Floyd Bank Deposits Over \$31 Million

County Economy Remains Stable

According to a state bank call for 1974, Floyd County's two national banks showed deposits of \$31 million. This was about \$1 million less than last year's bank deposits. The same date when the banks were at all time high, following a record 1973 farm year.

county banks reflected a slight decline, mostly due to a poor year for the county's farmers.

Floyd bankers are optimistic about the new year and are working long hours at this time helping farmers finance and "refinance" for the 1975 crop year.

OTHER FINANCING

Buddy Lutrick at the Production Credit Office in Floydada said there would be some farmers who would be financing through the Farmers Home Administration as they were in too bad a financial condition for the banks or his office to finance another year.

Al Harrison, manager of FHA was unavailable for comment, but it is expected that he will make a report later about the number of farmers going through his office for 1975 farm financing.

BANK DEPOSITS

The First National at Lockney was down in deposits from December 31, 1973 to December 31, 1974 \$14,377,692.68 to \$11,997,287.25 while being up in loans from \$4,654,531.19 to \$5,361,433.52.

The First National at Floydada was down in deposits from \$20,200,273.51 to \$19,949,077.71 and up in loans from \$7,093,533.00 to \$8,102,116.21.

Every Alien Must Report His Address During January

Every alien who is in the United States on the 1st day of January of each year shall, within 30 days of such date, report his address to the Commissioner, Immigration and Naturalization Service, and shall include such additional information as is required by regulations.

1. Go to any U.S. Post Office.
2. Ask for the Alien Address Report Card.
3. Complete all items.
4. Place a U.S. postage stamp on the reverse of the card and drop the card in the nearest mailbox.

PENALTIES
Any Alien who willfully or inexcusably fails to report as required is liable to be taken into custody and deported. In addition, imprisonment or fines may be levied before deportation.

Caprock Chat

By Wendell Tooley

BILL FLYNTS will be moving to Caprock this week. It is a better job, bigger town for Bill to manage the Chamber of Commerce. Our best wishes to Bill, Kay and Tammy on their venture.

THE MEANEST MAN in the world might very well be the Liverpool ice cream seller who put a sign reading, **Free Ice Cream Tomorrow** and left it there day after day.

RESIDENT of the Chamber of Commerce Clarence Denton reports he is beginning to receive some applications for our manager's job. . . . We hope we can soon announce a new manager.

CONSIDERING WHAT experience costs, it should be the best teacher.

DEFINITIONS NOT FOUND in the dictionary: **Whives** - Where Noah kept his sheep. **Notoriety** - A near-great man far from home. **Experience** - (a) What you get when you are looking for something else. (b) A badge acquired when too late.

A MAN NAMED Vah Vash Young had a 10-point program for facing the day. It might be good for us to consider in facing the new year:

Political Leader - One who finds out the way the crowd is going and goes out ahead of it. **Political Platform** - Not to stand on, or get in on. **Imperamental Person** - One who has a temper and 5 percent alcohol.

- (1) I will get up in the morning thankful for what I have instead of asking for more.
- (2) I will try to make somebody happy for the day before leaving the house.
- (3) I will disregard the weather. I can't do anything about it anyway.
- (4) I will go out to "Give" and not to "Get."
- (5) I will not indulge in or encourage pessimistic talk.
- (6) I will strive to forget self and think of the other fellow.
- (7) I will demonstrate to my employer and the public that I appreciate my job.
- (8) I will be a booster instead of a knocker.
- (9) I will prove by my work that I am being paid for right thinking.
- (10) I will enlist all my thinking in favor of progress.

THE TWO MOST beautiful words in the English language are: **check and cash.** - Dorothy Parker

AND, ALONG the same lines, here's a "resolution" on "starting over" by Walter MacPeck:
"If I had my life to live over I'd pay more attention to my friends, and to acquaintances that might have become friends."
"I'd pay more attention to people. I'd try to keep close to them and to express the warmth and affection that I really felt for them. I'd try more often to send a note of good wishes when good things happened to them, or say a word of congratulations when I saw them."
"I wouldn't be satisfied to send prefatory greetings at holiday time. I'd write a personal note. I'd set up a birthday file for a few of my closest friends and let it help me to remember to speak or to write a word of encouragement to them on their birthdays."

JUST NO FUN comparing 1974 with 1973. . . . in business, in farming, in general economy.

ALL I remember 1973 as the year. . . . good rainfall at the time, low crop production costs, record harvests and record setting at the market place. . . . the year I did the most income tax.

LET'S don't look back - let's concentrate on 1975 and make it a good one. Of course I know we can't control weather conditions and a lot of that happen in the economy. We can hope for good luck. It has been said that the person who is at work usually has more good

Vital Statistics In County For 1973-74 See Little Change

Floyd County is breaking about even in the way of vital statistics in comparing 1973 to 1974. In 1974 births were up by two; deaths down by two, marriages up by 17 and divorces up by 6.

Floyd County registered 355 new babies in 1974 born in hospitals at both Lockney and Floydada. This figure does not include infants born to Floyd County parents in other city hospitals.

Seventy seven deaths resulted in Floyd County in 1974 and there were 122 marriage licenses issued at the clerk's office in 1974.

Thirty-three divorces were granted in 1974 as compared to 27 in 1973.

Building Permits Up In Floydada 1974

Although building materials, labor and almost everything used in building was up in 1974, it was a big year for construction in Floydada.

Duncan Elementary School were the major portion of the building permits. Much of the 1974 total includes some very nice big homes in the Texas Addition.

Collins Implement building completed in 1974.

. . . and 1974 looks good with \$450,000 already reported for building of the new farm labor housing complex in northeast Floydada.

The building permits since 1966 include: 1967, \$353,445; 1968, \$142,475; 1969, \$134,830; 1970, \$141,018; 1971, \$453,586; 1972, \$434,875; 1973, \$305,025; 1974, \$504,375.

City Council, County Commissioners, Hospital Board To Discuss Ambulance Service

Members of the Floydada City Council, Floyd County Commissioners Court, and Caprock Hospital Board will come together tonight in a meeting to work out a plan for ambulance service for this community.

Other communities have faced this problem for years. Some have handled it through the hospital, some through the fire department, some through contract with a private ambulance service firm.

Members of the ambulance business. \$10,000 a year to help on the cost of the service.

Breckenridge Plan

The city of Breckenridge, a Texas city of some 6500 population, has just signed a contract with a private ambulance firm. The city purchased two ambulances for the firm, and the county will pay Breckenridge some

Back in November Moore-Rose Funeral Home gave notice that they could no longer afford to furnish the ambulance service for this community although they were receiving \$6,000 a year from the city and county to help

RATES CHARGED
Rates for the new service, subject to commission approval later, will be put into use immediately. Emergency call rates will be \$20 base rate with a charge of \$1 per mile one-way for calls outside the city. Non-emergency or transfer calls will be charged \$15 base cost plus 50 cents per mile one-way outside the city.

Oxygen fee will be \$5 initial fee with a fee of \$5 per hour while in use.

Heavy Loss In Fire At Ward's Gunshop

A fire in Robert Ward's Gunshop in Dougherty late Saturday night or early Sunday morning caused the loss of approximately \$15,000 in equipment, according to estimates given the Wards from insurance adjusters Tuesday.

Mrs. Ward said they were not certain what time the fire started but they thought some time between midnight Saturday and early Sunday morning. The fire evidently smothered itself out in the double wall insulated small shed, which is closed by a steel door.

As the family prepared to leave their house for church Sunday morning Ward noticed the blackened storm door screen on the building which sets some 20 feet back of the Wards' residence.

Upon investigating he found the inside in charred ruins, everything plastic totally destroyed and other merchandise damaged, including office equipment. Small cans of pressurized items blew up, the Wards said, but luckily the fire evidently did not get hot enough to discharge 20 pound kegs of gun powder, rifle ammunition and shotgun shells; however, the wooden cases were charred.

The Wards said the fire apparently started in electrical wiring or a switch. Some of their loss is partially insured, according to the Wards.

Roundballers Take Littlefield

Floydada's Whirlwinds and Whirlettes had no trouble taking Littlefield when the Wildcats visited here Tuesday night.

Michael Curry led the Whirlwinds with 18 points as his team won 58-51. In the girls' game Karen West was high scorer for the Whirlettes with 18 points and the Whirlettes won 53-35.

SPLIT WITH DIMMITT
Last Friday night at Dimmitt the FHS teams split. . . . the boys lost and the girls won.

The boys are now 14-2.
LOCKNEY FRIDAY NIGHT
The Whirlettes enter district play at Lockney tomorrow night and the Whirlwinds enter the Canyon tournament today.

Floyd Youth To Show Stock At Fort Worth

FORT WORTH (Special) — Floyd County 4-H Club and Floydada FFA Chapter will have five heifers, 14 steers, 12 lambs and one barrow competing in the 79th annual Southwestern Exposition and Fat Stock Show Jan. 24 through Feb. 2.

Premiums exceed \$275,000 for the livestock exposition, horse show and 20 rodeo performances. More than 13,000 head of livestock are expected to be exhibited

in classes for cattle, sheep, swine, horses, poultry, rabbits and pigeons.

Special guest entertainer at the Fort Worth Rodeo will be Miss Toni Ingraham, country music's newest song stylist from Las Vegas. Also, Mr. Rythm, billed as the king of dancing horses, will perform at the rodeo.

Mike Cervi Championship Rodeo Co. of Sterling, Colo., will provide top bucking horses and bulls and strong roping calves and doggin'

steers for the rodeo contestants, who will be seeking over \$85,000 in purse money.

Tickets for the World's Original Indoor Rodeo are available by mail at P.O. Box 150, Fort Worth, Texas 76101, or at the rodeo box office in the lobby of Will Rogers Coliseum.

Cattlemen's Hopes Shattered

During a television interview with Horace McQueen, agricultural director, Channel 7, Tyler, Texas, R.L. Moore, President and Lee Perkins, Vice President of the Independent Beef Producers of America stated that the cattlemen's hopes were shattered when news leaked out that the President was not going to curtail the meat imports. The latest word being that he would permit 1,100,000,000 (one billion, one hundred million) pounds to be imported while the ports of all foreign nations are closed to meat imports. Cattlemen from all over this nation find it distressing and hard to understand. The beef producers are aware of the brain washing attempts by the USDA experts to confuse and mislead them with their "imports are minimal and the foreign meat imported does not effect the beef producers because of the low grade imported."

The news was disheartening because the new level will allow over 85 million more pounds to be imported in 1975 than was imported in 1974. 85 million pounds does not sound too great, but when you realize it would take 241,477 (two hundred forty one thousand, four hundred seventy-seven)

Jobless Workers May Apply For SUA

AUSTIN — Jobless workers who are not eligible for unemployment compensation may possibly qualify for a new type of benefits, Special Unemployment Assistance (SUA), according to Henry Rothell, administrator of the Texas Employment Commission.

The new unemployment assistance measure is authorized under the Special Employment Assistance Act of 1974 which President Gerald Ford signed into law December 31.

Special Unemployment Assistance makes unemployment benefits possible for persons such as domestics, agricultural workers, employees of city and county governments, and various other workers currently ineligible for unemployment compensation.

In Texas, SUA claimants can receive a maximum of \$63 per week for as long as 26 weeks, Rothell said. SUA payments will be made entirely from Federal funds and paid in accordance with the general provisions of the Texas Unemployment Compensation Act.

"Workers who have insufficient earnings in covered employment to be eligible for unemployment compensation under any State or Federal law," Rothell said, "may qualify for SUA if they present evidence of employment and earnings during the 52 weeks prior to filing their claim which would be sufficient to qualify for unemployment insurance if the work had been in

cows weighing 800 pounds to make up this increase in meat imports, it then becomes meaningful. For this nation's cattlemen the usual optimism of January 1 was overshadowed by this disturbing news.

covered employment."

An SUA claim may be filed at the nearest TEC local office or itinerant service point in the state. When a worker goes to an office to file a claim, he should take his Social Security card and a list of names and addresses of all employers for whom he worked during the most recent 52 weeks, along with documentary proof of work and earnings, the TEC administrator said.

South Plains Cotton Score: 942,000 To 2,023,000

Cotton harvesting is virtually complete on the High Plains, according to Paul R. Dickson, in charge of the USDA's Cotton Classing Office in Lubbock. Some gins still have cotton waiting to be ginned and samples are coming in slowly now," he added.

The USDA's Agricultural Marketing Service reported Lubbock, Brownfield, Lamesa, and Levelland classed 100,000 samples during the week ending Friday, January 3. This brought the season's total to 942,000. On this same date last year the total was 2,023,000, Dickson said.

Floyd Philosopher Thinks He Has Figured Out Why Price Of Arab Oil Has Risen So High

Editor's note: The Floyd Philosopher on his Johnson grass farm takes a short look at the new year this week.

Dear editor:

I had intended to fill this letter this week with my predictions for 1975 but gave up when I got through reading all the predictions by the experts.

As I understand them, some say 1975 will be worse than 1974, some say better, and the rest have their fingers crossed. The one I like best was the expert on television who squared his shoulders and said we'll be all right if we adopt a program that will stop a recession and whip inflation, but time ran out before he could say what the program is. Runner-up was the one who said the big automobile companies have got to stop making cars and switch to bicycles.

At the heart of our troubles, most of them agreed, is oil and the way the Arab nations are pricing it so high they'll eventually own all the money in the world.

This is probably true and I have figured out why Arab oil is so high. I'll explain.

Have you noticed that when leader appears on television he speaks English fluently? I got into this and found that most of their higher education in America.

That's where the trouble American universities thought over here learning our culture and time they were learning how to something somebody else can't without. They may have made good American history but what

fascinated with was seeing how can put a high price on sugar and it, or how to buy meat cheap on the sell it high in the supermarket, or \$100 a day for a hospital room.

They took one look at all the gas stations over here and said, "future in sand and camels; oil is money is."

What's Washington hung on? Sending American farmers to study Arab universities? Arabs have same as we have to drive cars.

Congratulations To

vestment where every penny counts. The dress has come into its own this season and pants keep in stride with new leg interest. Shorts are even making a come-back and according to fashion designers everything...but everything is suitable for spring. The news is mostly in the fabric, lots of cotton, poplin, ticking and raw silk. Knits are thinner and clingier and spring colors tend to be of brights...red, orange, turquoise, marigold and emerald. There will be more dresses worn this spring than ever, according to those who know...with more ruffles, frills, floral patterns and the more glamorous Chinese look.

It's also the year of the stripes. Almost every New York manufacturer is featuring the stripe in some version. Then there is the maillot blouse, something like the body suit, only fancied up.

Since the big bouffant hair styles are out...what else could be back but the Easter bonnet. Almost every manufacturer viewing spring fashions noted models wearing hats, centered on two specific types. One is the two-inch brim turned back off the face and the other is the wide picture hat brim, floppy in the breeze. You can bet it will be too in this West Texas wind. In both cases, the plain straw is in, the trimmed look out.

Shoulder bags are still in fashion and some so oversized that it's big enough for a weekend of clothes. So goes

the fashion world.

WHY do we waste all that money on space? Well, I asked and received the following information:

An individual associated with aerospace activity recently traveled to the northwest, down the coast to southern California and back to the east coast.

He was troubled when some people still asked: "Why do we waste all that money on space?"

One quick answer, among more than 4000 available, was "How many people are walking around alive today with heart pacemakers that came right out of the U.S. space effort?"

Take just one small facet of the space program - the Earth Resources Technology Satellite (ERTS-1).

Some 560 miles above us, this U.S.-made satellite launched in July 1972 to serve for a single year, still focuses its keen eyes on Earth. Covering a wide band around our globe every 103 minutes, it provides information of inestimable value to all mankind. The multiple tasks of this first ERTS will

be assumed in January, 1975 by a twin brother.

ERTS is helping us where we live and how we live in a way that no other effort by man could manage. As the National Aeronautics and Space Administration says, we are "...rediscovering the earth through space technology."

This rediscovery relates directly to the energy crisis. To pollution. To diminishing land, mineral and water resources. To population growth. To forces that wreak havoc on agriculture in a hungry world. To urban decay. In short, to major problems of modern society.

Do we want to:
•know about remote and unexplored earth formations that might promise hidden sources of oil or natural gas, or mineral deposits?
•identify new water resources and better manage those we already know about?

•narrow the selection of routes for roads and highways without lengthy ground surveys?

•know who is polluting water resources and the air, where and with what?

•know where and to what extent valuable agricultural crops, or forests, are being damaged by insects or diseases?

•have more accurate maps and charts for navigation and for the management of land resources?

There are no simple solutions to these very real requirements. Conventional tools and techniques no longer can cope. They are too slow, too cumbersome, too imprecise.

But space technology has stepped in to provide information that can help us make rational decisions.

These are coming from the more than 100,000 pictures returned by ERTS-1 as it scans our Earth from space.

Also, these benefits come from only a small share of that less than 2c of the tax dollar that supports our space program.

What has space done for us lately?

We shouldn't need to ask.

THE Baptist Standard had a drawing in this month's issue showing two bears, representing the Baylor Bears prior to their Cotton Bowl game. The drawing was taken from the Christmas cards mailed out by Baylor University president, Abner McCall, who is the brother of the late Mrs. John (Irene) Dobbs of Floydada. I miss Irene's stores she used to tell me of her and her two brothers growing up. Little did she think she would always say, that one day Abner would be president of Baylor University.

Grandmother's Stepmother Enjoys Her 91st Christmas

Grandmother's note reprinted from the Sentinel, Louisiana. Brown is the mother of Mrs. J. W. of Floydada)

Horse Shoe Lake in Concordia Parish, was 91 on October 2nd. Her Christmas this year is going to be somewhat different from those she remembered as a child.

As Christmas eve, were nine of us and mama and papa made 11. We had a use with a big. All eleven of us had that fireplace. I had his own chair. I came time we all sleep, and when we were there were nine where each one of. Each one had a an orange, an apple, a pair of nuts and two sticks of candy." "The way Mrs. Letia describes Christmas the 1880's at L. Miss. Brown, who lives on

This Sunday she is going back to Hazelhurst, Miss., for a family dinner with her two sisters, Alice, 88, and Althea, 86. She hasn't seen Alice in over 30 years. It's going to take her less time to go to Hazelhurst than it took her family to go the 15 miles from Rockport to Wesson, Miss. 90 years ago.

When she was a very small child they made the 15-mile trip to town by ox wagon.

"Then we got up in the world to where we could go by mule wagon," she said.

Her people were farmers in the Mississippi hills. The 15 miles to Wesson meant an

overnight trip. Her mother baked ahead of time — a ham, cakes and other foods — and they went to the big store at Rockport. They did their buying and by that time it was dark. So they all got on the wagon and rode about two miles out of town, where they pitched camp.

UNDER THE STARS
"Pitching camp" didn't mean, as it does now, with tent or a camper. The children pulled out quilts and lay down to sleep under the stars.

Mrs. Brown never had a bought doll in her life. She made rag dolls and corn-cob dolls, using the silk for hair, but she always wanted a real doll.

"You know back in those days, the dolls had the prettiest little china heads and cloth bodies," she said. "We always had a dirt chimney fireplace where my mama cooked in iron pots until I was a pretty good sized girl.

Then one day we got a wood stove. It was one of those stoves on legs and had two doors that opened, one on each side. On each door there was a blue stone woman's head. I remember thinking that when that stove wore out I was going to have one of those heads for my doll. I didn't have a bit more sense than that, but I sure did want a doll.

"My husband's papa had a big store at Rockport on the Pearl River. One day they had a drawing at Grandpa Brown's store. Papa was always spending some time down there, and at the drawing Papa drew a pretty little china doll and a little slide (sled).

"My older sister got the doll. She had never had one either. I got the slide. You know, I've still got it. I guess it must be way over 100 years old. It's blue."

TRAVELED OVER TWO STATES

Mrs. Brown married her

husband, the late Will Brown, also of Wesson. Mr. Brown, who was employed in the construction of railroads, died in 1945. The Browns traveled throughout Louisiana and Mississippi during their married life. At one time they lived near Waterproof. They lived in Natchez for some years.

Mrs. Brown came to Horse Shoe Lake in 1951 after she was widowed and was living with her youngest daughter. They had six children, and Mrs. Brown also had four step-children.

"Then there was always two or three extra boys around that I was raising," she said.

Her children are Thelma (Mrs. Robert) Middleton of Wildsville, Mrs. Carmen Gregory and Raymond Brown of Horse Shoe Lake, the late Coyle Brown of Natchez, Nathalie (Mrs. Walter D.) Duncan and Willeen (Mrs. Charles E. "Buddy") of Horse Shoe Lake, with whom she makes her home.

Of her four step-children, three are living — Edgar Brown of Cranfield, Miss.; W. J. Brown of Centreville, Miss., and Laura (Mrs. Bill) Graham of Floydada, Tex.

When Mrs. Brown was a child, her father raised practically everything they ate.

Sugar?
"Listen and I'll tell you how he made sugar," she said. "He had a big cane patch. He'd grind up that cane and fill up big stave barrels with syrup. They'd maybe hold 100 gallons. When he'd get to the last barrel of syrup, he'd cook it thick and it'd turn to sugar.

"Then Papa'd take the head out of that barrel. He and mama'd make a long table out in the yard. Then they'd put sheets on that table. Then Papa and Mama would lay out the sugar on the sheets about so deep (she measured about two inches with her fingers). Then they'd get a tub of water and wet some sheets and wring them out good and spread the wet sheets over the sugar. They'd cover it up so nothing could get to it — no flies or anything.

'PRETTY AND WHITE'
"As soon as the sun would dry out the sheets, they'd wet them down again. Then

that sugar would come out pretty and white as anything. Those wet sheets would bleach the sugar."

Like rock sugar?
"No, not like rocks. It would be coarser than what you but now, but it wasn't like rock candy. It was in little grains. The rock candy would come from cooking the syrup too hard."

Then the syrup reminded her of something else.

"When we started to school, Mama bought us all school buckets for our lunch. Every day she'd put in something like a sweet potato, buttered biscuits, pancakes with a little sweetening. And always a little bottle of syrup. And you know what the bottle would be? A quinine bottle or a calomel bottle or a castor oil bottle.

"She made her own little calomel pills. She'd roll some with a little flour and water and she'd give them to us every spring. When you took calomel you couldn't eat anything with grease. It'd salivate you.

"We had this dirt chimney fireplace and Mama cooked in iron pots with legs. When you'd see her heating up castor oil, you knew it was coming."

CHURCH EVERY SUNDAY

Church was three miles from the house, and they'd walk there, sometimes twice, on Sundays. Every Saturday her mother would cook enough food for Sundays too — potato pies, egg custard and coconut pies. She made good syrup cakes too.

The schoolhouse was also three miles from home. "The last school I went to was in a log house. We all were in one room. On one side was a big fireplace and on cold days you had to stand around it to get warm.

"One day it was cool, but we didn't have any fire in it. Our teacher had a sweet-heart and every once in a while he'd come on horse-back to the school to see her.

"Well, in the years that the children had stood around that fire, we wore holes in the floor. You know how it is. This young man, he was setting there and talking to the teacher and the children were all listening.

"He was moving around and he got his chair leg caught in one of those holes

and he fell over backwards in the ashes. Lucky there wasn't any fire. Ashes went all over that man. Us young'uns were dying off laughing. The teacher — she was trying to get the ashes off of him and was shushing us at the same time. I still think about that.

'WEEDS SPEWED UP'

"You know we walked those three miles there in the mornings and the same three miles back in the evenings. Sometimes it'd be so cold the weeds would be spewed up out of the ground. You know they have hills and hollows in Mississippi.

"We got water out of a spring about a quarter of a mile from the house way down a hill. The spring never dried up or froze over.

"For washing we had a well 100 feet deep. It had a handle on it. We had to draw up wash water 100 feet, put it in a wash pot and boil the clothes. Then we'd take them up and wring them out in two clean waters. We'd wring them out with our hands.

Mrs. Brown is a faithful member of the Monterey Baptist Church and she's happy that all her children are Christians. She has a tremendous zest for life, and, at 91, isn't nearly ready to leave.

"If I knew I was going to die tomorrow," she said, "I'd be on my knees begging for another week."

Mrs. W. G. Hopkins of Globe, Ariz., former Floydada resident and remedial teacher at Duncan Elementary School, underwent surgery yesterday morning for a brain tumor in a hospital in Oklahoma City. Friends of the Hopkins, Mr. and Mrs. Alton Rose, are due home today from Oklahoma City where they were with the family during Mrs. Hopkins' surgery. Her condition had not been learned in Floydada at press time.

Rev. and Mrs. Hopkins were through Floydada and spent Christmas night with Mr. and Mrs. Rose enroute to Weatherford, Okla., to spend the holidays with relatives. Mrs. Hopkins had been having medical problems for some time, according to friends, but the tumor was not discovered until she sought medical aid in Oklahoma City. Her husband was pastor of the Assembly of God Church in Floydada until the family moved to Globe in November, 1973.

NEWS OF FOOD

If you're like most American consumers, you don't like to buy a pig in a poke, especially when it's for dinner. You like to see what you're eating before you buy it. But, you have to know what to look for first.

1. Check the label. An all-meat frankfurter is not the same as an all-beef frankfurter. Orange drink is not orange juice. The label on a meat package should tell you what the cut is called, its quality, cost, size and price per pound.

2. Check the contents. All food packages must list what's in them, usually with the most used ingredients first.

Congratulations

Mr. and Mrs. Dan Price are in Canyon attending the University. Debbie Price, who had also been here in the home of Mr. and Mrs. Henry Price during the holidays, flew from here to Aspen, Colorado to ski with friends and then on to St. Louis by car with the friends.

Mr. and Mrs. Michael Hinsley and family visited Mr. and Mrs. Dean Watson and family Sunday night.

NEW FIND IS 3,600 YEARS OLD

In Central Lebanon, a group of archaeology students from the American University of Beirut has discovered artifacts 3,600 years old. These students have unearthed such items as pottery, painted bowls, bronze arrowheads, rods and needles. The most significant find unearthed during these excavations have been a bronze bowl which dates back to 1600 B.C., and the Middle Bronze Age burial

site of an infant and five adults which was discovered at a depth of about 21 feet.

Tex Watson talks about **Natural Gas for the Future**

I'm pleased to report to our customers that Pioneer purchased more gas during 1974 than we used. This new gas will be available for future use, of course.

As you know, Pioneer is having to pay more for new gas than we've ever paid before. The competition for the gas produced in our area has never been so fierce. But the higher prices are resulting in lots of new exploration and production. I know of numerous wells which could not have been drilled at prices prevailing three years ago.

The increase in field prices means that our customers will have to pay more for the energy they use in their homes — gas and electricity — but, more important, it means he'll have the gas he needs.

All energy will cost more in the future but gas will remain your best energy buy.

South Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Jan. 6 Holiday season is over school children and parents are back in school. Roads are drying out after rain and snow which fell week. It was 12 degrees by morning, and people on roads got out in the snow while it was on, and came in again at night, after it was on, for the dirt roads very muddy. We had two or three inches of snow.

Bradford, son of Mr. and Mrs. Melvin Myers, is in the 1st ADA Artillery of the Armed Forces and is stationed in Germany at this time.

Mr. and Mrs. Sylvan Kinnibrugh left last Tuesday for Navasota, Tex. north-west of Houston, and visited there with Bobbie's brother, Mr. and Mrs. Grady Spivey, and found him doing fairly well. The Kinnibrughs returned home Thursday night.

There were around fifty church services at South Plains Baptist Church Sunday morning. It was good to see the young couples, Mr. and Mrs. Carlton Johnson, Mr. and Mrs. Hansel present. There will be the regular church service Wednesday at prayer meeting, and Rev. Mike Oden will be in the January Bible study. He will teach the book of Acts, throughout Wednesday night prayer meetings during the month. Mr. and Mrs. Mike Oden returned to Lubbock Monday to the plane which brought his father, Paul Kman, home from Houston where he has been in hospital for several weeks. We are glad to know he is getting along well, will be convalescing at home in Plainview.

Week ago Sunday, Raymond Upton was taken to Central Plains Hospital in Plainview suffering with back trouble. He came home Wednesday. Mrs. Dean Stewart has been staying in the Upton Grocery while Raymond is ill. He came back to work Friday, but the doctor sent him back home for more bed rest. He is better at this time.

Mrs. Melvin Myers, school lunch room supervisor, left December 22, and came back December 29, after spending the holidays in Hubbard with her parents, Mr. and Mrs. Jim Hubbard, and with other relatives and friends, where she formerly lived. She reported it rained most of the time she was in Hubbard.

Mrs. Curtis Sanders' brother and family, Mr. and Mrs. Carl Boteler, Kenny and Dwayne left December 22 for Earth, where they are now making their home. Carl is employed with a pump company there. They are former South Plains residents, and were employed by Curtis Sanders.

Mr. and Mrs. Tillman Powell, Donna and Sandy left Christmas Day, going by Ralls where they had Christmas dinner with Mr. and Mrs. Warren Powell and children, and on to Van Austyne, Anna and Howe where they visited his parents, Mr. and Mrs. W. S. Powell, and with his brothers and their families. They arrived home Sunday before New Years.

Mr. and Mrs. Travis Young, Lori, Kirk, Shandra and Kenneth spent their Christmas Day in Lubbock with his sister, Mr. and Mrs. G. C. Pitts and family. Christmas eve they were in Floydada with her mother, Mrs. V. D. Turner and other members of her family.

Mr. and Mrs. Tommy Bell of Floydada, with small daughter, Heath, arrived home Saturday from Tallahassee, Fla. after spending the two weeks with her parents, Mr. and Mrs. Vin Compton and family.

Mr. and Mrs. Alvin Nichols celebrated their Fiftieth Wedding Anniversary at their home Sunday afternoon with their daughter and son-in-law, Mr. and Mrs. Glen Whitfill of Sweetwater and their granddaughter, Miss Cindy Whitfill of Dallas as host and hostesses. Guests called from Lockney, Floydada, Sweetwater, Plainview, Tulsa, Canyon, Dawn, and Dallas. Coming the farthest were Mrs. Nichols nephew, Mr. and Mrs. Bill Nichols from Boulder, Colo. Mr. and Mrs. Nichols received a number of beautiful gifts, among them a set of gold table service for twelve. A gold coffee and tea urn was used in the serving area. Around seventy guests called during the afternoon. Another granddaughter, Mrs. Judy Allen of Moyleck, N.C., called the Nichols by

Tommy Powells and her and the Warrens and children of Ralls Sunday dinner and per here with his parents, Mr. and Mrs. Dan Powell, Sandy and son. The Tommy Powells brought home turnips, peas, carrots and other staples from the gardens at Tallahassee.

Mr. and Mrs. Frank McClure went to Lubbock Saturday where they had supper in the home of his sister, Mr. and Mrs. C. R. Givens. Other guests were their brother from Oregon Mr. and Mrs. M. M. Givens who have been spending several weeks in the southland in their mobile home.

Supper guests Saturday evening with Mr. and Mrs. Nathan Mulder and children were Mr. and Mrs. Jimmy Respondek and Christine, Mike and Susan of Lubbock. Respondek is manager in Lubbock of Tractor Supply. They formerly lived in this vicinity.

We offer congratulations to Mr. and Mrs. Arlen Lackey of Lubbock who were married Dec. 14 in Lockney, and are now making their home in Lubbock. Mrs. Lackey was the former Kay Thornton, daughter of Mr. and Mrs. Herman Thornton of South Plains. She attended schools in Lockney.

Mr. and Mrs. Kendis Julian, Kristi, Mitzi and Tim went to Dallas Tuesday of last week to visit in Plano with her brothers and families. They spent Tuesday night with Mr. and Mrs. Dale Roberts, Pam and Mike, and Wednesday night with Mr. and Mrs. Ken Roberts and Jason. Ken is with the police force at Richardson. They returned home Thursday.

More South Plains News [From last week] Mr. and Mrs. Bary Kinslow, Jennifer and Grant from near Dallas were here the Christmas holidays visiting his parents, Mr. and Mrs. E. J. Kinslow and Steve.

Mr. and Mrs. Alvin Nichols celebrated their Fiftieth Wedding Anniversary at their home Sunday afternoon with their daughter and son-in-law, Mr. and Mrs. Glen Whitfill of Sweetwater and their granddaughter, Miss Cindy Whitfill of Dallas as host and hostesses. Around seventy guests called during the afternoon. Another granddaughter, Mrs. Judy Allen of Moyleck, N.C., called the Nichols by

phone as she was unable to be present. Congratulations to Zach Cummings on being named Mr. LHS, and most handsome senior of Lockney High School. Zach is the son of Mr. and Mrs. Sterling Cummings of South Plains.

Mr. and Mrs. Leighton Teeple had as Christmas Eve and Christmas Day guests Mr. and Mrs. Clay Anderson of Stinnett; Mr. and Mrs. Kenneth Flowers and family, Mrs. Vergie Stidham, Mrs. Ruth Hill, all of Amarillo; Mrs. Clara Redd and Mrs. Lillie Luttrell of Floydada; Mrs. Edna Gilly and Mark, Mr. and Mrs. Craig Gilly, and Mr. and Mrs. Dwight Teeple and boys. Another daughter, Mr. and Mrs. David Reddout and children of Cullen, La., and Rhonda Teeple were also there, with the Reddouts staying through Friday. Rhonda still has 2 weeks home, as she is a student at Univ. of Texas.

Our hearts were made sad by the sudden passing of our friend and neighbor, L. T. Wood, who died Christmas night. Rev. and Mrs. Troy Cartmill of Baytown were here for the services and Rev. and Mrs. Mike Oden came home from Houston. Services were held Dec. 27 at the South Plains Baptist Church. We would like to offer our sympathy to Mrs. Wood, and all the members of the Wood family.

Mr. and Mrs. Tony Oden of Lubbock were visitors at South Plains Baptist Church Sunday morning, guests of their son and wife, Rev. and Mrs. Mike Oden.

THANKS TO MODERN PLASTIC PACKAGING WHICH PRESERVES FOOD FRESHNESS, FOOD WASTES SUCH AS CARROT TOPS BANANA STALKS AND POULTRY FEATHERS CAN BE RECYCLED BY GROWERS AND PACKERS RATHER THAN SHIPPED INTO HEAVILY POPULATED AREAS. THIS NOT ONLY REDUCES THE CITIES' SOLID WASTE LOAD BUT ALSO, BECAUSE OF THE EFFICIENCIES, RESULTS IN LOWER FOOD PRICES.

Mr. and Mrs. Alvin Nichols celebrated their Fiftieth Wedding Anniversary at their home Sunday afternoon with their daughter and son-in-law, Mr. and Mrs. Glen Whitfill of Sweetwater and their granddaughter, Miss Cindy Whitfill of Dallas as host and hostesses. Guests called from Lockney, Floydada, Sweetwater, Plainview, Tulsa, Canyon, Dawn, and Dallas. Coming the farthest were Mrs. Nichols nephew, Mr. and Mrs. Bill Nichols from Boulder, Colo. Mr. and Mrs. Nichols received a number of beautiful gifts, among them a set of gold table service for twelve. A gold coffee and tea urn was used in the serving area. SIN (Part 2)

Guilt is defined as: "a realization that one has violated ethical, moral or religious principles, together with a regretful feeling of lessened personal value on that account."

Guilt and sin must be resolved within the framework of the Bible revealed religion. The amazing thing about the grace of God is that even though sin is of the devastating nature it is and God is the nature He is and yet it is completely possible to have total forgiveness of past sins.

Jesus shed his blood to take away sin - Matthew 26:28 "For this is my blood of the new testament which is shed FOR the remission of sins." The Greek word "eis" translated "for" in this verse is the same word used by the Holy Spirit in Acts 2:38 that baptism is "for" the remission of sins. . . . Baptism is "for" the remission of sins as it relates to Jesus' death (Romans 6:3, 4) as sinbearer and sin-offering. The ground and reason for the mercy of God is Jesus' death - shed blood as a "propitiation" (Rom. 3:24-26). Baptism as "for the remission of sins" appropriates the saving power (forgiving power) of the blood of Jesus according to the Word of God. No wonder Jesus commanded us to be baptized - Matthew 28:19.

Center News

By Mrs. J.E. Green

CENTER, Jan. 6, 1975 — We didn't have a White Christmas, but we did have a White New Year's night — and some snow still on the ground in the shade. We are having cold nights and days, too, when the breeze is stiff, but beautiful, bright, sunny days.

There are still some colds and flu among us. Mrs. Denison is about recovered

from a siege of it during Christmas week.

Mrs. Claud Carpenter is about over the flu and has succeeded in not imparting it to other members of her family.

Mrs. A. W. Anderson spent Christmas day and night with a daughter and family, Dorothy and Odell Thompson at Petersburg. Others present for the day were another daughter, Estelle, and husband, Mr. and Mrs. Ausie Watson of Abilene. Later a younger son, Leon Anderson of Tyler, arrived for a short visit with his mother and other relatives in this area.

Mr. and Mrs. Charles Fulkerson spent Christmas in South Texas in the home of a daughter. While there she contacted a doctor in a Houston hospital on schedule.

Bill Thomas of Lockney visited Mr. and Mrs. Hal Thomas Friday and Saturday.

Miss Frances Mitchell spent Christmas day in Plainview in the home of her brother and family.

Mr. and Mrs. Gordon Mayfield spent Christmas with their son, Eugene Mayfield and family at Little Rock, Arkansas.

Mr. and Mrs. Weldon Cumbie of Providence visited the Mayfields Saturday.

Charley Spence has been ill at home for several days, but is reported better. Art Ratzlaff visited him Sunday p.m.

Mrs. Elmer Warren and Mrs. Ava Jackson visited Mr. and Mrs. Leo Frizzell Friday p.m.

Thomas Warren was transferred from Caprock Hospital Saturday morning to Methodist Hospital, Lubbock. He was accompanied by his wife. Sunday, his

THREE DEADLY BEAUTIES - These lovely ladies (left to right) Cheri Caffaro, Gloria Hendry and Rosanna Ortiz, are quick to deal out death to anyone who gets in the way of their Liberation Army in American International's "Savage Sisters," showing Friday and Saturday at the Seale.

mother, Mrs. Ola Warren, his sons, Edwin and Don and his daughter and family, the Paul Stouts of Quitaque, visited Thomas at the Lubbock hospital. They report a good night's rest Saturday night.

Mrs. Frank Dunn had a family get-together Christmas Eve at her home. Present were Mr. and Mrs. Edd Parks and children of Houston, Mr. and Mrs. Jimmy Dunn and two girls, Lubbock; Mr. and Mrs. Steve Shipley of Kentucky and all the Tony Balios family of Lubbock except Margaret and baby who had the flu.

The following Saturday Mrs. Dunn was in Plainview with Mr. and Mrs. Floyd Montgomery and all three made a trip to the northwest. First they stopped in Bovina to visit old friends, then on to Hereford to see more old friends, Mrs. Robbie Fortenberry and Mr. and Mrs. Charles Higgins.

Miss Frances Ashton of New York City took a plane

from Lubbock Saturday for the return trip after spending the holidays here with her parents, Mr. and Mrs. Clarence Ashton and other relatives.

Mrs. Elmer Warren spent New Years with Mr. and Mrs. Wade Warren.

Mr. and Mrs. Floyd Montgomery visited Saturday after Christmas with Miss Vera Meredith. Last Friday Mrs. Clay Muney came, Saturday Mrs. C. M. Meredith and Mrs. Helen Patterson, and Sunday Mrs. Margaret Springer.

Sunday week visitors of Mrs. Ava Jackson were the Orbin Carrolls and the B. J. Brents of Amarillo, Mr. and Mrs. Neal Wright, Rotan, and Mr. and Mrs. Kevin Wright of Penn State, Pa. Mrs. Lois Durham came Sunday p.m.

Dinner guests of Mr. and Mrs. Fred Battey New Years were Mrs. Thomas Warren and boys, Edwin and Don and Mr. and Mrs. Paul Stout and Michele.

Mrs. Green had all her children home for the evening meal Monday, Dec. 30, except Gretchen, a granddaughter of Seattle, Wash. And the Don Clark Greens of Big Spring, who had come Sunday. All of the Anthony Lattas came except Anthony who had flu. There were 26 present. The Ryman's of Hubbard — last to arrive — left for home Friday visitors at the Green home were Mr. and Mrs. Grady Edelman of Muleshoe and Mr. and Mrs. Zolan Melton of Coleman.

Sunday dinner guests of Mrs. Green were Mrs. Mabel Foster and Miss Delzie Bradford.

Services for John Earl Dudley, 66, of Lorenzo were held Saturday in the United Methodist Church of Lorenzo.

The Rev. James Futch, pastor, and the Rev. David Vistine, pastor of Assembly of God Church of Lorenzo officiated.

Burial was in Lorenzo Cemetery under direction of Carter Funeral Home of Falls.

Born in Grayson County, Dudley moved to Lorenzo as a child and lived there most of his life. He married the former Lola Askew in Crosbyton in 1934. He died Thursday evening in Crosbyton Hospital.

Survivors include his wife; two daughters, Mrs. Frankie Mae Watts of Hale Center and Mrs. Viola Pearl Bean of Falls; two sons, Wiley Bean and Van Haney, both of Lubbock; three sisters, Mrs. Myrtle Burk of Lockney, Mrs. Ethel Cox of Missouri and Mrs. Emma

Ferguson of Canyon; a brother, Monroe of Nyssa, Ore.; nine grandchildren and a great grandchild.

Mary Weiland

Services for Mary Bridgett Weiland, 90, of Lockney were held at 2:30 p.m. Wednesday in Assembly of God Church with the Rev. Bob Wright, pastor, officiating.

Burial was in Lockney Cemetery under direction of Carter Funeral Home.

Mrs. Weiland died at 6:30 p.m. Monday at Lockney Care Center after a lengthy illness.

She was a resident of Floyd County since 1936 and of Lockney since 1940.

Survivors include two sons, Herman of Houston and Milton of Cleveland; five daughters, Mrs. Kendall Cummings of Lockney, Mrs. D. D. Moore of Bay City, Mrs. Margaret Hill of Lakewood, Calif., and Mrs. H. B. Tumlinson and Mrs.

Ellen Burns, both of Pasadena; two stepdaughters, Mrs. Agnes Gips of Yorktown and Mrs. Thelma Pump of Bay City; 18 grandchildren, 38 great grandchildren and 11 great-grandchildren.

Mrs. Fyffe

Funeral rites for Mrs. Clinton Fyffe, 60 year old Floydada resident, were held yesterday in the First Christian Church with Dr. Floyd C. Bradley, pastor of the First Baptist Church officiating.

Mrs. Fyffe died at 9 p.m. Monday in Caprock Hospital after a lengthy illness.

The former Eulalia Volia Burrus was born in Lubbock January 14, 1914 and married Clinton Fyffe in Las Vegas, New Mexico, August 16, 1936. Mrs. Fyffe was a member of the First Christian Church.

Survivors include her husband; a son, Stephen Fyffe of Floydada, and a brother, James R. Burrus of Borger.

Interment was in Floyd County Memorial Hospital under the direction of Moore Rose Funeral Home.

Palbearers were Charles Mathews of Austin, J. B.

Claibourne of Lamesa and Doyle Walls, L. B. Stewart, Kinder Farris and Newell Parker.

Walter Merrell

Funeral rites for Walter Fred Merrell, 63 year old longtime rancher and farmer of Floyd County, were held Monday in the First Baptist Church in Lockney where he was an ordained deacon.

Merrell was found dead of a gunshot wound in the chest Friday afternoon around 4 o'clock approximately 12 miles north and four miles east of Floydada. A father and son from Turkey found Merrell lying beside his pickup on FM 97 near Cedar Hill.

Justice of the Peace Raz Ford of Lockney said he ruled the shooting accidental after investigation. He said evidently Merrell was attempting to get his 410 shotgun from a toolbox in the bed of his pickup when the gun discharged striking him in the heart. Ford said the gun was partially out of the toolbox.

A native of Flomot, Merrell was born August 30, 1911. He was a lifelong resident of this area and had lived in Floyd County some 20 years. He was the great nephew of one of the first settlers in Blanco Canyon who migrated from San Saba with 1,200 head of cattle.

Merrell and Dorothy Lackey were married in Floydada in 1933. He was a member of the Oddfellow Lodge in Lockney.

Survivors include his wife; a daughter, Mrs. Carolyn Jones of Spur; a son, Fred B. Merrell of Lubbock; a brother, Henry Merrell of Hartley and four grandchildren.

Dr. Neil Record, former pastor at Lockney, officiated for the rites, assisted by Rev. Francis Wilson of Lubbock.

Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

PROTECTING YOUR HEART

Many doctors are recommending a diet low in cholesterol and saturated fats for their patients. Women are trying to follow this advice in planning family meals, but many questions arise:

I know poultry and fish are highly recommended on a cholesterol-lowering diet, but my husband loves beef. Is there any way to lower the saturated fat content of meat?

The saturated fat content of meat dishes can be lowered to some extent by following these rules. Select lean cuts of meat and always trim all visible fat. Roast and broil meats on a rack so meat won't sit in drippings. Roast at low temperatures (325° to 350°) and baste with wine, fruit juice or broth rather than the drippings. Chill drippings by adding ice cubes before making gravy. Fat will harden and can thus be removed. Do the same with braised meat (stew, soup, pot roast). If fat is needed for gravy, use Fleischmann's Corn Oil Margarine. It contributes valuable polyunsaturates to the diet, but no cholesterol.

Is poultry stuffing allowed on a low-cholesterol diet? Yes, but bake it separately. Inside the bird, stuffing absorbs much fat which you want to avoid. Stuff your bird with onions, carrots and seasonings for flavor. Use chicken broth in your stuffing and bake in a casserole.

Farmers Union Sets Retreat Leadership Training Session

FLOYDADA—A Mid-Winter Retreat and Leadership Training Session has been scheduled Jan. 24-25 at the Plains Baptist Encampment on the White River near Floydada by the Texas Farmers Union.

Farm and ranch families from across the state will participate in the two-day program designed to better acquaint members with the farm organization's goals and objectives and to provide leadership skills training.

Dr. Weldon Barton, director of governmental affairs for the National Farmers Union in Washington, will start the program. He will hold a seminar on effective lobbying methods to prepare the members for the National Farmers Union Fly-In to

Washington late next month. Robert Mullins of Waco, TFU legislative director, will discuss issues coming before the Texas Legislature and outline plans for the Texas Farmers Union Legislative Day in Austin in mid-February. The Austin Drive-In utilizes member-lobbyists to acquaint Texas legislators with the Farmers Union state legislative program.

Victor Ray, assistant to the president of the National Farmers Union in Denver, a nationally recognized leader in the field of group dynamics and leadership training, will be coordinator and seminar leader for the training sessions. Ray has led numerous FU groups in training for leadership positions within the farm

organization and activities.

Keynote speaker at a 24 noon session will be Baggary, editor and publisher of The Tulsa Herald. Other TFU representatives participating in the seminar will be Jay Waco, TFU press secretary, and Mary Berg of Lubbock youth and education.

The training seminar is open to all members of TFU. Cost for the individual, which includes meals and lodging, is \$30 per family or \$10 per person. Reservations should be made immediately with the state office in Waco.
