At Idalou Friday Night

The Floydada Whirlwinds, co-holders with Lockney of the district 4-AA football lead with a 2-0 mark, travel to Idalou Friday to play the cellar-dwelling but improving Idalou Wildcats (0-2). Should both Floyd County teams win Friday night, it will set up a showdown that will likely decide the district championship here the following Friday (the Longhorns host Tulia, tied with Abernathy for second in the conference with a win and a loss, this week).

In two district games, the 'Winds have scored 103 points while allowing only seven. But the Abernathy contest last week was a bruising one, head coach L. G. Wilson said, and the Antelopes never quit hitting — "They kept on getting after us pretty good," he said, even after they were "way behind, and the 'Winds have a few slightly crippled players this week. Among them are halfbacks Rance Young, who re-injured a bruised shoulder and required some stitches on a cut chin, and Rex Yearly, also with a bruised shoulder. Both are on Wilson's probable starting offensive lineup for the week, though, and will play, if not at full speed, if nothing else bad happens. Center Ashley Wester hurt an ankle in the Abernathy game and is listed as probable, with Tony Hesson available to back him up if he can't go. Other than that, except for the usual knocks and bruises, the Whirlwinds should be in good physical condition for the Idalou game.

The 'Winds must keep the sharpness they've shown in the past two games, Wilson said, because Idalou has come around. Although they hardly looked impressive in losing to Lockney 63-0 in the district opener, they played "pretty good defensive football" against Tulia last week, Wilson said. The Wildcats lost that one 29-8, but they regained some of the players that were injured in the early going, and should be at full strength for the Whirlwinds.

The Idalou defense is led by inside linebackers Jack Petre and Richard Jackson. Both weigh 185, and Jackson was a pre-season pick as an all-state candidate. Good linebackers usually mean a good defense, Wilson says, and apparently the Wildcats have the makings.

Offensively, they run the Houston Veer, similar to what the Whirlwinds have seen in their last two outings, Wilson said. On defense, the Wildcats show a five-man front, do a lot of stunting, and crash linebackers a lot, he says. If the offensive line doesn't pick up these shenanigans, "... it could cause — will definitely cause — difficulties in our execution," Wilson warned.

Wilson has been pleased with the work of the offensive line in keeping

the line of scrimmage clear for the backfield to operate in the last two games, however.

Probable starters for the 'Winds Friday:

OFFENSE
 Ends — Marc Smitherman and Lynn Becker
 Tackles — Mark Craig and Bill Fulton
 Guards — Mike Hatley and Ruben DeLeon
 Center — Ashley Wester or Tony Hesson
 Quarterback — John Cagle
 Halfbacks — Rance Young and Rex Yearly
 Fullback — Travis Johnson

DEFENSE
 Ends — Danny Quisenberry and Lynn Becker
 Tackles — Mark Craig and Mike Hatley
 Inside linebackers — Mike Reves and Steve Moore
 Corner linebackers — Danny Bradford and Lyle Suggs
 Halfbacks — Kelvin Ratliff and Donzell Minner
 Safety — Mike Vickers

Monday \$ Day!

Monday is Dollar Day in Floydada and everyone is reminded to watch for the many bargains offered by Floydada merchants in the Sunday Hesperian. QB Club Lacks Funds To Put Whirlwind On Water Tower

The Floydada Quarterback Club's effort to raise funds to have a Whirlwind painted on the City of

Floydada's big elevated water tank is still \$350 short of the mark. The QB Club has not started an

organized drive to secure the funds, but president Jack Stansell says that contributions are welcome and need to be in by November 7. The water tank is due to be painted about the middle of November.

contact Stansell. Donations will be refunded if enough money is not raised.

The Quarterback Club has kicked in a hundred dollars of the \$475 needed for the project, and another donation of \$25 has been received. Are there 70 Whirlwind fans in the city who are willing to shell out five dollars apiece to see the 14-foot Whirlwind on display?

MAC Board Meeting Set Monday Night

The board of directors of the Massie Activity Center will meet at 7 p.m. Monday, November 5, in the MAC building.

Board members are urged to attend, and the general public is always invited to the MAC board meetings, president Bill Brown said.

Court House To Close On Voting Day

The Floyd County Court House will be closed Tuesday, November 6, due to voting on Constitutional Amendments.

As of Tuesday no absentee ballots had been cast, according to the county clerk.

DOING THEIR JOB — Offensive linemen go pretty much unheralded in sports write-ups, but Whirlwind coach L. G. Wilson has had a good word for his blocking linemen for their work in the 'Winds' first two district games. They've been mighty helpful in allowing the team to score over 50 points per contest. November 'Food & Fiber Appreciation Month'

COLLEGE STATION — Gov. Dolph Briscoe has officially proclaimed November as "Food and Fiber Appreciation Month" in Texas, and various observances are being planned in the state's 254 counties. Local chairmen and their committees have indicated that a wide array of activities are being planned to highlight the month-long educational event saluting agriculture's contributions.

ranch output, yet currently leads the 50 states in annual production of beef cattle, sheep, goats, grain sorghum, cotton, rice, onions and wool.

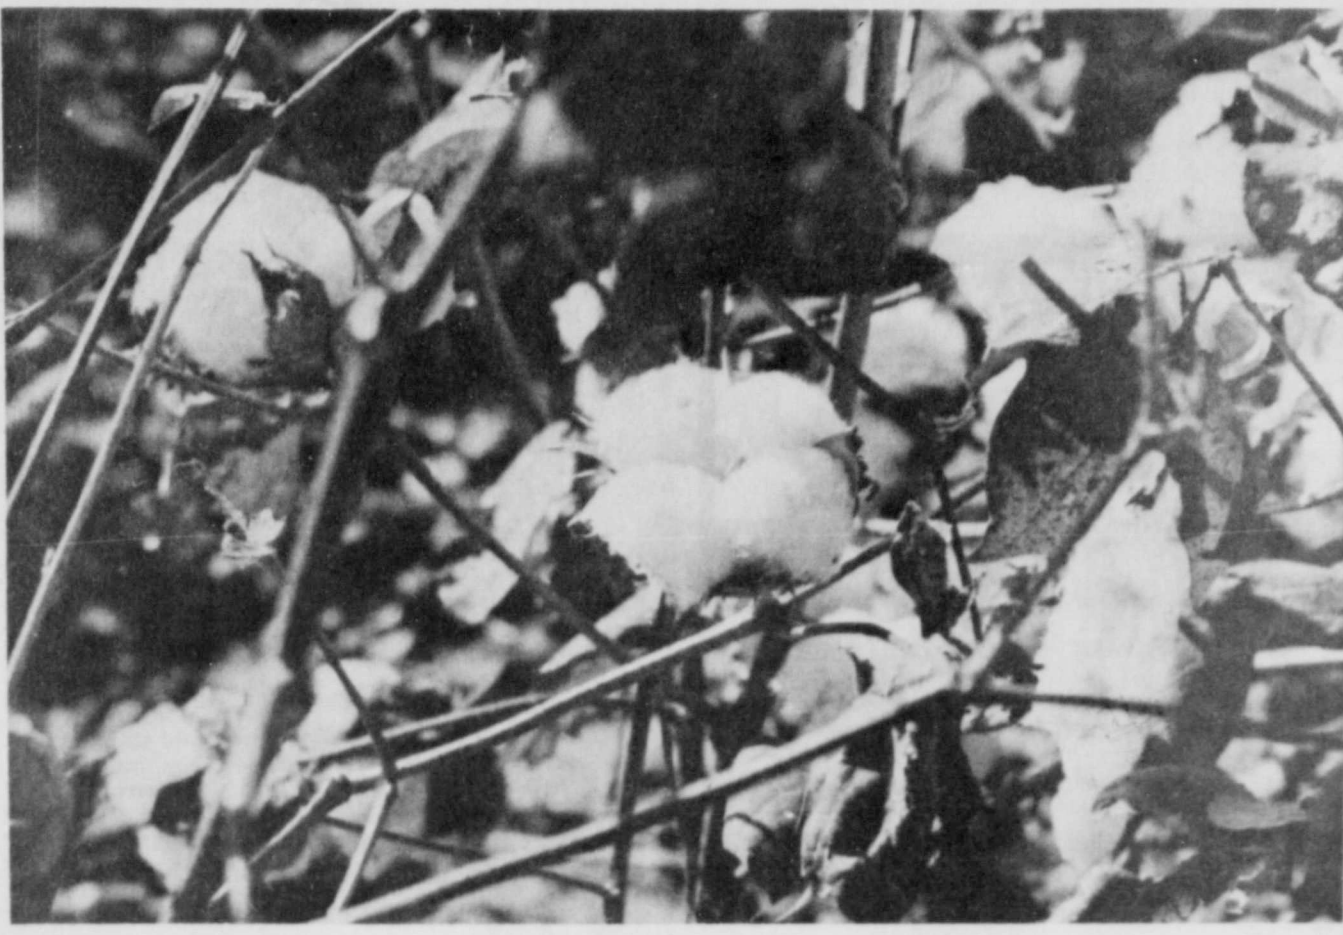

Texas also harvests substantial amounts of peanuts, vegetables, citrus, fruits, honey, cereal grains, soybeans, turkeys and dairy products, the governor noted.

"The unparalleled efficiency of Texas agricultural producers and associated agri-business has helped provide food and fiber that allows Texas consumers to purchase more milk, bread, steak, butter, eggs and other food and fiber products for fewer minutes of work

than ever before in recorded history," Briscoe said.

Today, only one-half as much work time is required to purchase as much food and fiber products as in the "good old days," the governor added.

"Even with a declining farm population, each farmer produces enough food and fiber for himself and more than 50 others. Therefore, it is fitting that November be observed to recognize contributions of Texas agriculture and to encourage renewed appreciation for agriculture by every citizen," Briscoe said.

"WHITE GOLD" — The Floyd County cotton crop is beginning to roll to county gins. The potential bumper crop, estimated at 140,000 bales in the county, is selling at an all-time record price. (Staff Photo by Jim Huggins)

Cotton Harvest Off To Fast Start

Cotton harvest activities are increasing daily and quality of the early harvested cotton has been excellent, according to Paul R. Dickson, in charge of the U.S.D.A. Cotton Classing Office in Lubbock.

bales during the week ending Friday. This brought the total for the season to 21,900. At this date last year, samples from only 1,000 bales of the 1972 crop had been classed.

Average staple length during the week was approximately one inch (32).

Prices were \$40 to \$50 per bale lower than the previous week. Prices averaged 3400 to 3800 points over the loan at the end of the week.

Grades of this early harvested cotton were excellent. Middlings made up one-third of all cotton classed during the week at Lubbock and Strict Low Middlings made up 44 percent.

Micronaire readings were excellent. These readings indicate that most of the early harvested bales were fully mature. Eighty-seven percent of all cotton tested at Lubbock had micronaire readings in the premium range of 3.5 to 4.9, 8 percent was in the high micronaire of 5.0 to 5.2 and 4 percent was in the very high range of 5.3 and above.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Middling (31) staple 30 - 56.65 cents per pound, Middling (31) staple 31 - 57.40, Middling (31) staple 32 - 58.40, Strict Low Middling (41) staple 30 - 55.70, Strict Low Middling (41) staple 31 - 56.25 and Strict Low Middling (41) staple 32 - 56.95.

Lockney Man Wins Football Contest

Two Lockney residents and two Floydada contestants made the pay-off in The Hesperian football contest last week, but the Lockneyites hauled off the lion's share of the money as the Floydadans could do no better than tie for third and split the \$2.50. All the winners missed three games.

awarded to Crosbyton on penetrations. Mary Romero, 518 West Mae, and Donny James, 327 East Georgia, Floydada, both missed three games and guessed 35 in the tie-breaker, and win \$1.25 apiece. Mary missed Crosbyton-Petersburg, Morton-Olton (the Indians won 13-0), and Notre Dame-USC (the Irish surprised the Trojans in another upset in the college ranks). Donny guessed wrong on Auburn-Houston, Canyon-Dumas, and Crosbyton-Petersburg.

Charles H. Smith, Box 1025, Lockney, earned the \$7.50 first prize by guessing closest (50) to the actual total score (58) in the Floydada-Abernathy tie-breaker game. Smith missed the Canyon-Dumas game, a surprise to nearly everyone as the Eagles upset the Demons 15-12, and a pair of college contests, Dartmouth-Harvard and Auburn-Houston (winners listed first).

Jack Fuqua and Travis Gentry, both of Floydada, finished just out of the money with three misses and tie-breaker guesses of 28 and 27 respectively. Coming close with four misses were another entry by Fuqua and one by Shannon Paty of Floydada, and entries by W. L. Carthel and Dorothy Flemmons of Lockney, Jay Jones and Jim Curtsinger of Canyon, Charles Didway of Post, and Andy Hale of Weatherford, Oklahoma.

Gun Club To Host Shootoff Sunday

Sunday, November 4 at 1 p.m., the Floydada Gun Club will host a handicap shootoff at the Gun Club range for three first, second, and third place buckles. These buckles will be on display prior to the shoot.

will be available at all turkey shoots. Membership fee is \$15 for lifetime.

Each participant will shoot at 75 clay birds on the staggered handicap system. This particular system of shooting is fair as well as challenging to all shooters.

At the last meeting the club re-elected officers. Bill Dawson was elected president, Robert Heflin vice president, and Mark Whittle secretary-treasurer.

All of those who plan to attend the turkey shoots but haven't shot any this year are particularly welcome to attend the shootoff. Shells will be available, provided by Robert Ward Gun Shop.

These are the results of the top eleven shooters from the last trophy shoot:

The Club turkey shoots will be held November 17 and 18, the weekend prior to Thanksgiving, and also at a later date in December.

- Robert Ward — 94x100 (grand champion)
- Don Vinson, Plainview — 93x100 (reserve champion)
- Buddy Dodson, Plainview — 92x100
- Cleo Whittle — 84x100
- Mark Whittle — 76x100

OEO Grant Approved

Governor Dolph Briscoe announced approval Friday of a \$11,188 Office of Economic Opportunity grant to Community Action Council of Floyd, Crosby, Dickens and Kent Counties in Crosbyton.

Funded under Title II of the Economic Opportunity Act, the grant is effective from Nov. 1, 1973 through Jan. 31, 1974, and allocates the funds for General Community Programming.

Governor Briscoe said the grant will enable the agency to continue neighborhood center projects and classes; referral services; technical assistance to small businesses; and coordination

with local development corporations and the Chamber of Commerce to attract new industry to the area.

Grant processing by the state was performed by the Texas Office of Economic Opportunity, a division of the Texas Department of Community Affairs.

FLOYDADA BREEZERS

Win, Tie A

The Floydada Junior High School seventh grade Breezer football team beat Idalou 14-8, and the FJHS eighth grade team fought to a 20-20 tie with the Idalou team, in games played there last Thursday.

Idalou took the lead in the second quarter and held the 8-0 edge at half time in the seventh grade game.

Ricky Luna got the Breezers back in the game with a 10-yard touchdown run in the third quarter. Michael Sales tied it up with a run for the extra point.

The score remained knotted until, with 14 seconds left in the game, Luna got loose on a 30-yard TD romp. A block by Bobby Green cut down two Idalou defenders and sprung Luna for the winning score.

Coaches said it was mostly a defensive game, with neither team moving the ball impressively. Floydada had a 60-yard kickoff return touchdown by Ricky Jackson called back on a penalty.

Toby Rhodes caught two long touchdown passes (one for 30, one for 40 yards) from Rusty Cagle, and Larry Jones scored on a long run for the Breezers in the eighth grade contest.

Idalou scored first and missed the conversion, then Cagle hit Rhodes on the long one to tie it up, and the score was 6-6 at halftime.

The Breezers pulled ahead in the third quarter when Jones went 35 yards on a sweep. Again the conversion try was no good. Idalou pulled back even before the Breezers took an eight-point lead in the fourth quarter on another Rhodes reception and a conversion run by Quinn Coleman.

Floydada held the lead until Idalou scored with about two minutes left and was successful on the two point conversion. Rhodes stopped a late threat by Idalou when he intercepted a pass with 29 seconds left.

Coaches said the Breezers

Carthel J.C. Bullard

J. C. Bullard, 64, a native and life-long resident of Floyd County, was buried in Floydada Cemetery Monday afternoon following funeral rites in the Calvary Baptist Church. Bullard was found dead at his residence by a nephew, Kay Crabtree, early Saturday morning. Death was attributed to an apparent heart attack.

Bullard was born September 9, 1909 to George M. and Ella Bullard. He attended schools in Floydada, and was still active in farming in the Fairview community. Bullard was a member of the Calvary Baptist Church.

Survivors include two brothers, Preston of Portales, N.M., and Mitt of Lubbock; three sisters, Mrs. Kate Crabtree of Floydada, Mrs. Stella Crabtree of Lubbock and Mrs. George Landrum of Clovis, N.M., and a number of nieces and nephews.

Rev. Hollis Payne, pastor of Calvary Church, officiated for rites. Moore-Rose Funeral Home was in charge of arrangements.

Palbearers were Bob Reeves, J. W. Gilbreath, Bob Owens, Alvie Jackson, Les Fawver and Walton Wilson.

Floydada FFA

Area square dancers will be in for an evening of delightful dancing to the talented calling of Lem Gravelle, featured caller for the Lubbock Area Square and Round Dance Federation dance scheduled for Saturday, November 3, at the Fair Park Coliseum.

Dancing will begin with request rounds at 7:30 p.m. and the Grand March will open the evenings square dancing at 8 p.m. Eldred Parker will be M.C. for the evening.

Lem Gravelle, from Jennings, Louisiana, has many hit square dance records on the Bogan label. Gravelle calls many special dances throughout Louisiana, Mississippi, and Texas. His unusual cajun accent adds variety and individuality to his calling.

Kuntry Kuzzins of Lubbock will be the host club for this month. The Lubbock Area Federation is comprised of 23 clubs; of which there are 19 square dance clubs, 3 round dance clubs, and one

Lockney. The couple will repeat nuptial vows December 22 in the Foyer of Meditation in Armstrong-Browning Library on Baylor University campus.

Miss Robinson received her BA degree from Baylor where she served as Student Body secretary, was listed in Who's Who and was a member of Kappa Theta. She currently is doing post graduate work at Baylor. Hillman, a graduate of Plainview High School, is a senior accounting major at Baylor. He is a member of Circle K Student Congress and Beta Alpha Psi.

Dr. Bledsoe Bride-Elect Are Honored

Dr. Bill Bledsoe and his bride-elect, Miss Mary Gauthier, both of Dallas, were honored with a recent brunch in Brennans One Main Place in Dallas. Hosts and hostesses for the pre-bridal courtesy were Mr. and Mrs. W. M. Staniforth Jr., of the South Plains community, and their children, Mr. and Mrs. W. M. Staniforth III of Austin and Mr. and Mrs. Wayne Brinkley of Dallas.

Guests other than the honorees were their respective parents, Mr. and Mrs. Edward Gauthier of Dallas and Mr. and Mrs. Roy Bledsoe of Brownfield, fourteen club. There is also an exhibition group called the Yellow Rockers.

About 300 dancers are expected to take part in this function, including the Whirlers Club of Floydada.

All spectators are welcome to attend at no charge.

LOOK WHO'S NEW

Lisa Bradley, 4 1/2 year-old-daughter of Mr. and Mrs. Van Bradley of Aiken, announces the birth of a baby brother, who was born Monday night, Jimmie Dale weighed 8 lbs. 6 oz. at birth in Central Plains Hospital.

The baby is the grandson of Mr. and Mrs. Marten Bradley of Lockney, and the great-grandson of Mr. and Mrs. W. L. Bradley, also of Lockney. Mrs. Ruth Royal of Weatherford, Okla., is also a paternal grandmother.

Mr. and Mrs. John P. Mason of Dallas, formerly of Lockney, are maternal grandparents. Great grandmothers are Mrs. H. B. Mason of Abilene and Mrs. Tom Perkins of Plainview.

FLOYDADA
Mrs. R. J. Weems has returned home after a three weeks' visit in East Texas where she visited a daughter, Mr. and Mrs. Oliver Holmes and family at Richardson, to Willsboro to visit a sister, Mrs. Jewel Whitworth and other relatives, and at Quitman with old time friends, Mr. and Mrs. John Phillips. The Phillips' are former residents of Floydada.

mer South Plains community resident. Also Mr. and Mrs. Sam Garrett of Arlington; Dr. Jim Hyde of Arlington and Miss Judy Greene of Dallas.

Miss Gauthier and Dr. Bledsoe will be married November 10 in Saint Bernard Church in Dallas.

Ted Bell President Of Floyd Museum

Ted Bell was elected president of the Floyd County Historical Museum by the board of directors at the October 29 meeting. Other new officers include Kenneth Brosch of Lockney, vice president; Mrs. Melvin Henry, secretary; Mrs. Ed Wester, treasurer.

These new officers replace the original slate that helped organize and charter the museum. They are Robert Lee Smith, president; Ted Bell (and later Gerald Lackey) vice president; Mrs. Don Marble, secretary; and Mrs. W. R. Daniel, treasurer. On the nominating committee were Jim Word, Mrs. Q. D. Williams and Dee Copeland.

Jim Word reported at the meeting that he had contacted representatives of the State Highway Department to request a highway sign directing travelers to downtown Floydada and the museum.

Mrs. Joe Taylor of Lockney welcomed museum visitors, who were representing Federated Study Clubs in Floyd County, two from Lockney and three from Floydada. Mrs. Taylor outlined the need for a museum auxiliary to assist in carrying out plans of the board.

Mrs. Taylor told the group they would have no worry about raising money to pay utilities. "The board has enough for that type of problems", she said. Mrs. Taylor continued, "What we need are volunteer typists, who can type story cards or letter titles for displays; volunteers who can record stories from interviews; workers who can identify and label old pictures; and volunteer hosts and hostesses who can come for a few hours to help with school groups when they tour the Museum, and also to fill in for the regular hostess when she is out of the museum."

Mrs. Q. D. Williams displayed a series of charts featuring the over-all plan for the museum and how volunteer help could be utilized.

Mrs. Vane Campbell, a 1929 Study Club representative, was appointed chairman of the Museum Auxiliary committee. This committee will meet at the museum November 12 for organization and assignment to various clubs over the county. Men, women and students are urged to volunteer their time to the committee for the continued development of the County Museum.

Mrs. Taylor concluded "People need not belong to a club to help in the volunteer work, rather, they merely need to be interviewed and willing to be involved."

Susan Cozby Candidate For H-C Queen

Susan Cozby, a freshman at South Plains College, and daughter of Mr. and Mrs. L. B. Cozby of Floydada, is among candidates for vying for the title of Homecoming Queen at SPC.

Miss Cozby is one of twenty-three candidates, each nominated by a campus organization. The winner will be chosen in a student election Wednesday and Thursday, November 7-8, and will be crowned during halftime ceremonies of the SPC homecoming basketball game Saturday, November 10.

FLOYD DATA

Mrs. Conner Oden was able to transfer to the Lubbock Medical Center Hospital from Methodist last Thursday where she will continue her recuperation from a broken hip and surgery a month ago. Mrs. Oden has hopes of returning to her Floydada home in some three more weeks.

Children Entertainment Observance Of

Saturday, October 27, Mr. and Mrs. Charles Reid, Mr. and Mrs. Ted Bell, Mr. and Mrs. Gary Carthel and Mr. and Mrs. Mack Hickerson entertained their children and friends with a "night of horror" in observance of Halloween.

A van met the group at Junior High School and transported them to the fantastic haunted house. Witches, ghosts, and monsters awaited their arrival and the eerie happenings were enjoyed by all. From there the group was transported to the Harmony Community Center for games and refreshments. Assisting during the night with the haunted house and games were Mr. and Mrs. Raymond Jones, Mr. and Mrs. Mike Coanougher, Mr. and Mrs. Everett Miller, Mr. and Mrs. H. G. Watts and Mrs. Chuck Holmes.

A costume contest was held and the following winners were named: Shannon

Floydada Care Center Happenings

By Faye Walters
Well, our fair is over for this year, and if you didn't come out, you really missed something good. I think every resident, family member or friend who attended had a nice time.
Did you know that our nursing home has a bathing beauty? Lydia Warren won first place in our Gay 90's dress review, and did she ever look sharp in an 1890 swim suit loaned to us from the museum.

Mom Buchanan won first place in the wheelchair parade. Roy Handley and Lela Clark tied in the talent show. Mr. Handley sang a song, and Lela played a piano solo. Both did a wonderful job, too. Judges were Frances Rose, Edna Cockran and Beverly Kincaid. We all want to thank them.

We had some very special entertainment from some young men playing guitars. Larry Westbrook, Jay Waller, Andy Langley and Jeff Rainey. They have only been playing together a short time. We hope they will come back and play for us again.

Then Mollie Stringer, her daughters and Mr. and Mrs. Bill Gilbreath sang several songs. They are no strangers at the home as they have sung many, many times for our residents and are always welcome here.

We have so many to thank for making our fair a big success, and we want you to know we really appreciate your help.

Also we had some donations in the form of money and Harry Morckel donated a beautiful candle for us to auction off. It sold for \$5.00. Many bought some of our crafts and this makes our residents so happy and proud.

We made \$197.75, a large part of this coming from our King and Queen contest.

Henry Love is our new king, and his wife, Ellen Love is the new 1974 queen. Runners-up were L. A. Sargent for king and Lydia Warren for queen. Second runners-up were Ray Reed for king and Minnie Wood for queen. Lillie Luttrell, our 1973 queen, crowned both the king and queen as C. A. Breeding had retired before the winners were announced. He was our 1973 king.
Now we are able to buy our residents a new record player and lots of records and every time they play it they will thank you for your help in obtaining it for their pleasure.

SOME Floydada people were a little disappointed that the Washington Redskins-New Orleans Saints football game wasn't on television in our area Sunday and one couple in particular was "more than disappointed" when it wasn't televised. Not so much for the game, but the halftime activities put on by Lamar College 275 piece Cardinal Marching Band of Beaumont. Verlyn Ratzlaff, son of Mr. and Mrs. Art Ratzlaff of Floydada, is a member of the Cardinal Band, which presented a seven and a half minute pre-game show and a 12 minute half-time show in Tulane Stadium at New Orleans.

FLOYD County should have had a foliage tour this year. Never have the leaves looked more golden as they hang fragily from the trees. The beauty of the leaves end however when one has to spend an evening or two raking the lawn.

THE Tax Foundation, Inc., informs us that Americans need 23 minutes of their eight hour workday to meet their medical care expenses; 50 minutes for food and beverages; one hour for housing and household operations, and 18 minutes for recreation.

REMEMBER the years of seamed hose in the '40's? They are making a comeback, this time in bright colored opaque pantyhose to be worn with the latest of pumps, also a look of the past. Fashion designers say

this "old look" is solely for the more daring.

THE following is a letter, writer unknown, dated in 1954 concerning the cattle business. Things indeed have changed in the past 20 years:

"Dear Sir: After reading this letter, you can see what my banker thinks about my cattle business.

"Livestock are animals that are bred and raised in the western states to keep the producers broke and the buyers crazy.

"Livestock are born in the spring, mortgaged in the summer, pastured in the fall and given away in the winter. They vary in size, color and weight, and the man who can guess the nearest the weight and market grade, is called a livestock buyer by the public, a robber by the rancher and a poor businessman by his banker.

"The price of livestock is determined in Chicago and goes up after you have sold, and down after you have bought.

"When you have light cattle the buyers want heavy ones; when you feed heifers you find they want steers, or vice versa. When they're thin they should be fat; and when your steers are fat, the buyer tells you the market on tallow is shot; you've got them too fat.

"A buyer for a Montana packer was sent to Chicago to watch the livestock market. After a few days deliberation he wired his firm: "Some say the market will go up, some say it will go down. I say the same. Whatever you do will be wrong. Act at once!"

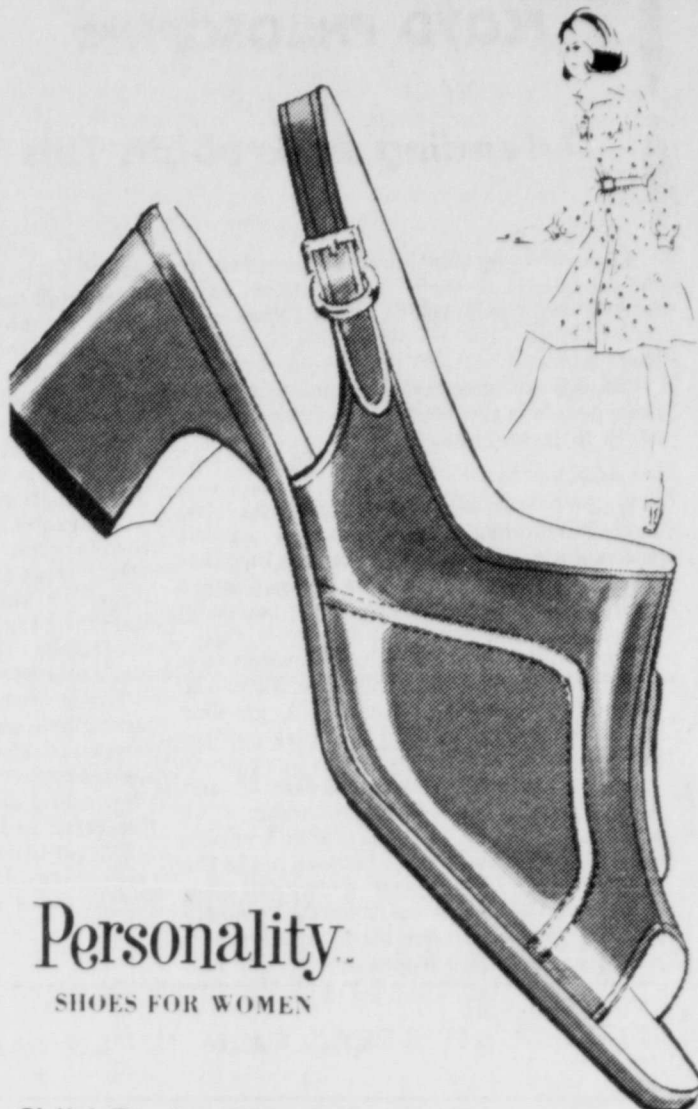

MOTHER: "Son, don't use such bad words."

Son: "Shakespeare used them."

Mother: "Well, don't play with him anymore."

Junior Study
Thursday evening,
in the home of
Mrs. Mathis. The
called to order
president, Mrs.
Mathis, followed
each giving each
personal tips on

various topics. The theme for the meeting was "Color My World with Insight". A three member panel presented a program on self-improvement. Jeannean Hise talked on improving the spiritual self, emphasizing we should know ourselves, to know our abilities and our limitations and accept them. Above all, to keep in contact with our Lord. Sally Carthel's subject was "enjoying our social self." Sally pointed out the importance here was getting involved

...becoming part of an active group. Many good points were made on gaining self confidence, trusting yourself, thinking positive, cultivating friendships with "Happy People" and finally making the statement, "You are what you think" and "You are what you eat". Sheila Poole talked on coping with our problems. There are definitely times when professional help is required and should be obtained, but there are also times when we can avoid many of our problems by avoiding anxieties, setting a set of values to live by, and in general "don't let it get you down". Sheila then gave a stereotype test to all present which made many really stop and think (and question). The overall lesson gained from the night was — be yourself.

A business meeting was then conducted including plans for the annual Christmas party, collecting coupons for UNICEF, and it was agreed that the club would present children's books to the Lockney General Hospital for the waiting room. It was also agreed upon to participate in the bake sale for the Satellite School on November 17. Groups were organized for the Super Silly Skits to be part of the next meeting. Some changes were discussed and voted upon concerning revision of the club's constitution.

Refreshments consisting of various snacks and drinks were served by Mrs. Mathis and co-hostess, Mrs. Roy Turley. Members present were Mmes. Jerry Williams,

Jerry Cannon, Doug Bowles, Joe Frank Henson, Bill Matthews, Eugene Owens, Roland Watson, James Poole, Louis Fry, Ted Carthel, Lloyd Widener, Bobby Hise, Raymond Lusk, Paul Hrbacek, Warren Mathis, and Roy Turley.

The next meeting will be November 15, in the home of Mrs. Bobby Hise with the theme "Color My World With Laughter".

LOCKNEY WOMAN ELECTED TO TSTA COMMITTEE

Mrs. Merle Brotherton was elected to the executive committee of the area Texas State Teachers Association, which met Thursday, Friday and Saturday in Lubbock. She will take office June 1, 1974, on the policy making committee.

Mrs. Lillie Cooper, local TSTA president, and Mrs. Beth Calvert were voting delegates to the House of Delegates business meeting Thursday night at Coronado High School in Lubbock.

Tourists' Views On Food Prices

American tourists who traveled abroad this summer came home with a new appreciation for U.S. food prices.

One tourist just back from a visit to Sweden reports his tab for five hamburgers, some French fries, and a soft drink added up to a whopping \$27 in American money.

Another businessman who went to London said a dish of strawberries and a cup of coffee cost him \$5.

WARNING! Before having your CARPETING CLEANED on the premises know this:

So-called "steam" cleaning methods can be injurious to your fine carpeting. If steam (212°F) were used it would be just hot water, sometimes with added detergent. And water left in carpeting is often harmful—causing mildew, shrinkage and browning injuring carpet fibers, backing, under pad and flooring. Tests show up to 6 gallons of liquid left in a 9' x 12' area. That's a whale of a lot of liquid! Such soggy carpeting can take as much as 9 hours for even the surface to dry! And that still leaves the backing, under pad and floor damp! So, you would be well advised to play it safe by using the method recommended by leading carpet manufacturers—

THE VON SCHRADER SHAMPOO METHOD
In serving you we use the Von Schrader Carpet Deterger proven by almost 40 years of experience. It deposits dry foam (not liquid), brushes it deep into the pile and vacuums the soiled foam back into the machine. The dirt, engulfed in foam, is removed simultaneously before it can sink back down into the carpet. Result: your carpeting is cleaned thoroughly, not superficially. Since only foam is used, carpeting is ready for use in about an hour. Shrinkage, mildew and browning (often resulting from "steam" or other hot water extraction methods) are eliminated. Von Schrader is the only single unit that both shampoos and vacuums in just one pass. It's patented.
So—for a safe method with beautiful results—you'll be wise to call us for further information and free estimate.

FLOYD PHILOSOPHER

Defending Jackrabbits This Week

Editor's note: The Floyd Philosopher on his Johnson grass farm comes out this week in defense of jackrabbits, of all things.

Dear editor:

I have been concerned about the bad image some people in this country have been giving lately to jackrabbits.

And I don't understand why the environmentalists haven't leaped to the jackrabbit's defense, for you can be sure that when a species or a man loses his good image each is endangered, as too many people in Washington can now testify.

Here's the situation: I have noticed that some television commercials are using the jackrabbit as a bad example. A gasoline company for instance says if you take off too fast in your car when a stop-light turns green you're making a "jackrabbit start" and wasting gas. It shows a live jackrabbit in the act racing a turtle, with the rabbit running out of fuel and holed up exhausted while the turtle wins and has enough money left over to feed its family. A razor blade company says its competitor got off to a jackrabbit start in putting two blades on one side of a

razor, while it took its time like any turtle would and came up with two blades on both sides, thereby winning the race.

Since neither jackrabbits nor turtles drive cars or shave, this evidence probably would be thrown out of any court, if the judge gave a definitive decision, which is beside the point. What I'm saying is that these commercials are holding jackrabbits up to public contempt and it's unfair.

Jackrabbit starts, while they no doubt are bad in cars, are life-savers with rabbits. Who's to say turtles wouldn't stay out of soup longer if they could manage jackrabbit starts? Or that jackrabbits' lives wouldn't be shortened if they could make only turtle-starts?

Those commercials ought to leave jackrabbits out and refer simply to quick starts and slow starts. To do otherwise is species-ism which, like racism, has no place in the world if all living things are to dwell on this earth in harmony.

I've got to add though that I do not include rattlesnakes and brown spiders in this list. They'll put a man in the hospital.

Yours faithfully, J. A.

SOUTH PLAINS, Oct. 28-Nov. 3 — Most of the maize cutting is finished in our community, and the early cotton has begun to come in. Since we have not had a killing frost yet, planes were spraying cotton fields in this area last week. This Monday morning the temperature stands at 39 degrees, and a cool wind is blowing.

A good attendance was on hand for Sunday morning services at the Baptist Church, and no one was late, as the clocks were set back an hour Sunday, for the ending of Daylight Saving Time. Visitors at the morning church hour were Mr. and Mrs. Roy Burks of Rockwall, Texas, who formerly lived here. Mrs. Sue Kirksey, a newcomer to this area, Mrs. Madge West of Floydada, Dee Earle Cummings, home from Texas Tech over the weekend, and Jerry, Lisa and Carmen Powell of Amarillo, grandchildren of Mr. and Mrs. Grigsby Milton.

Bud Sessums of Big Lake came Tuesday to visit with his niece and nephew, Mr. and Mrs. Sylvain Kinnibrugh. He started home Wednesday,

but was taken ill as he neared Matador. An ambulance brought him to Caprock Hospital in Floydada, where his condition remains very serious, due to a heart attack. The Kinnibrughs remain at his bedside, and his daughter from San Francisco, Calif. arrived Sunday to be with her father.

Rev. and Mrs. Mike Oden went to Plainview Friday to visit her parents, Mr. and Mrs. Paul Sparkman, and on to Lubbock to spend the night with his parents, Mr. and Mrs. T. B. Oden. All attended the Texas Tech-SMU game Saturday afternoon.

Mr. and Mrs. Arby Mulder, Mrs. L.T. Wood and Mrs. Murray Julian from the South Plains Church went to Plains Baptist Encampment Sunday afternoon to attend the dedication of the Plains Dining Hall. Mrs. Wood assisted in serving. The new dining hall is very beautiful. Jerry, Lisa and Carmen Powell, children of the Arlis Powells of Amarillo, visited over the weekend here with their grandparents, Mr. and Mrs. Grigsby Milton and Darla. Mrs. Powell came for the children Sunday afternoon.

Mr. and Mrs. Fred Fortenberry are staying for the present at 413 SW 7th Street in Lockney, while their new home is being made ready to move to Lockney, to the south end of 7th Street.

Mrs. Bill Harper of McAllen, Mrs. Bruce Rich of Albuquerque and Mrs. Frank Jackson were visitors here Wednesday in the homes of Mr. and Mrs. Murray Julian and Mr. and Mrs. Kendis Julian. Mrs. Harper is recuperating from hand surgery, and is doing fine.

Mrs. Don Marble's father, R. L. Holland of Lockney, went in to the Central Plains Hospital in Plainview last Monday and underwent major surgery Tuesday. Mrs. Marble stayed at the hospital last week with him and other members of the family. Today, Monday, they brought Holland to his home and he is getting along fine at this time.

Mrs. J. P. Taylor, Mrs. Grigsby Milton Jr. and Mrs. Mike Oden went to Plainview Tuesday for "Women for Wayland Day". They attended a coffee then toured the Wayland campus, had lunch at Haral Memorial Hall, then heard a talk by Dr. Roy McClung.

Dr. Fred E. Howard of Plainview will be the speaker at Sunday night services Nov. 4, in the absence of Rev. Mike Oden. Rev. Oden and wife will accompany her parents to Oklahoma City, Okla. where Mrs. Oden's mother, Mrs. Paul Sparkman will undergo eye surgery Tuesday. They plan to be home about Thursday.

L. T. Wood's cousins, Mr. and Mrs. Maurice Faust of Farmington, arrived Sunday afternoon to spend the night with Mr. and Mrs. Wood, and today, Monday, they left for Denver, Colo., on another part of their trip.

Mr. and Mrs. Early Pritchett went to Lubbock

Sunday afternoon to take her sister and her nephew to catch the plane for their home in Medford, Ore. Mrs. Herbert Y'Blood and her son, Bruce had been here for two weeks visiting the Pritchetts, and Mr. and Mrs. R. O. Turner in Floydada.

Miss Lora Mitchell and Rogene Bethel were united in marriage in Plainview at the Church of Christ October 27, and they will make their home in South Plains. We offer our congratulations and best wishes to the young couple.

Rev. and Mrs. Mike Oden were hosts Sunday afternoon for open house at the parsonage. Punch, coffee, cookies and mints were served and everyone enjoyed a time of visiting and touring the newly decorated parsonage.

Members of the South Plains Baptist WMU were invited to the Silverton First Baptist Church Oct. 30, for a salad supper, and the mission book, "Passport to People". Mrs. L. T. Wood, Mrs. Murray Julian and possibly others hope to attend.

Mr. and Mrs. Roy Burks of Rockwall came Friday afternoon to spend the night with Mr. and Mrs. Murray Julian, and were guests over the weekend with Mr. and Mrs. J. K. West in Floydada, and Mr. and Mrs. Early Pritchett of South Plains. They also visited other old friends while here.

Mrs. Tillman Powell is acting as worker and representative for the Muscular Dystrophy Drive in this area. She has traveled many miles doing all she can, working for the cause of this dreaded disease.

Controls Off Fertilizer

(By Congressman Bob Price) The Cost of Living Council finally acted (Oct. 25) to exempt from Phase IV controls the sale of fertilizer and nutrients used in fertilizer production. This supply of fertilizer and offset the existing shortage. Also, the Council exempted the urea, phosphates and potash used in the manufacture of animal feeds.

Exemption of controls on fertilizers is an action urged in a letter to the Council's director, Dr. John Dunlop, during the early part of September, and Subcommittee hearings later that same month. I had hoped that action could have taken place earlier. Nevertheless, the Council's action is important. Our agricultural producers cannot be expected to meet increasing demands for food, and thereby help to stabilize food prices, without a sufficient supply of fertilizer.

In lifting the fertilizer controls, the Council also formed a group of industry representatives and an inter-agency government panel, both of which will seek additional methods of stimulating fertilizer supplies available to our domestic producers.

Dr. Dunlop says these panels will play an important role due to the 3-year

Green Bolls In Rick

Efforts to handle defoliated cotton by ricking can get producers into trouble, says an agricultural engineer in Lubbock.

Roy Childers, Lubbock-based specialist with the Texas Agricultural Extension Service, says that because of a bumper crop cotton season, more defoliated cotton is being harvested. Farmers, in an effort to handle the increased volume on schedule, are ricking this defoliated cotton.

"This haste could make waste," he says. "Defoliated cotton sometimes has green trash material and green bolls. These are not as prevalent in frost-killed cotton. Green leaf trash and green bolls are estimated to contain 70 percent or higher moisture," he adds. "If this material is placed in the rick, it can cause the cotton to heat and thus deteriorate in quality."

Some producers also have toyed with the idea of shutting off the green boll separator in their harvesters and placing all the green bolls in the rick.

"This could be disastrous," he explains. "The engineer explains that in cotton which is 90 percent open, a 2,300-pound bale would comprise 2,070 pounds of burr cotton. With an average of six percent moisture, the 90 percent open cotton would yield 125 pounds of water.

The other 10 percent would be green bolls. At 70 percent moisture, it would take 766 pounds of green

Mr. and Mrs. Fred Seal of Dallas spent the weekend in Floydada with her parents, Mr. and Mrs. Jack Stanseil. They also visited in Plain-

GEORGE C. SCOTT, as a doctor, becomes romantically involved with Dianna Rigg, as the daughter of a patient, in "The Hospital," showing Sunday at the Seale Drive-In. Picture is released by United Artists, an entertainment service of Transamerica Corporation.

DEBBIE REYNOLDS is the voice of Charlotte the spider in Paramount Pictures' "Charlotte's Web," the animated musical film based on E. B. White's contemporary classic. The Hanna-Barbera and Sagittarius Production, with nine new songs by Academy Award winners Richard M. and Robert B. Sherman, also stars the voices of Paul Lynde, Henry Gibson and Agnes Moorehead. Showing Friday and Saturday at the Palace Theatre.

ROCK HUDSON holds a large amount of money he has just won by betting on the shooting ability of Dean Martin, while Susan Clark, Hudson's wife in the film, looks at the target in Universal's exciting outdoor drama, "Showdown," photographed in Technicolor and Todd AO-35. George Seaton produced and directed from a screenplay by Theodore Taylor and an original story by Hank Fine. Showing Friday and Saturday at the Capada Drive-In.

LEGAL NOTICES

APPENDIX A
Statement of Nondiscrimination

"Lighthouse Electric Cooperative has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."
