CONTRACT FOR HIGHWAY WORK MAY BE LET

Seek Right Of Way For Road In Eastern Part Of County

Contracts will probably be let on the 30th of this month for the grading and small drainage structure on that part of Highway 90 in the eastern part of the County that has not been finished, provided that the necessary right of way can be secured by then.

If the right of way is secured in time, the contract will be let and there will be approximately 9 1/2 miles of work to be done, Judge Henshaw announced on Monday of this week. The grading and drainage structure will start at the end of the present pavement, which is a few miles east of Dryden, and will end at Lozier Canyon. The road will be changed a little, making it shorter, and this is one reason that new right of way has to be secured. With the exception of one or two ranchmen in that vicinity, the necessary right of way has been secured Judge Henshaw stated and he went to Del Rio on Tuesday to try and secure the balance needed.

Should the contract be let the Federal Government and the State Highway will put up all the money and the county will not be out any expense except what is needed to get the necessary number of feet for the right of way.

When this stretch of road is completed, Terrell County will then have a good highway through the county and then when a bridge is put over Lozier Canyon and Palmer Canyon we will have a highway that will be passable the entire year and equal to the best in the State.

It is to be hoped that the contract will be let at this time for it will mean additional work for the unemployed in the county and be of benefit in more ways than one.

Second Payment Of Split Taxes Due This Month

Those tax payers of Terrell County who took advantage of the new Texas law and paid half of their 1931 State and County tax assessment, have only a few days left to pay the other half as next Thursday June 30 will be the deadline.

According to the records of W. D. Hunter, Deputy Tax Collector, there are 41 tax payers who must pay the last half of their taxes by the end of the month. There are several large tax payers among the list with the G. H. & S. H. Railway company the largest. The total amount of taxes to be collected amounts to \$15,841.27 with \$9,764.83 of this amount to be paid by the Railway Company.

The tax rolls reveal that several of the larger ranch companies failed to pay their taxes at all thus letting their land go delinquent.

Those who fail to pay the second half of their taxes by June 30 will have to pay a 6 per cent interest starting on that date in addition to a 10 per cent penalty that will be added.

RANCHMEN PICNIC HELD

On the 10th of June the annual Ranchmen picnic was held at the Garrett Bean well on the E. W. Hardgrave ranch with an attendance of between 80 and 100. This picnic which is held every year, is attended by all ranchmen and their families that live in the northeastern part of the county.

At noon a bounteous barbecue dinner with all the good things that go with it was served. That evening a supper was served to those who had not returned to their homes.

Those who attended the affair reported a wonderful time and that the get together meeting for next year is being looked forward to at which time they hope to have equally as good a time.

Gobel Recovers From Plane Crash

Here is Art Gobel, famed flyer whose leg was broken when his plane crashed at McKinney, Texas, a few days ago. His mechanic, R. L. Riss, was killed in the crash. Gobel is shown here in the McKinney City hospital, where he is recuperating. His leg cannot be put in a cast for several days yet.

DEMOCRATS TO HOLD SECOND PRIMARY HERE

Committee Met Monday Drew Places And Assessed Candidates

The county Democratic executive committee met in session here Monday to make final plans for the holding of the primary election in this county on July 23. It was decided that this year a second primary would be held in this county. At this meeting the expense of holding the election was taken into consideration and also the order of names in the way they are to appear on the ballot was decided upon. Assessments on candidates for the cost of holding the election was decided upon, the fee for county candidates being \$8 and for District candidates \$6.

The committee decided to abide by instructions from the State Democratic executive committee regarding referendum ballots. The State committee announced that it would furnish the referendum ballots to every county in the State. The following primary election judges were appointed by the committee: precinct No. 1, Sims Wilkinson; precinct No. 2, Chester Smith; precinct No. 3, Eugene Thorn; precinct No. 4, Charlie Turk.

New Rates On First Class Mail Go Into Effect 6th Of July

An increase in postal rates will be made effective July 6th, the local post office has been advised in a bulletin which was received this past week.

This increase will effect the postal rates on first-class mail only. Letters will require three cents an ounce or fraction of an ounce, and three cents for each additional ounce or fraction of an ounce. There will be no change in the rate of first class local mail, it was stated, it still being possible to mail a letter for local delivery at the old rate of one cent per ounce.

There will be no increase in the rate on postal cards, while new rates changes will be made on air mail letters from 5 cents an ounce or fraction of an ounce to eight cents, with 13 cents for each additional ounce. There are three varieties of the 3-cent stamps which will be required on letters; namely, the current 3-cent Washington Bicentennial issue, the 3-cent Lincoln stamp, and a new 3-cent stamp bearing the portrait of Washington, identical in size and design with the 2-cent Washington Bicentennial series except for the change of denomination numerals and the omission of dates.

The new stamps are printed in purple ink.

C. F. Cox Sr., and daughter, Miss Mary returned to their ranch near Longfellow Monday following a week end trip to Del Rio and San Antonio.

Gerald Grigsby was a business visitor in Del Rio Monday.

NEW MEXICO MAN ELECTED ROTARY HEAD

Clinton Anderson Selected To Head Rotary Club For This Year

SEATTLE, June 22.—Clinton P. Anderson, 37, Albuquerque, N. M., insurance man was elected president of the Rotary International here today. He succeeds Sydney W. Pascall of London. When there was no other nomination the secretary was instructed to cast a unanimous ballot for Anderson's election.

Anderson was nominated by Charles J. Andrews, El Paso, Texas.

Clinton P. Anderson is well known in this section of the country having been a president of this district of Rotary clubs and took an active part in the convention which was held in Marfa the first part of last month.

THOUGHTS FOR THE WEEK

THE HARD, COLD FACTS

"The Nation cannot tax itself rich. It cannot dole itself back to prosperity. The states with relief problems on their hands cannot get any additional money to spend by piping their funds to Washington in the form of taxes and getting them back again as gifts or loans. Inevitably they would lose some of it on the way. In addition they would have the aggravation of seeing their own money, which they could administer themselves much more economically, managed by a string of red tape leading to the desk of some Washington bureau clerk."—San Francisco Chronicle.

New Taxes That Went Into Effect At Midnight Monday

(By Associated Press) WASHINGTON, June 19.—Upon the stroke of midnight Monday the major machinery of the new tax bill was thrown into gear, to operate continuously through June 30, 1934. The government's program for raising more than half of the additional tax burden of \$1,118,500,000 will be launched through a new manufacturer's excise levy, stamp taxes and miscellaneous others. From these the treasury hopes to realize \$654,000,000 during the coming fiscal year.

Apparently few purchasing agents throughout the land will be spared by the new imposts. The list of taxable articles includes a cross section of more or less essentials, such as matches, gasoline, electricity for domestic and commercial usage, automobiles and tires, candy, soft drinks, toilet preparations and a host of others. OWNER OF RUM PLANE TRACED TO THIS CITY

H. M. Vause, Oil Man, Is Placed Under Bond In San Antonio

SAN ANTONIO, June 21.—The Falcon airplane which was seized in McMullen County June 5, with a cargo of 130 gallons of Mexican alcohol, had had a landing the previous day and delivered a cargo of 80 gallons, it was alleged Monday when Howard M. Vause was arraigned in the case and remanded to jail in default of \$1,000 bond.

Vause was charged with receiving and concealing 16 five-gallon cans of smuggled alcohol, and with facilitating its transportation. Customs officers allege that Vause went to Dallas and bought the airplane May 31. It was seized with the 130 gallons of alcohol just five days after the purchase.

James Walters, said to have been piloting the plane, and James Howard, said to have met Walters in an isolated landing field in McMullen County with a fresh supply of airplane gasoline, were arrested when the cargo was seized June 5.

Howard had just finished a jail sentence a few days before on a charge of bringing a quantity of alcohol from the Mexican border to within a few miles of San Antonio by airplane.

Vause, who is said to be an oil man, was arrested by a customs officer at Sanderson.

Walters, through the influence of his father, who came here from Tyler to assist him, made bond before U. S. Commissioner Paul A. Lockhart, and was released from jail—Del Rio Evening News.

S. P. FREIGHT DERAILMENT DELAY TRAIN

Engine And String of Box Cars Are Derailed At Laska

Eastbound service on the T. & N. O. between this city and El Paso was delayed several hours last Saturday and early Sunday due to a derailment of 14 empty refrigerator cars and the engine at Laska, a siding near Sierra Blanca.

Sunday morning the east bound passenger train that is due here about 6 o'clock in the morning did not reach the city until nearly noon. The derailment was caused when the train hit a split rail, reports state. The freight was enroute into El Paso with 67 empty cars in line. More than 10 hours were required to clear the wreckage.

None of the trainmen were injured.

Mrs. John Clark and children spent last Friday in Del Rio with Mrs. R. B. Mussey, sister of Mrs. Clark, who has been there in a hospital for the past two weeks.

In Politics

Beauty and politics go hand in hand at the Texas State capitol, where 14-year-old Thelma Bills, is the first girl ever to hold position as page in the Senate. She has been "in politics" since she was 8, her mother, Mrs. Cora Bills, being an employee of the State Department.

STUDENTS OF SUL ROSS TO VISIT MEXICO

Annual Trip To Chihuahua City To Be Made Next Week

The annual excursion to Chihuahua City given the summer students of Sul Ross college will be made next week end, it was announced this week. A special train will leave here over the Santa Fe next Saturday morning at 6:30 o'clock, arriving at the Mexican city about six o'clock that afternoon.

Students have been royally received by the citizens of the Mexican city in the past and many forms of entertainment have been provided for them by the hospitable neighbors on the south. It is certain that this year will be no exception and students are looking forward to the visit with a great deal of pleasure.

A special round trip rate of \$7.25 has been made for the students by the railroad. It is estimated that the total cost of the trip, including railroad fare, hotel and cafe bills, etc., will not run more than \$20 per student.

The return trip will be made on the following Tuesday.—Alpine Avalanche.

Large Crowds Were In Attendance At The Dryden Rodeo

The annual rodeo that was held last Friday in Dryden was well attended by citizens from here, Marathon, Alpine, Del Rio, Sheffield, Langtry and Comstock.

At the noon hour a barbecue dinner was served following which the rodeo events took place. In the bronc riding Henry Mansfield and Wade Harrell both proved good riders and really had fierce broncs to ride. Milton Smith showed some good riding on the mule and really furnished entertainment for the crowd. In the goat roping contest there were many entrants and some good roping was done. Walter Babb won first money in the first goat roping, his time being 10.5 seconds, with Willie Banner coming in for second with a time of 12 flat. Charlie Turk was the winner of third place his time being 13 seconds. In the second goat roping, W. L. Babb, son of Boye Babb of Langtry, won first place and Jess Haley of Dryden second.

Following the goat roping the crowd all went to the airport a few miles west of Dryden where they witnessed a horse race. Willie Banner, riding Crapshooter, his own well trained roping horse, was the winner in the race.

Due to the fact that Comstock failed to get there for the ball game that was scheduled, the Dryden boys played the Mexican team from this city and were losers.

That night a large crowd enjoyed the dance on an open air platform with music furnished by the Charlie Rogers Five piece string band.

BEAUTIES TO COMPETE AT LEGION MEET

Legion Post Here Asked To Select Representative For Beauty Contest

The local Clarence Hallie Mulkey Post of the American Legion has been asked to enter a local representative in a State wide bathing beauty contest at the American Legion convention in Corpus Christi on Aug. 1, 2 and 3rd, according to Tip Frazier Post Commander.

The plan, as outlined by Sidney Kring, general chairman of the State convention arrangements in Corpus Christi, is for the local post to select some popular young lady to enter the contest as Miss Sanderson; ask various merchants to furnish the young lady's costume requirements; the Post here to pay her expenses to the convention in Corpus Christi, where she will compete with other beauties for the title of Miss 'Texas Legion'. The Corpus Christi Post will present the winner with a check for \$250 with which to defray her expenses to the national convention of the Legion in Portland, Oregon in September.

The young ladies will be honor guests at the dances planned during the convention; appear in the annual parade; be introduced in Corpus Christi theatres, and appear in the final contest in bathing suits, where the winner will be selected.

The final contest will be held at night, in conjunction with the annual band and drum and bugle corps contest. The committee of judges will consist of all past State department commanders of the American Legion.

Because of the summer attractions of swimming, fishing and boating in Corpus Christi, and the many economical tourist cottages and splendid hotels, the convention is expected to attract the largest delegation ever to have attended a State convention.

Several Injured When Chevrolet Sedan Overturns

Mrs. Johnnie Bregg, who was coming into her home here from Lozier Canyon, turned her Chevrolet sedan over on the Highway a few miles this side of Dryden last Friday. The accident, which happened about 8 o'clock in the morning, was caused by the car running into a high embankment, causing the car to turn over on the one side. Mrs. Bregg and her children received slight bruises, their injuries being treated by Dr. Doty who hastened to Dryden where they were taken soon after the accident by passing motorist. They were later brought to their home here.

The car was not very badly damaged and was brought into the Texas Service Station for repair.

CHECK TAXES WERE EFFECTIVE TUESDAY

Effective on Tuesday of this week, a federal tax of two cents was placed on every check the bank cashed, the tax being charged to the writer of the check.

Just how this will be handled by the local bank, officers has not been fully decided upon, Joe Kerr, president of the bank stated Wednesday. Several methods may be used, however, for the time being the 2-cent tax will be added to the face value of each check as it is paid, Mr. Kerr stated. After giving this method a fair trial and if it does not prove satisfactory or if other changes are made in the law, some other method will be tried.

In addition to the tax on checks drafts, and orders for the payment of money, there is a 10 per cent tax placed on all safety boxes where there is a charge made for the use of the boxes.

Judge G. J. Henshaw was a business visitor in Del Rio several days this week.

PEOPLE WILL TALK

If you listen to all that is said as you go:

You may get through the world but 'twill be very slow.

You'll be worried and fretted and kept in a stew

For meddlesome tongues must have something to do—

And people will talk.

If quiet and modest, you'll have it presumed,

That your humble position is only assumed.

You're a wolf in sheep's clothing, or else you're a fool.

But don't get excited—keep perfectly cool—

For people will talk.

And then if you show the least boldness of heart,

Or a slight inclination to take your own part,

They will call you an upstart, conceited, and vain,

But keep straight ahead—don't stop to explain—

For people will talk.

If threadbare your dress and old-fashioned your hat—

Someone will surely take notice of that—

And hint rather strong that you can't pay your way;

But don't get excited, whatever they say—

For people will talk.

If your dress is in fashion, don't think to escape,

For they criticize them in a different shape—

You're ahead of your means, or your tailor's unpaid;

But mind your own business, there's naught to be made—

For people will talk.

Now the best way to do is to do as you please,

For your mind, if you have one, will then be at ease,

Of course, you will meet with all sorts of abuse;

But don't think to stop them—it's not any use—

For people will talk.

Garner Out In Open As Democratic Candidate And He Urges Dry Law Repeal

WASHINGTON, June 21.(AP)—Speaker of the House John N. Garner, returning to his capitol office today after being confined to bed with bronchitis, gave out the statement that the eighteenth amendment "should be repealed." The Texan added that although he had not solicited support for the Democratic presidential nomination, "I am willing to serve my country and my party to the limit of my capacity."

Mr. Garner said "when the prohibition amendment was proposed, I, as a member of Congress, voted against it. I have never believed it sound or workable. It should be repealed."

His reference to the presidency was interpreted by friends as a guarded announcement of the speaker's availability for the Democratic nomination. Continuing along this line, Mr. Garner declared: "Democrats of California and my native state of Texas are sending delegations to the national convention at Chicago instructed to vote for my nomination for the presidency. This has been done without my solicitation. I appreciate the support of my friends and am willing to serve my country and my party to the limit of my capacity."

Mr. Garner said he had maintained the position assumed when elected Speaker of the House not to indulge in a discussion of a controversial issue not under consideration by the House.

"Moreover," Mr. Garner declared, "during the 30 years I have been a member of Congress, practically every principal involved in the problems of the Nation today have been before the House and my views thereon are a matter of record."

Texas Industrial Activities

Texas granite will be used in the new University of Texas buildings. Effort of the contractors to substitute granite from another State failed, a board of arbitration ruling that the specifications calling for Texas labor and Texas materials be used where practicable, construed together demanded Texas granite. The contractor claimed he could ship granite from Minnesota cheaper than he could buy it in Texas.

Construction of the oil refinery at Pilot Point is under way and is expected to start operations late in June. Contract has been let for a new tenton ice plant at Ennis to cost \$25,000.

Additional machinery recently installed in the plant of the Denton Dairy Products is turning out from 2,000 to 3,000 pounds of cheese daily.

The Houston Cooperage & Tub Co., plant at Paris recently turned out its first shipment of barrels. The benefit of other industries in attracting new manufacturing enterprises is demonstrated in this case by the fact that the location in Paris was largely due to the largest vinegar factory in the world being there—the Gregory-Robinson-Speas Co., Inc.

Sponsors For Cowboy Reunion Being Selected

STAMFORD, Texas, June 23.—Twenty cities and towns in West Texas already have selected sponsors for the Texas Cowboy Reunion to be held here July 4, 5 and 6.

The sponsors will ride in the grand parade of the Reunion on the Fourth of July. Each girl will bring her own mount and most of them will likely wear cowgirl costumes. Following the parade, they will be presented at the rodeo arena. A ball will be held in their honor that night and there will be other features of entertainment for the sponsors during the second and third day of the Reunion.

The sponsors having the best mount, the most attractive riding outfit and showing the best horsemanship will receive a handsome pair of riding boots and second prize will be a beautiful pair of spurs.

Sponsors who have been selected thus far are Miss Pauline Jones, Colorado; Miss Katherine Jones, Rule; Miss Caralene Phillips, Rottan; Mrs. Ethel Hall Ward, Swenson; Miss Grace Beck, Sylvester; Miss Glyn Floyd, Roby; Miss Frances Moberley, Albany; Miss Vivian Sears, Abilene; Miss Mildred Carr, Old Glory; Miss Maxine Pendleton, Munday; Miss Selma Swenson, Lueders; Miss Lois Perkins, Stamford; Miss Angie K. Heard, Gore; Miss Nancy Maude Milsap, Anson; Miss Katherine Rike, Haskell; Miss Oma Wood, Seymour; Miss Grace Thurman, Lewisville; Miss Ruth Stiffler, Aspermont; Miss Mable Moorhouse, Benjamin and Miss Ella Moore Seale, Baird.

Mr. and Mrs. W. R. Preslar from Thurber, Texas, are visitors in the city this week. They are stopping at the Kerr Hotel and while here are giving steamed oil permanent waves.

THE PUBLIC WARNED AGAINST CIVIL SERVICE "COACHING" SCHOOLS

WASHINGTON, D. C., June 23, 1932.—The following statement was made by the United States Civil Service Commission.

The Commission warns the public against money for "coaching" courses in preparation for Federal civil service examinations.

Schools which sell such courses under present conditions accept money under false pretenses. A purveyor of civil service courses is now under indictment in Iowa for false representation. It is expected that other such cases of prosecution will follow.

Comparatively few appointments are being made in the Federal civil service. Vacancies which must be filled by the transfer of those in the service or the reinstatement of those who have been in the service, wherever practicable.

It is seldom necessary to announce an examination. In most cases registers of eligibles exist as a result of examinations held during the past year. When an examination is announced, the applications are usually hundreds of times in excess of the need.

Money paid for civil service coaching courses at this time might almost as well be thrown to the four winds.

PERSONALS

Dr. and Mrs. E. K. Halbert received a letter the first of this week from Rev. R. E. Griffith stating that he had just completed a successful two-weeks revival meeting at Dublin, Texas, and stated that he and his family were leaving for Houston where they would visit relatives for sometime. Rev. Griffith, who has been the pastor at the Church of Christ in this city for the past several years, was pastor at Dublin before coming here.

Mrs. Lucille Mason and son Bobby left Tuesday morning for Lubbock, Texas, where they will visit Mrs. Mason's sister, Mrs. J. C. Brown. Mrs. Mason plans to be gone several weeks and will get new beauty ideas while away. During her absence, her shop which was moved the first of the week to the Thrift Store, will be in charge of Mrs. Lola Earwood of Del Rio.

Mr. and Mrs. Guy Nation and son, James Robert, left the latter part of last week for Kerrville where they will spend the remainder of the summer with Mrs. Nation's father I. H. Elder. Mr. Nation has disposed of his ranching interests in this county and will probably locate in some other section of the State. All Sanderson regrets to lose this fine family and wish them well wherever they decide to make their home.

Mrs. Green Cooke returned home Monday from El Paso where she has been the past several weeks with her twin children, Betty Jean and Bobby Greene, who have been under the care of a baby specialist in that city. The children are doing fine, the news of which will be very gratifying to the many friends here of Mr. and Mrs. Cooke.

We received on our exchange list this week a copy of the Mentone Monitor published at Mentone, Loving County, Texas. Jessie McKee, who at one time was publisher of this paper is publishing the paper. It is a nice well printed paper and very newswy.

Jesse Roberts of Marathon was a business visitor here this week.

Mrs. R. E. Stirman left Monday afternoon for Del Rio where she will undergo a minor operation at the Williams Sanitarium. She will be there several days under the care of Dr. J. R. Middlebrook. Her husband and sister, Mrs. E. J. Chastain, accompanied her.

DENTON, June 23.—The tinkle of ice against the glass always brings to mind the delicious refreshing beverages of hot summer days. These may now be dressed up with such fancy accessories that they take on quite a festive appearance.

Tinted ice cubes, ice cubes containing a sprig of mint or a cherry, flavored blocks of ice—all of these afford variations suitable for changing the simple glass of lemonade into a party affair.

Ginger ale, lemons, limes, oranges, tea, grape juice and cranberry juice—any one of these served alone or in suitable combinations make excellent drinks to serve to the thirsty caller. The hostess may wish to be a little more hospitable and pass a tray of thin sandwiches or small cookies to go with the iced drink.

Breakfast: Tomato juice; post toasties; cream; scrambled eggs; date muffins; coffee.

Luncheon: Olive-cream cheese-lettuce sandwiches; chilled peach salad with mayonnaise; lemonade, cake, salted nuts.

Dinner: Chicken fried steak; steamed rice; asparagus with Hollandaise sauce; buttered carrots; rolls; butter; lemon ice; cookies; coffee.

Breakfast: Iced canteloupe, rice krispies; cream; bacon; toast; coffee.

Lunch: Tuna fish salad; brown bread sandwiches; cream peas; sliced tomatoes; fresh peach cobbler; cream; iced tea.

Dinner: Lamb roast; mint jelly, rice potatoes; creamed onions; bread and butter; sliced cucumbers and coffee.

A scoop of either green gage ice or a mint ice dropped into a glass of tea or a glass of fruit punch makes a delicious beverage.

Fruit Punch (serves about 25 people): 1 c grated pineapple, 3-5 lemons, 1 pt grape juice, 1 pt carbonated water, 1 c tea, 5 oranges, 1 lb sugar, 2 qt. sugar.

Sandwich Suggestions (sweet): 1. Cook to a paste 1-2 lb. figs and 1-2 t orange juice and 1-2 c water. Add 1-2 c chopped nuts.

2. One c date pulp; 1-2 c nut meats; 1 t orange juice.

3. Prune pulp and water cooked to a paste. Add nuts and lemon juice.

4. Nuts ground with figs, dates, raisins, or stewed prunes.

Ice Box Cookies: 2 c brown sugar, 3 eggs, 1-2 c chopped almonds, 1 t soda, 1 1-2 c shortening, 1 t cinnamon, 5 c flour, 1-2 t salt. Cream

the shortening and sugar together and add well beaten eggs. Sift all dry ingredients together and add gradually to the creamed mixture. Add almonds. Shape into rolls and let stand in the ice box over night. In morning slice into 1-4 inch slices and bake.

Annual Reunion And Rodeo At Chandler Ranch Next Week

Plans are going forward for the second annual Ranchmens Reunion and Rodeo that will be held at the picturesque Chandler Ranch on Independence next Friday and Saturday, July 1st and 2nd.

Herman Chandler and M. H. Goode Jr., who are promoting the affair, promises plenty of entertainment for the large crowd that is expected to be in attendance. Boye Babb and Walter Babb, both well known goat ropers have signified their intentions of being present at the two-day rodeo and will help in putting on the rodeo acting as pick up men etc. The promoters hope to have in attendance, besides local candidates, several prominent candidates from the district and over the State. "Ma" Ferguson is expected there for the first day and will make a speech. On the second day an additional attraction will be a baseball game between Dryden and Ozona. Both nights there will be dancing on an open air platform with music by an orchestra from Big Springs.

An admission charge of \$1.00 is made each day to cover the rodeo and other events.

Rev. George Pagan, Pastor, and the following young ladies, Marian McClintock, Lois Curry, Edna Hovine, and Mary Ella and Mary Etta Banks, from the Eastminister Presbyterian Church of El Paso, spent last Thursday night in Sanderson, as they were returning from the Young People's Conference at Kerrville. They gave an account of the Conference in an hours program at the Presbyterian Church.

THE STARS AND THE EARTH

Horoscopes Questions and Answers The Future

QUESTIONS AND ANSWERS:

H. A. Have your letter of June 8 and have gone over the data carefully, and find one of us is all wrong. Either you did not have time of birth right, or we are very much in fault. At the time you gave, the planet Mercury was ten degrees, or forty minutes below the ascendant, or place of sun at sunrise. So we considered that planet as your significator. That being wrong, we will put the time an hour later, and that puts him out of the going, and the sun is in first house. If that is right you will find some agreement with the following dates. Good days June 22 and 28. July 8, 9, 22 and 27. Bad days June 18 and 25, July 17 and 25.

You may report on these dates later, and see how they hit. If that is wrong again we will try once more a little later when the planet Mars would be your ruler. You may have an idea about that because if he were it and alone as he would be he calls for a person with red, or freckled complexion and hair. Blue or gray eyes, and being in the sign Leo would indicate a person rather scrappy. Not hard to get into a fuss. In order to place Mars as significator it would put your time of birth after sunrise, but we will get to that later. If you find dates given do not agree with the facts we will go over the last chance. San say this much about 1932 it will not be very good for you. You have some very good indications for money, but also some bad ones, so would expect you to get some cash, but in the long run to find your outlay requires a little more than your income. If you will do your best it would appear that next year will be better for you, that is if you just keep as near even this year as you can. Write again after the first of Aug. and report on this and we will keep your data for comparison then.

W. C. Shall I make any change this year?

This year will be very much like the last few. No changes indicated, and money not any too free for a few months. This fall things should be better for you. Nothing to indicate that you have any special kick coming. Think you are better off than average, and rather well fixed for friends, more lady friends, than men. You have a little sickness indicated for this year and am pleased to say you can avoid it with care. Don't neglect colds, or be careless of yourself, and you will dodge it. Take care of yourself, and live long.

No. 7. Will I get work here, or should I leave?

There is no prospect of work for you in the line you would prefer just at present. But your chances are no better any other place so far as I can find. If you can move without it costing you anything, no harm in giving it a try and you would likely be better satisfied, but you will not find any work waiting for you such as you want. Believe you can get work where you are that will keep you from going behind, and if so that is as good as you can expect now. Better take anything offered, or that you can find for the present, and look for better times in the late fall, or winter.

L. L. L. Will I hold her affection? This looks more like a case of friendship than what you might call love. The planets indicate respect, and I would not hesitate to describe the other party as a really nice person. Reliable, and honorable. However, not indicated as of a violently loving nature. Just sort of steady. Would say there is nothing to worry about. Would expect a satisfactory finish. Just do your part, and study to please, and be pleased. Don't forget that last. It

Dr. Mars, noted astrologist, will make readings and answer a limited number of questions FREE for readers of the Sanderson Times. The answers will be published from time to time.

Write him a letter, explaining fully the problem that is uppermost in your mind, sign your correct name (which is not for publication) and key your letter by signing initials or figures for identification. The answers will appear in the Times as fast as they can be handled. Under no circumstances will Dr. Mars divulge the contents of your letter, and all letters will be destroyed after being read.

Remember, confine your letter to only one question, and address it to Dr. Mars, Box 123 Del Rio, Texas, or in care of this newspaper. In the thousands of questions he has answered in the past he has never divulged the secret of a single person, and he will not betray your confidence. If you want your questions answered please sign your correct name and address.

is more important to be pleased with the other persons efforts, than to do the pleasing. It is a sort of flattery, and it always goes over. Never miss a chance to do a little bragging to some person who, will carry it along. Let the report often reach the other person that you are such a lucky one to have selected so wisely. This is one case where it will win. About your plan. Still think it will go slowly, but maybe for want of cash to push it only. Looks like it had merit.

H. E. This is the worst thing I ever got into. Cost me over \$200.

Will explain that this letter is from a person who first wrote me over 20 years ago. For months, or perhaps years, he sent an average of a letter a week and I believe he reported one or two failures, that is years ago. I may have been a little careless having so many questions and none of them so far as I could learn being acted on. But I have reviewed the figure, and can't see where the mistake comes in unless the querent did not exercise his usual good judgment. Any way I am glad to hear again from an old friend, and if there is a chance to atone for this mistake, we will do so.

Let us print your letterheads, envelopes and statements. Work guaranteed and the best of stock used.—The Sanderson Times.

Airmail Service To Mexico Is Arranged

LAREDO, June 20. (AP)—W. N. Moore, postmaster of Fort Worth, accompanied by officials of the Bowen Air Lines and the Cia. Transports Aersos Mexico-Cuba have gone to Mexico City to arrange final details with the Mexican post office department for the carrying of airmail to and from that country. Connections are to be made at Laredo by the Bowen Air Lines, carrying the United States mail outward to Laredo and then transfer it to planes of the Mexican company in Nuevo Laredo.

Airmail from Mexico will be delivered from Nuevo Laredo, Mexico, to the American side of the Rio Grande. Mail for Laredo will come in a special pouch, but that for points beyond will make connection with a northbound plane and proceed to its destination. The new service will also give Laredo airmail service to and from Mexico and to and from the north. The service is expected to begin within a few days.

Mr. and Mrs. Carlton White and daughter, Janice, returned last Thursday night from several weeks stay in San Antonio where Mr. White has been in the Santa Rosa Hospital following an appendicitis operation. His many friends are glad to see him back home and hope that he continues to do well.

NEW TAXES THAT—
(Continued From Page 1)

free or at reduced rates must pay the tax.

Certain exemptions are made in favor of religious, educational or charitable organizations, except at wrestling or boxing exhibitions. The regulations made public today provide no exemption for college athletic games or for those operated by the government.

Club Dues Included

The tax on tickets sold for more than the established price of 10 per cent of the excess remaining after the fixed price and the tax have been deducted. This tax, in effect since June 6, is paid by the seller.

Dues and initiation fees to any social, athletic or sporting club or organization are taxable at the rate of 10 per cent if the dues of an active resident annual member are in excess of \$25 per year, and if initiation fees amount to more than \$10.

Exempted from the provisions are amounts paid to a fraternal society, order or association, operating under the lodge system, or to any local fraternal organization among the schools or colleges.

Life membership costs are not taxable, but the holders are required to pay a tax equivalent to that paid by annual members for dues or membership fees other than assessments.

Increased postage which is expected to help slash the postoffice department's deficit are not to go into effect until next month.

STOCKHOLDER'S ANNUAL MEETING

The annual meeting of the Stockholders of the Sanderson State Bank, at Sanderson, Texas, for the election of directors and the transaction of any other business that may come before the meeting will be held at the office of said Bank on Saturday the 2nd day of July 1932. Polls open from 10 a. m. to 12 p. m.
