JOHN WILLSON WINS FIRST

FHS Students Place High At State UIL Meet

Two Floydada High School students, John Willson and Teresa Love, brought home first and second place medals from the State UIL Literary meet held in Austin May 4-5. John, son of Mr. and Mrs. Jimmy Willson, was the state winner in Journalism, editorial writing for Class AA. This is John's first year on the school paper and this was his first try

in Journalism Interscholastic League competition. He has been selected as editor of the 'Whirl' for the second semester of next year.

Teresa, a sophomore and daughter of Mr. and Mrs. Raymond Love, took second place honors in Typewriting for AA with a score of 147.2. The first place winner, from

Llano, Texas, had a score of 149.8. Third place had a score of 143.6.

George Johnston also competed in state in informative speaking and placed fourth.

This is the second straight year Floydada has had a state winner at the literary meet. Darla Milton won first in typewriting last year.

A Free Appreciation Exhibit Set

A free Art Appreciation Exhibit for grades 1, 2 and 3 of Duncan Elementary School will be held in the Floyd County Museum, Thursday, May 10 through Wednesday, May 16. Hours are from 2 until 5 p.m.

Purpose of the exhibit is to encourage and to show possibilities and abilities in children and to cultivate the talent in art as individuals. Dewayne Franklin is art instructor. The Art Exhibit is being sponsored by the 1934 Club.

Service Station Operators Have Varying Views On Fuel Shortage

The predicted fuel shortage is so far having varied effects on service station operators and wholesalers in Floydada — some service stations are already considering closing one day a week, some operators say they have had no problems in obtaining all the gasoline they can sell, and others are "on allotment" from suppliers, meaning they can purchase (in most cases) the same amount of fuel per month that they bought in 1972.

Several independent dealers' gasoline prices advanced a cent a gallon recently, and further price increases are seen by some. Most major oil companies' prices are steady. Nichols Fina is one station that may have to close a day a week to stay within supply limits. Gasoline and diesel fuel allotments, both wholesale and retail, are down, and "it doesn't look good," according to owner James L. Nichols.

For example, Nichols' April gasoline allotment was 31,576 gallons, and the May allotment is 28,347. The station pumped 36,000 gallons in March. The April allotment on diesel fuel was 6,900 gallons, but Nichols "talked them out of some extra" and sold nearly 5,000 gallons over that amount.

Arthur Wylie of Swiftly

Systems, Inc., independent company that serves mostly self-service stations in five states, said the situation was "critical". Wylie operates Kerr-McGee Deep Rock stations in the Floydada area and a chain of stations selling the independent "Swiftly" brand in the five-state area.

"We are having problems supplying fuel without allocation," Wylie says, and "...no customers are on allocation now, but we are faced with it." At the moment, Wylie says, Swiftly Systems is "holding its own," but the situation could deteriorate at any time.

"We have a crisis on our hands, fuel-wise," Wylie says, "with no short-term solution." Wylie believes the shortage will hit hard during the peak driving season in July and August. The reason for the shortage, he says, is just that the nation's crude refining capacity is not enough to take care of the increase in consumption, and only more oil production can solve the problem. "...and there is no fast way."

Several dealers say they have not been notified of cutbacks or allotments, and others say the "last year's" basis for figuring maximum monthly purchases in 1973 will probably cause no problem at all.

Roy Kinard at Kinard Gulf says at present he is doing "business as usual", with no cutbacks or allotments and no recent price increases. Other stations who have so far had no problem with gasoline supply include Bob's Shamrock, Pioneer Oil Co. (a self-service station), Kerr-Ince Fina, M.J. Weems Oil Co. and Weems Texaco Station.

M. J. Weems Oil Company, a

Texaco consignee, has had no recent advance in either wholesale or retail prices. Owner Milton Weems says Texaco is one of 23 major oil companies which are "under our interpretation," frozen in Phase II, so wholesale price advances would be illegal, although he could increase retail prices (but hasn't) at his station. Weems supplies gasoline to his own station and Garner Weems Texaco in Floydada, a Texaco retailer in Lockney, and several farm customers. Weems' gasoline tanks are full, and he expects no problem soon.

Weems sells diesel fuel, and there the story is different. While, so far, his diesel supply is ample, he is not allowed to take on any new wholesale accounts. Weems is under allocation on diesel, allowed to purchase the same amount per month as last year. His diesel situation, Weems says, depends on how much the farmers use, and because his farm customers are "not too active right now," he doesn't see an immediate problem.

Butane and propane, Weems says, are not allocated but have advanced in price. Butane is still available on an "as-long-as-it's-here" basis, although the unofficial word is that butane production will stop or be greatly reduced soon.

Weems said he didn't expect any dollar-a-gallon gasoline any time soon — maybe 40 cents, probably not as high as 50 cents a gallon.

Wichita-Olney Distributing Company of Wichita Falls, which supplies gasoline and diesel fuel to Consumers Fuel Association in Floydada, has a different story on fuel prices. Van Lesley of Wichita-Olney

said in a letter dated February 12, 1973 to Albert Mankins, Consumers manager: "There is a rumor of a .50 hike in crude prices, plus both federal and state tax of .01 cent — this adds up to .04 cents. The point I am trying to make is, you can't absorb any of these raises, as gasoline could be selling for 50 cents a gallon before summer is over. ...there is no more cheap energy. ... Another letter to Mankins from Wichita-Olney said in part: "...gasoline will be scarce and some points will be out this summer. ..."

Consumers in Floydada is "on allotment" from Wichita-Olney (same as last year's purchases) and from another supplier in Abernathy (10% more than last year). Mankins said, for gasoline and diesel fuel.

Sparks and Wylie Conoco Service has received allocation figures for May and June, according to Tommy Wylie. The allotment for those two months is the same as the most ever pumped, and Wylie foresees no supply problem this summer.

One station owner told The Hesperian that the price of gasoline at the refinery is still "cheap" — 13 1/4 cents a gallon. Federal and state taxes add 9 cents a gallon, and distributors', jobbers' and retailers' costs add another eight to 11 cents per gallon to the retail price of regular gasoline in the Floydada area.

In Floydada, the independent dealer looks to bear most of the consequences of the summer fuel shortage, while major oil company distributors and dealers may experience mild inconvenience or possibly no problems at all in the next few months.

CHURCH OF GOD

Church Sets Dedication

Missouri in Floydada, has been completed, and the membership of the church invites

everyone to attend the dedication services Sunday, May 13.

The dedication service is scheduled at 2:30 p.m. Sunday, with an open house to follow. Two former pastors of the church, Rev. H. E. Smithee and Rev. Ralph Staggs, will speak at the dedication.

Rev. Smithee, now at Snyder, was pastor here from 1948 to 1956. Rev. Staggs, now pastor at Tulia, was the local pastor from 1963 to 1968.

The church will hold regular morning Sunday School and worship services Sunday, as well as the regular evening services, according to Pastor W. L. Hopkins.

Construction of the new educational department building was completed in mid-December after the local church had held services in the Floydada Presbyterian Church building for over two years.

The Assembly of God Church building, located on West Virginia Street in Floydada, was completely destroyed by fire on August 17, 1970. The new educational department was built by members of the congregation, with some of the work sub-contracted, according to Alton Rose, a trustee of the church. The foundation for the new building was poured in March, 1972. A 42' x 85' auditorium is to be built in the future, north of the present educational department.

The completed structure will serve temporarily as auditorium, educational department, and nursery for the church. Average Sunday School attendance is from 40 to 50. The date for construction of the auditorium has not been set.

One charter member of the Floydada First Assembly of God Church will be on hand for the dedication. She is Lillie Luttrell, 89, the only charter member still a member here.

The church sponsored two enchilada suppers as fund-raising projects to help pay for the new building.

Frances Rose, secretary-treasurer of the church, says "We would like to invite all who were so good to us and came to eat at the enchilada suppers to come to the dedication Sunday. We also

CowBelles Here Today

Members of the Tulia chapter of the American National CowBelles, Inc., will be in Floydada Thursday (May 10), giving away Floyd County beef and promoting the beef industry.

The CowBelles, women of the cattle industry, will be on the south side of the square starting at 1 p.m. Thursday.

Most CowBelles are ranch, farm and feeders' wives, who through the CowBelles organization actively support the cattlemen's interest, but many are women who own and operate their own cattle business or are in related fields and who are vitally interested in the beef industry.

The national CowBelles organization is headquartered in Denver. The organization has projects in Beef Education, Beef for Fathers Day, Radio-TV, legislation, and other programs, and publishes a beef cookbook and beef recipe stationery which are sold nationally.

The CowBelles will conduct a drawing and give-away for a 10-pound rib roast.

Love Fund Started For Benitez Family

A "Love Fund" has been started for the Gabriel Benitez family by their friends. Benitez is to undergo major surgery next week and funds will be used to assist the family's hospital expenses and other necessities, according to a spokesman.

Those wishing to contribute may make their checks payable to the Mary Benitez Love Fund, First National Bank, Floydada.

Note Grocery Special Dates!

Floydada grocers who advertise in the Sunday Hesperian have experienced some problems with shoppers trying to shop their special prices on Saturday afternoons.

The grocers ask that you read their advertisement carefully and shop the advertised specials the days listed in their advertisement.

Buddy's prices usually begin on Sunday. Thriftway and Piggly Wiggly prices usually begin on Monday.

It is confusing to the grocery checkers for the shoppers to try to buy items on Saturday that begin on sale Sunday or Monday.

Vows Exchanged By Phyllis Morgan And Roger Trapp

Wedding vows were exchanged at 2 p.m. Sunday, May 6, in the First United Methodist Church in Floydada by Miss Phyllis Morgan and Roger W. Trapp.

The Rev. C. B. Melton, pastor, performed the ceremony.

Parents of the couple are Mrs. Ruth Trapp of Lone Star, and the late W. W. Trapp, and Mrs. B. Morgan of Washington, D.C.

The bride wore a white lace empire style dress, accented with pink ribbon insets at the sleeves and waistline. Her bouquet of pink sweetheart roses and white baby's breath

was entwined with ribbon in pink and white.

Miss Bonnie Morgan attended her twin sister as bridesmaid and Louis Beard of Dallas was best man.

The bridesmaid wore a pink dress fashioned empire style and a large picture hat. Her corsage was of pink and white roses.

Guests were seated by Van Trapp of Amarillo, brother of the groom, and Dale Bradley of Denver City, the groom's brother-in-law.

Musical selections from "The Sound of Music" were provided by Mrs. Vernie Moore.

Shower Honors Miss Mangum

A pre-nuptial shower feting Miss Laura Mangum was given Saturday afternoon in the Lockney home of Mrs. Bobby McCormick. Guests called from 3-5 p.m. and were greeted by Mrs. McCormick, who presented them to Miss Mangum, her mother, Mrs. Paul Mangum, and the prospective groom's mother, Mrs. Elvin Markham of Matador.

Guests were registered by Miss Janet McCormick, before being served refreshments of punch and cake by Misses Reeda Kay Lawson, Pam Teuton, Pam Reeves and Gayle Hill.

Miss Mangum's chosen colors of blue and white were carried out in the floral centerpiece of white pom poms, tied with blue ribbons arranged around blue tapers. The centerpiece was in a crystal compote. The tablecloth was of off-white linen, trimmed with ecru lace. Blue napkins accented the table.

Gifts were displayed by Mrs. Audrey McCormick, Mrs. Burl Holt, Mrs. Paul Cooper and Mrs. Floyd Lyles.

Hostess gift was aluminum cookware. Sharing hostesses duties were Mmes. R. V. Webster, Byron Ford, C. L. Henderson, Paul Teuton, B. J. Terrell, H. N. Gammage, Floyd Lyles, Paul Cooper, Harold Davis, Burl Holt, Fritz Schacht, Archie Bybee, Audrey McCormick, Omar Burleson, June Bybee, Bobby McCormick and David Jackson.

Mrs. Ross Gives Club Program

Mrs. S. W. Ross, district chairman of the Ethnic Culture and Folklore Division, Texas Heritage Dept. of the Caprock District, and also chairman of the Education Dept. of Work for the 1929 Study Club, presented the program for the club at their final meeting of the year last Thursday.

Members met at King's Restaurant for a light luncheon of which Mrs. Lee Rushing and Mrs. Clay Henry were hostesses. Mrs. J. A. Arwine led opening prayer.

The program was on "Keeping in Touch", goals and ideas for study and action of Cultural Heritage.

Mrs. Ross explained her topic by displaying a poster on which was attached four independent detachable units depicting the culture of the Ethnic groups of Spanish American Indians, and Negroes, through clipped items. She also had a like unit for Folklore and Festivities of all Ethnic groups in Texas.

During business, Mrs. J. M. Willson of the 1922 Club, which has disbanded, was accepted into membership of the 29 Club.

Present for the meeting were Mmes. J. A. Arwine, C. W. Denison, Clarence Goins, Sam Green, Clay Henry, Lee Rushing, Clement McDonald, C. M. Meredith, S. W. Ross and Q. D. Williams.

1922 Club Has Luncheon

Members of the 1922 Study Club enjoyed a dutch luncheon at the Floydada Junior High School cafeteria Thursday. The gathering was the final session of the club, since earlier this year, members

voted to disband. Seated at the table with club members were A. W. Coltharp, principal of the school, and Mrs. Ted Bell, teacher.

Following the meal, members went to the school room of Mrs. Bell where two of her

CHILDREN never cease to amaze me. I asked Mrs. Jakey Younger if she would get her kindergarten group to write me their favorite recipes, how long the delicacy is to cook or bake, etc. Here are a few of their recipes. Some sound pretty logical, while others sound like they may be a little hard to digest. Either way they are all good and I appreciate the youngsters taking time to write them:

Anna Leta Bradshaw's favorite is corn on the cob. Her recipe: just put it in the oven and bake it.

Darla Frame: Spaghetti and meatballs; put spaghetti on the stove, stir it up and put the meat in too.

Tammy Leatherman: Hot dogs; put weiners on hot dogs, then put hot stuff that's yellow.

Melody Swofford: Chocolate cake; one-half cup milk, two eggs, one-half cup vanilla and one-half cup cocoa. Stir it up, put in oven and bake one minute!

Rob Pratt: Pumpkin pie; put pumpkin in it, turn stove on, put in the crust. Mix a little plain ole pie with it. Put in oven and shut door. Set the bell for 13 minutes, then when the bell starts ringing, open

door and take out pie. Let cool. Turn off oven.

Kevin Burks: Tea; get a pound of water and put a pound of tea in water, and then put a pound of sugar and that's all!

Greg Thompson: Hamburgers; take the hamburger out of the freezer, then smash it down. Take a pan out and put it in the pan and turn it over and take a fork and smash it down. And then take buns and put in plate and put on mayonnaise and put on bun, put meat on bun and put lettuce on the bun and put other bun on top.

Lane Cheek: Scrambled eggs; put pretty much eggs in there, and then milk and cheese and then after you stir it up real good, its done.

Scott Neeley: peas; pour it in the pan and cook it. Put it on the table and eat it.

Scotty Goen: Toast; put bread in toaster, then it pops up. Then put jelly on it and spread it out. That's all.

Debbie Hale: Fried eggs; Crack eggs and pour it in the pan. And then cook it and when it is done, take out of pan and put it on the plate.

Kayla Emert: Chocolate cake; not much sugar; one-fourth cup marshmallow cream, one-fourth cup milk, one-fourth cup butter and that's all. Put in oven and cook it 45 minutes. Then its done!

Brent Williams: Ravioli; put Ravioli in pan and then add cold water. Cook it, then eat it.

Karrie Franklin: Sandwiches; get some bread and some mayonnaise and weiners orologna or ham and cheese — eat it.

Andel Wagoner — Milkshake; put some ice cream and some of that stuff, turn on the blender and drink it.

Misti Orman: Cookies; get a bowl, get a spoon, probably about two eggs, some milk, sugar, flour, put them on a cookie sheet and cook them, then eat them.

Amy Lipham: Koolaid; take water, sugar and then the stuff to make it.

Deborah Reeves: Gravy; pour milk in the gravy and stir it; put flour in.

Tammy Jones: Cake; put flour on the cake, put eggs in the cake.

Roger Aldredge: Meat roast; cook it then turn it over and cook the other side; eat it.

Guy Galloway: Chocolate syrup; put Nestle's Quick on it and some water to put it on my ice cream.

Dennis Gooch: Sandwich; put bologna in a sandwich, tomato.

Brian Sanders: Sandwich; put tuna fish on the bread, get a Coke, some Fritos and eat.

MRS. JAMES E. PRITCHETT

Marriage Of Barbara James E. Pritchett Announced

The marriage of Miss Barbara Palo, daughter of Mr. and Mrs. Andrew Palo of Billings, Montana, to James E. Pritchett, has been announced. Parents of the groom are Mr. and Mrs. Early Pritchett of South Plains.

The bride is a graduate of University of Oklahoma, a graduate of High School, a degree from West University, and a musician with Trider Show Springs.

Following a wedding at Old Mexico and Floydada with the couple will reside in Colo., after a musical engagement in back.

Double ring vows for the couple were read April 29 in the Central Baptist Church in Clovis, N.M.

Care Center Happenings

By Faye Walters

This has been a good week, as our residents have stayed well. Maybe it is because the weather is getting warm.

The spiritual food we receive from our devotionals helps us through a lot of troubles. We are thankful for them.

We are looking forward to our Open House May 27! We will have the president of Challenge Homes Inc. with us as guest speaker. We hope we will have a nice turnout and can show him what a nice town Floydada is and what wonderful people live here.

We invite the town officials, leaders of voluntary and private organizations, families and friends of all our residents to join in appropriate recognition of Older Americans in Action during this time and throughout the coming year.

We have been busy in our activities. It is good to see our senior citizens still taking an interest in the many activities.

Thursday Bingo was fun as usual. Bessie Palmer was our winner with five games. Mom Buchanan and Bessie Lanier tied with three games; Ida Martin won two games; Ray Reed, Della Finley, Pearl Britton, Bessie Pierce and Minnie Wood won a game

Floyd County Folk Asked To Approve Astronauts Reading Of Bible

One person cannot do much to change the world. Murray O'Hair, the Atheist Crusader, is asking it illegal to read the Bible or pray in public. He has obtained 27,000 signed letters protesting the astronauts to read the Bible as a Christian from their space craft while orbiting the earth, 1968.

Present these to NASA with a demand that the astronauts be censured for their act, and further demand a demonstration of Religion By Public Leaders. You are one. You can do something about this being made now to secure 1,000,000 signed letters of protest for their action. This would be a great triumph for Mrs. O'Hair, and a great triumph for you. Do not let her succeed in her ruling because here is what you can do.

Write the form letter with this notice. (Be sure it is signed by five of your friends to sign a similar letter. A portion only. Do this simple, but important task.)

let the world know about it. I would to God that Christians were that eager to tell the world what they believe is right and wrong.

Most certainly we may be concerned about people like Mrs. O'Hair, but we don't want to get involved — let someone else take care of it! If that is your attitude, do you think that she's just a harmless old lady? Then you had better think again. Already she has had prayer banned in school, and now she is harping about the astronauts reading God's word when they are in the Heavens that are created by Almighty God. Right now Mrs. O'Hair is in the process of taking to court the fact that three different schools in Austin are supposedly having prayer in the mornings. — She does not even have proof, but only assumes that they are having prayers, while Christians have the Bible for proof of a Living God who gave His own Son that we might have everlasting life.

allowed to have Bibles, I can not help being angered by the actions of Mrs. O'Hair and her colleagues.

Why, in a free world, can one person set all the rules for the majority? Is it because the majority of Christians are not interested enough to do anything about what they believe? Well, I for one know in whom I believe, and I am not ashamed of the Gospel of Jesus Christ. I know that nothing will ever destroy the love and peace that I have from Him. It is obvious that Mrs. O'Hair does not know my Lord and Savior, and for this I feel great sorrow for her, for to know Him is to love Him and the works that He does through His people.

Young people, this is the type of person that you should rebel against — those who are trying to take away your freedom of religion, your God given right — your right as an American.

So I challenge all Christians of all faiths, young and old, to start petitions among themselves to put a stop to Mrs. O'Hair, her personal influence, and her court fights. With enough objections, to her actions surely she will finally fade from public light, which is probably all she seeks anyway. Wake up, Christians, and stand for what you are and what you believe. The God of peace and understanding will give you strength in all of your endeavors, as long as they are done in His name and for His sake.

appreciate and wholeheartedly support the astronauts to read the Bible from their space craft the moon during December, 1968. I further urge every human being to express his faith in the publicly without fear or censure.

Letter To The Editor

To the Editor:
 When are Christians going to stand up for what they believe? Or do they know what they believe? Atheists like Mrs. O'Hair most certainly know what they believe, and they can't wait to

Why is Mrs. O'Hair so afraid for our children to pray and to hear the word of God? Because faith cometh by hearing, and hearing by the word of God. Does she know that when we know the truth it makes us free?

I challenge all Christians to stand up for what they believe — if not for their children, for the sake of Jesus Christ. Surely if all believers in all churches

God gave us all a free choice to either accept or reject Him. If Mrs. O'Hair chooses to reject Him, that is her privilege, but why can she not leave others to make their choice also? If she does not like our American way, why doesn't she move to Red China or Russia where she will not be bothered by Bible readings and public prayer? When I read about people in those countries who are so hungry for the word of God and are not even

allowed to have Bibles, I can not help being angered by the actions of Mrs. O'Hair and her colleagues.

Why, in a free world, can one person set all the rules for the majority? Is it because the majority of Christians are not interested enough to do anything about what they believe? Well, I for one know in whom I believe, and I am not ashamed of the Gospel of Jesus Christ. I know that nothing will ever destroy the love and peace that I have from Him. Texas Leads Nation In Pecan Production

While the 1973 peach and pecan crops have yet to be made, Texas was a top producer in the 1972 harvest. Texas Agriculture Commissioner John C. White reports. Texas for 1972 was the nation's leading state in pecan production and ranked seventh in the nation in peach production.

The Texas pecan crop total for 1972 is estimated at 65,000,000 pounds by the Texas Crop and Livestock Reporting Service. The 1972 peach crop in Texas totaled 604,000 bushels.

The top 10 counties in pecan production in Texas during 1972 were San Saba, Gonzales, Comanche, Hood, Guadalupe, Colorado, Lavaca, DeWitt, Bell and El Paso.

The top 10 counties in peach production were Gillespie, Upshur, Camp, Parker, Montague, Eastland, Clay, Comanche, Limestone, and Lampasas.

Because of a late freeze, most of the peach crop in Texas this year will be produced mostly in Central and East Texas. The freeze either damaged or destroyed the crop in North Texas and on the High Plains. The freeze is also expected to reduce the pecan crop in some northern sections of the state.

OBITUARIES

Bill Norman

Funeral rites for Bill Mathew Norman, 68 year old long-time Floyd County rancher and farmer, were conducted Monday morning in the First United Methodist Church. Norman, who had been making his residence in Ray's Hospital Home in Lubbock since December, died there Saturday about 1 p.m. after a lengthy illness. Norman underwent heart surgery for placement of a pace maker a number of years ago.

A native of Farmersville, Norman was born August 4, 1904 and moved to Crowell as a youngster with his parents. He graduated from Crowell High School in 1925 and moved to the Dougherty area in 1929. Until failing health Norman was a worker in community affairs and was well known for his Angus cattle. He had been involved in ranching for over 40 years.

Norman was a member of the Methodist Church. He was preceded in death by a daughter, Genelle, who died in 1971.

Survivors include a son, Weims Norman of Dougherty; two brothers, Jack of Dallas

and Earl of Stamford; a sister, Mrs. Sam Knox of Crowell, and six grandchildren.

Rev. C. B. Melton, pastor of the church, officiated for rites. Interment was in Floyd County Memorial Park under the direction of Moore-Rose Funeral Home.

Pallbearers were Carmel Eastham, Wayne Rainwater, Bob Covington, Bob Vickers, Ray Carthel and Roy Crawford. Honorary pallbearers included Milton Covington, Jess Glover, Kinder Farris, Jim Morrison, Claude Ring, Wilson Fowler, Jack Lackey, Ray Cook and Mark Martin.

Eli Neff

Services for Eli Neff, 60 year old owner and operator of Neff's Grocery in Floydada since 1948, were conducted Monday afternoon in the New Salem Primitive Baptist Church. Neff died at his home Saturday afternoon shortly before 5 o'clock of an apparent heart attack.

A native of Cross Plains, Texas, Neff was born July 19, 1912, and came to the Plains with his parents in 1923 in a covered wagon. The family settled in Crosby County and the next year moved to Floyd County to reside in the Fairview community. Following the death of his father, Neff took over Neff's Fruit Mkt., and expanded the grocery line.

Although stricken at the age of 14 months with polio, Neff took his handicap in stride, never using it as a crutch. He was a craftsman in his own right and had made many items for the Floyd County Museum, which he helped to organize as well as assisting with the building interior. The museum plans to erect a plaque in the museum in his memory.

Neff and the former Mary Bell West were married in Plainview July 17, 1937.

Survivors include his wife, a daughter, Mrs. Belinda Coats of Lubbock; his mother, Mrs. Annie Neff of Floydada; four brothers, Edwin, Lee and O.A., all of Floydada, and W. A. of Amarillo; and four sisters, Mrs. E. H. Guffee of Plainview, Mrs. Calvin Eathery of Prescott, Ariz., Mrs. Ira Capshaw of Springdale, Ark., and Mrs. Paul Woody of Lubbock.

Elder Joe Jackson officiated for the service. Interment was in Lakeview Cemetery under the direction of Moore-Rose Funeral Home.

Pallbearers were nephews of the deceased, Aubrey Neff, Sammy Woody, Carroll Woody, Eddie Guffee, Bennie Capshaw and Waldo West.

Honorary pallbearers were Jerry Galloway, Harvey Rials, Bill Knight, Donald Neff, Arvanna West and Bill Smith.

Lawrence Howard

Funeral services were held Wednesday for Lawrence William Howard, 64, of Star Route, Lorenzo, at 3 p.m. in the W. W. Rix Chapel, with the Rev. R. L. Flood, pastor of an Abernathy Pentecostal Church, officiating.

Burial was in the Idalou Cemetery under the direction of Rix Funeral Home.

Howard was killed Monday in a freak tractor accident about three miles east of the Heckville Gin.

Survivors include his wife, Ann; a son, Thomas of Clovis; four daughters, Mrs. Etta Mae Cron of Afton, Okla., Mrs. Betty Shorter of Lovington,

SWEDISH FLY GIRL - Pretty Danish model Berte Tove stars in her first film as a swinging air line stewardess with British male star Clinton Greyn, a passenger with obviously extended ticket privileges as they drive about Copenhagen in American International's new romantic drama, "Swedish Fly Girls," showing Sunday at the Seale Drive-In.

A.B. Thomas

Funeral rites for Albert Burnette Thomas, 71, brother of Hal Thomas of Floydada and W. E. Thomas of Lockney, were held Tuesday in the Calvary Baptist Church in Post. Thomas was pronounced dead at the home of his Floydada brother around 7:30 Sunday night of a self-inflicted gunshot wound from a 30-30 rifle, according to Justice of the Peace H. E. Porter.

Thomas, ill from a malignancy, had been residing with his brother and wife for the past several weeks. According to the JP, Mr. and Mrs. Thomas left their home about 6:30 to drive to their farm and when they returned, found the victim seated in his wheel chair in the bathroom, where death apparently occurred.

Thomas was a native of Tennessee, born March 19, 1902. He resided in Post before coming to Floydada.

Survivors include a son, Richard Thomas of New Mexico, three brothers, Hal of Floydada, W. E. of Lockney, and Lee of Overton, and three sisters, Mrs. E. D. Riggins of Olney, Mrs. Josie Hester and Mrs. Ruby Kennedy, both of Post.

Rev. Leon Smith, pastor of the church, officiated. Interment was in Terrace Cemetery in Post with Moore-Rose Funeral Home in charge.

Perry Tipton

Rites for Perry Monroe Tipton, 83, former long-time Floyd County resident and father of Mrs. Imelda Ramsey of the Harmony community,

were held Sunday afternoon in the First Baptist Church in Petersburg. Tipton died Friday afternoon at his farm home north of Petersburg, just across the Floyd County line.

Tipton was born in Ennis, Texas January 12, 1880. He and Viola Smith were married in Hamlin on December 27, 1914, and moved to Floyd County in 1924 from Anson. He was a retired farmer and a member of the Baptist Church.

Survivors include his wife, a daughter, Mrs. Ramsey; three grandchildren and six great grandchildren.

The Rev. Jess Nave, pastor of the church, officiated for the rites. Arrangements and burial in Petersburg Cemetery were under the arrangement of Moore-Rose Funeral Home.

Pallbearers were Steve Trowbridge, Kenneth Meadows, A. B. Kirk, Floyd McDaniel, R. A. Gregory and Jerry Bartlett.

Mrs. Sandra Thomas of Lockney and Mrs. Patricia Caraway of Weatherford; a brother, W. G. Howard of Bakersfield, Calif.; and 13 grandchildren.

CLUB NEWS

Of 56 Club Elected

The final club meeting of this year, a picnic at the Massie Center. Regular scheduled meetings will resume in September.

Members present for the meeting were Mmes. Billie Don Colston, Richard Crow, Johnny Dunlap, Craig Edwards, Bill Flynt, Frank Goen, Gordon Hambright, Troy Harris, Roy Kinard, Vernie Moore, Leslie Nixon, Kenneth Pitts, A.C. Pratt, Choise Smith, Jerry Thompson and Jakey Younger. Visitors present included Mrs. Allen Bingham, Mrs. Wilson Bond and Mrs. Marvin Reams.

Il Penseroso Club Meets In Lockney

Il Penseroso Junior Study Club met Thursday evening, April 28, in the home of L. L. Rhodes with Mrs. Dan Bayley serving as hostess for the meeting.

Linda Kidd called the meeting to order and Lynna Wood led the club in prayer. Members present answered roll by telling the name of their children's favorite book or story.

The program on children's books was given by Sandy Taylor. Program theme was "Happiness Is...the Joy of Children". Mrs. Taylor presented a delightful program on children's literature and various types of books which are of interest to young children. Ways to encourage the love of reading and a love for books in children were also suggested. One good suggestion was for parents to read books themselves in the presence of their children and to take children at an early age to the library. Mrs. Taylor showed several new books which are available at the local library and children's encyclopedias and books on poetry and rhyme were discussed. Several members brought books which were favorites of their children and members discussed books which had been their favorite as youngsters.

A business meeting was conducted following the program at which time plans for the rodeo parade and concession stand were made. The date and time for the

Kathy Miller Honored

The home of Mrs. Bill McCarter was the scene Saturday afternoon of a pre-nuptial miscellaneous shower feting Miss Kathy Miller, who will marry Bill Hunter of Hobbs, New Mexico June 1.

Guests calling from 3-5 p.m. were greeted by Mrs. McCarter, then presented to Miss Miller and her aunt, Mrs. Al Thompson of Wichita Falls. They wore white carnation corsages tied with yellow trim.

Miss Sheri Roberts presided at the guest register. Assisting in displaying the gifts were Mrs. Red Archer and Mrs. Danny Heath.

White-iced cake squares decorated with yellow icing flowers, fruit punch, nuts and mints were served by Misses Dinah Bean, Jane Archer and Karla McCarter. The refreshment table was laid with a white linen cut-work cloth over yellow. A white basket filled with daisies was the centerpiece. Yellow candles, yellow napkins with the names of the couple, and crystal appoint-

tea honoring Mrs. Applewhite and Mrs. Ayres who will be retiring this year was announced. The tea will be Tuesday, May 15, from 4 until 5:30 p.m. in the home of Mrs. Roy Kidd. The public is cordially invited to come and help honor these teachers.

A thank you note was read from Mrs. Helene Holt thanking the club for their participation in National Library Week.

Highlight of the evening was the presentation of a poem, describing happenings at the recent district convention, by Linda Terrell, Caprock District Junior Poet Laureate and member of Il Penseroso and Sally Carthel, member of Athena Junior Study Club. Following the clever and entertaining presentation, Jackie Holt, on behalf of the club, presented an award to Sally Carthel citing her enthusiasm and contribution to clubwork. A gift was also presented to Mrs. Carthel.

Cheryl Bradley will be representing her club in the Fashions for Fun contest at the state convention in Brownwood May 8-10. Mrs. Bradley is the Junior District winner in the knitting and crochet division.

Copies of winning poems by Linda Terrell were given to club members. These poems are also in state convention.

Co-hostess, Cheryl Bradley and Mrs. Bayley served refreshments to the following members: Charlotte Brock, Rita Burleson, Barbara Cawley, Jackie Holt, Gayle Jackson, Jesse Johnson, Linda Kidd, Barbara McCormick, Tommie Perry, Ann Race, Sandy Taylor, Cheryl Teeter, Pat Thornton, Carolyn Whittington, Lynna Wood, Elsie Hawkins, Linda Terrell and Sandra Smith.

Next meeting will be May 10 in the home of Mrs. Bill Bigham. Mrs. Keith Jackson will be program chairman.

Il Penseroso To Meet Tonight

Il Penseroso Junior Study Club members will meet Thursday night in the home of Mrs. Bill Bigham at Sterley. Co-hostess will be Mrs. Jerry Ford.

The program, which will begin at 7:30, will be presented by Mrs. Keith Jackson on vacation spots.

This will be the next to last meeting for the club year, with installation of officers scheduled May 22.

Lone Star Club Has Meeting

The Lone Star Home Demonstration Club met in the home of Mrs. Alan Kellum on Tuesday, May 1, 1973.

Club meeting reports were given, and the devotional was

"Food Fun" To Begin In June

"Food Fun For Juniors" classes will open in Floydada Monday, June 4 for the fifth consecutive year.

This free summer program is for junior age girls and boys, who have just completed the fifth grade, and is sponsored each year by Lighthouse Electric Cooperative, Inc.

The 1973 theme is "Portable Appliance Cooking" and the classes will feature special use and care of these handy appliances, as well as the preparation of various recipes. Coordinating the program will be LEC Home Service Advisor, Wilma Colston assisted by Distributive Education Student, Carmin Muniz.

The classes are scheduled for four weeks in June and each class will be limited to twelve students. Class time will be 9 - 11:30 a.m. at Lighthouse Electric Cooperative Willie Room. On Friday morning of each week a graduation party will be held, and each girl and boy completing the food preparation classes will receive a "Mother's Favorite Kitchen Helper" Certificate. Each girl and boy will be advised by letter concerning the date of the class they should attend.

Workshop Held At First United Methodist Church In Lockney

First United Methodist Church, Lockney, hosted a workshop Tuesday morning that was attended by 45 women from eleven churches in the Plainview District. A similar workshop was held in Olton Tuesday night for the other churches of the district.

Miss Joan Clark of Dallas, regional worker of the Women's Division of the Board of Global Ministries, United

Methodist Church, was present to conduct the workshop in the new women's organization. She was introduced by Mrs. Fred Hubbard of Cotton Center, who is outgoing district president.

Attending were 17 women from Lockney, and representatives from Silverton, Turkey, Lakeview, Crosbyton, Ralls, Lorenzo, Petersburg, Cotton Center, Hale Center, and First Methodist of Plainview.

White Mice To Attend College

Planning to go to college soon are 908.6 white mice. Financial backers of the trip are Lockney public school students who gave \$245.32 in response to Mrs. Jack Whittington's visit to each classroom.

"Help send a mouse to college — give 27 cents to the American Cancer Society" was the gist of Carolyn Whittington's talk. The education chairman of the local Cancer Society unit told the children that 27 cents was the amount needed to buy one white mouse to be used as a subject for cancer research conducted on college and medical school campuses.

More than one child asked his parents for exactly 27 cents, while others asked for "all you've got" so that his home room could donate the most money — and win a Coke party promised by Mrs. Whittington.

One Lockney mother, being the not-so-proud owner of a white mouse, tried in vain to think of some way to send "her" pet to college, or at least to Carolyn.

Thursday and Friday afternoons, Mrs. Whittington will give Coke parties for the winning rooms in each school: Waverly Washington's fifth grade which collected \$29.55; Mrs. Lea Eitelman's sixth grade which donated \$13.69; and the senior class which gave \$13.10.

Carolyn also plans to give penny treats to the following rooms who won honorable mention in the fund-raising contest: Mrs. Rita Burleson's fifth grade, \$15.67; Mrs. Elvin Lyon's fourth grade, \$16.45; and Mrs. Lynna Wood's second grade, \$16.08.

Elementary school pupils donated \$154.78, and junior high students gave \$55.24

while the homerooms were competing. The high school students preferred to compete in classes and gave the following amounts: freshmen, \$12.67; sophomores, \$7.15; juniors, \$2.37; and seniors, \$13.10; for a total of \$35.30.

According to Mrs. Ronnie Thornton, Cancer Crusade chairman, Lockney has already given about one-half of the goal of \$2000. The drive is incomplete, with only two communities, Providence and Muncy, finished. The business district campaign has also been completed.

MOTHER'S DAY LUNCHEON HELD IN PLAINVIEW

Women of Trinity Lutheran Church at Providence held a Mother's Day luncheon Wednesday at the Alceve Restaurant in Plainview. Mrs. Helmut Quebe was in charge of the program, using the theme of women. Mrs. Virgil Brasher and Mrs. Albert Steinfath also participated in the program.

Among the guests were Mrs. Curtis Wilke, vice president of the district ALCW.

Place favors were lavender gingham fabric flowers, with names of each woman in the yellow flower centers. Centerpiece on the head table was a vase of purple iris lined in lavender gingham checked material.

Mistress of ceremonies was Mrs. William Albert, vice president of the Trinity Lutheran ALCW.

Nation's Mothers Expected To Get Calls, 25 Per Second

Every Mother's Day Southwestern Bell Telephone scratches its head and wonders about that so-called generation gap.

This year the telephone company says the Nation's Mothers will generate an average of 25 long distance telephone calls per second across the U.S. May 13.

That figure includes calls from Floydada on Mother's Day.

All possible long distance circuits will be available for one plus (direct dialed) calls on Mother's Day, plus operators will be on duty to handle any calls which require operators' assistance, said Les Stevens, manager of Southwestern Bell.

"Mother's Day is neck and neck with Christmas in the race for the nation's biggest calling day of the year", the manager said.

Last year Christmas won with 9.1 million calls, a lead of only 56,000 over 1972 Mother's Day.

Direct dialing rates are cheaper, the manager said. Direct dial calls by-pass the

operator.

To get the best service, call before 11 a.m. Sunday or in the afternoon, Stevens said. To really avoid the calling rush, long distance customers may call Saturday and get the same low weekend rates.

"There really aren't any non-busy times to call on Mother's Day anymore", the manager added.

Country Club Bingo Night

The Floydada Country Club Women Association were the hostesses to a family bingo night at the country club Friday, May 4.

Approximately 50 members attended. Games of bingo were enjoyed by all present.

Free popcorn was donated by Capada Drive-In, ice by Wanda & Bob DuBois, Travel Center; and cups by Light-house Electric.

Merchants furnishing prizes were the following:

Cone Gin Inc., McCoy Gin, Arwine Drug, City Auto, Thompson Pharmacy, Birdies Beauty Shop, Caprock Hardware, Hales Dept. Store, Kinard Gulf, Mrs. Vel Simpson and Cindy, Oden Chev., Hagood's Dept. Store, Ponderosa Meat Co., Piggly Wiggly, Hesperian, King's Restaurant, Southwestern Life (Tommy Assiter), Allen TV Sales & Service, Bishop Pharmacy, Davis Farm Supply and Floydada Co-op Gins Inc.

The next meeting will be May 24 at 8 p.m. at the Floydada Country Club.

LOCKNEY STUDENTS ATTEND FTA DINNER

Thirty-eight LHS students attended the annual Future Teachers of America dinner Thursday night at K-Bob's Restaurant in Plainview. The event was to honor the club's graduating seniors.

Officers for next year were installed in a ceremony conducted by seniors Karen Marr and Donna Quisenberry, who used miniature tricycles to convey the theme "rolling into office." Diane Fry is new president; assisting her will be Stanley Stoerner, vice president; Robin Smith, secretary; and Becky Smith, treasurer.

A corsage was given to club sponsor, Mrs. Merle Brotherton.

Bill Norman Wins B&L Award

The annual Bausch & Lomb Science Award was presented Tuesday to Bill Norman by Jerry Lovingson, science teacher at Floydada High School.

"The Bausch & Lomb Science Award is especially significant", Livingston said, "because it recognizes our senior with the highest scholastic standing in science subjects."

The Science Award — a handsome bronze medal — is presented each year to winners at more than 8,600 participating schools throughout the United States. Surveys indicate that the Award has encouraged more than 30 percent of the winners to follow scientific careers.

Johany Hampton and daughter Joan of Burley Falls, Ontario, Canada, visited briefly last week with his niece, Mrs. Wayne Cooper and family. The Hamptons had been to Arizona on a business trip.

Mrs. F. U. Payne was admitted to Lockney General Hospital Tuesday afternoon with a broken hip. She fell at her home while attempting to hang curtains. Mrs. Payne is 87 years old.

FHS Student, Teacher To Attend Nuclear Science Symposium At UT

Randy Hale, Floydada High School junior, and faculty member Jerry Livingston, will attend the 13th annual Texas Nuclear Science Symposium at the University of Texas at Austin June 4-7.

More than five hundred of the state's top science students and instructors have been invited to attend the symposium, which is jointly presented by the Texas Atomic Energy Research Foundation and the university. Southwestern Public Service Company is a charter member of TAERF and will sponsor the Floydada participants.

Hale, the son of Mr. and Mrs. Sammy Hale, 809 W. Grover, is a member of the football, basketball and golf teams and is vice-president of the junior class. He is on the annual staff, a member of the Youth Choir, the Youth Council at church and is a

Texas Farm Income Near \$4 Billion Mark

Cash receipts for 1972 crops and livestock totaled \$3,803,000,000, Agriculture Commissioner John C. White has announced.

From figures compiled by the Texas Crop and Livestock Reporting Service, the breakdown included totals of \$1,442,000,000 in crops and \$2,361,000,000 in livestock, Commissioner White reported.

Value of production figures revealed increases over 1971 for all major crops except American Pima cotton, hay and grapefruit.

Weather influenced some of the increases. Fewer acres were planted in grain sorghum, but good weather produced a four-million-dollar crop. Yield per acre was down to 373 pounds in rice because of bad weather, but better prices raised the year's total to \$146 million. Peanuts and pecans both had increases because of improved weather, with peanuts at \$66 million and pecans at \$25.5 million.

When cotton was destroyed by hail, acreage in soybeans was doubled, producing an increase of \$11 million over 1971's \$8-million figure. Increased acreage also accounted for a higher production value in wheat, set at \$67 million. Hay was down from \$123 million in 1971 to \$117 million last year.

Cotton lint had a value of \$467 million. Upland cottonseed increased to \$76 million. Too much rain reduced the yield of American Pima cotton from 478 pounds per acre to 431 with a total production value of \$6.6 million. Also prices dropped slightly.

Vegetables drew better prices this year with \$125 million value. Oranges brought an increase of \$4 million over 1971's total of \$8 million. Due to lower yields and somewhat lower prices, grapefruit decreased from \$20 million in 1971 to \$16 million in 1972.

Livestock figures were about the same in spite of the hard winter. Death losses were up. From October to January about 50,000 head were lost, Commissioner White reported. Total death losses for 1972 have been estimated at 175,000 mature cattle and 260,000 calves, 81,000 over the total for 1971.

"Texas ranks about third in the nation in farm income. In 1972 we were close to the 4-billion-dollar mark. If we can get our crops in, and prices hold; we can go above that figure in 1973", Commissioner White predicted.

TERRY KIRK holds the plaque he won in Bible quiz.

Local Tops Members Given Recognition At Tops Convention

Three Lockney women were given recognition at the Texas TOPS convention in Fort Worth Friday and Saturday. Mrs. Lavon Johnson, queen of the local club, was recognized for having reached her weight goal, and she participated in a graduation ceremony that elevated her to membership in KOPS, (keep off pounds). Mrs. Lula Nance and Mrs. Mabel Mercer were honored for being long-standing members of

KOPS. Mrs. Johnson maintained her weight for years, and Mrs. Nance and Mrs. Mercer were recognized for having reached her weight goal.

The state TOPS convention was held at the City Center Hotel in Dallas. Mrs. Gale McPherson of Lockney was elected state queen.

FLOYD PHILOSOPHER Thinks He Has Discovered A New Way Of Selling A Lot More Newspapers

Editor's note: The Floyd Philosopher on his Johnson grass farm thinks he has discovered a new idea for newspapers, then changes his mind, his letter this week reveals.

Dear editor:
Located where they are, naturally The Hesperian and The Beacon had no chance to get in on the big Watergate doings, thus missing getting first denounced and then apologized to by some of those around the center of power in Washington, but still there are lessons it seems to me you might profit by if you study some of the sidelights close enough.

For example, a Washington newspaper back there during the re-election scramble published a questionnaire sounding out the public on what it thought of President Nixon's decision to mine North Vietnam harbors.

Without the President's knowledge, I feel sure, some of his re-election promoters with plenty of cash lying around went out and bought an extra 1,000 copies of the newspaper and had everybody in the office fall to and clip out the questionnaire and vote in favor,

producing a top-sided majority.

Now on the new policy some people now practice, "ask not what your government can do for you, figure out for yourself what it can do for you and get in on it, the same as some big shots do," it seems to me there's an opportunity here for alert newspapers.

I don't know what it'd be, but stir up some hot issues around here, run a questionnaire in the paper, and sell an extra thousand copies to people trying to swing public opinion.

This will take some doing however because first nobody around here has any un-reported slush funds to spend on such an operation, and second there aren't enough issues.

On the whole, I'd say that the difference between Floydada or Lockney and Washington is that while in Washington they have more problems than they have answers, in Floydada or Lockney you have more answers than you have problems. Maybe it'd be sounder to just let your circulation grow, as I understand it is, at the standard rate of \$6.50 a year. These people who buy up big wads of extra copies are here today and gone tomorrow.

Yours faithfully,
J.A.

CENTER NEWS by Mrs. J.E. Green

CENTER, May 7 — This is a beautiful May day except that brisk wind is cold. And we are "having a dry spell" — it hasn't rained for several days. It is gardening time. We even have a few beans up.

Mrs. Anderson's children who saw her Sunday p.m. at her home were Otis and Dorothy Mae, Floydada; Dorothy and Odell Thompson and their daughter and husband.

Vanda and Terry Collins of Petersburg. All went over to visit Louis and wife.

Mrs. Joe Conway of Lubbock visited Thursday with her parents, Mr. and Mrs. Claud Carpenter.

Mrs. Frank Dunn and Mrs. Lillian Marble visited Mrs. Clarence Ashton one p.m. last week, then went on to see Mrs. Helen Patterson and mother, Mrs. Gilly.

Mrs. Ashton visited Mrs. Collier one afternoon or two. Mrs. C. W. Denison visited Mrs. Ross Saturday p.m.

Mrs. C. E. Finley's daughter, Mrs. Cooper of Lockney visited her mother Sunday p.m., then took Mrs. Finley by to spend the night with Mrs. Ethel Collins.

Sunday visitors at the Greens were their sons, Don Clark Green of Big Spring and Mr. and Mrs. Victor Green of Plainview.

Mrs. J. D. Higgins of Petersburg spent Saturday night with Mrs. Charley Spence.

Mr. and Mrs. Spence visited with Mr. and Mrs. Carpenter one evening last week and played 42.

Sunday dinner guests of Mrs. Ola Warren were Mr. and Mrs. Thomas Warren, Don and Joyce, Elaine Stout and babies, and Mr. and Mrs. Fred Battey.

Mrs. Burl Huckabee visited Mrs. O. C. Vinson Thursday p.m. Mrs. Vinson visited Mrs. Frank Dunn Saturday p.m.

Garvin Beedy and daughter, Mitzi of South Plains had lunch Sunday with Mr. and Mrs. Leo Frizzell.

Mr. and Mrs. Elmer Warren also visited the Frizzells Sunday p.m.

Mr. and Mrs. Larry Beedy took his grandparents, Mr. and Mrs. Frizzell, out to a fish supper Friday evening.

Callers at Miss Vera Meredith's last week were Mrs. R. R. Waller on Monday, Mrs. Alma Dunn and Mrs. Lillian Marble on Thursday.

Miss Meredith spent the weekend with Mr. and Mrs. Clay Muncy at Lockney.

Mrs. C. M. Meredith is entertaining the Dorcas Sunday School class at a luncheon this Tuesday.

Rev. and Mrs. J. T. Bilbrey of Plainview, the organizer of

Calvary Baptist Church, Floydada (some 25 years ago) visited Mr. and Mrs. Charley Spence this Monday morning. Mr. and Mrs. Weldon Cumbie of Providence visited Mr. and Mrs. Doyle Sandifur Sunday p.m. Other visitors some time last week were Mrs. Elmer Sellars, Mrs. Lucille Carroll, Mrs. Kate Edwards, and from Lubbock, Mrs. H. C. Stovall, and her son, R. L. Stovall of Dallas.

Mrs. Elvin Warren had major surgery at a Lubbock hospital this weekend. We hope she will soon be well again.

Our sympathy is with all who have lost loved ones over this weekend. Among those who passed were Eli Neff, long time popular Floydada grocer who died Saturday; and Sunday the untimely death of Albert Thomas, brother of Hal Thomas. We know not the day nor the hour. Let us all be ready.

Give to the
Salvation Army.

Planting Rate A Critical Decision For Cotton Producers

LUBBOCK — Cotton producers are now faced with numerous decisions about planting, and not the least among them is the question of planting rates, says an area cotton specialist here.

According to Dr. Robert B. Metzger of the Texas Agricultural Extension Service at Lubbock, seeding rates will vary according to row width, seed quality, and whether production is under irrigation or dryland.

"Due to low quality seed this year," says Metzger, "planting rates in many instances will have to be increased by 25 percent or more, depending on the level of germination."

Explains the agronomist, "The optimum plant population for the conventional 40-inch row width is 40 to 50 thousand plants per acre. This population is equivalent to three or four seedlings per foot of row. Assuming 70 to 75 percent emergence, this would require five to six seeds planted per foot of row or approximately 20 to 25 pounds

of seed per acre. It should be emphasized that to get 75 percent field emergence, a laboratory germination of 80 percent or higher is required."

For those considering narrow row cotton production, he explains, an average of three plants per foot of row is still a good rule of thumb. For 20-inch single rows or double rows on 40-inch beds, 75 to 80 thousand plants per acre is an ideal plant population.

"To obtain this population will require 32 to 35 pounds of seed (at least 80 percent germination) per acre," he advises.

In fact, this type of planting offers an opportunity to avoid crowding of plants within the row. To accommodate a plant population in the 100 to 140 thousand range will require a more narrow row pattern. For example, this can be accomplished in a 10-row width using a planting rate of 50 pounds per acre.

Due to the adequate supply of underground moisture,

many producers are considering narrow row cotton on dryland, Metzger reports. He emphasizes that successful dryland narrow row production will depend not only on proper planting rates but also on good seed placement for proper plant distribution within the row.

"This can be accomplished only with proper planting equipment," he advises. "The planting rate should be reduced from that used in irrigated narrow row production. For a 20-inch single or

double row planting rate of 50 pounds of seed per acre would be sufficient to produce 10-inch row width should increase germination rates. The agronomist that in addition, other important factors as variety control, irrigation fertility for production.

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING
CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)

The Texas Highway Department is planning the construction of a Farm to Market Highway from the intersection of F.M. 2286 with State Highway 207, east four miles. The proposed highway project will pass one half mile south of South Plains, Texas. The proposed work will provide a twenty foot wide asphalt pavement and it follows the existing county road. An eighty foot wide right-of-way is requested.

Maps and other drawings showing the proposed location and geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at 708 North 2nd Street, Floydada, Texas. Also, the drawings showing the proposed geometric design have been placed on file with the Floyd County Judge at the Courthouse in Floydada, Texas.

Information about the State's Relocation Assistance Program the benefits and services for displacees and the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held concerning the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before May 30, 1973.
