Strong Defense Team

By Wendell Tooley
It was a cold, wet, drizzly night in Cooper stadium, but Floydada football fans hardly noticed as they watched the hottest team going...the mighty Whirlwinds beating the Cooper Pirates 36-0.

It was the second game of the season and the second contest the strong defensive 'Wind team held their opponent scoreless.

Although it was plenty wet, the playing field was of good turf, very little mud, and only the problems of a slippery football and grass.

The visiting Whirlwind fans doubled the number of Pirate fans.

FIRST QUARTER

Substitute kicker Elton Ratliff

kicked-off for the Whirlwinds and the Cooper player returned the ball to the 32. However, on the first Pirate play, the slippery ball got loose and 'Wind Alvin Stofel covered it to put the 'Winds in business.

Kelvin Ratliff crashed off center for five, Micky Minnett zig zagged up the middle for ten. Quarterback Jay Womack kept for a nice end run of nine yards and then it was Kelvin who blasted on in to paydirt from the 13 yard line. Kelvin's run for extra two points was no good and Floydada led 6-0 with 11:22 left in the first quarter.

After Elton's kick-off the Pirates made a first down, but fumbled on the play and Floydada had the ball again. Lackey hit Donzell Minner with a nice 13 yard pass, Kelvin ran for five and then the 'Winds gave the ball back to the Pirates via their first fumble.

The Pirates began to look like they could go, made two first downs. However the 'Wind defense shut them down and they had to punt. Floydada fumbled the ball right back to Cooper. Cooper had the ball down on the 25, but couldn't make any yardage and the ball went over to the 'Winds on downs.

Womack ran for 12, Micky made 8, then a fine run of 23 yards. Gordon Bond ran for three and it was the end of the first quarter with the ball on the Cooper 15.

SECOND QUARTER

In two runs, Kelvin had the TD with only 11:36 left in the second quarter. Womack tossed a nice pass to Minner for the extra two points and Floydada led 14-0.

After Elton's kick-off the Pirates looked good, made three first downs. However, they ran out of steam on the 24 yard line and the ball went over on downs. The 'Winds had the ball on their own 15 yard line.

Floks, I wish you could have seen the next play. Womack tosses this short pass to Donzell. Donzell takes off like a jet and raced into the end zone untouched for the TD. He entertained the crowd as he crossed the goal line by juggling the ball. (not on purpose, I think).

Kelvin plowed through the middle for the extra two points. Floydada led 22-0 with 5:48 left in the second quarter.

The second play after the kick-off Cooper's quarterback Kelly Choban tossed a pass right into Elton's outstretched arms and it was the Whirlwind ball again. Womack made a beautiful run around right end for a TD, but it was called back on a penalty. Finally, the ball went over to Cooper on their own 17 yard line. The half ended with the ball on the 47 yard line.

HALFTIME

Due to the rain, there were no halftime band shows. However, the Whirlwind band was at the game and sang the school song sans instruments before the game started.

STATISTICS	F	C
First Downs	15	10
Yards Rushing	158	111
Yards Passing	132	49
Passes Att/Comp.	7/4	22/4
Passes Intercepted	0	2
Fumbles Lost	3	4
Yards Punting	3/98	3/76
Yards Penalties	9/65	5/39

THIRD QUARTER

The Pirates must have really received a pep talk at halftime because they hit the field playing like a brand new team....four first downs and down on the 'Winds 14 yard line when they fumbled the ball away.

The 'Winds gave the ball right back via a fumble.

The Pirates got down to the eight yard line, but just couldn't go against the strong Whirlwind line....ball goes over on downs.

Jay Lackey got off a nice 44 yard punt to relieve the pressure.

The quarter ended with the ball on the Whirlwind 25.

FOURTH QUARTER

At this point quarterback Jerry McQuire took over for the 'Winds. Lackey had to punt, Cooper couldn't go and the 'Winds strong line caught their punter for a 16 yard loss.

The Whirlwinds couldn't go and Lackey punted again. The Pirates fumbled and Donzell dived on the ball for a Whirlwind recovery. The ball was on the Cooper 15 yard line. At this point Womack, who had returned to the quarterbacking job, kept for a beautiful run around right end for the TD. Womack tossed a short pass to Greg Goen for the extra two points. Floydada led 30-0 with 7:21 left in the game.

Cooper couldn't go after Elton's kick-off and quarterback McQuire re-entered the game. Jesse Morales, Elton, and a McQuire to Minner pass brought the ball down to the 34 yard line. Gordon Bond and Danny Nixon made some running gains, then McQuire threw a beauty to Minner for the last TD of the game. Although Floydada made two points twice, both were called back on penalties and try for extra points on the third time was no good. The score was 36-0 with 2:36 left in the game. Rick Carthel kicked off.

Danny Nixon made a nice 13 yard run for the 'Winds as the game ended.

Next week the 'Winds meet Post here at 8 p. m. After Friday night's scores were evident, it appears now that the 'Winds have some stiff competition coming in Post, Olton, Tulia, Lockney....just to mention a few.

LOSE AT SLATON

The Floydada JV and Freshmen football teams hit it plenty rough at Slaton Thursday night losing both games. The JV lost 20-0 and the Freshmen lost 15-7.

Slaton's varsity team had a good night Friday night defeating Dimmitt.

Coach's Comments

"I was particularly impressed with our defense in the Cooper game...Billy Marricle was knocking down passes, holding them down the middle of the line...Gary Nixon, Steve Moore, Jay Lackey...in fact all the defense players just did a terrific job," were the Saturday morning comments of Floydada coach L. G. Wilson.

Wilson said he thought quarterback Jay Womack did a fine job considering the wet ball and the wet field. He also praised the offensive plays of Donzell Minner and Kelvin Ratliff.

"We didn't get anyone hurt....and we really have a job getting ready for Post this week....we know they will be plenty tough," the coach concluded.

The Presidents Of The Chamber Of Commerce

A businessman's organization known as the Floydada Industrial League was the forerunner of the present Chamber of Commerce. This first development organization was formed in 1911. In 1915, the first Chamber of Commerce was formed, and a reorganization period followed, culminating in 1948 with the present name — Floydada Chamber of Commerce and Floyd County Board of Development.

Since 1948 the following met: have 1949-50 O. M. Watson, Sr., 1950-51 R. F. Stovall, 1951-52 James E. Word, 1952-53 D. T. Mayo, 1953-54 Clem McDonald, 1954-55 E. C. Norman, 1955-56 T. L. Holland, 1956-57 Ernest Carter, 1957-58 Mitchell Parrish, 1958-59 W. E. Garrett, 1959-60 E. A. Williams, 1960-61 Lon M. Davis, 1961-62 Charles Craig, 1962-63 Newell Burk, 1963-64 Don Peaberton, 1964-65 Wayne Brown, 1965-66 Wendell Tooley, 1966-67 Parnell Powell, 1967-68 Clay Henry, 1968-69 Bill Brown, 1969-70 Vernon Parker, 1970-71 Jake Webb, 1971-72 Jake Webb, 1972-73 Alton Higginbotham, 1973-74 Wayne Russell, 1974-75 Clarence Denton, 1975-76 Tom Farris.

Enjoy Chamber Of Commerce Appreciation Breakfast

Chamber of Commerce appreciation breakfast at 6:30 Friday morning at Duncan Elementary Cafetorium. Four guests were present from out of town.

Despite the cold damp weather outside there was a good attendance inside for the breakfast and "hilarious roasting" pulled off by the Women's Division of the Chamber of Commerce on several of the male members. Craig Hambright presented breakfast music at the piano, and Tom Farris, Chamber of Commerce president, gave the welcome.

Dr. Floyd C. Bradley, master of ceremonies, opened the program and Jimmy Willson gave prayer. An appreciation was extended to Southwestern Public Service, Lighthouse Electric, Southwestern Bell Telephone Co., First National Bank and Pioneer Natural Gas for sponsoring the breakfast on the 60th anniversary of

the Chamber of Commerce in Floydada.

Nothing was serious from then on. Alice Henry, president of the Women's Division of Chamber of Commerce, opened their portion of the program by making a presentation to Tom Farris for his help in their organization, a framed blank certificate; Bill Hale received a ceramic "country cousin" statue from Phyllis Harris; Dot Word made a special award to Mayor Parnell Powell, a "stuffed charm snake"; LeAnn Neeley presented Chamber manager Doug Frazier with an "opportunity knocks" poster; and Helen Dunlap presented Louis Anderson with an "unmentionable" but she did say it was given because he always gave everyone a "lift".

Not to be outdone by the women, Whirlwind Coach L. G. Wilson presented the chambers' version of the

1975 Whirlwind Pigskin Review.

"Partially" dressed in uniform for the occasion were footballers, Louis "Fleetwood" Pyle; James "Stubby" Tidwell; Tony "Too Tall" Whitfill; R. G. "Rot-Gut" Dunlap; Charles "Wide Open" Craig; "Wee Willie" Feuerbacher; Ray "Twinkle Toes" McDonald; Wilson "Casual" Bond; Bill "Sodbuster" Hendrix; "Big Art" Ratliff; Louis "Aimless" Anderson; and Doug "Trainer" Frazier.

Coming back to put a climax to the program was Ann Wilson, who presented to the surprised Dr. Bradley, a "creation in fashion" that doubtless, he couldn't even describe. Ann said it was created by a new industry in town, namely the Women's Division of the Chamber of Commerce.

The breakfast and program will be long remembered as a huge success by those attending and a "great-big thank you" goes out from them, to those who made it possible.

Floyd Cotton Forecast Down

Many Floyd county farmers and ginners think the 1975 cotton crop will average a bale to the acre, but the official estimate now from the Lubbock Cotton Exchange and Plains Cotton Growers Inc. is 75,000 bales off 103,000 acres.

Last year's 140,000 acres produced only 83,000 bales as a cold wet fall really cut into the production.

Consequently, some Floyd farmers have let their cotton hurt for moisture this growing season, thinking it might get too wet this fall.

Of course there has been considerable insect damage, and the cotton did not grow off early in the season, due to cold, damp nights.

The official estimate for the 23 counties in the South Plains has been cut 173,000 bales in the last month to an expected 1,930,000 bales.

EMPLOYEE OF THE MONTH is Stella Hart, who has worked at Hagood's Department Store for over 20 years. Making the award presentation is Hagood's manager Earl Minter, on behalf of the Women's Division of the Chamber of Commerce, who selected Stella because of her courteous disposition and friendly attitude. (Staff Photo)

KARY HELMS RECEIVED the coveted Eagle Scout Award at the Lion's Club meeting Thursday. Kary is the son of Mr. and Mrs. Adrain Helms. Kary began his scouting at eight years of age and earned the Webelo Award, which is the highest achievement in Cubs. Helms is Senior Patrol Leader for Troop 357 and is a brotherhood member of The Order of the Arrow. (Staff Photo)

Square Dancing

will be Buddy Jones of Albuquerque, New Mexico, formerly of Lubbock, the Promenaders, another local square dance club, will perform Saturday night under caller Jerry Rash of Roswell, New Mexico. Sunday's performance will be in Round Dance, a square dance choreograph of a popular tune. Dave and Nina Smith of Lubbock, who have worked in Round Dance Festivals from Louisiana and Mississippi to Texas, will cue the rounds. Square dancers at the Festival will be following a

300-year-old tradition of dancing in the United States, using some movements that evolved from traditional folk dancing and European dances. Square dancing, no longer considered exclusively a Western dance, is widespread in the United States as well as in the world. The dancers at the festival will celebrate the Western flavor of square dancing, however, with their traditional, western, square-dancing attire.

The square dancing performances will be another way Festival participants can celebrate the bicentennial and will provide full family entertainment. One square dancers' motto is "Friendship set to music," and visitors at the Arts and Crafts Festival are invited

to share in that friendship and music. According to Weymon Box, spokesman for the square dance clubs, there may be opportunity for audience participation when the clubs are not performing.

Admission to the Festival, co-sponsored by the Plainview rotary club and the Llano Estacado Museum, will be \$1.00 for adults and

50 cents for children per day. A three-day festival pass will be \$2.50 for adults and \$1.00 for children.

Inquiries concerning the festival should be directed to Dr. C. Gwin Morris, Box 20, Wayland Baptist College, Plainview, Texas 79072.

Six Flags Weekend Schedule Follows Record Summer

Arlington, Texas - Six Flags Over Texas announced that it has completed its most successful summer season. The park's total attendance through Labor Day exceeded 2,023,000. Six Flags is now on a weekend-only schedule through November.

Attendance hit the 2,000,000 mark on August 31, two weeks ahead of the 1974 pace. Through Labor Day Six Flags showed an increase of more than 58,000 visitors over the same period last season, and more than 15,000 ahead of the pace of the all-time record year, 1973.

General Manager Dan Howells said, "To say the

very least, we are most pleased with the attendance figures for spring and summer. As we enter the fall season, there is a very good chance that we will exceed our all-time record of 2,267,000, which was set in 1973."

Howells continued, "One of the most pleasing aspects of the summer season was the fact that our attendance was up from all areas of the nation, as well as the local region. Our parking lot surveys tend to support the idea that Arlington, and the Metroplex as a whole, are becoming increasingly popular vacation destinations."

"Now that the bulk of the tourist season is over and

the temperatures are at more comfortable levels, Six Flags becomes the ideal spot for a 'mini vacation.' We expect Texans and others within reasonable driving distances to visit Six Flags

during the fall in greater numbers than ever." During September Six Flags Over Texas will be open on Friday evenings, Saturdays and Sundays.

Tasting Bee

Luncheon Held By '29 Club

Members of the 1929 Study Club held a covered dish tasting bee luncheon Thursday in the J. M. Willson Sr. home which began their first meeting for the fall session. Mrs. Ian Moore assisted Mrs. Willson with hostess duties.

Covered dishes served consisted of food cooked from early day recipes. Roll call was "My Mother's Favorite Recipe" and each member displayed a cook book or a cooking utensil which belonged to their mother. Among a few shown were a cookbook printed in 1937 and an omelette pan shown by Mrs. Clay Henry and Mrs. Emma Lou Whitaker and Mrs. Willson, who showed their mother's White House Cookbook.

Mrs. S. W. Ross gave a book review on "A Woman of the Revolutions," telling of Molly Pitcher, who helped the wounded soldiers during the revolution and though she didn't carry a weapon, at

one time she picked up one and fought along with the

men. Mrs. Ross said Molly Pitcher continued her help after the revolutions, making little in wages for her work.

The president, Mrs. J. A. Colston, gave her address on "To Know And To Love Is To Understand", followed by the distribution of new yearbooks by Mrs. Clay Henry. Also during business, two new members were added to the roll, that of Mrs. Emma Lou Whitaker and Ann Swepton.

A film on the A&M Extension Training School was shown the group by Benny Locke, and Bill Hale of the Floydada Development Company, explained the school and its benefits to Floydada.

Present for the meeting were Mmes. H. O. Cline, J. A. Arwine, J. A. Colston, C. W. Denison, Clarence Goins, Sam Green, Clay Henry, Ian Moore, S. W. Ross, Lee Rushing, Emma Lou Whitaker, and J. M. Willson Sr.

FLOYD DATA
Mrs. D. I. Boling of Studio City, Calif., left for home Saturday after visiting some two weeks with her parents in Floydada, Mr. and Mrs. Ed Muncey. Mrs. Boling also visited a sister at New Deal and along with her and her mother visited in Dallas with another sister. The group also visited in Rockport and Houston while downstate.

Mrs. Curtis Hostess For Harmony Club

Harmony Home Demonstration Club met Monday, Sept. 8 in the club room at the community center. Mrs. Glen Curtis was hostess for the meeting.

Mrs. R. N. Hopper reported there is still several pounds of pecans to be sold. They will be 25 cents higher on the next order, so now is a good time to purchase your holiday pecans.

Wanda Turner, Billie Hanna and Vivian Curtis, members of the exhibit

Floydada And Lockney Girls Needed In Mackenzie Contest

Floydada and Lockney girls are needed and reminded they have until Monday, September 15, to enter the Miss Mackenzie Queen Contest. The event is slated for the night of September 27th, at 8 p. m. in Silvertown's high school auditorium.

This is the second annual contest and is being held to promote the new Mackenzie Dam. Official rules were carried in last Thursday's Hesperian and Beacon. According to reports only one girl had entered from Lockney and none from Floydada. Girl's participation in the contest is being encouraged by

National Teen-Ager Pageant To Be Held At Astroworld

Miss Texas Teen-ager, Jana Collard and Miss Cappy Munday, the state director will be touring the state for the purpose of interviewing young ladies for the 1976 Texas National Teen-ager Pageant. All interviews will be held between 5 and 9 p. m. at Holiday Inns beginning on September 16, with the Dallas Central Holiday Inn, September 17 at the Huntsville Holiday Inn, September 18 at the Houston Astroworld Holiday Inn and September 19 at the Emerald Beach Holiday Inn, Corpus Christi. Students between the ages of 13 and 17 who have at least a "B" average in school are invited to attend.

The Texas National Teen-ager Pageant is the official state finals to Miss National committee, prepared an educational display for the County Fair. A letter was read from Mrs. Taylor at the Mental Health Center, in which she extended her thanks to the

members of the L.O.A. Junior Study Club, sponsors of the contest.

A get acquainted party will be held at 4 p. m. the day of the contest in the Pioneer Room at First National Bank at Silvertown. The rehearsal will be held Tuesday, Sept. 23 at 6 p. m. in the Silvertown high school auditorium.

Girls wishing to enter may contact Mrs. Tina Nance at Silvertown, 823-2496 or entry forms may be secured at the Lockney Chamber of Commerce office.

Deca Members Attend Area Leadership Lab

Friday and Saturday Elaine Giesecke, Terri Smith and Karan Cox represented the Deca Gold Chapter at the Area VI Leadership Lab in Amarillo.

The lab is designed to provide leadership for individual chapters in hopes of turning out future leaders of the community.

Senior Citizens Mini Bus Available

Senior Citizens planning to attend the covered dish luncheon Wednesday, September 17th, at the Baptist Encampment, may ride the mini-bus if they have no other transportation.

Those attending are asked to meet at Lighthouse Electric at 10 a. m. Bring a covered dish and wear name tags.

WOK-making sweet and sour meat balls. They were served along with tea and cookies by Mrs. Curtis R. N. Hopper, Monroe Schultz, Zant Scott, J. R. Turner, Jimmy Kelly, Mather Carr and Sharon Hillis.

Victory Church Women Meet

The Women's Fellowship of the Victory Baptist Church met in the Allen Cochran home Monday night. Mrs. Wayne Fuller opened the meeting with prayer and Mrs. George Quisenberry, president, presided over the meeting.

Mrs. Cochran brought the devotion on "Thorns In Our Flesh".

The meeting was closed with prayer by Mrs. Joe Green. Attending were Mmes. Bill Perkins, Wayne Fuller, Emmitt Clappitt, Joe Green, George Quisenberry, Bill Nelson and hostess, Mrs. Cochran.

Reception To Honor Mr. And Mrs. Roge

Mr. and Mrs. Wylie Roge of Floydada will be honored Sunday, September 14, on the couple's 50th wedding anniversary, with a reception from 2:30 until 4:30 in the Massie Activity

Floydada Band Boosters Meet Monday Night

Attention parents of Band students: Band Boosters Association will be meeting Monday, September 15 at 8 p. m. in the Floydada Branch of Plainview Savings and Loan.

If you are a parent of a Band student, you are automatically a Band Booster member and are invited to all meetings, held each Monday night before all Friday night home football games.

The cooperation of all parents is needed in order to make this a good organization.

Heart Assoc. Organizes For Year

The Floyd County Division of the American Heart Association met Tuesday at King's Restaurant for its first meeting of the year.

Frank Barrow, president, presided at the luncheon meeting and officers were elected for the 1975-76 term: Fund Raising Chairman, Randy Hollums; Vice-President, Parnell Powell; Secretary-Treasurer, Dot Word; Public Health, Billy Jordan; Public Relations, Gayle Daniel; and Olin Watson, Memorial Chairman.

Mrs. Joyce White, District Director of Lubbock was present.

The next meeting will October 13 at 12 noon at King's Restaurant.

Individuals are encouraged to call Olin Watson for memorials and contributions.

Geraniums get their name from the German word for crane since it's believed the fruit looks like a crane's bill.

September 21-27 Highway Week

AUSTIN — Governor Dolph Briscoe today signed an official memorandum proclaiming September 21-27 as Highway and Transportation Week in Texas.

By that action, Texas joins with the other 49 states in a national observance, the theme of which will be "Transportation, America's Lifelines."

"Transportation services and facilities are vital to the social and economic well-being of all citizens and their institutions in the State of Texas," the memorandum noted.

"Maintenance and development of transportation facilities we now possess and which we plan in the future provide the framework for our ultimate and continuing progress," it continued.

The governor noted that the new State Department of Highways and Public Transportation — a merger of two state agencies — faced "great challenges . . . for providing good transportation to the people of Texas."

"Highways and public transportation are essential elements of the transportation network which serves the needs of all the people," he said.

The 64th Legislature merged the Mass Transportation Commission and the Texas Highway Department to form a new agency charged with responsibility for developing a comprehensive total transportation program.

The 64th Legislature merged the Mass Transportation Commission and the Texas Highway Department to form a new agency charged with responsibility for developing a comprehensive total transportation program.

week. Thanks so much for coming. Also many out-of-town visitors. They were: Mr. Leal had visitors from Quitaque; Mr. Turner had Mrs. Matt Norrell-Floydada; Mrs. Leavassar had her husband from Floydada; Mrs. Plumee had Mrs. O. Tansy S. Black from Los Angeles, California and Mrs. Vera Webb Mitchell from Roaring Springs; Mrs. Nichols had Mrs. Elsa Clemente and Mrs. Russell Hoffman from Plainview; Mrs. Ola Rogers had Howard and B. Rogers from Flomot; Mrs. Peak and Mrs. Smith from Matador.

Mrs. Lola Grider had Mr. and Mrs. Art Ratzlaff from Floydada. Mr. Word had Donna Yeary from Floydada. Mr. Frizzell had Clyde Frizzell, Ava Jackson and Ethel Warren from Floydada. Mr. Roberts had Mrs. Blah Newman, Mrs. Sam Hunt and Mrs. Fisher from Silverton. Mrs. Iyer had Floreine Cobb from Quitaque; Mr. and Mrs. William Hartley had Mr. and Mrs. Jameson and Mrs. Mary Ann Ebling from Plainview; Mrs. Cypress and niece, and Mr. Sid Brown from Floydada. Mrs. Lester had Maureen Griffith from Plainview and Elizabeth Settle from Lubbock.

Brasher from Providence; Mrs. Edwards had Alma Rape from Floydada; Mrs. Fortenberry had Mr. and Mrs. Flake from Oklahoma City, Betty Jo and Ted Wilkes from Carlsbad, New Mexico, Loraine Rutland and Willie Mae Delpha from Amarillo, and Elma Le from Odessa. Mrs. Christian had Edna Blakney from Turkey. Mrs. Deitrich had Esther and Virgil Brasher and Arnold and Sue Deitrich from Providence. Mrs. Kitchens had Louie Kitchens, Mr. and Mrs. Burl Fish, Blanch Newman and Bessie Baker from Silverton. Mr. and Mrs. D. W. Burke had Mildred Cates from Floydada.

Mrs. Kellison had Mrs. Goodman from Lovington, New Mexico, Mrs. Harris had Lola Turner from Flomot and C. C. Price from Petersburg. Mr. De La Cruz had his family from Floydada. Also Willie Wylie visited. Mr. and Mrs. W. C. Mooney from Floydada visited with the residents. Morris Woodall, son of Elsie Woodall, called her from Clifton, Illinois. She was very glad to be able to talk with him. She said he was doing fine. Thanks so very much to each and everyone of you for caring so much. Will close for now.

Basic And GED Classes To Start For Adults In Floydada September 16th

Classes for Adult Education, Basic and GED for out of school youth and adults begins Tuesday, September 16 in Floydada. The classes are free and instruction will be given in Reading, Writing, English, Arithmetic, English Speaking and help given in passing tests required for obtaining citizenship papers, Modern Math, arts and crafts, as well as other courses.

This program is designed to improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency, and to become a more efficient consumer and a more active citizen.

Adults may enroll at anytime during the school year at Floydada High School or contact Kerman Bond, director, 983-2296.

Classes will be held at high school on the evenings of Tuesdays and Thursdays from 7 until 9:30, beginning Sept. 16.

... ANOTHER AREA in which Texas ranks first
... number of farmland owners.
... 300,000 people who own land in the nation,
... 200 of them in Texas.
... leads the nation in the number of nonfarm

... ally, the average amount of land owned by
... higher in Texas than anywhere else in the
... the average amount of land owned per
... 68, elsewhere it's only 320 acres.

... RALEIGH — Cotton
... Incorporated economists say
... U.S. cotton consumption in
... 1975-76 will reach 7.0 million
... bales and exports will begin
... moving strongly later in the
... crop year.

... That's the gist of the
... August "Cotton Summary,"
... just published by the
... division of economic re-
... search and development at
... the Cotton Incorporated
... research center here.

... Cotton Incorporated re-
... presents American cotton
... producers as their fiber
... company.

... While many industry
... observers have been pre-
... dicting U.S. consumption in
... 1975-76 at anywhere be-
... tween 6.2 million and 6.7
... million bales, Cotton Incor-
... porated economists, assess-
... ing end-of-August indica-
... tors, believe 7 million bales
... should be used, provided the
... U.S. economic recovery
... continues its upward climb.

... The Cotton Incorporated
... figure still leaves cotton
... consumption next year at
... less than the pre-recession
... level, but it is 1.2 million
... bales higher than the
... 1974-75 consumption level.

... "Cotton producers and
... textile mills alike should
... prepare for this demand for
... cotton and be ready to help

UNION STOCK YARDS, 1890s STYLE—This frame structure housed the San Antonio Union Stock Yards until 1938. That year, it was replaced with the present livestock exchange building which houses the Federal-State Livestock Market News Service offices. This September, the Service celebrates forty years of providing accurate market news to Texas farmers and ranchers, Agriculture Commissioner John C. White said.

New Look: Wheat Sales To Russians

AUSTIN—What portion of America's wheat is Russia buying?

The size of the Russian wheat sales can be put into perspective by considering the size of the U.S. and Texas wheat crops, Agriculture Commissioner John C. White said.

First, the 1975 U.S. wheat crop, converted to metric tons, amounts to 58,300,000.

The Russian wheat sales amount so far to 4,500,000 metric tons. That leaves 53,800,000 metric tons.

U.S. wheat consumption this year in metric tons will amount to about 18,000,000, thus leaving 35,800,000 metric tons of wheat from this year's crop that is still available for use somewhere.

A metric ton is 2,200 pounds. A bushel of wheat weighs 60 pounds. Therefore, in a metric ton there are 36.7 bushels of wheat.

On a bushel basis, this is how it figures: the U.S. wheat crop figures at 2,140,000,000 bushels. Russian wheat sales in bushels figure at 165,000,000.

That would leave 1,975,000,000 bushels or roughly 2,000,000,000 bushels.

The Texas wheat crop is set this year at 131,100,000 bushels; in other words, the Russians have bought slightly more than the total 1975 Texas wheat crop.

FRIENDLY ICE—Fruit blossoms, sprayed with warm water during cold snaps in Oregon, wore protective jackets of ice that prevented frost damage.

"Individual commitment to a group effort for the common good—that's how so many worthwhile things have been accomplished in this country, and that's what Plains Cotton Growers is all about."

This is a quote from a speech delivered September 8 to the Lamesa Cotton Growers Association by W.B. Criswell of Idalou, President of Plains Cotton Growers, Inc., Lubbock.

PCG is a regional association representing cotton producers in Dawson and 24 other counties surrounding Lubbock. The Lamesa association, with membership in Dawson and adjoining counties, asked Criswell to speak to their Fall meeting on the assigned subject "Why Plains Cotton Growers" as a part of a campaign to increase awareness and support for PCG, Cotton Incorporated and the National Cotton Council.

Directly answering the title question Criswell said, "I've been a longtime member of PCG because it is an organization that gets things done, and is made up of the kind of people I like and appreciate—the kind of people who instead of crying about their problems are willing to devote time and money to solving those problems."

As one example Criswell cited the boll weevil invasion of the High Plains from below the Caprock in 1963 and the weevil control program conceived and initiated by PCG in 1964 to avert impending disaster.

"There is no doubt in my mind," Criswell stated, "that without PCG's control program, which is still in operation, we

Grain Sorghum

LUBBOCK — Grain sorghum producers in the High Plains area will elect four members to the Texas Grain Sorghum Producers Board on Oct. 16.

Nominations will be accepted through Sept. 16 at TGSPB offices, 1708-A 15th St., Lubbock, Tx., 79401.

Directors whose terms will expire are Ralph Mabry of Petersburg, C. P. Smith of Hale Center, K. B. Paris of Springlake and Larry Witten of Olton. All are eligible for re-election.

Persons in the 29 county TGSPB area who produce grain sorghum and pay the board assessment are eligible to vote and to seek election. Any person wishing to be nominated for membership should make application by Sept. 16. The application must be signed by the nominee and 10 other eligible voters.

Eligible voters who do not receive ballots by Oct. 2 may obtain one from a county agent.

Counties in the Texas Grain Sorghum Producers Board area are Armstrong, Bailey, Briscoe, Carson, Castor, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry and Yoakum.

"A seller's call contract based on December 1975 or May 1976 futures may be a marketing alternative attractive to some producers," he adds.

Cox invites producers to write for more information about seller's call contracts. The address is Cotton Incorporated, 4505 Creedmoor Rd., Raleigh, N.C. 27612.

would now be spending a lot of money to control weevil infestation in every acre of High Plains cotton, plus losing some of our yield and quality potential."

He went on to recall figures from a study made by the National Science Foundation and Texas A&M University which proclaim that the program, during its first nine years, saved every High Plains producer an average of \$28.00 on every bale produced. He compared this to the producer's average cost of 37 cents per bale for the boll weevil program, plus 15 cents per bale in dues to Plains Cotton Growers, a total of 42 cents a bale.

As other examples of how PCG "meets problems head-on and gets things done," Criswell pointed to the inclusion of the "Light Spot" grade in the cotton loan schedule, "which has been worth at least \$10.00 per bale on every bale of Light Spot cotton produced since 1958;" permission for farmers to purchase and lease allotments, a PCG proposal when the Agriculture Act of 1965 was being developed; the disaster program section of the 1973 cotton program; removal of the "double penalty" on barmy cotton beginning in 1973, and other PCG accomplishments.

"When I think of all these and many other ways in which PCG has helped make my farming operation profitable, I have no problem whatsoever in answering 'Why Plains Cotton Growers'."

Criswell concluded by saying, "The answer is simple: Through Plains Cotton Growers we have in the past and can in the future, to a large degree, shape our own destiny."

INSUR-MATION

DAVID B. CATES
Floyd County Farm Bureau
Floydada, Texas

The company I work for has a retirement pension plan and although I could participate in it, I would rather have my own. Is this possible?

Yes, It's possible but not very practical. Under IRA you make the entire contribution...under most companies' retirement plans, the employer contributes most of the money that goes toward the pension plan. An employer-designed plan will accomplish more because of the reduced administration costs per individual participant. It would seem you may be attempting to trade a lot of benefits for the sake of mobility. Your employer's pension plan automatically takes care of most of the paperwork, time and money needed to set up a comprehensive retirement pension plan.

is sponsoring a chili supper Friday night prior to the Post football game. The supper will be held at the Junior High from 5 p. m. until 8 p. m. Proceeds will go to the Post. Wheels and park

improvements in Floydada. Girl Scouts are selling tickets or persons may call Mrs. Doyle Warren. They are priced at \$1.75 for adults and \$1 each for 12 year olds and under. On the menu will be chili, drink and dessert.

CELEBRATES 60 YEARS OF SERVICE

the Texas A&M Engineering Extension Service, Regional Training Center in Floydada?

...Through the TEXAS FIRST job creating/business expansion program, the Chamber is coordinating the needs of local employees with the expertise of five state agencies to help area businesses and industries grow?

These are but a few of the various ways in which the Chamber of Commerce works for the progress of Floydada and Floyd County.

CATTLEMEN IN FINANCIAL TROUBLE—Almost four out of 10 cattlemen are in "bad" to "moderate" financial trouble, says the head of Texas A&M's Department of Agricultural Economics after a nationwide survey of some 300 bankers. The bankers indicated that some 20 per cent of the cattlemen may not survive another year of low calf prices. Cattlemen should continue culling their cow herds, especially now while supplies of competitive meats are down. Current high prices for feed and other supplies and record numbers of beef cattle are the key reasons for the cattlemen's dilemma.

BEAT POST FRIDAY

Cold Front Brings Dust Rain

had its first rainfall of the season Thursday night which brought relief from the dust. A cold front which moved through the area around 5 p. m. was reported from the area. The front was estimated in gusts of 15 to 20 mph. The National Weather Service reported the front moved through the area in the mid 80s and then steadily through the night to a low of 60. The dust made it seem even

WELCOME SIGN ON THE MATADOR HIGHWAY was given by the Floydada Kiwanis club. The sign are incoming Kiwanis president Jack Stansell, chamber manager Doug Frazier, and L. Payne. The Kiwanis club expressed thanks to Lighthouse Electric and City Power And Light for the sign and Mrs. Valree Turner for the location. (Staff Photo)

Graders Shut-Out Ralls 34-0

Breezers of Floydada School started their game with a big win over Ralls 34-0. Coach picked outstanding players Neal Becker, Keith Nixon, credited the recoveries; Danny and Troy Marquis, a shut-out. Quarter Henry Gonzales the two point conversion Marquis. Also in the first Armando scored the point after the score 14-0. Junior

came back in the second quarter with another touch-down to his credit, and again the conversion was no good. The score was 20-0 at half-time and in the third quarter it was all defense as neither team could score.

Troy Marquis scored the first touch-down in the fourth quarter and Macolyn Collins took it over the end stripe for the extra two points on a quarter-back keeper. The final touchdown was set by a 30 yard pass from Troy Marquis to Tracy Womack, ending the game with a final score of 34-0.

The 8th graders will play Post at home next Tuesday.

7th Graders Shut Out Ralls 14-0

the key word in the 7th game Thursday night was Ralls, as it was before there was a game ahead 14-0. Run by Floydada Younger which he ran for 15 yards then ran across for the point, making the score 14-0 in the fourth quarter, it was

another run by Younger, again 15 yards, but the point after attempt failed, leaving the score at the final, 14-0.

Coach Arlon Barnes picked outstanding defensive men as Roy Cortez, Joe Hinkle, Tommy Myrick, Jeff Rainey and David Cochran.

The 7th graders play again Tuesday at 5 p. m. in Floydada against Post.

AS IT LOOKS FROM HERE

By Congressman Omar Burleson

WASHINGTON, D. C. — It is entirely possible that the recess Congress took in August will be the best thing it has done this Session. If enough Members got the word that people are fed up with wild spending, deficits, Government control, regulations of one sort or another and a lot of other things, the effect could be for the better.

On the other hand, some members report that their city Constituents are more concerned about unemployment, the cost of living and demand more Federal relief. From conversations it would appear, however, that, generally, people are aware that the Government does not have endless resources and that it can't cure every ill that befalls communities and individuals. In attempts to solve all problems, Government agents, clad in the armor of the Federal law, poke into every nook and cranny of our lives, often doing more harm than good. There is an awareness that over a long period of years, there has been created a massive Federal regulatory structure encased in contradiction, excesses and rules.

With enough people affected by these overpowering controls and regulations, an awareness may set in for a demand to not only retrench some of the things now in effect but to cause Washington to think twice before it undertakes to tell every enterprise in the Country what it can and can not do in hiring, firing, pricing, production, competing and all the other authority now being imposed.

These are proposals, both in the House and in the Senate, which would unify a vast number of Federal programs now spread around in so many departments that one hardly knows what the other is doing. The effect is to victimize those supposedly to be helped.

The faceless bureaucracy is not responsible to the people it is supposed to help. Too often it imposes a burden on business and on individuals with which they can not cope and often citizens pay a penalty rather than try to defend themselves. It is such an expensive effort to fight the bureaucracy that most times they simply plead "no contest." The Government has unlimited resources behind it in a court case but a company or individual does not. To win a case may well be a hollow victory for a small businessman because there is case after case where a legal fight has caused bankruptcy. In all cases, the taxpayers foot the bill for the Government's mistakes.

The President has called in his Cabinet Heads, Commission, Bureau and Agency Directors and has instructed them to reduce their overwhelming bureaucracies. This is well and good but other Presidents before the present one have, at times, done the same thing.

IN MEAN GREEN LINEUP AT APPRECIATION BREAKFAST...is none other than Rot-Gut Dunlap, left, and Fleetwood Pyle, being introduced by Coach L. G. Wilson. (Staff Photo)

It has not been effective because there have not been follow-ups to see that it was done. Even a greater handicap is that the professionals down below Cabinet and agency heads, have usually been in their positions for a long period of time and hang on to the power they are able to yield. Often the head man is

unable to reach through the red tape to do much about it. At first glance, it would appear that a bill in the United States entitled "Economic Adjustment Administration" would add another layer to the bureaucracy but if past efforts are an indication, it is going to take efforts by both the President and the Congress to

reach through the maze of all the agencies, commissions and bureaus to find the handle on the brake. Thousands of toes will be stepped on and screams will come from all points of the Nation but, of course, the loudest will be here in Washington.

September Is Teal Season

LUBBOCK — September is considered a hot, dry month reserved for dove hunting but the Texas Parks & Wildlife Department suggests that state gunners try their skill on another tough target as the annual teal season opens Sept. 20. The teal season will continue through Sept. 28, 1975, with a daily limit of

four birds and eight in possession after the first day. Included in this species of duck are greenwing, bluewing and cinnamon teal. These small birds can best be identified by their rapid wingbeat. The eating quality is excellent as many surprised cooks have found in the past.

The Floyd Philosopher

Government Has Gone Too Far.

It's Now Imitating Business

Editor's note: The Floyd Philosopher on his Johnson grass farm thinks he has discovered something new about the government, his letter this week indicates.

Dear editor:

People are always talking about government meddling in business, which is different from business meddling in government, but I have discovered an altogether new side to this situation.

According to articles I've been reading in the papers, the U.S. Postal Service is planning on raising the price of mailing a letter from 10 cents to 13 cents.

Of course there's nothing new about that, the first class rate has been going up steadily for the past few years — a classic example of inflation: while the quality of letters hasn't gone up, the cost of sending them has — but what is new about the rate increase is the timing. The report is that the rate will go up in December, just ahead of Christmas.

Remember what happened this past summer just ahead of the Fourth of July holidays when everybody and his kids had trips all planned? The oil companies raised the price of gasoline 3

cents.

With shrewd timing, the Postal Service plans to raise the price of stamps 3 cents just ahead of the big Christmas card season.

I'll tell you, it's one thing for the government to interfere with business, but when it starts imitating business, that's something else.

Who does the government think it is, anyway? Does it think it's as big as the oil companies?

Changing the subject, I couldn't help but notice a comment by a TV newsman the other night while he was reporting on a teachers' strike in Chicago. "Instead of being in the classroom this first day of school, the kids are instead on the streets," he said.

You can blame the schools for a lot of things these days and in many cases be right about it, but if the half-million or so Chicago kids are either in school or on the streets, something could be remarked about the parents. That is, it could except for the fact the word "chore" has been abolished from the English language.

Yours faithfully,
J.A.

Shooting hours are from sunrise to sunset daily. On Sept. 20, 1975, sunrise will occur at 7:34 DST at Lubbock. For teal hunters east or west of Lubbock, a calculation of time is necessary. For points west of Lubbock, add one minute for every nine miles and for points east of Lubbock, subtract one minute for every nine miles. Check local newspapers for the exact sunrise-sunset time daily.

A federal migratory waterfowl stamp will be required of all teal hunters and these can be bought at most U.S. post offices. These stamps may be affixed to the back of your new hunting license and must be signed in ink by the holder.

As teal are migratory birds, federal law requires that all shotguns be plugged to hold no more than three shells including both the magazine and chamber. Only

10 gauge shotguns or smaller are legal for teal.

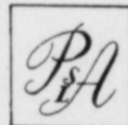

Teal hunters are reminded to identify legal ducks as the continuation of this annual teal season depends upon the sportsmen's cooperation and his ability to bag only teal. Several other species of duck will be in the same area mixed among the teal including mallard, gadwall, scaup and pintail. The possession of any of these other ducks will constitute a game violation.

What One Person Can Do

ESTHER LEFEVER, COMMUNITY ORGANIZER

There is a bit of cheer in Atlanta's dismal Cabbagetown since Esther Lefever brought her guitar and lilting tunes there seven years ago. It crystallized into The Patch, a double center, one for the young and one for adults.

Esther Lefever and Cabbagetown are a meeting of two worlds. The once-thriving community grew up around the mill which opened there in 1880 as sharecroppers came down from the mountains to seek a better living. Mrs. Lefever grew up on a Pennsylvania Mennonite farm and absorbed from her preacher-father a concern for people and their problems. With her husband, she did a stint of social work in Chicago, then

spent three years with a medical team in Vietnam. The family settles in Atlanta, and Mrs. Lefever, a well-organized mother of four, gravitated to where people were in need. When she went into Cabbagetown one day and sang mountain songs to some elderly people, she saw a neighborhood in decline. She scrounged for financial support, got some full- and part-time helpers and now, on a regular basis, helps families in the business of survival.

To the young, Esther Lefever brings learning skills, crafts, music, games and laughter. But most of all, she gives them hope and self-respect. She helps them fight the Cabbagetown stigma. "The kids have a place where they can go," she said, "and be who they are, and be accepted for what they are."

When a policeman came in and said one of the "rascals" stole a bicycle, she became incensed at the labeling. "Every time we see these kids being put down," she said to him, "brother, we're going to deal with it."

A poster on the wall of The Patch reads, "You can do more for yourself than you think, so why not try?" With a friend like Esther Lefever, it's easier.

For a free copy of The Christopher News Notes, "Build Up, Don't Tear Down," send a stamped, self-addressed envelope to The Christophers, 12 E. 48th St., New York, NY 10017.

BID NOTICE

The Mackenzie Municipal Water Authority will receive bids for construction of an office and residence facility on its property in Briscoe County, Texas. Sealed proposals addressed to Mackenzie Municipal Water Authority, 116 South Maxwell Street, Tulia, Texas, 79088, for the office and residence facility will be received at the above office until 2:00 p.m. September 23, 1975, at which time the proposals will be publicly opened and read aloud. Any bid received after closing time will be returned unopened. Copies of the plans and specifications for such construction are on file at the office of the Authority. Mackenzie Municipal Water Authority reserves the right to reject any and all bids, to waive formalities, and in case of ambiguity or lack of clearness in stating proposal prices, to adopt such interpretations as may be most advantageous. No bid may be withdrawn until the expiration of thirty days from the date bids are opened. /s/ LON M. DAVIS, JR. President
