7:30 P.M. Kick-Off At Littlefield

Floydada Whirlwinds have been getting in a lot of practice this week, and are in good physical condition and attitude as they prepare to take on the Littlefield Wildcats at Littlefield Friday night.

The current series of games with Littlefield in some ways has been more exciting than the usual high tension game between Floydada and Lockney.

The four year record with Littlefield looks like this: In 1970 the Winds won 21-3. In 1971 it was 0-0, but Littlefield won 13-9 on first downs. In 1972 it was Floydada 3-0 and 7-0. In 1973 the Winds won the regular season game 7-6, and the Wildcats won the bi-district game 30-6.

Floydada fans will be on the east side of the stadium.

Littlefield is 2-1-1 for the season. The Wildcats beat Slaton, beat Muleshoe last week 8-0, lost to Cooper and tied Levelland 7-7.

The Whirlwinds will have their sights set on 6-1, 210 pound Riek Hopping, a junior who runs fullback and defensive tackle. He also makes the holes for fleet tailback Bill Turner, a 5-11, 170 pound junior, who has done most of the Wildcat scoring. At Muleshoe last week Turner picked up 100 yards running and kicked the total of eight points.

Whirlwind coach L. G. Wilson says that the Wildcats have an outstanding defense, most of them veterans from last year.

Guard-tackle Doug McCain 5-10, 200, offensive guard Jerry Soria 5-7, 180, linebacker Gary Lichte 6-1, 180 and Ben Farmer 5-11, 180 are all defensive standouts.

Whirlwind starting lineup:

OFFENSE
ENDS — Tom Assiter, Elton Ratliff
TACKLES — Billy Fulton, Mark Craig

GUARDS — Joel Hendrix, Gary Nixon

CENTER — Tony Hesson

QUARTERBACK — Mike Vickers

FULLBACKS — Malvin Collins

HALFBACKS — Kelvin Ratliff, Rex Yearly

DEFENSE
ENDS — Mark Craig, Steve Moore

TACKLES — Monte Williams, Leslie Soto

INSIDE LINEBACKER — Keith Marricle, Mike Reves

LINEBACKERS — Mac Mitchell, Lyle Suggs

HALFBACKS — Donzelle Minner, Kelvin Ratliff

SAFETY — Tony Soto.

PUNT, PASS AND KICK

Every Reed Ford PP&K

contestant is reminded to be at the football field at 9:30 a. m. Saturday.

WHIRLWIND CAPTAINS for the Littlefield game are (left to right) Rex Yearly, Rod Enriquez and Mike Vickers.

September Rainfall Not Near Record

Although it has rained almost seven inches this month (6.83) this is not a record for September rainfall.

Back in September of 1925 it rained nine inches, in 1926 it rained 7.70, in 1936 the record of 14 inches, in 1942 a total of 7.70 and in 1971 a recording of 7.73 inches.

Because of the continued easy rainfall, most of this moisture has saturated the ground with very little runoff until the last two or three days of the 11 day rain period.

Breezers Lambast Littlefield

Everyone in the Floydada area hopes the Junior High Breezers set the pace for all Littlefield games this week, as they had no trouble winning both seventh and eighth grade games here Tuesday night.

The JV and Freshmen play at Littlefield tonight, the Varsity tomorrow night.

Coach Gary Jones' eighth graders had no trouble taking the Littlefield team 26-8. All the Floydada scoring was in the first half as coach Jones let most everyone play in the second half.

In the first quarter it was Michael Sales scoring from six yards out and Ricky Day ran the two extra points.

Another first quarter TD was made by Brad Feuerbacher from the five yard line. In the second quarter Greg Jones scored from the ten, Ricky Day took a TD pass from quarterback Todd Vickers. Vickers completed five of eight passes.

The one Littlefield TD came in the fourth quarter on a 70 yard run.

Coach Jones cited Ricky Luna with recovering five fumbles, Joe Covington, Ricky Johnson and Jimmy Covington all recovered fumbles.

Jones praised the defensive work of Jay Waller and Greg Jones. The Breezers play their first district game at Lockney next Tuesday afternoon at 5 o'clock.

SEVENTH GRADE BREEZERS

Junior High Coach Mike Cocanougher had nothing but praise for his 7th grade Breezers in their win over Littlefield Tuesday night to a score of 36-12. He named several outstanding defensive players among them Junior Arrendondo, Henry Gonzales and Keith Nixon. Coach Cocanougher said Littlefield was hurting the Breezers on the defensive corners for a while but Danny Nutt and Robert Armstrong finely "put-it together" and stopped Littlefield. The second and third string Breezers played the fourth quarter with all of Floydada's scoring coming in the first, second and third quarters.

The first score came from Tracy Womack and the try for two pointed failed. In the second quarter a 40 yard run by Junior Arrendondo put six more points on the score board and the two points after were made by Henry Gonzales.

Right before the half, fullback Ray Marcado broke loose down the middle on a run of 30 yards and six more points. Quarterback Troy Marquis took the ball in for the two extra points.

In the third quarter Marquis came out throwing the ball, hitting Dariny Nutt and Henry Gonzales to set up another TD from the quarterback to Gonzales. In the last of the third quarter Arrendondo broke loose for another run and a TD with Tracy Womack going in for the extra two points.

The 7th Breezers go against Lockney next Tuesday at 5 p.m. in Lockney. This will be their first district game.

Cocanougher says he is getting the Breezers ready and their battle cry for next week's game is "Get a Shorthorn."

EIGHTH GRADE

Coach Gary Jones' eighth graders had no trouble taking the Littlefield team 26-8. All the Floydada scoring was in the first half as coach Jones let most everyone play in the second half.

In the first quarter it was Michael Sales scoring from six yards out and Ricky Day ran the two extra points.

Another first quarter TD was made by Brad Feuerbacher from the five yard line. In the second quarter Greg Jones scored from the ten, Ricky Day took a TD pass from quarterback Todd Vickers. Vickers completed five of eight passes.

The one Littlefield TD came in the fourth quarter on a 70 yard run.

Coach Jones cited Ricky Luna with recovering five fumbles, Joe Covington, Ricky Johnson and Jimmy Covington all recovered fumbles.

Jones praised the defensive work of Jay Waller and Greg Jones. The Breezers play their first district game at Lockney next Tuesday afternoon at 5 o'clock.

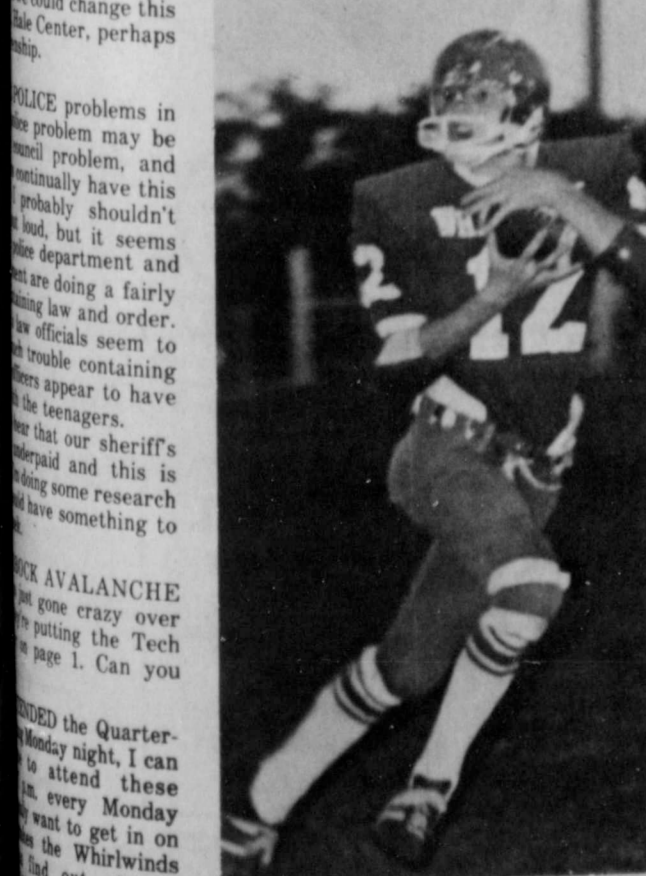

School Out Early!

In order to allow everyone plenty of time to travel the 65 miles to Littlefield for the football game Friday night, Floydada schools will turn out at 2:30 Friday afternoon.

Kick-off time is 7:30 p.m.

PEP RALLY

The "Lambast Littlefield" pep rally will be in the FHS gymnasium at 2 p.m. Everyone be there with something green.

Barwise Dump Ground Closed

According to an announcement by Commissioner of Precinct I Aaron Carthel, the dump ground northwest of Barwise has been closed.

"Everyone is requested to haul their garbage and trash to the Floydada dumpground, and we are going to clean up the dump ground and close it up at Barwise," Carthel told a Hesperian reporter yesterday.

Carthel said the dumpground was partly underwater and becoming very unsanitary.

DOG WARDEN QUOTES ORDINANCE

City dog warden, Stephen Carver warns the people again about dogs with no collars.

Ordinance #468 - Section 14 (a) "Unlawful to allow dog or cat to run at large."

It shall be unlawful for owner of any cat or dog to permit or allow such dog or cat to run or be at large upon any public street, highway, alley, court, square, park, sidewalk or other public ground or public property within the corporate limits of the City of Floydada.

TENNIS TOURNAMENT BEGINS SATURDAY

The mixed-doubles tennis tournament, postponed last weekend due to rainy weather, has been re-scheduled for the weekend of October 5-6, according to Maurice Goodwin.

Everyone is urged to be at the high school tennis courts in Floydada at 2:30 Saturday, Oct. 5, for the tournament.

Women Still Winning Football Contest

The women continue to dominate the Hesperian football contest. Three girls won last week, and this week's first place winner of \$7.50 is Nell McClung, 415 W. Mississippi, Floydada.

She missed only three games.

But two men came in second and third. Jack Covington of Floydada was second with three misses and he receives the \$5.00 second place prize. Also missing three contests and winner of the third place prize is Grady Freeman of Floydada.

The tie breaker Floydada-Olton game was used to decide the first three places as all missed three games each. The total score of the game was 44. Nell guessed 40, Jack guessed 35 and Grady guessed 27.

Honorable mention goes to the following contestants who missed only four games each: Edith Muniz, Don Warren, Jean Hale, Mary Marler, W. L. Carthel, Lucio Vasquez, Leigh Weatherbee, Ricky Vasquez, and Burl Masters.

As It Looks From Here

This past week, the House of Representatives celebrated the 200th birthday of the Congress.

In September of 1774, fifty-six delegates from the thirteen Colonies were brought together in a loose federation in Carpenter's Hall in Philadelphia.

The colonies themselves were loosely organized, if it could even be described as organization. It was more of

an acquaintance with one another.

The thing that really caused the convening of this group in Philadelphia was action by the British Parliament imposing a tax on tea. In protest, on December 13, 1773, about 200 men, dressed as Indians and cheered on by a crowd of several thousand, dumped 342 chests of tea into the Boston Harbor. A few months following, in 1774, British political leaders took swift retribution by passing an Act to close the port of Boston until the destroyed tea was paid for. Intended to bring a swift halt to Massachusetts resistance and serving as an example for the other Colonies which persisted in opposing British rule, the Coercive Acts had precisely the opposite effect. It solidified the Colonies to oppose the King's arbitrary power.

The colonies chose delegates to the Carpenter's Hall meeting in Philadelphia in response to a resolution passed by the Massachusetts State House of Representatives to determine what action should be taken to "extricate the Colonies from their present difficulties; to secure and perpetuate their rights, liberties and privileges; and to restore past peace, harmony, and mutual confi-

dence which once happily subsisted between the parent country and her Colonies."

Like the Congress, today, the delegates to that meeting ran the gamut of opinions and temperament. Some were cautious and advocated moderate measures, while others were like South Carolina's Christopher Gadsden, who was "for taking up his firelock and marching direct to Boston" against the British.

After weeks of debate and discussion, a formal "Declaration and Resolves," was drawn up and adopted. In the statement, which was described as bold, colonial rights and grievances were enumerated. It served as a petition to the King of England to keep Parliament from imposing burdensome laws on the colonies and, particularly "taxation without representation."

Perhaps most important of all was an agreement by this first Congress to meet again on May 10, 1775. By so doing, it created the permanent national American political institution - one that would guide these States through the American Revolution, preside over the creation of the Federal Union in 1787 and,

establish representative government on the national level in the new United States. The Congress, which last week celebrated its 200th birthday, has stood as the chief bastion for securing and perpetuating the "rights, liberties and privileges of the people of these United States."

FLOYD PHILOSOPHER

Admits He's Behind The Times

Editor's note: The Floyd Philosopher on his Johnson grass farm this week admits he's behind the times.

I knew the times were out of joint but I didn't know how far - even if a steer on the hoof does bring only 20 cents a pound at the ranch and \$2 a pound three months later at the supermarket - until I read last night what's happening in the newspaper business.

According to it, one of Canada's largest producers of newsprint, the paper you print The Floyd County Hesperian and The Lockney Beacon on, has just raised its price \$25 a ton, making it the fourth raise this year and bringing the price up to \$260 a ton in carload lots.

But what caused my mind to flip over backwards was the response of another paper company when it learned the Canadian firm had upped the price. "This is a highly competitive business," it said, "and if one goes up in price and can make it stick, the other companies usually follow."

You can see how far behind the times I am. I didn't know that competition now means you have to charge more than the next guy to keep him from getting all the business. This sounds like I've got it backwards but that's exactly what the paper company said. To meet competition today you've got to raise your price every time somebody else does, particularly if he can make it stick.

There's the point. If he can make it stick. And with the psychology of inflation what it is, he probably can. Raise the price - who knows, the public may grumble but still go ahead and shell out. Let's everybody get ahead while we can, then if a depression hits we'll be in good shape.

Sooner or later somebody's going to have to throw a monkey wrench into this spiraling system, but the trouble is very few companies are now making monkey wrenches and the few that are made are sky high and a man would have to think twice before throwing one.

Yours faithfully,
J.A.

Kirchhoff Proposes School Tax Refund

A cash refund from the state's surplus of offset this year's increase in ad valorem school taxes was proposed today by Mary Kirchhoff of Plainview, candidate for the State Senate's 30th District, as she pointed out that "It's high time we recognized that the doors of the state treasury can swing both ways when we accumulate a surplus that exceeds reasonable limits."

"There is no question about how hard inflation has hit everyone," she noted. "When you combine a higher cost of living with the added burden of higher taxes, it becomes painfully apparent that our people are suffering at the hands of forces over which they have absolutely

no control." Mrs. Kirchhoff's proposal would refund a cash payment to property owners equal to this year's increase in the ad valorem school tax levied in most school districts.

"We can certainly afford a cash refund," the candidate said, who has studied state government for more than twenty years. "The state's surplus is estimated conservatively to be \$300-million or more by the end of 1974. This is too much - by any yardstick. What it says is that people are paying too much tax. When that happens, government should do something about it, and do it now."

"Information available at this time indicates that

approximately \$100-million were necessary through added taxes when the governor and the legislature failed to provide enough for educational needs throughout the state. Refunding this amount to property owners is nothing less than fair, now that such a huge surplus is accumulating in Austin."

"We should also look toward a much-needed adjustment in the cost-of-living index applied to the salary schedules of teachers and other public employees. In many instances, inflation has hit these groups harder than others in our society because their salaries are fixed. This must be kept in mind if we want to continue the quality of education we have in Texas, and if we want to maintain the quality of services we expect from our government agencies."

"We can't cure a problem like inflation overnight. . . . When a three percent sales tax on inflated prices will produce the same state revenue that four percent produced on pre-inflation prices, the government should stop digging so deep into the average family's pocketbook."

The Senatorial candidate, noted for her "Mary gets things done reputation, observed that "The usual approach in dealing with a surplus is to provide funds for a host of wild-eyed ideas and new programs. It is time for us to take a different approach - let's look at where that extra money came from in the first place, and put a priority on doing something for the people who have been paying more and more year after year."

Mrs. Kirchhoff, wife of a farmer-cattleman, pointed out "A cash refund to taxpayers would reduce state spending. Certainly this is something constructive the government can do to fight the problems of inflation; and, at the same time, help the consumer-taxpayer."

"I believe state government has a specific obligation to refund taxes whenever the surplus exceeds reasonable limits," she said.

Dr. O'Brien

It was learned here this week that Dr. P.D. O'Brien died July 19. He was pastor of the First Baptist Church in Floydada during the years of 1928-1930.

Dr. O'Brien was a man of great ability. It was during his ministry here that the brick building on the present property was built. The building is still in use.

He later served as pastor of the First Baptist Church in Big Spring until retirement. After leaving Big Spring, he and Mrs. O'Brien moved to Houston. It was there that he accepted the responsibility of associate pastor at the Second Baptist Church, a place he served until his death.

Mrs. O'Brien will make her home in Houston. Her address is 11821 Durrette Drive, Houston, Texas 77024.

John Arthur Ray

Funeral services for John Arthur Ray, 63, were held Saturday in Wallace Funeral Home Chapel in Tulia, with Loren Harper, minister of the Happy Church of Christ, officiating. Burial was in Rose Hill Cemetery by Wallace Funeral Home.

Born April 3, 1911 in Quanah, Ray was married there to Juanita Hyden January 13, 1936. He had been a resident of Vigo Park 11 years.

Ray died about 1 a.m. Thursday at Swisher Memorial Hospital in Tulia.

Surviving are his widow, five sons, Roy Ray of Happy, Don Ray of Edmonson, Arthur and Jerry Dee Ray, both of Lockney; and Larry Ray of Happy; one daughter, Mrs. Judith Mangum of Lockney; four brothers, Clarence, Edgar and Thomas Ray, all of Quanah, and Kenneth Ray of Pampa; four sisters, Mrs. Gertrude Leonard of Tulsa, Oklahoma, Mrs. Florence Williams and Mrs. Jonnie Jo Richie, both of Los Angeles, California, and Mrs. Jessie Lee Marsh of Quanah; and 14 grandchildren.

Grandson of Floydada

Women To Wed

The engagement of Miss Barbara Sue Mackey, daughter of Mrs. Lee Mackey and the late Mr. Mackey of Lorenzo, to Stephen Hardee, Newsome has been announced by her mother. The prospective bridegroom is

the son of Mr. and Mrs. W. F. Newsome of Waco and grandson of Mrs. J. C. Newsome of Floydada.

The couple plans to marry November 26 in St. Luke's United Methodist Church.

Athena Federation Night

Athena Junior Study Club, a member of the larger General Federation of Women's Clubs, met Thursday evening in the home of Wilbur Mize, with Mrs. Pat Ritch serving as co-hostess. The club sang the Federation Song accompanied by Mrs. Nida Peck at the piano. Mrs. Sue Zorger gave the invocation.

A program entitled, the "Federation - i - za - tion of Athena" was presented by Mrs. Jan Mize, fed-

eration counselor. Using the Federation Quiz as a script, all members participated in the program, which featured posters, hand-outs, and audience participation. Roll Call involved members answering random questions concerning federation.

Mrs. Sue Zorger, education chairman, then presented an Education Speak Out regarding the observance of American Indian Day. She then gave a humorous reading "If I Lived My Life

Again," a business meeting then followed, presided over by President Sherry Cannon.

The results of the club's participation in the Floyd County Fair were announced. The club placed second in the Float Division and also second in total club points for the numbers of entries provided and the number of ribbons won. These were cash awards. The ice-cream booth, a club money-making project, was considered a success, and plans to enlarge the project for next year were discussed.

Mrs. Sheila Poole reported from an article in a current geographic publication concerning the "Big Thicket". To preserve this 100,000 acres of Texas wilderness has been largely due to the efforts of Texas Federated Women. Members were urged to write U.S. Senator Roy Taylor to impede the action of his joint committee concerning this bill.

Nida Peck, Americanism Chairman, then announced her plans to encourage local 18 year olds to the polls. "Poll Power" is a project all federation women will strive to accomplish during the 1974-76 administration.

The official call to the Fall Board Meeting to be held next month in Floydada was then announced, and pre-registration was begun.

Assorted nut breads, pineapple chunks, pickled weiners, cream cheese, juice, and coffee were then served to Athena members and their special guest, Mrs. Lila Warren of Lockney. Two new members, Mrs. Kathy Hunter, and Mrs. Cheryl Esses, of Lockney, were announced. Those attending were Mmes. Bowles, Cannon, Carthel, Hallmark, Lusk, Mathis, Meriwether, Mize, Owens, Poole, Peck, Ritch, Zorger, Taylor and Hunter.

Miss Moore Honored With Shower

Miss Valley Moore, bride-elect of Alan Daniel, was honored with a recent shower in the home of Mrs. Bill Hardin in Floydada.

Mrs. Andrew McCulley registered guests, who were greeted at the door by Mrs. Hardin. In the receiving line along with Mrs. Hardin and the honoree were Mrs. C. Ed Moore of Muleshoe, mother of the honoree, and Mrs. W.F. Daniel, Jr., mother of the prospective bridegroom. They wore corsages made of yellow and white gingham flowers tied with white ribbon to accent their ensembles.

Special guests were Mrs. Bob Ratjen and Mrs. W.F. Daniel, grandmothers of the prospective bridegroom; and the bridegroom's sister, Mrs. Johnnie Reed, of Lubbock.

Mrs. Leon Ferguson assisted in displaying gifts. Refreshments of coffee, spiced tea, fruit breads, and

nuts were served from a table laid with a white linen cloth. The centerpiece was a flower arrangement of yellow and gold mums in a crystal epergne. Silver and crystal appointments and yellow napkins completed the table setting.

Mmes. R.H. Lutrick, Bob Alldredge, Maurice Goodwin, and W.H. Simpson, Jr., alternated at the silver service.

Hostess gift was a set of aluminum cookware. Hostesses were Mmes. Jerry Livingston, Claude Weathersbee, Wilson Bond, Thomas Warren, Goodwin, McCulley, Ferguson, Alldredge, Simpson, Lutrick, and Hardin.

Miss Bramlet Receives CMA-C Certificate

Carol Bramlet has just returned from a trip to the 18th Annual American Association of Medical Assistants National Convention held at the Hilton in Denver, Colorado. A dinner on September 26, 1974, was given in her honor, and, along with approximately 80 other women, she received her certification and is now a Certified Medical Assistant in the Clinical aspect (CMA-C). A person may also be certified in the Administrative and Pediatrics aspects.

In order to receive this certification one must either have majored in Medical Assisting at a participating college or have worked as a medical to a doctor for at least two years, after which the candidate must take the CMA examination in which ever aspect she chooses. At the present time, the CMA exam is offered only once a year — the last Friday in June, however, plans are being made to offer it at least twice a year. Over 1,000 applicants took the exam this past June and

approximately 500 received their certification. This is a new record for the AAMA. Although Medical Assistants are relatively new to this area, as soon as more people know about the

National 4-H Week October 6-12

COLLEGE STATION — National 4-H Week will be observed Oct. 6-12, with the theme: "4-H — We Can Make It Happen", and this offers a good opportunity to take a look at the 4-H program in Texas during the past year.

According to Dr. Don Stormer, state 4-H and youth leader for the Texas Agricultural Extension Service, "4-H enrollment continues to make good strides. For 1973-74, a total of 124,747 Texas youth between the ages of 9 and 19 were active in 4-H activities. This is about an 8.75 percent increase over the 1972-73 period."

Of the 4-Hers, the biggest percentage live in towns under 10,000 population — 33 percent. About the same number live on farms and ranches as live in central cities — 23 to 24 percent. Some 16 percent of the members live in towns and cities of more than 10,000 population.

Stormer notes that there were a total of 3,433 different 4-H clubs or special groups, with at least one such club in each of the states 254 counties.

The 4-Hers were enrolled in nearly 200,000 different projects. Those concerning agriculture and related subjects totaled some 71,000 while those in home economics and related areas totaled about 66,000. Some 60,000 other projects were in a wide range of special

profession and more trained Medical Assistants are available, there should be a great demand for them. At this time, Lubbock Christian College is the only school in this area with a 2-year Medical Assisting Program. After completing this course the student is eligible to receive an associate degree in Medical Assisting, and after working in a doctor's office for a year, may take the CMA exam. The program includes courses in Medical Terminology, Medical Law and Ethics, Anatomy and Clinical Procedures, as well as typing, accounting, and clerical practice.

LCC Assocs. Review Projects

Projects for the coming season were reviewed at the opening meeting of the Lubbock Christian College Associates, Monday evening, September 23. President, Mrs. L. H. Blum was hostess in her home for the occasion.

Members sold pies at the LCC pie booth, South Plains Fair. The local chapter is sponsoring a number of construction and repair projects at the Lubbock college.

Mrs. Blum served pineapple pound cake, coffee and tea to Mmes. Grady Walker, Troye Stansell, Sam Lide, J. A. Arwine, Thelma Horn and Mrs. Sue Grummwywe.

Next meeting will be a program on the Meals-On-Wheels project October 21.

tion, according to Doug Blankenship, chairman of the board of directors for the national awards publication.

Now in its tenth year, Outstanding Young Men Of America is an annual biographical compilation sponsored by leading men's civic, service and professional organizations. The Awards Volume features the accomplishments of approximately 6,300 young men of exceptional abilities and achievements from across the country.

Criteria for inclusion in Outstanding Young Men Of America are service to others, professional excellence, business advancement, charitable activities and civic and professional recognition. The young men chosen for this distinction are between the ages of 21 and 35.

Alvan C. Gillem II, Lt. General, USAF, and author of an introductory message to the 1973 edition of the Awards Volume said, "The young men in this book are...men to whom 'duty, honor, country' is not a corny and outmoded catch phrase. Their track record to date stamps them as

Nominations for the awards publication are made by civic organizations, Jaycee chapters, college alumni associations, and military commandants.

The 1974 edition of Outstanding Young Men Of America is scheduled for publication and national distribution in November of this year.

interest areas. "Almost 21,000 volunteer leaders were involved in 4-H programs and activities during the past year, up several hundred from the previous year," points out Stormer. Of this number, some 14,600 are adults while the remainder are junior and teen leaders.

"So, 4-H is continuing to progress in Texas. Programs are providing more learning and leadership experiences for youth so that they will be better equipped to take their place in tomorrow's world."

"4-H is indeed 'making it happen,' not only in Texas but throughout the nation," contends Stormer.

What One Person Can Do

FRANK O'MALLEY,
Teacher

The bells of the Notre Dame University Chapel tolled hourly the day Frank O'Malley died in May, 1974. He was 64. He had been an English professor there since 1933.

Mr. O'Malley's classes were in such demand he often personally screened applicants. He had filing cabinets and drawers overflowing with letters received from students over the years. How do you measure the importance of an unassuming man who very simply cared more about students as persons than about anything else, including his own professional prestige?

The Massachusetts-born professor was an intellectual leaders among the faculty. But his heart was with people — mostly students in and out of the classroom. A bachelor, he lived in campus residence halls, and was always "around." Students learned from him, as they tell it, to think, to understand, to experience their surroundings. He opened their eyes to the spiritual vision in literature. A

Home Ec Brings Rewards

Muffins and cookies aren't the only things awaiting returning students in home economics classes this year. The Fleischmann's Yeast Menu Planning Contest offers students a chance to win valuable prizes while learning about good nutrition, menu planning, and budget management.

The contest is open to all home economics classes in junior and senior high schools in every state and the District of Columbia. It consists of the preparation of a one-week's menu plan for a family of four—two adults and two children—with recipes for all dishes, including yeast breads and rolls.

The 1975 national winning class flies to San Antonio, Texas for a one-week expenses-paid holiday.

"WHAT WILL MY FRIENDS THINK?"

Saul (later known as the apostle Paul) changed his religious beliefs and practices and it almost cost him his life. "And after that many days were fulfilled, the Jews took counsel to kill him... and they watched the gates day and night to kill him." (Acts 9:23, 24). Would you be willing to go through that to change your religious doctrine? If you found your previous beliefs to be in error according to the Word of God? His acceptance of his new belief (that Jesus was the Son of God) caused him to "go three days without eating or drinking" (Acts 9:9). Even though it was not "easy" for him to do, he later wrote, "... I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ... Philippians 3:4-14.

Probably the biggest factor that hinders change in our life and beliefs in religion when we discover new Bible truths we should obey is PRIDE. Humility, the opposite of pride, is hard to find, more difficult to acquire and almost impossible to maintain. When someone jumps up and says, "I've got it!"... he just lost it! True humility is universally admired, yet the spirit of the world crushes it, kicks it, and shuns it. Humility is the highest, hardest and longest lesson to be learned. It will cost you!

God ask, "How long will you refuse to humble yourself before me?" (Exodus 10:3) We must bring ourselves to accept Bible truth, regardless of cost to ourselves, as it is written, and live by it and if "friends" differ or persecute due to our change... then God be glorified. James 4:10 reads, "Humble yourself in the sight of the Lord, and he shall lift you up". It may not always be easy, but it will be worth it in eternity... read inspired Paul again, II Timothy 4:6-8.

Kathleen Freeman Coming To Hayloft Theater

Kathleen Freeman will be the next star at the Hayloft Dinner Theater in a play that was considered one of the biggest hits ever to appear on the Broadway stage called "Solid Gold Cadillac." Miss Freeman will be known by millions from just seeing her face. However, she is best remembered as the mother of Dom DeLuise on the NBC television hit "Lotsa' Luck." However, Miss Freeman's

fame dates back many years in television and movies, having performed in over 200 movies and television appearances. She appeared in many movies and was a favorite of Jerry Lewis, and he found a spot for her in the majority of his films. The "Topper" series and "Mayor of the Town" starring the late Thomas Mitchell have made her familiar to all T.V. viewers, along with the "Dean Martin Show," "Canon," and "The Lucy Show." Her starring role in the "Solid Gold Cadillac" at the Hayloft Dinner Theater which previewed October 1, 2, and 3 gives her an outstanding opportunity as the lead in this hit play. She holds stock in a massively disorganized corporation and at her first attending a stockholders meeting with her vote, asks some rather embarrassing questions. In order to keep her from continuing her questions and disrupting the entire meeting, she is hired by the

company as Director of Stockholder Relations in some obscure back office hoping that no one would ever see her, hear her or pay any attention to her. Her homey letters, however, seem to reach the ear of four million stockholders and creates some additional problems that the corporation must solve. It is a comedy, a very funny one. GENE HACKMAN is mauled by a bear in this scene from "Zandy's Bride," a Harvey Matofsky production for Warner Bros., directed by Jan Troell, also starring Liv Ullmann, screenplay by Marc Norman, based on the novel "The Stranger," by Lillian Bos Ross. The film shows Friday and Saturday at the Palace.

MATTHEW BURRILL, Helen Harmon, Jan Smithers and Julie Gholson in a happy mood for this scene from "Where The Lilies Bloom," shows Friday and Saturday at the Capada Drive-In. The Radnitz/Mattel Production is a United Artists release.

Vietnam Veterans Eligible For Life Insurance

Vietnam-era veterans discharged during a four-year period before August 1 have until August 1, 1975, to apply for low-cost Veterans Group Life Insurance (VGLI), according to Jack Coker, Veterans Administration Regional Office Director.

An estimated 2.7 million veterans separated from April 2, 1970, through July 31, 1974, are eligible for the insurance. It is designed as interim protection during readjustment to civilian life.

Servicemen discharged since August 1 will receive application forms automatically, Coker added.

Nonrenewable, five-year term coverage is available in \$5,000 increments up to \$20,000. Monthly premium for the maximum coverage is \$3.40 for veterans aged 34 and under and \$6.80 for those 35 and over.

Personnel may convert Servicemen's Group Life Insurance to VGLI without

medical examination, if applicants are received within 120 days of separation. Applications after that time must include evidence of good health. This requirement is waived for veterans with VA-rated, service-connected disabilities.

Application forms are available from the VA Regional Office at Waco, and from veterans county service offices and veterans service organizations. Completed forms and premiums should be sent to the Office of Servicemen's Group Life Insurance, 212 Washington Street, Newark, New Jersey 07102.

agency action to increase the loan rate to a minimum of 50 cents a pound strict low middling 1-1/16", average location. This would move the textile industry and shippers into the competitive market. They are now sitting back expecting farmers to bear the total responsibility of financing the crop until the trade needs it," Naman said.

The Texas Farmers Union leader explained that unless the government takes emergency action, the farmers surviving the economic "wringer" will abandon cotton production in 1975 and instead expand feed-grain production substantially. This could create cotton shortages in the years to come and at the same time cause a feedgrain price bust.

FARMERS UNION SEEKING COTTON PRICE INCREASE

Farmers Union cotton state representatives called for an emergency amendment to the 1973 Farm Bill providing for a mandatory increase in the cotton support price to 50 cents a pound on the 1974 crop. The action was taken at a meeting in Dallas all day Tuesday. States represented were New Mexico, Oklahoma, Arkansas and Texas.

Texas Farmers Union President Jay Naman of Waco, reporting from the Dallas meeting, stated that an immediate increase in the 1974 cotton loan rate is essential to enable southwestern cotton producers to pay off their production loans and finance next year's crop.

"High costs, a poor crop, and below the cost of production prices spell disaster to cotton producers. Congress must take emergency action to increase the loan rate to a minimum of 50 cents a pound strict low middling 1-1/16", average location. This would move the textile industry and shippers into the competitive market. They are now sitting back expecting farmers to bear the total responsibility of financing the crop until the trade needs it," Naman said.

state more than doubled its cash receipts in cotton, feed crops, food grains and vegetables. Production was off in fruits and nuts and rice, due mainly to a poor peacan and peach season and a hurricane damaged rice crop.

White said total livestock receipts amounted to \$3,673,825,000, a jump of more than \$1 billion over the previous year. Receipts for cattle and calves only were \$2.8 billion, placing Texas first again in this area of production. The state ranked second behind Iowa in total livestock receipts.

Crop receipts jumped from \$1.3 billion in 1972 to \$2.7 billion, placing the state fourth in the U. S.

White Says '73 Receipts Up \$3 Billion

AUSTIN--Agriculture Commissioner John C. White has announced that total cash receipts for 1973 crops and livestock amounted to \$6,467,923,000, an increase of nearly \$3 billion over 1972.

But figures for 1974 are expected to drop considerably because of the summer drought, White said.

"Despite a hectic year for agriculture which included a meat boycott, a price freeze and some bad weather, Texas managed to move ahead in most areas of agricultural production last year."

Texas ranks third in the U. S. in cash receipts. The

Mrs. Murray Julian

and Barbara of Lubbock were among those who had dinner Sunday at the home of Mr. and Mrs. Fletcher Powell and girls.

Mr. and Mrs. Arby Mulder and Mr. and Mrs. Nathan Mulder and children went to Floydada Thursday afternoon to attend the funeral of R. L. Taylor, who was the father of Jerry Taylor, son-in-law of the Arby Mulders. Taylor died Wednesday while the Jerry Taylors were in Ruidoso, N.M. on a short vacation.

Mr. and Mrs. Edward Powell of Anna, who spent several days at Clovis and Nara Visa, N.M. arrived Monday to visit at the Fletcher Powell home. Another brother, Tillman Powell and family, visited here with them.

Mr. and Mrs. Bruce Julian and Clay of Perryton came Friday night to visit the Murray Julians, the Kendis Julians and her father, Edell Moore in Floydada. Clay stayed with the Kendis Julians, and the Bruce Julians spent Saturday in Lubbock where they attended the Texas Tech-University of Texas football game with friends, Mr. and Mrs. Darryl Lindsey, and spent the night with them.

Prayer meeting time at the Baptist Church has been changed to 7:30 p.m. beginning Wednesday, Oct. 2. October 9 will be the next business meeting at the church. The Men's Breakfast will be held Saturday morning at 7 a.m.

We welcome to South Plains, Mr. and Mrs. Tommy Scaff and sons, Blake, who is in the first grade, and Scotty, who is three years old. Scaff is the new manager of the South Plains Grain Elevator.

South Plains Hobby Club members will have their October meeting in the home of Mrs. Tom Cherry Oct. 2 with a program on dyeing of dried flowers, by Mrs. L. T. Wood.

Miss Darla Milton, from South Plains College at Levelland, was home to visit her parents, Mr. and Mrs. Grigsby Milton over the weekend, and attended church services Sunday morning with them.

Mr. and Mrs. Joe Taylor, Rise and Gregg of Lockney went home from church with her parents, Mr. and Mrs. J. P. Taylor to have dinner.

Tuesday night several from the South Plains Baptist Church plan to go to the Plains Baptist Assembly for the Caprock WMU

Floydada Lion's "Jam Bree" Saturday Night

Plans for Floydada Lion's first monthly Jam Bree are falling into place as time is drawing near for the show. Several acts have been scheduled for the event. Local and area talent will perform, according to Don Runyan, master of ceremonies.

One of the highlights of the show will be Mary Beth Ashburn of Meadow. Miss Ashburn will do several vocal selections, accompanied by her two younger brothers, ages 11 and 14, on the guitar. Miss Ashburn also plays the bass guitar. She is a recent winner in a national talent contest in Colorado Springs, Colorado.

The pretty seventeen year old is a regular performer in the Meadow Musical, held the second Saturday of each month.

They are scheduled to perform in Friona this Saturday at noon and plan to travel to Floydada that afternoon for the program here.

A "House Band" is being organized for the purpose of aiding performers who need accompaniment. This group will be comprised of: Jim Burt, violin, Lockney; Bennie Brown, lead guitar, Quitaque; Wayne Hunter, rhythm guitar, Flomot; Art Ratzlaff, steel guitar, Floydada; Leon Bell, mandolin, Kress, Pat Seigler, Matador guitarist, will also help with the program.

The program will begin at 8 p.m. Saturday at the Floydada High School auditorium. "Admissions is \$1 for adults and 50¢ for children and everyone is welcome," said Runyan.

TO PERFORM AT JAM BREE - Mary Beth Ashburn and brothers, of Meadow, Texas, are scheduled to perform at the Floydada Lions Jam Bree this Saturday night at the high school auditorium. The program will feature many other musicians and would-be musicians. This photograph was taken at the Matador Jamboree recently. (Photo by Mary Renfro)

Circus To Feature Giant Blood-Sweating Hippo

A giant blood-sweating hippopotamus named Goliath will be among the featured attractions when the Dailey Bros. Circus comes to Lockney on Saturday, October 5.

Keeping the four ton hippo healthy and happy is a demanding task, as the show's local sponsor, the Lockney Rotary Club will undoubtedly agree. The organization has the responsibility of assuring that a minimum of 1000 gallons of water are available on circus day for use by Goliath.

The water will be pumped into the hippo's specially built truck, which contains a tank deep enough for Goliath to completely submerge himself underwater. It is in this customade home that the beast consumes his daily ration of over 100 pounds of hay.

Goliath's housing and food requirements are stunning enough in themselves, yet people consider his ability to sweat "blood" even more amazing.

It is often suggested that dubious means are employed to get the hippo to accomplish this startling feat. Nothing could be further from the truth. The fact is hippos naturally secrete a red, sweat-like substance to keep their skin soft and tender. The sight of this incredible natural phenomenon is just one of the many thrills awaiting persons going to see the Dailey Bros. Show on Saturday, October 5.

Performances are planned for 2:30 p.m. and 8 p.m. at the fairgrounds in Lockney. Advance tickets are on sale for \$1.50 from any Lockney Boy Scout and from all Lockney Rotary Club members. Children under five will be admitted free.

Thorntons' Ruby's Brandy Reserve Champ

Ruby's Brandy, shown by Pat Thornton of Lockney, was named reserve champion mare of the Panhandle South Plains Fair quarter horse show Saturday. Ruby's Brandy won first place in the 1970 and earlier class at the show. Grand champion was a 1971 mare, I'ma Tuff, shown by Orin Barnes of Dimmitt.

Ronee Thornton showed Ruby's Brandy in the 13-and-under showmanship at halter class at the fair show and took a first place.

CARD OF THANKS

I would like to express appreciation and love to my friends and all the people who sent cards and flowers and visited me while I was in the hospital, and thank Dr. Mangold and the hospital staff for the care and good food I received while there. May God Bless and keep you all.

Congressman Burleson Gets Economy Award

WASHINGTON, D.C. — H. Vernon Scott, President, National Associated Businessmen, Inc., today presented Representative Omar Burleson with the organization's "Watchdog of the treasury" Award in honor of the Congressman's economy voting record for the Ninety-Third Congress, 1973-74. This was the third economy award Congressman Burleson has received from the National Associated Businessmen.

In congratulating Representative Burleson, Mr. Scott said, "Your outstanding economy voting record indicates to your constituents and to our membership that you have a keen awareness of the need for fiscal responsibility. I know

PROVIDENCE NEWS

By Gayle Jackson

Funeral services for Delbert Bybee, father of Donnie Bybee of Providence, were held Wednesday afternoon in Lockney. A number of people from this community attended the funeral.

Libby Williams celebrated her ninth birthday Sunday with a dinner at the home of her parents, Mr. and Mrs. Jerry Williams. Guests included her grandparents, Mr. and Mrs. Lois Williams, Mr. and Mrs. Larry Golden, Chad, Colt and Clay, Mr. and Mrs. Raymond Lusk and Keri Dee.

Mrs. Laura Betts of Hope, Arkansas, left for her home Wednesday after being here a month with her sister, Mr. and Mrs. H. T. Burns.

Mary Martha Circle of Trinity Lutheran Church will meet Tuesday morning at the home of Mrs. L. B. Brandes. The Dorcas Circle members held a meeting and Bible study Wednesday afternoon at Mrs. Albert Kelm's.

Mr. and Mrs. Butch Durkop and Amber Leigh of Georgetown visited here several days of last week with his parents, Rev. and Mrs. L. J. Durkop, and grandfather Rev. William Durkop.

Mrs. Ernest Sammann of Dimmitt is now at home after being hospitalized several days recently at Hale Center for treatment of a back injury.

Mr. and Mrs. Albert Kelm were Sunday afternoon guests of Mr. and Mrs. Walter Boedecker.

Mr. and Mrs. Albert Scheele returned Sunday evening from Bryan where they visited with their new grandbaby Shana D'Lee and her parents, Mr. and Mrs. Geary Stutts.

The Weldon Cumblies recently returned from an extended vacation, visiting relatives in Brownsboro, Texas and Kentucky, and with friends in North Little Rock, Arkansas. They returned home just in time to go to Decatur for the funeral services of their long-time friend Dale Wilhite of Tulsa.

Mr. and Mrs. Virgil Brasher were in Lubbock Wednesday of last week to attend funeral services for James Patton. That night they went to Shepherd King Lutheran Church in Lubbock to hear a retired Bishop of the American Lutheran Church speak. Mr. and Mrs. Ewald Quebe also attended that church service.

Mrs. Jim Barnes and David Barnes of Tulsa were lunch guests Sunday of Mr. and Mrs. Robert Damron, Shayne and Rayna. Also visiting with the group that afternoon were Mr. and Mrs. Jim Bob Barnes of Plainview.

Joe Smith returned Sunday night from Rogers, Arkansas, where he took his parents, Mr. and Mrs. W. R. Smith, Sr., who have sold their home at Lone Star and will be moving to the Rogers vicinity after locating a home.

It takes much courage to resist the pressures for unnecessary Federal spending.

"As you know so well, unnecessary Federal spending contributes to a higher cost of living which touches all of us," he continued. "Your votes for economy in government merit the appreciation of each of your constituents."

Made up primarily of small business firms, the NAB is a nonpartisan organization with its headquarters in Washington. Its goals include fiscal responsibility in government and the elimination of the Federal Government from competition with private business.

Q. I enjoy skiing and other snowy-weather sports, but my skin gets so dry and chapped that heavy clothing is uncomfortable. What can I do to relieve this condition?

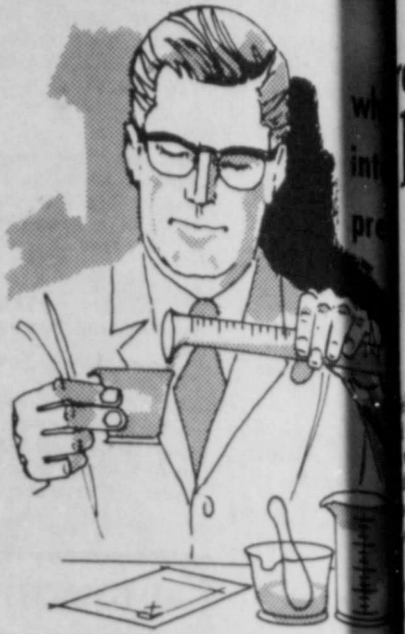

A. Chapped skin is common in winter since the body's oil glands are less active than in warm weather, and skin can become dry and cracked unless properly lubricated. Skiing and other outdoor sports can be especially damaging to skin since rapid evaporation of water on the skin by cold air promotes chapping. A convenient way to prevent winter dryness is to pour a capful of a soothing oil into your daily bath water. By restoring needed lubrication, the water-immersible oil will help protect skin from dryness.

YOUR KITCHEN DESIGN AND REMODELING

You don't have to be a politician to benefit from a "position statement." You can be a homemaker right in your own kitchen considering the best positions for your various appliances. For, according to experts at the Whirlpool Corporation, planning can affect kitchen appliances' efficiency and help conserve energy.

Generally, you should locate refrigerators away from ranges and direct sunlight, ranges away from frequently

opened windows and dishwashers near as possible water heater. As a rule, member to appliances with tion, tight capacity that to get max for the power. And, reasonable, three should be food storage and clean-
