In a better equipped and more spacious atmosphere, each bank employee can work efficiently to provide the best customer service.

The interior, including the community room, will be redecorated; and the exterior remodeling will benefit the

downtown area.

"Convenience banking has been the first consideration throughout the planning in this new building program," said Kinder Farris, Chairman of the Board. "We feel this is necessary for the future growth and development of the bank and will benefit the community."

The architects are Whitaker and Hall. The contract for construction was awarded to Knox, Gailey, and Meador of Lubbock.

THE NEW FIRST NATIONAL BANK will feature five marble columns with inlaid tile and a ten foot bronze overhang. The east front is 150 feet with 75 feet entrance and landscaping for three lane drive-in window service. Blank area in architect's drawing is Parker's Furniture. Demolition of old buildings on the west side of the square for the new bank building began this week.

Whirlwinds Battle For All The Marbles

...Tooley ... championship of district ... (that's all the marbles) ... as the Green and White ... whirlwinds travel to Idalou

to play their green and gold team. The winner has the district championship... as it is the last district game for Floydada and Idalou will have only one other game... Lockney. Idalou is 2-0, Floydada is 3-0.

Tulia is 2-1 and Lockney 0-3. Idalou was no problem last year as the "Winds" handily defeated the Wildcats 56-13. However, the Wildcats are sporting a brand new coach and have ten returning lettermen from last year. New coach is Tom Ritehey who built Fort Stockton from the cellar to a district contender in two years.

can do if they need to go to the air. David McKenzie, 5-9, 150 pound senior has been quarterback for three years. His backs include Gary Galloway 6-0, 160 pound senior, Lad Harris, 5-9, 150 pound senior and fullback is Ronnie Mahan, 5-11, 180 pound senior.

For size there's left tackle senior Joe Rocha, 6-0 and 260 pounds, Tim Wylie, 5-10, 170 pound senior guard, Randall Douglas 5-10, 170 pound senior tackle.

WHIRLWINDS
Coach L. G. Wilson reports the team in good physical condition, but puts a question mark on the condition of quarterback Jay Womack's sprained foot. The starting line-up will be the same as in the Abernathy game last week.

Although the score was 40-8 in favor of the Whirlwinds last week, the Whirlwinds played good strong football and there are the usual amounts of bruises and muscle pulls.

We Love Our Green!

Hey 'Winds - You're lookin' alright!! The mighty Mean Green are at their peak... of a winning streak, so you Wildcats better stand clear! Higher and higher up that victory ladder the Winds are climbing! We are playing a tough team, but that only gives us that much more to work for. No, it won't be easy, but if we all join into one strong banner of Whirlwind force DISTRICT will be ours!

We invite all of YOU to support the "Battle of the Greens" and back the Floydada "Winds" as they "Whip the Wildcats!" Everyone else be sure to attend the pep rally Friday - 3:30 in the F.H.S. gym. Don't forget to wear all

your beautiful Floydada green!! Winds - Show the cats you are the REAL #1! **BEAT IDALOU!!** Get a cat by the tail! YOU CAN DO IT!

Word was received from Lubbock at press time that the famed marching band from Whirlwind land received a number one rating in the marching contest at Texas Tech Wednesday.

Floydada was one of 17 bands in Class AA participating in the contest.

Jerry Parr Wins Contest

WTSU student Jerry Parr is winner of the football contest and will receive the \$7.50 first prize. Jerry missed only three contests in last week's 24 games.

Jim Curtsinger, Lubbock, missed four contests and will receive the second place \$5.00 prize. Incidentally, Jim picked the tie breaker just right... Floydada to win, total score of 48.

John Campbell, Floydada, is the third place winner of \$2.50. He also missed four games, guessed the tie breaker at 49.

Roy Newkirk also missed only four games, guessed the tie breaker at 34.

Honorable mention goes to Sharla Hood of Plainview, Si Medley, Cindy Carthel, Shannon Paty, Bobbie Minnitt, Pam Cathey, Greg Pruitt and Tommy Cathey for missing only five games.

Another big contest appeared in last Sunday's Hesperian... better get a copy and enter... you might be in the money. This and only one more contest remain in this year's football season.

"Voo Doo" Idalou" Bonfire

Everyone in the Floydada community is invited to a big "Voo Doo Idalou" bonfire and snake dance tonight at 9 p.m. The snake dance will begin at the high school tennis courts and go to the bonfire located west of the track.

Everyone is also invited to see the JV football team play Dunbar preceding the snake dance and bonfire.

Stovall A & M Training School Manager

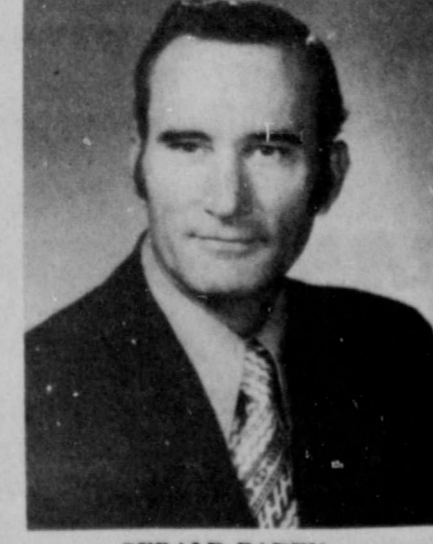

COLLEGE STATION - Lawrence O. Stovall has been named acting manager of the Texas Engineering Extension Service's West Texas Regional Training Center at Floydada. Stovall's appointment was announced by James R. Bradley, EES director. The Texas Engineering Extension Service is a part of The Texas A&M University System.

"As acting manager, Mr. Stovall will be responsible for the training programs conducted by the Texas Engineering Extension Service in Floydada and the entire West Texas area," said Bradley.

"Temporary offices for the West Texas Center have been established on a 20-acre site and permanent installation of equipment for electric power utilities training will be completed prior to January 1," Bradley continued.

A native of Floydada, Stovall is active in civic affairs and is a member of the Floydada School Board. Prior to joining the Texas Engineering Extension Service in 1974, he was electrical superintendent and inspector for Floydada.

"We are indeed fortunate to have a man of Mr. Stovall's capabilities serving as acting manager of the West Texas Center. This regional center is an integral part of the Texas Engineering Extension Service's endeavor to take the programs to the people rather than bring the people to the programs," said Bradley.

Joe Martinez Injured By Truck Tire Rim

Joe Martinez was injured Friday afternoon when a truck tire rim blew off a tire he was airing up and struck him in the face.

He is recovering from the head and facial injuries in Methodist hospital where the Caprock Ambulance service took him immediately after the accident.

Martinez is employed by Bennett Building Materials.

Church Of Christ Gospel Meeting

Gerald Paden will be conducting a series of Gospel Meetings beginning Sunday, November 9th and continuing through the 14th. Sunday services 10:20 a.m. - 6:00 p.m. Weekday services 7:30 a.m. - 7:30 p.m.

Gerald graduated from Abilene Christian College in 1951. He has spent approximately 17 years on the mission field in Italy. He and his family went to Italy in 1953. They have 3 children.

Gerald teaches 1 John in Sunset School of Preaching. He attended the Toronto School of Linguistics in preparation for the Linguistics course which he now teaches in the School of Missions and he also teaches a course in Church Growth.

Because of his extensive research in Catholicism, he has given numerous lectures concerning the opportunities now available in Catholic nations.

The public is cordially invited to these and all services of the City Park Church of Christ at 5th and Tennessee.

LAKEVIEW

By Mrs. Clyde Bagwell

Lakeview received a good rain Saturday night. Mrs. Earl Edwards reports 1 1/4 inches at their place; 1 6/10 inches reported at Choise Smith's farm and 1 1/2 inches at Dean Watson's farm. Seems most everyone had near an inch and more.

Mr. and Mrs. Fred Lloyd recently returned from a trip to Kansas City, Missouri where they visited Mr. and Mrs. Johnny Lloyd and family.

Mr. and Mrs. W. H. Bunch spent last week in Houston where she went through the clinic.

Visiting Mrs. P. L. Hart during last week were Mrs. Laules Parkey on Monday and Mrs. W. C. Cates there on Tuesday.

Last Friday Mrs. Jess Finley visited in the P. L. Hart home and had lunch with them.

Mr. and Mrs. O. H. Tabor of Lamesa spent Friday and Saturday in the home of Mr. and Mrs. Clyde Alexander. Other dinner guests in the Alexander home were Mrs. Mattie Covington and Mrs.

Ruby Shoemaker.

Friday morning Mr. and Mrs. P. L. Hart went to Hereford where they spent the night in the home of their son and family, Mr. and Mrs. David Hart, Salinda and Sara Jane. Saturday Mr. and Mrs. P. L. Hart and Salinda went to Amarillo and spent the night with Mr. and Mrs. Tom Hart. Sunday they returned to Hereford and spent most of the day, returning home late Sunday.

Mr. and Mrs. Carl A. Moosberg were among those attending the housewarming for Mr. and Mrs. C. B. Hartsell Thursday evening.

Friday night Mr. and Mrs. Carl A. Moosberg went to Silverton where they spent the night with their daughter, June. All attended the pre-game spaghetti supper at the High School and the ball game between Silverton and Memphis.

Saturday Mr. and Mrs. Moosberg attended the homecoming game at Texas Tech.

Mrs. Moosberg reports 1 1/10 inches of rain Saturday night at their place.

Mike Breed and daughter, Linda of San Angelo, spent Saturday and Sunday here with his parents, Mr. and Mrs. Odell Breed.

Mr. and Mrs. Dean Watson, Deanna and Amanda and Mr. and Mrs. M. H. Watson went to Lubbock Sunday to the home of Mr. and Mrs. Ken Robison and Kris. The Dean Watsons and the Ken Robisons took Mr. and Mrs. M. H. Watson out for dinner to celebrate their 33rd wedding anniversary.

Friday night Mr. and Mrs. Dean Watson attended the ball game and Mr. and Mrs. Henry Brewer kept Deanna and Amanda.

Mr. and Mrs. Larry Hartsell and Brandon of Colleyville spent Sunday night and Monday with his parents, Mr. and Mrs. C. B. Hartsell.

Dr. and Mrs. R. E. Cogswell of Plainview visited Sunday afternoon with Mr. and Mrs. Leonard Alexander.

Mr. and Mrs. C. M. Leatherman and several of their children took their travel trailers and camped out at their farm at Mineral Wells Thursday until Sunday. Those enjoying the trip besides Mr. and Mrs. C. M. Leatherman were Mr. and Ms. Ricky Leatherman of Amarillo, Mr. and Mrs. Ted Anderson, Angie, Quint and Libby and Mr. and Mrs. Edwin Leatherman, Michael and Tammy. The group cut fire wood and picked pecans and also visited with a number of relatives who live in that area.

Mr. and Mrs. Jerry Battey visited Mr. and Mrs. Ted Anderson Monday morning and had lunch with them.

Ricky Owens of Amarillo spent the weekend here with his grandmother, Mrs. B. C. Hinsley.

Saturday, Mr. and Mrs. D. C. Harrison and Jean Dunn went to Lubbock and visited Mr. and Mrs. Jerry Bob Harrison, Kay, Marty and Amy.

Tuesday Mr. and Mrs. Foy Smith of Levelland came and spent the night with Mrs. R. C. Smith and Floyd.

Mrs. Travis Dunn and Jean of Plainview and Mrs. Weldon Jones of Hale Center spent the day Wednesday with Mrs. R. C. Smith and Floyd and Mr. and Mrs. D. C. Harrison. Jean remained for a longer visit in the home of Mrs. R. C. Smith.

Monday morning, Mrs. D. C. Harrison went to Crosbyton to get Mrs. Lula Fox, and she and Jean Dunn took Mrs. Fox onto Floydada where they spent the day. Mrs. Harrison is helping Mrs. Fox get ready to go to Florida to visit a brother, who is ill. Mrs. Fox, who is 85, will take a plane from Lubbock this week to Florida.

Mrs. Henry Brewer visited in Crosbyton Friday with Mrs. Fred McDougle.

EMOTIONAL STRESS SCALE

Psychiatrist Thomas H. Holmes of the University of Washington School of Medicine has developed a scale to measure the relative stress induced by various changes in a person's life. The amount of stress is measured on a point scale of 200 "life-change units." Studies by Dr. Holmes and his associates show that if you accumulate more than 200 units in a single year your life has probably been disrupted enough to make you vulnerable to illness.

Attend District SPEBSQSA Convention

Several Plainview residents recently attended the 1975 southwestern district contest and convention of the Society for the Preservation and Encouragement of the Barber Shop Quartet Singing in America.

The event was held in Abilene Friday, Saturday and Sunday and among the approximately 2000 present were Luther Mann, Preston Senter, Albert Scheele and Mr. and Mrs. Bob Kirchhoff.

Winners in the contests included Abilene, small chorus; Houston, large chorus; 40-Acre-Four of Austin, novice quartet; The Quasars of Austin, quartet champions; The Gulf Coasters of Houston, second place quartet, and the Vocal Okies of Duncan, Oklahoma, third place quartet.

The Plainview barber shop singing organization is not yet chartered and affiliated with the SPEBSQSA, but is under sponsorship and receiving advisement and information from the national group while working toward that goal.

The Plainview organization, with the aid of business sponsors, is now presently a weekly radio program at 8:45 a.m. each Sunday on KVOP, Plainview.

The organization invites men who would be interested in barber shop singing to come to the Hale County Airport Terminal building each Monday at 8 p.m. for tryouts and rehearsals. For further information, call Preston Senter, 889-3821 or Albert Scheele, 296-7085.

Several women of Floydada attended the Baptist Women's World Day of Prayer held in Flomot Monday. Mrs. L.T. Wood of the First Baptist Church WMU, and Mrs. O.G. Mayfield, WMU Director of the Caprock Association, represented the First Baptist Church and Mmes J.C. Odom, Jim Owens, C.A. Breeding and Miss Alma Ruth Nelson attended from the Calvary Baptist Church.

There were 22 churches in the Caprock Association represented by 54 women. Parts of the program were presented by those from Floydada, Turkey, Silverton, Matador, Pasy, Spur and Flomot.

Theme for the program was "One World, One Lord". The entry center was the focal point where a large poster was draped with an indigo blue cloth, with the theme written in white. Women of the Flomot church were in costume representing three countries.

A salad luncheon was held during the noon hour.

SOMEONE called the office the other day wanting to know where River Road Independence School is. That's one of the new football teams on the schedule for Lockney next year. Well, all 152 miles of that little city is buzzing with excitement and has its eyes on the future. RRISD voters made River Road High School a reality last April when they approved an \$875,000 bond issue. A lot of that will go into building projects, most of them for the high school and a new football field to be started this month. The RRISD boundaries are St. Francis St. on the south, Western Street on the west, almost to

Jane Bean Treasurer Of District TSTA

Some 5,000 teachers and administrators from 17 West Texas counties met Friday in Lubbock for the District 17 Texas State Teachers Association.

Mrs. Jane Bean, Floydada teacher, was elected district treasurer during the meeting. New president of the association is Mrs. Dorothy McGregor of Frenship School; Mrs. Kathryn Hamilton, Frenship, secretary; and Don Hendley, Brownfield, president elect.

Dr. William W. Purkey of the University of Florida at Gainesville, was speaker for the meeting.

Mrs. Johnny Collins was returned home Monday by Caprock Ambulance Service from Lubbock Methodist Hospital where she has been for the past month. She is reported to be doing well at this time.

MR. AND MRS. PAUL VAUGHN ROSS

Vaughn Rosses Assigned By Foreign Mission Board

Mr. and Mrs. Paul Vaughn Ross were among 20 missionaries appointed by the Southern Baptist Foreign Mission Board during its October meeting at First Baptist Church in Richmond, Virginia.

They expect to be assigned to public health work in East Africa. Ross is the son of Mrs. Elvie Henderson and the late Paul Ross, former Paducah residents.

They are living in Fort Worth, Texas, where he is a student at Southwestern Baptist Theological Seminary. They attend Travis Avenue Baptist Church there.

Ross was born in Wallace, Idaho, grew up there and in Louisville, Kentucky, and in Paducah, Texas, where he graduated from high school. He received a certificate from West Texas Barber School, Amarillo, and was graduated from Wayland Baptist College, Plainview, with the bachelor of science degree. He received the

While River Road will not join District 1-AA as a varsity member in sports until 1976-77 school year, it will launch UIL varsity

master of science degree from West Texas State University, Canyon.

He has taught high school chemistry in Hart and Friona, Texas. A public health biologist for the United States Public Health Service in Plainview, he also worked as a sanitarian there.

Vaughn Ross has three brothers: Curtis, Portland, Oregon; Dennis, Plainview; and Larry, Floydada.

The former Johnene Haby, Mrs. Ross was born in Amarillo but grew up in Texhoma, Oklahoma. She was graduated from Wayland Baptist College with the bachelor of arts degree.

She has taught elementary school in Hart and Friona.

They have two daughters: Staci Johnene born in 1969; and Renae D'aun, 1972.

Next year in football, they will open against Perryton, then Sanford-Fritch, Lockney and Memphis, also non-district foes.

Pat Williams is River Road coach. It's reported the new high school will be sure to attract new families in the future, and the school appears sure to reach Class AAA status in the future, if

Caprock Hospital Auxiliary Plans Scholarship Project

Members of the Caprock Hospital Auxiliary have started a scholarship project, following their completion of memorial funds to purchase two machines for Caprock Hospital.

The decision to give a scholarship to a deserving senior boy or girl of Floydada High School, who plans to pursue a nursing career, was made at the regular meeting Monday morning of the auxiliary.

Troy Patton, hospital administrator, met with the

group, after which all reviewed the latest machine to arrive at the hospital, purchased through memorials.

Mrs. Ben Whitaker, officer of the auxiliary, said memorials given now would go toward the scholarship and that memorials would be handled in the same way as in the past. Cards will be sent to the family, giving name of the donor.

Goal for this project was not known Monday.

Amarillo continues to grow.

WONDER if Calvin Hill or Duane Thomas can kick field goals? Both visited the Dallas Cowboy office last week. Hill is said to be still on crutches, and Thomas, usually with little to say, was talking. Both have been playing with Hawaii of the World Football League.

Sportswriters said not only was Thomas talking, but he had a short haircut, but he was wearing a suit and asking for a job. Most of us I think, are ready to send Tony Fritsch back to his native land, after that missed field goal Sunday, one of several he has missed. Maybe if Hill's toe ever gets well, he can get Fritsch's job. Guess as long as Coach Landry's optimistic tho, we should be too.

BORROWED from Jack Smith, who is not at home on the range. He shouldn't feel too bad. Most men are not.

I have had another incident with our electric range and am beginning to have the feeling that it bears me malice. I realize that fairly simple machines like electric ranges don't have attitudes toward human

beings, but all the same the facts are unsettling.

There's nothing wrong with the range but me. Like a good horse, it performs well enough as long as you understand its system of responses and stimulate it accordingly.

It's 10 or 15 years old and primitive, I suppose, by today's sophisticated standards. The timing device is beyond me. I have only tried timing something two or three times, but either the buzzer went off immediately, or never. Now I simply use my watch.

The trouble is with the four top burners. In all those 10 or 15 years I haven't learned, so that I can do it without thinking, which buttons operate the front burners and which the rear. I do know my left from my right. Mathematically, there are only two possibilities so just by chance I should get it right half the time. Actually I get it right most of the time, because I look first. But the possible consequences of just one mistake could be catastrophic.

Most times when I get the wrong burner it merely means that an empty burner turns itself red hot while a kettle of soup or water on the adjoining burner stays cold. No harm is done. It is merely wasteful or exasperating.

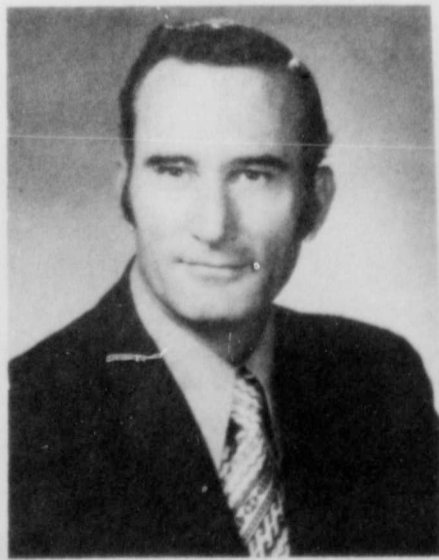

What really is dangerous is when you turn a burner on under a greasy skillet which has been left on the range from breakfast, and forget it and leave the room. This is what happened that week-end my wife was in Baja. I went out to empty the trash and when I came back the kitchen ceiling was aglow, the room was filled with smoke, there was a roaring sound and the flames from the skillet were up into the hood which was also on fire.

I managed to put it out by throwing dish towels into the pan, but the hood was ruined.

It happened again the other day when my wife was at work. I had been staying home with a bad back and decided to do the dishes. I hate a messy kitchen. I did all the dishes and then turned the burner on under a skillet to melt the grease.

The phone rang. I dried my hands, hurrying, and hobbled into my den to

Thursday night (October 30) a reception was given in the Lubbock home of Panze Kimmel, Associate Professor of Education at Texas Tech, for Geraldine Dimondstein from California State University, Los Angeles, and author of "Children Dance in the Classroom," and "Exploring the Arts with Children." She was in Lubbock to hold a workshop at the Texas Tech museum and at the Garden and Arts Center.

The house party consisted of Cindy Day, Floydada; Roni Haxton, San Antonio; Cindy Holder, Lubbock; Johnny Branum, Lubbock; Tommy Estes, Lubbock; and Bill Phipps, Andrews, who are all team leaders in the Lubbock Esthetic Education Program (L.E.E.P.) and also Mary Ann Vaughn, Associate Professor of Music and Betty Rhea Moxley, Coordinator for the Tech Museum Public Programs.

Guests included representatives from art, music, dance, the Museum, and education. Among the guests were Dr. Robert H. Anderson, Dean of the College of Education, and his wife. Cindy Day is the daughter of Mr. and Mrs. J. W. Day, Jr. of Floydada.

County 4-H Food Show to be held in Lockney, November 10, at the Elementary School Cafeteria, beginning at 8 p.m.

Floyd County 4-Hers marking our Nation's Bicentennial celebration with heritage foods include:

Theme for the 1976 4-H Food Show is "Heritage Foods." 4-H members will be preparing dishes that were common foods of early America or are recipes handed down from an ancestor or other early

American recipe. 4-H Food Show Participants "learn by doing." They attend project meetings where they learn the interrelation of science, nutrition and food preparation; understand the signs of good health and food needs of different age groups; develop desirable eating habits; develop skills in buying foods, managing time and work in planning, preparation and service of nutritious meals as well as learning to store foods safely and conserve the nutritional value.

The County Food Show provides participants an opportunity to develop self confidence, develop personality and provides them an opportunity to be recognized for their achievements in the 4-H Foods and Nutrition Program. Awards include partici-

ant and place ribbons, completion certificates, and individual gifts for all participants. Individual gifts and award pins will be awarded to each first place winner in each food category in all divisions - Junior I, Junior II and Senior. A tasting party will be held following the presentation of Awards at 8:00 p.m. The public is invited and urged to attend.

White River Lake Stocked With Reds

CROSBYTON - High Plains anglers have another fish to put on their list as the Texas Parks and Wildlife Department stocked 14,000 3 inch fingerling redfish in White River reservoir of Crosby county October 10.

The experimental stockings of these normally saltwater fish across Texas is just one of the P&WD fisheries projects and if the White River "reds" grow as fast as other redfish have in southern Texas, anglers fishing in 1978 could be fighting tackle busting 30 or 40 pounders.

"We picked White River because it has an abundant supply of forage fish such as silverside minnows and

shad," said Roy Bamberg, Abilene fishery biologist.

The transported redfish were delivered to White River near midnight and with the assistance of Post warden Bud Howell, the redfish were conditioned from salt or saline water to freshwater with the operations being completed by 5:00 a.m.

Bamberg said these redfish are the same species as the popular "bull" reds caught along the Texas coast. The redfish has shown a tolerance to freshwater and if the successful spawning and rearing conditions continue at the P&WD Palacios marine fisheries station, more redfish could

be stocked across Texas.

Coastal fishermen have been successful catching redfish using gold or silver spoons, medium-running plugs and shrimp. Freshwater fishermen would be wise to try the same baits in White River.

Redfish inhabit both shallow and deep water and according to Bamberg, the redfish should not significantly compete with the resident largemouth bass.

A coastal legal length restriction of 14 inches will not apply to the freshwater stockings of redfish as there is no need to protect the brood stock. Anglers will be allowed to keep the redfish they catch but the P&WD does not expect any eating-size reds from White River before next summer.

Anglers are asked to assist the P&WD area biologists and the redfish study by contacting Roy Bamberg, inland fisheries biologist, 5325 N. 3rd., Abilene, Texas 79603 if any redfish are caught in White River.

The Floyd Philosopher

Takes A Dim View Of The Contention That Most News Comes From T.V.

Editor's note: The Floyd Philosopher on his Johnson grass farm looks at television news this week, more or less.

Dear editor:

According to an article I read in a Newspaper last Monday night in between plays to keep from having to listen to Howard Cosell, most people now get their news from television.

This was stated as a confirmed truth and I got to thinking about it. Possibly it's true, considering how uninformed most of us are about what's going on in the world, although that's not test; most of us were in that shape even before television was invented.

Now I'm not berating television news. For example, the other evening during the TV news I marveled at the fact that man has put a satellite into orbit to bring a live picture from Japan to Floyd County to tell us that Nancy Kissenger has bought a shaving brush for Dr. Kissenger, when all along I'd thought television commercials had persuaded everybody to use shaving cream from a squirt can, unless of course they'd tuned in another network and were persuaded to use an electric shaver. It's clear the Kissengers don't watch much television, but that doesn't explain why he has to keep flying back and forth between those mid-east countries to

make sure what he found out yesterday is still true today, which most of the time it isn't.

But back to the notion that most people get their misinformation, I mean their news, from television. It's true they get the big news there first, like when Patty Hearst is captured or when the President is fired at by a woman, whom TV first reported was a man. But to say people get most of their national and international news from television 30 minutes a day, take away 5 minutes for commercials, and most of their local news from television another 30 minutes a day, take away 10 minutes for commercials and 5 more for car wrecks, is to be uninformed on how human nature operates.

Newspapers, which now have more circulation in the U.S. than ever before in history, furnish I'd say 50 times more news than television, and word-of-mouth beats both, if you're on speaking terms with your neighbors.

When the country was young it sometimes took two months for a speech by some Congressman in Washington to reach the outer parts of the nation, and sometimes you get the feeling those were bound to have been the good old days.

Yours faithfully,
J.A.

the most dangerous situations in the field. The restriction of shooting from public roads is still in effect and will be enforced by wardens of the P&WD.

Sportsmen have been careful in past seasons when nongame birds such as hawks, owls, eagles and songbirds are seen in the same general area of quail. Those hunters violating this regulations will be prosecuted as it is best to identify your target before firing.

More information can be obtained by reading the new 1975 Texas hunting guide available from license vendors, P&WD offices, wardens or call (806) 744-6583 in Lubbock.

EPA REGULATIONS MAY CAUSE CONSTRUCTION DELAYS-Lengthy environmental assessment reports may soon be called for by the Environmental Protection Agency before certain new agricultural and industrial operations can be constructed. An agricultural engineer in waste management with the Texas Agricultural Extension Service says that the proposed EPA regulations would subject new feedlots and certain other agricultural "point sources" to the Environmental Impact Statement (EIS) Program established under the National Environmental Policy Act of 1969.

Quail Hunting Looks Good

LUBBOCK - A good quail crop with plenty of cover and food sums up the reports from field personnel of the Texas Parks and Wildlife Department as the annual quail seasons nears in northwest Texas.

Quail season in regulatory counties of the Panhandle and South Plains opens Nov. 15, 1975 and continues through Feb. 15, 1976, with a daily bag limit of 12 birds

and a possession limit of 36 birds after the third day. The daily bag limit will consist of bobwhite or scaled quail or a combination of both species.

Sportsmen are reminded that nonregulatory counties might have different opening dates and bag limits making it the responsibility of the hunter to know which county he is hunting.

"The wardens in the

Panhandle and on the South Plains are reporting a good crop of young birds and plenty of cover," said Ted Wheelis, Lubbock regional law enforcement supervisor.

The use of bird dogs will enhance the chances of a full game bag as hunters attempt to find the hidden coveys or downed game birds said Wheelis.

District chiefs Weldon Fromm, Amarillo, David Palmer, Abilene, and Bill Pratt, Lubbock, report a 100 percent increase in the quail populations over last years near disaster which was due to a dry spring and a bad hatch.

Hunters should check for Texas hunting license requirements when hunting out of their county of residence if they are between the ages of 17 and 65 or are a nonresident.

Legal shooting hours for

all game animals and game birds except the migratory game birds, are one-half hour before sunrise to one-half hour after sunset daily.

Sportsmen will have to make a reasonable effort to retrieve all wounded animals and game birds and these species will become a part of the legal bag limit. All animals and birds taken into possession must be kept in an edible condition.

Firearms legal for taking quail in regulatory counties is limited to rifles, shotguns and other legal firearms and longbows and arrows.

Shotguns need not be plugged to a three shell capacity when hunting quail in a regulatory county.

Hunters will be allowed to hunt from vehicles while the vehicle is on private property but the sportsmen is reminded that it is one of

Danny Bradford Receives Scholarship

WTSU - Danny Bradford, West Texas State University sophomore from Floydada, has been awarded a \$200 scholarship from the North American Plant Breeders. Headquartered in Berthoud, Colorado, the North American Plant Breeders is a subsidiary company, concerned with the wheat breeding program in the United States, of Rothwell Plant Breeders in Europe. The awards, given on a competitive academic basis, were made possible by Dr. Larry Robertson of the NAPP and a graduate of WTSU, said Dr. Ron Thomason, associate professor of plant science at WTSU. Bradford, a plant science major, is a graduate of Floydada High School.

Seventh Breezers Lose To Slaton 14-8

A good hard fought football game, but a loss of 14-8 to Slaton, ended the season for the 7th grade Floydada Breezers Tuesday night. They end the season with four wins and five losses. Slaton scored first but their point after failed, making the score 6-0. In the second quarter, Floydada's quarterback Moody Younger scampered 50 yards on a keeper up the middle to put the Breezers on the score board. Younger also carried

the pigskin across for the two point conversion and at half-time the Breezers led 8-6.

It was all defense in the third quarter, but Slaton, undefeated for the season, wanted to keep the record as such, and midway in the fourth, took the ball over for their second touchdown and points after, making the score 14-8.

The Breezers drove down to Slaton's 30 before their drive ended on an interception and time ran out.

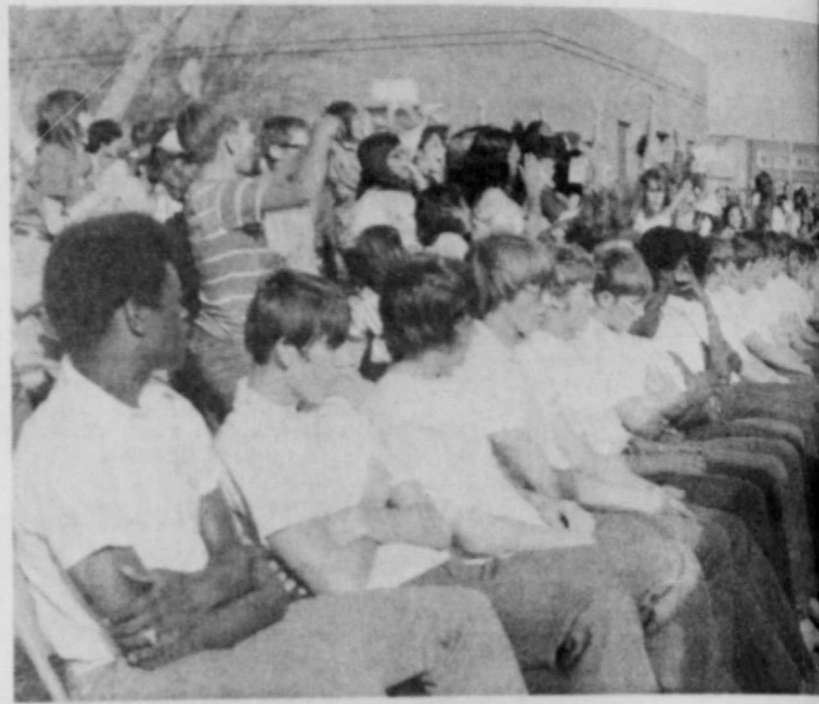

Coaches Barns and Vinson praised their entire squad of Breezers and said they played the best game of the season.

Defensive praise goes to Moody Younger, Jeff Rainey, James Radloff, Joe Hinkle, Jerry Battey, Michael Self, David Cochran, David Edwards, Keith Brawley, Hector Mercado and James Strange.

Buffaloes Beat Northeast La

CANYON - The smiles were out in force Sunday afternoon around West Texas State's football offices, but you could bet that the grimaces would be back in place by Monday morning.

The happy faces were on account of the Buffaloes' easy 45-20 win over Northeast Louisiana in Monroe Saturday night (Nov. 1) and the stern countenances supported the fact that the Buffs face rival New Mexico State in Kimbrough Memorial Stadium Saturday afternoon (Nov. 8).

LAST WEEK'S downtown "Beat Abernathy" pep rally and the performance were highlights of the football season. (Photo)

Smith Juvenile Probation Officer

County Judge J. K. Holmes this week announced the appointment of Choise Smith as Juvenile Probation Officer for Floyd county. Smith's office is upstairs in the courthouse on the southwest corner.

Smith is the probation officer for both the adult misdemeanor and juvenile probationers. The responsibility of supervising the probationers in Floyd county will be delegated to Smith.

Judge Holmes is project director and district judge L. D. Ratliff is juvenile judge. The office is operated under a three year government grant. It will be open five days a week with regular courthouse business hours.

Sylvia Vasquez is the secretary for the juvenile Probation Office. The duties of the secretary will be general office work such as typing, filing, answering the phone. Also, the secretary will be involved in some of the case studies. The Probation officer thinks a bilingual secretary will be an asset to the department. Mrs. Vasquez is a 1974 graduate of Floydada High School.

Smith was employed by the Floyd County Migrant Health project for eight years and by Floydada Independent School system for two years. He went to high school at Crosbyton and college at West Texas State University in Canyon.

The major goal of the Floyd Co. Juvenile Office is to reduce the number of commitments to the Texas Youth Council.

All cases referred by law enforcement, schools, and other sources will be screened by the Juvenile Probation Officer. Background information on each case will be presented to the court. Supervision and other rehabilitative services will be provided to those placed on probation. Foster Care will be provided to the Juveniles removed from their homes. The Central Plains MH/MR will provide psychological testing, evaluations and treatment as needed by probationers. Law Enforcement agencies will coordinate their handling of juveniles with the probation department. Supervision, counseling, job referrals and other services will help to reduce recidivism and allow more probationers to break the crime cycle.

In addition to supervising juveniles, the probation officer will handle the adult misdemeanor adult probationers. County officials estimate that 90-95 percent of all misdemeanor adult probationers are D.W.I. offenders. The misdemeanor offenders will be reported quarterly to the Criminal Justice Division. The final evaluation will be sent to the Corrections Project Director, at the Criminal Justice Division.

JUVENILE PROBATION OFFICER Choise Smith and secretary Sylvia Vasquez.

OBITUARIES

Mrs. Payne

Services for a former Floydada resident, Mrs. W. O. Payne, 76, were conducted Tuesday in the Torter-Loring Georgian Chapel in San Antonio. Mrs. Payne died Sunday in a hospital in Corpus Christi. She suffered a stroke some three weeks ago. The family had resided at Fulton near Corpus Christi for several years.

Mrs. Payne, the former Myrtle Horn, was the daughter of the late Mr. and Mrs. S. H. Horn of Floydada. She taught school at Starkey before her marriage to Otto Payne. The family lived in Amarillo a lengthy time, then in San Antonio some 20 years before moving to Fulton.

Mrs. Payne also preceded in death by three brothers, Roy, Ray and

Lloyd Horn.

Survivors include her husband; a son, Otto, Jr., of the home; two brothers, Leon Horn of Key Largo, Florida, and John Horn of Bovina; two sisters, Mrs. A. H. (Eura) Robertson of Lubbock and Mrs. Mary Jo Nelson of Fort Worth; and three grandchildren.

Burial for Mrs. Payne was in Mission Park North Cemetery in San Antonio.

Tubby Andrews

Services for Carter "Tubby" Andrews, 79 year old Luguna Hills, California, resident, and a brother of Mrs. Cleo Goins of Floydada, were conducted yesterday in Luguna Hills. Andrews died at his home Sunday morning of an apparent heart attack.

Mrs. Goins and a sister, Mrs. Maurine Delk of

Amarillo, left that city by plane Monday to attend the funeral.

Andrews was the son of Dr. Varn Andrews, early day Floyd County physician. He moved to Floyd County with his parents in 1907 and moved from this area in the 1920's. Andrews was married to Ruth Seale, daughter of the late Mr. and Mrs. W. H. Seale of Floydada.

Mrs. Andrews is among the survivors as is a daughter, Mrs. C.H. Farnham of Whittier, California, and several grandchildren.

W. H. Fowler

DUMAS - W. H. (Lefty) Fowler, 66, who died Saturday was a brother of Ernest Fowler of Lockney and Mrs. Zelma McMurry of Plainview.

Services were held at 10 a.m. Monday in First United Methodist Church in Dumas. Burial was in Northlawn Memorial Gardens.

Mr. Fowler was a high school distributive education teacher in Dumas. He had

been with the Dumas School District 13 years, moving to Dumas from Panhandle. He was the first city secretary under the new charter and was a member of Noon Lions Club.

Floydada Group Attends Heart Assoc. Workshop

The American Heart Association, Region II, held its Regional Campaign Workshop October 29 at Furr's Cafeteria to discuss campaign plans for 1976. The workshop was a training session on campaign activity for a 20 county area.

Featured speakers at the meeting were Dr. Joseph Sasano, M.D., and Ralph Krebbs, Sasano, Regional Medical Director for the American Heart Association, reported on research progress. Krebbs, Lubbock County Heart Fund Chairman, discussed plans for "Campaign '76." Following dinner, group

planning session to discuss Chairman, B. and Business gifts. Representing at the workshop and Mrs. Jim and Mrs. Ray.

Nobody said your decisions would be easy.

Important things never are.

Whether it's a career, or marriage, or simply continuing your education, there are important decisions for you to make. All the time.

But if you let your confusion hold you back, you'll be a long time learning what's what.

It could be that the hard road is the easiest after all.

Make a decision. Try something.
