Pioneer Reunion Saturday Parade At 2:30 p.m.

Committees for a successful Floyd County Pioneer Reunion met in Lighthouse Electric Cooperative Community room Monday night and put the finishing touches on Saturday's big day.

It is hoped that over 600 old settlers will register at the reunion Saturday. Old Settlers are persons who have lived in the county 25 years or more.

The 1974 Floyd County Pioneer Reunion begins Saturday at 9 a.m. with registration on the court house square in Floydada. Jonelle Fawver is in charge of registration.

Business Meeting Memorial Service

A business meeting is scheduled at 10 a.m. with a memorial service to follow at 10:30 and an address by guest speaker Mrs. S. W. Ross of Floydada at 11 a.m. She will be speaking on courthouse history.

Guy Sams will preside over the business meeting. Robert Lee Smith is in charge of the memorial service. Hubert Frizzell is in charge of the memorial service.

Barbecue

A barbecue dinner will be at 12 noon, with complimentary tickets given to pioneers who have been here 50 years or longer. The dinner tickets for the old timers are furnished by Consumers Fuel Associations of Floydada and Lockney and the cooperative gins, elevators of both Floyd County cities, Farm Bureau, and Lighthouse Electric. Tickets are available to the public at \$2.25 each.

All Pioneer Reunion events will be held on the square as usual unless it rains, in which case they will be moved indoors to the Massie Activity Center.

The barbecue is also free to old settlers who have lived in any of the counties adjoining Floyd the past 50 years.

Election Law Provides For Filing Extension When Candidate Dies

There appears to be some misunderstanding concerning the reopening and extension of the time for filing for the office of County Commissioner of Precinct No. 4 upon the death of Bill McNeill on March 12, 1974; some people at least have the mistaken impression that the reopening and extension was the arbitrary action of the County Democratic Chairman, the County Judge, or the Commissioners' Court.

The facts of the matter are that Art. 13.12 of the Texas Election Code, after providing that the first Monday in February (February 4, 1974) shall in general be the deadline for filing for all offices, further provides that if any candidate who has duly filed for a particular office dies between the 5th day preceding the first Monday in February and the 30th day preceding the first primary (May 4, 1974), the time for filing for that office shall be reopened and extended for 15 days from the date of death of the deceased candidate, in this instance to March 27, 1974. Art. 13.12 further provides that the County Chairman shall give notice of the reopening and extension of time for filing, and shall be subject to removal from office if he fails to do so.

In brief, upon the death of any candidate for an office within the time specified, the election law, and not the action of any official, automatically reopens and extends the time for filing for that office; the obvious purpose of the law is to prevent, so far as reasonably possible, the voters from being deprived of a choice, or from having their choice restricted, by the death of a candidate.

Perry's Remodeled Store In Floydada

Everyone is invited to see the newly remodeled Perry's store in Floydada. The store will feature a big remodeling sale which begins today to celebrate the completion of the work.

A new fabric department has been added — and all sewing notion lines have been expanded. Perry managers who worked on the job include Don West, Duane Seay, Leo Pharris and Dale Lawrence. Trainees helping were Ennis Kelly and George Sweat.

Perry's manager David Hardin invites everyone in for the big sale and to see the improved displays.

Joe Reeves will lead the gospel singing scheduled for 11:30 a.m.

Parade

Big event of the day, the parade, through downtown Floydada, will start at 2:30, led by Mr. and Mrs. G. C. Applewhite. All entries in the parade should register at Duncan Abstract Office, any time before the parade begins. The parade gathers at Piggly Wiggly.

The parade committee includes G. L. Fawver, Olin Lyles, Sid Waller and Otis Anderson. When the parade leaves Piggly Wiggly, it will go one block north, then turn west down the south side of the square, go two blocks west, then a block north, then two blocks east down the north side of the square, turn back south and end at Piggly Wiggly.

Parade winners will be announced from the south side of the square immediately after the parade.

Man and Woman of the Year

An exciting feature of this year's celebration will be the surprise presentation of a "Pioneer Man and Woman of the Year." Hubert Frizzell will make this announcement around 10:30 Saturday morning.

Wild Flower Show

Everyone is invited to bring wild flowers to the wild flower show in the museum from 9 to 10:30 a.m. The judging will take place from 11 to 12. Jettie Moss will be in charge of the show.

Style Show

Judy Dunlap is directing the style show which begins at 3:30 p.m. It will be held on the south side of the square. Judy says there will be dresses modeled for each decade. If there is rain, the style show will be moved to the nearby agriculture building.

Old Timers Dance

The "Old Timers" dance, to be held in the Massie Activity Center, 512 West Georgia, begins at 6 p.m. Dance admission is \$3 per man, ladies admitted free.

Music for the reunion dance will be played by the Bill King band from Shamrock.

WHIRLERS DANCE

The Floydada Whirlers will be dancing on the courthouse square from 1 to 2 p.m. Saturday before the parade. An "Ole Settler" will be doing the calling. Glenn Amburn from Tulla. This will be good entertainment.

Saturday night Whirlers dance time will be at 8 p.m. in Duncan Elementary Cafeteria. Jon Johnson from Iowa Park will be calling. Jon is a young caller and is well known in this area. Spectators will be admitted free.

TALENT HOOTENANNY

Everyone is invited to enter the "Talent hootenanny Saturday night at 8 o'clock on the south side of the square. There will be a \$25 first prize for the winner.

Anyone interested should call The Hesperian (983-3737) by noon Saturday.

Dougherty Votes Not To Consolidate With Floydada

By the small margin of two votes the people of the Dougherty school district voted not to consolidate with the Floydada school system in a fairly good voter turnout last Saturday.

The vote was 36 against consolidation, 34 for.

It was a different picture in the Floydada voting box, where 86 voted to receive Dougherty into the school district and two voted against the measure.

According to consolidation election law, another consolidation vote cannot be brought before the people for another year.

Cotton Shower At South Plains

A cool front passing across Floyd County Monday night left scattered showers over the north and northeast portion of the county.

The area around South Plains reported a good "cotton shower" of around a half inch.

LEMONDROP SALOON OPENING SOON — south side of the square but for one day only. Old Settlers, Saturday, May 25. Get your refreshments at the Lemondrop. Pictured are two of the barmaids, Phyllis Harris and Lori Farris. [Staff Photo]

FHS Graduation Friday Night

With the theme "Success Is" the 1974 Floydada High School graduating class ceremonies begin at 8 p.m. Friday night in the high school auditorium.

Linda Norman will play the processional, invocation will be given by Ellen DeLeon. Class Salutatorian Nancy Puckett will speak on the subject, "Success Is Finding One's Place."

Then there will be a marimba solo by Penny Bertrand. The state champion in poetry reading Margwyne Giles will read "If" by Rudyard Kipling.

A piano solo by Connie Anderson will follow.

Another outstanding senior, John Willson will then give a prose reading. This reading will be followed by a vocal solo featuring Marc Smitherman, president of the FHS student Council. He will sing "My Way".

Honor boy and president of the senior class Lonnie Robinson will then speak on "Success Is Service."

The next entertainment is a band ensemble composed of Darla Milton, Connie Anderson, Debbie Armstrong, Paula Bryant, Aracelia Cervantes, Phyllis Guffee, Ester Luna, Roby Lutrick, Debbie Medley and Nan McCulley. They will play, "Raindrops Keep Falling On My Head."

At this point in the program class Valedictorian Carol Cogdell will speak on the subject "Success Is Each One's

Floydada school district superintendent A. E. Baker and FHS principal Charles Tyer will present the diplomas. Benediction will be given by John Cagle, the class will sing the school song and Linda Norman will play the recessional.

American Heart Assn. Observes Memorial Day

"In accordance with the established custom of year-round memorial giving to the American Heart Association, the public is being encouraged to consider memorial gifts at this special time of year as a particularly appropriate means of observing Memorial Day", according to Edell Moore, president of the Floydada American Heart Association.

"On Memorial Day, we honor those who have died defending our freedom," Moore said. "They have died for a noble cause and we should never forget their sacrifice. But what of those millions who have died needlessly of heart attack, stroke and related heart diseases? We should also remember them with a gift of love that helps in our day-to-day fight against our nation's Number 1 Killer, heart disease."

"Group memorials can be made by groups such as office personnel, unions, clubs and organizations, scrolls inscribed with the names of all donors participating in group gifts are sent to the next of kin."

Memorial Gifts to the Heart Association may be sent to O. M. Watson Jr., Courthouse, Floydada, or any Heart Assn. official.

FREE BICYCLE GIVEN by Johnny Collins of Collins Implement Company to help get more bicycle riders in the cancer Bike-A-Thon Saturday. The Bike-A-Thon begins at 8:30 Saturday at Ross and Texas Avenue in Floydada. There will be five prizes: most miles, most money, most sponsors, oldest, youngest. . . and the grand prize of the bicycle will be given away June 1 at 10 a.m. in Collins Implement Co. And, there'll be a three wheeler race at noon Saturday with a prize for first place. (Staff Photo by Brad)

Funeral Scheduled Today For P.D. Helms

Funeral rites are scheduled this afternoon (Thursday) at 2:30 in the First Baptist Church for P. D. Helms, 73 year old retired farmer, who died Monday night in Lubbock Methodist Hospital following an apparent heart attack. Helms had been in failing health and became ill Friday. He was admitted to Methodist Hospital Friday night where he succumbed about 8:30 p.m. May 20.

A native of Arkadelphia, Ark., Helms was born October 7, 1900. He and the former Rosie Pollard were married there November 28, 1920 and moved to Floyd County from Arkansas in 1938. He was a member of the First Baptist Church and Men's Adult Sunday School class.

Survivors include his wife; two sons, Adrian of Floydada and J. D. of Oklahoma City; two daughters, Alice Helms of the home and Mrs. Tom (Pat) Pennington of McAllen; four sisters, Miss Willie Helms, Mrs. Dossie Latch and Mrs. Bobbie Loutrigg, all of Arkadelphia and Mrs. Geraldine Young of Florida; two brothers, Hubert Helms of Little Rock, Ark., and Doyle Helms of Arkadelphia; 11 grandchildren and three great grandchildren.

Dr. Floyd C. Bradley, pastor of the church, will conduct rites. Interment will follow in the Floyd County Memorial Park under the direction of Moore-Rose Funeral Home. Grandsons will be pallbearers.

LA VADA GARRETT

LaVada Garrett President Neighborhood Center Board

The Neighborhood Center board of directors held a meeting last week. New officers were elected. Elected were La Vada Garrett president, Frank Morales vice president, Mary Garza secretary.

Other board members are O.M. Watson, Betty Holmes, John Campbell, Patricia Davis, Florence Reyes, Mrs. Sunny McDonald, Sally Galloway, and Mayor Parnell Powell.

The board voted to improve the parks and recreation in this area. Another item of business discussed was the summer youth program planned for the Della Plains area. The program will be for children ages 4 to 12. The Center Director Kathy Green asked if anyone had material the children could use for arts and crafts to please call 983-3134.

Mrs. E. F. Stovall

Mrs. Stovall Will Be 92 Tomorrow

Mrs. E. F. Stovall, longtime resident of Floydada, will observe her 92nd birthday Friday (tomorrow) in her residence, 519 W. Missouri. Mrs. Stovall is in failing health, therefore no formal celebration is planned, but friends may call if they wish.

The former school teacher was born in Hill County, Texas May 24, 1882, and was married to E. F. Stovall in 1902. The couple moved to Floyd County with their children in 1920. Mrs.

Stovall's husband farmed before his death in 1937.

Her interest in life has always been her children, then the grandchildren and great grandchildren. She is always one to remember them on special days.

Mrs. Stovall joined the 1922 Study Club in 1927 and remained a member until the club disbanded a few years back. She has held various offices in the club including president and one District office. She has been a Baptist since childhood and was a Sunday School teacher and a faithful member of First Baptist Church as long as health permitted her to attend.

Mrs. Stovall has a son, Richard Stovall who resides in Plainview, five daughters, Mrs. Aileen Williams, Roswell, New Mexico; Mrs. Polly Gilbert at Lockney, Mrs. Jan Sullivan of Wichita Falls, Mrs. Virginia Teutsch, Dumas and Mrs. Dorothy Dell Shoemaker, Abilene. She also has 16 grandchildren and several great grandchildren.

Nancy Carol Davis and Mr. and Mrs. Joe Mack Jarnagin

Nancy Carol Davis and Joe Mack Jarnagin were married Saturday, May 11, in the home of Mr. and Mrs. Frank Barrow. Dewayne Grimes, minister of the First Christian Church, performed the twin ring ceremony at 7 o'clock p.m.

The bride is the daughter of Mr. and Mrs. Melvin E. Davis and the groom is the son of Mr. and Mrs. Glenn Jarnagin. Both families reside in Floydada.

Recorded selections during the ceremony included "The Hawaiian Wedding Song" and "More".

For her wedding the bride wore a floor length dress of blue crepe, fashioned prin-

Shower Honors Miss Mooney

A bridal shower honoring Miss Deborah Mooney, bride-elect of Dave Goodrich, Stamford, formerly of Lubbock, was held Saturday, May 18, 1974 in the home of Mrs. Charles Huffman. The wedding of Deborah and Dave will be the afternoon of June 1, 1974 in the First United Methodist Church, Lockney.

Guests were met by Mrs. Charles Huffman and presented to Miss Mooney, and in turn to Mrs. C. H. Goodrich, mother of the groom-to-be.

Mrs. F. G. Jones presided at the bride's book by registering guests.

Mrs. Bill Ed Whitfill presided in the gift room, registering and displaying the lovely gifts. The hostess gift was a set of cookware.

Nancy Dillard, Dale Baker Repeat Vows In Fort Worth

First United Methodist Church in Fort Worth was the setting Saturday evening, May 18, for the wedding vows of Nancy Dillard and Norman Dale Baker. Rev. Julian Rush, First United Methodist Church in Colorado Springs, Colo. performed the double ring ceremony before an altar of votive candles, fern and greenery.

The bride is the daughter of Mr. and Mrs. Joe A. Dillard of Weatherford. Parents of the groom are Mr. and Mrs. A. E. Baker of Floydada.

Dr. Gaston Foote, former pastor of the church, gave the Wedding Prayer. Mrs. Louise Mims was organist, playing selections, theme from "Love Story", and "Romeo and Juliet", also "There's A Place For Us", "Sunrise, Sunset" and "Amazing Grace". After the couple recited their vows, Jim Cord sang "The Lord's Prayer".

Vocalist, Tish Corley, presented "The Wedding Song" and "One Hand-One Heart", accompanied by Mrs. Mims on the harpsichord.

The bride, given in marriage by her father,

wore an empire silhouette of ivory organza over taffeta, fashioned with a Victorian collar and long fitted sleeves. The molded bodice, sleeves and skirt were richly applied in beaded re-embroidered Alencon lace. The detachable train swept to chapel length from a detail of lace at the waist.

Her veil of illusion was bordered in Alencon lace and she carried a cascade bouquet of white roses and blue baby's breath. For something old the bride wore her sister's pearl earrings and borrowed her Italian cross necklace.

Mrs. James P. Houser of San Antonio, sister of the bride, was matron of honor. Bridesmaids were Miss Judy Lorimer, Kansas City, Mo., Miss Jane Petrelli, Fort Worth, and Mrs. Thomas M. Dillard of Houston. Each wore floor length empire gowns of pastels overlaid with flocked voile, with A line skirts and jackets, styled with long fitted sleeves. They wore matching hats and carried baskets of spring flowers.

Mac Baker of Hampton, Va., served his brother as best man. Steve Walker, Abilene, Tony Thompson of Lubbock, and Thomas M. Dillard, Houston were groomsmen. Ushers were James P. Houser, San Antonio, Scott Mellina, Fort Worth, Kenneth Jorns, Fort Worth and Dick Prayor, New Orleans, La.

Following the wedding a reception was held at The Petroleum Club in Fort Worth. The bride's table was laid with a pink satin cloth with a lace overlay and held a spring flower centerpiece. Crystal and silver appointments were used in serving punch and a five tier cake decorated with sugar bells and roses, topped with fresh flowers. The register table was covered with a matching cloth and centerpiece with a portrait of the bride.

After a trip to Puerto Vallarta, Mexico the couple will reside in Lubbock where the groom is employed at Anderson Bingham. He is a Floydada graduate and attended Texas Tech.

The bride will be a candidate for graduation in December, 1974 from Texas Tech University where she is a member of Chi Omega sorority, Texas Tech Rodeo Club, American Home Economics Association and student union association.

Announcement

President Mrs. John Dunlap announced a district workshop also informed members of a local workshop to be held in Floydada June 27. Mrs. Louis Fry of Lockney, State Junior Chairman, will conduct this training session.

Mrs. Tommy Cathey was appointed to represent the 1956 Club on the Junior District Board — a newly formed organization for junior clubs of the Caprock District.

Mrs. Randy Bertrand presented a request from the Floyd County Fair Board asking the club to be responsible for decorating an unattractive wall located inside the fair building. It was suggested that a mural be painted on the wall and a committee composed of Mrs. Bill Dawson, Mrs. A. C. Pratt, and Mrs. Randy Bertrand was appointed to investigate the possibility and feasibility of this project.

The club voted to make a contribution to the Girls' softball program. The money is to be used to aid in construction of a back stop.

April was the tentative month decided on by club members to arrange a display at the Floyd County Museum. Paintings done by Mrs. A. C. Pratt will be a feature of the display.

Homemade items for auction were furnished by Mrs. Roy Kinard, Mrs. Craig Edwards and Mrs. Johnny Harris, Jr.

Announcement was made that Mrs. Roy Kinard, District Home Life Chairman had won a first place at state with her report.

The newly elected president, used cleverly decorated posters to announce standing committees, departmental chairmen and club projects for the coming year. Departmental chairmen named were Conservation, Mrs. Roy Kinard; Education, Mrs. Johnny Harris Jr.; Home Life, Mrs. Tommy Cathey; International Affairs, Mrs. A. C. Pratt; Public Affairs, Mrs. Edward Smith; Texas Heritage, Mrs. Billy Don Colston; Kidney Foundation, Mrs. Jerry Thompson.

Committees — Executive, Mrs. John Dunlap, Mrs. Kenneth Pitts, Mrs. Vernie Moore, Mrs. Gordon Hambricht; Program, Mrs. Randy Bertrand, Mrs. Frank Barrow, Mrs. Bob Hambricht, Mrs. Richie Crow; Finance, Mrs. Edward Smith, Mrs. Jakey Younger; Notification, Mrs. Tommy Farris, Mrs. Craig Edwards, Mrs. Johnny Harris, Jr., Mrs. Don Rainer; Entertainment, Mrs. Craig Edwards, Mrs. Dale West; Friendship, Mrs. Bob Hambricht; Americanism, Mrs. Bill Dawson; Projects, Mrs. Larry Smith, Mrs. Max Dyess, Mrs. Edward Smith.

Projects discussed and accepted, other than those previously mentioned, are: (1) Participate in various activities and projects to aid and cheer senior citizens of Floydada. (2) Adopt a girl at Girlstown in Whiteface and remember her with correspondence and gifts during the year.

(3) Each member will be responsible for furnishing a homemade item to be auctioned at one of the regular meetings during the club year.

(4) Donate ten dollars each month of the calendar year to the Meals on Wheels organization.

(5) Assist with parties for children who attend the Day Care Center and the Resource Room at Duncan Elementary School.

(6) Hold an appreciation tea for teachers in the Floydada schools. Tea to be held during fall of 1974.

(7) Maintain Santa Land again during Christmas season.

Officers installed for the ensuing two years are Mrs. John Dunlap, president; Mrs. Frank Barrow, first vice president; Mrs. Randy Bertrand, second vice president; Mrs. Vernie Moore, secretary; Mrs. Edward Smith, treasurer; Mrs. Pat Bourland, reporter-historian; Mrs. Billy Don Colston, parliamentarian; Mrs. Larry Smith, custodian; Mrs. Kenneth Pitts, Federation Counselor.

Final plans were made for the lemonade stand which will be open the afternoon of the Floyd County Old Settlers Reunion. The stand, sponsored by the club will be located in the old Ben Franklin building. Mrs. Craig Edwards, chairman, announced Friday, May 24, will be a workday to prepare the building and that club members are to contribute lemonade and homemade cookies for this project. Also discussed was the club sponsored float which is to be entered in the parade. Mrs. Choise Smith will serve as chairman of this project. The club also will be responsible for the style show held in connection with Old Settlers. A committee composed of Mrs. John Dunlap, Mrs. Billy Don Colston, Mrs. Pat Bourland, Mrs. Richie Crow, and Mrs. Kenneth Pitts will work on details for the event.

The club voted to sponsor a contestant in the Queen's contest at the Floyd County Fair in September.

Members were reminded of the Caprock District Board meeting to be held in Floydada October 12.

Peggy's

SINCE Old Settlers is Saturday, let's glance back to the 'Good Old Days'. I

Meddlin's

think our pioneers will enjoy reading the clipping taken from the Farmer's Almanac:

REMEMBER! REMEMBER! THE GOOD OLD DAYS!

When trains ran on time — when trains ran. When you didn't dial a phone number but gave it to "Central". When radios were crystal sets and a galena crystal brought in the station. When there were no loud speakers on super heterodyne radios and a group had to share a part of a head phone.

When only the very rich paid taxes and then only a token! When doctors mado house calls and rarely collected old bills. When irons were flat and made "No Tickle, No Shirtee". When whist and pinocle were as popular as bridge. When the circus set up on the largest vacant lot in town.

When miniature golf was in its hey day. When automobiles were run by steam and electricity. When an automobile had to be cranked. When touring cars had to carry isinglass side curtains that had to be snapped on when it rained. When roadsters had rumble seats and windshield wipers had to be operated by hand. When cars had running boards and extra spare tires and repair kits. When a long drive was 75 miles that meant a flat tire or two to be repaired. When tires had to be inflated by a hand pump. When cars in the north had to be stored on jacks during the winter months.

When each home had a coal scuttle and ice tongs. When the ice box was the refrigerator and the water pan that had to be emptied. When you went to the ice dock and carried the ice home on the car bumper—or when you had an ice man deliver the size you needed by looking at the card in your window. When central heating was only for the rich. When you carried out the ashes from the furnace and spread them over the driveway—and later picked up the half burned pieces to be reused. When the sinks were made of zinc and the exposed faucet and fitting were brass that had to be polished . . . by the children. When rugs or carpets had to be carried out to the lawn to be beaten by hand with a carpet beater.

When trolleys were transportation and were open on the side. When electric buses came along and operated on trolley wires.

When children were told to be seen and not heard. When children wore rubbers or galoshes to school. When a slicker was a raincoat. When a Victrola or Gramophone was a record player. When iced milk was known as frozen custard and sherbet was italian ice. When homebrew was beer. When there were cardboard fans at home and in church.

When men and boys wore spats. When young boys wore short pants and then graduated to knickers. When zoot suits were the thing. When boys wore bangs and long hair and pleaded with their mothers to get a haircut. When cream froze on top of the milk bottle and rose a couple of inches . . . with the children battling to get it. When vaccination was suspect. When children were born at home. When a water bottle or a wrapped brick was put in the bed to warm the feet. When each house had a lantern rather than a flashlight.

When children played hop scotch, kick the can or caddie. When class outings were a hay ride. When folks danced the Charleston, Virginia Reel, Black Bottom and the Big Apple. When all dance bands played The Sweetheart of Sigma Chi and ended with Goodnight Sweetheart. When music was soft and sweet and the waltz was in vogue. When movies came in serials such as the "Perils of Pauline" when the heroine was kept dangling over the cliff until the next week. When a pianist played varying music to fit the mood of the silent films.

When families gathered together in the living room to talk over family problems after dinner. When you wrote with a quill and then a pen dipped in an inkwell. When the Palmer Method was penmanship. When young men's lapels were wide and trousers flared first time 'round.

When the general store had its cracker barrel, pickle barrel, pot bellied stove, spittoon or cuspidor. When the grocer sold only loose crackers, butter was hand cut from a tub and coffee ground to your need. When pocket watch wound watches were the thing. When golfers wore knickers and swung niblicks. When baseball players used gloves with no padded pocket.

When the "bakers dozen" (13) was the rule. When the butcher gave the children a slice of balogna while waiting on mom. When a nickle bar of candy weighed 3 ozs. When a teacher was allowed to swat a student with a ruler — and did. When the wonder drugs were quinine and castor oil.

When the street lights were gas lamps and the old lamplighter came by at dusk. When there were blacksmith shops all over town. When cigars, beer, hamburgers and hot dogs cost a nickle. When the outhouse provided "plumbing" and the cistern the water. When there were penny post cards and large dollar bills. When the world series was replayed on a giant score board in front of the newspaper office. When Humphrey's sugar pills cured all ills. When Graham MacNamee and Gabriel Heatter viewed the news.

When women actually used peroxide to become "peroxide" blondes. When mothers did not like children to wear sneakers because "they caused flat feet". When women wanted to be captured rather than liberated . . . Telling ghost stories was standard children's pastime. When you had to wait in a movie house for reels to be changed. When kids flattened a penny under the wheels of a trolley for luck. When the school janitor filled the inkwells from a gallon jug. When factory chimneys were a sign of progress not pollution. When there was a black market in nylon stockings, and men wore garters and suspenders.

When you went to the doctor to fatten up not thin down. When kids didn't worry about being bussed because they all walked a few miles to school. When free China was a movie theater giveaway instead of another

name for Taiwan. When the 4.10 mile was worth headlines. When mom made her own jams and jellies. When the popular dogs were wire-haired terriers and water spaniels. When flappers rolled their stockings below their knees. When ten percent was a warn against a disease within.

When if you felt poorly you got a mustard bath and a hot lemonade instead of a shot of penicillin. When if you had an argument with your teacher the smart thing was not to mention it at home because after the teacher walloped you, good old dad would give you a worse banging on the theory that you simply had to be wrong.

When telegrams were delivered by a uniformed boy wearing leather puttees riding a bicycle — And they sang however badly a singing telegram. When knock knock jokes were in vogue. When you could go into the 5 and 10¢ store and buy something for 5 or 10¢. When people used blotters. When the inner tube was a part of the swimming expedition . . . and truck tire tubes with three patches was the ultimate . . . When a letter took a two cent stamp and was delivered the next morning or if mailed early in the morning it got delivered the same afternoon. When pro-football teams played offense and defense with the same players. When you played softball without gloves. When you gave your pants a special press between boards between the mattress and the bedspreads. When lunch was called dinner and dinner was called supper. When a typewriter ribbon was not thrown away but reversed and wound by hand. When women wore hats with stuffed birds on them. When people had stimulating hobbies like string, tinfoil and cigar band collecting. When police cars were green and kids were afraid of the truant officer. When coffee break was lunch.

When there was fly paper, court plaster and oil cloth. When kids smoked punk and punk kept mosquitoes away. When bookcovers were made out of brown paper bags. When sledding down the hill was called bellywopping. When kids wore cigar band rings. When kids played with old baseballs taped over with black tire tape. When kids played marbles with moon aggies, peewees, puries and knuckled down with no hunching. When the favorite sport in school was to stick a sign on your classmate's back saying "kick me". When the Ouija board was the ESP of the day and there were haunted houses. When kids rolled hoops and rode scooters.

When your banker would have thought you were out of your head if you wanted to borrow money to go on a vacation. When you could get a full course dinner for what you now leave for a tip. When dad got up early to turn up the furnace. When mosquito bars kept out insects and held in heat . . . Remember? When?

Mrs. Ollie Stewart had all the attention this time as she was the only one of about fifty residents, to boast a birthday this month. She is now 89 years young. The table was laid with a white cloth and the centerpiece was a pot plant of beautiful golden daisies. A placecard marked the honoree's chair. Each person was served a miniature bundt cake decorated with a real rosebud which had been dipped in paraffin...very pretty and most delicious. A delightful fruit punch was served with the cakes. Senior Girl Scout Graduation Held In Tulia

Over 100 persons attended the annual capping and graduation ceremonies for Caprock Girl Scout Council, Sunday, May 5, in the Tulia United Methodist Church.

Approximately 30 cadettes who had reached the senior level were capped by their sister scouts. The Senior Advisors presented diplomas to the graduating scouts. Floydada Senior Girl Scout, Sheryl Burns, received her diploma from her Senior Advisor and mother, Mrs. Leroy Burns. Two other Senior Girl Scouts in Floydada Troop #97, Darla Milton and Nan McCulley, were unable to attend the ceremonies. Their diplomas will be presented to them possibly at a troop meeting during the summer.

Mistress of ceremonies was Miss Karmen Hopkins of Lubbock. Invocation was read by Miss Elizabeth Lewis. The presentation of the American flag and Council flag was performed by Troop 241 of Tulia.

Entertainment was provided by Miss Gail Griffin of Lorenzo and Miss Zoie Corum of Lubbock. They sang solo selections with guitar accompaniment.

Miss Margaret Vigness, an ex-Caprock scouter and student of Texas Tech University was the guest speaker. Her theme was "It is a Growing Thing". In a candlelight ceremony conducted by Miss Cecilia Black, the 1974-75 officers of Senior Planning Board were installed. Each outgoing officer presented the new officers a daisy bouquet after each one lighted a candle to represent their office. New officers are Belinda Mabry, president;

U.S. consumption of natural rubber in 1974 is expected to rise 3.5 per cent to a total of 1.62 billion pounds.

Karmen Hopkins, vice-president; Laura Green, treasurer; Tammy Tyer of Floydada, reporter and Connie Welch of Floydada, chaplain. Assisting Miss Black, the out-going board president, were Misses Denise Timian and Donna Martin.

Miss Black presented an appreciation gift to Miss Patrice Schindler, Senior Planning Board advisor, for her dedicated support and concern for all senior activities.

As out-going president, Cecilia gave her farewell speech and expressed her gratitude to her friends, family, leaders and community for the rewarding and challenging experience in the Girl Scout program. She commented that her 11 years had truly helped her to love God, Country and to know how to help others and this had formed a strong foundation for the rest of her life and this was true for all the other scouts who had completed the senior phase every scout and leader stood and sang "Girl Scouts Together".

Refreshments were served in the church parlor by Crosbyton scouts. The decorations were provided by Floydada Troop #97. The program was planned by Troop #176 of Lubbock, the programs and invitations were arranged by Troop #76 of Lubbock and donated by H. E. and LaDelle Logan of Lubbock.

Attending the ceremonies from Floydada were Senior Girl Scouts Sheryl Burns, Tammy Tyer and Connie Welch, and their Advisors, Mrs. Leroy Burns and Mrs. J. A. Welch.

Floydada Woman Mother Of Year

"Tulia's Mother of the Year", by the Tulia Retail Merchants Association. The announcement was made in Tulia, Saturday, May 11.

Mrs. Miller, the former Catherine Appling, grew up in the Mt. Blanco community.

Youngest of three children, she attended her elementary school years at Mt. Blanco and Crosbyton High School. While attending high school, she received the Gold Star Girl Award for her 4-H work of which she was very active in during her school years. After high school she attended Wayland Baptist College for one year.

While employed at Light-house Electric Cooperative in Floydada, she met Roy Miller, who was reared in Floydada. They were married in 1956 at Mt. Blanco Baptist Church.

Miller was in the U.S. Air Force stationed in Lincoln, Nebraska. They made their home there for two years. Two of their children, Mary and Joyce, were born there.

After completing their enlistment, Mrs. Miller and her family moved to Portales, N.M. where Miller

attended Eastern New Mexico University for one year. The family moved to Tulia in 1959, where Miller is a teacher. A third child, Sara, was born there in 1960.

They moved away from Tulia for a short time, but returned in December of 1962. During the time, the fourth child, Janet, was born in 1962 in Clovis, New Mexico.

Since December 1962 the family has made their home in Tulia. The fifth child, Robert, was born in 1963.

Mrs. Miller has been active in many community and church organizations. She has been previously recognized by the Tulia Jaycees for community work and by the Tulia Girl Scouts for work as a volunteer leader. She has also been active as a 4-H Adult leader.

In church activities she has been Children's Coordinator for the First United Methodist Church for four years. She has served as a teacher on several occasions and two years as vacation church school director.

Mrs. Miller operated a kindergarten for four years and since June, 1973, she has been the director of the Tulia Day Nursery.

Along with her own five offspring, many other children in the Tulia area "have been inspired by her love and devotion to see that all

children receive the kind of care and instruction that is so necessary to becoming productive citizens in our society".

Mrs. Miller has several relatives who reside in the Floydada area.

Lockney Rebekahs Meet

Lockney Rebekah #259 met Tuesday night for their regular meeting with Christine Poteet, Noble Grand, presiding over the business meeting.

Those attending from Lockney, Floydada, South Plains, Kress and Plainview were as follows:

Gladys Jones, Jeannie Wilkes, Nell Wilson, Rex Jackson, Elsie Sherman, June Patzer, Virginia Snider, Lenox Kellison, Jo Ann Duvall, Sandra Noland;

Karlton Noland, Linda Mosher, Nell Pritchett, Mamie Lou Hartman, Billie Cherry, Margaret Calahan, Lucie McBeth, Lynda Tye, Ruth Barnett and Velma Bonner.

Public Law 93-82, enacted by the Congress on August 2, 1973, authorized a program to provide medical care for the dependents and survivors of certain disabled veterans. According to D. G. Ayres, Veterans Service Officer for Floyd County, many eligible persons are not taking advantage of their entitlement under the program, known as Civilian Health and Medical Program of the Veterans Administration (CHAMPVA).

Eligible to participate in this cost-sharing medical care program is the spouse or child of a veteran who in these fields presented the recent program at the Gridiron Restaurant in Lubbock.

They were graduates Jacky Hill of Anton and Tony Martin of Levelland and Gene Hunt of Lubbock, all majors in mid-management, and Susan Cozby of Floydada and Rosemary Bailey of Petersburg, fashion-merchandising majors.

NINA WILLIAMS GETS LCC DEGREE

Nina Rhea Williams, daughter of Mr. and Mrs. Dan Teuton of Box 628 in Lockney, has received the Associate in Arts degree in Medical Assisting from Lubbock Christian College in special ceremonies May 4 in the LCC field house.

Nina Rhea is a 1970 graduate of Lockney High School.

Lubbock Christian College, a fully accredited senior college offering liberal arts and pre-professional programs, has a student body of 1100.

The art class of Ruth Barnett of Hale Center met for a salad luncheon in the home of Nina Teuton, Friday, May 17. Each one brought a painting to display and a miniature to exchange.

After the lunch and art show, everyone went to the home of Sandra Noland for coffee and dessert.

Those attending from Lockney, Floydada, South Plains, Kress and Plainview were as follows:

Gladys Jones, Jeannie Wilkes, Nell Wilson, Rex Jackson, Elsie Sherman, June Patzer, Virginia Snider, Lenox Kellison, Jo Ann Duvall, Sandra Noland;

Karlton Noland, Linda Mosher, Nell Pritchett, Mamie Lou Hartman, Billie Cherry, Margaret Calahan, Lucie McBeth, Lynda Tye, Ruth Barnett and Velma Bonner.

CHAMPVA AVAILABLE

Public Law 93-82, enacted by the Congress on August 2, 1973, authorized a program to provide medical care for the dependents and survivors of certain disabled veterans. According to D. G. Ayres, Veterans Service Officer for Floyd County, many eligible persons are not taking advantage of their entitlement under the program, known as Civilian Health and Medical Program of the Veterans Administration (CHAMPVA).

Eligible to participate in this cost-sharing medical care program is the spouse or child of a veteran who in these fields presented the recent program at the Gridiron Restaurant in Lubbock.

They were graduates Jacky Hill of Anton and Tony Martin of Levelland and Gene Hunt of Lubbock, all majors in mid-management, and Susan Cozby of Floydada and Rosemary Bailey of Petersburg, fashion-merchandising majors.

Sixteen Whirlwind Lettermen Return

Athletic director and head football coach L. G. Wilson reports the 1974 football season looks promising after Spring workouts, and the defending district champions will have 16 returning lettermen.

Not only does he have the returning lettermen, but several promising newcomers from an undefeated Jr. Varsity team.

Coach Wilson says, "the attitude of the entire squad is good, they have worked hard in their agility drills this Spring. Because of this, I believe our depth will be the best we've had since the 1971 team. We will probably carry a varsity squad of 28 to 30 boys with all of them capable of playing a lot of football."

Fall drills will begin August 12 with one week of non-contact conditioning drills. The first game will be September 6 at Crosbyton.

The tentative position list for fall is as follows:

Quarterbacks: Letterman senior Mike Vickers, juniors Greg Goen and Larry Stovall, and sophomore Jay Womack.

Halfbacks: Lettermen Rex Yeary, (senior) Kelvin Ratliff (junior) Tony Soto (senior). Others include senior Royce Chadwick,

juniors Gordon Bond and Danny Nixon; sophomores Mickey Minnett, Randy Ratheal, Jay Lackey, Rene Wells, Ricky Ford, Steve Westbrook and Ed Johnson.

Fullbacks: seniors MacArthur Mitchell, Malvin Collins, Mickey Hulme (transfer from Spur), junior Rene Cruz, sophomores Ricky Carthel, Jesse Morales and Rickey Mercado.

Ends: Lettermen Tom Assiter, Lyle Suggs, Elton Ratliff, and Donzelle Minner; juniors Mike Curry, Alvin Stofel, Max Probasco, sophomores Danny Colston, Mike Ware, Joey Davis, Kelly Warren, Jesse Martinez and Andy Rainwater.

Centers: Lettermen Tony Hesson and Mike Reves, juniors Randy Duke and Don Warren, sophomore Mark Noland.

Guards and Tackles: Lettermen Mark Craig, Billy Fulton, Joel Hendrix, Keith Marrie, Blake Hickedron, Steve Moore, juniors Greg Bishop, Billy Marrie, Ricky Jordan, Gary Nixon, Mike Rainwater, Leslie Siner, Leslie Soto, Monte Williams, sophomores Monte Covington, David Gonzales, Virgil Martin, Randy Rainwater, Rick Reddy, Curtis Robinson, Ronnie Wall, Len Wood and Steve Jones.

SWPS To Seek Rate

Southwestern Public Service Company announced today that it will seek the first general rate increase from Texas customers since 1967.

The proposal requests an average increase of 10 percent, to be effective with billings in September of this year. The request is addressed to municipal governments in the communities served by the company, those being the regulatory authority in Texas.

Southwestern has had only one previous rate increase, 23 and 7 percent, respectively. The 1967 increase was 7.62%. There have been 14 rate reductions since 1942, when the company took its present form.

Increased costs of labor, materials and taxes were cited by the company as the major reasons for the rate increase request. Spokesmen said that a standard wooden pole increased in cost by 175 percent of the last rate change, with a 30 percent increase in the price of crossarms on the poles.

Other increases in costs since 1967 include a 162% rise in the price of oil for substations; a 124% increase in copper wire; labor costs up nearly 50% and taxes going up by almost 20%. Interest paid on borrowed money jumped up 68%.

The company pointed out that increases in other prices since 1967 include 108% for ground beef; 67% for corn; 58% for milk; 28% for margarine; and 100% for lettuce as indications that the request for an average increase of 10 percent was reasonable.

For residential service in homes which are not electrically heated, do not have electric water heaters, new schedule is as follows:

7.10 CENTS per kwh for the first kwh used each month
4.70 CENTS per kwh for the next kwh used each month
2.35 CENTS per kwh for the next kwh used each month
1.90 CENTS per kwh for additional kwh used each month.

Southwestern's average residential customer uses 536 kilowatt-hours a month. Under the new rates, monthly bill will be increased \$138.89%.

The company has a fuel adjustment as a part of its rates. This allows it to pass on customers increases in fuel cost. However, fuel is only about 20% of total cost of providing service and there is no similar protection against the increases that have taken place in the other 80% of the costs necessary to provide service.

In connection with the fuel adjustment, it is charged on the basis of the number of kilowatt-hours used by the customer. As a result, it has least effect on customers using small amounts of energy, both as to amount and percentage of bill, and has the effect, both ways, on larger consumers.

Southwestern's peak demands for electric service fall in a short three-fourth month summer season because of irrigation of agricultural crops and conditioning. In order to more evenly balance the year-round load on the company's system and use of generating equipment and transmission and distribution lines more efficiently and economically, the company offers electric heating during the winter season. This type of rate structure benefits all residential customers, whether they heat electrically or not, because it brings in more revenue dollars, which helps keep rates lower, than would be the case without the incentive for the customers preferring electric heat.

The new general service rate applies to most commercial customers as follows:

7.1 CENTS per kwh for the first kwh used each month
4.6 CENTS per kwh for the next kwh used each month
2.4 CENTS per kwh for the next 6,000 kwh used each month
1.4 cents per kwh for the next kwh used each month
.9 CENTS per kwh for all additional kwh used each month.

(When the commercial customer demand — the number of kilowatt-hours company must have to serve his load exceeds 10 kw, the 4.6 cents block of rate is extended 38 kwh for each kw demand above 10 kw. This demand feature affects only the largest customers.)

The company projects that the rate increase will produce annual revenue in Texas, where it serves the great majority of its customers, of \$6,161,000.00. Of this amount, \$3,000,000.00 will go for additional taxes.

In the face of high interest rates, the company's rate of return on investment is 5.87 percent. If the proposed new rate had been in effect during 1973, it would have yielded a rate of return of 6.61 percent. The law allows as much as 8 percent return for utility companies.

Farmers Warned Of Wireworms

Farmers throughout the grain sorghum belt are cautioned to use planter box treatment against wireworms.

The wireworm warning came from Elbert Harp, executive director of Texas Grain Sorghum Producers Board and Grain Sorghum Producers Association at Lubbock, Texas.

Harp pointed out that wireworms can devastate hundreds of acres of grain

sorghum when a farmer fails to use planter box treatment on seeds.

Dr. George Teetes of the Texas Agricultural Experiment Station at Lubbock said, "I think the only effective treatment against wireworms is Heptachlor." Dr. Teetes cautioned that farmers should carefully follow directions on the label when applying planter box treatment.

Rep. Phil Cates Takes Health Committee Appointment

AUSTIN — State Rep. Phil Cates (D-Lefors) has been named to a House Special Subcommittee on Health which will participate with a Senate Health Subcommittee in a joint study of federal and state laws affecting the delivery of health care in Texas. The announcement was made by Rep. Carlos Truan, Co-Chairman of the Joint Committee on Human Resources.

As he made the appointment, Truan praised Cates for his participation in Committee hearings and work during the Regular Session, and cited Cates' "commitment to improve-

ments in the provision of health care throughout Texas."

"This Joint Subcommittee will be making one of the most important studies undertaken in recent years by the Texas Legislature," Truan said. "Its product will affect every Texan, and will have a direct bearing on the quality and availability of health care in every part of the State."

"I am gratified that Representative Cates has consented to participate in the work of the Subcommittee, and that the study will therefore benefit from his thought and effort," Truan stated.

Floydada Man Graduate Of Law Enforcement School

A Floydada High School graduate, Barry Hale, was certified to wear a policeman badge and perform law enforcement functions last Friday at graduation ceremonies in Garner State Park.

At a small banquet recognizing the men for having completed a 240 hour law enforcement penal code school at Southwest Texas Junior College in Uvalde, course instructor Ralph Benton presented each man with his diploma.

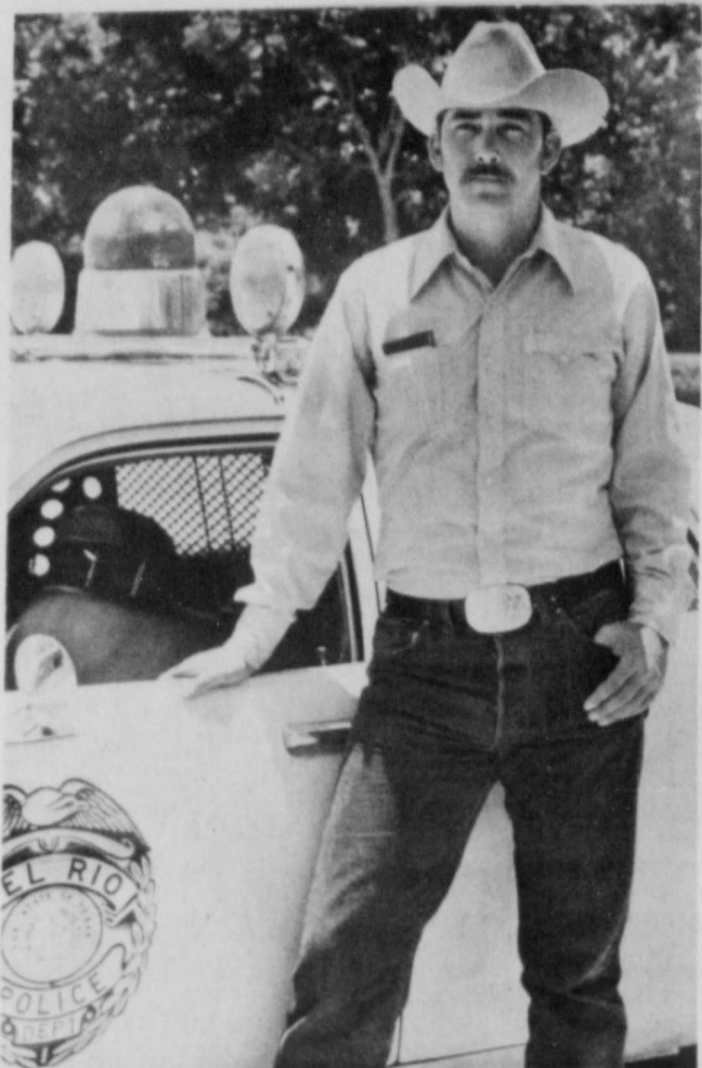

Hale, a rookie police officer with the Del Rio Police Department, was named outstanding student in the class of seven. Benton said

Hale was able to maintain a 96 grade point average throughout the course.

Part of the instructor force comes from Texas A&M University. Ira Scott is head of that division at A&M. Benton is from A&M. He graduated the class.

Benton told the group at the graduation "go out and be able to work with the public and handle the job of keeping the community clean without being dirty."

The classes consist of 240 hours of basic training; legal codes, case work, legal rights, car driving safety, gun safety and firing plus numerous lectures on individual subjects.

BARRY HALE

follow-up are provided in health, education, employment and housing. The council is also working through the centers to develop five summer youth programs to serve approximately 150. Immunization clinics are sponsored by the centers, and transportation is provided to low-income families for getting to the doctor or other needed social services.

Karr said the council is working with the Spur Neighborhood Center in developing a day care program, and economic development projects.

Grant processing for the state is performed by the Texas Office of Economic Opportunity, a division of the Texas Department of Community Affairs.

Richard Fuller Completes Army Basic Training

FT. POLK, LA. (AHTNC) — Army Private Richard D. Fuller, 19, son of Mr. and Mrs. Wayne Fuller, 201 E. Hallie, Floydada, Tex., completed eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesies, military justice, first aid, and army history and traditions.

Neighborhood Centers Receive \$7,498

Providing vocational type adult education courses is one of the projects that is being financed through an Office of Economic Opportunity grant that Governor Dolph Briscoe announced Friday.

The \$7,498 grant to Community Action Council of Floyd, Crosby, Dickens and Kent Counties is for General Community Programming. Funded under Title II of the Economic Opportunity Act, the grant is effective retroactively from May 1 through June 30, 1974.

James T. Karr, executive director, says that the vocational courses are provided through cooperation with the Texas State Technical Institute and are given in the council's neighborhood centers. Courses are being provided in typing, bookkeeping and welding.

The five neighborhood centers operated by the council are located in Crosbyton, Ralls, Spur, Floydada and Lockney. Referrals, counseling and

Jack Gregory And Mark Estes Graduate

Jack R. Gregory, son of Mr. and Mrs. Howard R. Gregory and Mark Estes, son of Mr. and Mrs. Claude Estes, were graduated from McMurry College in Abilene, Texas, during commencement exercises on Sunday, May 19. Both men received a BBA degree in finance.

The Honorable Eldon B. Mahon, United States district judge for the Northern District of Texas and Mr. Robert P. Fuller, Lubbock, Texas, philanthropist and businessman.

An internationally known Asiatic educator, Mrs. Induk Pakh, delivered the commencement address.

McMurry College, affiliated with the United Methodist Church, is a liberal arts college celebrating its 50th year. McMurry ranks among the recognized colleges of the Southwest.

Thousands of alumni are serving with distinction in significant positions throughout America. In recent years, McMurry has made a particularly enviable record in the sound preparation of young men and women for careers in science, education, and the Christian ministry.

During its golden anniversary commencement exercises, McMurry awarded five honorary degrees. Two special bachelor of philosophy degrees were given to members of the 1923-24 student body that did not complete degree work at McMurry. They are Mrs. Claramaye Couch Galbraith of El Paso, Texas, and Mr. Hilland C. Weaver of Plainview, Texas.

The Reverend Mr. Richard H. Whitam, Methodist minister from Albuquerque, N.M., received an honorary doctor of divinity degree. Two honorary doctor of laws degrees were awarded to

PHILOSOPHER

Where Is Such A Thing As
And Cites
As Proof

Floyd Philosopher on
discusses progress
tell whether he's for it

Some people contend that progress is like the frog trying to get out of a well by falling back five feet every time he jumps four, but they've got the analogy wrong. Actually progress consists of a frog's proudly gaining a foot every time he jumps but just as he nears the top somebody adds two more feet to the well curbing.

And even if by some Herculean effort he someday actually does clear the top and land in the open, most likely he'll find somebody waiting there hungry for frog legs.

However there is such a thing as progress. Have you ever stopped to think how few frogs are now confronted with the task of jumping out of wells because most people now get their water through pipes?

Oh, there are some backward countries still using open wells and I suppose from a theoretical standpoint you can say no frog is free till all frogs are free, still I believe I'd rather have an open well than to go thirsty, even if I have to get my frog legs at the supermarket.

I'm not sure this makes sense but I guess you could clear it up by furnishing your readers an edited transcript of it.

Yours faithfully,
J.A.

Adequate Moisture Now
Can Boost Wheat Yield

LUBBOCK — Although most of the area wheat crop by now is using less water, timely irrigation can still increase yields from 8 to 12 bushels per acre, says a Lubbock-based agricultural engineer.

Leon New, area irrigation specialist with the Texas Agricultural Extension Service, says that in most cases, area wheat is in the soft dough stage of grain filling.

"Daily water use generally averages 2 to 2 1/2 inches every 10 days during this stage," he explains. "This means that available soil moisture in many wheat fields has declined considerably during the past 15 days. Even where moisture levels were high at the beginning of this period, soil moisture has dropped by approximately one-half or more."

"Where soil moisture has not been recently replenished," he adds, "an irrigation now appears to be a profitable use of water, especially light applications. Good soil moisture levels are

important for normal grain development and to keep weight up."

The Extension specialist says that best yield increase per acre-inch of water comes from irrigations in May. An application during the heading to flowering stage usually boosts yields more than any single irrigation during the season, normally from 10 to 20 bushels per acre. An irrigation during flowering and another during early grain filling can increase yields 20 to 30 bushels per acre where plant growth and production potential have been maintained up to these stages, he adds.

As grain reaches maturity, wheat yield response from irrigation rapidly diminishes. New cautions. Very little, if any yield increase can be expected from applications as wheat approaches the hard dough stage. Adequate moisture for this growth stage is generally available from earlier irrigations.

Smith-Corona's new Cartridge Ribbon Typewriter.

It's the only one with the 3-second ribbon change.

Which is the quickest, simplest typewriter ribbon change there is. Also, the cleanest.

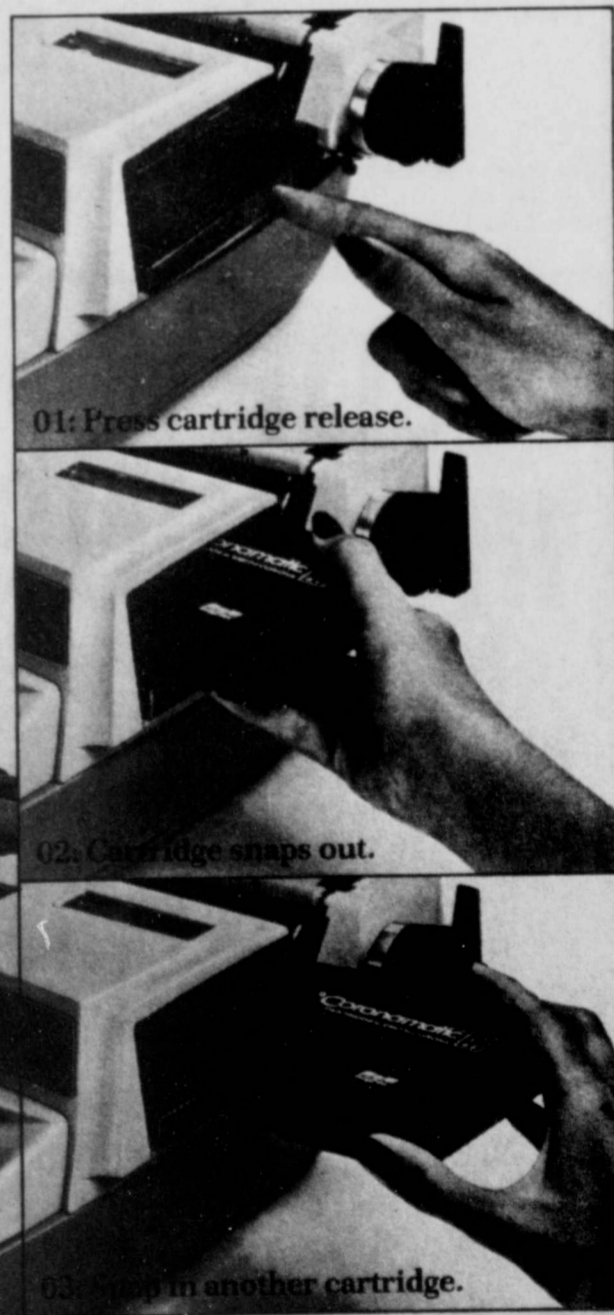

What's more, Coronamatic™ Ribbon Cartridges come in nylon and carbon film (the kind usually available only with expensive office typewriters).

So in the same 3 seconds it takes to change a cartridge, you can now change to carbon film for typing that looks like printing.

It's like having two typewriters in one. One for day-to-day use. The other for more professional-looking essays and reports.

And in case there's a mistake, there's also a correction ribbon in a Coronamatic cartridge, so errors can be corrected in seconds. There's also an assortment of colors — so you can add a little (or a lot of) color to whatever is being typed.

Letter To The Editor

(Editor's note: The following letter to Mrs. Winnie Dyson of Floydada, prompted the Philippine writer to get in touch with the Floydada women after she read an article of Mrs. Dyson in "Women's Circle" concerning the reunion of Mrs. Dyson and her brothers.

P.O. Box 651
Cebu City, Philippines
April 3, 1974

My Dear Mrs. Winnie Mae Dyson,

In this world of trouble, perplexity and sufferings, there are surprises in life and of all your surprises this might be the most unusual one to receive a letter from a total stranger and from far away Philippines! I wonder whether you have heard about the Philippines for we were once under the American rule for more than forty years and we have our Freedom and Independence only last July 4, 1946. We have so much to be thankful to America for from her we learned many things. We learned the meaning of democracy and most of all the meaning of the true Christianity!

My name is Regina Mondejar, 19 years old, and born on September 7, 1954. I stand four feet and five inches tall, weighing 95 pounds. Mostly of the Filipino names are derived in Spanish for we were once under the Spanish regime for over three centuries. I am the oldest daughter in the family and we are two children one boy and a girl that is me living with our poor and unfortunate father. Our mother has passed away 14 years ago, so being the oldest, the responsibilities rest upon my shoulders for I have been trying my very best to mother my younger brother and give more care to my sick father since my brother is young and mother is gone. My father is a Hansen's disease sufferer and is segregated in the sanitarium to be treated until he becomes well and in the arrested case. Father has been sick for many years now, so he has coped body deformities that he could not work hard to earn and help us children, yet he is suffering from a low-blood hemoglobin due to our inadequate diet.

So we children are encouraged to look for my kind of trade to earn and buy more food and clothing.

My dearest Mrs. Winnie Mae Dyson, I have found your name and address in the "Women's Circle" magazine and here I made the great courage to write and ask you a very loving favor to please do accept me as your friend through correspondence? When the grade is steep the way sometimes rough and seems all uphill. Your letters will mean a lot...

As cold waters to a thirsty soul, so is good news from far away country. The sanitarium is run by the government and father is given food ration and is supplied with everything, material only once a year, one trouser, one shirt, one suit material, and one cotton blanket till he is pronounced well and in the arrested case. His ration is inadequate for we children are not rationed being "natural immunes."

We are born poor and have known what hardship and poverty mean, used to work hard and long to help father especially when he gets ill and we have no one to turn to for due to father's lingering illness most of our relatives are afraid that we are shunned and avoided. We do need more food to aid in hastening our recovery for we often can not make both ends meet.

Just why the Lord allows us so much sufferings, we can not understand. But we are glad we have found Christ. It is such a comfort to know that we serve a God who loves all His creatures and whose ear is open to all their cries.

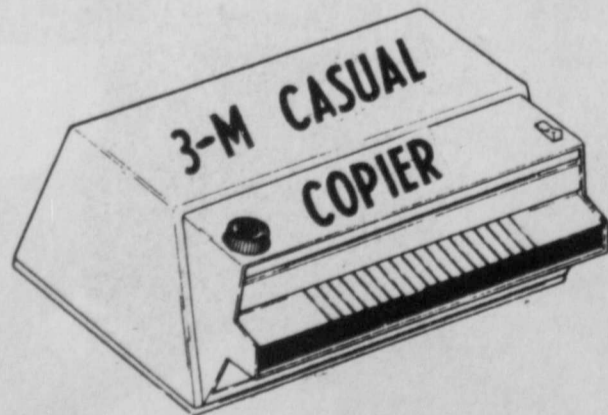

We will be looking forward to your letters and here's fervently hoping that you will not let me down. You just can imagine how heartwarming it will be for us to hear from you! We will remember you in our prayers. May God bless you and your family.

Please do write us.

Very Pleasingly Yours,
Regina and Family

Will The Plastic Christian Please Stand Up

Plastic is a substitute for the real. New car manufacturers have found places to use plastic and when colored to correctness, it looks like steel or chrome, but under stress or impact it won't stand up. Plastic is a Phoney.

God hates phonies. Nadab and Abiu offered strange fire before the Lord and God killed them. They were priests, sons of Aaron, the same Aaron that helped lead the children of Israel. Nadab and Abiu had stood in the presence of God in the Holy of Holies and now God had slain them, because they no longer represented the REAL.

Jesus said to the Pharisees, You whitened sepulchres, you are good to look at on the outside, but on the inside, you are full of dead men's bones and uncleanness. Plastic Christians have always been here and there is no difference except in the language in which we say it. They are still Phonies.

"You call me Lord, Lord and do not the things I say?" Jesus asked. Then he drew a parallel of two Houses, one built on solid foundation and one built on sand. The sand represents the Plastic Christians life, a Phoney, the one on the Rock (Christ Jesus), the real, the Solid.

Many churches today are turning toward the Plastic. "Having a form of Godliness, but denying the Power thereof." Accepting known homosexuals as members, leaders, and pastors, and even publishing openly that it is all right.

Teaching that wild parties, drunkenness, Key Clubs, and such things are O.K.

Galatians 5:19 says, "Adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the Kingdom of God." Saved or Unsavd shall not inherit the Kingdom of God, if they continue to do these things. Phonies only make certain appearances of being a Christian. Churches have both, the Real, and the Plastic.

Live it or Leave it - the Scriptures repeatedly tell us that we are to be honest and not represent a lie. When we say we are Christians, we need to understand that saying it alone is not the making, nor is going to Church, even though that is a wonderful place to go. Going to Church does not make one a Christian, like going to a Bus Station does not make one a bus. Church may teach how to become a Christian and how to live a Christian life, but we as individuals must LIVE it. II Peter 2:20 says, "And when a person has escaped from the wicked ways of the world by learning about our Lord and Savior Jesus Christ (becomes a Christian) and then gets tangled up with sin and becomes its slave again, he is worse off than he was before. It would have been better if he had never known about Christ at all, then to learn of Him and then afterwards turn his back on the Holy Commandments that were given to him." If a sinner, unrepented, is going to Hell, and someone who comes to Christ and repents and has escaped the promise of Hell, turns his back on Christ and begins again to sin; if his end is worse than the beginning or Hell itself, it should constrain us to live righteously. If Hell is Hot for the sinner, it will even be hotter for those who turn back from Christ into sin.

WILL THE PLASTIC CHRISTIAN PLEASE STAND UP
And learn that he no longer has to remain a phoney, but can have new life.

REPENT - without repentance, there is no Salvation. You will remain a phoney. "Except ye repent, ye shall all likewise perish." Jesus said. Repentance is turning away from sin completely, to follow after it no more.

FORGIVENESS - "Let the wicked forsake his way and the unrighteous man his thoughts and let him return unto the Lord, and he will have mercy upon him: and to our God for he will abundantly PARDON." Isaiah 55:7.

CONFESS - "That if thou shalt confess with thy mouth the Lord Jesus, and believe in thine heart that God has raised him from the dead. Thou shalt be Saved." Romans 10:9.

NEW - "Therefore if any man be in Christ, he is a new creature. Old things are passed away; behold, all things are become new." II Cor. 5:17.

Now, take a good look at your life, **PLASTIC - PHONEY - QUESTIONABLE**, then repent, ask forgiveness, confess Christ to others, realize that in Christ You are a New Creature - not a Phoney.

OEO Grant Announced

Providing vocational type adult education courses is one of the projects that is being financed through an Office of Economic Opportunity grant that Governor Dolph Briscoe announced Friday.

The \$7,498 grant to Community Action Council of Floyd, Crosby, Dickens and Kent Counties is for General Community Programming. Funded under Title II of the Economic Opportunity Act, the grant is effective retroactively from May 1 through June 30, 1974.

James T. Karr, executive director, says that the vocational courses are provided through cooperation with the Texas State Technical Institute and are given in the council's neighborhood centers. Courses are being provided in typing, bookkeeping, and welding.

The five neighborhood centers operated by the council are located in Crosbyton, Ralls, Spur, Floydada and Lockney. Referrals, counseling and follow-up are provided in health, education, employment and housing. The council is also working through the centers to develop five summer youth programs to serve approximately 150. Immunization clinics are sponsored by the centers, and transportation is provided to low-income families for getting to the doctor or other needed social services.

Karr said the council is working with the Spur Neighborhood Center in developing a day care program, and economic development projects.

Grant processing for the state is performed by the Texas Office of Economic Opportunity, a division of the Texas Department of Community Affairs.

losses appear gradually, many persons with hearing impairments are not even aware of their problems," Smith explained. "While the only way to be certain your hearing ability is normal is to have a hearing test — and such a test should be part of everyone's annual physical check-up — there is a simple 10 question quiz that can detect the possibility of a hearing loss," Smith said.

- The 10 questions are:
1. Have you noticed people mumble more often than they used to?
 2. Do you hear, but often have trouble understanding?
 3. Do you often ask people to repeat what they have said?
 4. Do you find telephone conversations increasingly difficult?
 5. Does your family complain you play the radio or television too loudly?
 6. Do you no longer hear sounds like a faucet dripping or a doorbell ringing?
 7. Are you having more and more difficulty hearing in noisy places?
 8. Do you have trouble hearing when your back is turned to the speaker?

9. Do you actually seem to hear better in noisy places?
10. Have you been told you speak too loudly?
"While this quiz is in no way a diagnostic test of a hearing problem, and can not absolutely predict that a hearing loss may exist, persons who answer "yes" to four or more of the questions, may have a hearing loss, and should have a hearing test at the earliest convenient time," Smith stressed. Hearing tests are available from medical doctors, at hearing clinics or from hearing aid specialists.

By Mrs. J. E. Green

CENTER, May 20 — The morning is cool and cloudy — and, still windy. Afternoons are really hot and dry. How we'd love to see a good quiet rain! The clouds do help cool things off for which we are

grateful. Mr. and Mrs. Claude Carpenter, who spent over the Mother's Day weekend in Lubbock in their daughter's home — with Claudine and Joe Conway — returned

home Tuesday.

Glen Smith of Lockney visited Thursday with the Carpenters, and Mrs. Grady Hall and son, T. J., of Plainview came Saturday p.m.

Mr. and Mrs. W. C. Plumlee spent Mother's Day in Plainview with a daughter and family, Mr. and Mrs. Johnny Hinds and boys.

Mrs. O. C. Vinson left several days ago for the great Northwest — in Idaho.

A main attraction was the graduation of a great granddaughter.

Mr. and Mrs. Finkner of Lubbock were Sunday dinner guests of her parents, Mr. and Mrs. Charles Fulkerson. All attended the wonderful Double Day service at the First Baptist Church, where 960 people registered for S.S.

Mrs. Frank Dunn spent Sunday in Lubbock seeing her children and in the p.m.

attended the Baccalaureate for the high schools of Lubbock. Her granddaughter, Debbie Dunn, (daughter of Jimmy and Patsy) is one of the graduates.

Mrs. J. D. Welborn and Mrs. Jo Ann Gooch visited Mr. and Mrs. Leo Frizzell Sunday p.m.

Visitors in the Charley Spence home during the week included Mrs. Hill and daughter on Friday, the Ratzlaffs also Friday, and

Mr. and Mrs. George Worsham of Lockney Sunday p.m.

Sunday dinner guests of Mrs. Elmer Warren were Mr. and Mrs. Wade Warren.

Mrs. Laverne Long of Silverton and her father, A. E. Frizzell, visited Mrs. Elmer Warren Sunday p.m.

Weekend visitors in the Fred Battey home were the daughter and husband, Zella and Julian Edmondson of Phillips, who spent Friday

night and Saturday; and Sunday p.m. Mr. Battey's grandson, Ronald Edmondson and family of Amarillo, who visited briefly on their way home from Matador.

Mr. and Mrs. Battey visited later Sunday p.m. with Mr. and Mrs. Earl Edwards.

Mrs. C. M. Meredith's company Sunday were Mrs. Cleo Goen and Mrs. J. Simpson and family. Miss Vera Meredith's
