

# Free Exciting Nights...Floydada Rodeo!

Floydada Rodeo begins tonight and continues Saturday nights. Seymour, Texas, will be the stock for the rodeo and some exciting events in the past.

Starters is the Loft and open at 10 a.m. July 23, Thursday, July 24, and Friday, July 25, entering the

rodeo should contact the Loft for more information.

All rodeo features are scheduled and plans for a wild cow milking contest are fast materializing. It has been many years since the Floydada Rodeo included the milking event.

Admission is \$2.00 for adults and 75 cents for children.

Kenneth Pitts is president of the Floydada Rodeo Association, Don Faulkenberry is secretary-treasurer.

### FREE SADDLE

Karen West and Kathy Green are selling tickets for a \$550 Alvin Durham saddle that will be given away the last night of the rodeo. The saddle is on display at The Loft.

### RODEO DANCE

There will be a rodeo dance Friday and Saturday nights. It has been scheduled in the VFW building Friday night and plans were not complete for

the Saturday night dance at press time.

### PLENTY OF ENTRIES

At press time yesterday rodeo entries were coming in fast and it was thought by this morning all contests would be full up.

Euel Daniels and "The Day Timers" from Crosbyton will play Friday and Saturday nights.

Place of dance Saturday night will be announced during the Rodeo that evening.

WHO WILL BE RODEO QUEEN? . . . and who will win the fine saddle that is pictured with Karen West and Kathy Green. The saddle is on display at The Loft, rodeo headquarters. (Staff Photo)

## Building Permits Triple Last Year

WELLS TOOLEY  
New homes continue to be built in Floydada and other parts of the county.

Floydada at this time. The January 1, 1975 to July 31, 1975 building permits total \$979,800. This compares with \$376,075 last year, \$228,575 in 1973, \$306,700 in 1972 and

\$392,596 in 1971. Some of the major building projects include the \$455,000 labor housing project in northeast Floydada, \$55,000 for the new Dairy Queen on the Wye,

\$86,000 for the Federal Land Bank building on the east side of the square and \$12,500 for Mr. Burger on Second street.

### MORE BUILDING TO COME

It is anticipated by September or October that there will be an announcement of a major Floydada business expansion that will really make the building total jump for this year. The Hesperian is not at liberty to release the facts on this, but announcement date is not far away.

There is also the possibility of a new industry announcement.

FLOYDADA, FLOYD COUNTY, TEXAS 79235 THURSDAY, JULY 24, 1975 NUMBER 58

## School Tax Increase 28%

WELLS TOOLEY  
The Floydada school board has been reading state laws that have anticipated a 28% increase in taxes.

percentage of taxation from 47% to 100% . . . and reduced the taxing rate from \$1.75 per hundred to \$1.05.

The 28% increase will bring in an additional \$134,000.00 required under the new state law locally to meet the school's operational budget for another year.

School teachers got a \$1400 raise under the new law, which starts a beginning teacher at \$8,000. Estes said inflation has hit about everything involved in keeping the schools in operation, and he felt that the system was fortunate in not having to raise taxes since 1969.

Estes said his office would this week send out notices of the annual board of equalization meeting and an explanation sheet of the 28% increase of local school taxes.

tion sheet of the 28% increase of local school taxes. The equalization board meets August 7 & 8 in the school offices at 10 a.m. each day.

In making observations about the new school tax law, Estes said it was discriminatory of rural agriculture areas and favored the metropolitan area. The new plan requires more percentage of school financing by the local school district. Estes said there would be a meeting at Munday, Texas, next week when rural agriculture schools would band together to gain support for their situation with the State Legislature.

### OTHER SCHOOL OPERATIONS

The Plan A teaching program that headquarters in Della Plains school for Lockney, Petersburg, Floydada, South Plains and Dougherty will not be affected under the new finance program. It will continue to operate with state funds on a budget of around \$350,000.

Patrons who have been asking about the cost of school lunches: The elementary schools will charge 60 cents, the high school 70 cents and school employees will pay 85 cents.

## Rock Chat

By Wendell Tooley

time you find yourself a complete fool, first you are not doing the same.

WE'VE JUST heard of the district's meanest man. When his wife had her tonsils removed, the doctor remarked that she should have had them out when she was a child. So the chap promptly sent the hospital bill to his father-in-law.

NOTHING HURTS a man more than having to see her lipstick.

YOU WILL always stay young if you live honestly, sleep sufficiently, eat slowly, work industriously, worship faithfully — and lie about your age!

CALLED a neighbor to get greetings. When they answered they sang, "Happy Birthday." When they had the key rendition they had the wrong key.

COLLEGE STATION — Taking time to share your ideas, feelings and problems is one way to let your family know how important they are to you, Mrs. Ilene Miller, family life education specialist, said this week.

"Open, honest communication will involve both verbal communication and physical communication. A hug, back rub or squeeze of the hand have special meaning for those we love — just as the words 'I love you' do," the specialist with the Texas Agricultural Extension Service, The Texas A&M University System, said.

Honest two-way communication lets the family know they're cared for and that their ideas are important too, she said.

A family can also express feelings of love and affection by supporting and praising the accomplishments of its members. To build feelings of self worth in others, support and encourage desirable behavior in positive ways, rather than criticizing or shaming the individual.

The specialist said that doing things together can create closeness between family members. "There's a feeling of unity when members are involved in something that interests them. Cooperating on family projects can give everyone a sense of pride when the task is complete.

"An occasional treat or thoughtful sign of appreciation also helps family members to feel special. A bouquet of flowers to show how much you care, planning a family outing or serving a favorite food can create pleasant feelings.

"Think of the person you love and think about what they like and enjoy doing. Then plan ways to let that person know how special he is to you," she said.

## Five Floydada Netters Win Trophies In Tournament Here

With over 200 contestants from over 20 area cities, the annual Floydada Open Tennis Tournament wound up late Sunday with five local netters receiving trophies.

Receiving first place trophies were Donnette Marble and Elizabeth Farris in the women's under 35 doubles. They defeated Flo Davis and Deana Wright in the finals. Flo and Deana received second place trophies. Flo is from Floydada, Deana from Vernon.

Floydada's Kellie McDowell received a second place trophy, losing to Deana in the women's singles finals. The other Floydada winner was Wendell Tooley, who teamed with Slaton's Dalton Wood to take a second place trophy in men's over 35 doubles. They lost in the finals to Charlie Boston and Elton Cox of Canyon.

Deana also received another first place trophy when she and Dan Hill of Vernon took the mixed doubles championship over Stacey Foster and Melissa Mote of Plainview, in division I of mixed doubles.

Another winner of two first place trophies was Terry Wood of Slaton, (Dalton's son) who won first in men's singles and men's doubles. Terry is teaching tennis at Pampa this summer and is a student at Southeastern State College in Oklahoma. He teamed with David Jones of Wayland to win the doubles championship. They defeated Steve Foster of Plainview and Larry Doty of Vernon.

Terry took out Steve Foster of Plainview in the singles finals.

### FINALS

**Women's Doubles**  
Elizabeth Farris-Donnette Marble, Floydada def. Flo Davis, Floydada Deana Wright, Vernon 6-3, 6-0.

**Women's Singles**  
Deana Wright def. Kellie McDowell, Floydada 6-1, 6-3.

**Men's Singles**  
Terry Wood, Slaton def. Steve Foster, Plainview 6-1, 6-4.

**Men's Doubles**  
David Jones, Plainview - Terry Wood, Slaton def. Stacey Foster, Plainview - Larry Doty, Vernon 6-4, 6-3.

**Mixed Doubles Division I**  
Dan Hill, Odessa-Deana Wright, Vernon def. Stacey Foster-Melissa Mote, Plainview 6-3, 7-6.

**Mixed Doubles Division II**  
Mr. and Mrs. Ed Irons, Lubbock def. Larry Hooper-Ramona Elliott, Canyon 7-6, 6-4.

**35 Men's Singles**  
George Smith, Plainview def. Charlie Boston, Canyon 6-1, 6-3.

**35 Men's Doubles**  
Boston-Elton Cox, Canyon def. Wendell Tooley, Floydada-Dalton Wood, Slaton 7-6, 6-1.

**35 Women's Doubles**  
Susie Conklin-Mrs. Irons, Lubbock def. Mrs. Eagan-Mrs. Hester, Lubbock.

## Floydada Schools Start August 21st

Better get your vacations over with by August 21 if you have youngsters in school. Floydada schools open for the 1975-76 term on August 21. Teachers commence their school year August 18th.

Junior High students may register any day during that week or the first day of school since computer scheduling is used. High schools will register either August 20th or the first day of school. That decision to be finalized later this week, according to school officials.

Pre-registration at Andrews and Duncan Elementary schools is August 20th, from 9 a.m. until 12 noon. Students, kindergarten age through grade 3, will register at Duncan, and students in the 4th through 6th grade will register at Andrews.

Holidays scheduled for the 1975-76 school term includes Labor Day, Sept. 1; Thanksgiving, Nov. 27-28; Christmas and New Years, Dec. 22-Jan. 4; Easter, April 15-16; and last day of school, May 26th.

## Band Rehearsal Starts August 11

Band director Dennis Teasdale announces that band rehearsal begins August 11th in the evening, time to be announced at a later date.

All band students are required to attend rehearsals, according to Teasdale.

Time of each rehearsal will be carried at a later date.

## Farm Bureau Queen Contest Tonight

Seven girls are entered in the annual Miss Floyd County Farm Bureau Queen contest slated for tonight, Thursday, at 8 o'clock in the Massie Activity Center. The date of the event and place was recently changed by the committee.

Entries include D'Lyn Mathis, 16 year old daughter of Mr. and Mrs. Warren Mathis, Teresa Duvall, 17 year old daughter of Mr. and Mrs. Tom Duvall and Joy Frizzell, 17, daughter of Mr. and Mrs. Jack Frizzell all of Lockney; Iroma Clower, 16, daughter of Mr. and Mrs. Ira Clower of South Plains; Kelli Parson, 16, daughter of Mr. and Mrs. Dewie Parson, Tracy Puckett, 16, daughter of Mr. and Mrs. Sam Puckett, and Connie Welch, 17,

daughter of Mr. and Mrs. J. A. Welch all of Floydada.

Mitzi Terrell of Lockney, last year's queen, will crown the winner, who will then be eligible for the District 2 contest.

Dale West, president of Floyd County Farm Bureau, will be master of ceremony and give the welcome. Entertainment will be presented by Shelby Race, soloist; Glen Quebe, guitarist and soloist and Penny

Bertand, pianist, who will also play selections for contestants.

A Talent Find will also be a portion of the program.

Contest committee personnel include Mrs. Kenneth Holt, chairman, Mrs. Vernie Moore, Mrs. Dale West and Mrs. Randy Bertrand, who will preside over a reception for the contestants and their families following the contest.

The public is invited to attend festivities.

## Arts & Crafts Show To Be At Plainview

Area artists and craftsmen may exhibit their work October 17-19 in the first Running Water Draw Arts and Crafts Festival to be held in Plainview.

Entries will be accepted by the festival committee until Sept. 1. Further information may be obtained by writing The Running Water Draw Arts and Crafts Festival, c/o Dr. Gwin Morris, Box 20, Wayland College, Plainview 79072.

The festival will feature, in addition to the artists and craftsmen, a country store sponsored by the Plainview

Altrusa Club and a three-day square dance festival sponsored by the square and round dance clubs of Plainview.

Concessionaires will feature hamburgers, hot dogs, German sausage, fried chicken, barbecue and chili. Dr. Jack's Medicine Show will feature entertainment through the day.

The Running Water Draw Arts and Crafts Festival is sponsored by the Plainview Rotary Club and the Llano Estacado Museum.

## Rotarians Hear About Boy's Ranch

Floydada Rotarians heard Louis Hendricks, information director for Cal Farley's Boy's Ranch at their regular luncheon meeting Wednesday.

Hendricks said that there were now 370 boys on the ranch, ages from three to 18 years, and they were preparing their annual rodeo. He said some 100 would participate in the rodeo.

There are five choirs at the ranch and there will be 142 boys playing in the band. He said 150 would go out for football.

Hendricks was introduced by Rotarian Cecil Hagood.

**Commemorative Coins For Floyd Will Be Available By October**

Commemorative coins for Floyd County will be available for purchase by October, 1975. The Floyd County Historical Museum board of directors has been

studying the business aspects of memorial coins for the Bicentennial and a report of the coins was made at the regular quarterly meeting July 14.

Mrs. Virginia Taylor of Lockney, bicentennial committee chairperson, reported a contract had been made with the W.N.W. Mint of Amarillo. The coins will be

minted at the Osburn Coinage in Cincinnati, Ohio. Mrs. Taylor said, "with the arrival of the coins at the Museum in October, they will be in time and make ideal Christmas gifts."

Jim Word reported on the success of the State Archeological meeting held here in June. The nationwide visitors, 207, were guests of the Museum, and toured the facilities during their stay at the Floydada Country Club. Word said he had received many favorable comments from the museum-sophisticated group. Enthusiasm was so great that one state member arrived a week early and camped along the Blanco River, Word said.

Aerial sprayer, Al Howard, awed the archeologists with some fancy maneuvering as he sprayed for mosquitoes twice during their expedition at the

Country Club. All the visitors expressed their appreciation for the friendliness and cooperation of the community shown them while here.

A printed report of the dig will be published in 1976 to coincide with the county's centennial and the Nation's Bicentennial. Publications will be sold locally through the Museum. Artifacts recovered during the excavation will also be displayed at the Museum.

The Museum board voted to purchase a complete set of all U.S. Flags and their histories to be displayed at the Museum.

Mrs. M. J. McNeill brought an antique high chair and baby dish from the Harry Willett estate at Mator, which will be on loan and on display at the Museum.

Mrs. Q. D. Williams, education chairperson of the Bicentennial committee, reported on the success of the summer education programs. Three college classes were signed for and are now in session in Floydada four

Mrs. Ray Cook were guests in the home of Mr. and Mrs. Gus Hammonds and her sister, Mrs. Opal Kirkendal for ice cream and cake. The occasion was Mrs. Hammonds' birthday.

Sunday, Mrs. Ray Cook went to Childress to visit her sister, Mrs. Velma Cates and granddaughter, Linda, and onto Wellington where she visited her cousins, Mr. Luther Sullivan and Mrs. Edith Goodloe.

Later Mrs. Cook got Mrs. Lute Crane and they went to the Shamrock Hospital to visit Mrs. Lillian Whitfield and Mrs. Whitfield's children who were also at the hospital to visit their mother. Mrs. Whitfield is seriously ill.

Mr. and Mrs. Bill Tye went to Lubbock Sunday and visited at Methodist Hospital with the family of Carrick Snodgrass, who is a heart patient at the hospital. Mrs. Gracie Riggles was a supper guest of Mrs. Pernie Ray Tuesday night.

Phillip Wilson had lunch Thursday with his grandmother, Mrs. Gracie Riggles.

Mrs. C. H. Wise received word Saturday morning that her mother, Mrs. Ella Lawhon at Paducah was seriously ill. Mr. and Mrs. Wise went to Paducah and he returned home Saturday late but Mrs. Wise is still at the bedside of her mother. Sunday morning Charles D. Wise and his father went to Paducah to be with the family, returning that afternoon.

CONFEREES TO DISCUSS WORLD FOOD SITUATION — Authorities on the world food and population picture will headline the annual meeting of the American Phytopathological Society and the Society of Nematologists at the Hilton Hotel in Houston, Aug. 10-14. Theme of the conference will be "Healthy Plants for a Hungry World," according to a plant pathologist for the Texas Agricultural Experiment Station. Speakers will address the many perplexing problems affecting the world food situation, such as population trends, climatic changes, disease-causing organisms, pest problems, the energy situation, political systems, and cultural and religious restraints.

SORGHUM SITUATION UNCERTAIN — Sorghum prices will remain under pressure much of the summer due to the large harvest in prospect in the United States, says a grain marketing specialist for the Texas Agricultural Extension Service. However, rumors of pending large foreign purchases may be sufficient to override the negative price effects of a large crop. Unless such large exports develop, Central Texas prices should average near \$3.60 per hundred-weight in late July and August while prices in the Panhandle could range from \$3.95 to \$4.20 for the same period.

Mr. and Mrs. Herbert Vernon Hinely

## Herbert Vernon Hinelys Establish Kentucky Home

Wedding vows were read June 21 in Bowling Green, Kentucky, for Miss Patricia Jaffe and Herbert Vernon Hinely. The bride is the daughter of Mr. and Mrs. Thurman Davis of Lockney, and the groom's parents are Mr. and Mrs. Vernon Hinely of Orlando, Florida.

Gilbert Holt of Shelbyville, Tennessee, performed the ceremony in the 12th Street Church of Christ.

The couple said their vows while standing before an archway entwined with greenery and white flowers. On either side of the archway were pots of white and yellow mums, ferns and potted calydeums. Centering the area were trinity

candies used in the ceremony.

A capella wedding songs were provided by a group and also by taped selections.

Laura Jaffe of Lockney was her sister's maid of honor. Donna Davis, their stepmother, served as bridesmaid, and Linda Lewis of Nashville, Tennessee, was junior bridesmaid. They wore long dresses of apricot voile dotted swiss designed with square necklines and full sleeves. The triple-tiered skirts were trimmed in lace as were the necklines and the cuffs. They carried baskets filled with daisies, talisman roses and baby's breath.

John Hinely of Birmingham, Alabama, brother of the groom, was best man. Ushers were Dan Johnson of Orlando, Florida, brother-in-law of the groom, Benji Fudge of Athens, Alabama, and Dan Petty of Summer Shade, Kentucky.

When given in marriage by her stepfather, Thurman Davis, the former Miss Jaffe wore a gown of candlelight polyester cotton batiste with wedding band collar of knottingham lace. The Victorian-styled bodice had self-covered buttons and rows of knottingham lace reaching down to the natural waistline. French pin tucks ornamented the bodice and the full, gathered skirt, which was also accented

with more rows of the knottingham lace. The same lace was also used to cuff her long, full sleeves.

The bride wore a Juliet cap veil made by her mother, fashioned with three tiers of illusion, two fingertip length and one tier reaching to the train of her wedding gown. She carried a French bouquet of talisman roses, daisies, baby's breath, cornflowers and stephanotis.

Following the ceremony, a reception was held at the Western Kentucky University Alumni Center. The table was centered with a five-tiered cake.

Following a wedding trip to Florida, the couple is residing in Bowling Green where he is employed in data processing at American National Bank.

Mrs. Hinely received an AA degree from Florida College in Temple Terrace, Florida, in 1972 and a BA degree in library science from Western Kentucky University in 1974. She is a graduate assistant at the university.

### Gift Coffee Honors Mrs. David Ware

Mrs. David Ware, the former Vicki Lynn Smith, was honored with a bridal shower Friday evening in the Leroy Burns home. Guests were greeted by Mrs. Burns, the honoree,

and her mother, Mrs. Neal Smith.

Mrs. Dale Derryberry presided at the register, and hostesses alternated in serving. Colors of yellow and orange were used throughout the party rooms. The serving table was laid with a white lace cloth over yellow and held an artificial floral centerpiece in orange and yellow, later presented to Mrs. Ware.

### Annual Switzer Reunion Held

Children of the late Mr. and Mrs. L. L. Switzer gathered last weekend at Possum Kingdom for their annual reunion. One daughter, Mrs. Thelma Blackwell, was unable to attend due to illness.

Present for the event were Mrs. Pearl Reddy, Mr. and Mrs. Lewis Reddy, Mitzi, Rick and Tracy, Mr. and Mrs. Earl Switzer, Mr. and Mrs. Pete Switzer and Glen all of Floydada; Mr. and Mrs. Doc Switzer, Mr. and Mrs. Willis Baker and Jason, Mr. and Mrs. Don Switzer, Tracy and Carey, Mr. and Mrs. Tom Littlehale and Tommy, and Tommy Blackwell all of Amarillo;

Mr. and Mrs. Leonard Harper and LaMont of Plainview; Mr. and Mrs. Bill Switzer and Mrs. Oma Patterson of Ralls; Mr. and Mrs. Arvil Chambless and Teresa of Wichita Falls;

John Paul Cooper of Midland; Mr. and Mrs. Vernon Jones and Dale of San Angelo; Mr. and Mrs. Johnny Copelin and Jennifer, Mr. and Mrs. Melvin Roach and Mrs. Judy Grimes, Lubbock; and Larry Hulsey of Dallas.

Friends attending included Steve Carmack of Loomis, Calif.; Ken Greer of Amarillo; David Nelson, Wichita Falls; Pattie Robertson, Cotton Center.

Mrs. Mather Carr Honored On 89th Birthday

Mrs. Mather Carr was honored July 19th on her 89th birthday in the home of a daughter and husband, Mr. and Mrs. Chloma Williams in the Harmony Community.

An ice cream supper was served to the honoree, all of her children, grandchildren and all but one of her great grandchildren.

Present were Mrs. Carr, Mr. and Mrs. Williams, Mr. and Mrs. Horace Carr, Mr. and Mrs. Wesley Carr, Mr. and Mrs. Charles Mather Carr, David and Sandy, Mr. and Mrs. Leon Williams, Brent and Daralyn and Mr. and Mrs. Bill Carr and Stephanie.

### Piano Teachers Have Workshop

Mrs. Chuck Wilson of Lockney was in Amarillo Thursday, Friday and Saturday to attend the National Keyboard Arts Teaching Techniques 75 Workshop.

The workshop for piano teachers was one of a series held in twenty-nine cities this summer. Conducting the workshops were members of the Keyboard Arts staff — musicians and educators who have been instrumental in the development and teaching of Keyboard Arts music education materials. National Keyboard Arts, headquartered in Princeton, N.J., is a nationwide network of music educators who continually pool their knowledge and experience in order to develop more effective ways to teach and more enjoyable ways to learn.

Highlight of the workshop was the presentation of the Keyboard Arts Basic Music Study program. This newly revised course, introduced for the first time this summer, is the direct result of a mammoth five year testing program involving hundreds of teachers and thousands of students throughout the country.

What makes the Basic Music Study program unique is the fact that it is the only course of its kind that has been tested and re-worked on such a comprehensive scale before final publication.

Included in the workshop were sessions on sight reading, ear training, jazz improvisation, and composition. Classes on organized and flexible teaching approaches were available and sessions on such key lesson factors as practice, technique, and assignments were also offered.

Members of the Sandhill Hobby Club enjoyed an ice cream supper on the patio of the Gene Bloys home Saturday evening, July 19th.

### Mrs. Mather Carr Honored On 89th Birthday

Mrs. Mather Carr was honored July 19th on her 89th birthday in the home of a daughter and husband, Mr. and Mrs. Chloma Williams in the Harmony Community.

An ice cream supper was served to the honoree, all of her children, grandchildren and all but one of her great grandchildren.

Present were Mrs. Carr, Mr. and Mrs. Williams, Mr. and Mrs. Horace Carr, Mr. and Mrs. Wesley Carr, Mr. and Mrs. Charles Mather Carr, David and Sandy, Mr. and Mrs. Leon Williams, Brent and Daralyn and Mr. and Mrs. Bill Carr and Stephanie.

### Piano Teachers Have Workshop

Mrs. Chuck Wilson of Lockney was in Amarillo Thursday, Friday and Saturday to attend the National Keyboard Arts Teaching Techniques 75 Workshop.

The workshop for piano teachers was one of a series held in twenty-nine cities this summer. Conducting the workshops were members of the Keyboard Arts staff — musicians and educators who have been instrumental in the development and teaching of Keyboard Arts music education materials. National Keyboard Arts, headquartered in Princeton, N.J., is a nationwide network of music educators who continually pool their knowledge and experience in order to develop more effective ways to teach and more enjoyable ways to learn.

Highlight of the workshop was the presentation of the Keyboard Arts Basic Music Study program. This newly revised course, introduced for the first time this summer, is the direct result of a mammoth five year testing program involving hundreds of teachers and thousands of students throughout the country.

What makes the Basic Music Study program unique is the fact that it is the only course of its kind that has been tested and re-worked on such a comprehensive scale before final publication.

**FLOYD DATA**  
Mrs. J. R. Vickers returned home Friday night from Lubbock where she spent the week visiting sons, D. L. Gene and Don and their families. Prior to that trip Mrs. Vickers spent three weeks in Pierre, South Dakota, visiting her daughter, Mrs. Roscoe Riggles and family. Mrs. Vickers accompanied her grandson, Dan Riggles to Pierre, and returned home by plane.

Visiting over the weekend with Mrs. Vickers and other relatives, was her daughter, Mrs. Andrew James, and son of near Clarendon.

### WHIRLERS SQUARE DANCE CLUB MEETS FRIDAY NIGHT

The Whirlers Square Dance Club members will dance at Massie Activity Center Friday night at 8 o'clock. Rodney Parker of Lubbock will call for the dance. Everyone is invited to attend.

### Mrs. Phillips Hostess For Love Class

Mrs. Edna Phillips was hostess Friday afternoon for the social of the Love Sunday School class of the First Baptist Church in Floydada.

Mrs. Clara Mize, president, conducted the meeting. Edna Phillips opened with the reading of Psalms 139, which is a Psalm of rejoicing over God's personal care. Flora Fawver led an interesting Bible quiz.

Present for the social were Mmes. T. T. Hamilton, A. H. Kreis, Mary Stanley, Vida Womack, Hattie Thomas, Estelle Eubanks, L. G. Norrell, Flora Fawver, Clara Mize, and Edna Phillips.

Refreshments of home-made ice cream, cookies, cheese drops, nuts, and soft drinks were served.

### Dickens Reunion Set July 26-27

The annual Dickens County reunion is slated for July 26-27 in Dickens.

There will be a fiddle contest at 1 p.m. on the 26th, followed with a dance at 9 p.m.

On July 27th, a barbecue meal will be served at 1 p.m.

### LEANN RHOTEN TO COMPETE IN STATE TRACT

Leann Rhoten, 13-year-old daughter of Mr. and Mrs. R. L. Rhoten of Idalou will be participating in the TAAF state track meet in Grand Prairie Friday and Saturday.

The granddaughter of L. M. Readhimer of Lockney qualified for the state meet by placing third in the 100-yd. dash at the regional meet in Lubbock last Saturday.

LAWN TIPS FOR MID-SUMMER - Drouth, leaf spot diseases, chinch bugs and white grubs present major turf problems for home lawns in Texas for the

next several months, says a turfgrass specialist for the Texas Agricultural Extension Service. Increasing the mowing height one-half inch will increase the depth of the

turf and provide more insulation against high temperatures. Regular watering to moisten the soil to a depth of four to six inches is important. Fungicides may

be needed to control disease problems while insecticides will control chinch bugs and white grubs. Floratam St. Augustinegrass is resistant to chinch bugs.

In one recent year, there were a total of 310,000 Americans with tuberculosis, according to the National Tuberculosis Association. New active cases numbered 38,650.

Entertainment and activities are also planned throughout the four-day meeting for the wives attending the conference. Approximately 1,600 Vocational Agriculture teachers and guests are expected to attend.

Lockney Teachers Will Participate In Conferences

Mrs. Wilma Adams and Mrs. Judy Bye, homemaking teachers in Lockney High School, and Mrs. Emma Frances McClusky of Aiken, homemaking teacher at Cotton Center High School, will participate in the State Inservice Conference for Homemaking Teachers to be held at the Statler Hilton Hotel, Dallas, Monday through Thursday.

The conference will open with a Public Affairs Forum on current national and state policies affecting homemaking education in the local school district, said Mrs. Elizabeth F. Smith, State Director for Homemaking Education. Forum speakers will be Victor Van Hook, President of the American Vocational Association, Washington, D.C., and Representative Dan Kubiak, Rockdale, Texas House of Representatives. The forum will continue with the exploration of "Economic Conditions - A Serious Concern for Homemaking Education" by Mrs. Mary A. Jolley, Director of Public Affairs, American Home Economics Association, Washington, D.C.

Eleven concurrent sessions on Wednesday will provide an opportunity for in-depth study by homemaking teachers of relevant areas of instruction for today's lifestyles. The sessions will include Educating for Parenthood, Consumer Education, Nutrition, Humanizing Education, Co-ed Classes, Community Education, to name a few. According to Billie Chapman, Executive Director of the VHTAT, the inservice training in these relevant today's-world topics keeps vocational homemaking teachers high on the list of the state's best informed educators.

Special workshops will be held for teachers of Adults, Home Economics Cooperative Education, Pre-employment Laboratory Programs, Coordinated Vocational-Academic Programs, and Home Economics for the Handicapped. Exhibits of the latest equipment and teaching materials will be open to teachers Monday through Wednesday. The Awards Banquet of the Vocational Homemaking Teachers Association Wednesday evening will honor Senator Bill Moore of Bryan and Senator Don Adams of Jasper; the Outstanding Administrator and the Outstanding Vocational Director in the State, both awardees to be announced. Also receiving awards for tenure will be 83 teachers of vocational homemaking education representing 1,745 years of service to Texas school children.

Registration for the conference will begin at 3:00 p.m., Monday, July 28, at the Shamrock Hilton Hotel, according to Albert Timmerman, Jr., president of the Vocational Agriculture Teachers Association of Texas. The general sessions and in-service workshops will be directed by Mr. J. A. Marshall, State Director of Vocational Agriculture Education, the Texas Education Agency, Austin. Appearing

on the first general session of the program, Tuesday, in the Grand Ballroom of the Shamrock Hilton, will be Richard L. Irvin, keynote speaker. He will address the group on "Equal to the Occasion." Mr. Irvin is pastor of Collins United Methodist Church, Houston. Appearing on programs throughout the week will be E. C. "Dick" Weekley, general manager, Houston Livestock Show and Rodeo, Houston; George C. Guthrie, member, State Board of Education, San Antonio; L. Harlan Ford, Deputy Commissioner for Programs and Personnel Development, TEA, Austin; D. Scott McKain, National Secretary, Future Farmers of America, Crothersville, Indiana; Daniel C. Steere, minister of evangelism, First United Methodist Church, Houston.

On Tuesday evening, 8:00 p.m., the association will have its annual awards program to present tenure pins to the membership and special awards to legislators, school administrators, Texas News Media, individual teacher awards and special individuals who have contributed to the progress of Vocational Agriculture Education and the activities of the Future Farmers of America. In-service education workshops will be held on Wednesday and Thursday in the following subject areas: creative teaching, occupational safety and health hazard act, multiple-teacher departments, first- and second-year teachers, course outline for teachers of CVAE and handicapped students. Workshops will also be held in the following areas: grading beef and swine, cooperative education up-

OLD FOOD STAMPS DEADLINE EXTENDED

Food stamp recipients can use 50-cent, \$2 and old \$5 food stamps until Aug. 31, the U. S. Department of Agriculture (USDA) announced today.

USDA introduced a new food stamp series - \$1, \$5 and \$10 - on March 1 with a deadline of June 30 for spending old series food stamps at authorized retail food stores and meal services. The deadline was extended to allow recipients who were issued old coupons in March, April and May adequate time to use them. Grocers and meal services can redeem old coupons at commercial banks through Sept. 30.

The common cold accounted for 70% of all illnesses in infants during the first year of life, but were quite infrequent during the first six months.

All former residents are also invited to attend. Registration begins at 10 a.m.

Peggy's Meddlin's BY PEGGY MEDLEY

UNDERSTAND Museum Board of Directors ended their recent meeting rather suddenly in the Museum when a bat swooped low over the assembly. The bat was the one to lose tho, an alley cat got the better of him in the antique kitchen display, but it did have the etiquette to take the bat outside before devouring it. Needless to say, directors adjourned.

routes eventually. He said customers are happy to get the new milk because he takes none of the butterfat out, only pasteurizing and homogenizing the milk before he bottles it.

FARMERS are concerned with people coming into their fields and gathering vegetables without first checking with them, especially corn. Most fields have been or will be sprayed with either an insecticide or pesticide which could prove harmful. The warning from the county extension office is good advice. "First check with the grower."

THE perfect figure remains an illusive goal for some of us who weren't born thin of frame. A beauty consultant tells us if we take an honest look in the mirror and act to conceal the flaws we see, we'll come out ahead.

She says most figure problems lie below the waist. How true! Bulging hips and lumpy thighs makes us all want to rush to purchase concealing clothes. Today's fashions of jerseys, cut close to the body and fragile Gatsbyesque dresses offer little solace for the overendowed.

So she says do this: avoid jackets that cut your figure at the hips; wear softly-flowing A-lines rather than straight skirts; wrap yourself in pastels; perfect your posture... a slouch is unflattering and a sway back gives even thin women a stomach. As for you men, she didn't say how to solve your problem!

OVERHEARD: ... one woman to another, "I'm telling you this in confidence, because it was told to me in the strictest confidence."

Supplies of home canning lids are being allocated only to those retail outlets that have normally carried home canning supplies in the past. Lids are being distributed to areas as crops come in, Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System, says.

Smaller size yarns account for many of today's lightweight, drapeable knitted and woven fabrics. Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System, notes.

ROY Rogers has arrived to make his new picture, "Mackintosh and T.J." It's only going to take two weeks (weather permitting) to film the movie on locations at the 6666 Ranch and thereabouts, so if you want to get a live glimpse of Roy, better hurry. It will seem strange to see a movie of Roy without his horse, Trigger. Think most of his traveling in the movie will be by truck.

I KNEW that one day windmills would make a return. A freshman student at Murry State College, Oklahoma, has constructed an energy-saver, a windpowered yard light. When the wind is blowing as little as five miles an hour the light is powered directly from the windmill. At other times, the light is powered by a battery built into the supporting pole. This should work well in parts of Texas where it's very seldom calm. The young man has applied for a patent on the windpowered yard light and hopes to start mass production in the near future. He estimates the light would retail for \$79.95 and save enough energy in five years to pay for itself.

AND also coming back... is milk directly from the cow. Remember how it tasted? This guy in Shattuck, Okla., started his own dairy in April. So far the milk is mainly limited to the Shattuck area. They do get into Texas tho, and he hopes to be able to expand his

# "Nobody can do more to stretch America's critical fuels than your electric company"

Roy Tolk  
Chairman Of The Board  
Southwestern Public Service Company

You count on your electric company for dependable electric service.

But your electric companies can do even more for you.

By building new plants that use different fuels to make electricity, they can "free up" hundreds of millions of barrels of badly needed oil and millions of cubic feet of gas.

A single nuclear plant can produce as much electricity in a year as a gas-fired plant burning 57 million 960 thousand MCF of gas.

Almost any fuel can be converted into electricity.

Your electric company uses a generator to make electricity. And like the generator in your car, it needs to be turned by something.

In hydroelectric plants, the generators are hooked up to elaborate "water wheel" turbines that turn them.

But in most electric plants, it is steam, made in a boiler, that turns the generators.

How you make the steam is a key to saving fuels for this country.

In gas or oil-fired plants, these fuels are burned to make the steam. In coal plants, coal. In nuclear power plants, the carefully controlled nuclear reaction gives off heat that makes the steam.

How coal and nuclear fuel can take the place of oil or gas.

Knowing that it's all in how you make the steam, you can see that the way to save oil or gas is simply not to build more power plants that depend on those fuels.

With the oil and gas shortage, the industry has had a hard time getting those fuels to keep these plants going. Where available, it has been expensive.

So the idea is to shift to fuels which are more plentiful.

Coal, for instance, is now used to make about 46% of the nation's electricity. Nuclear energy only 6%.

The oil and gas saving answer is to build new plants that can use coal or nuclear energy. Both of these alternative fuels also offer important economic advantages over oil and gas. There are economies for consumers, too.

Then why haven't more electric utilities switched over to coal and nuclear fuels?

The answer is the industry is trying — but the going is tough.

The past year has been so hard on some electric companies financially that 83 new nuclear installations have been delayed or shelved. And what hurts most is that it takes 10 years to build a nuclear plant. Based on projections of the population and energy use for 1985, we need each one of the plants still being held up.

The country needs new coal-burning plants, too. But environmental restrictions have closed off much of the coal supply.

We are optimistic that the delays will be overcome and construction schedules maintained on both nuclear and coal-burning plants. We hope that a reasonable balance can be struck between our environmental goals and our energy needs.

The country has hundreds of years worth of coal in the ground and a long-range supply of uranium to rely on—these are two fuels we have in great supply. And that, to the electric companies, is fuel reliability.

Fortunately, Southwestern Public Service Company continues to be a financially healthy company, thanks to understanding customers and effective regulatory agencies, and has been able to go ahead with its construction plans.

A word about the clean burning of coal.

The electric companies favor support the objectives of the Clean Air Act but have disagreed so far with the Environmental Protection Agency on the best way to achieve these objectives in the burning of coal. There are a number of ways to meet health-related air standards, and we think they all have a place.

A requirement to install unneeded equipment will cost consumers hundreds of millions of dollars. Not to mention the possible threat to the continuity of service.

As we've said, reliability must be whatever electric companies do.

How you can help stretch all of our fuels.

This last year, you helped by using electricity wisely, but there's still more we can do.

Shift any electrical job you can do to the "rush hour" periods to quieter times, such as nights and weekends.

If enough people do this, your electric company can often avoid having to start an extra generator during rush hours.

And since these "spare" generators are generally less efficient than the main generators, they use more fuel.

So shifting electrical jobs can really help.

Can new coal and nuclear plants slow down the rapid rise of electric rates?

Electricity prices, like everything else, have climbed rapidly the last year and show every indication of continuing to rise.

So the economies of a nuclear plant, for instance, cannot turn inflation around but they can slow it down. And that's important.

To sum up, your electric company is in a unique position of being able to stretch this country's critical fuels—especially oil and natural gas—and keep your electric service reliable at the same time.

It's a big order, but with your help we can do it.

# LAKE VIEW

By Mrs. Clyde Bagwell

Mrs. Joe Dunn reports one inch of rain at their farm Saturday afternoon.

Mr. and Mrs. Frank Smith of Lubbock visited Tuesday with his sister, Mrs. Viola Brown.

Mrs. Viola Brown was a Tuesday night supper guest of Mrs. Georgia Mae Erickson.

Wednesday afternoon, Mrs. Pauline Denham of Lubbock and Mrs. Georgia Mae Erickson visited Mrs. Viola Brown.

Mr. and Mrs. W. M. Hambright visited their daughter and family, the Odell Breeds Sunday afternoon.

Friday, Mr. and Mrs. Earl Edwards visited Mr. and Mrs. Fred Cardinal and her nephew, George Reed May III of Kansas City, Kansas.

Mr. and Mrs. John H. Edwards of Tifton, Georgia, are here this week visiting in the home of his brother, Mr. and Mrs. Earl Edwards. They will also visit other relatives while here.

Kenna Godwin of Tulsa spent the weekend in the home of Mr. and Mrs. Billy Joe Hambright and family. Kenna and Kathy are room mates at Tech. Mrs. Viola Brown visited in the Hambright home Sunday and had lunch with them.

Saturday afternoon, Mr. and Mrs. Charlie Wright visited Mr. and Mrs. D. C.

Harrison.

Sunday afternoon visitors in the D. C. Harrison home were Mr. and Mrs. Donald Parker, Jana and Jodie Ellis, all of Crosbyton.

Mrs. Grady Dunavant and Mrs. Phillip Dunavant went to Lubbock Thursday afternoon and visited at Methodist Hospital with their sister-in-law, Mrs. Ernest Rhodes.

Mr. and Mrs. Dean Watson, Deanna and Amanda attended the Beta Sigma Phi social Saturday night at the Farm Bureau for members and their families and all prospective members and their families.

Mr. and Mrs. D. C. Harrison visited Friday afternoon at University Hospital in Lubbock with Mrs. Lee Trice. On the way home Mr. and Mrs. Harrison visited their son and family, Mr. and Mrs. Jerry Bob Harrison, Kay Marty and Amy.

Sunday afternoon Mr. and Mrs. Dean Watson, Deanna and Amanda visited Mr. and Mrs. Rudolph McCurdy and Phillip.

Sunday, Mr. and Mrs. Q. D. Williams and Monte went to Truscott to the home of her parents, Mr. and Mrs. Edgar Jones. James and Cindy Williams of Midland and Andy and Nancy Goodwin of Decatur were also among those present. This was the first time in five years that all of the children and grandchildren of Mr. and Mrs. Jones had been together at the parental home.

Jay Matsler of Lubbock spent the weekend with his

long time friend, Jerry Cardinal, and his mother, Mrs. Verna Lee Cardinal.

Tuesday afternoon, Mr. and Mrs. Pryor Hammons of Littlefield visited his sister and nephew, Mrs. R. C. Smith and Floyd.

Mr. and Mrs. Foy Smith of Levelland came Monday and spent the night with his mother and brother, Mrs. R. C. Smith and Floyd.

Bro. and Mrs. Paul Botes of Bayfield, Colorado, visited Friday afternoon and stayed over for supper with Mr. and Mrs. Grady Dunavant. Bro. Botes was here holding a meeting at the West Side Church of Christ.

Sunday, Barney Mason of Lorenzo was a dinner guest of Mr. and Mrs. Grady Dunavant.

Mrs. Carl A. Moosbery and daughter, June, returned home last week from Center, Texas. They stayed over several days after the funeral of Mrs. Moosberg's mother, Mrs. Hagler. They were joined at Center by Mrs. Moosberg's sister, Mrs. Margie B. Knight and sister-in-law, Mrs. Ramon Hagler.

Mr. and Mrs. Delmas McCormick, Mark, Amy and Anita attended the Love Dillard families reunion Sunday at Massie Activity Center.

Tuesday, Mr. and Mrs. Dean Watson and Amanda visited Mrs. Ken Robison and Kris in Lubbock.

Friday night, Mr. and Mrs. Dean Watson and girls were supper guests of Mr. and Mrs. Michael Hinsley and girls.

Saturday afternoon, Mrs.

Dean Watson was a hostess for a baby shower for Mrs. Wayne Smith at the home of Mrs. Leroy Burns.

Mr. and Mrs. Norman Muncy visited Mr. and Mrs. Heward Bishop Sunday afternoon.

They were houseguests of Mrs. Chunn's sister-in-law, Mrs. John D. Rice.

Mrs. Rice lives on Hamilton Drive at Valley Forge, the street named for the Chunn-Rice ancestor, Alexander Hamilton, signer of the Declaration of Independence.

Mrs. Chunn and the children enjoyed a numerous sightseeing trips of the area including the present home-stead of the painter, Andrew Wyeth. They visited relatives in Indianapolis and saw several ancestral family centers, of which two were those of Rev. Joseph Williams and Sarah Hart Bowie, niece to John Hart, also singer of the Declaration of Independence.

Mrs. J. T. Huckabay has returned home from an extended trip downstate and in Mead, Kan. She was accompanied on the trip by a granddaughter, Brenda Huckabay of Portales, New Mex. The two first attended the Huckabay reunion near Austin, then spent a week in San Antonio visiting Mrs. Huckabay's son, Gary and wife, then to Corpus Christi to visit a sister, Mrs. Joe Deitz and family.

While at Corpus they enjoyed sight seeing trip to Brownsville, McAllen, Laredo and other points, and visited a former Floydada resident, Mrs. W. S. Simmons at New Braunfels. They visited enroute home, at Johnson City where they visited friends. After a rest at home Mrs. Huckabay and Brenda went to Mead, Kan., where they visited Mrs. Huckabay's other son, Gary. Mrs. Huckabay took Brenda back to Portales returning to Floydada July 14.

Mrs. Barker D. Chunn Jr., and children, Daniel and Rebecca have returned home after a two weeks visit at Valley Forge, Pa., where

FLOYD DATA

Mr. and Mrs. Buddy Hatley and son, Mark and Mrs. Fern Hartsell and daughters, Hope and Holly, returned home Saturday night from vacation. The Hartsells accompanied the Hatleys as far as Topeka, Kan., where they remained to visit a sister, Miss Wren Patterson. The Hatleys continued on to De Moines, Iowa, where they visited his sister-in-law, Mrs. Burl Hatley and family.

FLOYD DATA

Mr. and Mrs. Fred Ritchie and children, Fred Jr., and Cindy, more recently of Mountain Top, Pa., are here visiting her parents, Mr. and Mrs. Wade Warren and Ritchie's parents in Amaril-

lo. Ritchie retired from the service July 1st, and the family plans to locate at Longview, Tex., by August 1st, where he and his son plan to attend college. Mrs. Ritchie is the former Betty Warren.

IRICK COMMUNITY REUNION AUG. 3

The annual Irick Community reunion is scheduled for August 3rd in the Rebekah Lodge Hall in Lockney. Registration gets underway at 10 a.m. Bring sandwiches and cookies for the noon meal. Other items will be furnished.

All present and former residents of Irick are invited to attend.

AS IT LOOKS

FROM HERE

By Congressman Omar Burleson

WASHINGTON, D.C. — "THE WISEST PROPHETS MAKE SURE OF THE EVENT FIRST," wrote Horace Walpole in the

eighteenth century. It was good advice, since back then there were no computers. HERE IN THE CONGRESS WE ARE INUNDATED WITH STATISTICS AND THEY play a great part in formulating legislation. All sorts of figures are thrown at you by the experts. When the experts diametrically disagree is when it shakes you

up. It often happens. THE ECONOMIC FORECASTERS OFTEN HEDGE THEIR BETS BUT CONSTANTLY make predictions on which the opinions of others are largely based. THE OIL PROPHETS SEEM NOW TO HAVE GOTTEN THEMSELVES INTO A special class. They may well outdo all past feats of missing the mark to such an extent that the public may finally dismiss all expert predictions and cast doubts on experts in other fields.

ON WHAT CAN WE DEPEND WHEN GOVERNMENT GEOLOGISTS CUT THEIR ESTIMATE of U.S. off-shore Atlantic oil estimates by 80%? Last year 10 to 20 billion barrels were estimated to be under the Atlantic sea bottom. This year, the U.S. Geological Survey says that maybe there are only two, to four billion barrels from this source. If this is true, we have lost a whale of a lot of oil in between these statistical estimates.

PUBLIC EXPECTATION HAS BEEN BUILT UP FOR AVAILABLE SUPPLIES OF OIL off the Atlantic coastline. This dizzying revision comes just as things seemed to be loosening up toward exploratory drilling. Some say the experts are hedging their bets. This is a rather cynical attitude but if the Atlantic yields no more than enough oil to fill a cigarette lighter, experts probably can explain how the possibility was foreseen by one calculation or another.

THIS IS NOT LIKELY TO HAPPEN AND IT COULD TURN OUT THAT THE potential is even more voluminous than some of the experts had supposed in the first place.

FURTHER STUDY IS UNDER WAY WHICH SOME GEOLOGISTS BELIEVE MAY PRODUCE an even higher estimate of Atlantic oil than was first announced.

INFORMED DECISIONS BECOME ILLUSIVE FOR THOSE WHO DEPEND ON statistical data and expert advice. This situation reminds us of the exhibition at the New York World's Fair in 1940 which showed how life in these United States

would be in 1960 — tiresome work would be eliminated, our cities converted into virtual paradises, the horn of plenty producing inexhaustibly through technology and brilliant planning. That is hardly the case — (although some apparently assume that tiresome work is no longer meant for them).

WHAT THEN CAN WE BELIEVE. KNOWING THAT THE BEST MINDS AND fabulous machines cannot, as we once seemingly believed, scan the hidden future with unerring accuracy. In a way it's pretty simple — Americans did not unquestionably believe in the experts when this Country was started — they believed in themselves.

Texas Cotton Drop Affects U.S. Output

AUSTIN—A 700,000-acre reduction in Texas cotton has accounted for most of the projected decline in the United States estimate for 1975, Agriculture Commissioner John C. White has reported.

According to the June 30 Texas Crop and Livestock Reporting Service - crop report, cotton farmers have planted almost 4.6 million acres, a 12 percent drop from a year ago.

Cotton acreage nationally was estimated at 10.2 million, a 26 percent decrease.

White said most of the acreage reduction is the result of a depressed cotton market.

Though the Texas estimate is a slight increase over March intentions, many cotton fields have been severely damaged by heavy

hail and thunderstorms. "Some fields have been completely destroyed and farmers are having to plant other crops since it is too late in the season to replant cotton," White reported.

T-SHIRT ALL STARS won their opening game with the White Sox Monday night. (front row) Guy Galloway, Cubs; Frankie Morales, Cubs; Timothy Lipham, Cubs; Sam Crabtree, Pirates; Greg Thompson, Pirates; Joe Faulkenberry, Pirates; Cliff McLain, Pirates; Shurbet, Yankees. (second row l to r) Patrick Lloyd, Cubs; Johnny Jones, Yankees; Dale Fernando Arvizu, A's; Richard Taylor, Pirates; Darick Jenkins, Yankees; Darrell Coaches (l to r) Oscar Santos, Billy Green and Billy Joe Villarreal.

Now... after six years... a companion volume to "Cow Country" in the "Face of a Cowboy" series --

CATTLE CALL

By Tanner Laine

presenting more folklore about the Great Southwest, plus 181 new cowboy faces, each in full-page format. Illustrated with 390 photos and sketches.

The author, a native of Spur in the big ranch country just off the Caprock, has written sympathetically about "cowhands", their courage, fortitude and foibles, about the native lore of the South Plains, West Texas, and the far reaches of the Llano Estacado.

Cattle Call features superb photography and art work by professionals on the staff of the Lubbock Avalanche-Journal. The front cover drawing was done by the author's son, Tanner A. Laine.

The book appears in a handsome 8 1/2 x 10 1/2 inch format and contains 368 pages. Index of story titles and cowboy faces. Attractive hard cover in orange and black.

Letter To The Editor

(Editor's Note: Here's a letter about one of our people.)

Miss Brenda Jackson  
Floydada, Texas

Dear Brenda,

We want to express our sincere thanks to the time to come and give the program to Committee last Saturday.

Your program was very informative and your presentation was excellent. It makes us this kind of participation from the youth of your sponsor, parents, teachers, and fellow Junior Historians and the preservation of I would sincerely encourage you to opportunity that comes your way to develop Because of the beautiful job you did Saturday can achieve much.

Crosby County Historian  
Mrs. LaHoda Sams

Veterans Have New Birth Certificate Requirements

Eligible persons should not let a lost Birth Certificate or Marriage License discourage them from applying for Veterans Benefits, Jack Coker, Veterans Administration Regional Office Director, advised today.

Coker pointed out that for some time now, less formal proof of Marriage or Birth has been acceptable when this information is required to establish claims for higher benefits.

For example, a veterans or widow's (or widower's) certified statement of marriage is sufficient for applications for compensation and education benefits for veterans, widows (widowers) and orphan children — provided neither veteran or spouse has been married

before, and VA has no contradictory information on file.

Formerly, the agency required all statements of marriages and births to be supported by formalized documentary evidence.

A certified statement also is acceptable regarding the birth of a child of a veteran's marriage, and as proof of age and relationship, Coker said.

FLOYD DATA

Karen Gilliland of Eureka, Calif., leaves Saturday by plane to return home after visiting in Floydada with her grandparents, Mr. and Mrs. Levis Gilliland and other relatives.

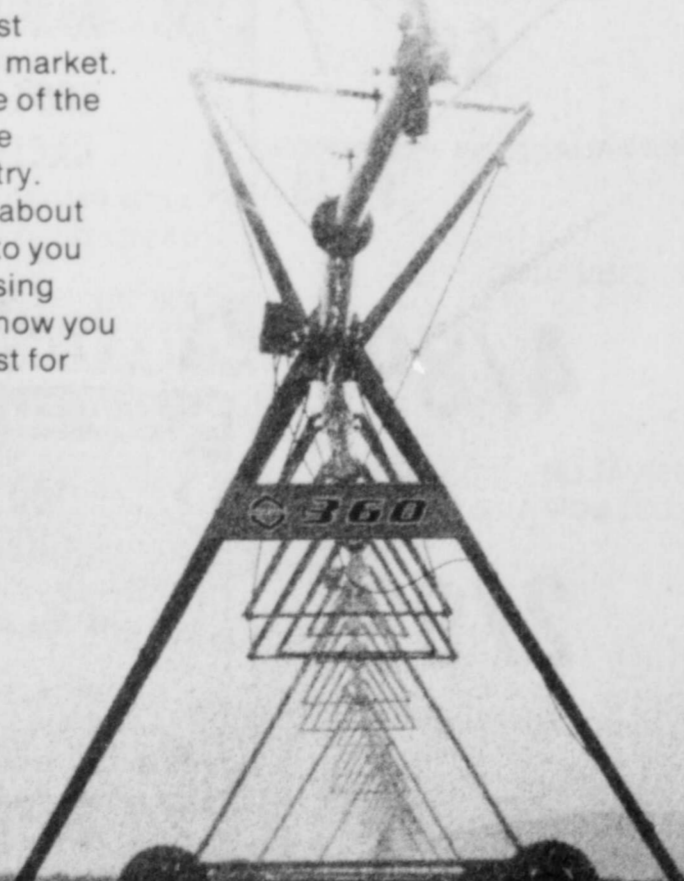

How to get the most from the lease.

Why bother looking at other systems when you can lease the best system available? Gifford-Hill's 360.

You don't have to tie up money buying a system. Instead, you can sign up for one of the most competitive lease programs in the irrigation equipment market. That frees your capital to put into land, equipment or whatever you need.

The 360 is the most reliable system on the market. And it's backed by one of the most reputable service networks in the industry.

So check with us about the options available to you with Gifford-Hill's leasing program. And let us show you why the 360 is the most for the lease.

Santa Fe Wheat Report

**New Harvest:** During recent weeks the harvest has been more than 680 million bushels under way in the five states served by Santa Fe. Almost half of all the winter wheat grown in this country.

**Car Supply:** Santa Fe's part of the harvest will be about 29,000 carloads. Our jumbo hoppers along with our hoppers and box cars are in use throughout the harvest areas of this big load.

**Santa Fe Operations:** The millions invested each year to improve Santa Fe's facilities, locomotive fleet, makes it possible for us to get the job done in the most efficient way. We are ready to handle more than our share in wheat states along the Santa Fe. When problems may arise from irregular transportation services.

Under normal conditions the railroads plan their operations to move with the harvest as it advances across the wheat belt.

This year, old man weather has upset the timetable. Rain has delayed the new crop about two weeks, and the wheat became ripe and ready in all growing areas of the Midwest, at the same time!

Santa Fe has a long and proud record of moving wheat. We do our best to prepare for each year's harvest. For example, we have almost 13,000 jumbo hoppers in service, including 1,000 brand new ones just received from the builders. That's the largest fleet in the nation.

1975 will be a near-record wheat harvest year along the Santa Fe; and, although the weather has created problems, we are doing our best to move each bushel. We are about to complete the harvest movement, and we appreciate the cooperation of growers, shippers, elevator operators and government inspectors which has helped Santa Fe handle another big wheat job.

The Atchison, Topeka and Santa Fe Railway  
A Santa Fe Industries Company

Rail cost is only a thin slice of the price you pay for bread. It averages about—

1/2¢ a bushel

Moving wheat for making bread is an example of how a modern railroad handles volumes of foodstuff at low costs.

This is one way Santa Fe holds down the price of food. It counts the most for farmers and shoppers, at the checkout

Church in Paducah. Mrs. Lawhon, in failing health several months, died Tuesday afternoon in Richards Memorial Hospital in Paducah.

A native of Collin County, she was a former resident of Crowell. Mrs. Lawhon was a member of the First Baptist Church in Paducah.

Survivors include two daughters, Mrs. W. H.

Mulkey of Paducah and Mrs. Wise of Floydada; three sons, J. P. Benton, Littlefield, C. M. Benton of Marcando City and L. L. Benton of Rupert, Idaho; three stepdaughters; two sisters and several grandchildren.

### The Floyd Philosopher

#### A Sorrowful Look At The Low State Lying Has Fallen Into

Editor's note: The Floyd Philosopher on his Johnson grass farm examines truth and its absence in his letter this week.

Dear editor:

For some time now I've been studying the part of the lie in national and world affairs and the way it looks to me lying has just about been ruined.

It used to be that one of the worst things you could call a man was a liar, but nowadays let one politician call another a liar and people just shrug: so what, they're probably both right.

You read a headline: Editor Harold Smith Denies CIA Role, and people's reaction is, You know he's guilty.

Admit something is true about what you're accused of and people will say "Yeah, he's just admitting that to cover up something he's done that's worse."

Nothing seems to work any more. Not even No Comment. Ask a politician a sharp question and if he says "No comment," people say, "Ah-hah, he's guilty as sin." If he says, "I neither deny or confirm it," people say he's

just confirmed it.

It has got to the point where if somebody accuses you of something, the best thing to do is get out of sight. If you hang around to deny it, you're a goner. No use issuing a statement through your campaign manager. He's already under indictment for accepting illegal contributions to your last campaign.

Understand, this isn't just a national condition. Lying has become such a habit among the world leaders that a nation caught telling the truth will be accused of just trying to befuddle the others. "What're they up to this time?" the others will say. "Something's going on there we don't understand. Better have our undercover people look into it."

In other words, lying as an instrument of personal, national and international policy has been ruined. It's like sleeping pills. The more you take the more you need, till finally nothing works.

You think I'm telling the truth? No comment.

Yours faithfully,  
J.A.

National School Lunch Program for fiscal year (FY) 1976 will be 11 cents. This is a 9.99 percent increase over the fiscal year 1975 value of commodities, based on the percent increase in the food away from home series of the Consumer Price Index during the period June 1974 to May 1975.

The adjusted rate of reimbursement per half pint of milk served under the Special Milk Program will be 5.5 cents for paying children in fiscal year 1976, an increase of 9.9 percent over fiscal year 1975. The payment to institutions for milk served free to needy children will remain at the purchase price of the milk.

#### STATE 4-H DOG SHOW

Texas 4-H'ers will be showing off their canine friends at the fifth annual State 4-H Dog Show at the Bellaire Recreation Gym in Houston Aug. 16. "WHERE CUSTOMERS SEND THEIR FRIENDS!"

### USDA Increases Rates For School Lunches

The U.S. Department of Agriculture (USDA) today announced an increase in its rates of payment to state education agencies to assist schools taking part in the National School Lunch, School Breakfast, and Special Milk Programs. Also increased was the national minimum average value of commodities for the National School Lunch Program.

The increases for school lunches and breakfasts have been in effect since July 1. The law requires that these payment rates be adjusted twice each year, in line with changes in the food away from home series of the U.S. Department of Labor's Consumer Price Index (CPI). The adjustment announced today reflects the 3.97 percent increase for the period, December 1974 - May 1975.

In the National School Lunch Program, the national average payment to states, to be used by them to assist local school authorities help defray food costs of each lunch served, will be increased one-half cent, from 11.75 to 12.25 cents. Within that average, states are authorized to vary the rate of reimbursement to individual schools, subject to certain conditions, up to a maximum of 18.25 cents a lunch. Previously the ceiling was 17.75 cents.

The additional guaranteed average payment to states to assist local schools in the service of lunches to needy children will be boosted 2.0 cents — 44.5 cents for each reduced-price lunch and to 54.5 cents for each free lunch.

The maximum reimbursement which states can pay to individual schools for free lunches is increased 2.5 cents. It can range as high as 71.75 cents for a reduced-price lunch and 81.75 cents for a free lunch. These maximum rates are arrived at by combining "general cash assistance," paid for all lunches served, and "special cash assistance," paid for free or reduced-price lunches served to needy children.

The national average payment to states for each breakfast served to eligible children will be increased one-half cent, from 9.25 cents to 9.75 cents. The additional average payment to states for each reduced-priced breakfast, which has been 17.50 cents, will be increased to 18.25 cents. The additional average payment to states for a free breakfast, which has been 23.25 cents, will be increased to 24.25 cents.

For cases of severe need, maximum rates of reimbursement remain at 40 cents for reduced-price breakfasts and 45 cents for

free breakfasts. The national average minimum value of commodities — or cash in lieu of commodities — per lunch to be made available under the

**MORE INFO FOR VETERANS**

Education and training counseling is expected this fiscal year to reach 93,000 veterans and other participants in Veterans Administration programs, Jack Coker, VA Regional Director reported today. Based on projections from VA services provided during the first nine months of the year during which 65,300 were counseled at a cost of \$2.3 million, VA expects the 1975

program to exceed by 3,000 the previous peak of 90,000 reach in 1971.

The VA counseling program includes a vocational rehabilitation program for service disabled veterans, the GI Bill program for veterans and servicemen and a program for certain dependents and survivors. All three programs have experienced sharp increases since December when payments were raised. The December law not only increased educational assis-

tance rates by nearly 23 percent, but it also lowered eligibility requirements for vocational rehabilitation training from 30 percent disability to 10 percent or more. The law also gave veterans seeking undergraduate college degrees under the GI Bill an additional nine months of eligibility.

Another law (PL 93-337, July 10, 1974) extended to 10 years the former eight year deadline for veterans, wives, and widows to complete their education programs, Coker said.

**AT FLOYDADA OPEN TENNIS TOURNAMENT** . . . all ages competed. In top photo two Lubbock netters made the semi-finals in the men's over 35 doubles . . . Hubert Burgess and Ed Irons. Hubert is a "youngster of 74" who continues to play a good game of tennis and says he plays at least twice a week. Irons is superintendent of schools at Lubbock. In the lower photo Dan Hill and Deana Wright of Vernon were especially happy in winning the mixed doubles championship. The last three years they came out second in the Floydada tournament. (Staff Photo)

**FINANCE SEMINAR FOR AG FIRMS** — The second annual Financial Management Seminar for Agribusiness Firms is scheduled for Oct. 21-24 at Texas A&M University. Businessmen engaged in producing, marketing or processing agricultural products or that supply or serve agribusiness firms are invited to participate, says an economist for the Texas Agricultural Extension Service. The seminar will offer tools and methods to evaluate the feasibility and profitability of investments and to analyze current or forthcoming financial problems. Special learning situations based on actual questions and problems faced by participants will be an important part of the overall seminar.

**NEW EXTENSION DAIRY SPECIALIST** — Dr. Michael A. Tomaszewski has been named a dairy specialist with the Texas Agricultural Extension Service. He fills the position held by J. W. "Jimmy" Davis, Jr., who retired on June 30. The new specialist will give leadership to educational programs in dairy production testing and in herd sire selection. He will also be

responsible for educational work in the Dairy Herd Improvement (DHI) program, which involves the use of artificial insemination to evaluate and improve the production of dairy cattle.

**Sorghum Price Outlook Uncertain**

**COLLEGE STATION** — Although the sorghum harvest is making good progress over South Texas and harvesting is expected to start in Central areas soon, the price outlook for the crop is still uncertain.

"We expect sorghum prices to remain under the pressure of large feedgrain crop prospects for much of the summer," says Roland Smith, grain marketing specialist for the Texas Agricultural Extension Service. "However, rumors of pending large foreign purchases may be sufficient to override the negative price effects of the large crop. Unless substantial purchases do occur, we would expect Central Texas prices to average near \$3.60 per hundredweight in late July and August. Sorghum prices in the Panhandle could range from \$3.95 to \$4.20 for the same period.

"Although the carryover from last year is expected to be small by this fall, the price that farmers receive for their new crop of sorghum will hinge greatly on domestic and foreign demands," notes the Texas A&M University System specialist.

A large harvest is in prospect in the United States and in Texas where sorghum acreage is up considerably as many farmers switched from cotton. On July 1 the 1975 U.S. sorghum crop was projected to be between 860 and 900 million bushels while the corn crop was estimated at 6.05 billion bushels.

"Some increase in livestock feeding is boosting the domestic demand for sorghum, but this increase has been limited to now. But, a big question mark for sorghum is the export situation," contends Smith.

"If Russia's feedgrain crop has suffered as much from dry weather as some people think, then exports to that country will certainly bolster the sorghum market. Also, poor weather has set back feedgrain crops in Argentina, a major exporting country."

So, feedgrain exports may begin to increase as the big U.S. crop starts coming in. Also, how much of the feedgrain crop farmers store will affect the sorghum market, adds Smith.

# South Plains News

By Mrs. Murray Julian

People from our area should be much in prayer for the Billy Graham Crusade which will begin in Lubbock at the Jones Stadium on August 31 through Sept. 7. Most of us can not go every night, but everyone will want to attend some nights at 8 p.m. Some of the special guests will be Norma Zimmer, Myrtle Hall, Grant Teaff, Steve Sloan and others.

Visitors at the South Plains Baptist Church Sunday morning services included Janie Guest with Shandra and Lori Young of Floydada, Mike Roberts of Plano, near Dallas, with the Kendis Julians, Mrs. Bill Harper of McAllen and Mrs. Ruth Burnett of San Antonio, and Mr. and Mrs. Tommy Scaff, Blake and Scotty.

Mrs. Ruby Higginbotham left Saturday for Canyon and Amarillo where she spent the weekend with her sister, Mrs. Edith Magnuson of Amarillo and Mr. and Mrs. Bud Higginbotham and children of Canyon. She returned home this Sunday night.

Mr. and Mrs. J. P. Taylor spent Saturday night and Sunday with members of her family at the Merrell Family reunion which is held annually at the old Merrell ranch home in the canyon near Quitaque. Family members barbecued meat during the night for the Sunday dinner, and many who gathered spent Saturday night, as well as Sunday.

Mr. and Mrs. Kendis Julian, Kristi, Mitzi and Tim, left Saturday, July 12, for Monument Lake and Cuchara, Colorado, where they vacationed until Tuesday night. They report it is very beautiful up that way, as there has been so much rain of late. They went in trailer and pick up.

Mr. and Mrs. Frank McClure and Mrs. Jean McClure of Plainview spent the night Tuesday at Fieldton with the McClure's granddaughter and husband, Rev. and Mrs. Jeff Messer. Saturday they visited another granddaughter, Mr. and Mrs. Paul Cypert and new baby daughter who live east of Floydada at Fairview.

Mr. and Mrs. Jack Smitherman went to Amarillo last Tuesday where Mrs. Smitherman had a checkup at a medical clinic.

Mr. and Mrs. Jerry Calahan and Kelvin Cummings left here last Friday (week ago) for a vacation which took them to Las Vegas, Nevada, to the Grand Canyon in Arizona, and to parts of California.

Mr. and Mrs. Sylvain Kinnibrugh had as guests over the past weekend their daughter, Mrs. Beth Gregory of Dallas, who flew in Friday evening, another daughter, Mr. and Mrs. Teddy Horne and Melissa of Plainview, Mr. and Mrs. Hewitt Simmons of Truscott, and Mr. and Mrs. Ray Dillard of Lockney. The occasion was the birthday celebrations for Mrs. Kinnibrugh, Ray Dillard, and Mrs. Simmons.

Mrs. Bill Harper of McAllen, and Mrs. Ruth Burnett of San Antonio were hosts at a birthday celebration for Kendis Julian and Kristi Julian on Friday night, July 18th, with a supper held at Quitaque. Present for the evening were Mr. and Mrs. Kendis Julian, Kristi, Mitzi and Tim, Mr. and Mrs. Murray Julian, Mrs. Harper and Mrs. Burnett.

Don Marble of South Plains was elected president of the High Plains Research Foundation at a recent meeting of the trustees of the foundation, with the experiment station situated at Halfway.

Mrs. Ruby Higginbotham attended the annual Lackey Reunion which was held July 12th, in the Massie Activity Center in Floydada.

Mrs. Bill Harper of McAllen and Mrs. Ruth Burnett of San Antonio arrived here Thursday afternoon to visit until Monday with their brother and wife, Mr. and Mrs. Murray Julian. They were enroute to their homes from Brandon, Canada, where they had been attending the Air Stream National Convention of Trailers, and they had been gone since June 6. They visited some old friends in the vicinity, and went on to Lubbock to visit Mr. and Mrs. Frank Jackson. They all had Sunday dinner in the home of Mr. and Mrs. Kendis Julian and children.

Mr. and Mrs. Leighton Teeple and Rhonda left by car for Cullen, Louisiana, on July 11th, and visited over the weekend there with the Teeple's daughter, Mr. and

Mrs. David Reddout, Tonya and Ricky. Leighton flew home to South Plains on July 14th, Monday, and the rest of the family, including Mrs. Reddout and the children left with Mrs. Teeple and Rhonda, for Florida, where they went down the western sea coast, and then went to Cypress Gardens, to Cocoa Beach, and spent two days in Disney World, and tried to

go to Cape Kennedy, but could not get in there. They report the weather was beautiful down that way, and not too hot. They all arrived home Sunday night, after leaving the Reddouts at Cullen.

Mr. and Mrs. Frank Brown on the Lockney Highway were hosts at a dinner Saturday night with guests Mrs. B. F. Harper of McAllen, Mrs. Ruth Burnett

of San Antonio, and Mr. and Mrs. Murray Julian. The Browns are expecting their children, Mr. and Mrs. Dale Brown of Dallas, and Mr. and Mrs. Dorsey Lynn Baker and girls of Chicago, home for a visit very soon.

There was not much rain in most of South Plains Saturday night, but some did fall in the southwest part, including Sylvain Kinnibrugh's, who got over an

inch, and Early Pritchett, Frank McClure who received a good amount. It only brought a shower here in South Plains.

Our many thanks go to the Marble Brothers who cut the weeds around South Plains, including the huge weeds by the South Plains Baptist Church.

**FLOYD DATA**  
Mr. and Mrs. C. W. Denison attended the Stevens Family reunion in Lubbock Sunday. The reunion was the gathering of Mrs. Denison's mother's relatives.

**FLOYD DATA**  
Carriek Snodgrass is reported to be progressing well from his heart surgery

recently had in Lubbock hospital.
