

Vandals Shoot Out Windows, Turn-over Diesel Tanks

Floydada auto dealerships reported gun damage to auto and windows on Saturday night. Tank turn-overs in the area reported to the sheriff's office Friday night.

The Saturday night vandals not only hit windows at Oden Chevrolet and Reed Ford, but pellets also broke windows of vehicles parked in the residential area. There was also a report of plate glass damage at Carthel

Oil Company. City officials said it appeared the vandals just rode around town shooting from the window of an automobile with pistol pellet guns. At Reed Ford windows in one used

pickup and two new cars were hit, also plate glass windows. At Oden Chevrolet one new auto was hit and one plate glass window. There were reports of two diesel

storage tanks pulled down northeast of Floydada and one southeast of Floydada. Sheriff's officers and city police are investigating.

THE POINT... OR POINTS

Christmas rush, one begins to feel the Christmas Spirit. As we visit friends and neighbors, we attend Christmas parties, we take the little children in their programs and visiting with us, we feel the tree spirit of creeping into our consciousness. The Christmas season during the Rotary banquet Tuesday night with singing of Baptist music and some inspirational about Christmas by Mayor Campbell. It sings with some very taped music. His comment the true meaning of Christmas reading from the Bible Christmas story, all really lift

The following is a little girl's composition as it appeared in the Hartford Times:

"A cow is an animal with four legs on the under side. The tail is longer than the legs but it is not used to stand on. The cow fills flies with her tail. A cow has big ears that wiggle on hinges; so does her tail. The cow is bigger than the calf, but not so big as an elephant. She is made so small that she can go into the barn when nobody is looking. Some cows are black and some hook. A dog was hooked once. She tossed the dog that killed the cat that worried the rat. Black cows give white milk; so do other cows. Milkmen sell milk to buy their little girls' dresses, which they put water in and chalk. Cows chew cud, and each finds its own to chew. This is all there is about cows."
-The Cattleman, November 1915

There's a new perfume on the market. It's called "Evening in Arabia" and it smells just like gasoline.

FRIENDS... IT'S WORTH a trip to Floydada, just to buy this cheap 48 cent gasoline. (I never thought I would be referring to 48 cent gas as cheap.)

MARY TOM AND I WERE over in London when the London Bridge was being dismantled. The tour guide said, "Some rich American has bought the London Bridge." I didn't know at the time whether he was joking or serious. Well he was serious.

The London Bridge is standing up in an unlikely setting far removed from England, where the famous bridge spanned the Thames for 137 years. By the 1960s, the old bridge was no longer adequate to accommodate London's burgeoning motor traffic—whereupon a California industrialist named Robert P. McCulloch entered the picture. For a total of \$10 million, McCulloch bought the bridge and had it dismantled, shipped to the U. S. in pieces and then rebuilt stone by historic stone over a channel in Lake Havasu City, a resort town that McCulloch had founded in the Arizona desert.

Some skeptics dubbed it "McCulloch's Folly" when the bridge opened in Lake Havasu City in 1971, but the local chamber of commerce maintains that the tourist count has more than sextupled because of London Bridge's pulling power. Although there is no charge for walking across the bridge, it is surrounded by attractions that catch tourist dollars—including a pub in an English-style village. Thanks to London Bridge, Lake Havasu City is attracting more than 2 million visitors a year and is now Arizona's second most popular tourist mecca, after the Grand Canyon.

SCHOOL OUT FRIDAY!

Floydada schools will close 2:30 p.m. Friday and reopen Monday, January 5, 1976. Everyone is advised to arrange his or her Christmas holidays accordingly.

Many Floydada firms will be closing from Wednesday until the following Monday, watch the Hesperian for their closing announcements.

What The Room Occupancy Tax Means To You

By Tom Farris, President of the Floydada Chamber of Commerce. Recently the Floydada City Council unanimously adopted a tax proposal made by the Floydada Chamber of Commerce. Labeled the "hotel-motel room occupancy tax", this is not a tax on local hotels or motels; nor is it a tax on the citizens of Floydada. Simply, it is a tax on travelers and visitors who use our hotel-motel facilities. A 2% tax rate was imposed which, for example, on a \$15.00 room would amount to 30 cents. As you can see, this would not be a prohibitive tax for the traveler. The Chamber proposes to use the revenue generated by this tax for the

promotion of Floydada. Such forms of publicity as brochures, bill boards, maps, and media promotion can be implemented without having to solicit money from local businesses. We feel that this in itself makes this tax worthwhile.

In summary, this room occupancy tax will allow the Chamber to spend out-of-town dollars on the promotion of Floydada, its businesses, and its citizens.

Tim Dyess Finalist In All-State Band

Tim Dyess, son of Mr. and Mrs. Max Dyess of Floydada, has been named a finalist for the Region XVI All-State Band. Competition for 200 students from 58 schools in 20 South Plains counties was held Saturday at Lubbock High School. Forty-six students were named finalists.

Tim is a member of the Floydada Whirlwind Band, in which he plays the French Horn. He will be among the 46 finalists who will compete in area competition January 17 at Texas Tech University.

Hesperian Early Next Week

Since Christmas comes on a Thursday, the Hesperian will go to press a day early so that everyone will receive the Hesperian on Wednesday before Christmas.

This means that all copy for next Thursday's paper must be in by 5 p.m. Monday.

The Hesperian will close at noon on Wednesday and reopen on Monday, December 29.

Any news or advertising that should be in the Sunday, December 28 edition should be in not later than 5 p.m. Tuesday.

Whirlwinds Beat Hedley, Whirlettes Lose To Canyon

The Whirlwinds travelled to Hedley Tuesday night where they won the game 52-49. Kelvin Ratliff was again in the action and scored 12 points. He was second to Michael Curry with 14 points. Elton Ratliff scored 10 points. Coach Rollie Rinker invites everyone out Friday night to see the Whirlwinds play Hale Center.

FRESHMEN GIRLS
The Freshmen Whirlettes beat Hedley's varsity Tuesday night 54-50, and it was Kim Curry with her best game of the season sinking 32 points. Sally Miller's Whirlettes would have a lot better win loss record at this point

in the season if they had never scheduled Canyon. The Whirlettes are 11-3 and two of the three losses are to state ranked Canyon.

The Whirlettes lost to Canyon in the finals of the tournament here Saturday night, then lost to them again here Monday night 72-53. And that's not all... they have to play them one more time this season.

In the Monday night game, Donette Marble scored 23 points. Coach Miller praised her defensive players, especially Juli Ratheal, Christy Stringer, and Nancy Anderson.

JV WHIRLETES

The JV Whirlettes also lost to Canyon 55-42. Their win loss record for the season is now 4-2. The Freshmen Whirlettes, who beat Hedley Tuesday night are now 4-1 for the season.

FRIDAY NIGHT

The Whirlettes will play Hale Center here at 6:30 Friday night, and they enter the Slaton tournament December 23.

Estes Accepts Position With Lamesa School

Floydada school business manager, tax assessor-collector Claude Estes has accepted a similar position with the Lamesa School District and will probably go to work there around the first of February.

Estes has held this position at Floydada since 1966. Previous to that he owned and operated the Capada Drive In Theatre. He came to Floydada in 1958 from Paducah as manager of the Panhandle Compress. He still owns and manages the Capada theatre.

While living at Floydada, Estes completed work on his bachelor degree at Texas Tech in business with a minor in education.

He is a native of Quanah. Estes was active in many phases of community leadership in Floydada and teaches Sunday School in the First United Methodist Church.

His wife is secretary for the Junior High School.

Estes told a Hesperian reporter, "We have certainly enjoyed being a part of the Floydada community, but feel this opportunity for advancement is too good to pass up."

He said the Capada and his home will be for sale.

CHRISTMAS DECORATIONS in downtown Floydada went up this week courtesy City Power & Light and Lighthouse Electric Cooperative. The decorations will not be lighted again this year. (Photo by Keith)

Floyd Folk Spend \$2,600 Per Family Eating

New York, Dec. 13 - Floyd County residents may not be eating as high on the hog as they did in more prosperous times but they are eating plentifully, it appears.

The average family is going in for fewer steaks and other fancy cuts than normally but it is not going hungry. It is substituting less expensive items, preparing less elaborate meals and doing less dining out.

In terms of quantity, local people continue to be stowing away edibles in considerable volume. On the basis of their purchases in food stores and their expenditures in restaurants, their weekly consumption figures out to about 29 pounds per capita.

In that respect, the change since 1972, locally and in most parts of the United States, has been small, despite the fact that the cost of food has gone up sharply.

The Bureau of Labor Statistics reports that the average American household of 2.9 persons spent \$40.05 a week for food last year, as against \$30.32 toward the end of 1972. This is exclusive of alcoholic beverages.

The figures on food consumption and on the amount of money used for that

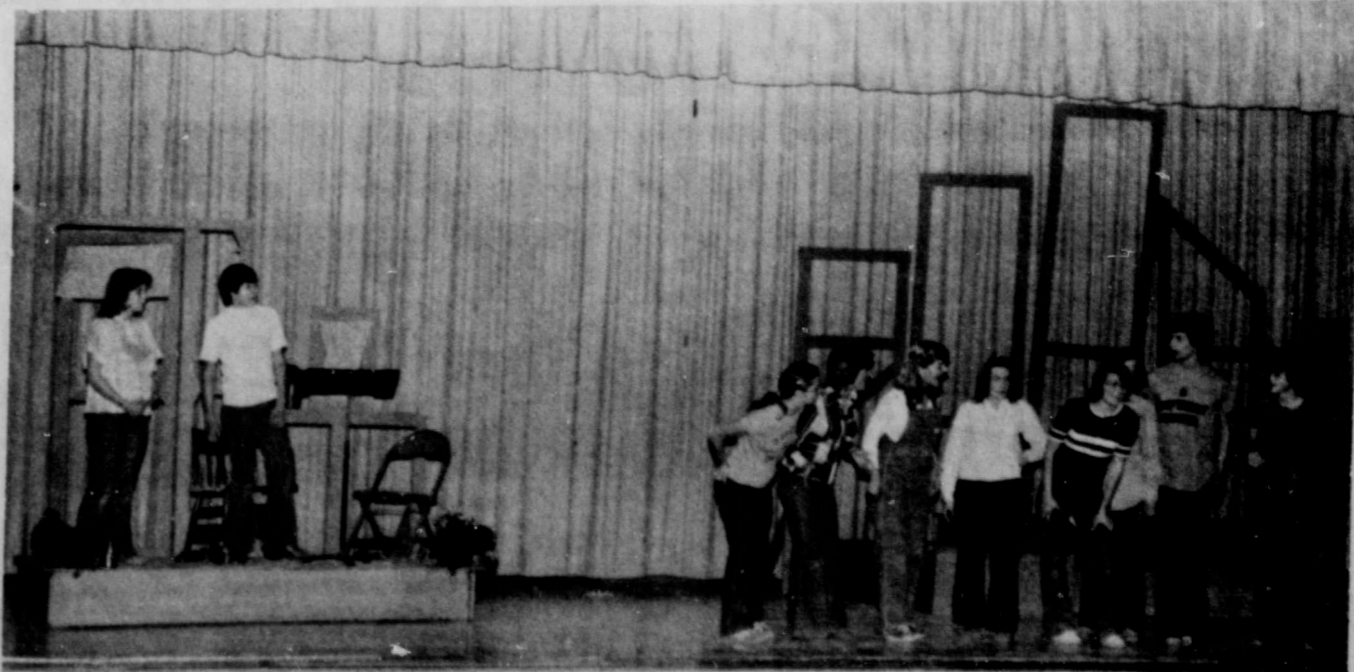

purpose come from the Department of Agriculture, the Labor Department and other sources.

During the past year, they show, the diet of the average American consisted of 188 pounds of meat, including 116 pounds of beef, approximately 65 pounds of fish and poultry, 285 eggs, 123 pounds of potatoes, 247 pounds of milk and cream, 107 pounds of wheat flour, and 52.5 pounds of fats and oils, not to mention fruits, vegetables, cereals and other products.

In Floyd County, the cost of eating on this average scale came to approximately \$2,600 per household last year.

For families living on farms, the outlay was considerably lower than this and, for urban families, somewhat greater. Nationally it averaged \$2,080 per household.

The surge of food prices at the consumer level has forced housewives to be more careful in their shopping. They are watching their pocketbooks more closely, seeking out the specials of the week, passing up the higher-priced convenience foods, cutting down on between-meal snacks and doing more cooking and baking at home.

"DIFFERENT DRUMMER" cast is pictured in rehearsal for the stage production tonight in the Floydada High School auditorium. The curtain opens at 8 p.m. It also plays Friday night at 8 p.m. The play is directed by Miss Holly Moritz, drama director. (Photo by Keith)

Dinner guests in the home of Mr. and Mrs. Noman Hamilton Tuesday night were his sisters and their husbands, Mr. and Mrs. Keltz Garrison of Plainview and Mr. and Mrs. George Setliff of Turkey, and a brother and his wife, Mr. and Mrs. E. J. Hamilton, also of Plainview.

In hords about the time of the year the plant started turning red. The leaves would be devoured before they had a chance to turn in color, so last May armed with three flea-and-tick collars belonging to the family dog, the couple placed them at intervals on the plant, and as of this December the poinsettia has given all indications of turning a beautiful red, is budding and bearing cherries.

The man who invented the pet collar in 1966 said he wasn't surprised at the new use of his product because in laboratory tests, they are using the collar against the Mediterranean fruit fly.

ALTHOUGH beef steak is impressive... and so are the COWBOYS... consider adding a bit of table-top drama for the holidays by serving with flaming fruits. Hero Party For Little Sisters

By Penny Muncy

Girls in the 5-A class at Andrews Ward were honored with a little sister Christmas Party Tuesday, December 16. After a get-acquainted game was played, the honorees played more games and were served refreshments of punch and Christmas sweets from a table decorated with a winter snow scene which Debbie Green had made.

Judy Chappell, Robert Rodriguez, and Kim Cornelius prepared the refreshments. Ellen Bradley and Penny Muncy planned and directed the entertainment.

Climax to the party was the presentation of Christmas grooming bags which the H.E.R.O. chapter members had made for each little sister.

Little sisters honored were: Trena Reeves, Sandra Robinson, Lucretia Shannon, LeeAnn Starkey, Carmel Suarez, Belinda Vallejo, Neva West, Cindy Burk, Tjohnmar Burkhardt, Pam Cathey, Sophia Garza, Tracy Harrison and Mary Leos.

Christmas Decorations Being Created By Class

The Home Furnishings quarter class at Floydada High School has been creating various Christmas decorations for the home. Christmas wreaths from plastic can-liner bags are the creation of Teresa Lipham, Jahie Warren and Kristi Love.

Ofilia Torrez and Lois de la Cruz are making macrame hangers for pomanders made with whole cloves and oranges. Becky Bertrand,

Kathy Green and Kathryn Powell are "foiling" plaster tree ornaments.

Kellie McDowell made a wall hanging by spray-painting a sauce pan and arranging in it a Christmas scene. Edges of the pan were accented with blue glitter. Christy Stringer is decouping a Christmas poem on a wooden plaque, and Anita Garza and Terri Smith are making ceramic figures to be used with

evergreens.

Terri Hesson and Susie Towler are stuffing Christmas ornaments made from fabric scraps and felt. Susie is making red and blue bells and stars to be used in a Bi-Centennial mantel arrangement.

When the dismissal bell rings Friday, December 19, the H.F. class members will have a festive note of Christmas to add to the holiday spirit in their homes.

LOCKNEY LOCAL Mrs. Marjorie Martin spent from Tuesday to Sunday with her daughter, Mrs. Jerry Blazier and Mr. Blazier in Stratford.

DUNCAN ELEMENTARY PRINCIPAL Bob Copeland and teacher Sheila Poole enjoy Christmas goodies in the teacher's lounge at Duncan. The first grade teachers provided snacks for the teacher's lounge on Monday: Mrs. Poole, Mrs. Sue Crow, Miss Jo Ann Stelter, Miss Lee Harrell, Mrs. Barbara Brewer. Kindergarten teachers were snack sponsors last Friday, second grade teachers Tuesday, third grade teachers Wednesday, migrant teachers Thursday. (Photo by Keith)

South Plains News

By Mrs. Murray Julian

December 15, 1975

This Monday morning it is crisp cold, with 16 degrees. It feels like Christmas, but we still hope for snow before the big day arrives. The field operations have almost come to a halt, and the gin here at South Plains has little cotton left on the yard.

Mrs. Fred Marble and Mrs. Keith Marble will welcome the let up from field operations as they have been carrying dinners to the field the past several weeks from twenty to as many as forty men.

Remember the Christmas program and tree which will be held this Thursday, December 18, at 7 p.m. There will be a play given by each room at the South Plains School and refreshments will be served later, following the program and Christmas entertainment.

Congratulations to Mr. and Mrs. Wayne Gilbreath on their recent marriage. Miss Debra Ann Jones and Wayne Gilbreath were united in marriage at the Calvary Baptist Church on Saturday, December 6, at 4 p.m. and they will make their home in Floydada. The young couple will be honored at a bridal shower at the home of Mrs. Edna Patton on Thursday night, December 18 at 7 p.m. at 602 West Jackson Street in Floydada.

Mr. and Mrs. Roy Burks and Mr. and Mrs. Bryan Karr all of Dallas will be among the guests at the home of Mr. and Mrs. Frank Brown on the Lockney Highway this Tuesday night for games of forty-two. The Burks and the Karrs have been visiting friends and relatives during their weekend stay here in South Plains, Floydada and Lockney. They plan to leave for home Wednesday morning.

Dee Julian, granddaughter of the Murray Julians, who lives in Roseoe, got first Chair in the District Band Meeting in Sweetwater and then at the Regional Band Meeting in Haskell she won Third Chair in the band meet and will go to Dallas for State Competition the last part of January.

Mr. and Mrs. I. H. Parks returned from Corpus Christi recently and reported a wonderful outing in their house trailer. They fished and enjoyed many days of vacationing.

We wish to congratulate Mr. and Mrs. M. M. Smitherman of South Plains on their up-coming 50th Golden Wedding Anniversary, which will be Sunday, December 21, with a reception held at the Farmer's State Bank in Hart, where their four children Mrs. M. L. Simpson, Jr., Mrs. J. W. Harper, Tony Smitherman and Mrs. Guy Ford Jr., will all be hosts for the reception.

Mrs. Mamie Wood and Mrs. Murray Julian plan to attend the Caprock Workers Conference which is being held at the First Baptist Church in Roaring Springs, with Gerald Pinkston, Missionary from Indonesia speaking to the group. Time is set for five p.m. Tuesday afternoon.

Mr. and Mrs. Sylvain Kinnibrugh spent Saturday and Sunday down at Truscott where they visited Mr. and Mrs. John Kinnibrugh and John Mark, and their daughter, Beverly, from Abilene, Mr. and Mrs. J. A. Kinnibrugh and Mr. and Mrs. W. S. Simmons.

Mrs. Glen Whitfill and little Jennifer Hixon of Sweetwater came Sunday to stay until Tuesday evening with her parents, Mr. and Mrs. Alvin Nichols. The Whitfills and family were glad to find out their son-in-law had landed safely in Cicely after the recent ship disaster in the Mediterranean. David is in the US Navy and hopes to be home the latter part of January.

Around 40 were present for Sunday School services at the South Plains Baptist Church Sunday with Dr. and Mrs. Fred Howard here for both services. Home from college at WT in Canyon were Zaeh Cummings with his folks, and Steve Pritchett with his parents, the E. P. Pritchetts. Visitors included Mr. and Mrs. Roy Burks of Dallas, also with the Pritchetts and Mrs. Reinhardt and girls, Pamela, Angela and Carla, who are from the South Plains Grain Elevator in South Plains. Bill Thomas was also present from Lockney.

Sunday night, December 21, there will be a Christmas

party and Christian Fellowship at the Baptist Church following services at 7 p.m. Come and help celebrate the Saviour's birth in Christmas carols and later refresh-

ments will be served. In the called business meeting Sunday morning it was voted to sell the church bus, so if you are in the market for a good bus, please contact some member of the church.

Mr. and Mrs. Frank McClure spent Saturday at Fieldton, enjoying supper with their grandchildren, Rev. and Mrs. Jeff Messer.

Among those who went to Plainview and had dinner

Sunday, and later went on the Home Tour of six different beautiful homes in Plainview area were Dr. and Mrs. Fred Howard, Mrs. Ruby Higginbotham, Mrs. Mamie Wood, and Mr. and Mrs. Grigsby Milton Jr. The tour was conducted from 2:00 p.m. to 5:00 p.m.

Mrs. Bessie Myers of Tulsa was a house guest of Mrs. Mamie Wood Monday night, and several friends called during the evening to

visit with Mrs. Myers and Mrs. Wood.

There were many from our area who went to Floydada Sunday afternoon to attend the annual band concert under direction of Dennis Teasdale. The concert was held in the Floydada High School at 2 p.m. Sixth grade band played first, then the junior high band played several numbers, and the Floydada High School were the last to

play in the concert. It was a pleasure to hear the children perform, and the songs were all so beautiful and in tune with the season.

Mr. and Mrs. Jack McCain of the Lake Whitney area arrived here last week to visit with her mother, Mrs. Walter Wood and to spend the two weeks here before Christmas with Mrs. Wood. Hobby Club members, husbands, and friends met at 6:30 Friday night, December

12 for their annual Christmas gathering at Kings Restaurant in Floydada where they had Christmas dinner, then a time of visiting and opening packages from the Christmas tree. Mrs. R. G. Dunlap led the group in Christmas customs and stories from the past. Those who were present were Messrs. and Mmes. Harold Hamm, Leighton Teeple, Grigsby Milton Jr., R. G. Dunlap,

Murray Julian, E. J. Kinslow, T. Wood, E. E. Higginbotham, and Arby Muller. Parents of small children should beware of its berries are Mrs. Ine Miller, education specialist, Texas Agricultural Experiment Station Service, A&M University says.

NEWS FROM FLOYD COUNTY NOXIOUS WEED CONTROL

December 15, 1975

The District has caught up on the treating of bindweed, Wayne Lipham, supervisor of the District would like to encourage farmers who are planning on having fence row treated to contact the District office and leave their request. By having fence row as clean as possible before the application you will get a much better kill. The District does not do any fence row spraying after March 31. By then bindweed will be emerging and the District will then need to devote all their time on the treating of bindweed.

Dropped waistlines, most often belted at the natural waist, are a garment design detail rapidly increasing in popularity. The long-waisted look was a fashion favorite of the mid-1960's, according to Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

OBITUARIES

Cleatis Davis

Rites for Charles Cleatis Davis, 53 year old Floydada resident, were conducted Monday afternoon in the City Park Church of Christ with Melvin Byrd, minister, officiating. Davis, who had been an invalid for the past five years, died Saturday at 9:15 p.m. in Caprock Hospital. He had been a resident of the Floydada Nursing Home for the past five years.

Davis was born in Crosbyton August 10, 1922 and moved to Floydada with his parents, Mr. and Mrs. Ed Davis in 1932. His mother died in 1954 and his father in

1958. He was a member of the City Park Church of Christ.

Survivors include two sisters, Mrs. Robert J. Starkey of Clovis, New Mexico, and Mrs. Ard B. (Gladys) Howard of Floydada; four nieces and nephews.

Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Pallbearers were Weldon Becker, Johnny Dunlap, Darel Young, Grady Freeman, Earl Baker and Jon LaBaume.

Mary Isom

Services for Mrs. Mary Elizabeth Isom, 70, of Lockney and formerly of Lubbock, were held Tuesday in the Aiken Baptist Church with the Rev. Bill Sessom, pastor, officiating.

Burial was in Idalou Cemetery under the direction of Carter Funeral Home.

Mrs. Isom died at 4:25 p.m. Sunday in Lockney General Hospital following a brief illness.

She had been living in Lockney for the past three months, and previously had been a resident of Lubbock for 12 years.

Survivors include two sons, Bernard of Lubbock and Jack of Lockney; three daughters, Mrs. Helen Strickland of New Orleans, La., Mrs. Marie Wideman of San Pedro, Calif., and Mrs. Louise Wideman of Lubbock; 10 grandchildren; and four great grandchildren.

Kelley McFall

Virgil Kelley McFall, 73, a resident of the Crazy Water Hotel in Mineral Wells, and brother of Mrs. Henry Edwards of Floydada, died Thursday, December 11 of a heart attack.

Rites were conducted Saturday, December 13, in the Baum-Carlock-Bumgardner Mineral Home Chapel in Mineral Wells with Rev. Len Layne officiating. Interment was in Fairview Cemetery in Hubbard, Texas.

McFall was born August 9, 1902 in Penelope, Hill County, Texas and had been a resident of the Crazy Water Hotel for the past eight years. He was a building contractor, a veteran of World War I, and a member of the First United Methodist Church.

Survivors include four sons: J. K. McFall, Waco, Billy C. McFall, Oklahoma City, Oklahoma, Dean McFall, Corpus Christi and Gean McFall of Oklahoma City; a daughter, Mrs. D. C. Walker of Houston; two sisters, Mrs. H. C. Stovall of Lubbock and Mrs. Edwards of Floydada; 18 grandchildren and three great grandchildren.

Breezers Split With Abernathy

The Floydada Breezers split with Abernathy here Monday night with the Seventh graders losing and the Eighth graders winning 27-21. It was a big victory for the eighth graders as Abernathy was previously undefeated.

Henry Gonzales was top scorer with 11 points. The seventh graders are now 2-4 and the eighth graders have an outstanding 6-1 record. The seventh graders came out of the Slaton basketball tournament in fourth place.

Blue Catfish Stocked In White River Lake

Crosbyton - Over 9,300 blue catfish were stocked in White River Lake near

Crosbyton by the Texas Parks and Wildlife Department with expectations of trophy fish in the near future.

The November stocking of these four-to-six inch fish is a continuing program of the P&WD to control the over populations of rough fish such as carp and shad in many Texas lakes.

The "blues" were transported from the Department's Shelton fish hatchery near Houston and put into White River reservoir by department personnel.

"These catfish are considered a stream fish in most areas of Texas," said Roy

Bamberg, Abilene fishery biologist, "and the fish could use the running waters of White River itself if we have plenty of runoff next spring."

Other stockings of blue catfish in Texas waters have produced trophy fish over 40 pounds in weight.

It is expected that these newly stocked fish will attain eating size soon due to the large concentrations of rough fish in White River Lake.

The current release of blue catfish should furnish even more recreation opportunities for area anglers in the upcoming 1976 fishing season.

Lubbock - An increase in fish requests for stocking private ponds has prompted the Texas Parks and Wildlife Department to set the fish application deadline for January 1, 1976.

Private landowners had

until June to make requests in 1975 for catfish and sunfish and the P&WD had no way of projecting how many fish would be needed.

An earlier deadline of Jan. 1 will help program the demand for all species of fish to be stocked in both private and public waters.

Over 2.7 million fish were delivered for stocking in private waters during 1974-75 with 1.3 million large-mouth bass, 970,000 catfish and 400,000 sunfish being produced on the department's 400 acres of hatchery ponds.

The three species consisting of bass, channel catfish and sunfish are free of charge but a landowner can qualify only if the pond has never been stocked with the requested species, or the pond has completely dried up and refilled since the last request, or all the fish have been removed by chemicals since the last request.

Landowners should combine the surface acres of all ponds when applying for fish.

Application cards are available from all Texas game wardens and P&WD offices.

Floydada Second In Basketball Tournament

The Floydada Whirlwinds and Whirlettes each won a second place trophy in the Floydada Invitational basketball tournament last Saturday night.

In the finals the Whirlettes lost to state ranked Canyon 83-34. Debby Johnson scored 18 points to lead the Whirllette scoring.

The Whirlwinds lost a heartbreaker to Lockney in overtime 35-34. Donzell Minner was top scorer for the Whirlwinds with 11 points.

On Friday night of the

tournament the Whirlettes defeated Motley County 64-45.

Donette Marble made 30, Tracey Puckett 18 and Debbie Johnson 16 points to lead the Whirllette scoring.

The JV Whirlettes lost to Friona last Tuesday night 41-43. Jill Poage scored 22 and Kathy Davis 17 to lead the Whirllette scoring.

In a game at Abernathy Monday night the Freshmen Whirlettes lost a close one 57-56.

As of Monday the JV

Coach Sally Miller said her guards played a game and overall team effort was good.

The Whirlettes are 11-2 going into the game with Canyon Tuesday night.

J.V. And Freshmen Whirlettes Lose

Whirlettes are 4-1 and the Freshmen 3-1.

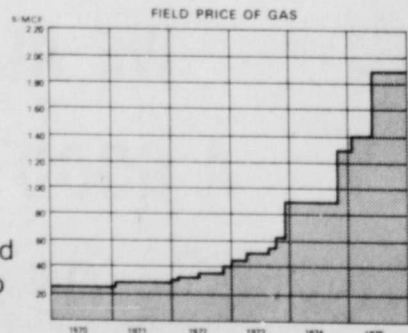

WINTER BEGINS MONDAY

"I'd rather explain higher gas bills than why you don't have gas."

Your natural gas bill is higher. And, you have every right to know why.

One reason is lower temperatures brought on by winter.

The main reason, however, is simply that you are paying more for natural gas. Because we are paying more. This chart shows how much:

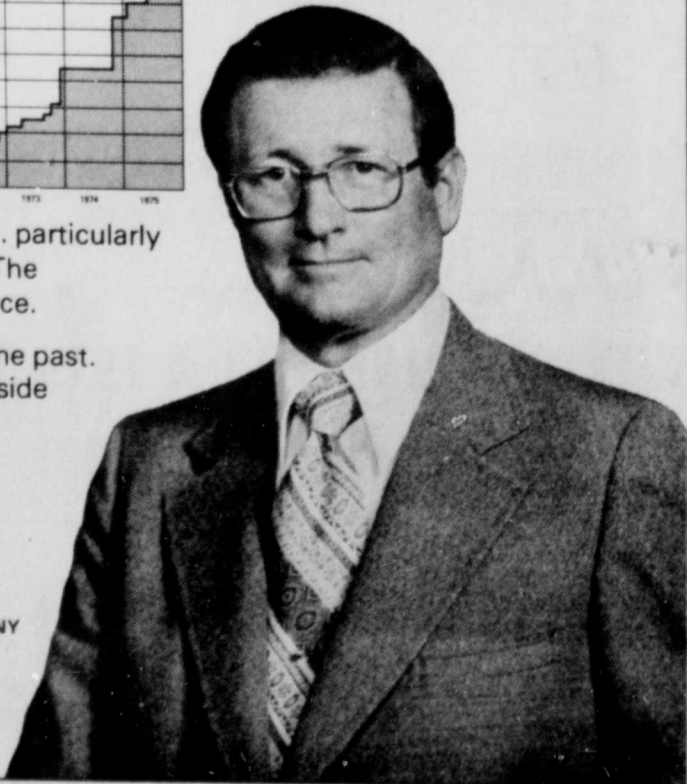

This increase hurts both you and Pioneer. It adds to your bill and to our cost . . . a cost for which Pioneer is not entirely compensated. It is passed through without mark-up or additional charges.

Why does gas cost more? Competition . . . particularly from petrochemical and other industries. The competition for gas has never been so fierce.

We will have to pay more for gas than in the past. But by working together, and without outside interference, you'll have the gas you need today and in the future.

Homeless Pets Pay With Lives

College Station - More than 13 million dogs and cats were destroyed last year at animal shelters in the United States because no body wanted them.

And you can add another five million to that figure to take into account those strays that are never caught and meet their death by starvation, disease or under the wheels of a vehicle.

What's the solution to this tragedy?

"Pet owners are chiefly to blame," contends Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service. "They let their pets stray so they often become lost. But the worst part is that pet owners take no precaution against accidental breeding of their animals."

To avoid accidental breeding, owners should either keep their animals confined or should have them neutered, advises the Texas A&M University System veterinarian. Special attention should be given to spaying female pets.

"Spaying is a surgical operation performed by a veterinarian that takes away the female's ability to reproduce," points out Armstrong. "Unfortunately, the average pet owner is often unwilling to spend the time and money necessary to have this operation performed."

An alternative to the spaying operation may exist in a birth control pill that is now being developed.

"Of course, some pet owners don't want to spay their animals because they want to show their children the miracle of life," notes the veterinarian. "But there is another side of life that is tragic-life snuffed out in a tangled mess under the wheels of a car. Or starving animals wandering along roadsides frantically looking for something to eat. Or the 13 million dead animals hauled out of animal shelters each year."

BOX 1827, PLAINVIEW, TEXAS 79072, who holds License No. 75-4 of the State of Texas intends to engage in an operation to increase useful precipitation and decrease hail-fall by means of airborne silver iodide generators and pyrotechnics for and on behalf of Plains Weather Improvement Association, Inc. and will conduct such program by means of aerial application of artificial nuclei as follows:

- The area over or within which equipment may be operated shall include portions of these counties: Hale, Lamb, Castro, Swisher, Briscoe, Floyd, Crosby, Lubbock, Hockley, Randall, Deaf Smith and Farmer.
- The target within which hail-fall is intended to be decreased is described as follows: The outer boundary commencing at the point of intersection of the counties Hale, Lubbock, Hockley and Lamb; thence northward along the Hale-Lubbock County line to the southern boundary of the Castro County; thence westward nine (9) miles along the Castro-Lamb County line; thence due north to State Highway 96; thence eastward along State Highway 86 to U.S. Highway 87; thence southward along U.S. Highway 87 to the northern boundary of Hale County; thence westward along the county line
- The equipment, materials, and methods to be used in conducting the operation are a weather radar system, cloud seeding aircraft and flares and liquid silver iodide generators for dispersion of silver iodide nuclei; near cloud base.
- The person who will be in control and in charge of the operation will be H. Robert Swart.
- The operation will extend during the period beginning about March 15th and ending about November 30th each year for the period beginning 1976 through 1979.

Individuals, organizations, or agencies who consider that their interests will be adversely affected by the operation proposed may file a formal protest for consideration by the Board with the following:
