Sweepstakes

Goes To Dean Hinton

Over 400 Floyd County Jr. stock showmen and their parents enjoyed a barbecue dinner banquet and many were honored with special awards, in Duncan Elementary cafeteria Thursday night.

Banquet speaker was Texas Tech football star Brian Hall who spoke on the subject "dream your dreams and make them come true."

Dean Hinton, son of Mr. and Mrs. Henry Hinton of Dougherty received the coveted Sweepstakes trophy and plaque.

Invocation was given by David Schwertner, dinner music by Penny Bertrand and master of ceremonies was Dale West, president of the Floyd County Farm Bureau.

Presentation of the special awards was made by Floyd County Agent Doyle Warren, Floydada agriculture teachers O. L. Harris, Milton Kirby, Dale Bullock and Lockney agriculture teachers Elvin Lyon and Monroe Shannon.

Mark Beedy, Grand Champion Steer Trophy, courtesy of Mr. and Mrs. G. L. Fawver.

Rusty Cagle, Grand Champion Barrow Trophy, courtesy of Producers Cooperative Elevator.

Joel Hendrix, Champion Finewood Trophy, courtesy of Consumers Fuel Association.

Joe Covington, Champion Medium Wool Trophy, courtesy of Cal Clay Farms.

Tracy Womack, Champion South-down Lamb Trophy, courtesy of Jake and Danny Colston.

Jeff Bayley, Champion Finewood Cross Lamb Trophy, courtesy of Womack Brothers.

Nancy Lloyd, Champion Shropshire Trophy, courtesy of Caprock Motor Parts.

Ricky Hrbacek, Floyd County Jr. Livestock Showmanship Award - Beef - KFLP Radio.

Dean Hinton, Floyd County Jr. Livestock Showmanship Award - Sheep - Mr. and Mrs. Curtis Sinor.

Tom Assiter, Floyd County Jr. Livestock Showmanship Award - Swine - in memory of K. E. Probasco.

Rick Hrbacek, Reserve Steer Trophy, courtesy of Jim Simpson.

Greg Pruitt, Reserve Barrow Trophy - courtesy of E. D. Morgan.

Ronnie Cunyus, Floyd County Jr. Livestock Herdsman Award - Beef - Button Beedy.

Danny Fry, Floyd County Jr. Livestock Herdsman Award - Sheep - Kenneth Brosech, Lockney.

Joe Araujo, Floyd County Jr. Livestock Herdsman Award - Swine - Buddy's Supermarket.

Joe Womack, High Individual Livestock Judging - Motley County Abstract Office, Mr. and Mrs. James Ed Russell (103 entrants).

Steve Jones, Lambs; D'Lyn Mathis, Barrow; Greg Bishop, Steer (tie); Division High Individual - (Beef, Sheep - Swine) Mr. and Mrs. Henry Hinton; Dougherty Farm Supply, Dougherty.

Ribbons - courtesy of Davis Farm Supply.

Banners - courtesy of Southwestern Public Service Co., Floydada - Lockney.

Dean Hinton, Sweepstakes Trophy A Friend of the Floyd County Junior Livestock Show (Plaque) - Ralston Purina Company.

Ricky Hrbacek, Champion Angus; Mark Beedy, Champion Hereford; Jon Jones, Champion Cross; — Mr. and Mrs. Earl Edwards.

Ty Williams, Reserve Champion Angus; Shelia Hrbacek, Reserve Champion Hereford; Jone Jones, Reserve Champion Cross; — Mr. and Mrs. J. O. Elliott and Jackie.

Brian Hall made a big hit with the crowd as he opened with a few jokes, then cited some of the handicapped people who became great; Glen Cunningham, a Tech "blue chipper" who was severely injured, Babe Ruth, baseball pitcher Young and even George Washington.

"It's not how hard you tried, but how long you kept at it," he told the young showmen who didn't win this year. He said there is a good future in agriculture... now the world's largest industry. In conclusion he said, "you can be a champion... if you build a better you."

PRESIDENT OF THE FLOYD COUNTY JR. Stock Show Button Beedy is pictured with Dean Hinton, recipient of the coveted Sweepstakes trophy and plaque. (Staff Photo)

Caprock Hospital Will Take Over Ambulance Service

Effective April 1, 1975 the Caprock Hospital District will take over operation of the Moore-Rose Funeral Home ambulance service.

The decision by the Caprock Hospital board of directors was made this week. It was felt by the board that the hospital offered some advantages in taking over the ambulance service:

1. Its taxing arrangement did not include the Lockney precinct. Lockney has an ambulance service maintained

by its volunteer firemen.

2. Bookkeeping could be included in many cases with hospitalization and insurance claims.

3. Possibility later of using male LVNs to make ambulance calls, since they will already be on duty around the clock.

4. There will be no double taxation on city people, which would have occurred if the city and county had sponsored the ambulance service.

First Baptist Revival Begins

The Spring Revival at First Baptist Church will be conducted March 9-16. Day services will be at 12 o'clock noon, Tuesday through Friday, with lunch served at 12:30 each day. The evening services will begin at 7:30 p.m. Sunday services will be at regular hours of worship, 11 a.m. and 7 p.m.

Dr. Bill Cook, pastor of First Baptist Church in Bartlesville, Oklahoma, will be the evangelist. This is the second revival for Dr. Cook with the church. He is one of Southern Baptists most aggressive and capable pastors. He is an outstanding preacher, recognized writer and much sought speaker at church and denominational functions. The daytime messages will be built around the subject of the Spirit-filled Life. There is great interest and

concern with many people in this vital Christian subject. A recent book published by Broadman Press and written by Dr. Cook deals with this subject matter.

Music will be under the direction of Mr. Fritz Smith of Tyler, Texas. Mr. Smith is in full time evangelistic music. He has served in leading Southern Baptist Churches in a staff position and has been in revival music for about ten years.

The deacons of the church have led in a city and community wide invitation visitation the past two weeks. It has been their purpose to bring a personal invitation to every home in the area to attend this revival.

The nursery will be provided at each service for children birth through three years of age.

15,000 Trout Released In Mackenzie Lake

rainbow trout were released Thursday in the Mackenzie lake. Davis said the browns were about 7 1/2 inches long and the rainbow 4"

Thursday 10,000 rainbow and 5,000 browns were put in the lake. Back in the fall of 1973 10,000 channel catfish were put in the lake, and in October of 1974 another 50,000 channel catfish were put in the lake. Recent reports are that these catfish are already eating size.

No bass have been stocked in the lake because there is already a large number of native bass in the lake that have washed down stream. A Parks and Wildlife biologist says that native bass are to be preferred because they are more hardy and will do better.

Davis said we are most happy with the representatives of the Parks and Wildlife Commission who are working with us on developing the fishing and recreation for our new lake.

Davis said in the Monday night meeting the board would try to finalize plans for leasing lots and the lot surveyor would be present at the meeting. He said all board members were beginning to get telephone calls from people wanting to lease lots and begin building homes on them at the lake.

Caprock Hospital Board Election Deadline Monday

The terms of Caprock Hospital board members Dallas Ramsey and Bill Daniel are up and anyone desiring to file for election in their places should file not later than 5 p.m. Monday.

The Caprock Hospital board election is Saturday, April 5.

Terms are for a two year period and candidates must have petitions signed with at least 25 names of qualified voters in the hospital district.

Secretary of the board Doyle Walls will accept the petitions and filing for election.

At press time two men had filed for election to the Caprock Hospital Board. . . Dallas Ramsey seeks re-election and a Floydada farmer Laron Fulton has filed for election.

FHS Tennis Team Beats Petersburg 6-1

Petersburg's tennis team came to Floydada Wednesday afternoon and lost all their matches except one.

FHS winners were Elizabeth Farris, Blair Davis, Keith Tooley and Alonzo Gonzalez, Linda Norman and Kelly McDowell, Donette Marble and Debby Johnson, and Todd White. Mark Craig and Mike Ramsey lost their match.

The tennis team was in the Vernon tournament Friday and Saturday.

Future Leaders Of Business At State Meeting

More than 2,700 student leaders and faculty advisors in marketing and distribution will meet in San Antonio beginning Friday, March 7, for the 29th Annual State Leadership Conference of Distributive Education Clubs of America, generally called DECA.

Representing some 22,000 DECA Members in 630 high schools, the delegates will hear from nationally-known leaders in marketing, education, and government during two days of workshop and seminar sessions which end on Saturday.

A special feature of the Conference will be contests to select State winners in career categories — public speaking, advertising, display, sales demonstration, job interviews, and student of the year. Only first-place winners in local competition are eligible to compete, and State winners will be announced Saturday night at the concluding banquet session.

Recipients of the 1975 State DECA scholarships will be announced at the Saturday evening Awards Banquet. These awards provide outstanding students the opportunity for advanced study in marketing, management, or distributive education.

DECA Operates through the nation's public schools to attract young people to careers in marketing and distribution. Formed in 1948 with only 800 students in 17 charter states, it grew to a total of 225,000 student members in 1975.

FHS DECA students leaving for San Antonio Wednesday were Martinas Cervantes, Dianna Grimes, Nesa Jackson, Lyle Suggs, Dene Brown, Brad Tooley, Elaine Giesecke, Johnny Spurlock, Randy Pierce, Dana Woody, Karan Cox, Cathy Clampitt and advisors Benny Locke and Bob Alldredge.

Floydada HS Places Third In UIL Events

Floydada High School placed third in Group 1 Championship in the Lubbock-Cooper Interscholastic League competition held last week. Cooper School was first with 47 points, Roosevelt, second with 44 points and Floydada, third with 36 1/2 points.

Individual winners from Floydada were Mike Ramsey, Number Sense; Julie Ratheal and Russ Pratt, Slide Rule; Russ Pratt tied for first in Science; Bravada Garrett, first in Speaking Results; Tracy Puckett first in Poetry; Brenda Turner, fifth in typing; Mike Bean, second in Headline Writing; Linda Norman, third in Feature Writing; and Kathy Hale, third in News Writing.

FREE TRIP TO WASHINGTON, D.C. goes to these three Floyd youth who competed in a speech contest at Lighthouse Electric Cooperative Thursday night. Lighthouse gives the free trip. (left to right) Royce Chadwick, Floydada; Jo Lynn Milby, Lockney and Tracy Puckett, Floydada. (Staff Photo)

Stock Show Auction, Premiums Set All Time Record

There's certainly no recession in Floyd County when it comes to supporting its young showmen with plenty of auction money and premiums to keep them in the livestock show business.

The \$78,493.25 given the young showmen in auction money, premiums and floor bid money was an all time record high, comparing with last year's \$72,647.72.

Jimmy Dean Packing Company bought the barrows for 41.25 per

pound. Armour Meat Company bought the lambs for 39.50 per pound. Floydada Livestock Auction Sales paid 35 cents per pound for the steers.

County Agent Doyle Warren expressed the thanks of the stock show officials to auctioneers Raymond Aiken and Gene Harris and said that there are four steers that have been dressed out and are for sale at 57c per pound plus cutting and wrapping.

So, if you need some good grain fed beef, call Doyle.

Of Cotton Crop To Be Sold

62 cotton around the state are as follows: Lower Rio Grande Valley, 20 percent; Corpus Christi area, 50 percent; Austin area, 75 percent; Dallas area, 65 percent; Abilene, including Munday area, 70 percent; Lubbock area, 70 percent; Memphis, Eastern Panhandle and four north Texas counties in the Vernon-Quanah areas, 70 percent; and Pecos-El Paso area, 50 percent.

It was estimated that 12 percent of the Texas crop was "field" contracted compared with 65-75 percent in 1973.

Emergency Loans Now Available

farmers in Castro, Floyd and Hale counties eligible for emergency loans through the Farmers Administration (FmHA) to cover crop losses from weather conditions that occurred over the last year, the U.S. Department of Agriculture announced.

Counties had extended drought from August 1973 to last year, in addition to hailstorms at inter- May, June and October 1974 that destroyed farm

rainfall from Sept. 1 until Nov. 31, 1974 and crops in the three counties. Reports from county farmers disclosed some land erosion from heavy rainfall from early September to the end of last year, an early freeze in mid-October

John C. White, Commissioner

No Longer Number One... 90 to 100 Gins To "Lay Out" ... Cattle, Calf Sales Decline ... Broiler Production Up and Down.

Texas is no longer the number one cattle feeding state in the nation. The state lost that long-held honor to Iowa as of Feb. 1. Cattle and calves on feed in Texas number 1,237,000. Iowa's total is 1,250,000 head.

Cattle on feed in Texas have been cut virtually in half in a year's time. The number of cattle on feed a year ago in the state totaled 2,340,000 head. Compare that with the latest figures and you have a 47 per cent decline.

Nationwide, cattle on feed in the seven major feeding states--Texas, Iowa, Nebraska, Colorado, Arizona, California, and Kansas--are down 37 per cent from a year ago. As of Feb. 1, cattle numbers in these states totaled 6,050,000 head compared to 9,632,000 a year ago.

This could explain in part some of the price declines in grain sorghum of recent weeks. Sorghum prices have declined around \$2 per hundred pounds since last November.

Two-thirds of the Texas' sorghum crop is used in cattle feeding. Thus, a cut of a million head in cattle on feed would have some effect on total usage of sorghum.

Cow-calf operators can expect little relief from their depressed problems until an upsurge in cattle feeding materializes.

OF THE state's 900 cotton gins, about 90 to 100 are not expected to be operating this season due to projected cuts in cotton acres. This does not mean those gins which do not open this year are going out of business permanently, however.

Not as many gins are expected to be idle on the High Plains this year since cotton acres probably won't be cut as much in that area as other sections of the state.

A reduction of 23 per cent in cotton acres is forecast for Texas this season. This figure is based on Jan. 1 intentions. Weather and improvements in the cotton price picture can yet change the final figure, even though cotton planting is now underway in the southern parts of the state. Planting there is off to a slow start because of the weather. However, projections now are that perhaps less than 50 per cent of the acreage to cotton in the Valley last year will be planted this season.

SALES of cattle, calves, sheep and goats in Texas during January were 28 per cent below a year ago, the Texas Crop and Livestock Reporting Service notes.

However, sales for hogs continued at the same pace of a year ago.

There were 482,000 cattle and calves marketed through auctions during January, a decline of 28 per cent from a year ago. Sheep sales totaled 52,000 compared with 78,000 a year ago. Goat sales were 27 per cent below a year ago.

The Texas Animal Health Commission reports only a third as many cattle and calves were shipped out of Texas during January of this year as there were a year ago.

FARMERS UNION SUPPORTS GREEN THUMB PROGRAM, EXTENSION GRANTED

The Texas Farmers Union Green Thumb Advisory Board met in special session recently in Austin to discuss the future of the program. Funding for the program

which has 285 older-workers in 27 counties (Randall, Briscoe, Swisher, Motley, Lamb, Hale, Floyd, Hockley, Crosby, Dickens, Terry, Garza, Dawson, Bosque, Navarro, Freestone, Limestone, Coryell, McLennan, Falls, Bell, Milam, Williamson, Lee, Travis, Bastrop, and Fayette) was scheduled to expire June 30, 1975.

Last session, Congress had passed and President Ford signed a bill providing \$12 million earmarked for National Contractors of programs for low-income elderly.

Recently, President Ford had asked Congress to withdraw the amount appropriated. In effect, this would have ended the program. However, the House Appropriations Subcommittee on Labor-HEW rejected the Administration's request. This will permit funding of the Green Thumb program an additional three months. The Administration now says that this money will be used for the "orderly phase-out" of the Green Thumb Program.

Unless favorable action is taken by Congress to establish the Green Thumb program as an on-going national program community service activities in rural Texas will cease at the end of the three month period.

Research Center Merges With Experiment Station

The "emergency" loan and target price legislation being pushed by the House Livestock & Feed Grains and Cotton Subcommittees is the farmer's best chance for greater price protection under 1975 farm programs, according to Donald Johnson, Executive Vice President, Plains Cotton Growers, Inc.

"Even so," Johnson says, "chances for legislation being passed in time to be effective in 1975, at best, are about 50/50, and farmers at this time would be foolish to make planting decisions in expectation of higher loans and target prices."

The Cotton Subcommittee, chaired by Congressman David Bowen of Mississippi, has agreed on trying for a reasonably simple one-year bill which would increase the cotton loan in 1975 from the announced 34.27 cents per pound, basis Middling one inch cotton, to 40 cents, and the target price from 38 cents to 48 cents. Also the bill would call for interest on CCC loans to farmers at a rate no higher than the cost of money to the Government. But all other changes in basic farm law would be left to another day.

Similarly, the Livestock & Feed Grains Subcommittee, chaired by Congressman Bob Poage of Waco, is proposing a one-year bill lifting price supports without treating such things as reserve stocks, export requirements and other "side issues." The Subcommittee is calling for target prices of \$2.25 per bushel on corn (about \$3.81 per cwt for grain sorghum) and \$3.10 for wheat. Loan rates would be at \$1.87 per bushel for corn (\$3.17 per cwt for grain sorghum) and \$2.50 for wheat.

The thinking of the two subcommittees is that their proposals, if cleared by the full House Agriculture Committee, will have a better chance of passage in time for 1975 production since they treat only price supports without getting into a multitude of other issues. The full House Agriculture Committee had not considered the proposals as of this writing, and there are certain to be those on the Committee who will ask for changes.

Even on the Cotton Subcommittee there was considerable disagreement. For example, Peter Peyser, New York Republican, urged that the Subcommittee insert a 44-cent target price for cotton. Congressman Poage sought a loan level of 38 cents and a target of 45 cents. Congressman Ed Jones, Tennessee Democrat, and Chairman Bowen were the chief proponents of the higher levels, with Bowen arguing that even the U.S. textile mills favor a loan level as high as 40 cents per pound.

Representative Peyser has indicated he will ask the full committee for a lower target price.

Johnson indicated a hope that the bill can be passed as written by the Subcommittee, noting that its target and loan levels are very close to those called for in PCG's legislative position.

"Farmers are facing the onerous prospect of planting 1975 crops with slim hopes of being able to recover production costs unless improved price supports are provided by Congress," he said.

The Agriculture Committee was scheduled to consider the subcommittees' action on February 27, but consideration was postponed, to which Johnson commented, "The measures being sought by Mr. Poage and Mr. Bowen are indeed emergency measures, and every delay of action, even for a few days, makes the possibilities for passage in time to relieve the pressure on farmers in 1975 even less likely."

Officials of the High Plains Research Foundation at Halfway and the Texas Experiment Station recently announced plans to merge to expand agricultural research on the High Plains of Texas.

The merger was effective January 1 with all present and past research and education programs to continue. However, the new merger is expected to give Halfway station some development in its long-range research programs, especially in areas of insect and disease resistant grains and drought resistant cottons.

The High Plains Research Foundation was begun in 1956 when area farmers and business leaders purchased 310 acres of irrigated land at Halfway to establish the research station. It has functioned as a private institution the past 19 years controlled by more than 100 trustees made up of the farmers and business leaders.

The Research Foundation has made many outstanding contributions to the agricultural economy the past years, but has noticed many areas of duplication with other similar agencies the past several years. It was out of these duplications that the merger came.

Officials of the Halfway station met several times in the past years with officials of Texas Tech, West Texas State, Texas A&M and the Texas Ag Experiment Station, and in the fall of 1974 agreed to lease 155 acres of the station for five years to the Extension Service for a nominal fee. The leased area includes buildings and other major capital improvements.

All employees of the Halfway station moved under supervision of the Experiment Station and the High Plains Research

Foundation changed to a non-profit organization called the High Plains Research Coordinating Board, Inc. The board will now try to coordinate the research programs and activities of the many agricultural-related organizations in West Texas including growers and livestock raisers associations.

TEXAS TALK

BY DON GRANTHAM

CBS Television in their regular program called "60 Minutes" took some time last month to talk about grass-fed cattle. Charles E. Ball, executive V.P. of the Texas Cattle Feeders Association told *Texas Talk* why he wrote a letter to CBS taking exception to some of the comments. Mr. Ball indicated the program implied that feeding grain to cattle was immoral. Saying that grain not fed to cattle would not prevent starvation in another part of the world. Mr. Ball pointed to the practical problems of transportation, storage and economics as factors which would prevent the grain from reaching starving people. Ball said the cattlemen are already using grassland as effectively as possible without intensifying the energy problem (use of fertilizer). Other points were made by Mr. Ball including the fact that much of the grain fed to cattle is not suitable for human consumption. Many of us will be watching now to see if a reply to his letter is forthcoming from CBS.

Miss Mitchell Gives Program For 29 Club

Miss Frances Mitchell showed slides and commented on her trip to Russia, to members of the 1929 Study Club Thursday in the home of Mrs. H. O. Cline. Miss Mitchell's program was especially enjoyed and very informative.

The meeting was opened with the devotional given by Mrs. Vance Campbell, using the Club Collect as the guide.

Mrs. J. A. Colston, president, presided over the business session during which time project reports were given. Delegates and members completed plans for the Federation District meeting in Lubbock. Family group sheets and memberships for the museum were presented for the club by Mrs. Clay Henry.

Mrs. Cline served refreshments to Mmes. Vance

Campbell, J. A. Colston, C. W. Denison, Clarence Goins, Sam Green, Clay Henry, C. M. Meredith, Iam Moore, Q. D. Williams, J. M. Willson Sr., and a guest, Miss Mitchell.

food for thought for the next time you go food shopping. Buy in quantity. When the price is favorable get as much

as you can safely store, preferably enough to last until the next special. This saves time as well as money.

Consider buying in-house brands as well as name ones on some items. They're usually cheaper, and come in various quantities.

Buy when the price is right. Shop around for the savings at supermarkets.

Buy food you know your family likes—and that you know is good for them. Ice cream, for instance, is one dessert that provides all the nutrients of milk: calcium, phosphorus, protein, vitamin A, thiamine and riboflavin, yet about everyone enjoys it as much as less nutritious, higher priced and more caloric sweets.

Budget Bonanza

If you're like most American homemakers, you want to save as much as possible, particularly these days, so here's some

Floydada Girls Vie For 4-H, FFA Princess Titles

Floydada will be represented by three young women Sunday in the competition for the title of 4-H Princess and FFA Princess of the Southwest Junior Livestock Show in Lubbock.

The three are among 41 girls vying for the titles. Two girls will be named Princesses at finals held at 2:30 Sunday, March 9 in the Livestock Pavilion of Panhandle South Plains Fair Grounds in Lubbock.

The winners will attend all events in the 4-day Livestock Show, present ribbons to winners and act as official hostesses.

Floydada girls are Nila Bryant, Floydada FFA, 16 year old daughter of Mr. and Mrs. Nile Bryant; Isabel Martinez, Dougherty 4-H, 14 year old daughter of Mr. and Mrs. Benny Martinez; and Donna Reid, Floydada 4-H, 15 year old daughter of Mr. and Mrs. Charles Reid.

Hello World

Mr. and Mrs. Ronnie Griffith of Hart are parents of a daughter, named Amber Dawn, who was born in Central Plains Hospital in Plainview March 4. She weighed five pounds and 13 ounces at birth. The mother is the former Linda Jo Harrison of Floydada. Griffith is employed by American Mineral Insurance Co., in Plainview. The couple are also parents of Jason Matthew, age three and a half.

Grandparents are Mr. and Mrs. Alfred Harrison of Floydada and Mr. and Mrs. Elmer Griffith of Lubbock. Mrs. Dollie Newberry of Mineral Wells is a great grandmother of the baby.

Mr. and Mrs. A. O. Foster went to Ft. Worth and Mineral Wells last Saturday and returned home Tuesday. In Ft. Worth they visited their daughter and husband, Mr. and Mrs. Fred Huffman. In Mineral Wells they visited with Mrs. Foster's brother, Ernest Jones.

Lockney Care Center Capers

By Maria Arellano

My — how time flies! It won't be long and spring will be here. How did you like our dust storm? What a day! Hope we don't have many more of these to come.

Once more our thanks to those who made our week a great week. Sunday we had the C.Y.O. (Catholic Youth Organization) at our center bringing scripture readings and singing hymns for us. We truly enjoyed them. Also had our Bible School by our Assembly of God group and Bro. Wright who we thank for such a great class. Monday the members of West Side Church of Christ brought our devotional and sang for us. Tuesday Bro. Wright and his members came, Wednesday members of First United Methodist Church came. They can

really sing. Thursday we had Bro. John Jenkins and his members — he can really preach. We missed Bro. Clay Muncy and Mrs. Muncy. Hope Bro. Muncy is soon well. Thanks to Mamie McGhee for playing the piano. Everyone has been just great. Praise the Lord! Friday Bro. Crowder of Flomot First Baptist, and wife came. Isn't it wonderful to have such Christians.

Wednesday afternoon the following ladies: Ora Collis, Annie Lee Kellison, Alma Baxter, Laura Manning, Sally Griffith, Mrs. Honea, Lucille Smith, Linda Kidd came or baked cakes for our party. They are members of Main Street Church of Christ. They honored our residents who celebrate their birthdays in March. These are Maggie Payne, Simplicio Leal, Joe Zambrano, and our custodian, Robert Lopez who also celebrates his birthday this month. They decorated our tables very beautifully, following the theme of St. Patrick. And served cake and punch to all present. We appreciate this so much, for they do it every month. We also thank Laura Manning for her crafts and ideas, and egg cartons.

Thursday we were honored to have a great musical group with us. These were Art Ratzlaff (electric guitar), Pete Rogers (guitar), Dwayne Wilson (piano), Blackie Salazar (guitar), Harvey Allen (electric harmonica), all of Floydada, and Curtis Baldwin (string bass) of Plainview. We enjoyed their music so much. A very special thanks for the time they spent with us. Hope to see them back next month.

Visitors from out of town: Mr. and Mrs. James Burke, South Dakota; J. M. Billingsley, Hale Center; Rena Nelson, Tulsa; Mr. and Mrs. Dickerson, Silverton; Mr. and Mrs. Roy Russell, Turkey; Ida Jones Georgia Lee of Turkey;

Elizabeth Settle, Lubbock; Maureen Griffith, Plainview; Rev. E. N. Givens, Plainview; Mr. and Mrs. Art Ratzlaff, Floydada; Mr. Edwards, Floydada; Ester Brasher, Providence; C. C. Price, Petersburg; Mr.

HECE Employee Of The Week

Sharon Decker, a senior at Floydada High School, has been chosen as Home Economics Cooperative Education Employee of the Week. She is employed at Cogdell Clinic. Dr. Jack Jordan is her training sponsor. Sharon is a member of FTA, HERO, National Honor Society and the annual staff. She plays varsity basketball and is a varsity cheerleader. Sharon is the daughter of Mrs. Lovene Decker, Floydada and Lane Decker of Plainview.

Her favorite hobbies are water skiing and sewing. She plans to attend Texas Tech after graduation, majoring in interior design.

If you're careful, you'll probably be able to get both good economy and good taste.

What One Person Can Do

After graduating from St. Cyr Military Academy, Charles de Foucauld (1861-1916) was assigned to Algeria. There began a fascination with the Sahara that was to last a lifetime. De Foucauld was the dissipated son of wealthy French parents, and he soon squandered his inheritance on the usual forms of self-indulgence. Eventually, he was forced out of the

words. There will be only one division this year with fifth and sixth graders competing against junior high students. In the past the spelling bee was broken down into two divisions, junior and senior. In try-outs Thursday in Floydada Jimmy Jones, last year's county champion, took the lead again. Jett Cheek was first runner-up and will be spelling with Jimmy in competition March 20, against winners of Lockney. Terri Kinard is alternate for Floydada.

Winner of the county spelling bee will advance to the Regional Spelling Bee to be held in Lubbock April 5.

army, only to be taken back. Again he left, this time to make an exploratory journey into the Moroccan desert. During the trek, the devotion of his Jewish and Muslim traveling companions impressed him.

Back in Paris, de Foucauld went daily to the Church of St. Augustine. He prayed for faith. "My God," he prayed, "if You exist, make Your existence known to me." The steady, intelligent belief of his cousin, Marie de Bondy, helped the young man make his peace with God. Then he set off once more, this time for the Holy Land, where he spent some time as a monk and worked as a handyman for a group of nuns. But the Sahara was never far from his thoughts. Eventually, de Foucauld

TROPHY WINNERS at the Lockney Junior Livestock Show included [left to right] Ricky Ford, sheep showmanship; Karen Latimer, beef showmanship; Chris Johnston, swine showmanship; and Darlene Broese, best pen of five lambs.

became a priest and built a hut among the Tuareg nomads at the edge of the African desert. He spent his time compiling a Tuareg-French dictionary, praying, and extending hospitality to all who sought it — especially the poor.

Charles de Foucauld was killed in 1916 by hostile tribesmen. He had never fulfilled his desire to found a religious order based on prayer, labor and charity. But since his death, five separate communities inspired by his ideals have arisen. They are brothers and sisters to the poor around the world. What one

person can do often lasts long after his or her death. For a free copy of the Christopher News Notes, self-addressed envelope to The Christophers, 12 E. 48th St., New York, NY 10017.

Hospital after a lengthy illness. He was the brother of Hal Thomas of Floydada and Bill Thomas of Lockney. While living in Floydada Thomas worked at Collins Implement.

Survivors include his wife, two sons, Homer of Hobbs, New Mexico and Charles of Houston; three stepchildren, and two brothers, three sisters, Mrs. Ella Riggins of Olney, M. Hester and Mrs. L. P. Kennedy Jr., both of Post and several grandchildren.

Obituaries

Lee Thomas

Funeral rites for a former Floydada resident, Lee Thomas, 75 of Overton, Tex., were conducted Tuesday in the Laird Hill Baptist Church. Thomas died at 2 a.m. Sunday in Tyler

SHOP FLOYD COUNTY

PROVIDENCE NEWS

By Gayle Jackson

Morphis and Shonda. Mr. and Mrs. James Landtroop were hosts Friday night for a family supper honoring Mrs. Landtroop's sister, Mrs. Inez Hancock of Imperial Beach, California, on her birthday. Also present were Mr. and Mrs. O. V. Morris of Tulia and a friend of Mrs. Hancock's

Mr. and Mrs. Klyce Ooley of Plainview. The trip was cut short a day or two when the group received news that Mrs. Barker's mother, Mrs. H. T. Burns, had fallen Tuesday, breaking her hip. Mrs. Burns underwent hip surgery Wednesday at West Texas Hospital in Lubbock. Mr. and Mrs. Fred Carthel, accompanied by her sister, Mr. and Mrs. Cecil Carthel of Lockney, recently vacationed for a week at Brownsville and other points of interest in south Texas. Recently Mr. and Mrs. L. B. Brandes were in Seguin where he attended a board of regents meeting at Texas Lutheran College. Before returning home they went to Houston to visit their daughter, Mr. and Mrs. Bill Hays.

Mrs. B. F. Foster died this week in Plainview. She was a former resident of the Whitfield community, which is several miles north of Providence. Funeral services were held Friday. Among those attending were Mr. and Mrs. Walter Boedecker, whose son-in-law, Weldon Foster, is a son of Mrs. Foster. Mr. and Mrs. Virgil Brasher visited in Tulia Sunday afternoon with Mrs. Lucille Brasher.

Mr. and Mrs. Sam Newmann and Miss Helen Newmann of Claytonville visited Sunday afternoon with Mr. and Mrs. Marvin Scheele. Guests of the Scheeles Tuesday afternoon were their granddaughters, Mrs. Eldon Box and Michelle and Mrs. Ennis Faver all of Plainview.

Paige Bradford of Floydada is spending the weekend with her aunt, Mr. and Mrs. Lanny Glascock and Angie.

Jim Bob and Pam Barnes of Plainview were Wednesday night supper guests of his sister, Mr. and Mrs. Bob Damron, Shayne and Rayna. Mr. and Mrs. Dvid Scheele of Lubbock and Mr. and Mrs. Ralph Brown of Edmonson attended the Lockney Junior Livestock show Saturday and visited with the Albert Scheele family.

Visiting Sunday at Dimmitt with former Providence residents, Mr. and Mrs. Ernest Sammann were Mr. and Mrs. L. B. Brandes. Mrs. Fred Carthel and Mrs. Mike Carthel visited Thursday afternoon in Lubbock with Mrs. Jim (Jean) Curtsinger and new baby daughter.

Doreas Bible study group of Trinity Lutheran Church met Wednesday afternoon in Plainview with Mrs. Bill Cyper. Study leader was Mrs. Fritz Steinfeld. Also present were Pastor and Mrs. Durkop and Mmes. Virgil Brasher, Albert Sammann, Lucy Boedecker, Marvin Scheele, Sam Newmann, Albert Steinfath and Miss Helen Newmann.

ALCW will meet Wednesday afternoon at 2 o'clock at Trinity Lutheran Church for a program and business meeting. Mrs. Helmut Quebe is president.

Enjoying an outing Sunday to Palo Duro Park were Mrs. and Mrs. Herbert Smith and Lori, Mr. and Mrs. Loyd Morphis, Tonya and Todd, Mr. and Mrs. Joe

INSURANCE DIVIDENDS PAID EARLY

The Veterans Administration earlier announced that a record amount of more than \$335 million would be paid to eligible veterans in 1975 as dividends on government life insurance. The dividends will be paid to World War I, World War II, and Korean Conflict veterans who have in force participating policies of government life insurance. The earlier report by the VA indicated that the insurance dividends would be paid on the anniversary date of each individual policy. The VA has now announced that all 1975 insurance dividends will be paid at one time, probably during March. The early payment of the dividends was ordered at this time in the hopes it would stimulate the economy of the nation. Eligible to receive the dividends are World War I veterans with United States Government Life Insurance in force, identified by the Letter "K" in front of the policy number. Also receiving dividends are Veterans of World War II

Congratulations To Floydada DECA Club For Their Outstanding Accomplishments At Wichita Falls... We're Backing you At State !

Twelve Floydada High School Distributive Education Students and their DECA advisors will meet in San Antonio March 7, with more than 3,000 other student leaders and advisors for the 29th Annual State Leadership Conference of the Distributive Education Clubs of America, generally called DECA.

The high point will be the selection of State winners in the following: Public Speaking, Advertising, Display, Job Interview, Sales Demo., Student of Year, and Manual Skills. A Saturday night banquet will be held to announce the winners.

DECA operates through the schools to attract young people to careers in marketing and distribution. DECA was formed in 1948 with only 800 students in 17 charter schools. It grew to a total membership of 225,000 in 1974. Membership in 1975 is expected at 275,000 young men and women hoping to become your future leaders of tomorrow.

Lions Club Gets Involved With FBI, Texas Rangers, Special Agent

The Floydada Lions Club had a law enforcement program at their regular meeting Thursday at the MAC center. Special guests for the meeting were Bernie Brown, FBI agent from Lubbock, Marshall Brown, Texas Ranger from Plainview, and Floyd County officers Royce Gilmore, Ronny Bellew, Abel Anzeldua, and Tom Hopper, Floydada Police Chief; all were guests of Sheriff Bud Rainey.

Guest speaker for the event was J. Gordon Shanklin, Special agent from Dallas, Texas.

J. GORDON SHANKLIN

Shanklin is a native of Elkton, Kentucky, where he received elementary and high school education. He received B.A. and J.D. Law Degree from Vanderbilt University and practiced law in Nashville, Tennessee prior to entering on duty as a Special Agent of the FBI in May, 1943. He served as an Agent in West Virginia and New York City.

He was a Supervisor assigned to the FBI Headquarters in Washington, D.C. from 1947 to 1951. In September, 1951, he was made Assistant Special Agent in Charge of the Mobile, Alabama office, and in November, 1953 was made Special Agent in Charge. He was also in charge of the Pittsburgh office prior to returning to FBI Headquarters as an Inspector in 1956.

During the year 1958, he was Agent in Charge of the El Paso Division. From January, 1959 until April, 1963, he was the Agent in Charge of the Honolulu, Hawaii Division. Since April, 1963, he has been in charge of the Dallas office. He is married and the father of two children.

One 16th century doctor was mad enough to believe that mints could cure hydrophobia.

Because people believed that lead would keep out evil spirits, religious objects were often kept in lead caskets.

TEC NEWS

Two Texans who rose from the ranks of the disadvantaged through education and skills they acquired in the Job Corps have been named to the Corps' "Hall Of Fame."

H. Jean Henderson of Dallas and Jessie Al Lane of Austin were among 10 Job Corps graduates saluted by Secretary of Labor Peter J. Brennan for "exemplifying those qualities that have made America great" at the national observance of the Job Corps' 10th anniversary in Washington, D.C.

The names of these two, and eight other graduates picked from 60 Job Corps Centers, will be inscribed on a plaque which will hang in a place of honor in the new Department of Labor headquarters building in the Capital.

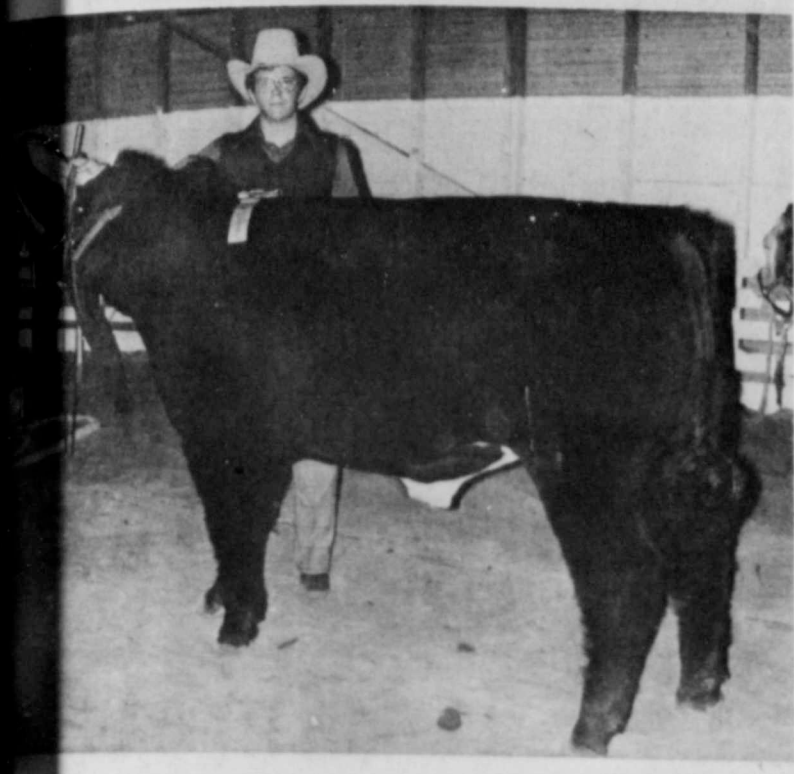

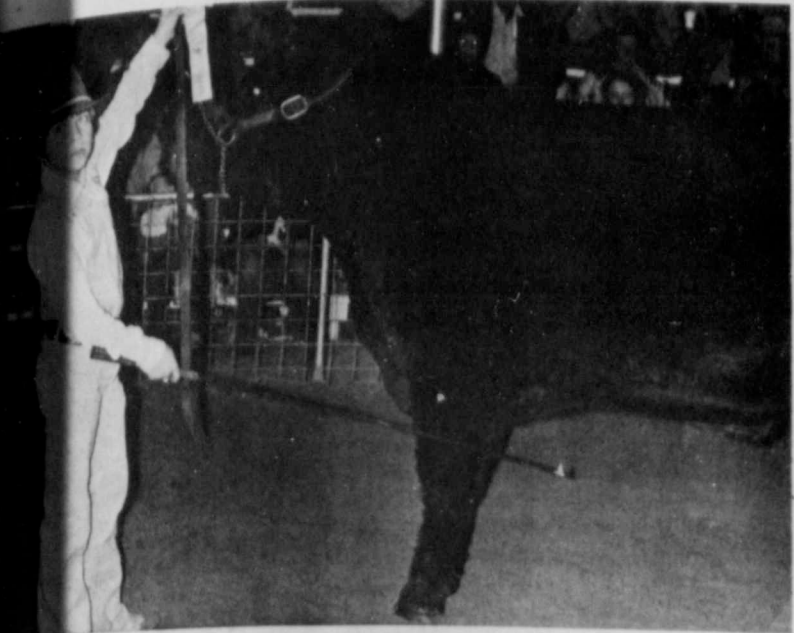

Jean Henderson, a widow, was supporting her three children on her motel maid's pay of \$25 a week in 1967 when she enrolled at the Job Corps Center for Women in McKinney, Texas. Within a year she earned a high school diploma equivalency, completed a course in office skills, and began working at clerical occupations.

Today she is a secretary in the Dallas Regional Office of the Social Security Administration, earning \$10,000 a year and owning her own home. She is still furthering her education at Dallas Junior College, and finds the time to teach Sunday school and speak about the Job Corps on television and at business club luncheons.

Jessie Al Lane enrolled in the Timber Lake (Oregon) Job Corps Center in 1971. At 20 he had earned his high school equivalency and enough skills to qualify as an apprentice plasterer.

Lane is now earning \$12,000 a year as a working member of Local 783 in Austin, has bought a mobile home and supports his mother, brother and a nephew. He devotes much of his time to counseling potential and present Job Corps members and to helping recent graduates adjust to their new jobs and productive life styles.

The other eight inducted into the Job Corps Hall of Fame are: Judith L. Chandler, Richmond, Va.; Walter Mitchell, West Haven, Conn.; Julie Connor, Kansas City, Mo.

Friends, Romans, countrymen
Lend me your ears;
Especially if your water heater
has a lot of years.
It's easy to forget
An appliance such as this,
But cold water at those urgent times
Could be a real crisis.
Your Reddy friends remind you
With this little poem
An electric water heater's perfect
For each and every home.

NEWS FOR VETERANS

During this particular time each year, many veterans and their dependents and survivors are uncertain as to whether their Veterans Administration benefit payments are subject to the income tax laws.

In general, veterans benefits are exempt from Federal income tax, and need not be reported as income. This income tax exemption applies to dividends and proceeds from government life insurance policies, but Federal estate tax does apply in certain instances to proceeds received in settlement of such policies following death of the insured. Also, interest earned on government life insurance dividends left on deposit or credit with the Veterans Administration is considered income and must be reported on Federal income tax returns.

Among major tax exempt Veterans Administration benefits are disability and death compensation and pension.

Soil Conservation Essay Winners Announced

Miss Tony Richards, Floydada High School senior, daughter of Mr. and Mrs. T. W. Richards was named first place winner in the 1975 Floyd County Soil and Water Conservation District essay contest. This year's entry theme was "Conservation - Key to the Future" according to G. L. Fawver, chairman of the local board.

Miss Richards' essay has been sent to the sponsor of the regional and state contest of the Texas Conservation Awards Program in Fort Worth, Texas to be judged on a regional and state level. The state awards banquet will be held May 3, 1975 in the Student Center Ballroom at Texas Christian University.

The top three essay winners in regional will receive trophies and the state winner will receive a trophy and \$100 cash.

Miss Richards received \$25 cash for her essay being named first place winner.

Miss Kathy Howard, daughter of Mr. and Mrs. Al Howard, and a student at Floydada High School won second place and received \$15 cash.

Miss Richards and Miss Howard's awards were announced at a student assembly meeting Thursday at the local high school.

Miss Kristie Willis, daughter of Mr. and Mrs. Kenneth Willis, and a student at Floydada Junior High School was named third place winner and received \$10 cash and was presented the award at a student assembly meeting Thursday also.

The board wishes to thank all the students who wrote essays to be judged, all the teachers who assisted with the essay contest, Charles Tyer and A. W. Coltharp for their assistance in making arrangements for the awards to be presented at the schools, and for Martin and Company in Floydada for the \$50 prize money.

SCS ESSAY WINNERS - Chairman of the SCS Fawver presents checks to Kristi Willis (top photo), Kathy Howard (middle photo) and Tony Richards (bottom photo).

Lockney Locals

Mr. and Mrs. Doug Bowles visited recently in Oklahoma with their families. In Shattuck, they visited with Doug's mother, Mrs. Esther Bowles and the next day went to Buffalo where they stayed with Mr. and Mrs. Lee Rogers, Kay's mother, there. They visited with numerous relatives and had a joint birthday dinner for five members of both families celebrating their birthdays that particular week.

Miss Starla Krues, daughter of Mrs. Janet Krues of Plainview, is visiting grandparents, Mr. and Mrs. R. B. Holt, while Plainview is on their spring break this week. Starla is a kindergarten student.

Mr. and Mrs. Alvin Parrish left on a commercial flight from Lubbock Tuesday, March 4, flying to Ft. Worth, Miami, Berlin, Brazil, South America and on to their home in Floriano, Brazil. They expect to be home Saturday morning. Mr. and Mrs. Parrish and

their three daughters, Cherie, Carrie and Celia have been home on three months' furlough from their service in the Missionary Aviation Fellowship ministry in South America. They stayed with Mrs. Parrish's parents, Mr. and Mrs. Les Ferguson while in Lockney. They traveled extensively speaking to their sponsoring churches and visited with his family in San Jose, Calif. Mrs. Parrish is the former Debra Ferguson.

Also visiting the Les Fergusons last Sunday, March 2, were Mrs. Ferguson's two brothers, a sister and families. They were Mr. and Mrs. S. L. Cook of Amarillo and Mr. and Mrs. T. N. Cook of Abilene and Mrs. James Miller of Plainview.

Misses Tracy and Terri Wesley of Canyon stayed with their grandparents last week. Mr. and Mrs. George Taylor, Mrs. Lawauna Wesley, the Taylors' daughter, and son Todd joined them for the weekend.

Freshman Class Members
Ralls High School
Ralls, Texas 79357
February 25, 1975

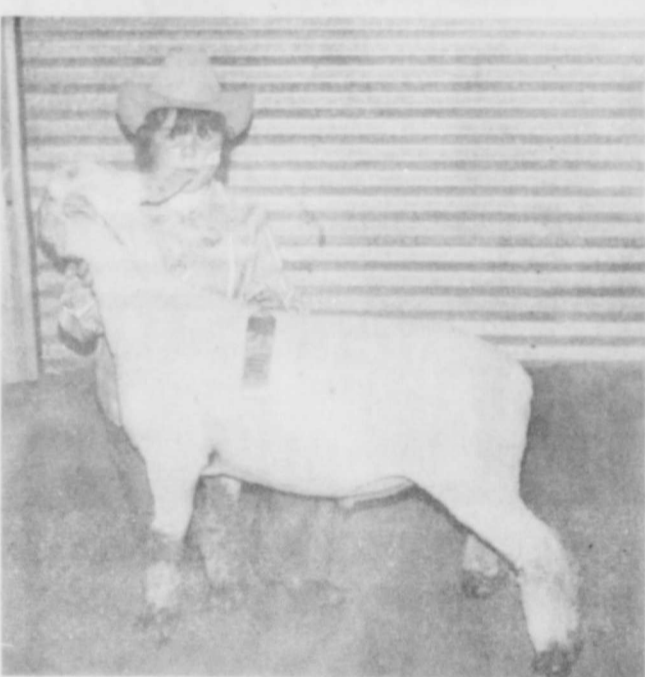

Gentlemen:
The Ralls High School Freshman Class is sponsoring a talent contest in the high school auditorium on the night of April 11, 1975, at 7 p.m.

The competitive events are to be in three categories: (1) elementary-junior high students, (2) senior high-college students, and (3) adult. First and second place awards are to be presented in each category.

We wish to extend an invitation to persons of the surrounding area to participate in this event and would appreciate your publishing a news article to inform people of your area of this contest.

Display advertising items and entry forms are enclosed with this letter.

Sincerely,

LAMB CHAMPIONS at Lockney [top to bottom]: Kristi Ford's Finewool champion; Lori Bayley with the Finewool Cross champ; Rise Taylor and champion Mediumwool; Jeff Bayley with his Shropshire Champ.

[Staff Photos by Jim Huggins]

Van Lowrance, Todd Beedy, Rusty Cagle and Larry Barbee

Congratulations to these fat stock showmen, who showed Champions with Purina and Co-Op Feeds.

Larry Barbee presented achievement plaques to these young showmen who took good stock, and developed them into champions.

Van's Hampshire lamb took first place in medium wool at the Southwestern International Show this year. . . . with Purina feed.

Todd's Hereford steer was reserve champion at the Amarillo Livestock Show this year. He fed his steer Co-op feed.

Rusty's reserve champion Hampshire was reserve champion at the Southwestern International Livestock Show . . . and his ration was also Purina.

THIS IS A GOOD TIME TO PLAN WITH LARRY FOR PURINA AND CO-OP RATIONS TO HELP YOU PRODUCE OUTSTANDING STOCK NEXT YEAR.

FLOYDADA, TEXAS

Atomic Energy Program

At FHS March 12

COLLEGE STATION — People benefiting uses of atomic energy will be demonstrated March 12 at Floydada High School.

A program titled "This Atomic World" will acquaint Floydada students with principles and sources of nuclear energy. Its role in agriculture, industry, medicine and research will be explained.

Orlan L. Ihms will conduct the 40-minute program sponsored by Texas A&M University's College of Engineering.

Structure of atoms, nuclear reactor operation and concepts such as radiation, fission and fusion will be explained in student terms.

Ihms will employ special electronic equipment to demonstrate applications of nuclear energy, as in generating electricity. Use of radioisotopes in life process and plant growth

studies and disease diagnosis and treatment will be depicted too.

In a chalkboard talk to Floydada High science classes, Ihms will go into additional detail on atomic structure, radioactivity, radiation biology and nuclear science careers, among other topics.

Specially trained in nuclear science, Ihms has two degrees from Texas A&M. He has presented "This Atomic World" in Texas schools three years.

The program is a joint effort of TAMU, Oak Ridge Associated Universities and the Atomic Energy Commission.

SILVERTON YOUNG FARMERS MEET

The Silvertown Young Farmers met in the Pioneer Room of the First State Bank February 27 for a regular meeting. Wayne Mayfield and James Griffen from the A.S.C.S. office were guest speakers. Mayfield gave highlights of 1974 and plans for the present farm program. They touched on disaster payments, also target and loan price on cotton and grain.

In our business meeting it was reported that between \$3,000 and \$3,500 had been committed to an R.C.A. Rodeo, also that rain-out insurance would cost around \$1,500 and liability \$80 a performance. It was decided not to have the R.C.A. Rodeo.

Tobe Riddell gave a

report on a Little Dribblers tournament, a project of the Fire Department and Young Farmers. It will be March 13-14-15.

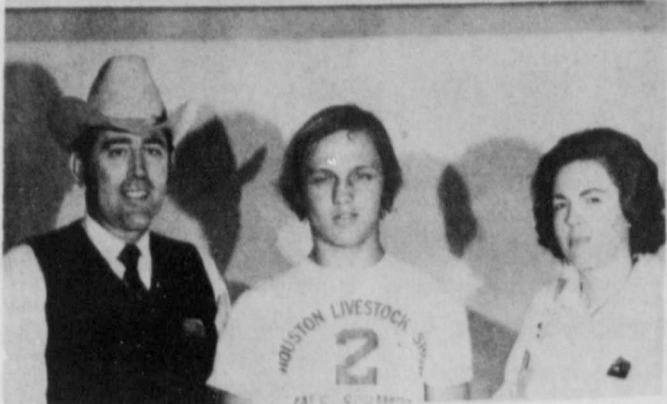

The members will try to meet March 8 at the old show grounds for clean-up work.

The chapter ag tour will be set up at a later date from last Saturday.

Calvin Shelton gave a report on area activities and banquet as far as it is planned. He also gave a report on the amateur rodeo producer. He was put in charge of it.

The chapter would like to welcome three new members: George Reed, Steve Barbour, and Ed Lain. Other members present were G. W. Chappell, Tobe Riddell, Calvin Shelton, Jimmy Myers, Joe Bennett, Don Warrington, Dick Raheer, Donald Perkins, Bill Ford,

HOUSTON CALF SCRAMBLE B-1

PICTURED TOGETHER AT THE SATURDAY, MARCH 1, MATINEE performance of the Houston Livestock Show and Rodeo calf scramble are Jerry Lackey, Mark Beedy, Mrs. Jim Widneer. Mark was one of 388 boys taking part in this year's scramble. The young winner received a \$275 check from his sponsor, Mrs. Jim Widneer to be used toward the purchase of a registered calf of his own choosing.

Fred Minyard and Bill Rampey, advisor. Refreshments were served to all the guests present.

DPS OFFICER Bill Dawson (left) is training Driver's License division and will continue Floydada. Keith Gross returns to Floydada where he has served the past two years. Dawson with the DPS for five years. Mack Stone, driver's license officer in Floydada will transfer to patrol and continue living in Floydada.

Tim Ward

Uninjured By Sniper Bullets

A rooftop sniper evidently tried to kill Idalou Police Chief Tim Ward early Wednesday, according to reports from the Idalou Beacon newspaper. Ward is the son of Mr. and Mrs. Joy Ward of Floydada.

The story related that the sniper fired from the rear of a building adjacent to the alley between Main and Chestnut Streets facing 2nd Street, formerly housing Oat Willie Signs in Idalou.

Sometime between 11 p.m. and the time of the shooting the sniper moved a ladder from behind around to the 2nd Street side, unscrewed a light bulb illuminating the front and climbed to the roof.

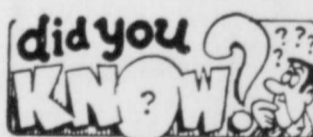

At approximately 3:30 a.m. Ward entered the alley from the north end and after hearing a shot, stopped under a streetlight behind Moore Pharmacy. The second shot struck the car. Ward immediately took shelter behind the dashboard and radioed for help. The Lubbock County Sheriff's office received the call and rang the Idalou emergency phone number to get assistance.

Meanwhile Ward got out of his car and took shelter behind the door where he exchanged shots with the sniper. He then moved to the rear of the patrol car where he loaded his shotgun and continued firing.

Bill Lindsey, James Downey, Denny Sneed and Larry Lindsey responded to the emergency call within two minutes and entered the alley from the south. The search for the sniper began.

Officers from the sheriff's office, Lubbock, Plainview, Petersburg and Ralls police departments soon arrived at the scene and began a search for evidence. Five spent .22 cartridges were found on the roof.

An investigation continues by authorities to discover the identity of the sniper.

That there is a movement afoot in the U.S. Congress to pass legislation during its "lame duck" session which would end government regulation of natural gas prices?

That sponsors of the legislation intend to introduce it as a "rider" to a bill that has nothing to do with the energy problem, thus preventing Congressional study and debate?

That a Library of Congress study indicates rate deregulation would not result in a more plentiful gas supply, yet this action would cost America's consumers some \$75 billion by the end of 1980?

That natural gas users can express their feelings about "natural gas rate deregulation" to their elected representatives in Washington?
