

Whirlwinds Crack Crosbyton 35-0

Great Team Effort

By Wendell Tooley

A drizzling rain kept coming and going here Friday night in Wester Field, but a big crowd of Whirlwind fans stayed all the way as there was plenty of excitement on the field. The AA Floydada Whirlwinds breezed through a 35-0 victory over neighboring A Crosbyton with a well balanced team play led by quarterback John Cagle.

Back Rance Young batted a perfect 1,000 as he flawlessly kicked every extra point and got the Whirlwinds off to paydirt with a first-quarter touchdown.

In the second quarter Rex Yeary added a TD and Danny Bradford made another just before half.

In the second half it was halfback Kelvin Ratliff with a couple of TDs.

In the meantime a great Floydada defensive team kept the big Crosbyton team that outweighed them about 15 pounds to the man from ever threatening to score.

PLAY BY PLAY

Marc Smitherman returned the Chief kickoff to the 34. Then Young made 11, 2, and seven. Yeary and Cagle tacked on another first down. Young carried twice for another first down. Then Cagle hit Yeary for a ten yard pass and the ball was on the Chief 17 yard line. Yeary plowed through the

middle down to the 12.

The Whirlwinds fumbled, lost the ball and the Chiefs took over.

The Chiefs made about nine on the ground then had to punt.

Yeary and Young carried it back down field and in six plays had the ball back on the Chief five yard line. Young carried it over for the first TD of the game with 1:42 left in the first quarter.

When Crosbyton took the kick-off, they immediately tried a couple of passes... the first thrown by quarterback Marty Davis was incomplete, and the second Cagle intercepted on the 47 yard line.

Young rambled for eleven yards and a first down. Cagle tried a pass that was a little short, then Young and Bradford ran for another first down.

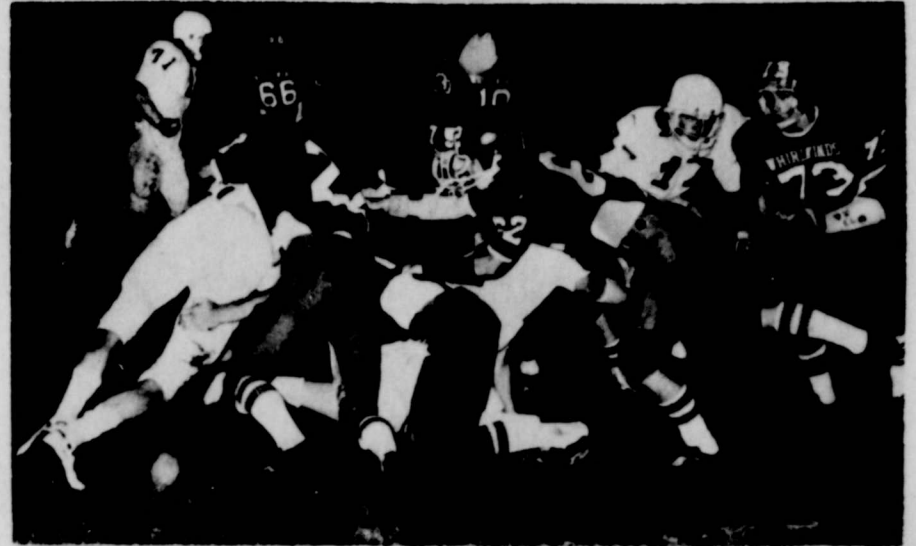

Danny Quisenberry made a nice eight yard run. Young made another first down and the ball was on the Chief four yard line. An offside penalty against the "Winds brought it back to the nine. At this point Ratliff brought it back to the four and Yeary made the second "Wind TD, plunging right through the middle of the line.

There was 8:36 left in the first half, and the Chiefs took the kickoff, promptly made their first "first and ten" with a nice 20 yard pass from Ronald Wiley to Larry Joe Carter. (Wiley took a handoff from Davis.)

Three plays later a Davis pass was intercepted by Wind Lyle Suggs and Floydada was in business again. Cagle tried a pass that didn't work, then after he tried three keepers, he had to punt. It was a nice punt that bounced along for some 57 yards with both Chiefs and Winds trying to get it covered. Luckily a hustling Whirlwind recovered it on the Chief three yard line. (I couldn't see who finally got it, maybe James knows.)

Bradford dove through the middle for the third "Wind TD with 3:05 left in the first half.

After the kickoff to the Chiefs they made their second first down of the

first half as Davis hit Wiley with a nice 25 yarder. Then Davis threw to Roger Freeman for another nine yards. His next pass was intercepted by Young. A pass from Cagle to Lynn Becker was incomplete. Young made four, but Cagle had to punt.

On the first Chief play Yeary intercepted a Davis pass and the first half was over with the ball on the 42 yard line.

BAND AT HALF TIME

I thought the Whirlwind band looked great with its halftime performance... and sounded just "real good." A good crowd covered with umbrellas, pieces of plastic and raincoats seemed to enjoy the halftime performance.

SECOND HALF

Young kicked off to the Chiefs who promptly made two first downs on the ground. The Chiefs chose to run their fourth down play on the 31, but the strong Whirlwind line held and the ball went over.

Quisenberry, Young and Yeary made a first down, then Young broke loose down the east side of the field, sidestepping tacklers, and the ball was on the Chief 20. It was a run good for 35 yards.

Yeary, Young and Cagle carried on in to the three yard line. It was Ratliff who plunged over for the fourth "Wind TD with 1:59 left in the third quarter.

The Chiefs took the kick-off, couldn't

go and punted. Travis Johnson made four, and it was the "Wind ball on the 46 at the end of the third quarter.

Cagle, Quisenberry, and Ratliff made a couple of first downs, but the Chiefs got tough and Cagle had to punt. The Chiefs fumbled the punt and an alert Whirlwind covered the ball. (Maybe Coach Wilson knows who got this one... I'll ask him.)

It was the Floydada ball on the Chief 37. Young, Bradford and Cagle took it in to the five. An offside penalty brought it back out to the ten.

At this point Ratliff broke loose and rambled in for paydirt making the score 35-0 after Young completed his fifth perfect extra point.

There was 6:27 left in the game and the Chiefs made two first downs with good running plays before having to punt. In the closing moments of the game Whirlwinds Yeary, Ratliff, Quisenberry, Dewayne Kunkle and Young carried the ball and it was resting on the 23 yard line when the game ended.

Secondary, Running Game Draw Praise

The Whirlwind defensive secondary drew praise from Coach L. G. Wilson for their effort Friday against Crosbyton. John Cagle, Lyle Suggs, Rex Yeary and Rance Young intercepted Chieftain passes, and Suggs dropped another that would have been an easy Floydada touchdown had he managed to hang on.

Wilson also mentioned Suggs' and Danny Bradford's play at corner linebacker as bright spots in the "Wind defense.

The Whirlwind line "wasn't crisp with their tackling," Wilson said, but added that bad footing on the muddy field probably contributed to that problem.

Mark Probasco recovered the fumbled punt that set up Floydada's third touchdown, and Tom Assiter got

another Crosbyton fumble in the last quarter.

The Whirlwind coaches were pleased with the consistency of the Floydada running game — maybe a little surprised that the "Winds were able to move the ball so successfully on the ground in the first game of the season.

"We knew we would have a good passing game," Wilson said. "Now we think we have a good running game to go with our passing attack."

The "Winds threw only five times, completing two. Two of Cagle's incompletions were for "the bomb," however, and another was dropped.

Before last night, the punting game was a big question mark for the "Winds, but Cagle's punting efforts averaged about 35 yards, not counting a favorable bounce after a fumbled fielding attempt by Crosbyton, and Wilson liked all aspects of the punting game Friday, especially the coverage.

"I doubt if we'll face a bigger team than Crosbyton all year," Wilson said, "yet our kids took the fight to them and had 'em on the ropes' at the end."

He added — "It was one of the sharper post-game performances I've seen since I've been here."

The Whirlwinds' main interest in the upcoming off week (next game is September 21, when the "Winds host Post) will be trying to get some depth to give a rest to some of the Floydada players going both ways.

The Whirlwinds came out of the opening game with just the normal knocks and bruises, otherwise in good physical condition.

Chili Theft Leaves Band Boosters Cold

Seven cases of chili belonging to the Floydada Band Boosters, valued at over \$150, were discovered stolen from the concession stand at the Floydada youth baseball park Thursday.

The Band Boosters had stockpiled the chili, to be used for hotdogs at their football concession stand, in anticipation of a price increase later this month.

Bank Booster president, Jack Covington discovered the concession door lock broken and the chili gone when he went to transfer the chili to the football concession stand at Wester Field Thursday. The chili, valued at \$22.50 per case, had been stored in the baseball concession stand for about two months, Covington said.

PUNT RETURN... Rance Young's first-quarter return was good for 28 yards, to the Crosbyton 26-yard line, and helped set up the Whirlwinds' first touchdown. Grady Moore (42) is the Chieftain pursuer. (Staff Photo by Jim Huggins)

Rotary Teacher Appreciation Banquet Set Monday Night

The Floydada Rotary Teacher Appreciation Banquet is scheduled at 7:30 Monday, September 10, at the Duncan Elementary School cafeteria. Dr. Lloyd Watkins, president of

West Texas State University, will be the speaker at the banquet.

The Teacher Appreciation event is sponsored annually by the Floydada Rotary Club, Rotarians, teachers and their husbands and wives are invited to the banquet.

QUARTERBACK CLUB MEETING MOVED TO SEPTEMBER 17

The Floydada Quarterback Club meeting will not be held Monday night, September 10, because of the Rotary-Teachers banquet.

The meeting has been rescheduled for 7:30 p.m. Monday, September 17 at the Floydada High School cafeteria.

CITY COUNCIL MEETING TUESDAY

The Floydada City Council meeting will be Tuesday night instead of Monday, this month only, because of the Rotary-Teachers banquet Monday, September 10.

County Fair Starts Thursday

The 1973 Floyd County Fair will kick off next Thursday, September 13 for a three day run through Saturday at the fair grounds in east Lockney. The fair will be the 20th annual event for the fair.

The fair will start at 1 p.m. with the judging of community exhibits. Eddie Joe Foster, superintendent of this division reminds everyone to have their entries in by 10 a.m. Thursday morning.

At 2 p.m. the judging will be held in the women's division. All entries must be in by Thursday morning.

Judging in the agriculture department will start at 3 p.m. Entries in this division must be in by 1:30 p.m. Thursday afternoon.

The fair parade will start at 4 p.m. in downtown Lockney, on Thursday. The parade will start at the south end of First Street, travel north to Washington, turn east to Main and proceed south down Main Street. Cash prizes will again be awarded on community and commercial floats this year.

At 5 p.m. Thursday afternoon there will be a goat show in the livestock building. Ribbons will be given in

junior and senior divisions according to superintendent of the show, Dub Dipprey.

Thursday's events will close at 7 p.m. with the Variety Show, which is a part of family night at the fair.

Friday morning at 9:30 a.m. the Ladies Day program will get underway. The morning program will run from 9:30 a.m. until 11:30 a.m. The afternoon program will start at 2 p.m. and run until 3:30 p.m. Door prizes will be awarded at the close of each session.

On Friday night at 7:30 p.m. the Gospel Singing program will take place. Mrs. George Winn is the chairman of this popular event, and a number of people from the Tri-State area are expected to participate. The Gospel Singing will close out the fair on Friday night.

Saturday morning the fair will kick off at 9 a.m. with the Quarter Horse show. This will be the 11th annual Quarter Horse show to be held at the fair grounds in Lockney.

At 9:30 a.m. Saturday morning the Jr. Showmanship Contest will be held. This event is for boys and girls 8 years old and under, and is limited to the following animals: beef cattle, sheep

and swine under one year old.

The livestock judging will start at 10 a.m. Saturday morning. Entries in this event must be owned, fed and shown by 4-H and FFA club members.

A new event for the fair will take place at 10:30 a.m. Saturday morning, which is the pet show. Boys and girls of all ages are encouraged to enter their pets for this show.

The tractor driving contest will take place at 1 p.m. Saturday to start off the afternoon events at the fair. This year there will be four divisions in the tractor driving contest, grade school, high school, mens and womens. The contest will be held north of the rodeo arena at the fair grounds.

The preliminaries for the Miss Floyd County Queen contest will take place Saturday afternoon starting at 2:30 p.m. The deadline for the entries for the Queen contest is Tuesday, September 11.

The fair will be climaxed Saturday night at 7:30 with the crowning of the new Floyd County Fair Queen. This event is a very popular event and draws a good crowd each year.

Co-Op Stockholders Meet Tuesday

Stockholders in Floydada Cooperative Gins, Inc., and their families, are invited to the first annual stockholders meeting at 8 p.m. Tuesday, September 11, in the Massie Activity Center in Floydada.

Final audit reports of Floyd County Co-op Gin, Inc. and Farmers Co-op Gins, Inc. will be presented, along with the audit for the period of May 15 to July 31, 1973 of Floydada Cooperative Gins, Inc.

After the business session there will be door prizes and light refreshments.

Postage Rate Change

On June 28, 1973, the Postal Service announced the suspension until further notice of the effective date of the second step of phased postal rates implemented by the Board of Governors as of July 6, 1972.

This second step of phased postage rates will become effective at 12:01 a.m. September 9. The new rates will affect second class mail rates for publishers, controlled circulation mail rates, third class bulk rates for qualified nonprofit organizations, special fourth class rates, and library fourth class rates.

OBITUARIES

Mrs. J.B. Johnson

There was an error in the Thursday paper in the obituaries. The article read as "Mrs. Jackson" and instead it was Mrs. J. B. Johnson.

Mrs. J. B. Johnson, 93, a resident of Lockney since 1917, died at 12:30 p.m. Tuesday, September 4, in the Lockney Care Center.

Services were held at 4:30 p.m. Wednesday, September 5, in the First United Methodist Church with the Rev. Hugh Daniel, pastor, officiating. Burial was in

Lockney Cemetery under the direction of Carter Funeral Home.

Mrs. Johnson was born May 11, 1880 in Young County. She was a member of the First United Methodist Church. Her husband died in 1955. She had been a resident of the Care Center about five months.

Surviving are one son, Arnold Johnson of Albuquerque, New Mexico; two daughters, Mrs. Elva Bales of Farmington, New Mexico and Mrs. Annetta Helms of Quitaque; one brother, T. G. Price of Graham; one sister, Mrs. Gertrude Miles of Mineral Wells; two grandchildren and eight great-grandchildren.

The little girls were killed when the winds, estimated at over 100 miles per hour, rolled their trailer home, ripping it apart. Their mother was treated for cuts and bruises and released from a Big Spring hospital Wednesday.

Neices Of Mrs. Kirby Killed

Four year old Lisa Andrews and her half-sister, five month old Wendi Stevens, children of Mr. and Mrs. Robert Stevens of Big Spring, were victims of the wind storm that struck that city Tuesday just before sundown. The girls were nieces of Mrs. Milton Kirby of Floydada, whose husband

IGNORING A HEARING PROBLEM WONT MAKE IT GO AWAY!

Many people suffering the frustrating symptoms of mild NERVE DEAFNESS try to ignore the impairment. . . try to pretend that they hear as clearly as ever, even though they're gradually losing sensitivity to certain sounds.

Ignoring nerve deafness won't make it go away. In fact, there is no known cure for it. But for many, there is help available in the DAHLBERG MIRACLE EAR hearing aid.

This tiny electronic hearing helper fits all-in-the-ear, discreetly, with no cords, tubes or wires dangling. And for many it's the ideal answer. Don't ignore the difficulty you may be having understanding words and certain sounds. Instead. . . see your Doctor. . . then try Dahlberg: manufacturer of the world's original, patented all-in-the-ear aid, the Miracle-Ear.

Patricia Ann Schwertner Bride Of Michael Huereca

Miss Patricia Ann Schwertner became the bride of Michael Huereca in a double ring ceremony read at 2 p.m. Saturday, September 8, in St. Joseph's Catholic Church in Slaton.

The Rev. Timothy Schwertner, minister of Immaculate Conception, Muleshoe, read the vows. He is an uncle of the bride.

Parents of the couple are Mr. and Mrs. August E. Schwertner, Route 3, Floydada and Mr. and Mrs. David H. Huereca Sr., of Stratford.

The bride, presented in marriage by her father, wore a formal length gown she designed and made. It was of white miramist over satin peau de soie, fashioned with re-embroidered lace at the high neckline and on the empire bodice. Seed pearls accented the sheer yoke and the long sleeves were gathered to lace cuffs. Short peau de soie sleeves under the sheer sleeves gave the effect of the layered look.

The detachable chapel length train was scattered with rose medallions and edged in lace. Her fingertip veil of illusion, also made by the bride, was held in place by a crown of seed pearls and she carried a nosegay of gladioli bubblets and feathered mums.

Doris Schwertner of Floydada, sister of the bride, was maid of honor. Bridesmaids were Marsha Kitten of Slaton, cousin of the bride, and Mrs. Denton Harryman, Canyon, sister of the groom. Junior bridesmaid was Barbara Schwertner, Floydada, also sister of the bride.

Feminine attendants were gowned in A-line dresses of miramist over satin peau de soie, featuring empire waists with round necklines accented with ruffled lace. Their headpieces were blue bows and streamers and each carried nosegays of pom poms and baby's breath.

Thomas Huereca of Stratford served his brother as best man. Groomsmen were Arnold Schwertner of Floydada, brother of the bride, Raymond Vaughn of Lubbock and Benjamin Huereca, Stratford, brother of the groom.

Ushers were Danny Huereca and Philip Huereca, Stratford, both brothers of the groom; David Schwertner, Floydada, brother of the bride and Greg Kitten of Lubbock, cousin of the bride.

Serving as altar boys were Sammy Huereca, brother of the groom, and Curtis Schwertner, cousin of the bride, both of Stratford.

Wedding selections were presented by Clarice Schwertner, organist, and Juanita Schwertner, soloist. Both are cousins of the bride. Among selections were "One Hand, One Heart" and "Mother At Your Feet."

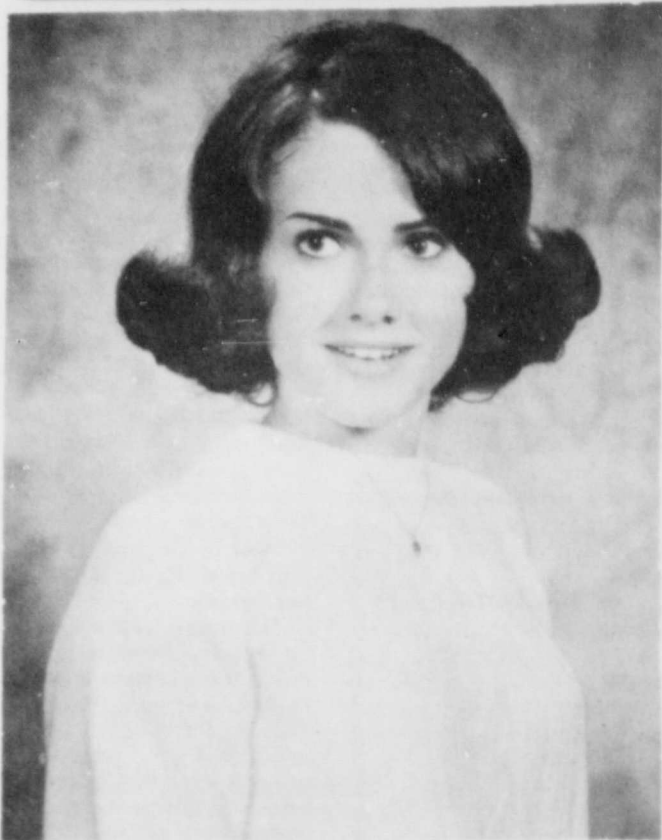

A reception and supper followed the wedding in the parish hall of the church. Relatives and friends served in the houseparty.

Mrs. Huereca is a 1971 graduate of Floydada High School and is an elementary education major at Texas Tech. Her husband, a 1969 graduate of Stratford High School, is a technical engineer major at Tech and is a candidate for graduation in December. He plans to attend graduate school in January at Texas Tech, working on his masters in business administration.

The couple will reside at 3002 4th St., Apt. 75 in Lubbock.

MRS. MICHAEL HUERECA

MISS JEAN CAMPBELL

Miss Campbell, Roy Gant Engagement Is Announced

Mr. and Mrs. Maurice Campbell of Floydada and Mr. and Mrs. W. N. Gant of Aiken announce the engagement and forthcoming marriage of their children, Jean Campbell and Roy Gant. The wedding is planned for November 17 in the First Baptist Church in Floydada.

Miss Campbell is a 1969 graduate of Floydada High School, attended Angelo State University and is presently attending West

Texas State University where she is a senior in elementary and kindergarten. She will be doing practice teaching at the Gene Howe Elementary School near Amarillo and is a candidate for her degree in May.

Gant is a graduate of Lockney High School, attended Angelo State and is presently a senior at West Texas State University majoring in agriculture.

Mrs. Griffith Is Honored

The home of Mrs. Louis Ray Stapp of Lockney was the scene Tuesday afternoon of a pink and blue shower for Mrs. Ricky Griffith.

Special guests were the honoree's grandmother, Mrs. Davis of Hereford, Mrs. Leonard Griffith of Lockney. All three wore corsages of flowers, with the honoree's also featuring baby socks in the corsage arrangement.

A centerpiece of shaded pink dahlias graced the serving table, which was laid with a white cloth. Fruit punch and cake squares were served by Mrs. Delton Jack and Mrs. Byron McCullough.

Gifts were registered and displayed by Mrs. Kenneth Moody.

Hostesses presented Mrs. Griffith with a high chair. On the hostess list were Mmes. Moody, Stapp, McCullough, Jack Corene Jarrett, Durward Jack, Lynn Ray Smith, Pete Mosley, Gene Belt, Jack Gibson, Warren Mathis, Dickie Lambert and Jerry Williams.

Ladies Day Planned At Fair

Ladies Day activities at Floyd County Fair next Friday, Sept. 14, will begin at 10 a.m. with Christmas craft demonstrations. The afternoon program beginning at 2 p.m. will feature a style show called "Hats and History", with local models wearing costumes and hats dating from 1896 to the present.

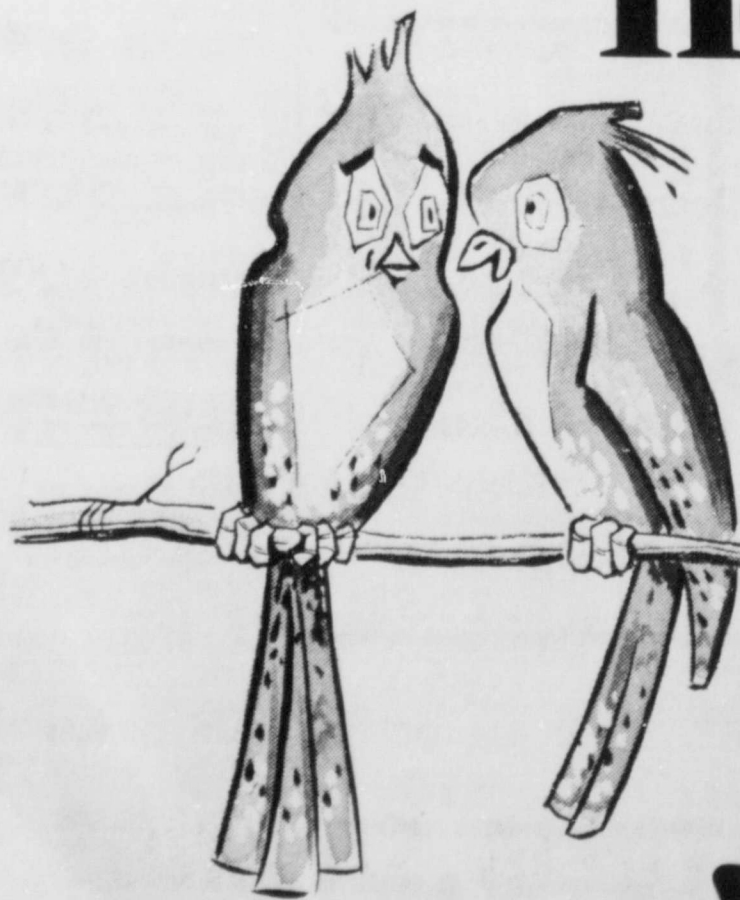

Registration will start at 9:30. Door prizes will be awarded at frequent intervals during both the morning and afternoon programs. All ladies are invited to attend.

Besides the Christmas craft demonstrations by Mrs. Josie Taylor (jeweled tree ornaments) and by Mrs. Tom Duvall (rolled paper angels and other items), demonstrations are also planned by Mrs. Cliff Hardy (yarn or thread pictures) and Mrs. David Frizzell (tole painting). Also scheduled is a display of products from the new Lubbock cottonseed flour mill, to be assembled by Mrs. R. C. Kallison.

The style show will be followed by a micro-wave oven demonstration. The style show is sponsored by S&H Green Stamp Company

COUNTY BUDGET

Precinct Budgeting Explained

(The third in a series of articles on the Floyd County budget, as explained by

County Auditor O. M. Watson, Jr.)

Floyd County's four precincts will each spend around \$5,000.00 during 1974 to maintain the 1,620 miles of rural roads in the county. Each precinct will receive the same amount of money to budget for road grading, mowing, drainage ditches, culverts and bridges, snow removal and dozens of other duties.

penses will come from taxes \$32,656.00, auto registration \$145,000.00, fines and forfeitures \$5,000.00. The precincts will also receive \$44,000.00 from the special road tax and \$34,800.00 from

the Texas lateral road funds to be used for additional road maintenance or new roads. Total expenditures for 1974 for the road and bridge-precinct fund are budgeted at \$260,000.00.

Floydada Methodist Church Offers Child Care Programs

A nursery school sponsored by the First United Methodist Church of Floydada, will operate three mornings a week—Monday, Wednesday and Friday—from 8:30 to noon, beginning Wednesday, September 12.

The new day-care program, designed to provide care for four-year-old children, will be funded by an enrollment fee of \$18 per month for one child, \$25 for two.

The Methodist nursery school was set up after it became apparent that, due to the public schools making available to five-year-olds a program of kindergarten instruction, it would be impractical to operate the regular kindergarten program which the church had sponsored the past several years.

The nursery school will be operated by the church under the supervision of the Children's Council and under the direction of Mrs. Jakey Younger.

Interested parents may contact Mrs. Younger, 983-2824, or the church office, 983-3707.

The church has also set up a program known as "Mother's Day Out," providing care for Floydada mothers with pre-school-age children at home. Plans are

to provide a full day of care on Tuesdays and, if the need is great enough, another half day on Thursday mornings.

This is a drop-in type program and does not require registration on a continuous basis. The cost for this care will be \$1.00 for half a day, \$2.00 per day for one child, and \$1.00 per day for any additional child in the family.

The program starts September 18, from 8:30 a.m. to 4 p.m.

Both programs are offered to anyone in the community. They do not need to belong to the Methodist Church to participate.

DECA GOLD NAMES OFFICERS

Lonnie Robinson was elected president of the Floydada High School Gold DECA Chapter last week. Mike Giesecke was named vice president of the distributive education club chapter.

Other DECA Gold officers are Cathy Clappitt, secretary; Paula Bryant, treasurer; Debbie Armstrong, reporter; Eddie Ellis, parliamentarian; Leonard Cox, sergeant-at-arms; and Wayne Gilbreath, photographer.

Letter To Editor

383 Crocker Ave. Ventura, Calif. 93003

Dear Mr. Tooley:

I'm sorry this is late — It took me a few days to resist the urge to write "Fifty-six former Floydada friends frolic with food, fun and fellowship at annual Floyd County festivities in San Diego." Too bad we didn't meet in Fullerton or Fontana!!!

Thanks again for the notices in the Hesperian that helped to get the word around.

Betty Shirey (Mrs. G. H. Shirey)

(with let to ed)

Mr. and Mrs. Virgil Breit and Mr. and Mrs. Oran Beck were the hosts when the fourth annual California Floyd County picnic was held in Pine Grove, Balboa Park, San Diego, August 18. Fifty six former residents of Floyd County, Texas and friends enjoyed a day of good food, fun and fellowship.

Norvil Rainer, master of ceremonies, determined that Mrs. A. N. Ward of San Diego was the eldest present. The youngest was Bryan Willis, age 3, son of Mr. and Mrs. David Willis of Adelanto, Calif., and the grandson of Mr. and Mrs. Edgar Willis of Moorpark, Calif.

Earl Beck of Dumas, Texas had traveled the farthest to attend the picnic and visit with his brother and family, the Oran Becks of San Diego. Also attending from Texas and visiting with the Becks was Mrs. Beck's mother, Mrs. Rosa Camden, of Slaton, Texas.

Others who attended were:

Don and Lorraine (McLain) Wallace, Woodland Hills, Calif.; Edgar and Jean (Wilkins) Willis, Moorpark, Calif.; David and Sally Willis and Bryan, Adelanto, Calif.; Mamie (Leckie) Gillmore, El Cajon, Calif.; Dorothy (Stovall) Gamire, Chula Vista, Calif.; J. T. and Rita Stovall, National City, Calif.; Ralph and Jewell (Hennessee) Taylor, Tulare, Calif.;

E. T. and Faye (Jeter) Williams, Bakersfield, Calif.; Ronald and Doris (Cypert) McPeak, Salinas, Calif.; Bob and Maudene (Moore) Cole and Norvil and Iva (Moore) Rainer, North Hollywood, Calif.; Earl and Grace Newell, Oak View, Calif.; Gilbert and Betty (Newell) Shirey, Ventura, Calif.; Jay and Gloria (Carthel) Johnson, Diamond Bar, Calif.; Imogene Sullivan, La Mesa, Calif.; D. L. and Eddie Bolding, Studio City, Calif.

The following all from San Diego, Calif.:

Virgil and Virginia (Womack) Breit, Oran and Margaret (Camden) Beck, J. C. and Vietta (Dunlap) Leckie, Gordon and Imogene (Roy) Gray, O. W. and Sappho (Ward) Henderson, Mrs. A. N. Ward, Buck Bishop, Bernie and Opal (Nelson) Higgins;

Claude and Irene (Higgins) Cash, Frances (Lovell) Wallace, Gladys (Lovell) Fitch, Nella (Faulk) McDonald, Jim and Margie (Herring) Langley, Mona (Blackmon) Rainer, Richard and Lois Cash, Mr. and Mrs. B. E. Blackman.

The next California Floyd County Picnic will be held the third Saturday of August, 1974 in Balboa Park, Pine Grove Area, San Diego, California.

WINNERS — Miss Donna True of Borger, center, is the winner of the title Saturday night from a field of 15 contestants. To her left is Lisa Gregory of Floydada, second runner-up, and to her right is McKinley of Pampa, first runner-up. They receive \$500 and a trophy.

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

time out for GOD

Beginning of the year TWO

How did we ever get into the habit of looking backwards? By-product of some shoddy mathematics, no doubt. If the day you are born is your birthday—then it's undoubtedly your *first* birthday. And when you are a year old you should celebrate your *second* birthday, and begin your second year.

Of course, we are not seriously advocating that everybody add one to his next birthday. That would be too confusing for certain friends of ours who are 39 and holding!

But you will agree, won't you, that on birthdays we ought to be looking ahead? The only year we can do anything about is the one we're about to live. Opportunities do a great deal more for human character than memories, no matter how fond the memories.

The churches with their tremendous resources for spiritual training and growth always celebrate our children's birthdays by looking ahead.

Junior Study Yearbook Party

Under new business, the president read a letter of resignation from Mrs. Jim Wood, who has moved to Keyes, Oklahoma. The new yearbooks were passed out to club members by the yearbook committee. This year's current theme is "I Am A Woman... Watch Me Grow. I'm an embryo with a long, long way to go." Those attending the meet-

ing were Mmes. Byron Brock, David Bloys, Van Bradley, Delvin Bybee, Jerry Cawley, Bill Evans, Jerry Ford, Kenneth Holt, Joe Frank Hawkins, Keith Jackson, Jerry Johnson, Roy Kidd, Audry McCormick, Jerry Perry, Charles Smith, Buster Terrell, Eddie Teeter, Tom Taylor and Ronnie Thornton.

The next meeting will be held Thursday, September 27 at 7:30 p.m. Hostesses will be Mrs. Tom Taylor and Mrs. Cliff Hardy. Program chairman will be Mrs. Tom Taylor, arts chairman, The theme for the evening will be "Watch Me Grow... Through Music."

each of the three would alone make a fine 'highlight' attraction for any season. However, growth of our membership, past sell-outs and the public support of Community Concerts has been such that we are going all-out this year to provide a truly memorable season.

Prices for the season are \$10 per seat with all concerts scheduled in Harral Memorial Auditorium. According to Mrs. Donald Moore, who will head the membership campaign this year, the \$10 membership will place no restriction on whether the seat is occupied by a student or adult. "The advantages of this plan include the possibility that, in event a student cannot attend a particular concert, the ticket may be used by an adult. This was not possible in previous years," Mrs. Moore pointed out.

Floydada residents may obtain season tickets for the Plainview Community Concerts by contacting Mrs. Bill Feuerbacher, 101 W. Ollie Ave., 983-2379, and Lockney residents by contacting Mrs. Charles Record, 652-2364.

BE SURE TO ATTEND THE FLOYD COUNTY FAIR

Athena Club Has Carnival

"Come to the Carnival!" was the cry of the clown, Mrs. Jerry Williams, as members and guests of the Athena Junior Study Club gathered at the Floyd County Insurance Agency office Thursday evening, August 30, at 7:30 p.m.

Upon entering the carnival the fun began as shy little girls, football players, newspaper boys, baseball players and other neighborhood kids enjoyed the games at the various booths which represented the different departments. Americanism - Pin the tail on the

Donkey; Conservation - Keep America Beautiful suggestion box; Education - Carousel of Love; International Affairs - Color the world of Athena members; the Arts - the making of a collage; Public Affairs - Fortune teller; Texas Heritage - Pitching horseshoes.

Hostesses for the Carnival was the yearbook committee which consists of Mmes. Warren Mathis, chairman, Bobby Hise, Doug Meriwether, Roland Watson, Eugene Owens, Roy Turley, and Jerry Williams. They

served hot dogs, cokes, candied apples, and hot popcorn from the refreshment booth.

Mrs. Doug Bowles was presented the collage as winner of the door prize.

Yearbooks were distributed and Mrs. Jerry Williams announced her theme as "Love Makes Our World Go 'Round!'" The course of study for the club year of 1973-74 will be "Color My World With..."

During the business meeting, Jan Mize was voted a leave of absence. The ice cream booth committee and float committee for the fair reported on progress of projects with

additional information to come at our next meeting which will be September 6.

The meeting came to a beautiful close by singing "Love Makes The World Go 'Round.'" Members present

were Mmes. Doug Bowles, Jerry Cannon, Ted Carthel, Louis Fry, Larry Golden, Paul Hrbacek, Raymond Lusk, Wilbur Mize, James

Poole, John Peck, Hugh Ritch, Norman Scott, Joe Taylor, Lloyd Widener Jr., Richard Wiley, Joe Cunyus, and guest, Mrs. Joe Frank Henson.

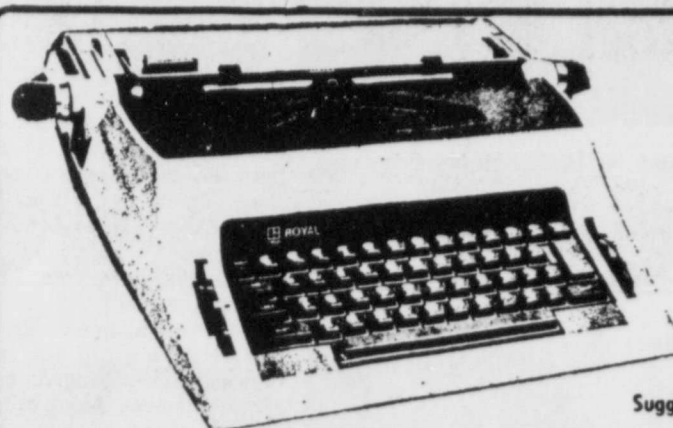

Concert Major Attractions

A season second to none in the history of Plainview Community Concerts was promised today with announcement of highlight attractions by Association president Claude Witten.

Booked for presentation during the 1973-74 season are three outstanding attractions - "The Krasnyarsk Dance Company of Siberia," an 80-member company from the Soviet Union on its first American tour - "The Big Band Cavalcade," a trip into the nostalgia of yesteryear,

featuring such Big Band Era leaders as Frankie Carle, Freddy Martin and Bob Crosby (each taking turns directing the band in their own unique style) with Margaret Whiting as special guest singing star - topped off with the Broadway musical "Brigadoon," featuring a cast of 15 and starring Don Grilley and Lesley Steward, who appeared here last season in "I Do! I Do!"

"The Association is especially proud to announce a trio of such attractions," said Witten. "We realize that

FARM REVIEW

Ferguson Named PCG Director

Floydada ginner Ray Gene Ferguson has been elected to serve a two-year term on the Plains Cotton Growers, Inc. board of directors, representing Floyd County businessmen.

Fourteen board members and several chairmen of different committees were present for the final board meeting before the fair. It was determined there is still lots of work to be done before fair time. Work days are set for Monday, Tuesday and Wednesday, September 10, 11, and 12 before the fair on Thursday, Friday and Saturday, September 13, 14 and 15.

People, back your fair — help get ready for the fair. Anyone available to work on work days would be greatly appreciated. Bring your hoe, rake, brooms, paint brushes — anything to work with and come — HELP MAKE FLOYD COUNTY AND SURROUNDING COUNTIES FAIR ON SEPTEMBER 13, 14 and 15 A HUGE SUCCESS.

S.M.V.

It's not just for at night.

ON GAS MILEAGE

WASHINGTON--The United States Environmental Protection Agency has asked automobile makers to tell the public how much gasoline mileage their new cars can deliver, a spokesman for the agency said.

Day or night, if you drive your farm vehicles on the road, you need Slow Moving Vehicle emblem protection. Fact—Most rear end collisions occur during daylight hours on dry, open, level highway. Motorists not sighting farm vehicles is a secondary factor. Without S.M.V., approaching drivers are often unaware of how slow you are traveling. S.M.V. Get it. S.M.V. could save your life.

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

Good News and Bad News... Brucellosis Hearing Date Changed... Pink Bollworm Problems... Broiler, Egg Hatch Drop, Turkeys Increase.

Good and bad news faces Texas livestock producers relating to the screwworm situation. The fall of the season is approaching, and this always means a build-up in screwworms. More than 1,000 cases have been confirmed in Texas so far this year, and it's expected this will increase considerably through the fall.

Meantime, officials at the fly laboratory in Mission urge all livestock producers to check their herds regularly, treat wounds on livestock for screwworm control, and submit suspected samples of screwworms to the fly laboratory at Mission.

Your county agent or agriculture teacher has shipping vials which can be used free of postage charges to mail to the laboratory. The number of cases this year is very low compared to last year.

The good news about screwworms is that work is now underway on the sterile fly plant in southern Mexico. When that plant is in operation, 300,000,000 sterile flies per week will be dropped throughout Mexico to eradicate that pest there.

Once that is accomplished, the screwworm in Texas will be a thing of the past. But until that is finalized, authorities want all livestock producers to continue to submit suspected screwworm samples so that appropriate measures can be taken to fight the pest.

A PUBLIC hearing will be held in Room 117 Sam Houston Building, Austin, Oct. 1 by the Texas Animal Health Commission to discuss new brucellosis regulations for Texas as well as proposals for garbage feeding.

A series of hearings has been held throughout the state this past month to explain the regulations affecting brucellosis control. Everyone interested is invited to attend the meeting.

EGG production in Texas during July is six per cent below a month ago, the Texas Crop and Livestock Reporting Service notes. Egg production in Texas totaled 208,000,000 during July. The 11,000,000 layers averaged 61 eggs daily per 100 hens for the month.

Layers on hand were down six per cent from a year ago, and were down one per cent from June.

The July hatch of egg-type chickens in Texas during July is down one per cent from a year ago, and 42 per cent below a month ago.

The turkey hatch in Texas during July was up 26 per cent from a year ago, but is down 36 per cent from a month ago.

COTTON stalk destruction in the Lower Rio Grande Valley has been extended until Sept. 30, Texas Agriculture Commissioner John C. White reports.

The normal deadline was Aug. 31, but because of adverse weather conditions, the delay in cotton stalk destruction was granted. White urged farmers to destroy cotton stalks as soon as possible in order to prevent build-ups in cotton insects for the 1974 crop.

RURAL development leaders from throughout Texas will be in Austin Oct. 23 for a rural development seminar.

A final report of the Texas Rural Development Commission will be presented. Ways in which rural Texas can be redeveloped will be discussed by a number of outstanding rural development leaders and specialists.

COTTON
FROM PLAINS COTTON

The current Administration, Secretary Earl Butz, is calling for agricultural commodities in 1974 and a planting restrictions to that end.

In a nine day tour of western states that prospective world supply-demand on a drastic drop in farm prices. Government, under the new farm program of the price risk that does exist.

"And we have to agree with the Plains Cotton Growers, Inc. Lobbey, strong indications that world demand for feed grains will continue to grow assuming no further government intervention. Therefore the risk of overproduction does not appear to be great.

Nevertheless there is a degree of risk of the market's dependence on foreign supply. "And the Secretary is correct when he is accepting a part of that risk. But each should be clearly understood."

For cotton, the Government assumes under the 1974 farm program in two ways are guaranteed a "target price" for all allotted acreage (not total acreage). Government provides producers with a 25.26 cents per pound, basis Midland microaire at average location, on all payments, in the event of a market difference between this target and the farmers for all cotton sold in 1974.

"This of course means," Johnson says, payment is involved farmers who sell below the national average will have a cents."

Should cotton prices, nationally, fall there would be no payment. In the significant provision of the cotton program would be the built-in insurance for producers against total financial loss weather-induced crop failure.

If producers are unable to plant because of other abnormal weather conditions, payment of 11 1/2 cents per pound (or projected yield) from their allotment.

Also, should abnormal weather alter production from the farm to less than expected yield (payment yield time) producer will get the same payment difference.

The producer's part of the risk is the price" producer will not provide for production costs, he is risking the amount on his allotted acreage. And if he is he is risking the difference between crop and his cost of production.

"A somewhat similar situation exists in the wheat and feed grains sections of the says, "but so long as there is a clear program, the producer has a good basis for planting decisions.

"And in some instances farmers contract options on their crops, which decision making process," he adds.

Dear Abby

The child's not a boy the problem's solved

By Abigail Van Buren

DEAR READERS: On July 23, the following item appeared in my column:

DEAR ABBY: It seems I have a problem. I am 47 years old, and last year I married for the second time and my wife is expecting soon. Since this is the first child I have ever fathered, and probably my last, I want him to have a special name. [No argument, please. I KNOW it will be a boy.]

My surname is "Huffman," so I would like to name our son "Manhuff." My wife's maiden name is Wolfe, therefore I want his middle name to be "Wolfgang," his full name being, "Manhuff Wolfgang Huffman." [His nickname would of course be, "Manny."]

My wife objects strenuously. She says it will be a burden to the boy and people will make fun of him.

What do you think, Abby? If you feel the boy will be handicapped by such a name, please let me know, as I have his best interests at heart.

JACK [OF ALL TRADES]

DEAR JACK: Never mind what I think. Since your wife objects strenuously, forget the "Manhuff Wolfgang," and name him "Jack Jr." [P. S. If he's a "she," you'll have no problem.]

For an interesting follow-up, please read on: This morning, I received this delightful letter:

DEAR ABBY: The dilemma of "Manhuff Wolfgang" has been solved. We are pleased to announce that our baby arrived, three weeks early. After I was assured that both mother and baby would be all right, I realized that nothing else mattered—including the fact that it was a GIRL!

We have decided to name our beautiful, four-pound, red-haired daughter "Heather Ann Huffman."

JACK [OF ALL TRADES]

DEAR ABBY: We just received a beautifully engraved wedding invitation which included [in engraving, mind you!] the name of the store where the bride was registered.

Don't you think the establishment that engraved it is just as much at fault as the bride for not having advised her that this is in the worst possible taste?

FLABBERGASTED

DEAR FLABBER: Don't blame the engraver. He may have advised the bride against it, and she may have insisted on it anyway. Engravers can only make suggestions. In the final analysis [with very few exceptions], the engraver will defer to the wishes of the customer.

Floydada in The Twenties... Religion

By Arthur E. Gamble
In my memories of Floydada in the 20's, much of my life was centered around the church and of course, religion. However, those memories are strictly divided in that I seem to remember the church in a different vein from what was religion — so it is in this vein that I write about that separate entity — religion.

I honestly believe that Floydada in the 20's was a mixture ranging from the worst to some of the best people who ever lived. Many years ago when visiting with one of Dad's boyhood friends, Sam Henry, I asked how come he was a Baptist when I knew that his family had been Presbyterians from way back. He said that he never did really join the Baptist Church but that he joined Brother Britain — the only way he could do this was to affiliate with the Baptists. Although I do not personally remember that good man, I have heard many others speak of him in the same way.

One of the saints of our community was Brother Smith, the retired Methodist minister, father of Drs. Lon and George Smith. Bro. Smith sat in the "amen corner" of the church and could be counted on to express his approval with fervent "Amen's" from time to time. His prayers were most inspiring but to a little boy were also interminable. I remember that the first \$1.00 Ingersoll watch I ever owned confirmed my feelings about the length of some of those prayers — seems to me that 12 minutes was the record.

We once had sort of a "contest" in our church — sort of like voting or even poll taking — over who was the best Christian in the First Methodist Church. Emma Robbins won hands down. Dad was for disenfranchisement for children in the poll because he was for someone else — but we voted and she won. For many years she was the guiding light of the children's department and nearly every Methodist child had the benefits of her instructions.

I don't think that it ever occurred to me to doubt the wisdom of my elders, particularly on matters concerning religion until one

day I asked how come it was such a sin to drink wine when a certain scripture said to do a little of it for your health. I was quickly assured that the Bible meant to say grape juice and that Jesus didn't really make wine at the wedding feast in his first recorded miracle but that was grape juice too.

Unfortunately, I have always been an inveterate reader — and just the week before had read an article how that until a Methodist preacher had devised a pasteurization method — grape juice had never been commercially feasible. I went home and looked up the reference about the grape juice and found that my memory had been correct. I guess that started my thinking for myself on some aspects of religion. Funny thing, if my teacher had levelled with me on the subject and had told me that Methodists believed they had learned something later to improve on the Bible, I would have probably believed it.

I guess we were a little mixed up at the time concerning prohibition (which had just come on the scene a short time before) and religion. In fact it went so far, that the "wine" used in the "Lord's Supper" was the weakest, watered down grape juice you can imagine. Wine was never used.

One of the saintly souls of the Methodist Church was Mrs. McCarty who lived right at the bottom of the hill in Blanco Canyon just 7 miles south of town. Even though nearly everyone had cars, Mrs. McCarty still

drove her horse and buggy to town each Sunday for worship. I remember one Sunday when we had a terrible snowstorm — but you could bet the Gambles would be there for services. After Sunday School, a quick check showed there would be just a handful present for services. The pastor held a conference with his officials and decided to dismiss morning worship. Just as we all started home we looked down the street and here came Mrs. McCarty in her little buggy. With hardly a word, we all turned around and went back into the church where we held a worship service inspired by her faithfulness and loyalty.

There was no such thing as air conditioning back then but there were a few large fans in the ceiling of the church that stirred up the hot air. There were always fans in the seats thoughtfully furnished by hardware, furniture, and undertaking establishments. It seems to me that a few druggists got in on the act too. I spent many enlightening services learning about the wonders of "Cardui", what was carried at the hardware store and of the services offered by the furniture and undertaking establishment. The only other reading material available was the little sheet we had been given at Sunday School and the Cokesbury Hymnal — these weren't too exciting since you knew how they both came out.

I have heard many discussions over the years about the old revival — I am talking about the revival

within the local church as opposed to the big community-wide revival — and its effect on the church. You can hear some pretty good discussions on this matter and since most of the churches have dropped them over the years, I guess the decision was largely negative.

I remember that back about 1926, Rev. J. W. Hurt, president of McMurry College, came to Floydada to conduct our summer revival. He was the son of one of the old pioneer families at Estacado and was a truly dedicated man of God.

This revival had morning and evening services for about two weeks. The evening services always ended with an "invitation hymn" and a plea for sinners to repent and come forward. Invitation hymns were often "Just As I Am" and "Softly and Tenderly". Often the volume of the music was lowered and the minister would make his plea above the muted voices of the choir. Two or three of my friends had responded early in the meeting and apparently enjoyed it so much that they had been going down on almost every plea afterward. I asked one what it felt like when he went down and he said he just stood there and sort of shivered.

At 11 years of age, I wasn't conscious of any particular sins I had committed. I hadn't been drinking, cursing, or "blag-garding" as I had heard it called. I had been in one game of marbles where we played for "keeps" but I thought I had sort of atoned for that by having been the loser. Besides that I had mentioned it in my prayers that night and thought it

was all straightened out. Yet on this particular night, the usual plea was made and "Just As I Am" was being sung. I suddenly realized that I was standing at the altar holding the outstretched hand of the preacher. Dad was shook when he looked from the choir to see me there but rallied and with Mother joined me at the altar. I can still hear the choir as it changed to "Softly and Tenderly".

I wasn't shivering as my friend had said he did although there were tears running down my cheeks. I had a warm feeling inside and knew personally what John Wesley meant when he said he "felt his heart strangely warmed" at Aldersgate. I, too, knew that I had a personal relationship with God.
