

a good rain, a good time of the year!

... were all smiles after a good general rain, improving the county, improving good cotton, grain, lower harvest.

Almost every farmer in the county had irrigation wells running night and day, and the rain was accompanied by a cool front, giving relief to everyone from some hot summer weather.

The South Plains area that had been missing some of the earlier rains seemed to have received the most rainfall... over two inches. Dougherty farmers reported about an inch, Sandhill and south of Floydada almost an inch.

Rainfall in most areas around Lockney was around two inches. In town, Melvin Cooper reported two inches, same as Tom Duvall at Aiken and Kenneth Broseh in the Sterley community. Herman King at Lone Star measured 1.25". At Irick, Buster

Terrell reported an inch of rain. Keith Jackson at Providence reported 1.2" Wednesday night/Thursday morning and another shower Thursday evening.

most of the talk was about whether or not to sell their wheat. Negotiations are on with Russia for another grain deal and wheat prices have jumped from \$3.00 to \$3.45 in about a week's time.

Wheat Deal

There were a lot of farmers in town Thursday... too wet to plow... and

FOR THE ANNUAL Floydada Open Tennis Tournament tournament directors Ina McDowell and Eleanor are pictured with a couple of first place trophies. The begins Wednesday and adult finals will be played Sunday. (Staff Photo)

It came down in a nice drizzle... very little run-off, all going into the thirsty ground.

Of course many farmers continue to run irrigation wells and state the rains help the water the run faster down the row.

Floydada Open Tennis Tournament Begins Wednesday

... tennis tournament... each year and last... were the largest... year, tennis courts at... in order to get the... off on schedule.

High School Grad. to 35 Singles — 8 a.m. Friday, July 18
High School Grad. to 35 Doubles — 12 noon, Friday, July 18
Mixed Doubles — 12 noon, Friday, July 18

participating and Floydada's trophies are usually larger than other area tournaments.

... begins a day earlier... to get all the matches... Floydada's six courts... will be at the high school... of junior high, where... getting in bad shape.

Over 35 Singles & Doubles — 8 a.m. Saturday, July 19
Floydada's tournament is known as a "fun tournament" with everything from outstanding to novice players

Trophy winners last year from Floydada were Mr. and Mrs. Raymond Jones, Donette Marble, Debby Johnson, Wendell Tooley, Mike Ramsey and Keith Tooley.

... schedule looks like... vision, and time for... as follows:

Singles — 8 a.m. to 12 noon
Doubles — 12 noon to 4 p.m.
Singles — 8 a.m. to 12 noon
Doubles — 12 noon to 4 p.m.

Friday, Eleanor reported entries from over 15 area towns and she said she would like to have more entries in the adult groups.

... Jodie will remain in intensive care for possibly another week... her jaw must still be reset. She is conscious, recognizes and visits with her parents, Mr. and Mrs. Carmel Eastham.

Report Friday was that Jodie Eastham had come through the knee operation okay in the Fayetteville, Arkansas, hospital and the doctor said the knee cap was not crushed as he had feared.

A Hesperian reporter talked to Sarah, Jodie's sister, who returned to Dougherty Thursday night and Sara said:

... Jodie will possibly have to have two more knee operations and Thursday was the first day that she had been able to talk and recognize the family. She had a concussion from the collision.

Jodie, the bus driver, Rev. Pitman, Rev. Holman all were in front of the bus and thrown into the step area inside of the bus at the point of collision with the lumber truck.

The bus driver and Rev. Pittman are still in very poor condition. Jodie is in Washington General Hospital at Fayetteville. Her parents are staying at Mt. Sequoyah, Methodist encampment about two miles from the hospital.

... The Matslers had cakes courtesy Flora McNeill for the Rome Floydada celebration.

WANDA HICKERSON reports that she received a letter from their foreign exchange student Enrico Milan, Italy that our son Brad visited him last week.

Clay Henry and I should have given Brad the address of Peter, their foreign exchange student who lives in Austria. Brad is living with an Austrian family from July 7-13.

... NOW LET'S TALK ART... we enjoyed a visit to an art gallery in Taos Saturday that featured the art work of Floydada's Dane Clark.

I'm not qualified to write about art, but according to the Taos newspaper Dane is one of the Southwest's outstanding "impressionists and expressionists".

Dane paints with acrylics and to describe them would be impossible when viewed up close. However, when you back off some ten or 15 feet, his work comes into beautiful focus. It is easy to see why his paintings are in great demand.

... Dane was in Floydada this week visiting his mother, and I enjoyed a telephone visit with him.

We visited an arts and crafts show over at the Sipapu ski lodge and got acquainted with a young artist by the name of Jerry Teaff. He is from Bula (that's over west of Littlefield) and he paints with acrylics that appear to be as clear as an actual photograph. Keep your eye on this young artist... he's going places.

LOOKS LIKE WE have a good selection of art and craft work coming to Floydada Saturday... better make your plans now to see it all.

... IF YOU'RE TRAVELLING between Floydada and Ralls take note of the difference in crops. You will see grain sorghum from the just planted to the headed out stage.

This reflects the various weather patterns the farmers have experienced in this area.

Sunday School is at 10 a.m. Rev. Vernon Cline, first pastor of the church, will be bringing the message at the 11 a.m. service Sunday. Lunch will be served at the church at noon Sunday. Special singing will be from 2 to 4 Sunday afternoon.

... The Bible Baptist Church at Floydada will host a "Home Coming" for all its members, former members, former pastor, and friends July 18, 19 and 20.

Services will begin at 7:30 p.m. on the 18th with former pastors speaking, as well as on the 19th, with special singing each night.

Ann Campbell, daughter of Mr. and Mrs. Lynn Campbell of Floydada, and Darlene Broseh, daughter of Mr. and Mrs. Kenneth Broseh of Lockney, will represent the Floyd County 4-H Club at the district 4-H Dress Revue at Lubbock. Miss Campbell was announced

... as first-place winner in the senior division at the Floyd County Dress Revue Tuesday night in Lockney and will compete in district competition at Lubbock. Miss Broseh, the county winner in the junior II division, will model at the district revue but will not be judged.

First alternate in the senior division is Caren Campbell, also a daughter of Mr. and Mrs. Lynn Campbell. Placing third in the senior division was Penny Smalley. Isabell Martinez was fourth. Jill Whitfill was first alternate in the junior II division. Sheryl Johnson was third.

First place in the Junior I division went to Patti Campbell. Melanie Foster was first in the Intermediate. Shawnda Brock won the Pre 4-H division.

... In the Beginners classification, Libby Williams, daughter of Mr. and Mrs. Jerry William of Lockney, was the first-place winner. Jerri McCormick was second. Shere Cannon third, Karyn Foster fourth, Nina Campbell fifth, and Emma Martinez sixth.

All the Dress Revue participants received blue ribbons (for scoring 90 or more points out of a possible 100 on their projects), certificates, and small gifts for participating in the revue.

Theme of the revue was "Flowers Of Fashion." Mrs. Buster Terrell narrated. Music was presented by Ginger Henderson. Ms. Sharon Hillis, county extension agent, extended the welcome and presented awards.

... Judges were Mrs. Jack Gilleland, Tulia; Deana Finck, Tulia; Kathy Burk, Floydada; Deborah Gilleland, Tulia; and Linda Mullin, Silverton.

Clothing leaders, recognized before the modeling, included Mrs. Jerry Williams, Mrs. Raymond Lusk, Mrs. Lois Williams, Mrs. Gerald Smalley, Mrs. Lynn Campbell, Mrs. Weldon Emert, and Mrs. Wayne Rainwater.

CENTURY PLANS IS DYING . . . A cultivated Mexican plant, the Century dies about once every 25 years, then dies. It leaves in a massive rosette maturing only once, then dying and being pulled by suckers at the base. Planted by the millers, it stands in the front yard of the millers' home in Floydada. The plant was pulled one evening and then again early the next morning and was found to have grown 11 inches in eight days. (Staff Photo)

Breeding Cattle Export In Texas

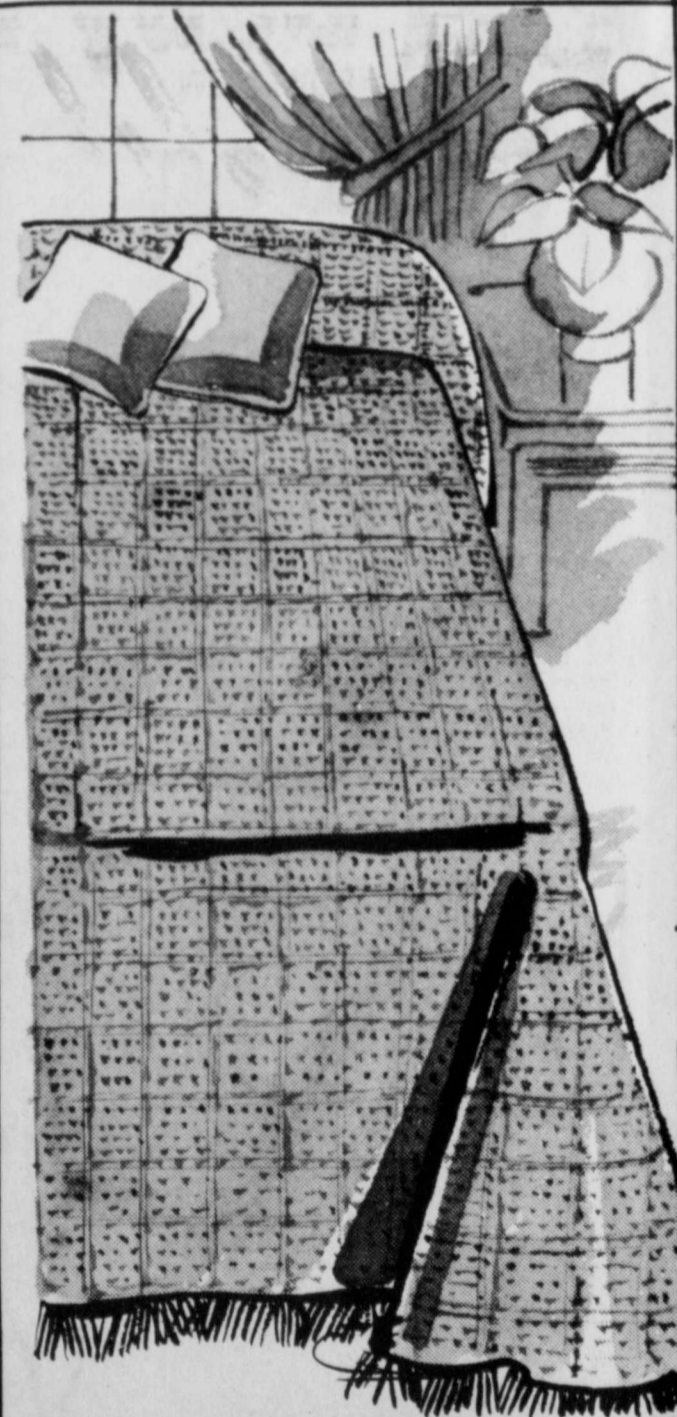

Texas was the largest exporter of breeding cattle in the U.S. with 13,450 head according to the U.S. Department of Agriculture. Statistics show that exports of breeding cattle, swine and hogs were 18 percent fewer than in 1974. In sales of breeding cattle, Texas led with 2,275 head. Commissioner of Agriculture attributed an increase in exports to marketing activities in the livestock industry. Canada and Mexico were top importers of U.S. breeding cattle and Mexico ranked first as an outlet for breeding swine.

STAMPS DEADLINE EXTENDED

Recipients can use old \$5 and old \$1 stamps until Aug. 31. The Department of Agriculture (USDA) announced a new series of stamps - \$1, \$5 and \$10 - on March 1 with a deadline of June 30 for the old series. The new series food stamps authorized retail and meal stamps and meal stamps. The deadline was extended to allow recipients who were issued old coupons in March, April and May adequate time to use them. Grocers and meal services can redeem old coupons at commercial banks through Sept. 30. The change, which was effective July 1, 1975, will be published in the Federal Register of Wednesday, July 9.

LEGAL NOTICE

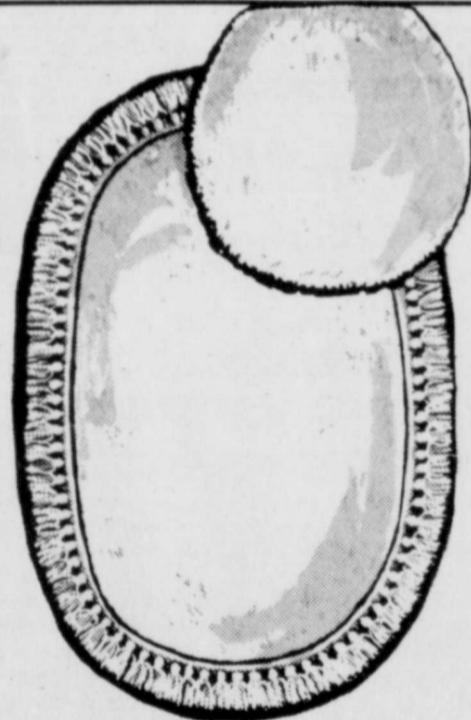

ORDINANCE NO. 190
 AN ORDINANCE LEVYING A TWO AND NO/100 PERCENT PER WATER METER ASSESSMENT AND TRASH HAULING FEE AND PROVIDING THE MEANS FOR THE TYPE TRASH CONTAINERS TO BE PICKED UP OR EMPTIED BY THE CITY OF LOCKNEY, TEXAS.
 From and after the passage hereof, and upon the August 1, 1975 billing by the City, there shall be levied upon the owner of each water meter within the limits of the City of Lockney, a Two and No/100th of a Dollar per month assessment, to be collected as a part of the water bill, to pay for trash collection.
 All persons, firms, and corporations who want their trash picked up by the City shall place said trash in a container not to exceed fifty-five (55) gallon capacity, or less. Any trash not contained in containers as described, shall not be picked up by the City.
 "Trash," in addition to its ordinary meaning, shall include all types of rubbish and waste, including, but not limited to, grass, limbs, leaves, cans, household appliances and all other kinds of waste.
 PASSED AND APPROVED this 9th day of July, 1975.

Garden Wedding Held For

Wandell Booth, William E. Gray

Wandell Boothe of Las Cruces, New Mexico, and William E. Gray of Corpus Christi, repeated double ring vows in a garden wedding July 4th, at the home of the bride's parents, Mr. and Mrs. Wayne Russell in Floydada. The groom is the son of Mr. and Mrs. Erman Gray of Corpus Christi.

each side of the gazebo.

The groom's mother played wedding selections on the piano from the patio. Mrs. Patsy Rice of Las Cruces was matron of honor and Dan Cook of California was best man. Also in the wedding party were daughters of the bride, Tammy, Darryn, Kim, Trina and Dorma Boothe, and the groom's children Jeanene and William E. Gray Jr.

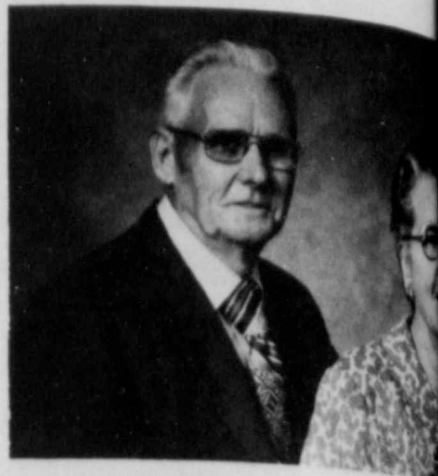

The bride wore a long dress of floral yellow print fashioned with long sheer Bishop sleeves, empire waist and square neckline. She wore a white garden hat trimmed in yellow and white gloves, and carried a colonial cascade of yellow bridal roses, accented with daisies.

Matron of honor was gowned in a floral mint green ensemble styled to that of the bride's, and carried a nosegay of mint green carnations, white daisies, gypsophelia and green streamers. She wore a white picture hat and white gloves.

The bridal couple's daughters also wore long dresses only in floral tangerine fashioned with puffed sleeves, square necklines and empire waists, complimented with garden hats and corsages of mint green and yellow carnations. The groom's son wore a suit and white shirt with a boutonniere matching his father's. The children stood with their parents during the impressive wedding ceremony.

Following the vows a reception was held on the patio of the Russell home. The serving table, covered with a lace cloth over yellow, held a basket of yellow roses.

That night a catered barbeque was held at the Russell home in honor of the newly weds. They honeymooned at Cloudfroft, New Mexico and are now making their home in Las Cruces where the bride is a music teacher and the groom is a music programmer.

Mr. and Mrs. Lesol Parker

Mr. and Mrs. Lesol Parker

Observe 50th Anniversary

Children of Mr. and Mrs. Lesol Parker of Route 4, Floydada, will honor their parents with a reception Sunday, July 13th, in observance of their Golden Wedding anniversary.

Friends are invited to call between the hours of 2:30 and 4 p.m. in the Parker home, three miles east of Floydada on Highway 15.

Swimming Party For Girls

Girl Scouts are invited to a swimming party from 6 p.m. until 8 p.m. Tuesday, July 15 at the Floydada Swimming Pool. The party will be for girls going to the Day Camp as well as those who are not planning to attend.

Beef Recipes, Spice Guide In Cookbook

AUSTIN--Twelve new recipes and a spice guide appear in "Texas Beef Recipes," a cookbook published by the Texas Department of Agriculture (TDA). For a free Department of Agriculture (TDA) P.O. Box 12111, Austin, Tex. 78711.

Mrs. David E. Ware

Candlelight Vows Read For

Vicki Smith And David Ware

Candlelight vows were read for Vicki Lynn Smith and David Edward Ware, in the home of the bride's parents, 302 South 5th, in Floydada July 9th. Dr. Floyd C. Bradley, pastor of the First Baptist Church, performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Neal Smith of Floydada. The groom is the son of Mr. and Mrs. Freddie Ware of Lorenzo.

Vows were repeated by the couple beneath a brass archway decorated with salad foliage and white daisy poms. Brass candelabra holding arrangements of white Killian daisies and salad foliage, flanked the scene.

Mrs. Jimmy Owens was organist, and accompanied Dana Woody as she sang "Colour My World" and "We've Only Just Begun."

The bride wore a formal length gown of white Chantilly lace over peau de soie, fashioned with a Sabrina neckline, fitted bodice, and long tapered sleeves falling to petal points at the hands. The full skirt was complemented with tiers of Chantilly lace, embellished with pearls and sequins. The chapel length train, extending from a silk organza bow at the back waist, was also accented with pearls and sequins.

Her shoulder length veil of silk illusion fell from a crown of peau de soie highlighted with pearls and crystal, and bordered with lace. She carried a cascade of white daisy poms and baby's breath centered with pearlized cymbidium orchids.

She carried out the traditional something old, new, borrowed and blue. She wore the wedding band belonging to her maternal great grandmother, Mrs. Ben B. Osburn of Estelline. Her pearl earrings were a gift from the groom and the wedding dress was borrowed from Mrs. Larry Guthrie. She also wore a blue garter and pennies in her shoes.

Miss Terri Smith, sister of the bride, was bridesmaid. Pam Lang of Childress, cousin of the bride, was candlelighter, and Billy Tilley of Long Star, brother-in-law of the groom, was best man. Mrs. Jimmy Nichols, sister of the bride, registered guests.

The bridesmaid wore a long dress in shades of blue, styled with long sleeves, empire waist and scooped neckline. Her ensemble was complemented with a white picture hat trimmed in blue. She carried a colonial type bouquet of yellow and white daisy mums accented in two shades of blue.

A reception honoring the couple was held in the home following the wedding. The serving table held a silver epergne with white twist candles and an arrangement of blue iris, yellow daisies and baby's breath. The table was covered with a white lace cloth over blue. Imogene Long of Childress, aunt of the bride, Rita Tilley of Long Star, sister of the groom, and Linda Douglas of Hobbs, New Mex., served the three-tiered wedding cake, decorated with roses in pastel shades, and punch from crystal appointments.

Rice bags were distributed by Pam and Christi Lang of Childress, cousins of the bride.

Honored guests included Mr. and Mrs. A. T. Freeze of Estelline, grandparents of the bride; Mrs. Mary Ware of Lovington, New Mex., grandmother of the groom; Mrs. Ben B. Osburn, Estelline, maternal great grandmother of the bride, and Mr. and Mrs. J. W. Kimble of Quitaque, aunt and uncle of the bride.

For traveling to Ruidoso, New Mex., the bride changed to a street length dress of blue knit, and attached to the shoulder one of the orchids from her bridal bouquet.

The couple will reside at 309 South 4th, in Floydada. Both are graduates of Floydada High School. Mrs. Ware is employed at the Tastee Freez and the groom is employed at Cornelius Conoco.

Vocational Office Education

Class To Be Taught At High School

A Vocational Office Education class for senior students is a new course to be taught at Floydada High School starting this semester. Janet Milam will be teaching the class in which nine girls have already registered. There is need of one more student.

Miss Milam said the class is similar to that of the HECE, DE and Ag programs. Students passing the course will receive nine units for the year's work. There will be one period of class room work and two hours of actual office type work for employers in Floydada.

Businesses in need of extra office help may contact Miss Milam or the high school. Students will be familiar with office machines, she said.

Girls registered thus far include Leann Abbe, Selia Arellano, Dianna Arredondo, Martina Cervantes, Anita Garza, Aurora Gonzales, Kim Lackey, Donna Nichols and Julie Rathel.

LUBBOCK — "Mirror of American Costume — 1776 to 1976" is the bicentennial theme for the 1975 version of the District 4-H Dress Revue here Monday (July 14).

A junior level contest will be staged at the same time as senior competition. These younger lasses, ages 9 to 14, will not compete beyond the district level. For them, the event offers experience and leadership.

Senior winners will take their designs to the State 4-H Dress Revue at Dallas October 3.

Parents, 4-H leaders, and special guests will be on hand for the occasion. The public is invited to the revue, which begins at 1 p.m., following the luncheon.

FLOYD DATA Visiting in the Elroy Emert home at Dougherty over the Fourth of July weekend were: Mrs. Emert's brothers Donald and Carl and their families from Lincoln, North Carolina. Tom Emert and girls from Deer Park, Texas; Anthony Emert and family from Alamogordo, New Mexico.

Transportation Schedule For Senior Citizens

A new schedule has been announced for the Senior Citizens Transportation Program. The new schedule is effective July 7, 1975. The van will serve Lockney on Tuesdays and Thursdays and Floydada on Mondays and Wednesdays.

Purpose of the program is to provide transportation for Senior Citizens to doctors, post office, shopping or any other place where transportation is required.

Requests for the transportation service are asked to call the following numbers: Lockney 652-2639, Floydada 983-3134.

My Neighbors

"I'll say this for him . . . He never makes the same mistake twice. They're always original and real dillies!"

a B.B.A. in Accounting. On the Dean's List for eight semesters, Thaxton's activities included membership in Phi Eta Sigma, Phi Kappa Phi, Beta Gamma Sigma, Beta Alpha Psi, Texas Tech Band and Individual and Class Honors Recognition.

Thaxton has accepted a position with General Telephone & Electronics Int., Inc. of Stamford, Conn. as an associate in G.T.E.'s Financial Executive Development Program.

A 1971 graduate of Floydada High School, he is the son of Mr. and Mrs. Fred Thaxton.

WEEK — Loveliness is only a word until one views the entire Mrs. B. A. Robertson located on the outskirts of Floydada and Ralls. A brilliant welcome of salmon gladiolus surrounded by tall grass in a huge circular bed beckons anyone to a further beauty as they explore the hidden gardens enveloping the house. No towering tree, and no edge of the yard is left without a variety of floral color. The variety and unusualness of the plants acquisitive who ventures into such an experience. The north of the yard calls for an immediate respite to view a lily pond and a rock garden. A small plaque in the rock garden gives an appreciation that all will experience who venture on this lovely yard as it reads: "The kiss of sun for pardon, The song of the One is nearer God's heart in a garden Than anywhere on earth. Robertson graciously welcomes anyone who wishes to view her garden to do so. If you are lucky enough to have her guide you, you will be in appreciation. Honorable mention is given to the colorful garden in an unusual rock edging around the front porch of Mrs. J. B. Jeffee. Also deserving honorable mention is the unusual garden of Mr. and Mrs. Clarence Denton in their summery blooming garden at 122 J.B. Avenue.

Senior Care Center Happenings

enjoy seeing plants so new rain. It was after we had. We thank Mable and Edna for taking us. Bettie Lester, Elsie Woodall, and Myrtle Burke went to visit residents at Hillcrest Nursing Home at Plainview. We want to say thank you once more to all church members who come each

day to share with us in the devotionals and their great singing. It's great to worship our Lord each day. Praise the Lord! for all who come. Mrs. Roberson brought us some beautiful flowers. Thanks to her.

We have another cook with us, Linda McCullar. We welcome her to our group.

Also have two new residents, Mary Plumbee and Letha Jacobs. Very proud to have them. This gives us a pretty full house and a joyful one. The ladies are out-numbering the men.

We sure miss Mrs. Eula Thornton for she is still in the hospital.

Mrs. Dora Harris went to Petersburg to visit her son

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Last March, during the annual National Pork Congress held in the Midwest, a few brave optimists were talking about hogs "hitting \$50 at a few markets by late summer." It sounded good, but not too much was made of it.

Now hog prices during the first few weeks of summer have hit the \$60 area in many markets across the nation.

Why? Take a look at the hog numbers. Here in Texas we are not the nation's leading hog state, but what happened here is similar to the situations in the major hog states.

As of June 1, hogs and pigs on Texas farms totaled 800,000 head. That doesn't mean much by itself, but put it in perspective and you find that hog numbers in the state are at their lowest level since 1966. It also is a decrease of 14 per cent from a year ago. Breeding hog numbers are 20 per cent under a year ago.

Nationwide, the same story is true. Hog numbers are at their lowest level since 1964. The number kept for breeding, at 7.4 million, is down 17 per cent, and market hogs and pigs are down 19 per cent.

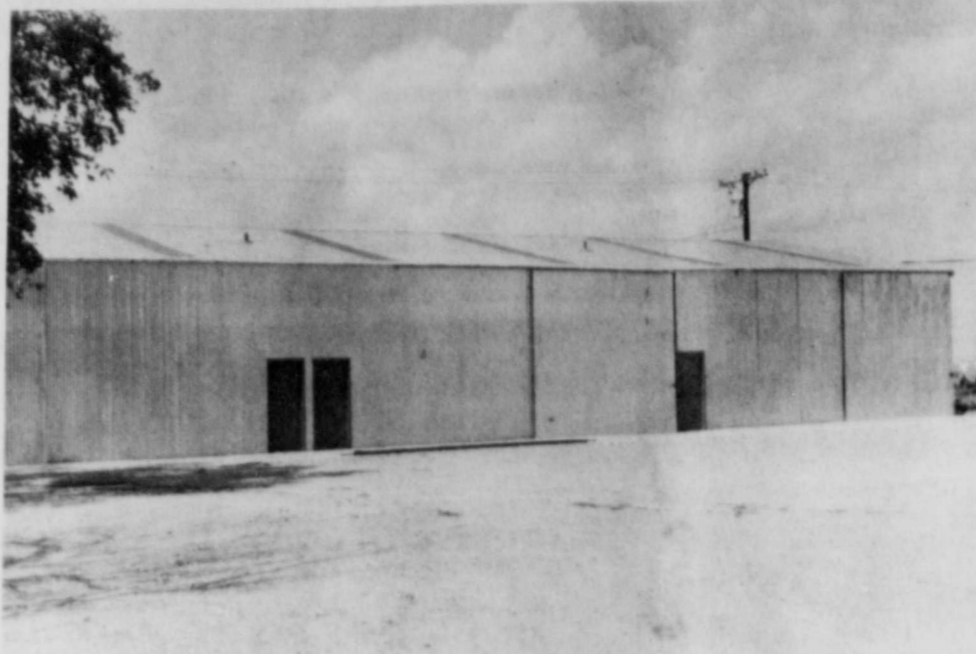

For the future, it appears, say economists, that hog prices should hold up through the year. Hog producers intend to farrow 4.7 million sows now through November, which is 13 per cent below a year ago and down 19 per cent from two years ago.

SUMMERTIME HARVEST of wheat, sorghum, and other crops in Texas continues in spite of the usual slowdowns for showers and equipment repairs.

Wheat harvest for the state is now more than three-fourths completed; this is behind schedule of the past few years. Harvesting on the dryland crop is virtually complete, and is now underway in the irrigated sections.

Cotton harvesting on a major basis is still in the offing, although the first bale of cotton for the 1975 crop has been ginned.

Sorghum harvest is moving northward from South Texas; yields in that area are down from earlier estimates due to dry weather.

THIS MODERN NEW STEEL BUILDING houses the county's road equipment and was recently completed in southeast Floydada at a cost of \$35,000.00. (Staff Photo)

White Lauds Seven Boards For Efforts

AUSTIN--Agriculture Commissioner John C. White recently praised the state's seven commodity boards for their "excellent job in agricultural research and sales promotion" of the commodities they represent.

Peanuts, grain sorghum, soybeans, wheat, pecans, turkeys and pork are currently represented by the farmer-operated and administered boards.

The commodity board system was established under state law in 1967 to develop programs in research, disease control, disease education and promotion and to encourage production and marketing.

"These boards have been a boon to Texas agricultural producers in many ways," White said. "One that comes quickly to mind is in the field of export. Because of their membership in national commodity organizations, several boards have direct access to offices in major world capitals. This greatly simplifies the arrangement of

sales to foreign countries, a factor which producers of wheat, soybeans, grain sorghum and certain other commodities depend on greatly for their livelihood."

Boards also sponsor tours into production areas for foreign buyers. Those boards that belong to national commodity organizations promote their products throughout the United States.

White also commended the boards for their devotion to scientific research, which includes better breeding methods as well as disease, weed and insect control.

"Farmers represented by commodity boards are getting their money's worth in terms of development programs which enrich all of Texas agriculture," White concluded.

DENTON REPORTS ON BOND SALES

May sales of Series E and H United States Savings Bonds amounting to \$28,445 in Floyd county were reported today by County Bond Chairman Clarence Denton. Sales for the five-month period totaled \$74,228 for 41% of the 1975 sales goal of \$180,000.

Sales in Texas during the month were \$19,223,287 —

PCA Sponsors Sunflower Contest

Farmers in this area are growing some mighty big sunflowers and there seems to be some question as to who has grown the biggest.

To solve the question, the Production Credit Association office in Floydada is sponsoring a sunflower contest and will award the winner a \$25.00 U.S. Savings bond.

All you farmers need do is pick out the largest sunflower (not the tallest)

Entries will be taken at this time a winner will be awarded the \$25.00 contest is not limited to farmers, but any farmer area.

bring it into the Production Credit Association office where the seed and diameter will be recorded.

Drought Hurts Grain, Pasture

AUSTIN--Pastures and dryland grain sorghum suffered but row crops were hardly harmed during the six-month drought in the Lower Rio Grande Valley which was dampened recently by two to five inches of rain.

Most row crops are on irrigated land, but 60 percent of the grain sorghum is dryland.

"Until recently there had

been no significant rainfall in the Valley since before the first of they year," Agriculture Commissioner John C. White said. "Ranchers probably suffered the most because of dry pasture conditions."

White said the rain is expected to help grain yield considerably. Grain sorghum is being harvested now, but vegetable harvest is nearly over.

The watermelon crop was harmed by a hail storm several weeks ago which took 4,000 acres. Harvest is underway and production per acre is expected to be

Texas Turkey Recipes

AUSTIN--To use turkey in a new Texas Turkey Recipes folder. The folder contains recipes which use turkey leftovers, per whole bird.

For a free copy, write to: Commissioner John C. White, Texas Department of Agriculture, P.O. Box 1100, Austin, Tex. 78768.

Stripper 31 Most Popular Cotton

Stripper 31 is the major cotton variety planted on the Texas High Plains again this year, according to a survey by the U.S.D.A., Agricultural Marketing Service.

Paul R. Dickson, In Charge of the U.S.D.A.'s Cotton Classing Office in Lubbock reported the top three varieties by percentages are Stripper 31, 22 percent; Paymaster 18, 12 percent; and Paymaster 909, 12 percent.

The survey by varieties and percentages is as follows:

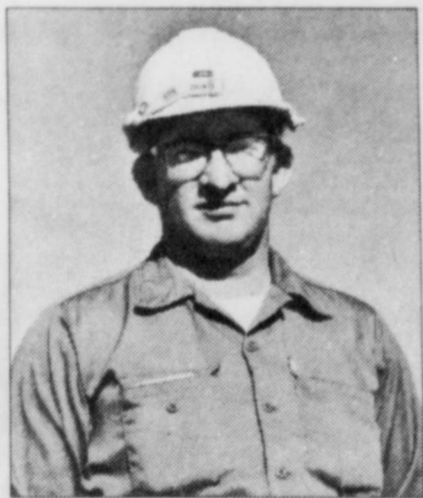

VARIETY	PERCENT	VARIETY	PERCENT
Blightmaster A 5	4	Northern Star R-4

First Nat'l Pioneer Bldg.
Lubbock, TX. 79401

HOW'S The Electric Company DOING?

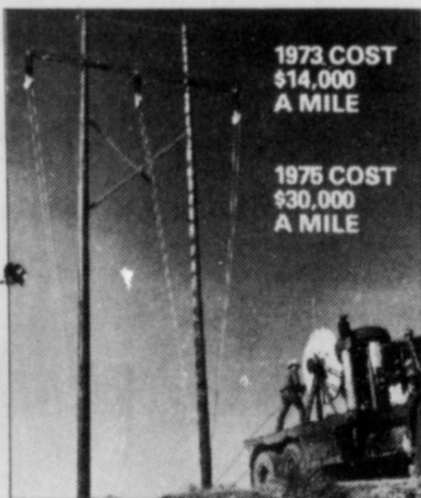

Let's ask Don Webber, transmission line foreman . . .

"What's going on here, Don?"

"We're putting in a new 115,000 volt line . . . gives us another feed to back up our dependability . . ."

"Cost us about \$14,000 a mile just two years ago, now it's running \$30,000 a mile."

Higher costs to keep your electric service dependable . . . part of the reason your electric bill may be higher these days. But without dependability, electricity wouldn't be worth much . . . would it?

The Future IS Electric!

Puppy Hints

A new booklet designed to help the young pet owner with his or her first puppy is now available from ALPO Pet Food. *You and Your Pet* also contains information on the care of grown dogs for the adult reader. Subjects covered include housebreaking, protecting against distemper, feeding, training, grooming, health care and first aid.

You and Your Pet is available for 25 cents from: ALPO Pet Foods, P.O. Box 2187, Allentown, Pa. 18001.

OBITUARIES

Melton Thacker

ROARING SPRINGS (Special) — Services for Melton Thacker, 83, well

known Motley County civic leader, were held Friday in First Baptist Church with the Rev. Henry Rhynes of Bledsoe officiating. Burial was in Roaring

Springs Cemetery under direction of Seiger Funeral Home of Matador. The civic and business leader, a native of San Augustine, came to Roaring Springs in 1915 and operated Thacker Supply Co. He was a charter member of the Roaring Springs Lions Club and the Tri-State Hardware Association. He was a veteran of WWI, a director of First State Bank of Matador and member of the First Baptist Church in Roaring Springs. Other memberships included the Masons, Shriners, Veterans of Foreign Wars and the American Legion.

Thacker died Tuesday in Central Plains General Hospital in Plainview following a brief illness. Survivors include his wife, Lillian; two sons, Joe M. "Buzz" of Roaring Springs and Max of Corpus Christi; a daughter, Mrs. Caldwell (Joyce) Smith of Roaring Springs; two brothers, Freeman of Matador and Colton of Woodson; three sisters, Mrs. Annie Garrett of Weatherford, Mrs. Wilma Wood of Alamogordo, N.M., and Mrs. Carrie Lou Hurst of Tatum, N.M.; six grandchildren and two great-grandchildren.

U.W. Coldiron

Services for U. W. Coldiron, 86 year old Memphis, Tex., resident and father of Mrs. Garner Weems of Floydada, were

conducted Saturday, July 12, in the Spicer Funeral Home Chapel at 2 p.m. Burial will be in Fairview Cemetery in Memphis. Coldiron died Thursday in

Hall County Hospital. A native of Erath County, he had resided in Memphis 54 years.

Survivors include two sons, Garland of Memphis and J. C. of Santa Maria, Calif.; three daughters, Mrs. Ivie Marie Kethka of Santa Maria, Mrs. Florine Newbrough of Lamesa and

presentations, including a "Cultural Fair" by students of Trinity University, "Heritage in Music and Dance" and "Texas Cultures Today" by students of San Antonio Junior College, and a "Historical Pageant" by members of the Extension District 12 4-H Council.

Walking tours will include the Alamo and the Institute of Texan Cultures. A special feature of the state congress will be the election of officers and members of the 1975-76 Texas 4-H Council. The state council consists of the chairman and vice chairman of each of the 13 Extension Service district 4-H councils plus four delegates-at-large.

Install spray taps on kitchen and bathroom sink faucets. This allows for faster washing and rinsing, with less use of hot water.

Mrs. Weems of Floydada; three sisters; 12 grandchildren and 16 great grandchildren.

Safe Canning Stressed In 4-H Program

CHICAGO—Making fruit preserves at home—even with today's higher sugar prices—can mean savings over commercially prepared preserves which may cost more than a dollar a pound, says Dr. Ruth Patrick of the Louisiana Cooperative Extension Service. But, she adds, the safe and successful home canning of fruits and vegetables requires the use of recommended equipment, proper methods and tested recipes.

Interest in canning and freezing has increased greatly due to high food costs and growing enthusiasm for gardening. As a result, more than 88,000 young people across the country are currently enrolled in the 4-H food preservation program sponsored by Kerr Glass Manufacturing Corporation and conducted by the Cooperative Extension Service.

4-H members from 9 to 19 are "learning by doing" that the safe and economical preservation of foods at home is both a creative art and a science.

Projects stress the use of seasonal produce—especially locally or home grown fruits and vegetables. The benefits are better nutrition, more variety in meals, and a well-stocked pantry and freezer at lower cost.

For the 47th year, Kerr is providing awards for outstanding achievement in the 4-H food preservation program. The corporation offers six \$800 college scholarships

TWO FLOYD STUDENTS WORK ON WAYLAND HISTORY PROJECT

Ten Wayland students enrolled in History 363, Texas History, are busy surveying and inventorying the records of Hale County during the second microsession at Wayland Baptist College. The students are working under the direction of Dr. Gwin Morris, associate professor of history.

Each day the students spend half the period in class listening to lectures on aspects of Texas history and culture. They then load into the school van and travel to the courthouse where they spend the remainder of the period inventorying county records.

For his class project each student will prepare a guide to one of the records in the courthouse, such as the Commissioner's Court Minutes, Brand Records, Marriage Records, Military Discharge Records, etc.

to national winners, an expense-paid trip to National 4-H Congress to each state's winner, and up to four medals of honor per county. Information on the 4-H food preservation program is available from county extension agents.

4-H Congress To Deal With Texas Heritage

SAN ANTONIO — Floyd County youths will join some 600 4-H boys and girls from across Texas in taking a closer look at their cultural heritage during the upcoming Texas 4-H Congress July 15-18 at the Gunter Hotel here.

The Floyd County delegation includes Ann Campbell and Clay Hamilton.

4-H members between the ages of 15 and 18 will be participating in the third annual State 4-H Congress along with a number of county agents and 4-H and youth specialists for the Texas Agricultural Extension Service, and parent organization of 4-H.

Theme of this year's congress is "Our Texas Cultural Heritage," according to County Extension Agent Steve Herber.

"Delegates will have an opportunity to hear stimulating speakers, take educational tours, and partici-

pate in group discussions that should provide them with a better background of their culture," Herber points out.

Speaking at the first general assembly of the congress will be Dr. Thomas S. Haggai, a minister from High Point, North Carolina, who will talk on "The Meaning of Culture."

The opening assembly the second day will feature an address on "History's Legacy" by Dr. Haskell M. Monroe, dean of faculties and professor of history at Texas A&M University.

A third keynote speaker will be Dr. William H. Hale, Jr., associate director for the Continuing Education Center at the University of Georgia. He will speak on "Strength Out of Diversity" at the closing assembly of the congress.

4-H'ers attending the state event will also be treated to a number of group

HOT TIPS for a COOLER SUMMER

THESE SIMPLE SUGGESTIONS FROM FLOYDADA LIGHT AND POWER.....

can keep your air conditioning system operating at top efficiency. That, in turn, can help you stay cooler and save money this summer.

- Have a qualified serviceman check your air conditioning system now to lessen the possibility of a breakdown during hot summer day.
- Examine filters once a month and replace or clean them at least every three months.
- Set your thermostat to a higher comfortable temperature and leave it there while you are at home.
- When you go away from home for several days turn your air conditioning off unless there is anything that will suffer heat damage. In that case... raise the thermostat setting 5 to 10 degrees above normal and leave the unit on.

LEGAL NOTICES

ORDINANCE NO. 189
PROHIBITING THE BURNING OF RUBBISH EXCEPT IN CERTAIN SPECIFIED CONTAINERS WITHIN THE CORPORATE LIMITS OF THE CITY OF LOCKNEY, TEXAS, AND IMPOSING A PENALTY AND FINE FOR VIOLATION

ENACTED BY THE CITY COUNCIL OF THE CITY OF LOCKNEY, TEXAS:
 That it shall be unlawful for any person to burn or cause to be burned any refuse, trash or other waste, unless such burning is confined to and within a metal fireproof container.

It is further provided, in addition to their penalties, that any person who violates or fails to comply with the provisions of this ordinance shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than \$100 and not more than Two Hundred Dollars.

This ordinance shall take effect and become operative on the day after it has been published at least three (3) public places within the City of Lockney, Texas.

APPROVED this 9th day of July, 1975.
