# Cotton Gins Await Late Cotton Harvest

## 75,000 Bales Latest Estimate

At this time last year many farmers were through gathering their cotton crops and ginner over the entire county were 50 to 60 percent through. This year is looks like our farmers may be stripping cotton Christmas day ... or thereabouts.

On Tuesday of this week one ginner had ginned 150 bales. This time last year he had ginned over 4,000 bales.

Ginners estimate only "fair quality" on this year's cotton crop, due to damp cool weather, and if there is an in-SEE COTTON, PAGE 6

## Three Days To Register In Turkey Giveaway Drawings

Today, tomorrow and Saturday are the final three days to register in the Floydada merchants' Turkey Giveaway. Registration coupons appeared in last week's Hesperian and again in this week's issue.

Local merchants will hold individual drawings at the close of business Saturday, and name the winners of 20 big 12-pound Thanksgiving birds. Businesses that close at noon Saturday will hold their drawings then. Winners do not have to be present at the drawing to claim their prizes.

Sponsors of the turkey contest include Arwine Drug, Beall's Department Store, Bishop Appliance, Buddy's Food, Builders Mart, Caprock Motor Parts and Hardware, City Auto, Hagood's Department Store, Hull & McBrien Grocery, Kirk & Sons Hardware, L & J Food Mart, Montgomery Ward Catalog Store, Oden Chevrolet, Parker Furniture, Piggly Wiggly, Ponderosa Meat Company, Powell's Super Market, Solomon's Jewelry, Thompson Pharmacy and White Auto Store.

## Band To March In Sun Festival Parade

The Whirlwind Marching Band will be one of those marching in the annual Sun Festival Parade on New Year's Day in El Paso, according to an announcement by Band Director Jim Swofford.

The Floydada bandmen are

to leave here December 31 and tour Carlsbad Caverns, stopping enroute to the far-West-Texas city. They will attend a New Year's Eve Band Jamboree on the University of Texas-El Paso campus the night of the 31st. The Jamboree is sponsored by the El Paso Lions Clubs.

The Sun Bowl game has been scheduled for December 18, to avoid a television conflict with the "big" bowl games, but the Sun Festival, including the parade-SEE BAND, PAGE 8

## Hattie Foster Funeral Today

Rites for Mrs. Hattie Foster, 82, a resident of Floydada since 1941, will be conducted this afternoon, Thursday, at 2 o'clock in the First Baptist Church. Mrs. Foster died at 1:20 p.m. Monday in a nursing home in Chickasha, Okla.

Mrs. Foster was born April 1, 1889 in Reno, Texas, Parker County. She and W. H. Foster

were married June 5, 1905 in Wise County. The family moved to Floydada in 1941 where he died Dec. 15, 1960. Mrs. Foster had been in the nursing home in Chickasha for the past year. She was a member of the First Baptist Church.

Survivors include two sons, Clyde of Yukon, Okla., and Gene of Deer Park; three daughters, SEE FUNERAL, PAGE 8

## Mrs. Ethel Graham Appointed Floyd Tax Assessor Collector

Mrs. Ethel Graham has been appointed Floyd County Tax assessor-collector to fill the unexpired term of C. J. Payne, who resigned to accept a position at the First National Bank in Floydada.

Mrs. Graham was appointed deputy tax assessor-collector in 1937 working under the late C. M. Meredith. She worked until 1944, then ran for the office and was elected for the term of 1945 through 1948. She quit work after her tenure then assisted the late T. T. Hamilton in 1961, returning as a full time employee at the office in 1964 where she has been employed since.

Mrs. Graham will serve as tax assessor-collector until the next general election of November 1972. Her appointment was made last Friday by the Floyd County Commissioner's Court and becomes effective December 1.

Payne's resignation reads as follows:

### Harris Hero In Final FHS Game

THE WHIRLWIND SCORE - A close look near the center of the picture will reveal a dark helmet bearing No. 11. The Whirlwind wearing that number, Walter Harris, has somehow managed to cross the Abernathy goal line, through that "tangled mass" of Floydada and Abernathy gridders, from a yard away. (Staff Photo)

The Floydada Whirlwinds kept their share of the District 3-AA football title Friday night by pulling out a 7-3 win over the Abernathy Antelopes. The 'Winds, undefeated on the scoreboard in district play, will sit out the playoffs this year on the strength of the Littlefield "first-down" victory the previous week.

After a scoreless first half Friday, Abernathy posted their points six minutes and 50 seconds into the third period, on a 20-yard field goal by Joe Evans. The Antelopes owned a first down at the Floydada five after a 35-yard pass completion but couldn't take it in on the ground and settled for the three-pointer.

The Floydada touchdown came midway in the fourth quarter when halfback Walter Harris went over from the one, capping a drive he highlighted with a 34-yard scamper that put the ball on the Antelope eight. The 145-pound Whirlwind halfback was the ball-carrier on all four plays of the 42-yard scoring thrust. Joe Martinez kicked the extra point, completing a 16-for-17 season of extra booting. Harris was the leading Whirlwind ground-gainer for the night, with 105 yards rushing and another 21 yards on a kickoff return.

#### PLAY-BY-PLAY

Abernathy won the toss and elected to receive, and Kent Snodgrass returned Martinez' kickoff 19 yards to the Antelope 34. Fourth down found 'em backed up to their 29, forcing the pun.

The 'Winds went to work from midfield. Walter Harris' carry was good for six yards, and Van Mitchell added eight more, giving Floydada a first down at Abernathy's 36. Penalties thwarted the 'Winds' next series, and Rick Watts' third-and-17 pass try was incomplete, intended for Langston Williams. Mark Vinson punted for the 'Winds, a 40-yarder with no runback that put the 'Lopes in a hole at their three-yard line.

They couldn't move and, on fourth down, had to punt from the eight. From the Abernathy 43, the Floydada crew couldn't move either, and again Vinson punted. This one too, sailed to the Antelope three, but hit a Whirlwind before it touched ground, bringing a 15-yard penalty call against the 'Winds and giving Abernathy somewhat better field position at their 18.

The 'Lopes started a drive that, largely on carries by halfback Bobby Rogers, advanced all the way to the Whirlwind 27. A big penalty there pushed Abernathy back to the 44, and the 'Lopes had to punt.

This time the 'Winds were pinned deep in their own territory, at the seven, and failed to pick up the first. Vinson's punt went to the 50.

The defensive battle continued; three plays netted Abernathy a minus-six and punt teams took to the field again. Dane Vickers' kick was a 56-yarder that sailed into the Whirlwind end zone.

The 'Winds got in one good drive before halftime, starting from their 20 on the touchback and going to the Abernathy 36 before running out of steam, picking up three first downs along the way. Harris carried five times in the eleven-play surge, the longest a 12-yard carry that seemed to spark the drive. Jim Kunkel toted the ball three times for nine yards, and Mitchell got the duty call twice. One of Mitchell's carries was a six-yarder on third down that gave the 'Winds a first at the Abernathy 40. Three plays then saw the 'Winds needing six for another first, and Vinson had to punt again.

On offense again at their own seven, the 'Lopes this time got

out to the 30, still on the running of Rogers, before having to cough up the ball. Going from their own 33, Floydada got nearly out to midfield before the halftime whistle sounded on a 0-0 deadlock.

#### SECOND HALF

Floydada received the second-half kickoff, and Walter Harris returned it 21 yards, putting the 'Winds in business at their 25. Mitchell carried for five yards, but the big penalty set the 'Winds back to their 15, and carries by Harris and Watts netted not enough yardage for the first down, forcing the punt again.

TOO TALL FOR EVERYBODY - neither Whirlwind receiver Langston Williams nor Abernathy fender Dane Vickers could get to this sideline pass. (Staff Photo)

The Antelopes started from their 43-yard line and, again relying on the hard running of Bobby Rogers, advanced to the Whirlwind 40. Antelope quarterback Steve Riley's pass found Kent Snodgrass at the Whirlwind five. Three carries by Rogers netted a single yard, and with the line of scrimmage the four, the Antelopes elected to try for the field goal on fourth down. Joe Evans made the kick good and Abernathy led 3-0 with 5:10 remaining in the third period.

The Whirlwinds couldn't move on the Antelopes following

the kickoff and had to punt once more. The battle of the defenses continued, the Whirlwinds holding Rogers to a four-yard net on three carries, and the 'Lopes were forced to punt again.

This time, the 'Winds went to the offense from their 38; Williams had returned Vickers' punt 10 yards. One first down came on a three-yard carry by Kunkel after Harris had moved the ball seven yards. Harris and Watts each picked up a yard, then the Floydada quarterback kept the drive alive with an 18-yard pass completion to Mark Vinson that put the ball on the Abernathy 32. Kunkel got a couple of yards, Watts scrambled for five, and Harris made it first-and-ten 'Winds at the Antelope 20. It was Kunkel for four yards and Mitchell for one, then a Harris carry lost two yards. The 'Winds went for it on fourth down; Harris was again trapped behind the line and Abernathy took over at the 20.

A stubborn Whirlwind defense rose to the occasion on a last-chance effort to give the ball back to the offense: they stopped Rogers cold, nailed Riley for no gain, and allowed only a yard on Rogers' third-down carry, forcing, once again the Antelope punt.

It was a short one. Williams gathered it in at the Antelope 48 and returned it to the 42. On the first play of the series, Harris broke loose and streaked down the east sideline, all the way to the Antelope eight-yard line. The little 'Wind halfback got the call again and made the three; once again Harris carried, this time to the Antelope one-yard line. And, with the clock showing 5:04 left in the game, Walter scored what stood up as the winning touchdown in the Whirlwinds' 1971 football finale. Joe Martinez kicked the extra point and the 'Winds led 7-3.

Harris wasn't through with his heroics for the night, however, as he intercepted Riley's first down pass to squelch, for the moment, Abernathy's comeback bid. The 'Winds could make but three yards offensively, on three plays, and

had to punt again from the Antelope 47. Vinson's kick to the 'Lopes back on their yard line.

Riley hit on passes of yards and nine yards, scrambling for three, to the 'Lopes out to their 33. kept again and made first-yardage at the 35. Depp for the quick score now, time running out, the 'Lopes threw a pass which fell incomplete, sent Rogers for yards, and suffered another completion. A fourth pass passing try drew an OFFENSE pass interference on the Abernathy receiver, the 'Lopes fifteen yards, and the Abernathy 23. But the Machine again failed to gain on the break and couldn't give the ball back at the Abernathy 21 with time expiring.

Riley completed a fourth down pass to Snodgrass for 11-yard gain at the 32, an interference call on the play gave the Antelopes more yards. Another incomplete pass, then Riley completed one to Snodgrass on the play of the game, and Snodgrass, caught by Williams, fenders, attempted a lateral to the fumbled lateral.

### Wind Frosh Lose Final Grid Game

Whirlwind freshman footballers suffered their first loss of the season last Thursday, dropping a 42-14 decision to Dimmitt in a game played there. The loss, coming in the final game, leaves the Whirlwind ninth-graders with a 6-1 season mark.

The Dimmitt freshmen ran the opening kickoff back for a touchdown but failed to put extra points on the board. The Whirlwinds came back to post a first-quarter TD on a ten-yard run by MacArthur Mitchell. Mitchell put the 'Winds in front 8-6 with a run for the two extra points.

In the second period, Dario Castillo was on the receiving end of a pass from quarterback Mike Vickers. The scoring play covered 45 yards. No extras this time and the Whirlwinds led 14-6.

But Dimmitt ran the ensuing kickoff back for another TD, cutting the Floydada lead to 14-12. They couldn't make the extras and that was the score at halftime.

The FHS freshmen had a touchdown called back in the final period (there was no scoring action in the third). Dimmitt pulled ahead on a 95-yard touchdown run, then added more touchdowns to sew up the victory.

### JV Bombs Dimmitt, 54-8

The Whirlwind Junior Varsity closed out their 1971 football season last Thursday with a 54-8 rout of the Dimmitt JV.

Ralph Bennett opened the Whirlwind scoring with a 52-yard jaunt in the first quarter. Rance Young kicked the extra point. Still in the opening period, Mark Probasco scored for Floydada on an eight-yard run. Extra try failed.

Dimmitt cut the Floydada lead to 13-8 in the second quarter with a TD and double-point extra. Danny Bradford scored next for the junior 'Winds, and Young again booted the extra, making it 20-8. In the third period, Young hit Bennett on a 30 yard pass for the Whirlwinds' fourth TD. Young's extra kick was true; it was 27-8.

Floydada tacked on four TDs in the final frame, the first coming when Mike Hatley blocked a Dimmitt punt and Lynn Becker took it in for the score. Young's extra brought the total to 34-8.

## 1971 Whirlwind Football Wrap-Up

High School football season ended with a combined record of 20 wins, three ties and one loss. The Whirlwind posted an 8-1-1 record, the Junior Varsity at 6-1, and the Varsity also had a

record of 17-1. The Whirlwind boys played football at Floydada Junior High School under coach L. G. Williams. Both seventh and eighth graders played at Floydada Junior High School. The Whirlwind High School football program had more on participation in winning.

The Whirlwind Varsity won 179 points in 1971, compared to 1414 in 1970. Passing yards, compared to 2725 in 1970, totaled 1748 in 1971. Total offense for the year totaled 2725 yards; offense totaled 1748 yards.

Kicker Joe Martinez connected on sixteen straight extra-point attempts; Rance Young kicked one extra point. The Whirlwind defense put eight points on the board during the '71 campaign, all those points coming in the Morton game. The defense trapped a Morton punter in his end zone on a bad center snap, and Harris returned an intercepted pass 56 yards for a touchdown.

### 4-H Gold Star Winners Will Attend Banquet

**FLOYD DATA**  
Mrs. Irene Dobbs of Floydada is in Dallas this week to be with her critically ill brother, Dr. Abner McCall. Dr. McCall, president of Baylor University, underwent surgery for the removal of his appendix and gall bladder Nov. 2 in a Waco hospital. After kidney complications developed he was transferred to Baylor Hospital in Dallas for specialized treatment.  
Dr. McCall's son-in-law was killed and his daughter injured in a traffic accident at the time the couple was enroute to Waco to visit her father.

Kay Russell, Floyd County 4-H Gold Star girl and Lyle Miller, Gold Star boy, will be among 4-H'ers honored at the 14th annual Gold Star banquet in the Coronado High School cafeteria in Lubbock Monday night, November 22.  
Featured speaker for the event will be Rev. Leo Gee, pastor of the First United Methodist Church in Big Spring.  
Bill McAlister, president and general manager of KSEL radio and television, will be master of ceremonies. Awards will be presented by Walk Olivo, KCBD television farm director.  
The banquet is being sponsored by the 12 rural electric cooperatives on the South Plains.

### Miss Wheeler Honored With Gift Coffee

Miss Deborah Wheeler of Dallas, bride-elect of Ray Walker, was honored Saturday morning with a gift coffee in the J. A. Arwine home. Receiving guests were Mrs. Arwine, Miss Wheeler and Mrs. Grady Walker, mother of the prospective bridegroom.  
Mrs. A. B. Keim was at the guest register and Mrs. Walton Hale and Mrs. Tom Porter alternated at the silver coffee service.  
The serving table was laid with an ecru cutwork cloth and held cherry red and straw colored dried fall arrangement in a natural colored basket. The centerpiece was later presented the honoree along with an

**NEWS FOR HOMEMAKERS**  
by Billie Vahlenkamp  
Floyd County H.D. Agent

MRS. Ray Shirley of Crowell has found a yellowed newspaper clipping in a scrapbook that once belonged to her mother, telling housewives the proper method of washing clothes. Reprint of the article, written by a Kentucky woman, with spelling of words just as in the original are as follows:  
(1) bid a fire in back yard to heat kettle of rain water.  
(2) set tubs so smoke won't blow in eyes if wind is pert.  
(3) shave one hole cake soap in bilin water.  
(4) sort things, make three piles, 1 pile white, 1 pile cul-lord, 1 pile work britches and rags.  
(5) stur flour in cold water to smooth then thin down with bilin water.  
(6) rub dirty spots on board, scrub hard, then bile, rub cul-lord don't bile - just rench and starch.  
(7) take white things out of kettle with broomstick handle then rench, blew and starch.  
(8) spred teetowels on grass.  
(9) hang old rags on fence.  
(10) pore rench water in flower bed.  
(11) scrub porch with hot soapy water.  
(12) turn tubs upside down.  
(13) go put on cleen dress - smooth hair with side combs - brew cup of tee - set and rest

NOW its corn meal. The Food and Drug Administration has announced the recall of 87 tons of corn meal mix allegedly containing aflatoxin, a cancer-causing substance produced by mold. The recalled products are Lil Lula self rising white and Morrison's Corn Kits, prepared corn bread mix, both produced by Morrison Milling Co., of Denton, Tex.  
ONLY four men were present of the original 66 when the World War I vets mustered on Veterans Day, Nov. 11, 1971 in Indiana. The 66 men made a pact back in 1935, chipped in 10 cents each, bought a bottle of champagne and vowed to assemble each Nov. 11 marking the WWI Armistice until only one remained. There are 17 men surviving, but only four were able to show up for the reunion, all past the age of 70.  
TRY to attend or at least call in an order for Stanley Products Friday. The Whirlwind Band is needing funds to help with expenses on their trip to the Sunbowl. If you can't attend, call in an order to Mrs. Mon-roee Schulz, Mrs. Porter Fin-ley, or Mrs. Art Ratzlaff.  
HEARD a woman ask a clerk at a perfume counter, "What have you got that'll compete with football games on TV."

### GAME SOCIETY FILMS ARE AVAILABLE FOR LOANS BY MRS. RONNIE THORNTON

Mrs. Thornton stated that the Society could arrange programs to suit the needs of any group furnishing educational films, speakers, and printed materials about the disease. "All of these are available, but they're worthless unless they are used."  
Mrs. Thornton reported that of every six persons who have cancer, three will die because present knowledge about the disease does not permit a cure, and one will die because he was not "reached" in time.

### Game Warden Tells Hunting Laws

Howard Gambol, game warden from Plainview, was in the Hesperian office yesterday and outlined some basic rules of hunting in this area.  
Gambol made these reminders to local hunters:  
DEER AND TURKEY HUNTING: November 20 to December 5. One mule deer and one whitetail limit, Bucks only in Floyd county. Limit one turkey per season of either sex. Antelope season is over. Law states you cannot hunt with firearms for other game in deer areas. Regardless of age, hunters for deer and turkey must have license.  
DUCK HUNTING: November 3 to January 11. Geese hunting from November 3 to January 16. It is against the law to use rifles on any migratory birds. Shotguns must be plugged to three shell capacity on migratory birds only.  
QUAIL HUNTING: December 1 through February 15, (except in Lamb county, December 1 through January 16). You can shoot quail from a vehicle when on private property, and you can use rifles when quail hunting.  
SANDHILL CRANE: in Floyd county season is December 4 through January 30.

This last one is really a needless death, because his cancer will not be detected early enough or because he does not know how to prevent cancer. And, some forms of cancer are highly preventable.  
Mrs. Thornton said that any club or person wanting a meeting program could contact her at 652-2627.

### Church Women Meet For Social

WMU and WMU Young Women of the Calvary Baptist Church met together Tuesday night for a fellowship and salad supper at the church.  
Mrs. Mary Corley, Mrs. Jo Payne and Mrs. Lucille Duncan gave the mission study, New Drums Over Africa.  
Approximately 25 women were present for the gathering.

# Jack Fuqua Wins Final Grid Contest

After marking off five non-existent games from the final Hesperian football contest, there weren't many left to miss, and the winners missed only two contests, one of those a tie, and the other Slaton's upset of 4-AA champion Roosevelt. Jack Fuqua takes the \$7,500 first-place prize money by virtue of his closest guess (21 points) on the Floydada-Abernathy tie-breaker score.

T. L. Holland is the winner of second prize, \$5,000 in cash. Holland missed the same two games and estimated 27 points in the tie-breaker. Third place money of \$2,500 is split this week by two entrants, Jerry Parr and J. C. Wester also missed the Farwell-Vega tie and the Slaton-

ed two games but guessed higher on the tie-breakers: DeWayne Wilson, Alton Higginbotham, Joe Vega and Ronnie Hill.

The Hesperian football-contest chairman inserted five games in the contest page which won't be played until next week, so those five—Estacado-Sweetwater, Dumas-Levelland, Anton-Amherst, Canyon-Tulia and Matador-Turkey—don't count in the tabulation.

Roosevelt upset and both had a tie-breaker guess of 28 points. Gamering honorable-mention spots (but no cash) were four contestants who also miss-

### Fry Injured In Car-Tractor Crash

Floyd County driver of a tractor involved in a collision Tuesday about 7.2 miles south of Floydada on U.S. Highway 62.

Son of Mr. and Mrs. McCoy suffered a crushed right leg, a crushed left leg, a crushed right arm and numerous lacerations. He was taken to Caprock Hospital Tuesday morning to undergo surgery. Wednesday morning he was taken to Caprock Hospital Tuesday morning to undergo surgery. Wednesday morning he was taken to Caprock Hospital Tuesday morning to undergo surgery.

**WRECK RESULTS** - The crumpled front end of a 1965 Mustang, following a collision with a Farmall 560 tractor Tuesday night. Seriously injured in the crash was Danny Fry, the driver and only occupant of the Mustang, which crashed into the rear of the tractor about seven miles south of Floydada on U. S. Highway 62. (Staff Photo)

**DRIVER SLIGHTLY INJURED** - Pete Zaragoza, driver of this tractor, was treated and released at Caprock Hospital Tuesday night. (Staff Photo)

In order to inform the people of the Floydada community about how they can best seek help when they have need of law officials, I have interviewed spokesmen of the three agencies and will explain the duties and responsibilities of each.

**CITY POLICE**  
Tom Hopper, Floydada chief of police and four other policemen confine their work to the city limits of Floydada. Although Hopper has only two policemen employed at present, two more are to be employed. Most of the city police arrests are traffic violations, although they answer calls for all sorts of disturbances.

A city policeman can make arrests outside the city limits when he is accompanying a sheriff's officer or highway patrolman. A city policeman who starts chasing a law violator within the city limits, may arrest him outside the city limits.

**SHERIFF'S OFFICE**  
Sheriff's officers do not patrol the city limits, but they make many arrests within the city limits. Sheriff's officers may make arrests in the city limits or anywhere in the county. A sheriff's officer can make arrests for speeding, or other traffic violations... in fact, any sort of law violation. Walter Hollums is sheriff of Floyd County, deputies include Foster Amburn in Floydada and Cap Carthel in Lockney. The office is short one deputy. Connie Reed is no longer with the office. Fred Cardinal is working part-time until a deputy can be employed.

**HIGHWAY PATROLMEN**  
Texas highway patrolmen Bud Rainey and Buddy Cockrell devote most of their time to highway traffic violations, but like sheriff's officers can make arrests for any type violation anywhere in the state. They frequently assist both the city police and sheriff's officers on arrests and investigations.

**WHERE TO CALL FOR HELP**  
Should a person outside the city limits need law enforcement help, he should call the sheriff's office 8 to 5 daily (983-3232). If help is not available here, the sheriff's radio dispatcher will seek help from the highway patrol.

From 5 p.m. until 8 a.m., all emergency calls should be made to the city police radio dispatcher Shorty Newkirk (983-2834). He has radio contact with all three agencies; highway patrolmen, sheriff's officers and of course the city policemen. Daytime city police radio

dispatchers are Sid Waller and Hack Redd.

**SALARIES**  
... and how much pay do our law enforcement people receive for risking their lives for our protection?

Chief of police Hopper receives \$604 per month and is on call around the clock. His policemen receive \$456 per month for 45 hours of work per week and overtime pay after 45 hours.

County sheriff Hollums receives \$600 per month, plus 9¢ per mile travel allowance, plus \$1.50 per day for feeding the prisoners in the county jail. He and his wife live in the jail "rent free." He is on call around the clock.

Deputy Amburn receives \$475 per month with no travel allowance. Carthel receives \$450 per month and 9¢ per mile travel allowance. He is on call around the clock. Reed said he had been working 60 to 70 hours a week for the \$450 per month he receives. He was also receiving 9¢ per mile travel allowance.

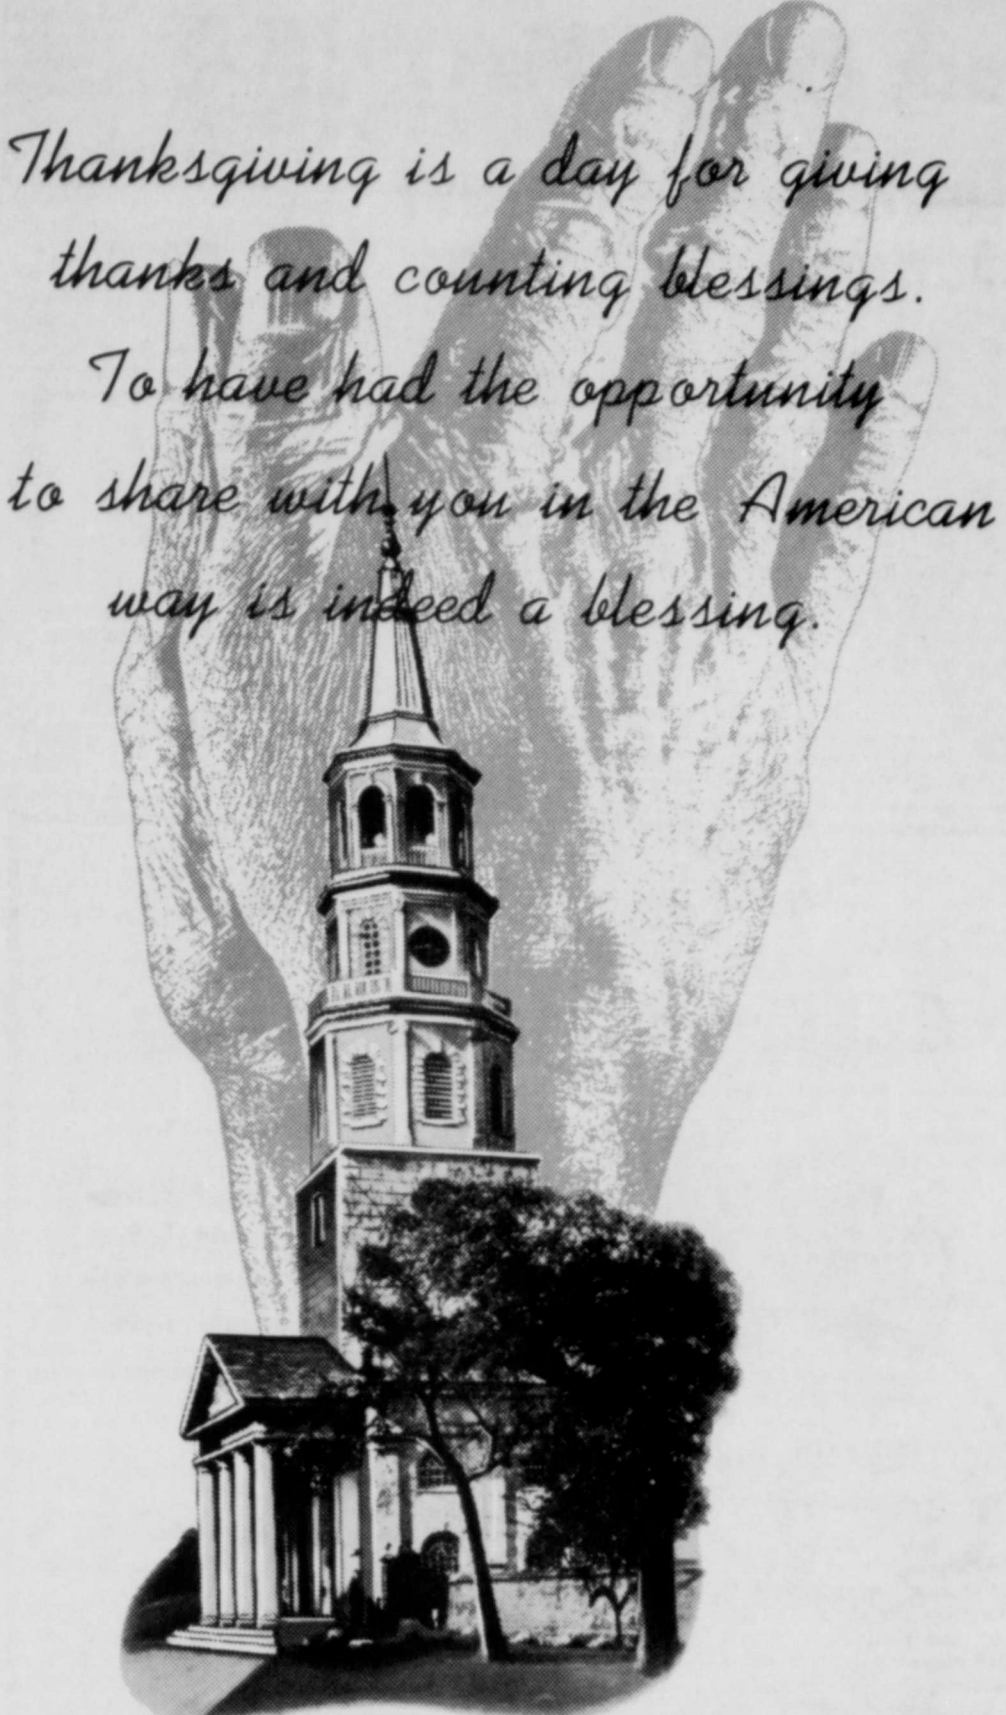

**JAILS**  
When a prisoner should be observed at night or on a weekend, he is usually placed in the city jail.

Contrary to what the Lubbock paper said a couple of weeks ago, the Floyd County jail has rest rooms and is heated.

City manager Bill Feuerbacher reported Monday that although only three policemen are on the force, two patrolmen are maintaining watch over the city at night. Policemen are working around the clock, seven days a week to maintain the protection both merchants and citizens have been requesting.

**GOOD CITIZENS**  
I think it can be said that Floyd County's law enforcement people are good family men, good citizens, have a strong interest in the welfare of the people of this community. They are firm, usually fair and do the best to their ability. They are not the type to shoot and ask questions later. They have a great desire to help the young people of this community to become good citizens. They want to be their friends, yet they want them to learn to obey the law.

### Three Law Enforcement Agencies Protect Floydada People

By Wendell Tooley  
It isn't likely that Floydada will ever have a riot, but should it happen, or a major law enforcement problem develop, Floydada people would have the protection of three law enforcement agencies: sheriff's office, city police, and Texas highway patrolmen.

## J.D. Woody

Services for a life-long Floyd County native, J. D. Woody, 35, were conducted Monday afternoon in the City Park Church of Christ. Woody died in Lubbock Methodist Hospital about 5 o'clock Saturday afternoon following an illness of several months.

The deceased was born January 27, 1936 at Dougherty. He attended schools in Floydada and completed his high school education while in the Air Force. He entered service in 1954 during the Korean conflict, serving four years. He was also a member of the Air Force Reserves four years. Woody and the former Charlene Cross, daughter of Mr. and Mrs. Charley Cross of Floydada, were married December 18, 1954 in Lockney. He was an auto parts salesman and a member of the City Park Church of Christ.

Survivors include his wife, two daughters, Debra Kay and Sonja Diane, both of the home; his parents, Mr. and Mrs. Harold Woody of Floydada; two brothers, C. O. and Nathan Woody, both of Floydada and a sister, Miss Dana Kay Woody also of Floydada.

Steve Bracken, minister of the church, officiated at the rites. Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Fallbearers were Harold Faith and Charles Ball of Lubbock, Tommy Smith and S. M. James of Plainview and Lyndal Roberts and Roy Kinard of Floydada.

Honorary pallbearers were Sam Baker, Jewell Elza, Bill Powell, Bill Kinard, Gene Lawson and Joe Patty.

## O.D. Wofford

Services for Oscar Dudley Wofford, 82 year old longtime Floyd County resident, were held Saturday afternoon in the Trinity United Methodist Church in Plainview. Wofford died Friday morning at his home after suffering an apparent heart attack.

A native of Mississippi, Wofford moved to Floyd County in 1904. He moved to Hale County from the Aiken community in 1946 after retiring from farming. He and Lula Belle Shurbet were married Sept. 8, 1908 in Floydada.

Survivors include his wife, three sons, Jessie of Plainview, Kenneth of Lockney and Ralph of Anchorage, Alaska; a daughter, Mrs. Dinis Myrick of Snyder; two sisters, Mrs. Ona Lee of Amarillo and Mrs. Jake Smith of Lockney; one brother, Claude of Lockney, 11 grandchildren and 12 great grandchildren.

employees for helping make my work as County Tax Assessor and Collector a more enjoyable and beneficial experience.

Also my sincere thanks to the people of the entire Floyd County area for the confidence, support and courtesies shown me while allowing me to serve you as your County Tax Assessor and Collector.

It is after great thought and concern that I submit this letter of resignation to the Commissioner's Court. I respectfully request the court to accept my resignation as Floyd County Tax Assessor and Collector effective December 1, 1971. This request is made in order that I will be able to accept a position with the First National Bank, Floydada, Texas.

## B.D. Brown

Services for Burlie Durwood Brown, 85, who died Monday morning in the Four Seasons Nursing Home in Amarillo, were conducted yesterday. Brown was the brother of Mrs. Dora Widner of Floydada.

Brown farmed in California until moving to Clarendon in 1960. His wife died in 1964. Survivors include four daughters, a son, two sisters, a brother, 21 grandchildren, 32 great grandchildren and three great, great grandchildren.

## Aron Hart

Rites for Aron S. Hart, 70 year old Amarillo retired electrician and brother of Mrs. Katie McCain of Floydada, were conducted Friday in the Schooler-Gordon Colonial Chapel in Amarillo.

Hart died Wednesday morning of last week in St. Anthony Hospital. He was a native of White Star and had been a resident of Amarillo for the past 55 years.

Survivors include his wife and two other sisters, Mrs. Lessie Knox and Mrs. Nettie Jones, both of Chickasha; eight grandchildren, 21 great grandchildren and five great-great grandchildren.

Dr. Floyd C. Bradley will officiate for the service with interment to follow in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Pallbearers will be grandsons.

## BAND, FROM P. 1

ade, will be held on New Year's Day.

Money from three fund-raising efforts scheduled before the trip will go toward financing the Sun Carnival trek. A "Stanley party" is set for 2 p.m. Friday (November 19) at the American Legion Hall here, all proceeds going to the band trip fund. November 23 and 24 are the dates set for a bake sale, to be held in three Floydada grocery stores/super markets: Buddy's Food, Powell's and Piggly Wiggly. Proceeds from the band's annual Christmas Concert also go toward financing the trip. The concert is

resorted to unless the district race ends in a tie under the new rules. For example, applying NEXT year's rules to THIS season's games: Floydada would represent the district in the playoffs, because they would have, under next year's rules, a 6-0-1 (or 6 1/2-1/2) won-loss record. Littlefield, by the same rules, would have finished with a 5-1-1 (or 5 1/2-1 1/2) district mark. But that's next year. This season, the Whirlwinds and the Wildcats have identical 6-1 records, and Littlefield beat Floydada (them's the rules), so gets the playoff nod.

NEXT year, the district policy on deciding ties, championships, and playoff representatives will be thus:

(Rem No. 17, from the minutes of the District 4-AA meeting, held October 18, 1971 at Abernathy (before the 1971 Floydada-Littlefield game)

"Each tie football game will count a half-game won and a half-game lost. In case of a two-way or three-way tie for district champion, the teams shall be declared co-champions or tri-champions, with the team defeating the other or others,

representing the district.

"In case of a three-or-more-way tie, the representative of the district shall be determined by drawing numbers from a hat, in the event that the tie cannot be resolved by the above manner."

"In case of a two-way tie, in which the district representative cannot be determined by penetrations, then first downs; for a game between those teams, the district representative shall be determined by a drawing.

"Tie games must be reported to the district chairman, signed by the game officials and by the school officials, in case this method needs to be used."

## DOYLE JACKSON RECOVERING FROM HEART SURGERY

Doyle Jackson underwent open heart surgery at Methodist hospital yesterday and it was reported at press time that the operation had been successful.

A vein was removed from Jackson's leg and transplanted into his heart for circulatory needs. Methodist pastor C. B. Melton said that blood donors were needed for Jackson and donors could go to Methodist hospital or the Plainview hospital where credit would be given to Jackson.

### Patrol Checks 17 Accidents In October

The Texas Highway Patrol investigated 17 accidents on rural highways in Floyd County during the month of October, according to Sergeant Thurman

Ketter, Highway Patrol Supervisor of this area.  
These crashes resulted in no persons killed and seven persons injured.  
The rural traffic accident summary for this county during the first ten months of 1971 shows a total of 68 accidents resulting in two persons killed and 32 persons injured.  
The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for October, 1971, shows a total of 595 accidents resulting in 19 persons killed and 294 persons injured. This was 96 more accidents, 14 less fatalities, and 26 more injured than during September.  
The 19 traffic deaths for the month of October, 1971, occurred in the following counties: Carson, four; Kent, Lubbock, Wise, Roberts, and Wheeler, two each; Crosby, Hale, Parker, Stonewall, and Hemphill, one each.

### New To Be Site Office Building

Representative of Plainview that by authority of the 62nd Legislature... Department... will build a new building at Plainview... the new people of the sub-dis... expected to cost \$100,000.

said the new structure is one of several new buildings authorized for the Department of Public Safety. Colonel Wilson E. Speir, Director of the Department of Public Safety, said the expanded facilities will make it possible to improve the services rendered to residents of the area as well as making it more convenient for people. Major Charles Bell said he was pleased that the prospect of having a new DPS-owned structure from which to conduct the various programs in the area, adding that "it will undoubtedly enable us to do our job better for the people in these counties."

### All Texas Turkey Day Feast Proposed

An all-Texas Thanksgiving feast is being suggested this year by Texas Agriculture Commissioner John C. White. "For your Thanksgiving meal of this year, you can be assured of quality and quantity of Texas-produced commodities. No other state offers the consumer the opportunity to purchase so much variety of food to put into your Thanksgiving dinner," White said.

A typical Texas Thanksgiving menu would be this: Baked Texas turkey with cornbread dressing and gravy, Fresh Texas green beans, Texas candied sweet potatoes, Texas fruit salad and Texas pecan pie.

"Texans can purchase fruit which is produced in the South Texas and Lower Rio Grande Valley areas; vegetables from west, east and north Texas; and pecans and turkeys from central Texas," White said.

"Thanksgiving time is a time when we all give thanks for everything we have. Often, we overlook our bountiful agricultural production. This year as you enjoy your Texas Thanksgiving meal, give the producer a pat on the back, not a kick in the pants. He is providing for the consumer quality food at bargain prices," White said. The Texas Department of Agriculture is cooperating with agricultural producers in the state through the Texas Agricultural Products (TAP) program to acquaint Texans with the quality and quantity of Texas-produced foods.

**HORSE POWER** — Francis Carthel of Lockney, recently named "Thresher of the Year" at a reunion in Iowa recalls early threshing days in Hale, Floyd and Briscoe counties as he looks at a picture of a horse-powered threshing machine. (Correspondent's Photo)

### NAMED 'THRESHER OF THE YEAR'

## Lockney Oldtimer Gets Special Recognition At Iowa Reunion

By MARIE HARRIS  
**LOCKNEY** — He pulled the whistle on the old steam engine he was riding in the parade — the engine was just like one he used to "fire" — and everyone clapped and cheered.  
 Francis "France" Carthel was almost overcome with surprise to have been named the "Thresher of the Year" during the recent Cavalcade of Power at the Midwest Old Threshers Reunion in Mount Pleasant, Iowa. When called on for a speech, he could only say "Thank you".  
 The 84-year-old Lockney resident attended the annual event at the invitation of his grandson, Gary Tannahill, a professor at Iowa Wesleyan College, who recommended his grandfather for the honor. Carthel was accompanied to Iowa by his sons, Chester Carthel, who resides with his father, and a son and

daughter-in-law, Mr. and Mrs. Hershel Carthel. He also has a daughter, Mrs. Maurice (Olga) Tannahill of Hereford, three grandchildren and five great-grandchildren.  
**Hand-Fed Model**  
**CARTHEL** WAS invited to hand feed an early day model, one of 200 engines that circled the 160 acre plot where the thresher reunion was held. It brought back memories of the days when he and his two brothers and father were in the threshing business 61 years ago. The foursome threshed grain in every part of Floyd, Briscoe and Hale counties which in those days was a wide territory. The boys learned threshing at an early age on their father's farm at old Lusty, Okla., near Altus.  
 France was born June 8, 1887, in Cleburne but left there when he was 3 and

spent the next 15 years in what was originally Greer County, Texas, but later became part of Oklahoma. He and brothers, Joe, Ray W. A., and his wife arrived in Lockney in three wagons April 1, 1906, and found the whole country under water from rain and lakes.  
 After planting a crop they returned to Oklahoma to thresh their wheat, returning to Lockney with their parents, the late Mr. and Mrs. J. M. Carthel, and other brothers and sisters in September.  
**FRANCE SAID** his father always had a thresher — he would trade one off and get another. "Threshing was just in his blood," he added. Apparently it got in France's blood too.  
 The Carthel's crew consisted of 20 to 30 men, and at one time as many as 32. "People were willing to work then," explained France. "When we would come into a community, everybody helped. The women cooked the grub and had lots of good things to eat."  
 France's wife, the former Dora Smith, who came to Lockney in 1906 from Collin County, thought she was a widow during the first two or three years of their marriage he was gone on the job so much. The two were married for 57 years before she died four years ago.

**Wheat Was First**  
**THE THRESHING** season started with wheat, oats and barley after July 4 and continued until about Sept. 1. Then about March 1, the Carthels and their men threshed maize bundles for a month or two. They would come back to their homes every Saturday night and leave again early Monday morning.  
 Carthel remembers the time he, his brothers and their father who was the "boss" threshed with horse power 1,000 bushels at 10 cents per bushel. They split the \$100 and it was the first \$25 he had ever made.

Another time the Carthels were threshing stacked grain for Uncle Ceph Fortenberry near Cedar Hill when they noticed rain clouds with lots of lightning rapidly moving in from the northwest. The crew worked desperately.  
 We wanted to get it done so bad that we did it before even a sprinkle fell," reminisced France.

**THE CARTHEL** family had about the only thresher in the county. It was brought to Lockney from Amarillo by horses in 1906. The thresher was powered by 14 horses.  
 About 16 more horses pulled eight wagons that hauled the grain from the field to the thresher. Two or three wagons, using four to six more horses, hauled the grain away from the thresher. Wheat had to be hauled to the nearest elevator which was at Canyon or stored in a farmer's own granary.

One of the three Carthel brothers would drive the power, two fed grain into the cylinder and their Dad looked after the separator. Later a steam powered thresher replaced the old hand model.  
 Carthel had an interest in the threshing business about six years and then gave it up to take care of his own farm. His son, Chester, now farms the land, while Carthel, too active to completely retire, goes to the farm every day to work some. At present he is helping build a granary.

**Each Own Land**  
**FRANCE AND** his sister, Mrs. Beth Cuny of Lockney and a brother, Milford Carthel of Plainview each still own the 160 acres their father gave them when he divided his 1,600 acres originally purchased when the family came here.  
 Of the seven boys and three girls in the family, others now living are John T. Carthel and Mrs. Della Willmon, both of Lockney. Deceased are Joe, G. H. Ray, and W. A. Carthel and Mrs. John (Rose) Belton.  
 The Carthel's early-day thresher was not the only thing brought in from a distance that had to be covered by horse and wagon, but also all their

supplies were freighted in from Canyon. While making the trip, if night came, wherever the Carthels or other freighters were was "home, sweet home".  
 They usually stopped by a windmill or lake, used cowchips to build a fire over which to cook biscuits in order to have bread, and washed in cold water.

Weather in the Panhandle-Plains region in the early 1900's was much colder than it is now, Carthel stated, and there was little shelter in the sparsely settled area.  
 Carthel remembers one freighter, Charlie Durham, who lived north of Lockney. Durham used 16 mules chained, with double trees on the chain, to enough wagons to carry the equal of a loaded railroad freight car.  
 With no roads and few trails, a wagon driver usually just drove off across the prairie in the direction he needed to go.

"Often the ruts were deep and the grass tall and thick as hair," said France, reviewing some of his experiences. "When you got the wagon in those ruts, sometimes the ground would freeze and you couldn't get the wagon to move."  
 But France outsmarted some of the other drivers when he stopped his lead wagon with the wheels turned so he could pull out.

Mr. and Mrs. Carthel lived 4 miles north and 2 west of town for 50 years before moving to his present home which she designed and the couple built in 1960.

While France was growing up, he was often sick and stayed at home helping his mother with the cooking. This experience comes in handy now as he cooks for himself and son. He is a neat, clean housekeeper, with assistance from outside help once a week, and does their washing and ironing. A member of the Church of Christ for over 55 years, Carthel formerly led the singing at his church.

## Economists Optimistic About Future

**NEW YORK (AP)** — Leading economists predicted that the U.S. economy gradually pick up next year.  
 The forecasts were made by Arthur M. Okun, chairman of the Council of Economic Advisers, and other officials, including James Callaghan, vice president and economist of the management firm of Dunlop, Lufkin & Jenrette. The occasion was a corporate pension conference sponsored by the firm.

Recalling that a year ago he had said the economy "stuck in the mud," Okun told some 250 corporate executives, "I think the economy still is stuck in the mud, but about to start rolling."  
 "You are beginning the start of the path to prosperity," Okun said. "I think it will be about a year before we can say what is considered a recovery."

Okun said he felt the son for expecting gradual acceleration in the economy, the change in policy taken by the government when President Nixon set-aside posed the wage-price controls on Aug. 15.  
 Von der Linde said, "I feel inflation is a problem and its control tomorrow's challenge."  
 He predicted a 3 percent increase in the gross national product and a 15 percent gain in corporate profits in 1972 and a gradual pickup of the economy in 1973 and 1974.

## Feed Grain Program Opens Many Choices To Producers

aside up to 20 percent of their farm base in addition to their qualifying 25 percent set-aside for participation.

Other choices to be made in relationship to program participation include decisions on: What crops to plant in view of potential farm yields and markets; what financing will be sought; whether to put in new farm storage facilities, buy new machinery, lease or buy more cropland; how to manage storage and marketing of previous-

year crops; whether to plan for more intensive input per acre, in terms of fertilizers, herbicides, pesticides, land preparation and crop cultivation.

"The set-aside farm programs are designed to give farmers as much latitude as possible, consistent with the aim of improving farm income. It means producers make their own farm management decisions. The Government doesn't decide for them," Mr. Winter said.

He added, "It also means for 1972 that a lot of decisions must be made this winter, since sign-up for the 1972 feed grain, wheat and cotton programs is set for January 17 through February 25. Because of the options which the Secretary of Agriculture must decide on by mid-March, that sign-up period will not be extended, and farmers who may want to participate should underscore it in their calendars right now.

"As soon as official detailed program information is received in the county ASCS office, we will get it out to farmers via mail, meetings, and all news channels. Phone calls, visits, and letters of inquiry from farmers will be welcome."

## Rep. Mahon Proposes Pay Cut for Congress

WASHINGTON — Rep. George Mahon, D-Texas, chairman of the House Appropriations Committee, suggested Sunday that Congress take a pay cut to help fight inflation.

Mahon said in a UPI Washington Window interview that Congress undercut the battle against inflation in 1969 when it raised members' salaries by 42 per cent — from \$30,000 a year to \$42,500 — and gave the President a 100

per cent pay raise, to \$200,000 a year.

This, he said, damaged the government's subsequent efforts to keep the lid on pay raises for federal employes and in private industry.

Inflation would make a pay cut for federal employes and private workers "too severe," Mahon said, but "it wouldn't be too severe for the President and members of Congress and for many others."

## FAIRVIEW NEWS by Mrs. Clyde Bagwell

FAIRVIEW, Nov. 15 — The frost and light freeze of several days ago killed tender vegetation but many things are still green and many flowers still in bloom. The past several days the weather here has been extra warm for November. It is cloudy this Monday morning and colder weather has been forecast for the area.

Mr. and Mrs. Lee Burton went to Dumas Sunday to the home of Mr. and Mrs. Earl Huckabee. Mrs. Smith of Yoakum, aunt of Mrs. Burton and Mrs. Huckabee returned home with the Burtons and will be here for awhile visiting.

Mr. and Mrs. Bud DuBois of Tullia came Saturday and spent the night and Sunday with his parents, Mr. and Mrs. Edell DuBois. Larry DuBois of Lubbock and Sandra and Dianne DuBois of Tullia, joined their parents, the Bud DuBois', at Mr. and Mrs. Edell DuBois' Sunday.

Saturday night Mr. and Mrs. Edell DuBois and Mr. and Mrs. Bud DuBois visited at Cedar Hill with Mr. and Mrs. Bill DuBois, Craig and Quinn.

Mrs. Mary Stanley and Mrs. A. C. Collins visited Thursday afternoon with Mrs. Edell DuBois.

### Crosby Man Killed In Altercation

LORENZO — A Lorenzo man, 31-year-old John Allen Collins, was shot to death shortly before 5 p.m. Monday at his father's residence about one-half mile northeast of Lorenzo after he reportedly threatened Crosby County Sheriff Fletcher Stark, who was investigating a report of a disturbance at the residence.

Collins was pronounced dead at the scene by Justice of the Peace W. E. Easter. He reportedly suffered a shotgun wound in the right side of his chest.

Mother Hospitalized Collins' mother, Mrs. Claude Collins, 61, was taken to Lubbock's West Texas Hospital, where she was admitted for treatment of lacerations and fractured ribs. She was listed in "fair" condition late Monday.

Stark said he had been in the area investigating some recent burglaries when he was approached by the dead man's wife and was asked to go to the elder Collins' residence, where a family

disturbance was said to be occurring.

After driving to the farm home Stark said he found Collins and his father engaged in a heated verbal dispute at the back door of the house. Collins, hand in pocket, was then said to have approached Stark's automobile, stating, "I've never liked you. I'm going to kill you," police reports indicated.

The fatal shot allegedly was fired when Collins was about six feet from the sheriff's car. Stark was said to be inside the auto at the time of the shooting.

Stark said Collins' mother,

bleeding from a lacerated ear, emerged from the residence and was taken to the Lubbock hospital.

At Stark's request an investigation was conducted by Texas Rangers, who said the interior of the Collins dwelling was in disorder, and the telephone had been ripped from its connection.

Two pocket knives were reported found on the body of the dead man.

Survivors, other than his parents, include his wife, Carla; two daughters Brandy and Sandie, both of the home; and two sisters, Mrs. Leon Mackey of Rockport and Mrs. Ernesteen Kelly

### AREA CITIZENS TO RECEIVE CHRISTMAS SEALS

This month many citizens of the West Texas Area, Texas Tuberculosis & Respiratory Disease Association, will be receiving their envelopes containing the traditional Christmas Seals.  
 "Since we were the first volunteer health association organized in the world, we are proud to announce that we are the first to have a national plan for computerized campaigns," Cadman Chaffin, M.D. president of the West Texas Area Board of Directors, announced today.  
 "This progressive move by the Tuberculosis and Respiratory Disease Associations will mean that the staff members and volunteers will be freed to do even more community health work. Educational programs can be given in all Tuberculosis Chest Clinics in the 23-county area; more school, service club, church and other community programs can be given.  
 More counseling can be done with chronic lung disease patients; respiratory disease classes, and anti-smoking projects can be expanded.  
 "Even with all these far-reaching improvements offered by computerization, 92% of all contributions made in the state will remain in Texas to be used in our over-all health programs.

### CENTER NEWS by Mrs. J.E. Green

CENTER, Nov. 15 - We've been having such beautiful weather - no freezing weather, and it's nearly Thanksgiving, and this morning it's cloudy and cool and we might even have a shower.

**HINTS FOR WINTER DRIVERS**  
**CHECK THE RADIATOR CAP.** If it's loose, or its valve is stuck, or the rubber gasket is hard or cracked - replace it! A cap that won't hold pressure lowers the boiling point of the coolant and allows "boil off".  
**SQUEEZE THE HOSES.** If loose, soft, broken, or plugged, replace them too.  
**LOOK FOR LEAKS.** Most anti-freezes contain a dye, so look for color stains on the radiator and heater cover at edges of cylinder block gaskets, water pump, and hose clamps.  
**CHECK TENSION** on fan and water pump belts; they may be worn out or cracked and slipping.

### FLOYD PHILOSOPHER Cites A Preponderance Of Evidence That Viet Nam Is Up To Normal

Editor's note: The Floyd Philosopher on his Johnson grass farm thinks he has discovered something, his letter this week claims.  
 Dear editor:  
 Correct me if I'm wrong, which means if you think I'm wrong keep quiet about it, but I have been putting together a lot of things I've been reading in the newspapers and seeing on television in the last few months about Vietnam and I believe I've figured out something that has escaped President Nixon.  
 This is not to criticize the president, after all when you've got inflation and Congress on your hands, not to mention two jobs to fill on the Supreme Court, wage and price freezes, the value of the dollar, balance of payment worries, a trip to China and Russia and a daughter with a foot in a cast, there are some things you're bound to overlook.  
 But as I understand our position for the last ten years through four different presidents, our sole aim in Vietnam has been to get that country on its feet, politically and economically, so it can go about its business in a nor-

mal fashion, the same as any other country. I believe that situation has now been reached. That country is now as normal as the rest of the world. I'll cite the evidence: (1) It's operating on borrowed money and going deeper in debt all the time. (2) Inflation is just as bad there as it is anywhere else. (3) Its farmers are the lowest paid group in the country. (4) After the last election, the winners opponents claimed the election was rigged. (5) The use of dope is widespread. (6) Traffic is just as snarled in Saigon as it is in any city in America, France, etc. (7) Hospital costs are out of sight. (8) Crime is soaring. And finally (9), and this is the clincher, the overwhelming evidence that South Vietnam is as normal as the rest of the world, its college students are rioting.  
 I don't know how we did it, but it now looks like South Vietnam is on a level with the rest of the nations of the world and we might as well come on back home.  
 Yours faithfully,  
 J.A.

### SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, Nov. 15 - Ninety were registered for Sunday School at the Baptist Church Sunday morning, with others coming in for church services. Eugene Jones was a visitor from Floydada. The Caprock Youth Rally, with around twenty churches in the association, will have its program here at the South Plains Baptist Church Monday night, Nov. 22, at 6:30 o'clock with a Frito-pie supper and program to follow at 7:30. There will be congregational singing, scripture and reading by the Bethel Church at Spur, and then preaching. Every fifth

Sunday offering has been designated as Bus Day Offering, and those funds will go toward purchasing a bus for the South Plains Church. Anyone who wishes to make a contribution to the Bus Fund, will certainly be blessed.

Murray Julian went to Roscoe Wednesday and spent the night with his son, the Terry Julian family, and was accompanied home by his wife Thursday. She had spent the past week with the Terry Julians, helping to care for Mrs. Terry Julian, who is still confined to bed since back surgery Sept. 27. She goes back to the doctor at Lubbock and this Tuesday and we are all hoping that she can soon be able to be out and around.

Mrs. Myrtle Chance of Fort Worth and Lillian Linsey of Silverton were Friday night

guests in the home of Mr. and Mrs. J. P. Taylor.  
The cotton started coming in last week at the South Plains branch of the Lockney Cooperatives Gin, and Nov. 15, Junior Taylor came in with his first stripping. Henry Rowell of Sterley and Sylvan Kinnibrugh are also stripping cotton at this time.  
Mrs. M. C. Griffin, 92, formerly of Aledo, only aunt of Alvin Nichols, died in Fort Worth Thursday, Nov. 11 after a short illness.  
Alvin Nichols became ill Friday and was taken to St. Mary's Hospital in Lubbock and was to undergo major surgery this Monday. His daughter, Mrs. Glen Whitfill of Sweetwater, came Saturday to stay several days.  
Mrs. Frank McClure who underwent ear surgery several weeks ago, has been quite ill with the flu.  
Mrs. M. M. Myers was hostess for members of the Hobby Club Nov. 10, as all gathered there to go to Lubbock where they had lunch at Furr's Cafeteria, then to the new Texas Tech Museum. As they returned home, several visited in the new home of Mrs. Lillian Marble in Floydada. Those who attended were Mmes. Harold Hamm, Lillian Marble, George West, Fred Fortenberry, Grigsby Milton, Leighton Teple, Arby Mulder, J. P. Taylor, Tillman Powell, E. J. Kin-slow and hostess, Mrs. Melvin Myers. The next Hobby Club meeting will be the Christmas Party, and hostesses will be Mmes. J. P. Taylor, Frank McClure, Sylvan Kinnibrugh, George West, and Early Pritchett.

The season's first basketball game for the Junior High girls at Floydada will be this Monday night at New Deal with Pam and Cam Probasco, Carl Roberts and Donette Marble playing in the basketball games.  
The first light frost was the night of Oct. 30, and ground was white with frost Nov. 3, with a 30 degree reading. Most everything has been nipped. The weather the past week has been so very beautiful, and farmers are getting all their maize cut, and some farmers are beginning to strip cotton.  
Mrs. A. V. Bethel went to see her sister-in-law, Mrs. Lottie Kell at Flomot last Wednesday, and she has been going down every few days to help her in her work, as Mrs. Kell is recently out of the hospital with a heart condition. Owen Puckett of Artesia spent last weekend here with Royce and Rogene Bethel, as they were all here from Lubbock Christian College with the Bethel boys!

Miss Burns is the daughter of Mr. and Mrs. Thomas Burns, and Julian is the son of Mr. and Mrs. Clifford L. Julian, all of Hollywood. He is the nephew of Murray Julian, and is Superintendent of mails in the Hallandale, Fla. Postoffice.  
Saturday night supper guests in the home of Mr. and Mrs. Don Marble were her uncle and aunt, Mr. and Mrs. L. W. Powell of Gainesville, Tex., and another aunt, Mrs. W. A. Adams from Howe, Tex. Other guests were Mrs. Marble's parents, Mr. and Mrs. R. L. Holland of Lockney.  
Mrs. Don Probasco and Mrs. Sue Chandler of Floydada were among those who went to Lubbock Saturday afternoon to attend the Texas Tech-Baylor football game.

Mr. and Mrs. Johnny Powell and children of Lubbock spent Sunday here with his parents, Mr. and Mrs. Fletcher Powell and family.  
Cindy Mulder, daughter of Mr. and Mrs. Nathan Mulder, was ill over the weekend with a case of bronchitis, and was taken to the Plainview Medical Center for treatment Sunday morning.  
Fifth and sixth grade pupils of Principal Claude Jarrett enjoyed a class skating party after school at the Plainview Skating Ring. Mrs. Ronald Kitchens, Mrs. Don Marble, Mrs. Eugene Beedy and Mr. and Mrs. Claude Jarrett took the youngsters. After skating all the children were taken to a hamburger supper.

Joe Williams, formerly Sales Supervisor in Plainview for Mrs. Baird's Bakeries, has been named Amarillo Sales Manager for the family-owned baking organization.  
A native of Childress, Williams joined Mrs. Baird's in 1952 and was first stationed in Memphis. In 1963 he was promoted to Sales Supervisor. He went to Amarillo in August of this year to help with the introduction of Mrs. Baird's products.  
Lending levels of FHA farm programs are also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that national funding would be \$350 million this fiscal year, \$82 million above 1971 levels, Futch said.  
The President also said the

nationwide farm operating loan program would be raised to \$350 million from its present \$275 million level if the Congress would approve legislation changing the program from an appropriation basis to an insured basis.  
If this legislation is passed, Futch said, notes of farm borrowers for operating purposes would be sold to investors who, in turn, would be insured against loss on the notes. The investors' money would replenish a revolving fund and would be available for more loans, as is the case now with farm ownership loans.  
"It will continue to be a policy to assist people in financing the credit needs of the farm area or to help finance farm operations," he said. "We are more committed governmentally only when we can use private money to serve the future's credit needs."  
"To assure this, the supervisors of the Farm Home Administration are requested to contact another lender in respect to every application for farm ownership or operating loans.  
"We are pleased with the cooperation extended by the other credit sources to make this plan work," he concluded.

Miss Teresa Burns and Clifford Arlen Julian, both of Hollywood, Florida, were united in marriage Nov. 8 in Tampa, Fla. They spent their honeymoon at Tampa, and at the new Disney World, near Kissimmee, Fla., then returned to Hollywood Friday where they will make their home. Miss Burns is the daughter of Mr. and Mrs. Thomas Burns, and Julian is the son of Mr. and Mrs. Clifford L. Julian, all of Hollywood. He is the nephew of Murray Julian, and is Superintendent of mails in the Hallandale, Fla. Postoffice.

### Mitchell Attends National Water Resources Association Convention

Chester Mitchell, of Lockney, president of the Board of Directors of the High Plains Underground Water Conservation District No. 1, recently returned from Dallas, attending the 40th annual convention of the National Water Resources Association. Chester's wife, Alice, also attended the Dallas convention.  
Mr. and Mrs. Johnny Powell and children of Lubbock spent Sunday here with his parents, Mr. and Mrs. Fletcher Powell and family.  
Cindy Mulder, daughter of Mr. and Mrs. Nathan Mulder, was ill over the weekend with a case of bronchitis, and was taken to the Plainview Medical Center for treatment Sunday morning.  
Fifth and sixth grade pupils of Principal Claude Jarrett enjoyed a class skating party after school at the Plainview Skating Ring. Mrs. Ronald Kitchens, Mrs. Don Marble, Mrs. Eugene Beedy and Mr. and Mrs. Claude Jarrett took the youngsters. After skating all the children were taken to a hamburger supper.

Mitchell stated that 4 of the 5 members of the Board of Directors attended the convention and heard speakers, such as Congressmen Wayne Aspinall, of Colorado, and Jim Wright of Texas, and nearly 38 other water leaders from Texas and other states and Washington, D.C. speak on the crippling effect that the "new environmental" movement is having on water development projects.  
Mitchell related how several of the speakers such as William Gianelli, executive director of the California Department of Water Resources were critical of what was termed "environmental obstructionists". Some speakers predicted that suits brought against water development projects in the name of several naturalists organizations are stalling critically needed water development projects. Most of these same speakers noted that such legal obstructions are very costly to the taxpayer, and can be expected to be filed by the preservationists with increased frequency in the future. Mitchell noted that such "environmental obstructionists" add untold years to the life of a plan, finance, and construction of water surface water projects. Observing that it already has several decades to go before the proposed West Texas and Northern New Mexico surface water importation project, and there were no "environmental hurdles" to overcome, Mitchell emphasized the need for prevention of tailwater and groundwater conservation. Mitchell stated that the protection of groundwater is a critical interest of the area's economy, and is necessary for future generations.

### Farmers Home Administration And Commercial Lenders Work To Make Simultaneous Farm Loans

TEMPLE, TEXAS - Texas farmers will be able to tap the largest supply of supplemental credit in history this year through the Farmers Home Administration, State Director Lynn Futch announced today.  
"We project that more than \$81 million will be available to Texas farmers in fiscal year '72, as a result of cooperative efforts between the Farmers Home Administration and commercial lenders," he stated.  
The cooperative effort involves having the commercial credit source and Farmers Home Administration make simultaneous loans to a borrower, with the private lender having first claim on the security.  
"The farm ownership program is aimed to reach \$30 million - \$15 million of government money, with private lenders participating at a level of \$15 million," Futch continued.  
"Projected figures for the farm operating loan program is \$51 million of which \$22 1/2 million - triple last year's figure - comes from regular commercial lenders."  
Lending levels of FHA farm programs are also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that national funding would be \$350 million this fiscal year, \$82 million above 1971 levels, Futch said.  
The President also said the

The investors' money would replenish a revolving fund and would be available for more loans, as is the case now with farm ownership loans.  
"It will continue to be a policy to assist people in financing the credit needs of the farm area or to help finance farm operations," he said. "We are more committed governmentally only when we can use private money to serve the future's credit needs."  
"To assure this, the supervisors of the Farm Home Administration are requested to contact another lender in respect to every application for farm ownership or operating loans.  
"We are pleased with the cooperation extended by the other credit sources to make this plan work," he concluded.

### Southwest Farm Show Scheduled March 3, 4, 5

FORT WORTH - Another first for the Southwest was set recently when the Southwest Farm Show was selected for the site of a National Tractor Pull in 1972. The announcement was made by R.B. Allen, Executive Director, Southwest Hardware and Implement Association.  
The Southwest Farm Show and Tractor Pull will be held in the Fort Worth convention center, March 3-4-5, 1972. The three day event will be sponsored by more than 1,200 farm

equipment and hardware dealers in Texas, New Mexico and western Oklahoma. "Although tractor pulling is a new sport to this area, more than 1,500 tractor pullers and 45,000 farmers competing, one, mainly across the Midwest," Mr. Allen pointed out. "More among tractor drivers, and among tractor drivers, the machines pulling 40,000 lbs. a sled which is equipped with a weight transfer device and the sled is pulled from the weight is moved, and the wheels to the sled, making the burden on the axle until the tractor stalls, the wheels begin to spin. The tractor and driver during the move the sled is used to determine the winner."  
More than \$12,000 in prizes is being offered for tractor pullers and sled pullers from the Southwest and all over the country. Information for the show can be obtained from the Southwest Farm Show and Implement Association, 100,000 square feet of farm equipment and machinery will be on display at the show and admission is free.
