Mean Green Back! ★

Floydada 33, Tulia 14

WIND TOOLEY
 Like old times with whirlwinds passing, offense moving, Tulia Hornets here before a full stadium, Tulia doing all the work.

Quarter on, it was a pass. Here's the way the Hornet Raymond Yearly made a 21 yard TD pass, Steve Brown to Donzell Minner for two extra points.

Whirlwind quarter, Kelvin Ratliff hit the TD then extra two points to Vickers hit Minner for a 36 yard TD pass, extra point no good. Minner with a fine Vickers PAT no good. Vickers to Minner for the 23 yard TD, from the 23 yard line no good. Hornet Yearly from the four extra points no good. Malvin Collins broke the final TD. Final score 33-14.

HALFTIME

At halftime the Whirlwind Marching Band entered the playing field in concert formation from the Floydada side while playing the delightful "Fanfare."

From two straight lines, they formed two diamonds with the step two drill. From the diamonds the band went into a big "V", then back to diamonds and the "V" facing the other direction.

Then back to diamonds, to the straight lines, to one big diamond, then a cross, then a large square, while playing "King Size."

While in the "Flower Drill" formation the band played "Make Me Smile" while the twirlers entertained the Floydada fans in front of the square.

Then the band formed the famous Whirlwind formation and marched off the field.

PLAY BY PLAY

Friends, I hope you didn't see that first quarter... it was Williams all the way... Floydada no first downs, Williams made five. As well as I can figure Williams made some 130 yards in the game and about 60 of them in the first quarter.

Floydada only made two yards the first quarter. Williams TD from the two came with 2:23 left in the first

quarter... then the pass play and Tulia led 8-0.

In the second quarter Floydada was in good field position on the 36 after a short Tulia punt. Ratliff managed four yards, a Vickers to Ratliff pass was good for five and the ball went over on downs at the Hornet 27. Williams and Cannon took it back down field to the Whirlwind 37 when the stubborn "Wind defense held and the ball went over on downs.

Floydada's ball on their 35. Now right here is a big turning point in the game, as the "Winds decide they can't go on the ground and decide to try some passes. Vickers to Minner for 11. Vickers to Elton Ratliff for 15, Vickers keeps for 3, 6, 3, then Vickers to Kelvin Ratliff for nine, Vickers to Minner for 15, Vickers to Kelvin Ratliff for the TD with 1:54 left in the first half. Vickers hit Minner for the extra two points and it was all tied up 8-8 at half.

SECOND HALF

Floydada took the kick-off back to the 31. McArthur Mitchell, Rex Yearly and Vickers carried the ball up to the 49 yard line. Then Vickers eased back and threw the 49 yard bomb to Minner... all out in the open in the end zone. Floydada led 14-8 with 9:39 left in the third quarter. Vickers kick for extra point no good.

Leslie Soto really booted a fine kick-off back to the three yard line. The Hornets had made a first down, a fumble, and Whirlwind Lyle Suggs recovered the ball.

On the first play after recovery, Vickers throws a fine 36 yard pass to Minner for another TD with 7:26 left in the third quarter. Vickers' PAT was no good and Floydada led 20-8.

Tulia took Leslie's kick-off back to their 20. They couldn't go against the strong "Wind defense and Brown booted a short 27 yarder. Floydada couldn't go and Leslie punted a 32 yarder. Tulia made one first down and Brown had to punt. It was Floydada's ball on their 18. It was the beginning of the last quarter.

Ratliff ran for 8, Vickers made a couple for the first down. Ratliff ran for another first down... downs ran out on the next series and Leslie punted. Tulia couldn't go and punted.

Floydada's ball on the Tulia 43. Yearly made a beautiful 21 yard run... a 15 yard Tulia penalty and the ball was on the 23 yard line. What next?... a Vickers to Minner TD pass with 4:25 left in the game. Vickers PAT no good and Floydada led 26-8.

Tulia took the kick-off back to the 25... and decided they would try some of that passing game... completing a 28 yarder and a 22 yarder. The ball was on the Whirlwind 23 and it was Williams and Brown carrying on down to the four where Monte Cannon made the TD. Pass try for extra points no good and there was only 1:39 left in the game.

An on sides kick didn't work for the Hornets and it was the "Winds ball on the Hornet 43. Yearly lost 16 on a fumbled hand-off. But the next play more than made up the loss... Malvin "Peanuts" Collins who had hardly seen any action all game, broke loose right through the middle of everybody on the field... sidestepped the last Hornet tackler and skipped into the end zone, virtually untouched. Vickers PAT was good.

Floydada's ball on the Tulia 43. Yearly made a beautiful 21 yard run... a 15 yard Tulia penalty and the ball was on the 23 yard line. What next?... a Vickers to Minner TD pass with 4:25 left in the game. Vickers PAT no good and Floydada led 26-8.

Tulia took the kick-off back to the 25... and decided they would try some of that passing game... completing a 28 yarder and a 22 yarder. The ball was on the Whirlwind 23 and it was Williams and Brown carrying on down to the four where Monte Cannon made the TD. Pass try for extra points no good and there was only 1:39 left in the game.

There is an abundance of musical talent around this area, so let's get it all together and make this a successful and enjoyable event each month.

TULIA AND QUITAQUE have been successful in building new homes through the FMHA Housing Assistance program that is now available to rural Texans.

Although a committee investigated this about a month ago, and it seemed that house building was too expensive to come out on a rent plan... I have since found that there are people around here who would pay \$175 per month for a nice furnished apartment. Let's talk about it some more.

good and Floydada led 33-14 with 52 seconds left in the game. Tulia couldn't go and that was all.

Tulia is 1-1 in district... so is Floydada... but Lockney is 1-0 and facing Tulia next week. Floydada's season record is 7-1.

STATISTICS

	F	T
First Downs	14	14
Yards Rushing	161	201
Yards Passing	173	55
Passes Att/Comp.	14/9	8/3
Penalties	1-5	4-35
Fumbles Lost	0	1
Punts	3-119	5-162

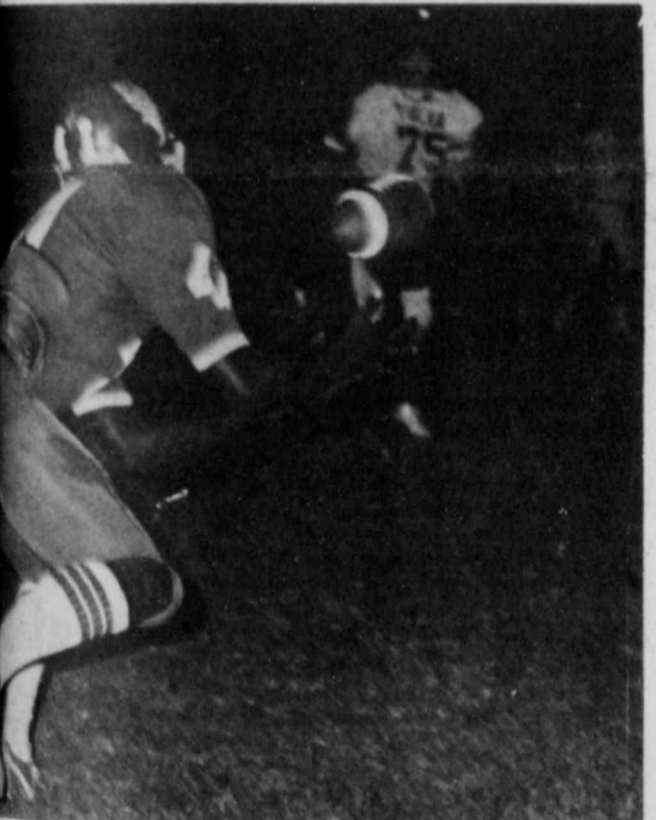

Coach's Comments

"Our boys really had to come back a long way from the Lockney defeat, and they really showed their character in the Tulia victory. Actually, it took us the first quarter to make the turn-around," were the remarks of Whirlwind coach L.G. Wilson following the game Friday night.

The coach was very complimentary of quarterback Mike Vickers and Donzell Minner for the successful pass plays... and he praised the entire line and linebackers for solving the problem of controlling Tulia's hard running back Raymond Williams.

Vickers completed nine of 13 passes for 173 yards... three for TDs to Minner and one for a TD to Kelvin Ratliff.

"I feel like Tulia came through the game in good physical condition and should be ready to host Lockney next week," the coach concluded.

WHIRLWIND TD was made when Kelvin Ratliff pass from Mike Vickers. (Staff Photo by Keith)

THERE WILL BE some people wondering about school hours now that we are back on standard time. I called the school office and they reported no change... school begins at 9 a.m. out at 4 p.m.

I READ WITH CONSIDERABLE interest the feature in the Sunday Lubbock Avalanche Journal about the Meadow Community Sing that featured Judy Mallett, Miss Texas of 1967 recently.

It seems that the people of Meadow started "second Saturday country and western musicals" in a home. It has become so entertaining and there is so much participation that it now is held in the 300 seat community center.

The same thing can happen here in this community... as the Lions Club started the "Jam Bree" last month and the next one comes up the first Saturday in November, in the FHS auditorium.

Dean Hinton's Polled

Hereford Brings

\$150 Lb. At State Fair

Dean Hinton's Polled Hereford brought \$150 per pound at the State Fair Junior Livestock Auction in Dallas. Dean, a Floyd County 4-H member. The 925 pound steer was presented to the Presbyterian Hospital in Dallas.

Five dollars and forty-three cents a pound was the whopping price paid for the Grand Champion steer at the auction. The 1105 pound steer was owned by a Midland FFA member.

MAKING PLANS FOR THE CROP WALK which takes place Tuesday evening, October 28, are (left to right): Mike Estes, Beth Stovall, and Tammy Tyer, (standing left to right): Jodie Eastham, Jerry Parr, and Brenda Vickers. Anyone wanting to help with the walk, please meet at the Methodist Church at 6 p.m. (Staff Photo By Brad)

Lockney Football Game Best Gate Receipts

With an estimated crowd of over 3,000 in attendance, the Lockney - Floydada game gate was around \$3,800... before expenses.

This compares as the highest of the season compared with the following games played earlier: Crosbyton \$943, Cooper \$987, Post \$927, Levelland \$1072, Littlefield \$1176, and Olton \$1407.

DECA Halloween Carnival Thursday Night

Everyone in this community is invited to attend the DECA Halloween Carnival in the Floydada High School cafeteria Thursday night.

It will begin at 6 and close at 10 p.m. There will be many exciting game booths, refreshments, fun and enjoyment for everyone. There is no admission charge.

Rites Sunday For R.M. Cannon

Funeral rites for Robert Mancel Cannon, 79 year old Floyd County resident, will be held Sunday afternoon at 2 o'clock in the Calvary Baptist Church in Floydada. Cannon died Thursday at 1:30 p.m. in Lockney General Hospital following an illness of several months.

Cannon was born in Wise County February 9, 1895, and moved to Floyd County in 1927. He and his wife, the former Ora Belle Stewart were married June 19, 1916 in Booneville, Texas.

MALVIN "PEANUTS" COLLINS takes off like a streak of lightning for final "Wind TD. Elton Ratliff throws good block. (Staff Photo by Keith).

Freshmen Beat Abernathy, JV Tie

The Floydada Freshmen beat Abernathy 32-0 here Thursday night and the JV came out tied 6-6.

It was a good night for Larry Jones as he did most of the Freshman scoring. In the first quarter Jacky Windom returned an Abernathy punt some 55 yards for the first TD. Then Larry ran over two extra points. Larry made a TD from the four yard line, then caught a pass from Rusty Cagle to make the score 16-0 at halftime.

In the second half Guy Ledbetter scored from six yards' out and Rusty ran over the two extra points. Then Larry scampered some 58 yards for the final TD of the game. Rusty hit Mark Hulme for the extra two points.

Coach Don Rainer praised center Kerry Pratt, guards Sheldon Sue and Jon Jones, tackles Bill Starkey and

FRESHMAN WHIRLWINDS... (Front row, left to right): Jerry Coleman, Victor Clower, Sheldon Sue, Mark Hulme, Guy Ledbetter, Zane Jones, Darrell Wells, Quinn Coleman. (Second row, left right): Ruben Madonado, Bobby Whitaker, Kerry Pratt, Lupe Garza, Jon Jones, Rusty Cagle, Jackie Windom, Greg Carthel, Derek Cheek. (Back row, left to right): Larry Jones, Jack Carthel, Kenneth Griggs, Bill Starkey, Jim Potts, Ricky Covington, Carmen Soliz, Monte Smitherman, Hugh Miller. (Staff Photo by Brad)

Lupe Garza as outstanding offensive players. He cited defensive players Ricky Covington, Jack Carthel, Ruben Maldonado, Carmen Soliz and Mark Hulme.

Thursday the Freshmen play Idalou there and they now have an impressive 6-1 record for the year.

The 6-6 tie with Abernathy was a real defensive effort by both teams. Abernathy led 6-0 until the last four minutes of the game when Gordon Bond scored from ten yards out.

Coach Joe Paty said Ricky Carthel and Ed Johnson looked good on offense and Monty Covington and Danny Colston were outstanding on defense.

Saturday Morning Bricklayer

My neighbor Marty is a certified public accountant. He is also an assistant scoutmaster. And treasurer of the Civic Association. Hard worker for local charities. And—oh yes—Marty is a Saturday morning bricklayer. He can build a mighty fine wall to set off that patio he put in last summer.

You'd think that a man so capable and versatile wouldn't feel dependent on anybody or anything. Not so.

It is usually the folks like Marty—the ready, willing and able ones—who are first to recognize their spiritual needs. Nor are they ashamed to admit their dependence on God—and His Church. You'll hear Marty and his wife give credit to their religious beliefs for the strength of their marriage and for the ideals that inspire their family life.

In fact, it's Sunday morning, rather than Saturday, when they do their most important building. How about joining them at church time?

Hubby tries to do wife next door

By Abigail Van
1974 by The Chicago Tribune

DEAR ABBY: Yesterday the man came up to me while I was outside and said, "I said, 'If you mean my husband, he's the man you want to know?'"

Then he said, "Because your husband is my old lady and trying to get her to home in about an hour. Why don't you go to him?" Then I went in the house.

When my husband came home, he happened. He said it was all a big lie, and took off right away saying he'd be home up later to say he wouldn't be back.

Meanwhile, the man from across the street called up his wife again and asked her if she had been mistaken—that the guy who was going out with him was somebody else.

I don't know who to believe, Abby. My husband stayed home and faced his neighbors. I have had more faith in him. What do you think?

DEAR HURT: I think your husband is explaining to do.

DEAR ABBY: I recently married a man who has two daughters, 15 and 17. They are going around the house half-nude. They are in their kitchen in their shorty nightgowns underneath, and often run through the house on top and very little below.

I asked the girls to please keep themselves in the sake of modesty, and they looked at me with a my mind.

My wife says there is nothing shameful about now wondering if maybe I am wrong. I can't help thinking that those girls should change their ways instead of me changing theirs.

DEAR GOAT: You're not wrong.

DEAR ABBY: That letter signed "Goat" could have been written by me. Freshman dream job. Then marriage, and boom! After the other. (Both accidents.) I need for robbing me of my freedom. Then I couldn't "love" them like a mother.

I never hurt my kids physically, but I destroyed them and myself.

I tried alcohol, drugs, even suicide as a last resort, and your answer sunk in. I'm a terrific psychiatrist.

I'm glad you told "stuck" that a serious situation can be dealt with and help—but fast! I pray that she does. Thank you, Abby.

Everyone has a problem. What's your reply, write to **ABBY:** Box No. 69700. Enclose stamped, self-addressed envelope. For Abby's new booklet, "What You Know," send \$1 to Abigail Van Buren, Beverly Hills, Calif. 90212.

Board To Attend State Meeting

Chairman of the Soil and Water Conservation Board will lead their annual meeting in San Antonio. The meeting will be held at the Hilton Palacio del Rio Hotel and the Convention Center.

The theme of the 34th annual meeting will be "Land Use Regulations." Pressure for land use legislation is increasing daily stated Fawver at both the Federal and State level. Various forms of land use legislation will be introduced in the Congress and the State Legislation this coming year.

Regular elections for the association directors from areas 2 and 4 will also be elected.

Special tours and other activities are being planned for the ladies. A "Get Acquainted" reception will be held Tuesday evening beginning at 7 p.m. with the Federal Land Bank of Houston sponsoring the activity.

Several hundred directors will attend the 3 day meeting.

Jon J. La Baume, District Conservationist for the Soil Conservation Service in Floyd County has been nominated for the position of Councilman for the South Plains Chapter of the Soil Conservation Society of America.

The 100 member South Plains chapter will install the new president and the new councilman for 1975 November 5, 1974 at 7 p.m. at Underwoods Cafeteria in Lubbock. The councilman

La Baume has been a member of the local SCSA chapter since 1969 and the national SCSA since 1964

The Farm Labor Registration Act (FLRA) when passed in 1963 was badly needed. It was designed, and served rather well, to curb the undesirable and sometimes shameful exploitation of migrant farm workers by professional farm labor recruiters and "crew chiefs."

Now there are those who would by means of amendments turn the Act into much more than legislation to curb the activities of the unscrupulous, according to Ed Dean, Field Service Director of Lubbock-based Plains Cotton Growers, Inc. Dean just returned from a Washington meeting of the National Council of Agricultural Employers (NCAE), of which PCG is a charter member. NCAE officials discussed FLRA amendments pending in the Senate and held conferences with farm state Senators. Dean is the Texas member of the NCAE Board of Directors.

A long list of amendments were passed by the Senate on May 7th. The House, on October 11th, adopted amendments to the Senate amendments and, instead of sending the measure to a House-Senate Conference Committee as is standard procedure, sent it back to the Senate for concurrence with the House action.

The legislation passed by the House and now pending in the Senate removes both of those limitations. In addition, the House amendments exempt from regulation only the regular, full-time employees of farmers, ginners or other processors who supply labor other than for their own employer "on no more than an incidental basis."

This leaves much room for interpretation by the Department of Labor, the agency charged with enforcement of the Act, says Dean. An "unfriendly" interpretation, which is not uncommon in the long history of Labor Department interpretation of laws where agriculture is concerned, "could mean that crew leader registration, record keeping, insurance requirements and other regulations would apply to farm employees doing custom work on a neighborhood farm," Dean said.

NCAE representatives, Dean reports, were able to secure through the Office of Texas Senator Lloyd Bentsen a commitment from the Senate Subcommittee on Agricultural Labor that the subcommittee interpretation of "no more than an incidental basis" would be clearly spelled out during debate on the Senate floor.

Experience has shown that this will be no guarantee that the Act will be administered sensibly, but having the committee intent spelled out in the Congressional Record should help.

Plans for a demonstration of cotton module equipment and reports from two cotton producer organizations at the Cotton King Gin in Dawson County on November 7th are nearing final stages, according to Jerry Harris, Chairman of the Lamesa Chamber of Commerce Crop Development Committee. The program will begin at 1:30.

The equipment to be shown will include module gin feeder, module truck transport, and module builder, Harris said.

Lloyd Cline of Lamesa, Secretary-Treasurer of Plains Cotton Growers, Inc., 25-county High Plains producer organization, will report on PCG activities aimed at promoting and protecting the interests of area cotton producers.

Donnell Echols, also of Lamesa, will summarize the efforts of Cotton Inc., the producers' national research and market development organization. Echols is a director of Cotton Incorporated and a director and Past President of PCG.

Harris said additional information on the program will be released as developed and that cotton producers, ginners and other interested parties from the entire High Plains are invited to attend.

La Baume Nominated

and served the South Plains Chapter as secretary-treasurer for 1970 and 1971. La Baume has served on many committees with the chapter and received a citation for outstanding contribution as secretary and treasurer January 6, 1972.

A very interesting program has been planned and will be presented by Dr. Kay from Lubbock Christian College. The public is invited to attend.

COUNTRY EDITOR

By H. M. BAGGARLY

WATCHED many things on television objectionable for one reason or another night we witnessed the first wouldn't take!

Somebody showed those Wisconsin farmers the heads of those little Holsteins the trigger, and we saw them what was too much!

AS IT WAS, we sympathize with them. From an economic standpoint, it's justified.

Our society except the farmer produces his product. Today's paper informs us that people want an 18 per cent increase in insurance rates. New cars cost more during the past year. Right without justification, labor, business what they have got to have.

What's the going price for fertilizer, taxes, insurance, overhead. . . what will you give me for my cotton, my wheat, my grain my chickens?"

FARMER plants his crop in August with the slightest knowledge of what he'll have the following June. Unknown fluctuations of the crop, the demand, the drought, fuel shortages, insects, freezes, too much rain, rain damage, and still hold out his hand will you give me. . . if by chance something to sell?"

How way with the cattle grower. It's from the time a calf is conceived ready for slaughter.

For the cattle grower is the biggest man.

WOULD BE bad enough if we operated in an inanimate and honest supply and demand. A farmer might be willing to try to meet the normal demand for food products. It's not the best system at all but at least there would be some.

Farmers must deal with much more than nature and probable demands. They deal with market manipulators both

in government and out. He must deal with people who know things he doesn't know about secret wheat sales to foreign countries. He may logically plant fence to fence on the advice of government, government statistics, and then have the rug jerked out from under him by unforeseen embargoes and other artificial events which influence the market.

OUR COMPLEX ECONOMY is inter-related. Wages are determined by the cost of living and the cost of living is determined by production . . . and on and on it goes.

But the STARTING POINT must be at the point of origination. The point of origination is Mother Earth — or nature. Most industries merely assemble or re-assemble. They take items, add labor, and change the form of the item into something salable.

Only nature creates. It creates a tree to be used for lumber. It creates oil and coal in the bowels of the earth. It grows grain, cotton, and cattle.

Our economy must be so organized that those who produce or manage the creation of these NEW products get a fair return. . . else we threaten the source of supply!

IT IS FINE TO guarantee a fair wage to the one who changes the form of raw products or who performs services. It is fine to guarantee a merchant a fair return for merchandizing and distributing the product. It is fine to guarantee the transportation company a fair return for moving the product. It is fine to guarantee the source of capital a fair return for lending his money.

But all this is getting the cart before the horse. We take care of the laborer, the merchant, the carrier, the money lender. . . while forgetting the creator, particularly the creator of food and fiber. He is left with whatever all the others are willing to pay him! And if that isn't enough to cover his cost of production, then that is just his tough luck!

SO IT IS THAT we sympathize with the economic problem of the cattle raisers. They were being walked on by our economy. They have a very legitimate complaint. They are being robbed and cheated.

But. . . they just should not have shot those poor little Holstein calves! That makes them murderers in our eyes.

Cancer South Unit Officers, Special Chairmen To Meet

The Floyd County South Unit officers and special events chairman of the American Cancer Society will meet Monday night, October 28 at 7 o'clock in the conference room of Light-house Electric.

The meeting is being called to discuss "Coffee for Cancer" which is scheduled

for the night of November 9 immediately following the Idalou-Floydada game in the Junior High School Cafeteria. Pie, cake and coffee will be served with all proceeds going to the cancer fund.

Another discussion at the meeting will concern the annual New Years Eve Ball.

Mr. and Mrs. William (Will) Sinor of Irving, Texas are the parents of their first child, a son, born October 20, 1974 in Methodist Hospital in Dallas.

William Cody weighed 5 pounds and 3 1/2 ounces at birth.

Maternal grandparent is Mrs. Earl Minyard of Silverton. Paternal grandparents are Mr. and Mrs. Curtis Sinor of Floydada.

Great grandparents are Mrs. Lillian Knowels of Bokchito, Oklahoma, Mr. and Mrs. Gilbert Fawver of Floydada.

Great great grandparents are Mr. and Mrs. B.A. Colston of Floydada.

FLOYD DATA
Steve Dunavant, son of Mr. and Mrs. Truman Dunavant of Bayfield, Colo., former Floydada resident, is in Floydada for the weekend to speak at the West Side Church of Christ through Sunday evening. Steve is entering the evangelistic field in Church of Christ, following his completion of high school next year. He is the grandson of Mr. and Mrs. Grady Dunavant and Mr. and Mrs. A.B. Clark of Floydada.

FLOYD DATA
Robert Newberry, son of Mr. and Mrs. Dale Newberry, of Lamesa, visited through the week in Floydada with his grandparents, Mr. and Mrs. W.O. Newberry.

GWFC LAUNCHES Alcoholism Public Information Program

WASHINGTON, D.C. — The 620,000 member General Federation of Women's Clubs have entered the fight against alcoholism and they've made the homefront the battleground, according to Mrs. Carroll E. Miller, President.

"One in ten Americans is either an alcoholic or drinks to such excess as to be a threat to family and health," Mrs. Miller told delegates to the group's first national conference on alcoholism, held this past week in Washington, D.C. Attending were two hundred officials of the Federation from across the country who will direct the Federation's two-year campaign against alcoholism on the local and state levels under the national theme "ALERT: Alcoholism."

Mrs. William R. Ross, of Morgantown, West Virginia, is the national chairman of the Federation's Alcoholism and Drug Abuse Division. Mrs. Ross, who chaired the conference, claimed it is time the nation face up to the fact that overuse of alcohol is our number one drug problem.

"It destroys far more families than all other drugs combined because it is easier to obtain and its use is socially acceptable," she said. The first objective of the Federation's public information program on the dangers of alcoholism will be to "create an environment in which the excessive use of alcoholism is socially unacceptable. And that begins in the home," Mrs. Ross said.

Of particular concern to those attending the conference was the startling growth in the use of alcohol by women and young people. "Between 1960 and 1970, there was a 26 per cent increase in the amount of alcohol consumed by Americans. The greatest growth in usage in that time period was among married women and persons under 21. When we consider the effects of this increase on family life we cannot ignore our responsibility as an organization," Mrs. Ross said. She told delegates that an accelerated program of public information and closer cooperation with anti-alcoholism groups would be implemented immediately. The Federation recently obtained a grant from the National Institute on Alcohol Abuse and Alcoholism (NIAAA).

Mrs. Ross claimed members of the Federation were in a particularly good position to lead the fight against alcoholism. "We reach into the homes of thousands of communities and we have a well-established relationship with the institutions in those com-

Jim Word Guest Speaker For Junior Historians

At the first meeting of Floydada Junior Historians held recently, officers were named and a program presented by Jim Word. The program was an archeological excavations at the old McKinney homestead near Austin. Slides were also shown by the speaker.

Serving as officers for the first quarter of school include Darla Assiter, president; Terri Kinard, vice-president; LaDelle Noland,

secretary; Tammy Payne, reporter; and Kara Copeland, social chairman. Sponsors include Mrs. Ann Carr and Mrs. Carol Bell. Kay Faulkenberry is serving as chairman of a committee to plan an exhibit for a display case in the Floyd County Museum.

In addition to officers the following are members of the Junior Historians; Patricia Anderson, Melinda Bueno, Becky Crabtree, Brenda Jackson, Kristi

walking outside. This week has been another busy week, working on crafts and playing games. We play "Bingo" every Thursday afternoon and have a prize for every one who makes bingo. Always have a crowd, real excited and good sports. Mrs. Rogers was our big winner.

Talking about sports, we had our school mascot, Norma the Longhorn to visit us, before the Lockney and Floydada game predicting the Longhorns to win, our residents from Floydada (originally) took it pretty good, especially after our Longhorns won. They are indeed good sports and we have some great fans.

If you had been at our Care Center Sunday, you would have wondered, what was going on that afternoon, for we had church services. Fr. Richard Casey and the choir from San Jose Catholic Church came and had our church service, then we had a farewell party in honor of Mr. Beard and had a money tree for him. We had a large crowd present. Then to everyone's delight we had Jim Burt playing the fiddle and his brother Charles from Ralls played the guitar, also Dowell Brewer and Louis Stapp played for us.

What a great bunch! Once more we can see our people caring for our residents, giving of their time and themselves for the love of our brothers. For I know its not easy to come here and

give up watching the football game on TV. But our people here in our community have many a times, given of themselves in such a great love, in the spirit of God. Thanks to everyone who made our Sunday one of the greatest and also to those who keep coming every morning for devotional time.

Indeed I'm proud to live in a community as fine as ours. Praise the Lord!

Our thanks also go to Mrs. Ruth Roberson from Olton, (Mrs. Alice Ormand's daughter) for the potatoes she brought us and to everyone who has brought in more fresh flowers. And thanks to Mrs. T.J. Cardinal for coming in Wednesday to teach us how to make covered wagons out of egg cartons.

We now have another new resident, proud to have Willie Wiley with us. Visiting with us from out of town this past week were,

Golden Circle Class Meets

Mrs. W.C. Cates was hostess for the Golden Circle Sunday School Class of the First Baptist Church of Floydada, Friday afternoon, Oct. 18.

Meeting was called to order by the president, Mrs. Mable Smith, who asked Mrs. Jewell Jackson to voice opening prayer. Members of the class answered roll call by repeating a verse from the Bible. Eleven members were present.

The out-reach member will get the names of some members in the department who are unable to attend church and are confined to their homes, so that members may take a Thanksgiving lunch to them. For lack of time to complete the Sunday School lesson Sunday morning, the

teacher, Mrs. Kate Crabtree finished the lesson at the social.

The class voted to meet for the next social in the home of Mrs. W.C. Sims as hostess, at 2 p.m., Nov. 16.

Mrs. Cates served refreshments to the following members: Mmes. Kate Crabtree, Claude Carpenter, C.M. Lyles, Eva Newsome, W.C. Sims, Mable Smith, C.O. Spence, R.H. Stambaugh, R.L. Nichols and Jewel Jackson.

FLOYD DATA
Mr. and Mrs. Floyd Webb visited recently in Matador with her mother, Mrs. Mae Plumlee and a sister, Mildred. Other houseguests during the time included Mr. and Mrs. R.L. Brandon of Weatherford, Mr. and Mrs. Robert L. Brandon and daughter, Houston; C.R. Brandon of Hereford, Claude Brandon of Roaring Springs and Mr. and Mrs. Pete Roe of Floydada.

OFFICERS NAMED Lockney FHA Meet

Tuesday, October 22 the Future Homemakers of America had a meeting in the cafeteria. President Cinde Christian led the meeting, beginning by informing the members of the new officers.

They are as follows: 1st Vice President - Christy Vincent; 2nd Vice President - Donna Tannahill; 3rd Vice President - Denise Johnson; 4th Vice President - Beverly Barker; 5th Vice President - Kristie Ford; Historian - Teresa Duvall; Parliamentarian - Joy Frizzle; Recording Secretary - Donna Spencer; and Treasurer - Tonya Daniels.

Mitzi Terrell then explained to the club the responsibilities and fun of being an area district officer. Mrs. Adams backed her up by encouraging any willing member to try-out.

The club then voted on projects for "Impact," which is an organization to help the community. The club voted to paint the plant pots in town and decorate the convalescent home on special occasions. Cakes were served and the meeting was dismissed.

Reporter: Kristie Ford

FLOYD DATA
Billy Fulton, son of Mr. and Mrs. Bill Fulton of Floydada, underwent surgery Wednesday in Methodist Hospital in Lubbock to repair torn ligaments in his knee. Fulton re-injured the knee in the football game between Floydada and Lockney Friday night a week ago. Ligaments were torn from the bone and he also sustained a fractured joint in the knee. Billy is doing fine and it was thought he would be able to be brought home over the weekend.

Adult IV Department Has Outing Planned By Pastor

Adult IV Department of the First Baptist Church, along with their pastor and wife, Dr. and Mrs. Floyd C. Bradley, went by church bus to Lubbock Tuesday for an outing. The event was planned by the pastor, who chauffeured the bus.

After lunch at a reserved cafeteria room the group parted to do as they wished until re-assembling for refreshments at Henphill Wells Tea Room, where they were hosted by Mr. and Mrs. Jack Crull of Lubbock. Mrs. Crull is the daughter of Mr. and Mrs. W.F. Daniel Sr., members of the Adult IV class. They were also joined by Mrs. Joe Conway of Lubbock, daughter of Mr. and Mrs. C.L. Carpenter, also class members.

Following refreshments the group returned to Floydada. Due to unsettled weather several class members were unable to make the trip.

Going on the outing were Mr. and Mrs. C.L. Carpenter, Mr. and Mrs. W.C. Cates, Mr. and Mrs. C.O. Spence, Mr. and Mrs. W.A. Johnson, Mr. and Mrs. W.B. Cates, Dr. and Mrs. Floyd Bradley and Mmes. J.C. Newsom, Jewell Reeves, P.D. Helms, Elmer Warren, W.F. Daniel Sr., Roy Fawver, A.H. Kreis, W.S. Simmons, C.W. Denison, W.M. Jackson, A.R. Epperson, Robert Garrett and H.O. Cline.

Mr. and Mrs. J.T. Huckabay were in Houston last week where he went for his regular check-up.

FARM BUREAU WANTS MORE MEAT EATERS

WACO—The Texas Farm Bureau today launched a statewide gift certificate campaign to increase the consumption of meat, poultry and dairy products. TFB President J.T. (Red) Woodson said this is a "positive approach" to moving agricultural commodities which are in serious trouble at this time. In a letter to all 210 organized county Farm Bureaus, Woodson said the promotion involves Christmas gift certificates for these food products. Theme of the campaign will be "Give meat, poultry and dairy products for an old-fashioned farm and ranch Christmas." "What better way to express the true spirit of Christmas than by giving a gift certificate for these foods," the farm leaders said. "We believe that the concept will catch on. The American Farm Bureau Federation has been asked to carry the idea nationwide." Woodson said Farm Bureau would seek the cooperation of other agricultural groups, food chains and independent grocers as well as top state government officials.

MARY KIRCHHOFF CONCERNED ABOUT CRIME

"There is no doubt that crime is a serious problem today in many parts of the Northwest Texas," declared Mary Kirchhoff, candidate for the State Senate's 30th District. "The real question is — when do we start doing something about it?" The Plainview school teacher and area civic leader, who has conferred with district and state leadership about the crime problem, today advocated a three-part program of legal reform to help reduce the crime rate in Texas. Mrs. Kirchhoff recommended no bond for habitual criminals awaiting appellate decisions from higher courts; mandatory separa-

Pat Buttram

Hayloft Theater Presents Pat Buttram In "Send Me No Flowers"

Television star Pat Buttram arrives in Lubbock October 21 to start rehearsals for the hilarious Hayloft comedy "Send Me No Flowers." People will remember Pat Buttram as that corn-fed con artist Mr. Haney from the long running television series "Green Acres." Before that he was side-kick to Gene Autry in TV films and movies. Over the years, Pat has had recognition as a comedy star actor, monologist and after dinner wit. The son of a circuit riding minister, he started out by studying theology at Birmingham Southern College. After getting a taste of college drama, Pat abruptly switched careers and hooked on at WSGN in Birmingham as a morning radio personality at the large sum of six dollars a week. In 1933 he joined the "National Barn Dance" over present penal system "Will remain nothing more than a training school for criminals as long as we continue to put first-time offenders in the same facilities as hardened criminals, forcing them to associate with each other daily. One purpose of our prison system is to rehabilitate and reform. We cannot do that properly when the 'first-timer' is in daily contact with those who have made a career of crime."

Chicago's WLS with such stars as Gene Autry, Homer and Jethro and a 15 year old guitar playing yodeler who was billed as Little Georgie Gobel. Joining forces with Autry, Buttram remained as the singing cowboy's side kick for 15 years, starring in 70 movies and over a hundred television films. In 1956 when Autry retired from show business, Buttram took stock of his career and entered the wide open circuit of after dinner speakers. He was great and is always busy hosting such things as the Friars, Masquers and Lambs Clubs when they meet to "Roast" one of their members. He has a delightful way of combining a sophisticated, pointed sense of humor with a genuine country-boy charm. He is one of the most quoted men today in Hollywood. At a dinner for Milton Berle, Pat poked fun by pointing out that "Berle had recently switched from comedy to drama. Unfortunately it happened while he was still doing comedy." Of Hollywood, "I am proud to say that Hollywood has a heart. In Hollywood, if you need sympathy, love, affection, money or friendship, all you have to do is look in the Yellow Pages — under pool halls." Pat Buttram lives with his wife and daughter on a small ranch in Southern California. He is a hobbyist and collects among other things button books. He is said to have one of the largest collections in the world. The Hayloft is quite honored to secure the special brand of humor Pat brings to Lubbock and this area in the midst of his demanding schedule of appearances, T.V. and movies. Preview nights for "Send Me No Flowers" are October 29, 30 and 31.

Amana heat pumps

quality built for efficiency you'll enjoy

An all-electric Amana heat pump is one of the most efficient heating systems you can own. On many of the mild winter days that make up most of your heating season, it uses heat from outdoor air to warm your home. You get economy that's unmatched by other types of systems. During summer, it is an efficient central air conditioning system. Amana heat pumps are backed by over 18 years of heat pump experience. Their quality gives you lasting dependability and economy. When the name of the game is saving energy, the name of the heat pump is Amana. For a no-obligation estimate, call:

Natural Gas Has No Odor.

So How Come It Smells?

Pioneer adds the distinctive odor. Its purpose is to make even the smallest gas leak detectable long before it could cause any problem.

If you should smell gas — or think you smell it — telephone Pioneer. Our servicemen are on call every hour of the day, every day of the year. They will determine the source and take the steps necessary to insure your safety.

As part of our constant vigilance and safe operating procedures, we have built an enviable reputation for providing you with the safest, most dependable, economical form of energy — natural gas, and we want to keep it that way.

FOOTBALL CONTESTS

MEET THE LONGHORNS

BRUCE WILLIAMS, No. 61, a Longhorn tackle on both offense and defense.

ROBERT MURDOCK, Longhorn center and noseguard, wears No. 52 for the 'Horns.

WEEKLY PRIZES
 1st \$750
 2nd \$500
 3rd \$250

Contest Rules

One game is listed in each of the advertisements on this page. Each team is numbered. In the "Official Entry Form," circle the number of these teams which you believe will win this week's game; circle both numbers to indicate tie. Indicate winner and total score in tie-breaker game, which also counts in determining number of misses.

Winners will be announced in the following week's Beacon. ALL ENTRIES MUST BE PLACED IN THE BEACON BOX BEFORE 5 P.M. FRIDAY OR POSTMARKED BEFORE THAT TIME TO BE CONSIDERED FOR PRIZES.

The office will be closed on Thursdays. The new office hours go into effect Monday, November 4. The office will be closed Monday, October 28 for Veteran's Day.

What One Person Can Do

MAXIMILLIAN KOLBE Prisoner

Each year, Frank Gajowniczek, a former sergeant in the Polish Army, visits the death camp at Auschwitz, and lays a wreath on the bunker where a Franciscan friar died in his stead.

Early in 1941, Father Maximilian Kolbe and four other friars were arrested for distributing anti-Nazi literature. They had been organizing help for Christian and Jewish refugees. Father Kolbe, who detested the war, spent his time trying to keep up the hopes of his fellow prisoners. He often went hungry and faced almost daily beatings. He also suffered from tuberculosis.

Towards the end of July, a prisoner escaped, the fourth to have done so. In retaliation, the Nazis followed their usual procedure of selecting ten prisoners at random and starving them

to death.
Here is an eyewitness account: "The entire block would be told to line up in the square in ten files and one person from each file would be chosen. . . They picked Sergeant Gajowniczek and he screamed that he wanted to live to see his wife and children. Then suddenly Father Kolbe, who was in Gajowniczek's file, stepped forward. He told the commandant that he wanted to take the place of the man who had a family." The surprised commandant accepted the offer.
Father Kolbe was put in the starvation cell with nine other prisoners. Still alive

two weeks later he was killed with phenol. . . .

Thoughts For Thursday

By H. M. Baggarly, Tulia Herald

IF YOU WANT to grow old prematurely, if you want to live in a state of perpetual misery, if you want a new stomach ulcer every three months, if you want to develop an inferiority complex, here's the quickest and surest recipe—try to measure up to the standards which the public sets up for you. Concern yourself with whether or not you are meeting with the approval of the public. Worry when people misunderstand you and your motives. Just try to please everybody.

—Thoughts for Thursday—
MAN, IN HIS natural state, is brutal and vicious, especially toward his fellowman. He sets a pattern which he expects his neighbors to live by—and if they fail, woe be unto them!

There are clubs and groups in Tulia who meet regularly to criticize those not present. They judge others by what they see—or want to see. Seldom do they have all the facts. Often they distort the meager information which they have. They have a keen sense of imagination.

—Thoughts for Thursday—
IT IS A serious thing to misjudge a person. It's like the old story, we've all heard, about the person who distributed the feathers in a pillow over the entire community, then attempted to recall them. It can't be done.

—Thoughts for Thursday—
NO COMMUNITY on the earth is immune from vicious scandalmongers. So instead of attempting to eliminate them, the best solution to the problem is to learn to live in spite of them.

This is where we began—learn to ignore them and what they have to say. Watch them make fools of themselves. For instance, when you hear someone report a juicy piece of gossip, something you know to be untrue, just sit back, take it easy, and watch time make him out a liar.

—Thoughts for Thursday—
FEW PEOPLE are as badly hurt by gossip as they sometimes think at the time. Time is the perfect vindicator. Truth has a way of coming out on top in due time.

What is a sound philosophy for persons who find themselves discussed in a reckless manner by others? When false reports concerning a person come continually, what should be his attitude? Should he try to correct or refute them?

By all means, no! It isn't worth his time. The best way is to ignore them, learn to live above them, let time make liars out of the poison tongues.

—Thoughts for Thursday—
GRADUALLY IT DEVELOPES that the gossip becomes a victim of her own design. Soon it develops that someone quotes this individual and winds up having to buy coffee for the house! Soon it develops that people snicker every time this person's name is mentioned.

What worse retribution could fall upon the head of a person than to have people question his every statement? What could be worse than to have the public take everything one says with a grain of salt? What could be worse than having one's club known as the "gossip center" of the town?

—Thoughts for Thursday—
GOSSIP has been well defined as putting two and two together, and making it five.

When of a gossiping circle it was asked "What are they doing?" the answer was, "Swapping lies."
