings, Lubbock, sister of the bride, was maid of honor. Mrs. David Engle, Houston, was matron of honor, and bridesmaids were Misses Mary Nel Pipes, Abilene, and Beth Pipes, Arlington, sisters of the groom. Female attendants wore fashions designed as the bride, only in azaalea pink and peacock blue of miromist over taffeta. Each carried a single stem red rose.

Jerry Fine of Pensacola, Fla., served as best man. Groomsmen were Jim Adams and Joe Tullhane, both of Houston, and Keith McGregor of Mississippi. Tom Altman was usher and also made introductions in the receiving line.

Following the wedding a reception honoring the couple was held in Brown College, Rice University. Assisting were Joyce Tullhane, Barbara Furst, Jane Anepohl, Mary Ann Manning and Cathery Roberts.

The couple are now at home at 1116 Banks, Apt. 14, in Houston.

The groom's parents were hosts for the rehearsal dinner held Friday, September 3 at Jammies in Houston.

Mrs. Pipes is a graduate of Floydada High School and attended Rice University, Houston, receiving a Bachelor of Arts Degree in May. She is currently employed with Haskins and Sells, CPA, in Houston.

Her husband, a graduate of Riverside High School in California, also attended Rice University. He received his Ba-

Odams Attend Family Reunion

Mr. and Mrs. J. C. Odams and Gary returned home Sunday night from Hinton, Okla., where they attended the fifth annual reunion of the children of the late Mr. and Mrs. J. H. Poore. Due to weather conditions the reunion was held this year at the Hinton Motel rather than the Red Rock Canyon State Park near Hinton.

Attending other than the Odams were Mr. and Mrs. O. E. Poore, Springfield, Mo.; Mrs. Odessa Cage and Clay and Mr. and Mrs. Kyle Hollomon of Lubbock.

Mrs. Cage and Clay spent Friday night with Mr. and Mrs. Al Fuchs at Hobart, Okla. The Fuchs family and the late Mr. and Mrs. J. H. Poore were neighbors when Mr. Fuchs was employed by the City of Floydada.

Caprock Dental Assistants Meet

The Caprock Dental Assistants Society had their first 1971-72 meeting September 14 in the Southwestern Public Service Building in Plainview.

Francyne Underwood of Plainview, is the president of the Society. Lynn Marler of Floydada is secretary, and Dolly Connelley of Hereford is president-elect. A business meeting was held at the beginning of the program.

Dr. J. Irvin Gaynor of Plainview spoke to the group on "Oral Cancer."

Refreshments were enjoyed by assistants from Dimmitt, Hereford, Plainview and Floydada.

Club Members Meet In McNeill Home

Members of the 1934 Study Club met Tuesday night in the home of Mrs. M. J. McNeill. The meeting was called to order by club president, Mrs. J. S. Hale Jr., and Mrs. Kyle Glover led the group in reading the Club Collect.

Roll Call was answered by each member naming a place she would like to visit.

Mrs. Hale announced the Caprock Board meeting to be in Levelland, October 6, 1971. Mrs. McNeill reported on attending the Report Chairman's meeting in Lubbock and suggested several ways to help in making annual reports.

Club voted to give a monthly gift to the local Day Care Center.

Mrs. Everett Collier presented the guest speaker, Miss Frances Mitchell, who gave a program on "Awareness of Our World." Miss Mitchell showed slides of her tour in Europe made this summer including points of interest in Holland, Austria, Italy, Switzerland and England. The slides were both

educational and beautiful. Present for the meeting were Mmes. Jake Watson, David Campbell, George Springer, W. O. Newberry, Vernon Parker, Lonnie Hinsley, Dennis Dempsey, A. L. Wyllie Jr., J. M. Willson Jr., C. B. Melton, M. J. McNeill, Ralph Johnston, Allen Bingham, Everett Collier, L. B. Stewart Jr., Clyde Hodges, J. P. Moss, J. S. Hale Jr., R. G. Dunlap, Garland Foster, Wm. Bertrand, Floyd Lawson, Kyle Glover, Wayne Russell and guest, Miss Mitchell.

Dougherty Club Members Meet In Lubbock

Dougherty Home Demonstration Club met in Lubbock September 15, at Furr's Cafeteria for lunch with seven members and two guests present. Following the meal those attending visited the Texas Tech Museum.

The Museum contains exhibits which tell the history of arid lands and early people, as well as the Indians of the Plains, outstanding exhibitions in science, history and industry. The Museum is open for viewing Tuesdays through Saturdays, 10 a.m. to 5 p.m., and Sundays and some holidays from 1 until 5 p.m.

For business, members drove to the home of Mrs. Elmer Watson, a former member now living in Lubbock.

After scripture reading by the hostess, Mrs. Claude Ring gave the roll call on "Information I Have Given a Non-Club Member."

During business Mrs. J. D. Cates read the names of new officers for the new year, nominated by the committee. They are Mrs. Howe Hines, president; Mrs. Carmel Eastham, vice president; Mrs. R. H. Crawford, secretary-treasurer; and Mrs. C. A. Caffee, council delegate. Motion of acceptance of Cates and seconded by Mrs. Earl Edwards.

Mrs. G. W. Smith read a letter from the Abilene State School asking for donations and Mrs. R. H. Crawford read a letter from the Del Cerro Pecan Co., and motion was made that club purchase the pecans.

Mrs. Elmer Watson served punch and pretzels to members, Mmes. C. A. Caffee, Johnnie Cates, J. D. Cates, R. H. Crawford, Earl Edwards, G. W. Smith, Claude Ring, and guests Mrs. W. J. Ross of Ralls and Mrs. Elmer Watson.

Club will meet at Lighthouse Electric for the next meeting on October 13 for a county-wide session. Harmony Club will be hostess.

one-half ounces at birth. The father is an attorney.

Among grandparents are Mr. and Mrs. Richard Stovall of Plainview. Mrs. E. F. Stovall of Floydada is a great grandmother.

ATTEND THE FLOYD COUNTY FAIR

Baby Shower Honors Mrs. S. Hamilton

Mrs. Solomon Hamilton was honored with a baby shower Saturday afternoon in the home of Mrs. Annie Taylor.

Guests were received by Mrs. Taylor and Miss Mattie Kinney was at the register.

The serving table was covered with a white linen cloth and held crystal appointments. Mrs. Bill Womack, Mrs. L. U. Jones, Mrs. Ruffus Minnitt and Mrs. Austin Garrett served.

Among the many useful and lovely gifts received by Mrs. Hamilton was a baby car seat from the hostesses.

Mr. and Mrs. Rice Residing In Plainview

Mr. and Mrs. Print Rice, who have resided in Floydada since 1944, have purchased a home at 1518 Dallas St., in the west part of Plainview where they moved recently. Rice will be part-time employed and Mrs. Rice plans to work full time.

Mrs. Rice's mother, and mother-in-law of Edna Patton of Floydada, has been transferred from the Floydada Nursing Home to the Heritage Home in Plainview to be near her daughter. Mrs. Patton had been in the local nursing home for the past four years and says she is looking forward to her birthday dinner party at her daughter's home when she will observe her 95th birthday.

United Nations Program Given Club Members

Members of the 1950 Study Club heard a program Tuesday night on the United Nations Pilgrimage for Youth. The meeting was held in the PCA Party Room with Mrs. Jake Webb, president, as hostess.

Mrs. Dallas Ramsey gave the American Creed and members answered roll call by naming a U.N. Member.

Miss Brynn Smithman presented the program. She was introduced by Mrs. Doris McLain. The speaker attended the Pilgrimage of Youth in the spring, and presented a very informative and interesting program.

During business the resignations of Mrs. J. W. Cannon and Miss Nell Swinson were regrettably accepted.

Attending the meeting were Mmes. Gene Arwine, Kenneth Bishop, Bob Copeland, L. W. Crabtree, Lane Decker, Sammy Hale, Doris McLain, Doyle Moore, Ray Morton, John Moss, Dallas Ramsey, Jake Webb and C. C. Whittle.

The Oct. 5 meeting will be in the PCA room with Mrs. Moss as hostess.

MEMBERS OF THE PRECESSION DRILL TEX-ANNS. Kathey Chappell, left, and Ise Cates, right, were among 32 candidates selected for Tex-Anns of South Plains College in Levelland. Both are 1970 graduates of Floydada High School and are men at the college. Kathy is the daughter of Mr. and Mrs. Ozell Chappell and is the daughter of Mr. and Mrs. Johnson.

Rest Home Birthday Party

When ladies of the City Park Church of Christ hosted the September birthday party Friday, the 17th, the following poem introduced the honorees.

A lovely time, September. . . To celebrate a day. And whether young, or older We like to be quite gay! The first to have a greeting Is Mrs. Effie Smith. . . Birthdays don't disturb her.

She takes them as a "myth". Mrs. Dorothy Nicholson Who now is eighty-five. . . Loves a birthday party With lots of "fun and Jive". Mrs. Bertha Eubank is. . . A very "perky" one. She keeps the party going With lots of vim and fun! Mrs. Carrie Cumber. . . A lady you all know. . .

Though boasting of Is always on "the R really is quite a To sing the birthday And serenade the So, make it good! After the singing of birthday song a delicious fresh plate of punch was served. The table was laid with a floral arrangement, cards marked place honorees.

Mrs. Nicholson, recently returned to hospital, was unable to attend but was very room. We are wishing speedy recovery. The October party Friday the 15th, 1971 are invited to attend.

Cedar Hill 4-H Elect Officers

The Cedar Hill 4-H Club met Monday night at the Eugene Gilly home for a regular meeting and the election of officers.

Heading the group this year will be Mark Gilly, president; Michael Fortenberry, vice president; Stephanie Fortenberry, secretary-treasurer; Carla Burleson, reporter; Craig DuBois and Stephanie Fortenberry, council delegates; Donnie Fortenberry, parliamentarian; Jerry Lack-

ey and Bryan Fortenberry calling committee and Bud Taylor and Kay.

Attending the meeting were Mark Gilly, Michael Fortenberry, Stephanie Fortenberry, Carla Burleson, reporter; Craig DuBois, Max Year, and Don Crow, assistant agent and two guests.

Art Work Will Be On Display At Floyd Fair

LOCKNEY - Elite work entered in the Floyd County Fair and Surrounding Counties art department will be judged by professional judges and by fairgoers.

Each individual, and enjoying the artment will be invited for his "favorite picture."

All entries must be original work of art must not have been in this fair previous must not be over 20 years old.

Last September entries were "This fall we expect pictures, especially Irens art work," say.

All adult pictures be framed and hanging. Children's may be matted and have a string attached back for hanging.

Flower Show LOCKNEY - Within the most colorful, and the most frequently visited attraction at the Floyd Fair and Surrounding Counties is the flower department.

Entries will be for display only and be judged.

Ladies Day At The Fair

Ladies Day at the Floyd County Fair will be Sept. 24 from 9:30 to 11:00 a.m. and from 2 until 3:30 p.m. at the Lockney fairgrounds. Program chairman this year is Mrs. Chester Mitchell.

The morning program will include fondue ideas presented by Mary Holubee, Home Service Advisor for Southwestern Public Service, and a craft demonstration conducted by a representative from The Little Shop in Plainview.

On the afternoon program, Judy Park, Home Economist for Texas Agriculture Products will present a food demonstration featuring Texas produce. Next on the program will be Mrs. Neil (Charline) Langley, assisted by Mrs. Nancy Morckel. Mrs. Langley will demonstrate flower arranging with the use of candles.

During the day music at the piano will be provided by Mrs. C. T. Record. Throughout the day approximately 80 door prizes will be drawn. The drawings for promptness prizes will begin at 9:20 a.m. before the morning program and at 1:50 p.m. before the afternoon program.

All ladies from Floyd County and surrounding counties are cordially invited to attend Ladies Day at the Floyd County Fair.

Three judges — including Mrs. Pat Ellison, who has served on the Miss Lubbock and Miss South Plains judging panels — will select the 1971 Miss Floyd County Fair and Surrounding Counties. Their decision will be revealed at the conclusion of Saturday night's finals in the entertainment building on the fair grounds in southeast Lockney.

Preliminaries are scheduled for 2:30 p.m. Saturday. All the young ladies are to re-appear at the 7:30 event. Finalists are to again present their talents.

Mrs. Ellison will be joined on the judging team by another former model and judge, Mrs. Delores Bennett of Petersburg and Joe Brown, who is associated with KGNC Television, Amarillo.

A queen, first and second alternate will be chosen.

Social Club Has Meeting

The Friendship Social Club met last Thursday night in KOOF Hall. Attending were Ruby Davis, Dimple McGavock, Artie Webb, Grace Grundy, Foy Gouch, with Valree Turner and Jewel Price as hostesses. One guest, Mable Price was also present.

Reported ill and unable to attend were Dorothy Reeves and Lona Sparks, home from the hospital following surgery.

Following a short business meeting members joined the Odd Fellows for a fellowship and social.

on Wayland College campus. Some highlight attractions already booked for this season are "The Young Americans", and "Her Majesty's Scots Guards." The young singing group has performed nationally on television and is composed of college and high school youngsters. The Regimental Band, pipes, drums and dancers, will be back in the US for the first time since 1955. As one of the five regiments of Foot Guards of the Household Brigade, the "Scots Guard" is responsible for guarding Her Majesty Queen Elizabeth II and carrying out ceremonial duties.

CONGRATULATIONS are in order for Mr. and Mrs. Charley Spence, who will observe their 60th wedding anniversary Friday (tomorrow). He is still in the hospital recovering from a broken hip but Mrs. Spence plans to spend most of the day with him just in case he tries to get sassy! Sixty years is a mighty long time to spend with one person and I know this couple have had many happy moments in that span.

THE Farmer's Almanac is out and it has a special message for the youth of today. Under the "Signs of the Times" section, there is a picture of a billboard with a mustached, long-haired youth and a blond girl wearing granny glasses. Both are giving the peace sign and the slogan reads: "Love... Try some on Your Parents."

TODAY is the first day of fall... then it won't be long before we can get our lost hour of sleep back, the last Sunday in October I believe.

THE Tulsa Hornets and the Winds as well sure were resting with the football Friday night and it looked like a tie, up until the last few seconds. I know the win for Tulsa must have been a thrill especially for two of their coaches. Head coach Bill Bryant used to be

reasons for Tulsa wanting to beat us, besides it being a mighty fine ball club.

I THINK the Winds did a Coach Wilson's assistant at Winters, and Assistant Coach Ronnie Williamson is married to a former Floydada gal, Juanita Stewart. That was two good

mighty good job in all, the mud and slush against Tulsa. The game is behind us and we, as fans, and the boys as a team, have some important games

ahead. Some will be won by our boys and some lost, but regardless which, remember team we love you mighty much!

Hornets Sting Floydada With Seconds Left

Tulia Takes 8-0 Upset Win

(by James Huggins)

Floydada's Whirlwinds lost their first regular season grid game since 1968 Friday when, with three seconds to play, Tulia Hornet full-back Robert Escobedo cracked the 'Winds' line for a yard and the score, breaking a 0-0 deadlock. Allen Ebeling added the two extras.

Tulia coach Bill Bryant said the weather conditions at soggy Wester Field aided the Hornets cause by slowing the game tempo.

The Hornets' 8-0 victory over the Whirlwinds was their second upset of favored District 3-AA teams in as many weeks. They blanked Olton 14-0 in the season opener.

Penalties cost Floydada 105 yards and a TD, as ten times penalty yardage went against the Whirlwinds. Tulia was assessed 35 yards on five penalties. Van Mitchell crossed the goal line for the Whirlwinds from nine yards out in the third quarter, but a clipping penalty wiped out the score.

PLAY-BY-PLAY

Tulia brought the kickoff out to their ten and punted from the 26 after picking up a first down at the 20. The Whirlwinds took over on their own 49 and managed a single first down, on the aged Jim Kunkel and Van Mitchell. Kunkel got six yards, Mitchell three, and Kunkel picked up the first at Tulia's 37. Floydada's first penalty of the night set the ball back to the 42 on the next play; then Kunkel and Mitchell tried it again, advancing to the 35 before a Rick Watts-to-Mark Vinson pass went incomplete, forcing Vinson to punt.

The punt sailed into the end zone and Tulia went from their 20. Again the Hornets managed one first down, at the 32, before running out of steam at the 35 and kicking the ball away. Langston Williams got out to his 39 on the return. Kunkel hit for a couple, Harris picked up six yards, and a 15-yard penalty put the first down out of reach for the Whirlwinds. Watts' third-down pass couldn't find Charles Jackson's grasp and the 'Winds had to punt.

The 'Winds got a break: Williams recovered after a Tulia man touched but couldn't field the ball, and Floydada had possession at the Tulia 32. Kunkel carried three times and got as far as the 25; then Watts tried to hit Mitchell, but the pass fell incomplete and Tulia took over on downs as the first quarter ended.

Tulia got firsts at the 26 and the 37, but bogged down and elected to punt again, as they lost a yard on two running plays. A five-yard assessment put the Hornets on their 31; this time the kick went to Harris at the Floydada 46. Penalties the 'Winds another five, and they go from their 41. Watts threw to Harris for four, Mitchell gained seven and lost two, and again Vinson had to kick.

From their 25, the Hornets moved on the ground. A first down at their 43, then a long gainer to the Floydada 35 before the drive stalled and the punt went into the Floydada end zone.

But the 'Winds could manage only six yards in three carries and punted out to the 47; Tulia fared no better and again kicked into the end zone. Harris carried for six yards after the touchback, Mitchell added three and Kunkel got the first down

at the 33, then three plays later the 'Winds had to punt again, and time in the first half ran out. The Hornets led 6-2 in first downs and 98-57 in rushing yardage. Watts was one-for-four passing for four yards, and Tulia quarterbacks were 0-for-one at the half.

SECOND HALF

The 'Winds received and had advanced to their 45 when a fumble cost them the ball. A 15-yard penalty aided the Hornets' first rushing try, and they had possession at the Floydada 21. They advanced to a first down at the 10, then to the eight yard line. A field goal attempt from there was no good, and the 'Winds went from their 20 one more time.

The 'Wind offense showed some fire for the first time: Watts completed a third-down pass to Harris at the 34 (Mitchell and Harris had picked up six on two running plays); then Mitchell snagged a Watts pass at the 48. Kunkel got into Tulia territory at the 40. A run and an incomplete pass netted the 'Winds a yard; then a penalty-aided Watts run put the ball on the Tulia 13. Kunkel picked up

STATISTICS		
	FHS	Tulia
First Downs	9	12
Yards Rushing	137	165
Yards Passing	27	21
Total Yards	164	186
Passes Com/Att.	4/13	1/3
Fumbles/Lost	2/2	2/1
Punts/Avg.	5/23.5	7/22.9
Penalties/Yds.	10/105	5/35

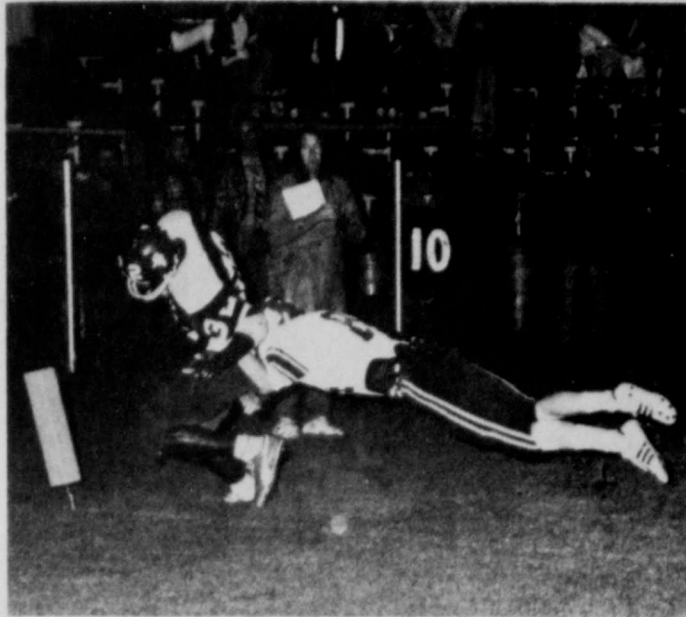

four, and the big penalty again broke the 'Winds' back: Mitchell crossed the goal line, but officials detected a clip—it was no score, and the 'Winds were 'way back on their 24. Three passes fell incomplete, giving Tulia the ball on downs.

The Hornets couldn't move, and the punt went to the Whirlwind 42. Mitchell ran for a first at the Hornet 48; Kunkel got three yards; and Mitchell got another first at the 38. A five-yarder went against the Whirlwinds, then Mitchell picked up eight, and another big penalty set the Floydadans 'way back as the third quarter ended.

From their 48, the 'Winds tried again; they couldn't move past the 39 and punted to the 17. Tulia couldn't go either, and Joe Bob Thompson boomed a punt that went bouncing 'way into Whirlwind territory. Harris tried to run the ball out but fumbled, and the Hornets had possession three yards away from the goal.

The 'Winds had some breaks too — on Tulia's first play, Kim Rose recovered a Tulia fumble at the one-yard line. Tulia had the ball at the 'Wind 35, and time was running out. They lost back to their 45, and it looked like a 0-0 ball game. Their punt went into the end zone; from the 20, the Whirlwinds ran for a first at the 30 and got two more yards before being forced to kick again.

Tulia went from their 44, and the 'Winds couldn't stop them. The relentless march to the goal was aided by an interference penalty at the 24 yard line; Tulia's next pass was good at the three, a rush got two of the steps, and then the score with three seconds left, and there was nothing the 'Winds could do.

MITCHELL CROSSES THE TULIA GOAL ... late in the third period. A penalty nullified the score. (Staff Photo)

GOAL ATTEMPT GOES ASTRAY ... Whirlwinds David Marri-Charles Jackson, (88) and Jay Jones try to block the try of Don Payne. (Staff Photo)

SPORTING EVENTS

Whirlwind Freshmen Whip Tulia, 34-0

The Whirlwind scoring with a 77-yard Vickers pass in the final period.

The Whirlwind freshmen play at Olton tonight (Thursday) at 5:30.

'Wind JV Drops Close One, 14-12

The Whirlwind junior varsity matched Tulia's JV in touchdowns last Thursday but couldn't connect on an extra point attempt and came out on the short end of a 14-12 score.

Quarterback Rance Young passed to Marc Smitherman for five yards for Floydada's first TD. Young ran one yard for the other Whirlwind tally.

Danny Bradford led the rushing for Floydada, picking up 50 yards on 19 carries for a 2.6

yard average. Ralph Bennett carried five times for 38 yards and a 7.6 average. Young completed 9 of 19 passes for 90 yards and one touchdown.

Mike Hatley paced the Whirlwind defense with three unassisted and 27 assisted tackles, and recovered one fumble. West Whittle and Danny Quisenberry each racked up 17 tackles, and Ashley Wester and Lynn Becker each were in on 16 tackles.

The JV plays Plainview here tonight (Thursday) at 7 o'clock.

DRAMATIC DUO - Lilli Palmer, portraying the operator of a semi-correctional boarding school for girls in "The House That Screamed" which is showing Friday and Saturday at the Capada Drive - In Theatre soothes the back of a punished student, played by Pauline Challenger.

PLAYERS REFLECT in the lights of Wester Field as the Whirlwind defense rushes to bring Tulia's Johnny Dunn Friday night. Van Mitchell (32) got there first. Other 'Wind defenders were Kunkel (44), Walter Harris (11), Kim Rose (75), behind Tulia's no. 65, Terry Bunch (66), Jay Jones (63), Mike Hale (12), and Terry Jester (25). (Staff Photo)

For the price of a new Skylark 350 you can own a Buick.

You'll find Buick's Skylark in a price class you're very used to. But with a lot of things that might be very new to you.

Like Buick comfort. The rich cloth seats standard in our new Skylark 350. Thick carpeting. Even a deluxe steering wheel.

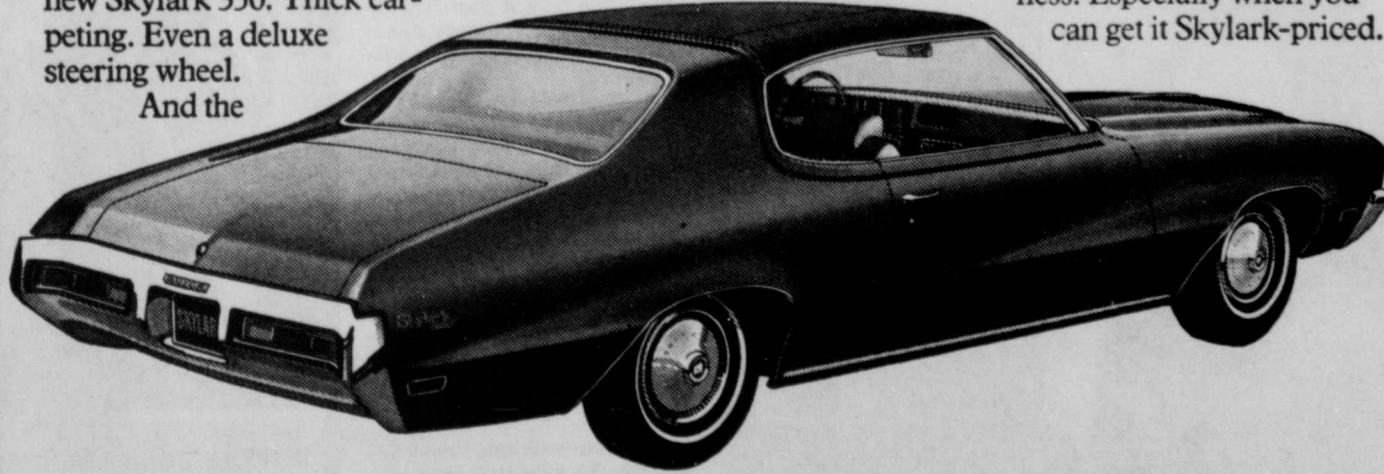

And the

Buick ride. Smooth and quiet.

Plus Buick engineering and performance. A standard 350-cubic-inch V8 that's responsive, yet economical. With Buick technical advances like

nickel-plated engine exhaust valves and a semi-closed cooling system.

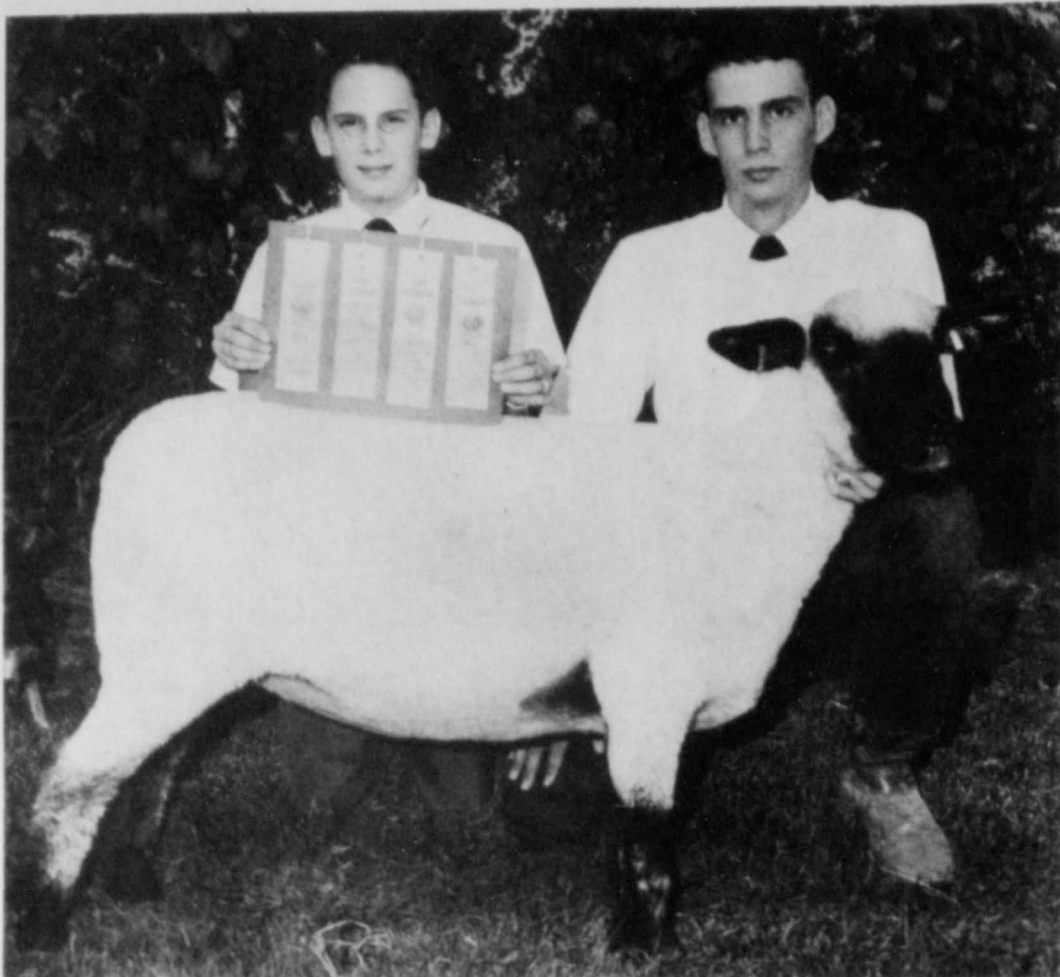

This year, perhaps more than ever before, you ought to consider getting all this Buickness. Especially when you can get it Skylark-priced.

1972 Buick Skylark. Something to believe in.

See all the 1972 Buicks now at your Buick dealers.

ABILENE FAIR RIBBONS . . . Clay and Ross Hamilton pose with registered Hampshire ewes and the four third-place ribbons won at the West Texas Fair in Abilene last weekend. (Staff Photo)

ABILENE EVANGELIST ED ROBB has recently written a new book, "Prisons of the World". Anyone interested in purchasing the book should send \$4.00 plus 10¢ mailing charge to Ed Robb, P.O. Box 5, Abilene, Texas 79304.

Floyd Ranks Tenth In State Gross Farm Money

Floyd County may not boast a big industrial payroll, but it did have a \$43,724,000.00 gross farm income in 1970 and ranked tenth in the state behind Deaf Smith, Hidalgo, Parmer, Hale, Castro, Lubbock, Lamb, Swisher and Cameron Counties.

The gross farm money included total crops, livestock and government payments. Authority for the report is the United States Department of Agriculture and the Texas Department

of Agriculture, published by John C. White, Texas' Commissioner of Agriculture.

Floyd County ranked eighth last year in government payments with \$13,160,000.00.

Nationally Texas ranked second in livestock last year to Iowa, but it is quite possible that Texas will be number one in the nation when this year's records are compiled.

Texas ranked third in crops behind California and Illinois,

and third in total crops and livestock behind California and Iowa.

Texas ranked first in government payments with over \$543 million.

In comparing the years of 1964 and 1970, Texas is down in cotton money, up in grain sorghum, down in wheat, up in rice, and up in peanuts.

WEBB FROM PAGE 1 three seconds; Baylor-Kansas (the Bears fell 22-0); and Tulia-Floydada (yes).

Fuqua also missed the two ties and the Floydada and Tech games, and picked UCLA over Texas (the 'Horns beat 'em 28-10), and Seagraves over Abernathy (it was 'Lopes 21, Seagraves 12).

Thompson, like the other winners, missed the ties and the 'Winds and Raiders contests, and chose Ralls to beat Kress (the class-A Kangaroos won 13-6), and Brownfield to down Denver City (DC squeaked by, 13-12).

Honorable mention goes to seven contestants who missed seven games: C. A. Weathersbee, Edwin Pollan, Joy Allen, Steve Aldredge, Jack Covington, Connie Wideman, and Roy Newkirk.

Only four entrants chose Tulia over Floydada: Ronnie Hill, Margie Lamb, W. O. Newberry and Connie Wideman.

FLOYD DATA

Curtis McMurtrey, Mr. and Mrs. Carl Blair, Mrs. Wealey Boone and Dan Deavers, Albuquerque, University of New Mexico football fans visited from Saturday afternoon to Sunday morning in the D. A. Barnhart home. They and Mr. and Mrs. Haney Wideman, Meldon and Mardith, Mr. and Mrs. Mark Wideman and Randy, Floydada, and Dr. and Mrs. Harold Reese, Plainview were supper guests of Barnharts and attended the University of N.M. and Texas Tech U. football game.

PHYL AND THE SENATOR - State Senator Jack Hightower of Vernon was in the proverbial "right place at the right time" Monday (Sept. 13) when the 1971 Miss America Phyllis George returned home from Atlantic City. Sen. Hightower was visiting with officials at North Texas State University and dropped in on a campus "welcome home" reception for the 22-year-old Denton beauty who relinquished her crown Saturday night (Sept. 11).

Letters To The Editor

September 13, 1971

Dear Wendell:

The 27th Annual Boys Ranch Rodeo was one of the most successful of all the boys have been putting on through the years, and in behalf of all of them, thank you for the fine help you gave them with the advance publicity.

About 9,000 people drove to the Ranch over the Labor Day weekend and considering all of the other attractions going on at that time, this was a good turnout. More boys than ever before participated and Charles McDaniel, who has lived at the Ranch for about 10 years, was the Senior All-Around Cowboy.

So many different jobs had to be done to make the rodeo the success it was and we consider the advance announcements among the most important. Thank you again for helping this year and I do hope you will come to the Ranch whenever you can.

Sincerely yours,
CAL FARLEY'S BOYS RANCH

CONE NEWS

CONE, Sept. 20 - Mr. and Mrs. C. W. Edwards returned last week from a three weeks vacation trip. They were accompanied by Mr. and Mrs. L. M. Powell, Lorenzo. They visited

ited points of interest in New Mexico, Colorado, Utah, Idaho, Wyoming and Montana, thence a loop into Alberta and British Columbia, Canada. On return they spent two days in Escalon, Calif., visiting Mr. and Mrs. Melvin Brogden. Later the four spent some time sightseeing in Yosemite Park. Other states visited on return were Washington, Oregon and Nevada. Mr. and Mrs. Clinton Den-

ning and Mrs. Peachie Parrish visited an uncle and brother-in-law, Creed Parrish, Wednesday and Sunday afternoon in a Lubbock hospital. Parrish is reported to be doing satisfactorily.

Rev. and Mrs. Carl Neal, Steven and Jennifer visited Saturday with Mrs. Bill Neal and children in Lubbock. Gene Carr, Canyonosa, was a Wednesday night guest of his

sister and brother Mrs. Ed Martin. Mrs. Martin's daughter, Vada, spent Tuesday at the WMU Program at the Church. Mr. and Mrs. L. M. Powell, Lorenzo, visited Sunday at Mr. and Mrs. L. M. Powell, Lorenzo.

Bench System Saves Sandhill Farm

The bench system on the Jim and Charles Word farm south of Sandhill not only saved the farm, 86 acres, but also saved the lives of the Word family. The Word family was forced to leave the farm in early 1970. A bench system was constructed along with 13 terraces to save the farm. The Word family also had to be after the leveling of the farm.

The Words contacted the Soil Conservation Service for assistance in improving the farm. They stated that the farm was in bad shape and they needed the entire farm as an economic unit. The Soil Conservation Service immediately began work with the Words and the farm.

The Words and the Soil Conservation Service started field surveying to see what engineering practices may be needed. The SCS worked very close with the Words and their operator Charles Carr to work out solutions to erosion problems. A complete conservation plan treating every acre was prepared by the Words with SCS technical assistance. It was not going to be an inexpensive job to correct and control the erosion with an elevation drop of 30 feet in 1400 feet. The Words entered into the Great Plains Conservation Program in late 1968 to receive cost share assistance on the project.

The total job was not easy to do and parts of the waterways were damaged by heavy rains before the diversion terrace and benches were installed.

These parts had to be reshaped and seeded. Two and a half years later the farm is something to see. Not only has severe erosion been stopped but the farm gross income is up and the farm is an economic unit. Charles Carr has stated that working the benches and benching area is different, but really no problem. Weeds must be controlled however on the benches, but this is better than seeing your farm's topsoil wash away each time it rains.

The Words and Carr have done an outstanding job in saving their farm and now tons of silt and tailwater never find their way into White River which could have created pollution and environmental problems not only for other farms but urban areas also.

TEC Releases Employment Outlook Study

Texas Employment Commission has announced the publication of a new study which may help solve the increasing problem of providing workers with the right job skills, at the right location, at the right time, and in the proper numbers.

TEC Chairman Harold K. Dudley termed the report, titled "Texas Employment Outlook to 1975", a breakthrough study on probable trends in Texas industry and occupations, to mid-decade.

The economic, social, technical, industrial and occupational changes of recent years put a strain on the state's manpower system. At times, some areas had sizeable labor surpluses while other sections had acute labor shortages. Usually this is caused by mismatching of job requirements with the qualifications of jobseekers at a given time or place, the inherent problem of a rapidly-growing work force.

Information about only the current picture of the labor force is inadequate for long range planning of worker training and other manpower programs, especially where the needed job skills require a long training period.

Since much national legislation aims to increase job opportunities while decreasing unemployment, it is important that unfilled job opportunities caused by lack of qualified applicants be identified soon, so persons can be qualified by training to fill them.

"This report represents the determination of Texas Employment Commission to help solve manpower problems," Chairman Dudley declared. "Our agency has chosen this field of its operations to find a solution which will benefit the state in years to come."

The report is the work of TEC's Manpower Data Analysis and Research Division, headed by T. L. Barrow. Copies of the

70-page report can be obtained by interested persons by writing to T. L. Barrow, at the State Office of Texas Employment Commission in Austin. Among other information, the study shows estimated growth rates and employment for various kinds of Texas industry, distribution of total employment by major industry group, annual employment growth rates, and distribution of employment by occupational categories.

Boy Scouts Plan Roundup

There is to be a Boy Scout Round-Up on the Floyd County Court House square in Floydada Saturday, October 2. All three troops will be participating, modeling camp set-ups, etc., between the hours of 10 a.m. and 4 p.m.

The Round-Up will enable all boys from 11 years and up to sign for Boy Scouting. Boys and parents are welcome.

Leaders are Wilson Bond, Troop 355; Solomon Hamilton, Troop 356 and Don Daniel, Troop 357.

FLOYD DATA

Mr. and Mrs. Olin Allen and children, Wesley, Linda, Olin Wayne and Patty of Dalhart, spent the weekend with his aunt, Mrs. Mather Carr. All attended church at Carr's Chapel Sunday.

FLOYD DATA

Mr. and Mrs. Bob Hopper returned home Monday from a 12 day vacation spent in the east. They visited a son, Norman and wife and baby son in Ohio.

FLOYD DATA

Jimmy Griffin of Brookshire, near Houston, visited last Thursday in Floydada with his uncle, W. H. Hilton.

Support The Whirlwinds Friday Night!

THE BIGGEST CATFISH ever caught out of the White River lake is this 13 1/2 pound channel cat by Gene Reed of McCoy, Reed and Dan Fry also caught some more big ones, eight in all. Other bigger ones weighed 8 1/4, 7 3/4, 5 3/4 pounds. The big one was caught with a frog bait in comparatively shallow water.

Multiple Use For Grassed Waterways

Grassed waterways not only carry excess water to a safe outlet, but they can be managed where livestock can graze the grass. La Baume stated a waterway does not have to be idle acreage on a farm, if no grazing is planned the cover is an excellent place for wildlife such as gamebirds. Waterways should never be used for roads.

Do you have excessive erosion or gullies on your farm? You may need a waterway. Contact your Floyd County SCS office today for assistance.

GRASSED WATERWAYS . . . Jon J. La Baume, District Conservationist, Soil Conservation Service is shown examining an excellent stand of Midland bermudagrass that has been established in a grassed waterway on the Jim and Charles Word farm south of Sandhill. (USDA Soil Conservation Service Photo)

'72 Pontiac On Display At City Auto

Motor Division's new luxury series and engineering innovations including a new energy-absorbing bumper for all Pontiacs.

The compact Ventura II, one of the line Grand Prix covers the auto market with 32 models, 17 Pontiacs, eight LeMans, four Firebirds, Venturas and the Grand Prix. All will be in dealerships September 23.

In addition to the interior is the Luxury LeMans featuring a distinctive chrome-plated front grille, lower body side rear wheel opening horizontal rear deck and special interiors, which will be available in four-door hardtop models.

Pontiacs is both styling and functional, energy absorbing systems of two telescopic boxes which contain

urethane positioned between the bumper and the frame of the car. Since the urethane blocks are not damaged by an impact, the bumper can be struck numerous times during the life of the car and continue to absorb energy. A rubber strip running horizontally across the bumper protects it from scratches.

This bumper will be standard on the Catalina, Catalina Brougham, Bonneville, Grand Ville, Safari and Grand Safari. In addition, the rear bumper on the regular Pontiacs has been modified in both the frame bar and the mounting brackets. As on the front, a rubber strip protects against damage.

Pontiac again will offer a wide selection of eight engines, ranging from a 250 cubic-inch six-cylinder to a high-performance 455 HO V-8. All will operate efficiently on low-lead or unleaded 91-octane regular fuel.

To further reduce auto emissions, Pontiac has made the following engine refinements for 1972.

1. The choke has been modified. For reduced emissions during warmup, the amount of choke and the length of time it stays on have been reduced.
2. A canister purge valve has been added on all engines to reduce emissions during warmup. This delays the purging of trapped fuel vapors from the evaporative emissions canister until the engine is warm.

Power front disc brakes are standard on all full-size Pontiacs, the Grand Prix, Trans Am and LeMans station wagons. They are optional on all other models. Self-adjusting manual drum brakes are standard on the Ventura II, LeMans and Luxury, while self-adjusting manual front disc brakes are included on the basic Firebird, Esprit and Formula.

Power steering is standard on all other cars. A new custom cushion steering wheel with a wood grain texture insert is offered for 1972.

Inside, all models feature distinctive trims and richly padded instrument panels with

easy-to-reach accessories and controls. The Firebird and big Pontiac instrument panels are designed so that any bulb can be changed in 60 seconds.

Eight interior colors blend with a wide range of exterior choices. Cordova tops are available in five colors (light covert, tan, metallic pewter, black and white) and convertible tops are offered in three choices (light covert, black and white).

The 1972 line-up is identical to last year except in the intermediates where there are five fewer models as a result of the following changes:

- * T-37 (three models in 1971) discontinued.

* GTO (two-door hardtop in 1971) becomes an option on the LeMans two-door hardtop and two-door coupe.

* LeMans Sport (two-door hardtop, convertible and four-door hardtop last year) becomes a bucket seat option on the LeMans two-door hardtop. The convertible moves to the LeMans series and the four-door hardtop is discontinued.

* LeMans - Six models last year (two-door coupe, two-door hardtop, four-door sedan, four-door hardtop, and two and three-seat station wagons). This is the same for 1972, except the four-door hardtop has been discontinued.

* Luxury LeMans is added with two models (two and four-door hardtops).

GIS LEARN

Hate Comes Easy On Battlefield

(By The Associated Press)

FIREBASE SIBERIA. Vietnam — The GIs around here are combat infantrymen, in turn the bravest of the brave and the lowest of the low.

For some the thing they have learned best is to hate. Spec. 4 Gerald Dupasquier hates the war. He hates his officers. He hates Remfs, the rear - echelon men. He hates back - breaking mountains, steaming jungles and his 40-pound pack.

Hates Being There He hates Washington politicians and an Army that says it's withdrawing but still has him humping the bush in a God-forsaken corner of Indochina. He hates being here.

But he's still here, still fighting, still dying a little each time a friend is killed or maimed.

"It's so easy to build up a hate out here," said the 21-year-old soldier from Bensenville, Ill., as he waited for a helicopter to take him on a combat assault into booby - trapped enemy ter-

rain.

"Promises, Promises"

"I've been in the bush for weeks, I came out today and here I am three hours later going back in. For a year now they've been promising standdown. The unit's going home," they say. "Just a few more weeks in the bush." Promises, promises, and guys are still getting killed.

"The hassle is getting worse. Used to be the lifers (Army career men) didn't bother you in the field. Now it's: Take off that peace sign! Get a haircut! Wash your face!"

"The Army is so penny ante they're more concerned about appearance than safety in the field. Pretty soon now you won't be able to board a medevac chopper unless you shave first."

Lovington Soldier

Spec. 4 Jack McCullough of Lovington, N.M., is blond, baby - faced and only 20 years old. He explained why he dislikes Martha Mitchell, Melvin Laird and George Romney, in that order.

"That Mitchell woman said the war's over. My mom writes to tell me how lucky I am not to be in the bush any more. But I'm going out on patrol same as before. There might not be so many Gooks left but we're still stepping on their booby traps."

"Laird said I'm in a defensive position. What the

hell's so defensive about a combat assault?"

Only Alternative

"And now Romney tells me the only alternative to combat deaths is unemployment back home. Well, I'd much rather be unemployed than dead."

Spec. 4 Terry O'Brien, a 20-year-old Irishman from New York City, hates officers who want to climb the promotion ladder on the bodies of their men.

"Kills, kills, all they want is kills," he complained. "The war is winding down and they're grabbing for a last chance to kill a Dink and win a medal. But they're killing us instead."

Do they hate the enemy, too?

"What've the Dinks ever

done to me?" asked Dupasquier. "Sure, they shoot at us and we step in their booby traps, but they wouldn't if we weren't here. It's the Army that pushes us on to them."

"It's the Army I hate. The Green Mafia, those fat cat supply sergeants back at base camp who (beat) us out of our beer ration. Every time there's a supply chopper we take up a collection to buy beer. Every time we only get half what we paid for."

When he gets out of the Army, Dupasquier vows to "grow my hair long and demonstrate. Against the Army, the Pentagon, every uniform I see."

O'Brien wants to be a cop.

HOG PRODUCER

We're now buying all types of market hogs.

1/2 mile west of loop on Olton Highway, and 1/2 mile north.

HI PLAINS HOG CO.

293-2389 Plainview, Texas

PONTIAC FLAGSHIP --- Elegant styling and top performance are blended together in Pontiac Motor Division's 1972 Grand Ville. This top-of-the-line luxury car features a new energy-absorbing front bumper and an eye-catching grille. Built on a 126-inch wheelbase, the Grand Ville is available as a two-door coupe, convertible and as a four-door hardtop.

Checks Eight August Wrecks

The Highway Patrol checked eight accidents on highways in Floyd County during the month of August, according to Sergeant Thurman Highway Patrol Superintendant.

Accidents resulted in no deaths and no persons injured.

Accident summary for this county during the month of August 1971

shows a total of 48 accidents resulting in two persons killed and 23 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1971, shows a total of 581 accidents resulting in 25 persons killed and 400 persons injured. This was 17 more accidents, 13 less fatalities, and 76 more injured than during

July. The 25 traffic deaths for the month of August, 1971, occurred in the following counties: Wise, five; Gray and Potter, three each; Garza, Hale and Carson, two each; Baylor, Crosby, Montague, Parker, Briscoe, Castro, Randall, and Roberts, one each.

Floydada, Texas

Grand Ville 4-door Hardtop

1972 Grand Ville. Our most luxurious Wide-Track ever . . . with a new kind of bumper to help protect it.

As on all full-size '72 Pontiacs, the new Grand Ville has an advanced front bumper system that actually "gives" on minor impact and then returns to position. Grand Ville also features an elegant formal roof. Our smoothest, quietest ride. Our richest appointments. A 455 V-8. Power steering. Power front disc brakes. And Turbo Hydra-matic transmission.

1972 Grand Prix. You'll have to decide what's better . . . the style or the ride.

It won't be easy. The styling's timeless. The ride, smooth and stable. There's a cockpit-styled interior, a 400 V-8, power steering, power front disc brakes and Turbo Hydra-matic. So it's quite a choice. Maybe that's what makes

Grand Prix so interesting to drive. **1972 Luxury LeMans.** All the luxury you want without buying more car than you need.

Time was, the only way to get a truly luxurious car was to buy big. No more. Now there's Luxury LeMans—a new mid-size Pontiac with full-size luxury. A distinctive grille, deluxe wheel covers, rear-wheel fender skirts, generous chrome accents, plush carpet, unusually rich fabrics and the look of teak on the dash.

1972 Firebird. Pontiac has taken the rough ride out of the road car. For good.

Considering Firebird's low-slung good looks, that's quite an accomplishment.

But Pontiac engineers redesigned the suspension to help provide a big-car ride and created fantastically comfortable bucket-type seats. You'll also appreciate Firebird's new low price.

1972 Ventura II. The new small Pontiac with the small-car price.

Lots of people build small cars. But Pontiac offers you a small car with prestige and great styling—all at a small-car price. What's more, Ventura II is tough, roomy, stingy with your gas money, and with Body by Fisher, it's built to last. If you like small cars, you'll love the new Ventura II.

That's what keeps Pontiac a cut above. Don't forget to buckle up for safety.

They're all at your Pontiac dealer's now.

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Sept. 20 — The temperatures dipped as low as 42 degrees over the past weekend, and we had 2 inches of rain in a general fall over the South Plains community, a little more in some places and less in others. It was good on the wheat that was sowed, and on cane, according to Bob Reeves, but as a rule, most of the farmers here were in the process of cutting their maize, and custom combines from other places are standing idle, now, waiting for the weather to clear, and cutting to resume. The wind has blown a good deal, and some maize has suffered from that.

All the dirt roads are muddy, and the beautiful sunshine this Monday will look good to those off on dirt roads. Cliff Gilly was not able to make Star Route Friday and Saturday, and other carriers went only on paved roads. Monday morning the

school buses were able to make most of their usual routes. Arby Mulder underwent major surgery at Central Plains Hospital in Plainview Thursday morning, and is recuperating there at this time and able to enjoy company. Mrs. Mulder has been staying at the hospital with him most of the time. It is hoped that Mulder can come home the end of this week.

Mrs. Teddy Horne and Melissa have spent part of past week and will be here some of this week with her parents, the Sylvin Kinnibrughs. Teddy is in Amarillo where he is setting up the Peerless Pump booth at the Tri-State Fair. Mrs. Horne is also visiting at Lubbock with her sister, Mrs. Britt Gregory and family.

Mrs. Sally Reeves of Memphis had Monday evening supper here with her son, Mr. and Mrs. Bob Reeves and children and then went to Floydada to spend

the night with her daughter, Mr. and Mrs. Ted Bell and children. Mr. and Mrs. Fred Fortenberry, Mrs. Bryant Higginbotham, Mrs. L. T. Wood, and Rev. and Mrs. Troy Cartmill, Dana and Diane went to Afton Tuesday night to attend the Caprock Baptist Associational meeting.

Mr. and Mrs. Sylvan Kinnibrugh went to Truscott to spend Tuesday and Wednesday with her mother, Mrs. J. R. Spivey and other family members.

Mr. and Mrs. Bob Reeves and children took their son, Sandy, to San Marcos the latter part of August for college. Sandy is taking Air Force ROTC classes along with his studies.

Mr. and Mrs. A. V. Bethel began putting new shingles on their home here Tuesday and finished the roof before the rain came Friday.

Thesday afternoon members of the Baptist Women's Missionary Union met at the church for the Mary Hill Davis Week of Prayer for State Missions. Theme for the study was People — People — People. Rev. Troy Cartmill gave Tuesday's program at the Wednesday night prayer meeting. Those who took part in the Week of Prayer were Mrs. Travis Young, Mrs. Melvin Myers, Mrs. Tillman Powell, Mrs. M. M. Julian, Mrs. L. T. Wood and Travis Young, who told of the River Ministry of the past year, and his experience with the needs of the people along the Rio Grande River. The Baptist Church set a goal for \$228.00 and it is hoped they go over that amount.

Mr. and Mrs. Bruce Julian came through our area Sunday enroute home from San Antonio

where they were on business last week. They visited in San Antonio with Bruce's cousin, Mrs. Leonard Magruder, in Abilene with her mother, Mrs. Jerry Moore, her sister, Mrs. Ronnie Tucker and in Roscoe with the Terry Julians. They saw much rain down the Roscoe and Abilene way, and also at Austin.

Mr. and Mrs. Fred Fortenberry were called to Grapevine this Sunday by the sudden passing of her cousin, who suffered a heart attack the first part of last week.

Mrs. W. J. Epperson was able to be at Baptist Church services Sunday after her recent major surgery in Methodist Hospital at Lubbock.

Miss Jeanetta Younger of Silvertown was a dinner guest Sunday with Douglas Bradford in the home of his parents, Mr. and Mrs. Melvin Myers, and attended church services here at the Baptist Church with Douglas.

Mr. and Mrs. Alton Higginbotham, Bryant, Lori and Kelly, accompanied by his mother, Mrs. Bryant Higginbotham, left early Saturday morning for Amarillo to spend the day with another son, Mr. and Mrs. Bud Higginbotham and little son, Brett. They reported it was 39 degrees and very cold up that way.

Mr. and Mrs. Eugene Beedy, Mark and Todd spent a recent weekend at Spearman with Mr. and Mrs. Bradford Beedy and boys and in Stinnett with another of Eugene's brothers, Mr. and Mrs. Charles Beedy and children. Charles is getting along fine at this time, we are glad to hear.

Sunday morning and night services at the South Plains Baptist Church were sparse in attendance due to the rain and bad condition of all the roads off pavement. Rain continued to fall through the morning services. Baptismal services were held at night for Mr. and Mrs. Jesse Burleson, who en-

FFA OFFICERS pose with newly - selected Ag Sweetheart and Plowgirl. Front, left to Jimmy Parker, chaplain; Lynn Becker, reporter; Rhonda Teesle, plowgirl; Kim Campbell, Ag Sweetheart; Gary Sanders, treasurer; Danny Bradford, parliamentarian. Back, left to right: Ray E. secretary; Ross Hamilton, sentinel; Larry Guffee, president; and Lee Sinor, vice president. (Staff photo)

*(if different from your own)

That's it. One Plus... Beautiful

Southwestern Bell

tered the church last Sunday. Those who came into the church here last Sunday by letter were Eddie Curry, Mrs. Eleanor Watson and Bob Turner. Mitzl Julian will have baptism another time as she was ill last Sunday night. Mr. and Mrs. Jesse Burleson and Mitzl Julian were all candidates for baptism.

Mr. and Mrs. Raymond Upton of the Upton Grocery and Post Office Department in South Plains left last Thursday for Amarillo where they spent that night with their son, Mr. and Mrs. Ronnie Upton, Christy, Ricky and Rocky. Friday they flew to Bartlesville, Okla. to be with another son, Mr. and Mrs. Jimmy Upton and children. They are expected home this Monday evening and will be in the store Tuesday. Mrs. H. R. Hartman and Mrs. M. M. Myers are caring for the business while they are away.

The Boy Scouts of South Plains and their scoutmaster, Mike Woods, meet every Thursday night at the Missions Baptist Church. They had to cancel a trip to the Carlsbad Caverns in New Mexico this past weekend.

Mrs. Glenda Ford, a Cub Scout leader, has asked if there is anyone who has cub scout shirts to please let her know. She is in need of about six. Mrs. Ford has fifteen Cub Scouts at this time.

Mr. and Mrs. Eugene Beedy, Mark and Todd went to Des Moines, N.M. where they spent the weekend at the John Key West Ranch. They also enjoyed

a trip up Capulin Mountain, a former active volcano. It has already frosted up that way, and weather was quite snappy.

Mr. and Mrs. Nathan Mulder and children visited at the Central Plains Hospital in Plainview Monday morning with her uncle, Connally Lewellen, who has been there the past week suffering from pneumonia. They also spent some time with Nathan's father, Arby Mulder, who has been there nearly two weeks.

New people who have moved into South Plains recently are Mr. and Mrs. Ronnie Cross, who live where Mrs. Jewel Bean and daughters did; Mr. and Mrs. Jim Terry, who live in the trailer house at the Raymond Reeves farm; Mr. and Mrs. Casey and children, who have moved into the McCormick farm house; Mr. and Mrs. George Ware, who now live in the Elevator House in South Plains; Mr. and Mrs. Jesse Burleson and children, who are employed at the Travis Young farm, and Mr. and Mrs. Bruton, who live on the Rexrode place in the eastern part of South Plains.

Mr. and Mrs. Alvin Nichols went to Sweetwater to spend Saturday and Sunday with their daughter, Mr. and Mrs. Glen Whitfill, and his brother, Mr. and Mrs. Mark Nichols. Sunday they all had a birthday dinner honoring Mrs. Whitfill at the Mark Nichols home. They reported it rained there all night Saturday and Sunday. Some of the maize was down near Ralls, probably due to the

weather and high winds.

Remember, women of the area, come to the home of Mrs. L. T. Wood for Bible study Tuesday, Sept. 28, with coffee being served at 9 a.m. In case of bad roads, please meet at the home of Mrs. Early Pritchett on the Silvertown Highway.

George Weast accidentally closed the car door on his right hand this past Wednesday, and had to have several stitches taken in the wound. The impact of the door almost crushed his hand. We hope he gets better soon.

Dallas Banker Speaks To Rotarians

Robert Smith III, spoke to the Floydada Rotary Club at its noon luncheon yesterday. He is public information officer and assistant secretary of the board, Federal Reserve Bank of Dallas.

He received his B. S. degree in Agricultural Economics from Texas A&M University in 1962. Smith was employed by the Bank in April 1968 and worked in the Bank Services Department prior to his promotion to Public Information Officer and Assistant Secretary of the Board on January 1, 1971. In March 1971 he assumed the additional duties of Deputy Equal Employment Opportunity Officer of the Bank.

Smith is married and is a member of the Dallas Agricultural Club and the U. S. Naval Reserve where he currently holds the rank of Lieutenant Commander.

PRIVATE McHAM SERVING IN ALASKA

We serve where he lives

Rural electric systems also serve where fish abound, where deer are plentiful, where dove fly low, where waterfowl winter and where javalinas, wild turkeys and pheasant live. The Lighthouse Electric Cooperative cannot promise that you'll get your limit on the game you hunt in their area, but they can promise rural hotels, motels, fishing camps, hunting lodges and other accommodations which offer all the comforts of home, thanks to a dependable supply of low-cost electricity which makes rural recreation a lot more fun while helping Texas grow.

Chevrolet Shows 1972 Chevys

Quality is the Chevrolet Motor product program. DeLorean, general manager of the 1972 models, said that the 1972 models are a better, more trouble-free way to see America, we hope to stimulate new public awareness of the individual freedom for enjoyable family travel offered by the automobile.

"Every one of our car lines is designed to meet the consumer emphasis on maximum value and quality in an automotive purchase.

"By providing with our 1972 models a better, more trouble-free way to see America, we hope to stimulate new public awareness of the individual freedom for enjoyable family travel offered by the automobile."

He said new manufacturing and assembly and quality audit procedures and motivational

programs to stimulate added pride of workmanship among Chevrolet's 100,000 employees are among steps toward improved quality.

DeLorean also said the division is implementing new programs to guide Chevrolet dealers in giving improved customer service.

The full-sized Chevrolet for 1972 has new front and rear styling. It also has heavier, stronger bumpers that extend farther away from the body sheet metal as part of the improved bumper impact protection.

Chevelle, Monte Carlo and Camaro have front end styling refinements and all car lines including Station Wagons, Nova and Corvette have engine, chassis and durability improvements. An anti-theft warning system becomes standard on Corvette.

Chevrolet's newest car -- the top selling Vega -- keeps its promise of styling continuity. Improvements include addition of a glovebox and the availability during the model year of an optional Turbo Hydramatic three-speed automatic transmission.

Chevrolet continues to offer the industry's widest assortment of station wagons in 1972. Big Chevrolet styled wagons have the Glide-Away disappearing tailgate; the mid-size Chevelle-styled wagons have dual-action gates and the small Vega Kamback has a one-piece rear window-gate that swings up for easy accessibility.

All Chevrolet engines for 1972 have improved exhaust emission controls. As was the case in 1971, all engines have been designed to operate efficiently and with lower exhaust emissions on regular, low-lead or no-lead gasoline.

Chevrolet for 1972 publishes

Luxurious 1972 Caprice Coupe

Regular Chevrolets have added distinction plus strong emphasis upon quality. There is a look to the front with a lower grille and individualized headlights. This luxury Caprice has a large grid grille, full length side moldings with a color insert plus exclusive interior. All regular Chevrolets have stronger front and rear bumpers. Variable ratio power brakes with front discs are standard. Turbo Hydramatic transmission is standard on models. Introduction date for all 1972 Chevrolets will be Thursday, September 23.

AIRVIEW NEWS by Mrs. Clyde Bagwell

September 20-21 has had more rain than the weekend. Most of the rain fell during Friday and Saturday. We also had a few showers on Sunday. The weather for the weekend was mostly clear and sunny. The temperature was in the 70s and 80s.

of South Plains; Jim Tye of Lubbock; Mr. and Mrs. Weldon Pruitt, Greg, Karen and Christy; Mr. and Mrs. Harvey Allen Mike and Norman, Mr. and Mrs. Walton Wilson, Mr. and Mrs. A. S. Mize and Mr. and Mrs. Bill Tye.

J. C. Bullard visited Mr. and Mrs. T. L. Perry Monday night.

Mrs. Jewell Teague had lunch with Mr. and Mrs. Lindsey Graham Sunday and spent the afternoon with them.

Mr. and Mrs. A. S. Mize returned home Monday afternoon of last week from a two weeks vacation trip to Arkansas, Oklahoma and Missouri. They visited in Oklahoma City with a longtime friend and former resident of Fairview community, Mrs. Johnnie Foster, and at Bloomfield, Mo., with a brother of Albert, Homer Mize and family, and at Strawberry, Ark. with another brother, Tolah Mize and family.

Last Sunday night Mr. and Mrs. Burl Huckabee visited Mrs. Kate Crabtree and J. C. Bullard.

Mrs. Delma Burns visited Mrs. Gracie Rigles Monday afternoon.

Jack Jernigan of Lubbock visited his mother, Mrs. Beulah Jernigan last Monday night.

Mr. and Mrs. Leslie Fawver visited Friday night with Mr. and Mrs. T. L. Perry and had supper with them.

Mr. and Mrs. T. L. Perry spent Saturday and Sunday in Lubbock with their daughter and family, Mr. and Mrs. Eugene Watts, Scotty and Kim.

lahoma and Missouri. They visited in Oklahoma City with a longtime friend and former resident of Fairview community, Mrs. Johnnie Foster, and at Bloomfield, Mo., with a brother of Albert, Homer Mize and family, and at Strawberry, Ark. with another brother, Tolah Mize and family.

Mr. and Mrs. T. L. Perry spent Saturday and Sunday in Lubbock with their daughter and family, Mr. and Mrs. Eugene Watts, Scotty and Kim.

Cal-Clay Farm Sheep Place At Abilene

Two Floydada brothers, Ross and Clay Hamilton, brought home four ribbons from the West Texas Fair held last weekend in Abilene. Calvin Ross and Clay, partners in the Cal-Clay Stock Farm, showed five registered Hampshire sheep to a total of nine places in the show, including four third-place ribbons.

They garnered thirds in the following classes: junior yearling ewe, open yearling ewe, junior pen of three, and open exhibitors flock.

They showed junior ewe lambs and open ewe lambs to sixth places, and also placed ninth, tenth, and tenth in the show.

Floydada High School Ag instructor Troy Harris accompanied the boys to Abilene. The high school ag teachers and the county agent and assistants have been a great help to the boys.

The Hamilton brothers -- and Cal Clay Stock Farm -- also have for show, one registered Angus heifer, four steers, a small herd of registered Poland China hogs, and several breeds of lambs -- Suffolk, Hampshire, Shropshire, Southdown and finewool cross.

Three Floyd County Girls At State Horse Show At FW

Three Floyd County misses, Ginger Henderson, Shari Johnson and Mona Henderson will participate in the State 4-H Horse Show at Fort Worth today, September 23 through September 25. The girls will be representing Floyd County in the show.

Ginger, daughter of Mr. and Mrs. Deane Henderson, was high point individual in the district 4-H Horse Show at Tulsa recently. Shari, daughter of Mr. and Mrs. L. N. Johnson, also placed high. Mona is also the daughter of the Deane Hendersons.

NET or as-installed horsepower ratings. The net test method follows the recommended procedure of the Society of Automotive Engineers and simulates actual performance as installed in an automobile.

Every 1972 Chevrolet has extensive safety features for occupant protection, accident prevention and anti-theft protection (see full list).

Chevrolet offers 15 Magic Mirror colors for 1972, of which 10 are new. There are six two-tone color combinations. New for 1972 are a "wet look" appearance of the five vinyl roof colors and a single, wider white stripe on optional whitewall tires.

Here are details by car line: CHEVROLET: The industry's top selling car line has a new tailored look to the most luxurious car Chevrolet has ever built.

The hood is squared off and the low-set grille is flanked by individualized twin headlights and recessed front fender lights. Mounting of the license plate on the right front of the

car gives the grille a more open look.

The increased front and rear bumper protection on Chevrolets for 1972 is provided by a bumper-within-a-bumper design. Heavy gauge beams reinforce the bumper and are firmly attached to the frame. Important clearances are increased between the bumper and body sheet metal.

Turn signals are built into the front bumper and traditional Chevrolet triple taillight units are built into the rear bumper. A horizontal resilient strip to cushion slight impacts is standard on Caprice bumpers and optional on others.

The nine Caprice, Impala, Bel Air and Biscayne models feature rounded glass and body contours with emphasis upon passenger visibility and interior roominess.

There is added body insulation in 1972 to reduce interior sound level for a quieter ride. The power flow-through ventilation system has outlets built into door pillars for more accurate control of air flow.

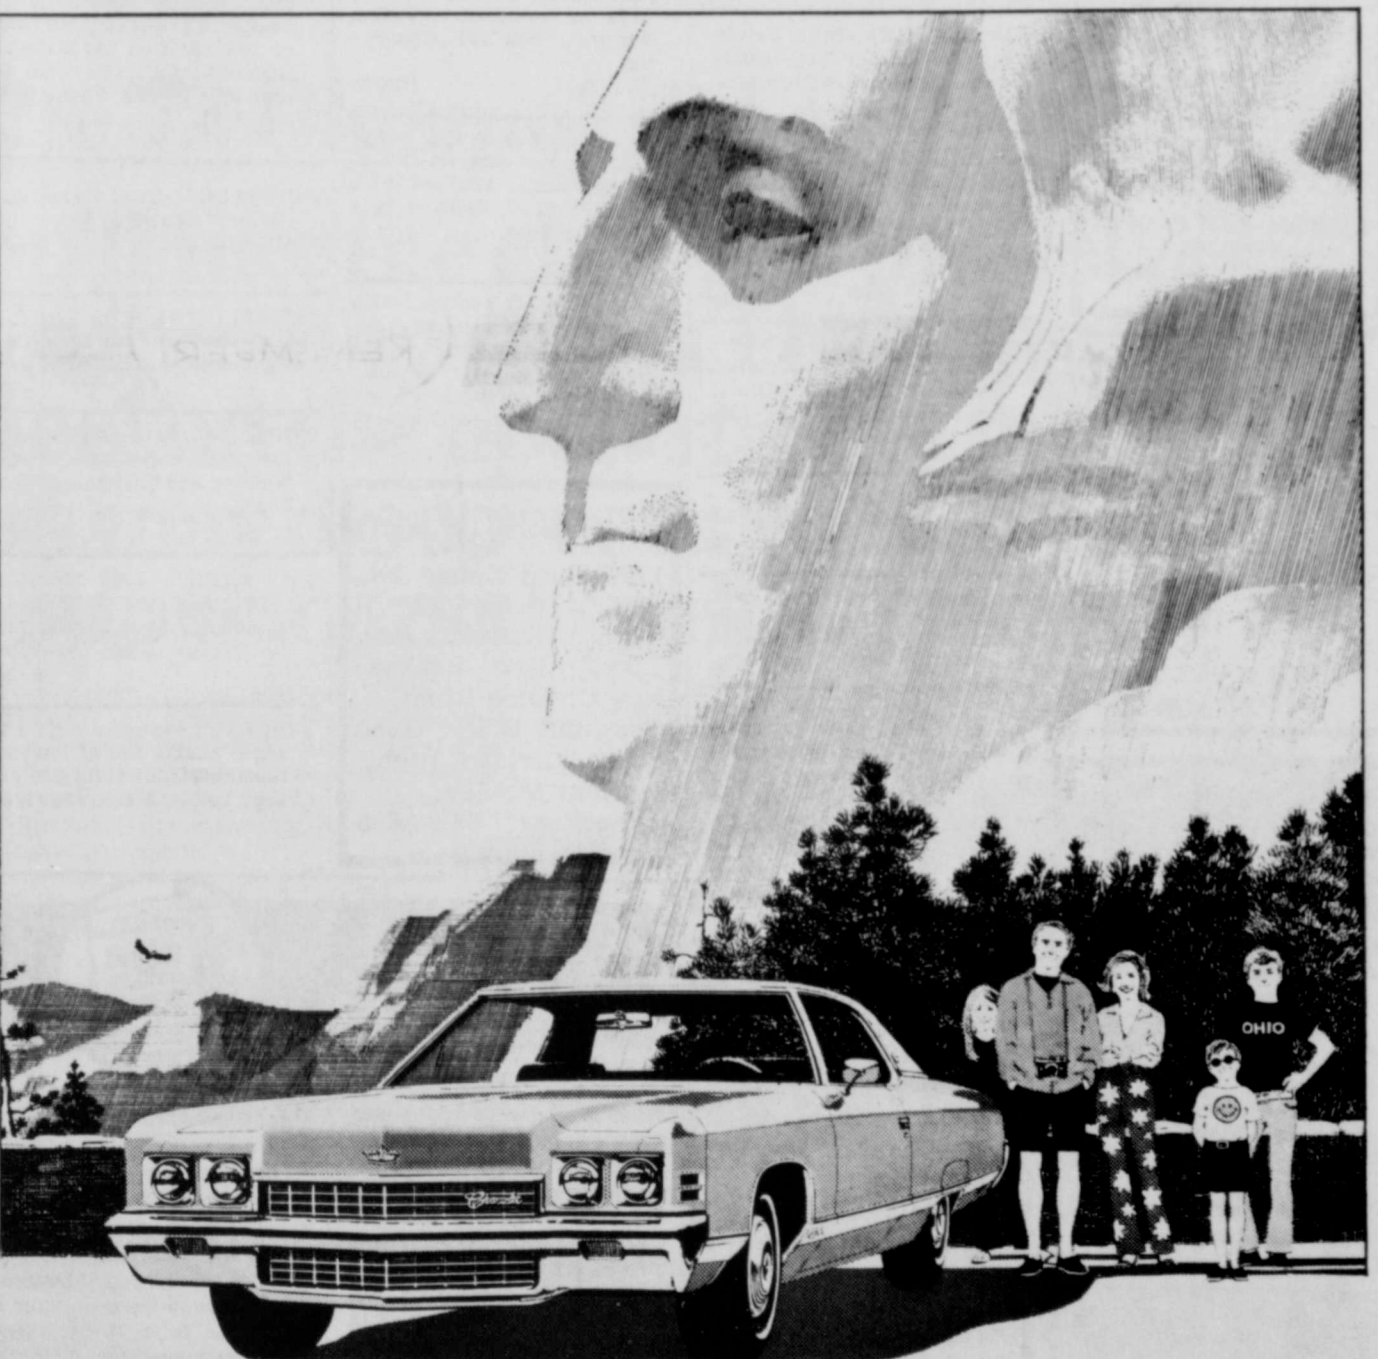

GOVERNOR PRESTON SMITH signs the proclamation declaring September 18-25, 1971, at State Young Farmer Week. Present for the signing was Dick Britten, State Young Farmer President from Bryan, and his wife Barbara.

Caprice models, which offer Chevrolet's peak luxury, have an exclusive chrome bold grid grille, full length side moldings with a color insert, rear fender skirts, full wheel covers and special interior appointments. A 400 cubic inch V-8 engine is standard on Caprice models.

Chevrolet's 121.5 inch wheelbase chassis has more durable and better tuned shock absorbers for smoother expressway ride plus refined front suspension geometry for improved directional control. There are computer-selected springs at all wheels and an advanced 4-link rear suspension system.

Power brakes with front discs and variable ratio power steering are standard on all regular Chevrolets. Turbo Hydramatic automatic transmission is standard on all V-8 equipped models. Three-speed manual or optional Powerglide transmissions are available with the 250 cubic inch six cylinder engine. The base V-8 is 350 cubic inches. There are three optional V-8's.

1972 Chevrolet. Building a better way to see the U.S.A.

Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

The best. No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned. So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection. Plus a 400-cubic-inch V8 engine and Turbo Hydramatic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega. Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving. Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

SOCIAL SECURITY QUESTION AND ANSWERS

Q. I understand that there is a 6 month waiting period for disability benefits. I had a heart attack on 6/30/71. When should I sign up for disability?

A. It is true that social security disability benefits start with the 7th full month of disability, however, we encourage people to apply as soon as possible after they become disabled. During the waiting period we can develop the medical evidence and get any other documents that are required such as children's birth certificates and earnings information. If an application is filed during the first four months of disability, a final determination normally can be expected by the end of the waiting period.

We can help you apply by telephone now. Just call us at 293-4371. Drop in at 1401-E, West 5th Street in Plainview if you prefer.

BEAT POST

THE LAND

THE LAND is one of man's most valuable assets -- we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans -- long term loans with prepayment privileges.

See us today for full details, no obligation of course.

LEGAL NOTICES

AN ACT relating to the recording and rerecording of livestock brands and marks; and declaring an emergency.
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. (a) This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect, have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.
(b) The owner shall have the right to have his mark and brand recorded in his name who according to the present records of the county first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.
(c) After the expiration of six months from the taking effect of this Act, all records of marks and brands now in existence in the county shall no longer have any force or effect and after the expiration of six months, only the records made after this Act takes effect shall be examined

CENTER NEWS by Mrs. J.E. Green

CENTER, Sept. 20 - We've had rain - around three inches this last week, and some cold nights and mornings. The sun is beautiful today and good on crops.

Charley Spence had a check-up from his Lubbock doctor last Monday evening. His doctor says another month in the hospital before home with the injured hip.

Visitors with the Spences last week were Mr. and Mrs. Carpenter on Tuesday. Mr. and Mrs. Willie B. Eakin, Mrs. Turner Underwood, Lockney; Mrs. Thomas Warren and a niece, Mrs. Nellie Bell Winegar, Mt. Blanco, who visited Thursday.

Mr. and Mrs. Charley Spence expect to enjoy their 60th wedding anniversary Friday, Sept. 24. Congratulations!

Mrs. Green visited with Mrs. A. W. Anderson and Mrs. Joe Evers Tuesday p.m.

Mrs. Ava Jackson spent Thursday with Mrs. A. B. Keim.

Mr. and Mrs. Marion Carpenter of Irving and Mr. and Mrs. Joe Conway of Lubbock visited their parents, Mr. and Mrs. Claude Carpenter the first of last week. Thursday visitors in the Carpenter home were Mr. and Mrs. Glen Smith of Lockney, and Mr. and Mrs. W. R. Smith of Lone Star. Mr. and Mrs. A. E. Frizzell came Wednesday and Mrs. Kate Crabtree came Thursday.

The Claude Carpenters and the Marion Carpenters visited in Tulsa Sunday, the 12th, with Mr. and Mrs. Darrell Smith.

Mrs. Frank Dunn is visiting relatives and attending a reunion in Missouri.

Mrs. O. C. Vinson and Mrs. T. T. Hamilton visited Mrs. Andy Jackson Thursday.

Mrs. Denison visited Mrs. Vinson Sunday p.m.

Mrs. Lide and Mrs. Denison are fishing today at White River Lake.

Edwin Warren, student at Tech, visited Saturday with his

grandmother, Mrs. Ola Warren.

Dinner guests Sunday of Mrs. Ola Warren were the Thomas Warren family and Mr. and Mrs. Fred Battey.

Mrs. R. C. Ross, who recently moved into town, had callers last week including Mrs. Vinson, Mr. and Mrs. Earl Bishop, Mrs. Elbert Parks, and Mrs. Earl Pierce. Mr. and Mrs. R. T. Guffie of Hale Center came Thursday and Mrs. C. W. Denison Sunday p.m.

Mr. and Mrs. Fred Battey Willis Sunday p.m.

Mrs. Frank Loftin of Tulsa spent Sunday night with her sister and husband, Mr. and Mrs. Doyle Sandifur. Mr. and Mrs. Elmer Sellars came awhile Thursday.

The Garvin Beedys, South Plains, visited Sunday p.m. with her parents, Mr. and Mrs. Leo Frizzell. Mr. and Mrs. Larry Beedy dined Sunday with his parents, the Garvin Beedys. Buck and Bennie Bland of Haskell dined Thursday with the Travis Lightfoots. They are cousins of the Lightfoots.

Mr. and Mrs. Milton Mensch spent Friday night thru Sunday with her parents, Mr. and Mrs. Hal Thomas. Albert Thomas of Haskell visited Tuesday.

Mr. and Mrs. C. M. Meredith are in Houston where he is taking tests at M. D. Anderson Hospital.

Miss Maudie Meredith is staying in awhile with arthritis. Callers last week were Mrs. E. P. Nelson of Amarillo, Mrs. W. F. Daniels, Mrs. Hal Thomas, Mrs. Ola Warren and Mrs. Fred Battey; also Mrs. Clay Muncy of Lockney.

Mrs. Fuqua, who has been visiting in Floydada with daughters, Mrs. Clarence Ashton and Mrs. Joe Dunn, has returned to Amarillo.

The Morris Carrolls are

enjoying the company of their son, Michael, who returned recently with a discharge, from a year's service in Stuttgart, Germany. Visitors Thursday were Mr. and Mrs. Burton Wiles, city.

WHAT'S THE GOOD WORD?

BEAT THE POST ANTELOPES

Harvest ALL the milo you raise

with **ROLL-A-CONE**

ROLL-A-CONE is the proven combine attachment whatever the condition of your crop . . . standing, leaning, tangled, fallen or flat.

MAKES you proud the way it cleans up a fallen field of sorghum. Even makes extra bushels on standing grain. You roll in more grain sorghum profits whatever the conditions.

Still At the Same LOW PRICE

ROLL-A-CONE is the GRAIN-GETTER for you.

You'll be dollars ahead when you buy ROLL-A-CONE and bushels ahead when you harvest!

See your farm equipment dealer or contact:

ROLL-A-CONE Rt. 2 Box 25

Tulia, Texas

Also roll in more profit with the ROLL-A-CONE farm equipment line:

The spring steel bumper support system reduces low impact collision damage produced on the 1972 Oldsmobile Delta 88's, 98's and the Custom Cruiser station wagon. Shown here is the NINETY-EIGHT COUPE.

Oldsmobile Shows At Odens

Mich - Oldsmobile's restyled 1972 Delta Custom Cruiser station wagon, featuring several major advancements, including an innovative spring support system designed to greatly reduce collision damage.

The system is being installed as the front of the 1972 Delta 88's, the Custom Cruiser station wagon. An Oldsmobile spring support system performs the same function as the stationary object at a minor (parked) impact without damage to the car's body, sheet metal, or frame.

The spring supports impact and spring the original position. The front and rear of the 88's and the front bumper of the 98's are equipped with rubber strips for impact performance.

The Turbo-Hydra-Matic 400 transmission is standard equipment in 1972 on all Oldsmobiles equipped with the 455 cubic inch engine. A modified version of the 400 is standard on those Delta 88's and Vista Cruisers ordered with the 350 cubic inch engine.

The Turbo-Hydra-Matic 350 continues as an option on all Cutlass models. The standard engine in these cars is the 350 cubic inch V-8. The L-6 engine has been discontinued.

On all of the full-size 1972 Oldsmobiles, the very successful "G" ride suspension system is continued, with tuning refinements to achieve even higher standards of ride, comfort and handling.

An example of a tuning change, on the Delta 88's, 98's and the Custom Cruiser, is the relocation of the right-hand engine mount to correct the imbalance resulting from engine accessories not being evenly distributed about the engine centerline. The new mount location equalizes the forces transmitted through the mounts into the frame and makes the car more pleasing from the standpoint of ride smoothness and quietness.

Other mechanical improvements found on the 1972 Oldsmobiles include more fade-resistant drum brakes on the Cutlass models, the use of air outlets in the door lock pillars in the flow-thru ventilation system on all full-size models, thus eliminating decklid air exhaust louvers.

Wexler, Mr. and Mrs. Elmer Warren, Lu Ann Lovell, Annette Jordan, Mrs. C. W. Denison and Mrs. Gracie Riggles, all of Floydada.

FLOYD DATA Mr. and Mrs. David Holland of San Antonio spent last week-end here with his parents, Mr. and Mrs. T. L. Holland.

FLOYD DATA Mr. and Mrs. Doyle Warren attended a family reunion at the Dimmitt Country Club Sunday week ago.

new interiors.

The number of Oldsmobile models in 1972 is reduced from 28 to 25. The Delta Custom series has been discontinued, leaving the Delta 88 and an expanded Delta Royale line of cars. The Delta Royale is produced in four models; hardtop coupe and sedan, a pillar sedan and a convertible.

The 4-4-2, formerly marketed as a separate series, is now optional in the Cutlass coupes and Cutlass Supreme convertible. The handling characteristics of the 4-4-2's suspension system and powertrain are now more widely available.

The Turbo-Hydra-Matic 400 transmission is standard equipment in 1972 on all Oldsmobiles equipped with the 455 cubic inch engine. A modified version of the 400 is standard on those Delta 88's and Vista Cruisers ordered with the 350 cubic inch engine.

The Turbo-Hydra-Matic 350 continues as an option on all Cutlass models. The standard engine in these cars is the 350 cubic inch V-8. The L-6 engine

WHY IS IT?

A man wakes up in the morning after sleeping on an advertised blanket, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised razor, drink advertised coffee after his advertised juice, cereal and toast (toasted in his advertised toaster), put on advertised clothes and an advertised hat.

He will ride to work in an advertised car, sit at an advertised desk, smoke advertised cigarettes and write with an advertised pen.

Yet this man hesitates to advertise, saying that advertising does not pay. Finally, when his unadvertised business goes under he will then advertise it for sale. --Starbuck (Minn.) Times.

NURSING HOME VISITORS

Mr. and Mrs. J. D. Rainer of Wichita Falls; Mr. and Mrs. E. L. Norman, Amarillo; Mrs. Arthur Cheves, Kress; Mrs. Albert Duncan, Mrs. C. O. Woody and Pamela, Alma Ruth Nelson, Mrs. Jo Payne and Joey, Mrs. Lavelle Keeter, Mrs. Geo.

WE ARE READY TO HANDLE YOUR GRAIN

WE APPRECIATE YOUR BUSINESS AND WILL PAY TOP MARKET PRICE OR GOVERNMENT LOAN.

★ FAST, EFFICIENT SERVICE

DOUGHERTY GRAIN CO.

DOUGHERTY

The '72 Oldsmobiles are here.

You'll like the changes you see in the showroom. The ones you feel on the open road. And one you may discover in your local supermarket parking lot.

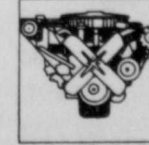

DELTA 88 ROYALE There's more built-in toughness. A new front bumper absorbs minor parking lot impacts: it flexes, gives a little—then returns to position. On the road, its "G-Ride" System helps deliver exceptional ride and handling, with Supershocks, computer-matched springs, and other interrelated components. And Delta 88 now includes more standard equipment: power steering, power front disc brakes, power ventilation, automatic transmission—and a long list of GM safety features. Delta 88: Strong. Tough. Smooth. Not just another pretty car.

Its new front bumper takes bumps in a new way.

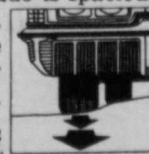

CUTLASS SUPREME You want real luxury, comfort and room—but not a big car. You want handling and maneuverability, but not a compact. Cutlass Supreme gives you what you want on a 112-inch wheelbase. Formal roofline. Room for six. Deluxe interiors. Under the hood, a Rocket 350 V-8. A "little limousine"—priced within your reach . . . that's Cutlass Supreme. What a step-up, holy cow! If your friends could see you now.*

A spirited Rocket V-8 is standard on every Cutlass.

TORONADO The one personal luxury car that puts it all together in quite a different way. Toronado's Rocket 455 power goes to the front wheels to pull the car over the road with superb traction, ride and handling. Inside, Toronado is spacious and comfortable. There is ample room for six, including their feet—for there is no hump on the floor. In luxury, in styling, in quality, it is uniquely Toronado. There's nothing common about it.

Front drive pulls the car along instead of pushing it.

OLDSMOBILE ALWAYS A STEP AHEAD
