# The Rally Not Enough: 'Winds 18, Olton 22

## Too Little, Too Late

By Wendell Tooley

I don't know why the Floydada Whirlwinds wait until the last minute to play ball... two last minute touchdowns put them even with Olton, but failure to make the extra points was the difference and Olton won 22-18.

The game was played at Olton on a pretty cool Friday evening, but Floydada fans were there in abundance. Although they were pretty quiet most of the evening, they were alive and on their feet screaming at the last as the 'Winds made two touchdowns in the last 43 seconds.

The first half ended with Olton leading 8-6. Olton's Glen Johnson scored from the four with 3:33 left in the first quarter. Monte Chitwood took a short pass from Jimmy Parker for the extra two points.

Floydada's Danny Bradford scored six from the two with 2:08 left in the second quarter and Rance Young's run for extra point was no good.

In the third quarter Olton made a couple more; Parker made a 14 yard end sweep for paydirt with 7:42 remaining in the quarter. Johnson leaped over center for the extra points. The next Mustang TD was set up when Johnson raced some 55 yards. Later Johnson plowed over from the one for another TD with 3:10 left in the quarter. Johnson didn't make the extra points this time as a strong Whirlwind defense met him head-in.

### PLAY BY PLAY

I never saw a team so wary of runbacks on kick-offs as Olton kicked off with a sort of on-sides short kick each time. The first lineman on the left of the Whirlwind team never did fumble the ball though, and Floydada always had the kickoff on the 35 to 40 yard line without run-back.

We had the ball on the 43 after the opening kick-off. Rex Yeary made five, Kelvin Ratliff made four. Young made three and the first down.

A Floydada fumble and Olton had the ball on their own 43. The 'Wind defense held and Olton's 40 yard punt put the 'Winds back in business on their own 27.

The 'Wind offense couldn't make a yard and Cagle punted a 33 yarder. Olton decided to start playing... a 18 yard pass, Johnson made 44 in five carries and the first TD from the four. The Parker to Chitwood two extra points and Olton led 8-0 with 3:33 left in the first quarter.

Floydada had the short Olton kickoff on their own 38. Again the offense couldn't click and quarterback John Cagle booted a nice 45 yarder. Olton promptly made five first downs with two Parker to Chitwood passes, Johnson and Parker making big gains on the ground. Parker tossed Joe Alcorta another TD pass, but Alcorta fumbled in the end zone. Floydada had the ball on its own 20.

At this point the Whirlwinds started playing ball. Cagle hit Lynn Becker with a nine yard and a 15 yard pass. Yeary made a beautiful 15 yard run that was nullified with a 15 yard penalty. Cagle ran for nine and eight yard gains, Young made seven and ten. It was Bradford who dived over from the two to make the score Floydada 6, Olton 8 with 2:08 remaining in the half. Young took a handoff and went down on an end run for extra points before hitting paydirt.

The rest of the first half saw the Whirlwind defense hold Olton to no more first downs and the 'Winds made one first down via a Cagle to Becker 14 yard pass. The half ended with Floydada on the Mustang 27 yard line and needing another time out in order to make a last second TD. Olton 8, Floydada 6.

### HALFTIME

As usual the Whirlwind marching band was "right on." Olton's band looked pretty good carrying a bunch of blue and white flags, with their halftime performance. They came on the field at the beginning of the game to play the National Anthem.

### SECOND HALF

Now friends, if you are still with me, this third quarter was awful. I wish we hadn't even been there (and we nearly weren't there if you look at the statistics).

The first Whirlwind play was great... Yeary ran around the right end for a first down and 11 yards. Then a Whirlwind fumble on their own 41 and things started looking bad.

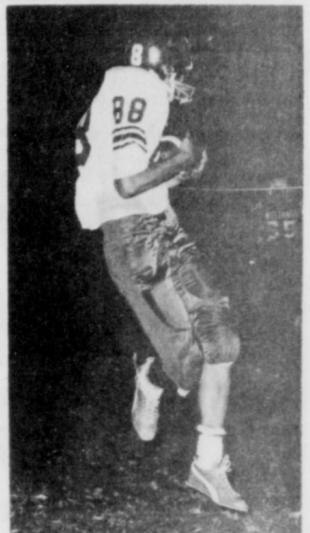

Johnson brought the ball down to the 'Wind 14 and quarterback Parker dashed around right end, went in

## 'Wind Freshmen Lose

Olton's freshmen shut out the Whirlwind ninth-grade football team there Thursday, 28-0. The score was 6-0 at the half and 14-0 after three quarters. Floydada did not pick up a first down in the first half, as the Mustangs completely stopped the Whirlwind offense. Olton scored two TD's on the ground and two on passes.

The Floydada freshmen were again plagued by fumbles, bobbling the ball five times in the game, and were hurt by penalties in the last half.

They play Littlefield at Wester Field Thursday.

the extra points, but couldn't score. Mike Hatley recovered a Mustang fumble after the kick-off and Floydada had the ball on the 50 yard line.

Man!... the passes started flying again! Cagle hit Bradford for 12, Becker for 18 and seven, Vickers for 12, then Young for the TD. It was Olton 22, Floydada 18 as pass attempt for extra points didn't work and the game was over.

GENERAL OBSERVATIONS: Olton has a 2-2 record, Floydada 1-2. Cagle had a good night of passing with no interceptions. This is the first time an L. G. Wilson coached team has lost two consecutive games, and first time Olton has defeated Floydada since 1968.

HONOR — Jerry Finley of Floydada received the Boy Scouts of America's Wood Badge at the Thursday meeting of the Floydada Lions Club. The highest training award given to volunteers, the Wood Badge is known as "The PhD of Scouting." Presenting Finley with the badge, neckerchief, slide and certificate were David Parkhill, Boy Scout Council Field Director, and other Floydada adult Scouters who have earned the Wood Badge. ## In County With Limited Schooling

How many Floydada are unable to earn an income because of insufficient reading and arithmetic skills that are needed in better-paying jobs?

Most local people have no such problem. Their educational background has been relatively good and has been rising steadily. It has reached the point where the median amount of schooling being acquired is now 10.9 years, a gain over 1960, when the median was 10.1 years.

For those with little or no education, however, making a living is much more difficult.

The problem is national in scope but is more pronounced in some sections of the country than in others. According to the Department of Health, Education and Welfare, almost 19 million adult Americans are totally or functionally illiterate.

By functionally illiterate is meant those who do not read and write well enough to understand a help-wanted ad, to fill out a job application form or to apply for unemployment insurance.

In Floyd County, according to the latest figures from the Department of Commerce, there are 188 adults who have failed to complete at least one year of school.

Another 455 completed from one to four years and 787 from five to seven years.

The total who have not gone beyond that point is 1,430 in Floyd County. The illiteracy problem is brought into focus at this time because of the announcement of "Right to Read" grants to various states by HEW's Office of Education. They are intended to help in the national effort aimed at eliminating illiteracy. Funds for the grants have been authorized under the Cooperative Research Act. Thus far, they have gone to 31 states.

The target for the aid is the 19 million adult Americans who are totally or functionally illiterate and another 7 million elementary and secondary school students who have severe reading difficulties.

### Coach's Comments

"We've gone so long with a veteran ball club and a tough defense, that when we get an average group with some young players making mistakes, it's hard to reconcile ourselves to the fact that people are going to move the ball and score on us." — Whirlwind head coach L. G. Wilson talking after the 'Winds' 22-28 loss to the Olton Mustangs Friday.

It's unusual for the 'Winds not to have a good, sharp defense, Wilson said. "We've got to sharpen our tackling, our pass rush, our pass defense," he said.

Again this week, the Whirlwind offense was able to move the ball when they had it, but they didn't have it enough — and three or four "killing" 15-yard penalties stopped several drives, and fumbles ended several more. Wilson said he put Tony Soto in the game in the third quarter to gain some outside speed on the sweeps. The 'Winds had decided to run at halftime, the inexperienced back fumbled and Olton recovered.

The 'Winds just must regain the consistency they displayed in the season opener, when they made few mistakes, Wilson says. "The first game was real smooth, but since then the mistakes have been killing us," he lamented.

Bright spots in the Whirlwind camp include quarterback John Cagle's fine job of leading the club, Wilson says, and Cagle's passing. Wilson said Cagle looked sharp throwing Friday (he completed 20 of 36 for 198 yards, including six of eight in the 'Winds' second TD drive and four straight in the third scoring drive.) Wilson also mentioned the receiving of Lynn Becker, Marc Smitherman, and Mike Vickers.

Wilson believes that if the defense can get the ball to the offense in a situation where they won't have to go to the "desperation" stuff, the 'Winds will come around.

To sum it up, the Whirlwind coach said Saturday, "We've just got to get tougher."

## JV Beats Kress 12-0

The Whirlwind junior varsity beat the Kress "B" team Thursday, 12-0. The 'Winds scored in the second and fourth periods. Both extra-point attempts failed.

Greg Goen hit Charlie DeLeon on a 35-yard touchdown pass to get Floydada on the scoreboard in the second.

Dewayne Kunkel scored on a five-yard run to up the count to 12-0 in the fourth.

Defensive tackles Billy Marricle and Les Soto drew coaches' mention for a solid game. Royce Chadwick did a good job in the Whirlwind defensive secondary, coaches said, and Goen, playing safety on defense, intercepted two Kress passes. Tailback Danny Nixon contributed to the 'Winds offensive effort.

## Olton Tops Breezers

Floydada Junior High Breezer football teams dropped two games to Olton Thursday. The Olton seventh-grade team scored in the last quarter to down the Breezer seventh 8-0, and the Colts beat the Floydada eighth grade 26-8, in games originally scheduled for Tuesday.

The Breezer seventh graders couldn't get a sustained offensive drive going, stopping their own drives with mistakes. Ricky Luna and Todd Vickers turned in the best offensive efforts for Floydada, coach Gary Jones said.

It was "that kind of night" for the Floydada eighth-graders — their only touchdown came on a "busted" play when quarterback Toby Rhodes kept for the score.

Floydada, down 14-0 at halftime, threatened a come back in the third quarter, but a fumble ended a good drive and Olton put the game out of reach with two more scores.

"Olton executed well and we didn't" — the story of the game, Coach Jones said.

The FJHS teams play at Littlefield next week.

## Jean Blake Brian Steving

Artemas Baker of Lockney, Texas, selected her maternal great grandmother's birthday for her wedding day.

The couple exchanged rings before an altar decorated with white agapantha and blue carnations. Mrs. James Cole was organist and Mrs. John Voss, soloist during the ceremony, along with a trio comprised of James Boratgis, violin; Dr. James Warwick, cello, and Mrs. Meriam Teats, viola. The trio also played during the reception, with pianist, Mrs. Georgia MacLackey.

Mr. Blake presented his daughter for marriage. She wore a floor length empire gown of white organza over taffeta fashioned with a scoop neckline, bishop sleeves ending in deep cuffs at the wrist. The A-line skirt was adorned with embroidered Alencon lace appliques and seed pearls. Her detachable train, attached to the waistline in back, and her waist-length veil were edged in Alencon lace re-embroidered with seed pearls. She carried baby's breath, white gladioli, corn flowers and stephanotis.

Ruth Ellen Pettigrew, Boulder, was matron of honor. She wore a floor-length gown of light blue crepe designed with long sleeves, high neck, trimmed with lace at the cuffs and neckline. She carried a nosegay of cornflowers and baby's breath.

James Dover, Columbus, Nebraska was best man. Ushers were James Tooley, Boulder, and Jeffrey Staebell, Denver.

A reception was held at the bride's home following the ceremony.

The couple will be at home in Greeley following their wedding trip to Santa Fe, N.M.

The bride is a 1972 Boulder High graduate and a sophomore English major at the University of Northern Colorado. The groom, a 1969 graduate of University High

in Greeley, is a senior at UNC, majoring in English. He also owns Apache Publishing Co. in Greeley.

Out of town guests at the wedding included Robin Blake, Mrs. Mary Smithwick, Ft. Lauderdale, Fla.; Mrs. Impie Pelton, Long Beach, Calif.; Mrs. Dimple McGavock, Mrs. Olga Applewhite, both of Lockney; Mrs. Jake Steving, Sr., Greeley; Harry Kildow, Littleton; Mrs. Louise Moon, Mrs. Carol Olson and Kris, Paso Robles, Calif.; Mr. and Mrs. Douglass Williamson, Amy and Becky, Thermopolis, Wyoming; Mr. and Mrs. Lloyd S. Deavenport, Littleton; Mr. and Mrs. Lowell W. Weiss, Mr. and Mrs. Warner Weiss, Denver; Mr. and Mrs. Joseph Kuettel, Greeley; Mrs. Dorothy Wood and Ward, W. Orange, N. J.

## FLOYDADA BAND BOOSTERS TO MEET MONDAY NIGHT

Floydada Band Boosters are to meet Monday night, October 1, in the Linesmen coffee room of Lighthouse Electric, at 7:30.

All Band Boosters are urged to attend.

## Young Homemakers Meet

Young Homemakers Club met September 25 in the Farm Bureau conference room for its regular meeting. Kathy Emert, president, presided during which time the announcement that election of new officers for the coming year will be held October 16.

Club also voted to hold a salad supper October 2 and each member is reminded to bring a covered dish and a guest.

Program for the recent meeting was on needlework presented by Verna Lynn Stewart.

Refreshments were served by Donna Henderson and Phyllis Harris.

Attending were Jo Ann Patterson, Reba Ferguson, Debbie Breed, Kathy Emert, Rhonda Guthrie, Judy Forbes, Donna Henderson, Anita Ramsey and Jan Nichols.

## Shower Honors Miss Ball

A bridal shower, honoring Miss Cindy Ball, bride-elect of Monty Wayne Bybee, was held in the home of Mrs. Dorsey Baker, Saturday, September 22.

Guests were registered by Mrs. Debbie Stennett and Miss Tony Bybee.

Greeting guests were those in the receiving line: Mrs. Baker, the honoree, Mrs. June Bybee, mother of the prospective groom, and Mrs. Vernie Ball, mother of the bride-elect. They wore beautiful corsages of white carnations.

Assisting in displaying the gifts were Mrs. Bill Glasscock and Floyd Jackson. Assisting at the serving table were Miss Cynthia Stoerner and Peggy Lambert. Refreshments of sausage rolls, cheese crisps, coffee cake and coffee were served from a table covered with a white linen tablecloth centered with a beaded strawberry flower arrangement in a copper vase. Ironstone appointments accented the table.

The hostess gift consisted of a GE Toaster oven. Hostesses for the shower were Mmes. Dorsey Baker, Floyd Jackson, Bill Glasscock, Billy Joe Turner, Dan Teuton, Harley Howard, R. D. Baccus, R. H. Ford, Art Barker, Morris Shipp, John L. Riley, Paul Reece, Robert Daniels, W. L. Thomas, and Estelle Powers.

Out of town guests attending were Mmes. Lou Ball, Vickie Ball and Reva Buckner, all of Plainview.

## Il Penseroso Junior Study Club Meets In Taylor Home

Il Penseroso Junior Study Club met Thursday night, September 27, in the home of Mrs. Tom Taylor. The 7:30 meeting was begun with roll call answered with "My Favorite Musical." Mrs. Kenneth Holt, Federation Councilor, presented an impressive skit entitled "The Tater Family" in honor of Federation Week. The Tater family consists of (1) Speck - always comes to club and never misses a meeting; (2) Emma - very agreeable and is all for anything anyone else wants to do; (3) Dick - belongs to every organization and tells them how to run them; (4) Aggie - Keeps the meeting lively and if things are going smoothly, she will always "throw in a wrench"; (5) Common - never does a thing and never has an original idea; (6) Hussy - doesn't think that the club should take on so much; and (7) Sweet - everybody loves her.

Mrs. Tom Taylor, Fine Arts Chairman, gave a very interesting program. She discussed the American Indians and said that Friday, September 28, is "American Indian Day." She talked of the Plains Indians and reviewed the book, "Bury My Heart at Wounded Knee", that told of the last major massacre of the Indians by the white man. Mrs. Taylor pointed out that our South Plains area was rich in relics of the Plains Indians.

Mrs. Taylor passed among members of the club a points list for participating in an art contest. The winner will be named at the end of the club year. She closed her program with a Musical Quiz that was enjoyed by all. Winner of the Quiz were Mrs. Cliff Hardy and Mrs. Joe Frank Hawkins.

Refreshments of pineapple cream cheese pie and coffee were served by Mrs. Cliff Hardy, co-hostess and Mrs. Taylor.

A business meeting was presided over by Mrs. D. K. Jackson, president. Mrs. Buster Terrell, secretary, read the minutes of the last meeting. In departmental reports, Mrs. Cliff Hardy, conservation chairman, passed out brochures for Commercial Cotton Seed Flour Mill from Plains Cooperative Oil Mill in Lubbock.

Mrs. Jerry Johnson, Home Life chairman, passed out Home Safety Check Lists to the members.

Mrs. Buster Terrell, Education chairman, had books from the library on music that any member could check out. She pointed out that Book Week will be November 12-18 and that members should start getting their children's books in for the kindergarten children. Mrs. Terrell reported that she would have library books at each meeting on the subject matter being discussed at that particular meeting.

On special committee reports, Mrs. Buster Terrell reported on the club booth for Mrs. David Bloys, who was absent. She also reported that our club float

## New Arrivals

Mr. and Mrs. Ben Merrill have a new son, Mitchell Jay, who was born Sunday, September 23, in Memorial Hospital in Denison, Texas. The baby weighed 8 lbs. 10 oz. He has an older sister, Lisa, age 4. The mother is the former Judy Roberts.

Grandparents are Mr. and Mrs. W. D. Roberts of Lockney and Mr. and Mrs. Joe Merrill of Denison. Mr. and Mrs. W. D. Roberts are in Denison taking care of their first grandson.

## El Progresso Club Meets In Lockney

El Progresso Study Club met Wednesday, September 26 in the home of Mrs. Pauline Sams. The devotional thought was given by Mrs. Arla Copeland. Roll call was answered with "A Fact About a President". The highlight of the evening was a book review given by Dimon Schacht on "Harry S. Truman" written by Margaret Truman Daniel.

Those attending the meeting were Mmes. Arla Copeland, Faye Ferguson, Lena Hawkins, Meda Honea, Faye Holmes, Hazel Johnson, Bobbie Kellison, Ethel Mitchell, Anna Dell Quebe, Haley Record, LaVerna Sams, Pauline Sams, Dimon Schacht, and Josie Taylor.

The next meeting will be Wednesday, October 10 and the hostesses will be Anna Dell Quebe and Jeanette Marr. The first October meeting will be "Guest Day."

## H-SU Chorale, Choir Began Busy Season

Hardin-Simmons University's Concert Choir and Chorale have begun preparing for a busy season by working on a repertoire for fall concerts. Concerts for Concert Choir members will include a performance with the Abilene Symphony.

The Concert Choir will travel to San Angelo Nov. 26 to perform Dr. T. W. Dean's cantata, "Pax Vobis" with the Abilene Symphony. The troupe will return to Abilene Nov. 27 to perform the cantata at the Abilene Civic Center.

The Concert Choir, 48 voices strong this season, has begun work on concerts for church groups. A concert for First Baptist Church of Sweetwater on Oct. 21 and a concert for First Baptist Church of Snyder have been scheduled thus far.

The Chamber singers, made up of 14 students from the Concert Choir, will be featured on church concerts.

The Concert Choir will also appear in chapel programs at H-SU and will present a televised Christmas program for KTXS and the Big Country area in December.

The H-SU Chorale of which Sharon Walker of Floydada is a member, is preparing the J. S. Bach cantata, "A Child is Born" to be presented in Abilene several times during the Christmas season.

Mrs. Walker is the daughter of Mr. and Mrs. A. E. Baker of Floydada.

JAMES R. KIMBLE

**Kimble In UT Med School**

GALVESTON — James R. Kimble, son of Dr. and Mrs. J. Kimble of 717 W. Tenn. St., Floydada, is one of 205 prospective physicians comprising the freshman class at the University of Texas Medical Branch this fall.

As one of the oldest medical schools in the nation and the eighth largest in the United States, UTMB has approximately 303 full time and 244 part time faculty members for the total student enrollment of 736, with 200 sophomores, 174 juniors and 157 seniors.

These future doctors, the majority from throughout Texas, will work through four information-packed years and rotate through every medical department before selecting their specialty and receiving their M.D. degrees. Due to the high competitiveness for medical school, these students were selected according to their personal qualifications, motivation, scholarship ability and probability of professional success.

The freshmen will begin their curriculum with the basic science program, followed by the clinical science

**Round Robin Fun Tournament Scheduled By Tennis Club**

A round robin fun tournament has been scheduled by the Floydada tennis club and chairman of the tournament Frank Barrow says, "it makes no difference

whether you belong to the club or not... if you are an adult and you like to play tennis, we hope you'll play in this tournament."

There will be no entry

fees and deadline for sign up is Friday noon, October 5 at the Montgomery Ward store. The tournament will be played in three consecutive weekends. Men's and women's singles are set for Saturday and Sunday, October 6 and 7, men's and women's doubles Saturday and Sunday, October 13 and 14, and mixed doubles Saturday and Sunday, October 20 and 21.

Prizes will be awarded to the winners.

LEAN ENERGY FOR TODAY AND TOMORROW

Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

DIRECTOR ELECTION

SET OCTOBER 2

According to G.L. Fawver, chairman of the board, a Floyd County Soil and Water Conservation District Director will be elected for zone 5 at 8 p.m. at the Barwise Elevator, Tuesday, October 2. Gene Probasco is the current director for zone 5.

Zone 5 is the southwest

part of the county. The boundaries are: north boundary is the Floydada, Lockney, Plainview highway; the east boundary is the Floydada, Ralls highway; the south boundary is the Floyd - Crosby County

line; the west boundary is the Floyd - Hale County line.

The director that is elected will serve on the board for a period of five years. All who own land in zone 5 and live in the county may vote. Husband and wife may both vote.

The Floyd County SWCD Directors encourage all landowners who have land in zone 5 and live in the county to be at the meeting.

## Caution Given On Seed Dessicant

Pollinator rows, in hybrid seed production which is to be used or sold as grain, should be harvested prior to using a desiccant on seed rows, according to Grain Sorghum Producers Association Executive Director Elbert Harp. Harp stated that no desiccant is registered for grain sorghum to be fed or grazed.

"Since EPA has not approved the use of chlorates and other chemicals for desiccating grain to be fed, farmers are urged not to use these chemicals on seed fields before cutting the pollinator rows," warned Harp.

Grain that has been treated could be condemned if residual carryover were found by EPA. Harp stated that such grain should not be hauled to an elevator. Grain Sorghum Producers Association has been work-

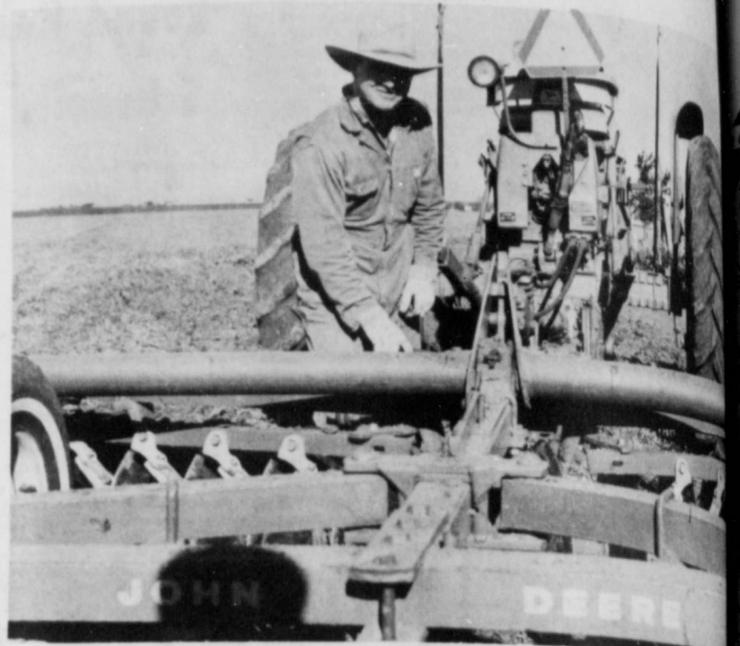

ing to get clearance for the use of sodium chlorate and urea on grain sorghum for feed, but to date clearance has been granted for seed production only.

The 1973 annual meeting of the Plains Ginners Association will be held on Saturday, September 29, from 9:30 a.m. to 2 p.m. at the Lubbock Country Club, according to PGA President Gayle Craft of Plains. Some 325 High Plains gin operators and allied industry people are expected to attend.

The group will hear addresses by prominent members of the cotton industry on cotton legislation and marketing, open end yarn spinning, universal density bales, air pollution control and other subjects of interest to ginners.

Entertaining the ginners during lunch will be Bernie Howell and his Triolins, and Margaret Vigness of Hemphill Wells Co. will present a style show.

Preceding the "business part" of the annual get-together, Craft announced, will be the Association's annual golf tournament, with players teeing off from 9:30 to 11 a.m. on Friday, September 28.

PGA members will elect nine directors at the meeting, and the new directors will elect officers for the 1973-74 year. Current officers in addition to Craft are Bill Weaver of Lamesa, Vice President, and Dixon White of Lubbock, Secretary.

Directors this year have been Orville "Sleepy" Bailey of Roundup, Herschel Belew of Earth, Joe Ellison of Sudan, Maurice Goodwin of Ralls, A. L. "Skinny" Higgins of Plainview, Bill McCasland of Lubbock, Gene Morrison of Dimmitt, Guy Nickels of Sudan and Bill Thompson of Shallowater.

Speakers for the affair include Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock; Bob Poteet, Executive Vice President of the Texas Cotton Association, Dallas; Tony Price, Executive Vice President of the Texas Cotton Ginners Association, Dallas, and Jim Parker, Director of the Textile Research Center at Texas Tech University, Lubbock.

Plains Cotton Growers, Inc., 25-county association of cotton producers, has announced that the organization's offices are being moved from the present location at 1720 Avenue M, Lubbock, to the Wilkerson Building on the corner of 44th Street and Globe Avenue, Lubbock. PCG expects to be in the new offices on October 1.

Donald Johnson, Executive Vice President of PCG, said "We will have additional space and offices better adapted to our needs in the new location and therefore should be able to serve our members more efficiently."

Also at the 44th and Globe site will be the new open end spinning plant announced last month by Feather Fabrics, Inc. and Nijverdal-Ten Cate, a leading textile firm of the Netherlands. Local investors will be partners with the Dutch company in the Feather Fabrics venture, slated to begin production in the Fall of 1974.

Johnson explained that the Wilkerson Building has ample office space for both operations plus floor space for the spinning plant. "PCG has leased all of the office space and will sub-lease a part of it to Feather Fabrics," he said, and "in this way PCG will be getting much better facilities for the same rental rate as before."

The 23,000-member PCG was organized in 1956 "to promote and protect the interests of High Plains Cotton Producers." Its work in the fields of research, legislative activity, promotion and a variety of membership services has been conducted from the Avenue M address since February of 1959.

More For Your Money . . . Turkey Breeders Plan Increases . . . Milk Production Declines . . . Cattle, Calf, Sheep Sales Above Year Ago.

When you visit the State Fair of Texas at Dallas this year, be sure and visit the Food and Fiber Pavilion. There, you will be able to find out how to get the most out of your food dollar.

The Texas Department of Agriculture will again be in charge of the Pavilion this year for the fourth consecutive year. Almost 1,000,000 persons annually have visited the Pavilion in the past three years. It is expected the number of visitors this year will exceed 1,000,000.

On display will be ways the consumer can get the most for the food dollar. Cooking demonstrations will be given to show how to prepare food on a cost per serving basis. Recipes will also be available to help you prepare economical yet tasty dishes.

In addition to Texas food products on display you can see a variety of ways in which you can use Texas-produced fibers, too.

A number of private companies and commodity organizations will have displays as well.

TURKEY production should show some good increases in the coming year, according to figures released by the Texas Crop and Livestock Reporting Service.

Texas turkey breeders' intentions to market as of Sept. 1 increased 26 per cent from the January 1973 inventory for all breeds.

Turkey breeder flock owners in the 26 major turkey-producing states report at the beginning of the 1974 hatching season they expected to keep 15 per cent more breeder hens than the previous year. Flock owners also expect to increase heavy breed flocks by 15 per cent and plan to increase light breeds 18 per cent.

A word of caution, however: these are intentions only and can change due to feed, supply and price of hatching eggs and poults as well as prices received for turkeys during the next few months.

MILK production in Texas during August is one per cent below the 1972 production and three per cent less than the previous month's production. Nationwide, milk production is four per cent less than a year earlier.

One of the reasons for the decline in production can be seen in the milk-feed price ratio. It was down 34 per cent from a year ago and is the lowest since August 1947. Last year's ratio was the highest since 1968, pointing up the increased costs of production for dairy producers.

During August, the number of milk cows nationwide dropped three per cent. Some dairy groups are warning that a definite shortage of milk will be felt by the consumers as early as November.

SALES of cattle, calves, and sheep in Texas were above levels of a year earlier while sales of goats and hogs declined.

Cattle marketed through auction in the state were 33 per cent above a year ago and calves 52 per cent more than a year ago.

Sheep sales were up 49 per cent above a year ago and 64 per cent above a month ago.

Hog sales were six per cent below a year ago, but 18 per cent above a month ago. Goat sales were 17 per cent below last year, but more than double those of last month.

## Briscoe Pleased With Insurance Reductions

Governor Dolph Briscoe praised State Insurance Board Chairman Joe Christie's statement concerning the first rate reductions under the new competitive automobile insurance law at a Sept. 18 news conference in Austin. Governor Briscoe explained that he was pleased with the State Insurance Board's reaction to the law which he recommended that the 63rd Texas Legislature pass.

Governor Briscoe said that he was "encouraged with the Board's role in promoting competition among companies who provide Texas with auto coverage."

According to Christie, the filings he announced today will reduce some motorists' insurance by nearly 20

percent of last year's rates since the Board has granted a 4.3 percent average rate reduction in August.

Christie remarked that the Board has encouraged qualified companies to submit requests for deviations and that further reductions are imminent. Christie said "the Board intends to act promptly to assure that these savings are passed on to Texas policyholders."

Christie also commented that "the Texas competitive system may become the model of other states who are working toward insurance reform."

Lloyd Bentsen, Senator (D-Tex), on limiting contributions:

"The time has come to take elections off the auction block."

## Brush Control Field Day Thursday

Livestock producers, conservation leaders, and other interested persons are invited to attend the West Texas Brush Control and Range Improvement Field Day at Vernon, Thursday, October 4.

Jon J. La Baume, district conservationist for the U.S. Soil Conservation Service at Floydada, said he hoped several cooperators with the Floyd County Soil and Water Conservation District will attend the event.

Air conditioned buses will be used to tour the famous Waggoner Ranch in the morning. After a catered lunch, an afternoon program will be held in the Wilbarger Memorial Auditorium at Vernon. Speakers from SCS, Texas A&M University, Texas Agricultural Experiment Station, Texas Agricultural Extension Service, and the Brush Control and Range Improvement Association will discuss new developments and problems in management of brush. Several prominent livestock

producers will also be on the program.

"With increasing demand for meat, we simply must find ways to increase livestock production from our native grasslands," La Baume said. "To get this improvement, a combination of brush management, range reseeding, periodic rests, and other range improvement methods are needed. Much of the technology for accomplishing this job is already known and in use here in the Floyd County Soil and Water Conservation District and other districts across Texas," La Baume said. "However, we must continually search for new and better ways of doing business. We also must solve some of the economic, environmental, and related problems associated with brush control and grassland improvement."

The field day will start at 8 and end at 3:30. If you would like to attend or need additional information, please contact the local SCS office in Floydada.

## Agriculture's outpost on Wall Street

Most farmers and ranchers don't realize the Federal Land Bank gets its loan funds from the sale of bonds to investors. There is no government money in the Land Bank system. The quality of Land Bank Bonds, plus the skill with which the Farm Credit System's own Fiscal Agency works on behalf of agriculture, means a constant flow of low-cost financing from the nation's money market. Come in... and let's talk over how Land Bank money is bought—and sold—at a fair price to the borrower.

**ALF EVERS, DEFENDER OF THE MOUNTAINS**

You don't have to live in a city or big town to have a positive impact on the surrounding world. Alf Evers, 68, is proof of that. He lives alone in an old, unpainted house in the midst of New York's Catskill Mountains, surrounded by books, maps and historical records. His companions are two cats named Thomas and Millie. Mr. Evers is a writer. And he is out to show that the pen is mightier than the bulldozer.

Alf Evers has written children's books, but his most recent literary effort is the result of a 28-year campaign to preserve the wilderness he knows and loves. His book, "The Catskills: From Wilderness to Woodstock," is an appeal for the preservation of the Catskills from the incursions of expanding population, real estate speculators, snowmobiles and large ski developments.

"By enjoying the wilderness, we destroy it," he said. "How we can solve the problem I don't know. But one thing that is encouraging is that people are alerted to the danger of losing the wilderness, another is the strength of interest in the wilderness by young people."

Among Mr. Evers' recommendations are:

- Restrict all encroachments on state forest land.
- Keep big ski areas out of state land.
- Bar all mechanical means such as snowmobiles and campers, from forests and mountain tops, and encourage people to walk in.
- Preserve farms as open areas.
- Reduce the emphasis on bigger and better roads.
- Slow down the subdivision of large plots into smaller ones.

Can one man defend the Catskill Mountains, or other precious wilderness areas, from thoughtless exploitation? Not unless others join with him to promote respect for the fragile beauty of the good earth God has given us for the benefit of all.

## Adult Courses Start Tuesday

Adult education courses are scheduled to begin October 2 at Floydada High School. The classes will be conducted in Room 103 in the high school building, starting at 7:30 p.m.

Anyone 17 or older who is not a high-school graduate is eligible for the courses, which will be free — no fees

will be charged and all materials will be furnished, according to A. E. Baker, superintendent of Floydada schools.

Any non-graduate who needs more education to improve his reading, writing, speaking of the English language, or arithmetic skills, or who would like to prepare for the General

Education Development high-school equivalency test is urged to contact Baker at 983-3498, Mrs. Emily Potts at high school, 983-3916 or 983-2340, or Mrs. Kathryn Green at the Community Action Center, 983-3134, or be at Room 103, Floydada High School, at 7:30 p.m. Tuesday, October 2.

## Gospel Meeting At City Park Church Of Christ

The City Park Church of Christ will host W.P. Dennis of Littlefield, Texas, as he conducts a series of gospel meetings in Floydada, September 30-October 5.

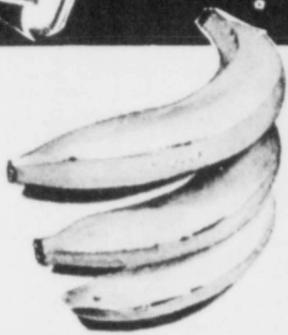

Mr. Dennis is an excellent speaker and is well known to this area. He was born in Seymour, Texas but moved to the Floydada area in 1924. He attended Floydada High School in 1931-1934 and

is a graduate of Abilene Christian College. Dennis has been local evangelist for a number of churches in West Texas and southern Oklahoma including Tipton, Oklahoma for eleven years, Tulla, Fort Worth, El Paso, Big Spring and Artesia, New Mexico. His meeting work has carried him into most of the western states and southern Canada.

The City Park Church of Christ will be at 8:00 p.m. for Bible classes, and evening services at 7:30 p.m. Nursery will be open. Make plans now to attend.
