Close Out Tulia 21-21, 5-3 Penetrations

Young's Extra Point Ties The Score

By Wendell Tooley

Only a championship team could come from behind 21-7 with a little over four minutes left in the game. Floydada did... and is.

The 21-21 score game with Tulia here Friday night placed Floydada in the number one spot in 4-AA football as the statistic sheet gave the Winds the nod 5-3 and the right to advance to bi-district next week with Littlefield.

Floydada led 7-6 at halftime and it looked like the Winds would really go to work to enlarge on their score in the second half. However, they couldn't get the fire going and with a little over four minutes left in the contest were behind 21-7.

Whirlwind fans were cold, dejected, mostly quiet at this point. But quarterback John Cagle initiated a passing attack that brought the team and the crowd to life. The offense began to click and two fast TD's combined with the magic toe of Rance Young and Floydada fans went home still hardly believing the victory was in the bag.

The first Whirlwind TD came with 4:47 left in the first quarter... Cagle hit Mike Hale from the four. Young kicked the PAT and it was 7-0.

Tulia's Allan Ebeling ran over their first TD with 2:44 left in the second quarter. A faked kick that turned into an incomplete pass left the score 7-6 at halftime.

Tulia's Tony Edwards made it 7-12 with 5:12 left in the third quarter and Freshman halfback Raymond Williams ran for two more.

A Floydada fumble set Tulia up for the next TD on the 13 yard line and it was Tulia's Russell Patton who scored from the 13. Ebeling kicked the extra point and Tulia led 21-7.

A series of passes set up the next Floydada TD and Cagle kept for the TD. Young did and it was 21-14 with 4:17 left in the game.

After the kick-off Tulia fumbled on the 19. Then Whirlwind Hearon on three successive runs scored for the 21-20 score with 2:37 left in the game.

At this point Whirlwind coach L. G. Wilson conferred with the officials and learned that Floydada was ahead on penetrations 4-3. He instructed Young to kick the extra point... AND HE DID!

Floydada fans had been on their feet screaming as the Whirlwinds came to life in the last of the quarter... and many just couldn't believe the game was theirs until public announcement was made about the victory and the penetration report.

Going into the last quarter Tulia fans were wild, the Tulia players were jumping and full of joy as they felt they had the game salted down... and it was a quiet, very sad Hornet team and fans that left the stadium when the final buzzer sounded.

It was Floydada's third district championship in the last four years and a co-champion honor last year with Littlefield representing district playoff.

Play By Play

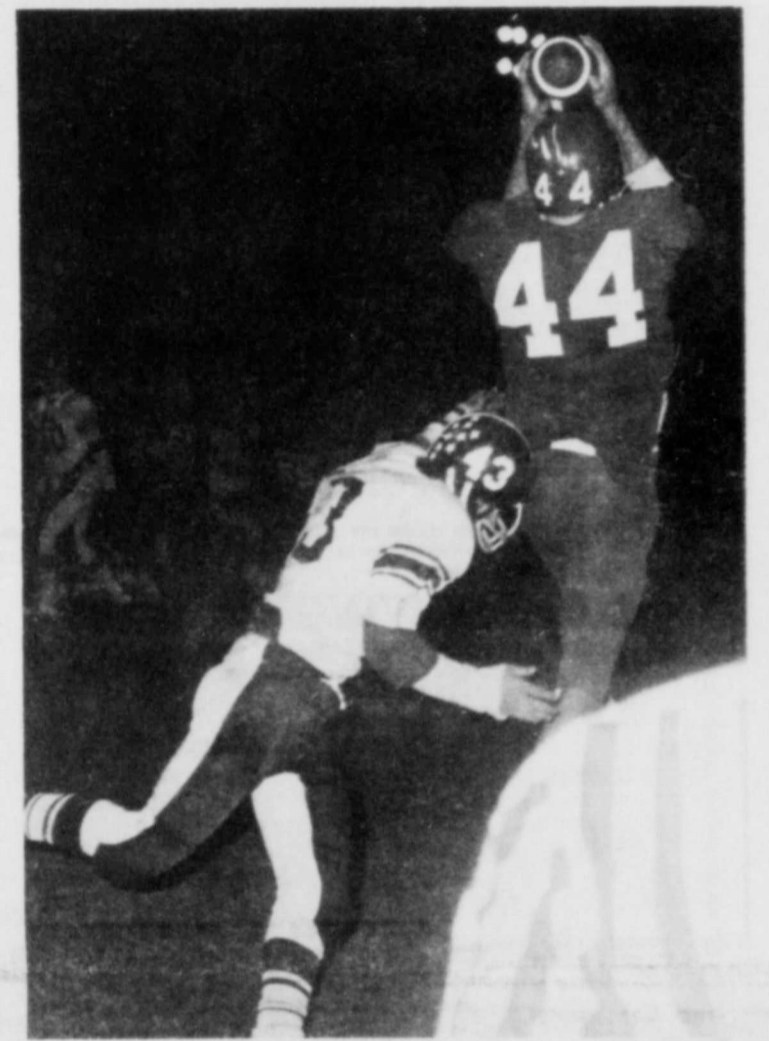

Floydada kicked off to the Tulia 19 where the ball rolled dead. Tulia's quarterback Ebeling made a first down in two tries, then Patton made five, plays ran out and Tulia punted.

Floydada took the ball on the 35... Rex Rose made 2, then the Winds took an illegal procedure five yard penalty. At this point quarterback Cagle began a passing attack that took the Winds down the field... he hit Marc Smitherman for ten, Vinson for 20, Mike Hale for ten, and finally to Hale for the TD from four yards out. Vinson, Rose and Hearon each made two to three yards in between passes against a very stiff Tulia defense.

Young kicked the extra point and Floydada led 7-0 with 4:47 left in the first quarter.

Tulia took the kick-off back to the 28, then Ebeling made two first downs with good blocking paving the way. However the Wind defense finally held on its 34 yard line and the ball went over to

Tulia couldn't go, punted, and Young returned to the 36. It still looked good for the Winds at this point, but Tulia's David Jackson picked off a Cagle pass and the tide began to turn. Tulia's ground offense really began to roll. Their freshman seat back Raymond Williams ran around right end for 36 yards and almost broke into the clear. Ebeling was making good yardage and finally carried the ball on in to paydirt

Remember The Tie Week

This week has been declared "Remember The Tie Week, 1972" in Floydada by the Whirlwind cheerleaders.

We've already beaten Littlefield, the cheerleaders say, "but the Winds still remember last year when they kept us

and the first Hornet TD with 2:44 left in the first half.

Tulia faked the extra point, passed and it was incomplete. When Tulia kicked off, they were very successful in making an inside kick which was fumbled by a Whirlwind and Tulia recovered. Tulia made a first down and had the ball on the 39 yard line at half.

At halftime it was Floydada 7 and Tulia 6.

COACH'S COMMENTS

Did Whirlwind head coach L. G. Wilson ever think Floydada had lost the game Friday?

"Of course," Wilson said afterwards "... I just wanted to go down fighting..." when Tulia led 21-7 in the fourth quarter, and it looked as if the

Whirlwinds' playoff dreams had come to an end.

But the Winds put together a 71-yard scoring drive, cashed in on the big break when Tulia lost a fumble deep in their own territory, and came back to tie up the game 21-21 and make

COTTON TALKS
FROM PLAINS COTTON GROWERS, INC.

The problem of maintaining continuously adequate cotton supplies is not a problem peculiar to the United States. And, now more than ever before, the world cotton industry is coming to recognize this fact.

This was one of the conclusions drawn from the recent International Cotton Advisory Committee meeting in Managua, Nicaragua, at which delegates were in attendance from just about every nation in the world.

For many years the U.S. Government has shouldered the responsibility and assumed the cost of carrying cotton stocks at levels high enough to assure the world supply in any given year. But the U.S. Government has now stated, flatly, that it will no longer carry stocks at the high levels of the recent past.

This new U.S. position plus the wide price-supply fluctuations of the last few years has placed an inescapable spotlight on the world industry need for some manner of stabilizing both supplies and prices.

Consequently the ICAC meeting saw considerable time devoted to discussions of the problem of stocks and how they affect prices, marketing and production. On a world basis it was the consensus at the meeting that stocks equivalent to five months consumption would constitute a "reasonable" level.

From there the talk went to the difficulties in financing such stocks, the effect of carryover stocks on prices and subsequent effects on production.

According to Donald Johnson, executive vice president of Plains Cotton Growers, Inc., Lubbock, who attended the meeting as a producer-advisor to the official U.S. Delegation, "the deliberations were a healthy sign that the supply-price dilemma may be about to get the attention it has long deserved from both cotton consuming and cotton producing countries."

"A solution to the problem was not forthcoming," Johnson said, "but it was encouraging that the problem was clearly recognized and that a few suggestions were made as to how it might be faced."

Among these suggestions were the possibilities for arranging a "buffer stock system" for cotton, perhaps with World Bank financing, and the establishment of an international futures market.

Delegates to the meeting agreed that cotton prices must be stabilized at a level sufficient to assure adequate remuneration to growers. The "Cotton Policy Statement" issued after the meeting stated "Otherwise they will be forced to shift to other crops, and this loss of supplies could, in the long run, have repercussions on the world cotton economy."

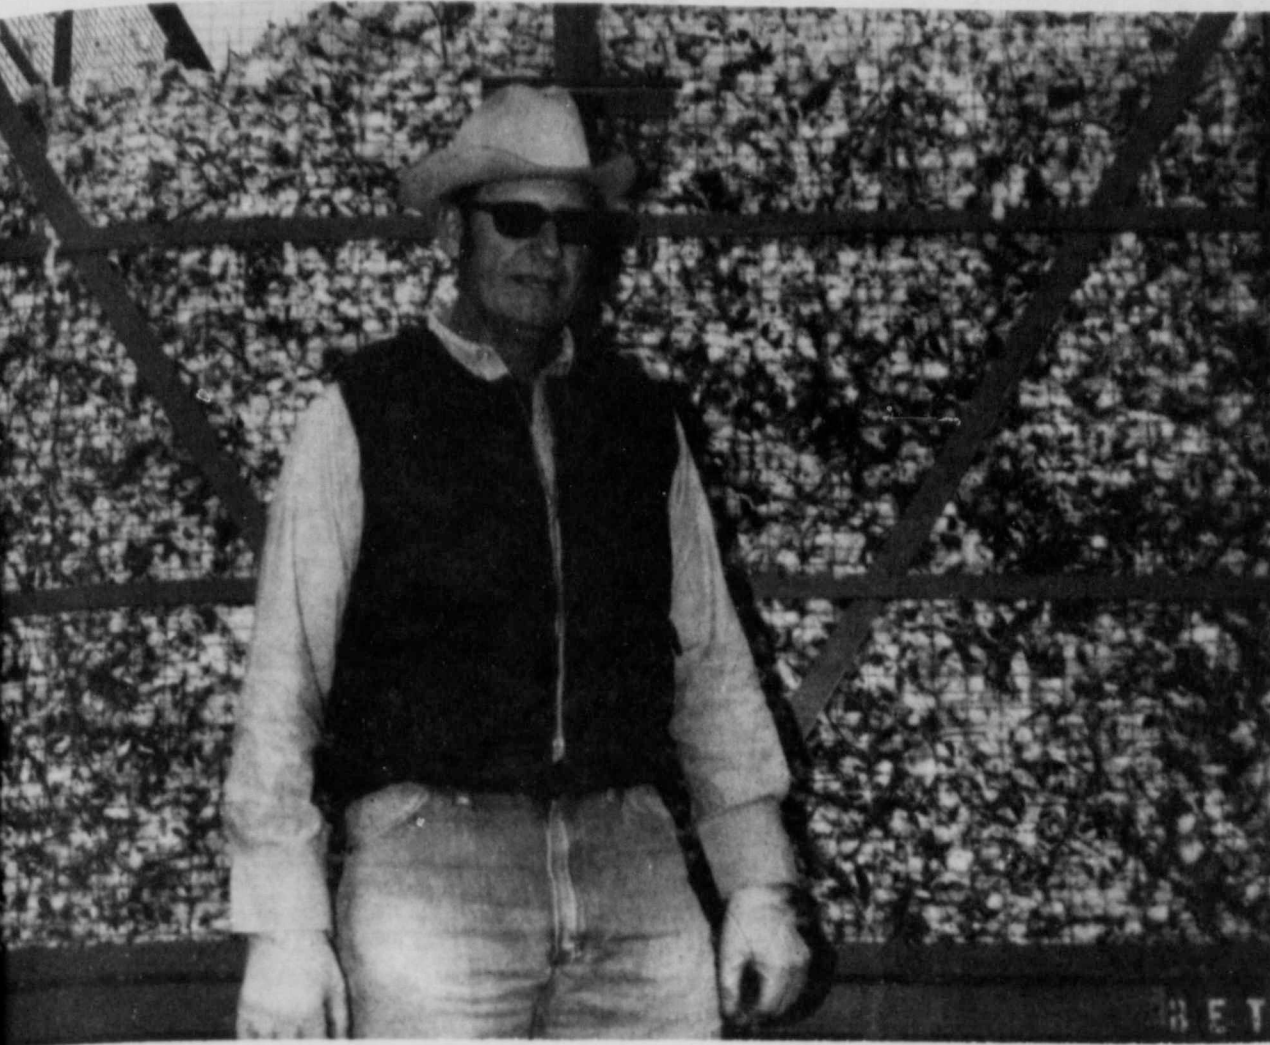

Obviously a widely acceptable plan to stabilize cotton prices and supplies will not be easy to come by. While both cotton producing countries and cotton importing countries agree that wild price fluctuations are detrimental to all cotton interests, producing countries will be reluctant to take action which might result in a ceiling on prices and importing countries may balk at anything that might put a floor under prices.

"But if we are to have a progressive cotton industry," Johnson stated, "there simply must be a way to assure the price stability necessary to continued production and the stability of both prices and supplies that is the key to growth in consumption."

The words following are but a few of the slang terms of "marijuana" used by potheads:

Acapulco Gold, Boo, can, cocktail, fine stuff, gauge, grass, grasshopper, griefo, hay, hemp, hooch, jive, loco weed, manicure, Mary Jane, matchbox, mezz, moragrifa, meta, Monterey Red, mutha, number, pot, Rainy Day Woman, reefer, roach, rope, rough stuff, stick, weed.

We have another list of words that describe stupid asses who use the stuff, but postal regulations preclude a printing here.

Sam Fortenberry And Karen Willis To Be Honored

The top 4-H boy and girl from each of the 20 South Plains counties in District 2 of the Texas Agricultural Extension Service will be honored at the 15th annual District 4-H Gold Star Banquet in Lubbock at the Coronado High School cafeteria on Monday, November 20 at 6:30 p.m.

These 40 4-Hers have been selected to receive the Gold Star Award, the highest county award given by the Extension Service, according to District Extension Agents Mrs. Catherine B. Crawford and Billy C. Gunter. Personal development, leadership, outstanding achievement in 4-H result demonstrations and activities plus contributions to the overall county 4-H program are factors considered in selecting the award winners.

Guest speaker at the annual event will be Dr. H. O. Kunkel, Dean of Agriculture, Texas A&M University, College Station, Texas.

Ed Wilkes, Farm Director, KFYO Radio, will serve as master of ceremonies, and James Laney, State Representative-Elect, District 76, will be the narrator for the presentation of awards.

About 450 people are expected to attend the banquet which is sponsored each year by the 12 Rural Electric Cooperatives on the South Plains.

Gold Star winners from Floyd County are Karen Willis and Sam Fortenberry.

Wayland Basketball Season Begins

The 1972-73 basketball season gets underway Friday, Nov. 17 and Saturday, Nov. 18, for the Hutcherson Flying Queens of Wayland Baptist College. Game time will be 2:30 p.m. Friday and 7 p.m. Saturday. Homecoming activities will be in full swing at Wayland this coming weekend.

The Flying Queens will host the Seminole Blue Belles for both Friday and Saturday's game. The Blue Belles have played one game this year. They beat Ranger Junior College by 20 points. The Queens have not played any regular games.

The 1971-72 Queens were small, quick and experienced. The current edition is not as quick but it has more height inside and proven performers outside. They have not played together as a unit.

Janice Beach, Marcia Shieldknight and Mary Williams are good offensive ballplayers. Their defensive play demoralized many opponents last season. They will be expected to lead the way.

Anita Cowan, Sherry Stark and Cathy Wilson are proven reserves and they appear to be ready.

Two transfers and three freshmen should be fine prospects. Brenda Moeller and Becky Shaw have good height and give promise of being fine offensive players. Kay Phillips, Peggy Provence and Karen Spain had great high school careers.

MODERATE to heavy rains are increasing range and pasture prospects. Fair to good grazing is available in most areas on native pastures. Livestock condition for the state is rated good to excellent.

SALES of cattle, calves and sheep increased throughout the state during September, while sales of goats and hogs were down. Cattle and calves marketed through Texas auctions numbered 705,000; this is five percent above a year ago.

Sheep sales were two percent above a year ago. Hogs sold totaled 45,000 which is 32 percent below a year ago.

EGG production in Texas totaled 199,000,000 during September, down six percent from a year ago and seven percent below last month.

The 11.1 million layers averaged 59.6 eggs daily per 100 hens. This was below the national average of 61.2 eggs daily per 100 hens.

Hatch of egg-type chickens was up two percent from a year ago; the total turkey poult hatch was down 30 percent from a year ago.

A **NEW** record number of people visited the Food and Fiber Pavilion during the recent State Fair of Texas. Almost 1,500,000 persons went through the Pavilion. Plans are already underway for the 1973 version of the Food and Fiber Pavilion. The pavilion is operated by the Texas Department of Agriculture marketing division.

COOLER weather has slowed to some extent the screwworm infestations throughout the northern part of the state, but a freeze deep into South Texas will be needed to halt the worst recurrence of the pest in more than a decade.

More than 85,000 cases of screwworm have been reported to the screwworm fly factory at Mission this year. Officials with the program are continuing to urge producers to submit samples to the fly lab for verification.

SPRAYING of Mirex-treated bait over Fort Bend County to control imported fire ants is about half completed, delayed somewhat by bad weather. The program was begun earlier in October under sponsorship of the county, state, and federal governments but fog and rain have delayed the four twin-engine planes flying out of Hobby airport from making the runs over Fort Bend County.

LOCKNEY LOCAL

Expected to start this weekend for the Queens will be Janice Beach 5-6, Mary Williams, 5-7, Marcia Shieldknight, 5-8, Brenda Moeller, 5-11, and Becky Shaw, 6-1.

New Women's Record

Paula Murphy, nationally known as "Miss STP", broke an international speed record at Bonneville Salt Flats in Utah for the third time recently, flashing across a quarter mile "dragstrip" course in two directions for an average speed of 134.168 mph. Her terminal velocity, developed within a quarter-mile was more than 250 mph. She drove the "Pollution Packer" rocket car of Tony Fox, at right. Dave Anderson, left, also set a new world speed mark for men in the same car. In recent years, Paula has broken women's land speed records for STP Corporation, both in a passenger car and a jet-powered speedster.

David McCulley To Be On TV

David A. McCulley of Floydada will appear on national television Thursday (Nov. 23) in the Texas Aggie Band's halftime performance of the Texas A&M-Texas football game.

The Thanksgiving Day game will be televised by ABC-TV, with an 8:05 p.m. (CST) kickoff.

Synonymous with extreme precision and mind-bendingly intricate formations, the Texas Aggie Band has won wide viewer approval. They label the TAMU band as "thunder and blazes under testeful restraint" and "reminiscent of marching Roman legions."

The military organized band marches 288 Army, Air Force and Naval ROTC cadets in ranks 12 men wide and files 24 men deep. Three drum majors coordinated field movements.

Lt. Col. E. V. Adams, dean of Southwest Conference bandmasters, directs the Aggie Band. Maj. Joe T. Haney helps devise drills and composes music.

The Texas game drill will be the Aggie Band's ninth of the 1972 season. Its members have fielded a halftime-winning performance every weekend since the A&M-LSU game at Baton Rouge, La., on Sept. 23. McCulley, son of Dr. and Mrs. Andrew G. McCulley, is a freshman baritone player in the band and majors in meteorology at TAMU. The Floydada High School graduate is an Air Force ROTC cadet in the famed Aggie Corps of Cadets.

Ladies Fellowship Organized

Women of the Victory Baptist Church in Floydada met Monday night and organized the Ladies Fellowship. The meeting was held in the home of Mrs. Emmitt Clampitt, who gave the devotional and served refreshments.

Alice is among 51 social club officers selected for the 1972-73 year.

CORRECTION

In the outline on the fishermen's picture, front page of Thursday's Hesperian, it read that Mrs. C. P. Payne and C. W. Payne were other Floydada fishers at Lake Stamford. It should have read Mrs. C. P. Payne and C. J. Payne rather than C. W. Our apologies to the family for this misprint.

San Francisco-Dr. David Challinor of the Smithsonian Institution has reported that air pollution significantly reduced the amount of ultraviolet light from the sun that reaches the earth-thus lessening the chance of sunburn or skin cancer.

The class will require at least 12 persons and not more than 20. The director at the Center must have the names of those planning to attend in order to include you in the first typing instructions. If interested, call 983-3134 or come by the Center at 601 E. Ross Street.

Also persons interested in sewing, welding, cooking, budgeting and other classes as well as obtaining their G.E.D. High School diploma contact the director at the Center. A program on family planning and medical service is also available through the Neighborhood Center, at no charge. Contact Grace Gomez, 983-3134 or come by the Center for additional information.

BIBLE BAPTIST CHURCH
FLOYDADA, TEXAS

If We Knew Jesus Would Come Tonight...

The churches would be filled with praying people immediately. The shows, beer joints, dance halls, gambling dens, and other godless places would be emptied. There would be no more picture shows or other worldly affairs. Cursing, swearing and vulgar language etc., would stop. There would be no more bean suppers or hamburger fries in the churches. Women would wash off the paint and put on enough clothes to be decent. Men and women would throw their tobacco away and no more would be used. Parents would burn up the filthy literature, cards, and other devilish trash in their homes. There would be no petting parties by the roadside or in the homes. No one would have to be begged to take part in the Lord's work, for all would want to be busy for Him when He comes. There would be no lies told, nor any excuses made for not doing our duty to God. People would be running around trying to get forgiveness of their fellowman against whom they had been holding grudges. The old long-tongued gossips would stop their devilish lying and start begging God for mercy. Modernistic preachers would hunt frantically for a sermon on real salvation in their notes, then repent and receive Jesus Christ as Saviour, and hurriedly burn their godless, modernistic sermons and books. Compromising, ear-tickling preachers would suddenly realize how wrong they were and begin to beg God to forgive them for lowering His standards. Merchants would be swamped with calls from those who wanted to pay old bills and clear up unfilled obligations. GOD'S WORK would be flooded with money as delinquents sought to pay up their tithes and offerings which they had withheld. Men and women who are living in adultery with one of the opposite sex, or in spiritual adultery, would suddenly desert them in an effort to clean up their immoral lives. Refrigerators would be emptied of beer, wine and everything else that comes under the condemnation of God. Christians would really get busy trying to warn and win their many unsaved friends and neighbors to Christ. The few hours left before the arrival of the Lord would be a "Heaven on earth," as everyone sought to do just exactly what they thought the Lord would have them to do. Poor families would be fed; sick people would be comforted; jails would be visited; those in trouble be helped; as all would seek to meet God's requirement of "inasmuch as ye have done unto one of the least of these, ye have done it unto me."

PHARMACY STAMP . . . Postmaster Ed Wester (right) shows Floydada pharmacists Gene Arwine, Jerry Thompson and Dallas Ramsey, (left to right) the special commemorative stamps issued this week on the 120th anniversary of the American Pharmaceutical Association. The stamp honored the nation's more than 100,000 pharmacists as "partners in health."

the former Mary Tatum, sister of Mrs. McDonald; the son; one daughter, Miss Mary Gillispie of Las Cruces and three grandchildren.

Benny James McAnnally

A former Lockney resident, Benny James McAnnally, 41, of Plainview was killed Tuesday evening in a head-on collision inside the city limits of Abilene. Funeral services were held Friday morning in Parkview Baptist Church, Plainview, with Rev. Eddie Freeman and Rev. Don Hancock officiating. Burial was in Plainview's Parklawn Memorial Gardens. Mrs. Alene McAnnally of Lockney is mother of the deceased man. He was a nephew of Mrs. A. L. Bigham of Lockney. Other survivors include his widow, the former Helen Campbell, whom he married in 1969 in Plainview; two sons, Danny Montgomery of Plainview and Charles Montgomery

of the home, one daughter, Mrs. Diane Mogy of Plainview, and one son, Kenny Mogy of Plainview. McAnnally was a member of the Korean War and the Foreign Wars and the American Legion. He was a Baptist, and held office in the Plainview Chamber of Commerce and the Lodge.

Lamar D. A.

Services were held last Sunday afternoon at Baptist Church, Canyon. Lamar Darrell A. was a brother of the late Mooney of Lockney. Mr. A. was a farmer. He died at Amarillo hospital. He also includes his wife, two other sisters, two sons, four grandchildren and two great-grandchildren.

OBITUARIES

Mrs. Cummings

Services for Mrs. Dottie Elsie Clark Pinson Cummings were held Oct. 27 in Woodburn, Oregon. She was the sister-in-law of Z. C. Cummings of Lockney. Mrs. Cummings and her husband, Sid, are former residents of the Pleasant Hill community in Floyd County. She was a native of Gravity, Iowa, born Feb. 27, 1903. The family moved to Muleshoe in 1916 and in May, 1932 she and James Sidney Cummings were married. The couple resided in Floydada until moving to Oregon in 1936. Survivors include her husband of Woodburn, Oregon; six children, Mrs. Elsie Lukinbeal of Colebrook, N.H., Joe Pinson of Eureka, Mont., Fred J. Cummings, Detroit, Mich., Mrs. Hugh Armstrong, Seattle, Wash., Mrs. John W. Persinger, Newark, Delaware, and Rick L. Cummings of Woodburn, Oregon; 18 grandchildren and one great grandchild. The Lockney brother-in-law and his wife attended rites.

S.E. Gillispie

Mr. and Mrs. Clement McDonald, Mr. and Mrs. Ray McDonald and Mrs. Carolyn Cheek were in Lubbock

Tuesday to attend funeral and burial rites of Sam E. Gillispie, 77 year old brother-in-law of Mrs. Clement McDonald. Gillispie, a retired auditor, died the previous Monday morning of an apparent heart attack. His son, Don Gillispie, who is with Pioneer Natural Gas, is known in the Floydada area. Survivors include the wife.
