Whirlwinds 'Interesting'

of two-a-day whirlwind... Wilson will be "an on said quickness rather than relying on size and overpowering strength."

Wilson expressed appreciation to the fans for their good turnout Friday.

The biggest problem, looming larger than their small size, facing the Whirlwinds this year, is a lack of depth, especially in the offensive backfield, Wilson declared. He said there were "six or seven" boys working at backfield positions, and all but two

(quarterback John Cagle and fullback Danny Quisenberry) are learning two positions because of the depth problem.

On the positive side, Wilson said he has been pleased with the aggressiveness and quickness shown by the 'Winds. "Our defense looked much better than we had expected," he told The Hesperian. "It looks like the defense will be capable of 'holding 'em,'" he said, "and our offense should be able to move the ball."

The Whirlwind head coach mentioned again this week the good physical condition in which the team reported for workouts. He said the team had worked "real hard" and had shown "a lot of fire, spirit, and hustle" in the workouts.

Wilson said the 'Winds' passing game is "way ahead of last year," with Cagle reporting with his arm in better shape and Rance Young (temporary backup quarterback for Cagle until Mike Vickers returns after an operation) throwing better. The backs and ends, especially Rex Yeary, Marc Smitherman and Lynn Becker, are doing a "real good job of catching the ball," he says.

Wilson noted a lot of good competition going on at the center, guard and tackle positions on the offensive line. He said the offensive linemen are "really working hard," and he feels that these positions, which started as a potential weakness in the Whirlwind lineup, may turn out to be one of the team's strong points this season.

The team came out of the first week's workouts in good condition, with no injuries except to Yeary, who strained a knee in the scrimmage Friday and will probably be held out of the scrimmage with Brownfield this week. Vickers probably will not see much practice for at least two weeks and is not likely to get in any contact work until after the first game.

The Whirlwinds are still looking for a punter (Ruben DeLeon holds the edge right now as possible heir to graduated Mark Vinson's job), but Wilson says he feels the 'Winds are pretty strong in the kickoff, extra-point, and field-goal kicking department, with Rance Young back and Quisenberry showing a strong leg on place-kicking attempts.

Twenty-four freshmen reported for football workouts Monday afternoon, and the FHS coaching staff expects a few more ninth-graders out for grid practice when school starts. The Whirlwind fresh work out at the same time the JV and varsity hold their afternoon practice.

The 'Winds open the regular (non-conference) season September 7, hosting Crosbyton.

If approved, the effective date of the new rate adjustments would be October 1, 1973, and the first adjustment would be applied to all bills rendered on or after that date. Since the end of 1972, the company's cost of gas has increased by about 2 1/2 cents per thousand cubic feet (MCF) and the first adjustment would therefore be about 3 percent of the average domestic price.

"In 1970, when we reached the original agreement on a cost-of-gas adjustment with the cities, it appeared that an annual adjustment would be appropriate," Watson said. "At that time, it was not predicted that the energy situation would develop so rapidly accompanied by the accelerated increase in the field cost of gas which makes it necessary for us to request this more current provision," Watson continued. "I think the spirit of the original agreement, to permit Pioneer to recover its increased costs for gas, is reflected in this request," Watson concluded.

Whirlwinds, Brownfield Set Scrimmage Friday Night

The Whirlwind varsity and junior varsity football teams are scheduled to scrimmage the Cubs at Brownfield tomorrow, Friday, August 24.

The JV scrimmage will start at 6:30, with the varsity to begin about an hour later.

Students Register Tomorrow

Birth Certificates, Immunization Records Required For Elementary School Registration

Registration at public schools in Floydada, South Plains and Dougherty is scheduled tomorrow (Friday, August 24). School starts Monday, August 27. Buses will not run Friday but will begin regular schedules Monday.

Registration at Duncan and Andrews Elementary Schools in Floydada starts at 8:30 a.m. Four-year-old migrant, kindergarten, and first-grade students at Duncan should bring birth certificates and immunization records, according to principal W. P. Nicholson. New students at Andrews Elementary should furnish immunization records, principal Bob Copeland says.

Floydada Junior High registration also begins at 8:30.

Students at Floydada High School sign up on this schedule: seniors, 9 to 10:30 a.m.; juniors, 10:30 to noon; sophomores, 1 to 2:30 p.m.; freshmen, 2:30 to 4 p.m.

Freshmen, sophomores and juniors will have pictures made during their respective

registration periods. Boys are requested to wear ties and light-colored shirts, no coats; girls should wear clothes "appropriate for the occasion."

There is a \$2.00 activity fee for FHS students. Students at South Plains and Dougherty sign up from 9 a.m. until noon.

Goal: The Number-One Band

About 150 people, Whirlwind band members and their parents and guests, attended a watermelon supper sponsored by the Floydada Band Boosters Tuesday evening at the band practice field.

The crowd heard new band

director Schmidley say that he has only one goal for the Whirlwind band: to be the number-one band in the state. "There is no reason why we can't do this," Schmidley said. He said the band now has 65 members, and a school the size of Floydada High School could have 200 members. The new band director said he came from Wellington, a smaller school than FHS, where many football players, cheerleaders and FHA and FFA members were also in the band program, and that's what he wants here.

He asked for the support of the parents and the whole town in his efforts to improve and enlarge the Whirlwind Band.

HEARING SEPTEMBER 10

Floyd County Budget Filed

(The first in a series of five articles on the Floyd County budget, from information furnished by O. M. Watson Jr., County Auditor)

The 1974 Floyd County Budget was filed August 17 in the County Clerk's office for public inspection. The county budget hearing is set for 1 p.m. September 10 at the Commissioners Courtroom. The public is invited. The budget is prepared by County Judge J. K. Holmes, the County Commissioners (Aaron Carthel, Pet. 1; Bob Jarrett, Pet. 2; Grigsby Milton, Pet. 3; and Bill McNeill, Pet. 4), and County Auditor O. M. Watson Jr.

The 1974 budget is \$548,967.00. The budget is divided into seven funds: Jury, Road and Bridge, General, Permanent Improvement, Interest and Sinking Fund, Library, and Officers' salary.

Proposed tax rate is 90c per \$100 valuation (no change from last year), and the county valuation is set at \$34,411,131.00, 30 percent of actual value used for taxes.

In March, 1974, a final payment of \$12,000.00 on Floyd County courthouse bonds will put the county completely out of debt. Bonds for a million dollars, approved by the taxpayers in 1948, 1949, and 1958 for farm-to-market roads, the four-lane highway program in Floyd County, and a new courthouse, have been paid through the years. No taxes were collected in 1973 or will be in 1974 for bond payments as the money has been in bond funds to pay off all bonds.

There has been no increase in total county taxes in several years, as taxes usually assessed for bonds and interest in the past have been transferred to the operating fund — but the county is about to see the end of this favorable

situation, as inflation has affected Floyd County as it has all other businesses. Everything the county buys — parts, repairs, diesel, machinery, record books, printing and services — has increased in price, County Auditor Watson notes.

County Tax Assessor-Collector Mrs. Jonelle Fawver and her staff, Mrs. Marjorie Martin and Mrs. Jacqueline Walls, collect taxes for other taxing agencies in addition to the county: Caprock Hospital District, High Plains Underground Water District, Floyd County Noxious Weed Control District, and the Dougherty and South Plains Rural School Districts, and the State of Texas. Only 44.5 percent of the money collected over the counter of the Tax Collector's office is received by the County of Floyd to carry on county business.

It is estimated by the Tax Assessor that the county will receive \$294,215.00 in taxes for 1974. The remainder of county income to cover the budget will come from auto registration (\$145,000.00), fees of office, fines and other sources.

There are 51 employees on the county payroll. The new budget includes a 10 percent increase in pay for employees. Some elected officials who work in the courthouse will receive \$693.00 per month; commissioners, sheriff's deputies, the librarian and the district clerk will receive \$550.00 per month; men who work for the precincts will receive \$550.00 per month; and secretaries' salaries are set at \$386.00. These salaries become effective January 1, 1974.

Salaries paid by the county have always been below the salaries paid by other West Texas counties and are "far below" the salaries allowed by Texas state statutes.

'Highway Week' Set By Governor

Terming the Texas highway system "the basic transportation resource in Texas," Governor Dolph Briscoe has designated September 23-29, 1973 as Highway Week in Texas.

The event coincides with National Highway week which this year is under the honorary chairmanship of television personality Lorne Greene. Theme of the observance is "Better Roads — Better Living."

Speeches, highway dedications, open house and other special events activities at many Texas Highway Department facilities across the state are planned for the week.

The Governor singled out citizen support as an important factor in highway progress in Texas and noted that development has been a cooperative effort between all levels of government.

The text of the Governor's official memorandum:

The Texas Highway system comprises more than 70 thousand miles of all-paved highway facilities which form the basic transportation resource for Texans.

The period of September 23 through 29 has been designated National Highway Week to dramatize the importance of our vital network of roads.

Theme of this year's observance is Better Roads, Better Living.

Highway progress in Texas has been made possible through an active partnership between Texans working through organizations such as the Texas Good Roads Association and the Texas Highway Department.

Highways are important in the movement of goods and people between cities. Equally important are the thousands of miles of urban highways, freeways and major arterial streets which have been developed cooperatively between all levels of government.

The travelways take most Texans to work, whether they drive their own cars or ride public transportation. And when work is done, they transport Texans and their visitors to recreation spots. They are essential to the health of business and industry. They are the carriers of police, fire and other emergency services.

Streets and highways transport the bride to the altar, the sick to the hospital, children to school and the family to

church. Highways are basic. Indeed, better roads do bring better living.

Therefore, I, as Governor of Texas, do hereby designate the period of September 23-29, 1973 as Highway Week in Texas and urge all citizens to lend their support to the development of better roads and to the Texas Highway Department.

FLOYD DATA

Mr. and Mrs. Bruce Johnson and grandsons Mike and Kenny of Hurst visited Mr. and Mrs. Claude Ring in Floydada last week. While in Floydada they also visited with several friends.

Ring's sister, Mrs. Edith Hicks of Levelland, was a guest in the Ring home Sunday and Monday.

Weed Control Important To Successful Cotton Production

Summer rains that have boosted cotton prospects over the South Plains have also encouraged emergence and growth of annual weeds, according to Dr. Robert B. Metzger, area agronomist.

Annual weeds presented little problem in the early part of the season because of an unusually dry spring, he says. Lack of surface moisture prevented weed germination in May and June, but a plentiful underground moisture supply allowed cotton to grow, establishing deep roots.

The Lubbock-based specialist for the Texas Agricultural Extension Service adds that ideal conditions allowed cotton to get ahead of annual weeds and shade out many of the younger emerging weeds.

With summer rains encouraging weed growth, however, producers will need to hook up that herbicide rig and get back to the fields, Metzger urges.

"Caparol or Karmex compounds provide excellent lay-by control on young careless weeds and grasses less than two inches tall," he explains. "Application rates of Caparol are 0.6 to 0.8 lbs./A. or wettable powder and for Karmex, 0.25 to 0.5 lbs./A. The spray should contain one-half percent surfactant (one quart in 50 gallons of

Miss Brenda Willis, John Thomas Pugh III Exchange Double Ring Vows Saturday

In a double ring ceremony read at 5 p.m., Saturday afternoon, August 18, in the First Baptist Church of Floydada, Miss Brenda Gayle Willis, daughter of Mr. and Mrs. Kenneth Willis, became the bride of John Thomas Pugh III, son of Mr. and Mrs. J. T. Pugh, Jr. of Levelland. Dr. Floyd C. Bradley, pastor, performed the ceremony before a profile kneeling bench.

Tall palms backed a brass tiered candelabra, decorated with picardy gladiolus and yellow starburst mums, flanked by gold satin ropes, stood on each side of the altar.

Mrs. Bob Copeland, organist, and Mrs. Carolyn Cheek, pianist, presented wedding music and a duet, "You'll Never Walk Alone". Mrs. Cheek accompanied Miss Kim Campbell and Miss Lisa

Gregory as they sang "The Twelfth of Never" and "The Wedding Prayer."

The bride was escorted by her father down an aisle decorated by brass hurricane candelabra, tied with satin bows and garlands of yellow daisies. She wore a formal length gown of white cotton voile with a floral leaf design of Venise lace forming a high scalloped neckline. The sheer yoke extended off the shoulder revealing the layered look. The long full bishop sleeves of sheer voile were cuffed with Venise lace and trimmed with a row of self covered buttons. Self covered buttons also extended from neckline to waist in back. The midriff was encircled with a lace motif. The gathered skirt was of sheer voile halfway, with scalloped lace continuing to the hemline. The double tiered chapel length silk illusion veil was held in place by a headpiece of Venise tapestry lace, adorned with a flat sweetheart bow of frosted voile. She carried a prayer book arrangement bouquet of white roses and stephanotis, centered with a white Catalpa orchid, which was removed for her going away corsage.

For something old the bride wore earrings belonging to her great grandmother, and worn by her grandmother and her mother at their weddings. Something new was her wedding attire, blue was the traditional blue garter, and something borrowed was a handkerchief belonging to her maternal grandmother. Miss Karen Willis, sister of the bride, was maid of honor. Bridesmaids were Miss Debbie Caswell of Brownfield, and Miss Gayla Roberts of Lamesa. Junior bridesmaid was Miss Kristi Willis, sister of the bride. They wore floor length

Mrs. Shurbet Observes 80th Birthday

Ninety guests called on Mrs. Jess Shurbet Sunday from 3 to 5 p.m., at a reception honoring her on her 80th birthday.

Members of Mrs. Shurbet's family attending a luncheon Sunday at the home of Mr. and Mrs. W. L. Orman before the reception included, in addition to Mrs. Shurbet and the luncheon hosts, Mr. and Mrs. Larry Orman, Traci and Keeley of Amarillo; Mr. and Mrs. George Henry and Kenneth of Wellington; Mr. and Mrs. Carl Daves, Janet and Greg of Lubbock; Mr. and Mrs. Ray Henry and Karen of Austin.

gowns of identical styling, made of sheer organza in a floral design of apricot and yellow, featuring a wide natural waistband, gathered skirt finished with a wide flounce. Long full sleeves, gathered onto a wide cuff and buttoned with tiny self covered buttons. The wide-brimmed hats were adorned with matching bands and flat bows in back. They carried baskets of yellow carnations, Peruvian lilies and yellow starburst mums.

Kenny and Kristi Willis, brother and sister of the bride, were candlelighters. Bruce Woods of Levelland served as best man. Groomsman were Sammy Pugh, brother of the groom, and Justin Lane, both of Levelland. Kenny Willis was junior groomsman. Ushers were Larry Don Pugh, brother of the groom, Gene Galloway, and Greg Alexander, all of Levelland.

Following the wedding a reception was held in fellowship hall of the church. The table was covered with a floor length cloth of yellow lace. Centering the table was a tall candelabra surrounded by the baskets carried by the bridesmaids. Silver and crystal appointments were used. Serving the four tiered wedding cake was Mrs. Steve Martin of Lubbock and Mrs. Roger Boyles of Carlisle, cousins of the bride. Assisting with the reception were Miss Terri Shipman of Abernathy, Mrs. Bruce Woods of Levelland and Mrs. R. L. Niel, Mrs. Malvin Jarboe, Mrs. Kenneth Pitts, Mrs. J. B. Colston and Mrs. B. J. Hambricht of Floydada.

Registering guests was Mrs. Mark Whittle, and passing rice bags and scrolls were Misses Tanea Landers and Kristi Willis.

Mrs. Pugh is a graduate of Floydada High School, attended Angelo State University and graduated from South Plains Junior College. She is employed by Amoco Production Company in Levelland. The groom graduated from Levelland High School, South Plains Junior College and plans to enter Texas Tech this fall. He is also employed at Amoco Production Company.

Following a wedding trip to New Mexico, the couple will make their home in Levelland.

MRS. PETER NICOLO FUIZZOTTI

Miss Fletcher, Peter Fuizzotti Pledge Vows In Texarkana

Miss Margie Ann Fletcher, daughter of Mr. and Mrs. N. W. Fletcher of Texarkana, Arkansas, and granddaughter of Mr. and Mrs. Elmer Sellers of Floydada, became the bride of Peter Nicolo Fuizzotti in a double ring ceremony Friday at 1 p.m. at Hickory Street Baptist Church in Texarkana.

The groom is the son of Mr. and Mrs. Peter D. Fuizzotti of Cleveland, Ohio.

Captain Jerry Mize, Chaplain at Red River Army Depot performed the ceremony.

Given in marriage by her father, the bride wore a floor length gown of sheer organza and scalloped chantilly lace fashioned with a transparent yoke and mandarin collar accented with tiny pearls.

A fitted bodice encircled with scalloped lace was attached to a bouffant silhouette skirt that swept into a chapel length train. Bishop sleeves with petal point cuffs accented with pearls complemented the gown.

She chose a Juliet pearl cap secured to French silk illusion tiered into a finger tip veil.

In carrying out something old, new borrowed and blue, the bride wore a cameo brooch belonging to her grandmother. She carried a large fresh orchid atop a white Bible. Bridal attendants were Miss Brenda Franklin, maid of honor, and Miss Kim Elaine Fletcher, bridesmaid, both of Texarkana.

Bridesmaids were gowned in ball length gowns of spring colors. They carried long stemmed roses.

Jack Swink of Ft. Smith, Arkansas served as best man

and Terry Skinner of Texarkana was groomsman.

Following the ceremony, a reception was held in Fellowship Hall of the church. The bride and groom's table was covered with a lace tablecloth. Miss Vicki Higgins and Miss Margie Powell of Texarkana presided at the table.

Silver and crystal appointments flanked by candelabra holding long tapers of purple and orchid complemented the table. Floral arrangements in colors of purple and orchid also adorned the room.

Miss Audrey Fletcher, sister of the bride presided at the register.

The bride is employed at The Instructional Center of Texarkana Arkansas School District and the groom, a 1971 graduate of Ohio State University is a Lieutenant stationed at Red River Army Depot.

After a short wedding trip the couple will be at home at The Orleans, 2400 East 24th, Texarkana.

Shower Honors Miss Clampitt

A miscellaneous shower August 9 in the home of Mrs. Allen Cochran honored Miss Gaya Clampitt, bride-elect of David Hale.

In the receiving line with the bride-elect were her mother, Mrs. Emmitt Clampitt; the mother of the groom-to-be, Mrs. Roy Hale; and Mrs. Cochran.

Punch and cake squares were served from a crystal service. The table was covered with a blue lace tablecloth; the centerpiece was a gold arrangement.

Mrs. Richard Sims of Plainview presided in the gift room.

Hostesses were members of the Ladies Fellowship of the Victory Baptist Church. Their gifts were an electric coffee pot and an electric mixer.

Care Center Residents Celebrate Birthdays

August is a happy time with "lazy," hazy days. But celebrate we surely will in several different ways. Cleatis Davis first we greet.

He dates from '22. . . . And he's the youngest of the group

A "kid" to me and you! We welcome Mrs. Ellen Love

. . . . A lady to be sure. . . . And with her smiling happy face

It's good to have her here. Mrs. Selman always works Needles flying to and fro. . . .

And oh! those pretty things she makes. . . . She loves to sew and sew and sew!

Mrs. Warren brings us cheer. . . . Each time we have a "chat". . . .

She loves to visit anytime And always talks of "this and that".

Mr. Sargent, at eighty-four. . . . Is the "elder" of the group. . . .

But get him in a playful mood And he still might "jump the hoop".

The birthday song we just must sing. . . . To speed this celebration. . . . So get your voices all tuned And do it with elation.

Mr. and Mrs. Ellis Brown of Brownwood are parents of a baby boy born August 11. His name is David Lee. He weighed 6 lbs. 5 oz. He has an older brother, Douglas, nearly 3. Maternal grandparents are Mr. and Mrs. Warner Johnson. Paternal grandmother is Mrs. L. T. Brown. Great grandmothers are Mrs. W. C. Brister and Mrs. Etta Jones, all of Brownwood.

Mrs. Brown works for the USDA at the Peckan Experiment Station in Brownwood.

Pinkerton of Lamar, Colorado, Mrs. Pauline Douglas and Mrs. Harold Warden of Liberal, Kansas. Nieces, nephews and their families came from Pueblo, Colorado; Kanawa Head, West Virginia; Woodward, Oklahoma; Liberal, Kismet, and Kansas City, Kansas; and Canyon, Texas. Mr. and Mrs. Arley Morris and Mr. and Mrs. Mason Norris, cousins of Mrs. Schacht, of New Haven, Kansas attended. Herman and Anna Schacht, Mr. and Mrs. Durward Jack, Mr. and Mrs. Belvred Jack of Lubbock shared the day with the family.

between the extension service and home sewing industries. Continuous 30-minute presentations by home sewing representatives will be held from 9 a.m. to 12 p.m. These will be repeated at the afternoon session beginning at 1 p.m. and ending at 4 p.m.

When the representatives are not on the program, they will be available at individual booths to answer questions and distribute educational materials. Along with county extension agents, Wynon Mayes and Karen Miller, clothing specialist Becky Culp from Texas A&M also will be on hand to distribute extension publications and answer questions.

There is no charge for the program nor publications that will be distributed. All women in Plainview and the surrounding areas are invited to come and take advantage of this informative program.

Satisfaction

The value of life lies not in the length of days, but in the use we make of them: A man may live long, yet get little from life. Whether you find satisfaction in life depends not on your tale of years, but on you will.

Diana Goedrich-Roy Bruce Baccus Vows August 19 In Schulenburg

The wedding of Miss Diana Faye Goedrich and Roy Bruce Baccus. Vows were pledged in

a double ring ceremony directed by Father Roger Robins.

Parents of the newlyweds are Mr. and Mrs. William Goedrich of Schulenburg, and Mr. and Mrs. R. D. "Rusty" Baccus of Lockney.

Mary Balear, organist, and Kari Pettit, soloist, presented the musical program, including "Because," "The Twelfth of Never" and "The Wedding Song." Floral decorations in the church were baskets of flowers on the altar, and baby's breath garlands were on the pews.

Presented for marriage by her father, the former Miss Goedrich was dressed in a floor-length gown of satin, designed with a ten-inch wide lace hem. Lace appliques also were on the bodice and around the high neckline. The empire-styled dress had long, full sleeves of chiffon with wide lace cuffs. Her long train which fell from a lace bow was edged with lace and had fabric roses scattered on it. The bride carried a bouquet of roses surrounded by spring flowers.

Mrs. Lynda Goedrich of San Antonio, sister-in-law of the bride, was honor attendant. She wore a floor-length blue pinafore-style dress made of polyester seersucker. Lace trim on the bodice and a wide ruffle at the hem completed the dress. The other feminine attendants, Mrs. Jan Fuller of San Angelo, Mrs. Jeanette Horne of Leesville, Louisiana,

Miss Becky Weatherby of Fort Stockton, Miss Cathy Stoerner of Lubbock and Miss Nancy Lambert of Abernathy wore dresses identical to the matron of honor's.

Brad Baccus of Lockney served his brother as best man. Groomsmen were Ricky Kellison of Pantex, Bill Howard and Randy Henderson, both of Lockney, Stanley Young of Tulia and Wayne Findley of Colorado City.

Ushers were brothers of the bride, Steven Goedrich of San Antonio and Thomas Goedrich of Schulenburg.

Mr. and Mrs. William Goedrich, parents of the bride, were hosts to a reception and a supper following the ceremony. The bride's table was decorated in her chosen colors of blue and white. Reception attendants were Mrs. Ricky Kellison of Pantex, Miss Sherry Harris of Floydada and Mrs. Patricia Lee.

Following a wedding trip to Colorado, the couple are at home at Varsity Village Apartments in Lubbock. Both will be senior students this fall at Texas Tech University.

Diana and Bruce are former students of Angelo State College at San Angelo. They have both been on the Dean's Honor List at Tech and Bruce is president of the Block and Bridle Club at Tech.

Rehearsal Supper

A dinner was given Saturday night following the wedding rehearsal. Hosts for the dinner at Frank's Restaurant in Schulenburg were parents of the groom, Mr. and Mrs. Rusty Baccus.

Mr. And Mrs. Conner Honored On Fiftieth Anniversary

In honor of the fiftieth wedding anniversary of Mr. and Mrs. Jim Conner, their daughter and sons and families met at the Villa Inn, Amarillo, the weekend of August 10-13. The highlight of the happy occasion was a dinner at Sutphen's the evening of August 11.

Besides the honorees, those present were Mr. and Mrs. Millard Fourn, Billy and Patti of Phoenix, Arizona; Mr. and Mrs. Robert Conner and Holly of Amarillo; Mr. and Mrs. W. T. Conner, Kathi, Cindi, Bruce and Kristy of Dumas; Mr. and Mrs. Fred Conner, Roxane and Bing, Furnish, Rhonda and Mike Pritchard, Rochelle and a friend, and Renetta, of Guyton, Oklahoma; Dr. and Mrs. Stanley Conner, Mike, Doug and Ann of Houston; Mr. and Mrs. Roger Conner, Nancy, Helen and Tommy of Irving; and Mr. and Mrs. Lee

Anderson of Amarillo. The grandchildren unable to attend were Jeanette and Wes May III, Woodbridge, Va.; Phyllis and Ken Middleton, Glendale, Arizona; and Mark Conner, Georgetown, Texas. Friends and relatives who called on the Conners at the Villa Inn were Mr. and Mrs. J. A. Welch and Connie; Mr. and Mrs. Keith Marble and children, Mrs. Gertrude Barlow, Mrs. Robbie Fortenberry and daughters, Mary Dorris, Stella Lee Sevier and Alta Mae and Charles Higgins.

Children's Shoes

Dressing up will call for the pretty platform, ankle strapper, or maybe the wedge to go with her ankle-length party dress. When dressing up, boys will prefer step-ins, mostly in two-tones and on the all-important higher heel. Probably the most important fashion trend for children in the fall is the heavy bottom look. It will be found on the feet of every fashion-aware boy and girl returning to school.

NOTICE

Those girls interested in entering the Fair Queen Contest to be held September 15 at 8 p.m. at the fairgrounds, should notify Mrs. Eddie Teeter, chairman of the event. These girls should also be thinking about the talent they will be using in the contest. Girls in Floydada can notify Mrs. Kenneth Pitts.

FLOYDADA Care Center Happenings

By Faye Walters Well, the weather has been hot again this week, but it is nice to have a cool place to live like the Floydada Care Center.

We care about the comfort of our residents, and are pleased if we know that they are happy. I think every employee who works here feels the same way.

I would like to pass on to everyone a story. I don't know if this story is true or not but it might make some stop and think.

There were a man and woman who only had one son, and they loved him so much that they both tried hard to make his life easy and happy.

He grew to manhood and married and by and by had a son of his own.

But in the meantime the parents grew old and tired because they had worked very hard so they could leave their son in good shape financially.

The mother died and the old man could not manage alone. So the son brought him home with him to live.

At first everything was fine. But the old man's hands began to shake more and more. Soon he began to drop his food and this embarrassed his son and wife. So they moved him into another room to eat so they wouldn't have to watch him.

Pretty soon his hands shook so that he broke his plates. Then they bought him a wooden plate and spoon to eat out of. One afternoon the son came home and not seeing his little boy anywhere, went in search of him. He found the young lad in his workshop. He had a large piece of wood and chisel. He was working as hard as he could. His father asked him what he was making and his son promptly answered, "I am making a plate and a spoon for you to use, Daddy, when you get old like Grandfather."

Suddenly the man realized that it would only be a short while until he would be old too. Let's make a special effort to be extra kind and good to all old people, and if you have loved ones in this home please come to see them real often.

Most of them just live for your visits and a few kind words from someone.

Devotions have been very good this week. Also our activities.

This was birthday party of the month. And we want to thank the ladies from the City Park Church of Christ for bringing cake and punch for all the residents. They had a wonderful time. For some this was their first party at the home and they were so thrilled. I wish you could have seen how pretty the ladies looked and how handsome the men were.

Next week we will have our Bingo again.

Before saying "never" remember "never" is a long, long time.

OBITUARIES

Henry Alexander

for the past 20 years after retiring as a Navy Commander.

Services for Henry B. Alexander, 89, of Lubbock were conducted Aug. 11 in Resthaven Singleton-Wilson Chapel. Elder James M. Pope, minister of the Church of Jesus Christ of Latter Day Saints in Fort Worth, officiated. Burial was in City of Lubbock Cemetery.

Alexander died Aug. 5 in a Lubbock hospital after a lengthy illness. A native of Cooper in Delta County, he was a retired lawman, having worked at Lockney in the early 1930s. He moved to Lubbock in 1940.

Survivors include his wife Doris, five daughters, a son, nine grandchildren, and 19 great-grandchildren.

Christopher Isom

Graveside rites were held Saturday afternoon in Lockney Cemetery for Christopher Jay Isom, infant son of Mr. and Mrs. M. T. "Jack" Isom. The baby was stillborn early Saturday morning at Lockney General Hospital. His twin, Michael Thomas, is among survivors.

Rev. Bill Sessom of Aiken Baptist Church conducted the services, under direction of Carter Funeral Home.

The Isoms are parents of three other children, Jeff, 11; Valerie, 14, and Desiree, 15.

Maternal grandparents are Mr. and Mrs. C. M. Tucker of Hobbs, N. M., and Mrs. H. B. Isom of Lubbock is paternal grandmother.

Lewis Miller

Mr. and Mrs. Ted Carthel and family returned from Gonzales, Texas last Thursday after attending the funeral of Mrs. Carthel's father.

Funeral services for Lewis R. Miller were held last Tuesday in Gonzales. He was 72 years of age.

Miller had lived in Gonzales

FLOYD PHILOSOPHER Risks Wrath Of Housewives By Coming Out In Favor Of A Dozen Eggs

Editor's note: The Floyd Philosopher on his Johnsongrass farm defends the egg farmers this week, we guess you'd say.

Dear editor:
Take the price of eggs. As I understand it, when eggs jumped from the age-old price of 30 cents a dozen to a dollar housewives threw up their hands in horror. They denounced it on television, they wrote their Congressman, they said inflation has gone wild, they called it the straw that broke the camel's back, although personally I've never believed anybody could get that much straw on a camel and why would they try anyway and besides all the camels I've ever seen looked like they already had a broken back.

But I got to thinking, how much food is a dollar supposed to buy?

You scramble a dozen eggs and I guarantee they'll feed any three people you can name. You eat four scrambled eggs with a dime's

worth of toast and you've got of about 45 cents a person. In the world can you get a meal for less than that?
Of course I'll admit that you can always vary the size of the bag of potato chips, two however your fancy runs and the grocery store and then you can get a \$4,000 car you used to get for \$2,000.
To get off such serious notes, an article saying the Panhandle perfected a machine that can print 30,000 letters an hour and the Postal Service has installed one in Floydada. I've utilized properly, everybody about 500 letters a day in going a full 8 hours. There's other way around this problem.

Affiliated Food Stores And Co-Sponsor Special On Drake

CANYON — Affiliated Foods, Inc., has combined with West Texas State University in a campaign to fill Frank Kimbrough Memorial Stadium for the 1973 home football opening game Sept. 8, against Drake.

Through the athletic department of West Texas State, participating Affiliated Foods stores will offer regular \$5 reserved seats for that game at \$1, for each \$3 worth of groceries purchased.

The food customers will be presented with coupons at each of the 55 participating stores in the Panhandle area

and they are redeemable at any ticket booth at the stadium on the night of the game for a \$5 reserved seat. The West Texas State-Drake game starts at 7:30 p.m.

Each customer will have the opportunity to buy a \$1 coupon for each \$3 worth of groceries purchased.

Among the participating stores are 17 Toot'n Tootum stores in Amarillo. Stores in Miami, Tulia, Phillips, Spearman, Dumas, Sunray, Dimmitt, Pampa, Childress, Borger, Hereford, Panhandle, Wellington, Dalhart, Canyon, Turkey, Perryton, Friona, Stinnett, Plainview, Canadian, Muleshoe, Lockney, Wheeler, Memphis, Shamrock, Quitaque, Hart, Vega, Gruver, Sundown and Farwell are also taking part in the campaign to fill the stadium.

In Lockney, Page's Thriftway is taking part in the coupon night, which is co-sponsored by Affiliated Foods, Inc., and West Texas State University.

The idea of the coupon night to fill the stadium for the opening game came about because of the large number of Panhandle area athletes on the Buffalo squad for 1972.

Among the Buffalo varsity from the immediate Panhandle area are Ben Bentley, Panhandle; Clois Burgess, Mike Crawford, Aaron Gilbreath, David Herber and Bobby Nowak, Amarillo; Scott Doores and Steve Gobin, Perryton, Tracy Dickson and

SOUTH PLAINS NEWS by Mrs. Murray Julian

SOUTH PLAINS, August 19-25 — Baptist Church services at the South Plains church were attended by around 60 Sunday morning, with visitors noted, Jack McCown of Lake Whitney with Mrs. Walter Wood, and Miss Mitchell of Plainview with Kim Cummings, Lon Connor of Logan, N.M. was the visiting preacher for both Sunday services, and was a dinner and supper guest with Mr. and Mrs. J. P. Taylor.

Bill Gilbreath was back in the South Plains Baptist Church to lead the singing Sunday night after leading the singing for the revival service at the Victory Baptist Church in Floydada, which were held there last week, with Rev. Charles Lloyd of Irving as evangelist.

Mr. and Mrs. Grigsby Milton and Darla flew home Friday from Milwaukee, Wis. where

they had flown on Saturday the week before, to attend the 28th Flying Farmers and Ranchers International Meeting. The Miltons flew to Milwaukee in six hours, non-stop flying. They enjoyed seeing all the sights, and especially Lake Michigan. The weather was cool and rainy all the time they were there.

Visiting here last Saturday from Michigan with Mr. and Mrs. Buck Ford and children were old school friends, Mr. and Mrs. Don Hollums, Kelly, Lisa and Kirby. Weekend of August fifth, Buck's relatives, Mr. and Mrs. John Hanst, Cristin and Mitch of Houston spent the weekend here with the Buck Fords, Mike, Ricky and Karen.

Mrs. L. T. Wood and Mrs. Murray Julian, accompanied by Mrs. Merle Mayfield of Floydada will leave early Tuesday morning for Waco,

where they will be attending the WMU House Party, which will be held from August 21-25 at Baylor College.

Elementary school here at the South Plains schoolhouse will begin with registration Aug. 24 and school will begin at 8:30 Monday morning, August 27. Buses run on schedule that day.

Mr. and Mrs. Marshall Patterson, Deborah and David of Austin, who were here last week visiting with her folks, the Otho Sanders and other relatives, attended the South Plains Baptist Church for Sunday evening services, and Mrs. Patterson graciously played the organ for church services.

Mr. and Mrs. Kendis Julian and Mr. and Mrs. Bruce Julian of Perryton went to Amarillo Friday to spend part of the weekend at the Camelot Inn, and Friday night they attended a showing of the Palo Duro Canyon show, "Texas".

Mr. and Mrs. L. T. Wood and her sister, Mrs. Joe Haley and Len of Caspar, Wyoming, went to the Palo Duro Theatre to see "Texas" last Monday night, but rain caused the cancellation of all that night's festivities.

Johnny Calahan of College Station was here over the weekend to visit with his parents, Mr. and Mrs. Shelby Calahan and Randy. Johnny came in Friday night, riding here from Texas A&M on his motorcycle.

We offer our sympathy to Mrs. J. E. Green of Floydada in the death of her husband, James Green, who died last Tuesday in Hubbard. Funeral services were held Thursday in Floydada at the Calvary Baptist Church at 3 p.m. Mrs. Green is a fellow news correspondent.

Mrs. Buck Ford had the misfortune to cut her hand on some barb wire last Tuesday, with the wound requiring 14 stitches to close.

Mr. and Mrs. Price Pritchett, Kimberly and Julie arrived in Amarillo by plane Saturday, and were met by his parents, the Early Pritchetts. They plan to be here a week and

Hesperian, I've just returned from a 2 week visit with our family. We had a wonderful trip. At H Nelson's Viceta Park. He has 200 trailers. Sure some sight. They are happy there. An over 6 mi. farther north to his sister and fishing resort and fished some. I caught three fish. Sure good. The river has a cement dam on a big lake, and a lot of boats and fishermen on it.

Where we went by Albuquerque, Some city, now across it, north and south and east and west. All schools in south Colorado had a parade at 10. It was 1 1/2 hours going by. Indians and all sight to look at.

Thousands of acres of apricot trees all up in there, 10 loaded with fruit. Also apples, hundreds of acres of apricots and apples to me. The two big can and the other one (San Juan), both about 50 mi. cool up in there, together with the mountains. Through Farmington and go together out west.

Daughters and family live at Farmington. She of National Bank. Her husband Norman Bedford high school.

Daughter and family live at Albuquerque. He man. She also is a literary teacher. To visit up that way, and we enjoyed it so much. C.M. and Maude Lyles.

Cotton Picture Looks Good

COLLEGE STATION — Favorable weather so far this season points to a successful Texas cotton crop that will pay farmers their highest cotton prices since 1951. "Tight supplies and relatively strong demands, both domestic and export, indicate that the average 1973-74 cotton price to the farmer will be higher than in the past season even though mid-season demand will again be weak," says Charles Baker, marketing economist for the Texas Agricultural Extension Service. "Early season cotton last year was heavily contracted to cover domestic mill needs for the last quarter of 1972. However, the anticipated large crop resulted in a weak mid-season market with prices unduly depressed. Domestic mills and foreign buyers sharpened demand in late 1972 and early 1973, resulting in depletion of uncommitted stocks, contracts for much of the 1973-74 crop and record prices," explains the Texas A&M University System specialist. Texas, the nation's leading cotton producing state since 1880, produced 4.1 million bales in 1972 on 5,570 acres for a total value of \$535 million. The 1973 Texas crop, planted on 5,700 acres, should produce three percent more than the 1972 total and have a value exceeding \$700 million for the first time since 1962. During the 1972-73 season, domestic mill use of cotton dropped to 7.7 million bales, a 34-year low, while exports rose to a 10-year high of 4.8 million bales. The large 1972 crop of 13,702 bales enabled carry-over stocks on August 1 this year to rise to 4.5 million bales compared with the 20-year low of 3.3 million a year earlier, points out the economist. Although domestic use of cotton is down due to imported cotton fabrics and increased use of synthetics and blends, cotton still remains "king" in Texas, contends Baker. FLOYD DATA Mr. and Mrs. Nile Bryant and daughters have returned from a 10-day vacation spent in Euless, Grand Prairie and Dallas visiting friends and relatives. They also visited Mrs. Bryant's sister, Mrs. Milton Connell, in Tyler, and enjoyed fishing on Palestine Lake.

Attorney General Rules On 18 Year Old Rights

Youthful offenders must be released from correctional institutions for delinquents when they reach 18, Attorney General John Hill held. In other opinions concerning the new 18-year-old majority rights law, Hill concluded: Persons 18 years of age can no longer collect survivor's benefits as a result of death of fathers who are law enforcement officers or firemen. Parents of retarded youths 18 and over are no longer obligated to pay cost of their care in state institutions. Eligibility to run for office is extended to 18-year-olds, along with the obligation to serve on juries. Field Day Activities

Set September 11

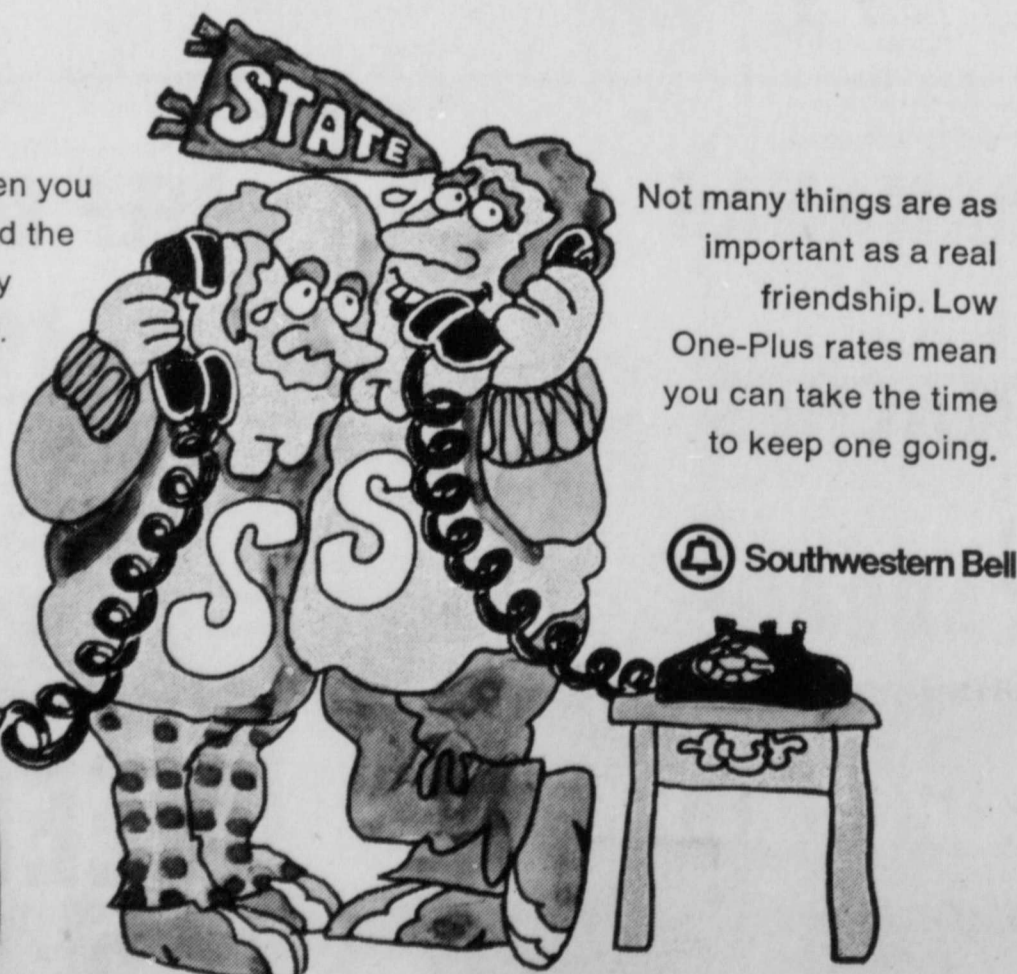

LUBBOCK — The 64th Annual Field Day and Open house of the Texas Agricultural Experiment Station has been set for September 11. A review of new developments in agricultural research on the South Plains will highlight the special occasion. Announcement of the upcoming field day activities was made by Dr. George McBee, resident director of the TAES, and Oliver Newton, meteorologist with the National Weather Service and field day committee chairman. According to Newton, discussions and explanations of research work conducted by TAES and USDA-ARS scientists will be presented in 11 different field locations on the sprawling 320-acre site north of Lubbock. "The field tours will begin at 1 p.m. and will include new research developments in cotton physiology, environmental effects on grain sorghum, cotton diseases, irrigation studies, cotton varieties, soil fertility, weed control, grain sorghum insect resistance, narrow-row cotton, sorghum varieties and oil-seed crops." Says Newton, "We have added several new field tours this year, and as an aid to visitors, a shuttle service will be available. The shuttles will depart from the station headquarters every 15 minutes throughout the afternoon, allowing visitors to get on or off at any field stop. Visitors will be able to examine and discuss the particular area in which they are interested for as long as they wish, then catch another shuttle when ready to move on." "Because of the recent developments in the agricultural industry," concludes Newton, "both the producer and the consumer should be interested in this informative examination of agricultural research work being done here on the South Plains."

California's Top Crop
 Cotton is California's leading field crop. In 1972, the state's cotton crop had a gross value of \$291 million.

Leaflet Explains How to Estimate Retirement Pay

A leaflet explaining how to estimate social security retirement benefits is available at social security offices, according to social security officials here. The leaflet, "Estimating Your Social Security Retirement Check," designed to help people in their retirement planning, includes a chart showing the number of quarters required to qualify for benefits and a worksheet to help in estimating the amount of benefits. "The leaflet can be used to compute a rough estimate of your retirement benefits," a social security spokesman said, "but an exact figure cannot be determined until you apply for benefits. The exact amount of a worker's social security benefits is based on his average earnings under the program over a period of years that may include his most recent work." Single copies of the leaflet are free on request at any social security office.
