## Chiefs, Floyd Farm Bureau Fire Prevention Observance

Billy Marquis of the Floyd County Farm Bureau and Richard Ellison of the Floyd County Fire Department will lead the observance of National Fire Prevention Week Oct. 8-14.

That everyone develop safe habits with matches, good housekeeping, removal of rubbish, use of electrical safety and extension cords, adding more than 11,850 homes last year, and the fall and winter months the most vulnerable time for fire occurs when fire occurs rural property, six times the average city.

have attended under Farm Bureau sponsorship during the past nine years. Attending from Floyd County this summer was Dale Kliner.

The state and local Farm Bureaus also pay \$75 to fire departments for fighting rural fires on Farm Bureau insured property.

In addition to these programs, County Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration. More than 1,400 were given in some 200 different counties, before schools, civic clubs and other groups by the TFB Safety Department during the past ten years. Also, over 28,000 fire extinguishers have been sold to Farm Bureau members as a continuing program of rural fire protection.

See Proclamation, Page 10.

## City Sales Tax Collection Down

The City of Floydada has received a check from the state comptroller for \$10,164.67 for their one percent share of the sales tax collected in the city in the three-month period ending June 30, 1972. The City's 1972 quarterly share comes to \$1,815.53 less than the same period last year, when the collection was \$11,980.20.

ing June 30, 1972. The City's 1972 quarterly share comes to \$1,815.53 less than the same period last year, when the collection was \$11,980.20.

The decrease in the sales tax collection is attributed by city officials to the exemption of farm implement and equipment purchases from the tax. Most other cities in the area show a similar drop in collections. State remittances to other area cities with the local tax, with last year's collections in parenthesis:

Abernathy, \$6,249 (\$6,716); Earth, \$2,456 (\$3,829); Hale Center, \$3,840 (\$3,803); Hart, \$2,679 (\$2,832); Olton, \$5,740 (\$6,049); Petersburg, \$2,570 (\$3,767); Tulla, \$18,410 (\$20,080).

## Donny James Wins Grid Contest

Three entrants missed just three games in last week's Hesperian football contest, but only one circled a winner in the tie-breaker game. Donny James of 327 East Georgia, Floydada, picked Floydada to win in the tie-breaker, and was declared winner of first prize, \$7.50.

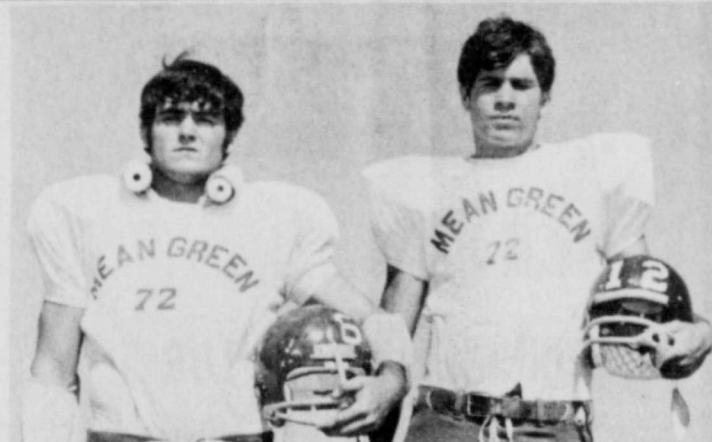

R. L. Rhoten, Box 321, Idalou, didn't pick a winner in the tie-breaking game, but came closer on the total score, with a guess of 28 (actual total 25) to take the \$5.00 second prize.

Sheree Cannon of Lockney was the third-place \$2.50 winner with three misses and 34 for a tie-breaker total, with no winner indicated.

Winner James mis-guessed on just the Texas Tech-Texas game (won by the Longhorns), the Boys Ranch-Vega contest (the Longhorns hook 'em again), and Plainview's conquest of the Amarillo Sandies.

Rhoten missed on Boys Ranch - Vega, Dimmitt-Lockney (you just can't tell about those Longhorns), and Muleshoe-Littlefield.

Ms. Cannon's wrong guesses were on the Dimmitt-Lock-

## 'Winds War With Wildcats

The Floydada Whirlwinds return to Littlefield Friday night, seeking revenge for last year's "first down" loss to the Wildcats that cost the Green and White a bi-district playoff spot.

The 7:30-p.m. contest rematches 1971's District 3-AA co-champs and, although it's a non-conference tilt this time, the 'Winds are still smarting from last season's game, when the 'Cats knocked them out of the playoffs in a scoreless tie that was even in penetrations. Littlefield was a warded the victory, and thus a share of the league title and the right to represent the district in the playoffs, on the strength of a 13-9 advantage in first downs.

The Floydadans bring a 3-0 season record to the game. Littlefield had its slate marred last week when they lost to AAA Muleshoe, 42-14. The Wildcats may have been looking forward to this week when they were slipped up on by the Mules.

The 'Cats return only two offensive starters from last year, senior tailback J. E. Johnson and end Larry Hoberatsch, also a senior. Johnson, a 6-2, 185-pound power and speed runner, is joined in the backfield by 145-pound junior speedster Pat Henderson, the leading scorer in 3-AA. Henderson broke for long TD runs of 30 and 80 yards in the Wildcats' 34-6 victory over Levelland the second game of the season.

Quarterback Terry Bryson, a 165-pound junior, is a good runner and passer.

The 'Cats return five defensive starters from 1971 - Johnson and Lenearl Lewis, a 5-9, 155-pound senior, at outside linebackers; Alan Mackey, 5-9, 160, a senior, in the defensive backfield; Bill Hamblin (5-10,

175, senior) at inside line- backer; and Jerry Cox (6-2, 205, senior) at tackle.

The Whirlwind coaches rate Littlefield "quicker and faster than last year." But awesome running back Ralph Funk is lost to graduation and Baylor.

The tentative starting line- up for Floydada, as released by Whirlwind head coach L. G. Wilson, looks like this:

OFFENSE

Ends - Mike Hale or John Cagle, and Marc Smitherman

Tackles - Steve Hale and Steve Holmes

Guards - West Whittle and Drew Lloyd

Center - Jay Jones

Quarterback - John Cagle or Mike Hale

Halfbacks - Rex Rose and Mark Vinson

Fullback - Jerry Hearon

DEFENSE

Ends - Mike Hale and Steve Hale

Tackles - Terry Bunch and Lynn Becker

Inside linebackers - Tony Goen and David Marricle

Corner linebackers - Jay Jones and Danny Bradford

Halfbacks - Errick Jones and Rance Young or Mark Vinson

Safety - John Cagle

## Game Tickets Available Here

Tickets to the Floydada-Littlefield game are for sale at Athletic Director Preston Watson's office at Floydada High School.

Prices will be the same as at the gate - \$1.50 for adults and 50¢ for students, but advance ticket holders can save a wait at the box office.

**SOUTH PLAINS NEWS by Mrs. Murray Julian**

SOUTH PLAINS, Oct. 2 - According to Charles Nelms of the South Plains Cooperative Gins, about 20 percent of the maize has been harvested, Saturday and Sunday was the first grain that had come in with moisture content under 14 percent. The maize yield seems to be heavier than usual, and this week coming up should be the busiest one as weather is beautiful. Last week there were some reports of frost around the country, but we had none here in South Plains.

Mrs. C. E. Bartlett of Floydada, mother of Mrs. Ocho Sanders of our community, fell in her yard Tuesday, and was taken to the Caprock Hospital, where she was found to have a broken hip. She is 84, but has an indomitable spirit and is doing fine at this time. She underwent surgery Wednesday morning.

Funeral services for Albert Hardin Turner, 77, of Lockney, were held in the First Baptist Church in Lockney, Friday with burial in Lockney Cemetery. Turner passed away Wednesday in the Central Plains Hospital in Plainview following a short illness. He was the father of Mrs. Ravanell Cummings (Zach) of Glen Rose. Mrs. Cummings and family are well known in our area, as the children grew up here, and attended school. Zach Cummings was with his father and uncle, Kendall Cummings visiting relatives during the week in South Plains.

Homecoming for ex-students for Floydada is October 20, with a football game with Falls. Lockney will have their homecoming Nov. 10, and a football game between Lockney and Floydada. Make plans to be present at your school homecoming.

Mr. and Mrs. J. A. Kinnibrugh of Vera spent from Friday to Sunday evening here with their son, Mr. and Mrs. Sylvan Kinnibrugh. Saturday they went to Lubbock to visit. Sunday guests here with them were another son, Mr. and Mrs. John Kinnibrugh and John Mark of Floydada. Beverly is in WT at Canyon this fall.

Several from our vicinity have gone, or plan to go, to hear the famed Bob Harrington from New Orleans, at Plainview, who is speaking this Sunday, Monday and Tuesday evenings. The L. N. Johnsons and Mrs. Ruby

Higginbotham were planning to go Sunday night.

Mr. and Mrs. Jack McCown of Lake Whitney returned home Thursday. They had been visiting her mother, Mrs. Walter Wood, but McCown's mother has not been well, so they returned to see about her.

Doc Bell, brother of Mrs. Leona Pearson died Saturday in Truth or Consequences, N. M., following a long illness and several strokes. Mrs. Pearson and another sister, Mrs. Barty Scott both reside in Truth or Consequences. Bell and his family lived at South Plains when they were children. Before moving back to New Mexico, he had lived in Canada, where he was a rancher. Grigsby Milton and Kenneth Bean flew to Albuquerque Monday morning to attend services and internment in Albuquerque. Bell has a son, Billy, who lies critically ill in an Albuquerque hospital following a car wreck.

The grandson of Mr. and Mrs. Early Pritchett, Kelly Turner, played with the "Country Kids", a group of musical performers from the grade schools at Floydada, at the Fair in Lubbock. There are six of them, who perform in the musical show, and they were a favorite at our Floyd County Fair.

Mrs. E. J. Kinslow will be hostess in her home Wednesday afternoon, Oct. 11, at 2 p.m. for members of the Hobby Club, who will have a program on "Good News For Women."

Mrs. Arby Mulder will assist Mrs. Kinslow as co-hostess for the meeting.

Mr. and Mrs. Johns Cox from south of Lockney visited Saturday evening with his sister, Mr. and Mrs. Alvin Nichols. Mrs. Nichols has been ill for several weeks at her home. We hope she can soon be up and around.

The son of Mr. and Mrs. C. W. Ramsey, Bobby Ramsey, of South Plains, left Friday for Rochester, Minn. to go to Mayo Clinic for special medication his doctor recommended. We understand this is the only place where this kind of medication is offered.

Mr. and Mrs. Billy Stanforth came home recently from Cuchara, Colo., where they spend much time during the summer months. They report it very dry in this resort area, which is near La Veta, and Wal-

senburg.

Hosts for the event will be Mr. and Mrs. Curtis Snor and family and Mr. and Mrs. Edwin Wilcox and family. The couple requests no gifts please.

## Museum Will Be Open For Exes During Homecoming

The Floyd County Historical Museum invites all ex-students and teachers to visit the Museum during Homecoming Oct. 20-21-22. The Museum will be open Friday and Saturday, Oct. 20 and 21 from 10 a.m. until 6 p.m. and on Sunday, Oct. 22 from 2 p.m. until 6 p.m. A spokesman said special exhibits of school pictures and Floydada High School Annuals will be on display. A reception for ex-teachers will be held at the Museum Friday afternoon, Oct. 20, and they are extended a special invitation to attend. Mrs. R. G. (Helen) Dunlap is in charge of arrangements and members of the Future Teachers of America, Floydada chapter, will host the event. The girls will be wearing costumes from the early days. The reception will give each an opportunity to meet their former teachers and the Museum Program committee is going "all-out" to make it an enjoyable occasion.

## Miss Jean Harris And Clinton Fawver Repeat Vows In Cone

Miss Jean Harris, daughter of Mr. and Mrs. Howard Harris of Cone, and Clinton Fawver, son of Mr. and Mrs. Carlton Fawver of Floydada, exchanged wedding vows Saturday evening, September 30 in the home of the bride's parents. The impressive twin ring ceremony was read at 7 o'clock by Rev. Joe Jackson, pastor of the Primitive Baptist Church in Floydada. Given in marriage by her parents and escorted by her father, the bride wore a street length dress of white brocade, accented by a single row of silver buttons at the front bodice, short sleeves and round neckline. Her bouffant veil of illusion descended to hip length in the back, and was worn over a mantilla, edged in wide border lace. She carried a bouquet of white carnations atop a white Bible.

Miss Diane Harris, sister of the bride, was maid of honor. She wore a navy blue street length dress fashioned with white collar and cuffs on the long sleeves, and carried a bouquet of blue carnations. Franklin Harris, Cone, brother of the bride, was best man and George Harris, Cone, also a brother, was candlelighter. Mrs. Mike Criswell of Can-

yon, sister of the groom, sang "Twelfth of Never." A reception in the home of the bride's parents, followed the wedding. The table was laid with a white cloth over blue and held a wedding cake decorated in white. Blue tinted punch was served from crystal appointments. Presiding at the table were Miss Linda Grigg and Miss Dixie Baird, both of Floydada. Mrs. Mike Criswell registered guests. For travel Mrs. Fawver changed to a navy blue and red dress with matching vest and navy blue accessories. After a wedding trip the couple will reside south of Floydada.

chance to vote on this." "To me, Ms. means nothing. All that comes to my mind is a misspelled word. I think a married lady prefers Mrs. and I think an unmarried woman wants the distinction of Miss before her name. I think there should certainly be a distinction." "Thanks for asking. I prefer just my first and last name or just Mrs. Bill Graham Jr." Mrs. Graham's preference was right on target with the proper legal name and title usage according to Emily Post's Etiquette. "A woman's legal name consists of her given name, her maiden name and her husband's name," Emily Post says. "The title of Mrs. is never used with the legal signature since it should be used only with a woman's husband's first name. The only possible exception is in the case of a professional woman who wishes it to be known that she is married but does not wish her husband's name to appear. In that case she may put 'Mrs.' in parentheses before her signature."

The Emily Post style is the most widely used by women for legal documents, correspondence and signatures. But for a newspaper, this style is sometimes frustrating. For instance, on second reference in a story written in the third person, should be referred to as Miss Post or Mrs. Post? And would she vary by region, size of the community and other factors. Virtually all community newspapers adapt a less formal style - based mainly on the preferences of local women. Style also varies by region, size of the community and other factors. Generally, only the metropolitan dailies - which are necessarily more impersonal - adhere strictly to the formal style. (However, it is said that the women's editor of a small daily in this area automatically throws out any list of women's names not submitted in formal style.) The 'Ms.' designation is no catch-all solution, either. It has its own style problems as Linda Davis Johnson of Austin pointed out: "According to an article I read by Amy Vanderbilt not long ago and according to some of the more militant libbers, the Ms. distinction is intended to be used only with the woman's name, Ms. Lydia Jones. Therefore it would be incorrect to write Ms. Frank Jones or Mr. and Ms. Jones. If the idea is to give the woman more individuality, we would be defeating that purpose if we use the Ms. with her husband's name."

Mrs. Davis also raised a question that probably is on many other women's minds: "Why must we use any preface before a woman's name, unless perhaps it is an unusual name that might be confused with a man's? Why can't a woman simply be known by her name with Mrs., Miss or Ms.?"

FLOYDADA has had the privilege of having numerous dignitaries to visit in our city and today will be no exception with a visit from Mrs. John Tower. As many as possible should be at the Massie Activity Center to welcome out of town guests and show our appreciation to the Murrays for their wonderful gift to Floydada.

AT one time in the history of Floydada we had a General to visit here, and plans for him to return for a qual hunt fell through when his host, the late Jack Henry sustained broken legs in a mishap just prior to the visit. The late General Jonathan M. Wainwright had plans to visit in the Henry home the latter part of 1946, a date he made when he left Floydada following his Independence Day address. The general's qual hunt was to have been made by jeep, with a little actual foot travel as possible since he suffered considerably from freezing and frostbite during his long imprisonment by the Japanese after he surrendered Corregidor and was taken to Manchuria. If I remember correctly Mrs. Henry sold Gen. Wainwright a hearing aid while he was in Floydada.

WOMEN readers prefer Mrs. or Miss over Ms. The following is from the editorial page of the Amarillo Daily News a few weeks ago. The comment was taken from The Council Bluffs Nonpartiel: "The new title Ms in lieu of Miss or Mrs. stands for Mighty Silly." My feelings exactly, "Who wants to be an 'It'?" "I definitely do not like the Ms."

"I don't want no part of that liberation deal. Bal!"

"I prefer Mrs. or Mrs., very definitely."

"Let the Libs do what they want to, I think they are going to get in deep water. By all means, Mrs."

"If I were an old maid I certainly would not wish to be mistaken for a Mrs. and assure you that I would hate to Miss anything! Thanks for my

## Candlelight Ceremony Unites Miss Teresa Ann Colston And Mark Lewis Whittle

A candlelight ceremony read in the sanctuary of the First Baptist Church Saturday, September 30 united in marriage Miss Teresa Ann Colston and Mark Lewis Whittle. Dr. Floyd C. Bradley, pastor, performed the double-ring vows before a setting of branched candelabra joined with satin ropes, emerald foliage, baskets of white glads and pom poms and palms of commodore foliage. A wedding candelabra centered the altar arrangement.

The bride is the daughter of Mr. and Mrs. J. B. Colston, Route 4, Floydada, and the groom is the son of Mr. and Mrs. C. C. Whittle, Route 1, Floydada.

Given in marriage by her father, the bride wore a gown of pearl beaded rose point lace and satapeau. The all-lace bodice was designed with a high wedding band neckline of natural scallops and long lace sleeves. A controlled demit-bell shaped skirt was sprinkled in pearl beaded lace medallions, and matching lace bordered the hemline.

Her matching mantilla veil was outlined in lace scallops, frosted in seed pearls, and drifted to chapel length. She wore the traditional blue garter, crystal earrings belonging to her paternal grandmother, Mrs. B. A. Colston, and a rosebud shaped ring belonging to a friend. In each of her slippers were pennies bearing her birthdate, and that of the groom.

The bride carried a cascade type bouquet of white sweetheart rosebuds and white starburst mums showered with baby's breath.

As the bride joined the groom each paused to light the wedding candle at the altar.

Miss Brenda Willis, Floydada, was maid of honor and Misses Kay Russell and Mychele Reed were bridesmaids. They wore royal blue satin dresses through the states of New Mexico, Arizona, Nevada, California, Oregon, Washington, Idaho and Colorado. One of the highlights of their trip was touring the ranch house and a portion of the Ponderosa Ranch in Nevada. The ranch is where the television series Bonanza is filmed. The Russells enjoyed a Hoss-burger while there, grill by a foster brother of the late Hoss Cartwright. They enjoyed the Lawrence Welk's show at Lake Tahoe and said they found the state of Oregon the most beautiful and more points of interest to see, but found Floyd County still good to come home to. The Russells visited the Bill Daniels in Eureka, Calif. Bill is a former Floyd County boy, now teaching at the University in Eureka. He is the son of Ruth Daniel at Dougherty.

dresses with full sheer sleeves, fashioned with square neckline, and empire waists with white embroidered trim. Their controlled demit-bell shaped skirts were designed to match that of the bride.

Feminine attendants carried semi-colonial bouquets of mixed white and yellow pom poms trimmed in springerli fern garlands and baby's breath. Miss Kelli McDowell and Danny Colston, brother of the bride, were candlelighters. Miss McDowell wore a gown styled like those of bridal attendants and wore wristlets of flowers.

Rickey McDowell, Floydada, was best man and brothers of the groom, West Whittle of Floydada and Dennis Whittle of Canyon were groomsmen. Edwin Wilcox of Abernathy, cousin of the bride, and Mac Lewis of Lubbock, cousin of the groom, served as ushers.

Mrs. Bill Hardin was organist and accompanied Mrs. Sharon Kinard as she sang "Twelfth of Never," and "The Wedding Prayer."

National Coaches Day

By the President of the United States of America A Proclamation

Over the years, we as a Nation have become increasingly sports-minded. We are intensely aware of the achievements of our professional athletes and have given them well-deserved recognition. We are especially proud this year of the members of our Olympic teams. And we are also enthusiastic about the fine athletes in our high schools, colleges, and universities.

Yet, despite the talent of these men and women and their initial promise, many of them could not have risen to their current performance levels without the guidance and encouragement of those who have coached them at every stage of their progression. Whether or not they achieve athletic distinction, most of those who participate in organized sports will become better citizens because of the lessons they have learned from their coaches and because of the example which their coaches have set for them.

Coaches are highly qualified teachers—in highly specialized fields. But more than that, they are friends and counselors who help to instill in their charges important attitudes that will serve them all their lives. I know from my own experience how much an understanding coach can do to shape the life of a young person. For a coach can help to teach a student the value of teamwork, discipline, and a healthy attitude toward competition. A coach can help a young person learn how to win gracefully and how to grow from defeat. A coach can help build that moral fiber on which our future as a Nation depends.

The coaches of America, in sports and in many other fields of endeavor, do not work for personal glory. Their satisfaction usually comes through the achievements of others whom they have helped. It is appropriate that our Nation join in honoring them the recognition and honor which they so richly deserve, for they represent the finest elements in the American character.

NOW, THEREFORE, I, RICHARD NIXON, President of the United States of America, in consonance with Senate Joint Resolution 213, do hereby proclaim October 6, 1972, as National Coaches Day. I call upon the people of the United States and interested groups and organizations to observe that day with appropriate ceremonies and activities.

IN WITNESS WHEREOF, I have hereunto set my hand this nineteenth day of September, in the year of our Lord nineteen hundred seventy-two, and of the Independence of the United States of America the one hundred ninety-seventh.

Cindy Simpson was named the Chapter Sweetheart and Penny Bertrand was selected Plowgirl, and both received charm bracelets.

Other sweetheart, plowgirl candidates were Kathy Hinsley, Nesa Jackson, Rhonda Jackson and Roxanne Fry.

The Floydada chapter entered crops at the South Plains Fair at Lubbock and received prizes on several entries. They also received prize money on shop projects. Bill Whitaker and Willis Bunch entered rabbits in the fair show, and Whitaker came away with two blue ribbons and one red.

National Coaches Day Friday

President Nixon has proclaimed Friday, Oct. 6, 1972 National Coaches Day. Senator John Tower, introducing Senate Joint Resolution 213 authorizing the proclamation, said:

"Mr. President, I arise today to introduce a joint resolution authorizing the President to proclaim October 6, 1972 as 'National Coaches' Day.'"

"Thomas Carlyle said: 'The man without a purpose in life is like a ship without a rudder - a waf, a nothing, a no man. Have a purpose in life, and having it, throw such strength of mind and muscle into your work as God has given you.'"

"Thousands of coaches across the Nation have a very special purpose in life. Today when many people are saying that our great country has lost its way, the coach is tirelessly instilling in our youth the

attributes they need to broaden their horizons, to mature and to approach life in a purposeful and meaningful manner.

"The coach is a special person to millions of school age boys and girls. He embodies many of the fine qualities which our youth aspire to attain upon reaching adulthood. His lessons in life - such as pride, competition, cooperation, and determination - are some of the most valuable taught in school today."

"The competition that the coach teaches is a constructive tool for the youth to use to develop his abilities. #### HOW MUCH CAN YOU AFFORD?

Have you been having problems making ends meet? Have you found yourself spending more than you make? Perhaps learning how to use credit wisely can solve some of your problems.

We live in a credit world - moving toward a "Cashless Society." More and more people are using more and more credit. Credit does give people who don't have cash a chance to buy in the market place.

A credit transaction is based on trust. We have an obligation to repay money which we borrow. Credit is the present use of future income. Using credit means using someone else's money.

To figure what you can afford, list categories of spending and record your expenditures for a period of time. Weigh the amount you are spending against your income. Is there money left for additional payments? Plan future expenditures based on what you spend now. Allow for the unexpected expenses.

In deciding whether or not to use credit ask yourself these questions:

- Is this item worth the added cost?
- Will the item last longer than the payment period?
- Could I save now to pay cash for future items?

What is the difference between the cash price and the credit price?

- Could I pay less by choosing another form of credit?

- Could I make a larger down payment without upsetting the family spending plan?

- Do I pay off debts as quickly as possible?

- Can I meet this payment plus all other monthly expenses?

Credit can be helpful if handled in the right way. If you have a need or interest in learning more about credit - cost of it, getting and keeping a good credit rating, credit contracts and the psychological aspects of credit, make plans to attend a program on credit on October 19 in Lubbock.

### Nursing Home Happenings

(By Faye Walters)

It's been like a bee hive around here all week. Everyone has been busy but we set the date for our Fair. It will be Oct. 20 and 21 from 3:30 p.m. until 7 p.m. We also picked our contestants for our Fair Queen. They are Mollie Sedgwick, Ida Martin and Lillie Luttrell.

We also have two contestants for king. They are C. A. Breeding and Henry Baker. Come on out and cast your vote for the king or queen of your choice. It's a penny a vote.

We have another new resident. She is Mrs. Dillard and we welcome her and are looking forward to our association with her.

A lot of visitors were out last week and over the weekend. This makes our residents happy as do the good devotions each week.

All our happenings have not been happy ones this week. Ethel Long is still in the hospital and Oma McBee passed away. She was a lovely lady and our home will not be the same without her. I would like to dedicate the following poem in her memory.

Oma McBee was so kind, so gentle and always so sweet,

TRIP TO ROSWELL . . . Clara Davis left Floydada Monday to Eastern New Mexico University's Roswell campus to enter E-P, the High School Equivalency Program. Olin Watson, representing the Floydada Community Action Board, helps check her ticket before she boards the bus. The H-E-P is conducted through the Special Field Programs Migrant Division. Miss Davis, for weeks to three months, can receive a high school equivalent. H-E-P students get free room and board, books, medical exams and transportation to and from the H-E-P college, plus \$10 a week in allowance. Several others from Floyd County have accepted in the program, including Beatriz Mendoza, Jose Pompa and Hinajosa. Application blanks are available at John Campbell at the Community Action Center in Floydada.

### Precautions Can Avoid Farm Fires

Farm fires are potentially the most dangerous, because the farmer, his family and his property are usually miles away from the nearest fire department or from neighbors who could lend assistance. Never is a farm so isolated than when a fire strikes.

Farm families should take all precautions to prevent accidental fires and they should use all methods of fighting fires if they do start, says Alfred A. Harrison, Farmers Home Administration county supervisor in Floydada.

The Farmers Home Administration, in observance of National Fire Prevention Week, offers this list of fire prevention and protection ideas:

1. Make sure every member of your family knows how to call the fire department. Post the fire department number at the telephone. Also make sure your fire department knows the layout of your farm, house and barn, and the location of water supplies.
2. Check condition of heating equipment. Make all repairs

3. Check electric wiring for wear and loads - replace worn and inadequate wiring. Use only 15-ampere fuses unless a circuit has been especially designed for larger loads.
4. Keep fire fighting tools accessible in an emergency.
5. Have ladders ready for escape and fire fighting.
6. Keep fire extinguishers on hand. Check them and recharge them as necessary. Also, protect them from freezing during winter.
7. Maintain a water supply in cisterns and tanks. They may be the only water for fighting fires.

### PROCLAMATION

BY THE COUNTY JUDGE OF FLOYD COUNTY

TO ALL TO WHOM THESE PRESENTS SHALL COME

I, J. K. Holmes, County Judge of Floyd County, do hereby declare the week of October 8-14, 1972 as FIRE PREVENTION WEEK in Floyd County, for the following reasons:

WHEREAS, according to the National Fire Protection Association - FIRE'S DAILY TOLL . . . every single day is an average of 33 lives, 1,486 homes, 215 schools and college buildings, 10 churches, 22 hospitals, 116 farm buildings, 142 industrial plants, stores, restaurants, and office buildings.

WHEREAS fire claimed 11,850 lives and \$2 billion last year as a result of ordinary human carelessness to observe basic safety precautions;

WHEREAS every year about half of America's deaths occur in towns under 10,000 population; and

WHEREAS we feel that rural America should be included in FIRE PREVENTION WEEK, October 8-14, we urge all rural citizens of this county to be especially in using liquefied petroleum gas, gasoline and other petroleum products, electrical appliances, as well as oil space heating systems; and

WHEREAS consideration should be given to protecting buildings from lightning damage, that all trash is disposed of in proper manner, that all heating systems are in proper order, and that good housekeeping is practiced in all buildings;

WHEREAS the Floyd County Farm Bureau, in cooperation with all fire departments in the county have worked together to emphasize fire prevention and protection in the rural areas in our cities and towns;

THEREFORE, I urge all citizens of Floyd County to be especially in recognizing this special period by working together a year to more fully realize the benefits of FIRE PREVENTION WEEK.

/s/ J. K. Holmes  
Floyd County Judge

## Fire Prevention Observance

Billy Marquis of the Farm Bureau sponsored the observance. He was joined by Richard Ellison, Floyd County Farm Bureau president, and other community members.

have attended under Farm Bureau sponsorship during the past nine years. Attending from Floyd County this summer was Dale Kincer.

The state and local Farm Bureaus also pay \$75 to fire departments for fighting rural fires on Farm Bureau insured property.

In addition to these programs, County Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration. More than 1,400 were given in some 200 different counties, before schools, civic clubs and other groups by the TFB Safety Department during the past ten years. Also, over 28,000 fire extinguishers have been sold to Farm Bureau members as a continuing program of rural fire protection.

## City Sales Tax Collection Down

The City of Floydada has received a check from the state comptroller for \$10,164.67 for their one percent share of the sales tax collected in the city in the three-month period ending June 30, 1972.

The City's 1972 quarterly share comes to \$1,315.53 less than the same period last year, when the collection was \$11,980.20.

The decrease in the sales tax collection is attributed by city officials to the exemption of farm implement and equipment purchases from the tax.

Most other cities in the area show a similar drop in collections. State remittances to other area cities with the local tax, with last year's collections in parenthesis:

Abernathy, \$6,249 (\$6,716); Earth, \$2,456 (\$3,829); Hale Center, \$3,840 (\$3,803); Hart, \$2,679 (\$2,832); Olton, \$5,740 (\$6,049); Petersburg, \$2,570 (\$3,767); Tulia, \$18,410 (\$20,080).

## Donny James Wins Grid Contest

Three entrants missed just three games in last week's Hesperian football contest, but only one circled a winner in the tie-breaker game. Donny James of 327 East Georgia, Floydada, picked Floydada to win in the tie-breaker, and was declared winner of first prize, \$7.50.

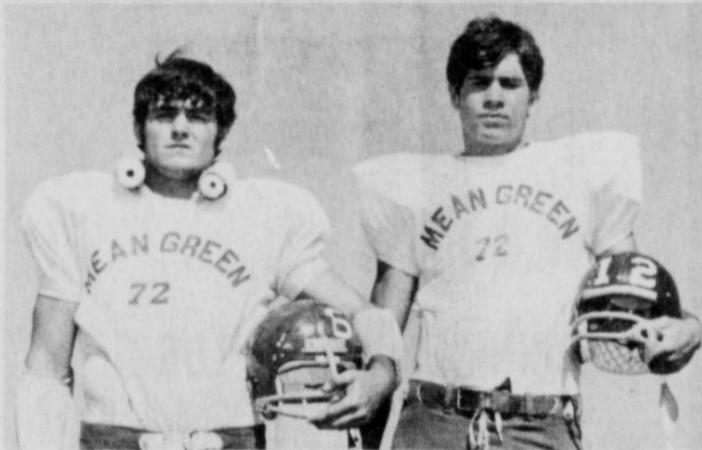

R. L. Rhoten, Box 321, Idalou, didn't pick a winner in the tie-breaking game, but came closer on the total score, with a guess of 28 (actual total 25) to take the \$5.00 second prize. Sheree Cannon of Lockney was the third-place \$2.50 winner with three misses and 34 for a tie-breaker total, with no winner indicated.

Winner James mis-guessed on just the Texas Tech-Texas game (won by the Longhorns), the Boys Ranch-Vega contest (the Longhorns hook 'em again), and Plainview's conquest of the Amarillo Sandies.

Rhoten missed on Boys Ranch - Vega, Dimmitt-Lockney (you just can't tell about those Longhorns), and Muleshoe-Littlefield.

Ms. Cannon's wrong guesses were on the Dimmitt-Lock-

## 'Winds War With Wildcats

The Floydada Whirlwinds return to Littlefield Friday night, seeking revenge for last year's "first down" loss to the Wildcats that cost the Green and White a bi-district playoff spot.

The 7:30-p.m. contest re-matches 1971's District 3-AA co-champs and, although it's a non-conference tilt this time, the 'Winds are still smarting from last season's game, when the 'Cats knocked them out of the playoffs in a scoreless tie that was even in penetrations. Littlefield was a warded the victory, and thus a share of the league title and the right to represent the district in the playoffs, on the strength of a 13-9 advantage in first downs.

The Floydadans bring a 3-0 season record to the game. Littlefield had its slate marred last week when they lost to AAA Muleshoe, 42-14. The Wildcats may have been looking forward to this week when they were slipped up on by the Mules.

The 'Cats return only two offensive starters from last year, senior tailback J. E. Johnson and end Larry Hobratsch, also a senior. Johnson, a 6-2, 185-pound power and speed runner, is joined in the backfield by 145-pound junior speedster Pat Henderson, the leading scorer in 3-AA. Henderson broke for long TD runs of 30 and 80 yards in the Wildcats' 34-6 victory over Levelland the second game of the season.

Quarterback Terry Bryson, a 165-pound junior, is a good runner and passer.

The 'Cats return five defensive starters from 1971-Johnson and Lenearl Lewis, a 5-9, 155-pound senior, at outside linebackers; Alan Mackey, 5-9, 160, a senior, in the defensive backfield; Bill Hamblin (5-10,

175, senior) at inside linebacker; and Jerry Cox (6-2, 205, senior) at tackle.

The Whirlwind coaches rate Littlefield "quicker and faster than last year." But awesome running back Ralph Funk is lost to graduation and Baylor. The tentative starting lineup for Floydada, as released by Whirlwind head coach L. G. Wilson, looks like this:

OFFENSE  
Ends - Mike Hale or John Cagle, and Marc Smitherman  
Tackles - Steve Hale and Steve Holmes  
Guards - West Whittle and Drew Lloyd  
Center - Jay Jones  
Quarterback - John Cagle or Mike Hale  
Halfbacks - Rex Rose and Mark Vinson  
Fullback - Jerry Hearon  
DEFENSE  
Ends - Mike Hale and Steve Hale

Tackles - Terry Bunch and Lynn Becker  
Inside linebackers - Tony Goen and David Marricle  
Corner linebackers - Jay Jones and Danny Bradford  
Halfbacks - Errick Jones and Rance Young or Mark Vinson  
Safety - John Cagle

## Game Tickets Available Here

Tickets to the Floydada-Littlefield game are for sale at Athletic Director Preston Watson's office at Floydada High School.

Prices will be the same as at the gate - \$1.50 for adults and 50¢ for students, but advance ticket holders can save a wait at the box office.

## Museum Will Be Open For Exes During Homecoming

The reception will give each an opportunity to meet their former teachers and the Museum Program committee is going "all-out" to make it an enjoyable occasion.

## Miss Jean Harris And Clinton Fawver Repeat Vows In Cone

Miss Jean Harris, daughter of Mr. and Mrs. Howard Harris of Cone, and Clinton Fawver, son of Mr. and Mrs. Carlton Fawver of Floydada, exchanged wedding vows Saturday evening, September 30 in the home of the bride's parents.

The impressive twin ring ceremony was read at 7 o'clock by Rev. Joe Jackson, pastor of the Primitive Baptist Church in Floydada.

Given in marriage by her parents and escorted by her father, the bride wore a street length dress of white brocade, accented by a single row of silver buttons at the front bodice, short sleeves and round neckline. Her bouffant veil of illusion descended to hip length in the back, and was worn over a mantilla, edged in wide border lace. She carried a bouquet of white carnations atop a white Bible.

Miss Diane Harris, sister of the bride, was maid of honor. She wore a navy blue street length dress fashioned with white collar and cuffs on the long sleeves, and carried a bouquet of blue carnations.

Franklin Harris, Cone, brother of the bride, was best man and George Harris, Cone, also a brother, was candlelighter.

Mrs. Mike Criswell of Can-

yon, sister of the groom, sang "Twelfth of Never."

A reception in the home of the bride's parents, followed the wedding. The table was laid with a white cloth over blue and held a wedding cake decorated in white. Blue tinted punch was served from crystal appointments. Presiding at the table were Miss Linda Grigg and Miss Dixie Baird, both of Floydada. Mrs. Mike Criswell registered guests.

For travel Mrs. Fawver changed to a navy blue and red dress with matching vest and navy blue accessories.

After a wedding trip the couple will reside south of Floydada.

chance to vote on this."

"To me, Ms. means nothing. All that comes to my mind is a misspelled word. I think a married lady prefers Mrs. and I think an unmarried woman wants the distinction of Miss before her name. I think there should certainly be a distinction."

"Thanks for asking. I prefer just my first and last name or just Mrs. Bill Graham Jr."

Mrs. Graham's preference was right on target with the proper legal name and title usage according to Emily Post's Etiquette.

"A woman's legal name consists of her given name, her maiden name and her husband's name," Emily Post says. "The title of Mrs. is never used with the legal signature since it should be used only with a woman's husband's first name. The only possible exception is in the case of a professional woman who wishes it to be known that she is married but does not wish her husband's name to appear. In that case she may put 'Mrs.' in parentheses before her signature."

The Emily Post style is the most widely used by women for legal documents, correspondence and signatures. But for a newspaper, this style is sometimes frustrating. For instance, on second reference in a story written in the third person, should be referred to as Miss Post or Mrs. Post? And would she be varies by region, size of the community and other factors.

Virtually all community newspapers adapt a less formal style - based mainly on the preferences of local women. Style also varies by region, size of the community and other factors.

Generally, only the metropolitan dailies - which are necessarily more impersonal - adhere strictly to the formal style. (However, it is said that the women's editor of a small daily in this area automatically throws out any list of women's names not submitted in formal style.)

The 'Ms.' designation is no catch-all solution, either. It has its own style problems as Linda Davis Johnson of Austin pointed out:

"According to an article I read by Amy Vanderbilt not long ago and according to some of the more militant libbers, the Ms. distinction is intended to be used only with the woman's name, Ms. Lydia Jones. Therefore it would be incorrect to write Ms. Frank Jones or Mr. and Ms. Jones. If the idea is to give the woman more individuality, we would be defeating that purpose if we use the Ms. with her husband's name."

Mrs. Davis also raised a question that probably is on many other women's minds: "Why must we use a preface before a woman's name, unless perhaps it is an unusual name that might be confused with a man's? Why can't a woman simply be known by her name with Mrs., Miss or Ms.?"

Mrs. Wayne Russells have just recently returned from a vacation trip which took them

## Candlelight Ceremony Unites Miss Teresa Ann Colston And Mark Lewis Whittle

A candlelight ceremony read in the sanctuary of the First Baptist Church Saturday, September 30 united in marriage Miss Teresa Ann Colston and Mark Lewis Whittle.

Dr. Floyd C. Bradley, pastor, performed the double-ring vows before a setting of branched candelabra joined with satin ropes, emerald foliage, baskets of white glads and pom poms and palms of commadore foliage. A wedding candelabra centered the altar arrangement.

The bride is the daughter of Mr. and Mrs. J. B. Colston, Route 4, Floydada, and the groom is the son of Mr. and Mrs. C. C. Whittle, Route 1, Floydada.

Given in marriage by her father, the bride wore a gown of pearl beaded rose point lace and satrapeau. The all-lace bodice was designed with high wedding band neckline of natural scallops and long lace sleeves. A controlled demibell shaped skirt was sprinkled in pearl beaded lace medallions, and matching lace bordered the hemline.

Her matching mantilla veil was outlined in lace scallops, frosted in seed pearls, and drifted to chapel length. She wore the traditional blue garter, crystal earrings belonging to her paternal grandmother, Mrs. B. A. Colston, and a rosebud shaped ring belonging to a friend. In each of her slippers were pennies bearing her birthdate, and that of the groom.

The bride carried a cascade tie bouquet of white sweetheart rosebuds and white starburst mums showered with baby's breath.

As the bride joined the groom each paused to light the wedding candle at the altar. Miss Brenda Willis, Floydada, was maid of honor and Misses Kay Russell and Mychele Reed were bridesmaids. They wore royal blue satin

through the states of New Mexico, Arizona, Nevada, California, Oregon, Washington, Idaho and Colorado. One of the highlights of their trip was touring the ranch house and a portion of the Ponderosa Ranch in Nevada. The ranch is where the television series Bonanza is filmed. The Russells enjoyed a Hoss-burger while there, which was cooked on an outside grill by a foster brother of the late Hoss Cartwright. They enjoyed the Lawrence Welk's show at Lake Tahoe and said they found the state of Oregon the most beautiful and more points of interest to see, but found Floyd County still good to come home to. The Russells visited the Bill Daniels in Eureka, Calif. Bill is a former Floyd County boy, now teaching at the University in Eureka. He is the son of Ruth Daniel at Dougherty.

dresses with full sheer sleeves, fashioned with square neckline, and empire waists with white embroidered trim. Their controlled demibell shaped skirts were designed to match that of the bride.

Feminine attendants carried semi-colonial bouquets of mixed white and yellow pom poms trimmed in springerl fern garlands and baby's breath. Miss Kelli McDowell and Danny Colston, brother of the bride, were candlelighters. Miss McDowell wore a gown styled like those of bridal attendants and wore wristlets of flowers.

Rickey McDowell, Floydada, was best man and brothers of the groom, West Whittle of Floydada and Dennis Whittle of Canyon were groomsmen. Edwin Wilcox of Abernathy, cousin of the bride, and Mac Lewis of Lubbock, cousin of the groom, served as ushers.

Mrs. Bill Hardin was organist and accompanied Mrs. Sharon Kinard as she sang "Twelfth of Never" and "The Wedding Prayer."

FLOYDADA has had the privilege of having numerous dignitaries to visit in our city and today will be no exception with a visit from Mrs. John Tower. As many as possible should be at the Massie Activity Center to welcome out of town guests and show our appreciation to the Murrays for their wonderful gift to Floydada.

AT one time in the history of Floydada we had a General to visit here, and plans for him to return for a quail hunt fell through when his host, the late Jack Henry sustained broken legs in a mishap just prior to the visit. The late General Jonathan M. Wainwright had plans to visit in the Henry home the latter part of 1946, a date he made when he left Floydada following his Independence Day address. The general's quail hunt was to have been made by jeep, with little actual foot travel as possible since he suffered considerably from freezing and frostbite during his long imprisonment by the Japanese after he surrendered Corregidor and was taken to Manchuria. If I remember correctly Mrs. Henry sold Gen. Wainwright a hearing aid while he was in Floydada.

WOMEN readers prefer Mrs. or Miss over Ms. The following is from the editorial page of the Amarillo Daily News a few weeks ago. The comment was taken from The Council Bluffs Nonpariel: "The new title Ms in lieu of Miss or Mrs. stands for Mighty Silly." My feelings exactly, "Who wants to be an 'It'?" "I definitely do not like the Ms."

"I don't want no part of that liberation deal, Ba!" "I prefer Miss or Mrs., very definitely."

### National Coaches Day

By the President of the United States of America  
A Proclamation

Over the years, we as a Nation have been increasingly sports-minded. We are intensely aware of the achievements of our professional athletes and have given them well-deserved recognition. We are especially proud this year of the members of our Olympic teams. And we are also enthusiastic about the fine athletes in our high schools, colleges, and universities.

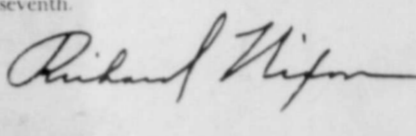

Yet, despite the talent of these men and women and their initial promise, many of them could not have risen to their current performance levels without the guidance and encouragement of those who have coached them at every stage of their progression. Whether or not they achieve athletic distinction, most of those who participate in organized sports will become better citizens because of the lessons they have learned from their coaches and because of the example which their coaches have set for them.

Coaches are highly qualified teachers—in highly specialized fields. But more than that, they are friends and counselors who help to instill in their charges important attitudes that will serve them all their lives. I know from my own experience how much an understanding coach can do to shape the life of a young person. For a coach can help to teach a student the value of teamwork, discipline, and a healthy attitude toward competition. A coach can help a young person learn how to win gracefully and how to grow from defeat. A coach can help build that moral fiber on which our future as a Nation depends.

The coaches of America, in sports and in many other fields of endeavor, do not work for personal glory. Their satisfaction usually comes through the achievements of others whom they have helped. It is appropriate that our Nation join in according them the recognition and honor which they so richly deserve, for they represent the finest elements in the American character.

NOW, THEREFORE, I, RICHARD NIXON, President of the United States of America, in consonance with Senate Joint Resolution 213, do hereby proclaim October 6, 1972, as National Coaches Day. I call upon the people of the United States and interested groups and organizations to observe that day with appropriate ceremonies and activities.

**National Coaches Day Friday**

President Nixon has proclaimed Friday, Oct. 6, 1972 National Coaches Day. Senator John Tower, introducing Senate Joint Resolution 213 authorizing the proclamation, said:

"Mr. President, I am today to introduce a joint resolution authorizing the President to proclaim October 6, 1972 as 'National Coaches' Day.'"

"Thomas Carlyle said: 'The man without a purpose in life is like a ship without a rudder—a waif, a nothing, a no man. Have a purpose in life, and having it, throw such strength of mind and muscle into your work as God has given you.'"

"Thousands of coaches across the Nation have a very special purpose in life. Today when many people are saying that our great country has lost its way, the coach is tirelessly instilling in our youth the

attributes they need to broaden their horizons, to mature and to approach life in a purposeful and meaningful manner.

"The coach is a special person to millions of school age boys and girls. He embodies many of the fine qualities which our youth aspire to attain upon reaching adulthood. His lessons in life—such as pride, competition, cooperation, and determination—are some of the most valuable taught in school today.

"The competition that the coach teaches is a constructive tool for the youth to use to develop his abilities. It is not a ruthless or senseless competition. It is more than a scramble for the extra yard on the gridiron or the one-tenth of a second faster time on the last lap of a mile run. It is the development of the desire to give completely to the race of life, and the ability to lead a

full, exuberant life.

"The coach who develops the athlete—the sense of achievement. Every sport has at the fine playing or a down of youth learns that there with a friend than he can by the beginning of a community cooperated played such a role in the history of our youth.

Finally, the youth a spirit of He encourages the youth to dare to dream—set, the state district, the State mandates the persistence, and which can often come true.

"For a fine healthy in body and would like to be coach."

### NEWS FOR HOMEMAKERS

By Billie McMorris

**HOW MUCH CAN YOU AFFORD?**  
Have you been having problems making ends meet? Have you found yourself spending more than you make? Perhaps learning how to use credit wisely can solve some of your problems.

We live in a credit world - moving toward a "Cashless Society." More and more people are using more and more credit. Credit does give people who don't have cash a chance to buy in the market place. A credit transaction is based on trust. We have an obligation to repay money which we borrow. Credit is the present use of future income. Using credit means using someone else's money.

To figure what you can afford, list categories of spending and record your expenditures for a period of time. Weigh the amount you are spending against your income. Is there money left for additional payments? Plan future expenditures based on what you spend now. Allow for the unexpected expenses.

In deciding whether or not to use credit ask yourself these questions:  
- Is this item worth the added cost?  
- Will the item last longer than the payment period?  
- Could I save now to pay cash for future items?

- What is the difference between the cash price and the credit price?  
- Could I pay less by choosing another form of credit?  
- Could I make a larger down payment without upsetting the family spending plan?  
- Do I pay off debts as quickly as possible?  
- Can I meet this payment plus all other monthly expenses?  
Credit can be helpful if handled in the right way. If you have a need or interest in learning more about credit - cost of it, getting and keeping a good credit rating, credit contracts and the psychological aspects of credit, make plans to attend a program on credit on October 19 in Lubbock.

### Nursing Home Happenings

(By Faye Walters)  
It's been like a bee hive around here all week. Everyone has been busy but we set the date for our Fair, it will be Oct. 20 and 21 from 3:30 p.m. until 7 p.m. We also picked our contestants for our Fair Queen. They are Mollie Sedgewick, Ida Martin and Lillie Luttrell.

We also have two contestants for king. They are C. A. Breeding and Henry Baker. Come on out and cast your vote for the king or queen of your choice. It's a penny a vote.

We have our new resident. She is Mrs. Dillard and we welcome her and are looking forward to our association with her.

A lot of visitors were out last week and over the weekend. This makes our residents happy as do the good devotions each week.

All our happenings have not been happy ones this week. Ethel Long is still in the hospital and Oma McBee passed away. She was a lovely lady and our home will not be the same without her. I would like to dedicate the following poem in her memory.

Oma McBee was so kind, so gentle and always so sweet,

**TRIP TO ROSWELL . . .** Clara Davis left Floydada Monday to Eastern New Mexico University's Roswell campus to enter E-P, the High School Equivalency Program. Olin Watson, acting the Floydada Community Action Board, helps check her before she boards the bus. The H-E-P is conducted through the Special Field Programs Migrant Division. Miss Davis, weeks to three months, can receive a high school equivalent. H-E-P students get free room and board, books, medical exam and transportation to and from the H-E-P college, plus \$10 a month allowance. Several others from Floyd County have accepted in the program, including Beatriz Mendoza, Jose Pompey Hinajosa. Application blanks are available at John Campbell at the Community Action Center in Floydada.

### Precautions Can Avoid Farm Fires

Farm fires are potentially the most dangerous, because the farmer, his family and his property are usually miles away from the nearest fire department or from neighbors who could lend assistance. Never is a farm so isolated than when a fire strikes.

Farm families should take all precautions to prevent accidental fires and they should use all methods of fighting fires if they do start, says Alfred A. Harrison, Farmers Home Administration county supervisor in Floydada.

The Farmers Home Administration, in observance of National Fire Prevention Week, offers this list of fire prevention and protection ideas:  
1. Make sure every member of your family knows how to call the fire department. Post the fire department number at the telephone. Also make sure your fire department knows the layout of your farm, house and barn, and the location of water supplies.

2. Check condition of heating equipment. Make all repairs from the top of her gray head to the bottom of her crippled feet. Her ready smile and her singing will be remembered for years, as we think of her so often with fondness and with tears.

In the short time we knew her she brought us much delight, to think she could be so cheerful when her pain was black as night. She always tried to help us in any way she could, to bring a little happiness in the way we knew she would.

And now she is in heaven, in a far and better place, where we can all join her when we have won our race.

3. Check electric wiring for wear and loads - replace worn and inadequate wiring. Use only 15-ampere fuses unless a circuit has been especially designed for larger loads.  
4. Keep fire fighting tools accessible in an emergency.  
5. Have ladders ready for escape and for fire.

6. Keep fire extinguishers on hand. Check them and recharge them as necessary. Also, protect them from freezing during winter months.  
7. Maintain a water supply in cisterns and tanks. They may be the only water for fighting fires.

### PROCLAMATION

BY THE COUNTY JUDGE OF FLOYD COUNTY  
TO ALL TO WHOM THESE PRESENTS SHALL COME  
I, J. K. Holmes, County Judge of Floyd County, do hereby declare the week of October 8-14, 1972 as FIRE PREVENTION WEEK in Floyd County, for the following reasons:  
WHEREAS, according to the National Fire Protection Association - FIRE'S DAILY TOLL ". . . every single day is an average of 33 lives, 1,486 homes, 215 schools and college buildings, 10 churches, 22 hospitals, 116 farm buildings, 142 industrial plants, stores, restaurants, and office buildings."  
WHEREAS fire claimed 11,850 lives and \$2 billion last year as a result of ordinary human carelessness to observe basic safety precautions;  
WHEREAS every year about half of America's deaths occur in towns under 10,000 population; and  
WHEREAS we feel that rural America should be included in FIRE PREVENTION WEEK, October 8-14, 1972, we urge all rural citizens of this county to be especially using liquefied petroleum gas, gasoline and oil products, electrical appliances, as well as space heating systems; and  
WHEREAS consideration should be given to protected buildings from lightning damage, that all trash is disposed in an approved manner, that all heating systems are in proper order, and that good housekeeping is practiced; and  
WHEREAS the Floyd County Farm Bureau, in cooperation with all fire departments in the county have worked to emphasize fire prevention and protection in the rural areas as in our cities and towns;  
THEREFORE, I urge all citizens of Floyd County to recognize this special period by working together week after week to more fully realize the benefits of FIRE PREVENTION WEEK.
