## New Paint Shop

Bill Hicks and Dean Morris have opened a new paint shop at the Floydada Seed and Delinting Company in southeast Floydada. They will do custom clean up and painting on all kinds of tractors and farm equipment.

They will also steam clean automobile, pickup and truck motors. AN EXAMPLE OF modern progress is that every year it takes less time and more money to get where you're going.

12. The council has asked city manager Bill Feuerbacher to supervise the electric department until a successor for Stovall can be hired.

**OTHER BUSINESS**  
The council agreed to allow Feuerbacher to buy a used two-way radio if he can find a good one.

## Floydada Track Boys Make Good Showing At Borger Meet

In one of the biggest track meets in the state at Borger Saturday, Floydada's track boys made a very good showing with one setting a meet record. Over 600 contestants were entered in the meet.

The AA Floydada boys were competing with track contestants of all size schools including AAAA.

Mickey Minnitt set a meet record as he placed first in the long jump in the

intermediate division (21 feet, 5 1/2 inches). He also placed fourth in the 100 yard dash.

In the senior division Leslie Soto was first in the shot put, Tom Assiter third in the 880 yard dash and Steve Moore fourth in the 120 high hurdles.

Other winners in the intermediate division included Minnitt, Ricky Carthel, Randy Ratheal and Jay Womack third in the 440 relay. Ratheal also placed fourth in the 440 and long jump. Carthel placed fifth in the 120 high hurdles. Floydada will enter the track meet in Lubbock Saturday.

## School Board Hires Hale Center Band Director

The Floydada School Board in its Monday night meeting hired Dennis Teasdale as the new Whirlwind band director. Teasdale lives in Plainview and will be moving to Floydada.

The new position represents a promotion for Teasdale as Floydada is

a large Class AA school. A former director at Plainview, Teasdale succeeded J. W. King, former band director in Hale Center 17 years before he became band director at Canyon.

After Teasdale took over the band in 1970, Hale Center continued being a winning band and won three sweepstake awards in succession under his leadership and also captured top honors in its division last fall in the South Plains Fair parade in Lubbock.

A coach who was in the Floydada school system back in 1970 and 1971, James Pope was hired. He returns to Floydada from Kermit.

Other teachers hired include Jan Eeds, sixth grade; Debra Judah, Homemaking; Dale Bullock, agriculture; Pat Gonzalez, migrant aide for four year olds.

The board accepted the resignation of coach Curtis and Marilan Chatham, Larry Smith, who moves to Brownwood in agriculture teaching.

All board members were present except Betty Holmes.

## Day Care Board Meets

Tuesday afternoon, the Day Care Center Board of Directors met at Della Plains and reviewed the present situation. Newell Burk opened the session with the financial report.

Various projects were discussed in which to raise supporting funds. A snow cone sell was then scheduled for this Sunday afternoon, July 14, beginning at 2 around the ball park. The event is to continue until about 4. All bicyclers and sightseers in the area are urged to take advantage of this opportunity.

It was also noted that outdoor toys are still greatly needed. Anyone wishing to help out in this area may donate either toys or books of stamps.

Those attending the meeting were as follows: Sam Baker, Betty Fuller, Ruth M. Williams, Mary Pearl Coward, Annie M. Taylor, Mildred Wylie, Billie Jordan, Ann Wilson, Newell Burk, Alton Rose and Kathy Green, director of the center.

## Museum Board Of Directors Meet

The Board of Directors met in regular quarterly session Monday, July 1, in the museum lecture area.

President Ted Bell stated that program chairmen working on next year's program books are urged to use the facilities of the Floyd County Historical Museum. Organizations may also hold meetings in the museum, and may request museum talks by board members either in the museum or in other buildings.

Mrs. Flora McNeill, auxiliary chairman, reported that volunteers have been very good to help with keeping the museum open longer hours the past month. She is now taking names to keep the museum open Saturday and Sunday afternoons during July and August to accommodate the many out-of-town visitors of county citizens.

Jim Word compared the anthropological excavations going on at the Lubbock Lake sites and the one

planned in 1975 at the Floydada Country Club. Our local area is expected to yield many times over the Lubbock site in projectiles, artifacts, etc. Board members and all members of the museum are invited to register with the Southwestern Anthropology Society and participate in the scientific dig next year.

Mrs. Don Marble reported several more pioneer historical plaques had been sold and several had been received from the stone cutter recently. A few more feet of wall space are left to be purchased by families or individuals.

Board members attending included Fred Cardinal, Kenneth Brose, J. D. Copeland, Jim Word, Joe Parrish, Robert Lee Smith, Mrs. Melvin Henry, Mrs. Clay Henry, Mrs. Ed Wester, Mrs. Q. D. Williams, Mrs. Billy Staniforth, Mrs. Don Marble, Ted Bell, and auxiliary chairman, Mrs. M. J. McNeill.

By Mrs. Murray Julian

**SOUTH PLAINS, July 8** — There are some areas in our community that did not get any of the nice cotton showers which fell here Wednesday night and Thursday morning.

Mr. and Mrs. Jimmy Pritchett finished their stay in Albuquerque, New Mexico and are now headed for Atlanta, Georgia on their

next musical tour with the Larry Trider Band.

Mrs. Elmo Thomas of Mineral Wells came Saturday morning to stay until Sunday with Mr. and Mrs. Frank McClure, and attended the wedding Saturday night of D'Ann McClure and Paul Cypert, which was held in the Trinity Lutheran Church at Providence.

Mr. and Mrs. Frank McClure attended the rehearsal dinner in Plainview Thursday night at the home of Mr. and Mrs. B. G. Cypert at 1510 W. 9th St., where members of the bridal party of Miss D'Ann McClure and Paul Cypert were gathered after the wedding rehearsal at the church. Around fifty were present at the dinner.

Congratulations to Sandy Reeves, a junior at Wayland Baptist College in Plainview, who was named to the Dean's Honor List for the spring semester at the college. He is the son of Mr. and Mrs. Bob Reeves.

Bill Thomas of Lockney was with Mr. and Mrs. Early Pritchett and Steve for Sunday morning Baptist Church services at South Plains, and it was good also to see the newlyweds, Mr. and Mrs. Carlton Johnson and Mr. and Mrs. Mark Sanders present for the services.

Remember next Sunday, July 14, at 3 p.m. the services for the Lockney Nursing Home will be furnished by the South Plains Baptist Church, so please make plans to attend. You can help to make the world a brighter place for the shut-ins and for the others at the nursing home as you go to sing, and say hello to them.

The G.A. Camp down at the Baptist Encampment is slated for July 15 through 18th. This is a longer time than usual, and a wonderful time both for girls and sponsors. The camp is for girls from fourth through sixth grades.

Bud Sessions left this Monday for his home in Lincoln, California, near Sacramento. He has been here visiting with his nephew, Mr. and Mrs. Sylvain Kinnibrugh, and is going home by car.

Congratulations to Mr. and Mrs. Pilar Juarez on their fiftieth Golden Wedding Anniversary which they celebrated July 4. They formerly lived here on the

H. C. Franks place, and are well-known citizens here. Their children went to school in our vicinity.

Mrs. L. T. Wood went to Lubbock Sunday afternoon to spend the night with her daughter, Mr. and Mrs. James Teague and boys, and she is to return home this Monday night.

Business meeting time is next Wednesday night at the South Plains Baptist Church, and it is also time for the nominating committee to meet before that at 7 p.m.

Visiting here last Saturday at the Marble offices and in the Don Marble home were Mr. John Menotti, from Bergamo, Italy, who is a representative from a large cotton textile plant in Italy, and Don Anderson from Lubbock, and Calvin Brentz of El Paso.

Mrs. Don Marble attended a meeting at the Floyd County Museum Monday night and she would like to announce that anyone who would like to work as a hostess at the Museum to please contact her. They have the museum open on Tuesdays, Wednesdays and Thursdays from 2-5 p.m. They are also still collecting recipes for the Museum Cookbook, so if you have any recipes, please send them in. The Memorial Wall for the plaques is fast filling up, so if you are interested, please get your name in soon. There are only 19 places left on the Memorial Wall.

Remember the Flomot First Baptist Church with its Homecoming observance on August 18, and before that, a homecoming revival from August 11 to Aug. 18. They are celebrating the Flomot Church's 60th birthday.

Mrs. Sterling Cummings visited in Hereford last Saturday with her sister, Mrs. Elmo Hall and niece, Mrs. Jim Monroe, while she was attending the AAU track meet with her sons, Zach and John. We congratulate them on winning the West Texas AAU Junior

MARC SMITHERMAN

MARC SMITHERMAN  
STUDENT DIRECTOR

Marc Smitherman, son of Mr. and Mrs. Phillip Smitherman, is student director of the Texas Student Council Workshop on the WTSU campus in Canyon this week.

Mark attended five workshops while active in the Floydada High School student council. He also served as president of the student council this past year when it was awarded outstanding council in the district.

author of "Blue Collar Sabbatical," the 52-year-old educator explained why: "As much as I love the academic world, I feel that it is a 'precious,' isolated world. I have often urged students to drop out of school when they are tired — not taking full advantage of the place. So I began to think that, if it's good advice for them, maybe it's just as good for me."

By working as a ditch-digger, a salad and sandwich man and a garbage collector, Doctor Coleman learned a great deal about himself and other people:

"I don't think any one lesson was more important to me in these jobs than the need that people have for appreciation."

Given "meaningful work to do and some appreciation" people "work extraordinarily hard."

He also saw a great need for career guidance: "Hundreds of thousands are crying out for guidance, and nobody's hearing the cry."

### Sophomore League

Lockney #1 dropped a sophomore League baseball decision to Floydada #1 June 28 by a score of 17-0. Aaron Wilson pitched the whole game for Lockney. Howard Moore got the only Lockney hit, a single in the fourth inning.

The Lockney sophs lost to Abernathy #1 on July 2 by a 14-4 margin. Wilson was the Lockney pitcher. David Lee, Ches Carthel and Howard Moore singled for Lockney in the game. Wilson got a triple, and Dusty Smith had a single and a double for Lockney #1.

Friday, Lockney 1 beat Lockney II, 6-4. Moore pitched for the winners, while Philip Garza was the starter for Lockney II. Getting hits for Lockney I were Wilson (two singles), David Lee (a single and a double), Rene Guerrero (two singles), Glen Watson (a double), Moore (one single), and Smith (one single).

## Miss Perkins Is Bride Of Dr. Charles Henry Overstreet

Miss Pamela Grace Perkins and Dr. Charles Henry Overstreet were united in marriage at 7:30 o'clock in the evening, Saturday, June 29, 1974, at the First Baptist Church of Clarendon, Texas. The Rev. Dr. James O. Brandon officiated at the double ring altar ceremony, before a background of cathedral candelabra and white gladioli interspersed with palm trees.

Mr. and Mrs. Thomas John Perkins of Clarendon, and Mr. and Mrs. Robert Winfield Overstreet of Floydada are parents of the couple.

Mrs. Raleigh Adams, organist, presented nuptial music.

Tapers were lighted by Ronald Winfield Davenport and Donald Wade Davenport of Friona, nephews of the groom.

As the bride's father escorted her to the altar, she paused and presented her mother with a red rose. When the bride and groom left the altar, they presented a red rose to the mother of the groom.

The bride was presented in marriage by her father. Her formal heirloom dress of ivory silk satin with traditional fitted bodice and long sleeves was accented with tiny satin buttons and double folds of draped pleats caught at the waist in a large bow, forming a semi-bustle. Her ivory veil of cluny lace, seeded with pearls, was attached to a bonnet, ruffled and tucked with satin ribbons. She carried a bouquet of pink carnations and roses with daisies and baby breath.

Miss Judy Mogonye of Elgin, was maid of honor. Matron of honor was Mrs. Delbert McElroy of El Paso. Mrs. Dianne Helton of Amarillo was bridesmaid. They were gowned in floor length dresses of pale pink voile flocked with daisies, featuring an empire design. They wore picture hats of pink and carried a long stemmed pink rose.

Robert Winfield Overstreet was his son's best man.

Groomsmen were Ronald Lee Davenport of Friona, brother-in-law of the groom, and Dr. Mart Brillhart of Lubbock.

The groomsmen served as ushers. The candlelighters served as junior ushers. The groom and his attendants wore white tuxedos.

The mother of the bride wore a floor length dress of aqua crepe of shirtwaist design with matching accessories. The mother of the groom was dressed in a yellow silk chiffon with a long accordion pleated skirt. Their corsages were white carnations and yellow rosebuds, tied with yellow ribbons.

The grandmothers of the bride and groom had corsages of pink carnations. Aunts of the bride and groom and members of the houseparty wore corsages of white carnations.

Following the ceremony a reception was held in the home of the bride's parents.

The bride's table was laid with a floor length cloth of satin and net with pink ribbons and bows. The centerpiece was a four candle silver epergne filled with a bouquet of mixed pink flowers and baby breath. The four tiered cake was separated with iced columns and topped with pink fresh flowers and baby breath. Pink punch and roll mints were served from silver appointments.

The groom's table was also laid with a floor length satin and net cloth. The floral arrangement was a bouquet of mixed pink flowers in a silver wine cooler, German chocolate cake, champagne punch and nuts were served from silver.

Presiding at the bride's table were Mrs. Bobby Leeper of Clarendon, Miss Melinda Lyles of Stephenville, and Mrs. Terry Ashcraft of Clarendon. At the groom's table were Miss Betsy Middleton of Weatherford, Texas, Miss Roxie Lehman of Austin, and Mrs. Ron Davenport of Friona, sister of the groom.

HAND-ME-DOWN LOGIC

Seasons-in and seasons-out, the confusion of "hand-me-down" logistics is enough to keep mothers in a flurry. It would be helpful if children

could grow in a more orderly fashion and not skip sizes, leaving gaps for you to fill in! Try these hand-me-down hints to solve some problems:

Certain seasonal garments such as coats and snowsuits, corduroy outfits and woolen sweaters, should be saved for the next child. These basic wardrobe components are usually worth keeping; thoroughly clean at the end of each season and store for the next go-round.

HEADING FOR WYOMING GIRL SCOUT CAMP....Nanette Burk, Tracey Puckett and Renee Grimes.

## Floydada Girls Heading For Wyoming Girl Scout Camp

Twenty-five area Girl Scouts have been busy preparing for their upcoming trip to Wyoming. The girls will leave Lubbock early the morning of July 18 and travel by chartered bus to the Girl Scout National Center West in Ten Sleep, Wyoming. Participating in this "Wyoming Trek" which lasts through July 28, will be girls from Lubbock, Idalou, Ralls and three girls from Floydada. These girls are Nanette Burk, Renee Grimes, Tracey Puckett.

To prepare themselves for their trek, the girls have completed two primitive campouts and are now completing their third. They've learned how to pack and carry a backpack, made tube tents, learned how to storm lash a tent and work with a compass.

Some of the activities the girls will be allowed to do in Wyoming are fishing, horseback riding, star gazing, hikes of all kinds, archaeology digs, making sage brush tea and candles, and having swap parties.

Some of the recipes that will be used on this trip may be helpful to the upcoming Day Campers. They are quick and easy to make and would be helpful for just about anyone to use.

more than a billion. They were described, at that time, as graceful in their migratory flights in "infinite multitudes" and often appeared like black distant clouds that sometimes blocked out the sun. Extinction was absolutely inconceivable.

But, man ruthlessly slaughtered them until they disappeared from the face of the earth.

The last of the species, Martha, managed, somehow, to out-survive the others

### HOT CHOCOLATE MIX

1 lb. Nestle's Quick  
1 lb. powdered sugar  
1 lb. jar non-dairy creamer  
8 qt. box instant nonfat dry milk  
1/2 cup Hershey's Cocoa  
Mix together all ingredients and store in covered container. When ready to serve, fill cup about 1/2 full of hot chocolate mix and add hot water. The hot chocolate also can be made in a big pot.

### RUSSIAN TEA

2 cups sugar  
2 cups instant orange breakfast drink  
1/2 cup instant tea  
1 1/2 tsp. cinnamon  
1/4 tsp. cloves  
2 pkgs. lemonade mix (enough to make 3 qts. lemonade)  
Mix together ingredients and store in covered container. When ready to drink, use 2 tbsps. mix and add hot water in a cup.

### BISCUIT MIX

9 cups sifted all-purpose flour  
3 tbsps. baking powder  
1 tbsps. salt  
1/2 cup sugar  
2 cups shortening that needs no refrigeration  
1/2 cup dry milk  
Stir baking powder, salt and sugar into flour. Sift together three times in large bowl or large square of plain paper. Cut in shorten-

ing until mix is consistency of cornmeal. Store in tightly covered container at room temperature.

For camping, Mrs. Moore suggests taking plastic bags that can be sealed across the top. Add water to mix in bag and knead right in the bag. This saves on the dishwashing, she explains.

To give themselves quick energy while out on a hike, the girls prepared a snack food made with different kinds of dry cereals. The following recipe makes 50 one-cup servings.

The devotionals are a big blessing to all of us and a big part of our daily lives. It's been a long time since I named these people so thought I would now (hope I don't miss anyone, don't mean to). Monday is West Side Church of Christ, Tuesday is Assembly of God, Wednesday is First United Methodist Church, Thursday is Bro and Mrs. Clay Muncy, Friday is Baptist Church of Flomot, Texas, and Sunday morning is Assembly of God and West Side Church of Christ. Sunday afternoons are a different area church each time. This involves lots of people and time; we are so grateful for this kind of love being expressed to and for us here at the center. We are very thankful.

Activities have been busy with workers and lookers. We could still use any new ideas anyone has. Till next time.

COMING! 20th Century-Fox Proudly Presents Johnny Cash

CENTER, July 7 - Here it is a warm July day - bright with a few clouds floating around. How we'd love to have a good rain! The shower last Wednesday night was fine.

So many seem on vacation. At least they are hard to get today. I am back from a few days with Clyde and family in Peralta, N.M. They are dry there, too. But it is a pleasant place to visit - so beautiful - trees and mountains and the many, many homes in the valley along the Rio Grande.

One p.m. we went into Albuquerque, a city of 300,000, and had a nice visit and supper with J.B. and Maurine Jordan and Kathie and family. Saturday we made the trip into the mountains to the New Mexico Baptist Enlow Youth camp to pick up Annie and a girl friend, who had spent the 5 days there. Then we rode further on into the pine wooded area, ate a picnic lunch and climbed around. Sunday we attended their Bosque Farms Church which has a beautiful new sanctuary almost done. Time to start home Monday, I took the bus to Amarillo where I was met by J.B. and Gertrude Massingill, and I visited about two days with sisters and families at Borger and Phillips. By the way, when the bus stopped at Tucumcari, I got off and tried to call Mrs. Mankins by phone, but couldn't get her.

At Borger the girls had been canning wild plums and making jelly - made me think of pioneer days and since Wednesday I boarded the bus at Borger for home. Got to Plainview, and daughter-in-law Sue brought me home. It is pleasant riding the bus since recent Federal law asks smokers to retire to the rear of the bus while smoking.

The Claud Carpenters are back from a visit to Altus, Okla., a former home. Last Wednesday they and the Glen Smiths of Lockney met for dinner at a brother's home, the Russell Smiths of Lone Star.

Mr. and Mrs. W. L. Hartline recently visited with their son James and family of Levelland. Donna and Buddy, children of their son, Dub and wife of Roswell, visited Sunday with their grandparents here.

Mr. and Mrs. Clarence Ashton are home from a visit to League, Texas, with their son, Bobby and family. Mr. and Mrs. Garvin Beedy and Mitzi of Lockney and their daughter and family, Mr. and Mrs. Tim Jeffress and baby Jennifer visited Sunday with Jane Beedy's parents, Mr. and Mrs. Leo Frizzell.

Mother Beekworth returned home at the Dale Millers, Sunday after a week's visit with a son, Lloyd Beekworth and wife of Wichita Falls.

Miss Vera Meredith's visitors recently were: Monday last, Mrs. Helen Patterson and mother, Mrs. Gilly; Saturday, Mrs. Pleas Nelson of Amarillo; Mrs. S. W. Ross and Mrs. Hal Thomas; also Mrs. Clay

Muncy and Mrs. F. W. Payne of Lockney.

On a recent weekend the Charley Spences and Mr. and Mrs. Sam Spence all attended a family reunion at Sherman at their other son's home, the Orville Spences. All present - sons, daughters, grandchildren and new great grand, except the daughter and husband in Alaska. They report a good time.

Sunday week the Spences visited her sister and husband, Mr. and Mrs. A. B. Caldwell of near Abernathy. She had eye surgery recently.

Mrs. Spence spends some time visiting her sick neighbors, Mrs. Ratzlaff, Mrs. Burns.

Mrs. Frank Dunn is another of us who stayed home July 4th. Mr. and Mrs. Floyd Montgomery of Plainview visited her one evening awhile last week.

Mr. and Mrs. Milton Mensch of Lubbock came Sunday to visit her parent, Mr. and Mrs. Hal Thomas. They were just back from a vacation in East Texas where they visited in the home of Sue's brother.

Mrs. C. M. Meredith is home after a visit to children down state - Nancy Vertes and family of Dallas and at Edna with Curtis and family. She attended her granddaughter's wedding at Edna.

Mr. and Mrs. Fred Battey visited Mr. and Mrs. David Battey Sr. of Harmony Community Sunday p.m.

Mrs. Green visited briefly at the Pecks July 4th, and attended a party at Mrs. Payne's Friday p.m.

Mrs. Ola Warren dined with the Thomas Warrens Sunday - so did Elaine Stout and family of Archer City.

SHERIFF PUSSER (Joe Don Baker) embraces his wife Pauline (Elizabeth Hartman) in a tender moment from BCP Productions "Walking Tall" Written and Produced by Mort Briskin, Directed by Phil Karlson, Distributed by Cinerama Releasing. Showing Thursday, Friday and Saturday at the Seale Drive-In.

## FLOYD PHILOSOPHER

### Finds Two Startling Things About The Economy Overlooked By Experts

Editor's note: The Floyd Philosopher on his Johnson grass farm claims he has noticed something about the economy others have overlooked.

Because economists are too busy trying to decide whether or not we're in a recession - as I figure it, economists are two lengths behind doctors; doctors can recognize when a man has a bad cold, they just can't cure it, whereas economists not only can't cure a recession, they can't even agree on whether we've got one - at any rate because they're so busy they've overlooked a couple of vital things about the economy.

I noticed them just yesterday. They are: interest rates are now equal to the inflation rate.

That's right. Inflation is now pegged at 12 percent a year and big city bank interest rates are now at 12 percent.

I don't know how the economists missed this, but I have been figuring, if the two keep abreast of each other for a few more years, they will of course reach 100 percent.

All right, say you need to borrow \$1,000.

You borrow it at one window and then if you're smart you'll race to another window and pay it back before the interest eats you up.

That takes care of 100 percent interest rates, but about how to handle inflation, I'm not very clear. The trouble is, not everybody believes in inflation.

You take a rancher. He goes into a cafe and the waitress tells him coffee has gone up to 20 cents a cup on account of inflation and he believes her. He hands over 20 cents. But when he takes some steers to market and says they're worth 40 cents a pound, nobody believes him.

When one part of the population believes in inflation and another part doesn't, you've got a complex situation on your hands.

It seems to me the rate of inflation ought to be set by Congress and it ought to be made to apply to everybody. How long could the game of football last with one end of the ball inflated and the other end flat?

Yours faithfully, J.A.
